

ALI BO AMERIKA SLEDILA ANGLIJI?

Ameriško ljudstvo se bo uprlo kapitalizmu kot se je anglijsko in bo zgradilo svojo stranko, pravi Senior.

Washington. — (F. P.) — Clarence Senior, mladi tajnik socialistične stranke, vidi revoluto ameriškega ljudstva proti kapitalistični politiki. Govoril je na anketu washingtonskih socialistov in napovedal, da bo Amerika sledila politično-socialnemu razvoju Anglije in zgradila delavsko stranko, ki eventuelno prevzame vlado.

Vse zadnje stoletje je bila politična in delavska situacija v Angliji povsem podobna gospodarskemu in političnemu razvoju Amerike. Anglijski kapitalizem je v domači in svetovni politiki igral enako vlogo kot v igri ameriški. Bil je najmočnejši razvijalec zgodovinskega razvoja. Svoje politične aspiracije je izvajal potom konservativne stranke.

Ob nastopu tega stoletja je prišel anglijski politični in gospodarski razvoj v štadij, ki je zahteval formacijo delavske stranke. Liberalna anglijska stranka, ki je naprednejša od ameriških demokratov, je igrala slično vlogo v Angliji kot jo je do predasa zavzemala demokratska stranka.

Senior vidi sedanjega gospodarja in politični razvoj Amerike na prilično enaki stopnji kot se je nahajala Anglija ob nastopu sedanjega stoletja. Seveda je ameriški kapitalizem veliko bolj razvit kot je bil anglijski. Prvič je relativna in je s tega aličja precej silna.

Novo politično regrupiranje je napovedal tudi prejšnji sodnik Panken iz New Yorka. V zadnji politični kampanji je bil v Angliji, kjer je sodeloval z delavsko stranko. Pravi, kar je dosegli v Angliji, je v Ameriki težko dobiti.

Panken je opisal zadnjo kampanjo v Angliji in veliko solidarnost delavskih mas. Senior je poudarjal potrebo za razvoj enotnega socialističnega in delavskega gibanja ameriškega kontinenta, ki se bo uspešneje boril proti namenu imperializmu v latiniki Ameriki.

Poštini klerki za Mooneyja. New York. — Konvencija uhljnih poštinskih klerkov je poslala karniškemu guvernerju Youngu resolucijo za takojšnje pomiljenje Tom Mooneyja in Warren K. Billingsa. Resolucija uradno guvernerja, da je že skrajni čas, da izbrisi črni madež države California s tem, da takoj osvobodijo obe žrtvi.

Gost konvencije je bil dr. J. A. J. iz Avstrije, ki je načelnik mednarodne federacije poštinskih službenecov. Govoril je o potrebi večjih stikov mednarodnega delavstva. Najboljše sredstvo za to je ideja je izmenjavanje kratkih delegatov.

Restavriranje civilnih svobodnih poštinskih službenecov je bila obča, pri kateri so bile najzanimivejše razprave. Sedanjí zakon obravnjuje civil service službenecem vse politične aktivnosti, razen volilne pravice. Resolucija spremembo tega zakona je bila porazena s nad dvotretinsko večino, ker se je večina s bala, da bi organizacija potem postala politična žoga vladajoče stranke.

Turki zidajo novo glavno mesto. Angora, 24. sept. — Nemški inženir Herman Jansen, ki ga je turška vlada najela, je izdelal načrt, na temelju katerega bo Angora v petih letih spremenjena v eno najmodernejših mest na svetu. Novo mesto bo zgrajeno za 300.000 prebivalcev. Danes ima 70.000. Pred šestimi leti je Angora bila navadna turška vas.

S. N. P. J. stalno napreduje

Br. Frank Juvan, ustanovitelj novega društva SNPJ št. 683 v Hutchinsonu, Pa., je zelo aktiven. Njegov najnovejši prispevek k napredku jednote je sedemdeset novih članov: deset odraslih in sedem za mladinski oddelček. Dobro bi bilo, če bi imeli več takih Juvanov v organizaciji.

Nova postojanka SNPJ se je ustanovila v Dorloju, N. Y. Br. Frank Kodra je ustanovitelj. Društvo ima vse pogoje za dober napredek.

Od kod pride prihodnja razveseljiva vest?

Nove gasilniške ob-ravnave bodo nagnali

Država bi rada končala proces v desetih dneh. Smrtnih obsodb ne bo. Obtoženci izgubili dobrega zagovornika.

Charlotte, N. C. — Nova obravnava proti šestnajstim komunistom in voditeljem tekstilne stavke v Gastoniji radi uboja policijskega načelnika Aderholta, ki se odpravi prihodnji ponedeljek, ne bo dolgo trajala, če uspejo nametati. Prvo obravnavo, ki se je izjalovila vladne oblasti enega porotnika, so uredili za mesec dni — osem dni za izbiranje porotnikov, 12 dni za zaslišanje priče in 10 dni za argumente — toda drugo bi država rada skrepila na deset dni vsega akupaj.

To mislijo doseči s tem, da olajšajo obtožnico napram vsem moškim, razen dveh ali trem. Namesto obtožbe umora prve vrste jih bodo obtožili uboja, valed česar odpade dolga vrsta vprašanj, ki jih zastavljajo izobanecem za poroto. Na podlagi olajšane obtožnice odpade tudi smrtna kazen in zagovorniki obtožencev se bodo omejili le na napor, da obranijo svoje kliente sponorne karni.

Proces bo spet pod vodstvom sodnika M. V. Barnhilla. Odvetnik Jimlison bo vodil zagovornišvo. Obtoženci so izgubili enega svojih najboljših zagovornikov. Kakor poročajo, je Arthur Garfield Hays iz New Yorka odpovedal sodelovanje.

Ukradena zagrebška slika v Clevelandu

Poslanik Pitamic pooblaščen, da sliko dobi in polje nazaj.

Beograd, 24. sept. — Jugoslovanska vlada je večer obvestila svojega poslanika v Washingtonu, da skuša dobiti redko nabavno sliko, ki je bila ukradena v katedrali v Zagrebu in katere se zdaj nahaja v muzeju v Clevelandu. Sliko so pogrešili prve dni tega meseca. Komisija, ki je preiskala cerkev v svrhu prenojitve, je odkrila, da je dragocena slika — ki je delo umetnika iz desetega stoletja — izgubljena. V katedrali se je nahajala od leta 1425.

KANADA NACIONALIZIRA RADIOPOSTAJE

Podržavljenje priporočila posebnih komisij, ki je zadevo proučevala: kanadsko delavstvo podpira načrt; velik kontrast z Ameriko.

Ottawa. — Radio naj služi splošnim interesom kanadskega ljudstva. To je zaključek posebnih komisij, ki je proučila vprašanje, kako naj bo stališče vlade napram radiu. Komisija priporoča podržavljenje vseh radiopostaj, ki jih naj operira zvezna vlada s pomočjo provinc.

To priporočilo je presenečilo marsikoga, ker je komisija treh članov sestavljala iz vrst konservativnih biznismenov. Njen predsednik je bil Sir John Aird, predsednik kanadske trgovske banke, ki je največji finančni zavod te vrste v Kanadi. Z njim sta sodelovala Charles A. Bowman, urednik "Ottawa Citizen" in dr. Augustin Frigon iz Montreala.

Komisija priporoča, da država prevzame vse radiopostaje, za katere plača lastnikom primerno odškodnino. Vlada organizira posebno korporacijo, ki bo operirala radiopostaje. Korporacija bo vodila, ako bo našel sprejet, komisija 12 članov. Od teh izvoli zvezna vlada tri, ostalih devet imenujejo na provinčne vlade, vsaka po enega.

Province se s to določbo strinjajo; le Quebec zahteva gotovo rezervacijo.

V svrhu financiranja bi vlada dala milijon dolarjev letne subvencije za dobo petih let in povzela na \$3 pristojbine letnih dovoljenj za radioparate. Poleg tega bi radiopostaje našle dohodke od indirektnega oglaševanja.

V zadnji zadevi je priporočilo komisije tudi samimvo. Priporočila, da vlada ne dovoli direktnega oglaševanja nobeni tvrdki. Vsako podjetje, ki bi se hotelo poslužiti radiopostaje, bi ararilno zabaven in podučni program. To bi bilo vse oglaševanje, ker direktna agitacija za gotove izdelke bi bila prepovedana.

Vlada bi postavila sedem močnih radiopostaj, eno v vzhodnih treh in po eno v ostalih šestih provincah; poleg tega bi funkcioniralo večje število postaj v lokalne svrhe.

Komisija dalje priporoča, da uprava postaj ali pa vlada določi definitiven čas v izobraževalne namene. Verskim sektam bi se dovolila radiopostaja le pod pogojem, da se izognejo medsebojnemu napadanju in kontroverznim vprašanjem.

Radio v politične svrhe bi bil tudi podvržen regulaciji. O proceduri bi določevala vse politične stranke. Namen tega priporočila je, da bi se vladajoča skupina ne mogla polastiti radia, ki naj bi bil v omejenem smislu na razpolago vsem političnim skupinam.

Predno bi bila ustanovitev tega sistema mogoča, je seveda potrebna privolitev parlamenta. Privatni interesi radiopostaj se že oglašajo, da so proti podržavljenju te industrije. Vsekakor pa bo poročilo dobilo veliko zaslonbo pri ljudstvu in možnost za podržavljenje je velika.

Vpliven faktor so radiopostaje — 15 po številu — kanadske državne železnice, ki bi bile absorbirane. Te postaje so vladna posest, kar pomeni, da bo odpor proti splošnemu podržavljenju toliko manjši.

Na zadnjem zborovanju kanadskega delavskega kongresa je bila sprejeta zahteva za podržavljenje radiopostaj. S tem zaključkom je dobilo priporočilo komisije podporo s strani strokovno organiziranega delavstva, še predno je bilo objavljeno.

VESTI IZ AMERIŠKEGA DELAVSKEGA SVETA

Zahtevajo odpustitev uradnika. Portsmouth, N. H. — Delavstvo v državi New Hampshire zahteva, da guverner odsvoli državne delavskega komisarja, ker vedoma dovoljuje kršenje delavskih postav. Slučaj, ki je odgovoren za to zahtevo, je stavka tekstilnih delavcev v Newmarketu. Podjetnik je ignoriral zakon o zaščiti otrok in žensk, s katerimi skuša razbiti stavko.

Policijski grozi stavkarjem. Scranton, Pa. — Policijska in detektivna tehta sta pričeli s teroristično taktiko napram mešarjem in razvalalcem, ki so na stavki pri Armour, Swift, Cudahy in Wilson Packing kompanijah. Stavka traja že šest tednov. "Možje postav" so zadel preganjati stavkovne straže. Na seji centralne unije so bili obdohleni, da za to delo prejemajo pri omenjenih tvrdkah velike porcije najlepšega mesa.

Ille sodnijske prepovedi. Cleveland. — Westlake Electric kompanija je vložila peteljo za sodnijsko prepoved proti stavkajočim električarjem. Podjetnik apelira na magistrate.

New York. — John E. Edgerton, predsednik Narodne asociacije tovarnarjev, apelira na tekstilne magistrate na jugu, da sprejme svojo delavsko taktiko. V to ga je prišli sedanjí razredni boj na jugu, ki se bo po mnenju Edgertona še povečal, ako podjetniki ne zvišajo plač in izboljšajo delavskih razmer.

Dolgi delavski v jeklarstvu. Industriji.

Washington. — Vindal biroj za delavsko statistiko poroča, da se je delovnik v jeklarstvu industriji podaljšal. Osemurnik je sicer še v veljavi pri gotovih delih, ki zahtevajo stalen obrat: kljub temu pa je opaziti, da se jeklarški trust rapidno pomika v smer predpotopne dobe. Dolg delovnik prihaja vedno bolj v modo; deset, deset, enajst in celo dvajseturni delovnik ni redkost v tej industriji.

Stavka mehanikov in "movie" operatorjev.

Durham, N. C. — Pri največji garaži v Durhamu so zastavali avtomobaniki. Med podjetniki in mehaniki v tem mestu se vrši boj že dalj časa. Delavci ne odprli svoje garaže, ki dobro napreduje. Imajo tudi svojo zrakoplovno bazo za prevažanje zračnih turistov.

Lokalna gledališna družba je izprila svoje filmske operatorje. Družba, ki je podružnica skupine verzičnih gledališč, obratuje v Durhamu in Raleighu.

Podjetniki se ne boje strahla.

Harriehurg, Pa. — Državni delavski departmet je zagrozil lokalnim tovarnarjem, da jih tira pred sodišče, ako ne zavarujejo delavcev proti poškodbam. Med tovarnarji je več kršiteljev postav. Zakon določa šest mesecev zapora in od sto do petsto dolarjev globe za vsak dan prestopka. Do danes ni bil kaznovan noben podjetnik. Država kaznuje za namenoma slepa in gluha; kadar je vprašanje delavske protekcije na dnevnem redu.

Ako se primerja stališče Kanadčanov v zvezi s tem vprašanjem s stališčem ameriške vlade je kontrast jako velik. Naša vlada je podarila značne pravice, ki so vredne nad 25 milijonov dolarjev, American Radio korporaciji. Kanada jih hoče obdržati in porabiti v splošno dobrobit. V Ameriki jih je deležen najmočnejši, da postane še lažji. In sedanjí ararška radiopostaj v Ameriki ni najmanj zadolžljiv tudi s stališča malega ali srednjega biznismana iz razloga, ker je v absolutnem prilog velebiznisu, ki naglo požira male in srednje ribe. Radio mu bo pri tem procesu v veliko korist.

Za federacijo vseh jednot

Jugoslovanska podpornica zveza Slova, katere sedež je v Milwaukee, Wis., je zadnji teden na svoji redni konvenciji v Sheboyganu, Wis., sprejela resolucijo v prid federaciji jugoslovanskih podpornih organizacij v Ameriki.

To je že tretja podpornica organizacija, ki se je izrekla za federacijo. Prva je bila SNPJ, ki je imela to gibanje na svoji konvenciji v zadnjem maju. Druga je bila Hrvatska Bratstva Zajednica.

Patriotični tovarnar

Tekstilni baron kupil jahto za milijon dolarjev v Nemčiji.

Pennsile, N. J. — V newyorško pristanišče je dospela iz Nemčije krasna, milijon dolarjev vredna jahta. Baro je naročil "patriotični" tekstilni magnat Julius Fortmann, ki ima velike tovarne v Pennsile in v raznih krajih juga in Nove Anglije.

Magnat Fortmann je jako patriotična oseba, ki ima veliko arce tudi za ameriško delavstvo. Iz golega patriotizma in očetovske skrbi zahteva visoko carino v "svrhu protekcije ameriškega delavstva". Vendar pa ni toliko patriotičen, da bi naročil svojo jahto v ameriškem pristanišču in s tem nudil več dela ameriškim delavcem, za katerih hrbte se skuša skrivati pri molenovanju za visoko carino.

