KAMPANJA USPEŠNO ZAKLJUČENA-DOSEŽEN REKORD \$1,392,750.00 nove zavarovalnine

IZ GLAVNEGA URADA K. S. K. JEDNOTE

SEDEM DRUŠTEV DOSPELO NAD KVOTO:

št. 2, 7, 65, 81, 169, 203 in 206

ZMAGOVALCI BODO POČAŠČENI V JOLIETU

34. (ZAKLJUČNO) KAMPANJSKO POROČILO

Zadnji štiri dnevi kampanje so bili krona vsega dela. Od 27. do 31. decembra je kampanja doprinesla \$187,000.00 nove zavarovalnine, to je bila največja vsota nove zavarovalnine enega tedna.

Tekom kampanje je bilo vpisane \$1,392,750.00 nove zavarovalnine.

Ko se je sestavljal program kampanje, se je določilo kvoto \$1,000,000.00 zavarovalnine. Marsikateri je rekel: "Previsoko kvoto ste določili! Ne bo šlo! Časi so preslabi, da bi se tako visoko svoto zavarovalnine doseglo!" — Seveda, takim opazkam nisem hotel oporekati, toda mislil sem si: "Le počakajte, da bo kampanja zaključena, potem boste pa lahko sodili."

In res, nisem se motil. Ne le, da smo predpisano kvoto dosegli, temveč smo isto celo za \$392,750.00 prekoračili.

Zivel sem v upanju, da bomo predpisano kvoto dosegli, nikdar pa nisem pričakoval, da bo mogoče doseči tako visoko svoto, kakor smo jo dosegli. Rezultat kampanje me je prenetil in razočaral; gotovo je to tudi razočaranje vsakega posameznega člana in članice naše Jednote. Zato ponovno rečem, da bo leto 1939 zapisano v zgodovini naše Jednote kot eno najboljših let.

Sobratje in sestre! Rezultat kampanje spričuje, kaj se da z dobro voljo napraviti. Pokazali ste, da se zavedate dolžnosti napram Jednoti. Veselite in radujte se Vašega dela. Brez Vašega dela, brez Vaše dobre volje, bi se te zmage ne mogli veseliti. Zavedajte se, da vse, kar ste tekom kampanje za Jednoto storili, ste s tem storili sebi in svojim v korist.

Vsem skupaj in vsakemu posameznemu članu (ici), ki je na kakršenkoli način pripomogel do tako lepega kampanjskega rezultata: Čast in iskrena hvala!

Sledečih 14 članov (ic) je vpisalo nad \$25,000.00 zavarovalnine in bodo povabljeni na sejo dne 25. januarja kot častni gostje glavnega odbora:

* Začetkom tega leta je prišlo iz Vatikana poročilo, da je sv. Oče na mesto pokojnega čikaškega kardinala Mundeleina imenoval Most. Rev. Samuela A. Stritch-a nadškofa v Milwaukee, Wis., na njegovo mesto pa pride sedanji škof v Trentonu, N. J., Most Rev. M. K. Kelly.

Novoimenovani nadškof S. A. Stritch je star 52 let, rodom iz Nashville, Tenn. Študiral je v Rimu; komaj 34 let star, je bil že imenovan škofom v Toledo, Ohio, od leta 1930 je bil pa nadškof v Milwaukee.

* Dne 4. januarja je predsednik Roosevelt imenoval bivšega guvernerja države Michigan in dosedanjega justičnega tajnika (Attorney General) Združenih držav, Frank Murphyja za člana zveznega vrhovnega sodišča. Novi vrhovni sodnik je star 46 let in po veri katoličan. Za justičnega tajnika je bil imenovan Robert H. Jackson, dosedanji Solicitor General in na njegovo mesto je bil določen Francis Biddle, sodnik okrajnega apelativnega sodišča. Še pred tem časom je predsednik Roosevelt na izpraznjeno mesto mornaričnega tajnika imenoval Charlesa Edisona iz New Jersey, sina znanega izumitelja Thomasa A. Edisona.

NEUTRALNA JUGOSLAVIJA

(Izvirno poročilo)

Ljubljana.—Blizamo se stotemu dnevu evropske vojne in ni še minulo tri tedne od mojega zadnjega poročila pod tem naslovom. Marsikaj imam povedati, kar bo zanimivo za Amerikance, ki sedaj morda še bolj ko preje, gledajo na Evropo, kako se bo izvila iz kriz, v kojih kričih se vije na vseh straneh.

Sedaj je zažarel še sever v svojem drugem siju, namreč v plamenici vojnega požara, ki se bo mešal s severnim sijem in bo kazal stari Evropi, da vojnih grozot ne bo tako hitro konec. Tudi pri nas v Jugoslaviji smo poslušali odjek groze s severa in tudi nas je zabeležilo okrog srca iz sočutja za narod na severu, pa morda še bolj iz strahu za lastno usodo, ko vidimo boj malega naroda za obstanek, potem ko so bili boji večjih narodnih skupin proti premočnemu sovražniku brezuspešni. Kakor ob nevihti, ko treskajo strele in se vse pritisne k tlom, ali bo šlo mimo nas, ali bo nas zadelo?

