DEŽELA ORGANIZACIJ

V tej deželi je tisoč različnih organizacij, kulturnih, gospodarskih, političnih, podpornih, verskih, zavavnih itd. Od strani oblasti ni skoro nikakih zaprek za ustanavljanje organizacij, posebno še, če so iste bolj lokalnega pomena. Svoboda ustanavljanja organizacij je skoro tako velika in samoumevna kot svoboda tiska in zborovanja.

Glede poslovanja organizacij, posebno takih, ki so gospodarskega pomena, pa je treba nekoliko državne kontrole, da se člani istih zavarujejo pred izkorisčanjem in škodo. Člani bi bili lahko oškodovani od strani vodstva, bodisi vsled nevednosti ali pa nepoštenosti istega.

Ta državna kontrola je prav posebno uveljavljena, z ozirom na bratske podporne organizacije, ki proti doljenim prispevkom objektivno svojim članom določene podpore. Razvoj teh organizacij je zahteval gotove državne regulacije in te so izražene v tovrstnih postavah. Te postave v glavnem zahtevajo, da morajo biti dohodki organizacij tako visoki, da bodo lahko krili pričakovane izdatke. Računati se mora tudi z bodočnostjo, ne samo s sedanostjo. Nadalje skušajo državne regulacije preprečiti lahkomiselné spekulacije z gotovino organizacij, da se članstvo obvaruje izgub.

Postavne regulacije so včasih upravam raznih podpornih organizacij nekoliko sitne, toda v splošnem so zdrave. Nekdaj takih regulacij ni bilo, pa so nekatere organizacije živele tako rekoč iz rok v usta, in posledica je bila, da so nekatere propadle, člani pa so se obrisali za vplačane prispevke. In mnogi izmed teh razočaranih članov so bili takrat že stari in bolehlji in vsled tega ne več sprejemljivi v drugo organizacijo.

Danes ni več te nevarnosti. Postave zahtevajo, da je članu zasigurano tisto, za kar je zavarovan in za kar plačuje. Dolgoletne izkušnje v zvezi z državnimi regulacijami so postavile naše podporne organizacije na trdo in zanesljivo podlogo. Ako je organizacija stoprocentno solventna, pomeni to, da je zmožna in da bo tudi za dogledno bodočnost zmožna zadostiti svojim obligacijam, pod pogojem, da se splošne gospodarske razmere dežele razvijajo priljivo normalno. Nekatere podporne organizacije izkazujejo celo nadstoprocentno solventnost, kar pomeni, da so še nekoliko trdnejše kot postava od njih zahteva. Med organizacijami, ki izkazujejo nadstoprocentno solventnost, je tudi naša J. S. K. Jednota, kar znači, da je naša organizacija res trdnja in zanesljiva.

Organizacije raznih vrst se načrtujejo le na določene panoge ali namene. Politične organizacije rešujejo politične probleme, farmerske organizacije se bavijo s problemi farmerjev, kulturne organizacije se omejujejo na gojitev kulture, bratske podporne organizacije pa se v splošnem bavijo le z zadevami bratskega zavarovanja. Med slednjimi najdemo nekatere, ki skušajo deloma reševati še druge probleme, ki direktno ne spadajo v delokrog podpornih organizacij, toda teh ni veliko. Večina je mnenja, da jim samo polje bratskega zavarovanja daje dovolj dela. Med organizacijami, ki se bavijo izključno s problemi bratskega zavarovanja, je tudi naša J. S. K. Jednota. Članstvo, ki je potom svojih konvencij določilo to smernico, je v splošnem zadovoljno z njo, ker vsaj dosedaj se je izkazala za dobro in pravilno.

Mi kot člani J. S. K. Jednote seveda niti od daleč ne mislimo kritizirati podpornih organizacij, ki poleg bratskega zavarovanja prevzemajo še druge naloge. Vsaka organizacija ima neoporečno pravico, da si sama določa svojo smernico. Mi želimo vsaki organizaciji dobro, toda v notranje razmere drugih se ne vtikamo ter nismo niti časa niti volje niti držnosti, da bi se postavljalni za njihove svetovalce in sodnike.

