STEV. LXVII — VOL. LXVII

OF odklanja privatne razgovore s Saigonom

OF Južnega Vietnama za-
vrača razgovore z vlado v
Saigonu, ki jih je ta ponu-
dila pred 10 tedni. Rdeči
upajo, da bodo ZDA pod
pritiskom javnega mnenja
dalje popustile, da doseže-
jo konec vojne.

WASHINGTON, D.C. — V
poučenih krogih trdijo, da Osvo-
bodilna fronta Južnega Vietna-
ma odklanja privatne, tajne raz-
govore s predstavniki vlade v
Saigonu. Ta je take razgovore
OF ponudila že pred 10 tedni.

OF hoče ustvariti spore med
Washingtonom in Saigonom in
vlado v Saigonu oslabiti tako
daleč, da se bo morala umakni-
ti "mirovni vladi". Na vsak na-
čin hoče biti OF zastopana v
vladi Južnega Vietnama tako
pred volitvami kot po njih. Le-
na ta način smatra, da bodo nje-
ne koristi zavarovane in da ji bo
odprta pot do polne oblasti v
Južnem Vietnamu.

Washington in Saigon ni-
sta voljna sprejeti teh zahtev
OF, zato rdeči zavlačujejo raz-
govore v Parizu in pripravljajo
novo poletno ofenzivo, da bi se
bolj omajali ameriško voljo do
nadaljevanja vojskovanja.

V Južnem Vietnamu zaseženi
rdeči dokumenti kažejo, da ima-
jo rdeči hude izgube v bojih, pa
še vedno trdijo, da imajo njho-
ve sile "najugodnejši položaj".
Iz zaplenjenih dokumentov je
razvidno, da imajo rdeči v načr-
tu male ofenzive, da bi tako
povečali ameriške žrtve v vojni,
pa zavrli napore za izgradnjo in
utrditev južnovietnamskih obo-
roženih sil ter napredek pacifi-
kacije, ki ji postopno uspeva ši-
riti nadzor nad področja, ki so
bila doslej pod nadzorom rdečih.

Rdeči se zavedajo tudi mož-
nosti, da ostanejo ameriške vo-
jaške sile v Južnem Vietnamu
tako dolgo, da se bo položaj tam
tako ustalil in bodo domače vo-
jaške sile postale tako trdne, da
bodo lahko prevzele in uspešno
nosile odgovornost za varnost
meja in za notranji mir in red.
Rdeči dokumenti govorijo tudi o
povečani uspešnosti napadov
bombnikov B-52 na rdeče polo-
žaje.

Biafra pomilostila obsojene petrolejske uslužbenke

LIZBONA, Port. — Biafra je
pomilostila 18 tujcev, ki so jih
njene čete zajele v bližini petro-
lejskega polja v boju z zveznimi
četami. Tuji državljani naj bi
se borili ob strani zveznih čet,
zato so bili obsojeni na smrt.
Obsojenci so bili razburili zla-
sti Italijo, ker je med obsojenci
14 Italijanov. Na posredovanje
Portugalske je vlada Biafre vse
obsojene pomilostila in jih bo
pustila domov.

Če se zgodi nesreča, vam ne
more nihče pomagati, če se ni-
te držali prometnih predpisov.

Nemir v Zahodnem Iranu narašča

SYDNEY, Avstral. — Papu-
anci v Zahodnem Iranu ali Za-
hodni Novi Gvineji, kot smo ta
otok običajno vajeni imenovati,
so vedno bolj nemirni, ko se bli-
ža čas, ko naj bi se z ljudskim
glasovanjem odločili za to, ali
hočejo ostati pod upravo Indo-
nezije ali ne.

Po sodbi tukajšnjih poznaval-
cev razmer je pobegnilo iz indo-
nezijskega dela Zahodne Nove
Gvineje v zadnjih tednih vsaj
tisoč oseb iz protesta proti indo-
nezijski upravi. Med zadnjimi
begunci sta tudi dva, ki so ju In-
donезijci določili, da bi v imenu
ljudstva "svobodno izbirala" in
odločala o njegovi bodočnosti.

Latinska Amerika išče nov način pomoči ZDA

Skupni predlog zunanjih mi-
nistrov bo izročil Nixonu
v torek čilski zunanji mi-
nister.

CARACAS, Venez. — Zunanji
ministri držav Latinske Ameri-
ke so se sporazumeli na novo
skupno stališče v vprašanih
medameriškega gospodarskega
in socialnega sodelovanja. Ta
gre preko obsega Zveze na na-
predek, ki služi za temelj temu
sodelovanju od časa predsedni-
ka J. F. Kennedyja.

Predlog vlad držav Latinske
Amerike bo izročil predsedniku
Nixonu prihodnji torek zunanji
minister republike Čile Gabriel
Valdez. Isti dan bo Nixon spre-
jel tudi prvega obiskovalca iz
Južne Amerike, predsednika
Kolumbije Carlosa Llerasa.

Zunanji ministri držav Latin-
ske Amerike so se sestali pred
dvema tedni v Vina del Mar v
Čilu in sestavili okoli 6000 besed
di obsegajoči dokument. V njem
se zavzemajo države Latinske
Amerike za odpravo omejitev
izvoza iz teh držav v Združene
države, trdijo, da sedanja pomoč
ne zadošča in da zato ciljev, ki
so bili določeni leta 1961 v Pun-
ta del Esta ni mogoče doseči.

Združene države so v okviru
Zveze za napredek dajale letno
državam Latinske Amerike en
bilijon dolarjev pomoči v napo-
ru za gospodarski in socialni na-
predek. Te so pomoč velikokrat
porabile za namene, ki niso bili
v soglasju z načrti, same pa so
se zelo malo prizadevale za na-
predek. Jedro težav v državah
Latinske Amerike je še vedno
v trdovratnem odporu premož-
nih od izvedbe kakršnihkoli so-
cialnih in gospodarskih reform,
ki bi bile zvezane s kakimi
žrtvami za nje.

De Gaulle pozna tudi družinsko demokracijo

PARIZ, Fr. — General De
Gaulle je na Irskem na počitni-
cah. Ni ga veselilo, da bi počit-
nice pretrgal radi volitev. Zato
je naročil kar svoji služkinji,
naj odda glasovnice zanj in za
njegovo ženo, kar je po zakonu
dovoljeno. Časnikarji so za to

IZVIDNIŠKO LETALO JE IZGINILO PRI ALEUTIH

Sinoči so objavili, da je kmalu po vzletu izginilo strateško
izvidniško letalo RC135 v bližini zahodnih Aleutov.
Obrambno tajništvo v Washingtonu je izjavilo, da le-
talo ni bilo sestreljeno, čeprav je izginilo nedaleč od
meje Sovjetske zveze.

WASHINGTON, D.C. — Iz-
vidniško letalo strateškega po-
veljstva letalstva je včeraj ne-
nadno izginilo kmalu potem, ko
se je dvignilo z oporišča Shemya
na Aljaski. Štirimotorno turbo-
propelersko letalo RC135 je
imelo 19 mož posadke in elek-
tronske naprave za preskušanje
radarja, prisluškovanje radio
komunikacij in za zbiranje dru-
gih za narodno obrambo po-
membnih podatkov.

Na letalskem oporišču Elmen-
dorf pri Anchorageu na Aljaski
so prestregli klice na pomoč.
Zadnji znan položaj letala je bil
250 milj vzhodno od Shemaye,
od koder naj bi letalo bilo na-
menjeno na letalsko oporišče
Eielson severno od Fairbanksa.
To oporišče je domača baza za
skupino letal RC135, ki pripada-
jo strateškemu letalskim silam.

