## ZLA TO JUBILEJNA KAMPA NJA

### NAPREJ ZA DOSEGO ZMAGE!

Dva meseca kampanjske dobe je minulo. Še dva meseca in kampanja bo zaključena.

Ko je bila določena sedanja kampanja, je bil naš cilj in namen v tej kampanji vpisati NAJMANJ EN MILIJON ZA VAROVALNINE.

Dva meseca je že poteklo, odkar je bila kampanja razpisana in skupna vsota do sedaj vpisane zavarovalnine znaša samo \$312,500.

Vprašanje sedaj nastane, bomo li dosegli zaželeni cilj—en milijon zavarovalnine?

Odgovor na to vprašanje je dvojevrstni in sicer:

1) Ako bo od sedaj naprej za kampanjo večjega zanimanja, kot se je pokazalo tekom minulih dveh mesecev, potem je naprej lahko rečemo, da zaželenega cilja ne bomo dosegli.

2) V teknu dveh mesecev se da še veliko napraviti in naš cilj lahko dosežemo, če gremo VSI na delo in storimo, kar smo storiti dolžni.

Bratje in sestre! Naša sedanja kampanja je nekaj posebnega, nekaj izvanrednega. Saj ime ZLA TO JUBILEJNA KAMPA NJA nam kaže, da je kampanja razpisana v pravljicah Jednotne 50-letnice. Bo li častno za Jednoto, če ne dosežemo zaželenega cilja—en milijon zavarovalnine?

Dolžnost vsakega posameznega člana in članice Jednote je, da v tem pomembnem in zgodovinskim času stori svojo dolžnost; da v tem velepomembnem momentu pokaže resnično in pravo zanimanje za Jednoto s tem, da pridno za Jednoto agitira in pridobiva novo članstvo.

Ustanovitelji in naši predniki so bili delavnici in so za Jednoto delali in marsikaj žrtvovali. Posnemajmo njih zgled, bomo delavnici in žrtvujmo tudi mi nekoliko časa za povzgo in napredok K. S. K. Jednote. Če bomo to storili, bo naš cilj dosežen.

Castno mesto še vedno zavzemajo Mrs. Mary Petrich, Joseph Ferra in John Boles.

JOSIP ZALAR, glavni tajnik.

### Mornariški tajnik Knox umrl

Washington, 28. apr.—Danes je umrl mornariški tajnik Frank Knox v starosti 70 let, zader od srčne kapi. Bolan je bil samo šest dni.

To je bila prva smrt v Rooseveltovem kabinetu od leta 1939, ko je umrl Claude Swanson, tudi mornariški tajnik. Poslanska in senatna zbornica sta tako, ko sta sprejeli vest o smrti Knox-a, prekinili zborovanje iz spoštovanja do umrelga.

Knox je bil vse svoje življenje republikanec in leta 1936 je bil podpredsedniški kandidat republikanske stranke. Toda Roosevelt ga je poklical v svoj kabinet, ker je v svojem časopisu, Chicago Daily News, venomer priporočal, da se pripravi za vojno, ki je neizogibna.

Pokopal ga bodo v pondeljek popoldne ob dveh na Arlington pokopališču z vsemi vojaškimi častmi.

V kabinet kot tajnik mornarice ga je poklical predsednik Roosevelt 11. julija, 1940. To je bilo takrat, ko se je zrušila Francija. Istočasno je poklical Mr. Roosevelt v kabinet kot vojnega tajnika Henrya Stimsona, tudi republikanca. Obsta bila prej največja kritika Rooseveltove administracije. To potezo je torej predsednik zamašil usta dvema mogočima sovražnikoma.

Knox je bil z Teodorjem Rooseveltom na Kubi, kjer je ameriška armada zadušila leta 1888 revolucijo. Tekom prve svetovne vojne je služil v Franciji pri ameriškem topništvu in dosegel čin polkovnika. Njegovo pravo ime je bilo William Franklin Knox, toda je vedno rabil krajevno ime—Frank Knox.

