PREVIDNOST POVSOD

Preveč previdnosti še nikoli ni škodovalo, premalo pa že dostikrat. To je stara rečenica, katera je dandanes še prav tako resnična kakor je bila pred stoletji in tisočletji. Previdnost nam narekuje, da se izogibljemo nevarnosti in da se po možnosti izogibljemo tudi priliku, ki bi mogle veduti v nevarnost.

V prvi vrsti je važno, da pazimo na naše zdravje, kateremu neprestano preti tisoč nevarnosti. Zdravje je naše največje bogastvo in, kjer ni zdravja, vse druge dobrote in lepote sveta ne pomenijo dosti. Spomladi smo običajno v splošnem bolj dozvetski za razne bolezni kot v drugih letnih časih, ker se telesna odporna sila tekmo zimskih mesecev znatno zmanjša. Zato je v tem času posebno potrebno, da se varujemo prehladov in da prakticiramo zmernost v vseh ozirih.

Z nastopom pomlad se navadno zviša tudi število avtomobilskih nesreč. Na cestah je več avtomobilov in več neprevidnih voznikov. Prijetni pomladni dnevi tudi izvabijo na prosto mnogo otrok in mnogo starih ljudi, kar pomeni več priliku za avtomobilske nesreče. V tem času je torej podvajena previdnost na mestu, tako za avtomobiliste kot za pešce. Nihče ne mora biti ubit ali poškodovan sam in nihče ne mora ubiti ali poškodovati koga drugega. Popolnoma odpraviti prometne nesreče najbrž ne bomo nikdar mogli, toda mnoge nesreče bi se lahko preprečile z večjo previdnostjo.

Previdnost pa je priporočljiva tudi v drugih ozirih. Splošni svetovni položaj je do skrajnosti razburkan in ozačje je nasičeno vsakovrstne propagande. Ne more škoditi in dostikrat nam morda še koristi, če poslušamo propagando ene ali druge vrste, toda verjeti vsevprek je nespametno. Bodimo previdni in presojajmo vse take reči z našo lastno zdravo pametjo. Ako bomo v vseh ozirih poslušali zdravo pamet, se ne bomo zaleteli v situaciji, v katerih bi nam morda kdaj pozneje utegnilo postati neprijetno.

Ameriški Slovenci smo po večini ameriški državljanji, in, kateri še niso, naj se potrudijo, da v doglednem času postanejo. Ameriško državljanstvo je bilo vedno velike važnosti in postaja važnejše z vsakim dnem. Kdor se ni državljan, naj pomisli, da za pridobitev ameriškega državljanstva govoriti tisoč vzrokov, proti pa noben. Bivajoči v tej deželi zamoremo koristiti sebi, svojim sorojakom, tej republiki in človeštvu v splošnem le kot ameriški državljanji. Vsi verujemo v demokracijo in jo ljubimo, ampak to demokracijo najuspešnejše propagiramo in branimo kot ameriški državljanji in po ameriških institucijah. Dela imamo dovolj doma, prav tu v Zedinjenih državah. Vsak pameten gospodar se najprej briga za svoje lastno gospodarstvo in še potem za gospodarstvo svojih sosedov, če mu za to kaj časa ostaja.

Za naše člane je priporočljivo, da se najprej brigajo za svojo organizacijo in pa za koristi te republike, katero smo si zbrali za svojo novo domovino. Tu je naša bodočnost in tu je bodočnost naših otrok. Spoštujmo in branimo našo ameriško demokracijo in jo po naših prilikah skušajmo še izboljšati; potom te demokracije bomo in direktno pomagali tudi demokraciji ostalega sveta.

V tej deželi uživamo široko svobodo in nihče nam ne brani, da pripadamo katerim koli organizacijam, mali tudi takim, katerih politične niti se raztezajo v lažne dežele inozemstva. V mirnem času se Američani ne brigajo dosti za kaj takega. Mi vši iskreno upamo, da se ta dežela ne bo nikoli več zapletla v kako vojno pustolovščino, toda upanje ne odloča. V časih kot so sedaj, je vse mogoče. In če objame deželo vojna histerija, bi ji bili prvi izpostavljeni tu živeči inozemci, ki se preveč navdušeno zavzemajo zaake probleme inozemstva. To smo videli tekom zadnje svetovne vojne in nikjer ni zapisano, da se kaj sličnega ne bi moglo v sličnih razmerah ponoviti. Prav je, da smo aktivni, istotako pa je prav, da smo pametni in previdni.

V poglavje previdnosti spada tudi, da imamo vse člane svoje družine zavarovane pri dobrini podporni organizaciji, kot je J. S. K. Jednota. Za to previdnost skušajmo pridobiti tudi naše prijatelje in znance, ki še niso zavarovani. Ako to storimo, bomo pripomogli k uspehu sedanji kampanji, ki se vrši v proslavo 40-letnice J. S. K. Jednote.

Prevelika skromnost ni dobra, toda veliko slabše je prečevanje lastnih moči in zmožnosti, ker to rado prehaja v smeh. Najvarnejše je prepustiti sodbo drugim.

Na svetu je vendar nekaj pravice. Mnogokrat se namreč zgodi, da tisti, ki bičajo druge, so končno teheni z lastnimi biči.

Iz urada glavnega tajnika JSKJ

VAŽNO ZA DRUŠTVE IN TAJNICE

Z ozirom na predlog, ki je sedaj na splošnem glasovanju ali referendumu želimo ponovno pojasniti, da se glasovanje ne konča prej kot 15. maja. Nekateri tajniki so že sporočili rezultat glasovanja pri njih društvin in so glavnemu uradu postali tudi glasovnice, kar pa ni pravilno. Glasovnic sploh ni potreba poslati glavnemu uradu, ampak poštej naj se samo rezultat glasovanja, koliko glasov je bilo oddanih za predlog in koliko proti predlogu. Tozadevno poročilo mora biti podpisano od predsednika in tajnika društva ter opredljeno z društvenim pečatom. O predlogu imajo člani priliko glasovati pri dveh rednih sejah, toda ne dvakrat. Pri društvin, ki imajo mesečne seje po 15. dnevu v mesecu, imajo člani priliko glasovati v marcu in aprilu in kdor ni glasoval v marcu, lahko glasuje v aprilu. Pri društvin, ki imajo seje pred 15. dnem v mesecu, imajo člani priliko glasovati v aprilu in maju.

NEKAJ O PORODNIH NAGRADAH

Porodne nagrade se plačujejo sami tistim članicam, ki so zavarovane v bolniških in odškodninskem oddelku. Članice, ki so zavarovane samo za smrtnino, niso upravičene do porodnih nagrad. Porodna nagrada znaša \$15.00, če pa mati otroka vpisuje v mladinski oddelki v teku enega meseca od dneva poroda, potem Jednota plača nadaljnih \$5.00, kar se nakaže društvu za plačevanje otrokovih asesmentov. V preteklosti smo imeli večkrat sitnos s plačevanjem porodnih nagrad. Društva so poslata nakaznice, prošenj za sprejem otroka v mladinski oddelki pa ne. Posledica je bila, da smo nakazali samo \$15.00. V bodoče naj se vsaki nakaznici za porodno nagrado priloži obenem prošnja za sprejem, in obe listini naj se pošteje v hrvojem zdravniku. Na ta način bo točno izplačilo v vsakem slučaju zagotovljeno.

