Kampanja mladinskega oddelka se otvorí 2. aprila

PREDGOVOR

V teh razburkanih časih, v vihri svetovnega nasprotstva, ko se brat proti bratu zoperstavlja v smrtni borbi—v teh žalostnih in črnih dnevih, ko se svet od strahu trese vsled klanja, povzročenega po vseh načinih modernega poganzizma, je že čas, da se mi kot katoličani in svobodoljubni Američani zganemo in zavzamemo za naše krščanstvo, mir in neodvisnost.

Da, čas je, da začnemo graditi našo obrambno črto na način, da kakor mi, tako tudi naši otroci ne bomo nikdar prisiljeni kloniti se nekrščanskim in brezverskim voditeljem.

Kako se pač zamorem na najboljši način utrditi in braniti? Skozi naše otroke, ali po naši mladini. Zato jih vzgojimo v dobre katoličane in dobre državljanke. Dajmo jim koristi katoliške vzzoje, katoliške izobrazbe, katoliške tovaršije in katoliškega voditeljstva. Naj bo torej dete—Jesus naša obramba proti svetu, ki je znored vsled malikovanja!

Dajmo to obrambo začeti z vpisovanjem naših otrok v katoliško organizacijo—K. S. K. Jednote!

S tem načelom in s to misljijo vam predstavljamo našo novo kampanjo mladinskega oddelka K. S. K. Jednote, ki naj se imenuje "K. S. K. J. NARODNI OBRAMBNI PROGRAM."

V tej kampanji dajmo vsi nastopiti in sodelovati, da bo na ta način že večja in boljša K. S. K. Jednote, pripomogla še do večjih Združenih držav!

Josip Zalar, tajnik Narodne Obrambe.

Vabilo na sejo

Vsi članji in članice našega društva naj izvolijo vpoštovati, da se bo vršila naša prihodnja seja dne 31. marca, ne pa 7. aprila; vzrok temu je, ker gre večina naših učadnikov, več članov in članic na KSKJ kegljaško tekmo v Milwaukee, Wis., dne 7. aprila.

Kakor že zadnjič naznanjeno, bo stala vožnja z busom tja in nazaj \$2.20. Torej kdor se hoče ta dan nam pridružiti, dobri lahko tiket na prihodnji seji pri tajniku.

Ta seja bo zopet pomembna, ker bo več važnih zadev na dnevnem redu; tako bomo tudi sišali poročilo naših nadzornikov, ki bodo pregledali knjige za prvo četrtek 1940. Dalje se bomo še kaj več pomenili o naših 50-letnici, ki se vrši 20. julija t. l. v Rivals parku. Torej prijazno vabim vse naše člane in članice, da se prihodnje seje na gotovo udeleže. Začetek iste bo ob 1:30 popoldne v stari šoli.

S pozdravom,
Louis Martinčič, tajnik.

Društvo sv. Cirila in Metoda, št. 8, Joliet, Ill.

Pri našem društvu je že star navada, da v poletnem času premenimo čas naših mesečnih sej, in sicer namesto nedelje na prvi tork v mesecu. Ker bo prva nedelja 7. aprila in ker se 6. in 7. aprila vrši v Milwaukee, Wis., velika Jednotna kegljaška tekmoma, kamor pojde tudi mnogo

naših članov, zato bomo s to premembro začeli že v aprili, namreč, da se vrši naša prihodnja seja dne 2. aprila; to ostane v veljavni do jeseni, ali do septembra. Pričetek vsake seje bo ob 8. sredo. Izvolute torej to moje naznanilo vsi vpoštovati.

Gledate letosnjega našega skupnega sv. obhajila pa naznam, da se isto vrši dne 5. maja; dne 4. maja je god našega društvenega patrona, torej ravno prikladno, da 5. maja izvršimo našo versko dolžnost.

S sobratskim pozdravom,
John Likovich, tajnik.

Po sv. maši je bil za udeležence skupen zajtrk, pri katerem je bil tudi navzoč naš so-brat naš domači župnik Rev. Pij J. Petrič, ki je te dni k našemu društvu prestopil. Našega sobrata duhovnega vodjo te-ga društva smo vse z največjim veseljem sprejeli v našo sredo. Pozdravljen med nami!

Cenjeni sobratje! Ne pozabite 31. marca naše igre in veselice v Slovenskem Domu na Irving Ave. Pridite polnoštevilno! Pozdrav,

Društvo ima seveda tudi svojo materialno stran in na tu omenim, da do konca leta 1939 je imelo društvo skupnih dohodkov \$1,755.55, stroškov pa \$1,635.48. Ta denar se je porabil v prvi vrsti za podporo fari, potem pa za druge dobrodelne namene. Ce premislimo, da članji plačujejo samo po 10 centov mesečno, in to le ako morejo, je razvidno, da je bilo članstvo jako marljivo s svojimi prireditvami.

