AKCIJA ZA IZPOSTITVEV MOONEYJA

Veliko gibanje v San Franciscu. Apel za prispevke, ki jih je podprla naša konvencija.

San Francisco, Cal. — (Izvirno Prosveti.) — Agitacija za izpostitvev Mooneyja in Billingsa iz ječe je dan za dnevom močnejša. V zamahu je po vsej Ameriki. Ta žalosten slučaj je vsakemu čitatelju dobro znan. "Prosveta" je že dovolj pojasnila, kako sta ta dva delavca postala žrtvi vojne hysterije in kapitalistične maščevalnosti. Danes je jasno, da sta prišla v zapor po nedolžnem, toda omejena pravici, ki so ga uvedle v zaporu. Kalifornijski guverner Young se zdaj bavi s kupom pravega, naj ju izpusti iz ječe. Delavske organizacije so solidarne na delu, da pripravijo guvernerja o nedolžnosti Mooneyja in Billingsa. Dokazov je dosti. Ne sreča je le, ker imajo maščevalni kapitalistični interesi preveč vpliva na guvernerja in pritakajo njegovo politično.

Slovenski delavci se tudi zanimajo za to afero in želijo, da se Mooneyju in Billingsu popravi krivica, dokler sta še živa. O tej aferi je bila beseda na deveti redni konvenciji SNPJ. Konvencija je dovolila, da društva prispevajo denarno kolikor morejo v Mooney-Billingsov obrambni sklad. Vsi prispevki bodo objavljeni v "Prosveti." Poljite vse prispevke predsedniku SNPJ, br. Cankarju in on jih odpošlje na pristojno mesto v San Franciscu. Vsa pojasnila daje tajništvo obrambnega odbora. Naslov: M. E. Gallagher, Secretary Tom Mooney Defense Committee, Box 1475, San Francisco, Cal.

Obrambni odbor sestoji iz članov litarovca ulice št. 184, kateri član je Mooney. Bol za svobodo teh dveh delavcov stane veliko denarja, denar pa mora priti od delavcov samih, kajti drugi ne bodo dali, ker hočejo, da Mooney in Billings pogineta v dosmrtnem zaporu. Na pomoč vsi, ki delavsko čutijo!
Anthony Kantele.

Razlika med dvema mostnima upravama

Odpadki mesta Chicago povzročili veliko korupcijo; v Milwaukeeju nosijo dobiček.

Milwaukee, Wis. — Problem mestne sanitacije je važno vprašanje za vsako mesto. To posebno še za departmente — in za davkoplačevalce — ki se pečajo z mestnimi odpadki, ker ti kaj radi smrdijo, posebno še v večjih ameriških mestih, kjer so navadno še pomešani z republikanokodemokratsko korupcijo.

Kakor v drugih, se vlada mesta Milwaukee tudi v tem oziru precej loči od večine ostalih mestnih vlad, posebno pa od čelje. Namesto smrada in večjih stroškov dela milwaukeeška mestna vlada z odpadki še dobiček; iz njih izdeluje umetna gnojila.

Države v Južni Ameriki ne polagajo važnosti v Kelloggov pakt. Washington, D. C. — Vseh deset južnoameriških držav še do danes ni podpisalo takozvano Kelloggovo pogodbo. Med temi državami se nahaja tudi Mehika. Ker te države dobro poznajo stremjenja velekapitalističnih držav, posebno pa dolarsko diplomacijo Amerike, nimajo dosti vere v učinkovitost te pogodbe.

Bivši španski minister se ustrelil. Madrid, 2. jul. — Grof Sagasta, minister notranjih zadev v Canalejasovi vladi leta 1910, je izvršil samomor.

Družinska Prosveta!

Vsaka družina pri S. N. P. J. naj ima dnevnik

Zdaj je na programu da si vsaka družina, ki je včlanjena pri S. N. P. J., oskrbi dnevnik jednotinega glasila. Dva ali trije, največ trije, člani v družini lahko zamenjajo tednike z majhnim doplačilom za dnevnik. Vsa nadaljna pojasnila lahko čitate na drugem mestu.

Društveni tajniki! Opozorite člane družin na to ugodnost, ki je ne dobite pri nobenem drugem listu.

Protiv prislincem delu v kolonijah

Delavski zastopniki zahtevajo na šenevski konferenci, da imperialistične države odpravijo prislincno delo, ki so ga uvedle v razne kolonije.

Zeneva, Švica. — Najhujša pega imperialistične politike je prislincno delo, ki je uvedeno skoro v vseh kolonijah. Posebno Indija in Afrika je pod bremenom prislincnega dela, katerega forma se nič ne loči od telesne sužnosti.

V mnogih krajih Indije in Afrike, kjer imajo Anglija, Francija, Belgija in Portugalska obširne kolonije, je ljudstvo forsirano potom kolonialnih vlad v prislincno delo. Navada je, da vlada pošlje v nerazvite kraje vojaštvo, katerega naloga je s silo poloviti primitivna ljudstva, po cele rodove, in jih odvesti na velika plantažna posestva, kjer opravljajo delo pod pritiskom biča. Plača teh sužnjev se navadno uporablja za vojaške potrebe. To primitivno ljudstvo ni navajeno trdnega dela, je njih umrljivost v novih razmerah zelo velika. Le najmočnejši so v stanu vzdržati več kot par let.

Prislincno delo je uvedeno tudi v industrijskih krajih Afrike in Indije. V rudnikih in tovarnah navadno delajo primitivni delavci, ki so jih podjetniki na ta ali oni način pridobili v delo; nekateri se silo in drugi so zopet prišli prostovoljno. Zadnji namreč s tem, da so se pogodili s podjetniki, da bodo delali za gotovo dobo in plačo. Mnogi izmed teh skušajo posejati ušeti; nekaterim se posreči, drugim ne. Tiste, ki se jim beg ne posreči, uklenjejo v verige in v tem položaju opravljajo delo, dokler njih "pogodba" ne poteče.

Zastopniki organiziranega delavstva so na tekočem delavskem zborovanju Lige narodov najmočnejše protestirali proti obstoju te sužnosti v kolonijah raznih držav in zahtevali, da se ta sistem odpravi čimprej mogoče. Zastopnika nemških strokovnih unij Furtwangler in Jouhaux iz Francije sta argumentirala, ako imperialistične države ne nehajo s tem novim sistemom suženjstva, da se bo tlačno ljudstvo samo osvobodilo prej ali slej. Ker v slučaju, da zapadne kapitalistične države persistirajo s tem sistemom izkoriščanja orientalskega ljudstva in njih naravnih zakladov, se to ljudstvo zna nekoga dne dvigniti v maši proti zapadni civilizaciji ne glede na moč morilnega orožja in jo soroči v prah.

Jouhaux je argumentiral, da nima nobena država suverene pravice zasledovati brutalno politiko izkoriščanja. Vsaka država se mora podvreči volji vseh ostalih držav. In vse države pa morajo iti za tem, da se pomaga gospodarstvo in kulturno zaostlim narodom do resničnega napredka in višje stopnje civilizacije, ne pa ta ljudstva izkoriščati.

Calles odide na odmor v Evropo. Mexico City, 2. jul. — Plutarco Elias Calles, bivši mehiški prezident, odpotuje 7. julija v Evropo. Obišče več dežel in kasneje morda odpotuje tudi v Asijo.

Deklaracija angle- ške delavske vlade

Kraljeva poslanica in MacDonal-
dov govor sta dala povod de-
batii v parlamentu.

London, 2. jul. — MacDonal-
dova delavska vlada je danes predložila novemu parlamentu svoj program v obliki kraljeve poslanice, ki jo je prečital lord kancelar Sankey, in pa premijerjevega govora v zbornici. Ker je kralj Jurij še vedno bolan, so odpadle vse običajne ceremonije in parade — česar niso delavski poslanci prav nič pogrešali.

Po prečitavanju poslanice in govoru MacDonalda, v katerima delavska vlada Anglije naznanja, da hoče ustaviti tekmo oboroževanja na morju, izprazniti Porenje, stopiti v ponovne stike s sovjeti in rešiti problem brezposelnosti z raznimi praktičnimi načrti, je bila dana prva prilika torijskim opoziciji, da nastopi proti vladnem programu. Prejšnji premijer Baldwin in Lloyd George sta na dolga in široko odgovorila. Iz Georgevega govora bo rasvidna kako in koliko bodo liberalci kooperirali s delavsko stranko.

Učiteljice zahtevajo več osebnih svobod

Svoboda plesa, ljubezni, gibanja
na prostem in oblačenja!

Chicago. — Učiteljice, organizirane v Ameriški učiteljski federaciji, ki ta teden zboruje v hotelu Congress v Chicagu, se ogrožene pritožujejo, da se v mnogih reakcionarjih krajih Amerike od njih zahteva, da nastopajo kot kameniti kipi in ne kot živa bitja, ki morajo živeti in uživati življenje.

Osebnost in akademična svoboda. To je klic učiteljic, ki zahtevajo v svojem programu, da se odpravijo povsod naredbe, ki diktirajo učiteljicam, da se po osami urah zvečer ne smejo pokazati iz hiše, da ne smejo obiskovati plesišč, ne smejo igrati, ne smejo imeti moške družbe in ne smejo se oblačiti kakor druga dekleta in žene.

