GREMO PROTI VIŠKU

Sonce bo v nekaj dneh doseglo najvišjo točko na nebu in narava se bliža višku svojih aktivnosti. Dnevi so dolgi in noči kratke, kakor da nas opominjajo, da zdaj ni čas za spati in počivati, ampak za delati. Polja, vrtov, sadovnjaki, vinogradi in gozdovi so sočno zeleni in rast je tako bujna, da se izpreminja dnevno. Milijarde živilj bitij hitijo, da izvršijo svojo živiljenjsko naloge, ker instinktivno čutijo, da kresni čas je najvišji živiljenjski praznik leta. Mlada jutra se kopljeno v biseri rosi in v razigranem žvgolenju krilatev, dnevi so v jarkem sončnem siju sama prelesta v mehke junijski noči nas ogrinjajo kot orientalska svila, vsa parfumirana s sladkim vonjem jazmina in žarnih vrtnic. Narava je kot eno samo veliko kipeče živiljenje, ki hrepeni k čim večji lepoti, uspehom in popolnosti.

Tudi naša J. S. K. Jednota kipi živiljenja. Vse je v njej pomladansko razgibano, vse je razigrano, vse hrepeni in hiti k čim večjim uspehom. Nikjer ni komande: dovolj! Od povsod odmeva samo: naprej, naprej do najvišjih vrhuncev, ki jih najlepše obseva sonce!

Mladinska kampanja J. S. K. Jednote, katere namen je pomladiti našo organizacijo s tisoči novih članov mlatinskega in deloma tudi odraslega oddelka, se bliža svojemu višku. To je tipična pomladna aktivnost naše Jednote, omejena na tri pomladne mesece. Tako v začetku je živahno planila na dan in vsak teden postaja živahnejša in beleži lepše uspehe. Po dosedanjih uspehov soditi bo končni rezultat tako siajan, da bomo vsi ponosni nanj. To pa nam vsem náлага častno dolžnost, da po svojih močeh in zmognostih prispevamo k uspehu te kampanje, da bomo vsi res imeli svoj častni delež v končnem rezultatu.

Kampanja se bliža zaključku. Še dva tedna časa imamo, da pomagamo k častnemu zaključku iste. Pri naši Jednoti nimamo pogostih kampanj in tudi ne verujemo v dolge kampanje, ki se vlečejo kot morska kača. Naša kampanja naj bo kratka, pa polna živiljenja in učinkovita. In dosedaj je bila takša. Zaključna dva tedna kampanje pa naj bi po svojih uspehov prekosila vse, kar je bilo doseženega doslej. Priznati je treba, da so bili dosedanji uspehi nad vse lepi in častni, toda pri tem ni nobenega vzroka, da ne bi bil zaključni del kampanje najbolj briljant. Samo, če vsi prijavljeni in še ne kvalificirani kandidati dosežejo delegatstvo, bo to velik uspeh. Skoro nobenega dvoma pa ni, da se bodo v teh dveh tednih prijavili še novi kandidati, ki bodo v zaključnih dneh kampanje dobili predpisano kvoto novih članov in s tem delegatstvo.

Omenjeno je že bilo, da je namen te kampanje pridobiti kar največ novih članov v mlatinski in odrasli oddelki, ker Jednota mora rasti, če neče nazadovati. Mladinska konvencija pa je v glavnem le nagrada za uspešno izvedeno kampanjo. Za mlade delegate in delegatino bo mlatinska konvencija v zeleni Minnesoti živiljenjski dogodek, ki ga ne bodo nikdar pozabili. In kdo ne bi privoščil tem našim mlatim fantom in deklicem, od katerih pričakujemo, da bodo v bodočnosti stebri in voditelji naše Jednote, lepega počitniškega izleta v rojstni kraj naše organizacije! V prvi vrsti velja to za stare, sorodnike in prijatelje teh fantičev in deklet. Velja pa tudi za društvene uradnike in vse ostale društvene člane, saj vendar hočemo obdržati mlatino v naših vrstah, da naša organizacija vzljubi, da jo pomladni ter da vodi in upravlja, ko se bomo mi drug za drugim umagnili s pozorišča.

Mnogo naših društev pa si poleg tega šteje tudi v častno dolžnost, da bo zastopano po svojem delegatu ali delegatinji na mlatinsko konvencijo. Nekatera društva medsebojno tekmujejo, katero bo imelo več delegatov. To je plemenita tekma, ki bo samo koristila Jednoti, ali, z drugimi besedami, nam vsem, ki smo njeni člani. Častihlepnost v takem primeru ni slaba, ampak lepa in plemenita lastnost.

Bratje in sestre, ne pozabimo, da traja kampanja samo še dva tedna! Mnogo je bilo že storjenega, toda zelo mnogo se še lahko stori pred zaključkom iste. Pomnimo, da se gre za čast vseh društev in vseh članov ter za korist, napredok in ugled J. S. K. Jednote!