PRAZNOVANJE 50.  
OBLETNICE KSKJ  
NEW YORKU

Newyorški "Glas Naroda" z dne 27. aprila je o tej pravili pribesel nastopno poročilo:

Združena društva velikega New Yorka so obhajala zlati jubilej KSKJ in sicer društvo sv. Jožeta, društvo sv. Ane, društvo Marije Pomagaj in društvo Vitez Presvete Trojice. Vsa slovesnost se je vršila v nedeljo, 23. aprila in sicer v slovenski cerkvi na Osmi, s slovesno sv. mašo. Dasi je bilo zelo slabo vreme, vendar so se člani in članice udeležili polnoštivilno, kakor je pač bilo ob tako deževnem vremenu mogoče.

Naj dobim malo prostora, da opisem celo slavnost. Tako nekako je bilo:

Točno ob 10. uri dopoldne so korakala društva iz dvorane v cerkev in ko so prinesli zastave v cerkev, so zabucale orgle mogočno koračnico. Člani društva so šli v povorki po starosti društva, in napolnili vso cerkev, poleg vernerikov, ki ne spadajo k Jednoti. Sledila je sv. maša z leviti, katero je opravil naš župnik Rev. Pius Petric, ob asistenci Rev. Joseph Čagrama kot dijakon, in Very Rev. Benedict Hoge, provincialni komisar v Lemontu, Ill., kot subdijakon in častiti brat Anton Šega, kot ceremonijar. Pridigal je doma gospod župnik.

Sv. maša je bila pred izpostavljenjem Presvetim Rešnjem Telesom in po sv. maši je bil blagoslov z NNajsvetejšim.

Ko so se društva zbirala v cerkvi, so orgle pod spretimi prstji Mr. Hudeta potezljale mogočne glasove; ko je pristopila duhovščina, so pele orgle komač slično, pri sv. maši so pa združeni pevski zbori, Cerkveni pevski zbor in pa nekateri člani moškega p e v s k e g a društva "Slovan" proizvajali najlepše pesmi, kakor na primer pri vstopu: "Povsod Boga," "Regina coeli" in druge. Po blagoslovu je zbor še zapel "Hvala večnemu Bogu" in tako se je končala vsa slovesnost v cerkvi.

Slišal sem opazko, da združeni zbori se niso tako potrudili pri nobeni slovesnosti, kakor pretečeno nedeljo, kar pa je, ne samo verjetno, ampak tudi resnično, saj jih včasih poslušam. No, le tako naprej, dokler se sliši naša pesem, bodisi v družbi ali v cerkvi, je vedno ista; lepa in neprekosljiva! Jaz pravim, slovenska pesem je najlepša, bodisi v velikem New Yorku ali pa v afriških džunglih.

Slišal sem tudi, da so obljubili naš gospod župnik, da bodo letosne šmarnice vsaki večer in sicer za srečno vrnite domov naših slovenskih fanov vojakov. Lepo je to, upajmo, da se bodo udeležili teh majniških pobožnosti vsi, ki imajo člane družine pri vojakih, da se nepoškodovani vrnejo na svoje domove.

Dne 7. maja bomo pa spet imeli slovesnost. Društvo Mari-

je Pomagaj, št. 184 KSKJ bo imelo svojo 20-letnico obstoja, pa se bomo zopet videli, kako se bodo naše Maričke in Micke postavile. Seveda tisti dan popoldne bomo imeli tudi lepo slovesnost, kronanje Kraljice Majice, ki jo bo izvršila naša cerkvena pevka Miss Mary Schuster in to bo ob 3. uri popoldne. Vsaj tako sem zvedel. Bomo zopet nekaj zelo lepega videli, kajti kronanje se bo vršilo v polnem svatovskem oblačilu. Ne zamudite te prilike!

stopita na delo za dobro stvar, potem je uspeh zagotovljen. Davoro pobirajo vse zastopniki društva. Na knjižice na te veselici, se bosta oddala dva vojna bonda po \$25.00. Vsi rojaki ste prošeni, da darujete kolikor vam je največ mogoče. Mi še vedno ne čutimo pomanjkanja, in imamo vsega dovolj. Dajmo da dobijo saj drobtine iz naših miz ti režezi, kateri umirajo gladu. Ravn v času ko se bo vršila naša veselica, bo v Jugoslaviji največ pomanjkanja in trpljenja. Ne zapustimo rojakov, kateri bodo ški skozi največjo krizo, kar je še kedaj doživel slovenski narod. Odprite srce, odprite ruke, otirajte vašemu narodu solze!

