Po gospoda smo poslali,
da bi Mirski trošta dali,
ali gospoda ne naca nič,
njene ure so že proč.

Mamba so na glas zasijali,
ker so hčerko žlo ljubili.
Bj praljubka hčerka ti,
večna luč naj ti gori!

Okol' mene vse ~~slavne~~ žaluje
ko mi sapa iz manjkaje,
smrt pa mahne zdej s koro,
vzame dušo in gre s njo

Na moj grob ne pozabite,
bele lil'je poradite,
k' moje truplo trchnelo bo,
bele lil'je naj sveté.
