Položaj v industriji pletenin: Mesto zvišanja-znižanje plač

NEW YORK, 31. januarja—20,000 delavcev bo prizadetih z znižanjem mezde, ki bo se znižala tudi do 25%, kakor je odločilo posebno sodišče sestavljeni za mezdne spore.

Razsodba pravi, da je moralno sodišče tako razsoditi, da se obdrži na površju 29 tovarn pletenin, katerim je grozila konkurenca, da jih izrine iz trga. Dalje pa, da je bilo rešiti zaposlitev ostalih tisočev delavcev zaposlenih v pletilni industriji.

Zanimiva razsodba razčlenjuje položaj v tovarnah pletenin, kjer so delavske unije in onega v tovarnah, kjer teh unij ni.

Razsodba ugotavlja, da je konkurenca tovarn, katerih delavstvo ni unijsko organizirano, lahka v primeri s tovarnami, kjer delavske unije obstajajo. Razliko produksijskih stroškov znaša pri ducatu nogavie \$1. V unijah organizirano delavstvo dobiva povprečno \$1.80 na uro dočim je plača v tovarnah brez unij mnogo nižja.

Mnogo tovarn je že opustilo svoje obrate, ker se s temi produksijskimi stroški ne more pojavit na konkurenčnem trgu.

Od 130,000,000 ducatov nogavic se je lansko leto proizvajalo 800,000 ducatov v tovarnah, kjer je delavstvo organizirano v unijah. Na splošno pa statistika izkazuje, da je le 25% tovarn z unijskimi delavci v industriji pletenin.

Zanimiva je nadalje ugotovitev, da je v Uniji ni unijsko organizirano, proizvajalo lansko leto 70% vseh pletenin, dočim je isti Jug pred desetimi leti bil udeležen pri produkciji pletenin le s 40%.

Unijsko delavstvo je zaposljeno v tovarnah v Philadelphia, Pensylvaniji, Wisconsin in Indijani. Zastopnik unije A.F.L. se z razsodbo ni strinjal, za razsodbo pa je bil zastopnik delajalcev in nevtralec.

TRUMAN SAM SE NE IZJAVI

WASHINGTON, 31. januarja—Na današnji redni tiskovni konferenci je predsednik Truman povedal le to glede svoje možne kandidature, da ne bo nastopil pri primarnih volitvah v državi New Hampshire.

Kar se tiče napovedi bivšega govorja Arnalda iz Georgije, da bo Truman kandidiral, Truman ni dal nobenega komentarja.

Arnall je po sestanku izjavil, da ima vtis, da bo predsednik Truman pri novembarskih volitvah nastopil kot kandidat za predsednika. Bivšemu govorju Arnallu pripisujejo dober politični instinkt; ker je tudi leta 1944 napovedal in tudi uganil, da bo sedaj pokojni Roosevelt četrtič kandidiral za predsednika.

WASHINGTON, 31. januarja—Bivši demokratski govor Georgie Ellis Arnall je bil na posetu pri predsedniku Trumanu. Trdi se, da je predsednik Truman ponudil Arnallu važno mesto v zvezni vladi.

Arnall je po sestanku izjavil, da ima vtis, da bo predsednik Truman pri novembarskih volitvah nastopil kot kandidat za predsednika. Bivšemu govorju Arnallu pripisujejo dober politični instinkt; ker je tudi leta 1944 napovedal in tudi uganil, da bo sedaj pokojni Roosevelt četrtič kandidiral za predsednika.

WASHINGTON, 31. januarja—Revija "New Republic," ki je podpirala predsednika Trumana pri njegovi kandidaturi leta 1948, sedaj pozivlja Trumana, naj se ne bavi več s to mislijo. Vaje se pa vršijo vsak terek ob osmih.

Nebo na Koreji ni več prost

MUNSAN, Koreja, 1. februarja—Poveljstvo ameriških zračnih sil je danes zjutraj 1. februarja objavilo, da znaša izguba ameriških letal na Koreji 1,740 letal.

Velike izgube, ki so se večale v zadnjem času, gredo na račun protiavionski obrambe, katero so komunisti, uporabljajoč vsa moderna tehnična sredstva, odlíčno spopolnili.

