VSAK PO SVOJE

(Nadaljevanje s 1. strani)

Gorkota pasjih dni je božanska. Včasih so se ljudje mazili z oljem, kot je zapisano v učnih knjigah, v teh časih pa nam tega ni treba. Namaže nas vročina pasjih dni. Prijatelj Cahej pravi, da slično polžem po namazanju in aktivnosti. V splošnem ima menda prav.

Neben polž nas ne prekosí v počasnosti. Delo nam ne gre od rok, jed nam ne diši in kaje-

nje nam ne ugaja; samo pije mo še lahko. And how!

Ce vremenski bogovi sodijo, da nas bodo s sedanjo pasjeno vročino ugnali, se motijo. Kar naj jo vsipajo na nas, magari do božiča in pasta.

Vročina — bogovi naj jo bla-

rom na obleko. Demokracija temelji na laktih in na tako zvani goli resnici. In nikdar se ne vidi toliko gole ali vsaj napol gole resnice kot tekom poletne vročine. Pustimo na strani ženske, ki so v tem oziru odločno demokratične. Poglejmo moške, ki so v hladnem ali vsaj tako zvanem zmerjem vremenu dobro do vratu zapeti in zapečeni z brezhibnimi vozli primernih ali neprimernih kravat. Toda, ko se prismeje v deželo idila pasjih dni, gredo vse napete konvencionalnosti v koš V najbolj oficielnem delu mesta Cleveland, na primer, srečujemo v teh dneh moške odličnih pozicij goloroke, v športnih srcajach, v navadnih srcajach, z razvezanimi kravatami ali brez njih, splošno oblečene kakor koli, samo da visi na njih nekaj oblik podobnega. Nihče se ne zgraža, nihče ne protestira, nihče ne viha nosu, velika demokracija vročine zenačuje vse, od visokega javnega uradnika do cestnega pometača, od tovarniškega delavca do milijonarja. Sto in sto je načinov oblačenja in vsa so enakopravna, vsa stremača nazaj k naravi, ki je v resnici demokratična, ker se pozvižga na vso obliko. Taka je idila pasjih dni in jaz ji žinem hozano od potnih juter do razbeljenih večerov, z edinimi presledki, ki so potrebni za primerno osveženje pevskih organov s hladnim pivom, kadar je to potrebno. In take potrebe so, hvalabogu, pogoste.

Tekom pasjih dni regirajo preko beautiful Ohio belovjetne divje koren, sinje cvetče podivjani radič, zlati goldenrod, bledični ragweed, razdrapane ceste in obilica detours. Divje korenje in podivjani radič nimata prav za prav nikake druge misije na svetu kot da postavata po pašnikih. Goldenrod in ragweed sta osovražena nosilca ali povzročitelja senene mrzlice, ki je slavnemu občinstvu znana tudi pod imenom hay fever. Detours so pa za to, da avtomobilist pridelava nekoliko zamude in da si ogleda nekoliko več naravnih krasot dežele.

Jesiharsko razpoloženi avtomobilist bo na svojem nedeljskem izletu videl le gori omenjene značilnosti pasjih dni. Mlje in mlje gladkih cest ne bo opazil, videl ne bo pragozdov šelesteče koruze, ne temno zelenih brajd vinskih trte, ne belega in rumenega sadja, ki se bliška iz zelenih drevesnih krošenj, ne zlatih sončnih rož in rdečeličnih popelnov, ki se namisijo s polj in vrtov.

Zahvaljeni naj bodo bogovi, da jaz nisem tak cestinar. Meni ugaja vse, od zorečih hrušč ter nasmejanih sončnih rož do divjega korenja in detours. Zame je že sama vožnja do piknika in nazaj med temi pasjednimi mikavnostmi pol piknika. Vsaj ono nedejlo, zadnjo v juliju, ko sem se peljal na piknik našega društva št. 6 JSKJ v Lorain, sem pil krasote naše beautiful Ohio na vsa usta. To se lahko vzame dobesedno, ker sem zaradi pasjednove vročine večinoma ves čas zjal.

V Lorainu je človek vselej prijazno sprejet, kadar je piknik, pa še posebno. Morda so še kje drugje prav tako prijazni ljudje, toda bolj prijazni niti nikjer. Moja navada je priti na piknik kar se da zgoda, če mogče k sami otvoritvi. To vsled tega, ker po naravi nisem petec, pa opravim svoj siht na pikniku, predno se slavno občinstvo razdeli na pevske zbrane in skupine. Take harmonije ni za motiti; kaj ne, da ne!

Piknik v Lorainu mi je v vseh oziroma ugaļil in bo ostal odlično zapisan v mojih spominih. Nekaj pa mi dolgo časa ni šlo v glavo: na lorainskem pikniku nisem srečal niti enega samega komarja. Ko pa mi je poznejše prijatelj John povedal, da je dotični pikniški prostor, prav

From the Office of SSCU Supreme Secretary

NOTICE OF SUSPENSION OF JUVENILE ASSESSMENTS FOR THE MONTHS OF AUGUST AND SEPTEMBER, 1940

Pursuant to a resolution adopted by the Supreme Board at annual meeting, January 30, 1940, notice is hereby given and there shall be no assessment of juvenile members for the months of August and September, 1940. Exempt from the payment of assessments for said two months shall be all juvenile members in good standing who, up to August 1, 1940, have paid at least one assessment. Exemption for the month of September shall be extended also to such members of the juvenile department as shall have been accepted in July and whose first assessment was due and payable in August, provided that it has been paid to the local lodge. Juvenile members who have been admitted in the month of August and whose first assessment falls due in September, shall not be exempt from the payment of the same.

