Pripravljeni v veri in upanju

Vsa zgodovina izraelskega naroda, ki ga je Bog izbral za svoje ljudstvo, se je odvijala na temelju vere. To nam potrjuje drugo berilo, kjer apostol Pavel izjemno učinkovito prikazuje Abrahama, očeta verujočih. Celotno njegovo življenje je prepleta globoka vera. Zaradi vere Abraham posluša Boga, zapusti svoj rojstni kraj v Mezopotamiji in odide proti kraju, ki mu ni bil natančno določen. Veruje, da bosta z ženo Saro kljub starosti dobila sina. Zaradi vere se ne upira božjemu ukazu in hoče darovati sina Izaka, od katerega je pričakoval potomstvo, kakor mu je Bog obljubil. Abraham veruje, čeprav dejstva kažejo popolnoma drugače. Upal je proti vsakemu človeškemu upanju, trdno prepričan, »da more Bog tudi od mrtvih obujati«. Njegovo ravnanje jasno kaže, »da je vera trdno prepričanje o tem, kar kdo upa, prepričanje o stvareh, ki se ne vidijo.« V tej nezlomljivi veri čaka, da se izpolnijo božje obljube, tudi tedaj, ko že zadnja iskrica upanja ugaša; in čaka, ne da bi skrenil s prave poti, ker ne zaupa v zemeljske vrednote, ampak v božje obljube.

Tudi evangelijski odlomek današnje nedelje vabi k pričakovanju. Tudi vi bodite pripravljeni, pravi Jezus. Pripravljeni v veri in upanju v pričakovanju Gospodovega dneva, nebeškega mesta. Odlomek se začne z obljubo, ki izraža vso očetovsko dobrohotnost. »Ne boj se mala čreda, zakaj vaš Oče je sklenil dati vam kraljestvo.« Čeprav so maloštevilni Jezusovi učenci kakor izgubljeni sredi nevernega sveta, se jim vendar ni treba bati; Oče jih je postavil za dediče kraljestva, v njem imajo zagotovilo, da ga bodo nekoč dosegli. Morajo se pa kakor Abraham odreči zemeljski gotovosti, biti osvobodjeni zemeljskih navezanosti in z vso vero hrepeneti po zakladu, ki ga ne morejo najti na zemlji, ampak samo v tesni povezanosti z Bogom. »Vaša ledja naj bodo opasana in svetilke prižgane in bodite podobni ljudem, ki čakajo, kdaj se vrne njihov Gospod ... da mu takoj odpro, ko pride in potrka«. Nato Jezus pove priliko o zvestem oskrbniku. Z njo hoče poudariti veliko odgovornost tistih, ki jim je poverjena skrb za druge. Gorje jim, če ob čakanju na Gospodarja zlorabijo svoj položaj v škodo tistih, ki so jim bili poverjeni v oskrbo. Če se čakanje po človeški logiki zavlačuje, s tem še ni dano nobeno opravičilo za malomarnost in malodušje.

SSDC - Slovenian Summer Day Camp 2019

August 6 to 9, 2019

Leto je naokoli in v naši župniji je bilo od torka do petka zelo živahno. Že 19. leto smo imeli Day Camp, ki ga je začela leta 1999 Heidy Novak. Ker ga eno leto ni bilo, bomo drugo leto obhajali 20-ti Slovenian Summer Day Camp. Hvala Heidy, da že toliko let vztraja in vsako leto je v kampu nekaj novega, nekaj, kar otroke pritegne in privlači. Hvala tudi vsem mladim animatorjem, ki ji vsako leto pomagajo pri izpeljavi teh dni. Za otroke pa je to tudi poseben čas medsebojnega druženja, spoznavanja in gotovo tudi čas duhovne obogatitve.

Leto smo Day Camp začeli v torek, 6. avgusta, na praznik Jezusove spremenitve na gori. Tudi našim mladim je dan prinesel veliko »sprememb« in doživetij na »naši gori spremenjenja«.