Posemata ali kopirati produkte koga drugega ni greh, je pa indirektno priznanje, da oni drugi več zna. Posemanta je najbolj laskavi izraz priznanja.

Na delo, še je čas!

"Beseda miče, vzgled pa vleče," pravi star slovenski pregor. Da se prepričam, jeli ta pregor resničen, sem si vzel malo mi odmerjenega časa ter sem šel sam na agitacijo za novimi člani. Prav z malim trudom sem za našo kampanjo prvi dan pridobil osem zdravil in čvrstih dečkov ter deklik, kateri bodo postali člani našega mlatinskega oddelka in ter obenem omogocili delegatsko mestno našemu mlatemu sobratu Frank Novaku, kateri ima že danes zadostno število novih članov, ter je tako postal kvalifikiran delegat druge mlatinske konvencije.

Zanimivo bi bilo enkrat poročati kaj človek vse doživi na agitaciji, toda sedaj ni čas za to. Povem samo toliko, da ni lažjega dela kot agitirati za našo Jednoto. Pojasnite prospektivnim kandidatom oziroma njih starišem ugodnosti, katere nudi naša organizacija svojih članom, ter obveznosti, katere imajo prispeti kot dobrí člani, potem pa primerjajte kamorkoli ali kjerkoli, dokaz je tukaj, da nas nobena bratska organizacija ter nobena zavarovalna družba ne prekaša.

Dokaz: Mladi sobrat Frank Novak, delegat društva št. 94, je član mlatinskega oddelka eno leto. Star je petnajst let ter so stariši v slučaju njegove smrti upravičeni do svote \$450.00. Njegov asesment znaša petnajst centov na mesec. Od društva št. 94 je bil postavljen kandidat drugi mlatinske konvencije, ter se bode koncem julija tega leta podala na pot v rojstni kraj naše Jednote na drugo mlatinsko konvencijo. Torej za ono neznačno vsotico, katero so stariši tekmo enega leta plačali za mlatega ter nadobudnega sobrata Franka Novaka, so imeli svojega sina zavarovanega za znalno svoto, poleg tega si bode pa njih sin ob prički potovanja ter zasedanja konvencije pridobil nepozabnih spominov, kateri bodo nerazdružljivo zvezani v celem njegovem življenju do J. S. K. Jednote, katera mu je dala to krasno priliko do prve praktične izobrazbe. Katera organizacija ali zavarovalna družba vam nudi kaj enakega?

Vaš sin ali vaša hčer ima ravno iste prilike kot gori omenjeni mladi sobrat. Ako je vaš sin ali vaša hčer član ali članica mlatinskega oddelka, postavite jih kandidatom pri vašem društvu. Pomagajte njemu ali njej pridobiti samo trideset novih članov v mlatinskega oddelka ali petnajst novih članov v odrasli oddelki, pa boste dati tudi v priliku svojemu otroku do prve praktične izobrazbe v fraternalizmu v njegovemu življenju. Vsi oni pa, kateri nimate vaših otrok zavarovanih pri naši organizaciji, zapisite jih takoj, ker tudi vaši otroci bodo deležni enakih prilik, ker naše kampanje ter mlatinske konvencije se vrše na vsaki dve leti.

"Na delo, še je čas," bratje in sestre. Na delo društva in moji državi Illinois, kaj bomo res zadnji? Na delo sobrat je in sosedne v sosednjih in državah Wisconsin ter Indiana, kaj bomo res puсти, da nas je gorata Colorado potisnila v tako silno ozadje?

To je moj zadnji apel na vas, bratje in sestre, v tej kampanji. Prepričan sem, da ne bo brez uspeha. Dovolj smo pisali, dovolj smo pojasnjevali. Glavni odborniki ter društveni uradniki smo storili svojo dolžnost. Detali smo s pisano besedo ter z dejaniji in sem trdno prepričan, da bo rezultat naše kampanje tak kot si ga želimo, ako nam še ostalo članstvo vsaj nekoliko priskoci na pomoč.

Se mesec in pol pa se bo naša mlatina, cvet naše Jednote, ter zastopniki nad deset tisoč brojčev mlatine naše organizacije, strnila skupaj v rojstnem mestu J. S. K. Jednote ter se pripravila na ogromno manifestacijo in na veličasten praznik fraternalizma, ne samo v teoriji, pač pa v praksi!

Bodite mi vsi bratko pozdravljeni, ter na delo, še je čas!

PAUL BARTEL, glavni predsednik JSKJ.

V New Yorku sta se pred sedmimi leti sporekla dr. G. A. Blakeslee in njegova boljša polovica in tem argumentu je sladka ženica zakričala nanj, da naj molči. Mož je umolknil in od tistega časa ni več besedice izpregoril z njo. Zdaj ga toži za ločitev zakona in za vzrok navorja njegovo trdrovratno molčanje.