For the assessments which the new juvenile members will required to pay in the month of August or in the month of September we shall bill the lodges on the Statement for the month of October.

Fraternally,

ANTON ZBASNIK, Supreme Secretary.

Cleveland, O. — August 11th is the date of the next Ilirska Vila meeting. Why not plan to attend. As usual the meeting will take place at 10:00 o'clock in the morning in the Slovenian National Home on St. Clair Ave. at 65th St. If you haven't been to any meeting lately why not come out to this one on Sunday. This is the last meeting before the Convention so come out and take part in the important business that will be taken care of. At the last meeting Janko Rogelj made a very timely suggestion that each and every one of the members present should bring another member along to the next meeting. He is one hundred per cent correct. This would be a good day to get more people out in the morning to take part in the affairs of the lodge. When you joined the Union you chose our lodge from the others to be a member of and to work with and for. Why not do your part now Ilirska Vila members and come to the meeting on Sunday. Sh-h-h. If you can keep a secret I'll tell you members something. Don't tell anyone. Last meeting we had refreshments after the business. You can never tell we may have some this meeting. Come out and see for yourself. But remember, didn't tell you it is a secret. Okay. Be seeing you Sunday morning at the meeting.

Coll. Booster News

Cleveland, O. — Our barn dance turned out a big success. Many thanks go to Trosky Urbancic, chairman, and to our charming reporter Elsie Desmond, who publicized our dance in fine style.

We were glad to see Cardinals representing Struthers at our dance. Ed. Glavic, Stan Pogacnik and George Adams. In the afternoon Barberton lodge St. Martin, 44 SSCU, played the first game with our Coll. Boosters, the latter winning by a score of 8 to 0; in the second game, Betsy Ross scored five runs to Barberton's four. Puffy Bohinc of Coll. Boosters pitched a one-hit game, and contributed a home run with bases loaded; Minine Machtigal also hit the ball for four bases. Mike Krall turned in a credible performance for Betsy Ross.

Barberton group went to the home of secretary Mary Laurich, 15717 Saranac Rd., after the game, as guests, while the fellows from Struthers were guests of Mr. and Mrs. Joe Struna. Wonder who serenaded us at 5 a. m. in front of our home.

Interesting lights: Joe Struna giving champ a haircut; Ed. and Stan playing with the baby's sweater; meeting Honorable John at the SNPJ picnic. Honorable John collected autographs on his white sailor hat.

Tony Taurich spotting the white shoes belonging to Ed. Glavic, by autographing his name on them. Departing Sunday night after two perfect days. The following Monday our boys defeated Betsy Ross by a score of 10 to 4. Lycchie, Novy, Ruzic and Ludie al hit home runs. Good work boys.

BRIEFS

For the second time this season lodge St. Martin's, 44 SSCU, Barberton, O., will travel to Cleveland, on Sunday, August 11th, to engage in a doubleheader with two Cleveland SSCU softball teams. Starting at 2 p. m., the first game will be with Napredek, 132, SSCU and at 4 p. m., the second game will be with lodge Janeza Krstnika, 71, SSCU. All SSCU members, their friends and acquaintances are welcome to the games.

Blaine, O., Lodge 155, SSCU will hold a picnic Sunday, August 11th.

Western Pennsylvania SSCU Federation will hold its meeting on Sunday, August 25th, at the Slovene Home in Center, Pa.

Lodge 50, SSCU is included in the group of United Slovene Lodges of New York City, who shall hold a mammoth joint picnic on Sunday, August 25, at Charles Garden Park, 60-18 Metropolitan Ave., Ridgewood, N. Y.

Never too early to begin advertising a lodge dance, is the motto of Tony Drenik, athletic supervisor of Lodge 71, SSCU, Cleveland. Bro. Drenik announces his lodge dance to take place on Saturday, November 16th, presumably at the Slovene Hall on Holmes Ave. Further details of the dance will appear in subsequent issues of Nova Doba.

Lodge 61

Reading, Pa. — Our lodge "Sv. Jurija," 61, SSCU will hold an important meeting on Saturday, August 10th, it being the last session before the 16th regular convention. It is the duty of every member to attend, and to arrive at some type of instructions for our delegate who shall represent our lodge at the convention.

Many SSCU lodges are members of federations, and thus our representatives receive valuable guidance as to the opinion of various members and their component lodges, and to act accordingly at the convention.

Inasmuch as our lodge is too far removed to be a member of any federation, it is imperative that our members attend the August 10th meeting, and discuss the various problems confronting our organization, and the solutions, if any, we may have for these problems. Only in this way can we offer helpful assistance to our delegate who shall represent us at our next convention.