JUBILEJNA KAMPANJA

Ponovno opozarjam vse tiste člane in članice, ki imajo letkom jubilejne kampanje namen kandidirati za eno ali drugo odlikovanje, da svojo kandidaturo takoj prijavijo društvenemu tajniku ali tajnici, slednjem naj pa imena in naslove kandidatov sporočijo glavnemu uradu. Tajniki in tajnice naj ne pozabijo v vsakem slučaju priložiti navodilo, komu se ima nov član kreditirati.

PREMEMBE ZAVAROVANJE IZ NAČRTA "A"

Opozil sem, da so nekateri tajniki in tajnice pod tistim, da člani načrta "A" ne morejo več svojih certifikatov zamenjati ali premeniti v načrte "AA," "B" ali "C," ampak da jih zamorejo zamenjati ali premeniti samo v nove načrte "D," "E" ali "F."

To naziranje je napačno. Vsak član, ki je zdaj zavarovan v starem načrtu "A" sme svoj certifikat tudi v bodoče spremeni v načrt "AA," "B" ali "C." Načrt "D," "E" in "F" velja samo za člane, ki so ali bodo pristopili k Jednoti od 1. januarja 1938 in za tiste člane, ki želijo zavarovalnino za smrtnino zvišati.

Z bratskim pozdravom,

ANTON ZBASNICK,
glavni tajnik.

VSAK PO SVOJE

Starokrajski listi, ki poročajo o smrti italijanskega pesnika Gabriela D'Annunzia, ne omenjajo niti z besedo, da je bil D'Annunzio tisti, ki je ofrnal Jugoslavijo za Reko, katera je bila po mirovni pogodbi prisojena. To dokazuje, da je Mussolini diktator tudi v Jugoslaviji.

Pretekli teden je bivši predsednik Zedinjenih držav, Herbert Hoover, posetil angleškega kralja Jurija in ameriški listi so to novito omenili s tremi drobnimi vrsticami. Starokrajski listi napisajo več, že biciklist povozi 30 dinarjev vredno kokoš.

V listih čitam, da se je nekje v Jugoslaviji v doveč srednjih let pred oltarjem premislil in jo pocedil nazaj v zlato svobodo. Svatje s prospektivno nevesto vred so nekaj časa belo gledali, nato pa se kljub razočaranju podali na nevestin dom, kjer je bila pripravljena bogata gostinja, in so se veselo zabavali vso noč in do belega dne. To dokazuje, da je dandanes v Jugoslaviji vse mogoče, tudi ohet brez ženina!

Jaz v splošnem mrzim surprise parties, toda pretekli teden sem dovoljeno, ki mi je bila všeč kot še nikdar nobena. Pripravila je bila v poskušu, da odstranita znamo kot vihrovo damo, ki je Vargasina in se polasta vlade.

AMPLIFYING THE VOICE OF THE ENGLISH SPEAKING MEMBERS

Current Thought**In Pittsburgh**

On Sunday morning, April 3, the fourth national SSCU duckpin tournament will get under way. Boys and girls — young men and women, seniors — all members of the SSCU — will join in a sort of an athletic repast prepared especially for members of the SSCU family.

There will be much duckpin rolling, but even more conversational retorting. All in the spirit of good fellowship. For a period of some six, seven or eight hours during the progress of the tournament, Lawrence Recreation Alleys will resemble a beehive, for not a single member is content to be idle, in thought and in physical action. Time does not march on that afternoon, flies, for like a gathering of individuals very much interested in a common endeavor, where each one has something to say, so is our national duckpin tournament gathering of intensely interested members whose scope subjects on our Union is almost endless.

Plenty of rooters will be on hand. Strange as it may seem, although the female element is in the minority in number of teams entered, the greatest cheering interest reverberates from the ladies' section. The men too, but their voices do not carry the ring and the enthusiasm created by the ladies.

And pity the poor chairman. This year Bro. L. P. Boberg, president of Pittsburgher lodge, No. 196, SSCU Pittsburgh, again is in charge. His experience in this work (he has been chairman of our duckpin tournaments before) enables him to cope with many puzzling complicated situations. Lodge teams arrive at different hours, and one of Bro. Boberg's big jobs is to find the newcomers, empty alleys, where a team may have just completed its series. "When do we bowl?", and "I haven't done we start on our doubles", and "I haven't had my singles yet", echoes and re-echoes through alleys.

And then the tournament dinner, where cash prizes and the plaques are awarded. As usual, the tournament dinner is held in the Slovene Home. Here an spectator will find happy though perhaps somewhat tired looking faces ready for more entertainment. When the speeches are completed, prizes awarded, and the boys and girls, men and women once resume their informal conversation, the clock is eleven, twelve and for some even one and two the dreaded time for departure begins.

Come to Pittsburgh next Sunday, April 3, and see for yourself the many interesting phases which make national SSCU duckpin tournaments so popular. If from out-of-town, say a neighboring state, and shall have traveled one hundred, two hundred or more miles, the excitement, much handshaking, talking and cheering will more than repay the trouble making the trip — even the hours of sleep which you have to undergo in order to return to the job on

Buckpin Tournament**With The Cardinals**

Struthers, O. — All that remains is to wait for the new whistle and the tournament will be under way. At the outlook it promises to be largest attended tournament in history. Especially is St. Louis' team determined to the championship and retain permanently the which they now hold for successive years, and Pitts' team is equally certain that this will not happen. I hope these two teams will bat and fair to attain their plaque is their goal.

Congratulations are extended to Louis S. Babich and Ruth Moore, who recently plunged into the sea of matrimony.

Incidentally, all Cardinals who want more dance tickets are requested to get in touch with Sis. Amelia F. Slabe, our treasurer, for she is in complete charge of the ticket sale now. Also return all unsold tickets to her a few days before the dance. Her address is 22 John St., Struthers, O.

Here is hoping to see you all at our next meeting on April 8, 1938.

Come to Pittsburgh Sunday, April 3rd

Unity, Pa. — Just a few more days and once more the duckpin balls will be whizzing down the old alley at the Fourth National Duckpin Tournament in Pittsburgh. We are expecting one of the largest crowds to be on hand on April 3 when the first thrown duckpin ball will open the tournament.

The committee hopes that those who have entered teams in the tournament will not delay forwarding their entry blanks until the last moment. The committee will have too many other things to tend to on that day.

Just a reminder to the older folks that this tournament is for them as well as for the young, and I hope to see that more teams are present. Look back upon your good old days in the old country when you used to throw those wooden balls, "Pa se how!"

Hoping to see a one hundred per cent turnout at the tournament and remember—On With a Better SSCU.

