Sledi čitanje poročil: Sledi čitanje poročil: Poročilo glavnega predsednika

Glavni tajnik poroča: At this time a question may be raised as to what benefits accrued to our Union as a result of the sports fund revival?

According to my observation I note an increased interest on the part of the English-speaking members to contribute to the Union's growth. Although athletics as a game are played for what it is worth, a feeling of obligation on the part of English-speaking members to reciprocate for financial aid extended by our SSCU has been evident. Much more than during the early years when the sports fund first was put into effect.

As to the policy to be pursued during 1936 in the matter of financial aid to lodges and events to be sponsored by our Union, I shall offer my suggestions at the proper time during this meeting.

The English section of Nova Doba has reflected to some extent the sentiments of some of our English-speaking members who are becoming increasingly conscious of their duty to the SSCU. Contributing articles are interspersed with gentle reminders to sell our Union to the outsiders and induce him and her to become a member.

In conclusion I wish to express my appreciation at this time for the splendid co-operation I received during 1935 from the individual members with whom I got in contact.

Fraternal yours,

LOUIS M. KOLAR, Second Vice President, SSCU.

neko. Priporočam pa, da bi organizirali med našo mladino nekakšne mladinske krožke (Juvenile Circles), kjer naj bi se naša mladina sestajala pri posameznih društvenih ter od časa do časa prirejala zabave s sporedi, kar bi povzdignilo in oglaševalo našo Jednote.

Priporočam tudi, da bi se naše ženstvo organiziralo po načinu "Ladies of SSCU" v Jolietu, kjer medsebojno priejavijo se stanke ter tako pomagajo oglaševati našo organizacijo.

Ako hočemo z duhom časa naprej, moramo v mnogih ozirih posnemati nam slične organizacije, ki v delu za organizacijo da je svojemu članstvu tudi razvedrila in zabave.

Dolžnost in spoštovanje do našega pokojnega prvega predsednika, Josepha Agnicha, ki je umrl tik pred začetkom našega zasedanja, mi rarekuje, da v mojem poročilu izrekam sožalje vsem njegovim sorodnikom in prijateljem, katerih je imel mnogo. Umrl jo mož, kateri je veliko storil za našo organizacijo. Naj živi njegov spomin, dekler bo živel naša JSKJ! Poročilo prvega glavnega podpredsednika

Cenjeni mi glavni odborniki:

Od zadnje polletne seje do danes sem večino mojega dela kot odbornik organizacije rešil potom korespondence. Vse zadeve, katere sem v tem času dobil v rešitev, sem skušal rešiti po najboljši možnosti v korist J. S. K. Jednote oziroma vsega člana-stva.

Leto 1935 je bilo precej aktivno za našo Jednote in lahko pokažemo tudi dobre uspehe. Kampanja za nove člane mladinskega oddelka, ki se je zaključila z mladinsko konvencijo, je bila uspešna in zadovoljiva v tem, da nam je prinesla lepo število novih članov v mladinski oddelki in v splošnem napravila veliko rezklamo za našo Jednote. Tudi prirasteč članstva v odraslem oddelku je bil zadovoljiv. Društva in posamezni agilni člani zaslужijo za te odkrito priznanje.

V letu 1936 se bo vršila 15. redna konvencija JSKJ, gledate upamo, da bo začrtala še uspešnejša pota napredku naše organizacije. Upamo dalje, da ostane naše članstvo aktivno tudi v bodoči in nam v konvenčnem letu pridobi mnogo novih članov v oba čdelenka.

K sklepom mojega kratkega poročila se zahvalim vsem, soobnornikom za vso bratsko naklonjenost in vam izrekam priznanje za vaše dobro delo v korist J. S. K. Jednote.

Vdani,

MATT ANZELC, 1. glavni podpredsednik.

Poročilo 1. glavnega podpredsednika se soglasno sprejme.

Poročilo 2. glavnega podpredsednika

To the Supreme Board, SSCU

Ely, Minn.

Dear Brothers:

During the six months which elapsed since the board met last July, 1925, my work as second vice president and athletic commissioner consisted chiefly in correspondence with various lodge officers and the home office.

I investigated each request for financial aid as thoroughly as possible before I submitted my recommendation to grant such aid to the supreme board committee on athletics. I considered it my duty to inform each branch requesting assistance from the sports fund the purpose behind it — not merely to promote athletics but primarily to stimulate outside interest in the work of our Union. No recommendation exceeded the sum of \$50.00 for any one lodge as decided by the supreme board in 1935.

At this time a question may be raised as to what benefits accrued to our Union as a result of the sports fund revival?

According to my observation I note an increased interest on the part of the English-speaking members to contribute to the Union's growth. Although athletics as a game are played for what it is worth, a feeling of obligation on the part of English-speaking members to reciprocate for financial aid extended by our SSCU has been evident. Veliko je še dela na tem polju ter veliko nam je še pri-

čenj. Tej seji priporočam, da zopet posvetimo vso pozornost naši organizaciji.

Nagrada za pridobivanje članstva naj ostane.

V sportnem skladu smo 31. decembra 1934 imeli \$1,498,58, dejco je se 31. decembra 1935 nahajalo tam \$2,746.55.

V stroškovnem skladu smo dne 31. decembra 1934 imeli \$11,247.61, bilanca tega skladu pa znaša sedaj \$21,037.58.

Cisto premoženje odraslega odsekja JSKJ je z dnem 31. decembra 1934 znašalo \$1,769,604.03, z dnem 31. decembra 1935 pa to premoženje znaša \$1,904,884.41.

Cisti imetek mladinskega oddelka je dne 31. decembra 1934 znašal \$123,512.07, dne 31. decembra 1935 pa \$134,662.57.

Cisto premoženje obeh oddelkov JSKJ je dne 31. decembra 1935 znašalo \$2,039,546.98.

Iz gornjega pregleda je razvidno, da so vsi naši fondi tukaj dobri napredovali in da je imela Jednota dobre uspehe tudi v vseh drugih ozirih. Posebno se nahaja v dobrem stanju naš stroškovni sklad, s katerim bomo lahko pokrili stroške bodoče konvencije, ne da bi bilo treba razpisati izrednih naklad v to svrhu.

Posojila na članske certifikate so 31. decembra 1934 znašala \$109,010.12, dne 31. decembra 1935 pa \$129,045.89.

Mladinska konvencija, ki se je vršila meseca avgusta 1935, nas je stala \$2,989.15. Od te vsote odpade \$1,604.90 na vozne stroške; \$638.00 na dnevnice; \$444.30 za hrano in stanovanje delegatov in delegatin; \$46.35 na konvenčne znake; \$242.60 na svenuirje, oglase, telegrame in druge stroške, ter \$12.00 premije na zavarovalnino proti poškodbam delegatov. Poročilo 4. glavnega nadzornika

Kot četrti glavni nadzornik sem se 18. januarja t. l. udeležil na Northern National banki v Duluthu, kjer smo predali jednotine bonde ter iste našli v redu.

Nazvoč sem bil tudi pri pregledovanju knjig in računov glavnega blagajnika in upravnika Nove Dobe ter sem prepričal, da je vse v redu.

Na dopise, ki sem jih tekom zadnjega pol leta prejel iz glavnega urada, sem odgovoril točno in po svojem najboljšem prevedenju in zmožnosti.

Zadnjim, da bi tudi pri tej seji sklenili kaj koristnega za našo organizacijo, so mi vredne sklenile, da bi bil napredek v tem letu še boljši kot lansko leto.

Z bratskim pozdravom,

JOSEPH MANTEL, četrti glavni nadzornik.

Predlagano in podpirano, da se poročilo sprejme. Sprejeto.

Poročilo tajnika združevalnega odbora

glavnemu odborniku: —

Delo združevalnega odbora v zadnjih šestih mesecih ni bilo pravljeno. Odkar so prišla pogajanja med našo organizacijo in Hrvatsko Zvezo na mrtvo točko, je tudi naš odbor ostanek v brez aktivnosti.