Interesting lights: Joe Struna giving champ a haircut; Ed. and Stan playing with the baby's sweater; meeting Honorable John at the SNPJ picnic. Honorable John collected autographs on his white sailor hat. Tony Taurich spotting the white shoes belonging to Ed. Glavic, by autographing his name on them. Departing Sunday night after two perfect days. The following Monday our boys defeated Betsy Ross by a score of 10 to 4. Lycchie, Novy, Ruzic and Ludie al hit home runs. Good work boys.

Sentinels Birthday Party

By Big Stan

In answer to the many questions of when the Sentinels will stage their birthday party which was washed away by the June rain, we are very glad to state that at the last meeting of the Sentinels, August 17th was chosen for the day. Yes, the long delayed birthday celebration is about on us for Aug. 17th is just a week away.

The cozy and cool Drenik's park of Strabane will be the site and the usual picnic rules will prevail with the exception that admission to the park will be free with those that care to dance will pay to receive the privilege to dance.

As for the music for the GREAT DAY, the Sentinels will be very proud to present the music of Bob Smith and his orchestra, a band of distinction that will be sure to please one and all. Although it is not a Slovene band, they are considered tops here in the Strabane Canonsburg area for their polka playing.

Much to the surprise of many, their Slovene polkas were received with acclaim at a recent engagement and their renditions of modern music cannot be overlooked. On the whole, Bob Smith and his Royalaires are class—a smooth outfit that hits the spot, not only for the young but also for the old.

So there it is my friends. A gay good time together at the cozy Drenik's park in Strabane where a birthday party is to be held. The Sentinels will be your hosts and furnish you with every means to have the time of your life. Just remember the date and place, August 17th at Strabane's Drenik park, the Sentinels Birthday Party with no obligations to get into the park. But for the music lovers, all we can say is if you care to really enjoy yourselves come to Strabane August 17th and dance away your cares with Bobby Smith and his Royalaires. You dance when you arrive, so don't be late.

Cleveland, O. — Attention members! All those who have not turned in their tickets or ticket money please do so at once.

Last week while at work Ed Marincic injured his foot pretty bad.

Too bad our pretty secretary, Miss Mary Laurich couldn't attend any of our swell ball games or interesting meetings this summer, because she's working nights at Nela Park. She was quite a rooter for our team last year.

St. Johns were defeated by Betsy Ross by a score of 2 to 4.

St. Martins, No. 44 of Barberton are coming here this Sunday the 11th to play a double header ball game at Napredeks and St. Johns. Games will be played in the afternoon. So come on out there you baseball fans and root for your teams.

Better luck to you this time St. Martins.

Waukegan Readyng For "Blitzkrieg"

By Little Stan

Little Stan

Ely, Minn.—When delegates begin streaming into Waukegan within a few weeks for our SSCU's epoch 16th quadrennial convention, they and other members throughout the nation can stop momentarily to visualize that traditional fraternal history is being made!

As if to jibe into the thought of this picture, the open door in Little Stan's shop this Friday evening brings in the stirring notes of the famed Drum and Bugle corps of this city who evidently are conducting a rehearsal through the streets. The

Penna. Federation

Center, Pa. — The following are the minutes of the June 23 meeting of the Western Pennsylvania Federation of lodges which was held in Moon Run.

The June meeting of the Western Pennsylvania Federation of SSCU lodges was called to order by President Frank Kress. All officers were present except trustees Mr. Skerl and Mr. Kovacic.

Two lodges had not yet paid their dues for 1940. Since lodge 205 had just joined, it was decided they should be allowed to vote. The majority of the delegates were also in favor of allowing lodge 221 to vote.

Thirty-five delegates represented fifteen lodges at this meeting. Members of the supreme board who were present were: Dr. Arch, Janko Rogel, Frank Mikec and Anton Turbovec.

After two complaints, the minutes of the previous meeting were accepted.

Mr. Kress reported that he wrote letters to the other federations of SSCU lodges asking them to send delegates to Ely before the convention to form a by-law committee which would discuss proposed reformations in the present by-laws. He received favorable replies from all of them except the Colorado federation.

The financial report showed an income of \$98.96 and expenses amounting to \$27.50, which left a balance of \$71.46 in the treasury on June 23.

The trustees reported that they found the books of the secretary and treasurer to be in order.

The auditing committee and financial reports were accepted as read.

A letter was received from lodge 33 requesting a donation for assessments for one of its disabled members. Her assessments, which amount to \$1.71 per month, will be paid for three months.

Stanley Progar moved that the section of the by-laws pertaining to new members be amended to the effect that all new applicants be citizens of the United States or to show intentions of becoming citizens. His motion was seconded, but when voted upon, was defeated.

In regard to the Krotec case, we were informed that a letter was received from the supreme secretary suggesting that we accept the two checks that he and Mrs. Krotec received as loans on their certificates. Up to the present time, these two checks amounting to \$65.00 and another \$5.00 have been received from him.

A resolution from lodge 26 was read concerning the merger issue. This lodge is of the opinion that a committee should be selected at the next convention to promote a merger. One copy of this resolution is to be sent to every lodge in Pennsylvania.

Bonds were received for officers of the federation.