Paul J. Oblock, Committee

Correction

In last week's issue of Nova Doba, the English section inadvertently misspelled one word in the resolution proclaiming July 18, 1938 as SSCU day in Ely, Minn. Instead of indicating Mayor Peshel as one of the seven members of Ely City Council who voted unanimously in favor of the resolution, the name "Mary" Peshel appeared. Just one word misspelled, but what a whale of a difference, for the Mayor's full name is Jack Peshel. The editor is still blushing pink over the mistake and hopes that he shall be pardoned for this unintentional error.

The "Ahs-Tin" Goes Fortieth Anniversary

By Little Stan

Ely, Minn. — Into the second month of our SSCU's great 40th anniversary membership drive, gaining momentum daily as the campaign wheels turn with unceasing rhythm. A festive spirit has enveloped the people of every SSCU community who are pointing toward that great day in July and the big celebration takes place in this community of 6,500 population.

Even old Sol, the old sage, looks down upon us from his lofty perch high in the heavens, feels the vein of importance which this great year carries. For the last six months he has smiled down upon us, brushed aside all traces of beautiful white snow, and beginning his artistic touch so typical of early spring. And that also carries a promise for wonderful weather in this northwoods city for the 40th anniversary celebration of our Union.

Everything is affected. Building romance is beginning to bloom. That age old pal of Little Stan's—the Magic Carpet even takes to the air, all by its lonesome, never telling Little Stan where it is going, but always returning with that satisfied air

BRIEFS

Anything worthwhile is not within easy grasp. Before the goal is reached it means sacrifice, patience and hard work. The free rail trip to Ely, Minnesota offered by our Union to any member, while not excessively difficult to get, does require perseverance more than anything else. Perseverance in the form of persuasion and explanation, not once, but several times, to the prospective candidate for membership.

From the Office of Supreme Sec'y SSCU**IMPORTANT TO LODGE SECRETARIES**

Referring to the motion, which is now up by referendum or special ballot, I wish to explain again that ballots may be cast up until May 15. Some secretaries already have reported results of the voting at their lodges and have forwarded ballots to the home office. This is irregular. As a matter of fact, ballots need not be sent to the home office; the results of the balloting only is necessary, showing the number of votes cast for the motion and the number of votes cast against the motion. The statement indicating the results of voting must be signed by the president and secretary of the lodge together with the lodge seal. Members have two opportunities to vote on the motion; that is, at the two regular monthly meetings. They may vote only once, not twice. Members of such lodges who hold their meetings after the 15th of each month may cast their ballots either in March or April, and those who did not cast their ballots in March may do so in April. And members of such lodges who hold their meetings prior to the 15th of each month may do their voting either in April or May.

ON MATERNITY BENEFITS

Maternity benefits are paid only to such members as are insured for sick and accident benefits. Members who are insured only for death benefits are not entitled to maternity benefits. Maternity benefits amount to \$15.00, and if the mother enrolls the child into the juvenile department within one month from date of birth, then our Union pays another \$5.00, which is turned over to the lodge for the payment of the child's assessments. We have encountered considerable difficulty in the past with the payment of maternity benefits. Lodges would forward claims for maternity benefits but would fail to send applications for membership into the juvenile department. Consequently we would allow them but \$15.00. For the future, please remember to attach to each claim for maternity benefits an application for membership into the juvenile department, and forward both documents to the supreme medical examiner. In this way prompt payment in full is assured in each instance.

JUBILEE CAMPAIGN

Once again I wish to remind all those members who, during the jubilee campaign intend to work for one or the other goal, to notify their intentions immediately to the lodge secretary, while the secretaries should report the names and addresses of candidates to the home office. Secretaries must remember to attach to each application for membership instructions as to who shall receive credit for the new member.

CHANGES IN INSURANCE FROM PLAN "A"

I have noticed that some secretaries are under the impression that members insured under plan "A" cannot change their certificates to plans "AA," "B," or "C," but must change their certificates only into the new plans "D," "E" or "F". This is a mistaken impression. Each member who is now insured under the old plan "A" may at any time in the future change his certificate to plans "AA," "B" or "C". Plans "D," "E" and "F" apply only to those members who have or will have joined our Union after January 1, 1938, and for such members who wish to increase their death benefits.

CARDINAL HIGHLIGHTS**Lodge 28**

Struthers, O. — Easter will soon be on its way and soon after Easter comes Cardinals' Novelties Dance. Beautifully decorated lights, a beautiful decorated hall and set back from the crowd is an all-girl orchestra playing waltzes, fox-trots and polkas—inviting romance to all youse guys and gals. Ah! then this spring air breezing along, who couldn't fall in love? But whoa! I'll have to pinch myself and awaken to find myself past this dreaming stage, for I find myself soon celebrating my first wedding anniversary. That's what the Cardinals' dances do to one.

They simply have magic, for once you come, they'll just draw you to them the next time. I'm sure you'll have a grand time. Don't forget April 23rd, set it aside and make a date with us.

Soon the fourth national SSCU tenpin tournament will be under way in Cleveland, and our best bowlers are going out to test their luck. So far the boys have been practising, showing pretty fair results. So look out, bowlers, the red-birds are coming.

Remember the 40th anniversary of our great SSCU. We're going to do our best to represent our lodge. So, let's all try hard, members, and see if we can't send at least one delegate. We'll be boosting our fraternal mother—the great SSCU, and at the same time we'll be strengthen-

Kemmerer, Wyo. — Members of lodge No. 28, SSCU are hereby notified that the next meeting will take place Sunday, April 24, commencing at 10 a. m., in the usual quarters. Members are requested to attend this meeting in full numbers, for among the order of business will be included discussions and casting of ballots on the initiative motion submitted by the supreme board. As is known, the initiative motion is subject to referendum, whether the assessments shall be increased five cents a month. This five cents a month from each member would go into a fund from which assessments would be paid for members 70 years of age or over. This means that should the motion be accepted, each member of the adult department would pay an additional five cents a month assessment after July 1. Ballots may be cast only at the meetings.

FRANK E. VRANICAR:

Illinois Fraternal Congress Annual Meeting

The annual meeting of the Illinois Fraternal Congress was held at the Morrison Hotel in Chicago on March 10, 1938. Our Supreme President, brother Paul Bartel, was selected at the recent annual meeting of our Supreme Board to attend this meeting as delegate to represent the SSCU. However, a day prior to the meeting I received a letter from him, stating that he would be unable to go, and requesting me to arrange to attend instead.

The Secretary of the Congress, Russell H. Matthias, reported that 83 Fraternal Societies and 6 individuals now were registered as members of the Illinois Fraternal Congress, 5 joining during the past year, and that 49 organizations doing business in Illinois are not members. 43 Societies had representatives present at this meeting.