**TEDEN FRATERNALIZMA**

V nobeni drugi deželi na svetu ni fraternalizem tako razširjen med ljudstvom kakor v naših Združenih državah. Nikjer drugje ne najete toliko bratskih podpornih organizacij, kakor baš tukaj; v tem oziru prednjači Amerika vsem drugim svetovnim delom.

Zgodovina nam kaže, da je bil ustanovitelj prve bratske podporne organizacije v Ameriki John Jordan Upchurch, ki je ustanovil v Meadville, Pa., dne 27. oktobra, leta 1868 takozvani "Jefferson Lodge, št. 1, Ancient Order of United Workers." To organizacijo se je pričel sistem fraternalizma, ki šteje danes nad tristec raznih bratskih podpornih organizacij. K tem raznim Zvezam in Jednotam, ki štejejo okrog 100,000 društev, spaša danes nad 12 milijonov članov in članic, kajih skupna zavarovalnina znaša nad 10 bilijonov dolarjev.

Naravno, da znašajo različne skupne podpore izplačane v teh 76 letih že tudi na bilijone ali milijarde; saj je v tem oziru samo naša Jednota izplačala že nad \$9,000,000 skupnih podpor.

Skoro vse večje podporne organizacije so združene v eno skupino ali Zvezo pod imenom National Fraternal Congress of America; v to zvezo spada tudi naša K. S. K. Jednota.

Da se da duška in navdušenja fraternalistom, je tajnik gori označenega kongresa, Mr. Foster Farrell izdal oklic in določil, da naj se letos od 8. do 13. maja širom držav obhaja teden bratskih podpornih organizacij, ali teden fraternalizma. Te dni naj se vsak član te ali one podporne organizacije zaveda važnosti bratstva ali fraternalizma. Društvo je dano na prost voljo, da v ta namen na svojih sejah na kak primeren način proslavlja in dvigajo ideje fraternalizma in delajo s tem zanj primerno propagando.

Razlagati in tolmačiti pomen kake bratske podporne organizacije je človekoljubno delo, kajti s tem svojemu prijatelju želite le dobro, če postane član iste. Na ta način bo vsaj deloma zaščiten in zavarovan v slučaju kake nesreče ali nezgode. Prav lepo omenja bratoljubje naš znani, že pokojni pesnik in pisatelj Frank Levstik v svoji pesmici, ki pravi:

Eno le potreben je:

Skrbi zase, ljubi brata,  
 dvigni ga, odpri mu vrata,  
 bodi ti sodnik srce!

Naj nas torej tekoči teden bratskih organizacij ali teden fraternalizma tudi navdušuje in spominja, da ne pozabimo sedanje naše zlate jubilejne kampanje. Kampanjski načelniki krajevnih društev, torej na noge!

**General Spaatz**

Divizijski general Carl Spaatz je pred kratkim prekonal, da da ako bodo naslednjega poleta dobre vremenske prilike, "bodo nemške zračne moći zelo potolčene." Ta izjava je zelo pomembna, ker prihaja od komandanta strategične zračne sile Združenih držav.

General Spaatz je že od svoje rane mladosti pravil o važnosti zračnega orožja. Bil je eden od onih 25 prvih mlačenjev, ki so so dokončali West Point šli v šolo v San Diego ter postal piloti.