Obrambno tajništvo je izjavi-
lo, da letalo ni bilo sestreljeno.
Pogrešano izvidniško letalo je
bilo na običajnem letu vzdolž
meje Sovjetske zveze od Kam-
čatke do Beringovih vrat. Izgi-
nilo je v bližini zahodnega kon-
ca Aleutskih otokov. Ameriška
letala in ladje pregledujejo čelo-
notno področje, kjer je letalo iz-
ginilo, vendar se doslej še ni po-
srečilo odkriti za njim nobene
sled.

V Kongu pri nemirih študentov ustreljenih devet oseb

KINSHASA, Kongo. — Stu-
dentje univerze Lovanium v
glavnem mestu so demonstrira-
li za večjo podporo univerzi.
Prišlo je do izgrede in nastopi-
le so čete, ki so v demonstrante
začele streljati. V spopadih naj
bi bilo mrtvih vsaj 9 oseb.

Vlada trdi, da so za nemiri
zvedeli pravočasno in trenutek
"družinskega glasovanja" hitro
posneli na trak.

NIXON UŽIVA ŠIROKO PODPORO V JAVNOSTI

PRINCETON, N.J. — Gallup
je ugotovil, da je koncem maja
odobraval Nixonovo vodenje
dežele 65% nad 21 let starih lju-
di v deželi, med osebami od 21.
do 29. leta starosti pa celo 68%.
To je 1% več kot v začetku ma-
ja. Tedaj je zavračalo Nixonovo
vodstvo 14% povprašanih, to-
krat le 12%.

Podpora, ki jo uživa Nixon
med mladimi volivci, je važna v
toliko, ker se ti na splošno na-
gibljejo bolj na stran demokra-
tov kot republikancev. Posebno
povpraševanje na 55 visokih šol-
lah dežele je pokazalo, da odo-
brava Nixonovo domačo in zu-
nanjo politiko 57% študentov.

Nixonova podpora javnosti je
bila najnižja v januarju, le 59%.
Do konca marca je porasla na
61%. Od tedaj se je dvignila v
prvi polovici maja na 64%, kon-
cem maja pa zopet na 65%.

MOSKVA, ZSSR. — Glavni taj-
nik Komunistične partije ZS-
SR Leonid Brežnev je včeraj
v pozdravnem govoru pred-
stavnikom nad 70 Komunistič-
nih partij z vsega sveta pou-
daril potrebno po edinosti med
komunističnimi partijami v
boju proti imperializmu. Mos-
kva bi rada dosegla na tej
konferenci obdobje Peipinga
in odobritev svojega oborože-
nega nastopa lani proti ČSR.
Po vsem sodeč ne bo dosegla
ne enega ne drugega.

HONG KONG. — Peiping je
objavil, da je prišlo 15. maja
do spopada na meji Kitajske
in ZSSR. En Kitajec naj bi bil
mrtev, več pa "ugrabljenih".

rabil za pridelek iste količine

Zadnje vesti

SAIGON, J. Viet. — Preteklo
noč so rdeči streljali na preko
100 naselij in vojaških postoj-
ank v Južnem Vietnamu. Le
19 napadov je bilo večjih.

sestanku med rdečimi in za-

nja v Parizu je OF izjavila,
da sestavlja "vlado" za Južni

vlado v Južnem Vietnamu, "če

SECOND CLASS POSTAGE PAID AT CLEVELAND, OHIO

83 No. 111 Friday, June 6, 1969

Dva Djlasa

Milovana Djlasa je pustila jugoslovanska vlada, da potuje v inozemstvo "predvsem kot književnik, niso pa mislili, da bo dajal razne intervjuje in nastopal kot nekakšen predstavnik Jugoslavije", je pisala beograjska Borba. Nastopal je res kot književnik, toda svet ga je sprejemal predvsem kot političnega borca proti "tiraniji dogmatičnega komunizma". Počasen je bil z zlato kolajno v Domu svobode v New Yorku, kar je posebna vrsta odlike, ki so jo bili deležni dozda samo predsedniki ZDA-Eisenhower, Truman in Johnson, general Marshall, Churchill, Spaak, Brandt, čelist Casals in madžarski borci za svobodo. Tem je sedaj sledil Milovan Djlasa. Predvsem zaradi knjig Novi razred in Pogovori s Stalinom, zaradi katerih je svoj čas dobil deset let zavora, ki ga je odsedel v Mitrovici. Iz ječe je prišel kot svetovni heroj, "junak svobode", za kar je dobil nagrado in diplomu z naslovom: "Herojski vodja in upornik, — katerega sta razum in vest — poglajala v boj proti tiraniji".

Med drugim je dal Djlasa nekaj intervjujev v svetovne liste. Tako je njujorskemu Timesu (27. nov. 1968) izjavil, da je bil "on prvi, ki se je uprl Stalinu"; da Tita postavlja visoko, da ga je imel zaprte deset let; da ga smatra celo za četrto osebnost v komunističnem gibanju... velik mu je zlasti v odporu proti stalinizmu... in v zadržanju sedaj ob češkoslovaški invaziji... Dobesedno pravi: "Tito ni Stalin, vi ga ne morete primerjati z njim, ker ni tako morbidna in kruta osebnost kot Stalin."

Zadnji intervju je dal švicarskemu listu Die Zeit (16. maja 1969), iz katerega povzemamo te-le misli: da noče pretrgati povsem s komunistično partijo v Jugoslaviji, kajti demokratični procesi v njej se razvijajo v njegovo smer. Trdi, da je komunizem, predvsem dogmatični, v razpadanju, toda — dasi ni antimarksist —, tudi marksizem v celoti nima prave bodočnosti. Je drugačen v Nemčiji, kjer se oplaja tudi s katoliškimi elementi in ni več marksizem, drugačen v Avstriji. Marksizem bo moral dobiti nekaj novega; boj kot z razrednim vprašanjem se bo moral ukvarjati s problemom človečanstva v tehnični civilizaciji. On da ima mnogo skupnega z marksizmom, mnogo pa je tam tudi zastarelega. Vzhodnoevropske dežele bodo prevzele nekaj mešan gospodarski sistem ("če spregledamo sovjetski imperializem kot faktor!"), ki bo naprej razvijal tudi individualne svoboščine, prevzel bo pa v nekem smislu socialdemokratsko smer... Z rastjo nacionalizma bo odmirala internacionalna ideologija komunizma... "Če bi imel oblast," pravi, "bi za začetek nikakor ne mogel ustvariti take demokratske vlade, kakor je v Avstriji ali Švici — to je nemogoče! — potrebna bi bila krajša ali daljša prehodna doba, kajti računati bi bilo treba s policijo, vojaštvom, birokracijo, zastarelostjo".

Nato se je pa zasmeljal: "Sicer pa nimam nobene funkcije in govorim le teoretično... kot politik bi seveda moral delati kompromise..."

To je en Djlasa, ki danes dela s svojim demokratizmom furore po Ameriki in budi upanje, da bi bil lahko človek bodočnosti v Jugoslaviji, ko se bo komunistična partija — v kateri še vedno vztraja — toliko zdemokratizirala, da bo enaka ali še boljša z zapadnimi socialisti. Oznanja torej evolucijo jugoslovanskega komunizma in se skuša zopet prikupiti Titu.

Včasih Djlasa ni bil tak. In to je tisti prvi, mladi ognjevit, kruti, o katerem je sam rekel: "Bil sem besen komunist in opravljal sem svoj posel dobro" (intervju v The New Leader). To je Djlasa, ki je bil med revolucijo Titov propagandni minister, njegov "Goebbels", ki je ščeval partizane na "plemenito sovražstvo do nasprotnikov", proti četnikom in drugim nasprotnikom komunizma, katerim daje ime "psi! Zverine v človeški podobi!" To je bil Djlasa, ki je s Pijadom vodil "osvobodilni boj" v Črni gori z vso krutostjo in bratomorno ihto. Ni osebno moril, kot pravi sam, razen v enem primeru, pa se opravičuje s tem, da je bil "previsoko v hierarhiji", da bi opravljal tak posel, kar mi verjamemo, ker so ga opravljal podrejeni po njegovih navodilih. In pobijati je ščeval v imenu Stalina, katerega najzvestejši častivec je med vojno bil. Njegovi slavošpevi iz 1. 1942 ali 1944 so prekosili vsakega carskega dvornega pesnika!