DVA VAŽNA "IZMA"

V novejši dobi se je širok sveta pojavilo več različnih "izmov," toda pri nas, v Združenih državah ameriških pa nedvomno igrata najbolj važno vlogo samo dva, namreč AMERIKANIZEM in FRATERNALIZEM.

Prvi nas vodi k vdanosti in idealom naše Amerike, da vpoštovamo njene postave, da cenimo njen zgodovino, da cenimo dan nam priložnost do napredka, ki se nudi vsem enako in da se udejstvujemo tudi v političnem gibanju. Dalje moramo vpoštovati tradicije in dela naših velikih mož: Washingtona, Jeffersona, Franklina in Lincolna. Ti so nam zapustili tradicije, da lahko Boga častimo v cerkvi ali doma vsak po svojem prečiščanju, da lahko vzgajamo naše otroke, da bodo lahko tudi oni vživali zajamčeno nam svobodo ter vse druge ugodnosti, katere nam nudi naša velika svobodna in bogata dežela, katere ustavo moramo vedno čuvati in braniti. Kot podaniki naših Združenih držav, moramo vsi združenu nastopati in delovati samo za Združene države, ne se pa vmešavati v druge ali tuge zadeve. Kot taki le ponosno dvignimo našo zvezdnato zastavo in krepko zapojmo našo novo narodno himno: "Bog blagoslov Ameriko, tvojo in mojo domovino!"

Kakor smo že omenili, je najblžnji tovarš oziroma brat amerikanizma-fraternalizem; oba sta spojena skupaj kakor močan jez, kakor nepredoren zid in glavni vir prave misli. Kdor je torej vnet Američan, oziroma podanik te dežele, je tudi vnet fraternalist in naobratno.

Fraternalizem je duša sobratstva in pravega prijateljstva; poleg njega stopajo še prijaznost, vlijednost, strpnost in dobra volja. Iz posameznih članov kake bratske organizacije se tvori velika skupina fraternalistov, ki tvori moč in vzajemnost, ki sta nepremagljivi. Seveda mora sleteti fraternalizem na medsebojnem zaupanju. Baš fraternalizem je najbolj blesteči žarek upanja na zopetni svetovni mir v današnji razburkani dobi. Isti nam daje pogum za izvrševanje samo dobrih del ali človekoljubja, ne pa sovraštva. Isti želi vsakemu posamezniku zadovoljnost, mir in srečo. Če bi ves svet dandas hodi, po poti pravega fraternalizma, bi nikdar ne čuli o kaki vojni, ali strahu pred isto.

Noben človek se ne more srečnega šteti, če živi sam zase, tudi če je še tako bogat in slaven; pač pa lahko reče oni, da je srečen in zadovoljen, ki tudi kaj svojemu bližnjemu rad pomaga ter dotični, ki živi po Zlatem reku in po božjih postavah. Kdor ima dosti fraternalistov v vrsti svojih prijateljev, se mu ni treba dati jutrišnjega dneva, on ne pozna sovraštva, zavisti in ne maščevanja.

Fraternalizem je ideal pravega amerikanizma in pot po kateri lahko vsakdo koraka. Istega lahko primerjamo zvezdi vodnici, ki bi lahko ves svet dovedla do boljšega sporazumevanja in v pomoč bednim in potrebnim. Fraternalizem ne pozna nobenega predstoda ali sovraštva do svojega soseda-meščana ali državljanja, pač pa spaja vse skupaj k eni blagi ideji za celotno dobrobit.

Fraternalizem izvira še izza Kristusove dobe. On je bil začetnik istega, ker je učil, da moramo našega bližnjega ljubiti kakor samega sebe in odpuščati našim sovražnikom, kakor je tudi On odpustil onim, ki so Ga križali.

Fraternalizem je glavna korenina zaupanja, poguma, potrežljivosti in strpnosti. Isti navdušuje človeka, da odkritega srca in jasnih oči lahko neustrašeno naprej koraka. Fraternalizem ima tudi dobro srce, kakor za samega fraternalista, tako tudi za njegove bližnje sorodnike. V resnici, isti je pravo darilo od Boga, saj je vendar Kristus v potrditev istega prelijel svojo kri na sv. križu in da je svet odrešil. Fraternalizem je v resnici najbolj varna ladja na morju našega življenja, ker vodi vedno v pravi pristan, brez viharja. Fraternalizem je podoben mogočnemu hrastovemu drevesu. Korenine, deblo in veje nam predstavljajo delovanje, dozoreli želod pa uspeh ali sad delovanja, dokler hrastovega debla ga pa utrije in mu daje moč. Če je hrast močno ukorenjen v zemlji in ima orjaško deblo, ga noben vihar ne podre. Fraternalizem ima vedno dobro čuteče srce; darežljivo roko in prijazen obraz do vsakega. Njegova tri najbolj znana načela so: "Živi pošteno, bodi usmiljen in hodi ponižno po Gospodovi poti!"