Leta 1924 je dobil odlikovanje Kriza za izredno letenje radi svojega dolgega poleta. Prelepel je preko kontinenta Severne Amerike v letalu, ki se je imenovalo "Vprašaj," dokler je njegov drug, sedaj general Ira C. Eaker letel nekaj čevljev nad njim in mu spuščal pumpo z gasolinom vsakikrat, ko je rabil še goriva. Ko je enkrat v tem svojem poletu naenkrat padel v prazen zračni prostor, ga je celega pokropil topel gazolin. Takoj si je slekel obliko, se iztisnil iz odprtine letala ter poskušal zopet uloviti pumpo zgasolinom. Končno je le zavezal pumpo za svoje letalo in ostal v zraku 150 ur in 40 minut, največ kar se je do tedaj ostalo nepretrgano v zraku.

Pred tem svojim podvigom pa je, Spaatz še zmagal v prvi transkontinentalni tekmi: prelepel je zahoda na vzhod za nekaj več kot 22 ur.

Za časa prve svetovne vojne je Spaatz kot kapitan bil v Franciji z ameriško vojsko kot vodnik ene zračne cete. Na njegovo veliko žalost je takoj po prihodu dobil nalog pripraviti šolo za naše letalce. Barake na letališču so bile samo do pol končane, in na polju pa premovali letal za učenje. Zato je Spaatz najprej ukazal svojim učencem dokončati gradnjo letališča; radi tega so ga smatrali za zelo strogega; toda Spaatz smatra, da je treba vedno pravstvari načrte napraviti.

Pozneje, ko mu je bilo ukazano, naj se vrne v Ameriko, je prosil, naj ga pošljejo v borbo. Podložil se je oficirjem nižjega reda in 19 dni pilotiral na letališčih St. Michel in v kraju Meuse-Argone. S svojim herojstvom si je zasluzil medaljo križa za izredno službo, ki je bila načrta za izredno službo.

Za človeka, ki je srečen samo tedaj, ko je visoko v zraku, je Spaatz prebil mnogo časa v solah in uradih. Bil je v zračni taktični soli v Virginiji, v uradu poveljstva zračne sile v Washingtonu, v generalstabni soli v Kansusu, ter zopet nazaj v Washingtonu kot pomočnik inženirjev v mornarjev, ki so zapustili morje, bodisi da ne delajo, ali pa da so prevzeli drugačne posle. Zahtevano je bilo potrebno kot zasilinje, da se dobije zrakoplov, ki je lahko najti," je izjavila vojna administracija za plovbo.

Poleg zadovoljstva, katero jih bo dala zavest, da so prevelično delo, ki je prepotrebno za doseg zmage, bodo uživali še naslednje ugodnosti:

1.—Služili bodo na najboljših ladjah na svetu. Dobro bodo stanovali, dobro hrano bodo imeli, svežo zelenjavno in meso, kruh in močnate jedi—vse pravljeno od pravvrstnih kuharjev.

2.—Njih častniki so spretni strokovnjaki. Njih tovariši Amerikanci. To je nova in izvrstna trgovska mornarica.

3.—Čedalje več varnosti pod začetki mogočnih topov bojne mornarice in letal ameriških matičnih ladij.

4.—Plačo od \$200 do \$230 za mornarje, \$250 in več za inženirje, ne glede na prostro hranu, zdravniško in zobozdravniško nego. Možnost povišanja na mestu častnikov, ki imajo še večje ugodnosti. Plača je mestna.

Vsak častnik, ki ima spriceloval ali želi, da se vrne v Ameriko, bo dobiti \$200 do \$230 za mornarje, \$250 in več za inženirje, ne glede na prostro hranu, zdravniško in zobozdravniško nego. Možnost povišanja na mestu častnikov, ki imajo še večje ugodnosti. Plača je mestna.

žnost je bila osredotočiti vse delovanja v glavnem stanu zračne vojne sile ter določiti o načrtih za vse naše postojanke zračnih moći.

Leta 1942 je Spaatz zopet odšel na Angleško, da pripravi načrte za udeležbo Amerikanov v bombardiranju Nemčije. Najprej iz brigadnega generala, je postal komandant ameriške zračne sile na evropskem bojišču ter dvakrat obiskal fronto. V februarju, 1943 je dobil še povelenje nad zračno silo v Severni Afriki. Bil je tudi glavni zračni svetovalec generala Eisenhowera ter vedno podprt z letalom.