"Naše geslo je: demokracija za šole in šole za demokracijo!" je rekla Florence Hanson, tajnica in blagajnica organizacije. Druga zahteva je, da se odpravi sistem vsakoletnih pogodb za učiteljice. Kadar je učitelj ali učiteljica enkrat najeta, naj ostane v službi toliko časa, dokler opravlja zadovoljivo svoje dolžnosti. Odalovitev se sme izvršiti le potom javnega procesa.

Pet bojnih križarjev.

Washington, D. C. — Zvezni mornarični departament odda pogodbo za zgraditev petih novih križarjev dne 5. julija. Ti križarji predstavljajo prvo skupino izmed petnajstih novih bojnih ladij, ki jih je kongres avtoriziral. (To je replika "razbojevalne" politike ameriškega kapitalizma). Tri od petih križarjev zgrade v vladnih in dva v privatnih ladjedelnicah.

V ITALIJI KIPI NOVA IN VELI- KA KRIZA

Dva fašistična poslanca vključue-
na in 36 francosovov aretriranih.
Fašistične defraudacije.
Mussolini tih kritik k tlom.

Zeneva, 2. jul. — Poročila, ki arečno smuknejo skozi kordon fašistične cenzure na meji Italije, prinašajo zelo črno sliko položaja v Mussolinijevem kraljestvu. Križa, ki selo kipi, je politična in ekonomska.

Nedavno so italijanski listi na kratko poročali o spremembah v tajništvih fašistične stranke na deželi. Tajniki frče na cesto in prihajajo novi. Druga vest je, da je Mussolini izključil dva poslanca iz fašistične zbornice, ki je prišla v življenje v zadnjem aprilu. Eden teh, Fabricio po imenu, je bil hrcanji kmalu po volitvah. Izključili so ga tudi iz stranke. Vzrok ni naveden. Pred nekaj dnevi je bil izključen Barbellini iz Piacenze, ki nosi več odlikovanj kot vojni veterani. O njem poročajo, da je glasno kritiziral nekatero fašistične ukrepe, predvsem pa pakt s pappelem.

Nadaljnje poročilo se glasi, da je fašistična policija aretrirala 36 bivših odborovkov protosocialne loše v Italiji. Aretacije so bile izvršene v raznih mestih in val bodo izginali na otok Ponzo.

Zadnji teden so po severni Italiji krožile burne govornice, da je Edmondo Rossoni, bivša glava konfederacije fašističnih sindikatov, ponavnil večjo vato sindikatnega denarja in odkuril čes majo.

Gospodarski položaj v Italiji je vedno slabši. Trgovska bilanca iskazuje deficit. Senator Ancona pravi, da je ministrstvo poročilo dvojumno in zavajalno; vlada troši preveč denarja. Mussolini se je penil jese in dvakrat segel v besedo senatorju.

Končno poročajo, da je Mussolini sklical kabinetno sejo za 15. julija in pričakuje se izpembe. Zadnji teden je bilo 18 prefektov odstavljenih in imenovani so novi.

Nov morilni stroj.

Washington, D. C. — Morilni stroj zapadne civilizacije postaja vedno bolj perfecten in vedno silnejši. Vojni departament ima pred seboj ponudbo, da kupi patentne pravice za izdelavo nove oklopnjače, katero je iznael Walter Christie.

Prednost nove oklopnjače je v tem, da ima brzino 50 milj na uro na valjarjih in do 110 milj brez valjarjev. Brzina sedanjih oklopnjač je 18 milj na uro. Radi velike brzine je mnenje v armadnih krogih, da je nova oklopnjača tudi zelo uporabna v stavkah in delavskih demonstracijah.

Veliko pozorenje ameriške bur- zuanije v Rusiji.

Moskva, 2. jul. — Moskovski listi imajo dolga poročila o prihodu velike skupine ameriških trgovcev in kapitalistov v Sovjetsko unijo. Osemdeset jih pride in sovjetska vlada jim pripravila posebne ugodnosti, turneje in zabave. Charles Smith, predsednik rusko-ameriške trgovske zbornice, je aranžiral izlet po Rusiji. Delegacija trgovskega komisarijata sovjetske vlade sprejme Američane na meji s posebnim vlakom.

Kake elektrarnarski trust ko- rumpira ameriško časnopisje.

Clinton, Iowa. — Slika, ki prikazuje na kakšen način elektrarnarski trust korumpira ameriško časopisje v državi Iowi, je razvidna iz časopisa "Clinton Herald." V oddelku, ki je označen "Kratke vesti iz Iowe," je bilo v eni izdaji priobčenih pet vest. Izmed teh petih vesti so bile štiri navadna propagandna v prid trustu, peti vest je pa članek, ki razpravlja o seji lokalne organizacije tega kolosa.

Sodnik v Kenoshi obtožen korupcije

Priznal je, da je prejel subvencijo od kapitalista; vato dvajset tisoč je odsulil kot razsodnik med podjetnikom in tožitelji.

Madison, Wis. — Sodnik E. B. Bolden, ki je predsedoval o-krošnemu sodišču v okrajih Racine in Kenosha, je priznal pred preiskovalnim odborom, katerega je izvolil državni senat, da preiše sodnikovo afero, da je prejel od predsednika Simmons kompanije vato dvajset tisoč dolarjev. To vato je prejel kot posojilo leta 1913, katerega mu pa ni bilo treba vrniti.

Sodnika so pritirali na zatolno klop pleteninarski stavkarji iz Kenosha, Wis. Ko so pri zadnjih okrajnih volitvah tudi delavci nastopili kot politična skupina in izvolili nekaj svojih ljudi in o kraje urade, so ob prihodu v urad prišli do fakto, ki so tega delavstvu sovražnega sodnika postavili na sodiščno klop.

Sodnik se mora sezaj zagovarjati pred odborom radi korupcije, ki mu jo obtožnica očitata, in neprofesionalnega zadržanja. Pred njegovo sodišče je namreč prišla tudi tožba, naperjena proti njegovemu dobrotniku in o kateri je on odločil. Sodnik bo mogoče formalno obtožen po senatu in odstavljen, ako bo spoznan krivim.

Spopad med unijskimi in neunijskimi rudarji

Tudi Slovenci se se udeležili lo-
kalne prazne v Indiani.

Bianford, Ind. — (Izvirno Prosveti.) — Dne 28. junija je o-krog 500 organiziranih rudarjev zaprio neunijski rov Bono Coal kompanije v Dani. V jami je delalo 85 mož, ki so skobali. Ko ni bilo druge poti, da se ustavi neunijsko delo, so rudarji posetili šaht, ustavili ventilacijo in s tem prišli neunijske može, da so prišli iz jame, nakar so bili spodenj domov.

Bilo je precej rabuka in tepeza, ali nihče ni bil teško poškodovan. Kaj bo iz tega, se še ne ve. Prizadeti so tudi štirje slovenski rudarji.

Nov zakon dovoljuje več brzine avtom.

Chicago. — Od 1. julija je postavno dovoljeno motoristom, da lahko vozijo na cestah po deželi do 45 milj na uro, ne pa skozi mesta. Vsako mesto in mesteca ima svoje omejitve in na te je treba paziti.

Japonska vlada pada.

Tokio, 2. jul. — Vlada barona Tanaka, ki je bila dve leti na krmilu, je večraj podala ostavko. Jugo Hamagaci, vodja liberalnega elementa, je dobil mandat za sestavo nove vlade.

Stavka, ki nikomur ne koristi.

Baltimore, Md. — Štirje delavci je tukaj zapustilo delo na 34 nadstropij visokem poslopy Baltimore Trust kompanije. Vzrok stavke je jurisdikcijski spor med organiziranimi gradbenimi delavci.

Vitli poročevalca s konvencije N.B.Z.

Stančić je menja, da "bloki" o-
stanejo, kdor jih more odpra-
viti, je dobrodoel.

St. Louis, Mo. — Br. Jakob Stančić, ki je poročal Prosveti o poteku zadnje konvencije Hrvatske Bratake Zajednice, nam piše sledeče:

Zadnje konvencije naših organizacij so marsikoga vznemirile valed pojava takozvanih blokov na njih. Mi pravimo, da politike ne sme biti v podpornih jednotah in zajednicah, toda politika, kakršnakoli je še, je tukaj. Ne opaša se toliko na društvenih sejah, je pa na večjih zborovanjih. Zastopnik, ki savsema nevtralnost stališče, se popolnoma izgubi in vedoma ali nevedoma se kmalu najde v tem ali onem "bloku," če mu je to prav ali ne. To dejstvo sem opazil na dveh zadnjih konvencijah SNPJ in sedaj na konvenciji HBZ.

Politične struje in njih vplivi se nekako tako gibljejo kakor se žasa oblačnih ali državnih volitev. Delegacije so grupirani po političnem mišljenju, izdajajo svoje deklaracije in kandidatne liste. Na konvenciji HBZ bi bil vsak nevtralen delegat nemogoč. Razmere so to prinale in nihče ne sme biti tako naiven, da bi mislil, da ta pojav izgine šes noč. Se bodo grupacije in še bodo "bloki" pri SNPJ kakor pri Zajednici in pri drugih organizacijah. Kdor to kritizira, je dobrodoel s pravo solucijo, če more rešiti problem in odpraviti "bloke." Bojim pa se, da ni nikogar, ki bi imel tako solucijo.

