The Younger Set at St. Christine's

J. O. CURWOOD:

Lov na ženo ROMAN

Izbi si je to misel iz glave. Kleče je brisal pribor, lonce in ponve. Ko je bilo to opravljeno, je vzel sekuro in ji je pokazal, kakor treba napraviti ležišče. Ta pouk je bil Jani nov in drag.

čič, je odgovoril, čudeč se, kaj bi bilo utegnilo sprožiti kamen na bregu, ki jima je bil najbližji. "Gotovo je lovilo do teme in zdaj mora čakati, da vziđe mesec, preden se vrne."

FRIENDLY VISITORS

Quite a large representation of the St. Vitus Dramatic Guild and other parishioners journeyed out to St. Lawrence's last Sunday to see their English play "Sunpath."

BALL PLAYER WRITES

Post card from Adolph Jalen tells us that weather in Owensboro is rather bad. They have had only one day of practice, constant rain causing frequent postponements.

PARTIES DISCONTINUED

The Friday Nite Parties have been discontinued. Though the season has not been as successful as last year's, nevertheless the results have been satisfactory.

BOWLERS?—OH YEAH...

We wonder if the three Holy Name bowlers on a team which bowled in the Eastern K.S.K.J. Tourney, felt proud of the fact that they almost finished fourth in the Womens' event?

CONTRIBUTORS NOTE!

Contributors to the St. Vitus column have been rather lax in observing the deadline rule. Remember that any news intended for this column should be in the Tuesday before the day of publication.

STUDENT NURSE

Last Tuesday night Leona Alich played the leading role in the drama "It's a Ming," presented by the St. Alexis School of Nursing.

PEP TALK

In an informal address before the general meeting, Monsignor Ponikvar urged the Holy Name members to become more consolidated, and to tighten the lines for an impending fight.

He wants the members to swell their ranks by becoming organizers and getting every parishioner who is at least half way decent to join the Society.

The pastor told the members that they should become the center of gravitation in parish circles, the core about which everything will revolve. To be a better center not only should new members be secured, but the old ones should become more partisan.

THEATER GUILD MEETS

Wednesday, May 12th, the St. Vitus Dramatic Guild will hold its monthly meeting in the school hall at 8:15.

MOTHER'S DAY PROGRAM

Tomorrow is Mother's Day. In their honor a beautiful program will be given in the school hall. The school children and Junior Baraga members will give the performance which will be held twice at 2 and at 8 p. m.

TENTH ANNIVERSARY

The United Lodges of St. Vitus Church are sponsoring a mammoth three-day outdoor bazaar on May 29, 30 and 31 on the occasion of their tenth anniversary. It will be held on the site of the old church.

MY MOTHER'S DAY

Someone once said: "Remember, the only one whom you can order around and get away with it is your mother. Once she is gone, there is no one who will take your unreasonable demands, even if they're being paid for it."

a wife's patience will give out for a cranky old man or woman. A mother will "stick" by her son or daughter when the whole world has deserted them.

No doubt, too, you will read about remembering your mother not only today, but every day of the year. You will be urged to bring her some flowers, some token of love and appreciation.

We live in a strange world, when we first have to suffer a loss before we understand and appreciate what we enjoyed. Why must we first lose a parent, why must we suddenly realize that an important part in our life has gone forever before we are shocked and frequently prostrated? It is called human nature; our natural tendency to live in habits and customs, to live unconsciously.

Let us look at our mothers as the real personable human beings that they are, and not the servant slave who does everything for us from lighting the morning fires to turning off the lights when the last one has crept in in the early morning hours.

CLASS REUNION AND SOCIAL The class of '31 of St. Vitus School will hold their reunion next Saturday, May 15th, at Knaus' Hall, E. 62nd and St. Clair Ave.

HOLY NAME JRS. MEETING The Holy Name Juniors will conduct their regular monthly meeting on Thursday, May 13. This is a very important session, as plans will be discussed for the summer.

DRAMATIC GUILD EXTENDS THANKS The St. Mary's Dramatic Guild here takes the opportunity to thank all who made the presentation of their last play possible, the advertisers, the Grdna Furniture and Ohio Bell Telephone Companies for property use, and especially you, friends of the Guild, who attended the two performances.

YOUNG PEOPLE'S DANCE Just a reminder to let you know that the young people of St. Mary's Church are sponsoring a dance in the Log Cabin at Euclid Beach on Thursday evening, June 3.