Lahko, da se človek z leti spreobrne v tak ekstrem, kakor ga do Stalina kaže sedaj Djlasa, toda kljub temu, da je L. Fisher rekel, "da on priznava svoje napake, tudi največje, dokler je imel moč," v to obtožbo ne verjamemo, ker — doslej je še nismo brali! Ni se obtožil svojega dela kot propagandist sovražstva, ne kot državnik po vojni, ko so v masah streljali neoborožene "pse". Nasprotno: potrjuje, da noče prekiniti s komunistično partijo, ki je vso to tiranijo vodila. Ne obtožuje jo zločinov, le prepeljati jo hoče — na drugi breg demokracije. Kako se bo to zgodilo, je nje-

gova utopistična misel, za katero je res herojsko pripravljen prenašati tudi ječe, in jo je deset let.

Hočemo reči samo to: ko beremo triumf Djlasevega upora proti tiraniji v svetu in njegove napore za humaniziranje komunizma v idealni socializem, nas moti samo — prvi Djlasa, ta kruti oboževatelj nasilja in Stalinove tiranije; o njem je tedaj pisal, da je "najplemenitejši človek... in bi sonce potemnilo brez njega!"

Zdaj poje himne drugačnemu soncu — na svobodi, dočim je Mihajlov, borec za isti ideal, še vedno v ječah istega Tita, katerega Djlasa sedaj postavlja na četrto mesto komunističnih veličin v svetu! Tukaj nekaj ni v redu... Ko so ga vprašali, kaj misli o Titu, je rekel med drugim: "To je zelo kontrastno vprašanje: Jaz enega dne mislim tako, drugega drugače." (The New York Times.)

Tako imamo dva Djlasa. Prvi je klal nacionaliste, drugi jih kliče v življenje. Podoba prvega Djlase je jasna. Bil je iskren stalinist, besen komunist, ki je "dobro opravljal svoj posel". Podoba drugega Djlase kljub govorom in izjavam ni jasna. Tudi dejstvo, da je dobil v ZDA tako odlikovanje, zadeve nič ne spremeni. Ni jasno ali zasleduje kot drugi Djlasa kakšen cilj sam ali pa je le orodje drugih. Zato bo bodočnost drugega Djlase tvegana. T. D.

BESEDA IZ NARODA

Videl sem

CLEVELAND, O. — Bil je krasen dan. Bila je nedelja, Gospodov dan, bila je prva nedelja v juniju, bil je praznik sv. Trojice! Bil je tudi Slovenski Spominski dan, posvečen žrtvam komunistične revolucije v Sloveniji, vsem slovenskim žrtvam v bojih z nasiljem v drugi svetovni vojni, v Koreji in v Vietnamu. Slovenci in Slovenke so prišli v množicah, da pokažejo spoštovanje žrtvam in ciljem, za katere so dali svoja življenja.

Na Providence Heights pred kapelico Luške Marije se je dvigala molitev slovenskega izobraženca, delavca in kmeta k vsemogočni sv. Trojici za nje, ki so darovali svoja življenja na oltar Svobode za slovenski narod.

Slovenski narod še vedno hrepeni po svobodi, ko prenaša verige komunističnega nasilja. — Ne, bratje, junaki, nismo Vas pozabili in Vas ne bomo pozabili, ker tega ne moremo! Vi ste naš vzor, naša moč, naša vez v boju proti njim, ki so Vas mučili in Vas potem zverinsko pomorili.

Naj nihče ne trdi, "so naši in ne vaši", oni so sinovi slovenskega naroda, bratje nas vseh, posebej še vseh, ki so se borili in se bore še danes za iste cilje, za katere so oni dali svoje življenje!

Duhovnik je dejal: Ni med nami osebe, ki ne bi izgubila nekoga dragega v času komunistične revolucije in druge svetovne vojne.

Videl sem obraze starejših in mlajših, čutil sem, kako hiti njihova molitve k Vsemogočnemu za naše brate in sinove. Vsi smo molili skupno za vse žrtve!

V nedeljo, 8. junija, bo spominska proslava za padle na Slovenski pristavi pri kapelici Matere božje. Ponesimo duha molitve na ves slovenski narod, molimo za nas same, za našo spravo, za edinstvo in lepšo bodočnost!

Glas iz Loraina v Ohio

LORAIN, O. — "Ameriška Domovina" prosi svoje naročnike v našem naselju, naj od sedaj plačujemo naročnino neposredno in naj ji tudi sporočamo novice in pošiljamo poročila o vsem, kar bi Slovence drugod v ZDA in po svetu zanimalo. Seveda bomo to prošnjo upoštevali in se po njej ravnali, ko je dolgoletni zastopnik AD Louis Balant vzel za vedno slovo od nas. Naj počiva v miru božjem, njegovim sorodnikom pa iskreno sožalje!

Naša naselbina ni več velika, tudi ni več tako številna in živa, kot je bila pred leti. Tako je novic manj in še te so pretežno žalostne, ko govorimo največ o smrti rojakov in rojakinj. Ven-

dar se še držimo, še imamo slovensko faro in cerkev sv. Cirila in Metoda in še se zbiramo v Slovenskem narodnem domu.

Stari rod, ki je vse to zgradil, umira. Le redki so še ostali. Tako je moral prevzeti nasledstvo novi rod, sedaj že tretji. Še se držimo, še je kar precej življenja, vendar se nekdaj ne bo več vrnilo. Premalo nas je in še mi smo raztreseni daleč naokoli. Potniška pisarna "Svete" še vedno pripravlja potovanja za Slovence in vse druge, ki žele kam na pot. Nekaj slovenskih trgovin se še uspešno upira hudi konkurenci prodajalnih velikih družb. Čvrsto se uveljavlja Lake Erie Upholstering na 1930 Henderson Dr., podjetje, ki ga vodi naš rojak Janez Grm ml. Opremlja automobile in čolne z novimi strehami, obnavlja njihovo notranjost in izdeluje pohištvo za urade, poslovne prostore in tudi za dom. Janez Grm je res sposoben in podjeten človek, zato se tako uspešno uveljavlja in napreduje.

V preteklem tednu je bilo več dopisov in vabil na Spominsko slovesnost za v revoluciji in v vojnah padle slovenske rojake v Sloveniji in drugod. Slovesnost je bila pri Mariji na Chardon Rd. Ker smo precej oddaljeni, nismo mogli tja, pač pa smo se tisočev in tisočev leto 1945 pomorjenih spomnili pri sv. maši. Člankar je v AD lepo vabil: Naj bo to praznik naše posvečene narodne bolečine. Trpimo drug za drugega, vsak za vse člane narodne družine. Obhajajmo spomin složno. Iz ljubezni do mrtvih opustimo vsa nasprotovanja med živimi..."

Odprl sem radio, da bi poslušal slovensko radijsko uro iz Clevelanda, ki se tu še kar dobro sliši. Upal sem, da bom ujel kako žalostinko, kako besedo, kako misel ob obletnici množičnega pomora leta 1945. Dvojna žalost me je objela, ko nisem o tem ujel nobene besede, kot da se spomin na to nesrečo naroda radijske ure nič ne tiče, kot da ji je to popolnoma tuja in nepoznana zadeva...