Zadnjih šest mesecov sem prišel v dotiko z mnogimi člani Jednote. Posebno člani naše organizacije v Pensylvaniji so večkrat povpraševali, zakaj več ne govorim o združevanju Jednot in Zvez, ter mi dajali sugestije, kako naj vršimo delo, ki je bila sprejeta na štirinajst redni konvenciji v Indianapolisu, Ind. Enake sugestije so me napotile, da sem dne 27. decembra v West 103rd Street, Chicago, Illinois, poslal svobodomiselnemu podpornemu zvezu,

mi glavnemu odborniku: —

Leta se vršita konvencija naše Jednote in Vaše Zveze. Ali primerno in času odgovarjajoče, da bi poizkusili, ako je predlagano in podpirano, da se poročilo vrhovnega zdravnika sprejme. Sprejeto soglasno.

Preide se na stvari, ki jih ima za predložiti glavni tajnik. Brat Matija Pogorelc od društva št. 1 je postal glavnemu uradu kratek dopis, v katerem zahteva, da glavni odbor pri sedanjem zasedanju reši neko njegovo zadevo, katere pa ni pojasmnil. Glavni tajnik je mnenja, da se gre za bolniško podporo, ki je bila že pred leti odklonjena in katere odklonitev je bila odobrena tudi od 14. konvencije. Dopis se vzame na znanje.

Sobratu Johnu Koširju od društva št. 1, ki se nahaja v bolnišnici v Duluthu, se odobri podporo od 9. novembra do 29. novembra 1935, v znesku \$20.00. Denar se nakaže društvu št. 1, da ga porabi za plačilo članovih asesmentov. Za nadaljnja izplačila podpor se odobi načrt glavnega tajnika.

Brat Ignac Cimerman od društva št. 2 je star nad 80 let in je prejel že več kot polovico gotovinske vrednosti njegovega certifikata. Zeli, da se mu izplača še preostala vsota njegove rezerve in bo s tem odpovedan od Jednote. Predlagano in podpirano, da boste v času naše seje na poti proti domu.

Janko N. Rogelj, tajnik združevalnega odbora JSKJ, sem dobil sledič odgovor:

Mr. Rogelj: —

Zadnjih par let je govoranca o združenju potihnila. Zato Vas lahko, da od naše strani ne bo nasprotova vzeti to pretrs, če je izvedljiva.

Brat Ignac Cimerman od društva št. 2 je star nad 80 let in je prejel že več kot polovico gotovinske vrednosti njegovega certifikata. Zeli, da se mu izplača še preostala vsota njegove rezerve in bo s tem odpovedan od Jednote. Predlagano in podpirano, da boste v času naše seje na poti proti domu.

William Rus, glavni tajnik,

smo dobili prijazen odgovor, da bi bila SSPZ podprta v pogajanja. Zato bi priporočal, da bi seja na zasedanju o tem kaj spregovorila ter združevalnemu navodila in sugestije, kaj lahko napravimo, in če učinkovito želimo glavnega tajnika SSPZ, da se oglašimo na obisk v Chicago, Vas vladljuno vabim na obisk, ki se bo vrnila v glavnem uradu, v dneh 30., 31. in 1. februarja 1936.

Vaše organizacije izreče za pripravljeno iti v o nadaljnem postopanju lahko ustmeno razgovor.

Brat Michael Sunich od društva št. 9 prosi, da bi Jednota plačala zanjo in za njegovo ženo asesmente iz onemoglega sklada. Prošnji se ne more ugoditi, toda, ker sta oba člana načrtu "A," se jima priporoča, da premenita svojo zavarovalnino v načrt "AA," kar jima bo omogočilo dobiti posojilo.

Brat John Germ od društva št. 20 je 17. marca 1935 predložil zahtevo za odškodnino česa, da je izgubil od 80% do 90% rabe leve roke pod komolcem. Vrhovni zdravnik in glavni urad sta zahtevo odklonila, ker izguba ni popolna, a za delne izgube Jednote ne plačuje nobenih odškodnin. Član ni vložil priziv na glavni porotni odbor, pač pa sedaj zahteva od glavnega odbora, da se mu odškodnina izplača. Predlagano in podpirano, da se potrdi sklep vrhovnega zdravnika in glavnega urada, članu se pa svetuje, da vloži priziv na glavni porotni odbor in od tam na prihodnjo konvencijo. Predlagano in podpirano, da se poročilo glavnega tajnika SSPZ, da se oglašimo na obisk v Chicago, Ill.

Janko N. ROGELJ, tajnik združevalnega odbora JSKJ, podpiran in sprejet je predlog, da se poročilo tajnika združevalnega odbora sprejme ter takoj razmotriva o tem, kateri se takoj na razmotrivanje. Mnenje zborujočih je, da seja sugestija glavnega tajnika SSPZ ter da se glavni pospeši skozi Chicago, oglašijo na seji SSPZ glavnem uradu, kjer lahko pojasnijo stališče naše Jednote ter sugerirajo vrednost certifikata načrtov "AA," "B" in "C" v vseh slučajih, kjer je član star nad 70 let, je nezmožen za delo in če nima nbenega premoženja ali dohodka. Pri tem se razume, da ko je član prejel vso gotovinsko vrednost njegovega certifikata, preneha biti član Jednote. Predlagano in podpirano, da se poročilo glavnega tajnika SSPZ, da se oglašimo na obisk v Chicago, Ill.

Brat Frank Udovich od društva št. 30 je bil 17. maja 1935 operiran, a mu je bila zahteva za operacijsko odškodnino odklonjena, ker ni dovoljena v pravilih. Član se je pritožil na glavni porotni odbor, ki je sklep nižje instance potrdil. Brat Udovich se sedaj obrača na glavni odbor, da bi mu odobril primereno odškodnino. Glavni odbor obžaluje, da ni mogoče prošnji ugoditi, sonbrat Udovihu pa priporoča, da vloži prošnjo na prihodnjo konvencijo.

Brat Frank Udovich od društva št. 31 v zadevi dveh članov in odbor se strinja z navodilom, katero bo poslal glavnemu tajniku.

Brat John Rovanšek od društva št. 36 se pritožuje radi prikrajšane bolniške podpore z leta 1933. Pritožbo je glavni urad odklonil na podlagi točke 334. Postopanje glavnega urada se odobri.

I wish to present my semi-annual report to this operiran, a mu je bila zahteva za operacijsko odškodnino odklonjena, ker ni dovoljena v pravilih. decreased for this period. This would seem to indicate that there was a general let-up following the intensive campaign for new members that was conducted during the first six months of 1935. This meeting should again find means to stimulate the influx of new members.

At the last semi-annual meeting of this board the Union was threatened with a law suit in Pennsylvania. All the necessary papers were given to me with instructions to take steps to prevent this suit. I had several conferences with the attorney in this case and also one conference with the member involved. Last week before coming to this meeting I again visited the attorney who assured me that the case was dropped since he wrote threatening suit. He was of the opinion that the member was treated fairly by the Union and that according to our by-laws the member received all due him.

The National Fraternal Congress as you all know was held in Pittsburgh during last August. Our Supreme Secretary was our delegate, however, since the convention was held in my home town I attended all the meetings. As duly elected delegate to the Pennsylvania Fraternal Congress I also attended all the meetings of their annual convention held in Wilkes-Barre, Pa. The report of these meetings has already been published in our "NOVA DOBA."

An unusual request was made of you between meetings that I asked you for permission to dismiss a local lodge physician. I wish to thank you for your cooperation in this matter. To avoid any embarrassing situation I asked this physician for his resignation which I promptly received. In this particular situation there was definite proof that his work was detrimental to the Union.

I wish to thank all the members of the Supreme Board and the members of the Supreme Trial Board for their cooperation during the past six months. I also wish to especially thank the home office and the local lodge officers for their promptness and efficiency in all matters relating to my work. I sincerely hope that all important questions that will be considered at this meeting will be decided so that this our Convention year will go into the history of our Union as the milestone in our progress towards a bigger and better South Slavonic Catholic Union.

Respectfully and Fraternally,

DR. F. J. ARCH, Supreme Medical Examiner.

Brat Michael Sunich od društva št. 9 prosi, da bi Jednota plačala zanjo in za njegovo ženo asesmente iz onemoglega sklada. Prošnji se ne more ugoditi, toda, ker sta oba člana načrtu "A," se jima priporoča, da premenita svojo zavarovalnino v načrt "AA," kar jima bo omogočilo dobiti posojilo.

