Dear Mici!!

I'm sending you my affectinoate greetings, wishing you all the best. Yesterday I wrote to you and sent you that small letter which our bride wrote.

So that little letter came in my letter and it was open. I closed it and wrapped it, wondering what you would think about it. Now I am sending you this little note which our bride really wrote.

She asked me if you can write to her, so write to her and she will write to you as well.

I send you my greetings, may God be with you.