Nimamo nič proti temu, ako je bila luksuriorna jahta naročena v Nemčiji. Tudi obhajanje magnatov je brez pomena, ako si privoščijo vse raskošnosti tega sveta, svojim delavcem pa plačujejo je nizke meze in jim sede na tilniku kot to najbolj znajo delati ameriški kapitalisti. Kar želimo, je to, da bi ameriško delavstvo spoznalo igro svojih gospodarjev in jih treščilo na dno morja s njihovimi jahtami vred.

Ta slučaj je ogaben predvsem iz etičnega principa. Milijon dolarjev za jahto, milijon, ki ga je Fortmann faktično izdal iz skrajno izkoriščanih tekstilnih delavcev. In poleg tega milijona je isprejel iz svojih sužnjev še mnogo milijonov. "America the Beautiful..." Za milijonarje gotovo!

Klajali imajo dve fronti

Ena je ruska na sibirski meji, druga je doma civilna.

Sanga, 24. sept. — Vse kaže, da bo Kitajska imela novo civilno vojno na svojih plečih. Odstavljeni general Čang Fah-vej v provinci Hupeh ni odločil poveljstva, pač pa je odpeljal svoje čete na jug v provinco Hunan, kjer se namerava združiti z drugimi upornimi militaristi in začeti vojno proti Kajševevemu režimu. Kajšek je te dni odredil mobilizacijo čet proti upornikom. Medtem poročajo iz Harbina, da so sovjetske čete prekorale mejo pri Mandžuliju in pol ure sipale krogie iz strojne na kitajsko postojanko. Ruska letala neprestano krožijo nad kitajskimi postojankami in včasih pade kaka bomba.

ZADRUŽNIŠTVO MED AMERIŠKIMI FARMARJI

Tudi rični farmarji se organizirajo v zadrugah, ki se naglo širijo; trigačake družbe in mlinarji dobro šanjojo.

Beaumont, Texas. — (F. P.) Rični farmarji v Texasu, Louisiana in Arkansasu se skušajo ubraniti odiranju prekupčevalcev potom zadrugnih organizacij. Lansko leto so organizirali Ameriško združno ričnih farmarjev, ki se naglo razvija na vsa rina polja.

K nji spada večina farmarjev v državi Texas. Okrog 15 odstotkov farmarjev v Louisiana se je pridružio. V Arkansasu se je organizacija pričela razvijati v tekočem letu. V teh treh državah pridelajo okrog 80 milijonov bušjev riča ali tri četrtine ameriškega pridelka. Ostalih deset milijonov ga pridelajo v spodnji Californiji.

Koliko velikega pomena je združna organizacija za rične farmarje, pokazuje dejstvo, da so njeni člani lansko leto prejeli 29c več za sod riča (okrog 4 bušje) kot pa nečlani. Čena, ki so jo prejeli nečlani za bušelj riča, je bila lani \$3.16, kar ne zadostuje za kritje pridelovalnih stroškov po izjavi predsednika zadruga A. H. Boyta.

Ta organizacija, kot vse ameriške farmarske zadrug, je tržna zadruga. Ustanovljena je bila, da protektira svoje člane pred odukrakimi ričnimi mlinarji. Farmar, ki ni član svoje zadruga, je navadno alabo poučen o tržnih cenah in je radi tega dober plačnik mlinarjev. Tudi nima gospodarske protekcije v skladu, da se nahaja v finančnih stiskah.

Zadruga ričnih farmarjev jim nudi tudi to ugodnost, da posreduje pri vladnih poljedelskih bankah za posojila. Poleg tega jim nudi znanstveno svetovanje o poljedelstvu in dobre informacije o tržnih cenah.

Njihov največji problem je namakanje zemlje, za kar morajo plačevati privatni trigačaki družbi \$8 na leto. Ta zadruga ima še tudi drugo omejnost. Na primer strojna proizvodnja je začela pridirati tudi na rično polje. Majhen farmar gotovo ne more konkurirati veliki Texas Public Utilities kompaniji, ki ima 5600 akrov velike zarne. Tudi vprašanja najemništva ne more rešiti, kar seveda ni argument proti združni organizaciji. So gotovi problemi, ki jim zadruga najbrže ne bo kos. Namakanje je velik problem, ki ga je zmogla rešiti le država.

Ali organizirajo rudarje?

Chicago. — Glasilo United Mine Workers unije ima poročilo o organizatorni kampanji, ki jo je unija baje podvala v Zgodnji Virginiji. Prve dni tega meseca je pristopilo v unijo tisoč rudarjev v severozapadnem delu države. Zgodilo se je na nekem shodu v Osagu, W. Va. Kampanjo vodi Van Bittner. Na shodu je poudarjal potrebo, da rudarji zopet pristopijo v organizacijo in plačajo aasement. Iz citiranega govora je razvidno, da je Bittner polagal veliko važnost na plačevanje mesečnih prispevkov. Iz Pittsburga pa levčarska rudarska unija poroča, da prične s obširno kampanjo v West Virginiji za organiziranje rudarjev. Ako je verjeti obojim vestem, bo West Virginija kmalu organizirana.

Zidovska propaganda pramo-volje

Jeruzalem, 24. sept. — Judje raznašajo pravilico, da se ožak Abraham oglaš v svojem grobu v Hebronu in očita Arabem njihove zločine nad svojimi potomci. To bo pa pomagalo fanatikom!

Velik požar v Solunu. Solun, 24. sept. — Požar je večer uničil 60 hiš, 20 prodajalnic in delavnic ter 15 loush skladov. Škoda se ceni na milijon dolarjev.

DRUŠTVENE VESTI

Chicago. — Iz urada tajnika društva Narodni vitez št. 39 SNPJ: Ker me člani vprašujejo, kako je izpadlo zadnje glasovanje glede združitve društva št. 39 in št. 131, me kot tajnika veže dolžnost, da stvar pojasnim članom, posebno onim, ki se seje niso udeležili.

Glasovanje, ki se je vršilo meseca septembra, je izpadlo sledeče: za združitve je bilo 98 glasov, proti združitvi pa 44 glasov; 4 glasovci se ni udeležili.

Jaz, kot tajnik, ki mi pravila nalaga, da pazim, da je v društvu red in da se člani ravna po pravilih, sem bil proti ponovnemu glasovanju in sem na seji dne 15. sept. takoj izjavil, da se to ponovno glasovanje ne more smatrati veljavnim, ker je prvo glasovanje, ki se je vršilo meseca avgusta, še vedno v veljavi in to radi tega, ker se dne 15. avgusta ni imela pravice, da ovrže glasovanje brez tehtnega vzroka. Pomislite le to: 29 članov je ovrže sklep 60 članov. Ali je to pravilno? Ne in je enkrat ne! Jaz sem stvar pojasnjeval na zadnji seji, ako hočejo prvo glasovanje razveljaviti, da se mora v ta namen izvoliti preskrajšani odbor, kateri mora zadnje preskrajšati in, ako ugotovi, da je bila pri razpisilnosti glasovne izredna haka sleparija, tedaj ima društvo pravico, in celo dolžnost, da glasovanje ovrže. Dokler se pa to ne zgodi, toliko časa je prvo glasovanje še vedno v veljavi, kar znači, da je društvo proti združitvi. To pojasnilo ni pomagalo nič, seja je šla preko tega — seveda pod vplivom nekaterih članov — in je bilo sklenjeno, da se vrši izredna seja s koncem tega meseca skupno s društvom št. 131 in da se združitve izvrši. Proti temu predlogu nas je glasovalo 17 članov, pa vključit temu je predlog prodir, kar pa ni pravilno. Občlenem sem bil telefonično po društvenem predsedniku, kdaj da se ima sklicati izredna seja. Odgovoril sem, da jas ne bom sklicil seje. Nato mi je dejal, da je to po on. Od zanesljive strani sem informiran, da se ta skupna seja bo vršila, četudi jo jaz kot tajnik, ter ostalih 79 članov smatram in proglašam za neveljavno.

Bratskemu društvu Francisco Ferrer pa priporočam, da naj stopijo člani v vrsto in naj društvo obdriže vsaj dotle, dokler ni ta zadeva urejena pri našem društvu. Pravila govore, da v takih slučajih zadostuje 5 članov, da obdriže društvo in temu pripadajočim imetjem. Toliko članstvu v vrednosti.

Bratski pozdravi!
Frank Udovick, tajnik.

Claridge, Pa. — Dne 17. septembra so se tukaj vršile volitve, ki so izpadle za nas še precej povoljno. Volili smo sodniške uradnike in moše v šolske odbore. Jubilejna konvencija stavbin- skih društev.

Chicago, Ill. — V Springfieldu, Ill., bo dne 8.—10. oktobra jubilejna konvencija ob priliki petdesetletnice stavbinskih in posojilnih društev, katere so združena v Illinoiski Ligi. Kon- vencijo obdržuje vsako leto.

Ako pošljete svoje zastopnike na to zborovanje vas stavbinska in posojilna društva v Illinoisu, jih bo zastopanih 910. Izmed slovenskih je na konvencijah te Lige zastopano največkrat Je Ju- goslovanako stavbinsko in posoj- ilno dr. v Chicagu, čigar taj- nik je Joseph Steblay. Delegat je bil on, in udeležil se tudi pri- hodnje konvencije.

Zborovanja te vrste so za stav- binska in posojilna društva prav tako važna, kakor za vse druge kooperativne, podporne, politične in strokovne organiza- cije. Velike kompanije sklicuje- jo zbere svojih uradnikov, na ka- terih se posvetujejo, razpravlja- jo in sklepajo, kako dvigniti o- brat ter mu dobiti čim več pro- meta. Nič manj važna niso taka zborovanja za stavbinska in po- sojilna društva. Na njih je mno- gokrat poudarjeno, da bi napre- dovala hitreje in z večjim sode- lovanjem, če bi bilo v njih več smisla za študiranje gospodar- skih problemov, ki spadajo v njihov delokrog. Mnogo jih je, ki se ne potrudijo razumeti stva- ri tako daleč, in zato Liga ne more doseči toliko kakor bi lahko v interesu stavbinskih in po- sojilnih društev kot celote.

Iz poročila državnega avditor- ja Mr. O. Nelsona za l. 1928 je razvidno, da v Chicagu in Waukeganu sledeta slovenska, a- li pa deloma slovenska stavbin- ska in posojilna društva: Jugo- slovanako stavbinsko in posojil- no društvo, starost 10 let, aktiva \$341,962.91; Slovenski Dom, sta- rost 20 let, aktiva \$519,164.21; North Shore (v Waukeganu) — North Chicagu), imovina \$414, 421.94. V upravnih odbori teh treh so samo Slovenci. Mešana društva (Hrvati in Slovenci, Če- hi in Slovenci) so: Triglav, sta- rost 20 let, imovina \$333,920.11; Priklad, starost 20 let, imovina \$258,997.84; Dom, starost 7 let, imovina \$56,184.89; Prvo Hrvat- sko Stav. Društ., starost 19 let, aktiva \$1,003,338.29. Teh sedem društev ima skupaj imovine \$2, 927,985.19. Blizu tri milijone v teh dveh naselbinah (v Chicagu in Waukeganu) je lep kapital, ki cirkulira med nami in pomaga našim ljudem vsled tega, ker so se organizirali v svojih ustano- vah. Upati je, da bodo vsa ta društva na jubilejni konvenciji zastopana s svojimi delegati. Vi- deli bodo, koliko je doseglo skup- no delo v teku pol stoletja za fi- nančno pomoč med delavskimi ljudstvom.

Med zelo aktivna slovenska stavbinska društva je vsekakor pristevati Jugoslovanako stav- binsko in posojilno društvo, ka- tero izda v petek 4. oktobra svo- jo 44. serijo delnic. Nabavite si jih lahko omenjeni petek večer na seji direktorija v spodnjih prostorih poslojpa SNPJ. (vhod s 27. ceste), ali pa v tajnikovem uradu na 2552 S. Central Park Ave. — Joseph Steblay.

Izlet v Jugoslavijo.

Detroit, Mich. — Na prošli konvenciji SNPJ je bil odobren načrt, da jednota aranžira leta 1930 izlet članov v Jugoslavijo. Organiziran je bil odbor, v kate- rem so trije člani glavnega od- bora SNPJ, v čigar področje spada izletni urad. Ta odbor ima po večjih naselbinah svoje za- stopnike, ki dajejo informacije izletnikom. Tukaj sva zastopni- ka izletnega urada br. J. Kotar in spodaj podpisani.

Tiste, ki nameravajo obiskati svoje znanec in sorodnike in se udeležiti izleta SNPJ, prosim, naj se čimprej prijavijo nama. Kdor se bo prej prijavil, bo do- bil boljše kabino na parniku; potrebno je tudi, da vemo, kol-iko se jih bo udeležilo izleta.

Ugodnosti, katere je izposlo- val izletni urad, je več. Izletni- ki se bodo vozili po znižanih ce- nah na železnici iz Chicaga do New Yorka, na parniku in do Ljubljane, Zagreba in Beograda. Vožnja za tja in nazaj stane \$210 v turističnem razredu, ki bo i- mel vae najboljše ugodnosti, ta- ko glede hrane, potrežbe, kon- certov, plesov in drugih zabav.

Apeliramo na rojake v Detroi- tu in okolici, da se val, ki se bo- ste udeležili izleta, prijavite ta- ko. Vaak, ki se priklasi, naj pošlje \$25 kot nekakšno garanci- jo. Ako se slučajno kdo premi- ali ali je zadržan, lahko to pove 60 dni pred odhodom in bo dobil svoj denar nazaj. Vse delo v zve-

Frank in Helena

Poroc iz ameriško-slovenske življenja.

"Helena" se je Zupanki izvil komaj slišen stok.

Obupana je Helena vjela svo- jo mater in jo nezvestost posa- dila, v naslonjač. Pretrgan ko, kratki, obupni vzkliki, tresenje matere, vse to je spremljalo spo- znanje, ki je udarilo v brezum- no hčer kakor nevidna sila.

Skočila je po vodo, motila ma- ter, tresla jo, prosila odpustu- nja, klicala z najslajšimi imeni.

Zupanka je odprla oči, a bile so motne, brez življenja. Odve- sti jo je morala v posteljo.

Vsa Helenina in zdravniška nega, vse kesanje in prošenje odpušcanja ni pomagalo. Zupan- ka je dokončala svoje življenje.

Dolge noči bedenja, zavest, da je opravila mater na smrtno po- steljo s svojim brezglavim ame- rikaniziranjem, katerega si je o- čitala, je slabo vplivalo tudi na zdravje Helene. Mati ji je sicer vse odpustila, toda tri dni po do- godku je, ranjena od kesanja in bo- lest, legla tudi Helena.