Iz komande same se je trdilo, da so bivši proti-piloti na korejskem nebu stvar preteklosti.

Proti splošni vojaški obveznosti

DEBATE V PRESTOLICI, KAKO IZVESTI SPLOŠNO VEŽBANJE

WASHINGTON, 31. januarja—Ko gre za izvedbo splošne vojaške dolžnosti in vojaškega vežbanja, je nastala živahnja debata, kako naj se ta dolžnost izvede v praksi, da ne bo predraga in da ne izgubi Amerika svojega doseganjega značaja. Trgovinska zbornica Zed. držav javlja, da bo stala splošna vojaška dolžnost Ameriko letno \$4,000,000,000, reklo pa bi se lahko, da se bo s to splošno vojaško dolžnostjo tratal po nepotrebni denar in delavna moč.

Trgovinska zbornica je tudi objavila, da ne bo podpirala zakona o splošni vojaški dolžnosti, dokler se ne pregleda v temelju in podrobnosti ves ameriški vojaški sistem. Ce se uvede splošna vojaška dolžnost, potem bo ta dolžnost ostala stalna v življenju Amerikancev. Proti temu pa se boriti.

Proti življenju v vojašnicah

V New Yorku se je sestal izvirni odbor protestantovske cerkve Amerike, ki je izglasoval resolucijo, da se bodo te cerkve borile zoper splošno vojaško obveznost, ker bi ta korak uvede takega sistema spremenil Ameriko v državo vojašnic.

"Ni v skladu z našo dedičino kot svobodnega naroda, da bi se naša mladina stavila stalno pod vojaške propore," pravi resolucija. Upokojeni brigadni general Herbert C. Holdridge je predložil kongresu obširno spomenico, v kateri izvaja končne posledice in pravi, da bi splošna vojaška obveznost, kot je zamišljena v obstoječem zakonu, spremenila Ameriko v fašistično militarno državo in spremenila značaj ameriškega ljudstva.

Kakov se javlja, je od teh razgovorov zavisen končni uspeh direktnih anglo-egipčanskih pogajanj, da se reši sporno egipčanski vojaški sistem, ki je izolacijonizem. Kongsni odbor za ameriške obvezne sile nadaljuje z nadaljnimi zasliševanji, v kolikor pride v poštev izvedba zakona o splošni vojaški obveznosti.

\$400,000,000 naročil

za Detroit

DETROIT, 31. januarja—Da bi se odpravila brezposelnost v območju Detroita, je sklenila zvezna vlada, da bo dala tem industrijam naročila za vojaško obrambo, vkljub temu, da so bile dobavne pogodbe podpisane že z drugimi podjetji. Vlado bi ta spremembu stala v gotovih služajih nekaj več, je pa ta korak izkriati, da se pomaga omejiti preposelnost, ki je nastala vsled prehoda civilne v vojno industrijo.

Zastopnik zvezne vlade je navoril, da je za območje Detroita in Michigana odobrenih \$400,000,000 za nova naročila. V poštev pridejo dobave za ameriško kopno vojsko in za zrakoplovstvo.

Vstopnina bo prostota, zabava prisna in žal ne bo nikomur, kdor bo prišel. Za ples bo igrala priljubljena Grabnarjeva godba.

Zaroka

Mr. in Mrs. Fred Martin iz 21870 Tracy Ave. naznanjata, da sta se zarolačila njuna hčerkha Alma in Mr. Harold Volpe, sin Mr. in Mrs. Volpe iz 20890 Naumann Ave. Bilo srečno!

Pogledala ga je naravnost v obraz: "In če me imaš ti res rad, vem, kaj bo storil."

"Da pobegnem v mesto in da sem tam mizar vse življenje. Da pustim Kvidal in mater in sestre. Ampak takega reveža ti ni treba."

Oba sta nekaj časa gledala predse. Ona je večkrat vzdihnila, žvečila bilko, nazadnje: "Misliš, da boš kaj dosegel na Kvidalu?"

"Počakaj nekaj let. Tri leta mogoče. Nov načrt imam. Samo, če boš ti, Helena, čakala name in imela potrjenje." Ujel jo je za roko in jo stisnil.

"Oče pravi, da bi šla na učiteljišče."

"Kaj? Oče pravi!..."

