"Dvodomovinci"

Pred kratkim so starokrajski in tudi nekateri tukaj sporočili, da Jugoslavija nima vojaško obveznost ne le v teh slovenskih izseljencih v dreniranih državah, ki so naturalizirani američki državljanji, tudi od njihovih sinov, ki so v Ameriki rojeni, ako prištejo v staro domovino in so še vojaški letih. Jugoslavija pa šteje za svoje državljane tudi otroke bivših izseljenikov; ti so jugoslovanski državniki "po pokolenju".

Da je to res, je potrdil slučaj naših fantov iz Pullman, ki sta šla v Jugoslavijo na vstop v izletniki SNPJ leta 1930 se zamudila tamkaj čez tri leta. Eden je naturaliziran američki državljan, drugi je pa rojen tu. Prvi se je šele le vrnil v Ameriko. Pustili ga je potem, ko je odslužil vojno službo v Jugoslaviji, drugega pa še danes drže tamkaj američki konzul mu ne more pomagati, dasi je bil fant v Združenih državah.

Amerika nima še nobene pogodbe z Jugoslavijo — kakor je nima Italijo — glede te važne zadeve, zato mora dopustiti, da tuje države delajo z njenimi državnimi kakor svinja z mehom. Za ogromno večino naših imigrantov in njihovih sinov, ki živi ne pojdejo v staro domovino, je ta stvar seveda brez posameznosti; Jugoslavija jih lahko pa šteje za svoje državljane, saj to je za nje — pif. Nič nima za one, ki gredo na obisk samo na obisk, kar dokazuje pravi slučaj. Takim ne pomaga američki državljanici pa niti američki rojstni listi, saj po čudovitem jugoslovenskem zakonu "dvodomovinci" ali "državljanji dveh držav" niso morajo obema!

V ljubljanskih listih zdaj čiščimo, da je tem "dvodomovinski" podelenia olajšava. Vsi imigranti v tujini, ki so po naturalizaciji ali rojstvu državljani države, v kateri bivajo, se morajo v treh letih po dovršetku 21. let starosti odpovedati državljanstvu Jugoslavije. Za tare je menda ta odpoved vedljiva.

Predvsem je treba odsoditi takrino američke vlade, ker tako malo briga za svoje državljane, da ne uredi te stvari z Jugoslavijo na pošten način. Vsem pa menimo, da je naša dolžnost, da informiramo vse naseljence in njihove sinove, kako stoji ta stvar. Vsakdo, ki je v vojaških letih, naj več, da gre v Jugoslavijo na obisk. Kdor misli, da je pravilno, da ga vtaknejo v jugoslovansko armado, je tudi prav. V Ameriki je precej jugoslovenskih patriotov, ki se vrnijo za kralja in domovino — in pravilno je, da ti pa ne odidejo za par let v starini in služijo v armadi. Naj več, da niso patriotje samo jedu.

Kdor pa misli, da je to bedarni krivico — kakor mislimi — ta bo toliko pameten, ne pojde tja. Ako ima pet ali tisoč dolarjev odveč, da lahko zapravi, naj jih zapravi v Ameriki; če živi na domu, naj gre na zapad in ostane. Vsakdo ima gotovo skokane sorodnike ali prijatelje v Združenih državah ali Kanadi in naj jih obiše, pa bo lahko uveljavljen, da ga ne bo nikče obigval zaradi prisilne vojske.

Dokler američka vlada ne odgovori te krivice, ki visi nad našimi imigranti, je potrebno, da krivici odtegne vsakdo sam, da je prizadet, če hoče.

VLADA OBLJUBUJE ŽIVEŽ BREZ POSELMENIM

Pokupili bodo zavrnjeni živež in ga dali revežem na razpolago. Razdali bodo tudi 15 milijonov ton premoga

Chicago. — Harry L. Hopkins, federalni administrator pomočne akcije za brezposerne, je tudi dejal na konferenci županov v Chicagu, da bo federalna vlada radikalno spremeni svojo taktiko glede odpomčki brezposebnim. Vlada bo pokupila živež, ki ima biti zavrnjen, in ga razdala revežem. Obenem bo federalna vlada nakupila deset do petnajst milijonov ton premoga za brezposerne.

"Stradanje milijonov sred med izmerenega bogastva mora biti konec!" je rekel Hopkins. "Delo, da ponokod razvijajo mleko v jarke in kupi živeža leže v skladisih in drugi kupi sadja gnojijo v sadovnjakih, je neopravičljivo in vlada bo to jesen pokupila ves živež, ki bi bil drugače uničen, ter poskrbela, da ta živež pride v roke onih, ki ga najbolj potrebujejo."

Hopkins je tudi dejal, da bo vlada to zimo ustavila "bumanje" brezposebnih po deželi. Vsi trempe in drugi, ki kradejo vožnjo v vlakih, bodo poslaní v posebna koncentracijska središča, kjer bodo ustanovljena v vsaki državi in tamkaj jih bodo nasičevali, oblekli in nastanili v topnih stanovanjih ter jim skušali dati "izobrazbo". Vsi izobraženi ljudje, ki so danes brez dela in doma, bodo nameščeni v teh taborskih kot instruktorjev.

Hopkins meni, da je že vedno 15 milijonov ljudi v Združenih državah brez dela. V začetku aprila je bilo na pomočni listi 4.800.000 družin ali okrog 20.000.000 oseb; to število je ob koncu avgusta padlo na 3.200.000 družin ali okrog 15.000.000,000 oseb.

Režim na Kubi vztraja

Kubanski Sandino se je podal za časni vladni

Havana, 26. sept. — Juan Blas Hernandez, kubanski Sandino, ki je zadnji teden začel vstajajo proti začasnemu režimu, je včeraj v Havano kot jetnik in je spokorno kapituliral. Njegova vstaja je bila hitro udušena. Hernandez je obljubil vladni, da bo odslej služil le njej. — Pasivni odbor kontrarebelinskih oficirjev v hotelu Nacional se tudi trga. Obleganim častnikom je zmanjšalo hrane in zdaj prihaja v skupinah in posamezno iz hotelov zelo krotki. V splošnem je situacija na Kubi nespremenjena.

Hitler podržavi časopisje

Berlin, 26. sept. — Hitler bo kmalu dekretril nov tiskovni zakon. Vsi časopisi v Nemčiji bodo podržavljeni in morajo biti orodje fašističnega režima. Vlada bo tudi šolala urednike in reporterje. Kdor ne osvoji Hitlerjevih idej, bo "nesposoben" za časnikarsko službo.

"Smeh v džungli"

je avtobiografska povest, katero je spisal v angleščini naš rojak in somišlenik Louis Adamič. Vsebuje celo vrsto dogodkov, ki jih je doživel avtor sam in pa razni slovenski naseljeni v Ameriki.

Ta povest prične izhajati v dnevniku Prosvete v petek, 29. septembra, z dovoljenjem avtorja in v prevodu Stanka Lebna, ki ga je priredil za Tiskovno zadrugo v Ljubljani in katera ga je izdala pred nekaj meseci.

Adamičev delo "Smeh v džungli" je mojstrsko in preprosto. Za redne čitatelje Prosvete je ta povest precej den "treat". Ne zamudite je in opozorite svoje prijatelje in znance, ki se nimajo dnevnika Prosvete, na to.