Mr. Rogel, who represented our Union at the quadrennial convention of the Slovene Progressive Benefit Society, told us that the delegates at that meeting voted 59 to 5 in favor of a merger. A merger committee of five was chosen at this convention. Three of these five were opposed to a merger; it was expected, therefore, that this committee would remain inactive on this particular problem.

At the suggestion of Stan Progar, this federation will take over the next duckpin bowling tournament.

It was moved and seconded that another federation meeting be held before the convention. This next meeting will be held in Center on August 25th.

The meeting adjourned at 3 p.m.

Barberton News**LITTLE STAN'S ARTICLE**

(Continued from page 5)

Barberton, O. — At St. Martin's picnic on July 7th everyone had a good time. A double-header softball game was held during the afternoon. The first with the Cardinals of Struthers, Ohio, the result being 11-1 with the Cardinals on the winning end. The second game was between Betsy Ross team against St. Martin's. St. Martin's team won this game, the score being 5-2. After the games everyone went to the picnic at Hopacan Gardens, where everyone there was enjoying himself. We want to thank the Cardinals and Betsy Ross teams for such splendid games and for their great sportsmanship. We appreciate your help toward our affair and will repay you in the future.

On Sunday, July 14th, another doubleheader was played here in Barberton. The first game was played between the Collinwood Boosters and St. Martin's. The Boosters won by a score of 3-2. The second game was played with Napredék's and St. Martin's and again St. Martin's lost with the score ending 14-8. Thanks to everyone for his grand cooperation to make this day a grand success.

On Sunday, July 21st, St. Martin's traveled by bus and also by cars to the Cardinals' picnic at Struthers, Ohio, where in the afternoon two softball games were to be played. Everyone sang and laughed and had a grand time on the bus. We arrived in Struthers about 2 o'clock where quite a crowd greeted us, including the group from Barberton, who came by cars. After getting filled up with food and drinks, we wandered down to the ball field where the game between St. Martin's and Cardinals was scheduled to be played. The game was won by the Cardinals by the score of 6-0, but even though the game was lost everyone enjoyed himself after the game. The second game was to be played between the Cardinals and Betsy Ross of Cleveland. Everyone believed the Betsy Ross team wasn't coming, but about 5 p.m. they came. The game lasted 9 innings — the score was tied 8-8 in the fifth inning and in the 9th inning Stan Pogacnik (Don Ameche) of the Cardinals came through with the winning run, the score being 9-8 in favor of the Cardinals. The Krall brothers — Patsy and Mike — did a good job of pitching for the Betsy Ross team — Patsy's smile was always at hand — a toast to the other members of the team too.

Highlights of the evening: Where was Frankie Okolish when it was time to go home? Wonder why Agnes Troha and Mary Misic didn't want to leave?

Why Mike Krall wanted to come back to Barberton with us?

Coming home everyone was tired but there was plenty of singing and laughing all the way home.

Saturday, July 27th, St. Martin's team went to Cleveland to play two softball games with the Collinwood Boosters and the Betsy Ross teams. Six cars started out and were met at the Slovene Hall on Holmes Avenue by Mike Krall — good old Mike, always seems to be right there wherever Barberton is concerned — later Tony Drenik of St. John's came to the scene. With Mike and Tony as guides we were directed to the Shaw Stadium, where most of the Boosters were ready to play ball. The Boosters won from St. Martin's by a score of 6-0. The second game was played with Betsy Ross against St. Martin's and again the Barber-

Well, to proceed with our meeting which was held at Glenpark Cafe last Wednesday, July 31st, 1940. President Joe Struna called for minutes to be read of last meeting by yours truly. Much of the time was given to discussion about all this spiking and sliding in at bases. It was decided that the managers of both teams who play that day will talk about this before the game (spiking and sliding) and they, themselves will set the definite rules... As is believed that the SSCU All Star will join the CBF next year, but that was undecided yet... A change was made in the Napredék roster and Rudy Sajovec be dropped from team and replaced by Frank Seme... Brothers Lou Kolar and Bob Kardell were invited to our meeting and we're all glad they were able to make it... Meeting closed at 11:00 p.m.

Just another reminder for the ball games for next week:

Mon., Aug. 12th at Kirtland, Coll. Boosters vs Ilirska Vila.

Wed. Aug. 14th at Napredék, Betsy Ross vs. Napredék.

Fri., Aug. 16th at Napredék, Ilirska Villa vs St. John's.

And don't forget to attend the last game to be played at Kirtland field with the high teams, namely: Napredék and St. John's. Ball game to begin promptly at 6:30 at Kirtland field and the last game of the season too... Don't forget to attend... St. Martin's team from Barberton, O. is coming to Cleveland, Aug. 11th to play against the Napredék team at 2:00 p.m. and the St. John's team following the first game at the Napredék field.

Lodge 88

Roundup, Mont. — At the lodge meeting of "Sv. Mihaela" 88, SSCU, held on July 21st, it was decided to urge members to attend in full numbers the Aug. 18th meeting.