Vsak dan začnemo v kapelici z kratko jutranjo molitvijo - malo slovensko, malo angleško. Potem pa vsak tudi pove za kaj je hvaležen. Na koncu pa smo dodali še nekaj pesmi ob kitari, kar je udeležence še bolj razpoložilo za dan, ki smo ga začeli.

Potem, ko so se vsi vpisali in razdelili po skupinah smo začeli z »delom« po skupinah. Ker je bilo vreme od časa do časa muhasto smo si pomagali z našo spodnjo dvorano, kjer so lahko v miru delali, tudi če je zunaj dež zalival že skoraj suho zemljo.

Popoldne smo imeli že prvega gosta, rokohitca, ki je naše mlade dodobra nasmejal. In bilo je jutro in bilo je popoldne, prvi dan. Že so prišli starši in otroke odpeljali domov.

V sredo zjutraj smo se zopet zbrali v kapelici in tudi tokrat se priporočili Bogu za dan ki je bil pred nami in za vsa presenečenja, ki so nas čakala. Ena skupina je del dopoldneva preživela na igrišču, drugi so nadaljevali z delom v skupini - barvali so izdelke, ki so jih naredili prvi dan - hranilnice za ptičke.

Ob pol dvanajstih pa so se pripravili in odšli na bližnje kopališče - bazen. Tam so uživali dobro uro in se tudi dodobra utrudili, tako, da je popoldne bilo lažje delati v skupinah in seveda sodelovati pri igrah na igrišču. Najmlajši so posebej uživali ob igri »Drip, Drip, Drop« - saj je bilo kar prijetno ob vročem dnevu nekaj kapljic hladne vode. In hitro je prišel zaključek drugega dne. Nekateri so bili kar vidno utrujeni od celotnega dneva. Zato so hrenovke, ki jih je Nancy skuhalo, hitro napolnile lačne želodčke.

V četrtek zjutraj smo se zopet zbrali v kapelici in se priporočili Bogu, pa tudi glasno zapeli nekaj pesmi. Se vidi, da glasba mlade zelo poživlja in navduši. Ker je bilo za ta dan napovedanih nekaj neviht z dežjem, so se kar takoj preselili pod streho in nadaljevali z delom v spodnji dvorani. Dopoldanski del programa je prevzela Mary Ann Demšar, ki je mlade zaposlila s »sodelovanjem« v dramskih predstavah.

Vse navzoče je razdelila v skupine, različne po številu glede na to, kaj je morala posamezna skupina predstaviti - predstaviti so morali »slike - prizore« iz znanih pravljic. Vsaka skupina je dobila pravljico in potem so vadili posamezne »slike« iz prizorov. Ko je potem vsaka skupina nastopila so morali ostali, kot gledalci, prepoznati pravljico, ki so jo predstavljali. Zanimivo, da so iz nekaj »slik« vsi hitro ugotovili za katero pravljico gre.

Po odmoru in malici so nadaljevali z delom po skupinah - barvali so okvirje, vsak si je izbral svojo tematiko, nekateri pa so se zabavali li pri igri na igrišču.

V četrtek popoldne je bilo za nekatere zopet nekaj posebnega. Tisti, ki jih zanima robotika, so imeli priliko, da so se vadili v programiranju robotov. Tečaj je financirala »Moya« Slovenian Credit Union. Otroci so začeli najprej z zelo preprostim vodenjem robotov, potem pa so lahko programirali robote in tudi tekmovali, kdo je robota boljše programiral. Vse, ki so tega udeležili, je zelo navdušilo, kako so lahko s preprostim programiranjem »povedali« kaj naj robot dela. Ker so mladi, so si hitro zapomnili in nekateri zelo dobro in zavzeto sodelovali. Hvala gospe Darlene, ki je vodila tečaj.

