VOLUME XIX. — LETNIK XIX.

Slovenski ameriški narodni svet je na delu

Bolezen predsednika Mr. Kristana je začetno delo SANS nekoliko zadržala, vendar samo na zunaj. Velika politična naloga pa, ki mu jo je izročil Slovenski narodni kongres, ni prav nič začela, nasprotno razmahnilo se je delo, kolikor so pač razmere dopušcale.

Dne 15. januarja je pa izvršil SANS prvi veliki korak, ki bo močna podlaga za vse naše nadaljnje slovensko delo v bodočnosti. Ta dan je namreč prišla v Washington posebna deputacija odbornikov, da izroči uradno vladni rezolucije, ki jih je sklenil SNK in da ji predloži slovensko vprašanje v celoti in jo prosi, da ščiti koristi slovenskega naroda doma. V deputaciji so bili: obolelega predsednika Mr. Vincent Cainkar, prva podpredsednica Mrs. Marie Prisland, drugi podpredsednik Mr. Janko N. Rogelj, tajnik Rev. Kazimir Zakrješek in blagajnik Mr. Jože Zalar. Sprejem pri državnemu podtajniku Mr. Sumner Wellesu je izposloval častni predsednik Mr. Louis Adamič in je deputacija tudi vodil in predstavil.

Najprej se je deputacija oglašila pri Mr. DeWitt Poolu, šefu OSS, kamor sta prišla k sprejemu deputacije tudi Mr. Allan Cranston, šef tujejezičnega oddelka Davisovega Office of War Information, in Mr. Clason.

Mr. L. Adamič je najprej pojasnil namen prihoda deputacije v Washington in poudaril, kako ameriške državljane slovenskega rodu razburjajo časnikarska poročila o poklonih naše vlade Italijanom in Avstriji, zlasti grofu Sforzi in Otonu Habsburškemu. To pa ima način na vpliv na nje, da izgubljajo, četudi nehoti, tisto navdušenje za sodelovanje s svojo vladom za zmago, zlasti za nakupovanje vojnih bondov, ki bi ga drugače kot navdušeni Američani imeli in so ga imeli. Deputacija je prišla, da pove vladu in imenu teh svojih državljanov, kako jih to boli in kako se naravno raditega boje, da bi tako slovenski narod doma po vojni zopet ne moral pretreti tolikih krivic, kakor jih je po zadnji vojni. Boje se, da bi ne dobil vseh tistih svojih pravic, za katere se sedaj bori s tolikim navdušenjem, pa tudi s toliko hrabrostjo in tolikimi potokami krvi, da zasluži občudovanje vsega sveta, pa da tudi zasluži, da mu zaveznički, zlasti Amerika, prizna vse pravice suverene naroda.

Na to so odborniki deputacije povedali vsak svoje misli glede vsega tega, kakor tudi glede raznih zahtev naroda doma za svojo bodočnost. Razgovor je bil zelo živahan in so mu vsi trije zastopniki vlad sledili z velikim zanimanjem in z naklonjenostjo; in poslušali so njihova izvajanja, s katerimi so dokazovali pravice naroda v Evropi, da se mu da vsa pravica, ki bo samo podlaga mimo v tem kotu Evrope.

Ob skepu je povzel besedo Mr. Pool sam, se zahvalil deputaciji, da je obiskala tudi njegov urad, in za dragoceno informacijo, ki jih je dala njegovemu uradu. Ker je pa to urad, ki samo zbiral razne informacije glede ureditve sveta po vojni, da bo mir trajen na podlagi pravice vsem narodom, je obljubil, da bo vse informacije, ki mu jih je dala delegacija, sporočil višjim krogom v vladu. Razgovori so se vršili v glavnem glede slovenskega Primorja in Trsta, glede slovenske Koroške, glede združene Slovenije in glede federativne demokratично urejene nove Jugoslavije. Poudarili so zlasti neizmerno trpljenje Slovencev, katere je zadnja mirovna konferenca tako brez srca predala v nemško in italijansko sušnost brez vseke zaščite manjštine. Krutosti, s katerimi so Italijani, Nemci in Madžari nastopili v teh delih (Dalje na 2. strani)

RUSKA OFENZIVA

Ruska ofenziva se vali naprej z nezmanjšano silo. Nemci poročajo, da so se umaknili iz Vojne. Rusi poročajo, da so v zadnjih dveh tednih ujeli nad 80,000 osiščnih vojakov v splošnem okrožju Voroneža. Rusi so iztrgali Nemcem večje število mest in vasi, med njimi važno zeleniško križišče Armavir in naselje Jasnaja Poljana, kjer je bil dom pokojnega ruskega pisatelja Tolstoja. Ruski uspehi v Jugosloviji so spravili nemške čete v Kavkazu v nevarnost obkoljenja. Pred Stalingradom obkoljene nemške čete Rusi sistematično likvidirajo.

DRUGE FRONTE

Zavzetje Tripolija v Afriki po britiških četah pomeni dokončno porušenje italijanskega imperija v Afriki. Ostanki armada maršala Röhma bežijo pred britiškimi silami proti Tunisiju z namenom, da se pridružijo nemški sili v Bizerti v Tunisiju. V Tunisiji se vršijo manjši spopadi med ameriškimi, angleškimi in francoskimi četami na eni strani in nemškimi na drugi. Najbolj aktivno je letalstvo. Ameriški letalci so tudi aktivni na pacifični fronti in britiški letalci bombardirajo Nemčijo ter od Nemcev zasedene kraje zapadne Evrope. Nemci so obnovili letalske napade na Anglijo, toda le s primeroma malim številom letal in z malimi uspehi.

Na to so odborniki deputacije povedali vsak svoje misli glede vsega tega, kakor tudi glede raznih zahtev naroda doma za svojo bodočnost.