Brat John Germ od društva št. 20 je 17. marca 1935 predložil zahtevo za odškodnino česa, da je izgubil od 80% do 90% rabe leve roke pod komolcem. Vrhovni zdravnik in glavni urad sta zahtevo odklonila, ker izguba ni popolna, a za delne izgube Jednote ne plačuje nobenih odškodnin. Član ni vložil priziv na glavni porotni odbor, pač pa sedaj zahteva od glavnega odbora, da se mu odškodnina izplača. Predlagano in podpirano, da se potrdi sklep vrhovnega zdravnika in glavnega urada, članu se pa svetuje, da vloži priziv na glavni porotni odbor in od tam na prihodnjo konvencijo. Predlagano in podpirano, da se poročilo glavnega tajnika SSPZ, da se oglašimo na obisk v Chicago, Ill.

Brat John Rovanšek od društva št. 36 se pritožuje radi prikrajšane bolniške podpore z leta 1933. Pritožbo je mnenja, da se je dolgo časa bolehn. Društvo je mnenja, da je porabilo že vse njeno rezervo, a naši knjige kažejo, da ima še nad 100 dolarjev te rezerve. Prošnja odklonjena.

Brat Frank Udovich od društva št. 30 je bil 17. maja 1935 operiran, a mu je bila zahteva za operacijsko odškodnino odklonjena, ker ni dovoljena v pravilih. Član se je pritožil na glavni porotni odbor, ki je po zatrdiril njenega društva nezdravljiva. Radi tega je društvo mnenja, da bi ne bilo več treba njenih nakaznic zdravnikom izpolnjevati. Glavni odbor se ne strinja z mnenjem društva, ker je v pravilih rečeno, da mora biti vsaka nakaznica za bolniško podporo ali za podporo iz sklada onemoglih izpolnjena od zdravnika.

Društvo št. 26 je odobrilo prošnjo sobrata Antona Pugelja, da bi se mu darovalo vsoto 10 dolarjev v pomoč kritja pogrebnih stroškov njegove umrle žene, ki pa ni bila članica naše Jednote. Društvo bi to vsoto samo darovalo, a ima prazno blagajno in sedaj prosi glavnemu odboru, da bi se ta znesek nakazalo iz glavne blagajne. Prošnja odklonjena.

Društvo št. 27 prosi glavnemu odboru, da bi odobril nekaj podpore iz sklada onemoglih za sestro Mary Arko, staro 66 let, ki je že dalj časa bolehn. Društvo je mnenja, da je porabilo že vse njeno rezervo, a naši knjige kažejo, da ima še nad 100 dolarjev te rezerve. Prošnja odklonjena.

Brat Frank Udovich od društva št. 30 je bil 17. maja 1935 operiran, a mu je bila zahteva za operacijsko odškodnino odklonjena, ker ni dovoljena v pravilih. Član se je pritožil na glavni porotni odbor, ki je sklep nižje instance potrdil. Brat Udovich se sedaj obrača na glavni odbor, da bi mu odobril primereno odškodnino. Glavni odbor obžaluje, da ni mogoče prošnji ugoditi, sonbrat Udovihu pa priporoča, da vloži prošnjo na prihodnjo konvencijo.

Cita se dopis od tajnika društva št. 31 v zadevi dveh članov in odbor se strinja z navodilom, katero bo poslal glavnemu tajniku.

Brat John Rovanšek od društva št. 36 se pritožuje radi prikrajšane bolniške podpore z leta 1933. Pritožbo je glavni urad odklonil na podlagi točke 334. Postopanje glavnega urada se odobri.

Sestra Marija Smolič od društva št. 37 prosi za izredno podporo iz sklada onemoglih. Zavarovana je samo za smrtnino. Društvo je prošnjo odobrilo. Odbor obžaluje, da prošnji ni mogoče ugoditi, posebno še radi tega, ker ima članica še nekaj rezerve na razpolago.

Brat Viktor Jerina od društva št. 40 je bil sprejet iz mladinske oddelka v odrasli oddelki dne 1. marca 1935, operiran pa je bil 12. julija 1935. Ker ni bil še šest mesecev član odraslega oddelka, je bila njegova zahteva za operacijsko odškodnino odklonjena. Član je mnenja, da bi se moral tozadno točko v pravilih pregledati, ker je bil prej 7 let v mladinskom oddelku. Prošnji ni mogoče ugoditi, ker veljajo pravila enako za vse člane; za tiste, ki so bili prej v mladinskom oddelku, in druge, ki so popolnoma na novo pristopili k Jednoti.

Sobratu Johnu Berce ed društva št. 18, ki prosi za podporo iz sklada onemoglih, se priporoča, da premeni zavarovalnino iz načrta "A" v kak nov načrt, kar mu bo omogočilo prejeti posojilo. Sestra Ivana Pauček od društva št. 42 je 20. oktobra 1935 predložila zahtevo za operacijsko odškodnino, ki ni predvidena v pravilih in je bila vsled tega od vrhovnega zdravnika in glavnega urada odklonjena. Na priporočilo vrhovnega zdravnika je stvar sedaj predložena glavremu odboru. Po kratki razpravi je stavljhen predlog, da se zahtevo odkloni. Predlog podpiran in sprejet soglasno.

Neki član pri društva št. 44 ima 4 člane svoje družine v odraslem oddelku Jednote in vsi štirje so upravičeni do Novo Dobe. Prosijo, da bi se glasilo trem članom ustavilo, njemu pa toliko manj računalno pri asesmentih. Prošnji ni mogoče ugoditi, ker se načrnična za list ne računa posebej, ampak se pokriva iz skupnega stroškovnega sklada.

Društvo št. 66 v Joliju, Ill., bo 19. julija slavilo 30-letnico svojega ustanovitve in želi, da bi glavni odbor poslal enega izmed svojih članov na slavnost. Predlagano in podpirano, da se poslje glavne predsednike.

Za sobrata Vincenca Urbanija je društvo št. 99 prošnjo, da bi mu nakazali nekaj podpore iz sklada onemoglih. V rednih bolniških podporah in odškodninah je član prejel \$1,134.00, onemoglostne podpore pa \$310.00. Član je sedaj zavarovan samo za smrtnino. Prošnji ni mogoče u

pomaga s \$50.00, zakar naj grdo društva zopet na delo ter pri-dobjijo novo število članov in članice za našo Jednoto.

Precita se pismo tajniku društva št. 186, ki priporoča, da bi

se naj skušalo najti sredstva, potom katerih bi se zamoglo finan-

cirati sportne ali zabavne aktivnosti tudi med člani mlaadinskega

oddelka. Tajnik Lunka je mnenja, da bi bilo mogoče rabiti denar

iz prebitka, ki ga ima mlaadinski oddelok. Glavni tajnik pojasnu-

je, da nam oblasti tega ne bi dovolile, da se pa lahko prosi državni

zavarovalninski department, da nam dovoli, da smemo vzeti od

vsakomesečnega asesmenta po 2 centa za upravnki sklad, mesto

enega, in s tem bi bili v stanu nudit finančno pomoč tudi klubom

mlaadinskega oddelka. Mnenje glavnega tajnika je, da 1 cent me-

sečno itak ne zadostuje za kritje upravnih stroškov mlaadinskega

oddelka, kajti to nam prinaša komaj \$800.00 letno, kar je vsekakor

prema, zato glavni naročna glavnemu tajniku, da stocpi v zvezo z zavarovalninskim departmentom države Minnesota

in skuša od slednjega izposovati dovoljenje, da smemo vzeti 2

centa od mesečnega asesmenta vsakega člana za upravne stroške.

Sklicujoč se na svoje priporočilo v poročilu na glavni odbor

in vpoštevajoč priporočilo tajnika društva št. 186 predloži brat

glavni predsednik sledičo resolucijo:

RESOLUCIJA

Ker se vedno in povsod poudarja pri naši Jednoti, da posvetimo kar največ pozornosti naši mlaadini, in, ker smo po zaključku mlaadinske konvencije izprevideli, da je to naše započeto delo med mlaadino obredilo obilen sad, in, ker vidimo v vseh ozirih zanimanje za našo Jednoto, posebno v našem naraščaju, radi tega se pridružujemo priporočilu glavnega predsednika, ter se ob enem pridružujemo sugestiji sobrata John P. Lunka, da se med našo mlaadino ustanove mlaadinski krožki, (Juvenile Circles) katerih namen naj bi bil v vseh ozirih oglaševati našo Jednoto.