It also was reported that various political taxing bodies of the different cities and states every so often try to introduce new methods of raising their income and imposing a tax burden on such groups as our societies. So it was last year, when the City of Chicago passed an ordinance requiring a \$5.00 license fee each and every time any refreshments were served at any lodge meetings. Through the efforts of the Illinois Fraternal Congress this license ordinance was repealed before it went into effect.

The meeting was addressed by Roy Davis, Assistant Director of the Illinois Insurance Department, who welcomed the delegates in attendance and wished them success in their deliberations.

Mention was made of the fact that the suits seeking to collect income taxes from fraternal organizations have all been disposed of and that there now are no cases pending in any of the States. Oklahoma was the first state in which these suits were started in 1934 and later they were filed in Arkansas, Missouri, Iowa, New Mexico and Mississippi. Over twenty-five million dollars tax claims were involved in these suits, and the prosecuting attorneys were to get for their fees a percentage on the amounts collected. Had they been successful many societies would have been crippled and others put out of business. Actually some cases were won in the lower courts by the so-called racketeer attorneys, but they lost when no compromises were considered by the societies and the cases were carried to and heard by the supreme courts of the states. The plans of collecting such taxes originated because the states sought more revenues, which they felt they needed. The commercial life insurance companies are now taxed from 2% to 3½% on their income and these taxes throughout the country amount to ninety-eight million dollars annually, although the states expend only four million dollars for supervision of insurance, which means that ninety-four million dollars collected in taxes from companies and actually paid by policy-holders go into the general funds of the states.

It was emphasized that the fraternal system needs considerably more favorable publicity than it has received in the past, and to accomplish this "Fraternal Week" has been designated by the National Fraternal Congress from May 2nd to 8th, 1938, during which time all possible fraternal demonstrations and publicity is to be given in all parts of the country. Special suggestive programs will be prepared and available from the offices of the Illinois Fraternal Congress to those societies which request them.

The importance of fraternal insurance is becoming more and more recognized and several colleges and universities are including studies of it in their curriculums. In this way it is hoped that the fraternal life insurance system will secure equal attention and respect that the commercial system enjoys. A special committee is to be appointed by the Illinois Fraternal Congress to work towards securing universal approval of our educational institutions in this respect.

A long discussion was had in regard to the interpretation of the ruling of the Illinois Insurance Department prohibiting local lodges from contracting to pay sick benefits to their members out of their local treasures, and collecting assessments for this purpose. Finally it was decided to let the executive committee of the Congress keep in touch with the situation and take whatever action may be deemed necessary for the best interest of the affected member societies.

Suggestions were solicited for matters to be recommended to the next session of the Illinois Legislature for changes in the new Illinois Fraternal Insurance Code, and other matters to be worked out with the Illinois Insurance Department. I told the meeting about the difficulties the societies were now having in getting the Department's approval to the forms of Juvenile Certificates, stating that it was disclosed that there are about 2600 Certificates submitted by Societies on which action was being unduly delayed. I also mentioned the apparently unwise and unjust ruling of having the certificates provide that juveniles upon reaching age 16 should have absolute control over the cash values of their certificates on which the parents have been paying assessments for many years. The applause my remarks received indicated that those present were in sympathy with my statements, and later my motion to refer the matter to the Executive Committee which is to appoint a sub-committee to try to secure an amicable adjustment of these questions was unanimously adopted by the meeting.

The final business of the meeting late in the afternoon was the election of officers. All the old officers were given a vote of confidence and re-elected. Only a few changes were made in the personnel of the Board of Directors.

LITTLE STAN'S ARTICLE

(Continued from page 3)

were many dollar signs. After a few hours, an elongated guy with hair all ruffled emerged from the room to get a breath of air. He had arrived at a conclusion.

Putting on that flashy new jumper, he went down town with the ahs-tin in tow. Into a popular garage with it. Then started the dickering. It lasted for an hour, because you know your Little Stanley is somewhat of a salesman himself. Out of the garage and whistling his way to work. Towards even-tide, Little Stan returned to the garage, went right in. There was a steady whir of a motor in second gear. A blast of horns, and out of the door came the 40th anniversary edition of the "ahs-tin!" It was a flashy new green-colored automobile with silver trimmings. It had a loud set of twin horns, a powerful radio, several ash trays, a nice warm heater for those cool Minnesota nights, a radiator full of non-freezing Prestone, and last but not least,

IT HAD A SPECIAL COMPARTMENT FOR THE MAGIC CARPET! AND AT THE WHEEL WAS NONE OTHER THAN YOUR LITTLE STANLEY! The Ahs-tin was back—bigger, better and better than that! Wotta life . . . wotta life. Little Stan was even thinking what form of SSCU life insurance he was going to place on it. But a conference with Supreme Secretary Anton Zbasnik will soon fix that!

Driving it home, almost afraid to race the big motor of the new "eight-five" Little Stan looked prouder than ever. What will the juvenile members think of this swell buggy? And what will the magic carpet do when it sees that special compartment? Around a couple of curves with much caution, and driving into the driveway alongside the mansion to a stop. Little Stan hops out, stands near and looks it over with much pride. He takes his clean hanky, wipes off a few stray dust particles, steps back and again admires the beautiful body lines of the automobile.

Than into the house. It has been a long time since the magic carpet and Little Stan have spoken to each other—because of the last little tiff. But now, the time has come for a real 40th anniversary get-together. And with this thought in mind, Little Stan makes the first advances toward renewing a good old friendship. He walks into his room, where the magic carpet lies. He gets down, whispers in its ear, and begins a conference. Soon there is a flutter of excitement, the carpet flutters to the window, and rapturously turns back to little Stan, envelops him in one big hug. A song bursts forth . . . "Let all your troubles be forgot . . ." Then downstairs together into the car, and the magic carpet reclines in its new compartment, and is it happy! A firm vow is taken. "Never, never again, will there be a difference of opinion which will cause hard feelings. No never!"

Into a huddle, and Little Stan and the magic carpet start on plans to really outdo everything in the world to insure the biggest and most elaborate celebration of the 40th anniversary of our SSCU for everyone who will be here on July 18, and also for everyone who can't be here, through a vivid description of events.

My Impressions

Frank J. Jancar, Jr.

Los Angeles like any other city, has its historic spots—concentrated in Main Street from about Twelfth Street to historic Olvera Street.

Main Street can well be called the street of all nations. In these or twelve blocks Mexico, China, Phillipines, Japan, and early California are well represented.

Beginning with the historic plaza, the original plaza of the City of Our Lady of Angeles, the above mentioned nationalities take their respective places and locations. It was here at the plaza that the history of Los Angeles originated. The city of Los Angeles was founded in 1787 and maintained its popularity as being the leading city in California until the gold rush when it relinquished its stronghold in favor of San Francisco. After nearly a half a century, Los Angeles again took the lead maintaining it to the present time. Spanish settlers 150 years ago built a bode dwellings around this plaza and along the trail which led into Old Mexico, called Calle Principal. In 1846, the new governors Anglicized the street's name to Main Street. Commodore Stockton, who captured the city from the Mexicans, resided a few hundred feet from the plaza. It is estimated that more than 150,000 legal and illegal Mexicans reside in Los Angeles, the largest Mexican community next to Mexico City.