V Amherstu je umrl 65 let stari Martin Znidarsic s 110 Leavitt Rd., bivši nadzornik v Lorain Works, U.S. Steel. Zadel ga je srčna kap. Zapustil je ženo Johano, hčeri Mrs. Jeanette Yankovich in Mrs. Phyllis Grum (obe v Barbertonu, O.), pet vnukov in vnukinj, brata Andreja in Antona ter sestro Franciško Mihelic (vse tri v Sloveniji). Pogreb je bil v terek ob devetih dopoldne iz Bodzash pogrebnega zavoda v cerkev sv. Cirila in Metoda ob 9.30, nato na Kalvarijo. Pogrebno sv. mašo in ostale molitve je opravil župnik rev. A. Rupar. Sorodnikom polkojnega iskreno sožalje, njemu pa večni mir in pokoj!

Pozdrav vsem rojakom in rojakinjam!

Papeško priznanje in zahvala kiparju Goršetu

NEW YORK, N.Y. — Slovensko emigrantsko skupnost je doletela čast, da je eden njenih najbolj vidnih in odličnih predstavnikov akademski kipar France Gorset dobil iz Vatikana umetniško izdelano svetinjo s podobo papeža Pavla VI. in toplo spremno pismo.

Povod za tako visoko povzdignitev begunskega umetnika stali dali dve v baker vtolčeni umetnini, ki ju je mojster F. Gorset na pobudo msgr. M. Jezernika iz Rima izdelal za papeško galerijo v Rimu. Ena plaketa ponazoruje, v velikosti 18x11 palcev, motiv Dobrega pastirja, druga v isti velikosti pa Božjega poslanca. Mojster ju je zamislil in izdelal lansko jesen, nakar sta bili poslani v Rim, kjer ju je msgr. M. Jezernik skupno s kratkim življenjepisom umetnika izročil sv. očetu. Papež in vatikanski krogi so bili z delom slovenskega umetnika zadovoljni in so ga sprejeli v vatikansko galerijo, kjer so zbrane največje umetnine z vsega sveta.

Ze to dejstvo samo pomeni visoko odlikovanje kiparske umetnosti v emigraciji, kjer je umetniku usojeno boriti se z nešteti težavami in zaprekami — na drugi strani pa so mu sredi svetovnega umetniškega ustvarjanja odprta pota za uveljavljanje, če je božja iskra v njem in ima vsaj nekaj pod palcem.

Medalja, ki jo je kipar dobil, nosi na eni strani podobo sedanjega papeža z latinskimi napisom: Pavel VI., najvišji duhovnik v 6. letu vladanja (okrajšano). Na drugi strani so okroglo podobe, ki dviga roko v blagoslov, vgravirane besede (v latinščini): V živi veri sina, ki me je ljubil.

Spremnno pismo pa se glasi v izvorniku:

Dear Mr. Gorset, The Holy Father has graciously charged me express His warm appreciation for the two sculptures executed by you which, through the good offices of the Very Reverend Monsignor M. Jezernik, you have offered for His acceptance. He thanks you for this thoughtful gift, and is especially grateful for the sentiments of loving devotion and filial attachment by which your presentation is prompted.

His Holiness prays that God may reward you with choicest

heavenly graces and favours; and in pledge thereof He imparts to you, your family and dear ones, and to your work, His particular fatherly Apostolic Benediction.

Assuring you of my sentiments of esteem and regard, I remain sincerely in Christ

J. Benelli

V imenu emigrantske javnosti, pa upravičeno tudi za Slovence v domovini in v zamejstvu, izrekamo visolvasu umetniku tople čestitke za veliki uspeh in mu zagotavljamo, da se z njim vred veselimo priznanja in zahvale sv. očeta in smo na vse to ponosni. Želimo mojstru, ki je kljub slabemu zdravju ves živahen sredi dela in načrtov za bodoče stvaritve, čigar ustvarjalne roke so pravkar zmodelirale štiri markantne reliefe za slovensko kapelo Brezmadežne v Washingtonu, da bi ob odlikovanju, ki ga proslavljamo, razvil nove moči za opravljanje visokega poklica. On je brez dvoma eden najvidnejših kiparjev med Slovenci, ki so svoj talent posvetili izraziti religiozni umetnosti, čeravno tudi svetnih motivov in obrazov ne zanemara. Njegova dela vežejo zemljo z nebom, in po posebnem apostolskem blagoslovu sv. očeta bo Gorsetov genij še močnejše gibalo za dviganje človeškega duha k večni Lepoti, ki je Bog.

Čile v očeh slovenskega duhovnika

CLEVELAND, O. — Predavanje č. g. Andreja Pogačarja zadnjo soboto zvečer v šolski dvorani pri Sv. Vidu je bilo nadvse zanimivo. Predavatelja je predstavil njegov bivši sošolec, znani slovenski pisatelj Karel Mauš. Med poslušalci je bilo precej takih, ki gospoda Pogačarja poznajo še iz Italije in Argentine, če ne še iz Slovenije.

Predavatelj se je pokazal ne samo kot sposobnega opisovalca lepih krajev v državi Čile, ampak je tudi pokazal, da kljub temu, da je skoraj stalno le med špansko govorečimi ljudmi, ni pozabil svojega jezika. Nikdar ni vmešal v svoj slovenski nagon španske besede. Tako je bil to kar lep, nekako veledružinski sestanek.

Opisovanje države Čile je bilo spremljano s skioptičnimi slikami. Če sem prav razumel, bodo te slike ostale pri Sv. Vidu in bodo tako verjetno marsikateremu na posodo, če bi želel. Videli smo slike o glavnih mestih Čila, kot so Santiago, Valparaiso, Antofagasta, Arica itd. Posebno se je predavatelj ustavil pri svojem mestu Curacautin ter pokazal tudi slike o farni cerkvi ter o procesiji in šolskih otrocih. V njihovi škofiji imajo dve indijanski vasi. Indijanci spadajo med najbolj verne v Čilu. Ponekdo smo govorili z g. Pogačarjem o Indijancih po vsej Ameriki. Kakor mnogi od nas je tudi on požiral Karl Mayja in se ravno od njega toliko naučil o Indijancih. Poleg lepih gora in vulkanov se mi je najlepša zdelala slika jezera Lago Panguipulli, ki je zelo podobno jezeru Tahoe v Kaliforniji. Da ima Čile tudi svoje mesto Los Angeles, pa g. Pogačar ni povedal!

V imenu vseh navzočih se g. Pogačarju lepo zahvaljujem za njegovo predavanje o lepem Čilu. Glavna misel morda je bila to, da kljub temu, da so ljudje tam večinoma revni, so vedri in se veselijo življenja. V resnici iščejo v ero, v kateri najdejo stalno in trdno oporo. Od njih bi se naši revni v ZDA — vsaj mnogi od njih — morda res kaj naučili!

Navedel sem več krajevnih imen tudi zato, da se boste bralci, ki niste mogli biti pri predavanju, spravili na zemljevid in (kakor sem se tudi jaz) in malo pogledali, kje so ti lepi kraji.

Nekateri med poslušalci so rekli: "Tako je lepo (v Čilu) kot v Sloveniji."

Naslov g. Pogačarja je sledeč: Andres Pogacar C., Casilla 90, CURACAUTIN, Chile, Sudamerica. Gotovo bo vesel kartic, novic, pa tudi pripomočkov za revne in za misijone. Njemu pa: Srečno pot in hvala lepa, pa še kdaj kmalu zopet k nam na obisk! S. Meršol

Žene pripovedujejo

Ko so prišli prvi topli pomladni večeri, sem bila vsa prevzeta s spomini in s tihim hrepenenjem po tistih lepih nekdanih večernih sprehodih, ki sva jih z možem delala, ko sva bila še fant in dekle.

Srečna sem pokukala iz kuhinje v dnevno sobo, kjer je mož udobno sedel na zofi, in ga vprašala, če želi morda iti na sprehod, ko je tako lep večer?