Namesto veselih sošolcev in sošolk, ki bi se imeli veseliti na partiji, so četrti dan prihajali kropilci Helenine matere. Name- sto ameriške družbe je Helena videla okoli sebe same Slovence, društvene brate in sestre svoje matere, ki so jo tolažili.

VI.

"Hej, zaspanec mestni, ne boš več spal!" Frank je potegnil O- korna za oba palca na nogi, ki sta mu gledala izpod odeje. Ra- no je, še zdaniio se ni, a že ga kliče pokonci in na delo. Ob tej uri ni več časa za spanje, vsaj danes ne. Na delo morajo ob zgodnji uri, dokler je hladno, če- dan bi bilo prevroče na polju za ljudi kakor za živino. Tudi Okorn mora na delo. Prišel je na deželo k Franku na poltinitce, toda pri Revnovih posebno stara dva ne poznata poltinitce za nikogar. No, saj Okorn si sam želi, da opravi- lja s Frankom kmečka dela. Še pravi bi se mu ne zdelo, če bi ga ob tej uri ne poklical. Toda tako lepo je zjutraj malo poiztati. Ur- no vstane tudi Okorn, oblečeta se in odideta iz hiše k hlevu po- magat staremu Revnu.

Dan se še ni zaznaval in zvez- de še niso začele bledeti, samo belkasti rob proti jutru naznanja konec kratke poletne noči, ko se vaa Revnova domačija budi k življenju in delu. Petelini so se že prej oglasili.

zi z izletnim uradom se pravi- la brezplačno. Ako ste se odločili za izlet, me lahko obvestite po te- lefonu, Longfellow 2942, ali pa pridite na moj dom, 18708 Trum- bull ave., ali pa v trgovino na 13646 Thomson ave., kjer lahko dobite tudi druge informacije.

Nečedna afera

Br. Johnnie Lokar od društva "Strugglers" v Collinwoodu je pisal v angleškem delu urad-
ne Prosvete, da mu je na 9. redni konvenciji v
Chicago nekdo ponudil \$50, če odstopi od kandi-
dature. Zadeva je prišla v javnost že pred
par tedni, a še ni razčiščena. O tem že pišeta
dva druga lista, eden v interesu S. N. P. J.,
drugi pa škodoteljno.

V interesu javnosti je, predvsem pa v in-
teresu naše jednote, da se ta afera ne vleče
predolgo. Ako ima br. Lokar dokazne in priče,
naj pride takoj na dan z imenom ali imeni brez
ozira na to, kdo je prizadet. Tu ne gre za osebo,
in ne sme iti, pa naj obtožba pade na
najvišjega uradnika v jednoti kakor na naj-
skromnejšega člana! Tu gre za načela in čast
organizacije, ki ne sme trpeti korumpirancev
v svojih vrstah.

Br. Lokar, mladi in agilni bojevniki, ki je
že veliko storil za jednoto, se je vsekakor za-
vedal velike odgovornosti, ko je objavil obtož-
bo. Njegova obtožba mora biti brez odloga in
temeljito podprta z dokazi, če br. Lokar hoče,
da bo to javna zadeva, ki mora izjaviti konse-
kvence in katera lahko tirja uvaževanje in
prostor v glasilu.

Omoraljeni kričarji

G. James Černe, župnik v Sheboyganu, se je
te dni spet vmešal v zadeve S. N. P. J., ko je
sapisal v "Amer. Slovencu", da bo naša jednota
"največ po njegovi zaslugi letos belešila
\$5000 dobička (popust ali komisijski) pri kupov-
anju obveznic" in da je prejšnja leta, ko so
pri naši jednoti "kupovali slabše obveznice,
znalati ta komisijski moglo veliko več." Dalje
piše: "Kam je ta denar šel, vedo glavni urad-
niki. Ta gospoda je za nos vlekla z rdečo za-
stavo svoje člane kakor španskega bika."

Černe spada v ono skupino ljudi, ki sma-
trajo, da imajo monopol poštenja. Kdor ni v
taj skupini, je po njihovem mnenju ipso facto
lopov, ki živi samo zato, da se laže in počenja
druga lumparija. Torej kot doledeni poštenjak
bi moral g. Černe vedeti, da gornje pisanje ni
pošteno. Namigavati nekaj s številkami in po-
tem zaplajati: "Kam je ta denar šel, vedo glav-
ni uradniki", ni pošteno. Ako g. Černe ve, da
vedo glavni uradniki, zakaj ne pove, kateri
glavni uradniki? To bi bilo pošteno. Tako pa,
ko samo generalizira, ni pošteno.

Toliko je vredno omeniti, ker drugače Pro-
sveta ne smatra, da so omenjene Černetove be-
sedne resne. Naši člani, ki poznajo sheboygan-
skega župnika, se tudi ne zanimajo za njegovo
klepetanje. Samo pribiti je treba, da zakup-
niki morale ne delajo pošteno. To je vse.

Malo odgovora g. Trunku, ki zahteva do-
kaze, da je lurska voda tudi kvekarja. Naj-
boljši dokaz je dejstvo, da papež, kardinali,
škofje in ostali gospodje duhovni pokličejo
zdravnika, kadar zbole — se ne zaneajo na
lursko vodo in druge čudodelne vode. To dej-
stvo bi moralo odpreti oči vsem, ki še verja-
mejo, da je lurska voda dobra medicina.

Literarni kontest, ki ga je gl. odbor SNPJ
razpisal zadnji mesec za nabavo izvirnih slo-
venskih povesti in novel za Prosveto, je doslej
zbudil največ zanimanja v stari domovini.
Ljubljanski dnevnik "Jutro" in mariborska
"Delavska politika" sta prinesla o tem daljšo
vest in priobčila pogoje kontesta. Do danes
se je prijavilo uredništvu Prosvete pet
deset kontestantov: štirje iz Amerike in pet iz
stare domovine. Kontest traja do 31. marca
1939. Razpisanih je deset nagrad od \$50 do
\$300.

Federacija jugoslovanskih podpornih or-
ganizacij v Ameriki je en korak bližje ureni-
čenju. Jugoslovanska podprna zveza Sloge se
je izrekla za federacijo. Katera je zdaj na vr-
sti? Polagoma — čim pridejo njihove konven-
cije — se odzovejo vse. Federacija mora priti,
ker je potrebna — in čim manj je odlašanja
tem bolje za vse skupaj.

Svoboda je lepa beseda. In besede, če so
lepe, so svobodne!

Koliko društev SNPJ je že ustanovilo svojo
knjižnico?

LJUDSKI GLAS

Svobodna beseda članov S. N. P. J.

Je li tako, brate?

Pittsburgh, Pa. — U broju Pro-
svete od 11. sept. našao sam do-
pis br. L. Spoljara od br. 121 u
Detroitu, koji piše o širenju na-
rodne mržnje koja da postoji
medju Slovenaca in Hrvata, od-
nosno on drži, da ovu mržnju ši-
re komunisti. Jeli? U ovom dopi-
su se vidi, da su stranke komuni-
sta in socijalista jedne naravi,
jeli?

Ja mislim, da bi se mi razu-
mili, samo kad ne bi bilo sebi-
čnosti i malo više onoga "svi za
jednoga i jedan za sve". U spo-
menutom dopisu se govori o o-
preznosti, to jest da bi organiza-
cija, koja diktatorom komunisti
mogla doći u ruke reakcionara-
ca. Dobro je, brate. Što čini raz-
lika u jednoj dobrotvornoj orga-
nizaciji bili na upravi ljudi jed-
ne ili druge političke stranke?
Svaki je prvo član, jeli? Ako on
posjeduje znanost in karakter
ljudski, on može doći do toga ci-
lja i raditi za jednotu, jeli tako?
Bio on Slovenac ili Hrvat, jer svi
samo članovi jedne i iste orga-
nizacije i svi uživaju jedna prava
i drugo ništa. Jeli tako?

Vaji se u onome dopisu, da je
jedna velika jugoslovenska orga-
nizacija došla po krivnji komu-
nista iz ruka naprednih ljudi u
ruke reakcionara. Jeli ovu istu-
nost? Jeli vi znate, brate, koji
ljudi upravljaju ovom dobrotvor-
nom organizacijom i kakove jesu
struje? Tako je postavio ove lju-
de na upravu? Jesu li sami došli
ili ih konvencija, to jest većina
zastupnika članstva, stavila u u-
red?

Mogu vam reći, brate, da ste
prešao granicu. Nemojte misliti,
da je ovo ona doka, kad smo se
burtinjeri in burtinbasica kod
flaše piva razgledali, koja je za-
jednica i koje društvo je bolje
pak smo nešto osudili, a nismo
ni u pravila pogledali. Zalosno je,
kad se piše nešto matno, kao da
amo negdje u Indiji. Kažite vi
meni, koji su to naprednjaci i
nasljednjaci? Jeli vi ne širite mr-
žnju? Znate vi, da svaki čovjek,
bio on komunist, socijalista,
boljševik ili nasljednjak, jest čov-
jek svoga naroda, a bio to
Nijemac, French, Englez, Rus,
Slovenac ili Hrvat, svaki se diči
svojom imenom. Moja želja jest,
da bi već jednom došao spora-
zum medju svima i da bi brat-
ska uzajamnost evala medju na-
ma. Svi za jednoga i jedan za
sve, ovo je lozinka organizacije.
— Mate Herjavič, čl. br. 118.

Malo odgovora mojim
kritikarima.

Detroit, Mich. — Čitao sam
dopise od nekih braće, koji se
ne plašu za mnoga. Ja nisam o-
čekivao, da će se svi sa mnom
složit, ali očekivao sam više to-
lerance i stvarnih argumenata.
Na primjer br. Rimac piše, da
sve, što sam ja pisao, nije istina.
Zašto nije brat Rimac naveo,
gdje sam ja pisao neistinu.
Lahko je reći čovjeku, da laže,
ali kad je treba nekomu dokazati
da laže, onda ti ljudi obično
nemaju dokaza, nego se izmota-
vaju na svakojake načine. Brat
Rimac i br. Pecotich meni pre-
bacuju, da sam ja pisao protiv
drugih, to jest da sam napisao
druge podperne organizacije,
što svakako neodgovara istini.
Ja sam tek pisao razlike izme-
đu drugih podpornih organiza-
cija i SNPJ pak nisam kriv, a-
ko povjest drugih podpornih or-
ganizacija nije tako svijetla, kao
što je povjest SNPJ. Što sam
pisao prije, to mogu opetovati,
to jest, da je SNPJ bila prva
podprna organizacija, koja je
širila radničku naobrazbu me-
đu svojim članovima, pa sada
ili se dopalo komu ili ne, to je
činjenica, koju se može podupri-
ti sa dokazima.

Br. Shragal nas hoće uvjeriti,
da su isto socijalisti bili orga-
nizovani na waukeganskoj kon-
venciji. No, nećemo tako, br.
Shragal. Socijalisti nisu znali
organizirati bloka, dok se nisu
naučili od komunisti. Dajmo
prvenstvo onomu, komu spada.
Što se tiče govornika, kojeg su
socijalisti imali u Waukeganu,
ja mislim, da se nemože uspore-
diti nekog Novaka sa pokojnim
Debsom. Debs je govorio u ime
waukeganskog socijalista, koji
su ga porvali, a ne da vodi ka-
kav blok i daje direktije delega-
tima, kao što je to činio Charles
Novak. Što se tiče mojih blju-

tavih dopisa, kao se br. Shragal
izražava, ja bi savjetovao br. Shra-
galu, da ne čita mojih dopisa,
ako su tako bljutavi, te ako ne
bude čitao, tada mu neće biti
treba odgovarati na moje dopi-
se. Nadalje ja sam pisao, da ko-
munisti nisu izdali računa, ko-
liko su novaca nabrali, i koliko
i komu su nabrali novac dali.
Br. Cvitanich piše, da je svaki
čet, što su komunisti nabrali za
pomoć rudarima, bio razdijeljen
medju rudare. Kad je br. Cvi-
tanich tako siguran, da su
komunisti sav nabrali novac
razdijelili medju štrajkajuće ru-
dare, tada su sigurno računali od
M. R. C. Cvitanichu račun do-
znati. Apelliram na br. Cvitanich-
a, da objelodani račune od
MRC, tako da budemo i mi znali
kako se je dijelio novac, kojeg
su komunisti sakupljali pod fir-
mom MRC. Uopće ja bi molio
braću, kada odgovaraju na mo-
je dopise, da mi ne predbacuju
nešto, što nisam pisao. Br. Shra-
gal piše, da prima rukavice, te
nam obećaje, da će i on opisati
rad socijalista u SNPJ. Dobro
došao br. Shragal, samo neka
piše istinu, u protivnom slučaju
biše znalo dogoditi br. Shragu-
lu ono, što veli za mene, to jest,
da bi si znao opeći prste. A što
se tiče dobacivanja rukavice,
mogu izjaviti, da moja namjera
nije bila, da izazovem koga, ne-
go da opozorim članstvo na
štetnu taktiku, koju komunisti
provodjaju u SNPJ. To sam
smatrao za dužnost, pa i u bu-
dude, ako bude potrebno, ću se
osvrnuti na rad pojedinih grus-
pa u SNPJ.

Ludwig Spolyar,
član društva 121.

Še malo odgovora.

Duluth, Minn. — Še nekoliko
odgovora br. Ant. Shragalu. —
Brat Shragal je u svojem dopisu
bi tako daleč, da se je spozabili,
da razmotri zadeve SNPJ, in
je skočil kar čez Atlantik ter o-
placil po socijalistih v Angliji.
Pravi, da imajo socijalisti v an-
gleški vladi "večino", da se klan-
jajo kralju, ter da so na delav-
stvo pozabili itd.

Well, brat Shragal je tukaj
pokazal svojo komunistično tr-
moglavost in zavajalnost. Vpra-
šam ga, ali je resnica, da imajo
socijalisti v angleškem parlamen-
tu večino? Prosim direktnega od-
govora! Kar se tiče klanjanja
kralju, naj rečem le to: Ali ni
resnica, da so se ruski boljševi-
ki klanjali afganistanškemu
kralju, ki je posetil Rusijo pred
kakim letom in pol? Sicer ni nič
zato, ali le taktika, "da jaz ne
imam kar ti lahko" je precej ab-
surdna.

Socijalisti se boje zameriti ka-
pitalizmu, pravi brat Shragal.
Ruski boljševiki vabijo kapitali-
ste, posebno ameriške, da naj
pridejo v Rusijo investirat svoj
kapital, kjer bodo lahko izkori-
ščali ruske delavce za profit ame-
riških kapitalistov, kajti kapitali-
st ne bo investirat svojega ka-
pitala, kjer ni profita, kjer je za
profit, je pa izkoriščanje neizo-
gibno in izkoriščen je le vedno
tisti, ki proizvaža bogastvo. V
tem slučaju je ruski proletarijat
ravno tako prizadet kot kateri
drug.