Tudi naša Jednota je veja tega mogočnega drevesa, ki počanja in rod sadove že zadnjih 45 let. Vsak naš sobrat in sestra naj bo ponosen ter vesel, da se nahaja v senci tega pomenljivega hrasta, ki je prvi na polju ameriškega slovenskega fraternalizma.

Bratje in sestre! Čez par dni začnemo s kampanjskim delom za naš fraternalizem. Pripravite torej vse orodje, da bomo lahko neovirano začeli!

ČEBULA KOT ZDRAVILO

Skoro na vseh področjih odvratna znanost staro ljudsko modrost, ki je do novejšega časa veljala za praznoverje ali nesmisel. Prav tako v medicini, ki je odkrila mnogo zdravil, karšnje so ljudje uporabljali že zdavnaj in jih odkrili zgolj po zdravem instinktu.

To velja tudi za čebulo, ki jo zadnje čase priporočajo nekateri zdravniki kot dobro preventivno sredstvo proti prehlajenju. Prav tako ugodne lastnosti kakor čebula, ima tudi čescen, vendar se njihova uporaba najbrže ne bo posebno razširila, ker je nekoliko "prehudo" zdravilo.

Čebula in česen imata dobro lastnost, da sta lahko prebavljiva in da učinkujeta izpodbljajoče na izmeno snovi v ljudskem organizmu. Doslej še nini bilo znano, da vsebuje čebula zelo mnogo vitaminov. Čebulo lahko uporabljamo kot domače zdravilo proti bronhitisu. V ta namen je treba dve srednjedebeli čebuli razrezati rezine, posladiti s sladkorjem in pustiti ležati čez noč. Na ta način dobimo čebulni sok, ki ga dajemo piti bolniku. To je izvrstno zdravilo proti kašlju.

Angleži uporabljajo že dolgo proti prehlajenju tako zvani porridge iz čebule. Recept je naslednji: Razrezati je treba poldrug funt čebule na rezine in jo skuhati v tricetrt litru postopno segrete vode. Ko je čebula, skuhana, jo je treba pustiti še kakšno uro na mirnem ognju. Natoto je treba primešati žlico mokre, nekoliko popra in žlico masla, da dobimo čebulno kašo.

Vsek sicer ne more prenesti tega sredstva, ker nima posebno dobrega okusa. Toda čebule nam ni treba uporabljati proti prehlajenju tako komplirano, zlasti še, ker je surova zdravilnejša. Če pa bo pojite neprjetne vonje iz ust, za kar so posebno občutljive ženske, popijte, čim ste snedli reznicu čebule (ni vam treba pojesti celo čebule), kozarec svežega mleka, ali malo črne kave. Priporočljiv je tudi peteršilj, vendar ne kuhan, temveč surov.

RAZNE ZANIMIVOSTI

V Londonu so nedavno dela poskušnje s televizijo. Za objekt so vzeljalo malo vodno bolho "daphia," katero so tako zelo povečali, kakor osebo. Lahko je bilo videti očesa in celo njeni srce, kako je bilo.

"Ghetto," znači del mesta, kjer živijo judje. Ta beseda izvira iz italijanske, še iz leta 1215, ko je papež Inocenc III. ukazal, da morajo židje živeti v posebnem delu železolivarne mesta blizu "Getto."

Brivec J. M. Price v Gary, Ind. je nedavno obhajal 45 letno svoje obrti ali poklica. Od svojega 14. do 59. leta je obril 16,425 oseb, za kar je porabil

34 funtov posebnega mila, da bi se lahko iz njega naredilo

18 sodčkov žafnfice in namaza lo z njo obraz 8 akrov v širini.

Največja vinska klet je last Violet bratov v mestu Thuir na Francoskem. Tam imajo velikanske sode po 100,000 galon, vsega vina je pa v zalogi nad 27,000,000 galon.

Ce pogledate čudne številke na vaši Social Security registracijski kartici, značijo iste: prve številke pokrajino, druge dve skupino in zadnje štiri pa značijo število serije.

Prvo kopalno banjo v Ameriki so postavili leta 1833 neki v Pennsylvaniji. Zgrajena je bila iz mahogany less in bila obita s pločevino; široka je bila sedem čevljev in je tehtala 2,000 funtov.

V Združenih državah ameriških se producira eno tretjino žveplenk ali užigalic svetovnega pridelka; zatem pride Švedska in Japonska. Pri nas se uporabi letno okrog 300 bilijonov žigalic.

PRAVICA DO ŽIVLJENJA

Spiral FRANCE BEVK

Tomaž Kragulj je stopil k njemu in mu z zresnjenim obrazom nudil desnico.

"Daj mi roko!" mu je rekel. "No, daj mi roko!"

Jernej mu je začudeno segel v desnico.

Možak je znova meril izbo, da so se pod težkimi koraki stresale stene. Obraz mu je drgetal... Jernej, fant presneti, je bil izrekel besed, ki jih je že sam nosil v srcu, a se jih je bal izgovoriti. Morda je sam, ki tako misli. Zdaj se je prepričal, da tako misijo tudi drugi. Ako ne vsi, vsaj večina izmed njih. Tu mu je vilo pogumu in ga celo ganilo.