Ne da bi pogledal izza časopisa, mi je dejal, "da je že smeti nesel ven!"

Ko smo se preselili v naš novi dom, sem imela precej težav najti zavese za v kopalnico, ki bi je v barvi ujemale s ploščicami ob banji in prihi.

Ker je bila moja zobna ščetka točno takega odtenka, kot naj bi bile zavese, sem jo vzela s seboj za vzorec, ko sem šla kupovat. Hodila sem in iskala zavese v odgovarjajoči barvi, jemala ščetko iz torbice in primerjala barve.

Ko sem v neki trgovini prijazen odklonila več pokazanih mi zavese, češ, da barva ne odgovarja, se je prodajalec precej vznemiril in rekel: "Čujte, gospa. Svetujem vam, da si raje kupite novo ščetko!"

Moja prijateljica Ana se je po petnajstih letih bivanja v Združenih državah odločila, da bo postala ameriška državljanka. Že v maju je vložila prošnjo, klicali so jo pa šele septembra. Šla sem z njo še z neko drugo gospo, da potrdiva, da je moja prijateljica kvalificirana in vredna državljanstva. Ko so njo in naju izprašali, so ji povedali, po jo bodo v kakih treh mesecih poklicali k zaprsegi.

"Za božjo voljo," je dejala Ana nepotrpežljivo, ko smo zapuščale poslopje. "Stiri mesece sem čakala, da so me poklicali, tri mesece bom morala čakati, da me bodo zaprsegli, je skupaj sedem mesecev. Ali ni to malo dolgo?"

Gospa, ki ji je bila tudi za pričo in rojena v Ameriki, ji pa nagajivo pravi: "O, to pa res ni ni tako hudo! Samo pomislite na nas, ki smo tu rojeni, mi smo potrebovali celih devet mesecev!"

Kupila sem si novo obleko, jo zvečer doma še enkrat pomerila in v njej veselo paradirala pred možem in hčerko.

"No, kakšna se ti zdi?" sem vprašala moža, ki me je zadovoljno ogledoval.

"Lepa je, zelo ti pristojna, in kar je glavno, spodobno dolga je!"

Ze naslednji dan sem si jo na tihem skrajšala.

KULTURNA KRONIKA

Korotanov nastop v Washingtonu, D.C.

Nastopati v Washingtonu, glavnom mestu ZDA, ki ga čisto nazivajo Atene zapada in ki se lahko postavlja s pevske zbori kot so *Cathedral*, *Choral* in *Oratorio Society*, zahteva dokaj poguma in — pevske višine. Korotan je pokazal oboje. Washingtonsko občinstvo je, n. pr., navajeno najbolj refiriranih interpretacij *America The Beautiful* ob priliki mnogih svečanosti in predsedniških ustoličenj. Korotan bi jo lahko zapel ob katerikoli teh prilikah.

Koncert, katerega je Korotan podal pod pokroviteljstvom washingtonskega društva škofa Barage KSKJ na Memorial Day v obširnem avditoriju cerkve *The Church of the Little Flower* na Massachusetts Avenue, je pokazal, da dobro izvajata slovenska pesem lahko pridobi srca poslušalcev tudi takrat, ko jim je jezik tuj. Polno zasedena dvorana je to dokazala z navdušenimi in dolgi aplavzi in zahtevami po ponovitvi (Volaričev *Zvečer*, Adamičev *Vasovalec* in Gobleva *Turistovka*). To seveda obenem tudi dokazuje, da se slovenska pesem lahko uveljavi tudi v neslovenskih dvorinah, da s svojo melodijsko in harmonijsko lahko zanese misel in pomen slovenstva tudi med one, ki sta jim slovenski narod in beseda nekaj tujega: nekaj, o čemur niso še nikdar ali pa le mimogrede slišali. To, novo poslanstvo slovenske pesmi je Korotan iz

polnil v Washingtonu v polni meri.

Korotanovi pevci so podali celotni koncert na zavidni višini, čeprav je bilo opažati gotove razlike v kvaliteti interpretacije. Gotovo pa je, da pevovodja, g. Gorenšek, razpolaga z gradivom tako dobre kakovosti, da bo z njim lahko zgradil še dokaj lep spomenikov slovenske pevske umetnosti v Ameriki. Ocenjevali posamezne pevce, zlasti pa dobro izbrane soliste, bi bilo težavno in zamudno delo. Odlična spremljava na klavirju in izredna akustika dvorane sta umetniški užitek le dopolnili. Ne morem si pa kaj, da ne bi ob tej priliki omenil gospe Seknetove, ki je vključila svojo žalostno prišlo z ostalimi pevci in nam pela. Hvala, gospa, za *Planinsko rožo*!

Glas Amerike je posnel celotni koncert na trak in o koncertu poročal tekom svojih rednih slovenskih oddaj. Pohvala gre tudi g. Terseliču, članu društva škofa Barage KSKJ, ki je v angleščini kratko razlagal pomen vsake pesmi.

Koncert Korotana v Washingtonu, katerega čisti izkupiček je namenjen v prid zbirke za gradnjo slovenske kapele v Narodnem svetišču Brezmadežnega spočetja, je bil prvi slovenski javni koncert v prestolnici. Uspeli, katerega je žel, nam daje upanja, da to ni bila zadnja slovenska prireditev te vrste in da bo slovenska pesem v bodoče še čisto donela v dvorinah Washingtona. Korotanu, ki je nazkazal to pot, pa gre zato še posebna zasluga in pohvala. Umetniški užitek, katerega nam je Korotan nudil, je v resnici bil na tolikšni višini, da lahko rečemo samo eno: peti v Korotanu je velika čast!

Obiskala bom tudi vse tri pare "dolenjskih trojčkov". Za nje sem prejela samo en dolar. Ali bi mogoče kdo hotel darovati kakšno malenkost za te malčke? Saj veste, kako je, če obiščete otroke. Samo velike sprašujejo oči vidite, kakor da bi govorili: Teta, si kaj prinesla.

Dragi rojaki, hvala za vaše darove za slepo Darinko! Za vse bom izročila pozdrave naši lepi domovini Sloveniji.

Četr milijona političnih jetnikov po vsem svetu?

LONDON, Vel. Brit. — Britanska sekcija Amnesty International je objavila podatke, ki dokazujejo, da je po vsem svetu zaprtih iz političnih razlogov okoli četr milijona ljudi. Med te prištevajo tudi okoli 1200 mladih Amerikancev, ki so zaprti, ker niso marali in ne marajo sodelovati pri vojskovanju v Vietnamu.

Številke se nanašajo le na države svobodnega sveta. Največ političnih jetnikov je po teh podatkih v Indoneziji — okoli 80.000. Koliko jih je v Sovjetski zvezi in drugih komunističnih državah, zlasti še na Kitajskem, seveda ne ve nihče niti približno.

Lani za skoraj 17 milijonov ton novih ladij

LONDON, Vel. Brit. — Tekom lanskega leta je bilo spuščenih v morje 2.789 novih ladij s skupno tonažo 16,9 milijonov ton. V to število niso vštete ladje, ki sta jih zgradili Sovjetska zveza in rdeča Kitajska.

Največ ladij je zgradila Japonska, ki je postala strokovnjak za gradnjo ladij velikank za prevoz petroleja. Na drugem mestu je bila lani Nemčija, ki je zgradila skupno ladij s 1,35 milijona ton.

JANEZ JALEN:

VOZARJI

Pa so prihajali in se ustavljali. Kletev je skoraj povsem obmolnila, oglašila sta se pa prešerna pesem in glasen vrisk. Saj se je odprla spet cesta od Trsta do Dunaja, od morja do Donave in še niže doli in še više gori.