Razgovor je bil zelo živahan in so mu vsi trije zastopniki vlad sledili z velikim zanimanjem in z naklonjenostjo; in poslušali so njihova izvajanja, s katerimi so dokazovali pravice naroda v Evropi, da se mu da vsa pravica, ki bo samo podlaga mimo v tem kotu Evrope.

STAVKA KONČANA

Tri tedne trajajoča stavka premogarjev na poljih trdrega premoga je bila pretekli teden v glavnem končana, ko so se na poziv predsednika Roosevelta stavkujoči premogarji vrnili na delo. (Dalje na 2. strani)

AMERIŠKE FARME

V Zedinjenih državah se leto za letom pridelava več živeža kot ga more domač prebivalstvo pri tipični ameriški potratnosti porabiti. To kljub dejству, da ima dežela visoko razvito industrijo in industrija ne prideluje živil. Za obilico pridelka so v znatni meri odgovorne izboljšane metode obdelovanja in pa velike farme, kjer je mogoče uporabljati stroje. Preobilica živil in drugih poljskih pridelkov, ki je v mirnih časih deželi povzročila skrbi, nam seveda v sedanji časih zelo prav pride, ker lahko zakladamo s tem naše zaveznike, ne da bi si morali ravno pritrugovati.

Značilno pa je, da je tudi v Zedinjenih državah mnogo malih ali pa slabo upravljenih farm, ki ne pridelajo skorico ničesar za prodajo. Lastniki ali najemniki takih farm pridelajo samo toliko, da se preživijo. Posebno velja to za farme naših župnih in jugovzhodnih držav. Kmetijstvo je tam še marsikje preečno primitivno in stroj so malokje v porabi. Nekatere teh farm pridelujejo le po en pridelek, na primer bombaž, koruzo ali sladki krompir. Poljedelski tajnik Wickard je v enem njegovih nedavnih govorov izjavil, da je v desetih glavnih bombažnih državah 2,400,000 farm. Od teh farm jih pol milijona nima nikakoga zelenjadnega vrta; 616,000 jih nima nikakih molznih krav; na 721,000 farmah ne redijo prašičev, in na 418,000 farmah ni niti ene koški.

Zvezni poljedelski departement priporoča tem južnim farmarjem, naj gojijo več vrst pridelkov in posebno naj ne pozabijo na pridelke za domačo porabo, kot je na primer različna zelenjava. Priporoča tudi rejo molznih krav, prašičev in kokoši, vsaj za domače potrebe. To je posebno važno v teh časih, ko se razne farmske pridelke ne bo posiljalo na oddaljene domače trge.

Sreča za Ameriko je, da vsaj dve tretjini ameriških farmerjev obdeluje njihova zemljišča moderno, pametno in znanstveno. Le tako je mogoče, da ima dežela obilico živil in drugih farmskih pridelkov, dovolj za domačo porabo in še mnogo za izvoz.

V DOBER NAMEN

V Zedinjenih državah se bo zadnje dni tega tedna vršilo mnogo plesnih veselic, kar se vprito resnih vojnih časov nekako čudno sliši. Toda namen teh veselic je plemenit; dohodki takih prireditev so namenjeni fond za pobiranje nevarne bolezni otroške paralize. Ta bolezen sicer ni zelo razširjena in tudi ne napada samo otrok, kot bi bilo mogoče sklepati iz imena, toda je nevarna, ker zanje zdravniška znanost še ni našla preprečitve in zanesljivega zdravljenja. Denar, zbran za pobiranje otroške paralize, se porablja za zdravljenje žrtev te bolezni in za raziskavanja, kako bi bilo mogoče tobolezen bolj odločno zatirati oziroma preprečiti.

Žrtev otroške paralize je bil tudi naš predsednik Roosevelt; mučila ga je več let. Dobro zdravljenje mu je spet pomagalo na noge, dasi mu je bolezni pustila nekaj ohromelosti v nogah. Pred devetimi leti se je porodila ideja, da bi obhajali predsednikov rojstni dan,

NAŠIM DRUŠTVOM V DRŽAVI OHIO

V legislaturi države Ohio, in sicer v senatu zbornici, je senator William M. Boyd iz Cleveland, Ohio, vložil predlog, označen kot Senate Bill No. 41, katerega namen je spremeniti določbo državnih postav, ki se nanašajo na bratske podporne organizacije, v toliko, da bi take organizacije v bodoče lahko vpisovale nove člane v mladinski oddelki brez zdravniške preiskave.

V večini držav naše Unije postave dovoljujejo bratskim organizacijam sprejem mladinskih članov brez zdravniške preiskave, dosedanje postave države Ohio pa tega ne dovoljuje. To je za društva vseh bratskih organizacij v državi Ohio velika ovira pri vpisu novih mladinskih članov. Bratski kongres države Ohio je na svoji zadnji konvenciji soglasno sprejel resolucijo, ki poziva legislaturo, da to oviro odpravi. Državni senator William M. Boyd, ki je obenem prvi glavni podpredsednik Hrvatske bratske zajednice in kot tak razume probleme naših bratskih podpornih organizacij, nas je dne dni obvestil, da je vložil tak predlog v senatu zbornici države Ohio pa tega ne dovoljuje. RAZMERE NAS ZBLIŽUJEJO

Značilna posledica vojnih razmer je, da si ljudje postajajo medsebojno nekako bližji in boljši prijatelji. To se vidi v velikem in malem. Vojne razmere so v mnogih ozirih enako prizadele velike in male, bogate in revne, učene in preproste. Na primer, vojna obveznost je prizadela vse sloje prebivalstva. Predsednik Roosevelt ima štiri sinove v vojnih silah Zedinjenih držav in marsikak preprost delavec jih ima toliko ali še več. Najbogatejši človek ne more kupiti novega avtomobila ali novega avtomobilskega obroča, ako njegovi nujni posli tega ne zahtevajo. Enake omejitve vefljajo glede nabave gasolina in raznih drugih potrebščin za vse sloje. Vse bodo prizadeli novi vojni davki.