Radi tega celokupni glavni odbor, zbran na letni seji 27. januarja 1936, priporoča vsem našim podrejenim društvom organiziranje takih krožkov, kateri bodo v veliko korist naši mlaadini ter najboljše oglaševalno sredstvo Jugoslovanski Katoliški Jednoti.

Predlagano in podpirano, da se resolucija glavnega predsednika sprejme. Sprejeto soglasno.

Seja zaključena ob 5:40 zvečer.

Četrta seja

Predsednik Paul Bartel otvoril četrto sejo v tork 28. januarja ob 9. uri dopoldne. Navzoči so vsi prejšnji.

Predlagano in podpirano, da se v mlaadinskem oddelku suspendirajo asesmenti za dva meseca, in sicer v maju in juniju. Član, ki bodo pristopili in plačali asesment v maju, naj bi bili asesmenta v juniju prosti. Predlog sprejet soglasno.

Predlagano in podpirano, da se koledarje naroči tudi za leto 1937. Predlog sprejet soglasno. Naročilo koledarje se izroči pododseku, katerega tvorijo sobratje Paul Bartel, John Balkovec in Frank E. Vranichar. Koledarje naj se naroči 10,500 in gotovi morajo biti do 1. novembra.

Oglas v Glasu Naroda se obdrži še za naprej.

Nagrada za nove člane ostane iste kot so sedaj.

Na podlagi priporočila glavnega predsednika in sportnega komisarja je glavni urad soglasno pooblaščen, da sme tudi ženskim klubom nakazati podporo iz sportnega sklada, toda ta podpora ne sme presegati vsote \$15.00.

Vse prošnje za podporo iz sportnega sklada morajo biti poslane na sportnega komisarja, ki jih s svojim priporočilom vred pošle na glavni urad. V mestu Ely živeči glavni odborniki tvorijo atletični odsek glavnega odbora in imajo pravico prošnje odobriti ali odkloniti.

Sobrat Stanley Pechaverju, predsedniku mlaadinskega pu-blicistskega odbora in stalnemu dopisniku Nove Dobe, se soglasno odobi vsota \$30.00 v kritje poštnine in pisalnih potrebščin.

Oglas na zastorju Slovenskega doma v Pittsburghu se ponovi za nadaljnjo leto. Ravno tako se ponovi oglas na zastorju Slovenskega narodnega doma v Waukeganu, Il. Gleda oglaša na zastorju Slovenskega doma v Indianapolisu, Ind., ni mogoče sklepati, ker nam niso sporočili pogovor.

Prošnje Prosvetne in dobrodelenne zveze v Pittsburghu se ne more upoštevati.

Dne 21. februarja se vrši v Chicago posebna seja Narodnega bratskega kongresa. Za delegata je nominiran in soglasno izvoljen brat glavni predsednik, njegov namestnik je pa brat Frank E. Vranichar, tretji glavni nadzornik.

Za delegata na prihodnjo redno konvencijo Narodnega bratskega kongresa je nominiran in soglasno izvoljen brat Janko N. Rogelj, prvi glavni nadzornik; njegov namestnik je pa brat Frank E. Vranichar.

Za urednika angleške sekcijs Nove Dobe je nominiran in soglasno izvoljen brat Louis M. Kolar, ki je že dosedaj zavzemal isto mesto.

Seja zaključena ob 12. uri opoldne.

Peta seja

Predsednik Paul Bartel otvoril peto sejo v tork 28. januarja ob 1:30 popoldne. Navzoči so vsi prejšnji.

Glavni tajnik in glavni blagajnik podata obširno poročilo glede stanja naših bondov. Tekom leta 1935 se je položaj znatno izboljšal in v tem letu obeta biti še boljši, vendar pa imamo nekatere bonde, ki jih bo treba vložiti pri takozvanih "Bondholders' Protective Committees," da se na ta način zaščitijo naše koristi. Radi tega je predlagano, podpirano in soglasno sprejet, da se glavnega blagajnika Louis Champa pooblašti, da vloži za \$35,000 Everglades Drainage District, Flcrija, bondov pri tozadevnemu zaščitnemu odboru v Toledo, Ohio, kjer so razne organizacije in posamezniki do sedaj vložili že nad 62 milijonov dollarjev teh bondov.

Poroča se, da je West Mantanzas Drainage & Levee District, Fulton County, Illinois, kjer ima naša Jednota za \$12,000.00 bondov, na robu totalnega bankerota, da je pa federalna "Reconstruction Finance Corporation" objubila priskočiti okraju na pomoci in je pripravljena odpelati te bonde po 24 centov od dolara.

Ker ni nobenega drugega izhoda, in ker je že nad 90% lastnikov teh bondov, med njimi tudi nam slične organizacije, pristalo v to ponudbo, je predlagano, podpirano in soglasno sprejet, da se glavnega blagajnika Louis Champa pooblašči, in on je s tem pooblaščen, da omenjene bonde pošte na Lewistown National Bank, Lewistown, Ill., v svrhu vnovčenja po 24 centov od dolara.

Šolski okraj v Cliffside Park, N. J., kjer lastujemo za \$10,000.00 bondov, želi bilancirati svoj proračun in je vsem lastnikom bondov stavljal predlog, da bi sedanje bonde, ki nosijo 5½% obresti, zamenjali za nove bonde, ki bodo nosili 4½% obresti.

V zadevi okrajnih šolskih bondov mesta North Little Rock, Ark., katerih imamo za \$5,000.00, sta glavni tajnik in glavni blagajnik pooblaščeni, da smete pristati v načrt, ki ga je predložila tvrdka Speer and Sons Co., pod pogojem, da je bil načrt prej odobren od 60% lastnikov bondov.

V pečatništvu naj bo rečeno, da so bili vsi navedeni bondi kupljeni še prej predno je sedanji odbor nastopil urad.

Seja zaključena ob 5:50 zvečer.

Šesta seja

Predsednik Paul Bartel otvoril šesto sejo v sredo 29. januarja ob 9. uri dopoldne. Navzoči so vsi prejšnji.

Glavni pomočni tajnik Louis J. Kompare naznani svojo resignacijo in izroči glavnemu predsedniku pismo sledeče vsebine:

Ely, Minnesota, January 29, 1936.

Mr. Paul Bartel,
Supreme President SSCU,
Ely, Minnesota.

Dear Sir and Brother:

The undersigned hereby tenders his resignation as Assistant Supreme Secretary of the South Slavonic Catholic Union of America, effective as of the above date.

Fraternally,

Louis J. Kompare.

Predlagano in podpirano, da se resignacija glavnega pomočnega tajnika Louis J. Kompare sprejme. Predlog sprejet soglasno.

V smislu pravil ima prevzeti urad glavnega pomočnega tajnika sobrat Louis Bavdek ed društva št. 136 v Kraynu, Pennsylvania, katerega je 14. konvencija izvolila namestnikom glavnega pomočnega tajnika. Glavni tajnik naj sobrata Bavdeka o tem obvesti.

Ker je s tem urad namestnika glavnega pomočnega tajnika izprazen, ima v smislu pravil novega namestnika izvoliti glavni odbor pri prvi naslednji seji. Pod drugačnimi okolčinami bi glavni odbor urad namestnika glavnega pomočnega tajnika brez dvomno razpisal in izbiral izmed prijavljenimi kandidati, ker pa odbor ne bo imel več nobene seje v tem letu, namestništvo pa mora biti vsekakor izpolnjenc, zato je nominirana in soglasno izvoljena za namestnico glavnemu pomočnemu tajniku sestra Barbara Matesha, prva pomočnica v glavnem uradu.

Glavnemu odboru se predložijo poročila glavnih odbornikov, poročnikov in poretnice ter urednika-upravnika Nove Dobe, katera se najde v redu in odbori.

Glavni tajnik naj zdrži društva, ki imajo manj kot 75 članov, da bi lahko bilo. Recimo da bi Liga narodov proklamirala embargc na kašelj ali da bi najvišje sodišče Zedinjenih držav proglašlo kašelj in kihanje za neustavno. Pathfinders Invite You to Their Feb. 22 Dance SSCU Bowling Tournament

Gowanda, N. Y.—Hello, Gowanda! Hello, Hidi! Hello, everybody. This is your old friend Teddy trying his hand at filling up this page. Heh! Heh! He wanted a good writer to pinch hit for him this week. If you don't think this is so hot, don't blame me. Heh!