Nekaj političnega pregleda. Blok nevtralcov na jugovzhodu je že postal nemogoč. Jugoslavija se je mnogo žrtvovala zanj, vendar je pa vsled stališča Romunije nemogoč. Romunija lavira dosedaj še dosti uspešno med obema taboroma vojujočih se sil, vendar bo prišel čas, in mislim, da dan niti ni več daleč, ko bo morala to storiti, da namreč pokaže barvo, ker jo bo severni sosed prisilil na to. Pa ne samo sever, tudi od madžarske strani grozi revizija meja; Rusi hočejo Besarabijo, Bolgari pa Dobružo; tako da razmišlja kralj Karol, kje bi bilo najmanjše zlo, in kaj žrtvovati, da bi ohranil več zemlje za svojo državo. Romunija nima prijatelja, razen Jugoslavije, ki se je dosedaj resno prizadevala, da spravi vse zahteve v sklad in svetlovala Romuniji žrtve, ki so itak neobhodne in bodo manjše, če bodo protivojne. Izgleda pa ni, da bi se trma romunske politike omehčala, razen če bo zočelo goreti na njenih mejah. Kajti niso samo ti sosedji, ki zahtevajo to, kar jim po nardnostnem načelu gre, je tudi na vidiku že Nemčija, ki menda—kot se glase, nove trdovratne vesti—že zbira nove velike sile na slovaški meji, da od tu vdere v Romunijo in si zagotovo novo področje za oskrbo s petrolejem in živežem. Da bodo pri tem pohodu povabili sosedo Madžare in Ruse, pa Bolgare na jugu, je skoro več kot verjetno.

To mora biti v nekaj mesecih, in kaj pomeni tak požar naših mejah, ni treba dosti razmišljati o posledicah. Na naših mejah nimamo Maginotovih linij, niti Siegfriedovega nasipa, na katerih bi se mogel ogenj ustaviti in napraviti kitajski zid, kakor ga vidimo na francoski in nemški fronti, kjer se obe vojske pozdravljajo samo s topovskimi strelji, drugače pa vojaštvo za avojimi utrdbami igra karte, gleda kino predstave in se dolgočasi. Od otipavanja s predstražami ne pridejo namreč dalje, ker se vsak boji za svoje moštvo, k večjemu da se še malo vadijo v streljanju s topovi, seveda za vsak slučaj.

Antanta ima čas, za njo dela ta zaveznik, Nemci pa doma čutijo ogenj pod nogami, saj sem ter tja švigne že kak plamen iz podzemlja na površino za opomin. Pa seveda morajo nekaj napraviti, in da je zadnjič Holandija ostala izven konflikta, je samo znamenje, da za to ni še bil goden čas. Nemčija, kjer vse v aktivnosti, poskuša na raznih koncih napraviti ventile za to vretje, ravno to pa je vzrok, da moramo biti pripravljeni na vse, in da nas nič ne sme presenetiti.

Tako izgleda stvarni položaj zunaj okrog nas, če dodam še to, da sosedje, ki jih nisem omenil, Italija in Grčija, v svojih prijateljskih odnosih niso spremenjene v ničemer, in da je sodelovanje z njimi tako prijateljsko, kakor le more biti, potem mislim, da sem zunanji politični pregled izčrpan podal. Kolikor je seveda mogoče v teh par odstavkih, na katere se omejim, da ne prehajam meja, ki sem si jih sam moral postaviti.

Na znotraj je pa položaj tak, da kaže bolj in bolj priprave, s katerimi gremo v čas, ki odgovarjajo splošnim razmeram v Evropi in vodijo račune o omejitvah, ki so v državah, prizadejih po vojni, že 100%; pri nas se pa palagoma vadimo na nje. Najbolj padajo v oči izjemni zakoni, ki izhajajo v obliki uredb in urejajo promet z življenjskimi potrebščinami; nudijo podpore za žene in otroke v vojaško večbo vpoklicanih, predpisujejo prisilno nabavo rezerve hrane, omejujejo uvoz, regulirajo potrošnje bencina.

Ravno danes (3. decembra), je prva nedelja omejitve vožnje z bencinskimi pogonom, pa resnično ni videti nikjer avtomobilov, izvemši taksijev. Mlada država napravlja te stvari radikalno in seveda ne porablja izkušenj drugih držav, ki so te težkoče že prebrodile. Naredba o omejitvi potrošnje bencina enostavno prepoveduje vsako vožnjo z luksuznimi avtomobili od (Dolje na polj strani)

PRAVICA DO ŽIVLJENJA

Spisal FRANCE BEVK

Ta je prišla na svet, ko je bil Jernejček prvič tepen in se je na ta način bridko zavedel življenja. V umazanem krilcu je sedel na peči in se ni mogel prečuti novemu, kričavemu bitju. Vse to mu je živo običalo v spominu. Takrat mu je bil ves svet ozki prostor med hišo in hlevom, kjer se je valjal po pesku in blatu. Včasih si je upal tudi v sadovnjak, kjer je prečepel po ure in čakal, kdaj prva hruška pade v travo.

Stric Gol ga je naučil moliti očenaj, tedaj pa je bil že gođen za pastirja, četudi je še vedno nosil krilce. Bilo mu je tesno v duši, solze so mu silile v oči, ko je samcat posedal na gmajni. Privadile se je pasočih se krav in samote.

Zidal je hišice in hlevčke, rezljaj voliče in kravice, ki jih je pasel na trati. V domišljiji se mu je ta ali ona hišica raztegnila v veliko hišo; videl se je, kako sedi v nji za veliko mizo, prav po razpelo, kakor njegov oče. . . . Rotija je zrasla v pastirico, a on se je potegnil v hlapčiča. Tedaj je z drugimi hodil na polje, v senočet in v gozd.

