

## TRINITY KNIGHTS TO MARK, RECEIVE ON MOTHER'S DAY

Brooklyn, N. Y. — Sunday May 13, is Mother's Day. While every day should be Mother's Day when it comes to showing kindness and consideration to the best "pal" of all, Sunday is the day of days, when the foremost thought in everyone's mind should be Mother, whether she is living or has already departed to her well earned reward.

There is no one more interested in the spiritual as well as physical and mental well-being of her son than mother, for is it not true that she has been our constant adviser and guide since the day of our birth? It must indeed be a thrill to every mother to see the fine young fellow who was once a tot and who ran to her for aid in every difficulty march to the altar rail amid a group of fine, upright young fellows and show the result of their diligent and unceasing training by receiving the Blessed Sacrament on their day,—Mother's Day.

## UNDEFEATED NEW YORK KSKJ TEAM

Knights of Trinity, Brooklyn, N. Y., basketball team, holder of 25 consecutive victories.

The boys, (left to right) top row: Cab, left forward; F. Cerar, left guard; F. Arko, left forward; Ed. Bruder, center.

Sitting, (left to right): Joseph P. Staudohar, right guard; Joseph A. Staudohar, utility guard; Charles Staudohar, scorer and timer; Dom Suplina, guard; John P. Staudohar, right forward and manager.

## ST. MARY NO. 80 WILL CELEBRATE DOUBLE JUBILEE

Lodge's 30th Anniversary, KSKJ 40th Jubilee to Be Marked

South Chicago, Ill. — The Mary Immaculate Conception Lodge, No. 80, has made extensive plans to make Sunday, June 3, a gala day for local KSKJ members.

The program for the day will be the observation of its 30th anniversary and also the celebration of KSKJ 40th Jubilee.

Festivities will begin with a High Mass at St. George's Church, together with the blessing of the lodge's new banner. A banquet will follow in the afternoon and will be topped off with a dancing party in the evening.

Indications reveal that a great deal of interest will be displayed and the attendance of KSKJ folk will reach a new high.

## PUEBLO JOSEPHS DROP FIRST TILT

500 See Lodgement Set Back 22 to 4; Petrich Jay Star

Pueblo, Colo., May 1—St. Mary's stadium was swarmed April 29 with approximately 500 baseball fans, who witnessed a game between the Walter's Gold Label Brewers and St. Joseph's lodge nine. The Brewers had no trouble beating the lodgement 22 to 4 behind the pitching of "Muss" Mikatich, southpaw, who registered his 1st victory of the season. "Muss" proved to be as good a hitter as he is a chucker. He chalked up four hits out of five trips to the plate, helping to win his own game.

Krasovec, Lesar, and Wodishek were enlisted for mound duty, but the Brewers couldn't be stopped.

The batting stars were "Coo-gan" Pecek, Red Miklich, Hank Pecek, Ed Kocman and "Jays" Papish. For the lodge boys, John Petrich was the star.

Score by innings: R H E  
Walter's - 211 112 64\* 22 22 2  
St. Joe's - 020 002 000- 4 5 1

Batteries: Krasovec, Lesar, Wodishek and Zaletel; Mikatich and Kocman.

Peter Culig, Jr.

## PITTSBURGH TO STAGE PIN FESTIVAL MAY 27; EVENT OPEN TO ALL K. S. K. J.

Men's, Ladies' Events on Program; Entries Close Noon May 24; Affair to Be Athletic Convention of K. S. K. J. Sports

Pittsburgh, Pa.—Under the auspices of the KSKJ Athletic Board, the Eastern KSKJ Jubilee Bowling Tournament is to be held here Sunday afternoon, May 27, at the Lawrence Recreation Alleys, 5300 Butler St.

The event, incited by the general membership, will be the initial step for the East into the bowling limelight of the Union.

Discarding the previous setup of limiting participation to Easterners, the committee announces that the event will be open to any KSKJ bowler, regardless of residence.

The affair will be a non-profit event and will be purely amateur in standing. Instead of cash prizes, trophies will be awarded to winners of the various events.

Following the games, all bowlers will be entertained free, in the Slovenian Auditorium, Butler St. The fund for the entertainment will be derived from fees.

The schedule calls for the following events: men's team, ladies' team, men's singles and ladies' singles. The entry fee is 25 cents payable at registration, while the bowling fee, 50 cents, will be payable at the alleys. One entry fee will cover both events. Entry blanks have been forwarded to all lodge secretaries of the East, and include the states of Connecticut, West Virginia, New York, and Pennsylvania. Members residing in other territories can register by mail.

