

A black and white illustration of a snowy village scene. Several houses with thatched roofs are visible, some with small windows. A bare tree stands on the right side. The scene is set in a snowy landscape with rolling hills in the background.

A stylized, monochromatic illustration of a landscape. In the center, a large, dark, rounded building with a flat roof and a small square window is partially obscured by dense, dark foliage. The foliage consists of large, rounded leaves and tall, thin trees. In the background, rolling hills are visible under a bright, hazy sky. The overall style is reminiscent of mid-20th-century graphic design, with bold outlines and a limited color palette.
