AMPLIFYING THE VOICE OF THE ENGLISH SPEAKING MEMBERS

Current Thought.

AVOID THE STRAGGLERS

Our Union made one bold stroke at its last general convention held in 1928 at Ely, Minn., when the delegates made provision for a Sports Fund to assist lodges in organizing athletic teams. The main purpose of the fund was to stimulate interest among the younger set in the splendid and noble work carried on by our SSCU. That sports would be encouraged by the senior members came as a surprise to the English-conducted lodges, the members of which were under the firm impression that athletic activities would interest only them.

The distinction of being the first fraternal benefit organization among the Slovenes to make sports one of the main issues goes to our South Slavonic Catholic Union. We can be proud to know that the majority of members are of the progressive type and bow to modernism. It was a splendid piece of legislation passed upon at the convention.

That the younger members, and especially the English-conducted lodges, would take advantage of the Sport Fund was a foregone conclusion. It was to interest outsiders, indirectly, in the fraternal work of the SSCU, a fact that needed some publicity. Insurance in the form of sick and death benefits must be taken out by all. This fact could best be impressed onto the younger mind by interesting her or him in athletic activities, something that would catch their eyes immediately and continue to hold their attention. Once the candidates were to be initiated into the local lodge the purpose of the SSCU could be unfurled to them and explained in detail.

Unfortunately, some of such candidates joined our Union merely because they were athletic-minded, and did not care two whoops for the fraternal work, even after it was explained to them what advantages were to be derived. Fortunately, a very small percentage belong to this class. So small is this group that it can almost be neglected. Nevertheless, this small minority must be guarded against and discouraged, for they set a bad example. It is not because of sports alone that the sport fund was established, but because of the attraction that athletics hold in the younger mind that would be converted to our SSCU.

There is still another type that we must guard continually against. And that is the so-called stragglers, that shift from lodges belonging to different denominations merely because they wish to play with certain teams. They might be termed professional seekers, for, although they receive no compensation for playing, the fact that they displace a worthy member from participating is harmful enough. When the season is over they automatically drop from the lodge.

It is not fair to the loyal members who are working in the interest of the lodge. It is they who provide for the bulk of the expense. It is not fair to the Union, who provides lodges athletic-minded with funds from the sport fund.

Far better that a lodge has a mediocre team entered and composed of players that will stick through thick and thin than to have a championship combination that will desert its ranks because of a better offer.

Let us participate in sports because of the fun in it, and forget the relatively unimportant team composed of excellent athletes that might prove to be deserters. Far better to end the season at the tail-end with a team composed of loyal members than to finish at the top with a team composed of stragglers.

Athletic Commissioner, SSCU.

Saying It With Comrades

Meet Illini Stars on June 14; Beat A. C. Nine 22 to 9; "Bing" Bartel Tops Comrades Sluggers With 667; Members Urgently Requested to Attend Regular Meeting on Friday, June 12

Waukegan, Ill.—Comrades Lodge (No. 193, SSCU) baseball aggregation will meet the Illini Stars of Chicago in the first of a three-game series for the SSCU state championship, on Sunday, June 14, at 2 o'clock sharp. The contest will be run off at the 56th Ave. and 25th Pl. diamond, Cicero, Ill. Frank "Frosty" Petrovic will get the pitching assignment, with Walker behind the plate. Complete roster is as follows: Charley (The Great) Pabst 3b, Bruno "Bryan" Kaires ss, Louis "Hack" Rode cf, Johnny "Bing" Bartel 1b, Larry "Al" Petrovic lf, Jack Strazer 2b, Frank Zupc 3b, Johnny Walker c, Frank "Frosty" Petrovic p, Charley Bobby Bartel, Eino Maki, infield; Frank "Heavy" Repp, outfield.

"Frosty" Petrovic, a slow curve ball artist, will open the series against the Illini Stars, his slow curves, especially the "knuckle" ball, should keep the opponents guessing. However, "Chuck" Burke, Comrades' speed ball ace, will do the relief work should he be called to the mound. "Chuck" will rely on his famous speed ball to retire the Illini Stars via the knockout route. However,

much depends on the Comrades' "murder row" with their mighty bats.