Poglejte druge organizacije. Poljska Narodna Zveza je imela zadnjič kar dve konvenciji hkrati v Chicagu. Dva bloka sta zborovala vsak zase in potem sta iskala odločitev na sodiščih, kateri sklep so postavno priznali. Isprememba morda pride, kadar mladina ispodrine stare. Kakšno stališče zavzame mladina, je težko reči. Bodočnost nam pokaže.

Gledališki prvaki za Mooneyja.

San Francisco, Cal. — Tom Mooneyjev obrambni odbor je odposlal guvernerju Youngu peticijo za osvoboditev Mooneyja in Billingsa, na kateri so bili podpisani Chas. Chaplin, Eric Von Stroheim, James Cruze in drugi veljaki iz Hollywooda. Guverner Young se v kratkem času poda na polstne počitnice v južno Kalifornijo. Počitnice izrabi za študijo evidence in sploh ce-le zadeve teh dveh po nedolžnem saprtih delavskih voditeljev.

Sedemnajst odvratnikov proti petim.

New York, N. Y. — Dne 29. julija se prične obravnava proti zaprtim stavkarjem v Gastoniji, S. C. Staykarji so obtoženi umora poljskega šefa. Imeli bodo pet zagovornikov in proti njim bo postavljenih pa sedemnajst advokatov. Pričakuje se, da bo sodna obravnava trajala en mesec.

Upton Sinclair izgubil tožbo.

Denver, Colo. — Tožbo, ki jo je Upton Sinclair vložil proti dnevniku Rocky Mountain News, je bila za pisanje izgubljena na tukajšnjem sodišču. Sinclair je tožil list radi obrekovanja.

ODŠKODNIN- SKI ZAKON V MINNESOTI

Zgodilo se je to po zaslugi Ame-
riške jugoslovanke zveze.

Duluth, Minn. — (Izvirno Prosveti.) — Do leta 1929 je bil v Minnesoti v veljavi odškodninski zakon, ki je dalj konzulom evropskih vlad polno moč, da so lahko zastopali dediče tujerodcev, ki so umrli za poškodbami pri delu. Dediči, ki so živeli v stari domovini, niso imeli nobene pravice, da bi si imenovali zastopnika v takem slučaju in valed so se jim kratile pravice.

Na četrti letni konvenciji Ameriške jugoslovanke zveze, ki se je vršila v Chisholmu meseca avgusta 1928, je bila sprejeta resolucija z namenom, da se amandira omenjena točka delavskega odškodninskega zakona v državi Minnesoti v toliko, da dobe dediči v stari domovini pravico, da lahko sami imenujejo zastopnika, ki izvršajo odpravnino po njihovem umrlim sorodniku.

Glavni odbor zveze je šel takoj po konvenciji na delo in je dosegel, da je bila pri letošnjem zasiedanju državne zakonodaje v Minnesoti predložena izprememba v tem smislu in tudi sprejeta. To je dokaz, da zveza le neka koristi in da organizacija več doseže kot pa posameznik, na katerega se navadno nihče ne osira.

Novi zakon adaj dediči od umrlih sorodnikov sami imenovati in pooblastiti kogar hočejo, da izvršajo v njihovem imenu denar, ki jim gre po odškodninskem zakonu.

Ena razporeta v Chicagu

Eni je bil ratio ena in pet. 1929
parov ločenih v prvi polovici
tega leta.

Chicago. — Uradne številke ob koncu fiskalnega leta; ena razporeta na vsako štiri poroke v prvi polovici leta 1929. Pred enim letom je bila ena na vsakih pet. Napredek!

Od 1. januarja do 30. junija 1929 je klerk Robert M. Sweetser za okraj Cook isdal 20,997 poročnih licenc, istočasno pa so razporeta sodišča v tem okraju ločila 5629 zakonahkih dvojce.

Statistika tudi kaže, da od vsakih štirih razporek so tri istošene od žene in samo ena od moša. Približno 4000 ločitev so zahtevale žene, ki so v 85 slučajih navedle okrutnost in deseticjo kot postaven vzrok. Pija-nost je bila navedena v manj kot desetih odstotkih in nevestoba v manj kot petih odstotkih slučajev.

To pa še ni vse. Pred sodišči se v tem momentu nahaja 14,013 tožb za zakonske ločitve, ki še niso rešene.

Štotožba za organiziranje delavcev.

Philadelphia, Pa. — Konvencija pletenarskih delavcev je sklenila, da se prenese in blagajne štotožbe dolarjev v organizatorični fond. Ta fond se bo rebil izključno za organiziranje neorganiziranih pletenarjev. Novo kampanjo bodo vodili trije zelo energični voditelji.

Kongresnik De Priest nazval fa- natike iz juga strahopote.

Cleveland, O. — Zamorski kongresnik Oscar De Priest iz Chilocaga je na shodu organizacije za napredek zamorskega ljudstva, ki se je 1. t. m. vršil v tem mestu v navzočnosti dva tisoč oseb, nazval poslanca v državnih legislaturah južnih držav s strahopetci in hinavci, ker so se sgrušali, ko je mra. Hoover povabil njegovo soproga na čaj v Belo hišo. Dalje je De Priest dejal, da je bilo sgrušanje samo poteka demokratskih politikov na jugu, da vzbude še večje mrtnje proti zamorcem.

LJUDSKI GLAS

Svobodna beseda članov S. N. P. J.

(Na temelju resolucije o svobodni tisku v S. N. P. J. sprejete na deveti redni konvenciji v Chicago, ima vsak član S. N. P. J. pravico, da stvarno in dostojno kritizira posamezne člane, društveno upravo, gl. odbor ali njegove zaključke, posamezne odseke gl. odbora, posamezne odbornike ali jednotno gospodarstvo. Kritika ne sme obsegati več kot 500 besed v eni objavi in mora biti podpisana v polnim in pravim imenom pisca in dodana mora biti njegova društvena številka. Kritika ne sme pisati ničesar, kar bi kršilo ali priporocalo kršenje federalnih in drugih zakonov, vsebovalo kriminalno obtoževanje (libel per se) ali kar se ne ujema s prvimi odstavki naših izjave S. N. P. J. V ostalem je vsak pisec sam odgovoren za vsebino svojega dopisa v tej koloni.)

Več zanimanja za seje.
Detroit, Mich. — Nikakor mi ne da srce miru, da ne bi povedal javnosti, kar mi že dolgo časa leži na vesti. Najprej naj omenim društvo št. 121 SNPJ in pa to, da napredujemo v tej naselbini se precej, posebno pa na južnem delu mesta, ki ga mnogi imenujejo Balkan. Tam se tudi nahaja tisti "progressivni blok", ki je sinko razupitega Bartulovića.

Na redni mesečni seji dne 16. junija sta naša vrla delegata podala konvenciji poročili in odgovarjala sta na vsako stavljeno vprašanje. Niso se zadovoljili blokaši z njunimi odgovori in so zahtevali diskuzijo, ki jim je ni brat predsednik dovolil na seji, kajti na dnevnem redu dotične seje so bila druga bolj važna vprašanja, ki jih je bilo treba najprej rešiti. Nato so pristali Bartulovića stavlili predlog za izredno sejo, ki jo izredno za diskuzijo, da se bo tudi brat Latin lahko zadovoljil ter poročal, kar mu je brate Bartulovića naročil.

Brat predsednik kot delegat devete konvencije se je izrazil, da je pripravljen vsak čas in vsakomur odgovorjati ter z vsakim diskutirati. Za izjavo mu gre vsa čast, zakaj za pošteno delo, ki ga vrši kot predsednik in ga je vršil kot delegat, se mu pač ni treba ničesar ustrašiti, tudi samega Bartulovića ne.

Sklepa in voli se pri nas mnogo. Na prošli redni seji je članstvo sklenilo, da se pomaga tekstilnim delavcem na vzhodu in v Južni Karolini. Stavljeno je bil predlog, da se da iz stavkovnega fonda \$60. Večina se seveda bila za to, da se jim pomaga, kar je pravilno. Ampak, potem ko je prišlo vprašanje, da kam se to pošlje, je bil stavljen predlog, da se pošlje na gl. predsednika, ki bi imel odposlati na pristojno mesto. Bartulovićevo so stavili protipredlog, da se ne pošlje na gl. predsednika. Nekateri so dožili gl. predsednika, da ne pošlje pravilno ter da lahko dokažejo, da tudi prošlo leto ni pošiljal na pravo mesto ko je šlo za pomoč premozarjem, kakor je bilo objavljeno, temveč da je tudi on pošiljal direktno na Lewisa. Iz tega razloga je bila večina za protipredlog, ki se je glasil, da se pošlje na v to odredjeni odbor v New York. Vsaletga prosim gl. predsednika, da odgovori br. Latinu, če je kaj resnice na stvari, kar mu podkajajo glede podpore premožarkim stavkarjem.