"Prav," je rekел, ne da bi se ustavil. "Jernej, poslušaj moža, ki je nekaj videl na svetu! Poslušaj romarja v Kelmorajn potepuhu, ki se je tri leta klatil po nemških deželah. Gledal sem, poslušal in si marsikaj tudi zapomnil. Tudi drugod so se upirali kmetje, a so bili potolčeni, ker zadeve niso zgrabili s prave strani. Le ne takoj spopetka s kosami in cepli! Vladi se bomo pritožili. Tudi grof ima koga nad seboj, ki se ga boji..."

Jernej ga je z občudovanjem poslušal. Plahost mu je izginala, obup prejšnjih dni se mu je razkobil ko jesenska megla. Dvignil je glavo.

"Ali tudi drugi tako misijo?"

"Saj to je. Midva ne veva, kako misijo drugi. Treba pa je, da vasi enako mislimo in da se ne bojimo. Eno samo poleno ne gori rado. Gotovo je še kdo najnih misli, a ne vsi... Te je treba prepričati. Godrnajo, kres je naložen, treba je le podtakniti ogenj. Slišiš, Jernej! Jutri je praznik. Ostani čez noč, jutri zarana pojdeva v Tolmin, da prisluhneva... Ako bo kazalo, bova spregovorila... Da?"

"Ostanem," je rekel Jernej.

Bilo mu je, kakor da se je vrgel v deročo vodo, ki ga vsega omamlijenega vleče s seboj.

12.

Naslednji dan je bilo v Tolminu mnogo kmetov, nekateri tudi iz zelo oddaljenih vasi. Ko je Tomaž Kragulj z Jernejem stopal skozi vas, je srečal Jožka Manfreda, s katerim sta se nekdaj skupaj klatila po severnih deželah. Imel je okrogel obraz in velike brke, venomer je veselo mezikal, kakor da mu je vse za smeh.

"Ali je grof doma?" ga je vprašal.

"Glavar? Ni ga. Če si mu prinesel denar, saj ga sprejme tudi Formentini. He, he!"

"Vem, vem. Pa še kaj po vrhu za lastni žep. Ali prideš k 'Cedadcu'?"

"Pridem, če daš za vino."

Kragulj mu ni odgovoril, šel je dalje. Da grofa ni v Tolminu, mu je bilo po volji. Kadar je bil v deželi, so bili kmetje nekam plašni. Tako bo imel prosteeje roke in—jezik. Birice si lahko kupil a kozarcem vina. Z jeznom, zasmehljivim pogledom je premeril dva galjota, ki sta stala pred cerkvijo.

Stopil je h gruči kmetov in prisluškal. Govorili so o vremenu, o tem in onem, le ne o grofovem razglasu. Kazno je bilo, da drug drugemu prav ne zaupajo.

Tomaž je stopil k temu in o-nemu znanecu:

"Po maši pri 'Cedadcu.' Reći tudi drugim!"

Pri 'Cedadcu' so se kmetje najrajkiji ustavljali, kadar so prihajali v Tolmin. Krčmarjev oče je bil pribel z Beneškega, njegov sin pa se je komaj še zavedal svojega pokolenja.

blize.

Jerneju so gorela ušesa. Dotlej je zahajal le med fante, nikoli med može. Ali ga niso tisti in kmetje gledali malo po strani? Kaj pa ta med nam? To ga je žalilo in bolelo. Zdaj pa so vsi hkrati postali pozorni nanj.

"Ti si pa dobre volje, kaj? Ali si načel cekin?"

Tomaž Kragulj jim je povedal, kdo je in od kod. Zemljo je trebil, dom si je hotel posta-

Tisto popoldne se mu je pivska izba napolnila kot drugače le o sejmih. Kmetje so pili, iz vina so vstajale skrbi, polagoma so pogovor napeljali na zadevo, ki jih je tiste dni najhuje pekla. Jernej je napeto lovil besede, ves je gorel od nestrenosti, Kragulj pa je le molčal in se zadovoljno muzal predse. Ali ne bo spregovoril? Ali bo samo poslušal? Kmetje so si lajšali duše s tožbam in zabavljanjem, ves čas ni padla niti najmanjša grožnja.

Dva izmed njih sta se dvignila za odhod.

"Kam?" ju je vprašal Kragulj.

"Domov, Daleč imava."

"Kaj bi tisto! Saj sveti mesec."

"Za pijačo dam!" je vzkliknil Jernej. "Ostanita!"

Moža, ki sta imela suhe mošnje, sta se začudila in zopet sedla. Kdo pa je in od kod, da daje za vino? Tista čase je bil le redek, da je ponudil za pijačo. Nekateri so se pomaknili

viti, pa ga je nenadoma treščilo po glavi.

"Marsikoga je treščilo," je menil belolasi kmet in pljunil pod mizo. "Kjer hudič vtakne svoje kremlje vmes, ni nič dobrega."