On Sunday, May 31, the Comrades downed the North Chicago West Side A. C. outfit by a 22-to-9 score. Petrovic and Burke hurled masterful ball for the winners, allowing the losers but 11 safe hits. Johnny Bartel and Louis Rode led the stickwork for the locals with five and four hits, respectively. "Bing" Bartel has stretched his hitting streak to eight consecutive games; he also connected for his ninth triple of the season. How the Comrades are batting:

Player	A.	R.	H.	Ave.
B. Bartel	2	0	2	1.000
J. Bartel	36	15	24	.667
B. Kaires	14	5	7	.500
L. Rode	30	13	13	.433
F. Repp	3	0	1	.333
C. Burke	20	2	6	.300
L. Petrovic	30	10	8	.267
J. Strazer	20	4	5	.250
C. Pabst	26	10	6	.214
F. Petrovic	14	3	3	.214
J. Walker	11	1	2	.182
F. Zupc	8	3	1	.125

Triples: Johnny "Bing" Bartel 9, Louis "Hack" Rode 3, Bruno "Bryan" Kaires 1. Doubles: Johnny "Bing" Bartel 4, Jack Strazer 2, Pabst 2. Members are urgently requested to attend the next regular meeting on Friday, June 12, at 8 o'clock sharp. Members of the baseball team and the ones who will accompany the hardball aggregation to Cicero on Sunday, June 14, for the first of a three-game series with the Illini Stars, should be present at the next meeting, as a number of very important subjects will be discussed. At least three new faces are expected to appear at the meeting.

COMMENTATOR

WEALTH AND POWER

According to a statistical report, the present depression is only the second year of a program of six years. This is true if the business cycle is to be accepted.

What might happen should this be true is problematical. Four more years of unemployment, four more years of starvation. The patience of the working class would be stretched to the limit, and perhaps break. What follows next? A revolution?

According to the head of the Scripps-Howard Newspaper Alliance, our country will witness an era of dictatorship, much after the fashion of Italy. If capital and labor do not agree on some program of more equal distribution of wealth, the inevitable will follow, continues the report.

If history is to be taken as a precedent, the suppressed class knows no bounds when it seeks revenge. Justice is sadly neglected. Like in the French revolution the working class exercised poor judgment in placing many innocent people on the guillotine, so the present working mass would use little if any discretion in running the affairs of the government. Knowledge and experience would be lacking, and alas, pity such a country.

Down through the ages, ever since the history of man divided into different classes, distribution of wealth has been in the hands of the few. Gradually wealth and power have been assuming a more equal proportion. But the greater part of the problem still confronts the civilized world in this respect.

It was with great bloodshed and sacrifice that men have been put on a more equal footing. Our country represents the most advanced form of this trend, if we are to bar Russia and her five-year plan.

If four more years will be required to balance the output and demand again, will that mean another upsurge? Will it mean that wealth and power will take another step forward? Will it mean that bloodshed and sacrifice will be in order again?

We certainly hope not.

Gilbert Holds Dance

St. John the Baptist Lodge, No. 192, SSCU, of Gilbert, Minn., will give a dance Saturday, June 13, at P. Murphy's Hall on Broadway and Minnesota St. Dancing under an excellent orchestra will get underway at 8 p. m. Admission is 35 cents for the men and 15 cents for the ladies, or 50 cents a couple.

All members, friends and others of Eveleth, Virginia, Chisholm, Sparta, Genoa, Elba, McKinley, Biwabik, Aurora, and Ely are cordially invited to attend. Murphy's hall can accommodate a large crowd. Refreshments will be served.

Proceeds of the dance will go in part toward defraying expenses for the lodge's athletic activities. At present a baseball team has been organized and is competing for the SSCU state of Minnesota baseball championship.

One makes one's own happiness only by taking care of the happiness of others.

Pennsylvania S. S. C. U. Groups Are Active

Johnstown, Pa.—After taking a trip to different cities of Pennsylvania, I stopped at Export, Pa., the little town that is always doing good. Brother and sister members, let's make this a banner year in lodge activities and let's not forget the athletic end.

National Star Lodge will have a hardball team organized that will participate in the Pennsylvania SSCU elimination series. A schedule for the Quaker championship will be in effect soon.

On May 30 there was a flag dedication at White Valley, sponsored by lodge No. 116 SSCU. There sure was a big crowd and even the Moxham Band from Johnstown was at the affair. It was a pleasure to grasp hands with Bro. Perdan, chairman of the Supreme Board of Trustees of the SSCU, from Cleveland, and Bro. Dr. Arch from Pittsburgh.

Dr. Arch's principal subject of his speech was encouraging the younger element. It is for the younger generation that you can depend on Bro. Perdan. Everyone had a glorious time, dancing to the music of the Moxham Band, which certainly played some good Slovene and jazz melodies.

Now for some baseball news from the Export Majestics. In the morning game against Ancient Rivals, White Valley, Miller Kukich, secretary of Export Majestics, and their mainstay on the pitching staff, showed some good pitching. Exports won with a score of 5 to 4. In the afternoon game between the White Valley and Jefferson Collegians of Canonsburg, a good game was played the first six innings. The score was 3-2 and 4-3 until White Valley was loaded twice, and it wasn't long before the score was 10 to 3 in favor of White Valley.

It looks like Jefferson Collegians will experience some difficulty in trying to beat the Export Majestics for state championship of the SSCU. I am certainly glad to hear and see that the Export Majestics are doing so well.

Joseph Kopler, No. 213, SSCU.