Ostali, ki jih robotika še ne zanima, pa so se igrali zunaj na igrišču. In že je bilo popoldne tretjega dne in čas za odhod domov. Navdušeno so pripovedovali, kaj lepega in zanimivega so doživeli.

V petek zjutraj smo začeli dan po ustaljenem urniku. Vsak dan smo imeli tudi kakšnega novega voditelja. Tudi za njih je to delo z mladimi lepa življenjska izkušnja. Po molitvi in petju je vsaka skupina najprej pripravila svoj plakat - svojo predstavitev. Nato so šli na igrišče - vreme je bilo za ta dan napovedano lepo sončno - kjer je že čakal »napihnjeni grad«. V njem so uživali skupina na skupino in se dodobra naskakali, drugi pa so med tem sodelovali pri igrah na igrišču. Ob enajsti uri nas je pričalo presenečenje. V neposredni bližini »gradu« je »zapadel sneg«. Res da ni bil hladen, bilo pa je čudovito uživati v »penečem snegu«. Navdušenja kar ni bilo konca. Še posebej, ko je zapihal veter je kepe pene neslo vsepovsod. Zdelo se je kot bi kopasti beli oblaki padli z neba. Slike lahko povedo več kakor sto besed. Kaj se je natančno dogajalo boste lahko razbrali iz slik.

Potem ko so se dodobra »okopali« v peni in potem tudi sprali in oprali je bila potrebna malica. Po malici so se izkusili v risanju na asfaltu, drugi pa so na listke napisali svoja imena. Listki so nato končali na plakatu, ki si ga lahko ogledate v atriju cerkve. Popoldne smo nadaljevali z družabnimi igrami - tekmovanjem med posameznimi skupinami. Ker so

bili rezultati včasih enaki, je Heidi pripravila za zaključni del tekmovanja posebno igro, s sodelovanjem pri kateri so lahko člani skupine, prinesli dodatne točke in možnost za napredovanje. Tekmovanje je bilo v tem, da so morali pojesti neko pripravljeno jed, katera je prinesla točke. Imeli so dve izbiri: »Yack - 5 točk« ali »Yum - 1 točko«. Lahko si zamišljate koliko smeha je bilo pri sodelovanju v tej igri. K točkam se je prištela tudi ocena rizb na asfaltu. Za konec popoldneva so animatorji pripravili še igro z »vodnimi balončki«. Biti moker v vročem poletnem dnevu ni noben problem. In bilo je tako končan četrti dan.

Seveda s tem še ni bilo konec Day Campa. Ob pol sedmih so bili vabljeni vsi udeleženci in njihovi starši in sorodniki na večerni piknik in nogometno tekmo med udeleženci in starši. Ta prinese vsako leto veliko veselja saj na igrišču »mrgoli« nog, tako da žoga komaj najde pot do gola. Mrak se je spuščal, tekma se je končala, kot običajno v prid zmagovalcev-otrok. Za konec smo se še vsi skupaj poslikali, Heidi pa je vse povabila na 20. Day Camp, ki bo drugo leto ob enakem času. Stisk roke in pa klepet do trdne teme kažeta na to, da je tudi letošnji Day Camp dosegel svoj cilj. Tisti, ki so bili letos prvič, so trdno sklenili, da se ga drugo leto zagotovo udeležijo.

Hvala v prvi vrsti Heidy Novak za požrtvovalno delo pri organizaciji in izpeljavi Day Campa. Hvala vsem mladim, ki so ji pomagali - tudi za njih je to lepa življenjska izkušnja. Hvala vsem staršem, ki so nam zaupali otroke. Hvala vsem, ki ste podprli tudi letošnji Day Camp, da je tako lepo uspel. Bog vam povrni za velikodušnost in podporo. Fr. Drago Gačnik

SLOVENIAN SUMMER DAY CAMP

was a great week again this year!

With over 45 kids enjoying all the activities planned for the week, we couldn't have asked for a better time.