Whoops! Are you all coming to the Pathfinders dance Saturday evening, February 22? Oklahoma Hank and his Western Entertainers will supply the music for both round and square dances. There is nothing that I like to hear better than Joey's charming voice. (I wonder if he still thinks he is better than Bing Crosby.) "Za kranjske melodije" we will have "Looch" Klancer and his accordion.

Every member of the Pathfinders is asked to help out with some of the work. Charles Sternisha, "Dick" Evans and Martin Vencina will be in charge of dishing out the beer. Of course they expect a lot of help, but when it comes to dishing out beer I need no invitation. Jennie Anderson and Harry Zakaitys will see to it that there is plenty of help in the kitchen. Jennie, who was recently married, knows all the arts of cooking. Hank Zuker will be chairman in charge of the sale of admission tickets assisted by Pete Turk. As taking care of the wardrobe we will have Joe Krall, Frank Schayach, Emil Kaluza and your wife. (They know where to get a good man, Heh, Heh.) Philip Palcic will take charge of selling refreshment tickets assisted by Thomas Sternisha, James Golcar, Louis Andolek and Ernest Palcic.

The new arrangements made are as follows: the men bowl every Thursday at 7:30 p. m. and the girls bowl every Tuesday at 7:30 p. m. A committee consisting of "Juke" Mozina and "Dizzy" Yearm was put in charge of the men, and a committee, consisting of Elizabeth Schmidt and Jennie Mozina, was put in charge of the girls. Our athletic supervisor for the year 1936 is "Shine" Oblock. John Schmidt and Antoinette Mozina are the publicity committee. (Some competition, Smitty.) Antoinette Mozina is supervisor over the girls, that is, she can tell the girls what to do and they must obey her. These instructions were given to her by the Sports Club chairman, Frank Yearm. Oh, boy, will I have some fun!

I would like to see our lodge have the best girls' team this year. It would be something to be proud of. Let us work hard and get all the practice we can. We do not have so very many more weeks before the bowling season will be over, so please do not miss a single Tuesday night at the bowling alleys. Next Tuesday, Feb. 18, we will arrange the girls into teams. There may be four teams.

Last Tuesday the highest score bowled was 139 by "Pebbles" Shiebler and the highest average for three games was 117, bowled by Jennie Mozina. Let us see who will beat these scores next Tuesday.

The second annual national SSCU open tenpin bowling tournament will take place in Waukegan, Ill., as decided by the supreme board in its annual session.

Tentative dates for the tournament have been set for April 18-19.

Clevelanders who plan to bowl and attend the two-day festivities will be interested to learn that the New York Central Railroad is offering a three-day excursion rate for the round trip of \$10.25 between Cleveland and Chicago, provided fifty or more individuals shall make the trip.

The elevated at Chicago runs a schedule of one trip every hour for Waukegan; the distance between the two cities being in the neighborhood of some 35 miles.

Center Ramblers

Center, Pa.—At the Center Ramblers' Sport Club meeting, held Sunday, Feb. 9, a few changes were made in the bowling leagues. For some reason or other, the bowlers were not showing up at the bowling alleys, like they were supposed to, until finally the league just broke. Here is where something had to be done, because there are still a number of bowlers who want to bowl and are looking forward to the tournament. I know the boys want to keep their championship in the duckpins. As for the girls, they want to come home with more than a rooky prize this year. How about it, girls?

Excerpts Taken From the Minutes of the Annual Meeting of the Supreme Board, SSCU HELD AT ELY, MINN., JAN. 25-29, 1936

Supreme President Paul Bartel opened the first session on Jan. 25, 9:30 a. m., with a message of greetings and urged the board to work for the best interest of the SSCU.

In memory of Bro. Joseph Agnich, first SSCU supreme president, who passed away Jan. 15, 1936, the board arose, paused for one minute, and then passed a resolution of sympathy. This was done likewise in memory of Bro. Rudolph Pletersek, first vice chairman of the 14th quadrennial SSCU convention.

Supreme secretary reports that 118 members from the adult department and 8 members from the juvenile department died during 1935. The board again paused for one minute in memory of the departed brothers and sisters.

Reports submitted by the members of the board were accepted as read. Supreme president in his report suggests the formation of Juvenile Circles as subordinate junior clubs within our lodges.

Highlights of the supreme secretary's report consist of the following:

Assets of our Union totaled \$2,039,546.98 as of Dec. 31, 1935; that is, \$1,904,884.41 in the adult department and \$134,662.57 in the juvenile department. Loans on members' certificates totaled \$129,045.89 as of Dec. 31, 1935.

Cost of the juvenile convention held in August, 1935, totaled \$2,989.15. Approximately 1,600 new juvenile members were enrolled as a result of the convention campaign, and to date OUT OF THE 1,600 ENROLLED LESS THAN 25 HAVE DROPPED OUT DURING THE LAST SIX MONTHS.

During the year 1935 a total of 2,772 new members were accepted into our Union: 932 in the adult department and 1,770 in the juvenile department. Our SSCU realized a net gain of 1,438 members in 1935. On Dec. 31, 1935, the adult department numbered 13,199 members, and the juvenile department 7,099, for a combined total of 20,298.

On Dec. 31, 1935, our Union numbered 185 branch lodges, and effective as of the same date 287 members are on the extended insurance list.

Total income during the last six months of 1935 in the adult department was \$209,285.20 and total disbursements over the same period were \$139,789.65, as brought out by the supreme treasurer in his report. In the juvenile department income totaled \$8,795.20, as compared with total disbursements of \$5,304.69. Clear gain in both departments amounts to \$72,976.06 between July 1 and Dec. 31, 1935.

The editor-manager of Nova Doba pointed out in his report that the mailing list to date totals 11,000 names, a decrease of 1,000, which was made possible through the information furnished by the home office, and which necessitated considerable extra work on his part. He further pointed out the necessity of promptly forwarding changes in the mailing list to the Nova Doba.

Chairman of the Supreme Board of Trustees reported that the trustees carefully examined all of the Union's securities on deposit at the Northern National Bank and found them intact. Interest coupons which will mature within the next seven months were clipped and prepared for the supreme treasurer, so that he may present them for collection when due. All of the trustees reported that the audit of books in the home office and that of the editor-manager proved satisfactory.

A resolution prepared by the Pennsylvania Federation of SSCU Lodges was considered in the light of how the Union can assist the federation in its worthy work. It was concluded that \$50 be given the Pennsylvania federation as a further incentive to continue its activities for the benefit of our Union.

Secretary of Lodge No. 186 proposes in his letter that ways and means be found to extend financial assistance to the lodges' juvenile clubs. The board, after considerable deliberation, instructs the supreme secretary to contact the Minnesota state insurance department in an effort to receive permission to appropriate 2 cents monthly from each juvenile member's assessments into the expense fund. At present 1 cent of each juvenile member's assessment is appropriated monthly for this purpose.

Assessments in the juvenile department shall be suspended during the months of May and June, 1936.

Our Union again will issue its own calendars for the year 1937. A committee of three was elected to handle the details and instructed to order 10,500 copies.

The same awards for securing new members remain in effect.

Athletic commissioner may also recommend financial assistance to ladies' clubs which are auxiliaries of the SSCU lodges, the amount not to exceed \$15.

All requests for financial assistance must be made to the athletic commissioner, who, after due investigation, shall forward his recommendations to the Supreme Committee on Athletics, consisting of the Supreme Board members residing in Ely, Minn.

After some discussion it was unanimously agreed that \$100 be the maximum amount any one lodge may receive as financial assistance from the sports fund during 1936. The athletic commissioner was instructed to investigate not only the sport activities, but also the lodge's past record in securing new members before recommending financial assistance. The following lodges were granted \$50 each financial assistance from the sports fund: Lodge No. 85 of Aurora, Minn.; Lodge No. 94 of Waukegan, Ill.; Lodge No. 40 of Claridge, Pa., and Lodge No. 200 of Ely, Minn.