All Around Town

THIS 'N' THAT

At the dance in honor of our councilman John M. Novak we all had a good time and also met a lot of important public officials. Among them were: Hon. Judge David Moylan, Hon. Judge Celebrezze, Hon. Judge Joe Artl, Mayor of Ljubljana Mr. Louis Srpac, Councilman Bill Reed of Ward 6, Councilman Edward Pucel of Ward 10, Councilman Dr. Corvel of Ward 16, Councilman Sweeney of Ward 21, Councilman Anton Vehovec of Ward 32, Democratic Leader Mr. Adam J. Damm, 23d Ward Leader Mr. John L. Mihelich, Mr. E. S. Anderson of the Board of Elections.

On the Other Hand

One of the employees of the St. Clair Bathhouse called my attention to the fact that I have an influence with our Councilman Mr. J. Novak, that I should report to him that five or more Shower Rooms are out of order there. As known the present city administration is controlled by the Republican party calling themselves Independent. This delay in repairs is a decided handicap to the residents of 23rd Ward, most of whom make use of the Bathhouse—because of necessity. So take notice, Mr. J. Novak, Democratic Councilman of 23d Ward!

MOTHER'S DAY Tomorrow is Mother's Day, a day dedicated by the nation to the best friend on earth, one's mother. Let's make it a real day for her. Did you remember to get her something to show your love for your mother? But then, why have just one mother's day a year? Let's make every day more enjoyable for mother by giving a help in some of the household tasks, a kind word when everything is going wrong, a smile which means so much.

But, above all, let us not forget our heavenly Mother who is our protectress and guide. We are all her sons and daughters, and what pleases her derives from our good deeds, what sorrow and displeasure when we fall by the wayside of sin. The month of May is dedicated to Mary, our Mother; let's show a little more devotion to our heavenly Queen by more frequent Holy Communions and attendance at week-day Mass.

FIRST HOLY COMMUNION AND CONFIRMATION

Last Sunday a group of ninety-six children made its first Holy Communion in a body. It was an impressive and touching sight, more so because the parents of the children also received Holy Communion. During the course of a person's life there are various occasions which stand out in a more vivid light, occasions that are recalled with the tenderest feelings and the sweetest memories—such an occasion is a child's reception of the Body of Jesus Christ for the first time; truly it is a memorable event, one to be cherished and remembered for life.

HOLY NAME JRS. MEETING The Holy Name Juniors will conduct their regular monthly meeting on Thursday, May 13. This is a very important session, as plans will be discussed for the summer. Arrangements will be made for the finals in the ping pong tournament, and a couple of baseball teams will be organized if a sufficient number of members show the interest necessary to carry out the proposal.

DRAMATIC GUILD EXTENDS THANKS

The St. Mary's Dramatic Guild here takes the opportunity to thank all who made the presentation of their last play possible, the advertisers, the Grdna Furniture and Ohio Bell Telephone Companies for property use, and especially you, friends of the Guild, who attended the two performances. A special vote of gratitude to Mrs. Angela Fink of Darwin Ave. for her very timely assistance in the selling of tickets for the play. Mrs. Fink is not a person to boast of her achievements, yet she has accomplished a great deal in every work she has undertaken in the parish. We sincerely hope for the continued patronage of all our friends for future presentations.

YOUNG PEOPLE'S DANCE

Just a reminder to let you know that the young people of St. Mary's Church are sponsoring a dance in the Log Cabin at Euclid Beach on Thursday evening, June 3. This is one of the biggest social functions of the year, and Ed Guenther and his radio orchestra is the choice for the evening's music. Of special interest is the fact that a number of the players in the orchestra are Slovenian members of the parish and have been with the band for a number of years. The public is cordially invited—bring yourself and your friends for a pleasant time.

SOME FACTS PICKED UP HERE AND THERE

That Holy Name ping pong tournament has produced a few wizards (but not ping pong wizards) ... Louie Kushian was finally dumped in a game to the tune of 30-28 ... Of course, Louie had to make some excuse for losing this game, so he said the lighting was bad ... Freddie Pierce will develop into a nice player if he can get his legs timed evenly with the swing of his hands ... Congratulations to Joe Novak on his new car, but we are sorry to hear that already he has been pinched for five days and costs ... It's a shame he couldn't take the judge out of the sentence ... Jo Hrasnar and Jean Krall cannot get any passes for the Abby theater, sorry to say ... for a quiet evening of discussion on pacifism, selling a '23 car to someone else, or the difference between Penn and other colleges we recommend Frank Sernel and his sidekicks ... maybe you can answer the question yourself as to the reason for so many new skaters on the Euclid Beach skating floor on Sunday afternoons.

SOCIAL

Let's forget the Holy Name Jrs. cordially invite the members of the Young Ladies' Sodality to the social to be held after the meeting on Thursday, May 13.