Preobrat se ne more izvršiti
kar čez noč, niti v enem letu. V
Rusiji še delujejo dvajset let,
pa ga še ni; dokler se bo prole-
tarijat prepiral in cepil diako, ta-
liko časa ga ne bo. Zato ugrmam
naše prijatelje komuniste, da se
poslužijo bolj zdrave taktike, da
nastopajo skupno z drugimi de-
lavskimi skupinami, ki delujejo
za isti cilj: za svobodo, enako-
pravnost in bratstvo, kjer ne bo
ne izkoriščevalcev in ne izkori-
ščenih, kjer ne bo bogastvo v
rokah manjšine in revščina na
ramah večine, ki proizvaža to bo-
gastvo. Vedeti morate, da boj za
svobodo je tefak ter da pot do
našega cilja je teška, da le v
skupnem delu za emancipacijo
proletarske mase se bo prišlo ko-
rak za korakom do končnega ci-
lja in ne prej. To pa zato, ker
se masa delavcev tako počasi za-
veda svoje dolžnosti in vedno
podpira tiste, ki jo izkoriščajo.
Socijalisti učijo delavstvo za
preobrat brez prelivanja krvi: z
izobrazbo. Komunisti hočejo kr-
vavo revolucijo, kjer bo na mil-
ljone nedolžnih delavcev preliho
kri brez potrebe, kajti vlade so
v rokah kapitalizma, z njim pa
vsa moderna oprema za preli-

nje krvi. Pomnite to: dokler ne
boste napotili delavstvo, da bi
rabilo glasovnico pravilno, tol-
ko časa se ne more pričakovati,
da bi isto delavstvo znalo rabiti
morilno orožje.

Brat Shragal in njegovi pri-
stolniki, premislite malo, ali z vašo
taktiko v resnici delujete za član-
stvo SNPJ in delavstvo vobče,
ali pa ste le zapeljali, da ne vi-
dite, da s tem pomagati reakci-
ji, da nas še bolj zaslužji. Imam
splošnovanje do prepričanja vsa-
kega človeka, ne sovražim nobe-
nega, tudi ne tistih, ki delajo za
mojimi hrbtom meni v škodo, a-
peliram pa le na proletarce, da
nastopijo skupno za skupni cilj
svobode, enakopravnosti in brat-
stva.

Tudi jaz bi rad čul pojasnilo,
kako in kaj je bilo s fondom za
Sacco in Vanzetti in Save the
unio komitejem. Precej denar-
ja, ali ako skozi ILD, katerega je
dalo delavstvo in hoče sedaj ve-
deti, kaj so naši komunisti na-
redili z njim. Če je šel ta denar
za dobre namene, vam se ni tre-
ba bati in dobili boste še, če ne
poženite tega, vam bo pa bolj
težka za nadalje kolekte.

Konec naj rečem še to:
kdor je dober član SNPJ, bo po-
podpiral nje ustanove, posebno se
to tiče tistih, ki stremijo dobiti u-
radni položaje v glavnem stanu
SNPJ. Če taki člani, ki tako
stremijo za procvit SNPJ, še svo-
je ustanove kot je dnevnik Pro-
sveta, ne podpirajo in naročijo
kako moremo vedeti, da jim je
napadek SNPJ v resnici pri-
stoj?

Upam, da bo brat urednik to
dal v uredno izdajo Prosvete, da
bo tudi brat Shragal lahko čital,
če bo hotel.

Stroški debate.

Chicago, Ill. — Vedno sem stal
na stališču, da je bilo naše glasi-
lo Prosveta ustanovljeno zato, da
se potom njega članstvo izobra-
zuje. Ali žal, zadnje čase se ne-
kateri člani prav pridno poslužu-
jejo lista z namenom: zanesiti
prepir v jednoto. Med nje spada
tudi br. Louis Skerbinek, kateri
je bil tako v apomnu delegatom
9. konvencije SNPJ, kakšnih
sredstev se je posluževal proti
delegatu njegovega društva. V
št. 219 Prosvete pa skuša zopet
po svoji ne baš tepi navadi z bla-
tom ametati mene.

Na zadnji seji združ. društev
za pripravo konvencije SNPJ
me je vprašal brat L. Skerbinek,
če njegov račun za stroške o de-
bati med Frank Zaitzom in M.
J. Turkom spada pred ta odbor.
Ker ni imel ta račun popolnoma
nobelih stikov s konvencijo, sem
mu odgovoril, da ne spada. Mi-
slil sem, da bo br. Skerbinek s
tem pojasnilom zadovoljen in da
predloži račun odboru, kateremu
spada. Kajti vsak, kdor ima le
nekoliko zdrave pameti, mora
pristati, da račun za debato ne
spada med stroške konvencije.
Brat Louis Skerbinek in dru-
štvo "Slovenski dom," katero
oblažuje moje postopanje, sta na-
sprotnega mnenja in mislita, ka-
ko velika krivica se godi br.
Skerbineku, članu njihovega dru-
štva, čer amatrata potrebim, da
se celo zadevo da v javnost. Po
mojem mnenju je v resnici to
društvo vredno pomilovanja, ker
se zna poučiti člana, da račun,
kateri je želel predložiti ime-
novani brat, v resnici ne spada
med konvenčne stroške.

Članstvo jednote pa lahko iz
tega naredi svojo sodbo in lahko
razvidi, kaj vsega je zmogel na-
praviti brat, prežet z osebnim so-
vestvom.

Članstvu društva št. 131.

Chicago. — Vsem članom in
članicam društva "Francisco Fer-
rer" št. 131 SNPJ: Pred ne-
kakim tedni sem imel dopis pod na-
slovom Resnica o združenju. U-
pal sem, da se bo kateri izmed
velikih združevalcev oglašil in
pobil more argumente proti zdru-
ženju, pa ni nič. Še nočejo ogla-
siti od društva "Francisco Fer-
rer," ne Turk, ne Berger in ne
Hrast, niti ne bivši bolniški taj-
nik Gradišek in ne nobeden ti-
stih, ki zagovarjajo združenje v
škodo SNPJ. Oglašiti se tudi no-
čejo od "Narodnih vitezov" tisti
veliki prijatelji združenja za ko-
pečnik, L. Bruce, ali pa Debe-
lak, ki je bil še ne dolgo nazaj
član društva "Francisco Ferrer."
Sumil sem od vsega početka, da
ti ljudje nekaj skrivajo za hrb-
tom, in zadnja glasovnica "Na-
rodnih vitezov" je pokazala, da
se nisem motil. V dokaz bom na-

vedel samo par izbrkov iz te
glasovnice. (Na naš apel se je
odzvalo samo društvo "Franci-
sco Ferrer" št. 131, ki se je pri-
pravljeno pridružiti št. 39, in si-
cer brezpogojno).

Konstatiram dejstvo, da se na
sejaj društva št. 131 ni nikdar
govorilo o pridružitvi. Nadalje v
glasovnici: društvo ostane še
vedno "Narodni vitezi" št. 39.
Vai, ki ste se udeleževali sej št.
131, veste, da se je tam govorilo
drugače, kar je dokaz, da se
je namenoma tako delalo, da se
prevari članstvo št. 131. Kdor
opazuje mahlnacije teh ljudi,
mora biti prepričan, da je blu-
farstvo vsakdanji poklic teh
ljudi.

Bratje in sestre, člani št. 131,
a tem apeliram na vas: Pokažite
tem ljudem, da je vam več za
SNPJ, kot pa za osebne interese
teh ljudi. Apelliram na vas vse,
če se niste pri volji pridružiti in
ki ste prepričani, da ima št. 131
še dosti polja za agitacijo in pri-
dobivanje novih članov, da se
priglasite pri apodaj podpisane-
mu ali pa pri predsedniku št.
131 Fr. Smithu in, ako je nas le
10, ki smo pri volji delati, bomo
obdržali društvo in v par letih
bomo videli, da bo "Francisco
Ferrer" imel več članov in več
denarja v društveni blagajni,
kot pa "Narodni vitezi" z vsemi
pridruženimi člani.

Veliki izlet SNPJ v leto

1939

(Pod tem naslovom bo Izletni
urad SNPJ od časa do časa po-
ročal važne in zanimive stvari.
Izrešile in shranite!)

Neutemeljena bojazen.

Par zastopnikov nam piše, da
se nekateri moški obotavljajo
pridružiti našemu velikemu izle-
tu, ker se boje, da bi jih v Ju-
goslaviji vtaknili v vojaško suk-
njo.

Danes naj tu samo ugotovimo,
da je taka bojazen popolnoma
neutemeljena. Ameriški držav-
ljani se ne rabijo bati nobenih
neprilic v tem oziru. Jugoslo-
vanske oblasti bodo naše izletni-
ke sprejele ugodno in jim v vsa-
kem oziru šle na roko, kakor so
naš že zagotovile.

Ko bo prostor dopuščal, bomo
priobčili izpiske iz uradnih pise-
m in stotokrajkih časopisov, da
bo vsak videl, da se tudi tam za-
nimajo za ta naš izlet in da se
pripravljajo, da bo v vsakem o-
ziru uspešen.

Ponovno zopet opozarjamo vse
tiste, ki mislite iti z našim izle-
tom, da se takoj prigrasite in
plačate predplačilo. Izletni urad
SNPJ mora vedeti, koliko bo iz-
letnikov, da lahko poskrbi kar
največ ugodnosti. Nekateri po-
vprašujejo po teh ugodnostih,
zato naglašamo ponovno: čim
več bo izletnikov praviloma pri-
glašanih, tem več ugodnosti bo-
mo lahko dosegli in jih objavili.
Torej na delo! Stopite v zvezo z
našimi zastopniki, kjer pa teh ni,
pa pišite direktno Izletnemu u-
radu.

Napaka slovenskih časopisov
v Ameriki

Piše Tone Podgoričan

Vsakdo, ki bere dva ali tri izmed tukaj-
šnjih naših časopisov, je nedvomno zapazil, da
so si v nekem oziru zelo podobni — v mislih
imam predvsem štiri napredne časopise (dnev-
nike) — A. S. in Ave Marije pišec ne bere, ker
je njih vsebina tako prazna, da se mu ne zdi
vredno trati časa s čitanjem istih — pogosto
namreč prinašajo eniste novice, članke, poučne
spise in črtice ali kratke povesti. In prepri-
čan sem, da se naročnikom dveh, treh ali vseh
omenjenih naših dnevnikov — marsikateri ro-
jak je naroden ali pa bere več kot eden sloven-
ski časopis — ta "sorodnost" prav nič ne dopa-
de. Vzameš v roke prvi časopis, ki ti je do-
stavljen, recimo, zjutraj in ga pazljivo preči-
taš. Pride drugi in ti se ga polotiš v upanju,
da najdeš v njem nekaj novega in povsem raz-
ličnega. Pa se ogoljufaj, ker pričakovanega
ne najdeš. Malo razlike najdeš v dnevnih ve-
steh in uvodnikih, ostalo gradivo: razni članki,
poučni in zabavni spisi, ki jih najdeš notri, so
ti še znani: prinesel jih je jutranji časopis, ali
pa si jih našel v enem izmed večerajšnjih časo-
pisov. To pa človeka gotovo ozlovolji in upra-
vičeno se lahko vpraša: Zakaj pa izdajajo to-
liko časopisov, če ne morejo najti gradiva za
iste? Ali bi ne bilo boljše, da se tiska samo en
dnevnik, kot pa da se tiskajo štirji, ki prina-
šajo eno in isto gradivo? Ali ni škoda papirja
za eniste stvari?

Pred leti sem čital članek v nekem staro-
krajakem časopisu, v katerem se člankar jezi-
na slovenske časopise v Ameriki, katerih ured-
niški mesto, da bi poskrbeli za izvirno gradivo,
enostavno "plonkajo" iz starokrajških knjig in
časopisov, ker se jim ta način nabiranja gra-
diva pač najbolj dopade, zato, ker je — najje-
nejši. Izvirno gradivo je treba plačati, pravi
pišec, medtem, ko "plonkanje" nič ne stane.
Nadalje imenuje to grd madež na ameriško-
slovenskem časopisju — in prav ima! To ni več
napaka ali nedostatek, to je grd madež, ki me-
če slabo luč na slovenske časopise tostran A-
tlantika. In ta madež bi trebalo čimprej od-
straniti, inace bodo rojaki v stari domovini
prišli — v kolikor že niso — do prepričanja,
da tukajšnje časopise ne more izhajati brez
"free lunch counterja" in da bi brez letga pro-
padlo. Časopis, ki si ne more dovoliti izvirnega
gradiva, bolje da preneha izhajati, kot pa da
živi od "plonkanja" in dnevno prinaša gradivo,
ki ga istočasno najdeš v drugih časopisih, ali
pa naj se združi z drugim časopisom, kar bo
vsaj čitateljem v večjo korist

FOR MEMBERS OF SLOVENE NATIONAL BENEFIT SOCIETY AND AMERICAN SLOVENES

WEDNESDAY, SEPT. 25.

Editorial Notes

While, as we have said repeatedly, the youth movement of our organization is rapidly growing in membership and in forming new local lodges, we are confident that the present membership of the fifty-four local branches now in existence can double or at least considerably increase its folds if the members would but little exert their personal influence among friends and acquaintances. One good word uttered at the right time can do wonders. And what other than the fall time is more suitable to get new members into your lodge?

The cartoon contest now in progress should interest many a young aspirant in the commercial art endeavors. There are a number of our young students, members of the organization, that can produce worthy examples. Several entrants have already sent in their drawings that show thoughtful work, but our aim is to interest even a larger number into this contest. The time limit for entering drawings terminates October 10.

In last week's issue of the Prosveta we published a list of five English-speaking subordinate lodges having over one hundred adult members. This was done with a view to show their ranking and at the same time to spur them to further activities in getting new members. We must not forget that there are only three more months left in the jubilee campaign year, and in this remaining period we can attract a considerable number of young people into our lodges. Start at once and your lodge will record favorable results at the end of the present membership drive for which valuable prizes are being offered.

In spite of the fact that summer months are rather dormant months so far as production is concerned, several English-speaking local lodges were able to write many new members who promise to be persistent workers in the organization.

Let us make plans for some real good work this fall. Let us make a record. Efforts put forth during the remaining three months of the drive will produce good results. Our territory is large and conditions are such that we can add many new names into our local lodges.

Plutocracy's Mob

Mill owners of the two Carolinas, their agents and sycophants, apparently will leave nothing undone to keep their workers in a state of servitude. The kidnapping of three leaders, brutal whipping of one, and now the killing of a mother of five by mobs is the record of two weeks.