S stricem sta si bila neločljiva tovariša. Ta mu je pripovedoval o svetu, napolnil mu je glavo z bajkami in vražami; učil ga je delati. Z bratom, ki je bil mrk in razdražljiv, sta si bila pogosto v lašeh. Z vsem srcem je visel le na materi, ki je bila velika in krepka; kadar ga je, po biča, pobožala, mu je njena roka pokrila ves obraz. Očeta, ki skoraj ni poznal smeha, se je nekoliko bal. Mrzil pa je plemiča Coloreda, ki je kdaj pa kdaj zavajen prihajal na polje in sitniral. Bili so njegovi podložniki — imel je nekaj kmetov v cerkljanskih vaseh. Oče je stiskal pesti le za njegovim hrbtom, v obraz pa si mu ni upal nobene reči.

Prvi puh mu še ni bil dobro pogladil pod nosom, ko se je zagledal v kozovo dekle, ki je bilo tri leta starejše od njega. V nočeh se je brez spanja premetaval na senu in obupno strmel v paž. Saj Mreta ni bila lepa, prejšnja, a je imela zanj nekaj čarobnega v smehu in očeh. Kadar koli ga je srečala, je bila na njem z jezikom, dražila ga je, da je zardeval do ušes. Besed ji nikoli ni zameril, sprejemal jih je kot angelsko godbo. Odlasal je leto in dan, da je slednjič stopil pod njeno okno. Zalotil ga je Jerjunov Peter, bil je tepen in bi se bil od sramu in bridkosti najrajši v tla vdrl. Zjutraj je srečal Mreto, potegnil klobuk na oči in šel mimo nje, ne da bi ji odzdravil. . . . Da je vedela, kako globoko jo je takrat zaničeval, bi se bila zgrozila.

Tedaj mu je bilo že osemnajst let. Bil je bledičen in suhljat, s temnimi, dolgimi lasmi, a vendar krepak kot dren. Neke nedelje popoldne mu je oče namignil: "Pojdi z menoj!" Začudil se je — oče ga še nikoli ni kam vabil —, a je ubogal. Zvesto ko kuže mu je sledil do Breliha, ki je bil takrat in še pozneje moč deset-nije. Stopil je v izbo in zagledal gručo s palicami oboroženih mož, nenadoma se mu je posvetilo. "Ne boste me, pri moji duši!" je zakričal in hotel pobegniti. Tedaj pa so že planili nanj in ga zvezali.

Tega očetu vsa leta ni mogel pozabiti. Andrej je bil pač tak, po naravi nikak upornik, prej mevža. Ako bi pisala postava, da mora dati levo roko, bi sam vzel sekiro, stisnil zobe in si jo odsekal. Tako se je uklonil, ko so odločili, da pojde Jernej v vojske, ker je primanjkovalo bajtarskih in gostaških sinov.

Z Razpetovim Gašperjem vred so ga zvezanega tirali v Tolmin. Ko mu je cerkev svetega Len-

arta izginila za hrbtom, se je na glas bridko razjokal. Ni mu bilo mar, da so se mu smejali, hotel je dati duška svojim občutkom. Gašper, ki je bil leto starejši od njega, pa je vso pot škrilpal z zobmi in se pridušal: "Pobegnem! Dušo dam, da pobegnem!"

Poslej Jernej ni več jokalo, četudi je videl toliko solza, kakor še nikoli v življenju. Bilo je leta tisoč šest sto in šestnajstega, ko se je začela vojska z Benečani. Neke noči je videl s Kozlovego roba goreče nebo — gorel je Kobarid, ki ga je bil zavzel in ga dal zažgati vojskovodja Erizzo. Grozne ure, ko so bile njegove čete tik pred Tolminom in so silile na grad. Jernej je ves črn od smodnikovega dima tekal z lunto zdaj k ognju zdaj zopet k topu, ki je grmel in sipal smrt med sovražnike. Ti so se umaknili. Pohod tolminskih brambovc na Čedad, ki ga niso mogli zavzeti, a so med potjo izropali in požgali nekaj beneškoslaven-skih vasi. Meč in ogenj, kri in solze — Jernej je moral pogosto zamežati, da ni skoprnol od groze.

Tovariša, surovega fanta, ki so ga klicali za Jelerja, je zadel kroga iz zasede, preden so zopet dosegli Tolminsko. Obledel je ob potu, mlo vokal in prosil pomoči, četa pa je v preplahu drla dalje in gnala pred seboj uplenjeno živino. Jerneju se je ranjenec zasmilil; zaostal je in se sklonil nad umirajočega. Ta ni mogel več govoriti, kri mu je s penami prihajala na ustnice, ko je kazal na usnjeno malho, ki jo je nosil ob boku. Tako je umrl, Jernej ga je zagrebel, njegovo malho pa je vzel s seboj.

V nji so bili srebrniki, zavezanini v rdečo rupo. Nikako bogastvo, a vendar leto denar. Čigavi so? Kaj mu je oni hotel sporočiti? Kam naj jih dene? Zakopal jih je že prvo noč in težko skalo zavil nanje. Že naslednje jutro je moral na pot, proti jugu, do Gradišča ob Soči, kjer so ga uvrstili v čete generala Trautmannsdorfa.

Vojske z Benečani je bilo konec. Za Jerneja so se začela leta brezkončnega potovanja po tujih deželah. Saj ni vedel, s kom se bojuje ne zakaj, le pravilo so mu, da se vojskuje s krivoverci. Prav za prav se ni bojeval, zakaj nekaterih prask ni štel za boj. Uvrstili so ga bili med pešake in ga brez konca vlačili po tujih krajih s takimi imeni, kisi jih ni za dolgo zapomnil. Divje, surovo, a vendar dolgočasno življenje. Razpetov Gašper je neke noči izginil in ni bilo po njem ne duha ne sluha.

Ali so ga kje na skrivaj ubili? Ali je pobegnil? Jernej se je zopet živo spomnil doma. Vas na pobočju, na kucju lesena cerkev svetega Lenarta, domača hiša; in Tolmin pa tolarji, ki jih je bil zakopal. . . . Ali bodo še kdaj živjenkljali skozi njegove prste? Morda bodo do sodnega dne ležali v zemlji in jih pride iskat Jeler, preden se oglasi božja sodba.

Začela ga je trapati misel na beg. Noči, v katerih ni mogel spat in je zatopljen v misli posedal ob stražnem ognju. Stokrat je sklenil, da pobegne, stokrat je zavrgel ta sklep. Plašila ga je daljava in tisočere nevarnosti tujih dežel. Izslediti bi ga in pobili. Občutil je, kako dan za dnem bolj zmaguje čustvo nad razumom.

Morda bi bil neke noči res izginil v temo, da mu ni prišla na pomoč nesreča. Udarilo ga je bilo konjsko kopito. Nekaj časa je ležal v lazaretu, potem so ga poslali domov.

Vsačal se je skozi Tolmin, da je izkopal svoj zaklad. (Dalje prihodnjič)

OD PASTIRJA DO IZUMITELJA

PREVEL PAVEL BREZNIK

Idealizem revalcijske dobe je bil zvezda vodnica ameriških rodoljubov v viharjem času pred državljansko vojno. Eden izmed njih, Daniel Webster, je bil mladenič sedemnajstih let, ko je umrl Washington, in poznal je osebno nekatere velike vodnike iz revolucijske dobe, kot na primer Jeffersona in Adamsa. Brez dvoma se je v posrednih stikih navzel idealizma te dobe. Čitajte njegove govore, kot sem jih bil jaz čital v svojih ameriških zelnjskih letih, in razumeli boste, kaj si predstavljam pod ameriškim idealizmom, če vam ga svetovna vojna ni mogla učinkoviteje predočiti, kot morejo to moje besede. Websterjev idealizem je bil tudi v srcu tistih njegovih sodobnikov, ki so se pod pomembnim vodstvom Lincolna, največjega ameriškega idealista, borili v državljanski vojni in obvarovali ameriško Unijo pred razpadom. Lincolnove nesmrtno besede: 'Protij nikomur z zlobo, z ljubeznijo za vse,' bodo vedno spominjale svet na idealizem duše ameriškega naroda, ki se je boril, da bi ohranil edinstvo Zelenjnih držav. Predsednik Wilson je najboljši življenjepisec Georgea Washingtona; objavil je tudi sijajno razpravo o ustavni vladi Zedinjenih držav. Kdor jazljivo prečita in prouči te njegove dele, mora postati navdušen idealist. Wilsonovi govori, ki jih je za časa svetovne vojne govoril ameriškem narodu in vsemu svetu, so govori o ameriškem idealizmu, ki je vodil narod Zelenjnih držav od prvih začetkov njegove zgodovine; toda nekatere izmed vas v Evropi niste tega nikoli razumeli. Svetovna vojna vas je napravila sprejemljive za vsako besedo, ki je mogla vlti nove nade v vaše srce. Besede predsednika Wilsona in njegovo delovanje na pariški mirovni konferenci so vam vlile te nove nade in zato ste njemu v čast priredili ta Wilsonov dan, v znak svoje vere vanj. S tem, da ga častite, častite tudi idealizem ameriškega naroda, za kar se vam najtopleje zahvaljujem.

Tukaj v Pančevu sem skoraj pred petdesetimi leti prvič čul o Benjaminu Franklinu, a danes vam, Pančevcem, izročam pozdrave Franklinove domovine in sporočilo, ki vam pravi, da boste v gojitvi takšnega idealizma, kot je ameriški, imeli najmočnejše orožje za obrambo usode svoje mlade države."

Na tistem zborovanju je bil navzoč tudi Hamilton Fish Armstrong, tedanji ameriški vojaški ataše v Beogradu. Razumel ni niti besede mojega govora, ker sem govoril srbsko, toda dejal mi je, sodeč po njegovem učinku, da je moral biti najmanj tako dober kot moj govor na Princetoni univerzi leta 1914, v začetku svetovne vojne. Bil je namreč tedaj tamkaj slušatelj zadnjega letnika. Moj princetonski govor je bil slavospev srbskemu idealizmu, ki sem ga prinesel s seboj v Ameriko, ko sem se leta 1874. izkrcal v Castle Gardenu; moj pančevski govor pa je bil slavospev ameriškem idealizmu, ki sem ga pet in štiri deset let pozneje prinesel nazaj v Pančevu. Vendar moram priznati, da sem že pred pet in dvajsetimi leti v glavnem isto govoril protorejju živkoviću, pančevskemu svečeniku in pesniku, ko sem se po končanih studijah na Columbiju leta 1883. prvič vrnil v svojo rodno vas. Pri tej priliki mi je dejal ta svečenik tisto, kar sem navedel že v nekem gornjem poglavju in kar tu ponavljam:

"Povej svoji materi, da sem srečen, da nosim vso odgovornost za to, da si se izselil v daljno Ameriko. Zame sedaj ni več daleč; v mojem srcu je, kajti ti si prinesel Ameriko k nam. Bila je nov svet v moji zemeljski geografiji, sedaj pa je nov svet v moji duševni geografiji."

Mnogokrat se spominjam teh besed in trdno sem prepričan, da je danes v Evropi mnogo milijonov ljudi, ki vidijo v Ameriki nov svet v svojem duševnem zemljepisu. Ne domim, da tudi Pančevci tako mislijo. Toda svetovna vojna je bila potrebna, da je iz duš Evropev izbrisala tisti stari predsodek o "ameriškem materializmu." Svetovno mnenje o Ameriki se je sedaj spreminilo in čisto se vprašujem, ali bodo Američani mogli ohraniti si ta svoj ugled, katerega uživajo pri velikem delu sveta, ki sedaj pozna njih vrline, a ne njih slabih strani.

NAZNANILO IN ZAHVALA

Z žalostnim srcem naznanjam vsem mojim znancem in prijateljem, da je neizprosna smrt dne 8. decembra, 1939, odvzela moje ga ljubljene soproga in očeta dolnavedenih otrok

John Gosenca

ki je preminul po kratki bolezni, pljučnici.

Pokoju je bil rojen pred 67 leti v fari Podgrad pri Novem mestu, Dolenjsko; v Ameriki je živel 44 let, in sicer najprvo v Calumetu, Mich., potem pa tukaj v Detroitu.

Nadalje se zahvaljujemo častitim žolskim sestram za naročene devet sv. maš. Istotako se zahvaljujemo tudi vsem onim, ki so darovali vence in rože pokojniku v zadnji posdrav.

Lepo hvala društvu Marije Pomagal, št. 176 KSKJ, za darovani venec, tako tudi društvu bratom in sestram, ki so prili moliť sv. rožni venec h krsti umrlega za pokoj njegove duše, enaka lepa hvala cenjeni K. S. K. Jednoti za tako hitro izplačilo posmrtnine.

Zaeno se zahvaljujemo vsem sorodnikom, prijateljem in sosedom za naročene sv. maše zadušnice, bilo jih je skupaj 62. Imen ne moremo navajati tukaj vsled prevelikega števila, kar naj se nam blagohotno oprusti.

Pokoju je bil zelo priljubljen v tej naselbini, kar je pokazal njegov velikoten sprevod. Priporočamo ga v molitev in blag spomin. Naj mirno v Gospodu počiva in lahka mu ameriška gruda!

Vsako jutro, ko rumeno sonce vzhaja mislimo na Tebe, ljubljeni soprog in oče. In sicer, ko sonce spet zahaja, pokljamo k večnemu molitve vroče, da Tvoji duši mir in pokoj podeli ter združi nas nad svedam!

MEMBERSHIP DRIVE NETS \$1,392,750

Seven Societies Attain Goal, Oversubscribe

JOLIET JOSEPHS TOP FIELD; LOUIS MARTINCIC LEADS INDIVIDUALS

14 Campaign Managers To Be Guests At Supreme Board Meeting

The final official news is here! It's good news, grand news, real KSKJ news, the kind that spells success. The report, covering the last four days of the past year and bringing the KSKJ Membership Campaign to a successful climax, topped the periodic grand work of members and set a new record for a one week period — \$187,000 in new insurance.

The final contribution of new insurance brought the grand total to \$1,392,750, not only "over the top," but far beyond it. It is a success that should be a delight to every member of the Union and the pride of the active workers of the 154 participating lodges.

Sharing the blue-ribbon honors for attaining quota were seven lodges whose combined contribution totaled \$387,550. Outstanding in the campaign was St. Joseph's No. 2 of Joliet with \$84,750. The Joliet Lodge will be represented in a flag raising ceremony by Louis Martincic, secretary, who himself wrote \$78,710, and who will be given the honor to hoist the banner over the new KSKJ Building. The ceremony arranged for Jan. 25, in Joliet, Ill., will be part of the program honoring the 14 campaign managers who wrote \$25,000 or more. The successful managers will be given a testimonial banquet in Slovenia Hall.

More than making good his promise Supreme President John Germ, secretary of St. Josephs No. 7, Pueblo, Colo., wrote \$48,800 and won second place honors in the individual rating. Following President Germ is Supreme Officer John Pezdirtz, secretary of St. Josephs No. 169, Cleveland, O., with \$44,500. The Cleveland Society placed second in the amount written, \$81,750, followed by the Colorado lodge with \$70,550.

On the permanent Honor Roll, which will be placed in the lobby of the new KSKJ building, will be listed the seven quota lodges: Nos. 2, 7, 65, 81, 169, 203, 206. (See Page One for official listing.)

It was a grand KSKJ success. The drive is over, but the spirit which made it a success lingers.

LORAIN BOOSTERS FIRST CHRISTMAS TREAT DELIGHTS 200 JUNIORS

Lorain, O. — When Santa Claus visited the Christmas Party at Lorain, Ohio, on Sunday afternoon, Dec. 24 at 2 o'clock, the hearts of 200 youngsters did beat just a little faster, but when "parkelj" arrived it was pathetic.

The program as prepared by the Venerable Sisters of Notre Dame was very much in keeping with the Season and the grown-ups as well as the little ones enjoyed it immensely. The singing of the Christmas carols by all with the accompaniment of Mamie Perusek at the piano added to the Christmas spirit so prevalent.

The presence of our Reverend Pastor Milan J. Slaje and Father Philip of the Benedictine Order of Cleveland, and Brother Sebastian (Frank Soklich) of Loretta, Pa., and the Venerable Sisters was appreciated by all.