I do not agree with the proposal of supreme secretary Anton Zbasnik to change the sections of our by-laws concerning sick benefits. I believe that the present set-up should remain in effect with few changes. Let full sick benefits be paid the first six months, and half sick benefits the remaining six months? Let ten dollars a month be paid from the disability fund for a period of 24 months. And let the sick benefits apply for Sundays and holidays.

As to how much benefits should be paid for each illness a year, I think that a sick member would have to be ill for a different sickness each time.

Operation benefits should be paid, even if the one operated upon dies immediately. Sick benefits should be paid as long as the member is ill. Maternal gifts should be increased to \$20 for the mother, and \$5.00 for the child, and payments of sick benefits should begin fourteen days after birth if the member is still ill.

Death benefits should be paid mentally deranged members committing suicide even though the stricken is not a member of two years' standing.

Each member should attend at least one meeting in three months; failure to do so would follow with a fine of 50 cents into the lodge treasury. This would help the secretary in collection of assessments; facilitate the handling of sick benefits, where at present, a lack of quorum at the meeting inconveniences the member on the sick list for approval of sick benefit claim.

By-laws should include a definite section prohibiting members to induce other members to transfer from one lodge to another. Guilty ones would be fined with deduction of one month sick benefit.

Of course, the delegates at the convention, by majority rule, will adopt the changes in the by-laws; and not the supreme officers, nor any one supreme officer.

I also propose that members between 35 and 40 years' standing in the Union, and aged 65 years or over, be given free assessments, the Union to pay for them from its treasury. And members 70 years of age and over be given free assessments regardless of the number of years in the organization.

At HBZ, in 1939, the assessments for all members were suspended for a period of three months. Can't we do the same, considering our high solvency?

I have read in the Nova Doba that our state Montana will be represented by 13 honorary delegates at the convention.

Butte, Mont. especially made a good showing, followed by East Helena and Great Falls.

ONWARD BETSY ROSS

chairs and bodies to be thrown overboard.

Trip to Struthers: The B. R.'s certainly get around not only on water but also on land. Almost everybody recuperated from the moonlight ride in time to journey down to Struthers, Ohio, the next day. The main event of the day was the baseball game with our boys playing against the Cardinals of Struthers.

The Cardinals came out on top by one run for which they had to work plenty hard. The disappointment of losing by such a narrow margin plus several bad breaks did not in any way spoil the "all-in-fun" spirit of the B. R. players. They are to be congratulated on their good sportsmanship. That quality is much more enviable than coming out on top all of the time.

It will be some time before Ike Kocin, Jean Russ, Sailor Debenak, forget John L. Sullivan and the ride home from Struthers. Beer with potato chips, stocking feet, Sailor's dancing, Ike's "uriskaing" (the English don't have a word for it.) Jean's beer-drenched slacks, an appreciative audience, and Deb's own home-made songs spelled fun and more fun for us on the way home. Just between you and me, Ike, did Junia ever finish that song for you?

Baseball games: Still going strong—the very next day the B. R. nine played the Napredék nine. This game resulted in a practice game the next Thursday. The following Saturday the Barberton St. Martins came to Cleveland to play double-headers with the Booster and Betsy Ross.

This week our team is again playing the Boosters.

Boosters' Dance: The B. R.'s were very well represented at this dance and they all had a grand time.

SNPJ Day: We're always ready to give whole-hearted support to affairs planned by other organizations. Our motto is still the golden rule: Do unto others as you would have them do unto you. We know that not only will we have a good time but that these organizations will repay us by attending our affairs. Sunday the Betsy Ross turned out in a body to attend the Ohio SNPJ Day at the Recreation farm where we met SSCU members from all over the state.

Events to come: August 12th. Monthly meeting. Don't let the hot weather keep you away. We need all of you members to work with us on the program planned for the summer. We assure you that it will not be an "all work and no play" meeting. After the business is taken care of, we promise you a rip-roaring good time.

August 18th. — The Betsy Ross outing at Lake Aquilla. Plenty of fun for everyone. So remember the day.

September 1st. — Frances Susek Cadets make their debut at the "Military Red Dance." This group is captained by a Betsy Ross gal and will be orchestra'd by the Betsy Ross president.

September ? — The Betsy Ross Bike Ride September ?.

An all-day boat ride for the B. R.'s and their dates.

Here and There: Of course we wouldn't dream of accusing a Betsy Ross member of being a cradle snatcher; but just the same you better stay from Barberton, Blackie. — Next year we plan to collect commission as a witness to the bet made by Elsie Desmond, an Ilirska Vila member, to George of the Struthers SSCU. If that doesn't work then we'll have to resort to blackmailing Ed Glavic, also of Struthers. — Marsen seems

who would represent Lawrenceville for the championship of Pittsburgh and receive the trip to Atlantic City to play in the national title play. But the boys did not reckon with little Dorothy Jergel who was considered just a girl who didn't know a boy's game from a girl's game. But the boy's didn't know Dorothy. Or her ability with the boy's national past time.

But to eliminate a long story, Dorothy sailed thru the water like water thru a strainer. When the smoke, or, should we say dust, when the dust cleared Dorothy Jergel was the Lawrenceville marble Champ and the boys were the chumps. Dorothy represented Lawrenceville in the Pittsburgh play-offs and the boys wished that they played more of the game called hopscotch.