Iz tega bi se dole sklepali, da je boljše, če moški ne poslušajo svojih dragih žen, ker jim ne ustrezajo, ako jih še tako dobesedno ubogajo.

tovih navadno naprej premenijo licenčne plošče ali pa spremenijo na njih številke in letnice, da jih ni mogoče zasledovati. Ta njihova taktika bo v bodoče znano otežkočena, ako se splošno uvede novi sistem papirnatih licenčnih številk, ki se bodo prilegla na steklena okna avtomobilov in začnejo v zadaj. Ti papirni listki bodo kazali iste številke kot licenčne plošče in jih ne bo mogoče popraviti ali odstraniti, da se ne bo pozna. Listki bodo izdelani iz poseben način prepiranega papirja. Na to praktično ideja sta prišla dva moža v Minneapolisu.

NEMCI IN ANGLEZI Ko je dne 13. maja angleški rušilec Hunter v bližini Španije zadel na mino ter je eksplozija ubila štiri mornarje in 24 ranila, je Anglia uvela preiskavo. Preiskavo je dognala, da so mino položili španski rebeli v nasprotju z mednarodnim pravom. Anglia je vsed tega naslovila protest na vodstvo španskih rebelov in zahtevala, da bo zahtevala povračilo škode. Ko pa je 29. maja neki letalec španske vladne vojske bombardiral nemško križarko Deutschland, so Nemci takoj odredili bombardiranje španskega mesta Almerije, močno poškodovali mesto in ubili ter ranili več popolnoma nedolžnih oseb. Ta dva primera kaže razliko med postopanjem demokratičnih držav in onih, katerih vladajo diktatorji.

ČIŠČENJE V RUSLI

Pretekli teden so v Rusiji obdelili na smrt in ustrelili osem višjih častnikov, enega maršala in sedem generalov, zaradi veleizdaje. Omenjeni so baje priznani, da so v Rusiji pripravili prevarat pomočjo neke neprĳateljske države. Nedavno je bilo v Sibiriji usmrčenih 66 oseb zaradi veleizdaje.

SPANSKA CIVILNA VOJNA

Španski rebeli so razvili veliko ofenzivo na baški fronti, ker hočejo na vsak način v najkrajšem času zavzeti mesto Bilbao. Poroča se, da so v tej smeri dosegli že nekaj uspehov. Istotako so rebeli pričeli z ofenzivo pred Madridom. Baje sta Mussolini in ljubi in milijoni inozemcev blagrujejo tiste, nad katerimi vihri in katerih svobodo ščiti. Current Thought

Junior Salesmen

Over two thousand new members in both departments already in—enrolled during the first 12 weeks of the mammoth juvenile convention drive for new members.

Thirty-four delegates elected with over seventy candidates trying mighty hard to reach their goal of thirty credits—either thirty new juveniles or fifteen adults, or ten juveniles and ten adults, etc., each adult counting as two juveniles.

We can safely say that close to 100 live wires, situated throughout the United States, thirteen states to be exact, are spreading the good word of our SSCU. These live wires are the candidates and delegates who expect to be in attendance in Ely next August when the second biennial juvenile convention takes place.

And these live wires are enthusiastic salesmen and saleswomen who deeply appreciate the efforts extended in their behalf, for it must be admitted that never before in the history of our SSCU, or for that matter any Yugoslav fraternal, have the prizes been so attractive for a little extra effort.

They realize that our SSCU anticipates a warm response; also, a spirited response from the elders.

Where other organizations have their field men working on regular salaries, we have altruistic young generals extending their efforts in behalf of a fraternal whose only aim is to protect and extend assistance in time of need to its members.

Naturally enough, we cannot expect certain individuals to go out of their way spreading the good word without being compensated for the additional time and effort extended for the welfare of the whole Organization.

Therefore, the juvenile convention, the goal of 'Here, not only a good time awaits the junior live young—moreover, a trip by rail with all expenses paid, personal travel—but what is more important, the mind is given a free rein to judge for himself and the merits of our SSCU. He and she is given an unrestrained opportunity to classify the SSCU, a fraternal built and maintained by their parents, the great majority of whom have had to, and still do, work hard to earn their living.

Small wonder that our members throughout the twenty states have reason for rejoicing at the response shown thus far to this campaign.

Perhaps our SSCU has uncovered a missing link in its efforts to continue its paternal spirit towards its members. Perhaps the juvenile convention campaigns for the future will supply the needed response from our junior members, many of whom transfer into the adult department.

It is said that all of the large industries owe their existence to some one idea carried out extensively, and which met with popular approval.

Further, it is accepted that a lack of new ideas, or the lack of at least one sweeping good idea over a period

LODGE NO. 70

Chicago, Ill.—Lodge Zvon, No. 70, SSCU will hold its picnic on Sunday, June 20 at Schultz Grove. For this reason I would like to see the members attend in full numbers the meeting which will be held Saturday, June 19, at 7:30 p. m. in the usual quarters.