The murder of Mrs. Wiggins is about the most atrocious deed that has occurred in this struggle of little workers to free themselves from the measureless greed of the mill owners. Items that appeared in the press of *Columbia* a few days before Mrs. Wiggins was killed plainly hinted of what was coming. No attempt was made by the authorities to meet the mob. Not till after the killing did Governor Gardner speak up regarding the necessity of "maintaining law."

The fact is that the new capitalist class of the South is determined to rule even if it is required to encourage mobs to the extreme of murder. A ruling class that is accustomed to rule without organized resistance usually resorts to every expedient to prevent organization by its victims. For thirty years labor organizers of the AFL have faced this malice, some of them being deported and a few being killed.

But the old order of mill-owner dictatorship will have to pass. Economic and political organization of the working class will wrest power from the plutocrats and make life safe for the men, women and children of the workers.—"New Leader."

A Socialist Achievement

By Norman Thomas.

The other day I saw with my own eyes Reading's beautiful city hall. It is in all ways up to date. It has every convenience for efficient work including scientific laboratories and municipal auditorium. It is furnished in excellent taste. Its Council chamber is a real gem.

This city hall is the old high school, completely rebuilt within under direct supervision of Commissioner James H. Maurer, former president of Pennsylvania Federation of Labor. All the work was done by union labor and the city paid no general contractor's fees. With what it paid for the old school two elementary school buildings were built. For \$750,000 the city got two school houses and a city hall the like of which could not have been built for \$1,000,000. Thus a Socialist administration solved a problem that had stumped our old party "business" administration. The only ones who lost were certain contractors and real estate speculators.

THE MODERN DRUGGIST

Two druggists were talking about one of their conferees who had just died.

"He was a great druggist," said one.

"He was," admitted the other. "But don't you think he made his chicken salad sandwiches a little too salty?"

Those only deserve a monument who do not need one, that is, who have raised themselves a monument in the minds and memories of men.—Hasslit.

DEMAND AND SUPPLY

"We want some old-fashioned eloquence," remarked the constituent.

"Yes," answered Senator Sorghum, "and we also want some old-fashioned pictures like Rubens painted, and some old-fashioned plays like Shakespeare wrote. But who is going to produce them?"

HE'S AN AVERAGE CITIZEN

Is a man who wears last year's hat, drives this year's car and lives on next year's income a Progressive, Conservative or Liberal?

This country, with its institutions, belongs to the people who inhabit it. Whenever they shall grow weary of the existing government, they can exercise their constitutional right of amending it or their revolutionary right to dismember or overthrow it.—Abraham Lincoln.

SCREENINGS

By Rosalind

Springfield, Ill.—These are pleasant months with us Lincolites, so many good times, and achieving much more than usual. With the advent of after-meeting entertainments, some months ago, with the sincere desire of putting them over, our meeting attendance figures have been going up, up, up. Of course our other affairs help this too. Just every time we gather there is so much life and pep, and those yells! The high-school spirit has entered our ranks—yells galore, keeping our membership loyalty and interest at a high pitch.

On the 15th of the month the Lincolites went out on a private picnic all their own—to Irwin's park near Auburn. The trip was made in a large stock truck. Plenty of cheer and whoopee and then an indoor ball game with Sisters Ellen Yake and Mary Furlan as captains. But it wasn't their fault that so many unusual plays were made. Poor boys had to chase everywhere.

After the game a delicious supper; then we took possession of the splendid dance hall, until the regular Sunday evening dances commenced. A colorful crowd we were, in sailor outfit, or overalls and sweaters, etc., with our own pianist extraordinary Sister Catherine Fehol presiding, accompanied by "Zeb" on his banjo, while the crowds on our own stood by and watched us dance. Yes, after it was all over, we were willing to call it a real day.

Springfield is experiencing its greatest building boom. Never before has there been so much construction work going on here, and with the boom, old buildings are coming down, among them the Arden Hall, in which the Seventh regular SNPJ Convention was held. Soon after the Convention our local people removed and held their major affairs at Carpenter's Hall and now they must remove, again, from it.

On October 13, they will make their last stand there when the Lincolites Sport Club give its dance. It will be the last public dance there, before the three-story building is remodeled into a furniture store.

Our "Whoopie Dance" as it is called, will commence at 8:30 p. m., with Stieh Vaughn's Capitol Kings furnishing the music. We want everyone to come. We want a record crowd to attend the passing of this historical building from a seat of local unionism, and gathering place for German Societies, and our own major Slovene affairs. To our parents and our older folks we make special appeal to help us by attending.

We must not forget our kiddies. In the past few weeks our Lincolite Cubes, Munny Kid League baseballers, closed their season officially by winning four games and losing four. Rather good and all due to efforts of Martin "Teeny" Banich and John Lazar, manager and captain, respectively. One of their admirers recently treated the players with an ice cream and theater party and had studio pictures taken of the team. Some day these chaps will make good and ACTIVE lodge members, the writer believes.

IMPORTANT NOTICE

Canonsburg, Pa.—All members of Lodge No. 89 SNPJ are requested to attend the next regular monthly meeting held on Oct. 6 at 2:00 p. m. as the house committee of lodge No. 138 will be present to help us settle our disputes. They also have some business matter of importance concerning the hall and our members which they wish to discuss with us. Members, please turn out in full and show lodge 138 that we are willing to co-operate with them.

Jennie Terabel, Sec'y.

NOTICE

Canonsburg, Pa.—The Wiener Roast that was to be held by Pioneers of Washington county on Sept. 28 is canceled due to substantial reasons.

Committee.

ONLY THREE MORE MONTHS

Brothers and sisters, vacation days are over. Let us get down to business again. We have but three more months before our Jubilee Campaign is over. The SNPJ offers a Silver Jubilee ring for each new member or two juveniles. Did you get one of those rings? How many members did you get during the present drive? How many did your lodge get? There is still a chance for you before the campaign expires. During this campaign the Society is offering valuable premiums to all willing workers.

Let's start now and increase our Society. Let's show ourselves worthy members of the Slovene National Benefit Society.

Fred A. Vidler,

Supreme Secretary.

Loyalites Dedicate First Flag

Collinswood, O.—Sunday, Sept. 20, the Loyalites will celebrate their third anniversary and at the same time will dedicate their first flag. The day's program will begin at one o'clock Sunday afternoon. Gathering and dedication point being the Slovenian Hall on Holmes avenue in Collinswood.

We kindly ask all lodges who have promised to attend in body to be there by that time so that we will be able to proceed with the program with as little delay as possible.

The parade will begin at the Slovenian Hall, go down Holmes avenue to E. 18th street, up E. 18th street to Saranac road, down Saranac road to E. 160th street, down E. 160th street to Holmes avenue and back to the hall. Everybody will then gather in the hall where some very interesting things are going to happen. Dedication, talks, etc.

For the evening two events will be held. In the lower hall, a dance with the Aradian Melody Pilots playing, and in the upper hall a large banquet in honor of the affair. Music will be furnished for the banquet by the Simic duo and a radio. This same radio will be given to the individual holding the lucky number of the drawing to be held that evening.

Those having tickets for the banquet will be allowed admission to either of the two halls, while those having tickets for the dance will be admitted to the lower hall only.

Pres., Loyalites.

DANCE

Johnstown, Pa.—Newly organized English-speaking Lodge, "Friendly City," No. 684, SNPJ, of Johnstown, Pa., wishes to announce the first dance to be held in the Slovenian Hall, Lorain Boro, on September 28, 1929, at 7:30 p. m. Music will be furnished by the well known musicians, "Koraltz & Korber."

Another big event in our Dance will be a few songs sponsored by the "Bled Singing Society" of Conaugh, Pa.

Good time for both, young and old folks. Admission: Ladies 50c, gentlemen 80c. Mildred E. Vidlich, Rec. Sec'y.

LODGE NO. 645

Denver, Colo.—"Vinska trgatav." Sisters, folks! I have something to tell you, it's something different that we ever had before, it's a "Vinska trgatav" given by Lodges Columbine No. 218 and Colorado Rockies No. 645 SNPJ.

You'll have barrels of fun, you'll dance more than you ever danced before.

Now, don't forget, you have a date with us, Saturday, October 12, at 7:30 p. m. We will meet you at the Slovene Hall at 4464 Washington St. Admission only 35c.

A. Rockie.

MEETING AND DANCE

Bridgeport, O.—I wonder how many are going to attend our next meeting. Come on, Brothers and Sisters, let's all be there and make our meetings interesting. Don't depend on the next one to be there, but come yourself. The meeting will be followed by refreshments and music. Come and see if you are lucky (?) So don't forget to be there.

I also wish to state that lodge "Rofna dolina" No. 119 SSPZ will hold a dance at the Boydville Hall, Sept. 28. Music to be furnished by the SNPJ orchestra. Let's cooperate and be there. Martin Kosa Jr.

September 25th to October 1st

Cleveland, Ohio.—Following the trend of times, the co-operative and chain store methods, the Slovene Merchants Ass'n., composed of local dealers, was organized some years ago. Its prime purpose being to bring various merchants in contact with each other in order to discuss present day methods of salesmanship and to exchange ideas so that the ultimate would result in the Slovene patrons being the gainers.

Happy to say this organization has been growing at a rapid pace, more and more of the merchants realizing the advantage of being a member and at this time they are in a position to show to the public a huge exposition to be held at the Slovene Home on St. Clair Ave., during the week of Sept. 25 and Oct. 1, their products and merchandise, at prices equal or lower to what is offered in other sections of our city.

This Exposition will run continuously during this week, nightly programs being offered with local talent in evidence; 5,000 souvenirs will be passed out; things will be going on all the time, keeping the attention of youngsters and grown-ups keyed up.

In connection with this Exposition, the association is also sponsoring a Popularity Contest for girls. The number of Slovene girls that have entered or been entered by friends in this contest, are waging a close battle for individual honors and no doubt the result will be in doubt until the last moment. May the best girl win and her's will be a day of days when she will be crowned Miss Popularity Queen of Slovenes in Cleveland.

The merchants in the past have been quite liberal in aiding lodges and various clubs and here will be a chance for some of them to reciprocate by advertising, boosting this affair and being in attendance, so that it will turn out to be a much bigger success than anticipated by the men who have spent hours of their personal time to present before the Slovenes of Cleveland an Exposition of this nature.
Joe Fikolt.

LOYALITES DEDICATE FLAG

Cleveland, O.—Yes—it's the Loyalites again—this time with a great event—an event which no other young English-speaking lodge has yet experienced. On Sept. 23, 1929, they will dedicate their flag, an occasion which will be ceremoniously celebrated. The Loyalites on this occasion will be honored by the presence of numerous groups of members comprised from the various senior and junior lodges in Cleveland, at the procession which will begin at the Slovenian National Home on Holmes Avenue, at 1:30 p. m.

The program provides for amusements for all members participating in the afternoon and will be followed by a dance in the lower hall of the National Home, beginning at 8 p. m. Music furnished by the Jazz-Kings—The Aradian Melody Pilots and a monstrous banquet in honor of this great occasion is going to be held in the upper hall.

Admission tickets are on sale by all Loyalites members and in conclusion wish to say: "Eat, drink and be merry" on the Third Anniversary of the Loyalite Lodge!

Jean N. Sitter, Rec. Sec'y.

ANNIVERSARY DANCE

St. Louis, Mo.—Hey, hey, have you heard of the "Spirits" first anniversary dance to be held Nov. 10? Hope to see every member present on that day and night. "We" invite the other lodges.

Well, it looks like we are going to have a rip-roaring team of bowlers this season. The girls are going to have a team, too. Watch out there, you "Lincolites." The girls say they are going to give your girls' team a trimming in bowling. On the boys' team our honorable president is bowling five scores, Bill S., John S., Joe D., and Joe S. are going great, too. On the girls' team Mary Kacin, Bernice P., Catherine K., Catherine M., and a Newcomer, the honorable president's younger sister, Ann, are bowling them over pretty well.

Let's keep up the "Spirits" in getting new members into our lodge. Let's try for some of the prizes offered by the SNPJ for each member that is brought in by one of us. The last meeting "We" had three new members, with two promised for the next.

Fraternally,

"Spud."

NOTICE

The Chicago SNPJ Bowling League will meet at SNPJ Hall, 2657 S. Lawrence ave., on Monday, September 30, at 8 p. m.

Every member interested in bowling should be present.
Louis F. Kramer, Secretary.

FLASHES

Up—up goes the Pioneer stock. Come, come you Comrades. We anxiously await your competition. At last Friday's meeting seven transferred and six new members were accepted. Eight new ones were also nominated. That's going good, isn't it? (Even if we have to say it.) Fourteen last month, twelve the month before. Right on, brothers and sisters, don't stop.

The Pioneers are now 371 strong. We need but 29 more to make this year's quota. "Way over the top, folks. Everybody help! Wasn't the meeting an interesting one? You bet it was. And so many of our members are getting accustomed to bringing up important discussions. Altogether 92 members and 6 visitors present. It won't be long before the Pioneers will be the largest local in Illinois. Only Waukegan beats us. We are 17th out of some 600 lodges.

Athletics were reported on by John Pettennell, Alice Artach, Eugene Godina and Elsie Gregoric. Prospects look good for a bright winter season. The Lodge decided to go to Sloga's (Lodge 18) SNPJ, of Waukegan 15th Anniversary Celebration in a special car. We want 96 Pioneers to go. Oscar Godina and Frank Zaveritnik will take down the names. It's on November 28. Let's go, out for a good time. Helen Arko, John Kopach and Donald Lotrich will represent the Pioneers at the Yugoslav Federation S. P. Educational Division Conference September 29 at Waukegan.

A week ago Saturday the Pioneers had two weddings, Bro. Tony Terlep and Sister Gertrude Hocher had a splendid wedding and celebration at the SNPJ Hall. And were the Pioneers there. You can bet your soup bones they were. A wonderful time was had by all. The other wedding was that of Sister Tillie Silber of La Grange, Ill., to Norman Hynes. We learn that they, too, had a fine time. Gerlie and Tony are honeymooning in the Northern Minnesota ranges. Our very best wishes to all of them.

A week ago Monday about 25 Pioneers packed into cars and visited the Calumet Sentinels of South Chicago to encourage and boost them a bit. The weather kind of spoiled things a bit. However, they all promised to attend the Pioneer dance Oct. 5. The Pioneers in return will visit them on their dance night, Nov. 9. Conditions are not quite what we would like them to be for the Sentinels. We trust that they will go out and work real hard and get their membership up to 100. If they get that far, rest will be easy.

Well, folks, our Chicago Cubs are National League baseball champs. They are rehearsing now in the hopes that they can whip the Phils. Athletics in the World Series. We have always liked the Athletics team, too. So it behooves us that our team has to go to battle with them. We're for the Cubs. Aren't you?

