

A RABBIT ON A MOTORBIKE

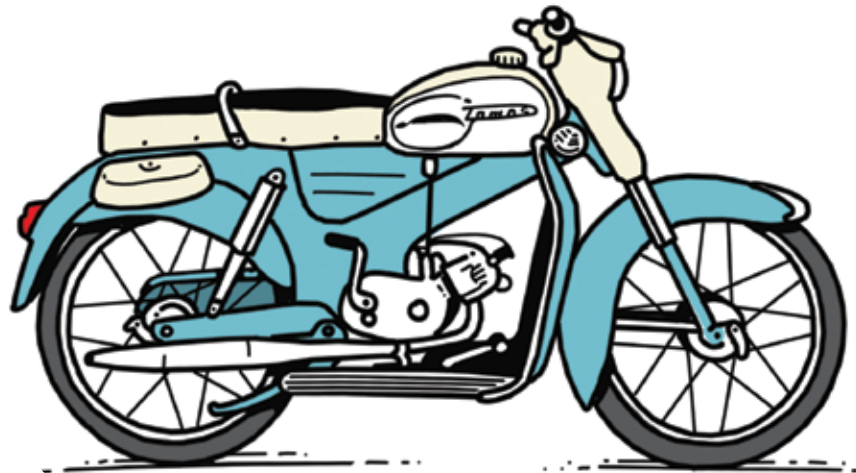

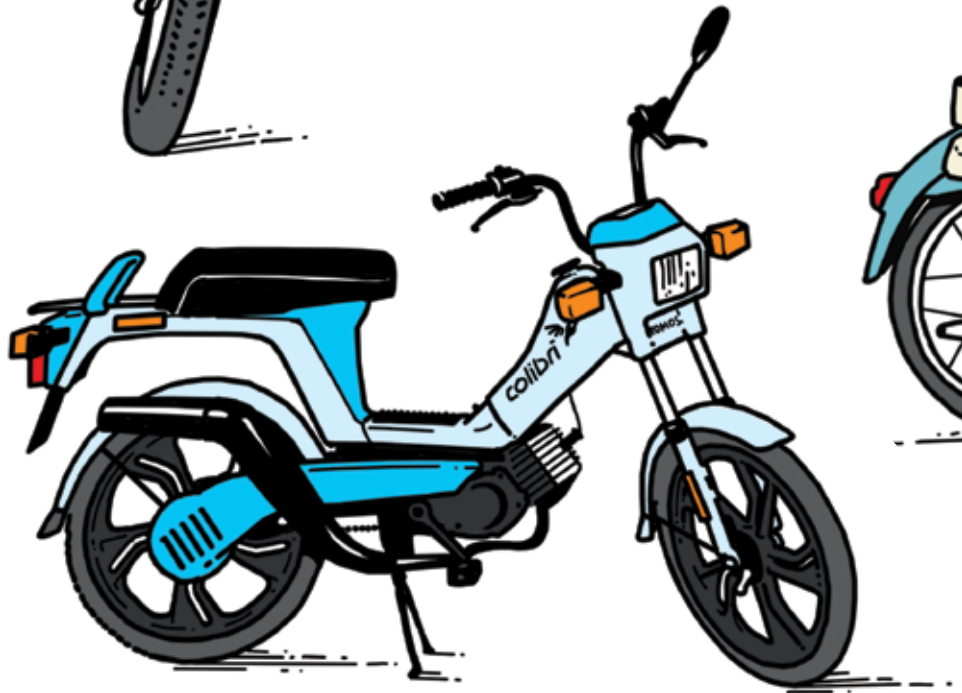

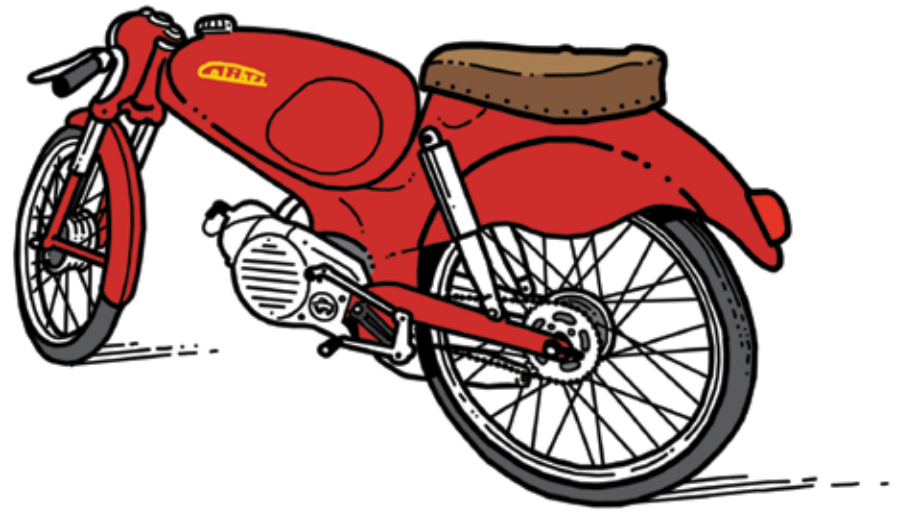

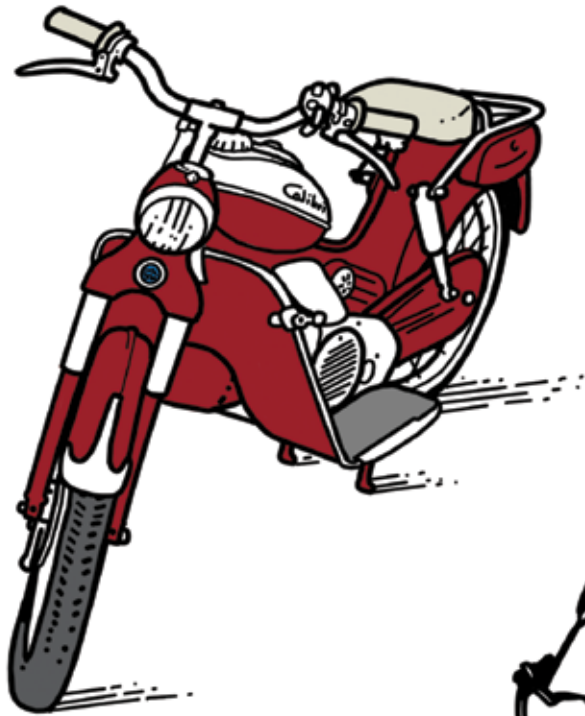