Bratje, to je sramotno za društvo in za celo jednoto, da se danes ne verjame tudi gl. predsedniku. Zakaj pridemo mi do takih ničrednih debat in zaključkov? Zakaj? Zato, ker se ne udeležujete društvenih sej, in kar vas pride članov, ste tako neestrni, da niti eden ne more počakati zaključka seje. Dosti žalostno za nas Slovence in Hrvatce našega društva. Kolikor članov šteje društvo in kolikor jih pride na seje, bi jih lako na prste preštel. Lahko bi s številko napisal število članov pri našem društvu in številko, ki se jih udeleži sej, pa me je, resnično povedano, sram. Zato bratje se vam ni treba razburjati glede zaključkov rednih ali izrednih sej: konca bi bili počakali, pa bi bilo vse drugače.

Opozarjam vse člane in članice našega društva, da vas dolžnost veže, da ste prisotni na društvenih sejah, kajti dosti dela nas čaka in dosti važnih stvari imamo rešiti, ako hočete, da bo društvo res ostalo društvo "Detroitskih Slovencev". Ime je lepo, ampak žalostno tudi v marksiterem pogledu. Zakaj? Zato, ker se ne verjame več gl. predsedniku in ne društvenemu predsedniku. Pri nas predsednik še do sto šteti ne zna (zna se se mu ne verjame). Verjame se pa Bartulovićevo selom,

potem se pa sgražamo na vse mogoče načine.
Le-to vas vprašam, bratje Slovenci in Hrvati: Ali vi delate v korist društva in jednote ter delavcev? Ne, nikakor ne! Delate razdor in se grizete med seboj, mesto da bi delovali skopno za boljši delavski razvoj in napredek delavskega sloja. Kajti edino v slogi je moč! Nikakor pa ne v takih nastopih ki jih uprizarjajo pristasi Bartulovića. O tem imamo dovolj dokazov.

Naj zastopujete te vrstice za enkrat, ko bo potreba bom pa spet podal svoje mnenje v javnosti glede boljšega umevanja in boljših odnosov med člani društva št. 121 SNPJ.

John Jane, član društva št. 121.
Opomba uredništva: — Ostali del dopisa, ki se nanaša na lokalne delavske razmere, je bil priobčen večerj pod rubriko "Glasovi iz naselbin", ker v koloni "Ljudski glas" spada le polemika o društvenih in jednotnih zadevah sploh.

Pomembne koristi z ustanovitvijo ženskih društev.
West Allis, Wis. — Eden izmed dobrih sklepov, ki jih je deveta konvencija SNPJ sprejela, je bil gotovo odobrenje predložene resolucije v prid ženskim društvom, označena "stimulacija ženskih društev".

Smisei te sprejete resolucije je: ustanovitve ženskih društev tam, kjer jih še ni in je prilika zato, da v tem oziru jednota, sporazumno z brataki društvi, moralno pomaga in v sestranako sodelujejo pri porast in povečanje števila ženskih društev.

Resolucija vsebuje predvidevanje potrebo v splošnem interesu, da se članice vsposobljajo in spodbujajo za aktivno delo na društvenem polju; da se jih potom ustanovitve ženskih društev najuspešnejše izobražuje v duhu razredne zavesti in se jih postavi na stališče enakopravnosti, za razumevanje in sodelovanje v socialnem boju. Neštokrat dokazani fakt je, da ravno ženska ignoranca je najhujša ovira v napreduku razrednega boja, osobito začasa stavk itd., kar bi bila pa lahko njih stanovska izobrazba obratno v prospah istega. Poleg tega se pa še žensko nevednost po gospodujočih elementih izrablja kot orožje proti delavskemu boju.

Zato je akrajni čas, da se posveti žensstvu več pozornosti, da se jim nudi bistveno vso priliko, da se izobražujejo in udeležujejo v razrednem boju kot naša skupna moč proti kapitalističnemu sistemu. Zeleti je, da se jednota in brataki društva takoj lotijo dejstvenega dela v smislu sprejete resolucije in tako pokažejo, da se zavedajo, da je v splošnem interesu napredka, da nadomestijo z aktivnim delom, kar je bilo dosedaj v tem oziru zamajenega.

Osobito pa je zeleti, da se članice na podlagi te resolucije trudijo zgraditi močne in številne postojane ženske društve; pokazati je treba, da se zavedamo naših pravic in dolžnosti, da hočemo iz temne ignorance ven v svetlo izobraženost in da se hočemo boriti proti onih hipokritom, ki nas namenoma potiskajo v senčno ozadje, kot nekake podljudi.

Sestre širom Amerike, s tem se vas poziva, da greste jaderno na delo za mnogobrojno pomožitev ženskih postojank! Poslužite se pravice in pomoči, ki nam je zajamčena v omenjeni resoluciji!
Poleg tega mi dolžnost vele-va, da se vsem čikaškim sestram iskreno zahvalim za njih prijazne simpatije in podarjeni velik šop krasnih cvetic meni, ko me je za čas konvencije nemilostno nenadoma vrgla na boniško posteljo. Sestre, ne najdem dovolj lepega izraza, s katerim bi se vam zamogla do-vojit globoko zahvaliti in ozna-čiti, kako sem bila ginjena in vesela podarjenih cvetic. Vaša prijateljska naklonjenost iskrene-nega sočutja s menoj mi bo o-stala trajno v hvaleznem spo-minu in vsa moja globoka ginje-nost naj bo izražena v kratkih skromnih besedah: Hvala lepa!
Kot novico moram sporočiti, da je tukajanje žensko društvo "Venera" na svoji prošli seji sklenilo, prirediti veliko jesen-sko veselico dne 13. oktobra t. l. Uljudno vabimo, da se priprav-ite na obilni poset od blizu in da-leč. Naša iskrena želja je, da nas posetijo tudi sestre sosed-njih društev, tudi "Nada" ni ta-ko oddaljena, da bi nas ne mo-gla počastiti s svojim obiskom.
Za društvo "Venera",
Christina Omahoe.

Na dan z resnico!
Trinidad, Colo. — Cenjeno uredništvo! Prosim, da mi od-stopite malo prostora za teh par vrst. Ne pišem rad, ali prisiljen sem radi moje poštenosti in ob-enem poštenosti drugih članov in delegatov 9. konvencije SNPJ.

Konvencija je končana, dele-gati so že večina poročali svo-jim društvom. Ker sem bil tu-di jaz zastopnik dveh društev, št. 66 in 201, sem poročal na seji društva, kateremu pripa-dam. Poročal in odgovarjal sem na vprašanja in zadovoljen sem bil, ko sem videl članstvo veselo in zadovoljno. Izrekli so mi zaupnice za moje delo, a na vse drugačne misli sem naletel pri društvu št. 201 v Ludlowu. Ko sem podal poročilo, sem se izrazil, da odgovarjam na vprašanja. Prvo je vstavil društveni tajnik Martin Kováč, da se nisem ravnal po tem, kar sta mi društva naročila. Zatrjeval sem jim, da sem, da saj imamo za-pisnik. Rekel je, da zapisanik je pristranski in da ne verjame v zapisnikarja, ki smo ga imeli na izredni seji ter da jaz sem šel samo na konvencijo iz časti-hlepčnosti, ne pa za dobrobit or-ganizacije. Potem je pa pričel udrihati po delegaciji, da smo bili sami izsajski na konven-ciji.

Zato apeliram na vse tiste, ki ste prisostvovali konvenciji, po-sebno pa še na tiste, ki ste za-vzeli odgovorna mesta v uradu, da ga vprašate, da kaj smo na-zadnjakega storili in obnem tudi na glavni porotni odsek in njihovega pooblaščenca, brata Joe Hočevarja iz Pueblo, Colo., naj on razjasni in pove, koliko podkupnine je prejel ko je pri-šel zaslišat društvo št. 66. Mi-slim, da bo lahko odgovarjal, ker nima črne duše.

Da pa še malo bolj javnost izve, kaj je resnica, naj še to omenim: Prosil sem društvo 201, naj pridejo z resnico na dan. Par se jih je odzvalo, a drugi so mu pa verjeli, ko je stavlil predlog, da se meni ne da zaupnice, in večina je glasova-la za njegov predlog, to pa zato, ker se ga večina boji. Zato ape-liram na javnost, naj se ga, ne boji in ga vpraša za pojasnilo. Toliko v vednost.

Pozdrav vsem članom in čita-teljem Prosvete!
Edward Tomasić,
preds. društva 66.

Razpisimo dnevnik!
Breezy Hill, Kans. — Ker smo se sedaj že do dobira oddah-nili od večnega pitanja s kon-vencije, priporočam, da bi se vsak član os. vsaka hila naro-čila na dnevnik Prosveto. Na konvenciji sem videl, da je bilo veliko govorenja brez potrebe, še več pa je bilo te vrste raznih pitanj. Vsega tega bi ne bilo, ako bi bili vsi člani in delegati naročniki na dnevnik Prosveto že več let.