And so the Pittsburgh Play-offs began. Much to the chagrin of the boy that reached the finals, his opponent was a girl, Dorothy Jergel. He did not count on this for girls do not play the game, or so he thought. And to make matters worse Dorothy defeated him in the first game. In the second encounter, she got off on a grand start and just about ended the championship match with two straight when the boy realized his predicament and knuckled down. Here something happened, probably the realization of the razzing he would get from his companions if he lost, especially to a girl, but the boy woke up and took the game in the last stage. This gave him the stimulant he needed and he took the final game and defeated Dorothy two to one for the championship of Pittsburgh and the right to travel to Atlantic City for the finals.

But there you have it. Dorothy Jergel is the Lawrenceville marble Champ and just for short of winning the Pittsburgh championship and who knows she might have went on to the finals and carried off the national crown. Which all goes to show that the SSCU has some very distinctive persons within its midst.

Operacijska podpora je vedno premajhna, kajti operacije za katere Jednota plačuje, stanejo od 100 do 130 dolarjev. To samo za zdravnika, kje so pa še drugi stroški! Dobro bi bilo, da bi se operacijska podpora nekoliko zvišala, toda v to svrhu bi moralno članstvo poseti nekoliko niže v žep, in poslušanega asesmenta se bojimo kot zajec psa.

Bolniška podpora se mi zdijo še dosti primerna; za poškodbe se plačuje od prvega dne, za naravne bolezni pa se odloži za par dni. To se mi zdijo prav, ker naravna bolezen včasih itak preneha v par dneh.

Zdaj naj pa še nekaj omenim iz svojih lastnih izkušenj o delu in odgovornosti tajnikov. Ako društveni tajnik suspendira člana zaradi neplačanega asesmenta in pošte tozadovno poročila na glavni urad, se včasi zgodi, da po odpošiljatvi denarja in poročila prizadeti član pride k tajniku z asesmentom. Ako tajnik vzame od takega člana asesment, se isti čuti, da je pravomočen član in upravičen do podpor, v glavnem urad je pa poročan kot suspendiran. Ako ne vzame denarja, nastane zamera in lahko se zgodi, da član društva pusti. Ako suspendirani član zbolii, se ponesreči ali umrije, nastanejo lahko velike sitnosti za društvenega tajnika in tudi za Jednoto.

Moje priporočilo bi bilo, da bi se za take primere napravile posebne forme, v katere bi društveni tajnik natančno zapisal kateri dan, katero uro in katero minutu je prejel denar od člana, ki je bil poročan kot suspendiran, in tako izpolnjena forma bi morala biti takoj odposljana na glavni urad. Član bi bil od časa, ko je plačal tajniku asesment, upravičen do vseh podpor.

Potrebno bi bilo, da bi Jednota priznala društvene tajnike kot svoje pravomočne agente. Direktno s članstvom imajo opraviti društveni tajniki, in imajo potem opraviti z glavnim uradom. Društvene seje se vršijo navadno ob nedeljah, in na teh sejah tajnik ali blagajnik ali oba kolektata asesmente od članov. Društva so večja in manjša, in pri velikih društvih se včasih nabere precejšnja vso-va asesmenta. Pa se zgodi, da se tajnik, ki ima spravljen ta denar, zadrži med prijatelji do trde noči, posebno, če se je seja vršila popoldne, in morda sam hodi dalje do svojega doma. Zlikovcev se nikjer ne manjka, ki duhajo okoli, kje bi bilo za dobiti kakšen denar, in kmalu pronajdejo, da ga ima tak društveni uradnik, pa ga na kakem samotnem kraju pričakajo in oropajo. To se je že večkrat zgodilo tu ali tam. Zgodi se pa tudi, da tajnik ali blagajnik denar izgubi, mu ga kdo ukraje in domu, da mu ga uniči požar itd. Po samotnih krajih ni bank, da bi človek denar takoj oddal na banko. Kdo bo v takem slučaju trpel škodo? Gotovo člani sami. Ne verjamem, da bi za take slučaje tajnikov ali blagajnikov bond kaj veljal.

Jaz mislim, da je bond dober, ako kateri omenjenih uradnikov denar poneveri, toda tudi kakemu takemu zvitemu lisiju, kajti včasih težko dokazati. Danes imamo precej društvenih uradnikov, ki nimajo nikake prave varščine. Moje mnenje bi bilo, da bi se za take primere denar

"inšural," če ne bi bilo prevelik strošek.

Kar se tiče onemoglostnega sklada, bi bilo najboljše, da se tista večna naklada opusti in da se pristeje k vsoti. Tako poslovjanje kot je sedaj v tem oziru, ni praktično, za člane nerazumljivo, za tajnike pa prava mora. Po mojem mnenju je že marsikateri tajnik plačal tak asesment za enega ali drugega člana iz svojega žepa.

Napravil naj bi se sistem, da bi se vsi člani asesirali iz glavnega urada, tajnike pa naj bi se pripoznalo kot jednotne uradnike. Tajniki naj bi tudi prejemali iz glavnega urada neke male procente od vposlanega denarja, tako da odrasli kot za mladinski oddelki. Včasih slišim bolj mlade tajnike, ki se že zdaj pogovarjajo, da se ne izplača za par dolarjev na mesec opravljeni tajniškega dela. Pričiščeno takega mnenja sem tudi.