The rules for the tourney are:

Every bowler must have been a KSKJ member in good standing for at least six months. All entry blanks must be countersigned by the respective lodge secretary, attesting to the bona fide membership of the bowlers and forwarded to Henry Mravinc, secretary of the tournament.

The deadline for entries is Thursday noon, May 24. No entry will be accepted unless accompanied by the fee of 25 cents per person.

The purpose of the tournament is to afford an opportunity to promulgate a better KSKJ spirit among the Eastern members of the KSKJ. It may also be considered an athletic convention of the sport-minded members of the KSKJ. Nor is it open to the young people only, for the committee is arranging a special event for the older men who are less accustomed to bowling.

The officers of the tournament are Chairman F. J. Sumic, 222—57th St., Secretary Henry Mravinc, 5271 Dresden Way, Treasurer Frank Ferentchak, 5337 Butler St., all of Pittsburgh.

More information and particulars will follow.

Henry Mravinc, Sec'y.

## MY MOTHER

Only those who have lost can tell  
The death of one loved very well,  
Of one whose toils never seemed done  
'Til summoned by the Almighty One.

Sweet memories of her I cherish;  
In me never will they perish.  
Sacred is the lesson she told,  
More precious to me than silver and gold.

The tones of her voice have been stilled,  
Her place at home shall ne'er be filled.  
Her work on earth she has achieved  
Of earth's trials she's now relieved.

Mother! Yours I am forever  
E'en when death my life will sever.  
You were more than the world to me  
As Mary's child, yours too, I'll be.

Few years have passed since we're apart  
Though constantly you're in my heart.  
In life you were always at my side  
Lest I be cast in sin's swift tide.

Sad-spent are the hours without you,  
Happily spent there are a few.  
My life is dull since you're away,  
While all the world seems joyous and gay.

In dreams I love your dear embrace  
And love to see that pleasant face.  
Reverend is the smile you then bestow  
Upon your child on earth below.

Your footsteps shan't be heard again  
They've faded away as will all men.  
God, grant I'll hear them once more  
When brought safely to heaven's bright shore.

Mary! Won't you hear a child's pray'r?  
As God's Mother give her a mother's care.  
Her earthly guide your Son has taken.  
With Her in death may she awaken.

—Elizabeth Bratina

## Jay Teams Prep, See Action as Baseball Curtain Rises

### PLAYERS REPORT FOR ST. STEPHENS FIRST PRACTICE

Chicago, Ill.—The St. Stephens Baseball Club held its first practice April 29th at its field, with a large turnout of ball players all trying to make the first team.

In the arranged game between the Yannigans and the Goofs, quite a number of players showed up in great style as the final score showed Yannigans 6, Goofs 5. Joe (Lefty) Pieber pitched the route for the Goofs, while H. Brannigan and "Hank Basco pitched for the Yannigans, with Basco pitching the last four innings of this seven inning game and being credited with the victory.

Members interested in playing ball with this club who have not shown up to practice as yet can still do so, as Friday May 11, at 6 is their practice night at the field. "Onlooker"

### SEE FAST PLAY IN ST. FLORIAN'S BASEBALL CAMP

Recruits Promise Routed Team for Title-holders

So. Chicago, Ill.—Prospects for another eventful baseball season took on a brighter hue, following a recent conclave held by the St. Florian Boosters.

The team is being rounded, selection of a manager has been reserved at the present time. Several new faces will grace the lineup this year, including a few hopefuls who have come to the club via the Juvenile Dept.

It is expected that the pitching strength of the team will be on par with the past few seasons. Lefty Benkovich, one of our ace hurlers, reports himself in fine fettle, after recuperating from an operation this past winter. Eddie Kucic, though an infield player, will be ready to step on the mound when the occasion demands. A new addition in the pitching department is Chas. Jackowski, who will also be depended upon to uphold St. Florian superiority in the Midwest League. Alex Hurysz will handle affairs on the receiving end. With the team reporting in good shape, we can rest assured that they will offer plenty of competition for opposing outfits.

St. Florian Booster

## MOTHER

A Mother's melodies will never die,  
While memory lives and babies cry.

How the lessons of Mother tug at our hearts when all other agencies fail! What a wonderful little woman Mother was! Her silvery voice was a song in our souls—her prayers a string of pearls.