YOUNG LADIES' SODALITY

Well, here I am again with some important facts of our last meeting. It was well attended thanks to the future members. While I'm on the subject I'll mention that the reception is Sunday, May 23, at 2:30 p. m. We will all receive Holy Communion in a group at the 8 o'clock Mass. The mothers are also invited. All members and candidates should be at the Study Club at 2 p. m. sharp. On Tuesday, May 11 at 8 p. m. there will be a rehearsal.

Next Sunday, a week from tomorrow, will be first communion day for some 60 of our children. Remember how you felt on a similar occasion just a few short years ago? What happened to all those good and "firm" resolutions you made? Tomorrow is second Sunday in May. Perhaps some of our good young men and many of our schoolboys will notice this and be reminded that it is their communion Sunday. Couldn't we make special efforts this month in that regard in honor of our Blessed Lady? Charles Plešnik with Rose Ulcipe, and Steve Trebec Jr. with Mollie Novak, were two happy couples last Saturday when they received the sacrament of matrimony. May their days of wedded happiness be many and long!

NEWBURG NEWS

"AS THE BOUGH IS BENT SO GROWS THE TREE ..."

A sapling in an orchard which is given the proper care and guidance will grow up to be a strong tree. A child under the proper care and guidance will grow up to be a valuable asset to his community. Good example set up by the child's elders and leaders moulds itself into the good character and example of a true American youth. The cause of most of our crime today can be traced back directly to homes and environment where bad example had reigned supreme. Without good Christian example youth is tempted to take the irreligious trend of life and end up as a criminal. Last for worldly goods obtainable with very little exertion are his ambitions. He loses his respect for his Creator. He loses the good example that he should display. Thus he often becomes a criminal.

OUR PROGRAM ON THAT DAY

Surely, there can be no more fitting day for our little ones to give a choice program. They have all been working hard under direction of the good Sisters to make the entertainment of the coming Sunday, tomorrow, enjoyable to their, and other, mothers of the parish. Cordially they invite us all and promise that their show will be worth all of the 30c admission.

Besides, everyone around here knows that tomorrow will also be our first "CASH NITE." \$25.00 will be given to someone who will have registered properly by 10 p. m. and who will be present at 10:30. YOU may be the fortunate recipient!! Just think what you could do with that sum, if you find it unexpectedly in your pocket-book! Tell your friends about it, come around yourself and get several hundred percent on your carfare and admission investment. Gee, wouldn't that be a nice way to top a beautiful day?!

OUR MISTAKE

Instead of a boost before the event we now owe an apology and congratulations to the diligent ladies of our Altar Society. Several of them, most of them recently received members, under the able direction of Mrs. Mary Hechevar, put their heads together several weeks ago and decided to try something new. Mrs. Edward Posch suggested a fishery for some Friday night. Mrs. Val Peck immediately offered her services as an experienced and successful fisherman. Mesdames J. Bolden, Tillie Bolek, Anna Baitt, Mary Baitt, Catherine Jevc seconded this enthusiastically; Mrs. Fr. Struna, Josephine Baitt, Frances Kovacic, J. Jadrich, P. Kozan, Jos. Mischak, A. Hrovat quickly promised to roll up their sleeves and take care of the scales (fish scales, of course), and there was your fish fry. And, did they have a crowd!! It just goes to show, what can be done with the old spirit and energy. It did not make any difference whether it was Sunday or Friday. The committee worked enthusiastically and in harmony, and their affair just had to be a success. That's why congratulations are in order. And apologies, too, because we failed to give the affair a mention in our preceding effusion. But now we feel it must be mentioned as an encouraging example of what can be accomplished by harmony and a generous use of good old-fashioned elbow grease. Yes sree, you've got to give it to the ladies of the Altar Society, who've always managed to show up the rest of us!

MOTHER'S DAY

Although it's Mother's Day every day to most American children we have especially set aside this day, May 9, to honor you. Long hours of hard work and exertion which you have given me during my life; those endless favors which only a mother can give; the words of consolation which always cheer us at moments of sorrow and distress; the words of encouragement when we are down and out will never be forgotten. Almighty God, shower our mothers with blessings of joy and happiness. Make this day a day of happiness for her. Mothers, we raise our voices in praise to you. Be happy because America honors you.

A hand that holds me so near, A heart that loves me so dear, Two eyes so bright and clear, I wish the most happiness and cheer Because you are my mother.

BASEBALL

The Holy Name baseball team practices every Wednesday and Friday evening. Your season's success depends on you. Will you be there? Bob Pender will not be there but we will have more fun. A swing at the right time crashes the line for a hit. The game is on.