Z ozirom na našo Jednoto pa nam izkušnje kažejo, da je sedanja nestrankarska smernica prava. V organizaciji imamo člane najrazličnejših političnih, verskih in svetovnih nazorov in nihče izmed njih ni zaradi svojega mišljenja niti protežiran niti zapostavljan. Vse, kar želimo od naših članov, je, da so lojalni in zvesti svoji organizaciji in da ne skušajo vanjo zanašati problemov, ki v smislu pravil ne spadajo tja. Izven naših društev, federacij in Jednote pa se kot svobodni državljanji lahko udejstvujejo v kateri koli politični, verski ali drugačni skupini ali pa v nobeni. Privatno mišljenje katerega koli člana se od strani naše organizacije smatra za njegovo nedotakljivo osebno lastnino.

Tej naši smernici, kateri skušamo po najboljših možnostih slediti, pripada nedvomno v veliki meri zasluga, da vlada v organizaciji mir, soglasje in pravo bratstvo,

da uživa naša Jednota med vsemi sloji našega življa lep ugled in da beleži napredok, kjer koli in kadar kolikoli pogoj količkaj ugodni. Nestrankarska smernica naše Jednote ji tudi omogoča, da živi poleg drugih sličnih organizacij kot dobra sestra. Nobenega vzroka ni za preprič, nobenega vzroka za omalovaževanje.

Kakor je v tej veliki ameriški republiki prostor, svoboda in enaka pravica za državljanje vseh mišljenj in nazorov, ki upoštevajo postave, tako je v naši J. S. K. Jednoti. Na tej podlagi se je ta republika razvila med najbolj uvaževane države na svetu in na tej podlagi se je naša Jednota razvila in postavila v častno vrsto najboljših podpornih organizacij v tej deželi. Bratje in sestre, bodimo ponosni na to našo nestrankarsko smernico, ki čuva svobodo našega prepričanja, na podoben način, kakor smo ponosni na zastavo naše republike, na zvezdnato zastavo svobode!

VSAK PO SVOJE

navadne drvarnice. Zato bi bilo najboljše, da rojaki v državi Washington kandidirajo župana Mr. Shobra za kongres. On bo svojim kolegom lahko v praksi pokazal in dokazal, da je njegova ideja glede oblike mestnih ključev zdrava in milemu narodnemu direktno koristna. Predlog, če bo stavljen, bo gotovo sprejet, predsednik ga bo podpisal in vrhovno sodišče bo njegovo ustavnost vzdržalo z vsemi dejetvimi glasovi.

Mesta in župani, ki bodo vpletali predlagani novi običaj, si bodo pridobili nesmrtno slavo in urnebesni sloves, kajti vsakemu posetniku bo bolj ustrezen z okusnim sendvičem in čašo dobre piće kot s kosom počačenega pleha. In zvezda zeline države Washington se bo na naši zvezdnati zastavi zblestela kot prava zvezda danica.

ZELENI WASHINGTON

(Nadaljevanje s 1. strani)

rov, ki so tisti čas divjali v raznih delih države Washington, in res, da vsled nenavadno hude suše, ki to leto tam gospodari, rastlino in tako sočno kot običajno, toda vse to mojega vzhicišča ni niti malo povarilo. Pozdravljen, biser severnega Pacifika!