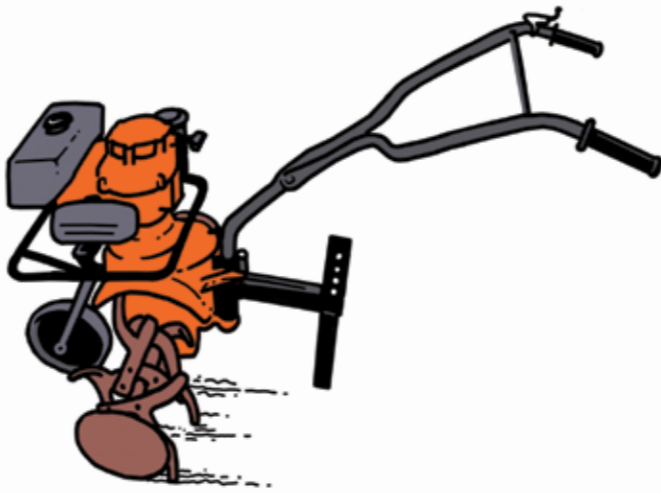

A RABBIT RIDING
A MOTORBIKE?!

THAT'S RIGHT.
HE ISN'T ACTUALLY RIDING
THE MOTORBIKE OF COURSE,
BUT HE DID FIND HIS PLACE
ON THE TOMOS FACTORY BADGE!

TOMOS WAS THE ONLY SLOVENIAN
MANUFACTURER OF MOTORBIKES
AND SCOOTERS.

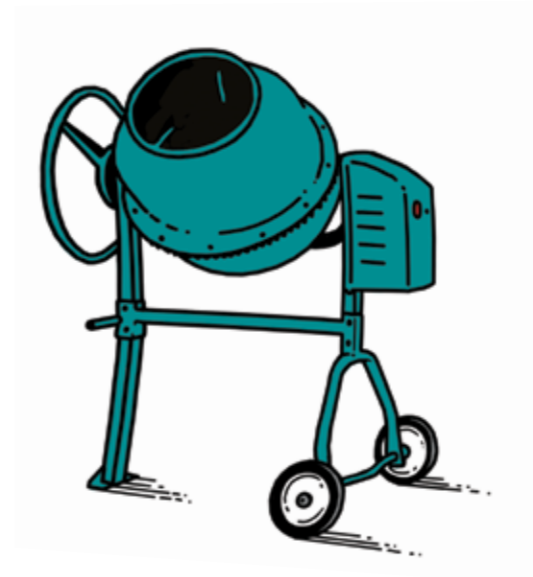

ROTARY CULTIVATOR

SKI LIFT

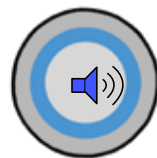

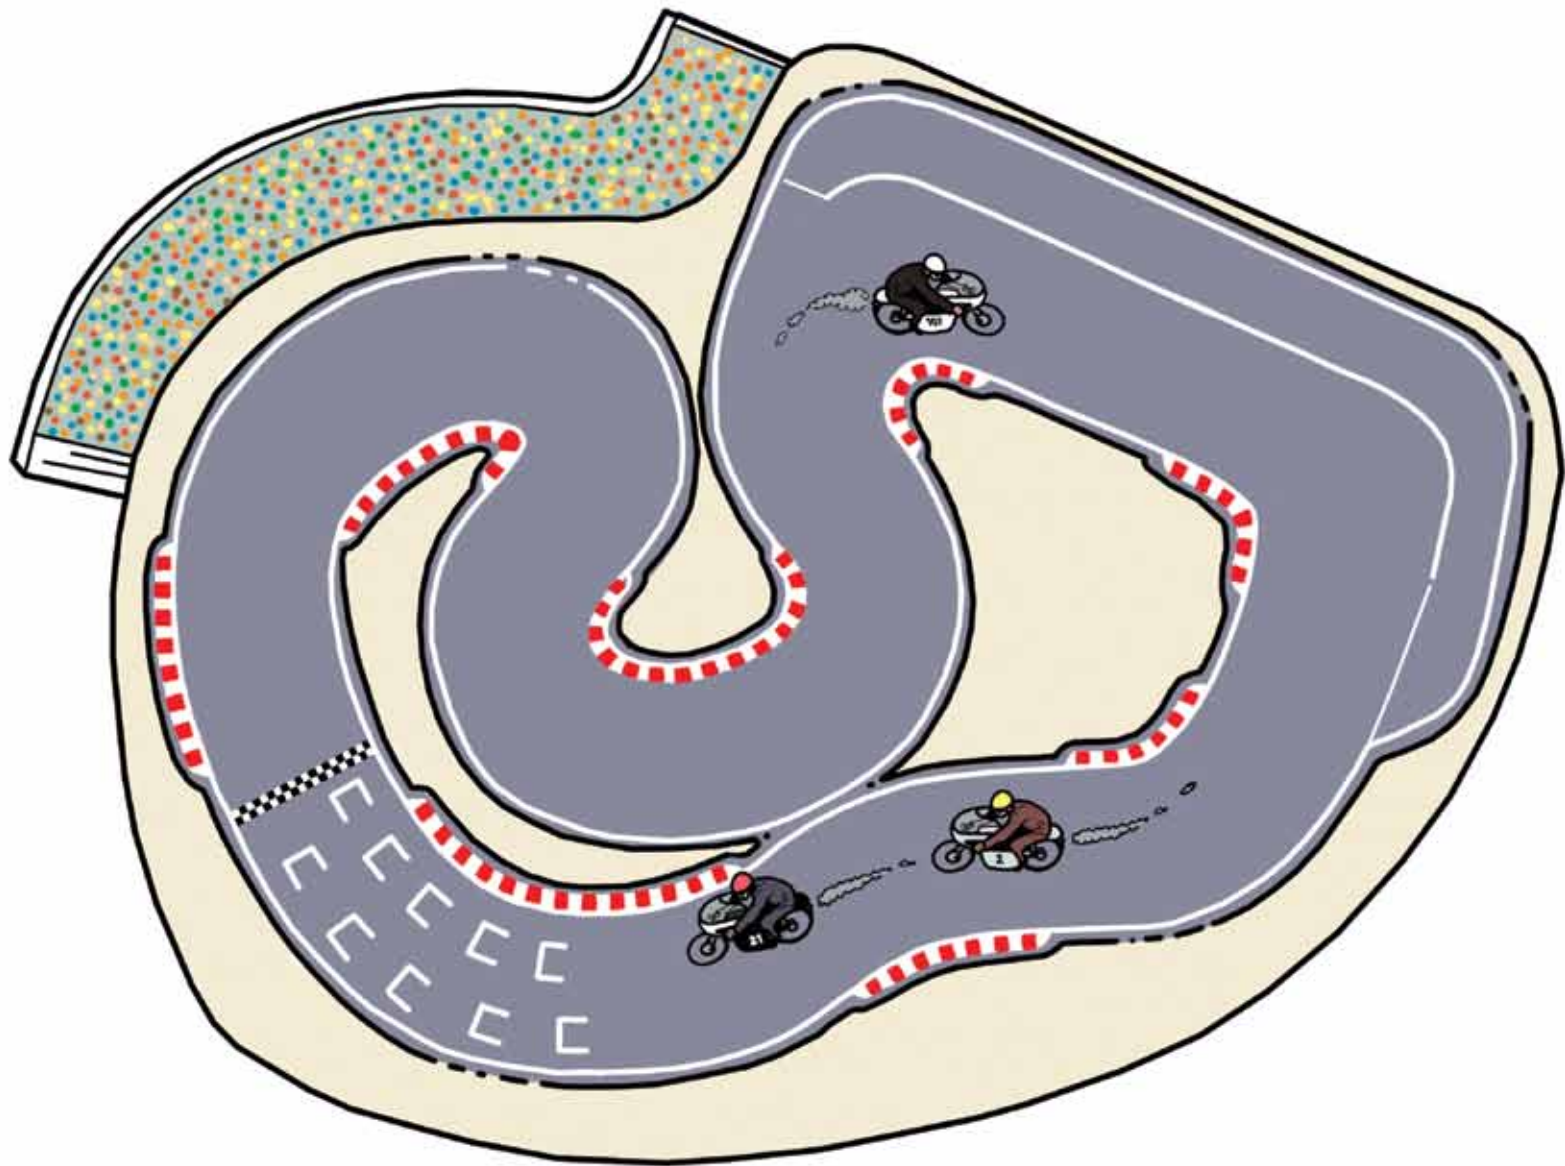

OUTBOARD
MOTOR

CONCRETE
MIXER

THEY ALSO PRODUCED ENGINES TO DRIVE MACHINERY
AND MANY OTHER DIFFERENT DEVICES.
YOU CAN SEE SOME OF THEM IN THE PICTURES.

HOWEVER THEIR PRIDE AND JOY
WERE THEIR RACING MOTORBIKES.
DO YOU WANT TO HEAR THEM ROAR?

YOU CAN FIND RACING MOTORBIKES
IN THE TOMOS COLLECTION
OF THE TECHNICAL MUSEUM OF SLOVENIA.

LET THE WORK BE HEARD

A RABBIT ON A MOTORBIKE