"Da, ko se menda sploh ne bom poročila." Poskušala se je nasmehniti.

Zastopal je. Oh, da je tako govorila. To je bolelo, bolelo.

Vsi pa, ki so se zbrali, so iz najbogatejših rodbin v okraju. Naj bi prišel Morten Kvidal, njihovi hladni obrazbi bi ga prepolili. Razumel bi, zakaj, in bi se jih sam ognil.

"Glejte cerkvenikovi dekleti!" pravi lensmanov sin.

Mladi dekleti sta prihajali po zelenem travniku, obe plavolasi. Ali Helena je bila večja in vitejska kakor Lavra. "Zakaj nista prej prišli?" jima je zaklical Anton. Odgovorila mu je Lavra: "Helena je imela še nekaj opraviti za mater." Domisili so se, da bi šli dol na travnik in se igrali "vdovca."

Martin Skau je prijel Heleno in se postavil z njo v krog. Lensmanov sin, ki je ostal sam in moral klicati, ga je ošnil s pogledom.

NORWOOD COMMUNITY COUNCIL NEWS AND COMMENTS

Because of the importance of the "deadline" in the output of a newspaper, this column will report next week on the goings-on of last evening's Norwood Community Council meeting held in the St. Clair Recreation Center, 6250 St. Clair Avenue.

HERE'S HOW—You do not need to wait until the next monthly meeting of the Council to join, friend and neighbor. Pick up your phone now and dial (HEnderson 2-0671—Mrs. John Petrovic, Secretary) or mail a postcard to the "Norwood Community Council, 6250 St. Clair Avenue" indicating your interest. You will be given all the information you wish regarding your Community Council. Dues of \$1.00 per year entitle you to participate in the voting on all vital issues brought before the Council. This membership fund is used exclusively for the business operations and material.

IT'S A POOR EXCUSE—It is neither a breach of etiquette nor a mark of ignorance to speak in the language that comes to one easiest. It is not HOW you speak that is important—but rather, WHAT you say that is important! Speak in Slovenian, or whatever language—there are always those among us who are capable of acting as interpreters!

LIVE AND LET LIVE—is the lofty philosophy of most good friends and neighbors, but if it is not guarded with ALERTNESS AND VIGILANCE, it becomes a menace and detriment to the welfare of any neighborhood. We have here in the Norwood Community Council area (East 55th Street to East 79th Street, north of Superior Avenue) so much worth preserving from exploitation. Let's all help

to keep this a good place in which to live.

TAKE A SECOND LOOK—which is more important to you? That social hour at the bowling alley or television parlor—or that ONE EVENING each month set aside to lend your strength and ideas toward making this a worthy area in which our children can develop.

Your Norwood Community Council can only be as active and forceful as its membership. Two heads are better than one! Let's have your ideas and support.

EVERYBODY'S DOING IT—There are approximately 16 area councils in the City of Cleveland, and like the Norwood Community Council, are affiliated with the Welfare Federation of Cleveland which brings together more than 175 organizations for community planning in health, welfare and recreation. Each month one or more members of our own community council attend the meeting of the Area Councils Committee of the Welfare Federation, and get an over-all picture of what is going on in other neighborhoods in Cleveland.

May your friendly neighbor point out that the neighborhoods which get the most vigorous action and improvements are the ones with the most active and large memberships, in their area councils.

Jugoslav Movies Tonight

Let's all give our television screens several hours of rest tonight, Friday, February 1st, as you will have the opportunity to see some wonderful movies—all in color—taken in Jugoslavia. As many of you will recall, Andrew and Josephine Turkman spent several months in "our old country" last summer, and these remarkable movies are the result of their exciting and enlightening tour.

Those people who have been fortunate enough to view these films, have remarked that they are the next best thing to actually revisiting Ljubljana, Zagreb, Split, Bled pri Jezeru, Triglav and many other names and places familiar to us all.

On February 1st, however, a surprise will await everyone, even those who already saw a preview of these pictures. Your enjoyment will actually be doubled, inasmuch as Victor Belec's pictures will be combined with the aforementioned films. Mr. Belec is from Waukegan, Illinois.

You will find them well worth the small charge of 50 cents. May we see you all at the Slovenian National Home, St. Clair Avenue on February 1st, 1952.