Bil je Peter Leban iz Zatolina, polovičar; hotel si je pridobiti še nekaj zemlje, pa se je zarival v grofove gozdove.

"Vse je zadelo," je začel Jernej, ki mu je negotovo pel glas in je v zadregi otipaval vrč pred seboj. "Menda ni med nam nikogar, ki bi mu preostajalo zemlje. In še jih je mnogo, ki nimajo niti toliko sveta, da bi si na svojem postavili kolibio..."

Ko je bil začel govoriti, se mu je čudno zapletal jezik, že

je kazalo, da bo sramotno umolknil. Pa se je nenadoma opogumil, zvišal glas, postajal drznejši. Kragulj se mu je boderče nasmihal, kmetje so ga gledali čimdalje manj nezupno, oči so mu pritrjevale. Govoril jim je po srcu. To ni bilo težko. Ako je povedal le tisto, kar mu je bilo na duši, tiste dni ni bilo nikogar na vsem Tolminskem, ki bi mu ugovarjal.

Prenehal je, tedaj je nastalo nekaj trenutkov splošnega molka. Nekateri so molče kimali.

MINUTES

SEMI-ANNUAL MEETING OF THE SUPREME BOARD OF THE KSKJ, HELD JANUARY 22, TO 27, 1940, IN THE KSKJ HOME OFFICE, JOLET, ILL.

(Continuation)

Report of President of the Jury Committee

Bro. Decman, president of the Jury Committee, reports that his office was not confronted with important controversies during the past six months. The lack of complaints was probably due to the recent campaign. The few minor cases presented to the Committee, Bro. Decman reports, were settled by him to the satisfaction of all concerned. The scarcity of cases is an indication that there is harmony among the members of our subsidiaries. In the interests of the organization Bro. Decman believes it beneficial not to include the few verdicts of the Jury Committee in the official organ. Bro. Decman reports that during the past six months he had visited many communities, participated in lodge programs, and witnessed that in all centers there was a wholesome manifestation of fraternal spirit which is a compliment to our Jednota. He also suggests to the members of the Supreme Board that they at every available time participate in lodge programs and attend lodge meetings. He reports that he attended the Fraternal Congress held by societies in Pennsylvania, and concludes his report by extending congratulations to all winners in the recent membership drive.

Bro. Gospodarich moves the report be accepted. Bro. Rudman seconds. Carried.

Sister Gorishek, member of the Jury Committee, confirms the report of Bro. Decman and thanks him for the efficiency and understanding by which he transacts the business of the Committee. She also thanks Sister Rogina for the victory scored by No. 81 of Pittsburgh, in the recent campaign.

Bro. Russ, member of the Jury Committee, reports that no cases were presented to him, and that all complaints were settled by the president of the committee.

Juror Bro. Oblak reports that no cases were filed with him during the past half year, which is an indication that harmony and understanding reign in the KSKJ. In the past campaign, he reports, he worked earnestly that his society, No. 65, not only attained goal but surpassed it, thereby enabling Milwaukee and West Allis lodges, five in number, to win honors. He also invites members of the Board to attend the annual Midwest KSKJ Bowling Tournament to be held April 6 and 7, in Milwaukee, Wis.

Juror Bro. Kompare states he has nothing outstanding to report which again is an evidence of the co-operation and harmony existent in the Union. He congratulates Sister Mahovich, president of St. Agnes Society, No. 206, South Chicago, Ill., and campaign manager of the society which made such an outstanding success in the recent campaign.

The reports of the members of the Jury Committee are unanimously accepted.

Report of the Editor-Manager

Members of the Supreme Board and guests:

As editor I have nothing exceptional to report, and it would be repetition to repeat the reports of the various lodges appearing in the Glasilo.

I also am happy over the results of the recent membership drive, for through it the Union reached a new high in membership. During the campaign we increased our roster by 1,459 members in both departments, the largest gain since 1925.

Would that we could show a similar progress in the current year, and that we would retain all our members and work for a minimum number of suspensions and withdrawals. A decrease in membership due to deaths is naturally in the order of accepted events.

During the past year the official organ marked its 25th anniversary in a humble manner.

During the past period we had a substantial gain in ads, the total for the year being \$1,280.49, the amount making it possible to show a profit of \$1,633.72 for the Union.

The weekly release of the official organ is now 19,300, of which 192 are sent to Jugoslavia, 18 to Canada.

Brothers and sisters! Your co-operation during the past year in writing articles for the Glasilo is no doubt greatly appreciated by the membership, and surely your articles must have been an inspiration to the members or we would not have had such a success in the membership drive. Let us continue to co-operate, so we can show an equal if not better improvement in the current year!

IVAN ZUPAN, editor-manager.

The report of the editor-manager is unanimously accepted.

Report of the Director of Athletics

Rev. Butala, Supreme President, Supreme Board Members and honored guests, victors of our recent membership campaign.

