SPRING AND MIDWEST TOURNEY INTRIGUE DEAR DIARY

Indianapolis, Ind. — Dear Diary: Spring has really burst forth in all of its glory during these past few days. It really feels swell to be able to get out again. I can just picture the grand time that we are going to have in Milwaukee. The month of May is the month of flowers as well as the month of Mary, and so Milwaukee should be in full bloom for the Kay Jay tourney.

Diary, I sure hope that all of the boys who were in the service take advantage of this tourney. It sure would disappoint our secretary if all of

the boys miss this opportunity. I can truthfully make this statement. "If a young man enters one Kay Jay tourney, he will never miss another one." The truth of this statement lies in the asking any of the Kay Jay bowler of the past. The answer will be one and the same. "Don't miss it!"

Diary, I was asked a very interesting question by a young man the other day. He wanted to know why every one was so enthused about the coming Kay Jay tourney. He had been a participant in several dif-

Joliet St. Genevieve Girl Cagers Trounce No. Chicago Marys

The Saint Mary's 79 KSKJ girls' basketball team traveled to Joliet Sunday to engage the St. Genevieve girls' team in a return match. Again the St. Mary's were on the low end of the score 25-15. In observing the girls after the game one thing stood out and that is that the old Kay Jay spirit in the sporting circles has never ceased.

We take this opportunity to thank Frank Butala and members of the basketball teams in Joliet as well as the ladies who prepared such a fine meal. Our kids really enjoyed the trip to your city and already are hoping and asking "When do we go again?"

Big Turnout at Their Kay Jay Dance Elates Girard Pats

Girard, Ohio.—Am a bit late, but as the saying goes, "better late than never." St. Patrick's had an enormous turnout at their dance which was held Feb. 9th. We wish to thank all of Kay Jay's and friends that made it so. To those who didn't attend the dance, missed a wonderful time, but cheer up, another dance will be held by St. Pats' sometime this Fall. Here's hoping our Pennsylvania friends will be able to attend that dance.

St. Pats' will be represented at the Booster meeting which will be held in Barberton, Ohio, on April 7th.

Mr. and Mrs. Joseph Lutz are proud parents of a baby boy, born Feb. 21st. The little fellow's name is Frank Joseph, also our future St. Pat member. Joe's walking around with a chip on his shoulder. Don't forget your Easter duty, St. Pats'!

FROM THE OFFICE OF THE DIRECTOR OF JUVENILE AND WOMEN'S ACTIVITIES

The war is over and once again we can turn our attention not only to sports for adult members, but also to organizing our juvenile members into various active groups or clubs...

Before the war we had a promising start which was reflected in "Our Corner," a column of "Our Page" dedicated to our juveniles. I have already requested the new editor to call "Our Corner" back to life.

Sport activities of our adult members are rapidly awakening to a vigorous new life, while during the war they were barely trickling and kept going only with the utmost effort of a few lodges.

Now the times are gradually turning to normal, traveling is becoming easier, and the war is no more taking all our time, thought and energy. Once again we can pursue peace time occupations and activities.

As the Director of Juvenile and Women's Activities in the KSKJ, I'll be very eager to hear from our lodges that have groups of alive young folks, such young folks that can never be quiet but want to be doing something all the time.

I am proud of our Joliet girls. We have a splendid group of cadets and a basketball team. In the women's activities we have eight bowling teams bowling every Wednesday night.

If the officers of our societies in other localities give me a helping hand, we can have excellent cadets all over the country not to mention all the rest of possible activity clubs—and have competitive exhibitions similar to our bowling tournaments.

So, please, officers of all KSKJ societies, let's all support our youth to the full extent of our abilities, and I am confident the returns will be worthwhile. Let us all work together for a stronger, larger KSKJ and happy, satisfied, active young boys and girls, who will enjoy coming to their parish hall and community center and be active in good, healthy sports and other suitable activities, supervised by some reliable older person.

I shall be eagerly waiting to hear from a number of secretaries telling me they have young boys and girls ready to organize an active club. If I can be of any help in any way to assist you in organizing your club, just let me know and I shall be glad to come at any time you want me.

There is no need to mention how nicely these activity clubs will work with the KSKJ membership drives. There is nothing better in order to get young folks interested in our KSKJ. All you have to do is to have some kind of a KSKJ activity club in your community. The children who do not belong to the KSKJ will give their parents no peace until they let them become members of our organization—that they may join the local KSKJ activity club!

Faternally yours, JEAN M. TEZAK, Director of Juvenile and Women's Activities.

PUEBLO COWBOY REPORTS ON PIN SHOOTING

There was shootin' aplenty less attack by slamming out a down at Ed's Rancho as the mighty 574 series which in-

cluded a 220 and 207 game, from their broncos and, after Johnny "Jr." Germ's 540-214 putting in a few more notches in their shootin' irons, settled down to some serious bowlin'—so hyar we go agin' with the results o' that contest...