Najmanj se mi je na konven-ciji dopadla "inteligenca" nekaterih (jih je bila le mala sku-pina), ki so ob vsaki priliki pričeli vpiti, posebno če ni bil go-vornik iz njihovega tabora. Ako je govornik na mestu, če je njegovo izvajanje na dnevnem redu, naj se ga pusti, da skon-ča, in ako kateremu ni všeč, naj počaka, da pride on v vrsto, pa mu naj dokaže, da je v zmoti.
Za deseto konvencijo priporo-čam Matiji Pogorecu, da pri-nese predsedniku tako kladivo, kakršna imajo v starem kraju drvarji, pa bo s tistim razbijal ter tako preprečil, da ne bo to-

liko pitanj. — Prijaznim Čika-gom se zahvaljujem za njih gostoljubnost, posebno O. T. on u Susterju, ki je prišel na kolodvor pome, obenem tudi njegovi seni za prijazen sprejem, dalje Frank Fršeličvi družini in družini Rakovc ter pečlarju John Cre-mošniku, Cerjakovim, Somra-kovim in Burgarjovim. Pri vas sem se počutil prav tako kot pred dvema letoma v stari do-movini, ko ste me vozili po ta-kih krajih, ki so v Kansasu sma-trani progressnim. Hvala lepa vsem skupaj!

Iskrene pozdrave delegatom in članom! Zeelim veliko na-predka jednoti v bodočih štirih letih!
Frank Sikole, delegat.

katerih pravi: "Ako je član bo-lan in je na podpori, da gre la-hko v kinematograf ali pa kam drugam, a v cerkev ne sme." Če gre (kakor on piše) v šov, dobi podporo, ako pa gre v cer-kev, ne dobi nobene podpore. To je absurdna laž. Kako je more en frantičkan predstaviti član-stvu! Naj Severovič dobro pre-gleda pravila SNPJ, pa bo videl, da je vse drugače, ne tako kakor on trdi. Naj malo bolj pregleda pravila, pa bo videl, da ni res tako kakor on piše. V pravih piše tako: Člen XXIV. Bolniška podpora, 15. stavek, stran 93: "Bolni člani se morajo ravnati strogo po pravih jednote in na-vodilih zdravnika. Na sprehod smejo iti le z zdravnikovim do-voljenjem in nikoli po osmi ur zvečer, izvzemši če imajo zato posebno dovoljenje od zdravni-ka. Obiskati ne smejo nobenih javnih prostorov, kot so gleda-lišča, prodajalne, gostilne, cer-keve, plesišča, pikniki, javni shod-i trgi ali sejmišča, sploh no-benega javnega prostora (public place), izvzemši brivnic in le-karn; dalje ne smejo obiskati nobenega prostora, kjer se to-čijo opojne pljace."
Toliko v pojasnilo frantičkanom, da bodo v bodoče pisali le resnico, pa ne laži. Zakaj bi pa ali bolniki v cerkev? Saj jih mo-re toliko pamet učiti, da kamor bolniki zahajajo, da tja niso ba-cile, a gotovo se največ otroci in drugi ljudje naberejo bacilov ravne v cerkvi.

Nadalje piše, da so se "pri-vleki rdečkarji v HBZ in da jo hočejo uničiti." Da, v resnici, poglejmo in videli bomo drugo sliko: Frantičkan delajo na tem, da držijo delavstvo pod no-gami, da jim privedejo vajat za vrat in jih tako držijo, da lahko delodajalci ravnajo z njimi ka-kor si sami žele. Pokornost, trpljenje, šiveti miserno, kopi-čiti bogastvo za svoje gospodar-je, prinašati kar največ za cer-keve, da duhovni lože trošijo de-lavski plod po raznih zabavi-ših, banketih itd., a ubogi de-lavec ne sme nikamor. Ampak, kakor duhovni pripovedujejo, da oni, ki trpijo, bodo šli po smrti v nebesa in tam živili vse dobro. Socialisti in boljševiki govore drugače: duhovni mora-jo držati roke proč od delavskih pod. org., ker niso njihove. De-lavstvo se mora organizirati ne-samo v pod. org., ampak tudi v strokovnih in političnih org., da se bojuje za svoje pravice. Manj ur dela, večje mesdo, več zraka in kruha, boljše stanovanja in boljše hrano, več dobrih knjig in čitalnic, z biblijo pa v muzej, iz cerkve se naj napravi šole in bolnišnice. Duhovni naj oprav-ljajo koristno delo, nune pa v kuhinjo, da se nauče kuhati, kar bo v korist celi družbi.

Bogastvo in siromaštvo se mora odpraviti ter postaviti en red in enakopravnost za vse. Kdor dela, naj tudi živi, kdor pa noče delati, ni vreden sadu drugih rok. Ljudje, ki so na-sprotni razvoju, so nepotrebni in nevredni, da žive med civil-iziranim narodom.

EN AVTOMOBIL NA PET OSEB.

Avtomobil se je rodil v Združenih državah, se tukaj najbolj razvil in prišel do največjega razmaha. Danes predstavlja kolos med industrijami. Po seznameh registriranih avtomobilov v Združenih državah jih je bilo l. 1928 vpisanih 24,498,124, kar predstavlja 1,359,883 več kot prejšnje leto 1927. Te podatke je obelodani Bureau of Public Roads od poljedelakega departamenta zvezne vlade. Številno vključuje osebne avtomobile, avtobuse, takajse, tovorne avtomobile in cestne traktorje. Razun teh je registriranih 184,000 "trailers" (vlačilnih vozov) in 118,000 motociklov.

Newyorská država predvodi listo s 2 milijonoma motornih vozov. Kalifornija je druga s 1,800,000, Ohio je tretja s 1,650,000, potem prihajajo po vrsti Pennsylvania, Illinois in Michigan po številu registriranih avtov.

Editorial Notes

Our organization is doing creditable progress so far as procuring of new members is concerned. Yet this is not done at a rate that could be if all of us would resolve to plug for our respective lodge. The fundamental principle of a fraternal society is that the matter of increasing the membership and keeping it at an average age, well within the safety zone, is cooperation of the members. They are expected to give of their influence and some of their time to this important feature, and if every member would do so only to the extent of furnishing the names of prospects to those who might be interested in securing new members, we would make wonderful progress—easily four times as much as is accomplished at the present time.

Today the word cooperation is stressed quite frequently. We have been stressing it, our branch officers and other active functionaries are harping on it occasionally. Why not? You who are reading this, get right down and write the names of a few of your friends and acquaintances and give them to your lodge secretary or lodge president or some other branch officer. In either case it will be taken care of, and, if it is possible to write those whose names you furnish, it will be done and it will be a help to those who are looking after that lodge of the business.

On July 1 the new by-laws as accepted at the ninth regular convention became effective, and the old by-laws were discontinued. Copies of the new by-laws will be mailed to all subordinate lodges shortly upon the completion of necessary changes. One copy of the Slovene version of the new by-laws has been mailed to each subordinate branch to meet the immediate emergency needs that might arise before the main office will be able to furnish all English-speaking locals with English copies. This interim policy of temporary duration was deemed necessary to avoid confusion. Aware of the fact that some handicaps will tend to emerge in the meanwhile, we ask all the concerned to cooperate with us and help frustrate misunderstanding.

Have you ever considered what

Lodge News Notes

ATHLETIC FUND

Kenosha, Wis.—The "Stalwart" Lodge of Kenosha is giving away a beautiful forty-dollar sport watch to the holder of the lucky number on July 20, 1929, at Robel's hall. The purpose of this gift is to raise enough money for the Athletic Fund by which the boys participating in indoor baseball may have enough money to buy their supplies.

It is up to the girls of the Lodge to put this affair over big. Of course, the boys are too bashful or scared (call it what you may) to ask the members to buy a couple of tickets, so girls—let's show the boys how big we can put it over. The following girls have already secured tickets and volunteered to sell: Mary Roppel, Rose Pavlic, Elizabeth Schenadt, Evelyn Penna, Tillie Rodemond, Julia Robel, Mary Borak and Helen Rodemond. The other girls have not as yet received their share of tickets. It is understood that any person selling the tickets may have their helping, regardless of sex. But a girl or boy cannot transfer his or her tickets to another, if they intend to drop out of the contest. Yes—it is a contest. The person selling the largest number of tickets is entitled to a beautiful gold SNPJ ring. A second present will be also given, but that remains as a surprise.

Tickets may be obtained from the members of the committee, John Mauser or Helen Rodemond. There are plenty of tickets, members of the "Stalwarts," and only three weeks to sell them. The tickets are 15c or 2 for 25c. So please do your share for the boys of the Athletic Fund. Don't forget—on July 20, 1929, at Robel's hall a sport watch is to be given away. Are you the lucky person? Committee.

BUCKEYES, NOTICE!

Barberton, O.—All members of Lodge 62 SNPJ are requested to attend our next monthly meeting July 7, 1929, at the Slovenian Home, 14th street. A big surprise is awaiting you. Remember the date, Sunday, July 7, 10 o'clock.

Charles Durmish, Treasurer.

EDITOR'S NOTE

Kenosha, Wis.—E. C.—Although no expressed desire has been advanced so far for tournament you refer to, we are of the opinion that sufficient interest could be created for it, and that undoubtedly through publicity which is indispensable to almost anything where good results are expected. We shall cooperate with you if you are willing to undertake the initiative.

your condition would be if you were disabled for any length of time by reason of an accident or by sickness, especially if your income would stop during that time, as is the case in many instances? Is it not to your great advantage to have an SNPJ certificate that provides for either a definite sum in case of an accident, or an operation, or for a daily indemnity in case of sickness? It is a matter worth considering. Why not advise your friends and acquaintances to become members of your lodge where he or she will have the same benefits as you have today? Cooperate with your local and bring in new members!