Members who do not have their own automobiles can take the truck to the picnic. The truck will be available Sunday, June 20, at W. 22nd Place and Lincoln St., at 12:30 p. m. It will leave at 1:00 p. m. The truck will make stops at Kedzie Ave. and Cermak Rd., on Crawford Ave. and Cermak Rd., and Cicero and Cermak Rd. to pick up waiting passengers.

Others who will go to the picnic with their own machines should take either 22nd Street or Cermak Road and go west. The picnic grounds located on Schultz Grove are on the main road.

Frank Doblekar

The third delegate to qualify from lodge No. 37, of Cleveland is Frank Doblekar. He, too, is a musician, and the fourth from Cleveland who will take the trip to Ely next August. The other three musically inclined delegates are: Anthony Prime, Jr., Poklar and Edward J. Zalar. Their pictures appeared in recent issues of Nova Doba. This quartet has played for dances, and reports are that they render excellent music. Truly they will lend harmony to the juvenile convention.

Thirty-fifth anniversary of lodge No. 30, SSCU of Chisholm, Minn., will be observed Sunday, June 27, with a suitable program of entertainment in Balkan Hall.

Jennie Simenc

From English conducted lodge Indians, No. 211, of Chicago, comes the announcement that Jennie Simenc has qualified for delegate to the second juvenile convention next August. John Zvezich, Sr., a member of Indians lodge, is so enthused over new enrollments during this campaign that he anticipates the lodge to grow to some 100 new members in both departments by the end of this year. Indians lodge commanded a small membership until the advent of the second juvenile convention campaign.

First elected delegate, Albert Poklar and Edward J. Zalar. Their pictures appeared in recent issues of Nova Doba. This quartet has played for dances, and reports are that they render excellent music. Truly they will lend harmony to the juvenile convention.

George Washington

State of Colorado certainly is setting the pace in the present juvenile convention campaign. Pictured above we have Rose Pavlovich, from lodge No. 84 of Trinidad, Colo., who is the tenth delegate from this very active western state. She will have plenty of company on the train to Chicago en route to Ely, Minn., next August, for along with her, at the present writing, already nine other delegates will accompany her.

Rose Pavlovich

Last week at this beauty spot on Lac LaCroix, all juveniles were peacefully snoozing away in dreamland. Little Stan had been watching everything under the dim light of a lonesome moon! He had heard a rustle in the woods. Investigating, a huge marauder of the forest wilds had leaped upon him and the struggle was on!

Lillian Rudolf

The fourth delegate to be elected from lodge No. 37, of Cleveland is Lillian Rudolf, daughter of Joseph Rudolf, lodge secretary. Her brother Joseph also qualified and his picture already appeared on this page. Their father attended as delegate the fifteenth regular SSCU convention held in Cleveland last year. Which means that three members of the Rudolf family shall have had experience with SSCU conventions, juvenile and regular. A record, no doubt.

BRIEFS

Only 14 more days remain before the juvenile campaign officially closes on June 30, 1937. Two full weeks in which to reach the goal. All candidates listed in the columns of Nova Doba can qualify as delegates if they will put all their efforts in the campaign during the next two weeks. All applications for membership must be in the Home Office not later than July 5th. Act now! at once!

Janko N. Rogelj, supreme trustee, will be the principal speaker at the thirty-fifth anniversary celebration of lodge No. 35, SSCU of Lloydell, Pa. The anniversary will be observed next Saturday, June 19.

John Kumse, chairman of supreme board of trustees, will address members and friends of lodge No. 36, SSCU of Conemaugh, Pa., on Saturday, July 3d. An appropriate program has been arranged to observe the lodge's thirty-fifth anniversary.

Our SSCU members will be interested to learn that last week the Home Office in Ely, Minn., sent an order for more juvenile certificates. Anton Zbasnik, supreme secretary, in his wire stated that "juvenile certificates are going strong," due to the large number of new juveniles being enrolled in our Union during the present second juvenile convention campaign.

Frank Sodnikar, Editor of the English Section of Enakopravost and Miss Marion Koncan were united in matrimony last Saturday, June 12. Both are from Cleveland.

George Washington lodge, No. 180, SSCU will hold its regular meeting on Tuesday, June 22, in Room No. 2 of the Slovenc National Home (new building). Of special importance to the G.W.'s is the fact that this is the last meeting in which new adult members can be accepted into the lodge before the current juvenile campaign closes. The lodge's candidate, Frances Joan Kolar, will appreciate all efforts made in her behalf, as at the present writing she lacks a small number in order to insure her election as a delegate.

black bear turns on Little Stan, not for an attack, but for a big husky hug! And what a hug it was. Little Stan is still taking deep breaths trying to get his ribs in place. His surprise was so complete that his long legs gave way under him, and he fell limp right in Big Bear's arms!