During the past six months the general and outstanding activity of the athletic and recreation department has entered around baseball and softball. In Pennsylvania a softball league completed the season schedule and in the final playoff, the Ambridge KSKJ group won the National KSKJ

With the approval of the certificate forms known as "BB-JD" the question regarding the members of the Juvenile Department who have attained the age of 16 years has now been definitely settled.

Members of the Juvenile Department who have attained the age of 16 may remain as members of the Union until they have reached the age of 18, providing they exchange their present certificates for the new "BB-JD" certificate. The monthly assessment for the members from age 16 to age 18 is 25c for \$500.00 of insurance and 50c for \$1000.00 of insurance.

Insurance laws of the State of Illinois do not permit members who are 16 years of age to remain in the Juvenile Department, therefore all members of the Juvenile Department who have completed their 16th birthday must transfer to the Adult Department.

In accordance with the foregoing every member of the Juvenile Department who has completed his 16th birthday will automatically be transferred to the Adult Department.

Each member of the Juvenile Department who now carries a Class "A" certificate, with a maximum amount of insurance of \$450.00, will, upon the completion of his 16th birthday, be transferred to the Adult Department and will be insured for \$500.00. For this amount of insurance the member will pay the sum of 25c per month until attaining the age of 18 years.

Members of the Juvenile Department now insured under Class "B" certificates will be transferred to the Adult Department upon the completion of the 16th birthday and will be insured for \$1000.00. The monthly assessment for such members is 50c until attaining the age of 18 years.

These members are not required to pay disability assessment nor any amount of assessment into the General Expense

Fund. For this reason they are not entitled to benefits in the event of disability or operation, nor will they receive the official organ — Glasilo.

When one of these members reaches the age of 18, he must then become an active member of the Adult Department or be expelled.

This rule pertains only to those members who have completed their 16th birthday and who are unable, or who at that time do not wish, to become active members of the Adult Department.

All members of the Juvenile Department who have attained the age of 16 and wish to transfer to the Adult Department as active members may do so.

The Supreme Office recommends that all members of the Juvenile Department who have completed their 16th birthday, and who are financially able, transfer and become active members of the Adult Department. The primary reason for this recommendation is that by becoming so-called "active" members of the Adult Department they are also entitled to all the privileges enjoyed by the Adult members, such as disability and operation benefits which are paid in addition to the mortuary benefit. They may also be insured for sick benefit.

The certificate forms known as "BB-JD" were adopted only for those members who after having attained the age of 16 years are financially unable to become active members of the Adult Department.

It is understood, of course, that new applicants may also be insured under the certificate form known as "BB-JD."

In addition to the "AA," "BB," and "CC" certificates, juvenile members may also be insured under the "FF-JD" Plan, known as Twenty Year Endowment Certificate. Further details concerning these forms of certificates may be found on pages 83 and 84 of the By-Laws.

THAT—the group has a number of comic novelties, including their own version of "Louie's Hungry Five," which will include Louis Zgonc, clarinet; Charles Tercek, trumpet; Al Kollar, baritone; Frank (Moze) Omerza, trombone, and Anthony Sernel, bass drum. Another will be one of a speaker who gets a big rip in his trousers, and still another will have a bucket of water thrown at him, while someone will get a trombone wrapped around his neck. Some of these antics are circus acts, and we know that you will enjoy them.

THAT—we intend to bring you a "Hall of Music." This act will consist of a trumpet duet from the center, and a trombone quartet from the stage. These duets and quartets will bring you some of the very sweetest Slovenian and English popular melodies.

A Few More Hours Will Bring Another Tourney

Milwaukee, Wis. — JUST A basketball game or have an ice-cream soda. However, we know Sinky will bowl his full three games, if someone promises to sit and watch him. We know some of you will take time out once in a while to spin around in the cocktail lounge to the tune of Beer Barrel Polka, but we do want you to save all that energy for the dances at the South Side Turn Hall.

Two magnificent affairs are being arranged for Saturday and Sunday nites at our local dance palace, the South Side Turn Hall on W. National Ave. Special features have been planned. There will be good music for the dancers, plenty of liquid refreshments for the thirsty, solids for the ones with that lean and hungry look—Banach, for instance, and prizes for the fortunate. According to the way things are buzzing around here, the tournament is an assured success. Of course, you cannot always be sure about some guy like Bida Mladic—he might get a notion to walk out of the place at the second game, seventh frame or so,—and go to see a

SEES EASTERN PIN MEET AS BEST; URGES ALL TO GIVE CO-OPERATION

Lorain, O. — The Sixth Annual KSKJ Bowling Tournament to be held April 26, 27 and 28 in Barberton, O., assures us that this will be one of the biggest and best tournaments yet held. We know that the lodges of Barberton are doing everything possible to make it so.

I am asking all lodges of the KSKJ to help out by sending as many teams as possible. As you all know this tournament is not held for crack bowlers, it's for everyone, even if you never bowled

INTEREST MOUNTS AS EASTERN DUCKPIN TOURNAMENT DATES NEAR

Strabane, Pa. — Interest is gradually gaining momentum among the KSKJ members for the coming Eastern KSKJ Duckpin Tournament to be held in Pittsburgh on April 20 and 21st at the Lawrenceville Alleys. It has been reported that already many lodges have taken action to attend the meet.