There's a snug little corner in everyone's heart that can always be reached by one woman, and this woman is the person's Mother.

Mother! The only one who can divide her love with several children, and give each fibre of her heart—each child—has all her love. Mother is the one woman whose kindness is not the preface to a personal request. Mother is always steadfast, always sincere, always serving.

The heroism of a Mother's love—her distinct and individual differs from anything else God ever thought of, for it fixes in permanent outline the future hope of us all.

Men and women in business may court more money, may advertise for bookkeepers, stenographers, customers, clerks, chauffeurs, cooks, but there is one thing in all the world that man never needs to seek or advertise for, and it's a Mother's love. Unless—unless the Great Gate has opened and Mother's gone. And it is then that a Mother's love is an infinite influence.

Your Mother may be living, and if so, she is probably old, tired and often lonely—her life's work nearly done. But before this wonderful woman passes on, fix in your memory her Motherly countenance. Picture this angel most in your mind, and in after years this picture, this Motherly countenance will come to encourage you, and during your disappointments this Motherlook will come to cheer you.

The greatest gift, outweighing every other;  
The perfect love, surpassing father, brother,  
Deeper than that of sister or lover—  
The one great gift: The sacred love of Mother.

—La Sallita

### Jubilee Program Plans, Annual Party Billed for St. Mary's No. 79 Meeting

Waukegan, Ill.—Many important issues, including the formation of plans for a 40th Jubilee celebration will be discussed at the meeting to be held May 20, 1 p. m. by the St. Mary's Lodge, No. 79.

Following the meeting the annual lodge party, postponed from last January, will be held. Refreshments will be served and music will be provided for dancing.

On Sunday, May 27, the St. Mary's Lodge will attend in a body the 8 o'clock Mass and receive Holy Communion. Members are asked to meet in the school hall not later than 7:45 a. m. After Mass, breakfast will be served in the school hall.

Correspondent

### St. Stephens' Sport Club Announces Dance Date

Chicago, Ill.—Announcement is made of the dance to be given by the St. Stephens' Sport Club, May 19, in the St. Stephens' Hall, Cor. Lincoln and Cermak Road. Watch the "Our Page" for more information on this affair.

All you out-of-town folk make your plans to attend this dance, as we know a good time is in store for all who will attend it.

Committee

## MOTHER'S DAY

Each succeeding year the observance of "Mother's Day" is growing more popular and enthusiastic. From many pulpits the clergy call upon the people to offer their mothers, living or dead, the tribute of a Holy Communion on the appointed day. No more consoling gift could be offered to a Catholic mother. The spiritual bouquets of prayer, Mass, and Holy Communion have a far-reaching and lasting effect.

To the mother the world owes its very existence; she is a real builder of a home. It is she who imparts to it the homelike spirit. The welfare and the future of the world depend greatly on the well-ordered home and family life.

Young people are apt to regard lightly the many sacrifices of mothers. However, with advancing years they realize more vividly and appreciate more truly the self-denial, the unselfishness lavished upon them by their self-sacrificing mothers. Too often when this appreciation comes, the opportunity to justify those sacrifices has slipped by; for, patient, angel mother has gone to her eternal rest.

So with hearts full of gratitude for the love and care bestowed upon us by our best friend on earth, and mindful of

the sentiments of love and veneration we owe her, let "Mother's Day" and every day be devoted entirely to revering her presence or to her memory if she has already passed into eternity.

—Margaret Pluth  
In the "Hail Mary"

Success is not so much a bank account as doing your best.

# EASTERN SECTION GAINS ON MIDWEST LEAD

## NAT'L RECOVERY MOVEMENT GAINS DURING PAST WEEK

Eleven More Organizations Lend Support to Drive

Joliet, Ill., May 8.—The KSKJ National Recovery Program took a firmer hold on the nation this week as eleven more organizations started operations to keep pace with the universal drive to better times.

Of these eleven, five are working in the Midwestern Section and five in the Eastern. The eleventh newcomer is lending its support to the cause of the Western Section.

The augmentation raises the total of organizations now participating in the KSKJ National Recovery Administration's program to 128. The Administration hopes to see this mark reach 150 before the end of May.

In the Midwestern Section, the Minnesota Farm got the lion's share of the week's additions. No less than four fields joined the Minnesota forces. The fifth newcomer pledges allegiance to the Illinois Farm. The Minnesota Fields to open operations were Nos. 40, 135, 156 and 161. Field No. 78 was the Illinois addition.

A same state of affairs existed in the Eastern Section, where the Pennsylvania Mining Co. claimed four of the five newcomers. These were Mines Nos. 91, 95, 187 and 194. The fifth was Rolling Mill No. 134 of the Indiana Steel Corporation.

The lone Western newcomer was Ranch No. 190 of the Colorado Range.

The KSKJ National Recovery Administrator here was jubilant over the addition to his working forces and hoped that many more of those who have not yet lent any support to the movement would follow the suit of these eleven and soon join KSKJ's ever-increasing army of workers.

## "Three Pegs" Promise to Entertain On Mother's Day

Waukegan, Ill.—The play "Three Pegs" to be presented on Mother's Day, May 13, by the Young Ladies Sodality of the Mother of God Parish is well under way and the cast and director promise a performance that will please all who attend.

The play centers around the "Three Pegs" who are in the market for adoption by Emily Weston, a rich and cultured woman, played by Agnes Kosir. Helen Kolens, Mary Gantar and Valentine Merlock are cast as the "Three Pegs".

The action of the play begins when the "Three Pegs" cook up a scheme to reunite Emily Weston and her long lost lover but meet with opposition from Aunt Euphelia, played by Agnes Ivantic.

The laughs start when the maid, played by Tillie Grum and Sarah, the cook, played by Mayme Zalar, decide to leave the domineering Aunt Euphelia. Mary Lesnak as Mrs. Conti, and Mary Zalar as Mrs. Barclay also take active parts in the play.

Each girl has her own important role to play and very ably presents the individual she portrays. According to Father Butala, the director, each member shows a very careful study

## Indiana Steel Corporation Adds to Lead Held in Eastern Section

Hold 6,000-Ton Advantage of Pennsylvania Miners; 8,500 Tons Ahead of Ohio Steel Corp.

Indianapolis, Ind., May 8.—Just to prove that its rise to leadership in the Eastern Section last week wasn't merely a flash in the pan, the Indiana Steel Corporation this week added to the lead established at that time.

The Hoosiers turned out 3,773 tons of steel as their contribution to the week's activities. In so doing they gained nearly 1,000 tons on the Pennsylvania Mining Co., in second place, and almost 2,000 tons on the Ohio Steel Corporation, holders of third place.

The Miners unearthed 2,985 tons of coal during the week. The steel output of the Buckeyes totaled 1,952 tons.

The Indiana Steel Corporation's total of 25,872 tons gives them a lead of nearly 6,000 over their Keystone competitors, who boast a total of 19,951 tons. The Ohio Steel Corporation's total is 17,391.

This trio were the only industries of the Eastern Section to make any gains during the week, both the Michigan Steel Corporation and the New York Exporting Co. being inactive.

The Michigan total is 11,480 tons. That of the Exporters is 6,249.

## Scouts to Present Series of Skits on Mother's Day

Chicago, Ill.—Daughters, treat your mothers to the entertaining performance given by the Girl Scouts of St. Stephen's, on Mother's Day, May 13. The scouts will present a series of skits which promise to be very amusing, including "The Tea Room Minstrelles," a black-face comedy, and "The Persecuted Maiden," a hilarious sketch. Besides these comedies, the scouts will enact a two-act play entitled "The Unexpectedness of Catherine Henry" and "There's One Born Every Minute."

The mothers are especially invited. The admission is only 25 c for the adults and 10c for the children. With this full program, you are assured of an interesting performance, time well spent, and getting your money's worth.

## EVELETH KAY JAYER ASKS FOR ADVICE

(Continued from Page 7) will try to repay the eastern team that comes to our cold city this coming summer.

At the present time we are trying to follow the example of all K. S. K. J. lodges in the country by forming a booster club. We have about 150 members eligible for this club. On our previous attempts to form this sort of club we have met with failure, because we have not had enough co-operation and spirit. As we all know, Eveleth has wonderful material regarding athletic prowess. If we had more spirit and co-operation, our strength would increase greatly. There are also many girls in the lodge that could make our club a huge success.

We would like to hear from any, or all, booster clubs giving us a hint or help in the matter of organizing, or functioning.

Eveleth members, let's all go to the meetings that will be announced in the local papers and make this club a success.

Eveleth Booster. of her particular role and good entertainment is in store for all.