What He Had

Said the smart little waitress, slipping up beside the customer: "I've got deviled kidneys, calves' brains, pigs' feet, chicken liver, and—"

"Forget it, sister," growled the cranky diner. "I've got a headache, eczema, fallen arches, corns, a bunion, three warts, and an empty stomach. Tell your troubles to someone else, and bring me some ham and eggs."

St. Michaels Invite the Public to Their Double Feature on Feb. 28 and 29

Claridge, Pa.—All is in readiness for that big card and bingo party which will be held by the St. Michael Lodge, No. 40, SSCU, at the Slovene National Home on Friday, Feb. 28. Tickets will sell at 25 cents, and don't forget, three big prizes will be awarded to the winners in euchre and 500, with additional prizes for bingo.

Don't leave your children at home, for they can play bingo at the small cost of one copper penny a card. The committee believes that this idea will meet with the approval of adults, and perhaps also serve as an accommodation to the parents who wish to take their children

BRIEFS

Pathfinders Lodge, No. 222, SSCU of Gowanda, N. Y. will hold a dance Saturday, Feb. 22d, at the Slovene National Home. Music will be furnished by Oklahoma Hank and his Western Entertainers who will feature both square and round dances. "Looch" Klancer will provide the accordion music in the lower hall.

Those who fail to purchase their tickets before the 28th may purchase them at the door.

On the following night, Saturday, Feb. 29, our lodge will hold a dance at the same place. Dancing will begin at 8:30 p. m. to the music of Bud Tragesser and his famous orchestra, including the girl vocal soloist. If you never heard this orchestra, then by all means be on hand on the 29th and avail yourself of a treat to hear some excellent music. This orchestra always attracts a large crowd.

Sometime during the dance awards will be made of the three cash prizes: \$10, \$6 and \$4. The writer requests all individuals to turn in their tickets beforehand.

Winners of all prizes will be announced in the Nova Doba as soon as it is possible to publish them.

From the Supreme Judiciary Committee

Barberton, O.—Appeal of brother Frank Bouha Jr., a member of lodge George Washington No. 180, in Cleveland, Ohio, because his claim for a sick benefit of the period from October 23, 1935, to November 21, 1935, was disallowed.

The executive committee of our Union reports that the claim was disallowed because the above brother's physician reported that he was only partially disabled.

A more detailed report was requested, and then received from the attending physician and from the above lodge. This supreme judiciary committee came to the following conclusion and decided: 1) It was proven by the evidence submitted that the above brother was totally disabled, during his sickness in period as above stated. 2) The above brother is entitled to a sick benefit, as per our by-laws, from October 23, 1935, to November 21, 1935.

What a Time!

WITH LITTLE STAN

Ely, Minn. — An orchestra and comes to his rescue! He plays the snappy strains of a serenade onto the dance floor, song entitled "Spring Time," and Mrs. Louis Perushek, experienced housewife de-luxe, comes into the kitchen. A sigh of relief as a few more ladies dash in, headed by Mrs. Dejak, Miss Kosmach, the young Kuzma and Seme gals, and before you know it, why the hot dogs are howling. Everything is in tip top shape for lunch! Sandwiches are made, coffee is poured, and everybody is served in grand style. Little Stan is safe! It takes a lady to do the cooking, he insists! And when the man comes into the kitchen's time for rolling pins and broom handles.

To present a clear picture of the eventful evening, Little Stan will give you a minute by minute report. Here goes!

We go back to Thursday. Little Stan had just finished publishing the weekly edition of the Shopper. Joe Champa, president of lodge No. 2 (Sra Jezusa — and Gophers), drops in, and we proceed to send out cards to approximately 305 members. In the meantime, that is, the next day, Joe and Stan made the rounds, around the town to arrange the eats.

Ah! Everything all set. Comes Sunday evening. As early as 6:30 members are showing up, until at 7 p. m. the lodge rooms are filled. Regular business is dispensed with in a quick and thoughtful manner. Business was over, yes!

Then, popped the question. Are we going to have beer? Arrangements for lunch were completed, but alas, the menu did not call for the beverage!

Louis Perushek, secretary, then came through in grand style to buy the first keg, and that really started something! The boys pitched in, and before we all knew anything, four empty kegs lay in the corner, out and empty.

But Little Stan is way ahead of schedule. Because in the meantime Frankie Kromar, and accordion, along with Marolt and Alex Debeltz were furnishing excellent dance music. Old Timers of the lodge, and younger Gophers were present, dancing to the strains of the popular polka of the day, "Pokoštiš," and popular numbers like "The Music Goes Round 'n Round!" Heh, Heh!

The first keg of beer arrives, and immediately the glasses are set forth. Little Stan's dad is bartender, most of the evening, and is joined soon by Yosh Mikolic. Boys is that beer flying away!

In the meantime, Little Stan is anxiously awaiting the arrival of several assistants who were to help prepare the refreshments, but alas no one showed up! In exasperation,

Little Stan filled a large pan with cold water (take lessons, ladies!) and dumped about 10 pounds of hot howling doggies into it (weiners to you). Then he turned on the electric stove, and began to wait patiently for the doggies to howl! Ten, fifteen minutes, a half an hour passes, still no signs of the weiners beginning to boil. Coffee water is simmering beautifully however. It was about the only thing that worked all right!

Stan's dad looks up, sees his lanky son in hopeless dismay

It's All Over

Cleveland, O.—The weather was not very pleasant for our sleigh ride or hay ride, but nevertheless a good time was had by all. The specified path was icy and this did not appeal to the horses where a broken leg would mean death to either of the dobbies.

An article in a former edition named Peppy Naniger to supply the dance music, but a final notice found us with Kid Kalin, pushing the buttons on his squeeze box.

The bunch piled in the riding accomodations at Tony Laurich's home at nine o'clock Saturday night with the old Collinwood Boosters' original anthem.

'One by one,
Side by side,
All together,
Three in a reach.'

The whole affair was a successful and enjoyable event with the exception of a few mis-happenings to and from our destination. Starting off with the first unwanted incident was Ham Laurich with his car getting caught in a snow drift, which took plenty of push and muscle to get out of. Second was the losing of an expensive wrist watch owned by Eddie Marolt. Third, the misplaced and unfound prized fur piece of a very enjoyable guest. Information about either of these articles will be greatly appreciated.

Finally arriving at the house, Kid Kalin opened the dancing with Red Sails in the Sunset, o which all who were present ianted to remedy the case of old feet. Ouches were heard whenever some dancer's cold toes were stepped on. After two hours of almost steady dancing, the accordion player picked up his guitar and strummed a few hill-billy songs and 'hops.'

At this time Nick Wagner finally showed us he was no lead beat by starting an old square dance, which proved to be an attraction for all present.

The affair ended with the accordionist harmonizing the melody of Round and Round, Three O'clock in the Morning, (slightly late) and Home Sweet Home.

Piling in our transportations we hit for the meaning of the last tune played. During the ride homeward a real definition for the song "Truckin'" was revealed. Half way home Rudy Agnich, dazed by the flurry of snow, smacked his car into another in an unexpected parking place (middle of the road). The occupants of his car finally got in a truck (they called it trucking) to each their ever waiting Home Sweet Home.

So with Rudy's car in the garage, Eddie asking "What time have you got," and a silk scarf trying to replace the warmth of a fur collar, I am lucky to run out of ink in order to save some room for other items.

John Laurich, Pres., No. 188, SSCU.

them!

And, in closing this little story, Little Stan wishes to send the following valentine to everyone, especially the ladies, and juvenile delegates. First; picture Little Stan busting through a heart. Got that picture in your minds? Right below, he writes the following:

"Tell Me Quick,
Before I Faint,
Is I Yours??
Or Is I Ain't" . . .

Heh! Heh!

Characteristics

East Palestine, O.—The ever-present spirit in the S. C. U. is one which leads us to be helpful to each and all—to do for others what we should like to have done for ourselves. When misfortune befalls a member, he can always depend on his local lodge to give aid as far as it is possible to do so. Members will gladly postpone other activities to make themselves available for assistance to some member whom ill luck has smitten. Go lend a hand in time of need is the theory upon which the institution was built. And the theory has always been practical.

Interspersed with the above named characteristics is the spirit of sociability. Many times during the year socials are held. Happy "get-togethers" they are, uniting and cementing the bonds of friendship and fraternalism. The SSCU mixes fun and seriousness for the benefit of the entire membership. No one can ever regret becoming a member of such an organization.