It seemed ages when his eyes suddenly opened. It was daylight, and everybody was sitting around in a big circle—all smiling! Perplexed and dazed, Little Stan didn't know whether to laugh or cry. No, he couldn't cry, Heh! Heh! only babies cried! and Little Stan was far from being in need of those cute diapers!

At Ely

The campaign is also swiftly reaching a climax at Ely. Two candidates have been elected. Amelia Korosec of lodge 120, and Robert (Bobby) Champa of lodge 184. Other five candidates are combing new areas to try very very hard in one last desperate effort to enroll their quota!

Wisconsin Excellent!

Wisconsin, the state in which our SSCU has only two lodges, one in Milwaukee and the other in Sheboygan—together, hard working candidates and lodge members have enrolled 96 juveniles and 3 adults! A commendable record! And they aren't through yet! Gertrude Oblak of lodge 225, Milwaukee has been declared elected. Robert Glavan of the same lodge needs only two more, and Milan Peich is practically assured of election. At Sheboygan, Florence Poderzaj is also near the qualifying quota! Hats off to Wisconsin!

Great Guns!

From Salida, Colorado came a report from Secretary Anton

From Trinidad

Yessir! Everything has been moving along swiftly, speedily! And it must keep moving more swiftly! The wheels of the big drive must not slacken until midnight June 30! Then you can sit back, anxiously awaiting the final results! You must turn on every power gun, and keep a-shootin' and a-pluggin' until you have reached your quota. Then the fun will begin! So let's go great guns until June 30!

NEXT WEEK LITTLE STAN WILL HAVE THE BIG FINAL CAMPAIGN APPEAL IN PRINT! BECAUSE AFTER THE NEXT ISSUE YOU WILL HAVE ONLY SEVEN DAYS LEFT TO THIS GREAT CAMPAIGN! WORK THROUGH IT ALL. THEN BE PREPARED FOR THE BEST VACATION YOU'VE EVER HAD IN YOUR LIFE! KEEP PLUGGING! AND WATCH NEXT WEEK'S PAPER!

Magic Carpet Goes Swingtime

Last week at this beauty spot on Lac LaCroix, all juveniles were peacefully snoozing away in dreamland. Little Stan had been watching everything under the dim light of a lonesome moon! He had heard a rustle in the woods. Investigating, a huge marauder of the forest wilds had leaped upon him and the struggle was on!

Surprise of surprises! The big

From Cleveland

Lillian Rudolf

The fourth delegate to be elected from lodge No. 37, of Cleveland is Lillian Rudolf, daughter of Joseph Rudolf, lodge secretary. Her brother Joseph also qualified and his picture already appeared on this page. Their father attended as delegate the fifteenth regular SSCU convention held in Cleveland last year. Which means that three members of the Rudolf family shall have had experience with SSCU conventions, juvenile and regular. A record, no doubt.

Enthusiasm Needed!

NEW RECORDS SET AS CAMPAIGN NEARS CLOSE

(Continued from page 5)

Joliet, Ill.—You can do anything if you have enthusiasm for enthusiasm overcomes difficulties. It is the yeast that makes your hopes rise to the stars. Enthusiasm is the sparkle in your eye, it is the swing in your gait, the grip of your hand, the irresistible surge of your will and your energy to execute your ideas. Enthusiasts are the best workers, and have staying qualities. Anyone can take a poke at the bag and run. The real enthusiast keeps at it until he wins. Even turn-downs offer no obstacle to him.

Enthusiasm is at the bottom of all progress. With it there is accomplishment. It is the great sustaining power, the drive that achieves goals. The hundreds of new members enrolled in our present campaign are secured because our juvenile candidates and those helping them are enthusiastic. They have a liking for and belief in our Union, confidence in its stability and the knowledge that in working for its growth and progress they are heading for a worthy goal.

Our Union is operated for the mutual benefit of all of its members and seeks to reward everyone in proportion to their contribution to the results obtained. In our ranks there is room for many more good members, and especially during campaigns like the present one it is well to call the attention of our prospective members to open their eyes to the Plus-Value of our High Benefit-Low Cost Child Insurance.

The monthly cost of providing protection for children in our Union is less than the admission price to a first run movie. The benefits payable under our Juvenile Insurance Plans are higher in practically every instance than those paid by competing insurance institutions, as will be readily seen by comparing the benefits and comparing the cost.

Our juvenile candidates are actually doing a big favor to all the members who join our Union through their efforts. The longer they are with us, the more they will appreciate and prize their membership. Our Union is progressive and full of life, therefore, destined to a bright future. We proudly look on the 39 years of good work it has done, and to still greater accomplishments in the future.

We should, therefore, work enthusiastically and enroll the largest possible number of new members in this campaign.

Frank E. Vranichar,
Second Supreme Trustee

Success is not measured by what a man has laid up, but by difficulties he has overcome.