Po kratkem odpočitku sem se z busom odpeljal v mestece Ennecle, tam pa sem brz našel rojake, naše člane, ki so me govorljivo sprejeli, in prijazna clovenska deklica me je uslužno v svojem avtomobilu odpeljala v tri milje oddaljeno slovensko farmersko naselbino Kain, do dvorane, kjer je bila za tisti večer napovedana proslava jednotine štiridesetletnice, katero so skupno priredila društva št. 32, 72, 162 in 176. (Pri tej prilici naj omenim, da me je pri odhodu iz države Washington popeljal prav do vlaka v Seattlu prijazen slovenski fant; tamkajšnja slovenska mladina mi bo že zaradi tega vedno ostala v lepem spominu.) Vsa štiri omenjena društva so bila na prireditvi častno zastopana, zakar zasluzijo vse priznanje, kajti razdalje med sedeži posameznih društev so znatne.

Program proslave je vzorno vodil sobrat G. J. Porenta, bivši glavni odbornik, bivši večkratni delegat in eden ustanovitelj društva št. 176 v Tacomi. Govori so bili v splošnem kratki, občinstvo pozorno in navdušeno. Mlada Miss Čekada, člani in mladinskega oddelka društva naši člani in zastopniki vseh imen, kar pa je seveda izključeno.

K zaključku naj mi bo dovoljeni nавesti še nekaj splošnih vtipov, ki so mi ostali v spominu, da so bili na poseta države Washington.

Naša društva v državi Washington zaslužijo odkrito priznanje slovenskim nagovorom in nje za tako dobro kooperacijo, ki je prav tako lepši šopkom vrtnic, je, kljub znatnim razdaljam naglavje, rožmarina in drugih med njimi, omogočila praznovanje vrtnih lepotic, ki tako sijajno nje jednotine 40-letnice potom dveh zaporedoma se vršečih pri-Kain. Banket je pokazal, da so reditev tamkajšnje rojakinje umetnice Klub neprlikam, ki jih pripravljajo v kuhinji, pri hitri in prijazni načinu neugodne gospodarske postrežbi in v okrajevanju omajnj. Vse je bilo, "v rož'čah" v ščajajočih let in kljub morebitnim malim lokalnim sporom, so Washingtonski rojaki še vedno tako veseli, gostoljubni in optimistični kot so bili pred desetletji. Menda je to v zraku.

In potem to srečevanje in pozdravljanje s starejšimi in novimi prijatelji! Toliko znancev in prijateljev prav govorje ne bi našel v vsej rodni Sloveniji, kot sem me je tamkajšnja slovenska

mladina, ki po večini razume in brez sramu govorji jezik svojih očetov in mater, ki se zanima za naše ustanove in priveditev in ki je sploh prav tako naša, kot je naša mladina po velikih slovenskih naselbinah. Na tistem sem se bal, da je naša mladina v malih in raztresenih naselbinah našemu življu mnogo bolj odtujena, in v veliko zadoščenje mi je bilo, ko sem se prepričal, da temu ni tako. Čast tej naši mladini in seveda tudi njenim staršem!

Med Slovenci in Hrvati in deloma tudi med drugimi slovenskimi narodnostmi v državi Washington vlada, kot je videti, lepa sloga, in JSKJ uživa tu na skrajnem severozapadu naše republike zaupanje, spoštovanje in ugled. Kaj več bi si mogel človek zelite!

Gotove "highlights" z mojega obiska v Washingtonu pa napišem ob priliki. Za enkrat ni časa niti prostora.

A. J. Terbovec.

Current Thought One Week of Rest

Back on the job after a vacation of one week. The regular chores including the writing of this piece appear somewhat lighter, the office looks more pleasant, and general desire to get back into harness prevails.

But for how long? In two or three weeks the outside shall have reverted to the stock in trade routine. longer will the office walls look fresh and inviting they did upon return from a week's vacation.

Yet, after the vacationist sits down for an hour and goes to work, his mind is apt to travel back to vacationing, the sights seen, the many new friends cultivated, the tendency to dream about vacation experiences is expressible. The first day on the job after a vacation is the toughest, for one has to re-adjust himself to the routine again.

Sometimes I wonder how many people really would go on a vacation lasting 52 weeks a year? Hardly the working class, for time would hang heavily over their heads. Like all other walks of life, I believe that one has to train himself for a year-around-vacation, and is required only through years of practise.