**CLAIR CARPENTER SETS NEW HIGH IN JOLIET GROUP**

Joliet, Ill. — The KSKJ Girls Activity Club rolled their final games of the season last Thursday.

To mark the closing of the season, Clair Carpenter broke the high game and high series records by scoring a wonderful 206 in her first game plus games of 163 and 137 for a total series of 506. Nice going Claire! Dolores Chanoski is another neat bowler. She scored games of 133, 151 and 159 for a series of 443. A nice game was marked up by Theresa Ambrose her first game, but she dropped considerably in her final games for a 393 series.

Mary Buthala increased in her scoring each game for a series of 343. Betty McCarthy was way below par last week.

And so ends your first sea-son of bowling. Let's hope that next season you will be back again and will add more girls to your teams who will be as faithful in coming out to bowl each week as you girls have been.

**VET SURPRISES FRIENDS WITH FURLOUGH**

Maspeth, N. Y. — William Klobetsch, Electricians Mate 2/c, who returned home after 20 months of fighting, surprised everyone when he came home by plane from the West Coast in order to have more time at home with his friends. Bill's plane was forced down on account of motor trouble soon after leaving the west coast, and again when arriving in Chicago on account of bad weather. When Bill was scheduled to return to his base, he was again delayed on account of bad weather.

Seaman Klobetsch wouldn't say what action he was in, but he said there was plenty of it and he is all set for more. He wears ribbons indicating service in the Asiatic, American theater and European service. He also has a brother in the service, Pfc. Edward, now stationed in New Guinea. Bill and Ed are sons of St. Joseph's No. 53 member John Klobetsch.

**COMMUNION NOTICE**

St. Louis, Mo. — Members of Sacred Heart of Jesus Society, No. 70, know that our lodge members have not as yet made their Easter Duty in a body. The time and date were indefinite since we were waiting to hear from Father Zeleznikar as to whether or not he would be able to attend our yearly Holy Communion as he has done for the past several years. We are sorry to inform you that he will not be with us as planned, because since being made pastor he is unable to find anyone to take his place at his parish.

At our last meeting the members decided that our Communion be held on Sunday, May 7, at the 8 o'clock Mass, at St. Joseph's Croatian Church on 12th and Russell Blvd.

Confessions will be heard on Saturday, May 6, between 3 and 5 o'clock in the afternoon and also in the evening between 7 and 8 o'clock.

All members are urged to attend this Mass and Holy Communion, because during these disturbed times we have lots to pray for and much to be thankful for. As members of this lodge it is your duty to be there. Each year the Slovenian Ladies Union, Branch No. 46, has received Holy Communion with us and we again invite them to do so this year. I hope to see each and everyone of you there.

Gee, I wish that I were there!" He doesn't gripe about the weather, Though it rains 'most every day;

Instead, he tells of thoughts of home While on the march today.

Yes, there's a candle light flickerin' In many tent doorways tonight, And a soldier boy is writing home To tell them he's all right.

**SGT. BEVEC WRITES HOW EASTER HOLIDAY WAS SPENT IN SOUTHWEST PACIFIC**

Southwest Pacific, Easter Sunday, April 9th, 1944. — Knowing that you are interested in how the Easter Holiday was spent, I will try to give you some idea in this letter how it was celebrated on one of the islands in the Southwest Pacific.

In order that we may prop-erly prepare ourselves for one of the greatest days in the year, we were fortunate in having the Holy Mass said ev-ery evening in our humbly built chapel constructed by many of the boys in our outfit. It is a beautiful little chapel with an altar of white raised above the chapel floor. Added to its beauty was the altar rail, chairs, and kneelers built of native bamboo. Adorning the top of the table of sacrifice was a beautiful white cross that was lighted most of the evening. Constructed of na-tive timber are the seats with a floor of sand serving as our kneelers. Here we came to worship God as we were taught by our mothers and fa-thers. Here we offered our

**"DARE TO DO RIGHT," MOTHER ADVISES IN TESTAMENT TO 6 SERVICE SONS**

A Philadelphia mother who has seen six sons off to service in the armed forces writes this letter to her sons, which the quarterly "Records of the American Catholic Historical Society of Philadelphia" remarks has in it the "spark of greatness."