Send in the applications of your little brothers and sisters or of your friends' children during the jubilee year of our organization, and help us swell the volume of the Juvenile Department during the present membership drive. If you do not happen to have application blanks, drop a postal card to your lodge secretary and they will be sent to you immediately. We want all of our children insured in our Society.

It is said that it is more important to know how to hold your tongue than it is to know how to hold your knife and fork. Be very sure you know both.

The mean habit of saying mean things about others is a sure sign of a mean mind and a mean heart; the good habit, on the other hand, of saying good things about others is a sure sign of a good mind and a good heart. There is no worse fault than the fault of fault finding, and the finest of the fine arts is the fine art of being agreeable.

A large majority of our membership constitutes the toll workers' army of the land. Is it not therefore only natural that they be interested in labor movement politically and otherwise? Is it not fitting and proper that they organize in trade unions and form their political organization? We have both. Why not take active part in labor unions and labor political organization, following the example set by British labor movement?

Our Explanation

Canonsburg, Pa.—In the June 19 issue of our official organ, the Prosveta, the officers of Lodge 589 have noticed where one of our silent, also inactive members endeavors to convey false impressions of our Lodge to the readers of this paper, through the medium of an article entitled, "An Explanation," with the signature of Miss M. Pein attached to it.

The undersigned officers of Lodge 589 are answering that article for the purpose of assuring our readers that our Lodge is not what some disgruntled member advertises it to be. The author's motive, as claimed, was to let our brothers and sisters know what has been wrong with the Pioneers, and not to slander any one. It is not necessary to introduce the author to members of our Lodge as practically all are well acquainted. In her article she insinuates that our Lodge would break up in case Bro. Kutich would act in an unwise and underhand manner, and also contribution of articles to the Prosveta and withholding opinions would cause the Pioneers' days to be numbered. This can, itself, show how narrow-minded some people can be.

Does the Slovene National Benefit Society depend on the actions of an individual to uphold it? Not by any means and, therefore, we say that our Lodge will see more days than our critic will ever be able to count. The aforesaid statement also insinuates that we, the officers, are inefficient and incapable to fulfill the duties of our office to which we were duly elected. In regards to that we have very few words as our work speaks for itself. Is it not a fact that when our present Secretary assumed office there were only sixteen members, and to-day our Lodge has increased about five times that number?

Can our critic claim at least to have gotten one—just one—of these new members, or participated in our Lodge activities? One frank statement can be said with the least doubt and it would define our critic to all. Here it is: If all Pioneers would act and strive as our critic has in the past then the happy days of the Pioneers of Washington county would not have even begun, but as that is not the case we are going forward hand in hand keeping in step with March of Progress, regardless of what may come upon our path as obstructions. We have always upheld the true principles of the SNPJ and we are going to continue. Those who choose the other route should also be careful of what they say and do. Constructive criticism, if used at the proper time and place, is welcome, but statements such as some make must come to an end.

We have worked constantly and faithfully to put our Lodge where it is and we will do just as much to keep it there, but the pens and vocabularies of discontented must be put out of commission. We would very much appreciate the hearty cooperation of the editor by ignoring articles of a nature such as the one we are referring to.

We hope our dear readers have paid no attention to the false alarm created by a disgruntled and inactive member, and think of us as a happy gathering of true and loyal brothers and sisters who are striving to put our Lodge further ahead in the great Slovene National Benefit Society youth movement.

FLASHES

By Inognito

"Children's day at the Circus" is what "Spitzke" called the oncoming Pioneer picnic. It's going to be all of that; it's going to be more, too. Good eats and drinks and a lot of good, clean fun. Plenty of races. Accommodations for travel will be reported later. We have detailed information, however, that the Chicago and Joliet electric will run cars, as they did last year, at ten minute intervals from Archer avenue station. They will also have a supervisor at the grove for us.

Everywhere you look in Prosveta you can read about the 25th anniversary celebrations. We can make the Pioneer picnic a 25th anniversary celebration if the grove will be filled with people. There is no better way, at least none more noticeable, than a big attendance, for publicity.

Last call for Pioneers to sign up for the Detroit trip. A second bus is contemplated, the first one having been filled. Last minute calls cannot be accepted as busses cannot be chartered at least one week in advance. From indications on this page the Strugglers and Comrades will be there, too. All aboard for a jolly time. The Sotosek Bros. will furnish music for the Pioneers.

A Parade is being planned by the Pioneer picnic committee. Sixteen Pioneer members with cars have promised to take part. We invite all of our friends to join the fun on Thursday and Saturday, July 25 and 27, over the wide side streets of Chicago. We wish to advertise the picnic and the Society as has never been done before. Help us out, Pioneers.

The Pioneer Indoor Ball team lost to Waukegan 5 to 2 last Sunday. Only for a few had breaks the score might have been different. Petenzel pitched good ball, while Ed Gardner, Joe Burie, Lou Kramer and Jerry Kosina performed brilliantly in the field. Schuster pitched well for Waukegan; in fact, the entire Waukegan team played well. A fast clean game, marked by few errors, and only a few hits, was concluded in record time just before it started to rain.

Little Fort Lodge held their annual picnic in the secluded woods off Blanchard road. It was at the picnic that the indoor ball game was played. A fair crowd attended and our boys enjoyed themselves after the game. The picnic location was pleasant with plenty of shade for shelter from the sweltering heat.

Chicago's Federated lodges held their regular monthly session last Sunday morning. Aside from reports of the work of various committees and approving of bills nothing important took place. The experience gained from the past convention, with notations of vital improvements will make preparations for the next convention during 1930 much easier.

Frank Jordan and Mikred Schiller, both Pioneers, were married last Saturday at the home of Mildred's parents. Frank's folks came to Chicago all the way from Kansas to take part in the celebration. They entertained only their most intimate family friends. Our congratulations and best wishes to the bride and groom.

LAST CALL FOR A GOOD TIME

Detroit.—On July 14, 1929, Young Americans, Lodge 564 SNPJ, are holding their annual picnic at Nine Mile road and Ryan rd., near Dequindar rd. A good time is assured every one. We are expecting a lot of out-of-town visitors.

Pioneers have promised to come in two bus loads, "Lindy" Lokar of Cleveland Strugglers has notified us that "his gang" is coming, but is not sure if he will be able to come, being laid up with blood poison, but we are hoping he gets better by that time. Comrades will not fail us; they are sure to come strong. The new baby of Detroit called the Wolverines of S.N.P.J. will all be there; they have 22 new members so far. Would like to see the Saginaw Boosters attend one of our doings, so we could get acquainted, their lodge being nearest to Detroit. Also members of SNPJ here in Detroit, show us that you still have the old spirit of SNPJ, by attending this affair. Do not forget that you will meet your out-of-town friends here, and you will also help our Lodge to entertain our out-of-town guests. So let's all go, July 14, 1929.

P. E.—A question frequently asked: "Why are you working and helping to organize the new Lodge 'Wolverines'?" You will lose some of your members who live near the new Lodge and who will transfer.—My answer: I am willing to lose eight or ten members transferring to the new Lodge anytime, if I can gain 22 new members in one month as the Wolverine Lodge has done. If other lodges and members would work together there would be more to gain for the SNPJ. In some cases I have noticed that some individual or some lodge is trying and wishing that the other lodge will not succeed. Well, I am not like that. Let the new lodge grow. If they can surpass us, they are welcome to it. More cooperation and a bigger SNPJ.

A Woman Worker

By Harold Z. Brown

Franker than Isadora Duncan, Agnes Smedley (Daughter of Earth, by Agnes Smedley, Coward-McCann, New York, 1929, \$2.50.) has taken the hard sharp flint of the working-class life and honestly chiseled it into a book of enduring beauty and significance.

Unlike Isadora's, Agnes Smedley's confessions do not always leave her in a flattering light. She had no ivory tower of art to which she could flee from unpleasant economic and social realities. She was no gifted being, creating beauty which brought nations to her feet, and attracted a meal ticket with trimmings whenever hunger loomed.

Agnes Smedley was just an ordinary poor-white American girl, born into the family of a Missouri tenant farmer. From her birth she knew material poverty so intense that it molded the human spirit into its own image. Early she learned to work—and that people of her class must work hard and long for little.

She saw her father—a born lover of the gayety and brightness of life—go down in the grim economic struggle and become an alcoholic wreck. One of her brothers died horribly when the walls of the ditch he was digging—for some one else—caved in and filled his mouth, nostrils, and eyes with mud. The employer paid the family \$50.

She saw her older sister, married at 18, wilt under the hardships of frontier farm life and die in childbirth at 17. For years she watched her mother slowly dying from undernourishment and overwork. She saw her beautiful, high-spirited young aunt choose prostitution as a better way of life than her sister's or her mother's.

From childhood on she found herself discriminated against—in opportunity, in freedom, in wages, because she was a woman. Early she learned that working-class women were treated as chattels, both by society and by their men.

Because she had in her a broad streak of the aggressiveness and adventurousness which we like to call "manly," Agnes Smedley rebelled against all these things. She left home, rustled what passed for an education, taught school, and learned to think. Passing from adolescence to adulthood, she demanded passionately from an inattentive world the one thing it will not give a woman—a square deal. Love and marriage proved unsatisfying failures, because she could not fit herself to the role of wifely dependence, or reconcile the conflict between her ego and her sex impulses.

