V očeh mnogih pravniških strokovnjakov ima vrhovno sodišče Združenih držav večjo za usmerjenje ameriškega razvoja.

Vrhovno sodišče je bilo ustanovljeno od kongresa l. 1789. Podlaga za njegovo ustanovitev je bila v predgovoru konstitucije, kjer je rečeno, da ena izmed njenih svrh je "zagotoviti pravico." In tako je bilo v III. članu konstitucije ustanovljeno federalno pravosodje kot panoga vlade in pravosodna oblast Združenih držav je bila poverjeno vrhovnemu sodišču in takim nižjim sodiščem, ki utegnejo biti ustanovljena.

THE CHALLENGE

Say, kids, this meetin's to decide if we are goin' to play That Hickstown bunch that challenged us to meet 'em yesterday. They ain't much punkins when they're up against a team like ours-But guess there ain't so many teams with just our battin' pow'rs.

I vote to meet 'em-just to give the yaps a chance to see What good perfess'nal baseball is—how many kids agree? All right—the votes u-nanny-mous—we'll give 'em nine good rounds But don't forget you ain't a-goin' to play on your own grounds!

"RED" Smith's the cap'n of their team-I'll call him up tonight; And, let me tell you, Pete, you'd better get those signals right! And, Bill, you've fanned enough this spring to keep you cool, I'll say-I hope you ain't a-goin' to think you haven't got to play!

Say, kids, that in-shoot gets their goat—I'm goin' to practice it Till not a feller in that Hickstown bunch can make a hit! Three-baggers ought to be our rule-an' just to steal a base On such a set o' greenies shouldn't call for any race!

Just get yourselves together, kids, now just don't show the mule! We'll practice up; we're pretty good; but can't afford to fool. Now, Skinny Jones, before I go; just one of your wild throws May lose the game—so don't forget—that's how it sometimes goes!

We were to meet at the Ely Community Center. I had to get up at four o'clock in the morning. When I got up was quite puzzled however, for the alarm clock showed the time to be four, while the wall clock showed it to be three, I discovered the alarm clock was one hour fast. Even though I was disappointed on being awakened too early I was relieved that I could go back to bed for another hour.

Our scout teacher, after stressing so very strictly that we had had to be there at the appointed time (or the bus would go on without us) had to be late herself of all people. Ha! Ha! We had a good time kidding her about it.