Captain "Cracker" Krasovec shelled out a 567 and received some valuable assistance from team-mate Willie Lesar's 522 thus putting Joe Anzick's Restaurant five back in the win column by taking two out of three from the Culig Grocers.

(Continued on Page 2)

PUEBLO COWBOY REPORTS

(Continued from Page 6) a 537 series Joe Butkovich, another "crooked" arm, came through with a 526...

That sums up the bowling report for this time but before saying "Adios" we'd like to take the opportunity to extend our heartiest congratulations to Brother Stanley Cullig...

The covered wagon caravan from Pueblo is making final preparation for its Eastern trip, and this time next month, should find us well on our way. Milwaukee, Hyar we come!!

So Long, Nick J. Mikatich.

DEAR DIARY

(Continued from Page 6) ferent tourneys in the past, but no one talked so much about the tourney before and after as we Kay Jay's do.

So, Diary, we could then say that our grand Kay Jay tourney is rich in tradition. Fun and good fellowship will dominate the whole tourney.

Once more the time has come for me to end this session with you. In closing, I would like to remind every Hoosier once again to send their names in to me.

Kids and the Language

It just happens that from some kind of source I got three instances of children and English-by-ear.

There was for example the youngster who came back to school to tell the sister that she had been sick with a bad attack of "intentional flu."

And the child who after she had taken a series of standardized tests at school announced to her parents that she had been subjected to "scandalized tests."

And the first-grader who after her first day in class told the family that she was being taught by Sister Mary Living Room. That sounded queer. Her slightly older brother was scornful.

Strabane Boosters Reorganize; Dance to Initiate Sports Activity

Strabane, Pa. — The Strabane KSKJ Boosters have reorganized for 1946 and have elected a set of officers to lead them through for the balance of the year.

As for the coming bowling tournaments in Cleveland and Pittsburgh, plans were partly completed for the participation in these events.

Now that the Strabane Boosters have reorganized, KSKJ circles can expect to hear from us as the year rolls on.

THEY SAID LAST WEEK Secretary of State, James F. Byrnes: "No nation has a monopoly of virtue or of wisdom, and no nation has a right to act as if it had. Friendly nations should act as friendly nations.

Waukegan Joes Trim Chi Steves in Return Bowling Match

Waukegan, Ill. — The Waukegan St. Joes KSKJ Lodge bowling team won over the Chicago St. Stephens KSKJ by a total of 224 pins in an inter-city KSKJ bowling match at the Waukegan Recreation Alleys last Sunday afternoon.

While bowling here Sunday, Frank Kosmach, secretary of the Midwest KSKJ Bowling Association, reported that a good return is being received on team entries for the annual Midwest KSKJ Bowling Tournament at Milwaukee, Wis.

"YES"

(Nadaljevanje s 6 strani) dopovedal, da bi rad vso košarjabolko kupil za en dolar. Ženica ga je najprej prav pošteno oštela, potem pa je iztegnila tri prste, češ za tri dolarje, za manj pa ne.

Vse drugo je brž povedano. Luigijeva jabolka so bila vsem v banki tako všeč, da je razprodal vse po deset centov in je tako s svojo prvo kupčijo v Ameriki prejel več ko pet dolarjev čistega dobička.

Tako si je pripravil pot in je imel kmalu prav čedno trgovino. Zdaj je znal tudi že toliko angleščine, da je mogel povedati cene svojega blaga.

Danes pa je bil torej, da je mogel ustreči svoji srčni želji in kupiti svoji družini lastno domačijo. Pristopil je k okenecu in je izročil nakazilo, ki ga je bil sin doma skrbno izpolnil.

"Denar sem!" je siknil vsiljivec. Luigi ni vedel, kaj bi. Divje se je zastrmel v zločinca. Ta si je mislil, da ima opraviti s kakim vohunom. Dejal je še enkrat, a zdaj že bolj hoječe: "Denar mi moraš dati!" Luigi pa, ki ga je hotel pomiriti, je odvrnil prav milo in se prijazno nasmehnil: "Yes?"

v trenutku je žrtev napada izročila ves denar in ni tega nihče opazil. A tale Italijan je menda prav kaj posebnega namerjal z njim. Nikar da bi bil izročil svoj denar, tistih šest dolarjskih stotakov, ki mu jih je bil bančni uradnik pred petimi minutami izplačal, še prav porogljivo se mu je smehljaj in ga sprejo gledal.

pavo dejal: "Zdaj pa poženi, yes!" Kar je nato sledilo, je bilo jako preprosto. Stražnik je oba nagнал s sedežev, izbil je faloto samokres iz roke, nato je oba stlačil na zadesnji sedež, se sam usedel h krmilu in odpeljal avto na policijsko stražnico.

Gangster je bil ves iz sebe. Pritisnil je na gumb na "stoj!" in je pravkar hotel preko Luigija zgrabiti za krmilo, ko je stražnik vtaknil glavo skozi okno v avto. A Luigi, namesto da bi se bil razveselil, se je še bolj prestrašil ko njegovososed.