Člani SNPJ, ki še nimate dnevnika Prosvete, poslužite se te prilike in naročite si dnevnik takoj!

Plavi orel še ni povečal mezde

Največ koristi imajo nizko plačane delavke

Chicago. — (FP) — Kljub splošnemu pravilniku in veliki publiciteti v prid plavemu orlu in zvišanju plač, so bile mezde v tej državi komaj za las višje v avgustu kakor v juliju. Državni departament za delo poroča, da je bila povprečna tedenska plača v avgustu \$20.85 ali devet centov več kot v juliju. Za delavke na splošno je znašala \$13.80 in za tovarniške pa le \$12.44.

Boljša stran plavega orla je v tem, da se je zaposlenost nekoliko zvišala. Zaposlenost delavk je narastla 8.4%, njih zaslužek pa se je zvišal za 13.6%. Na drugi strani je bilo prijavljenih več redukcij, kar pove, zakaj se povprečna plača ni zvišala. Iz tega je sklepalo, da se plače izmenjujo: nizke so bile zvišane in nadminimalne pa znižane.

V gradbeni in javnonapravnih industrijih je padla zaposlenost in tudi plače so bile znižane, pravi poročilo delavskega departmента te države.

Slovenska ura v čakačem radiu

Chicago. — John Potokar, član društva št. 39 SNPJ, je v zvezi z več radiopostajami v Chicago zaradi dobave slovenske ure. Te postaje so WGES, WOFL, WEBC, WBMM IN WLS. Čakački čitatelji Prosvete, kakor tudi oni v okolici, so naprošeni, naj pišejo Potokarju dopisico, katerega od teh postaj jim je najljubša. Več pojasnila o tej stvari bo Potokarjem dopis, ki bo objavljen jutri v Prosveti. Naslov: John Potokar, 1860 So. Ridgeway Ave., Chicago, Ill.

Rojak se pripeljal v parnem avtu

Chicago. — John L. Goričan, Virden, Ill., je v svojem prostem času zgradil avto, ki ga goni para. Zadnjo soboto se je pripeljal v tem avtu v Chicago, toda policija ga je ustavila na Michigan ave., in mu velela, naj kuri s koksom, kajti njegov "raufnik" na avtu je v konfliktu z mestno protidimnim postavo. Goričan je obljubil, da se bo pokoril. Iznajditev parnega avta, ki se je ustavil pri svojih prijateljih na naslovu 2287 So. Springfield ave., je povedal, da bušel premoga ga pelje 35 milij in lahko drvi 58 milij v uri. Vozilo je predelan iz regularnega avta in tudi parni motor je predelan iz gasolinakega.

Pasivni član umrl

Pet sovjetskih železniških uradnikov arretiranih v Mandžuriji

Tokio, 26. sept. — Japonska časnikarska agencija poroča, da so mandžurske oblasti arretirale v Harbinu pet najvišjih sovjetskih uradnikov kitajske vzhodne železnice. Arretacija ni politična temveč je del programa vlade Mandžukua za "iztrebljenje nesposobne železniške uprave."

Hvali sovjetsko skrb za javno zdravje

Chicago. — Na konvenciji American Hospital asociacije je profesor John S. Coulter z Northwestern univerze govoril zelo pojavno o prizadevanju ruske vlade za javno zdravstvo.

Rekel je, da je v Rusiji videl najboljše opremljene bolnišnice

za psihično terapijo ali duševne bolezni.

V tej zahtevi ni nič revolucionarnega, ker pomeni kooperacijo z biznisom, kar Green in tudi drugi voditelji posebno nagašajo. Kljub temu pa velebitni odsklanja to kooperacijo. Green smatra vsako novo unijo eno postojanko več za stabiliziranje industrije. In čim močnejše bodo unije, toliko prej bo prišlo do ekonomike sanacije dežele, meni on.

Marinus Van der Luebbe, holandski obtoženec, ki prve tri dni ni hotel nič jesti, je v nedeljo prenehal z glavovno stavko.

ADF PORASLA ZA POLDRUGI MILIJON ČLANOV

Od julija je izdala nad 500 novih čarterjev. Največji porast v članstvu v 52 letih. Green za delavsko zastopstvo v industrijach

Washington. — Letošnja konvencija Američke delavske federacije, ki se snide v tem mestu prihodnji pondeljek, dne 2. oktobra, bo priča največjemu napredku federacije, odkar je bila ustanovljena. Tajnik Frank Morrison pravi, da je federacija pridobil pol drugi milijon novih članov v letu julija.

Do delavskega praznika je federacija izdala 510 novih čarterjev krajevnim unijam, ki so direktno pridružene. V tem mesecu, do konvencije, pa bo nadzorni par mesecov največji napredek Federacije v enem letu.

In med tem ko je pred 52 leti

pridobil nad 800.000 v celem

letu, je federacija letos narastila

v dveh mesecih za nad milijon članov.

Klub velikemu napredku federacije dosedaj še ni dosegel tistega stišila kakor ga je imela za časa vojne, ko je štela nad štiri milijone članov. So pa dobrati izgledi, da bo koncem tega leta dosezen nov rekord.

Green je rekel, da se bo konvencija največ bavila z Niro, katero smatra zdravo v principu. Omenil je, da se bo konvencija gotovo izrekla oziroma zahtevala delavsko zastopstvo v vseh odborih in komisijah, ki imajo po zakonu izvajati kontrolo nad industrijami.

To vprašanje smatra federacija za fundamentalno; tudi ne bo rešeno, "dokler ne bo rešeno pravilno," je rekel Green. On smatra Nirovo mašinerijo za "industrijsko vlado". Ta vlada sedaj na isti stopnji kakor je bila vlada ob rojstvu Združenih držav. On upa, da se bo ta industrijska vlada razvijala smoten in da ni le začasna poteka.

Vsled tega je važno, da je v tem mehanizmu zastopano tudi delavstvo, pravil Green.

V tej zahtevi ni nič revolucionarnega, ker pomeni kooperacijo z biznisom, kar Green in tudi drugi voditelji posebno nagašajo. Kljub temu pa velebitni odsklanja to kooperacijo. Green smatra vsako novo unijo eno postojanko več za stabiliziranje industrije. In čim močnejše bodo unije, toliko prej bo prišlo do ekonomike sanacije dežele, meni on.

Silna povodenj v Sloveniji

Osemdeset mest in vasi poplavljene v okoliših Ljubljane, Celja in Zagreba. Petdeset oseb utonilo v Strugi pri Ribnici. Nove reke privrele izpod zemlje in ljudje niso mogli uiti. Povodenj je uničila pridelke in odnesla hiše, tovarne, bolnišnice in mostove

Ljubljana, 26. sept. — Strašna povodenj je v nedeljo in včeraj zadeval slovenske kraje. Osemdeset mest, trgov in vasi je poplavljeno. Tudi Ljubljana je deloma pod vodo. Prizadeta je tudi okolica Celja in vsa hrvaška ravnina okoli Zagreba. Prebivalci v celjski okolici so izpraznili dvajset vasi.

Silno je prizadeta okolica Ribnice. Privreli so novi tokovi vode izpod zemlje in nagi poplavili bivališča; ljudje niso imeli časa, da bi se redili. V Strugi je utonilo najmanj 50 oseb.