SSDC began in 1999 when friends from our parish were all starting their families and the thought of creating a camp at our parish as a fun way of building ties came to life. We've come a long way from then... and 20 years later, this camp has become a tradition not only with our children, but with the parents and grandparents of young Slovenians.

Along with our camp favourites, there were some new things that came to life in 2019! We had a ROBOTICS CHALLENGE which was sponsored by Moya Financial for anyone interested in technology. It was remarkable to see the young minds at work!

We also had St. Joseph's society sponsor our FABULOUS "FOAM PARTY" outside, where we made it look like Christmas in August! Yes, we had so many suds everywhere, the children were dancing, singing and reshaping themselves using suds/foam... It was a fantastic mess!

CWL sponsored our annual magic show which was very entertaining, and as always,

Powerkure Solutions sponsored our ice cream treat for the week!

For the more courageous campers, this year we introduced a game called "Yuck or Yum" As you may have guessed, yum was easy, the yuck... well maybe not so much. Just imagine trying to eat tasty Palačinke with sardines in tomato sauce? It was definitely a surprise for some palettes.

We ended our week as usual, with our annual Parents vs. Campers soccer game. We had a few unexpected hits to the chin, but there wasn't anything that chocolate couldn't make better! It was tough game this year, but the campers managed to pull off the win with a score of 3 to 2.

Our camp was fun, but never would have happened without Fr. Drago's enthusiasm and great ideas... or our fearless leaders. Although they too come to enjoy the week, it is with their help that we can make things happen!

Thanks to all of you... Anna Marie, Gregory, David, Nikola, Amaliya, Sofia, Emma, Alexandra, Philippe, Marcus, Cassandra, Katrina, Maria, Luca, Matthew, Thomas and Jessica (I hope I didn't miss anyone!).

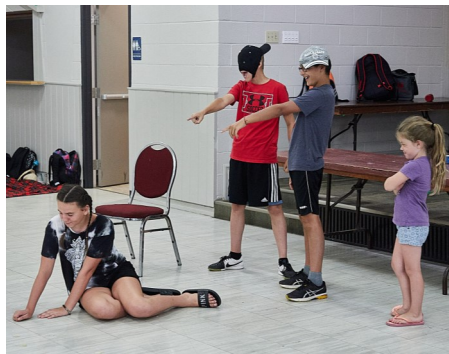

This camp has become a tradition in our parish and to keep it going we hope that we will be able to find some interested volunteers to pass the torch to.

Just as an FYI – next year will be the 20th Day Camp celebration, so we invite all current campers and alumni campers, leaders and volunteers, to join us for what I am sure will be an amazing week of fun. We will be celebrating 20 years of camp activities and more importantly building and strengthening of friendships!

There are already some fabulous days planned for next year... It will be an SSDC extravaganza we hope... so, if you've ever had anything to do with our camp, please remember to book off August 4-7th 2020... It is sure to be a great time.

Heidy Novak

OKTET CASTRUM, AJDOVŠČINA

bo v nedeljo **18. avgusta 2019** prepeval pri sveti maši ob 10. uri, po maši pa bo izvedel še kratek koncert.

Ustanovljen je bil leta 2000. Veliko število koncertov, revij, gostovanj doma in v tujini, kot tudi priložnostnih nastopov so kamenčki, ki so jih fantje vgradili v svoj pevski mozaik. Predstavijo se lahko s koncertom ljubezenskih pesmi in podoknic, koncertom pesmi z vinsko tematiko, pesmi, ki opisujejo lepote naših planin, pesmi s sakralno vsebino ali dalmatinskim melosom. Vse to so fantje zapisali na štiri zgoščenke, ki so jih do sedaj posneli.