Poor Married Man

Export, Pa.—Carnation Dramatic Club will present a play called "The Poor Married Man," in which members of the club will take various parts. The event will be held Saturday, June 13, 1931, at the Slovene National Home in Claridge, Pa. Quite a lesson to you, poor married men, and to the poor unmarried men as well. Come and get more than your money's worth of laughs. Everybody is welcome.

On May 30, last, the St. Paul Lodge, No. 116, SSCU, of Delmont, Pa., dedicated its new flag. We all wish to thank Bro. Rudolph Perdan, chairman of the Supreme Board of Trustees, for the wonderful talk given during the dedication.

Hedvika C. Skerly, No. 116, SSCU.

DOLJACK DAY

A meeting will be held Monday, June 15, at the St. Clair Neighborhood Center, Cleveland, O., at 8 p. m., to discuss plans in detail for the coming Doljack Day that will take place in the immediate future. Tickets for the occasion will be distributed, and may be transferred for reserved seats. The public is invited to attend. Out-

BRIEFS

Chisholm (Minn.) Jubileers, No. 215, SSCU, hold first picnic June 14 at the junction of Glen Rd. with Highway 35 west of Chisholm. St. John the Baptist, No. 192, SSCU, holds a dance June 13 at P. Murphy's Hall, Gilbert, Minn.

Pennsylvania Federation of SSCU lodges holds its first picnic June 14 at Potochnik's farm, near Center, Pa.

Sckol organizations of Cleveland, Collinwood and Ljubljana (Euclid) will meet in a joint exhibition Sunday, June 14, given on the grounds surrounding the Home of Slovene Societies. Dancing will follow the exhibition.

Garfield Heights (O.) High School had an outstanding Slovene among its graduates in the person of Mr. Lawrence Suhadolnik, who has gained recognition for writing an original play, besides distinguishing himself in various school activities. He is the brother of Mr. Frank T. Suhadolnik, editor of the Cleveland Journal, a weekly newspaper for American Slovenes.

Four Slovenes have been chosen to take part in the Cleveland Press outdoor summer opera that will take place July 28-Aug. 3 in the new municipal stadium. They are the Misses Marie Mensinger and Molly Kozely, Mrs. Mary Potocnik and Mr. Joseph Mauer.

Fire destroyed approximately \$6,000,000 worth of art paintings in Munich, Bavaria, on June 7, when the old Crystal Palace, housing an exhibition of historic and contemporary art gathered from all sections of Germany, burned down.

A crude seismograph has been accidentally discovered in Bellaire, O., that detected earthquakes before college and government stations were aware of any such catastrophe. It is believed that a rock extending far into the earth shakes the house that contains a butcher's steel used for sharpening knives. This steel bangs against a heavy post in the concrete-floored cellar.

Detroit, Mich., will spend approximately \$17,000,000 for public relief when its fiscal year ends on June 30; unemployment crisis has been the direct cause for the huge expenditures.

Inter-Lodge League Schedule

Sunday, June 14, Gordon Park Collinwood Boosters vs. Loyalties, at 9 a. m.

Monday, June 15, White City S.Y.M.C. vs. Betsy Ross, at 6:30 p. m.

Wednesday, June 17, Gordon Park George Washington vs. Clairwoods, at 6:30 p. m.

off-town Slovenes are requested to notify the officers in charge or New Era office as to the number of seats wanted. Dr. Mally is chairman.

Has Business Leadership Fallen Down?

A large number of people have been raising the question during the last few months as to how competent our present business leadership is to carry on our industrial activities successfully. They overlook the excellent co-operation on the part of executives in maintaining wage scales, in spreading employment as equally as possible among all employees, and in providing work through stimulating building activities of all kinds. We do not doubt that the business leaders are as capable of operating our industrial system for the benefit of the great mass of people as they have been in the past.

The question arises as to whether the situation demands that more be done. Any order of society survives only by its ability to function successfully in providing a comfortable living for all those willing to work and do their share. Our present business system, organized on the basis of private freedom and individual initiative, must meet this same test.

Whatever far-reaching changes may be involved in making the industrial system function more smoothly, such as increasing the purchasing power for the masses in order to provide a market for the productive output, will certainly be made just as soon as our leaders see clearly their part and realize their responsibility. The broader questions of general policies and programs deserve special and serious consideration in the light of our experience during the past year, and in view of the present situation where we have apparently produced more than we sell at a profit.

The total annual income of the country is sufficient to maintain a good rate of business activity and to utilize a large proportion of our productive capacity. The important end to be worked toward is wide distribution of this income among the great mass of consumers, in order that all the products of industry may be sold.

F. J. Kress, Chairman, SSCU Athletic Board.

Illini Stars vs. Comrades June 14 at Cicero

Cicero, Ill.—What a game it will be when the Comrades play the Illini Stars June 14, at 25th and 56th Ave., Cicero, Ill. When the last inning is complete the score will remind one of a track meet, for that's what the Stars are planning as a welcome to the slugging Comrades. Just to make the game more interesting, our twirler has been instructed to ease down in the last few innings, so as to give the Comrades a break, for we are curious to see Bartel hit one of his much talked of triples.