Iz gori navedenega je razvidno, da so nas vojne razmere napravile v mnogih ozirih bolj enake kot smo bili kdaj prej v tej deželi. To je logično in pravilno, kajti zmag Amerike v tej vojni je živiljenjskega pomena za nas vse, velike in male, bogate in revne, učene in preproste. Vsi se zavedamo ali bi se vsaj morali závaditi, da je naša dolžnost pomagati in prispevati v tej smeri po vseh naših zmožnostih in prilikah. Ta zavest nas zbljuje preko vseh prejšnjih predsedkov. Sicer v Zedinjenih državah ni bilo nikdar tako ostro začrtanih razredov kot na primer v stari Evropi, toda nekaj te bolezni smo imeli in je imamo, dasi v zelo omiljeni obliki. Vojne razmere pa tudi te male pregraje potihoma podirajo. Ameriško ljudstvo se bolj in bolj zliva v eno celoto.

Med slovenskimi Američani ni bilo opaznih razredov nikoli. Razdeljeni pa smo bili na stranke in smo še. To ni nič slabega, toda slabo je bilo, dokler smo bili v pouparjanju teh razlik prepneti in nestrnpi. V teku desetletij se je to močno ublažilo in še bolj se je ublažilo odkar je Amerika v vojni in odkar je našo rodno Slovenijo zadela taka strahovita nesreča. Zavedli smo se, da lahko obdržimo vsak svoje nazore, vsak svoje osebno prepričanje, pa da kljub temu lahko skupno nastopamo in delujemo kot Američani in kot Slovenci. Tako je bilo mogoče, da se je organizirala slovenska sekcija Jugoslovenskega pomožnega odbora, ki zbira prispevke za v pomoč našim nesrečnim bratom in sestrin v starem kraju, in da se je organiziral Slovenski ameriški narodni svet, katerega naloga je delati za osvoboditev vseh Slovencev v starem kraju. Obe ustanovi sta organizirani na strogo nestrankarski, na slovenski in ameriški podlagi, in obe zaslužita vso našo materialno in moralno pomoč.

Značilno je, kako so vojne razmere zbljale slovenske Američane stare in nove generacije, to je priseljene in takoj rojene Slovence. Sicer med tem dvema skupinama nikdar ni bilo takega prepada, kot smo se bali, da bo, vendar vojne razmere so naš še bolj zbljale. Naše misli se mudijo vsak dan pri naših sinovih in prijateljih, ki služijo zvezdnati zastavi v različnih vojaških taboriščih širom Zedinjenih držav in na različnih bojnih frontah v inozemstvu, in ti naši fanti so navezani na svoje sorodnike in prijatelje doma bolj kot se bili kdaj prej. Ne pozabimo teh fantov in pomagajmo vzdrževanju njihove morale vsaj s tem, da jim pogosto pišemo. Pismo od doma ali od prijatelja razveseli vsakega vojaka. In, seveda, ne pozabimo investirati naših prihrankov v vojne bonde. Vlada potrebuje denar, veliko denarja, da oskrbuje naše vojake z vsem potrebnim. Investiranje prihrankov v vojne bonde je poleg tega tudi najboljši in najvarnejši način varčevanja.

Vojne razmere so prinesle tudi več medsebojnega zupanja in prijateljstva med društvene sobrate in med po-vprečne znance. Ne zavedamo se prav, zakaj je tako, toda vidimo, da je tako. Priporočljivo je, da skušamo to dobro razpoloženje izrabiti v korist našega društva in naše Ameriške bratske zvezze. Vpišimo naše znanee in prijatelje, ki še niso naši člani, v vrste naše organizacije, in nagovorimo jih, da pri nas zavarujejo svoje otroke. Danes je zaslužek povsod in pomanjkanje denarja ne predstavlja zavreke. Posebno pozornost obrnimo mladim ženskim in dekleom, ki so dandanes v velikem številu uposlene v vojnih industrijsih in v mnogih primerih nič zavarovan. Vpišimo jih v Ameriško bratsko zvezo. To bo v korist njim in naši organizaciji.

Iz urada glavnega tajnika Ameriške bratske zveze

Mladinska kampanja se je slabo obnesla

Na drugem mestu današnje izdaje Nove Dobe je priobčen rezultat mladinske članske kampanje, ki se je vršila celo leto 1942 in tekem katere je 973 članov pristopilo v mladinski oddelek.

Tisti, ki smo zasledovali prejšnje mladinske kampanje, posebno tiste kampanje, ki so se vršile v času najhujšej depresije in največjega brezidelja, moramo priznati, da je bila lanska kampanja najmanj uspešna in naravnost razočarljiva. Večina društev se je zelo malo ali popolnoma nič brigala za kampanjo, in to je bil glavni vzrok, da se je izjavilova.

Dajmo to kampanjo nekoliko analizirati in vzemimo v poštev najprej tista društva, oziroma tajnike, ki so se v resnici žrtvovali in ki zaslužijo naše priznanje in zahvalo. Največ članov je pridobilo društvo št. 28, Kemmerer, Wyo., katerega tajnik je brat Frank Krusich. Brat Krusich je pridobil 71 novih mladinskih članov, kar je samo 4 člane manj kot jih je pridobila vsa država Ohio, kjer imamo 18 društev. Na drugem mestu je društvo št. 202, Rock Springs, Wyo., katerega tajnica je Mrs. Fannie Jenko. To društvo je pridobilo 68 novih mladinskih članov, 10 več kot so jih pridobila vsa coloradska društva skupaj, in teh društev je 14. Na tretjem mestu je društvo št. 190, Butte, Montana, katerega tajnica je naša 6. glavna podpredsednica, sestra Mary Predovich. To društvo je pridobilo 63 novih članov, oziroma več kot vsa društva v državah Mich., N. Y., Calif., Kans., W. Va., Neb., Idaho, Utah, Ore., Mo., Md., Ind., in N. Mex. Na četrtem mestu je društvo št. 43, East Helena, Montana, katerega tajnik je naš starci znanec Louis Smith. Brat Smith je pridobil 54 novih članov, kar je več kot dvakrat toliko kolikor jih je dobilo 9 naših društev v Clevelandu, kjer pravijo da živi nad 40 tisoč Slovencov. Na 5. mestu je društvo št. 70, Chicago, Ill., katerega vzoren in agilen tajnik je naš 4. glavni podpredsednik, brat Anton Krapenc. To društvo je pridobilo 37 novih članov, oziroma več kot dvakrat toliko kolikor so jih pridobila vsa naša društva v državi Washington, in teh društev je 6. Na 6. mestu je društvo št. 132, Euclid, Ohio, katerega marljiv in zaslužen tajnik je že več let brat John Tanco. Brat Tanco je pridobil 35 novih članov, 11 več kot vsa clevelandška društva skupaj.