Belgrad, 26. sept. — Prva poročila o silni katastrofi v Slovniški in na Hrvatskem so površna, vendar je jasno toliko, da je veliko število ljudi izgubilo življenje in škoda je ogromna. Vlada je poslala vojaštvo, ki pomaga pri rešilnih akcijah. Povodenj je uničila vse pridelke v prizadetih krajinah in voda je odnesla hiše, tovarne, mostove in druge stavbe. Silno je prizadeta ribniška dolina, kjer je voda pridrla izpod zemlje in povzročila strahovito paniko med preprostimi ljudmi. Pojavile so se tudi bolesni.

Rim, 26. sept. — Potres je danes stresel Italijo in del Jugoslavije. Kolikor je doslej znano, je 12 mrtvih in 80 ranjenih.

DRUŠTVE VESTI

Apel društva št. 91

Johnston City, Ill. — Društvo št. 91 je na redni seji dne 10. septembra vzel v pretres zaključek, ki je bil sprejet na seji gl. odbora, da ima upravni odsek pravico poslati govornike na predbe društva in federacije, ki bodo proslavljale 30-letnico obstoja SNPJ, na jednotne stroške. Naše društvo je proti temu sklepu gl. odbora, ker je gotovo, da bodo deležne govornika samo večja društva in federacije, ne pa manjše naselbine, čeprav smo do tega upravičeni. Ako bi vsa društva zahtevala govornike, bi to stalo veliko denarja, poleg tega pa bi to prav malo koristilo kampanji za nove člane. Kdor hoče zavarovati sebe in svoje otroke, bo to storil. Ce oseba nima namena ali pa sredstev v tej krizi za pristop v društvo, ji je brez pomena govoriti in prigovarjati. Mi tudi nimamo dovolj govornikov, da bi jih pošiljali na vse proslave.

Društvo št. 91 je prišlo do zaključka, da ako hoče katera federacija ali društvo govornika, naj ga zahteva in obenem tudi plača. Po našem mnenju bo SNPJ dobila boljši ugled, ako vsoto, ki bi jo potrošila za govornike in agitacijo, porabi za plačevanje asesmenta starim in brezposebnim članom.

V naši jednoti je več starih članov, ki so v tej krizi brez dela in denarja. Ti so dobri člani morda 20 in več let, nekateri od ustanovitve SNPJ, pa bodo morada morali pustiti jednoto, ker ne morejo dobiti dela. V tej krizi še mladi ljudje ne dobe dela, toliko manj pa človek, ki je star 60 in več let.

Iz tega razloga društvo št. 91 apelira na gl. odbor in obenem na društva SNPJ, da na svojih sejah vzamejo to zadevo v pretres. Vsem priporočamo, da upoštevate naš apel. — Za društvo št. 91.—John Slivnik, predsednik; John Shum, tajnik; Matt Hrovath, blagajnik.

Volitve odbornikov

Panama, Ill. — Obveščam člane društva št. 123, da je bilo na redni seji 3. septembra sprejet sklep, da tajnik pozove vse člane, da se v polnem številu udeleže redne seje dne 1. oktobra. Na dnevnem redu je več važnih stvari, med temi volitve nekaj začasnih odbornikov. Seja se vráti v privatnih prostorih br. Martina Jurečka, pričetek ob 9. dopoldne. M. Jurečko, tajnik.

Važna seja društva št. 43

Aurora, Minn. — Na prošli seji društva št. 43 je bilo na redni seji 3. septembra sklep, da tajnik opomni vse člane in članice, da se bolj redno udeleže redne seje dne 1. oktobra. Na dnevnem redu je več važnih stvari, med temi volitve nekaj začasnih odbornikov. Seja se vráti v privatnih prostorih br. Martina Jurečka, pričetek ob 9. dopoldne.

M. Jurečko, tajnik.

Clane tudi prosim, da plačajo svoj asesment do 25. v mesecu.

Nekateri pridejo plačati takrat, ko tajnik že odpošije denar v gl. urad, nakar sledi suspendiranje.

V mesecu avgustu so bili suspenzirani štirje člani, ker niso plačali asesmenta ob pravem času.

Citajte pravila SNPJ in se po njih ravnajte.

Petar Yelich.

Skupni piknik

Greensburg, Pa. — Na zadnjem seji društva SNPJ, ki se je vrnila dne 10. septembra, smo razpravljali, na kakšen način bi podprtji društveno blagajno. Storjen je bil dober korak s tem, da smo sed zedinili, da vsa jugoslovanska društva prirede skupni piknik v korist svojih blagajn. Ta društva so št. 223 SNPJ, št. 345 HBZ, št. 125 SSPZ in št. 77 JSKJ.

Piknik se vráti dne 30. septembra pri br. J. Pušniku, Carbon.

ZA STARI KRAJ

POTOVANJE

Če ste namenjeni v stari kraj, je v Vašem interesu, da se poslušate najstarejše in zanesljive domače tvrdite seje dne 1. oktobra ob 2. poledne. John Modetz, tajnik.

Društvena doklada

Girard, O. — Naznanjam članstvu društva št. 49, da je bilo na predzadnji seji sklenjeno, da vsak član plača 50 centov v društveno blagajno in to v mesecu novembru. Kdor hoče plačati doklado prej, to lahko stori. Člani naj si zapomnijo, da kdor ne bo plačal omenjene vso v društveno blagajno, ne bo tajnik vzel od njega rednega asesmenta. Tak je zaključek društva. Kateri ne more plačati, naj pride na sejo in tam pove svoje potreške. Pripovedovati tajniku, da ne bo plačal ali da ne more pla-

čati, ne pomaga nič, kajti tajnik se mora sam pokoriti društvenim zaključkom in jih izvajati. Ako tega ne dela, je podvržen kritiki radi neizpolnjevanja društvenih sklepov. Bratje in sestre, plačujte svoj asesment, da ne bo treba vsakega posebej opominjati. Bodimo enaki, ko je treba kaj prispevati prav tako ko takrat, ko smo upravičeni kaj dobrati.

Naj omenim, da je društvo sprejelo sklep glede društvenega asesmenta vsled tega, ker je prejšnji zaključek, da priredimo piknik, razveljavilo in se piknik ni vršil.

John Taneek, tajnik.

Vabilo na sejo

La Salle, Ill. — Na zadnji seji društva št. 2 je bil sprejet sklep, da se povabi vse člane na prihodnjo sejo dne 1. oktobra, na kateri bo treba rešiti več važnih stvari glede 30-letnice društva in jednote. — Fred Malgal.

Seja društva št. 448

Johnstown, Pa. — Društvo Mirni dom št. 448 poziva vse člane, da se udeleže prihodnje redne seje 1. oktobra, na kateri bomo razpravljali o raznih zadevah v korist društva in jednoti. Člani, bodite točni in udeležujte se sej v večjem številu. Če člani hoče, da kaj koristnega ukrename, mora prihajati bolj pogosto na redne seje.

Frank Mikush, tajnik.