Since the Comrades have won only one game to date, it will remain this way for a long while, as far as our part in the matter is concerned. Let's hope they don't get discouraged and break up the team after the lacing we are going to give them. Have patience, Comrades, 1932 is another year. You know, it took Connie Mack 15 years to build up a championship team, after breaking up in 1914. We will not give out any hope on our individual players, except that our pitcher, Mr. Macak, is a seasoned

A SLOVENE PIONEER

American youth reads with great interest the life history of some outstanding character that has overcome almost insurmountable obstacles, paved a way for future generations—in fact, a leader of men. We, the American Slovenes, hear and read very little of Slovene pioneers who labored under double pressure, that of interpreting American and Slovene ideas and amalgamating them into a fixed unit.

Such a person was Alexander Toman, who at the ripe age of 80 passed away on May 23, 1931, in Yugoslavia, after a prolonged illness. A graduate of "realka," equivalent to a technical high school, he specialized in agriculture and practiced his profession for some time. In 1875 he served in the army fighting the Turks with the father of the present king of Yugoslavia.

Evidently Alexander Toman sought new worlds to conquer, for when the war ended he migrated to America. Here he distinguished himself as a journalist, writing for Glas Naroda and Amerikanski Slovenec, and at the same time contributed articles to Slovenski Narod in Ljubljana. At this point his fertile and initiative mind began to manifest itself, and found him an active organizer of Slovene fraternal benefit organizations. Some of the ideas connected directly with the fraternal work were made evident in Glas Svobode, a newspaper that he founded in Pueblo, in Texas. Toman was successful in organizing a Slovene colony that was of a short duration.

When his work in the States was assuming fair proportions an unfortunate incident caused Alexander Toman to lose all his holdings. This caused his return to Europe, where he sojourned in England, only to return back to the States. The year 1910 found him back in his native country. A pension of 1,100 dinars per month was granted him by the government of Yugoslavia for his active participation to make it a free country. A burial, significant of national heroes, was accorded him.

"Oh, Major Scotten, couldn't you possibly have rescued your poor friend who was captured by cannibals?" "Unfortunately, when I arrived he had already been scratched off the menu!"

performer.

A request has been sent to Waukegan to change the time of the game from 2:30 p. m. to 11 a. m. See you all at the big game.

We will use the old army game. The umpire has been bribed, so there is little chance of Comrades taking home the bacon.

The playground team has continued its winning streak by annexing two more victories at the expense of Cicero Sokols, score being 8 to 6, and the Elk-horns, score being 10 to 1. John Zvezich, pitching in the first game, fumbled a pop fly with three men on base and two out; this started the rally that netted the opponents four runs. Wistain was the big star in the other game with five hits, a circuit smash, a three-bagger and three singles.

INDIANS NOTICE

We would like to play the Indians Lodge, No. 220, SSCU, playground ball team. Call Cicero 2322J.

Potem je bilo zdravljenje po Copichevem navodilu ustavljeno in njemu je bilo prepovedano vsako razpečevanje zdravljen. Nato se je vzbudilo zanimanje za Copichevo sredstvo proti jetiki po raznih bolnicah v stari Italiji in sedaj poročajo iz Bolonje, da se Copichev način zdravljenja jetike vedno bolj širi po mestih in da so uspehi izvrstni.

Ljubljana ima 80.000 prebivalcev. Agencija Avala je izdala začasno poročilo o popisu prebivalstva v Ljubljani. Poročilo poudarja na eni strani, da se je vršil popis ravno v času, ko so bili zaradi velikonočnih praznikov odsotni dijaki in učenci, na drugi strani pa je znano dejstvo, da gredo občinske meje ponekod skoro sredi mesta in se zaradi tega občinsko ozemlje že davno ne krije več s policijskim rajonom, ki obsega vse mesto, ne glede na občinske meje. V tem policijskem rajonu, ki obsega poleg Ljubljane v ožjem smislu tudi Zgornjo Šiško, Moste in Vič z Rožno dolino, stanuje danes okrog 80.000 ljudi. Na Ljubljano v današnjih občinskih mejah odpade od tega 59.768 oseb, 28.466 moških in 21.303 ženskih. Jugoslovenskih državljanov je 57.432, jugoslovenske narodnosti pa 58.138 oseb. Nemško narodnost 747 oseb, nemški materinski jezik pa 1467 oseb.

Dvanajst Črnogorcev je šlo v Fordove tovarne. Na priporočilo barskega nadškofa dr. Dobrecića, ki je prijatelj Henrika Forda, je odšlo te dni v Ameriko 12 črnogorskih mladeničev, katere bo Ford sprejel v svoje tovarne. Ford je nadškofu obljubil, da bo tri leta sprejemal po 12 mladeničev iz Črne gore v svoje tovarne in jih bo izučil v raznih obrtih.