The sons are Lt. Joseph P. Rothwell, Army Air Force; overseas; Sgt. Frank A. Rothwell, aerial gunner serving in England who has been awarded the Air Medal and an Oak Leaf Cluster; Pvt. Alfred J. Rothwell, U. S. Marine Corps; Sgt. John P. Rothwell, Army Air Force, Maxwell Field, Ala.; Pvt. Paul J. Rothwell, with an amphibious force in the South Pacific, and Aviation Student Laurence A. Rothwell, of the Navy, Bainbridge, Md. She also has a son-in-law, Corp. Edward A. Altman, serving overseas with the Chemical Warfare service. All are Philadelphians.

"My Beloved Sons: And now the last summons has come and my baby boy, just 18 years old, leaves me to answer his country's call. Six times have I held a son, more dear to me than life itself, in my arms, in a farewell embrace. Six times have I choked back scalding tears and smiled through frozen lips, as I bade you Godspeed and watched you pass from my sight. Yet though grieving, I felt the pride that only a mother knows, when she sees the son that she has borne go forth in defense of his country.

"I also experience a calm sense of peace, for I have placed each one of you in the shelter of the Sacred Heart of Jesus and the care of her whose arms securely encircle those who seek her protection. You, my sons, are her true knights, her badge you proudly wear around your necks, her blessed chaplet you carry with you always. Jesus and Mary, our strong bulwark against all sin, all sorrow, all suffering, they have always been my closest and dearest friends and yours also, my sons. We need them now more than ever.

"OH MY SONS, be above all things faithful, devout Catholics; brave, obedient soldiers and future citizens of heaven. Never forget the covenant made for you by your god-parents at the baptismal font, when they made your pledge with God. Nor that most happy day when, for the first time, you became incorporated with Jesus Christ in the Sacrament of His Love and when, through the grace of the Holy Spirit you enrolled yourselves in the Heavenly Army of Our Lord and vowed to die, if necessary, for Him."

"Of the things that the world values most," the letter continued, "I have been able to give you little. However, my dearest boys, I trust that I have been able to give you something infinitely more precious, for instance, undying faith in God and all His promises, unswerving hope in the glorious eternity, deepest love for your fellow-man and perfect obedience to the laws of God and your country.

"Dare always to do right, no matter at what cost of ridicule or persecution. Always remember your good heritage of fine American Catholic ancestry. Never let it be said that one of this generation has failed the tradition of his family. Cherish your birthright and never trade it for a 'pottage,' no matter at what high value it is placed.

"Naturally, it grieves me that any one of my sons must make war upon other mothers' sons, but you are Crusaders and this is a Holy War, so do

your part to crush the hideous evil that threatens not only our homes and land, but our Holy Religion as well. If, at any time, you are the cause of the death of an enemy, do not rejoice, rather sorrow, that this should be necessary and never fail to pray for the soul that has gone forth to meet its Judge."

"It may be, dearest sons of mine, that some of us shall never meet again on this earth. It is true that I shrink from such a possibility and frantically beseech Him that it be not so, yet I have tried to find complete resignation to His Divine plan and yield my humble will to His. You, too, must share this resignation and remember that some day our reunion shall be complete, if not in this world, then in a blessed and happy eternity.

"You have proved that you are true patriots to your earthly land; be just as true to your Heavenly one. Let the Cross and the Stars and Stripes be so closely held to your hearts that even death itself cannot sever them. Remember the close tie that always existed

**LOVE'S TEST TO FIND THE GOOD; FORGET THE REST**

By Sister Mary Clare, SND

Out of the letter box of one of our readers comes this week's column. It is a handwritten circular letter sent to former pupils by a nun. The paper is yellow but since the message has the perennial freshness of truth there is merit in the idea of sharing part of it with Family Frontiers.