The tournament this year should turn out to be the largest and the best ever held. Last year 41 teams entered the meet held in Ambridge. As already announced, there will be only the two classes, the regular and the over-forty class.

A tentative plan of the cash awards and trophies to be awarded have already been listed. The prizes are the best ever to be presented. With competition very keen among the lodges, spectators will see some real teams representing Canonsburg, Pittsburgh, Ambridge, Aliquippa, Presto, Bridgeport, Girard, Rankin, Etna, Millvale, McKees Rocks, Sharpsburg, Beaver Falls and the many other KSKJ centers.

The trophies to be presented are the prettiest that have ever been awarded by the KSKJ Athletic Board. The committee in charge was glad to be informed that we will have with us our Athletic Chairman, Joseph Zorc. It will be Mr. Zorc's first visit to Western Pennsylvania. Many other Supreme Officers have also promised to attend.

As in the past years, the Pennsylvanians again appeal to the Ohioans to send teams to this see the boys in action.

ZEFRANS RECAPTURE FIRST; CARL STRUPECK SETS NEW MARK

Chicago, Ill. — Zefran Tavern once again occupy first place in the Steve pin league by virtue of their three-game win over their rivals, the Korenchan Grocers last Tuesday. The Zefran team spotted their opponents 28 pins each game, and were also without the services of their captain Joe Zefran who last week injured his back. This did not worry the present leaders, for they rolled games of 929, 858, and 1003, for a total of 2790. The winners were paced by John Zefran with 620, and Frank Gottlieb with 608. The following are the scores of the Zefran Tavern and Korenchan Grocers battle:

Joe Zefran	172	172	172
E. Bahar	169	182	160
W. Necker	158	142	235

John Zefran	216	191	213

J. Jeray	177	166	204

A battle for the cellar position was also on hand as the Kosmack Boosters tangled with Fidelity Electric. The Boosters came up with two wins to give them a one-game edge over the Electricians. The highlight of the evening took place when Carl Strupeck of the Fidelity team bowled 199, 266 and 195 for 660. First, Carl took high individual single-game with his 266, topping Anthony Darovic's 263. Second, he tied his brother Frank with his 660' series. High men for the Boosters were Bill Bogolin with 560, Henry Basco with 546, John Prah 542, and Louie Rabetz 519.

Tomazin Tavern took the Monarch Beers for two games to stay three games ahead of Perko's Inn. Leading the Tomazin team was Johnny Terselich with games of 199, 191, and 209 for 599. John Kochavar finally led his team with a 531 score.

Park View Laundry also won a pair of games from Perko's Inn to give them a tie for fifth place with the Monarch Beers. Frank Grill was high for the Laundrymen with 564. Leading the Inn team was Frank Nahtigal with 503.

There were nine 200 games in the Zefran Tavern - Korenchan Grocers battle . . . five went to the Zefran team and four to the Grocers . . . Joe Zefran, sore back and all, was on hand to watch his team come through with a three-game win . . . John Korenchan was also on hand to watch his team . . . On April 2 the 40 bowlers will have their final night of bowling as they will have their sweepstakes night . . . on that night also

(Continued from page 7) away a couple of hours—the committee will be on duty at all times, sandwiches will be served, and for those of you that want to practice up on your ball-room technique—we'll have a nickelodeon on hand. Of course the dances will formally begin at 8 o'clock on both nights, but there'll be something going all the time. The slogan for these two days will be "Never a dull moment in Milwaukee"—zato ker v Milwaukee je lušno biti in dobrega piva dosti za pití. A nires, Chadwick? Nas Chairman Rudy pravi da someone donated his "little black book" of names and addresses and as a side-line, with all the equipment on hand, we are opening a dating bureau for the out-of-town swains. Should this list prove a trifle short, we'll have another old list to fall back on. Well, anyway, getting back to the dance, we do promise you a thoroughly good time with polkas and swing holding forth. We'll be looking for all of you at both dances. And if you can't dance, you can hold up the bar.

As much as we all enjoy bowling, Al Matzelle looks upon bowling as his handicap. He's working with the ABC office in Detroit and invites the KSKJers to see him when they bowl in Detroit. We know he'd like to be here.

Reservations are pouring in for hotel accommodations—get yours in early—first come, first served. For the overflow, we have obtained the Juneau hotel, two blocks east of the Pfister at the foot of Wisconsin Ave., at the lake. However, for those of you that don't want to participate in the fun, there's the Ambassador hotel at N. 23rd and Wisconsin. BUT, the Pfister is the official headquarters, and that is where we'll be seeing you.

For those of you that get lost easily, we will have an information booth at the South Side Turn Hall on Saturday and Sunday afternoons and you may obtain full information regarding directions, etc. there. Don't call the Chairman, because his phone has been plugged and he won't be at home for two days, so come to S. S. Turn Hall for your dope.