Posiv na sejo

South Bend, Ind. — Pozivam člane društva št. 531, da se bolj redno udeležujete sej. Zadnje seje 17. septembra so se udeležili samo štirje člani in ker ni bilo krovuma, nismo mogli ničesar storiti. Imeli smo bolniščko nakaznico, katero nismo mogli odobriti in bo ponovno predloženo na prihodnji seji. Vse člane prosim, da se udeležite seje dne 15. oktobra. Za meseca oktober in november je razpisani izredni asesment v bolniški sklad. Tisti, ki so zavarovani za tri dollarje bolniške podpore, plačajo \$1.50 izrednega asesmenta v oktobru in novembru, oni, ki so zavarovani za dva dollarja, pa 50 centov. Člani, ki so zavarovani za en dollar bolniške podpore, ne plačajo doklade. Tajnik ne bo vzel rednega asesmenta od članova, ki ne bi hoteli plačati izrednega.

John Ambrozich, tajnik.

Pa. Vstopnina za člane je 35 centov, za članice pa 25 centov. To vstopnino plačajo vse člani, ne glede na to, če se piknika udeleže ali ne. Izvzeti so samo bolnički.

Vse člane vabimo, da se udeleže piknika, kakor tudi člane bližnjih društev in rojake. Zabava bo izvrstna, da bo lahko vsak zadovoljen. Igrali bodo hrvaški tamburaši iz Harmarville, Pa. Bratje in sestre, pridite vse, da se bomo skupno zabavali. Na razpolago bo dober prigrizek in ječmenovec.

Omenim naj, da v okolici Greensburga skoro vse delo počiva. Rudarji so zastavili proti Keystone Coal Co. in v tovarni Wolford Co., kjer je bilo uposlenih krog 1,500 delavcev. Stavka je stodostotna in vse je zastrupeno noč in dan.

Trideset let društva "Slavije" in kluba št. 1

To jese praznijeta v Chicagu ob 30. letnici društva "Slavije". Društvo je ustanovljeno 18. julija 1903, društvo pa je bilo ustanovljeno 23. septembra 1903. Klub št. 1 bo imel slavnost 30. letnice v nedeljo 29. oktobra v dvorani CSPS, društvo "Slavija" v nedeljo 19. novembra v dvorani SNPJ. V odboroma za sejne sporeda, ki bi predvajala zanjih slavnostih, so s par nami eni in isti člani, kar kaže medsebojno sorodnost teh skupin.

Ustanovitelji kluba št. 1 so postali temelj organizaciji, ki je ustanovil obsežno ustanovo za gradnjo slovenske svobodne podprtine organizacije. Socialistično pojmovanje dela na voljo med članstvom klubu ni tako jasno začrtano kakor je na voljo med članstvom klubu. Kajti to je bilo pred 30. leti — prvi razred učencev, ki so mogli le na podlagi svojih lastnih izkušenj graditi in popravljati napake ter zmote, katerih je bilo malo.

Jedini prvi napor za ustanovitev društva "Slavije" in poznejši slovenske narodne podporne organizacije niso bili izvajani po kakršnem premljjenem in nadiranem načrtu. Besede načrta, svobodomiselnina, delavska redna in slične so povzročale v njih veliko zmede. Toda so bili edini, da to, kar hoče, mora biti nekaj čisto načrta, kar jim je usmelo duhovščina onih dni.

Socialistični klub, ki je z ustanovitvijo JSZ dobil v nji št. 1, društvo "Slavija", ki je v SNPJ, zato da je bilo pred 30. leti dokaj sporedno. Nekaj, ki so bila včasi precej, so vselej našla pravilno uporabo. Stevilni delavni člani kluba št. 1 so bili skozi vso to do tudi vneti agitatorji za SNPJ in mnogi izmed njih aktivni člani društva "Slavij."

Ker se vsakdo kljub slabim razmeram rad zabava v krogu svojih znancev in prijateljev, je naš veselični odbor preprisan, da se boste gotovo udeležili.

Ustanavljati novo podporno organizacijo na svobodnem temelju proti toliki premoci je bilo drzno podvzetje, ki so ga gledali na nasprotni strani s prezirom in posmehom. Neke člani so postali vsled tega malodušni, češ, saj to društvo ne bo moglo živeti! Ostali so bodrili, odbijali rušilne govorice nasprotnikov, vabilo rojake v društvo, pisali v Glas Svobode in iskali stike z naprednimi Slovenskimi eni in isti člani, kar kaže medsebojno sorodnost teh skupin.

Clevelandke volitve

Cleveland, O. — Socialistična stranka stalno opozarja na vzroke, zakaj se toliko delavcev nahaja v bedi in pomanjkanju. To so posledice obstoječega socialnega in ekonomskega sistema, čigar bog je profit. Ta sistem je odgovoren za slabe razmere, v katerih se ljudstvo danes nahaja. Ako ne bomo šli na delo, da odpravimo ta krivični sistem, bomo še nadalje izkorščani. Letakrat, ko bomo ta sistem odpravili, smememo upati na boljšo dobročnost. Toda spremembu v nem mestu ali v eni državi še ne zadostuje. Trebujo je izvesti po vsem svetu.

Naše prvo orožje je glasovanje. Iztrgati moramo politično oblast iz rok bankirjev in industrijskih magnatov, velikih trgov in korporacij, katere reprezentirata starci stranki, republikanci in demokrati. Ni dovolj, da se delavec pokaže samo na volilni dan, pač pa je potrebno, da je aktiven v volilnih kampanjah. Trebuje je zdobiti politično moč kapitalizma.

Dve leti demokratske administracije v Clevelandu nam nista prinesli začeljene spremembe. V mestni vladu imajo besedo grafarji. Prej je vladal boss Maschke, sedaj pa je na krmilu Gongwer, zagovornik elektrarskega trusta. Nevidna vladava velebitnina daje cekine tukajnjim demokratom. (Newton D. Baker je prednost na Morganovi listi.) Delavci morajo v svojem lastnem interesu poraziti republikance in demokrate pri prihodnjih mestnih volitvah.

Socialistična stranka reprezentira delavce in je edina, ki ima konstruktiven program, ki naj prinese spremembo v mestni vladu. Naš cilj je, organizirati delavce politično in strokovno, prav tako farmarje in zadrževalce.

Končno naj omenim, da je John Rak od Proletarca na svoji poti iz Johnstowna skozi Cleveland obiskal v spremstvu so druga Zorkota bolnika F. Barbica. Johnny je priden fant in delaven sodržnik. Takih potrebujejo ustanoviti SNPJ in socialistična stranka. — Anna Barbic, 53.

Clanstvu društva 403

Tacoma, Wash. — Vsem članom in članicam društva št. 403 SNPJ naznanjava, da je bilo na redni mesečni seji dne 20. septembra, da predsednik in tajnik opozorita naše članstvo proti tomu Prosveće, da se malo v večjem številu udeležite društvenih sej.

Bratje in sestre! Vaša dolžnost je, da se bolj redno in pogostoma udeležujete društvenih sej, ker je z vašo pomočjo in dobro voljo boste omogočili napredok društva ter mu tako ohranili obstoj in dobro ime. Odbor sam, pa če je še tako dober in previden v vseh slučajih, ne more brez vaše pomoči in kooperacije storiti kar morda od odbora pričakujete. Društvo je vaša skupna last, vaša organizacija. Ako hočete, da raste in napreduje, se morate vi sami potruditi in storiti svojo dolžnost.

Pred desetimi leti smo bili takoj napredni in aktivni pri društvu, da smo tudi zgradili svojo društveno dvorano, zadnje čase se pa držimo ko da več ne društvo ne dvorana ne pripadata nam. In to se bo tudi zgodilo, ako se ne bomo bolj zanimali za društvo in društveno lastnino.