Joe Golice, No. 41, SSCU.

Cardinal Highlights

Struthers, O.—Hello, folks, how are you enjoying this zero weather? Jack Frost certainly means business.

We, the members of Cardinals Lodge, No. 229, SSCU, likewise mean business. Rhythm is our business, and although it is a long way off, it is something worthwhile to think over. In other words, we will hold a dance on April 25.

In this connection we will also sponsor an amateur contest to last about an hour and a half. This contest is open to all boys and girls 16 years of age or younger.

An excellent orchestra will be secured for the dance. I wonder how many out-of-town folks will be here to enjoy an evening of entertainment. What do you say, Frank "Samson" Drobnić? Will you be the first out-of-town visitor again?

The affair ended with the accordionist harmonizing the melody of Round and Round, Three O'clock in the Morning, (slightly late) and Home Sweet Home.

Piling in our transportations we hit for the meaning of the last tune played. During the ride homeward a real definition for the song "Truckin'" was revealed. Half way home Rudy Agnich, dazed by the flurry of snow, smacked his car into another in an unexpected parking place (middle of the road).

Baseball Club of Lodge No. 36 Meets Feb. 23

Conemaugh, Pa.—A baseball team was organized by the baseball enthusiasts of Lodge No. 36, SSCU at a recent meeting, with the following officers elected: John Kopler, president; Victor Rovanek, vice president; Wm. Butara, financial and recording secretary; and John Thomas, treasurer.

This baseball club will hold its next meeting Sunday, Feb. 23, at 2 p. m. in the Conemaugh Slovene Hall. All members are urged to attend as business of vital importance will be discussed, and plans for the ensuing year prepared.

Wm. Butara, Sec'y.

Hawkeye Sports

Ely, Minn.—The fast Hawkeye team started their second half of the basketball season by defeating the honorable Gophers. Matt Stukel started the guns booming by being the first to score; the other Hawkeyes followed, never to lose the lead throughout the game.

At the end of the first half the score was 11 to 8 in favor of our boys. During the second half both teams elected to pass the ball oftener in preference to shooting for the basket. The Hawkeyes had good defensive and a powerful offensive, putting the Gophers in a predicament. Matt Stukel was high with five points to his credit, while Golob and Svigel were right behind with four points each. Gophers' high man was Glavan, scoring seven points, Miklavcich and the two Hawkeye forwards played a good defensive game. When the final whistle blew the score was 24 to 16 in favor of the Hawkeyes.

Before the game Little Stan was out there razzing the Hawkeyes, but after the game he disappeared into thin air. Where art thou, Little Stan? The Hawkeyes are still looking for you. Don't forget, Stan, this was our revenge game. We're satisfied, are you? But after all, it certainly was a good game. How about it, Little Stan? Hubba, hubba, hubba.

The Hawkeyes defeated the Co-ops by a score of 22 to 19. The game ended only after two overtime periods. All in all, it was a very fast game, cleverly played by both teams. Miklavcich was high with five points, with the rest of the boys showing some good defensive teamwork. Our next game is with the Kay Jays, which we believe will be a tough battle.

A newcomer, John Stukel, will be with the Hawkeyes within two weeks, and then watch our dust. Along with Stukel, better known as "Gingles," who stands 6 feet 3 inches, we will have exactly four 1935 district champion players on our team.

"Dingles" was chosen the all-range center of the district champion team during 1935. At present he is playing for the Ely Jaysee team and is considered as the all-conference center of 1936. Watch us go to town, boys and girls.

John (Chief) Simonick, Secretary.

Rattlesnake Born Silent

Government biologists recently took the trouble to blast a few popular ideas concerning rattlesnakes and their rattles. They tell whoever might be interested that "rattlers" are not born with rattles, that their age in years does not correspond to the number of rattles they possess, and that nature did not provide the rattle primarily for the purpose of giving warning signals but rather for the purpose of calling during mating season. According to these scientists, the rattles are made during the process of shedding.

At birth the rattlesnake has only a button at the end of his tail with no rattles whatever. A few days after birth the last seven or eighth vertebrae in the tail harden into solid bone to serve thereafter as the shaker for the rattles not yet formed. When the snake sheds, all the skin except that on the tail button comes off in one piece. This piece of skin can't come off because of its shape, but it does harden and come loose and then slip off the button on to the shaker to form a rattle. This happens every time the rattle sheds and since he sheds several times a year the number of rings does not indicate his age.

It was accidentally discovered recently that small amounts of animal blood injected into the human body appear to cure ulcers of the stomach.

Electrons Sparks "n" Flashes

Cheswick, Pa.—At the time Stan's reference to the Supreme Board's supposed lack of knowledge on motives within the recent controversy implies more than the four words, at first appearance, may appear too; especially when considering the latter part of the fourth paragraph of the same contribution. Oh, certainly many quotations could be made, but for the present—sufficient Little Stan queries for a hand-shake; simultaneously dissolving himself of any ill feeling with the assertion that "all was in the spirit of kidding." In calling his mythical conference he allows a leave of absence to Bro. Somrock, an SSCU'er and the originator of the flare-up why so, again?

Let's be consistent and follow the advice of Ernest Paleic. Keep clear heads on all sides, and ALL keep clear heads. The writer wishes it to be known that the animal instinct, anger, at no time prompted him to retort. The fact that an admonishment was advanced for adherence to the by-laws, was done so in the light (so he thought) of necessity. It is a fact that the tiff did arouse the membership so far as reading interest is concerned, and they may respond with contributions, but certainly, in some instances the "kidding boudry" had been overstepped. A real debate or controversy can, and there is no reason to the contrary, be carried on in a sportsmanlike manner, presenting facts and refraining from slurring insinuations and insults, thus creating readers interest and no doubt a greater list of contributors to the Nova Doba. The past controversy could have been an inviting debate for such a purpose, serving it well, creating a wider contact for fraternalism and goodwill, had it been instigated with a feeling of more pleasantness . . . Et cetera . . . More on the Nova Doba and arousing readers later. Just another status quo, and not anger inspired. This, in reference to the present contribution.

Feather ticks

While the original echoes of East vs West pigskin encounter contributors to the Nova Doba, the past controversy could have been an inviting debate for such a purpose, serving it well, creating a wider contact for fraternalism and goodwill, had it been instigated with a feeling of more pleasantness . . . Et cetera . . . More on the Nova Doba and arousing readers later. Just another status quo, and not anger inspired. This, in reference to the present contribution.

Let's have more

From Ely appears a writer that certainly deserves commendation. Rudolph Perusek, No. 2, SSCU, contributes "Personality," "SSCU vs 1950" and "Public Safety," all three which are quiet laudable. Such work deserves praise and no doubt the other readers join me in saying, "We're looking forward to the succeeding contributions of Bro. Perusek. Also the Breezy News, by Patsy Krall, of Cleveland, which may be short—but snappy. Keep it up boys.

Looking at the SSCU Keglers Through a Keyhole

Cleveland, O.—Tony Laurich, one of the Pathfinder bowlers, sure knows how to knock down the pins. He picks off the first ball; then he bows a pair of glasses and knocks off the ten pin with the second ball. Some bowler, I don't know, better watch yourself! Skang Mercurio, there's competition for you.

Knut Hamsun:

BLAGOSLOV ZEMLJE

(Prevedel Rudolf Kresal)

(Nadaljevanje)

Tako so minila leta in spet se je bližala pomlad. Inger je spet pisala, da ji je dobro in da se v zavodu mnogo uči. Njen otrok je sedaj že velika deklka, ime ji je Leopoldina, kakor so jo krstili po dnevu njenega rojstva, 15. novembra. Vse zna in je v kvačkanju pravi ženij, vse je čudovito lepo izdelano, pa najsi iz kakršnega blaga.

Najbolj čudno v tem pismu pa je bilo, da ga je Inger sama pisala, Izak ni bil tako spreten in je moral dati pismo prebrati pri trgovcu v vasi; ko si ga je vblif v glavo, si ga je tudi zapomnil, in ko je prišel domov, ga je znal na pamet.