It was the first Christmas Party sponsored by the Lorain KSKJ Booster Club but we expect to continue to hold them

CHI LODGES WILL PRESENT "TWO BRIDES"

JAN. 17 NOON SET AS ENTRY DEADLINE FOR BASKETBALL TOURNAMENT

Joliet, Ill. — January 17, 12 o'clock noon has been set as the deadline for entries for the coming basketball tourney to be held in Joliet Jan. 27 and 28. Ten players are eligible for each team. The entry fee for each team is \$1.00. The lightweight limit is the same as the year before, 143 lbs. Each lightweight player must be weighed in before the beginning of the first game in which his team takes part, in the presence of the captain of the opposing team. Lightweights found to be too heavy may be transferred to the heavyweight squad, provided that the addition of this player does not make the total of the team exceed 10 players.

No player will be permitted to play with both the heavy and the lightweight teams.

All entries should be sent to the secretary, Miss Marie

Grom, 834 Wadsworth Ave., Waukegan, Ill. The entry fee of \$1.00 should accompany each team's application. The KSKJ Athletic Board rules demand that a person be a member of his lodge for at least six months before taking part in our tourney. This means he must have been a member of the KSKJ already on July 27, 1939.

In order that this may be checked, each team's entry should state besides the name, the class of insurance possessed by that individual, as well as his certificate number. This information is in the hands of the secretary of each lodge and is easily obtainable. The secretary of each lodge should sign his name on each entry blank. Any questions of eligibility should be referred to Mr. Joe Zore, the Athletic Commissioner of the KSKJ.

Rev. M. J. Butala.

KRALL HEADS ELY BOOSTERS; CLUB PLANS FULL PROGRAM

Ely, Minn. — At a special meeting of the Ely Kay Jay Booster Club held on Dec. 23, the following officers were elected: Rudy Krall, president; "Doc" Zgonc, vice president; Jennie Skerjanc, secretary; Tony Zupec, treasurer. "Doc" Zgonc was also chosen to be our athletic representative. With this capable staff at our head, we certainly will make forward strides which can only end in future success to our lodge.

The meetings are to be held on the first Friday of every month. It was decided to have refreshments and some sort of entertainment after every business meeting.

Both the Christmas and New Year's Eve dances turned out to be complete successes. The members and their friends are looking forward to more of these parties.

The girls' and boys' bowling teams have already swung into action.

FRANK STRUPECK CLIPS 660 SERIES, LEADS STEVE SOLOISTS

Chicago, Ill. — Although Zefran Tavern gained one game on the second place Korenchan Grocers, they still lost ground to Perko's Inn who are in third place, just one game behind second and four short of the Steve lead. The leaders were taken for two games by the Kosmach Boosters. The reason for that double loss was a 52 pin handicap each game. High man for the Zefran team was Frank Gottlieb with 530. Capt. Bill Bogolin of the Boosters led his team with 551.

Frank Strupeck of the Fidelity Electric team took all honors of the evening by rolling a 660 series. Frank's 660 is the best high individual series in the league, topping Vic Kremesec's 641 by 19 pins. He started off with 257, and after a poor start in the second tallied 198. Things looked good for Frank in the last game, when he put in a double and a few spares. Going into the seventh frame he had 108 in

the fifth with a spare in the sixth. So he ended the third game with 205. This enabled the Electricians to take three games from the Korenchan Grocers. John Jeray rolled 550 for the Grocers.

Perko's Inn stayed in the fight for first place by their two-game win over the Monarch Beers. "Mac" Terselich with 530, Arbanas with 523, and Zulich with 511 kept the Inn team in the mad scramble for the top spot. Anton Kremesec and Darovic led the Beers with 528 and 520.

Tomazin Tavern won two games from the Park View Laundrymen. The Tavern team won the first by 771 to 737 and the second by 771 to 764. The only 500-plus bowler on Tavern side was Vic Kremesec with 580, while Trinko had 443, Wencel 442, Tomazin 432 and Johnny Terselich 429. The Laundrymen, with Frank Grill as top man with 52, weren't better.

FOR GOD, HOME AND COUNTRY

By FATHER KAPISTRAN

"IS-WAS"

The Navy has an instrument called the "Is-Was." It gives the data on where an enemy ship WILL BE after it has been determined where it WAS and where it IS. Thus a gunner, knowing where an enemy ship was and is can tell where the hostile boat will be when the next shell hits. This is very interesting in view of the fact that, once we have learned our penny catechism, we are allowed to receive the seven gifts of the Holy Ghost which remind us where we were when created, where we are, and where we shall be—and even where we would have been but for God's love and mercy. As one editor remarks about the naval instrument, an apter name would be "Is-Was-Will-be." We are taught to USE this spiritual reminding instrument often by acts of wisdom, understanding, knowledge, fortitude, counsel, piety and fear of the Lord.

INDELIBLE

From Budapest comes a purported miracle story from some Polish refugees maintaining that in Bromberg a Nazi shot a young Polish priest who had just administered the sacrament of Extreme Unction. As the priest fell, it is said, his hands with holy oils on them struck the wall and a clear impression of the hands remained on the wall even after repeated attempts by Nazis to PAINT the image out. Whether the story is true or not, the fact that the Polish refugees brought the story is symbolic of the ineradicable faith in their own hearts. As in the past, so for ages to come, we are confident that the Polish nation will never lose the faith, despite repeated efforts of enemies and RED paint.

FINNS AND POLES

We sympathize with the Finns. They once had a Catholic past. But as Catholics we protest against the comparative lack of sympathy for Catholic Austrians and Catholic Poles. I hardly think the Finns will shed the blood that Poland has. Only three sympathized under the Cross with the first CHRISTIAN shedding of blood. There will only be a handful to sympathize with Poland and that handful will not be found in the public press.