She became a Socialist, then an I. W. W. She mixed into a free speech fight and was manhandled by the police. Eventually she drifted to New York, worked her way in Columbia University, and became a reporter on the old New York Call. During the war she aided Indian nationalists who advocated freedom for their country from British rule. Kidnapping by federal dicks and six months' imprisonment in the Tombs without warrant or trial was the reward of her social idealism.

Out of these things, in the main, is written the life of Agnes Smedley, daughter of earth. A depressing book? No, an inspiring book, a book to keep one awake long after midnight. And a prophetic book: a forerunner of the proletarian literature of the future. Though "Daughter of Earth" is feminist to the core, Agnes Smedley never forgets that the woman question is part of the bigger class question. Her own comment on her imprisonment is the best possible comment on her book:

"It is good that we should each know how others suffer; and if we have already known, that we should not forget; that we be forced to the level of the most miserable of men before we judge, and that we experience in our hearts again and again the suffering of the dispossessed."

25TH JUBILEE YEAR

Milwaukee, Wis.—With the coming of 1929 has come the SNPJ's 25th anniversary. In honor of this historic event, a monster celebration will be held in Kozmut's park, Sun, July 14. Everyone is expected to attend since everyone has a cause to celebrate, I'm sure.

Twenty-five years ago the Slovenes were few and very insignificant, but with the passing of time and the organizing of one of the largest organizations now in existence, the Slovenes of America have gained a firm foothold in life and have gained recognition.

The young Slovenes are deeply grateful and indebted to our senior members who have worked with patience and confidence so as to make the future bright for us.

Nuff said! Let's go back to our forthcoming picnic. Oh, it's going to be just great! There will be many novelties and surprises to amuse both young and old, so be sure to bring your family friends and relatives and come prepared for a real good time. \$150 in presents will be given and \$50 in cash. Good luck to you all!

Antoinette Donner.

Safe Investments

One of the most difficult problems for the average workingman is to invest his surplus earnings into sound and safe securities. This is a result arising from a situation which is caused by the fact that the average wage earner has very limited knowledge of the operation of the security market and of the individual stocks and bonds which are offered for sale in such markets. The average Mr. Workingman discovers that this world is well populated with a class of human beings whose only ambition in life is to make a living by their wits by imposing on the ignorance of the investing public, and as this class of unreliable stock and bond salesmen are usually well polished and high pressure salesmen, one is as a rule when he leaves his own workingmen organizations and tries to invest his surplus in the open security market. Without a question of doubt, the safest investments for any wage earner are the stocks and certificates of building and loan associations.

A building and loan association is a mutual co-operative financial institution usually operating under articles of incorporation issued by the state, and composed of members who have thus associated themselves together for their mutual benefit and financial advantage.

Most of the money of the modern building and loan association is invested in homes which members are buying through systematic payments, while a very small percentage of the money of a building and loan association is invested on members' notes which are secured by building and loan shares. Thus we find that all investments of a building and loan association are well secured by high grade first mortgages which reduces losses from such investments to the association to a minimum.

In Encyclopaedia Britannica, Eleventh edition, volume 4, the following is said with reference to building and loan associations:

"Investment in a building and loan association is as NEARLY ABSOLUTELY SAFE AS IT CAN BE, for the monthly dues and the accumulated profits, which give the actual capital of the association, are lent or sold, as it is termed, by the association as fast as they accumulate, and upon real estate or upon the stock of the association itself. The opportunities for embezzlement, therefore, or for shrinkage of securities, are reduced to the minimum, and an almost absolute safety of the investment is secured."

My Answer

Just a few lines in answer to an article which appeared in "Enakopravnost" on June 5, in editorial columns, signed "Cian'delagajce".

After reading over the article I easily realized why we are so far behind times. I never even so much as dreamed that such dumb-founded people could be found among us Slovenes, and among the so-called intelligentsia at that. It can be readily shown that the writer let his mind wander in "no man's land," listening to the higher-ups of the "bloc," not concentrating his mind on his article.

Can the writer show me a man, regardless of his affiliations, in our Slovene race here who can compare with the former Editor of Prosveta, Zaverinik Sr.? Honest, loyal, and always true to this dear organization of ours. Bro. Zaverinik, co-organizer of the SNPJ and faithful worker for its principles from its first day twenty-five years back, a man who has done more for the SNPJ than the writer will ever do.

Mr. Writer, can you, will you come before the public eyes like a gentleman and not like a sneak? Don't try to hide, for you are known to many, in spite of your sneaky policy. Your back is weak and your mind even more so. And as far as the management of Enakopravnost is concerned, it could be said the same. More shame because the article appeared in the editorial columns under a fictitious name. This is something that I as a loyal booster of Enakopravnost never dreamed of.

My lines are but few, and if the manager of Enakopravnost looks ahead, he will realize that the article I am referring to meant only harm and detriment to Enakopravnost.

During the last few years I can see that hatred seems to exist among us Slovenes more than we can find with any other race. If one is not religious as his neighbor, there's hatred; if he belongs to a different political party, there's hatred. My sincere opinion is that if those who hate will open their eyes wide and do justice not only to themselves but others as well, we can easily eradicate this detrimental obstacle of hatred for the good of us all.

Before I close I wish to say to Mr. Writer this: Are you man enough to come out with your name? Answer this question if you are a man, if you are not, stay where you are—in the gutter where you're better off.

Fraternally,
John Lokar, President Strugglers.

Strugglers

The Strugglers' ball team, financed by our well known undertaker, Mr. Svetek, is stepping along at a fast pace and had just registered its fifth consecutive win. In fact, it had won every game since Lindy, our manager, has returned from the Windy City. At present the team is resting in first place in city league. Mr. Svetek is well satisfied with our boys, if only our gallant Struggler rooters would come and help us make whoopee with their voices. Loyal support from the Strugglers' stronghold is fifty per cent of the team. Let's see more of you present at our games. It's worth the time to witness one of our battles.

The game last Sunday was played at White City ground, where the best girls' team of the country stakes its wits and power against the Svetek nine. A crowd never before seen at any game here in this city was present; in fact, it took special motorcycle police detail to keep the crowd back. People came from all over the city. The game was very interesting, although the Strugglers, as expected, finished on top. Watch this column for the next game with girl champs. Don't miss it, "Sawdust." Yes—that ball game was the berries. With only a few days preparations the largest crowd ever to witness a game at White City was on hand. People from all over the city. Probably it was because the "female sex" appeared in a role against our well known Svetek's Strugglers. Royal furniture girls are international title holders of the feminine race, and they showed the championship caliber in playing a star role against the boys. The next game is being prepared for. Watch for it and don't miss it.

Last month was the month of roses, but this month will be the month of gay affairs held by Strugglers. Watch for further announcements.

Next meeting Bro. Lokar has secured the services of a well known "Sox Appeal artist," who will make you shake from laughter. Don't miss "Sox Appeal." It's sometime new, something different.

Sis. Tolar and Mr. Cvovlich accept our sincere congratulations on your wedding day. May your life be full of roses and happiness, but don't forget us Strugglers. Zivio chto!

A Fan.

Youth is essential in a good organization. Youth in the membership and youth on the managing staff of the society. Lack one and you lose the other. New members come fast, old ones die off.

Youth is imperative in a growing society. Youth is the ally, the true friend of his organization, forever crying the new idea even in a prosperous and growing association, so that his own alma mater shall grow and enhance in wealth at a greater and faster pace.

YOUNG AMERICANS 564

Detroit.—Now that summer is here, and there is plenty of heat available for all, it is unnecessary for me to write on how hot it is here in Detroit. But I can say that we all enjoy an outing, a swim or some other outdoor event on a hot summer day.

But on July the fourteenth there will be a picnic held by the Young Americans. This is going to be a real affair, and I believe it will be the best held this summer.

Keep in your mind the Young Americans' picnic held on July 14 at Nine Mile and Ryan Road. There will be plenty refreshments, and a good pep band will see that you are continuously in full swing.

distribution of new products, new uses, new fashions, new habits and conveniences—all of which will sell only to the young idea, to the open mind, to the fresh viewpoint! What does your grandfather or grandmother think about Sun tan, Sun tan bathing suits, aviation, shorter working hours, fraternal societies founded on the principles of free-thought and progressive social ideas, labor unions, political labor parties or their auxiliary propaganda associations like the Fabian Society in England or the League for Industrial Democracy in America, of building and loan associations, of college education for the average workingman's son or daughter, of speed in travel?

Every year hundred of thousands of youths take the marriage vow, in America, alone. Their new married market habits are crystallizing and getting set. Their incomes are steady and are growing from year to year with their adaptability, skill and knowledge in their occupation.

The Slovene National Benefit Society makes her special appeal through the medium of athletics, benefits, the American-speaking lodges, the American-edited section in Prosveta and by representation of youths on the Supreme board, the managing committee of the Slovene National Benefit Society.

The Yugoslav Building and Loan Association believes that these youths have strong inclinations to own their own cozy home and to invest their surplus earnings into sound securities at an annual rate of six or seven per cent dividends, and offers to them this great opportunity of their life by sale of minor stock certificates.