## MONTANA UNABLE TO BRING HALT TO GAIN OF COLORADO RANGE

Western Sectional Leaders Add to Margin Despite Montana's Advance

Pueblo, Col., May 8.—A gain of 1,111 tons by the Montana Range just wasn't quite enough to prevent the Colorado Rangers from adding further to the big lead held in the drive for recovery leadership in the Western Section.

The Colorado Rangers shipped 2,300 tons of beef during the week and now have a grand total of 16,255 tons. The total of their lone competitors, the Montana Rangers is 3,333 tons.

The Wyoming Range, third member of the Western Section, still remained unheard from and the followers of the Western Section, are at loss to account for their actions. Many believed that the Wyoming cow punchers have been "playing possum" and that they will shortly turn in a report that will make them serious challengers for the Sectional honors.

## They Don't Come True

Dreams don't COME TRUE, and it is too bad that that misleading word "come" is so generally associated with the word "dreams." Dreams don't come to anything by themselves. They are realized upon only by men who put a hard pushing shoulder to the task of bringing them to something.

## The Eighth Candle Glows

By JOHN ZNIBARSICH (cont'd from a previous issue)

### Fourth Candle—1930

This really was a banner year for Our Page, both in the quality and quantity of contributions, and in the many KSKJ events that took place. Early in the year Joseph Zalar, supreme secretary, urged a basketball tourney between all available KSKJ teams. Midwest and Western sections began to awaken, the East showed plenty of interest, and many inter-sectional basketball games were scheduled throughout the KSKJ sports world.

The Flashes were well on their way to the Cleveland Interfrat championship, but unfortunately were nosed out in the final series in one of the hardest fought games in local circles. Feb. 18 marked the beginning of the basketball series in Chicago.

The largest crowd to date witnessed the third bowling tournament in Joliet. St. Stephens copped all the honors in this meet, while St. Marys walked away with the ladies' match.

Minnesota lodges formed a federation. The Midwest baseball league was getting into action as the Eastern league was being shelved, an event that drew a pithy and timely editorial, "Sleep, East, Sleep."

Many discussions and views for the forthcoming convention began to appear in Our Page, showing the interest that was being taken by the younger members. The convention almost broke an endurance record, being in session for eight full days, but it did co-operate with its youth and adopted a broad sports program for the future. It also enlarged this English section to two pages, to go into effect with the beginning of the year.

Christ the King Lodge of Cleveland, O., presented the first Slovenian Passion Play to a record audience. We cannot go by this year without mentioning some of the columns that were in existence at this time. This period ought to go down in Our Page history as the Walter Wichell Era. For sheer downright entertainment and news one would have to peruse many newspapers to find the equal of these news gatherers, who operated without the recourse of a keyhole. Just glance at this roster of correspondents and see if you remember their snappy style: Broadway Lights, by Toots; Smile o' Meter, by Dox Krax; La Salle Glimpses, conducted by the famous La Sallita; Cleveland Cleaver, by Prof. P. O. Tica; South Chicago Tid Bits, by St. Florian Booster; Bit of Joliet, by Lonesome Luke; Did You Know That, by Honey Mandel; The Nuyawker; Magic City Flashes; Klever Kids; Peeping Tom; The Spy; Bits About Ely; Chipso and his Chippy Chips; Lorilacs, by Lorain; Milwaukee Talkie; Eveleth Snaps, by Mitz; Milwaukee Sadie, and Steelton Irony.

## Minnesota Farmers Bring Halt to Illinois' Drive for Leadership

Pick Up 2,000 Tons in Week to Bring Margin Over Competitors to 7,000 Tons

Joliet, Ill., May 8.—The farmers of Minnesota, rallying their forces, this week called a halt—temporarily at least—to the inroads being made on its lead in the Midwestern Section by the Illinois Farm during the past month.

## Benefit Party To Aid Florians in Dressing Baseball Team

So, Chicago, Ill.—In a style befitting the National KSKJ Baseball champions, the St. Florian Boosters will cavort over the various KSKJ playing fields this summer in new outfits. In order to insure the players a set of uniforms of good quality, the baseball committee with the cooperation of the club membership will hold a Benefit Bunco and Card party Tuesday evening, May 15, at St. George's church hall at 7:30 P. M.

It is an accepted fact in this community, that the Boosters always offer a par excellent type of Bunco and Card party. They are noted for their beautiful and varied selection of prizes. This year's affair will be under the direction of Frank Gorenc, Jr., who has distinguished himself in the promotion of successful card events. Admission will be 25 cents and local KSKJ folk are invited to lend their aid by attending this affair on May, 15.