Umrli je Aleksander Toman, vodnik bosanskih vstavev, novinar, organizator, nezlomljiv borec za jugoslovansko svobodo. Dne 14. maja je rešila smrt vseh skrbi in trpljenja velikega rodoljuba, ki je bil slabo plačan za svoje požrtvovalno narodno delo. Aleksandra Toman ni več med živimi. Po daljši bolezni je umrl v mestnem zavetišču v Japljevi ulici.

Letos 24. februarja je preteklo 80 let, kar se je rodil premožni Tomanovi rodbini v Kamni gorici, ki je dala narodu tudi velikega rodoljuba Lovra, sin Aleksandra. Dovišil je najprej doma ljudsko šolo, potem je v Ljubljani študiral realko, po maturi je pa odšel na poljedelsko akademijo v madžarskem Starem gradu. Kot mlad agronom je praktical v Slavoniji, kjer se je seznanil s trpljenjem bedne raje v turški Bosni. Ko je leta 1875. izbruhnila vstaja in je princ Peter Karađorđević-Mrkonić zbiral prostovoljce, se je septembra spoznal z njim v gozdovih pri Jamnici na avstrijski vojni meji tudi Aleksander in vstopil med njegove četnike. Princ mu je poveril poveljstvo nad četo 120 mož ter se v času, ko ni bilo bojev, mnogo z njim sestajal in pogovarjal o svobodi in združitvi vseh Jugoslovenov. Princ Peter in Aleksander Toman sta četovala skupaj skoro leto dni do izbruha vojne med Srbijo in Turčijo.

Po okupaciji Bosne in Hercegovine borcu za svobodo te dežele, Tomanu, ni bilo več obzanka v domovini ter se je preselil leta 1883. v Severno Ameriko. V New Yorku je postal novinar, stalni sotrudnik "Glasa Naroda" in "Amerikanskega Slovenca" ter dopisnik raznih listov. Dopisoval je tudi "Slovenskemu Narodu" v Ljubljani. V Ameriki se je aginil Toman udeleževal tudi v družabnem življenju in je mnogo koristil raznim slovenskim organizaci-

jam. Ustanovil je tudi slovensko kolonijo v Texasu. Podjetje v Texasu pa ni imelo sreče in ko je postalo žrtev neke finančne krize, je tudi Toman izgubil vse svoje prihranke. Ker je imel zveze z raznimi angleškimi listi, je odpotoval v Anglijo, kjer je ostal nekaj let. Pozneje se je vrnil zopet v Ameriko, kjer je ostal do leta 1910.

Vrnivši se v domovino, se je udeleževal pri Kmetijski družbi v Ljubljani in zlasti propagiral čebelarstvo. Ob izbruhu svetovne vojne se je podivjala soldateska spomnila tudi jugoslovenskega borca in idealista Toman ter ga zaprla. Vlačili so ga po raznih ječah in je mož mnogo prestal. Samo v garnizijskem zaporu v Mariboru je bil šest mesecev. Iz te dobe trpljenja so v ljubljanskem mestnem arhivu shranjene številne slike iz življenja interniranca na Gradu. Shranil jih je Toman, ki ni bil samo dober novinar, temveč tudi spreten risar. Po prevratu je Toman nastopil službo pri Aloma Company v Ljubljani kot angleški korespondent, pa je zmanjkalo dela. Narodna skupščina je starega borca za svobodo pripoznala leta 1925. za narodnega delavca in mu prisodila 1.100 dinarjev mesečne pokojnine. S tem pišlim dohodkom je Toman dolgo živel po raznih stanovanjih, končno je dobil s svojo soprogo streho v mestnem zavetišču v Japljevi ulici.

Na odru v mrtvašnici hiralnice na Vidovdanski cesti je ležal 14. maja požrtvovalni narodni borec, ki je zapustil staro, onemoglo vdovo. Mestna občina ljubljanska je sklenila, da je bil pokopan na občinske stroške, dasi je pristojen v Kamno gorico. Pri pogrebu je prijatelj in soborcu kralja Petra izkazala zadnjo čast tudi jugoslovanska vojska.

Aleksander Toman je svetel in časten zgled jugoslovenskega nacionalnega revolucionarja, kateremu je ideja vse in ki nikdar ne misli, da bi se z njo kakorkoli osebno okoristil. Za idejo je vse žrtvoval.

Zvestemu narodnemu borcu in delavcu bo v jugoslovanski narodni zgodovini ohranjen časten spomin!

Dne 16. maja se je vršila v društvenih prostorih Francoskega instituta v Ljubljani proslava 10-letnice, odkar predseduje društvu naš veliki pesnik in pobornik slovensko - francoskega kulturnega zblizanja g. Oton Župančič. Ob tej priliki je bila poklonjena g. predsedniku njemu in njegovim delom posvečena knjiga, ki jo je napisal bivši lektor francoskega jezika na ljubljanski univerzi g. Louis Tesnere.

V dvorani instituta so se zbrali k slovesnosti zastopniki skoro vseh znanstvenih in kulturnih ustanov. Prisoten je bil francoski konzul Neuville, dekan filozofske fakultete g. dr. Kelemina, univerzitetni profesor dr. Zupančič, ravnatelj drame g. Golia, profesor g. Vey, dr. Windischer, dr. Zarnik i dr. V lepem pozdravnem govoru je očrtal profesor Vey Zupančičeve zasluge za razvoj Francoskega instituta in je omenil, da je Tesnierovo delo še vedno nedostojno priznanje za njegove zasluge v francosko - slovenskem zblizanju. Imelo pa bo ta uspeh, da bo Francoze seznanil z deli našega velikega pesnika in pisatelja.

Za g. Veyem je povzel besedo dekan filozofske fakultete, dr. Kelemina, ki se je tudi v toplih besedah zahvalil Zupančiču za njegovo vztrajno sodelovanje. G. Zupančič se je s toplimi besedami zahvalil za iskrene čestitke, na kar mu je bila izročena krasna, v luksuzno usnje vezana knjiga, ki jo je profesor Tesnere poklonil njegovemu duhu.

Ta dni je slučajno našla lastnica Šmigovčeve gostilne pri Anskem dvoru poleg hriba sv. Jožefa pri Celju sredi od dežja

izprane ceste pred domačo hišo glinast lonec v obliki manjše cerkvene puščice z zarezo na pokrovu. Ko je lonec izkopala in razbila, so se vsuli iz njega majhni starinski novčiči, o katerih je bila najdelitica prepričana, da so iz bakra ali slične manjvredne kovine.

Neki strokovnjak, ki pa je prišel slučajno tudi do nekatereh novcev, pa je ugotovil, da so to stari turški zlatniki. Baje je bilo v loncu okrog 1000 novcev, vendar jih je pa lastnica obdržala le kakih 250 komadov. Zanimivo bi bilo ugotoviti, iz katere dobe izvirajo ti zlatniki.

DOPISI.

(Nadaljevanje iz 5. strani)

sv. Barbare, št. 33 JSKJ, opozarjam, da je bilo sklenjeno na glavni seji meseca decembra, da vsaki enakopravni član ali članica plača en dolar, neenakopravni člani in članice pa 25 centov naklade za pokritje rednih društvenih stroškov. Ta društvena naklada se bo pobirala v mesecu juniju in juliju. Vsi člani so prošeni, da to vpoštevajo. Prosim tudi člane, da so kolikor mogoče točni s plačevanjem asesmenta, ker tajniku je težko zakladati v teh slabih časih. — Z bratskim pozdravom,

Frank Schiffrar,
tajnik društva št. 33 JSKJ.

Joliet, Ill.

Tem potom naj bo v imenu društva sv. Petra in Pavla, št. 66 JSKJ, izrečena zahvala vsem tistim, ki so se udeležili društvene veselice 23. maja. S tem so pokazali, da so prijatelji društva in da jim je za napredok istega. Hvala vsem tistim, ki so pomagali in delali na veselici, da je bilo vse v lepem redu izvršeno. Hvala gre tudi tistim, kateri se niso udeležili veselice, pa so prispevali v dolarjih. Med temi so tudi taki, ki niso člani društva, pa so prijatelji istega in ga po svojih močeh podpirajo. Take bi si nekateri društveni člani lahko za vzgled vzeli. So člani pri društvu, ki imajo korist od društva, kadar je pa čas, da bi sami kaj pomagali, jih pa društvo zanima ko deveta španska vas. Kadar pa sami kaj potrebujejo od društva, so pa med prvimi.

Zdaj pa še par besed glede plačevanja asesmenta. Pohvale so vredni tisti člani, ki se ravna po pravilih in redno vsak mesec plačujejo asesmente zase in za svoje večkrat velike družine. So pa zopet drugi, ki kršijo pravila in izkoriščajo društvo v svoje slabe namene. Zaostanejo z asesmentom več mesecev, ko se pa nabere večja svota, pa član pusti društvo in dolg pri društvu, dasi je preje obljubil, da bo plačal. Lepo, moško in pošteno tako postopanje ni. Lani je naše društvo na ta način izgubilo znatno svoto denarja. Kdor misli pustiti društvo, naj se pokaže možaka, naj plača mesečne prispevke za dotični mesec, nakar naj pove, da ne misli več plačati, in tako bo častno odstopil, ohranil si bo dobro in pošteno ime in društvo ne bo oškodovano.

Končno naj še tem potom obvestim vse tiste člane, ki niso bili na zadnji seji, da je bilo sklenjeno, da se v nedeljo 14. junija z drugimi društvi vred udeležimo velike parade. Ob devetih zjutraj se zberemo v navadnih društvenih prostorih. — Z bratskim pozdravom,

Frank Pirc, tajnik.

Sharon, Pa.

Tem potom pozivljam člane društva "Sloga," št. 174 JSKJ, da se polnoštevilno udeležijo prihodnje seje, ki se bo vršila 21. junija ob dveh popoldne. Na dnevnem redu omenjene seje bo, da se ukrene vse potrebne za proslavo društvene 5-letnice, ki se bo vršila 13. avgusta. Tak je bil zaključek zadnjič, kateremu pa ni po volji, naj pride na sejo in pove tako. Vpoštevajo bomo večino, ako manjšina ne bo zadovoljna, naj se

pritoži bogovom, meni se ni treba, ker jaz se bom moral pokoriti zaključkom seje, kot vsi drugi.

Vse oddaljene člane prosim, da pravočasno pošljajo svoje asesmente, tako, da jih dobim vsaj do 24. vsaki mesec. Kdor ne bo poslal in se ne javil, bo suspendiran. Dalje prosim članstvo in uradnike drugih bratskih društev, naj se ne trudijo s pošiljanjem raznih srečk, vstopnic in drugih takih reči našemu društvu. Tukaj so slabe razmere in ljudje komaj zaslužijo za kruh in zložijo skupaj za društveni asesment. Take ropotije se na seji našega društva ne more prodati, ker ni denarja. Blagajna je pa tudi prazna. Tukaj so slabe razmere že nad dve leti in gre še vedno na slabše. Taka je tukaj Hooverjeva prosperiteta. — Pozdrav!

F. Kramar.

Članstvo društva sv. Ime Jezusa, št. 25 JSKJ, opozarjam, da se bodo društvene seje tekom poletja vršile vsako četrto nedeljo v mesecu DOPOLDNE po prvi maši. Prihodnja seja se bo torej že vršila popoldne, 28. junija.

Dalje opozarjam tiste člane, ki niso točni s plačevanjem svojih asesmentov, da so v bodoče točnejši. Vsak pristopi k društvu z namenom, da se zavaruje za slučaj bolezni in smrti. Toda, kdor ne bo redno plačeval svojih prispevkov, ne bo mogel nič zahtevati, če se mu kaj pripeti. Naj nihče ne misli, da se bo zanj zakladalo iz društvene blagajne. Kaj ko bi se vsak član društva št. 25 JSKJ zanašal na to? Kje naj bi vzel \$600, da bi jih poslal na glavni urad Jednote? Torej, bratje in sestre, držite se reda in plačujte točno vsak mesec. Kdor ne bo pravočasno plačal in mi tudi ne naznanil važnega razloga zato, bo suspendiran. Prosim člane, da pogledajo pravila na strani 45, člen 11. Tam bodo videli kaj se zahteva glede asesmenta in bolniške podpore.

Tem potom odkrito povem, da se bom v bodoče ravnal strogo po pravilih. Kdor ne bo plačal do zahtevanega časa, bo suspendiran. To pomeni, da če v času suspendacije zbolijo, ne dobi nobene podpore. Kdor iz kakšnega važnega vzroka ne more plačati, naj se zgasi pri meni, da bom vedel. Prosim, da vsi člani vpoštevajo ta navodila in naznanila. — Z bratskim pozdravom,

John Nemgar, tajnik.

Braddock, Pa.

Članstvu društva sv. Alojzija, št. 31 JSKJ, naznanjam, da smo izgubili iz naših vrst sestro Ano Suša. Preminila je dne 7. maja po enodnevni bolezni. Naj bo sorodnikom tem potom izrečeno iskreno sožalje.

Za mesec junij imamo 15 centov društvene naklade za dotični mesec, nakar naj pove, da ne misli več plačati, in tako bo častno odstopil, ohranil si bo dobro in pošteno ime in društvo ne bo oškodovano.

Končno naj še tem potom obvestim vse tiste člane, ki niso bili na zadnji seji, da je bilo sklenjeno, da se v nedeljo 14. junija z drugimi društvi vred udeležimo velike parade. Ob devetih zjutraj se zberemo v navadnih društvenih prostorih. — Z bratskim pozdravom,

Anton Rednak, tajnik.

Chisholm, Minn.

Tem potom pozivljam člane društva sv. Jožefa, št. 30 JSKJ, da se polnoštevilno udeležijo prihodnje mesečne seje, ki se bo vršila 21. junija ob DESETI uri DOPOLDNE v običajnem prostoru. Izpremenjen čas za sejo velja za mesec junij, julij, avgust in september. Člani naj torej izvolijo to vpoštevati. (Vse, kar se tiče aktivnosti 7. junija, je izpuščeno, ker ne bi

imelo več pomena. Za zadnjo izdajo je došel Vaš dopis v uredništvo prepozno, namreč v sredo 3. junija popoldne, ko se je list že tiskal. Toliko Vam v obvestilo. — Uredništvo.)