Ni naš namen, da vas kritiziramo, ampak vas pozivamo, da kooperirate z odborom in da se udeležite društvenih sej, da tako ohranimo in vzdržujemo društvo in društveno lastnino.

Novi načrt gospodarskega odseka

Chicago.—V zadnjem zapisniku seje gl. odbora je bil pričlenjen tudi način poslovanja za gospodarski odsek, katerega je o svojih z malim popravkom gl. odbor. Ker sem bil včetek let član tega odseka, mi je znano njega poslovanje, zato se mi vidi potrebo, opozoriti članstvo in gl. odbor na hibe, katere vsebuje predloženi načrt.

1. točka: "Glavni tajnik mora obvestiti do 6. v mesecu vse člane gospodarskega odseka, koliko je denarja na razpolago za investiranje." Dosedaj se je obveščalo le kadar je bil denar na razpolago, kar je pravilno, kajti mnogokrat se pripeti, da jednotna dobi denar za potečene bonde med mesecem, kar bo moralno po sedanjem načinu čakati neinvirstrano do drugega meseca, ter bomo na neinvestiranem denarju gubili obresti.

2. točka: "Tvrde, s katerimi bomo poslovali, morajo poslati svoje ponudbe do 5. v mesecu vsem članom gospodarskega odseka in Fred A. Vidru v gl. urad." Načrt v tej točki določa "samo tvrdke, s katerimi bomo poslovali, morajo poslati ponudbe." Dosedaj se ni gledalo na to, če smo poslovali prej s tvrdko ali ne. Ako je posala dobro ponudbo, se je isto upoštevalo in s tem se je dalo tvrdkam priliko do kompeticije, katero pa predloženi načrt popolno izključuje. Tudi med tvrdkami, s katerimi se bo poslovalo, je v sklopu jednotne sedaj izključena vsaka kompeticija. Kajti načrt je tako sestavljen, da nobena tvrdka ne bo vedela, katero bonde bo kupil gospodarski odsek. Iz izkušenj pa vemo, da prakticirajo vse tvrdke na način, da vam ponudijo malo koncesijo, katero so deležni odjemalci. Ker se pri nas vedno kupuje večje število bondov naenkrat, od 25 do 50, so tvrdke tudi vedno premenje ceno, katera je bila zapadena v obliku koncesije, kar je popolno razumljivo, posebno še, ako se je obvestilo več tvrdk, ker one odstopajo del dobitka odjemalcem le kadar so prisiljene v to.

Določba, da morajo tvrdke posiljati cirkularje v gl. urad, je nepraktična. Pošljalo naj bi se le tiste cirkularje, za katere bomo odglasoval odsek, ker drugi so itak brez pomena. Ako pa bo upravnji odsek preštudiral cirkularje, potem naj še kupuje drugače je čas, ki ga porabi v to popolno po nepotrebni izgubljeni. Kakor je tudi brez pomena določba, da mora na glasovanju vsak član navesti, zakaj pripoveda nakup bondov. Ako jih smatra za varne, že z glasovanjem to potrdi. Nekaj drugačega bi bilo, aki bi se navedlo "rating" na primer "Moody AAAA." To bi nekaj pomenilo, ker bi bila določba, da se niže vrste bonde ne sme kupovati.

3. "Do desetega v mesecu mora vsak član gospodarskega odseka odglasovati kam naj se voti, katera je na razpolago, vložiti." Kar znači, da ima vsak član samo 4 dni časa za glasovanje.

4. "Do desetega v mesecu mora vsak član gospodarskega odseka odglasovati kam naj se voti, katera je na razpolago, vložiti." Kar znači, da ima vsak član samo 4 dni časa za glasovanje.

je dosedaj prakticiralo iz razloga, da ima članstvo popolen pregled kam in kako se investira premoženje jednote, kar je čisto pravilno. Kajti gospodarska stran organizacije je najglavnnejša. Čim več bo imelo članstvo jasnosti o gospodarstvu, tem boljši ugled bo imela organizacija v članstvu bo imelo večje zaupanje v njo. Kakor hitro pa bomo pričeli zakrivati stvari, bomo dali nasprotnikom priliko za raznega sumnjenja. Tega pa ne smemo dovoliti in upam, da bo gl. odbor na prihodnji seji popolno revidiral načrt in sprejet načrt, ki bo praktičen in koristen za organizacijo.

Clevelandskim delavcem

Vodstvo socialistične stranke v Clevelandu je izdalo pod gornjim naslovom sledenje volilni proglaš na clevelandske delavce:

"Socialistična stranka opozarja delavstvo na dejstvo, da ima vso današnja beda in trpljenje svoj izvor v napačnem družbenem in gospodarskem sistemu. Na golih profitarskih motivih sloneči kapitalistični sistem je odgovoren za vso današnjo miserijsko, ki nas tepe. In dokler mi ne sprememimo tega sistema, takoj gre nazaj zopet na star sistem, katerega posledice danes čutimo v jih bomo čutili še dolgo. FOR MEMBERS OF SLOVENE NATIONAL BENEFIT SOCIETY AND AMERICAN SLOVENES

WEDNESDAY, SEPT. 27.

Editorial Comments

Contributions to this section of the Prosveta are rapidly increasing. This is a good news which indicates that our young people are renewing their interest in lodge activities. Their planned social events offer ample forms of entertainment in nearly all the SNPJ sections.

In spite of the fact that the present space in the Prosveta is somewhat limited, we are glad that so many of our former and new contributors find it interesting enough to write for these columns. Their list is increasing and we sincerely wish their praiseworthy work for the organization will continue perennially.

The numerous social events announced by many of our active branches for the fall season once more promise unusual activities. In promoting social affairs our young people are doing two things. They are helping their lodge financially and morally and at the same time they are interesting other young people in our organization.

The campaign for new juvenile members is on. October 1 marks the initial date. Many youngsters qualified to become our members could be brought into our branches. Increase your lodge membership by securing as many juvenile members as you possible can. Remember that our juvenile members are the future of our organization.

And do not fail to attend your branch meetings. There is no more opportune time to attend meetings than the fall time. Take an active interest in your lodge doings and help your lodge in every way possible, because your lodge is always ready to help you. Do your part. Help increase your lodge membership, promote its activities and put it on a sound basis financially and morally. Preserve its respect and spread its influence.

Official Notice

LEVY OF SPECIAL ASSESSMENT INTO THE SICK BENEFIT FUND

The statement that the members must work mutually for the interests of the Society has been made so repeatedly that the net result would of itself bear out proof that members place this understanding into practice in a small measure; however, actual facts bear witness to the contrary. The sick benefit fund inevitably drifts into a deficit as no other fund, and all evidence points to the time when all sick benefit above the \$1.00 per day class will have to be abolished. If by such limitation special assessments would be completely avoided, the most successful remedy will have been found.

The two and three-dollar classes of sick benefit show a deficit exceeding a sum of twenty-four thousand dollars for the first six months of the fiscal year, while the one-dollar class shows a surplus of three thousand dollars for the same period. What is the cause? If we attribute the deficit, in a large measure, to simulation, we are met with disapproval from many. Unwilling to cope with the real reasons, we prefer to pay the special assessments. If the two and three-dollar classes almost constantly incur a deficit, while the one-dollar class accumulates a surplus, in what other manner can the cause for the differences be interpreted? Rather than closely supervise the members in the higher classes of sick benefit, we choose to pay, and for this reason we are confronted with deficits.