Sorrowfully we must announce the death of our Sister Mary Zele. She died Monday afternoon, September 23, after an illness of several months. Mary Zele was one sister who will not be forgotten for a long time. She worked as diligently as few other active Pioneers do and in that way won many friends among the Pioneers. She was liked and respected and will be hard to replace. Funeral service will be held Thursday afternoon from her home to the Bohemian National Cemetery.

Bowling is king of winter sports. Just like baseball is king of summer sports. More people take part in bowling than in any two of the other sports. We, too, partake in bowling. If everything works smoothly, we will have another good bowling season. The Pioneers are awaiting to start their in the SNPJ league. It is hoped that we can have six good steady teams in the field this year.

Imagine the millions of dollars of revenue the three and one quarter million people of Chicago turn in every year. Can you figure out why Chicago should have about a 15 million dollar deficit for 1929? Too much waste. Too many rackets is the answer. So our people must just naturally suffer the consequences. Pay more next time. But you won't find any graft in Milwaukee, Wis. We can also tell you the reason. Milwaukee has a socialist mayor and several socialist aldermen. It is also the home of the great Socialist deceased leader, Victor Berger. Let them try something in Milwaukee. They do in Chicago.

(Don't forget the Silver Jubilee campaign during the last three months before it closes. Get at least one new member.)

The Riddle of the Universe

By ERNST HAECKEL

Summarized by Vance Randolph

(Copyright by Vanguard Press.)

Many psychologists, however, still cling to the medieval superstition that man's mental life is somehow different from that of the lower animals; man, they say, is endowed with reason, while brutes have only blind instinct to guide them. The old theory was that God, at the moment of creation, gave each species a definite psychic equipment, and that this has never varied from that day forth. With the realization that the animal body, including the nervous system, is changing all the time, the older psychology began to topple, and was completely overthrown by Darwin in 1859. Darwin proved that the instincts of a species vary with individuals, and are gradually modified by natural selection just as other physiological functions are. In the course of time new instincts are evolved, and old ones disappear, exactly as is the case with bodily organs. Romanes and others have so ably developed Darwin's theory of instinct that it is accepted by nearly all biologists today. For myself, I will only add my opinion that all organisms—plants as well as animals—have instincts; in man, however, they seem to be gradually eliminated as reason develops at their expense.

Instincts may be divided into primary instincts like hunger and love, which exist without any particular connection with the intellectual processes, and secondary instincts—responses which were originally rational but have now become automatic. The mechanical or manipulative tendencies in man are the best examples of secondary instincts.

The old idea that man is the only rational animal is now entirely dissipated. Many of the higher mammals—the apes in particular—are certainly endowed with reason. The rational faculty of a man like Darwin is separated from that of the lowest savage by a much wider gulf than that which yawns between the lowest savage and the highest ape. All this has been so well established by the comparative work of Romanes and others that I shall not attempt to deal with it here.

The more complicated intellectual processes are intimately connected with the development of language. And language, as we know, is not an exclusively human accomplishment, but is found in many animals comparatively low in the evolutionary scale. All human speech is certainly developed from the grunting, cooing, growling and braying of the lower forms, and the intellectual processes which accompany speech are also derived from the simpler psychic activities of the lower animals. The philologists are now agreed that all of our various and elaborate languages have gradually evolved from a few simple tongues, and Romanes has shown us that human speech differs from that of the brutes in degree only and not in kind.

The psychic activities which we know as emotions are due to the interaction of cerebral states with other physiological phenomena—circulatory, muscular and sexual—and their very nature contradicts the psychological theory which would separate psychology from physiology. The expressions of emotion which occur in man are all present in the apes, and many emotional responses are recognized among the lowest forms of animal life. What is known as will is derived from the phenomena of deliberate muscular movement, and is by no means limited to man, but seems to be a universal property of living protoplasm—every organism inclines in some one direction rather than another. The question of the freedom of the will, which Dubois-Reymond regarded as one of the seven cosmic problems, is no longer an open question. We know now that each act of an organism is absolutely determined by purely mechanical factors, and that the human will is no more free than the will of any other animal.

One of the peculiar features of the free-will controversy is that most Christian laymen regard it as self-evident that man is somehow above natural law, and is therefore personally responsible for his actions, while the great Christian theologians deny it because it cannot be reconciled with their faith in the omnipotence of their Creator. The materialistic scientists also reject free-will, because it conflicts with their conception of the world as a vast mechanism operating under inexorable physical laws. The data of comparative physiology and evolution have finally settled the matter in favor of the scientists; we know now that man is absolutely the creature of his heredity and his environment, and that all his activities are due to mechanical principles as inevitable as those which direct the movements of the stars.

Whatever we may think about the nature of the soul, nobody can deny that it develops and changes during the life of the individual, and that it evolves also with the evolution of the race. Its origin, however, is another matter altogether, and we can best begin our consideration of this subject by enumerating the current myths and theories.

The myth of transmigration is that the soul lived formerly in the body of some other animal, before entering into the human body. This belief is current among many Oriental peoples today.

Another view is that souls are stored up somewhere in a latent state, and are implanted in the human body at the time of birth or perhaps at the moment of conception; one common story is that the transfer is made by a bird, usually an eagle or a stork.

The myth of creation is found in the story that God creates the soul independently, and somehow adds it unto the human egg-cell during the act of impregnation, or shortly afterward.

The scatology theory is best expressed in the words of the philosopher Leibniz, who said: "I consider that the souls which are destined one day to become human exist in the seed, like those of other species; that they have existed in our ancestors as far back as Adam—that is, since the beginning of the world—in the forms of organized bodies."

A fifth theory is that defended by Rudolph Wagner and other physiologists. These people think that during copulation a portion of the "immortal" soul of each parent is somehow detached, and that the two portions fuse in the womb of the female, so as to form a new soul for the infant, partaking of the nature of both its parents.

The studies of Hartwig and others have demonstrated the mythical character of all these tales. We know now that each individual comes from two cells, each with a primitive cell-soul of its own—that is, each cell has the power of sensation and movement.

Off the President's Bat

Cleveland, O.—Last Saturday a group of comrades decided that at this time of the year a wicker roast would be about the proper thing. They held one, and reports received indicate that a greater and bigger one would certainly not tend to cause sorrow.

One of our demon statisticians gave me the following, regarding our past Labor Celebration. He stated that over 500 visitors were present, as against 250 who stated they were coming; 150 automobiles offered by members and their friends were used as means of conveyance; distance travelled was around 18,000 miles, close to 2 1/2 the distance around the globe; 2000 gallons of gas with approximately 200 quarts of oil used that day; 5 arrested for speeding while transporting visitors; around 25 blow outs; close to 250 telephone calls; approximate mileage travelled by visitors 75,000 miles; three times the distance around the world; more representatives from lodges than at any other meeting outside of conventions; over 1000 hours spent by members of Cleveland lodges, preparing for this affair; expenses ran close \$1,000; borne entirely by the younger lodges with the aid of a few of the older lodges; less gain made thru this affair than any affair ever sponsored by an SNPJ lodge; total running close to \$200; total expenses of members, visitors, guests, merchants and including each and every one who had anything to do with this affair would run approximately \$5,000. Space does not permit the listing of other items that this young chap gave. All in all a careful perusal of the above can give the reader an insight of the undertaking that day.

No more will the Tokausts, the Strifots, the Tomsis, the Fifots, the Bosichs family dominate in our lodge. Their reign is over, long live the king. "Comrades" gain and "Cannonsburg" loss; last meeting John, Tony, Anna, Mary, little Willie and his smaller sister, Louise Papez, transferred over to our lodge, giving them the honor of having the largest representation in our lodge. We welcome them with open arms. We also had Sis. Slavovitch and little Eddie Bradac transfer, besides being fortunate in adding to our ever growing list the names of Irma Kalan and Matilda Yammick as new members. First consignment of rings were passed out, making those who have not as yet secured a new member a little bit envious of those that received the rings. There is still time left. Remember the motto "Ring for every Comrade."

Prosperity is flying around and we don't know it. Tony Kushland has a fliver.

The Slovene School opened up Friday night. Where you there? If you have the time, don't fail to take the opportunity of brushing up on your mother tongue and country. Incidentally, as a side issue, the social affairs of this school are things long to be remembered after school lets out.

Sunday Sept. 29th. That is the next big affair on our schedule, "Loyalty Day in Cleveland." The members have worked hard and are going to have pleasant surprises in store for those that attend. Every "Comrade" should be in attendance that day. See J. Allich for details about meeting place, etc. Parade, flag christening, banquet! All set for a gala time.

Their last year, Tony and Joe Krizman at Law School, Lodi's sisters, Louis Zak, Ann Gerbec, yours truly and a host of other Slovene girls and boys, back to High school, and then(?)

The Slovene Merchants Ass'n Exposition at the Home on St. Clair Ave. Sept. 25 to Oct. 1 will be on. Something unusual; something new; programs, souvenirs, display! Let's be on hand that week and help swell the huge number that expect to be there. The Popularity Contest! Who'll be the lucky girl. We're wishing that it will be one of our Comrade girls, but after all may the best sales lady win.

Rumors of a girls' basketball league aroused enthusiasm at the last meeting so that if everything goes thru, "Comrades" will be represented with Vera Kushland at the helm. Any girl that can play or is willing to play should arrange to get in touch with Vera. A little help from all sides should make the team a roaring success.

What's next. Our Harvest Dance, Oct. 26. Plans are coming along fine. J. Allich had his meeting and promises that this affair will surpass all others. The last big event of the year, so members will be asked to do their full share in disposing of the tickets. More details later.

The Progressives who attended our meeting 100% strong certainly should not be ashamed to exhibit their beautiful girls more often. We were also glad that Loyalties and Strugglers were conspicuous by their presence. You're always welcome.

BADGER DOINGS

Milwaukee, Wis.—Well, boys, looks like the girls still have it on us. Come on, let's wake up. Are we going to let the "w—x sex" trample over us? It only takes a few minutes to write an article.

Our monthly meeting was held on Friday evening, Sept. 13. The main topic of the evening was our fall dance, which will be held October 5 at the S. S. Turner Hall. It will be called "Cabaret night." There will be quite a few special attractions, too. So let's go, everybody, and make our first dance of the season a real success.

Three more new members were initiated this month. Brothers Frank Bill, Victor Pielotnik, and Albert Osek are now Badgers. We all welcome you with a glad hand, Brothers. We also had three members transferred. Bro. Frank Klovra from Lodge 96, Sis. Ann Glavan from Lodge 192, and Sis. Ann Kerhlikar from Lodge 335.

Let's get together, you Badgers, and see if we can't make it 200 strong by January 1, 1929. Hard work will do it, so let's buckle down. Only four months left.

We all thank the refreshment committee for the wonderful lunch served us after the meeting. Also Bro. Yaklich for furnishing us dance music and Sister Delcek who entertained us with a few solo dances.

The bowling season has opened. The Badger boys got off to a great start by copying three games from the La Salle Restaurants last Monday night. The Badgers are entered the La Salle Restaurants last Monday night. All league bowling is done at Perme's Bowling Alleys, 358 Grove street. The boys hit for a total of 2761. A very good total this early in the season. Frank "Speedy" Oblick led the pin splitters with a fine total of 630 on games of 223—215—180. Carl "Lucky" Evanchik came thru with 552, Joe "Dash" Verbanec with 545, Louis "Brownie" Glavan with 540 and Joe "Hack" Pogorelec finished with a total of 494. The boys will be bowling every Monday or Tuesday from now until next spring. So let's see how many rooters we can get, especially the girls.

The night of nights is drawing nearer, ladies and gentlemen. What am I referring to? Why, our October 5 dance which will be held at the South Side Turn Hall. Again I appeal to you, Brothers and Sisters, let's plug together for this affair, so it will go over with a bang.

I notice by the last week's issue of Prosveda that the Badger Lodge ranks 5th in size among the English-speaking lodges. The membership drive is still on, Brothers and Sisters, so let's keep on plugging and jump a few notches by Jan. 1, 1929.

STRUGGLERS

Collinwood, Ohio.—The outing which was held Sept. 15 turned out to be a hike. It was a great success. All met at the ranch. The rancher's daughter Josephine Mandel was found quite busy, so we were entertained by the donkey. Sis. Wolfe was kicked and had to limp. Lodi Magdel took his pet monkey along with him to college. We miss both very much. There were 20 present. It was held at Wooday. "Lindy" Lokar was awakened from his nap to be reminded of the hike and outing. "Kanyari" Koss was found safe and sound asleep in his nest. A few enjoyed themselves fishing and swimming. Our "Kranjcek kibabes" and home made bread tasted wonderfully; after all the excitement we even fed some to the animals nearby. We had food enough for 20 more. You who weren't present are to be sorry for missing our hike.

Would like to see a few more new faces at our meetings.

Beware, Bridgeport Cardinals, Bro. Martin Koss may soon be a Struggler. It won't be long now.

"Sparkplug."

THANK YOU.

Detroit, Mich.—I wish to thank the Young Americans for the beautiful flowers sent me during my illness while at the hospital and to Sis. Jenny Kenich, Bro. Andrew Grum, Sis. Mary Grum and her mother, Sis. Joan Grum and Mary Laurich, Mrs. Matt Klarich, and Mrs. Anton Jurca and, other friends and relatives that have made daily visits to the hospital during my illness. I greatly appreciate all these kind deeds that have made me happy and to forget all the loneliness and illness; and to think only of the friends and relatives that were seeking to make happy the one that was suffering. I regret that I could not attend the big affair in Cleveland after planning for weeks to attend and enjoy myself with the rest of the sisters and brothers of our organization. Sometimes it doesn't pay to plan ahead, for we don't know when we are beaten by some misfortune.

It's good to be remembered. When we're sick in bed, it's true. And I surely do appreciate The thoughtfulness of you. Antoinette Grum. Member of Young Americans.

Everyone has some friends that the rest of us don't know. Get after them. Just explain to them what the SNPJ stands for and the rest will be easy.

Yours till the Northern lights shed tears. Tony "Bones" Oblick.

SNAPSHOTS

By Goldie and Dustie.

Upon request I will again start serenading these columns which I had deserted. As Lodi Mandel says, or rather sings, "It Was Sad."

Strugglers, are you coming to your monthly meeting next month? We would like to have a 100% attendance. The committee has arranged something new and different, and you can enjoy yourself 100%. So please drop around and let's see yourselves. The date is October 2.

Sunday, Sept. 29, don't forget to pay a visit to Loyalties' celebration on Holmes Ave. Afternoon and evening admission is very reasonable. The Arcadian Melody Pilots will entertain.

It is rumored that the outing was a huge success. Sis. Jerina fell into the creek. Sis. Wolf lost her shoes, Lindy lost a few hours of precious sleep! Kanyari Koss stayed there with rest of the birds.