Prvo nagrado v znesku \$100.00 je prejelo društvo št. 28, drugo v znesku \$75.00 društvo št. 202, tretjo v znesku \$50.00 društvo št. 190, četrto v znesku \$25.00 društvo št. 43 in peto v znesku \$10.00 društvo št. 70.

Z ozirom na naselbine je največ članov pristopilo v mestu Ely, Minnesota, namreč 75. Na drugem mestu je Kemmerer, Wyo., 71, na tretjem mestu je Rock Springs, Wyo., 70, na četrtem mestu je Butte, Montana, 63, na petem mestu je East Helena, Montana, 54, na šestem mestu je Chicago, Ill., 52, na sedmem mestu je Euclid, Ohio, 35 članov.

Zveza je lansko leto šteila 181 društva, članov smo pa pridobili 973, toraj je povprečno društvo pridobilo manj kot 6 članov, ali manj kot pol člena na mesec.

42 izmed 181 društev je bilo tekom kampanje popolnoma pasivnih in niso pridobila niti enega člena.

Pennsylvania je pridobila največ članov, in sicer 222; Montana jih je pridobila 146, Wyoming 145, Minnesota 144, Illinois 88, Ohio 75, Colorado 58, Wisconsin 17, Washington 16, Indiana 13, Utah 10, New York 8, West Virginia in New Mexico po 7, Kansas 5, Maryland 4, Michigan, California in Missouri po 2, Nebraska in Oregon po enega in Idaho nobenega.

Zapadne države Montana, Wyoming in Colorado so dobile več kot eno tretjino novih članov.

Sest društev, h katerim spadajo naši glavni podpredsedniki, je pridobilo 155 članov, 16% od vseh pristoplih, in 13 društev, h katerim spadajo vsi naši glavni odborniki, je pridobilo 231 članov, četrtno vseh pristoplih. Pet društev, h katerim spadajo glavni porotniki, je pridobilo 47 novih članov.

Največ zavarovalnine je zapisal brat Frank Krusich, tajnik društva št. 28, v malo slovenski naselbini Kemmerer, Wyo.

ANTON ZBAŠNIK, glavni tajnik.

Mesec januar je dobil ime po Janusu, bogu starih Rimljjanov. Janus je imel dva obraza in je z njima gledal v nasprotnih smereh. To je v letošnjem januarju kar simbolično. Stric Sam, na primer, mora istočasno gledati v dve smeri: preko Atlantika in preko Pacifika. Hitler mora gledati v dve smeri: v Rusijo in v Afriko. Mussolini s skrbjo gleda na dve strani in ugiba, kdo ga bo prej in bolj trdo prijet za vrat: Tevton od severa ali Združeni narodi od juga. In mi ameriški davkoplačevalci gledamo v dve smeri: na zaslužke lanskega leta, ki so že večinoma šli po gobu in od katerih še dolgujemo davke, in na letošnje zaslužke, od katerih že plačujemo davek. Da, prijatelji, Janus je letos tudi naš bog, h kateremu bomo molili kozje molitvice, ne samo v januarju, ampak vse leto. In posebno žalostno bo, ko bo treba te molitvice podkrepite z bankovci. Če bi imeli dva obraza, kot bog Janus, bi se pri tem jokali na oba.

Nova Doba

AMPLIFYING THE VOICE OF THE ENGLISH SPEAKING MEMBERS

Notice to All Lodges In the State of Ohio

Ohio State Senator, William M. Boyd of Cleveland, O., introduced the following bill to the Ohio State Legislature: Senate Bill No. 41, the purpose of which is to amend the state law with regards to the fraternal benefit organizations, in as much as such organizations may in the future enroll new members in the juvenile departments without medical examinations.

The majority of our states have laws which permit fraternal organizations to enroll new juvenile members without medical examinations. The present Ohio State law forbids this. This is a great handicap in acquiring new juvenile members for all the lodges of fraternal organizations in Ohio. The Ohio Fraternal Congress, at its last convention, unanimously accepted the resolution which requests the legislature to remove this handicap.

State Senator Wm. M. Boyd, who is also first supreme vice-president of the Croatian Fraternal Union and as such understands the problems of our fraternal organizations, notified us recently that he introduced this amendment to the Ohio State Legislature. The supreme president of the American Fraternal Union and the editor of the Nova Doba have carried on a correspondence with Senator Boyd in this regard. The Senate Bill No. 41 is reprinted below.

It is very important for all our lodges in the State of Ohio that this bill is passed. Therefore, we appeal to all lodges and lodge members in the State of Ohio to write to their senators and call their attention to vote for the aforementioned amendment. This regards all lodges of the American Fraternal Union as well as other lodges and members of all fraternal organizations in Ohio.

If other Slovener fraternal organizations were notified of this matter, they will surely remind their members and lodges to work for the passage of this amendment. If they have not received any such notice from elsewhere, they can refer to this published notice. It will be most beneficial for all lodges in Ohio to have this amendment passed so they can enroll new members in their juvenile departments without a medical examination.