FIRST TWO DELEGATES FROM ELY

Robert Champa

Amelia Korosec

Amelia Korosec and Robert Champa are the first two official delegates from Ely, Minn. Their race was nip and tuck all the way through. Persistent help of their mothers and family and lodge officers was a deciding factor in their election. Robert Champa is the son of supreme treasurer, Louis Champa, Sr. Amelia Korosec will be remembered as the girl who enrolled Alderman Maki in the present campaign.

A feller isn't plotting schemes—out fishin';
He's only busy with his dreams—out fishin';
His livery is a coat of tan,
His creed? To do the best he can,
A feller's always mostly man—out fishin'.

And so until next week, when the orchestra, reenforced with Mr. Adamich and Terdich from Joliet, and when you will all take in the big time farewell dancing party, the Magic Carpet and Little Stan will kinda sit back and gather news at other corners of the world.

Flash—Mrs. Rose Svetich, Supreme judiciary, and secretary of lodge 120 dropped into Little Stan's shop Friday evening and reported that lodge 120 will have another candidate—who, she said, will be qualified! With the campaign reaching its peak, Mrs. Svetich stated that several have come to ask to join the SSCU! That certainly is encouraging, and it should provide added incentive to other Ely candidates! Come on, let's utilize these next 14 days!

Flash! — Supreme Trustee Frank Vranichar of Joliet, Illinois, predicts that lodge 66 will have four delegates! Albert Adamich was the first, Frances Musich the second. Third and fourth will be Edward Terdich and Marie Russ! Illinois has come up rapidly! Bro. Vranichar visited with secretaries of lodges in Chicago and reported "All lodges are coming through in grand style." And Little Stan thanks Agnes Jurecic of lodge 170 Chicago for the "bouquets" in her article last week—Little Stan will watch so that he does not lose his "glava." Heh! Heh!

Out Fishin'

A feller isn't thinking mean—out fishin';
His thoughts are mostly good and clean—out fishin';
He doesn't knock his fellow man or harbor any grudges then;
A feller's at his finest when—out fishin'.

The rich are comrades to the poor—out fishin';
All brothers of a common lure—out fishin'.

The urchin with the pin and string
Can chum with millionaire and king;

Vain pride is a forgotten thing—out fishin'.

A feller gets a chance to dream—out fishin'.

He learns the beauties of the stream—out fishin'.

And he can wash his soul in air
That ain't fouled with selfish care

And relish plain and simple fare—out fishin'.

A feller has not time for hate—out fishin'.

He ain't eager to be great—out fishin'.

He ain't thinkin' thought of self
Or goods stacked upon a shelf,

But he's always just himself—out fishin'.

A fellow's glad to be a friend—out fishin'.

A helpin' hand he'll always lend—out fishin'.

A brotherhood of rod and line

And sky and line is always fine;

Men come real close to God's design—out fishin'.

Milan Peich, lodge 225, Milwaukee, feels certain that he will qualify as delegate. Mrs. Pauline Vogrich is helping. "Just today, I had to go to the doctor with a few older people to sign up." He is very interested in plans for the convention. But those will have to wait until Little Stan can complete the final plugging when the campaign ends June 30. Then your vacation plans will begin to appear in print.

Eddie Zalar, lodge 37, Cleveland—"Already a delegate, I am happy to say that another member of our orchestra Frank Doblekar, accordionist, is plugging to enroll his quota. I play the electric Hawaiian guitar, Prime plays tenor and alto saxophone, and Al Poklar, the best drummer you can get!" Sure wish that Joe Okorn, banjoist; Lou Sader, sax; and Ray Zalokar, piano and maestro, could get enough members to qualify!" Wish they could too, Eddie! Then we can have the whole band here!

Rose Pavlovich, lodge 84, Trinidad, Colo.—"Let this be our motto—'More new members for candidates, so that there will be a bigger and better convention than there ever was!'"

Wally Brezovic—lodge 36, Conemaugh, Pa.—"I have most of my points, but still need a few. I am still plugging along, and hope to get in Ely this August!"

And an invitation to graduation exercises from Agnes R. Meze of Lebanon, Pa.—Congratulations Agnes!

ONE BIG DRIVE!

From Mail Pouch to one big drive—Little Stan now calls every candidate in the field together for one notice—"LET'S ALL GO OUT AND PLUG THESE LAST FOURTEEN DAYS AND LET'S NOT STOP UNTIL WE HAVE ENROLLED OUR QUOTA! LET'S KEEP PLUGGING!"

AND SO UNTIL NEXT WEEK—THE BIG CLIMAXING DRIVE IS ON! LET'S GIVE IT EVERYTHING YOU'VE GOT!

ENTERTAINS LADIES

Joliet, Ill.—The spirit of Spring with its gorgeous flowers and heavenly atmosphere was an unusually keen reality Friday, May 21. Miss Anne Jevitz entertained the Ladies of SSCU at her home.