Lindy Lokar has entered the radio profession. He claims selling radios in the evening gives you a good appetite. Hope you succeed.

What's this? None of the officers are seeking reelection because of lack of cooperation. Come on, Strugglers, let's show them we need them. One drastic change is needed and let's make it.

Did you hear of the new B. C. Club with the two honorable members enrolled? It expects to gain rapidly. Bro. "Peanuts" Tolar and "Lindy" are organizers. Next week I will tell you what is the B. C.

Strugglers' Halloween Mask Ball—Halloween Eve, Slovenian Workmen's Home, music hottest in town. Good prices. Are you going? Chipmunk will be head man.

Congratulations, Sis. Globe and Bro. Ogrinc, latest addition to cupid's captives. Going, going, gone.

Sis. Podpadek vs. a Chicago Pioneer will soon make their home in?—Time, date, place, unknown.

HERE AND THERE

Cleveland, Ohio.—The Beacons are climbing the hill, on top of which they hope to shine—to shine on the rest of the lodges as a guide. Come on, Beacons, live up to your name. Sis. Bubnic has done her share, but enuf isn't enuf for her. (I wish I could tap you on the shoulder, Sis.) The Beacons will save you much misery during a sickness, just by joining them. To have friends visit you and to receive a sick benefit are not to be sneered at.

A word to say about the September first celebration. We're sorry that some Pioneer girls had difficulty in getting to the "Home." Accidents will happen, so don't feel angry about it. The Sovereign Orchestra may consist of Clevelanders, but they surely can play the "St. Louis Blues." The hall was filled with couples awaying to the tantalizing melodies while the others played the game of "Let's Get Acquainted." It ended all too soon.

Sis. Rose Dedek, beg pardon, I mean Magdalens, persuaded her better half to come into our ranks. What about you, Brothers Kovach and V. Dedek? At our last meeting in discussing the dance, Brother Dedek announced, "No pay 50c, no get beyond the fence." That settled the question of admission after a great uproar of laughter.

What happened to our "users of the pen"? For instance, Johnnie Ajnik, Tony Buketic, Sunay, Pam, Jacky, The Four Musketeers, Beacon Backer, Spectator and the mysterious Flasher? A tiny idea, a dab of paper, a drop of ink, a scratch of a pen and lo! behold! an article for the "Prosveta." Simple, if tried! Don't rush, just hurry and write down your thoughts. See you at the Loyalties' affair. A Beacon Beam.

COLUMBINE LODGE 577

Pueblo, Colo.—Well, folks, I am writing for the Columbine Lodge. I have just recently transferred to the Lodge in Pueblo, Colo. I someday will again be one of the members of "Spirit of St. Louis" Lodge, at least I hope so.

Where were all of the Columbine members on Tuesday, Sept. 10? There were about 10 members present out of a possible 65. Sometime back there was a motion made to get some members. Where are they? Let's wake up, members, and get started. Our Secretary wasn't very well pleased with the small handful of members present at the last meeting. Let's make her more than pleased at our next meeting, which will be Oct. 8. Let's go now, members, 100% strong at our next meeting.

What has happened to Emma and Elsie, they don't seem to have as much pep as they used to. Sam Radovich, our President, still has all his pep, jokes and a lot of life about him; he is always jolly, never looks sad.

The writer wishes to thank Sister Sue for the compliment given him in the Prosveda on August 25. I send my best regards to the members of the "Spirit of St. Louis" and "Lincolnton."

Fraternally, Michael J. Graboy Jr.

TALKIES

St. Louis, Mo.—Notice: The Anniversary Celebration date of the "Spirit of St. Louis" had to be changed again from Nov. 10 to Nov. 3, as there are two other lodges having a dance Nov. 10. Really—We dread to make this vary. (Hope you don't say "We" are like the weather.)

Thursday, Sept. 19, at the New German Hall, the "We" gang had their bowling practice and were at it like real "champs." Bill "Pie" Strake has been elected as the boys' team captain, and Mary Kacin of the girls' team. Get ready, "Lincolnton!" Let's hear from you. How are your pin-topplers?

Joe Radel from the Badgers (Milwaukee) is an interesting speaker, "We" discovered, while he was our guest at the last meeting. He seems to be quite enthusiastic about aeronautics and is taking and aviation course in one of the St. Louis' numerous Aviation schools. Well, they all get alighted when they step into St. Louis, at least it looks that way, doesn't it?

If Bro. Joe "Cheese" Sampson Jr. would be so "good" in getting new members as he is selling cheese, the "Spirits" in a very short time, would be perched among the "Big Five," eh, Joe?

Did the "Pathfinders" lose their path in the English column or what? My goah, all of a sudden they disappeared! Pathfinders: Out where handclasp's a little stronger, out where the smile dwells a little longer, that's where the "West" begins. Out where the world is in the making, where fewer hearts with despair are aching, where there's more of singing and less of sighing, where there's more of giving and less of buying, and a man, makes friends without half trying, that's where the West begins.

Sis. Sofia Vetrovsky is getting studious. She's taking up a course at night high school—I have a conception that Sis. Cath. Majnerich is going into jewelry business in the near future, as she has been bringing a new member for almost every meeting that I've attended. Oh, if only more would do likewise—wouldn't that be great, "We"? It could be done, so what do you say?

Note, Dan Cupid! Please, keep away from "We" while everything is proceeding satisfactorily. When once you shoot the fatal arrow, the victim doesn't know what's going on in our lodge anymore. So that's that and positive.

I have been told, that Nov. 23 the "Go Getters" are having a dance (informal) at K. of G. Hall—Here's our opportunity, "We," for more members. Accept it!

Lost: Member of the crew "Spirit of St. Louis," Michael Graboy Jr. has been missing for several months. Some reports came that he has landed among the "Columbines" in Denver.

The time is drawing near and you cartoonists do you duty! Any one of the prizes are worth the effort, and here's another, one of the many advantages the SNPJ members have. "Moonbeam."

BE A SELFSTARTER

Milwaukee.—No, I don't expect you to sprout four wheels and turn into a Ford, but I do expect you to be a selfstarter. If you have to follow the leader, you're like an old Ford waiting to be cranked with no will-power and very little ambition.

Are you a fortune-teller? Can you read, not mind, but characters? Girls, which man do you admire; the man who can go out and make a place for himself in the world or the man who has to wait for some one to find it for him?

Take some of our great men, for instance such as Edison, Ford, Lindy, etc. Did they wait to see what their friends would do before attempting things? No; they did not! They are men who have their own ideas and carry them out. The result? Fame, and a nation takes pride in men like that.

It's just as equal an honor to have your lodge take pride in you as to have a nation proud of you. Did you ever try character reading at one of our meetings? A question arises that requires plenty of thought and consideration. You see some faces deep in thought, then you see others questioning their neighbors' opinion, lastly is the type that gazes listlessly throughout the room with a blank expression.

These people are divided into 3 classes: first, the strong character will-power and determination; second, the follow, the leader type, and third, the indifferent type who's characters have a foundation of jolly. Why should these conditions exist? You all have your own minds. We are all given the privilege of expressing our various opinions, why not take advantage of this opportunity? Why wait for your friend's viewpoint? You are entitled to voice your opinion as well as he, whether it's right or wrong.

Come on, Badgers! Let's all be selfstarters hereafter. Make up your own mind and form your own decision. You may not be an Edison or a Ford, but you can be a Badger we can boast of and be proud of.

Members' Voice

Cleveland, O.—Some people are quick in learning to read and write English. Here's a new one, the article under "Voice of the Members" in Prosveda, Sept. 11, takes the medal. Writer Anton Rupnik, member of Lodge No. 53.

I hate to waste time and ink in preference to Bro. Rupnik's writeup, and as space is for 500 words only, I guess I will have to save some. The article starts off, "I am forced to answer Bro. Lokar attacks." Bro. Rupnik, look up Webster's Dictionary and define word attacks. Did you show your color? O, boy, you sure did (Look up election results of District Supervisors). I'll admit, I was blind years before as I had ranked Bro. Rupnik as a booster of SNPJ, but we all regain our eyesight sooner or later.

In regards to bribe casting reflections on you, I am sorry a misprint appeared which was corrected in last issue. You and Co. are anxious to know "who" offered the bribe. Continue to read these columns and in short time full "Convention secrets" will be exposed either good or for the bad. Probably your appeal will be sadly regretted.

In regards to our farm, Bro. Rupnik's paragraph on the farm is not true. It was his insulting remarks that hurt. In regards to donation "Bro. Rupnik states, 'If I want a good time, go ahead and pay for it.' This paragraph must have been written in some night school as Bro. Rupnik states it is too deep for me. I should hope to tell you it is, if Bro. Rupnik spent as much money on benefits for SNPJ in twenty years as I did in two and half. Can you answer this? What have you done for SNPJ? I am not the kind to take bread and butter from the poor, but my last wish would be to help. If it weren't the case, I wouldn't spend night after night doing justice to all that can understand. I think that in twenty years Bro. Rupnik's name appeared for first time, but, gee, I surely got a kick and a hearty laugh by reading this 20 year newcomer's article. His conclusion was to argue with Bro. Lokar is useless. I say it is. Anyone of your Co. wishing more of it, come, the pot is full. Let it be clearly understood that I belong to no political party, but work for the interest of SNPJ.

Johanne Lokar, Member Lodge 614.

BADGERS' CABARET NIGHT

Milwaukee, Wis.—We are all a raring to go. (Where?) To the South Side Turn Hall. (When?) Oct. 5, 1929. (Why?) Don't you know? The biggest affair of the year, Badgers' Cabaret Night. Dancing, entertainment, refreshments and everything that goes with a good time. So now let's go, you Badgers, and help sell the tickets, so that we can put this over BIG. That's for that.

I wonder how our dear "Bones" is getting along now since last Friday night. He surely was a little nervous and shaky at the beginning. But, oh boy, how he could rap that table towards the end. I thought he was going to break the table to pieces trying to calm everybody down. Well, anyway, he handled the ship in a nice way. The meeting was a big success. I think that was the biggest attendance we had for quite a long time and that's the way it should be at all of our meetings, if not better. Let's keep it up, Brothers and Sisters.

Three new members were initiated and three were transferred. Our lodge is growing, so let's not stop, but keep on growing and make the Badgers one of the biggest in the country. We all thank the Regressment and Entertainment committees for the wonderful time accorded us after the meeting.

Don't forget the big night, Oct. 5. See you all there. The Indian.

WINDY SAYS—

The "Progressives" lodge 641 of Euclid, Ohio, is having a Masquerade dance Saturday, Nov. 16, 1929. Haven't much details to tell about it yet, but so far we all know that a good time will be had by all who will attend.

Two things I will say are sure to happen. "Lindy" and "Kanyari" Koss are sure to come. All be there and see their new girl friends. I won't tell you any more now, but watch for more next time. I am a hundred percent booster for "Progressives."

POT LUCK

Baginaw, Mich.—Our regular meeting was held Friday evening, Sept. 13. After the meeting we all got together and had a Pot Luck, at one of our member's home, Mrs. Matthew Erzen.

Our President, Frank Aniseek, and Vice President, John Rant, both being musicians, brought their accordions and then, we all made whoopee. Margaret Pohlin, Frances Aniseek.

LODGE NO. 669

Bridgeville, Pa.—The members of lodge No. 669, Jolly Juniors, attend at least one regular meeting in every three months or be penalized.

Regular meetings are held every 2nd Sunday of every month. There was a very low mark, 25% attendance, at the regular meeting Sept. 8.

Frank Wilmot, Secretary.

Topics of the Week

"We live in a world which is full of misery and ignorance, and the plain duty of each and all of us is to make the little corner he can influence somewhat less miserable and somewhat less ignorant than it was before he entered it."

THOMAS HUXLEY.

Misery and ignorance dominant this world. These factors have created a system whereby in all ages of the world some people have labored, and others, without labor, have enjoyed a large proportion of the fruits. It took centuries of painstaking efforts and sacrifices to develop language with its art of reading and writing, for the purpose of conveying intelligence to the masses. During the past century, with universal common education among the masses, we saw the abolition of chattel slavery. But the masses still remain wage slaves. We witness today, the great organized labor movement with its auxiliary organization fighting misery and ignorance through the power of education in the economic, commercial, and political fields.

In organization there is wealth! An organized group is always more powerful and more influential than the strongest individual that forms a part of it. Through organization the weak are made strong, the strong may be helped, and misery and ignorance conquered thru the transmission of intelligence.

It is the plain duty of each worker to be thrifty in order that his position in this capitalistic world is made more secure and in order that organized labor can more successfully fight its battles with organized capital. Workmen have their own saving societies, namely, the building and loan associations, where the laborer can invest his money and learn to save by purchasing the soundest securities—building and loan stock—either on the installment or fully paid-up plan. When you invest your money in a building and loan association it is used to promote the interest and welfare of the workers. When you deposit your money into a bank it is used to promote the interest and welfare of the capitalist by helping to make the rich people richer and the poor, poorer. Accept the advice of Thomas Huxley, that "The plain duty of each and all of us is to make the little corner he can influence somewhat less miserable and somewhat less ignorant than it was before he entered it." Enlist the services of your spare dollars in this great cause. Save systematic weekly savings in a building and loan association which is organized and controlled by the workers in your community.

The Slovenes in Chicago are exceptionally fortunate by having the Jugoslav Building and Loan Association which was organized by the members of the Slovene National Benefit Society on January 3, 1919. During its ten years of existence it has paid over two hundred and forty thousand dollars to stockholders on matured shares, and to-day it still has over three hundred and sixty thousand dollars in assets. During every year of its existence it has paid its stockholders over six and half per cent interest on their investments. Subscription books to the 44th series of stock are opened on Friday, October 4th at the SNPJ Hall. The Jugoslav Building and Loan Association like the Slovene National Benefit Society has been a means of hope to its members. These two organizations have always served the American-Slovene workers and have made their lives more prosperous, more enlightened, more joyous and happy.

Most building and loan associations do their business by the serial plan. The "plan" is the type of contract between the association and its members by which money is invested in the business. The contract is a subscription to shares of the capital stock of the association, on which the association agrees to distribute its earnings on a co-operative basis. Under the serial plan the association offers new groups, or "series," of shares of its installment stock for sale at periodic intervals. In the Jugoslav Building and Loan association new series are offered quarterly. Dues begin when the stock is issued, and shares mature at different times, depending upon the date of starting, upon the amount of dues paid, and upon the earnings of the association. For example, if a worker subscribes to one thousand dollars of capital stock in the Jugoslav building and loan association, and if he agrees to pay two dollars and fifty cents each week, after he has paid that sum for three hundred and thirty weeks his stock matures. When the stock matures the association, in this case, pays the member one thousand dollars. In this illustration, the member has paid into the Jugoslav Building and Loan association during the three hundred and thirty weeks, eight hundred and twenty-five dollars, while he earned a profit on his investment of one hundred and seventy-five dollars. It pays for the laborer to play safe and invest his money in workmen's financial institutions like the building and loan associations.