Z bratskim pozdravom,
John Lamuth,
tajnik društva št. 30 JSKJ.

Chicago, Ill.

Članicam društva "Zvezda," št. 170 JSKJ, naznanjam tem potom, da se vrši naša prihodnja seja v sredo 17. junija zvečer v navadnih prostorih. Vse članice so vabljene, da se seje gotovo udeležijo, ker seje so tem bolj zanimive, čim več članic je navzočih. Priporočam tudi, da sestre nekoliko poagitrirajo med svojimi prijateljicami in privedejo kaj novih kandidatkin za našo prihodnjo sejo. Posebno pa še apeliramo na članice, da vpišejo svoje otroke v naš mladinski oddelak, ako še niso tega storile. Članarina je tako majhna, da to ne more tvoriti nikakega izgovora. Na svidenje na seji 17. junija! — S sestrskim pozdravom,

Meadow Lands, Pa.

Vsem članom društva sv. Janeza Krstnika, št. 75 JSKJ, v Meadow Lands, Pa., naznanjam tem potom, da se bo na prihodnji seji dne 21. junija pobirala društvena naklada, in sicer po 50 centov od članov in po 25 centov od članice. Dalje opozarjam vse one člane, ki pravočasno ne plačujejo mesečnega asesmenta, da vsak, kdor ne bo plačal asesmenta do 25. dne v mesecu, bo od sedaj naprej po pravilih suspendiran. Izvzeti pri tem bodo le oni člani, ki bodo na seji naznanili vzrok, zakaj ne morejo o pravega časa plačati asesmenta, in pa oddaljeni člani, ki pismenim potom to naznanijo. In to ne koncem meseca, ampak pred društveno sejo!

Z bratskim pozdravom,
Joseph Markely, tajnik.

Finleyville, Pa.

Članom in članicam društva sv. Franciška, št. 148 JSKJ, naznanjam, da je bilo na redni seji 10. maja sklenjeno, da v mesecu juniju vsak član in članica plača po 50 centov v društveno blagajno. Ob enem pozivam vse člane in članice našega društva, da se gotovo udeležijo naše prihodnje seje, ki se bo vršila 14. junija, ker bo imeli več važnih zadev za rešiti. — Z bratskim pozdravom,

Anton Mikec, tajnik.

Aurora, Ill.

Članstvu društva sv. Jerneja, št. 81 JSKJ, sporočam tem potom sklep zadnje društvene seje, ki določa izpremembo časa mesečnih sej za poletne mesece. V poletnih mesecih se naše seje ne bodo vršile ob nedeljah popoldne, ampak vsak TRETJI ČETRTEK v mesecu ob osmih zvečer. Prihodnja redna seja našega društva se bo torej vršila v četrtek 18. junija ob osmih zvečer v navadnih prostorih. Apeliram na vse člane našega društva, da se gotovo udeležijo prihodnje seje, pa ne samo prihodnje, ampak vsake bodoče seje, da bo tako mogoče čim uspešneje reševati zadeve, ki prihajajo na dnevni red naših sej.

Z bratskim pozdravom,
Anton Verbie, tajnik.

Euclid, O.

Vse člane in članice društva Napredek, št. 132 JSKJ pozivljam, da se udeležijo prihodnje seje, ki se bo vršila 14. junija ob deveti uri popoldne. Na omenjeni seji bomo imeli neko važno zadevo za rešiti. Dalje opozarjam člane in članice, da ta mesec plačajo svoje asesmente najkasneje do 24. v mesecu, da mi bo mogoče zaklju-

čiti šestmesečne račune. Nihče naj s tem ne odlašajo do 26. ali 27. Ako bo z asesmentom prepozen in zaradi tega suspendiran, ne bo kriv tajnik, ampak dotični član sam. — K sklepu še enkrat: pridite na sejo 14. junija polnoštevilno!

Frank Bajt, tajnik.

Barberton, O.

Dne 6. junija je bil pokopan iz tukajšne cerkve na Holy Cross pokopališče v Akron, O., Victor Mramor, star 24 let. Pokojni je bil samski iz družine John Mramor v Davis, W. Va. Vzrok smrti je bilo pobilje v premogorovu v Flint, W. Va. Pred nekaj več kot petimi leti je ubilo v tovarni B. & W. v našem mestu brata pokojnega, kateri je bil star nekaj čez 20 let. Pokojni Victor je spadal k društvu sv. Janeza Krstnika, št. 37 JSKJ v Clevelandu. Naše društvo sv. Martina, št. 44 JSKJ mu je priredilo pogreb in ga sprejelo na njegovi zadnji poti. Pogreba se je udeležilo tudi več članov od društva sv. Janeza Krstnika, št. 106 JSKJ iz Davis, W. Va. Naše društvo izreka tem potom sožalje nesrečni družini John Mramor.