Center Ramblers To Hold President's Ball January 30th

As was published in the Nova Doba, the Center Rambler's Lodge 221 of Center, Penn. is going to sponsor a President's Birthday Ball on Jan. 30, 1943 at the Center Slovene Hall.

There were rumors that due to gas rationing and the OPA putting a ban on pleasure driving, that there was to be no ball. However, the Ramblers are going through with their plans for this big dance.

Les Faulk and his orchestra are going to furnish the music so I urge all of our neighboring lodges and friends to try very hard to attend since the proceeds of this dance are to be contributed to a very good cause, to the fight against Infantile Paralysis.

In the past the Ramblers sponsored a dance for the benefit of the Army and Navy Relief Fund and are now going to do their best to make the President's Ball a success and to help the March of Dimes.

There will be music and refreshments to make you happy, so dance and even sing and cheer yourselves up during these trying times. We would like to see our friends from

To Aid the Needy Yugoslavs

The representatives of the United Relief Fund sponsored by the American Friends of Yugoslavia, Inc. held a conference regarding the best means by which to send help to the Yugoslav prisoners of war and Yugoslav children suffering in their occupied country. During this conference several points of their program were altered.

Everyone is familiar with the procedure of sending packages to war prisoners. From now on these types of packages will no longer represent the main support which the United Yugoslav Relief Fund gives to Yugoslav war prisoners. A new program was initiated with the American Red Cross and the President's War Relief Control Board.

The AFU Juvenile Membership Campaign Was Not the Success It Could Have Been

Elsewhere in today's Nova Doba are published the results of the AFU Juvenile Membership Campaign which was held throughout the whole year of 1942 and during which time 973 members were enrolled in the juvenile department.

Those of us who followed the results of former juvenile

campaigns, especially those campaigns which were held during the worst depressions and greatest periods of unemployment, must agree that the last campaign was the least successful and most disappointing. The majority of the lodges did very little or nothing for the campaign, which was the chief reason that it was a failure.

Let us analyze this campaign and take into consideration

first those lodges, that is, their secretaries who truly did their

best and deserve our recognition and gratitude. The largest

amount of members were enrolled by Lodge No. 28 of Kemmerer, Wyo., the secretary of which is Brother Frank Krusich.

Brother Krusich enrolled 71 new juvenile members, which is

only 4 members less than were enrolled in the whole state of

Ohio in which we have 18 lodges. In second place was Lodge

No. 202 of Rock Springs, Wyo., the secretary of which is Mrs.

Fannie Jenko. This lodge enrolled 68 new juvenile members,

10 more than were enrolled by all the lodges of Colorado where

there are 14 lodges. In third place was Lodge No. 190 of Butte,

Mont., where the secretary is our sixth supreme vice-president,

Sister Mary Predovich. This lodge enrolled 63 new members

which is more than were enrolled by the lodges of Michigan,

New York, California, Kansas, West Virginia, Nebraska, Idaho,

Utah, Oregon, Missouri, Maryland, Indiana, and New Mexico.

In fourth place was Lodge No. 43 of East Helena, Mont., whose

secretary is our old acquaintance, Louis Smith. Brother Smith

enrolled 54 new members which is more than twice the amount

enrolled by the 9 lodges in Cleveland where they say there are

more than 40,000 Slovener. In fifth place we find Lodge No. 70

of Chicago, Ill., whose model and agile secretary is our fourth

supreme vice-president, Brother Anton Krapenc. This lodge

enrolled 37 new members which is more than twice the number

by all our lodges in the state of Washington where there are 6.

In sixth place we find Lodge No. 132 of Euclid, Ohio where the

diligent and praiseworthy secretary for many years is Brother

John Tanko. He enrolled 35 new members, 11 more than all the

Cleveland lodges together.

The first award which was \$100 was received by Lodge 28,

the second award which was \$75 by Lodge 202, the third award

which was \$50 by Lodge 190, the fourth award, \$25 by Lodge

43, and the fifth award, \$10 by Lodge 70.

Regarding communities, the most members were enrolled

in the city of Ely, Minn. which was 75. In second place is Kemmerer, Wyo. with 71, in third place is Rock Springs, Wyo. with

70, in fourth place is Butte, Mont. with 63, in fifth place is East

Helena, Mont. with 54, in sixth place is Chicago, Ill. with 52,

and in seventh place is Euclid, Ohio with 35 members.

Last year our Union was composed of 181 lodges and we en-

rolled 973 members, therefore each individual lodge enrolled

less than 6 members, or less than one-half member per month.

Pennsylvania enrolled the largest number of new mem-

bers, 222; Montana enrolled 146; Wyoming, 145; Minnesota,

The AFU Juvenile Membership Campaign Was Not the Success It Could Have Been

Elsewhere in today's Nova Doba are published the results of the AFU Juvenile Membership Campaign which was held throughout the whole year of 1942 and during which time 973 members were enrolled in the juvenile department.

Those of us who followed the results of former juvenile campaigns, especially those campaigns which were held during the worst depressions and greatest periods of unemployment, must agree that the last campaign was the least successful and most disappointing.

The majority of the lodges did very little or nothing for the campaign, which was the chief reason that it was a failure.

Let us analyze this campaign and take into consideration first those lodges, that is, their secretaries who truly did their best and deserve our recognition and gratitude. The largest amount of members were enrolled by Lodge No. 28 of Kemmerer, Wyo., the secretary of which is Brother Frank Krusich.