Furmani po cest peljajo, konjci v štalci rezgetajo — Jujuju, jujuhu! —

Od Trsta do Dunaja in še niže doli in še više gori in pa po vsem svetu naokoli.

V ožilem hrušču in trušču ni Lenka več utegnila roč in dan misliti samo na Klemen in se je začela, ko so umirali zadnji jesenski kosmati in večerhi encijani, spet razcvitati. Pa menda samo zato, da jo je kasnejša bridkost še huje vrgla ob tla.

Minili so vsi sveti. Zupnik doktor Ažbe je tako lepo povedal, da je danes god vseh tistih svetnikov, ki niso napisani v nobeni priliki, pa so kljub temu svetniki in naši priprošnjiki, morebiti še bolj veljavni kakor tisti v prilikah. Sicer nimamo Slovinci nobenega svetnika, razen svete Heme, ki je slovensko sicer znala, zavedala se pa ni, da je Slovenka. Takrat se ni bilo navade, da bi se ljudje po jeziki ločili. Potem je s prstom začel trkati ob prižnico in trdo poudaril, da svetnikov, ki niso napisani v nobeni priliki, noben narod ne more imeti v primeri s številom toliko, kakor ravno mi, Slovenci. To so naši dedje in pradedje, naši zgarani očetje in matere, naši bratje in sestre, strici in tete in nazadnje, ne najzadnji, naši nedolžni otroci. Nikomur se ni na tem svetu do-

vina, da zamoči špranje, kakor je rekel, če je premalo stlačil mrvo v svisti svojega želodca.

Svojevrstni bohinski govorniki je prislunilo tudi tistih nekaj gostov, ki so sedeli pri drugih mizah. Naca se je bil namreč oblastno usedel za veliko mizo, kakor bi bil vsaj gospodar treh trdih in težko okovanih parizarjev in celega ducata povsem na novo podkovanih konj, okomatanih v bogato, s kolutami ovešeno, povsem novo jermenje in komate.

Zunaj se je znočilo. Janez, podjeten novi gospodar, je s plamenico tresko, po kateri je bil stopil v kuhinjo, da mu ni bilo treba kresati ognja, prižgal od stropa višje lešterbo in grede premislil, kako naj zaplete Bohinjca v pogovor, da bo izteklo čimveč vina iz soda in se zakotalilo v njegov žep kar največ okroglega srebra.

Plamenček pod stropom je vztrepetal. Janez je vrgel tresko v ugaslo levo, ki so jih Francozi v gostilnah prepovedali žgati. Da je to zaostalost, so rekli. Kljub temu so jo pa pri Zabarju še vedno kdaj pa kdaj zakurili. Na vse domače praznike, kakor na sveti večer. Kako bi se pa to videlo, če bi bil Jezušček rojen pri smrdljivem petrolejskem čuku, ki zasmradi hišo, da se še odkaljšati ne moreš. Ali pa na vseh svetih dan zvečer. Med rožencenci! Kako naj družina izve, da tisti, ki je med letom umrl, še ni v nebesih, če ne bo proseče zacvililo v plamenih v levi?

Leva je bila mrzla, pod stropom je pa začela duše greti z lananim oljem napolnjena lešterba. Gospodar je levo pustil odprto, se obrnil in voščil: "Dober večer in mirno noč!"

"In Bog nam daj svojo pomoč," so kakor v zboru odgovorili gostje v hiši.

Krčmar je odšel od leve k veliki mizi in prisedel k Nacu. Zavedal se je, če bi naravnost vprašal svojevrstno brihtnega Bohinjca, bi dobil odgovor, da bi še manj vedel kakor prej. Previd-

no, okrog vogla je začel:

"Pa se dolgo nisi oglašil pri nas. Naca."

"Od takrat ne, ko sem ga prav precej imel, Napaljana tri sto tavitkrat prelel, vašega fajmoštra užalil, konje v dir nagnal po Broscu navzgor in se skorač s samim Bogom skregal. Bi se tudi bil. Pa sem se spomnil te vaše brhke Lenke, ki bi nikogar drugega ne bila, če bi jaz kozav ne bil, kakor moja. Prmej pribit lavdan"

Lenka je prav takrat postavila rovo pijačo na mizo in takoj oporekala, nikogar drugega ni imela in nikdar ne bo mogla imeti rada kakor samo Klemen.

Naca je obmolnil in narejeno zakašljaj, kakor bi se mu bila beseda zataknila. Očividno se je ob imenu Klemen nečesa domislil, česar ne bi rad povedal. Sknil je požirek rebule, se spreumel in zastavil pogovor od drugega vogla.

"I, saj vem. S pokonci postavljenimi ušesi čakate, kdaj vam povem, kako sem do voza in konj prišel."

"No, na, na," so mu drug čez drugega začeli pritrdjevati. Lenka pa je odšla v kuhinjo in komaj zadrževala solze. Vedela je, da Naca od Klemena nekaj je, pa se obotavlja povedati. Nič dobrega ne bo, če ni celo najhu-

še. In se je molče razžalostila:

"Preklicani furmani! Kar pre-sedajo mi že. Samo konj pa kobil, pa žrebe in žrebec in dru-ka in letnica in voz in parizar."

Kakor bi za človeka nič več srca ne imeli."

Nesla je spet na mizo, sedla k peči in prislunila pogovoru. (Dalje prihodnjic)

NAZNANILO IN ZAHVALA

Z bridkostjo v naših sreih naznanjamo vsem sorodnikom, prijateljem in znancom, da je dne 19. maja 1969 po daljšem bolehanju preminul v Huron Road bolnišnici naš srčno ljubljeno soprogo, oče in stari oče

John Zupanc

Pogreb je bil 22. maja 1969 iz Perko pogrebne zavoda Na Maple Heights v cerkev sv. Lovrenca in od tam na pokopališče Kalvarija.

Naš dragi pokojnik je bil rojen v vasi Krka pri Stični na Dolenjskem, od koder je prišel v Ameriko leta 1913. Bil je zaveden Slovenec, naprednega mišljenja ter spoštovan od vseh, ki so ga poznali. Bil je plemenit soprogo, skrben gospodar in najboljši oče svojim otrokom. Bil je zvest družbenik. Ameriška bratska zveza in pevsko društvo Planina sta izgubili z njim svojega zvestega člana. Rad je sodeloval in pomagal, kjer koli je mogel.

V dolžnost si štejemo, da se iskreno zahvalimo č.g. župniku Vargi in č.g. Zanutiću za opravljene cerkvene obrede in za vse molitve.

Pevskemu zboru Planina smo iz vseh naših sre hvaležni, da je zapel pokojnika v slovo v srce segajoče žalostinke.

Najlepša hvala organistu cerkve sv. Lovrenca g. Ralphu Godcu, ki mu je tako lepo zapel v cerkvi sv. Lovrenca.

Iskrena hvala našim sorodnikom, ki so nosili krsto, Eugene Vercek, Louis Kastelic Sr., Charles Mikaloski, Tony Orel.

Našo toplo zahvalo naj prejmejo vsi, ki so prišli pokojnika pokopati, vsi, ki so se udeležili pogrebnih slovesnosti in vsi, ki so ga z nami spremljali do groba.

Najlepša hvala vsem, ki so darovali za svete maše in v dobre namene, vsem, ki so poklonili prekrasno cvetje in vence.

Prisrčna hvala vsem, ki so dali na razpolago avtomobile ter ga tako številno spremili na njegovi zadnji poti do poslednjega domovanja.

Končno hvala vsem, ki so z nami sočustvovali.

Tebi, dragi, nepozabni soprogo in oče pa želimo mir in počitek v ameriški grudi, dokler tudi mi ne pridemo za Teboj.