THE ONLY UNIVERSAL CHURCH

Now that the American Baptists have formally protested to President Roosevelt for appointing Mr. Taylor to represent the United States at the Vatican, it is for us Catholics to understand the situation. Technically, Mr. Taylor is not ambassador to the Pope; he has no portfolio nor has he been appointed to a post created by Congress as all ambassadors are. The reason for the lack of portfolio is the existence of Baptist prejudice. Now for our side of the picture. The Pope is not a hermit. He is the head of a body whose members cover the earth. You can just as well say that a head must not direct its feet; a head may not feel pain in the hand; a head has no right to be joined to the spinal column; as say that the Pope may not communicate with Bishops, Priests, and flock. Now this flock is not a ghost or a phantom. It does not live in the clouds but on earth, in houses, in cities, in provinces, in nations, under national governments. And by

God's word it has prior rights to any state or government. But it is not always free to protect its rights. To discuss them at least, why not an envoy to the Vatican from the nation in question? Moreover, if the Holy Father had no Vatican State of HIS OWN (which is really only an oversized backyard), he would be an ITALIAN subject. That is something the Baptists should have objected to. But now he is subject to no NATION. He belongs to all. And he is free to deal with all. The Italian Post Office cannot hold up a letter from Pope Pius to Archbishop Spellman. The Pope has his own Post Office. We repeat what we have written here before: By belonging to no nation, the Pope can more easily belong to all nations. That is why the Baptists need not fear that Pope Pius wants to get into the White House.

The performance will begin at 3 o'clock sharp, Sunday afternoon, in St. Stephen's School Hall, Cermak Road and Wolcott Ave. A dance will follow immediately after the play.

Everyone is invited to attend this play and dance. The committee also invites all their K. S. K. J. friends from the neighboring towns of Chicago.

DONELLI, DUQUESNE COACH, TO BE GUEST AT PITT BOOSTERS CONFAB

Pittsburgh, Pa. — As revealed in a previous article, the meeting of the Pitt K. S. K. J. Boosters on January 14, 1940 in the Slovenian Auditorium, 57th and Butler Street, Pittsburgh, Pa., certainly is going to be a grand session and we invite each and every one of you KSKJ members who are interested in fraternal, church, and social activities centered around the Pitt KSKJ Booster Club to make an earnest effort to be present. By each and every one of you, we do not mean only the Booster members who have been active throughout the past years, but you members who have never availed yourselves of the opportunity of getting acquainted with the Pitt Booster Club by attending their meetings and participating in their activities as a real KSKJ member and booster. You of course understand that all that is necessary for you to be a member of the Pitt Booster Club is that you be a member of the KSKJ—it does not matter if you are a member of one lodge or another, as long as it is a KSKJ lodge. We invite all of you to join us—the members of the Etna KSKJ lodges, Millvale, North Side, Pittsburgh proper, and any other locality which is convenient enough for you to attend the meetings of the Pitt Booster Club.

We truly are going to have a very important guest at this meeting for you, one whom you will be proud to meet—a head coach of a university which has been talked of more than any other school this season—none other than Aldo (Buff) Donelli, head coach and athletic director at the Duquesne University, who can

FLORIANS INSTALL NEW OFFICERS, START 11th YEAR

So. Chicago, Ill. — The Florian Kay Jays wish to thank all those who so graciously attended their 11th annual inauguration ceremonies. It was a huge success. May we all look forward to many, many more. Good luck to the new officers and may they succeed in their every endeavor. To the outgoing officers we can only say, Thank you so very much for your time and effort and we hope to keep up your good work in the future.

TID BITS: I wonder how long it will be before the KSKJ Athletics Board starts monopoly proceedings against the St. Florian Lights.—Six in a row! Now we shall have to call them the St. Florian "Yankees" . . . "Lu" Franks has come out of retirement to pair up with his illustrious brother "Jando" in the coming tourney. They are both getting in shape at Bennett's-taking Miller baths . . . One of Bennett's attendants tried to christen himself with a bowling ball at Greek's Alleys. Better stick to the traditional way, Cooney . . . "Banks" is showing his dislike of modern ways by driving around in a "1900" Chevrolet . . . The Liberties vs. the Florians for the Slovenian championship of So. Chicago soon . . . Mike Popovich's Tavern against Likovich's 1927 Pontiac as a side bet . . . Did you see the furniture look in Johnnie Pop's eye? It won't be long now . . . Let's not be the rowdiest at the coming tourney, but the noisiest. Remember, fellows, nobody likes stripes unless they're on the flag. . .

JOLIET LEADERS THREATENED AS TAIL-ENDERS JOIN MAD SCRAMBLE

Joliet, Ill. — The last session of the local Kay Jay bowling loop saw the Hickory Markets and the Gorsich Food Marts, league tail-enders, gain valuable ground in the mad scramble for pay-off positions with the Hickorys leading the way with a three game victory over the Tezak Florists while the Marts were winning two from the league leading Kuhars. To win their three, the Markets rolled up a total of 2651 pins on games of 920, 852 and 879, mainly as a result of Captain Al Juricic's 597 and Doc Zalar's 590. The big gun for the evening, however, was Marty Gorsich of the Food Marts, who amassed a total of 636 on games of 189, 260, and 187. In the other match of the evening the Bluth's Markets copped two games from the Slovenic Coals.

In the select 200 class for the evening were: M. Gorsich, Jr. 260, Dr. Zalar 234, Al Juricic 220, Bob Tezak 210, and Geo. Karl 200.