Brother Krusich enrolled 71 new juvenile members, which is only 4 members less than were enrolled in the whole state of Ohio in which we have 18 lodges. In second place was Lodge No. 202 of Rock Springs, Wyo., the secretary of which is Mrs. Fannie Jenko. This lodge enrolled 68 new juvenile members, 10 more than were enrolled by all the lodges of Colorado where there are 14 lodges. In third place was Lodge No. 190 of Butte, Mont., where the secretary

MINUTES

OF THE SPECIAL SESSION OF THE SUPREME BOARD
OF THE AMERICAN FRATERNAL UNION HELD ON DEC.
4th & 7th, 1942, IN THE SLOVENIAN NATIONAL HOME
AT CLEVELAND, OHIO

(Continuation)

A majority of our members are not aware of the fact that rates of premiums or assessments are determined and set up on the basis of the hazard of the risk or the occupation of the insured, and that the bigger the hazard the higher are the premiums or assessments required by the table. As yet our Union does not make any distinction on account of the occupation of the applicant and all members of the same age and insured for the same amount and in the same plan pay the same assessments, but life insurance companies and some of the larger, so-called American societies do make such distinction and charge higher rates to those who have more dangerous occupations.

Every fair-minded and intelligent person must admit that service in the armed forces in time of war is a more dangerous occupation than any other occupation in time of peace or at home, and that it is impossible to give the soldier-members serving in the armed forces in time of war for the same assessment the same protection as to the civilian members who remain at home. By doing so we would endanger the very foundation of the Union as at this time no one knows what the losses in this war will be.

Our adult members are insured for approximately 11 million dollars and for this liability the Union has a reserve of approximately 2½ million dollars. If in this war we should lose three thousand members with an average insurance of \$500.00 each, we would be called upon, if we had no War Clause, to pay out a total of 1½ million dollars. For the remaining 13 thousand members with 9½ millions insurance there would be but one million dollars left. Would an organization of 18,000 members with 9½ millions dollars insurance in force and a reserve of only one million dollars be solvent? Absolutely not! And if a society is not solvent, it cannot operate. There would be but two ways to bring the society back to a 100% solvency, one, to levy special assessments for the death benefit fund, the other, to decrease the insurance policies of the living members. I am at this time unable to state what the special assessments would be, but they undoubtedly run up to two or perhaps three dollars per month for each \$1000.00 of insurance. Who would pay these high special assessments, the younger members? Most certainly not. It would be more advantageous for them to drop the membership in our Union and join some other organization where, as new members, they would not be required to pay any special assessments. The burden would therefore fall upon the older members, members who are too old to seek and secure insurance in other organizations or companies. And if a large number of the younger members should drop out the special assessments would be even higher.

And what would be the result if we were to follow the other course, decrease the insurance to the living members? Would it be just and fair if a poor widow whose husband was paying for 40 years or more were to receive only one-half or two-thirds of the amount for which her husband was insured? And that is exactly what could happen if we were to follow the second course.

The problem of adequate insurance for the soldier-members was solved by the Government when it established War Service Insurance for those serving in our armed forces. The premiums are exceptionally low and a 24-year old soldier pays only 67 cents per month for \$1000.00 of insurance. Civilians are not eligible for this insurance.

Some members argue that the restrictions in our By-laws and membership certificates should be removed and the full death benefit paid solely for patriotic reasons. The proposition is excellent if it could be carried out without serious loss to destitute widows and orphans. It is my opinion that no sincere and patriotic soldier-member will be so selfish as to demand that his certificate (policy) be paid in full, while a poor and destitute widow should receive only one-half of the amount for which her deceased husband was insured. If he wishes to be adequately protected, if his parents or his wife want him to be adequately protected, he has the opportunity to obtain Government insurance for which the rates are cheap and which is not available to old widows and orphans.

But suppose that our losses in this war will be slight and not as heavy as we feared they would be? In that event the

matter could be satisfactorily adjusted by the next convention provided the war shall be over by that time. If the losses will not be too heavy the convention can authorize payment of the full face value of certificates held by deceased soldier-members or at least such portions thereof as our assets will permit without seriously impairing the solvency of the Union. In my opinion the convention would have power and authority to do this, but until then, and in order to safe-guard the interests of all the members and to preserve the healthy condition of the Union, it is better that the war clause remain unchanged.

I might also point out the fact that the Executive Committee of the National Association of Insurance Commissioners, (State Insurance Commissioners), recommends the same kind of a war clause as we have. A copy of their recommendation is enclosed herewith. State insurance commissioners are supervisors of fraternal societies and insurance companies and they would not recommend these restrictions unless they considered them important and necessary for the welfare and preservation of the society.

Fraternally yours,

ANTON ZBASNIK, Supreme Secretary.

The Supreme Secretary reports further that he received some protests regarding the War Clause, and that he wrote to our actuary, from whom he received the following letter:

"This matter of protests from members because deaths caused by service in time of war are not paid in full has been brought to our attention by several other societies during the past year. These protests are due (1) to the fact that members do not fully understand the true nature of life insurance, and (2) they are moved by a feeling which they think is patriotism and by a feeling that parents of sons killed in war deserve special protection by reason of membership in a fraternal society. Neither of these reasons is supported by facts or by the logic of the situation. It is the people as a whole who must share the burdens of war. The Government has recognized this fact in the establishment of a life insurance department. Every soldier can and should take insurance under the federal system. It costs less than can be supplied by any life insurance company or society and if there should be any "deficiency" it will be made up by taxes on the people. Any insurance company or fraternal society does not have the right, morally speaking, nor would it be an honest act, to pay war deaths out of existing funds which have been built up for the purpose of protecting beneficiaries of members in event of deaths among them which occur under normal living conditions. It would be a misuse of that money to pay it out on risks that were not included in fixing the rates to be paid. If members of the Union want to have all war deaths paid in full, when the only money on hand to pay such deaths would be the reserve, or cash surrender values on existing certificates, they should take steps to build up a special war claims fund for that purpose. Contributions to such a fund could not be required of members but would have to be voluntary.

The mere fact that some other (competing) society announces they will pay war losses in full is no argument for adopting a course that threatens disaster."

So writes our actuary.