Paul Ilovar, tajnik.

Chisholm, Minn. — Člani in članice društva Sv. Jožefa, št. 30 JSKJ, so vladno vabljeni, da se udeležijo prihodnje redne mesečne seje, ki se bo vršila v soboto 17. avgusta. Seja se bo vršila v navadnih prostorih in se bo pričela ob 7. uri zvečer. To bo zadnja seja pred 16. redno konvencijo JSKJ, ki bo pričela zborovati 9. septembra v Waukeganu, Ill. Delegata želite, da pride članstvo polnoštevilno na sejo ter da ne varčuje z dobrimi nasveti. Več glav vedno več ve. Delegata bi pa rada znala za želje članov. Ako ima kak član ali članica kako priporočila za izboljšavo ene ali druge točke pravil, naj pride z istim na sejo, da članstvo na seji zadevo preteče. Ako se bo članstvo na seji s priporočilom strinjalo, ga bosta delegata pozneje prinesla pred konvencijo. Dolžnost vsakega člana je, da se zanima za svojo organizacijo ter jipri svojih močeh pomaga k ugledu, rasti in napredku. Čas pred konvencijo je posebno važen, kajti na konvenciji se delajo pravila oziroma postave za organizacijo za prihodnja člana. Delujmo skupno in složno za naše društvo in za našo Jednoto, pa se bomo prepričali, da bo prav na vse strani. Med članstvom društva bo bratstvo in zadovoljstvo, JSKJ pa bo napovedovala in njen ugled ter njene finančne trdnosti jo bosta dvigala vedno više in više med našim življem in med drugoročci v Ameriki. Bratski pozdrav in na svidenje na seji 17. avgusta!

Louis Ambrozich.

INTERVIEW LOUISA ADAMIČA

Se pred nedavnim je "Jugoslovenski kurir" v Chicagu obvestil ameriško jugoslovensko javnost po jugoslovenskem časopisu v Ameriki, da je odlični ameriški pisatelj g. Louis Adamič prevzel v začetku julija vzdano in odgovorno mesto svetovalca pri vladni komisiji Ameriške narodne obrambe, ter obenem tudi ugotovil dejstvo, da je g. Adamič prvi Slovenec in Jugosloven, ki ga je doletelo tako visoko vladno odlikovanje in priznanje v Združenih državah.

Da ni naredila naša vlada nobene pomote, ko je imenovala g. Adamiča za svetovalca pri omenjeni komisiji, potem da so ameriški novi priseljenci dobili z njim v Narodnem obrambnem svetu večega in iskrenejšega zaščitnika, ki temeljito pozna vse njihove križe in težave pa težnje, in pa da se g. Adamič zaveda svoje težke naloge v polni meri, vse to je dodobra razvidno iz intervjuja, ki ga je on dal na koncu julija v Washingtonu in čigar vodilne misli so na splošno navedene v sledenih odstavkih.

Njegovo največje zanimanje je precenitev duševnih zakladov ali virov v skupinah novih priseljencev. To je bil njegov posel zadnjih par let. V kratkem počeli se to obsežno polje ne da obdelati. O tem izda meseča oktober svojo knjigo, ki bo obsegala 150,000 besed. Njej imajo slediti druge.

Prečakanje izjava za Obrambno komisijo

G. Adamič je nasvetoval Obrambni komisiji, naj za svojo smernico izda sledečo izjavo:

"Cilj Obražljive komisije je, zagotoviti popolno uključitev vseh elementov našega ameriškega prebivalstva v obrambni program. Med ogromnimi skupinami novih priseljencev ima očvidno veliko število oseb težave z ozirom na ostali del Amerike.

Njegov splošni predlog

Po Adamičevem mnenju se imajo skupine novih priseljencev kot take pritegniti v obražljivo prizadevanje v njihinem čustvovanju, razumu in delovanju. Silni sunki drastičnih dogodkov v starem svetu so v milijonih in milijonih ljudi med ameriškim prebivalstvom vzbudili popolno zavest njihnega še nedavnega ozadja v staro domovino, še preden so se Združene države ameriške očividno zapletile v sedanjo svetovno krizo. To novo zavest morajo v večini slučajev izkoristiti tisti, ki imajo obražljivo v rokah. Kajti mnogi novi Amerikanci med tistimi, ki so bili rojeni v Evropi, kakor tudi med njihimi otroki, rojenimi tukaj, zamejtujo totalitarizmom, to pa ne morda samo zato, ker so Amerikanci, nego tudi zato, ker prihajajo ali izvirajo iz Anglije, Norveške, Francije, Holandske, Belgije, Danske, Poljske, Češke, Slovakinje, balkanskih držav itd., in pa seveda tudi zato, ker so židje ali katališki. Mnogi nemški in italijski Amerikanci so proti nacizmu ali fašizmu deloma zato, ker segajo njihna ozadja v Nemčijo pred Hitlerjem, oziroma v Italijo pred Mussolinijem.