In other words, one either is born a loafer or one develops himself into a loafer. And loafing is just as work, requires just as much concentration as do other walks of life including many jobs.

The majority of workers in this country loath a week vacation. They are anxious to do something, which in part may explain the democratic attitude so dominant among the people of this country. They contribute their bit towards the general upbuilding and progress of their country; they also wish to be included in the many opportunities offered by their industry.

It is a comforting thought to realize that our SSCU meets us 365 days a year; that the Organization never gives a vacation of even one day in its duty towards its members.

During its 40 years of existence, our SSCU never gave a day's vacation, but continued incessantly to fulfill its obligation to the needy members day in and day for weeks, months, and years.

It is also a comfort for us members to realize that we are protected against sickness, accident, disability, death throughout the year; even though we may run misfortune in the way of bodily illness, injury, during vacation time, we are protected financially against medical cost, time lost, etc. And in the event of death, dependents need not return home from a happy reunion with the deep gloom facing them in the form unpaid bills. The loss of one in the family is sufficient fortune without the additional grief of wondering what the next dollar will come from.

Yes, it is nice to enjoy a vacation free of immediate

CARDINAL HIGHLIGHTS

Struthers, Ohio.—Once more this Cardinal has pulled out from behind the shady trees to tell you a few incidents that transpired.

A real thanks goes to the grand groups which attended the Cardinals picnic on July 24th. Thank you, Barberton, Sharon, Farrell, Youngstown and Bessemer. Barberton sure showed its spirit with a busload of 54 people. Mr. Anton Okolish, chairman of the supreme judiciary board, led the Barberton group. Two softball games were played with Cardinals taking a decision over Barberton, in the first game, and Sharon taking a decision from the Cardinals in the second game.

The lodges of Cle Elum and Roslyn want to thank all the people who came to spend the day with them; especially, Mr. Terbovec, of Cleveland, who traveled several thousand miles between the site of the picnic and his hometown, Mr. Poreta, Mr. Potocnik and Mayor Schober.

It sure seems nice to see some of our members up and around again, after being in the hospital. Those back with us include Mary Slabe, Mary Zlogar, Jennie Mickolic and Mary Zaluski. We hope that illness will leave this community for a while. But lookout, you are heading for a few surprises soon.

Congratulations are in store for Mr. and Mrs. Frank Drobine, who acquired a baby daughter recently.

BRIEFS

Note to members of Cleveland English-conducted SSCU lodges and others: On Sunday, August 21st, the softball team of St. Martin's lodge, No. 44, SSCU of Barberton, O. will sponsor a picnic at Novak's farm in Barberton. As a feature attraction, two SSCU lodge teams from Cleveland and Struthers, O. are expected to play games on that day, in what may turn out to be an SSCU championship series in the State of Ohio. This picnic unquestionably is one prepared and arranged for the English-speaking members, and its success will depend upon the turnout of the English-speaking members. Of course, our senior members are invited, and it is the wish of the committee in charge of arrangements that a large crowd of senior members will be on hand. The two visiting lodge softball teams invited to play games are: Cardinals, No. 229, SSCU of Struthers and Betsy Ross, No. 186, SSCU of Cleveland. More details on this picnic in subsequent editions of Nova Doba. At this time, members are requested to reserve Sunday, August 21, for Barberton, at Novak's farm, which is located on route 5, off Sherman Road. Clevelanders taking route 21, should turn to right on route 5, and then turn to right again on the first asphalt road on route 5, which is Sherman Rd. Novak's farm is situated about a mile down Sherman road on the right hand side.

Visitors in Ely, Minn., and at the home of Mrs. Mary Zgornic, secretary of Lodge No. 129, were Mrs. Frances Gradišer, Mrs. Louise Widmar, Mrs. Angela Brene, Mrs. Mary Owen, and Mrs. Mary Glavan, all of Milwaukee. The ladies drove all the way, stopped to visit relatives and friends in Iron range cities. Piloting the automobile all the way was Mrs. Widmar. While here, the ladies went to Birch lake and in that area picked enough blue berries to insure delicious blueberry pies and jam for sometime to come.