BEACONS' SPIRIT

Cleveland, Ohio.—If you attend our meetings and gatherings, you will notice that the Beacons are all sociable. Every new member we get in our midst and see to it that everything is satisfying to the new-comer. No one is neglected. That is our aim—to give everybody else a good time when on our grounds.

Keep it up, Beacons! You're doing fine. Every month our lodge is growing. Especially must I congratulate Sis. Mary Bubnic for having gotten the most new members in our lodge. No one can resist her. Good work, Mary.

The Beacons are sponsoring an anniversary dance on Nov. 30. Our affairs before have been successes and I see no reason why this one shouldn't be a greater one. I realize that our hall is out of the way, but what does it matter, when you are enjoying yourself. If you are in doubt as to whether a good time will be had, you may ask Tony Kushland, John Allich, Anne Erate and others. They will tell you of the nice time they spent at our last dance.

All local lodges are invited and all lodges are asked to keep Nov. 30 open.

Friends are asked to visit Bro. Tony Bubnic who injured his finger. He needs company.

Yours till Beacons have beaks, Franchie.

Nottingham, Ohio.—"Progressives" Masquerade dance will be on Saturday, Nov. 16, at Slovene Society Hall on Rehor ave. Good music, refreshments and grand prizes are promised to all. All lodges are invited to attend this dance.

SUNFLOWERS

Mulberry, Kans.—Bro. Stanley Bohlah, one of the Sunflowers' active members, resigned as Vice President at our last meeting. He said he was on his way to Detroit. Stanley has been very active in the English movement of the SNPJ for the past eighteen months. Wherever Bro. Bohlah may go we hope that he continues with the SNPJ spirit forever.

Bro. Frank Lekha accompanied Bro. Bohlah with his car to Kansas City. There they visited sister Valeride Kurent, a Sunflower member. Sister Kurent is attending the Bartlett Beauty Culture school there. Stanley seemed to like the city and said, "I may stay here if I can get work." We called on Bro. John Bogotaj, member of the Kansas City Lodge and talked to him about an SNPJ English-speaking lodge there. He said that the boys didn't have the starting spirit. Bro. Bohlah said that if he would remain in Kansas City that he would try it again. So we called on a few of the boys and talked to them and they are all in favor of it. Now that I know that Bro. Bohlah is going to remain in Kansas City, and the Sunflower Lodge is wanting a nearby lodge, we want Bro. Bohlah and Bro. Bogotaj to start the ball rolling for the English-speaking Lodge in Kansas City.

We now have 54 English-speaking lodges in the SNPJ, so let Kansas City make it 55. If any help is needed from the Sunflower lodge, just call on us and we will do the best we can to start out. Frank Lekha.

President, Sunflower Lodge.

P. S. Sunflowers, don't forget that next Friday, Sept. 27, is our Wiener roast. Bring your friends and meet us at Karlingers corner in Franklin at 7:30. Don't be late.

JOLLY JUNIORS

Sygan, Pa.—The Jolly Juniors at Sygan are working hard to give the dancing public a real treat Saturday, Sept. 28, at Sygan Hall. Advertising this as "An Old Time Dance" with a free cake-walk, I wouldn't be surprised to see a few cake-eaters around. O yes, pie faces are also welcome.

The Jolly Juniors now have a sports committee working on a soccer football team. With such timber to start with as Usnick, Barafaldi, and Mitchell, with many other Jolly Juniors showing real soccer pep, it should be a team and I dare say it will be a team with flying colors at the end of the season. Maybe their caps won't fit after they see this. Please keep your eyes open for the announcement of first Jolly Junior game. Frank Wilmot, Sec'y.

A Village Cyrano

By Anton Novčan.
Translated from the Slovenian (Yugoslav) by Louis Adamic.

"Yes, that you love her, that you're crazy about her and want to marry her as soon as possible. Then she'll fall on your neck, kiss you—and after you get married you only look out! It'll be that she doesn't prove to be a better man than you are."

Disgusted, enraged by the thought he had just uttered, Yaka jumped off the fence and turned from Gustek. All at once Gustek seemed to him small, insignificant, like an ant that one stepped upon and thought nothing of it; everything about him seemed small, meek, insignificant; the buildings of the village, some of which he had sometimes thought large, even imposing, now looked to him like toy houses which he could topple over with his foot. The thought of the people who lived in those houses filled him with aversion and contempt for them; what miserable creatures they were—living only for their bellies, praying to God, fearing Him because they were incompetent, sniveling cowards. For the first time he clearly realized that he was utterly alone in a strange, hateful world; that he had been alone all his life and would remain alone for the rest of his days.

From over by the linden came the song Yaka had composed on his first night as a villager. The boys sang it well, just as he had taught them; it was the favorite song of the village, but tonight it filled Yaka with aversion. He hated its words, its tune—everything. He ran toward the linden and shouted, almost howled, at them:

"Stop it!"

One by one the boys fell silent, but then one of them raised his voice again and then another and a third, and so on, until the song resounded anew.

"I told you to stop it!" he roared again, thrusting his huge body in their midst.

They stopped it.

"What's the matter now?" demanded France, hotly. "Do you think that because you happen to be strong and big you can forbid us to sing?"

"No," returned Yaka, fiercely; "sing all you want, anything you please, except my songs." And he returned to the fence.

But presently they sang the same song again. France, resenting Yaka's attitude, persuaded the other boys that Yaka had no right to dictate to them which song they should or should not sing, and that they should sing the same one just to spite him. So they sang it again, with loud, exaggerated voices:

"Now he whoops and sings with the boys every night; To his beloved he sings Of his love and delight."

"They don't obey you," said Gustek.

"No; they're right," smiled Yaka, coldly. "I think more of them than I would if they obeyed me."

Gustek could not quite understand that. "Well, I'll be going," he said. "Where are you going—visiting? It's too early for that, isn't it?"

"I'm not going visiting tonight at all," answered Gustek, feebly. "I'll wait a couple of days and figure things out a little more before."

"You go tonight!" said Yaka firmly. "If you put it off like this, somebody is liable to get in ahead of you."

"The old man though—" faltered Gustek.

"Never mind the old man," said Yaka. "This is Saturday and he's liable to turn in early. Anyway, I'll help you." He was anxious to hasten their marriage; he imagined that once she would be beyond his reach he would forget her and his suffering would end; also, he hoped, subconsciously, that their mutual attraction would die as soon as satisfied. So he urged Gustek to "visit" Neshka tonight.

Peasant Matiya went to bed early but could not sleep. The talk he had had with old man Legisha would not leave his mind. In the darkness of the room he could see the sunlit meadows and Legisha beside the bush, his face tired, old and sad. It occurred to Matiya that he and Legisha were about the same age, but what a difference between them! Of course, Legisha drank heavily, thereby digging his own grave, as the saying was, but years were years—and he, Matiya, was still hale and strong. What did this mean? Life treated people variously: one suffered aches and pains a lifetime, another was well all his years and then succumbed to a sudden attack—a cold or something—and depart for the land of the gopher. He felt his limbs, hips, chest and throat—not an ache anywhere, which was a disturbing condition to be in, thought Matiya; something might suddenly seize him and put a finish to him.

It was a dismaying thought to ponder. He tossed in his bed, sighing; tried to pray but scarcely finished a paternoster; he could not concentrate on prayer. "It's hard!" he said. "It's hard!"

Next to his was the girls' room; they slept together. He could hear them talk in low tones, giggling and squealing, and finally they laughed out aloud.

"Will you be quiet in there?" growled Matiya. "I'll get up and get the whip."

"We're asleep already," called out Neshka, and they laughed again.

"The devil you are!"

In his heart he was happy that the girls gave him occasion to growl. He W.

loved them, especially Neshka; the thought that she would eventually marry and leave his house almost brought him to tears. That she would marry, he was sure, for the girl was bright and vivacious; girls like her had no trouble getting husbands. The other two could stay at home; they would have enough to live on; maybe they would find men who would marry them too, although, especially in the case of the eldest one who had gone "wrong" a few years before, this was very doubtful. Anyway, they would get along somehow, he said to himself, and calmed down a little.

The girls laughed again. "Quiet!" he ordered. He thought he heard one of them walk in the room; then it seemed to him that she was opening a window. "By God, it's Saturday!" he cried suddenly, under his breath. "Forgot all about it." And he rose, put on a pair of shoes and an old overcoat, picked his old swingle in the vestibule, and quietly slipped out.

"Oh, good evening, Matiya!" a familiar voice greeted him, which he immediately recognized as Yaka's. "I suppose you wonder what I'm doing around here at this hour of the night. I hope you won't use that swingle on me," the young man smiled.

"It'll all depend on what your intentions are," answered Matiya. "God knows what you have in mind—creeping around my house like this! Night is night, and when one is young—well, youth, you know, is fire."

He looked at the young man suspiciously. "Have no fear, Dad Matiya," said Yaka, calmly. "Just happened to pass by when a black cat crossed the road in front of me and ran this way; so I thought I'd look where it went."

"A black cat?" Matiya was amazed. "I didn't know there was a black cat in the village."

"It was as black as the devil," declared Yaka. "And it looked big for a cat, too; that's why I followed it."

"The five wounds of Jesus Christ!" cried Matiya, looking around. "I hope it doesn't bring misfortune."

"That's superstition!" said Yaka. "Besides, I might've been mistaken. And even if it was a black cat, you don't think that maybe it was Satan, do you?"

"Well, you can't always tell," said Matiya. "Ten—well, maybe it was twelve years ago a couple of men working in the mill nights saw a black cat a meter long. They saw it run through the mill and then—"

Matiya suddenly turned, then looked at Yaka.

"Did you hear something?" he asked. "It seems to me I heard a voice, a kind of whisper. Didn't you?"

"No," returned Yaka. "It just seemed to you you heard something. What about the black cat? It ran through the mill and then—"

"—vanished. And next day one of the men fell in the water and drowned."

Matiya turned again and listened. From behind the corner came whispers; a window squeaked on its hinges. "I'll go look," said the peasant, making a cautious, reluctant move toward the corner. "One can never be sure about the young ones."

(Continued next Wednesday.)

THE WINNERS AGAIN

Detroit, Mich.—Ives Field, Highland Park, Mich. Sept. 15, The Young Americans ball club suffer another defeat given by the assaulting Wolverines hitting and the brilliant pitching of Joe Kopemeyer, who let the Young Americans down at only seven scattered hits, while the Wolverines beat out sixteen safeties off Mihelich and Kaitner. Kopemeyer never did get a warning up during the game, all three of the Young Americans runs came in the first and second innings (no errors) after the second inning the Wolverines pulled together and went through the last seven innings without an error.

This is the fourth game the Young Americans have dropped to the Wolverines, but they will not give up; they still believe they can conquer the Wolverines.

The Young Americans made a big change in their lineup expecting to defeat the Wolverines but again they failed.

Strugglers Note

Cleveland, O.—Brothers and Sisters Strugglers. Do you know that election of new officers is only 10 weeks away? In this short time you will be confronted with a task, a mighty task, who will hold the reins which I tried to hold and fulfill. I only did a fair job. Before I continue I wish to say that Dec. 4 will probably mark my close as president of the best lodge, which was a mighty honor. A hard job and plenty of hardships. My discontinuance as president is a large one as I will not have the time to devote to a president's needs. Especially where his aid's help is not near par. If the Strugglers will ever get a vice-president equal to Bro. Allic of Comrades they should ask for no more. Furthermore, it then would be a pleasure to hold the reins of chairmanship. This will be a mighty hard task, but it can be conquered if you'll appreciate leadership and listen to those who know.

Brothers and Sisters, are you going to sit on top of success when the hour of 12 a. m. strikes Dec. 4? The question when answered will serve you 364 days. Sis. Josephine Mandile's job as secretary also was a hard one which she fulfilled honestly, capably, and her good name stands out in my opinion above them all. Let's not forget it was Sis. Mandile who took the reins of secretary when Bro. Kuhar failed. In your opinion, can she be beat? I say no.

Then you have her good helping hand in Sis. Ceting who always was at the reason where help was needed. In Sis. Podpade is another big link in Strugglers chain of success. Her work is not all known to you, but if she should ever let it be known, you will realize she carried a tiresome burden which lessened my work.

This is the first of a small series of articles which I will write on electing 1930 officers. It can be said that none of the officers are seeking re-election, as was said by —. Therefore, in your next few weeks, figures who will they be. Also I wish to ask each and every Struggler to give their opinions in these widely read columns. Let's hear your stories. Thanking you one and all, I remain—Johanne Lokar.

"THE HAPPY FAMILY"

Milwaukee, Wis.—The SNPJ includes many happy families, but as a Badger I claim membership to one of the happiest and most progressive families in existence.

Did it ever occur to you how fortunate we are in having an organization to be well provided for in case of sickness or death? The people who get ahead in this age are the people who look ahead and are prepared for rainy days. So often we meet with appeals for help from widows etc. whose loved ones did not look into the future or make provisions for their families. The thrifty fellow prepares for emergencies and in case of illness, his sick benefits come as a blessing. Another reason for advocating lodge membership is because everybody wants friends. The SNPJ will provide any one with the finest and truest friendship obtainable.

Yet with all these advantages we find hundreds of young Slovenes lacking proper friends and also without provisions for the future. Why? Because a general idea prevails amongst the that joining a lodge means spending money, paying dues. Come on, Badgers, let's locate these people and show them they are on the wrong track! Bring them to a party, meeting or a dance in Badgerland, and we'll guarantee that one glimpse of the "Happy Family" will prove to them that our name suits us to a T. Their next step will be to become a member of our family. Dues? Posh, why mention them, they're insignificant, what's a few cents in comparison with the results! Look for new brothers and sisters and then watch our family grow! All set? Go, ketchum.

CABARET DANCE

Milwaukee, Wis.—The "Badgers' Cabaret Dance" Oct. 5 at S. S. Turn Hall will be one of the first and biggest hits of the season. Music will be furnished by the "Pine Terrors Orchestra" with Bro. Perko as master of ceremonies. Thru the committee's efforts we have obtained the service of a few popular entertainers such as Heinie Rich, etc. The committee also promises us a rainbow spotlight with a light for every mood. Our pretty cigarette girl will add a flavor to your smokes and our hostess will see that you are kept entertained.

We all know that no dance is complete without confetti and for a finishing touch Santa Claus sent us some snowflakes.

Remember, Badgerettes, the boys intend to give us some real competition, so let's get out and break a record for selling tickets; they go like hot cakes—and all Badgers should do their share. Let's go, girls, and we will see where is more sportsmanship, among the girls or the boys.

Two Roomers.