In connection with the above, the Supreme Secretary states that he received an initiative motion from Lodge No. 101, which he returned because it was not presented to and approved by the lodge as provided in the By-laws. The initiative motion recommends the complete deletion of Section 273-A of our By-laws. It is read to the Supreme Board for their information, and the Supreme Board is of the opinion that the action taken by the Supreme Secretary was proper.

A motion is adopted regarding Section 65, that the Supreme Board does not consider such initiative motion or similar motions in the interest and WELFARE of the Union, and therefore, is not bound to present same to the membership for a referendum vote.

Mr. Kushlan then informs the Supreme Board, that even if such motion was properly submitted by the Supreme Board for a general referendum vote, and thereby was approved, only such members who were admitted after Section 273-A was amended by the referendum would be affected, but it would not affect those prior thereto, for in his opinion amendments cannot be retroactive.

The Supreme Board considered the matter from all angles and came to the following conclusion: The 16th Regular Convention, held during 1940, made a very wise decision when it approved Section 273-A, as set forth in our present By-laws. The provisions of this section prevent the payment of large assessments by aged members because of possible large numbers of deaths of our members in the service, for our present assessments were not calculated according to such hazards. All members in the armed forces have the opportunity to take out insurance from the government at a nominal cost, and if a short age should develop, we would all be called upon to eliminate same by federal taxation. Members in civil life cannot buy this insurance.

The Supreme Board was authorized by the mandate of the convention to protect the financial stability of the organization as a whole and cannot allow special treatment to individual members. It would be unfair to the older members who have paid assessments for 30 or 40 years, if they would be obliged to pay an additional amount of \$5.00 or \$10.00 in monthly assessments, or if the organization would be forced to lower death benefits to only half of the face amount or even less, or if the organization would be forced to liquidate. The Supreme Board would not merit the recognition given by the Convention, if it would not strive to safeguard the financial status of the organization. If the number of deaths in the armed forces would be low, the Supreme Board would, with pleasure, recommend that payments be made in full from the surplus or in such amounts that would not seriously affect the solvency of the Union. The Convention will have the right to adopt such measures which are deemed proper and which will not drastically affect the financial structure of our organization. However, until then, the provisions of Section 273-A shall remain in force as set forth in the By-laws. This is the unanimous decision of the Supreme Board.

A letter from our actuary is read in which he recommends that our certificates should all be based for valuation purposes on a 3½% basis, as our surplus in the Mortuary Fund would allow such a measure, and as the 4% basis has been antiquated. By adopting this basis for valuation purposes the solvency of our organization would be somewhat impaired on paper, but actually it will remain unchanged, and will more adequately correspond with the yield from investments. After much information is given by the Supreme Secretary, it is unanimously adopted, that the recommendation of the actuary be carried out, and all present certificates based on 4% be computed on a 3½% basis, said practice to be adhered to in future calculations.

Section 238 of our By-laws provides that banks used by our Union as depositories may not exceed \$30,000.00 in the checking account. This section is not definite enough, because amounts of outstanding checks as yet uncashed at the time of the bank report, are not considered, likewise the interest coupons and bonds which are sent to the bank for collection at various intervals are also not taken into consideration. Such amounts together with the amount actually deposited, sometimes reaches the sum of \$100,000.00, and the bank records this amount which seemingly conflicts with the provisions of the By-laws. In order to eliminate this condition, the Supreme Board interprets Section 238, thus, that the total deposits together with the checks not yet cashed, interest coupons, and bonds which may have matured may reach the sum of \$100,000.00.

At the suggestion of the Supreme Secretary, it is further decided, that in addition to the amounts invested in the Mortuary Fund, investments may be made from other funds, in amounts according to the status of the various funds, and the interest realized be credited to the Expense Fund. These funds are to be invested in War Bonds, which may be redeemed at any time without incurring losses.

The Supreme Secretary reports that at the semi-annual session held during August we did not take into consideration the payment of awards to local lodge secretaries for their work in the collection of juvenile assessments, and recommends that the secretaries be paid 36 cents for each member in good standing as of Dec. 31, 1942. This motion is adopted unanimously, and declared in effect until otherwise decided by the Supreme Board.

A payment to the Supreme President is authorized for the expenses incurred on his trip to Washington, at the request of the Office of War Information.

At the recommendation of the Supreme Secretary it is further decided that the premiums for the bonds of the Supreme Board and local lodge officers for 1943 be paid from the juvenile expense fund. Until the present time, all such premiums were paid from the Expense Fund of the adult department.

A discussion follows pertaining to the Slovene National Congress to be held the 5th and 6th of December, in Cleveland, Ohio. After some discussion a motion is approved that the Supreme Board of the American Fraternal Union attend the said congress.

The meeting adjourned at 6 p. m. Dec. 4th.

Session Held Dec. 7th 1942

The Supreme President, Janko N. Rogelj, opened the meeting at 10 a. m. The Supreme Secretary reads a telegram from the Overseas News Agency, which was addressed to the Supreme President of the American Fraternal Union, relative to our position regarding the formation of a so-called "Austrian Legion" in America. Submitted and approved is an official answer by the American Fraternal Union which the Supreme Board approved with a unanimous vote and copies of said answer are to be sent to our State Department.

A discussion regarding an amendment to Section 363 of our By-laws follows in order that the Supreme Board would have the power to use the money from the Sports Fund, to help our members in the armed forces, and for other worthy and important purposes. A motion is adopted by a unanimous vote, that an initiative motion to this effect be submitted to the membership for a referendum vote.

The Supreme Secretary, Anton Zbasnik, makes a motion which is seconded by Anton Krapenc, the 4th Supreme Vice-President, that the following initiative motion be submitted to the membership for a general referendum.

"That Section 363 of the Constitution and By-laws of the American Fraternal Union which now reads: 'In times of depression the Supreme Board shall have the right to suspend the financing of any and all athletic activities and use this fund to aid needy members,' be amended to read as follows: 'In times of depression and in time of war the Supreme Board shall have the right to suspend the financing of any and all athletic activities and to use the Sports Fund for the support of needy members, soldier-members, or for any other humanitarian, honorable and noble purpose.'