Wedding bells rang for Miss Anna Gruden last Saturday, August 6, when she became the wife of Mr. Bernard Danhoffer. Miss Gruden is a member of the Cleveland George Washington lodge, No. 180, SSCU, and she is known by the members as an active committee worker. Anna resided in Davis, W. Va., with her folks until some two years ago, when she and her brother came to Cleveland to live with relatives.

Lodge 88

Roundup, Mont. — Our lodge, St. Michael, No. 88, SSCU will hold a dance on Sunday afternoon, August 21, following the meeting. This dance shall be held to commemorate the Union's 40th anniversary. Our Union was organized on July 18, 1898, forty years ago.

All members of this lodge are invited to attend the August 21st meeting, and to bring along their friends to the entertainment which will follow adjournment. Parents are requested to bring along their children, who are members of the juvenile department. This holds good not only to parents who are members, but also those parents who are non-members and whose children are members of the juvenile department. Parents are requested not to send the children alone to the dance, since the arrangement committee with plenty of work on their hands shall have no time to take care of such children.

Soft drinks and ice cream awaits the members of the juvenile department. Each member of the juvenile department shall receive a ticket worth 25 cents. Suitable refreshments and a light lunch will be in readiness for the adults.

This dance shall be held in the regular meeting room of Union Hall in Gibbtown. Members may remain in the meeting hall after the session, if they so wish. Program shall commence at 4:30 p.m. Parents are further requested to bring along their children on time and avoid delays.

It is only proper that we observe the SSCU's 40th anniversary this year, with the sincere wish that our Union shall continue to progress, and that we shall observe the Union's 50th anniversary with even greater enthusiasm.

At this time I also wish to thank the supreme officers for their message of greetings, forwarded to me from Ely, Minn. on the occasion of the Union's 40th anniversary.

PITTSBURGH PILOT ARRIVES IN ELY ON SSCU GOODWILL FLIGHT

By Little Stan

Ely, Minn. — Landing at the airport in Superior, Wis. last Friday, young 20-year-old daredevil goodwill messenger, Fred Zbasnik, by name completed the third leg in his famed flight from Pittsburgh to Ely, Minnesota. So many SSCU'ers are wondering what happened to the much publicized fortieth anniversary flight. And now Little Stan will enfold the whole story, including the telegrams... Heh!

Next best thing. Pilot Fred placed his ship in good hands, and took the bus to Virginia where he was finally met by Bill in his dad's car and whisked to Ely. So Fred finally did get to Ely, and a big sigh of relief was voiced down the line.

Saturday, Fred looked over the airport found it much to his liking. Sunday he returned to Duluth where he hopped in his ship and prepared to come into Ely the way he had planned, zooming over the city, sounding the official welcoming roar from the Pennsylvania Federation of SSCU lodges to the Minnesota Federation. And what transpires after that—the next chapter in the famed goodwill flight, Little Stan will report next week... and by the way—“Where is that guy Corrigan?” Heh! Heh!

Lodge 44 Softball Team To Hold Own Picnic Aug. 21st

Barberton, O. — On Sunday, August 21, St. Martin's lodge, No. 44, SSCU softball team will sponsor a picnic in Barberton, at Novak's farm on Sherman Rd.

As a feature attraction, lodge 44 has invited two Ohio SSCU softball teams for inter-lodge competition on that day. The two lodges are Betsy Ross, No. 186, SSCU of Cleveland, with Patsy Krall, athletic supervisor, and Cardinals, No. 229, SSCU of Struthers, O., with Steve R. Babich, athletic supervisor. Our softball team sincerely hopes to see these two lodges in action on that day. Not only are members of the teams invited, but the members as well, including lodge officers. Plenty of music, dancing, eats and refreshments will be available. Plenty of fun for all.