Zalujoci:

Ohio Girl Cooks During National College Queen Pageant

Margaret Gay Bastiani, a student at Ohio University and the daughter of Mr. and Mrs. Lawrence Bastiani of Gallipolis, Ohio, prepares a company casserole at a cook-in held during the 15th annual National College Queen Pageant. For the event, sponsored by Best Foods, each of the 50 girls, representing the 50 states, was supplied with a Westinghouse deluxe self-cleaning range, other necessary small equipment and groceries to prepare her own favorite dishes. Each girl was judged and scored on her prowess as a cook.

Company Casserole

1 tablespoon Mazola corn oil
1/2 cup chopped onion
1/2 pound ground beef
1/2 pound lean sausage
1 1/2 teaspoons monosodium glutamate
1 (10 3/4-ounce) can condensed cream of tomato soup

1 (8-ounce) package cream cheese
2 tablespoons Worcestershire sauce
1 tablespoon sugar
1/2 teaspoon salt
1 (8-ounce) package medium cut noodles
1 cup corn flake crumbs
1/2 tablespoon margarine

Heat corn oil in heavy skillet over medium heat. Add onion and cook until soft. Add beef, sausage and monosodium glutamate, stirring until well browned. Add tomato soup, cheese, Worcestershire sauce, sugar and salt. Simmer 15 minutes. Meanwhile, cook noodles according to package directions. Add cooked noodles to meat mixture and place in greased 1 1/2-quart casserole. Sprinkle cornflake crumbs over top and dot with margarine. Bake in 350 degree F. (moderate) oven 20 minutes. American Mutual Life Ins Announces Grand Opening Of Their Recreation Park

Grand opening festivities for what is destined to become a \$1 million recreation center for its members are set for Saturday and Sunday, June 7 and 8, by American Mutual Life Association (AMLA), formerly known as Slovenian Mutual Benefit Association (SDZ). AMLA is a Cleveland-based fraternal insurance society headquartered at 6401 St. Clair Avenue.

The 110-ACRE recreation center is located on Kniffen Road in Leroy Township, southeast of Painesville, Ohio. Already completed are a fully equipped and fenced-in playground; tennis courts; baseball diamonds; basketball courts; horseshoe pits; shuffle boards; balinea (lawn bowling) courts; and a main building which houses kitchen facilities, a ballroom, rest rooms and meeting rooms. Planned but not yet completed are a swimming pool, man-made lake, nature trails, and winter sledding and toboggan runs.

How To Get To The AMLA Recreation Area

Here are the directions to get to the American Mutual Life Assn. Recreation Center in Leroy Township, southeast of Painesville. If you are traveling from the East or West, your best bet is Interstate 90 to the Vrooman Road Interchange (first interchange East of the Rt. 44 interchange in Painesville). Turn South on Vrooman Road and follow it until you come to "Five Points" where Vrooman Road runs into Rt. 86. Take a sharp left (East) on Leroy Center Road to Kniffen Road. Turn right on to Kniffen Rd. and the Center is on the right side of the Road. Although it depends on driving speed, it'll take about 10 minutes to get from the Vrooman Road Interchange to the Recreation Center.

Ceremonies start with a ribbon cutting at 2 p.m. on Saturday, June 7. Doing the honors will be John Susnik, AMLA president, assisted by other AMLA officials, Leroy Township Trustees, Lake County government officials and dignitaries from the Cleveland area. It'll be followed by a short musical program featuring some of the most important Slovenian singers from the Cleveland area.

Following this program the Youth Committee will be sponsoring tennis, horseshoe, and balinea tournaments and games for the youngsters. Dancing to the music of Richard Vadnal and his orchestra starts at 4 p.m.

SUNDAY'S activities include a picnic complete with games for the youngsters, a Little League baseball game at 3 p.m., and dancing to the tunes of Johnny Pecon's Orchestra starting at 4 p.m.

VACATION TIME AGAIN

For the young, there is no freedom to compare with that which comes with the closing of school. The exuberance of the young as they savor release from the necessary disciplines of the classroom is a wholesome thing to see. This is pure escape, the kind that adults dream about but never achieve. Even for the children, pure untrammelled freedom loses its shine in the latter days of summer when the "nothing to do" stage sets in. Freedom, to be enjoyed, must be earned, and even then, its richness is lost where there is no ultimate sense of direction or minus factor such as household chores that tend to preserve an appreciation of freedom.

The ending of the school year, and the watching of the children in their new-found freedom and the manner in which they use — and abuse — that freedom, should have a special meaning for the adult world today where freedom is being used and abused in ways no one could have foreseen a few short years ago.

★ North Stonington, Conn. — At 82, Maude Price is still doing her part to keep America beautiful. Every day, weather permitting, she bicycles along a two-mile stretch of Highway 2, collecting trash to deposit in roadside receptacles. Miss Price, who has been performing this task for 20 years, is indignant that "folks who wouldn't throw trash in their own parlors where they had to look at it, will toss litter onto public highways where everyone can see it." She also keeps an eye on the schoolyard across from her Highway 2 home, built in the 1790s. "On just one Friday afternoon," she says, "I picked up over 400 gum wrappers, paper wads and soft drink cups and bottles in the schoolyard."

★ Fall River, Mass. — Defying his age and the weather, three times each school day, 84-year-old Ed Laporte is at his post as a school crossing guard. A member of the Auxiliary Police and a crossing guard since 1942, the wiry octogenarian recalls that at the age of 74 "They said I was too old." But his

doctor disagrees. "He tells me," declares Laporte, "I'm as healthy as a 25-year-old. Actually I feel like 16."

★ Washington C. H. O. — Police Sgt. Charles Long followed a good lead in solving a television antenna mystery here. Someone called to say a television antenna had been mounted on a stop sign at an intersection in the eastern part of the city. Sure enough, the sergeant found it had been installed there in an expert fashion, with the lead in wire to a nearby apartment building. Before being ordered to remove it from public property, a tenant explained he had moved into the apartment the night before and had set up the antenna there because it "seemed like a good place for it." Long, said the reception was excellent before the interruption.

★ Austin, Texas — Texas legislators now have first-hand experience with the growing incidence of marijuana. Eight to 10 pounds of the weed were found growing in the gardens of the capitol building in Austin by the grounds superintendent, it was revealed recently.

★ Lansing, Mich. — Another chapter in the battle of man vs. machine: Robert L. Williams of Lansing is suing the Burroughs Corp., a manufacturer of computers, for libel and negligence and is asking \$25,000 in damages. Williams charges that a computer error listed his driver's license as being revoked, which led to his arrest and because he was unable to post bond, to jail. Williams said the charge was dropped after the computer error was discovered. He also seeks \$25,000 damages from the state police and \$25,000 from the Michigan secretary of state's office.

★ Burlington City, N.J. — Police in this city didn't have a lot to go on recently after thieves broke into a truck and carted off \$6118 worth of loot — 551 mini-skirts.

It features four of Welch's seven new spreads made with grade A fruits that retain their delicious fresh fruit taste as a result of the famous flavor recovery process. SPORTS

GUARD, DOING HIS THING, HALTS FINLEY AT PRESS BOX

Cleveland, O. — The distinguished-looking, white haired gentleman strode briskly past the guard and walked into the press box at Cleveland's Municipal Stadium.

"Ah, uh, I'm sorry sir, but you're not allowed in there," said the sentry. "You need credentials to go into the press box."

"I happen to be Charlie Finley and I own the Oakland Athletics," the guard said the man told him. "Then I recognized him from his pictures and I let him in. But I was only doing my job."

Finley's side of the story was essentially the same.

Except Charlie O. wanted it understood that he did, indeed, have a pass for the press box.

"I've got credentials signed by Joe Cronin... I don't push my way into places like you guys (news-papery) do," snapped Finley.