## CUT OFF 3,000 TONS FROM LEAD OF MIDWESTERN GROUP

Western Section Keeps Pace With Nation's Leaders

Joliet, Ill., May 8.—Though the industries of the Eastern Section did not show the feverish activity which marked their work last week, they did make an aggregate output that enabled them to cut further into the lead held in the race for National Recovery honors by the Midwestern Section.

The gain, however, was in no way comparable to the advance made last week, though it did serve to bring the two pace-setting Sections closer together. Beginning the week 29,000 tons behind the Midwesterners, the Eastern industrialists turned out 21,672 tons during the working period to move almost 3,000 tons closer to their rivals and the first place position they hold.

## Pass 200,000 Mark

The 21,000-ton gain in inventories raised the total for the Eastern Section to 175,676. The Midwestern Section, meanwhile was enjoying the satisfaction of being the first to pass the 200,000 mark, an advance of 18,894 tons giving them a grand total of 201,683 tons.

At the same time, the Western Section, tail-enders in this triangular fight, were highly pleased over the fact they at last were able to come close to matching the weekly gain of their more prosperous adversaries. The Westerners succeeded in adding 17,810 tons of beef to their previous mark and now boast a total of 107,508 tons.

Off to a very poor start, the cattle raisers of the West have just hit their stride in these last two weeks and from now on can be expected to give the Midwestern and Eastern Sections a real battle for top honors.

## Joliet Boosters Will Honor Fathers, Mothers

Joliet, Ill.—The Joliet KSKJ Booster Club will have as its guests the boosters' fathers and mothers when it gives its Mother's Day program, a private affair, Tuesday, May 15, in Slovenia Hall.

The boosters promise something for every minute of the program, and remind the boosters of the pleasant time had at a similar program last year.

The next meeting of the club is scheduled for May 28, 7:30 p. m. (D. S. T.) in KSKJ Hall.

If you seek popularity, tell people what they want to hear.

amous Jean Wald and her ten lovely honeys, KDKA orchestra, for their Hallowe'en Frolic. The Rev. Fr. Oman contributes "Open Letter to Slovenian Youth," protesting public exhibition marriages.

### Seventh Candle—1933

This year started off with a membership exceeding 32,500, assets exceed \$3,000,000. According to an our Page survey, an estimated number of 91,340 people witnessed baseball games in KSKJ circles in the preceding year. Mary Rode wins title Miss KSKJ Ohio in contest sponsored by Ohio Federation of KSKJ Lodges. St. Joseph Sports present their first minstrel show in Collinwood. Ely cops baseball honors in Minnesota league. St. Florians win sixth annual bowling tourney in South Chicago. KSKJ Athletic Board meets and formulates new rules. Mary Virgin Lodge No. 40 celebrates 40th anniversary. St. Florians again cop title in Midwest baseball league.

The Rev. Fr. Plevnik, spiritual director of the Union, reminds against slack morality in darkened dance halls, and points out to booster clubs on their dangers. "Be a Booster" slogan for this year.

### Eighth Candle—1934

This promises to be another banner year in the social and sports KSKJ world. Our Page eager to co-operate in any endeavor. The conclusion of 1933 witnessed a huge gain in the

juvenile ranks, due to energetic "Zeppelin Contest" successfully concluded. Outstanding events to date were: the inter-city basketball tourney between St. Florians and St. Josephs in Cleveland, and the first Midwest KSKJ basketball tournament held in Waukegan. The beginning of a new membership drive, with the Indianapolis convention but a few months in the offing, is the most important. Of course, the greatest event in the KSKJ calendar is the 40th anniversary.

And so ends the tale of the glowing candles, a history of achievement and progress of your official organ, and the activities of the English lodges, booster clubs, sports and socials, and mainly fraternal events. You can not separate one from the other. You have seen how the paper co-operates with all your activities. Support it and keep up its good work by willingly contributing and adding to its growth. Let it be the beacon light guiding you through the labyrinths and byroads of Fraternal Unity.

Without a doubt, the coming convention will further enlarge your publication to supply your needs, the future lies bright before it. On this 40th anniversary of the Union it behooves all to extend their sincere congratulations to the Page and its faithful correspondents. Long may it be the guiding spirit of the younger KSKJ element.