The Supreme Administrative Committee at its meeting of August 16, decided to levy a special assessment for the sick benefit classes in accordance with Article 46, sections 1 and 2, of the By-laws, for the months of October and November. The special assessment shall be levied as follows:

All members insured in the two-dollar class of sick benefit and residing in the United States shall pay for the months of October and November, 1933, in addition to their regular assessments, a special assessment of 50c per month. Members insured in the three-dollar class of sick benefit shall pay in October and November, in addition to their regular assessments, a special assessment of \$1.50 per month, and members insured in the \$2+\$2 and \$2+\$3 class of sick benefit shall pay, in addition to the regular, a special assessment of 50c for each dollar of insurance. Members insured for one dollar per day sick benefit or less or members insured for the death benefit only shall be exempt from special assessment.

In accordance with Article 46, section 2, of

Veronian Views

Verona, Pa.—Last week the Veronians held a "corn roast" at the Lone Star Club. This was a new venture, but the members responded very nicely by attending in full force, especially the girls. We also had the pleasure of having with us the Comets ably represented by the Demshars, Kumers and Wichies, the Key-Stonian contingent headed by Jack Preza and the Ramblers. It was an ideal night for the corn roast—a beautiful moon, plenty of corn, music, dancing: a combination which is bound to produce a good time.

The coming of the Fall brings back fond memories of the Tri-Lodge Bowling League sponsored by the Veronians, Ramblers and Comets a few years ago. Those were happy days. Although we are not so optimistic to expect a bowling league this year due to prevailing unsettled conditions, we hear rumors are current that the Federation expects to sponsor a Bowling Tournament sometime this year for the English Speaking Lodges of Western Penna. We hope that plans will be successful as there seems to be a great number of bowling enthusiasts in various lodges who would be pleased to display their bowling ability.

The Veronians are represented by at least one man in Roosevelt's reforestation corps in Bill Radojeich.

Bill dropped in specially to attend the corn roast. He reports it's a great life high up in the Pennsylvania mountains where he is stationed. As evidenced by the popularity of his "Lest We Forget" column which appeared regularly in the Prosveta prior to his enrollment in the corps, he would be able to give the readers of the Prosveta some interesting highlights on life in the reforestation camps. We hope he may be persuaded to write of his experiences in the Prosveta.

Talk has been made of the Veronians assembling a basketball team this year. It would be a very good plan to have the lodge represented on the floor. No definite steps have been taken as yet. It seems lack of playing facilities has hampered formation of the team more than anything else.

To Joseph Jare—thanks. We wonder what has happened to the Ramblers. No news from them for a long time. Next month the Comets hold their Annual Halloween Dance. The Comets promise an evening of fun. As usual the Veronians will be there in full numbers. One Kern goes off the sick list and another gets on. This time it is Jennie Kern who is rapidly recovering from a major operation. Don't forget the Lone Star dance on Sept. 30. Spectator.

Beacons Highlights

Cleveland.—Last week an error appeared in our article reading that the Comrades Annual Harvest Dance is to be held at the Slovene Home on Waterloo, which should have read at the Slovene Hall on St. Clair avenue. Please take this into consideration. Give yourself a treat by attending this great Comrade affair, Saturday, Oct. 7.

Loyalties

The high hopes of August Prusnick for the Loyalties Eighth Anniversary Dance to go over big, proved very successful last Saturday night. A large crowd of young people gathered at the set rendezvous and made merry. With the exception of the Progressives all local SNPJ E. S. lodges were represented.

This 'n' That

Did you know that four E. S. lodges are holding dances Saturday, Oct. 7? One in Cleveland, one in Girard, one in Chicago and one in Pennsylvania. There certainly is a list to choose from, but be sure you attend at least one of them. Do you believe us, that only Justine Zele and August Prusnick of all the Loyalties were the only two who found time to say hello to the Beacons who attended their dance? We are glad to hear that Olga Peterlin is

soon to return back to Cleveland, permanently. Welcome back! . . . Saint-and-Sinner's write-ups were well liked by everyone, therefore they should continue to give the public weekly contributions. We alone can't believe it, but it is being rumored, that the young Pioneer lady who is vacationing in Cleveland has already captured the heart of a well known Beacon. No wonder he has no time for highlights . . . Can it be that Cupid is also to blame for the sudden disappearance of the Progressive Patches? . . . Joe Jarc is far, far from guessing the correct Bachelorettes . . . The Beacons are still undecided, whether to hold an afternoon program or not for our fifth anniversary, and therefore ask all members and sister lodges to attend the meeting Oct. 4 and help us decide. . . . Did you know that Blondie Tauer fell? It's a good thing only his heart is injured . . . What is happening to Otto Tekautz, what has caused the great change in him? . . . Misses Hocavar and Bubnic of the Beacons are both suffering of a usual heart sickness . . . We're waiting for the weddings to start taking place, and believe us, everyone is going to be kept busy. Cupid has a terribly long list this year.

Two Beacon Bachelorettes.

Badgerland Buzz

By Betty Boop

Milwaukee, Wis.—Heigh ho, all ye Badgers! Back again after last week's absence.

October 7

The arrow points to October 7 for the Badgers' Big Festival and Harvest dance. The place, at the S. S. Turn Hall. Members, the hall's been redecorated. You'll dance to the sweet and scintillating tunes of the best orchestra in all Wisconsin, Joe Caravella and his eleven piece orchestra. We're all gonna be there and have a good time till the wee-wee hours in the morning.

The "Stalwarts" of Kenosha plan to be with us on the 7th for this big affair, according to an article by Joe L. Kazlic, a Stalwart. We want to see as many of you Stalwarts there as possible and we'll give you a "real welcome."

We're also extending our invitations to the Jolly Allis Lodge. And I'm sure we can count on Lodge "Verena" to give us their support on this day. How about it?

Miscellaneous

Frank Obluck, our ex-secretary, is visiting A Century of Progress in Chicago. Frankie, I'll bet you enjoyed seeing the W. L. S. National Barn-Dance. Well, you can tell us all about it.

Friday nights mean Ohi Time Dancing to a number of our members. Last Friday night "Mitz" Mihelich, "Bones" Obluck, Alice Glavan and Joe Owen left Walker Street all "dotted" up and away they went to the Futuristic Ballroom.

More members have been added to our sick list. Besides Frank Schneider and Eddie Jereb, we have Erna Stiglitz, Mary Magister, and Antoinette Strukel. When some of you members have nothing to do, why not use that time up and cheer up the members on the sick list. Remember, do your part.

Night School has its attractions and to prove it you can ask any of these members why—Josephine Bar-

bick, "Mitz" Mihelich, Mary Grader and Molly Pogorelc. There is no doubt more of them, but I've yet to find out who they are.

I think most of you members can recall "When a Feller Needs a Friend," the play the Badgers put on three years ago. The play will be produced at 13th and Walnut st. George Henning, the director of the play, has made all the arrangements pertaining to this play. You're all invited to attend this affair at depression prices—25c—and dancing till the wee hours in the morning. The date is September 30.

Galant Sentinels

So. Chicago.—It's surprising to see our members actually taking an interest in lodge affairs. What a meeting we had last Monday, and I hope the next one will be just as peppy. Why don't some of our other members attend?

Three new juvenile members were accepted, and we've also got a new one for the next month, R. Bozich. Don't forget to get a few more for the October meeting.

All plans for our Halloween party were made, the members promising to cooperate and make this a gala affair. A committee consisting of Sisters A. Bozich, P. Kuhel, Z. Yurkus, and R. Krause was selected and these young ladies will do their utmost to get that Halloween atmosphere into the air. The date is Saturday, October 28, and the place, Sis. Secretary's home, 9523 Ewing avenue.

Since this will be free to our members, their families and close friends, it was suggested that some of our members contribute a little something in the way of refreshments. We ask our female members (or the males who can bake) to donate a few cakes and poticas if possible. Of course, this request is not compulsory, but, you know, the more the merrier, and anyhow what would a party be without cake to go with the java? The vino and sandwiches will be lodge expense, a few cakes have already been promised, the music is gratis; all in all a little more help is all we need.

There's one more meeting before that time, and if you have any suggestions or donations to make, be sure to let the committee know or come to the meeting.

Costumes are in order for those who choose to dress, and we urge as many members who possibly can to do so. There'll be prizes too. Who knows but that you may be the lucky ones?

A special treat is in store for the youngsters, so don't forget to bring them. The kiddies want to have a good time once in a while too and preparations are being made for their benefit.

Any comments or criticism? Well, come to the meeting.

Ruth.

Pioneer Annual Dance

Chicago.—The Pioneer 8th Annual Dance will be held at SNPJ Auditorium Saturday evening, Oct. 7, 1933. The dance committee has chosen a real orchestra which hundreds of people dance to each week. The Pioneers always try to give the most they can for the price. They have chosen in this instance Vergil Gaines and his Monarchs of Melody of eleven men. Vergil Gaines was formerly with Jack Chapman and his orchestra. This is the first time that the Pioneers have chosen so large an orchestra; as a fact, it is the first SNPJ lodge in Chicago to hire such a large orchestra.

The hall I am sure will be decorated in a very splendid manner. The committee is arguing as to which one of two plans will be the prettiest. We are contemplating music in the lower hall. The local people will find in a West Side newspaper another report of our annual dance. There are still plenty of tickets which can be obtained from either J. Kopach, D. Lotrich or O. Godina. Remember by getting a ticket in advance you save money at the door for the biggest and most popular dance of the season.

Oscar B. Godina (559).

FLASHES By Incognito

September is in its final week. Fall with its cool variable winds is already here. Soon enough all activities are centered indoors. It has been customary for the Pioneers to inaugurate the indoor season each year with their annual fall dance. The custom shall be continued on Saturday, October 7, 1933. We have established many precedents for the dancing folk.

Our lead of excellent music and exquisite decorations have been fashioned regularly by other followers. Our manner of advertising has been followed by numerous other groups. We have always made many new friends and boosters at every one of our social affairs and we're going to make sure that these long established precedents shall guide us in the preparations for our Eighth Annual Dance at the SNPJ Auditorium.

Isn't it funny how orchestras come and go, that is, they rise and fall? Only a few gain prominence. Virgil Gaines and his eleven piece orchestra who are scheduled to play for the Pioneer Eighth Annual Dance can be placed in the latter category. They have started to climb and progress

over a year ago and they are still gaining favor among the dancing-folk every day.

All right, Pioneers! How much work did you do for the dance? Did you get up your party of friends? Did you talk to the old folks? There's no reason why you and all your friends shouldn't attend. You go to taverns, shows, dances, etc., on Oct. 7 you are directed to the SNPJ Auditorium to the Pioneer Tavern.

The Pioneer Dance Committee meets Friday night, Sept. 29, at Oscar Godina's home. Everyone must be there. Something special.

Every delegate to the Chicago District Federation of SNPJ must attend a very important meeting Thursday, Sept. 28, at the SNPJ Hall. The Xmas Juvenile Party shall be decided, a 30th Anniversary Celebration of the Society discussed and the auditing committee will report.

A meeting of the Slovene Unemployed Club is called for Friday, Sept. 29, at the SNPJ Hall. Our ranks are growing despite the NRA, because many are still without work.

1933 Syllogisms

Labor-saving machinery is more efficient it creates comfort; it saves time. Therefore go back to the good old days when all was performed by hand. Even though it was more crude, everyone had something to do.

There is over-production—too much for people to live on; more than the present population can consume. But everyone doesn't share his just share. Therefore, we have too many people in this world.

The youth is the hope of the nation. As a twig is bent, the tree is inclined. The future leadership rests in their hands. Therefore, attract them to school by sports. Make the greatest football star in school the hero, even though he flunks most of the subjects that bookwork dig their noses into.

Wages should be high enough for people to buy. Upon this factor the purchasing power of the nation depends. An average income of a comfortable life should be at least \$2,000 per year. Therefore, establish a minimum wage of \$12 per week.

Labor produces everything. It produces wealth and surplus wealth. One is entitled to that which he produces. Therefore, put the surplus wealth into the hands of a few individuals, so that they may privately withdraw it, invest it, and reinvest it.

No one is born a criminal. Human nature is just what you make it. It depends upon the environment and the conditions under which one lives. Therefore, inflict capital punishment, tighten the ropes around lax criminals; teach the criminals a lesson, so that when they get out, they will know they've been disciplined.

The time is ripe for everyone to think in terms of a World State. No nation can depend upon itself alone. That is the germ of universal brotherhood. Therefore, spread the idea of nationalism. Practice it, and think it.

Our present economic order has been employed ever since the history of this country began. It has always been in the hands of Democrats and Republicans. But times have changed. We need a new social order—a new social principle. We need something to fit present conditions. Therefore, go to the polls and vote for the Republicans or the Democrats depending upon which one isn't in at the present time.

Mary Jugg, Chicago, Ill.

Too Much And Too Little!

Too much clothes, too many shoes, too much clothing, too many homes, too much wheat, too much of everything but brains. Bad news for the farmers in the Argentine and in the United States. For many months Argentine crops promised to be small due to a long drought—then it rained. Calamity! A bad crop is assured and wheat dropped 2½ cents bushel. Perhaps calamity can yet be prevented by plowing wheat under like cotton in the country.

At home the Agricultural Adjustment Administration will subsidize the export of over 30,000,000 bushels of stored wheat, selling at from 15 to 20 cents below the domestic level in the hope of preventing a price decline here. It will be sold in such "pauper labor" countries as China, Japan, Ireland, Spain, Portugal and the Philippines.

In these days of depressing capitalism it is a matter of getting rid of too much, although it is evident that millions of us have too little. Laugh that off, will you?

"We do our part," said Bill Sykes as he descended the fire escape. "We do our part," said the big hat signers of the automobile code as they looked at the workers.

(Continued from first column.)

the By-laws, special provisions for members of Canadian Branches were made as follows:

All members residing in Canada shall, beginning with October 1, 1933, pay a special assessment of \$1.00 for each dollar sick benefit assessed for, and until further notice.

The Branch secretary shall accept no regular assessment from a member who fails to pay the special assessment.