Don't forget about those souvenirs, they're your identification marks. We have prevailed upon the Police Department not to pull in the sidewalks at ten o'clock, like Brula and Baboshek claim happened in Joliet.

For those of you that come with only one shirt and one pair of socks, Eddie Ambrosch will furnish overnight cleaning service. For those of you who sprout a heavy beard over-night, Joe Boyance will be on hand with his portable electric. For those of you that can't "take it"—Doc Stefanez has office hours on Sunday morning, and if the "varnish remover" harms the enamel on your teeth, Doc Krikovac will also be available.

TOURNEY NOTES

HEAR YE! HEAR YE! Tourney Commentator reveals more news. Lots of rumors floating around about the "3 o'clock" Club. We just have to wait; keep your ears open, and eyes shut.

Jack Jenich wants to enter his brand-new 9 lb. baby girl in the all events. Maybe it's a little early, but is it OK with you, Kosmach? Congratulations, Jack. May all your troubles be little ones.

Charlie, the specialist of the airflow ball will throw a streamlined ball—it's eggshaped and lands in the center of the alley with a bang! (Splash.)

Kreffel must know something about this 3 o'clock business—he's already lined up provisions so he must be figuring on something. Maybe we had better follow him around.

Wish we were back to the good old days! According to Mayor Hoan, bowling was free with the purchase of a couple of glasses of beer. At that rate, we would not have enough bowling alleys in Milwaukee. We'd have to get the Mayor to let us use our back-door alleys.

Save your shekels and greenbacks; it won't be long now!

"Mother, may I go out to the World's Fair?

Yes, my darling daughter.

Stop at the tourney in Milwaukee,

Because you know you oughter."

Besides Babe from Minnesota—say, pile your team on a coaster wagon and come on down. On the road map, it seems as if it's all down-hill. We'll give you a rope to climb back.

LEADS CHI MEET

La Salle, Ill. — Miss Ann Okleson, member of St. Ann's Society, No. 139, bowled 613 in the singles in class B in the Chicago Evening American Tournament on Sunday, March 17. This score took first place on that day, and the tournament has only a few more weeks to run.

Other members of the K. S. K. J. from La Salle who bowled in this tournament were the Misses Frances Jancer and Mary Furar who also made a commendable showing in their respective classes, but not outshining Miss Okleson, who was tops.

NOTICE

GORSICH GROCERS CONTINUE CLIMBING IN PUEBLO CIRCUIT

Pueblo, Colo. — Not fully recovered from the shellacking given to them by the St. Mary's power house five, the Koller Grocers took another on the chin by dropping three in a row to the fast climbing Gorsich Grocers in the local Kay Jay pin circuit. (Say, Al, you were warned about this gang. So no alibis, please.)

The Gorsich boys made a whirlwind finish in the second game. With Godec and his gang enjoying a 100 pin lead, Duke Karlinger came through with five strikes to his 185. "Muss" Mikatich, big 225 lb. southpaw, almost duplicated Duke's feat by showing up with four strikes. After that cyclone hit the Kollermen they certainly had puhenly," and we don't mean perhaps. Ray Krall was doing all right knocking down a 204 and 200. Ham Jesik, (minus the big cigar), hit a 2225. Say, "Fritz" Gorsich, how about coming down

So until we meet with Speedy Egan and his Jurors, we say "So Long." N. Jay.

The final game found St. Mary's right there on top registering defeat for the Germ Li-quormen, by taking two. The Churchmen are really holding on to that first place position. The Germ boys took the second encounter with the help of Captain Tony Wodishek's 189.

So until we meet with Speedy Egan and his Jurors, we say "So Long." N. Jay.

LEADING KUHARS GO INTO FINAL ROUND WITH TRIO-WIN, SLIM EDGE

Joliet, Ill. — The Kuhar Grocers, league leaders in the local Kay Jay bowling loop, celebrated the turn of the league into the final round of the season by making a clean sweep of their series with the Hickory Markets, the last of the three games by the slight margin of just two pins, however. Close behind the Kuhars were the Tezak Florists and the Gorsich Food Marts who hung desperately to their second place tie positions by winning a pair of games each from the Bluth Markets and the Slovenic Coals, respectively.

Honor bowlers on the "big shot" list for the evening were: G. Karl 223, A. Kuzma 220, L. Kuhar 213, and C. Petan 201.

SPARES: It's our opinion that someone put the hex on that Gorsich outfit . . . after a lot of tough breaks the team struggled up to second place and within three games of the top and now Joe Horvath, one of their ace bowlers, is out for the rest of the season . . . Joe, we are told, has the misery in the lunch-room . . . his spot will be filled by Tony Vlasich, a newcomer to the local loop . . . Those Hickory Markets could qualify any day as grade A furniture movers . . . they practically wrecked the joint to make room for the boys who

to make room for the boys who . . . See you then.