Predsodki, nestrpnost, superiornost, inferiornost.

Treba se bo lotiti, pravi g. Adamič, tudi celega kulturnega ozračja Združenih držav ameriških, ki je sedaj vse prepojeno in prežeto s predsodki, nestrpnostjo, dojmi superiornosti na eni strani in počutki manjvrednosti ali inferiornosti na drugi. Saj ni samo to, da imajo stari Amerikanci pred sodko proti novim priseljencem, nego tudi ti jih često gojijo proti onim in drug proti drugemu. Med skupinami novih priseljencev je v veliki meri nateleti na predsodke proti črnemu.

Cepuran za vzorno vodstvo po grebu. Prisrčna hvala vsem, ki so pokojnika obiskali na mrtvaškem odu, vsem, ki so prispevali za maščevadlo, vsem, ki so se od pokojnika poslovili z venci in everticami, vsem, ki so pokojnika spremili na njegovi zadnji poti, in vsem, ki so nam v težkih dneh na en ali drugi način izkazali sožalje, pomoč in naklonjenost.

Tebi pa, ljubljeni sin in brat, bodi lahka rodna ameriška zemlja. Ohranili Te bomo v ljubezem spominu, dokler tudi mi ne pridemo za Teboj tja, kjer ne bo več žalost, trpljenja in ločitve.

Zaljuboči ostali: Mihael in Margaret Mravenec, oče in mati; Mary Miraski, Margaret Maden in Julia Keely, sestre.

položenje z ozirom na ostali del Amerike, kar oboje more postati nevarno v zvezi z našo obrambo. Tem občutkom manjvrednosti in negativnim nagibom je treba priti v okom — toda le na pameten in pozitiven način — in sicer s tem, da se bistveno zenačijo z Ameriko kot domovino, kot državo, kot idejo, — kot svobodno demokracijo.

Nemški in italijski Amerikanici

Nemški in italijski Amerikanici, je rekel g. Adamič, so v težkem položaju. Za te se bo treba najprej v nadzoru in načrtovanju. To je ogromen predmet, pravi g. Adamič. O njem ima eno poglavje v svoji knjigi "My America."

Družbeni zakladi novih priseljencev

cev

Njegovo največje zanimanje je precenitev duševnih zakladov ali virov v skupinah novih priseljencev. To je bil njegov posel zadnjih par let. V kratkem počeli se to obsežno polje ne da obdelati. O tem izda meseča oktober svojo knjigo, ki bo obsegala 150,000 besed. Njej imajo slediti druge.

Prečkanje izjava za Obražljivo vrednost

Kako izbiti italijskim Amerikancem Mussoliniu iz glave, s čim ga jim izpodrini iz mentalitetu in čustvovanja?

Treba jim je govoriti o Maziniju ter povedati, da je on spisel prvi osnutek ameriške Izjave neodvisnosti v laščini in da je bil prijatelj in sosed Jeffersona, ki je pozneje napisal Izjavo v angleščini. Reči jim je treba nadalje, da nehote sramotijo s trditvijo, češ, da tu v tej deželi ni mesta za fašizem, pač pa da je na mestu v Italiji, sebe in svojo staro domovino. Kajti takšna trditve ne pomeni drugega kakor to, da so ljudje italijske krvi nesposobni za samovladanje. Povedati jim je dobro tudi katero o Garibaldiju. Nekaj sličnega velja tudi za nemške Amerikance. Te snovi je dosti.

W. P. A. neumestna organizacija za take namene

Sveda je dosti stvari v tem započetju, ki jih lahko opravijo razna vladna zastopništva. Ali g. Adamič je odločno proti temu, da bi se rabila organizacija W. P. A. za vladno sredstvo v tem namene, ker je pač v zvezi z briškimi spomini v glavah mnogih novih priseljencev, zlasti pa še sedaj, ko se poslužujejo razlikovanju tu in tam v kvar tujerodcem, ki še niso državljanii

DRUGA NARODNA HIMNA

(Nadaljevanje s 1. strani)

1917, toda njen avtor jo je odložil za poznejsjo porabo. Leta 1938 jo je pričela peti Kate Smith na radio in pesem je hitro postala popularna. Zaradi lepega, patriotskega besedila in prijetno navduševalne melodije je ta neoficielna himna v kratkem času tako rekoč poplačila deželo. Njen avtor je prejel že nad 40 tisoč dolarjev komisije na prodajo te pesmi, kar vse je vložil v fond za podporo ameriških skavtov, fantov in dekle, zavedajoč se menda, da bodočnost Amerike je v fizično in duševno zdravi mladini.

IZUM PARASUTA

Parašut ali padalo, ki je danes velike važnosti pri vojnem in civilnem letalstvu, je najprej demonstriral Sebastien Lenormand v Franciji leta 1783. Kdo ga je izumil, ni znano. Prvotno je bil parašut zamišljen za reševanje ljudi iz gorečih polstopij. Prvi skok s parašutom z baluna je demonstriral François Jacques Garnerin leta 1797. Prvi skok s parašutom iz letala pa je leta 1912 izvršil neki častnik ameriške armade.