On Sunday, July 24, our team traveled to Struthers, O. A bus load of members journeyed to Cardinals lodge's picnic and helped them celebrate the SSCU's 40th anniversary. Our team lost its game with the Cardinals, when the opposition scored four runs in the sixth inning, final score being 9 to 6.

This is our first year in organized softball. We have played a number of softball games, some with teams of higher calibre than ours. Our record so far is twenty games won and six lost. We believe this is a good working start for any team.

Clevelanders are given the following directions to Novak's farm, where shall be held our picnic on August 21: Coming in on route 21 to route 5, turn right at route 5, go to the first asphalt road to the right, which is Sherman Rd. Novak's farm is about one mile on the right hand side, picnic grounds being visible from the highway.

Commemoration Session

OF THE WHOLE SUPREME BOARD AND JUDICIARY COMMITTEE OF THE SSCU, CELEBRATING THE 40TH ANNIVERSARY HELD IN THE SSCU HOME OFFICE IN ELY, MINNESOTA, MONDAY, JULY 18, 1938.

Translated from the Slovene by Frank Tomsich, Jr., Assistant Supreme Secretary

Present at this session are the following: Paul Bartel, supreme president; Joseph Mantel, first supreme vice-president; Paul Oblock, second supreme vice-president; Frank Okorn, third supreme vice-president; John P. Lunka, fourth supreme vice-president; Anton Zbasnik, supreme secretary; Frank Tomsich, Jr., assistant supreme secretary; Louis Champa, supreme treasurer; Dr. F. J. Arch, M. D., supreme medical examiner; Anton J. Terbovec, editor-manager Nova Doba; John Kumse, chairman supreme board of trustees; Janko N. Rogelj, first trustee; Frank E. Vranichar, second trustee; Matt Anzeli, third trustee; Andrew Milavec, fourth trustee; Anton Okolish, chairman of supreme judiciary committee; John Schutte, first judiciary; Frank Mikec, second judiciary; Rose Svetich, third judiciary; and Valentine Orehek, fourth judiciary.

After the president's opening address, the minutes of all four regular sessions of the semi-annual session of the supreme board which were held July 14, and 15, 1938, were read. The minutes of the first session and also the second session were approved by the supreme board previously, but were read anew for the benefit of those supreme officers and the judiciary committee who were not present at the regular and semi-annual session. At the combined session of the supreme board and supreme judiciary, the minutes of the third session were first read and approved. Thus the minutes of the fourth session were read and approved.

After this the supreme secretary submitted a motion, that Bro. Joseph Kovach, president of Lodge No. 1, in Ely, Minnesota, who was the one and only delegate to qualify for the free trip to the 40th anniversary celebration, be given three per diems, in recognition for his work. This because the aforementioned member resides in Ely, where the celebration of the Union's 40th anniversary took place, and as such the SSCU incurred no expenses. His efforts during the jubilee campaign were very fruitful and the supreme board will in this manner to a certain extent give recognition for his efforts. The motion was seconded and unanimously adopted.

At this time a motion was moved for adoption that the united supreme and judiciary committee warmly thank the SSCU Lodges of Ely, who did so much to make the 40th anniversary celebration a huge success, the City of Ely, for decorating the city and proclaiming the 18th of July, a legal holiday, as SSCU Day and the Ely City Band, who by their melodies moved not only the feet but also the hearts of all present during the celebration of our 40th anniversary. The motion was seconded and unanimously adopted.

The supreme president requests all members of the supreme board and supreme judiciary in regular order, to voice their feelings, greetings, recommendations or whatever they believe fitting at this commemoration session which is being held on the 40th anniversary of the founding of the South Slavonic Catholic Union of America.