The Pioneer Lodges 569 SNPJ is one of the stockholders in the Yugoslav Building and Loan Association. Let the Yugoslav youths follow their Pioneer in the fraternal field or human endeavors with just as much enthusiasm in the economic field of human endeavors.

PERSONALS

From the College of Medicine of the University of Illinois recently graduated Dr. Louis F. Kompare of Chicago as the youngest medical graduate. Success and congratulations.

On June 28 Bro. Frank Heidenreich, member of Lodge Sunglars, Lyons, Ill., graduated from the Chicago Normal College and was awarded a Teacher's Certificate. He now is employed as Physical Culture Director in the Chicago School playgrounds, and his aim is to get a position on the teaching staff in the Chicago high schools.

Vladislav Pavic, Yugoslav lecturer at Columbia University, recently left for Yugoslavia to visit the three capitals of his native country. Pavic is the author of several works of poetry, and often sought for information concerning conditions in Yugoslavia.

There are three kinds of men who don't know anything about women. They are old men, young men and middle-aged men.

Waukegan, Ill.—This article will be of greater interest to the men, I believe, but the women folks may also read it, if they choose. This story deals with a young lady in preparation for the SNPJ Sports Club picnic and dance, July 14. I presume most of the girls go about it in much the same manner, so I'll tell you about their "getting ready" as I imagine it.

With just a few ounces of clothing under her arm she slips into the bathroom and we are forced to wait outside when—"Gosh, I don't like these stockings at all, they're so cheap looking and make your legs have such a funny appearance, but what can you expect for one fifty? Oh, well, it's rather dark in that dance hall anyway. Now, where the heck's that garter? If it didn't fall in the bathtub and me not leaving the water out. This will never dry in time; what will I do now?" (An idea.)

"Pa's arm bands ought to answer the purpose nicely. I certainly hate to wear these light shoes because they'll be a wreck when I get home. Now for the artist's job. My face surely is chapped to-day, maybe this cream will help it a little. Golly, such powder! Why didn't I get the same kind I had before? I'm just wild about this rouge on Helen; she looks so nice in this shade and she's nearly the same type as I am, so there is no reason why I can't wear it. Too much on this side. . . There, that's better! Wonder how I'd look with my eyebrows darkened? Ouch! darn of match! Gee, but I burnt my finger. I'll never forget the time I first saw Margaret blacken her brows with the end of a burnt match, takes her to figure things like that out. Goodness sakes, all out of lip stick and I do need some red on my lips. Oh, I know that red crepe paper in the attic will do for tonight. Gee, my hair always looks a sight when I go out; but if I were to stay home it would be just so.

"Oh dear, what dress shall I wear? Pink? Too light and I've worn that green thing till people must think that's all I have. I like to wear my new white one, but that gets dirty so easily. The dickens, that's what I got it for. Lucky for me that she left already or she'd never consent for me to wear her white hat. I don't believe that these earrings with the necklace are too much ornaments, they all wear a lot; it's the fade. . . Darn it! I might have known that when I'd got all ready this dumb strap would bust. . . Well, that's fixed and, baby, I do look pretty nifty, even if I do say it myself!

WAS ATCHISON PRESIDENT OF THE U. S.?

James K. Polk was inaugurated President of the United States March 4, 1845, and served four years. Zachary Taylor succeeded him, and was supposed to take the oath of office and become President March 4, 1849. That date, however, was Sunday. Taylor refused to take the oath on the Sabbath, and it was administered to him the next day, March 5. David R. Atchison, United States Senator from Missouri, for whom the city of Atchison, Kan., was named, was president pro tem of the Senate. Under the constitution at that time the president pro tem of the Senate was entitled to assume the presidency of the United States should both the presidency and vice presidency become vacant.

Kenosha, Wis.—One of the most thrilling indoor baseball games seen in Kenosha for a long time was the game between the Stalwarts and the Waukegan team. After the clouds of dust slowly cleared from the battle field the Stalwarts came home with the second scalp of the season. Unquestionably the Stalwart team will be a serious contestant for the midwest baseball crown. It has been a long time since the Stalwarts have been able to assemble as smooth a baseball team as they have at this time.

The chief main-stars of the Kenosha team are Alex Pohizek and Rudy Dergans. With Alex pitching and Rudy as catcher a battery is formed that is hard to beat. Arnold Penza and Alex proved to be the "sluggers" of the team and deserve much praise for their magnificent playing. The infield just as the outfield deserve much praise for their carefully executed plays.

JOLLY JUNIORS

Sygan, Pa.—"And a good time was had by all"—can be said when an affair is held by the "Jolly Juniors" of Sygan, Lodge No. 689, SNPJ. We spent Sunday, June 23, at Piney Forks and surely did enjoy the swimming. The ride to and from the beach also was enjoyed. And speaking of acts! Oh boy, our committee certainly know their "cebula," when it comes to acts. Quite a few outsiders came along as guests, and we hope they join our lodge, not only for the benefits, but also for the good times offered the members of the "Jolly Juniors."

WHAT IS YOUTH?

Youth is not a time of life—it is a state of mind. . . It is a temper of the will, a quality of the imagination, a vigor of the emotions. It is a freshness of the deep springs of life. Youth means a predominance of courage over timidity, of the appetite of adventure over love of ease. This often exists in a man of fifty more than in a boy of twenty. No body grows old by merely living a number of years. People grow old by deserting their ideals. . . Whether seventy or sixteen, there is in every being's heart the love of wonder, the amazement at the stars and the starlike things and thoughts, the undunted challenge of events, the unflinching childlike appetite for what next, and the joy and the game of life. You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair. In the central place of your heart there is a wireless station. So long as it receives—messages of beauty, hope, cheer, grandeur, courage, and power from the earth, from men, and from the infinite, so long are you young.

Any one having any of the above articles will please open their hearts to the plea of "Eczema" and "Measles," and donate your washtubs, etc., with happy hearts. THE DANGER

"Pa, a man's wife is his better half, isn't she?" "We are told so, my son." "Then if a man marries twice there isn't anything left of him, is there?" When in doubt—use Old Fashioned Common Sense.

At last only eight days yet and up the gang plank we will walk on board the boat bound for Detroit. The land of my dreams and the home of the most co-operative bunch of young SNPJ members yet seen, known as Young Americans. Their continued progress is largely due to the helping hands of Bro. Leo Dollar, Sis. Kenich, and others. "We" Clevelanders are going to do all we can to help make your picnic July 14 a tremendous success. I am also hoping to meet the Sunglars' queen, who is claimed to have captured our well known "L."

All Strugglers wishing to make the trip can secure information at Mandel's Drug store. Boat leaves Ninth St. dock at 10:30 p. m., Sat., July 13. Fare is reasonable and a gay time awaits you all. See you at the pier Sat. night, July 13.

Last week we temporarily lost services of our dear "Lindy," who is laid up at home with a severe case of bloodpoisoning. His condition for the time being is not considered critical, but your visit will be appreciated. Our wish is for a speedy recovery.

WHAT WOULD HAPPEN IF—

"Canary" Koss couldn't locate Shaker Heights — "Peanuts" Tolar should happen to fall into the creek as he visits his prima-donna — "Anglebar" Tolar would know like Lindy knows E. 239 street — "Squaw" Hoffert ever learned to drive two hands — "Cream" Perusek should ever break a rolling pin over "Ramona's" bean — "Ringes" Tomaric should "preserve" her temper (what a millionaire queen she would be) — "Lindy" Lokar should become her salesman—(what a profit he could make) — If "Leona" Perusek should try to chew tobacco — "Unknown" Ogrynec would cause defeat and ruination if it would become known — "Ramona" Perusek should open a milk dairy on Waterloo road — "Tootle" Dolsak could sing like "Fat" Hoffert and dance like our college hero — "Sundas" Mandel should ever leave us Strugglers — "Doc" Dolsak could bottle medicine like he does milk — "Coal Miner's" Blonde should ever join the Strugglers (Kanary would have to have police detail, eh, what) — and "Tubby" Gubanc should go into the fruit business — "Milka" Perusek could have just a barrel of "Sawdust" for her tears — Publicity committee would ever find out what a pen and pencil are — "Sugar" Cetiga could learn Fifolt to skate without falling down — "Myself"—What would you do if I told you who I was? Yours till the moon gets into a fight with the sun, The Nut of Nuts.

MUSIC FESTIVAL

Another season of opera and concerts has been opened auspiciously at Ravinia Park, one of Chicago's attractive north shore suburbs. Lovers of good music the world over know of the unique charm of Ravinia Park and not a few cultivated foreign visitors have participated at its performances. Europe has its annual music festivals, but Ravinia Park's season, though not so called, is a veritable festival and an uncommonly long one. Every year opera is presented here artistically for a period of ten weeks, and two or three symphonic concerts are given weekly by way of pleasing variety. The repertoire is varied, the singers enjoy international reputation, the orchestra is of first rate quality, being composed of regular members of the Chicago Symphony orchestra, and the management is skillful and progressive. The surroundings could not be more restful or fascinating. Chicago has cause for special pride and satisfaction in its summer music season. The fine public spirit of those who cooperate in furnishing that splendid attraction inspires in the citizens admiration and gratitude.