The Mexicans, due to the important part that they played in early history, deserve first mentioning, besides the fact that they outnumbered their other brothers. The plaza is the Mexican rendezvous as evidenced by Mexicans dallying, sleeping and debating under tropical trees. In nearby dingy restaurants one can find different varieties of hot and spicy foods not forgetting to mention that popular Mexican corn dough wafer, tortillas. The plaza is turned into a hub-bub of merriment and excitement each Catholic Holyday. Fiestas are not uncommon here. Mexican and American holidays are celebrated with equal zeal. Every spring the children of the entire city, whether Mexican, Chinese, Japanese or Filipino, bring their pet animals to the plaza church to be blessed. According to an article which appeared recently in a local newspaper, their will be no such event for the children this year much to the disgust of these young ones. A Mrs. Christine Sterling and other sponsors of the rites postponed the ritual due to confusion of building a new China section nearby. I have been told that goats, Chinese cats, rabbits, turtles, donkeys, pigeons and pet snakes are brought to the church for the event.

Extending from the plaza to El Royale Street, Olvera Street makes its presence. Dingy little stands, stores, tents and cafes outline the street on both sides. One can get real Mexican tamales. And by the way, before Little Stan and the ahs-tin and the magic carpet go to sleep for the night, they are reminded they owe John Matekovich of Lodge 222, Gowanda, New York a little note: First, a little apology for not answering a query in a recent Nova Doba article, and next the answer to the query. You know, John, Little Stan is agreeable, he also thinks he had better watch so that he doesn't become ensnared in any of Cupid's spring jokes . . . besides it is hard to dodge in springtime when there's romance in the air! But Little Stan will do it . . . How do I know?—I asked him! Huh! Huh!

Into a huddle, and Little Stan and the magic carpet start on plans to really outdo everything in the world to insure the biggest and most elaborate celebration of the 40th anniversary of our SSCU for everyone who will be here on July 18, and also for everyone who can't be here, through a vivid description of events.

MY TRIP TO THE MEDITERRANEAN

BY Doris Marie Birtic,
Lodge 180

Editor's Note: This is the 17th installment of a series of articles which Doris Marie Birtic has prepared for publication in the Nova Doba. Readers will recall that Doris won a sixweek cruise to the Mediterranean in a nationwide contest sponsored by The Cleveland Press and The Cleveland Propeller Club. Other installments will follow in subsequent editions.

Mount Calvary was the next stop in our tour of Jerusalem. A tiny church with glittering statues, vigil lights, and cream-colored candles lend a solemn atmosphere.

On our way out, a crippled old beggar hobbled toward us. He knew no English, but his pleading eyes spoke for him as his trembling hands held up a few large rosaries. Upon close observation, we noticed that they were carved by hand from olive stones. We bought his entire supply (he had only six) and the poor fellow was so delighted that tears of gratitude streamed down his dark, sunburnt cheeks.

To the east of this plaza, Chinatown makes its appearance. Cantonese signs, illuminated in brilliant hues, invite the populace to their restaurants and dingy cafes. Beautifully designed glassware and souvenirs are displayed in the windows. The people also help distinguish the scene; the children with their Cantonese haircuts. An evening stroll in Chinatown gives one an oriental feeling as described in Sax Rohmer's narratives. Annually, on Chinese New Year, Chinatown inhabitants crowd out their brother Mexicans from the plaza and have their own "fiesta" or festival, parading with a dragon dance around the square punctuated by bells, flags and fireworks that turn Little Mexico into oriental Canton.

ZA GLAVNI URAD J. S. K. JEDNOTE:

Anton Zbašnik, glavni tajnik.

Illinoiška federacija JSKJ

V zapisniku glavne odborove ste čitali v mojem poročilu, da bi članstvo v našem Illinoisu poklonilo tako lep dar naši Jednote za štiridesetletni jubilej, ako bi tudi mi organizirali svojo federacijo, po vzgledu držav kot Minnesota, Pensylvanija, Ohio in Colorado. Obljubil sem, da bom o tem pisal na drugem mestu, radi tega hočem danes navesti nekaj priporočil, da čimprej postane ta naša ideja "medno v kri."

Radi tega, sobratje in sosesstre v državah Illinois, Wisconsin ter Indiana, strnimo se skupaj v močno federacijo, katera naj bi bila čast in ponos naši Jednoti. Poročilo, ki je bilo glavnemu odboru, ki je s tem činom izrazil priznanje delu federacije in pomagal, da bo mogla ista v bodoče še bolj uprečno vršiti svoje posle.

Po daljši razpravi, v katero je poseglo več zastopnikov in glavnih odbornikov, je bilo sklenjeno, da se denar naloži na banko v Barbertonu in da čecke izdatkov podpisujeta federacijski tajnik in blagajnica.

Sledi poročila glavnih odbornikov. Sobrat A. J. Terbovec poroča, da je na glavno letno sejo prišla prošnja ene federacije za kakšno finančno pomoč, in, ker je bil glavni odbor uverjen, da slično pomoč potrebujejo in zaslužijo tudi druge federacije, je nakazal enako vsoto vsaki izmed štirih aktivnih federacij. Omenil je, da je glavni odbor čenil in upošteval dobro delo federacij v preteklosti in da je prepričan, da bo do federacije izvršile mnogo kritistnega dela za Jednote tudi v bodočnosti. Dalje je omenil, da ne smemo pozabiti letoski kampanje za pridobivanje novih članov, ki se vrši v proslavo "teamov" JSKJ, in priporočajo, da bi se tudi člani slovensko poslujočih društev te tekme udeležili. Dalje priporočajo, da naj bi ohijska federacija povabilo k tej tekmi, na kateri se bodo zbirali mladi naši člani iz raznih držav, glavnega tajnika, sobrata Antonia Zbašnika. To da bo prireditev povzdrigljivo, obenem pa bo glavni tajnik imel priliko med mlajšimi člani poživiti zanimanje za našo jubilejno kampanjo in za jednotno delo s poljubnimi društvami. Nato je bil stavljeno v soglasno sprejet predlog, da tajnik federacije uradno povabi glavnega tajnika na krogloško tekmo v Cleveland. Glede banketa, ki bo prirejen za

Sobrat Anton Zbašnik, glavni tajnik.

dela, katera so te naše koristne skupine doprinesle za našo celokupno korist. Jaz verjamem v federacije iz dveh razlogov. Prvič: ker verjamem v organizirano maso. Bolj ko se bomo organizirali, tem močnejši bomo postajali, tem lažje se bomo boriли za princip, katere smo sprejeli po naših prednikih. Drugič: ker iskreno ter vestno vrše delo bratskih načel, ter so se baš v tej depresiji pokazala kako vitalnega pomena so federacije za našo Jednote.