ORIOLES EYE SERIES, CHANGE PLAYING DATES

Baltimore, Md. — In deference to the Colts, the Orioles have shifted their home game of Sunday, September 21, against the Yankees to July 8 as part of a two-night doubleheader.

The change was made so the Colts could open their season at Memorial Stadium that day against the Rams.

At the same time, the September 20 game with the Yanks was changed from night to day to allow the groundskeepers more time to pre-

pare the field for the Colts and Rams the next day.

The agreement presumably was made with an eye to the possibility of a World Series in Baltimore in October.

The first two games of the Series are scheduled October 11-12 in the park of the American League winner. If the Orioles make it, a conflict with the Colts will arise, since the football team is slated to entertain the Eagles on October 12.

"In such an event," said Oriole Executive Vice-President Frank Cashen, "I believe the Colts are prepared to play the Eagles on the night of Monday, Oct. 13."

LEO GETS ROCKING CHAIR, NEEDLE FROM PADRE BRASS

San Diego, Calif. — The Padres presented a rocking chair to Leo Durocher, the soon-to-be-married manager of the Cubs as part of a "Farewell to Leo" promotion conducted by San Diego General Manager Buzzie Bavasi and publicist Bud Tucker.

Making the pre-game presentation May 23 was Duke Snider, special assignment scout and member of the Padres' broadcasting team.

"Leo, since you are about to forego bachelorhood, the Padre organization would like to present this gift to you to use when you watch the St. Louis Cardinals play in the World Series next fall," Snider said.

Then two young lovelies in miniskirts presented Durocher with a lounging robe and house slippers.

It is especially important, in these trying times, for us to show our appreciation and gratitude to the country that our forefathers chose to live in. They were only a small portion of the immigrants that worked and sacrificed to make America the 'Land of Opportunity' it is.

Headlining the festivities will be the bands of Bob Timko and Bob Oblocki along with a short program. There will be activities for all, especially the children. Be sure to reserve this day to help celebrate the birthday of our nation.

Last Sunday we had the pleasure of visiting the American Mutual Life Association Recreation Center in Leroy, Ohio. This magnificent park is located east of Cleveland, a scant 25 miles from town. It is easily reached by taking Interstate 90 to Exit 60 Vrooman Rd. Go South to Leroy Center Rd. (Just before the Junction of Route 86), turn left and continue about two miles to the sign which points to the center.

The layout is well planned, with facilities for all members of the family, especially the children who have about an acre of recreational area. The Main Lodge is well placed and has all the necessary facilities.

They are having their Grand Opening this weekend and it would be well worth the trip to stop and help celebrate the opening of the fine facility.

On Saturday Rich Vadnel and his Orchestra will play and on Sunday the Pecor-Trebar Orchestra will entertain.

We extend our Congratulations and Best Wishes to the Supreme Board of AMLA for the 'tremendous job they have done in developing the exceptionally fine recreation area.

Memorial Day ceremonies were held at all Northeast Area Slovenian Homes, by the Euclid Veterans Club and the Euclid Post of the American Legion. We sincerely appreciate the time and effort of these dedicated individuals who annually pay homage to our deceased members.

Sure To Be Top Banana

All the party-comers will think the hostess has a heavenly gift with desserts when she presents these bananas. They're sauced in the splendor and softness of nutty-sweet Neufchatel cheese and sweetened condensed milk, tufted with whipped heavy cream. Add another touch of the tropics—there's toasted coconut throughout—with a guava jelly accompaniment.

Heavenly Bananas (Makes about 6 servings)

- | | |
|---|--|
| 6 medium-size firm, ripe bananas | 1-1/3 cups (15-oz. can) Eagle Brand sweetened condensed milk |
| 1 tablespoon reconstituted lemon juice | 1 cup toasted coconut |
| 1 teaspoon cinnamon | 1 cup (1/2 pint) heavy cream, whipped |
| 3 tablespoons butter, melted | guava jelly |
| 4 oz. (one-half of 8-oz. pkg.) Neufchatel or cream cheese, softened | |

Peel 5 bananas; slice diagonally. Arrange banana slices in a buttered 1-1/2 quart shallow (10 x 6-1/2 x 2-inch) baking dish. Sprinkle with lemon juice. Combine cinnamon and melted butter; pour over bananas. Place in broiler about 4 inches from source of heat. Broil until butter bubbles, about 5 minutes. In a small electric mixer bowl, beat cheese at medium speed of electric mixer until smooth. Gradually beat in sweetened condensed milk on low speed of electric mixer. Reserve 2 tablespoons toasted coconut for garnish. Add remaining coconut to condensed milk mixture; blend well. Pour over bananas. Bake in a moderate (350°F.) oven about 15 minutes, or until milk mixture is set and lightly browned. Remove from oven. Cool. Chill in refrigerator until ready to serve. Garnish with whipped cream and remaining banana slices and coated with reserved coconut. If desired, serve with guava jelly.

Be Sure To Take Camera Along On Vacation Trip

The traveler who returns from an interesting trip without a photographic record of places and people, often finds that he misses these lasting reminders. Details may fade from the mind, but a snapshot remains the same.

To get a satisfactory photographic record, start planning ahead of time.

KNOW YOUR CAMERA. If it's a new one, take several rolls of shots under different circumstances to be familiar with the several types of color and black and white film. Learn which film gives the qualities for which you are looking, those which react best in your camera in the situations in which you will be shooting. When problems arise, there will be time to solve them.

Before starting your trip, check the camera thoroughly; shutter, film winder, range finder, light meter, take along lens tissue and a lens brush. Wrap the camera in thin layers of foam rubber to avoid vibrations, particularly if you travel by air.

KEEP GADGETS to a minimum. Take a haze filter and a graduated yellow filter for black and white film. For color film, take a skylight filter to eliminate haze.

Although film can be bought almost anywhere, it is often quite expensive outside the country. Unless your trip is of long duration, take whatever you plan to use. Processing service is widely available,

and there is little trouble on black and white. If you are traveling for longer than a month, you may do best by mailing home your exposed color film by air mail for processing.

Perhaps you're among the lucky ones who watch Indy "500" racers barrel down the track, or join the crowd off to the beach or mountains, or perhaps this is the long-promised family outing to the lake.

A natural prerequisite for all supercharged out-of-doors appetites is hearty food and drink. You'll win by a car length with this wheeling tailgate picnic which goes wherever and wherever you go. The arrangement of the food is to remind you of wheels. Hot macaroni salad with spokes of hot dogs and a hub of cheese can be kept hot in a thermal bag or wrapped in foil.

Add a festive look to the devil's food cake with creamy filling by the use of peppermint sticks as spokes and a hub of peppermint-chocolate patty. Even the relish tray makes a wheel with its assortment of carrot, celery and cucumber sticks and a whole tomato for the hub.

Everything is round—round rolls, round plates, round cups to be filled from a round bottle of icy cold Sprite.

HOT MACARONI SALAD WITH DOGS

- 1 (7-oz.) pkg. shell macaroni
- 6 slices bacon, diced
- 2 tablespoons vinegar
- 1 tablespoon finely chopped onion
- 1/2 teaspoon prepared mustard

- 1/4 teaspoon pepper
- 1/3 cup salad dressing
- 1/3 cup chopped pimiento
- 1/4 cup chopped green pepper
- 1/4 cup chopped celery
- 1 (12-oz.) pkg. weiners

Cook macaroni in boiling salted water. Fry bacon until crisp; drain. Add vinegar, chopped onion, mustard, salt and pepper to 1 tablespoon bacon fat. Heat to boiling. Add drained cooked macaroni, salad dressing, pimiento, green pepper, celery and bacon. Toss.

Place salad in heat resistant round salad bowl. Arrange weiners in spoke fashion. Put in 325 degree oven and heat weiners through, about 12 minutes. Place cheese round in center. Keep hot until picnic time.