"Dear Boys and Girls,

"With the best will in the world I could never answer all your letters personally, so you won't mind it I write to you all at once, will you? First of all I want to assure you that I pray for all of you every day and I always shall. You know that I rejoice when all is well with you and that I grieve with you when those inevitable troubles come. I count it an honor to have so touched your lives that you instinctly share your joys and sorrows with me.

"I have all your unanswered letters here before me as I write—announcements of engagements, invitations to weddings, happy letters from boys and girls who have given their lives to the Lord, news of illness or death of dear ones. There is, however, such a preponderance of wedding announcements that this letter will be directed mainly to the brave boys and girls who have so courageously taken upon themselves the responsibilities of the holy state of matrimony. The good God will never ask of us anything that is not good for us."

We are sorry that space will not permit us to print the letter in its entirety. There is even a homework assignment!

between you, your unselfish devotion and deep love for each other. Let this union grow stronger, even though separated, until that happy day when, God permitting, you shall all be united in my arms again.

"Seven stars in our service flag, seven Crusaders for the right, seven Catholic defenders of our loved land. May those stars, symbols of glory and success, pressage your triumph and that of all those who are fighting for the love of God and the rights of man. May the trumpets soon sound the final recall and the peace of Heaven settle o'er the earth, never more to be disturbed by the brutal and rapacious greed of man. May the sounds of marching feet ring with joy of returning sons and husbands to those who have waited so eagerly for this happy day. The churches will resound with the glorious Te Deums of Thanksgiving, and peace and joy will again dwell in our broad land.

"As I always close my letters to you, I will say, good night, my darlings, and God bless you, His Holy Mother protect you, your patron saints pray for you, and your guardian angels guide you safely home to Your Devoted Mother."

you say—but you must relish it, else you wouldn't keep on writing to me! I have you there!

"Both married life and religious life require a tremendous amount of self-control and a rigid adherence to fundamental principles. Some escape these hardships by deliberately avoiding the issues of life and embracing a selfish existence—but they also escape the supreme joys of life, too.

"Many of you old-timers have already learned from experience that to get the fullest of life here, and therefore in eternity, we must give ourselves. Unselfishness is therefore, true selflessness, for the more we seek to make others happy, the more God gives Himself to us, therefore the happier we ourselves shall be.

"No matter what vocation you have chosen, dear boys and girls, when you are 40 I want you to have the same peaceful, happy look that you had the night of graduation when the speeches were all over. And that will be impossible if we do not murder the instinctive fear so many of us have in following the inspirations of grace. The good God will never ask of us anything that is not good for us."

We are sorry that space will not permit us to print the letter in its entirety. There is even a homework assignment!

**IT'S AN EXCITING LIFE UP FRONT**

By Sgt. R. W. Juvancic

Along the Ledo Road—(Delayed)—It's an exciting life up front.

We saw two American soldiers severing the Rising Sun emblem from the waist of a dead Jap officer—cut in two by the blazing fire of a machine gun. Drinking water was boiled in the canteen.

Business through, we planned to return to a base farther back. Sleeping accommodation was limited. War correspondents looked at the two of us, a .45 and two pens, knives between us, and calmly suggested, "You'd better not go back in the dark tonight."

"Why?" we asked.

**Company of 200 Japs Behind Headquarters**

"Only a company of 200 Japs behind us. The Old Man (Stilwell) has scouting parties out to see they don't get into mischief though."

We stayed. Jungle hammocks, too.

Around a cheery fire, we crowded with correspondents and discussed war strategy on different fronts. Chuckled at news broadcasts. Painstakingly boiled coffee on a small gas burner, one cup at a time. Told stories of unknown heroes.

Bedtime. I crawled into my jungle hammock, cautiously. Zipped her tight. My head was at the foot. I proceeded to maneuver a turn about.

Plop! Into the net's side I fell, feeling lost and helpless.

I struggled to regain my position. A rippling greeted me. Gradually, portions of my anatomy reached the ground. There would be a sewing chore for me in the morning. But I would conquer this hammock and sleep tonight.