Radi tega, sobratje in sosesstre v državah Illinois, Wisconsin ter Indiana, strnimo se skupaj v močno federacijo, katera naj bi bila čast in ponos naši Jednoti. Poročilo, ki je bilo glavnemu odboru, ki je s tem činom izrazil priznanje delu federacije in pomagal, da bo mogla ista v bodoče še bolj uprečno vršiti svoje posle.

Po daljši razpravi, v katero je poseglo več zastopnikov in glavnih odbornikov, je bilo sklenjeno, da se denar naloži na banko v Barbertonu in da čecke izdatkov podpisujeta federacijski tajnik in blagajnica.

Sledi poročila glavnih odbornikov. Sobrat A. J. Terbovec poroča, da je na glavno letno sejo prišla prošnja ene federacije za kakšno finančno pomoč, in, ker je bil glavni odbor uverjen, da slično pomoč potrebujejo in zaslužijo tudi druge federacije, je nakazal enako vsoto vsaki izmed štirih aktivnih federacij. Omenil je, da je glavni odbor čenil in upošteval dobro delo federacij v preteklosti in da je prepričan, da bo do federacije izvršile mnogo kritistnega dela za Jednote tudi v bodočnosti. Dalje je omenil, da ne smemo pozabiti letoski kampanje za pridobivanje novih članov, ki se vrši v proslavo "teamov" JSKJ, in priporočajo, da bi se tudi člani slovensko poslujočih društev te tekme udeležili. Dalje priporočajo, da naj bi ohijska federacija povabilo k tej tekmi, na kateri se bodo zbirali mladi naši člani iz raznih držav, glavnega tajnika, sobrata Antonia Zbašnika. To da bo prireditev povzdrigljivo, obenem pa bo glavni tajnik imel priliko med mlajšimi člani poživiti zanimanje za našo jubilejno kampanjo in za jednotno delo s poljubnimi društvami. Nato je bil stavljeno v soglasno sprejet predlog, da tajnik federacije uradno povabi glavnega tajnika na krogloško tekmo v Cleveland. Glede banketa, ki bo prirejen za

40-letnice v Minnesota. Kredit za to kvoto mu lahko dajo tudi drugi predlagatelji pri njegovem društvu ali pa pri drugih društvih JSKJ v njegovi naselbini. Poroča, da je glavni odbor čenil delo federacij v preteklosti in pričakuje od njih enakega dobrega dela tudi v bodočnosti. Poroča tudi, da je glavni odbor v smislu naročila 15. redne konvencije sestavljal in dalje želi poškodovan v bolnišnici, in sklenjeno je bilo, da mu federacija pošlje v bolnišnico šopek evetlic obenem z iskrenimi željami za skorajšno okrevanje. Dalje je bilo sklenjeno, da se sestri Ivan Pust, predsednici društva št. 103, ki je bila vedno zelo aktivna za federacijo in za Jednote sploh, in ki ji je tiste dni mož umrl, pošlje sožalno brzojavko. Oboje preskrbi sobrat Okolish. S tem je bil dnevni red izčrpán in zborovanje je bilo zaključeno ob 3:30 popoldne.

Sobrat Anton Okolish poroča, da vlada v Jednoti lep mir in da je med članstvom tako malo sporov kot malokdaj, in izraža željo, da bi tako harmonično vladala tudi zanaprej. Navzoči zastopnike poziva, da naj poživijo našo jubilejno kampanjo pri svojih društvih, da bo uspeh kampanje časten in zadovoljiv. Nadalje priporoča, da naj člani pri svojih sejah razpravljajo o predloženem iniciativnem predlogu, predno o njem glasujejo. Člani naj bodo na jasnen, da li so zato, da se zviša redni asesment za pet centov mesečno, ali niso, da se potem ne bodo jezili na glavni odbor. V tem oziru bo članstvo samo odločilo, kakor bo hotelo. Poročila in priporočila se vzamejo na znanje.

Sobrat J. P. Lunka ima pričakovanje, da bo zvražen asesment za 5 centov mesečno vsakemu odraslemu članu v članici. Po mojem mnenju je predlog dober, ker gre za tem, da bi se pomagalo starim članom, in vsi bomo enkrat stari, ako prej ne gremo po gobe. Seveda iz nič nič, in takega fonda se ne more ustavoviti brez denarja oziroma prispevkov. Ti prispevki so glasom predloga določeni na 5 centov mesečno. Člani naj torej premisljijo, da li so voljni plačevati tisti groš več na mesec ali ne, in naj glasujejo po svojem prepričanju. Ako bo predlog sprejet, naj se potem člani ne znašajo nad tajnikom. Zdaj imajo pravico in priliko glasovati vsi in, kakor bo večina, tudi upajo, da jih bodo starejši člani šli na roke pri njihovih prireditvah.

Sobrat Bolha, zastopnik društva št. 127, meni, da je tako razveseljivo, da se nam je pri delu za Jednote pridružila tudi mladina.

Zastopnik društva št. 132 v Euclidu, sobrat J. Korošec, poroča, da je njihovo društvo na letni seji sklenilo, da bo za štiridesetletnico Jednote pridobil 40 novih članov obeh oddelkov, kar se z velikim odobravanjem vzame na znanje.

Zastopniki drugih društev niso imeli nič posebnega poročati, ali pa so bila njihova poročila in priporočila že krita v priporočilih drugih. Vsa poročila so se vzela na znanje.

Nato pride na razpravo prireditev piknika v korist federacije. Po vsestranski debati je bilo sklenjeno, da se tak piknik vrši enkrat na letu v bližnji okolici Clevelandu in da naj v Clevelandu bivajoči odborniki federacije in člani publicistskega odbora dobijo glede tega potrebne podatke in jih predložijo prihodnji seji federacije.

Zastopniki angleško poslujučih društva poročajo, da se bo v dneh 23. in 24. aprila vršila v Clevelandu kegljaška tekma "teamov" JSKJ, in priporočajo, da bi se tudi člani slovensko poslujočih društev te tekme udeležili. Dalje priporočajo, da naj bi ohijska federacija povabilo k tej tekmi, na kateri se bodo zbirali mladi naši člani iz raznih držav, glavnega tajnika, sobrata Antonia Zbašnika. To da bo prireditev povzdrigljivo, obenem pa bo glavni tajnik imel priliko med mlajšimi člani poživiti zanimanje za našo jubilejno kampanjo in za jednotno delo s poljubnimi društvami. Nato je bil stavljeno v soglasno sprejet predlog, da tajnik federacije uradno povabi glavnega tajnika na krogloško tekmo v Cleveland. Glede banketa, ki bo prirejen za

tisto priliko, naj se odbor, ki vodi priprave za tekmo, obrne na pomoč na članice ženskih društev št. 103 in 137.

Nato je bil sprejet predlog, da se prihodnje zborovanje federacije vrši prvo nedeljo v maju, in sicer v Lorainu, Ohio.

Zborovanje so nato ponovno spomnili predsednika federacije, sobrata Johna Ujčiča, ki leži poškodovan v bolnišnici, in sklenjeno je bilo, da mu federacija pošlje v bolnišnico šopek evetlic obenem z iskrenimi željami za skorajšno okrevanje.

Janko N. Rogelj:

Poglejte na koledar!

Čez deset tisoč jednotinih koledarjev visi po slovenskih, odnosno jugoslovanskih hišah, trgovinah in narodnih domovih slovenskih naselbin v Ameriki. Deset tisočkrat je zapisano: "40th ANNIVERSARY" 40-letnica Jugoslovanske katoliške jednote v Ameriki. Da, deset tisočkrat je zapisana letnica 1898 in 1938. In deset tisoč stlik druge mladinske konvencije visi po naših domovih in prostorijah, ki nas dnevnino opominjajo, da smo imeli uspešno mladinsko kampanjo in konvencijo v letu 1937, da praznujemo letos 40-letnico naše organizacije, in da nam kažejo vsa znamenja, da bo drugo leto tretja mladinska konvencija.

Ali katerikrat pogledate na naš koledar ter pomislite: Tudi moja dolžnost je; del te kampanje pripada tudi meni; in če bi vsi čakali, kakor jaz, potem bi splet kampanje ne bilo!

Napis na koledarju "40th ANNIVERSARY" je med lipovim listjem in listjem vinske trte. Lipa je naše narodno drevo, a vinska trta nam daje naš narodni sok ali pijačo, ki krepi voljo do dela.

Dragi mi brat, cenjena mi sesira, treba bo na tem koledarju odtrgati mesec marec, pokazal se bo april, drugi mesec kampanje. In kaj si dosegel v marcu? Kaj misliš doseći v aprilu? Ali se tolažiš, da greš na delo in meseču maju? Kako je pravzaprav: Ali bo kaj, ali ne bo nič?

Poglejte na koledar!

Cas hili. Ni treba varati samega sebe. Vskako odlašanje je nevarno. Odlašanju se rada pri-druži lenoba. Ukažuje enkrat sami sebi. Ne bodite popustljivi, strogo ukazujte. Preiskusite sami sebe, pretehtajte vašo moč in voljo, spoznajte sami sebe, če ste že prilisni sami k sebi.

Predsednik Woodrow Wilson je napisal malo knjige, kateri je dal naslov: "When a Man Comes to Himself." V tej knjigi pripoveduje, da v človeškem življenju ni določen čas, kdaj bi naj ali more človek priti k sebi, kajti nekateri ljudje sploh nikoli ne pridejo sami k sebi. Človek, ki živi samo za sebe, ta se ni pričetil živeti, ta se mora še le pričeti učiti, kaj je pravo veselje in razvedrilo na tem svetu. Človek pride sam k sebi se le takrat, ko je izprevidele ali pronađel vse listo, kar je najboljše v njem samem, in ko je zadostil svoje srce in svojo dušo z največjimi uspehi, ki so umerjeni in prikrojeni samo njemu samemu. Ko je človek dosegel to, potem še le ve, kaj je merodajnost njegove možnosti in njegovega "jaza."

Ali ste že katerikrat mislili o tem, da pozname samega sebe, svoje moči, svoje delo, svojo voljo in svoje uspehe? Morebiti so v vas moči, katerih do danes še niste preizkusili, morebiti je v vas spoznanje in moč pravejega bratstva, katerega potrebuje naša Jednota v sedanjem kampanji.

Ali ne mičejo ugodnosti, pri-like in priznanje, katero vam nudi glavni odbor v tej kampanji. Beseda "nočem" še nikoli ni zmagovala, ko je beseda "po-izkusim" že mnogokrat zmagala ter pridelala človeka do samospoznanja, ali z drugimi besedami povedano: Prišel je sam k sebi.

Poglejte na koledar!

Glavni odbor ni omislil teh koledarjev samo zato, da bodo visili na stenah, da boste vsak mesec odtrgali listek, da boste šteli dneve, ampak si je omislil ta koledar, da vas vse leto opominja, kaj je vaša bratska ali sesterska dolžnost napram vaši in moji podporni organizaciji. In ta koledar naj vas prav sedaj dnevnino opominja, da je tukaj kampanja za prazlavlo 40-letnice naše Jednote.

Bratje in sestre, če ste čitali te besede, ali ste pripravljeni

samo nekaj minut mislili o sebi, če ste prišli že sami k sebi. Recimo, mislite nekaj časa, kdo ste, kaj ste ustvarili na tem svetu, zakaj ste na svetu, koliko so vaše vezi povezane z drugimi, ali ste že ustvarili na svetu kaj večje, ga kar ste lahko ponosni vi sami, in so lahko na vas ponosni tudi drugi? Tukaj je prilika, da se pokaže. Tukaj so ugodnosti, da nekaj napravite za našo organizacijo. Pridobite ji vsaj pet novih članov, samo pet, in dosegli ste prvo priznanje ali nagrado. Preizkusili ste sami sebe, kako močni in podjetni ste, a pri vsem tem ste pokazali tudi drugim "kdo ste," ko bo vaša slika priobčena v Novi Dobi.

Za zaključek, da boste vedeli, kaj morale napravili v prihodnjih šestdesetih dnevih, prosim vas:

Poglejte na koledar!

ODMEVI IZ RODNIH KRAJEV

(Nadaljevanje s 1. strani)

MLADA KRI

V Banjaluki je povzročila veliko senzacijo otmica 16-letne gojenke II. razreda trgovske šole, hčerke uglednega meščana Biberića. Ugrabitve je bila izvršena sredi dneva, gotovo po dogovoru med dijakinjo in njenim izvoljencem. Po vsem mestu in tudi po okolici so starši iskali svojo ugrabljeni hčerki in največja težava pri celi zadovi je bila ta, da niso niti slutili, kje bi mogla imeti hčerka kako znanstvo. Drugi dan pa so dobili poročilo iz Tešnja, da je ugrabljena hčerka že poročena z mladim Muhamedom Dolagićem.

SMOLA CIGANA

Na kirurški oddelek ljubljanske bolnišnice so oni dan pripejali mladega cigana, ki so ga orožniki blizu Stične z dvema strelova iz puške zadeli v nogo, ker jim je hotel ubegati. Dva cigana, brata Nikoliča, sta pred letom dni ukradla nekemu posestniku z Dubrave v čabranskem rezetu tri konje in jih odgnala neznanokam. Orožniki so tato poznavali na videz in marljivo so ju iskali ves čas. Medtem sta cigana začela upati, da so na Čabranskem njun greh že pozabili, in sta se spet prišli ogledovat za ugodno priliko. Orožniki pa so ju prijeli, in ker so ugotovili, da sta konje prodala nekje na Dolenjskem, so ju odgnali v Št. Vid pri Stični in v Mokronog, kjer sta bila vse tri v resnicu spravila v denar. Ko so se vračali, so se v Stični ustavili, da pokosijo. Med obedom pa sta se tatova, ki sta sedela pri svoji mizi, izmuznila iz hiše in začela bežati iz vasi. Spotoma sta se oprostila verig in brez dvoma bi se jima bil beg posrečil, če si ne bi bili orožniki od gostilničarja izpodobili konja in voz v odhitevi za njima. Enega so kmalu dohiteli, drugi pa je bežal proti bližnjemu gozdu, kjer je upal, da bo našel varno zavetje. Orožniki so streljali za njim in ga obakrat zadeli v nogo. Po drugem strelu je padel, da so ga moralni naložiti na osebni avto, ki je prideljal mimo, in ga odpraviti v bolnišnico.