Her parlor was transformed into a large comfy social room. With huge bouquets of fresh cut flowers arranged at different locations, the room took on the appearance of a gay inviting abode, where one would abandon all petty troubles and place in their stead gay, joyful thoughts and happy frivolities.

After the president, Miss Anne Jevitz called the meeting to adjournment and the business was concluded, tests of ability and promptness, by way of numerous novel and interesting games, were given. Those displaying an immense amount of adaptability and intelligence were the Misses Lucille Kosick and Lucille M. Jevitz; also, Mrs. F. E. Vranichar.

Our recipients of the prizes having been decided and awarded, the guests were beckoned into the hostess' dining room. This room, too, was beautifully adorned. The chosen colors were pink and green. The table's centerpiece was a miniature maypole decorated in pink and green with streamers of ribbon of the same color attached to the pole and individual nut cups. The food was also carried out in the prevailing color scheme, and individual cakes in green, with the name of each guest in pink, served as place cards. It all proved to be a beautiful and enticing sight.

After the luncheon was served and more games played, the climax of the happy evening was noted as each departed for her respective domicile, taking with her thoughts of the May meeting of the Ladies of SSCU—until the next meeting which will be held in June at the home of Miss Celia Jevitz.

LODGE NO. 225

Continued from page 5

June 20, starting at 6:30 p. m. The meeting was changed to the evening because after this session shall be held a meeting of our English-speaking members. These members elected at the last meeting their own committee. Jacob Smrekar is president and Mildred Miller is secretary. I believe they have selected good officers. I recommend that we help them out in different ways, for I am sure they in turn will help us out.

Entertainment will follow the meeting. Sister Glavan, mother of juvenile delegate Robert, promised to prepare delicious Slovene pastry (potica), while Bro. Jacob Smrekar, who is an experienced butcher and business man, promised to bring along a tasty ham. The secretary will arrange for thirst quenchers. We will also have music. Everything will be free. We will take this opportunity to become acquainted with new members.

The English-speaking members especially are urged to attend this meeting. Sister Mildred Miller, secretary of the English-speaking group, will inform them by mail.

Sister Antonia Certveznik again is on the sick list and has been some 14 days in the hospital. I wish her a speedy recovery.

The meeting will be held at the South Side Turn Hall.

Pauline Vogrich, Sec'y

The unusually active lodge No. 21, SSCU of Denver, Colo., will hold a picnic on July 4 in Retreat Park.

Our Supreme Officers

By Little Stan

Ely, Minn.—"The Father of the Juvenile Convention"—that impressive title in all truth may well rest upon the shoulders of Anton Zbasnik, supreme secretary of our SSCU—who in January 1935, while the supreme board was meeting at the Home Office at Ely in the first 1936 semi-annual session—gave birth to the idea which placed our fraternal organization far ahead of the field in progress. The first convention proved to be successful in every respect, and the convention in Cleveland, in 1936 gave the movement added impetus when through resolution the juvenile convention was made a biennial affair.

Anton Zbasnik, Supreme Secretary

Zbasnik was born in Lazec pri Loskem potoku, Slovenia, Yugoslavia, in 1889. Immediately upon his arrival to New York City in 1906, he was active in the center of America's famed "Melting Pot." He worked eight months in a Pittsburgh steel mill. From the steel mill to prominent banking and insurance positions for 18 years prior to entering the office of Supreme Secretary of the SSCU is his remarkable achievement.

During this time, he worked 3 years in a New York foreign exchange bank; one year in the general office of the French Line Steamship company; 3 years as foreign exchange manager in the People's National Bank in Tarentum, Pa.; and was in foreign exchange, foreign legal and general insurance business in Pittsburgh up to the time of his election as supreme secretary.

He joined and enrolled his family into the SSCU in 1917—coming into lodge 26, Pittsburgh. He is now a member of lodge No. 1, Ely. He was elected five times to SSCU conventions, and in 1920 was named on the by-laws committee. In 1922, he was elected chairman of the supreme board. During this period, he was instrumental in reorganizing the investment system. One of the reasons so few of our Union's bonds were in default during the depression is attributed to this step. In 1924, he was elected President of the SSCU. During the 1924 convention at Lorain, Ohio, he was the "first to suggest an official organ of our own and fought for it successfully."

He was re-elected President in 1928. "I may safely state that I was the 'father' of our athletic fund, and was also most instrumental in calling the first SSCU Athletic Conference held in Cleveland in 1930."

When the late Joseph Pishler, supreme secretary passed away, Zbasnik took over the reigns of supreme secretaryship in 1931, and has led the Union into marked changes which have placed our Union into the national limelight.

In 1932, he prepared an entirely new set of by-laws which were approved by the 14th convention at Indianapolis, and which contained new plans of insurance and also the privilege of converting old certificates into certificates of new plans, enabling our members to obtain loans and thus assure their continuous membership in our Union.