Z veliko slovesnostjo je sedel za zgornji konec mize, razgrniti pismo in gabral svojima fantoma. Oline naj tudi vidi, da zna pisanje gladko brati, sicer pa ji sploh besede ni dal. Ko je končal, je rekel: Tu le lahko vidita, ti Elizet in ti Sivert, vajira mala sestrica zna zdaj že več, kakor mi vsi skupaj. Ne pozabita tega, fanta! — Otroka sta se čudila in sedela čisto tiko. — Da, to je čudovito, je dejala Oline.

Kaj je hotela s tem? Ali je dyomila v Ingrino resnicoljubnost? Ali pa ni verjela Izakovemu branju? Olininega pravega mišljeneja ni bilo lahko uganiti, kadar je govorila z milim obrazem dvojnosti. Izak je sklenil, da je sploh ne bo več uvaževal.

In če se vajina mati vrne, potem se bosta morala tudi vidova učiti pisati, je dejal otrokom.

Oline je sušila nekaj kosov obleke, ki so viseli ob peči, porivala kotel sem in tja, preobčala obleko in se vrtela, ko da bi imela bogve koliko opraviti. Pa je ves čas le premišljevala. Če naj že bo tu v gozdu res tako imenitno, potem bi bil lahko kupil pol funta kave in jo prinesel, je dejala. — Kave? je dejal Izak, beseda mu je nehote ušla. — Oline je mirno odgovorila: Dosej sem jo po malemu kupovala zmerom iz svojega denarja.

Kava, ki je bila za Izaka sen in pravljica, mavrica! Oline se je, kakopak, rogala, ni bil hud nanjo; ampak nazadnje se je počasi misleči mož spomnil Olininega barantanja z Laponcem, in je jezno dejal: Da, jaz ti bom kupil kave! Pol funta si dejala? Zdaj kaj nisi rekla kar cel funt. Res, ne sme je manjkati. — Le nikar se ne rogaj tako, Izak, je dejala. Moj brat Nils ima kavo in dol pri Bredovih na širokem razgledu imajo kavo. — Kajpada, saj mleka nimajo, prav nič mleka. — No, tega ne vem, pa mi je tudi vseeno. Toda ti, ki toliko veš in znaš pisanje tako dobro brati, kakor kaka severna košuta teči, brž ko ne veš, da imajo kavo zdaj po vsem hišah. — Pokveta! je dejal Izak.

Nato se je Oline usedla na pručico in nikakor ni hotela molčati. A kar se Inger tiče, je dejala, če sploh smem izustiti tako veliko ime. — Reci kar hočeš, za to se ne menim. — Prišla bo domov in bo vse znala. In brž ko ne ima že zdaj na klubku bisere in peresa? — Da, to tudi imam! Da, da, je dejala Oline, zato se mi za vso to veličino, ki jo je dosegla, pač lahko zahvali. — Tebi? je ušlo Izaku. — Oline je ponjeno odgovorila: Ker sem ji vendar kot neznatno orodje pomagala edot.

Izak ni mogel ničesar več reči, besede so mu obtičale v grlu tiko je sedel in strmel predse. Ali je prav slišal? Oline je bila ko da bi ne bila rekla prav nič posebnega. Ne, v prerekjanju je bil Izak vedno zadnji.

Mrko razpoložen je tavaj zunaj okrog. Oline, ta živila, ki je živila in se redila od same zlobe — o, to je bilo pač edino narobe, da je ni takoj prvo leto ubil, je premišljeval in se koštil pred samim seboj. Zato bi moral biti mož, je premišljeval dalje. Mož — on? O, da, nihče bi ne mogel biti strašnejši.

In zdaj sledi smešen prizor: Izak stopi v hlev in šteje koze: tam stoejo s svojimi kozicami in so vse. Šteje krave, prašiča, štirirajst kokoši, dvoje telet. In ovce bi bil skoro pozabil! Izpregorovi glaso sam zase. Tudi ovce šteje in kakor v strahu pričakuje, ali so vse. Izak prav dobro ve, da manjka ena ovca, že dolgo je temu, kar je bil pogrešil, le čemu neki se zdaj pretvarja, ko da bi ne vedel? Ampak to-le je: Oline ga je takrat kajpada z medja in kozu utajila, čeprav so bile vse. Takrat je prav imenitno nasedel, toda iz vsega ni bilo nič. V prepriku z Olinom ni sploh nikoli prišel do dna. Ko je hotel v jeseni klati, je takoj opazil, da manjka ena ovca, a takrat ni imel toliko moči, da bi bil takoj obračunal, pa tudi pozneje se ni mogel nikoli opogumiti.

Danes je pa nasajen, danes je Izak nasajen, Oline ga je razčila. Znova šteje ovce, na vsako položi prst in šteje na glas. — Oline naj le sliši, stoji zunaj in prisluškuje. In z glasimi besedami reče marsikaj slabega! Olini: na povsem nov način da krimi ovce, da je kar iznenada kaka izgine, kaka ovca! Da je premetena tatinska nečistnica, če kaj razume! O, Oline naj le stoji pred vratu in naj se pošteno naplaši!

Trdih korakov gre iz hleva, stopi v konjsko stajo in šteje konja, edtot misli v hišo, da se znesi. Tako hitro gre, da mu njevova halja stoji kakor razdražena od hrbita. Toda Oline je morda skozi okno to ali ono opazila, mirno in pogumno stopi na hišni prag z vedrom za mleko v rokah in hoče v hlev.

Kaj si storila z ovco s plošnatimi ušesi? vpraša Izak. — Z ovco? — Da, in če bi šela, bi imela zdaj že dvoje jagnjet, kaj si storila z njo? Tako si mi vzel troje ovac, razumeš?

Oline je vsa zlomljena, povsem uničena zaradi obdolžitve, maje z glavo, zdi se, ko da bi ji nekaj izpodnašalo noge, tako, da nazadnje še pada lahko in se še kaj poškoduje. Toda njen duh več čas premišljuje, njena prisestnost je ji vselej pomagala, ji je zmerom prinašala korist, tudi zdaj je ne sme zapustiti.

Kradem koze in in kradem ovce, pravi tiko. Rada bi vedela, kaj ž njimi počenjam. Najbrže jih pojem. — Ha, to sama veš, kaj delaš ž njimi. — Tako, po tem takem v tvoji hiši, Izak, nimam jesti in piti v izobilju, primorana sem, da si nakradem. — Kaj pa si potem storila z ovco? Ali jo je dobil Os-Anders? — Os-Anders? Oline je kar vedra za mleko morala odložiti in tleskniti z rokami: Če bi le bila zmerom tako nedolžna! Kakšna ovca z jagnjetoma pa je to, o kateri govorš? Ali je tista koza, ki ima ploščata ušesa? — Pokveta! pravi Izak in hoče oditi. — To si ti smeseč čudak, Izak. Vse pelno imaja raznovrstne živine in v hlevu živali, da jih je za celo vojsko zvezd, pa še nimaš dovolj! Kako morem vedeti, katero ovco in katera jagnjeta zahtevaš od mene. Boga bi moral za njegovo usmiljenost hvaliti do zadnjega člena. Samo da mine to poletje in kos zime, pa ti tvoje ovce spet vržejo jagnjeta in dobil boš trikrat več, kakor imaš zdaj!

Precej naših rojakov in rojakinj iz našega mesta je, ki so vložili prošnje za prvi ali drugi državljanški papir že pred več meseci in nekateri že lansko letnico, in se čudijo, zakaj njih prošnje niso bile še rešene. Gleda tega se je naš klub že večkrat obrnil na naturalizacijski urad v Buffalo, N. Y., kamor s take prošnje pošiljajo, pa smo vedno dobili en in isti odgovor, to je, da vsled nenevadno velikega števila prejetih prošnjen, je nastalo toliko dela, da se isto ne more sproti izvršiti, ter da se naj potpri. Stvar je na prošnjo našega klubu preiskal tudi naš kongresnik, Hon. Dow W. Harter, kateri pa počela isto kot naturalizacijski urad, da so na Ellis Island zelo zapovedi in da razvijejo prošnje kot prejete po vrsti. Vsem takim, kateri imajo take prošnje, se naznanja, da ne preostaja nič drugega kot čakati, dokler pride na vrsto in da skrbno hrani potrdila o prejetju prošnje in denarja, na katerem potrdil je tudi številka zadeve, katera se potrebuje, ako se piše na naturalizacijski urad. — Za Ameriško-slovenski državljanški klub:
