Jezus povabi učence

Mislim o edinosti, ki so v ospredju ta teden, se pridružuje tudi prvi del današnjega evangelija. Jezus oznanja božje kraljestvo, pa ne v Jeruzalemu, ki je veljal za čuvarja pravovernosti. Šel je v Galilejo, ki so jo imeli za napol odpadniško. Pa še v tej Galileji je šel na skrajni rob, v deželo Zabulonovo in Neftalijevo. Na te ljudi, ki so bili v stalnem stiku s prebivalci sosednjih poganskih pokrajin, so pravoverni Judje gledali s sumničavim očesom. Jezus pa se je nastanil ravno pri njih. Tako se je začasno izognil nevarnosti, ki mu je pretila v središču pravovernosti, v Judeji.

V drugem delu nam evangelist Matej riše Jezusa, kako zbira prve učence. Ta izbira je zelo neposredna. Ribiče zaloti sredi dela. Na čolnih so, mreže krpajo in jih pripravljajo, da bodo nared, ko bo treba odriniti na lov. Pri takem delu se ribiči ne dajo zlahka motiti. Jezus pa ne čaka, da delo dokončajo. Sam vrže mednje svojo mrežo. Naj vidijo, da je več in pomembnejše biti ribič ljudi kot lovec rib. Razumeli so, pustili očeta, čolne in mreže in se odpravili za njim.

Ni šlo le za zamenjavo poklica. Šlo je za nekaj več, za mnogo več, za drugačno gledanje, za spremembo mišljenja. Imeti čoln in mreže je zasebniško; iti za Jezusom in delati za božje kraljestvo pa je širšega, splošnega in skupnega pomena.

EROIKA - Trije izjemni vokalisti, zbrani v triu Eroika, so s prvim nastopom na državni proslavi v hipu osvojili Slovenijo. Matjaž Robavs (bariton), Aljaž Farasin (tenor) in Metod Žunec (tenor) so klasično izobraženi in šolani pevci, ki jih v celoto povezuje dirigent, aranžer in producent Patrik Greblo. Premišljena kombinacija talenta, lepote, uglašenosti, glasovnih zmožnosti in sveže obdelave večnih uspešnic v pop-opernem žanru je formula uspeha Eroike. O njihovi izjemni priljubljenosti pričajo razprodani koncerti ter osvojena platinasta plošča - diskografsko priznanje za izjemno prodajo njihovega prvenca. Temu je junija 2009 sledila druga studijska plošča "Nad mestom se dani", ki od izida na 1. mestu najbolj prodajanih plošč v Sloveniji kraljevala kar 14 tednov. Sledili so večkrat razprodani koncerti s simfoničnimi orkestri v največjih in osrednjih koncertnih dvoranah kot tudi prepevanje v pravitako prijetnih manjših slovenskih mestecih. Glasba Eroike je povsod sprejeta in prepoznana kot iskrena, kvalitetna in poslušljiva.

Njihov program sestavljajo tako slovenske narodne pesmi kot tudi zabavne, a cappella priredbe, znanih domačih ali tujih pesmi. Poleg redne dejavnosti so izvedli že več projektov,

Sunday's Readings

3rd SUNDAY in Ordinary Time

First Reading *Isaiah 8:23 – 9:3*

The prophet Isaiah foresees a time when the darkness and shadows of Israel's oppression will be replaced by the light and joy a new king will bring.

Second Reading *1 Corin. 1:10-13, 17*

St Paul urges the Christians in Corinth to refrain from forming factions and to live united in Christ in whose name they were all baptised.

Gospel *Matthew 4:12-23*

Jesus begins his preaching, calling his first disciples and proclaiming the Good News of the kingdom of heaven.

"The people that walked in darkness has seen a great light."

Situated on the border between England and north Wales, the historic city of Chester traces its origins back to Roman times. Just seventy-five years or so after the birth of Christ, Roman soldiers built a fort beside the River Dee. The town of Chester grew up round it and quickly became an important centre for crafts and commerce. Chester even had its own amphitheatre where, like in the Colosseum in Rome, spectators could be entertained by gladiators. During the Middle Ages, Chester became an important religious centre, attracting Dominicans, Franciscans and Carmelites. It continued to develop and today remains an important English city. However, one of its greatest claims to fame was only started in 1930. What began as the North of England Zoological Society is now more popularly known as Chester Zoo. With over seven thousand animals, it is one

of the largest zoos in Europe. But one section in particular offers a special insight into the life of a certain kind of creature.

Called the "Twilight Zone", one of the large enclosures is home to two species of bat. There might not seem anything special in that, except visitors enter the large, covered, forest-like space and walk through the trees while the bats fly freely around. Because bats are nocturnal animals, the whole experience takes place in almost complete darkness. As people walk through the trees the bats fly around, sometimes very close, using a sophisticated system of echo navigation to avoid hitting any objects. For some visitors the experience of walking through the darkness, with bats flying around them, is just too much and they rush towards the exit and out into the light.

Gospel Teaching

St Matthew tells us that by settling in Capernaum, "a lakeside town on the borders of Zebulun and Naphtali", Jesus fulfilled the words of the prophet Isaiah. This is quite a startling affirmation. Without saying or doing anything particularly spectacular, Jesus fulfilled a prophecy in the scriptures by staying in a certain place. How can we understand this?

Zebulun and Naphtali were ancient Israelite tribes that settled in Galilee. During the time of the prophet Isaiah, these were the first two tribes to be crushed by the invading Assyrians. The people of Israel were subjected to the darkness of oppression, ruled by a foreign power that worshipped false gods. But Isaiah looked forward to a new king in

Jerusalem who would come and set Israel free, who would bring the light of hope to a people who walked in darkness.

For St Matthew, Jesus is this new king. Jesus is the one who has come to call people from darkness into the light of a relationship with him. Preaching a message of repentance, Jesus brings the kingdom of God close in his very person. The fishermen of the Sea of Galilee instinctively and immediately responded to the invitation of Jesus. Whatever darkness meant to them, they saw and met in Jesus a great light. It is a wonderful testimony to their generosity that when the light of God's merciful love dawned on them they left everything and followed him.

Application

We too have experiences of walking in darkness. We don't have to walk through an enclosure of bats to feel uncomfortable or afraid. Simple everyday things can weigh on our mind: paying the bills; waiting to see the doctor; worrying about a loved one; trying to mend a friendship; coping with the past. Whenever we have a sense of walking in darkness, we can take courage from the great light that has come into the world. Whatever shadows might fall across our lives, Jesus is the one who calls our name and invites us to tread in his steps. However we experience fear of the dark, we can take to heart the words of Blessed Charles de Foucauld: **"One thing we owe to our Lord is never to be afraid."**
