**STATISTIČNA IN DRUGA ZNAMENJA**

|               |                                          |
|---------------|------------------------------------------|
| z             | statistično zaupno                       |
| -             | ni pojava                                |
| ...           | ni podatka                               |
| *             | popravljen podatek                       |
| Ø             | povprečje                                |
| <sup>1)</sup> | izpostavno znamenje za opombo pod tabelo |

**ZAPIS ČASOVNIH ENOT**

|                           |              |
|---------------------------|--------------|
| Arabska številka (1, 2)   | četrtnoletje |
| Rimska številka (III, VI) | mesec        |

**KRAJŠAVE IN MERSKE ENOTE**

|                |                 |
|----------------|-----------------|
| kg             | kilogram        |
| m <sup>2</sup> | kvadratni meter |
| mio.           | milijon         |
| t              | tona            |
| EUR            | evro            |

**STATISTICAL AND OTHER SIGNS**

|               |                        |
|---------------|------------------------|
| z             | confidential           |
| -             | no occurrence of event |
| ...           | data not available     |
| *             | corrected data         |
| Ø             | average                |
| <sup>1)</sup> | footnote               |

**TIME UNITS**

|                         |         |
|-------------------------|---------|
| Arabic numeral (1, 2)   | quarter |
| Roman numeral (III, VI) | month   |

**ABBREVIATIONS AND UNITS OF MEASURES**

|                |              |
|----------------|--------------|
| kg             | kilogram     |
| m <sup>2</sup> | square metre |
| mio            | million      |
| t              | ton          |
| EUR            | euro         |

## PREBIVALSTVO

### POPULATION

#### Osnovni demografski podatki

1) Stanje na začetku leta/četrtega.  
As of the beginning of the year/quarter.

2) Podatki po 1. 1. 2008 so pripravljeni skladno z novo statistično definicijo prebivalstva, objavljeno v 2008.  
Data after 1 January 2008 are prepared according to new statistical definition of population, published in 2008.

3) Začasen podatek (razen podatka o številu prebivalcev).  
Provisional data (except data on population).

## POSLOVNE TENDENCE BUSINESS TENDENCY

### Kazalnik gospodarske klime<sup>1)2)</sup>

Sentiment indicator<sup>1)2)</sup>

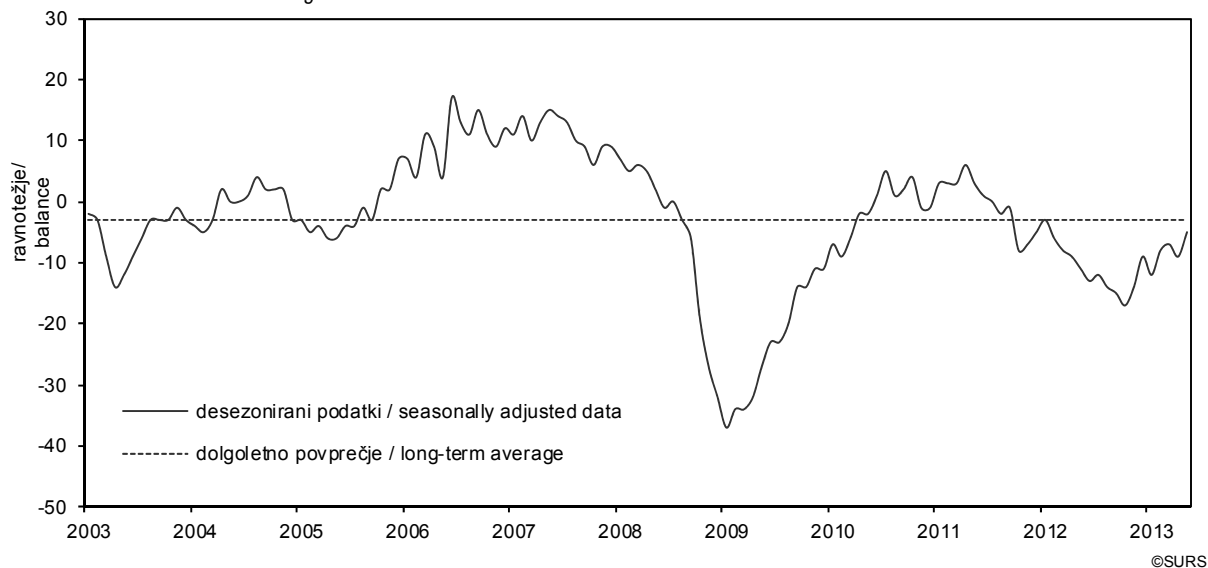

1) **Kazalnik gospodarske klime** je tehtani sintezni kazalnik; sestavljajo ga kazalnik zaupanja v predelovalnih dejavnostih, trgovini na drobno in kazalnik zaupanja potrošnikov.  
**Sentiment indicator** is the weighted average of the confidence indicator in manufacturing, retail trade and the consumer confidence indicator.

2) Iz podatkov je izločen vpliv sezone, vplivov koledarja ni bilo zaznati.  
Data are seasonally adjusted. In the data no calendar effects were detected.