The motion is unanimously adopted.

Adopted that the above amendment become effective immediately following its approval by the members and from the date on which the result of the referendum has been published in the official organ of the Union.

Brother Anton Krapenc, tenders his resignation as representative of the American Fraternal Union to the Slovene Section of the Yugoslav Relief Committee, and recommends that Bro. Janko N. Rogelj be named in his stead, with Bro. Frank Vranichar, alternate. After considerable discussion the resignation of Bro. Krapenc is accepted, and Bro. Janko N. Rogelj is named the official representative, with Bro. F. J. Vranichar, alternate.

With this the business is concluded and the Supreme President adjourned the second meeting and the Special Session of the Supreme Board at 2 p. m. Dec. 7, 1942.

This department receives quite a number of hearty checkups from AFU members of our lodge... seems that every one around to writing one...

We see where John Piskur and John Svet, both 40-year AFU members, are getting along as good as can be expected. Brother Piskur has been ailing for some time and

Brother Svet suffered severe injuries in a fall several months ago...

Speaking of 40-year members, Frank Tomazin is attending all the meetings despite age and enjoys joining in the various discussions...

Speaking of horseburgers, one of our prominent AFU members went to a restaurant to try one out the other day. I didn't care for one... picked up the sandwich, eyed it suspiciously, lifted the top half of the bun and scrutinized the meat, then reluctantly sank his teeth in the "delicacy". He chewed awhile, stopped suddenly and yelled for the waiter... He put the sandwich down and exclaimed

RUSSIAN WAR RELIEF, INC.

A special six-week campaign to raise \$100,000 to equip and supply a Red Army hospital will be launched Monday, Jan. 25, by the Yugoslav Committee for Russian War Relief and other member groups of the Nationalities Division of Russian War Relief, it was announced by Zlatko Balokovic, division chairman.

The equipment of a specific hospital, said Thomas Babin, chairman of the Yugoslav Committee, will be in tribute to the recent military success of the Red Army and to answer the increasing need for medical material as the fury of battle intensifies on the Eastern front.

One of the chief media for collecting funds, Babin revealed, will be through the sale of books and certificates. Each book will contain 31 certificates, in denominations ranging from 50 cents to \$10 and totaling to \$40.00. A picture of a Red Army soldier and nurse will be printed on each certificate with the statement that the subscriber paid the stated amount for the certificate to help equip and supply a Red Army hospital.

Among the groups and individuals who are cooperating with the Yugoslav committee in the drive, Balokovic announced, are the Yugoslav Longshoremen's Group, Joseph Bilach, New York City; the Yugoslav Seamen's Club, Thomas Babin, New York City; the Serbian National Federation, Louis Balich, New York City; the Slavonian Benevolent Society, M. Begovich, secretary, Hoboken, New Jersey; the United Serbians, G. Vujinovich, president, Hoboken, New Jersey; the Croatian Brotherhood of the U.S.A. I.W.O. Croatian Section, Anthony Gerlach, secretary, New York City; I.W.O. Serbian Section, M. Vukovich, New York City, and the United Slovenian Societies, Frank Kerze, president, New York City.

Also, the United Croatian Societies, Harry M. Justiz, secretary, New York City; the United Daughters & Sons of Island Krk, P. Kalantich, secretary, New York City and the Croatian National Bureau, New York City.

In launching the drive, Balokovic, who also holds the position of president of the New York State Slav Congress, issued the following statement:

"No one in America is more deeply or personally gratified by the recent Red Army triumphs than those who still remember their native lands—those whose brothers and families have borne the full fury of the Nazi terror."

"Every effort must be made to aid, in whatever way possible, those military successes. For Russia is the battleground on which Hitler and his fascist hordes have chosen to strike at civilization. If he can still win there it will enable him to put the entire world under his lash."

"The Nationalities Division of Russian War Relief has been in the fore-front of the groups in the war relief agency sending assurance, succor and encouragement to our gallant, hard-pressed Russian allies."

"We must not fail at this crucial moment when it appears that the tide is slowly being turned in our favor. In launching this short campaign, we are certain that once more members of all nationality groups will rally to strike another blow against Hitlerite tyranny."

"Remember every contribution will help send a Red Army man back to the front lines to smash the Nazi legions."

Servicemen Thank Cleveland AFU Bowling League for Christmas Gifts

Many of the boys in service have expressed their appreciation to the Cleveland AFU Bowling League for their generous Christmas gifts and copy of the "Home News."

Pvt. Martin Yerick says: "Received your gift and copy of 'Home News' for which thanks loads. That little paper sure is a good idea. It's about the first complete news about home that I've had since I left. I certainly appreciate it."

Pfc. Ernest Jerina writes: "Hello! I received your Christmas package which was very nice. Thank you. Your snappy little paper, 'Home News' sure is swell. I enjoyed it immensely."

Harry Vehar wrote that he received his Christmas package for which he thanks the League from the bottom of his heart.

J. R. Ulyan A. M. 3/c wrote: "I can't seem to find the proper words to express my appreciation for your gift from the AFU League. Am keeping abreast of the AFU through the Nova Doba and it makes me feel I'm back in Cleveland at times. I enjoyed your little news sheet very much!"

Says Phillip J. Sumrada: "Thanks for the present. I think your little paper is a swell idea, keep it up!"

Wally Desmond wants to thank everyone who contributed towards making it possible for him to receive his Christmas gift.

The paper, "Home News" is made possible by contributions from various Cleveland lodges and individuals. Anyone interested in any further information should get in contact with Miss Dorothy Ross at the E. 152nd St. Recreation Center any Wednesdays after 7 p.m.

A little colored boy was strangely enough, strolling through a cemetery, reading the inscriptions on the tombstones. He came to one which read: "Not dead, but sleeping." Scratching his head, he said to himself, "Dat guy ain't foolin' nobody but hisself."