Next morning they asked me how I liked the Jap artillery fire which had been booming during the night.

"What artillery?" I asked. We left after eating K ration again. But it was with a feeling of disappointment. The boys really enjoy it up front. And so do we. — C. B. I. Roundup, published in Delhi, India.

**CHARITIES CAMPAIGNS**

St. Paul conducted campaigns for funds. In the First Epistle to the Corinthians Chapter 16 we read: "Now concerning the collection being made for the saints (members of the church), as I have ordered the churches in Galatia, do you also. On this first day of the week, let each one of you put aside at home and lay up whatever he has a mind to, so that the collection may not have to be made after I have come. But when I am with you, whomever you may authorize by giving credentials, them I will send to carry your gifts to Jerusalem. And if it is important enough for me also to go, they shall go with me."

The financial responsibility in making the graces of the Redemption available to man is not guaranteed. The money must come from the members. It was so in the beginning, it is the same today.

The appeal for funds recorded in the Second Epistle to the Corinthians, Chapter 9, is a masterpiece: "For it is indeed superfluous for me to write to you in reference to this charitable service to the saint. For I know your eagerness, whereof I boast about you to the Macedonians—that Achaea has been ready since last year and your zeal has stimulated many. Still, I have sent the brethren, lest our boasting concerning you should be found empty in this instance; that, as I was saying we—not to say yourselves—should be put to shame for having been so sure. I have therefore thought it necessary to exhort the brethren to go to you in advance and to get ready this promised contribu-

our Lord. And to help us revive our Catholic faith, a Mission was held during Passion Week, conducted by the three Catholic chaplains on the island. This manifestation of faith by the Catholic soldiers, sailors and marines on the island was the greatest ever witnessed in the Southwest Pacific. For the seven days more than 11,000 attended the Mission and more than 4,000 received Holy Communion. The last night saw close to 2,000 present and more than a thousand Holy Communions.

With the closing of the Mission we moved to the holiest of all weeks, Holy Week. It being impossible to go through the church liturgy, Mass was said every evening. On Good Friday was delivered the Passion sermon at which time we were given the opportunity to venerate once again the Cross.

And now that day we had all been waiting for, Easter Sunday. As the dawn was breaking and the sun rising in the east through a horizon of a reddish sky, there seemed to be an expression beaming and gleaming with the news that He has risen again. So came the time that we trekked to the little humble chapel to celebrate once again the Resurrection of our Lord. It was a different celebration from what we were used to at home. It was one in which a big change had taken place. But spiritually we worshipped no differently than we did in the States for He was with us just as He was with you back home. For the first time since I am in the army, a High Mass was said at the glorious little altar embanked with native palms and ferns and wild flowers. It really was beautiful and it would be impossible for me to describe how beautiful it did really look. And when the Alleluia was sung, a thrill came over me that cannot be described. It recalled how happy everyone at home must be once again to witness an Easter holiday. It recalled how preparations were made to celebrate with a big feast.

It recalled how happy everyone at home must be once again to witness an Easter holiday. It recalled how preparations were made to celebrate with a big feast. It took us back to our parish churches where we once so freely worshiped. Yes, there was something missing. Was it the Easter fashion parade that we so often witnessed; was it the feeling of security from the enemy; was it the right to enjoy a happy and joyous life with our dear ones; or was it the right to worship God as we saw fit? All during Mass our thoughts were on our wives and sweethearts, fathers and sisters, and all our friends. Our Communions were offered for you, so that God may spare you until we get back home. So that He may shower you with all that is good. So that He may relieve you of any anxiety and worry about our welfare. Yes, you were far away, but to us in service you were never any closer.

Thus came to a close another Easter Day. It was a happy day for us, too, for we heard no roaring of a cannon; we saw no enemy planes in the skies; we saw no force to hinder our freedom of worship. It was a feeling of security that hovered over us, for we knew that the enemy dared not interfere with His chosen people. So with deepest feeling we are thankful to the Resurrected Christ for another Easter Holiday.