PO POTIH OČETA

Poročano je bilo svoječasno, da je bil obenem z zloglasnim razbojnikičem čarugo obesen njegov glavni pajdaš Ivan Prpić "Veliki." Leta so minila in zdaj je dorasel že njegov nezakonski sin Ivan Krmpotić. Uresničil se je pregovor, da jabolko ne padedaleč od drevesa. Poročano je bilo, da so razbojniki nedavno odnesli iz župnišča v Tounju pri Karlovcu nad 46,000 din. Ko so orožniki prijeli dva mladeniča, sta izpovedala, da je Ivan Krmpotić vodja mlade zločinske družbe, ki je izvršila vrsto razbojstev v vromov.

RESENA SLUŽBA

Najuglednejši zagrebški inte-

lektualci so rešili staremu natakarju skromno eksistenco. V Kazališni kavarri v Zagrebu streže že kakih 30 let natakar Vinko. Mnogo njegovih slavnih gostov je že pod rušo in Vinko zna o njih povedati marsikaj zanimivega. Visoko cenijo tega starega natakarja intelektualci, ki zdaj zahaja v kavarri. Vsakemu postreže kar najboljše, ker mu ža takorekoč z lica bere vse želje. Pred dnevi pa so nameravali Vinka odpustiti, ker je že za službo že prestar. Nad 30 uglednih javnih delavcev, pisateljev, znanstvenikov, slikarjev, novinarjev, gledaliških igralcev, itd. se je za starega popularnega natakarja vzelo ter podpisalo spomenico lastniku kavarne, ki seveda ni mogel preko želje svojih najuglednejših gostov. Tako je stari Vinko postal pri svojem skromnem zasluzu.

NAŠ GLAS V EGIPTU

V Aleksandriji je nedavno gostoval tenorist Dušan Gjorgjević, o katerem poročajo listi, da je žel v operi "Andre Chevrier" izredno lep uspeh. Njegovglas je lahkon v prijeten. Občinstvo mu je pripeljalo takoj v prvem dejanju burne ovacije, da bi izsili ponavljanje arije. Sijajen uspeh je imel nato še z arijo v III. dejanju. Naslednji večer je Dušan Gjorgjević nastopil v "Traviati" in je bil še zmagoval. Občinstvo je bilo navdušeno od začetka do kraja. Dušan Gjorgjević je po rodu iz Jugoslavije in je nekaj let studiral v Italiji.

STRASNA TRAGEDIJA

O strašni obiteljski tragediji je te dni razpravljalo sodišče v Požegi. Pred sodniki je stal neki 15-letni fant iz vasi Šumetlice, ki je ustrelil svojega očeta. Njegov oče je bil nekaj bogat kmet, a je v razuzdanosti in pisanju uničil svoje lepo premoženje, svojice in tudi sebe. Petkrat je bil oženjen in zadnja žena, ki ni mogla več prenati muk, mu je utekla. Enega otroka je vzela s seboj, dva pa sta ostala doma. Najmlajšega ki je bil od rojstva slep, je očče za 300 din prodal neki ciganski družini, da bi ji pomagal beračiti. Starješega pa je strašno mučil in napsled nagnal. Celo leto se je deček potkal po svetu, potem pa se je vrnil domov, meneč, da ga bo oče sprejel. Oče pa je bil pijan, otroku je prepel in ga spet nagnal. Več dni se je klatil deček po okoliških vashih ter se spajdašil z nekim fantom, ki je imel revolver. To orožje je izprosil od njega, da bi očeta ustrašil ter se napotil domov. Na dvorišču domače hiše je prišlo do krvave tragedije. Oče je napadel sina s kamnom, sin pa je v strahu revolver sprožil in oče se je zgrudil smrtno zadet na zemljo. Fanto so poslali v zavod za zapuščeno mladino.

DOPISI

so navadno volilci v urad blagajnika izvolili takega, kateri se jim je videl najbolj potreben. In ona mora preživljati družino šestih otrok z delom svojih rok in z relifno pomočjo kar ni nikakša šala. Njen soprog je nenadoma umrl pred par leti ter tako ostavil družino nepreskrbljeno. Sharon-Farrell, Pa. — Tukaj-štejo rojake in rojakinje vabim, da v soboto 2. aprila zvečer posetijo prostore tukajšnjega Slovenskega delavskega doma. Goščinski klub bo namreč za določeni večer prideljal okusno večerje za posetnike. Takrat bodo otvorjeni tudi na novo predelani prostori Doma in pivo ter druge dobrote se bodo servirale na novi bari. Spodnji prostori so na novo preurejeni. Postavljena je tudi hladilnica za pija-

če in druge dobrote, ki se jih po-vprečni zemljani navadno ne branimo. Ta hladilnica nam jamči, da se bo v Domu tudi tudi kom pasjih dñi in kislih kumaric točila okusna hladna pijača. Prostori je preuredila tvrdka Williams & Co. iz Cleveland. Torej, vsi prijatelji Doma in prijetne domače zabave, ki imajo ne-mogoče in srečen je tisti, ki delajo. Ako kateri članov ali članic društva sv. Roka, št. 94 JSKJ, ne more plačati asesmenta, naj pride na sejo in naj apelira na članstvo, da se založi ranj iz društvene blagajne. Ta društveni sklep je v veljavni že več let, zato prosim, da ga prizadeti članice in upoštevajo. Tajnika prositi, da založi asesment iz društvene blagajne, nima smisla, ker tajnik brez dovoljenja društva tega ne sme storiti.

Z delom gre v našem zakotju bolj slabo. Tisti, ki imajo delo, delajo za žive in mrtve, drugi, ki smo ostali brez dela, pa kar lepo čakamo, kdaj bodo privlekli iz vogala tisto mrho, ki ji pravimo prosperitet. Na dan jo vležejo že več let, toda mrha se tako trdo drži tistega vogala kot bi res čakala Mr. Hoover, da jo prepodi. Nekateri pravijo, da če bi bil še on gazda v "Beli kuči," bi jo bil že zdavnaj za ušesa privlek iz vogala. Veruje pa kdo hoče.

Zadnja seja namreč v mesecu marcu je bila povoljno obiskana in upamo, da pridejo člani v obilem številu tudi na sejo meseca aprila, ker na aprilski seji bomo glasovali o iniciativnem predlogu, po katerem bi se zvišal asesment za pet centov meseca v svrhu, da bi se moglo plačevati asesmente nad 70 let starim članom iz jednotine blagajne.