Mladinski dopisi

Contributions From Junior Members

Chicago, Ill. — Z veseljem naznjam svojim bratcem in sestricam v mlađinskom oddelku, da sem dosegla predpisano kvoto novih članov in s tem kvalificirala za delegatino mlađinske konvencije na društva Ilini Stars, št. 211 JSKJ. Za ta uspeh se imam največ zahvaliti Mr. Johnu Zvezdu, ki je storil vse, kar je mogel, da je bila kvota dosežena. Obljubil je, da bo skušal dobiti s tolim novih članov, da bo naše društvo imelo delegatino. Jaz mu bom pri tem pomagala, kolikor bom mogla. Res je včasih težko dobiti novega člana, toda kadar plavemo kako se JSKJ zamira za svojo mlađino in da prineha celo mlađinske konvencije, je uspeh skoro gotov.

Svojim bratcem in sestricam v mlađinskom oddelku želim veliko uspeha pri nabiranju novih članov. Little Stan naj srbi, da bo imel svoj avtomobil dobro namazan, da nam bo vsem dal tisto prsto vožnji, katero je obljubil, kajti, kakor se mi zdi, nas bo mnogo delegatim in delegat.

Pozdravljam vse članstvo naše, dobre jednotne, posebno pa mojega prijatelja in voditelja Mr. Johna Zvezdu, ki se takoj trudi za napredek našega društva in jednote.

ENUMCLAW, WASH.

DEAR EDITOR:
Every month it seems, I have vowed to write to the Nova Doba and almost every month, since school is out, it is different.

Our school term was finished on June 4th, the day after the high school commencement exercises which were held in the new and beautiful high school auditorium. Packed to the ceiling was the auditorium. Furthermore, the graduating seniors gave one swell performance, for which they deserve much credit. Incidentally the class, numbering 161, was the largest in the school's history and the first to graduate from the new auditorium.

Now I'll tell you about the new addition to our school. I tried to write about it for several months but I never got around to it. One word describes it—“elegant.” At a cost of over \$150,000 new auditorium, gymnasium and cafeteria were completed. The auditorium is modern in every detail. It boasts, among other things, a beautiful and up-to-date sound-proof projection room for showing moving pictures, “opera” good-sized balcony, and a seat capacity of 1220. You have to see it to appreciate it.

The gymnasium is also strictly modern with a seating capacity of over 300, a wood floor, and excellent showers and basket rooms. It truly is a valuable addition to the physical education department. The cafeteria has an up-to-date kitchen and tables for 400 students at meal times. By the way, here is a poem I composed during my spare time.

SCHOOL'S OUT

The noise of youth stands apart. Boys and girls are home to stay. With joy in their hearts.

Thought joy is now supreme. Three months' time soon passes, And boys and girls will go back to their old-time classes.

Now in closing I wish every juvenile, come summer vacation.

John Chacata (Age: 12) No. 162, SSSU

JOLIET, ILL.

DEAR EDITOR:
After reading the juvenile section of Nova Doba I finally got up enough enthusiasm to write and send an article, assuring you will publish it as you do others.

We are now nearing the vacation season, something all school children as grown-ups long for. And as they vacation time is rest and play time, to make use of it wisely—oh how we'd like to go to Minnesota with my mother and sister members of SS. Peter and Paul Lodge, who will go as delegates to the second juvenile convention. Gee, I'm disappointed as I am but 6 months too young to qualify in the camp now, my parents can't afford to send me there any other way.

Well, I'm not going to get angry, but I'm going to try and be in Ely next summer, and I wish for the time being that visitors come over and talk about what they would not talk about how nice and interesting it is up there in the northwoods. I want to forward it until next summer, or until third juvenile convention. Just the same, friends of ours dropped in to tell us that they again decided to go to other points in Minnesota on their vacation. I heard them telling about the great fish leaping from the lakes and streams and falling with a splash that could be heard a mile. About the boat rides and the beautiful forestry. They also mentioned that all the people were so nice to us everywhere they went the last time we were leaving, "wish you could come along—we'll be back when

Anyway, with my brother Donald and little sister Geraldine Ann, together with Mother and Dad, I will make the most of the vacation going to places of the city of champions. I sincerely hope that all the lucky boys and girls who are going to Ely this coming Aug-

ust will have a good time. They're all

talking about Minnesota, but I can't go. Dorothy Mae Jevit No. 66, SSSU

CLEVELAND, O.

DEAR EDITOR:

First of all I must thank the editor for awarding me a \$1.00 prize for my article, and Little Stan for the ride in the Magic Carpet. When do we ride again? In a very short time I will reach my quota and qualify as delegate. Then the trip to Ely where Little Stan will have to shine up his "As-Tin". Use Simonize polish, Stan. We just finished school and now I will have more time to write. I passed my examinations and am going to be in the eighth grade in September. I am glad school is out, but I'll be glad when it opens again. That's all I have to write for this time. More in the next edition.