Veseli so gostovanja pri vas dragi rojaki tu v Kanadi, zato se zahvaljujejo za povabilo, sami pa se bodo po najboljših močeh potrudili, da vam s slovensko pesmijo prinesejo košček domovine. Oktet Castrum, je za gostovanje pripravil njihov umetniški vodja Miran Rustja, slovensko narodno zabavno pesem pa vam bodo predstavili skupaj s harmonikašem Zdravkom Troha.

19TH SUNDAY IN ORDINARY TIME

Response:

Blessed the people the Lord has chosen as his heritage.

First Reading *Wisdom 18:6-9*

The people expected the virtuous to be saved and their enemies to be punished.

Second Reading *Hebrews 11:1-2. 8-19*

It was faith in God's promises that enabled Abraham to leave his home in search of a new city founded, designed and built by God.

Gospel *Luke 12:32-48*

Faithful servants are ready for the master's return.

"See that you are dressed for action".

Illustration

We sometimes hear stories of dramatic rescues of people in life-threatening situations. In July 2018, a team of young Thai footballers were trapped in a flooded cave and were only rescued after many days of careful planning and daring underwater manoeuvres by skilful divers. The boys and their coach hadn't expected to be trapped by the flood waters caused by the monsoons. Similarly, many people go out walking in the mountains, or swimming in the sea, without expecting anything untoward to happen to them. Often they are totally unprepared for changes in the weather, which can transform gentle exercise into a terrifying ordeal both for them and those who set out to rescue them. Sometimes they are lucky, but on many occasions there is a tragic outcome; and the experts warn us to make adequate preparations, to wear appropriate clothing, to listen to advice from those in the know: to be prepared.

Gospel Teaching

Such is the recommendation of Jesus in today's Gospel: "See that you are dressed for action and have your lamps lit." However, this involves more than watching the weather forecast and making sure we have sturdy walking shoes; it has to do with faith. Today we are given the example of Abraham, who set out in search of a new life, a new family, in a new land. We have no idea what preparations he made for his journey, except that he went in response to a call from God. When everything seemed to be stacked against him, Abraham put his trust in God and kept going. It is the same story with the family of Abraham at a later stage in the history of God's people. They made a covenant with God, believing that the God of their ancestors would save the virtuous and punish their enemies.

And in the Gospel, Jesus instructs his disciples that, while God the Father has fulfilled his promises by giving them the kingdom, they still have to have the right attitude: faith to keep going; not allowing themselves to be bogged down in the material treasures of this world, but always focusing on the everlasting treasure of heaven. He gives them the example of a faithful servant who is always at his duties while waiting for the master's return.

Application

So what does it mean for us to walk by faith today? If the example of our ancestors in faith is anything to go by, we are in a similar situation. St Luke is writing his Gospel for a community of new Christians who are expecting the return of Jesus at any time. But it hasn't happened yet and their natural tendency is to fall back into well-established patterns of behaviour. When we expect something to happen imminently, it tends to sharpen our focus, whereas the routine of every day encourages us into taking things more easily. If we had a more pressing sense of the Lord's return, wouldn't we be more fervent in our prayer, in our response to our duties, more sensitive to the needs of the world around us? But, as it is, many of us do just as much as we feel necessary to keep us in touch with God and the Church. We respond to the various appeals for our charity with an ever-increasing sense of detachment, and, little by little, we find our life filling up with things that we think are more important or interesting than a relationship with a God who seems to us more and more distant from our daily experience of life.

The challenge of Jesus today reminds us of this ever-present tendency to let our faith drift. We have been entrusted with the great treasure of our faith. It is not simply a personal gift for us to take or leave. It brings with it a responsibility for the generations that follow us. Because Abraham believed, God was able to establish his family of faith. Because of people like Moses and the prophets, this faith prepared for the coming of Christ. Because of the faith of the disciples, we have been able to receive the Good News, the sacraments, the promise of eternal life. Now it is our turn not only to receive but to share what we have received, and we do this first of all by living a life of love and service with and for others. So are you dressed and ready for action, or are you just waiting for the storms of this life to surprise and overwhelm you?