The following responded: Paul Bartel, supreme president; Joseph Mantel, first supreme vice-president; Paul J. Oblock, second supreme vice-president; Frank Okorn, third supreme vice-president; John P. Lunka, fourth supreme vice-president; Anton Zbasnik, supreme secretary; Frank Tomsich, Jr., assistant supreme secretary; Louis Champa, supreme treasurer; Dr. F. J. Arch, M. D., supreme medical examiner; Anton J. Terbovec, editor-manager of Nova Doba; John Kumse, chairman supreme board of trustees; Janko N. Rogelj, first trustee; Frank E. Vranichar, second trustee; Matt Anzeli, third trustee; Andrew Milavec, fourth trustee; Anton Okolish, chairman of supreme judiciary committee; John Schutte, first judiciary; Frank Mikec, second judiciary; Rose Svetich, third judiciary; and Valentine Orehek, fourth judiciary.

The supreme president then remarks, that with this the program for the commemoration session is completed and all members of the supreme and judiciary committee now go to the cemetery, where a wreath will be laid upon the grave of the late Joseph Agnich, first supreme president of the SSCU, which will symbolize and represent a wreath on all graves of our departed brothers and sisters throughout the land. He then thanks all present for their active interest and wishes them all a safe return to their homes, and then adjourned the commemorative session, held during the 40th anniversary celebration of the SSCU.

Paul Bartel, Supreme President
Anton J. Terbovec, Recording Secretary

Lodge 44 SSCU Team of Barberton

Barberton, O. — For the past several years lodge St. Martin, No. 44, SSCU discussed at its meetings the advisability of organizing a baseball team. I, the undersigned, although a lover of sports but not much familiar with the intricacies of baseball, was unable to do anything but urge the boys to come together. Thus the matter stood until our active brother and our former secretary, brother John Opeka took the matter in his own hands. He succeeded in getting them together and with his help and with that of our athletic commissioner brother Kolar, who came to one of our meet-

ings, a baseball team was organized. After that the lodge received some financial assistance from our Union. Although the team is a young one, not only in experience but also in ages of the players, I am proud to report that they already have won quite a large number of games and are becoming well known in our locality.

Judging by the enthusiasm of the boys, I feel safe in predicting that they will in time become a top notch softball team. The above picture shows them in their uniforms and was taken just before the game with the Cardinals, No. 229, SSCU in

Struthers, Ohio, on July 24th. Seated in the front row, they are left to right: Joseph Susterich, Frank Okolish, Joseph Okolish, Frank Novak and Frank Merkun, manager and athletic supervisor. Back row left to right: Jacob Novak Jr., Joseph Mekina Jr., Jack Verhotz Jr., Frank Mekina, the captain, John Balant Jr., John Platnar, Frank Troha Jr., and Chas. Blower, the umpire. Tony Novak, the one with a cute smile is the mascot.

Magic Carpet to Rockdale

By LITTLE STAN

Ely, Minn. — Flashing across the skies, over the blue waters of Northern Minnesota, over the picturesque hills and valleys of Wisconsin, over the broad dairy farms of the same state, over Milwaukee, Chicago, to the 40th anniversary picnic of our SSCU being sponsored jointly by lodges 66 of Joliet and 92 of Rockdale at the latter city, will fly the Magic Carpet on August 28, with your Little Stanley at the controls.

Success of the memorable picnic held in Ely still warms the depths of our fraternal hearts, and it is with great enthusiasm that the forthcoming visit to our brother lodges is anticipated. Bro. F. E. Vranichar supreme trustee, warmly described plans for the affair on his recent trip to Ely, and Little Stan became bound and determined that he should be there. But it didn't seem quite possible for a while. Later developments practically assured the trip.

And so an Ely delegation will leave August 25th. Led by Anton Zbasnik, supreme secretary, who will be the principal speaker at the affair and Little Stan, your correspondent, the trip will be made by car, or as Little Stan puts it, "The famed Magic Carpet." Also making the trip will be Anton Zbasnik, Jr., (Bill) and in all probability, Johnny Mantel, son of our first supreme vice president. Stops are planned at Milwaukee, Waukegan, Chicago before reaching the destination.