SPARES: In his snappy 260 game Marty Gorsich marked up ten strikes out of a possible dozen . . . and missed the high game mark by a mere nine pins . . . George Karl still stands on top in that class with his 269 . . . Rosie finally popped for a pair of bowling shoes . . .

and shot almost fifty pins over his average . . . Standings show only five games separating first from last place, and only a game difference between each team . . . Wahoo! . . . watch the fur fly next week . . . Stan Wedic caught seven strikes in his second game and didn't get 200 . . . one might say he blew his chance for a 200 game . . . Stan finished with 197 and a scowl . . . was he tough! . . . More noise at last week's session than ever before . . . that's an indication of the enthusiasm the boys are showing . . . the league's a honey and I'll wager you couldn't buy your way in right now . . . any one of the six teams can cop first place and that's no soft soap . . . I like the friendly spirit that prevails, too . . . not a sorehead in the whole gang . . . Maybe the secretary will rate a boost in salary for the above . . . No? just thought I'd ask anyway . . . Next week the schedule calls for Kuhars vs. Hickorys, Slovenics vs. Gorsichs, and Tezaks vs. Bluths . . . See you then.

By FRANCES JANCER

A recipe that has been requested by numerous individuals is one for polenta made in a modern way. Here is one that may be appealing to the polenta lover.

Polenta With Cheese

1 cup cornmeal, 4 cups boiling water, 1 teaspoon salt, ½ cup grated cheese. Pour one cup of boiling water over the cornmeal and let it stand until it swells, then add the remainder of the water, with the salt, and cook over the direct flame for five minutes, stirring constantly. Turn it into a double boiler or fireless cooker and cook 2 hours; or into a greased baking dish and bake in a slow oven for 2 hours. Just before taking it from the fire, add the cheese and cook until it melts.

Lemon Sweet Potatoes

6 yams or sweet potatoes, 6 tablespoons butter, 6 tablespoons brown sugar, 1 teaspoon salt, 2 teaspoons grated lemon rind, hot milk.

Scrub yams. Cook until tender. Peel them and then mash them; beat in butter, sugar and salt. Add lemon rind and enough hot milk to make it fluffy. Reheat and serve.

Hawaiian Sherbet

2 eggs, separated, 1 small can crushed pineapple, 3 ripe bananas, mashed, juice of 2 oranges, strained, 7 tablespoons sugar.

Separate the eggs and beat the yolks with four tablespoons of sugar. When lemon-colored, add the mashed bananas, pineapple and orange juice. Mix well and turn into a freezing tray of a mechanical refrigerator. Freeze to a thick mush. Beat three egg whites until stiff, add the three tablespoons of sugar and continue beating until very thick and creamy. Fold into the frozen mixture, return to refrigerator and continue freezing. If you do not have a refrigerator, follow the above directions, freezing the fruits to a mush in a freezer packed in salt and ice. Fold in the egg whites as directed, and continue freezing until the mixture is stiff. Remove dasher, cover carefully so no salt will seep in, and repack in salt and ice until serving time. Serves 6.

Chocolate Eclairs

1 cup sifted flour, ½ cup butter or other shortening, 1 cup boiling water, 3 eggs, unbeaten, 1 recipe soft chocolate cream filling.

Sift flour once and measure. Melt butter in water. Stir flour into steadily boiling water. Cook and stir constantly until mixture leaves sides of pan and is a smooth compact mass. Turn into mixing bowl and thoroughly beat in 1 egg at a time. Force mixture through pastry bag or shape with a spatula into eclairs, 4½ by 1 inch, on greased cookie sheet. Bake in hot oven 20 minutes, then reduce heat to moderate and bake 10 minutes longer. With a sharp knife make a slit in one side of eclairs and insert the filling, made as follows:

2 squares unsweetened chocolate, cut in pieces, 2 cups cold milk, ¾ cup sugar, 1/8 teaspoon salt, 3½ tablespoons flour, 2 eggs, slightly beaten, ½ teaspoon vanilla.

Add chocolate to milk and heat in double boiler. When chocolate is melted, beat with a rotary egg beater 1 minute, or until mixture is smooth and blended. Sift sugar, salt, and flour together; add to eggs. Pour small amount of chocolate mixture over egg mixture, stirring vigorously. Return to dou-

ble boiler and cook 15 minutes, or until mixture is thickened, stirring constantly. Add vanilla and cool before using. Makes 2½ cups filling.

Sand Tarts

¾ cup Crisco, 1 cup sugar, 2 eggs, 2½ cups flour, ¾ teaspoon salt, 2 tablespoons milk.

Blend sugar, crisco, and milk thoroughly. Stir in eggs one at a time, beating well after each addition. Add flour and salt sifted together. Let dough stand overnight in a cold place. Roll thin, using a mixture of 1/3 cup sugar and 2/3 cup flour on board. Cut in diamond shapes. Brush tops with egg diluted with 2 tablespoons milk. Sprinkle the center with a cinnamon and sugar mixture. Decorate with ½ almond or hickory nut. Place on cookie sheet or pan rubbed with crisco, and bake in a moderately hot oven until delicately brown. Remove from pans before entirely cold. Makes 10 dozen.

Fruit Cookies

1 cup white sugar, 1 cup brown sugar, ½ cup melted butter, ½ cup melted shortening, 1 teaspoon soda, 1 teaspoon cinnamon, ½ teaspoon salt, 4½ cups flour, ½ cup chopped almonds, ½ cup chopped citron, 3 well beaten eggs.

Add the sugar to the melted butter and shortening, next add the beaten eggs, then the soda dissolved in a little water, the cinnamon, salt and flour sifted together, and lastly the citron and almonds. Blend all thoroughly, form into rolls, set aside over night, and in the morning slice thinly and bake on greased cookie sheet.