Carrying a special dispatch from the Ely juveniles to the juvenile members of Joliet, Rockdale, and vicinity Little Stan will take utmost care in delivering the parcel. The Ely delegation expects a large crowd to be at the picnic. Perhaps the stay could be longer, but our busy supreme secretary must get back to Ely soon to clear up official business, and next day must take the train for Denver, Colorado, where he will be main speaker at another formidable picnic where our SSCU's 40th anniversary cele-

bro. Anton Zbasnik was a speaker recently at the Jugoslav Radio Hour picnic held at Hibbing, Minn., where over 10,000 people assembled. Funds from this enterprise are used in financing fall and winter weekly Jugoslav Radio broadcasts from Stations WMFG, Hibbing, and WHLB, Virginia.

Ely was also a mecca for summer visitors. Among those

who visited here were Miss Frances Grishner, Hank and Zup, Miss Shega, cousin of the

Pertz family, Peaches Pechek and her friends, Agnes Perushek, Mr. and Mrs. Matt Zelesnikar, all of Milwaukee; Antoinette Govekar, Mrs. Frank Celesnik, and daughter Mary, of Waukegan, and oodles of others.

Just across the street from the shop, Little Stan hears the voices of a hilarious group. An accordion is wheezing out the airs of "Jaz, pa ti, pa židana marela," or something like that, and the chorus is loud.

Summer is flying... while in Aurora recently, Little Stan met Caroline and Jennie Kern, juvenile delegates in 1937.

And now coming to the end of another weekly column, Little Stan warns the populace of Joliet and Rockdale to be on the lookout for the whirr of the Magic Carpet on August 28!

Growing Pains

"Now, can any boy tell me," asked the teacher, "the story of Queen Elizabeth and Sir Walter Raleigh?"

"Yes," said the bright lad who had amplified the school curriculum by judicious recourse to the movies. "She was hopping off the sidewalk onto a street car, and he spread his cloak in front of her and said: 'Step on it, baby.' — The Manchester Guardian Weekly.

Current Events

"My first husband was found dead in a chair."

"How Terrible! It must have been an awful shock."

"It was indeed, about 2,200 volts."

A Valued Post Card

On his way back to Cleveland from Seattle, Washington, Bro. A. J. Terbovec stopped en route in Denver, Colo., where he mailed a post card to the writer, the English Editor of Nova Doba. The post card bears a beautiful poem, by Arthur Chapman, titled "Out Where the West Begins." This poem shall be reprinted in a future edition of Nova Doba.

Ten signatures appear on the post card in addition to that of A. J. Terbovec, and they are: Frank Okoren, third supreme vice-president; Steve Mauser, president of lodge No. 21; John Schutte, first supreme judiciary; J. Jartz, Helen Okoren, Josephine Mauser and Josephine Yanezich, delegates to juvenile conventions; Anton Lunka, delegate to the 1936 quadrennial SSCU convention held in Cleveland, Chas. H. Chitwood, secretary of Colorado Sunshine Lodge, No. 201; and Joe Ambrozich.

Enterprise

"Almost every man can find work if he uses his brains," asserted the man who had travelled a good deal, "that is, if he has the ability to adapt himself like the piano-tuner I once met in the West of America."

"Why," I said to him, "for we were in a wild, unsettled country, surely piano-tuning can't be very lucrative here. I should not imagine that pianos were very plentiful in this region."

"Then it's sorry Oi am," said Dennis, as he started to leave the room.

"Wan minute, Dennis," called Bridget, as he went. "Ye've set me thinkin'."

Power of Suggestion "Bridget," said Dennis timidly, "did ye ever think of marrying?"

"Sure, now," replied Bridget, looking demurely at her shoes. "Sure, now, the subject has never entered me mind."

"Then it's sorry Oi am," said Dennis, as he started to leave the room.

"Wan minute, Dennis," called Bridget, as he went. "Ye've set me thinkin'."