Additional assessment for members of Canadian Branches is levied by reason of necessity as seen from these facts: In the first six months of the current year, approximately 1,500 members of Canadian Branches received a total of \$83,461.70 of sick benefits in excess of the total amount remitted for their assessments. On the basis of an average number of 1,500 members in Canadian Branches during the period of four years, the total amount of sick benefit received would average \$110.50 per member. These facts warrant expedient action to bring such matters to an end.

Spirit-O-Grams

By Whoosit

Louis, Mo.—With the falling of the summer season approaching and with the mind naturally wanders to the social activities of the winter months. All of which reminds this writer of the fact that the Spirits are hard at work preparing for their annual social activities, the first of which appears on the calendar is Mammoth Fifth Anniversary Banquet and Entertainment to be held Sunday afternoon and evening, Oct. 12, at the Sokol Auditorium. No lodge wishing to make reservations for this date may do so by notifying Bro. John Spiller at 3846 Carroll Ave., St. Louis, Mo.

Bro. Frank Zvanut has just returned from Seattle, Wash., where he spent a year of study through the scholarship he won while attending Missouri School of Mines at Rolla, Mo. His stay in St. Louis was for a few days as he has returned to Rolla to teach chemistry. He is, as everyone knows, a very quiet and studious chap. He has worked his way through school and his determination has finally accomplished something. He is a very modest young man and never thinks about things that don't seem to go right, but keep at it until it is successful. Just keep up the good work, Frank, and now that you're near St. Louis again, don't forget.

Milwaukee News

Wisconsin, Wis.—Harvest Festival and thrilling features entirely different from other years, will make the entertainment program to be presented at the Badger's Harvest Festival, October 7, 1933, at the good South Side Turn Hall.

The super attraction of this dance is none other than Caravella's big piece orchestra, known as Milwaukee's Latest Sensation. This band has been appearing at the Milwaukee as well as many other outstanding ballrooms in this city, and goes to show that it is very popular among the young dancing set.

In addition, five dollars in gold will be given away at this gala event. Get your admission tickets now. Here is the chance of having a most enjoyable time as well as being the lucky dollar-gold-piece-winner. You can't go wrong. Tickets in advance at the door 35 cents, and can be obtained from the secretary or any member of the Badgers.

The evening which will be climaxed by a beautiful display of confetti, streamers and balloons, combined with dimmed lights, as well as the various tones of the orchestra, will delight all those who attend. Saturday, October 7, 1933, with the Badgers at their first social event of the season. Members! Can the committee rely upon you for your cooperation at this time? Well, then hustle up, get busy advertising your tickets, advertise this to the utmost. Remember this will help us decide if we land on any street or not. Are you with us?

Sick Members

Irma Stiglitz and Mary Magister have been added to our sick list for this month. Here's wishing them a speedy recovery. We hope that Eddie Jereb and Frank Schneider will be well able to attend our next meeting.

Miscellaneous News

Mrs. Zupancic of Aurora, Minn., visited at the home of her daughter, Mrs. Anne Glavan.

Mr. and Mrs. Frank Glavan, also of Aurora, Minn., drove to Milwaukee and visited at the home of Mr. and Mrs. Louis Glavan. I hope they all enjoyed their stay here in Milwaukee. Don't forget to come and see us again.

Congratulations! Henry ("Hank") Tyne and Josephine Pjister, who will be hearing wedding bells soon. This should interest a number of Badgers as "Hank" has been like one of us.—Congratulations, Anne Glavan, and many happy returns of your birthday. Mary Pogorelc, Publicity Committee.

Little Fort News

Wisconsin, Chicago.—Make plans to attend Little Fort's Halloween Dance to be given on Friday, October 28, at the Slovene National Home. Dancing will start at 8:30, with music furnished by Ace Nagode's five-piece orchestra. And you know what that means! Wonderful music and a good time can be assured to all! Novelties will be given away. Also free checks of coats and wraps. We are expecting a group from Springfield, about some dancers from St. Paul, Pioneer and Integrity lodges? Be expecting to see you here.

There's an inducement for all members to come to the next Little Fort meeting which will be held on Thursday, October 19. The meeting will be opened by a social, which will be presided over by Marie Gary, Fran Lovatin, and Mary Michalski. More Little Fort members and others

keep attending the fair. Last Sunday Frank E. Pogorelc Jr., Jerry Drobnick, Jack Meseec, Foxy Meseec, and John ("Savoldi") Kogovsek went to see all that there was to see in Frank's and Jack's cars.

Jennie Zelesnik also attending this week. She went Thursday and came to the meeting with a headache from smelling perfume all day.

An old friend and member of the lodge is back. It is none other than Hans Meseec. Everybody probably knows about it already, but we want to make it official.

Frances Kirn could not attend the meeting because she was confined to her home with a bad cold.

All members attending the meeting received a treat when Louise Zelesnik took Foxy's place as the presiding officer.

I wonder where Sylvia and Louise were last Saturday?

MOHAWKS

La Salle, Ill.—Fall season is here, soon the lodges will resume the regular activities suspended more or less during the summer months. Regular dancing to the melodious music of Al Eldridge on the all steel million-dollar Steamer President was the main feature of the evening. All in all a good time was had by all.

As I look out of the window while writing this it reminds me of what others think about me. All wet. You guessed it—it's raining.

Our next monthly meeting will be Oct. 10, just a few days before our big dance.

And members, the Badgers are having a dance Oct. 7. Let's give them our hearty support. A. Yersin.

Here and With Comrades

Cleveland, Ohio.—In last week's issue of the Prosveska appeared a short history and platform of Bro. William A. Vidmar, who is one of two Comrade members running for the office of City Councilman in the 23rd Ward. In the following paragraphs, the writer will give a short resume of the work and political platform of the other Comrade councilmanic candidate, namely, Joseph A. Krizman.

Bro. Joseph A. Krizman was born in 1902; raised in the 23rd Ward and educated in Cleveland schools. He is a graduate of the following schools: St. Vitus Parochial school; Loyola (St. Ignatius) High School; Northwestern University; Cleveland School of Technology; and the John Marshall School of Law. He is a graduate in accounting and law, and in 1931 was conferred the degree of Master of Laws. He has been active in the practice of law since 1930, with offices of 1826 Standard Bank Building. Beside holding membership in fraternal and other organizations, he is also a member of the Cuyahoga County Bar Association, Cleveland Bar Association, and the Ohio State Bar Association.

His Platform

Bro. Joseph A. Krizman's platform as candidate for the city council from 23rd Ward is as follows: Establish in the 23rd Ward a Central Councilmanic Office where the people can bring their civic problems and keep him in close touch with the needs of the community; appoint an Advisory Board composed of the leading business and professional men and other representative men and women in the community, to serve without pay, to advise and aid him in the same manner that a board of directors aids and advises the president of any large and successful corporation; call meetings of the voters from time to time to discuss legislation pending or to be introduced; give the people an account of his work in the City Council from time to time by means of the papers; fight vigorously and oppose without compromise any legislation that is not beneficial to the people at large; support and initiate legislation favorable to labor; fight for consistent, rigid, true economy in the City's business; fight for lower gas, electric and water rates; work for the continuous expansion of the Municipal Light Plant and oppose the diversion of any funds earned by the Plant; provide adequate playgrounds, proportionately distributed, so as to keep the children off the streets and away from danger, and provide for them healthful outdoor sports; insist upon regular and consistent garbage and rubbish collection the year around; insist upon the streets in this Ward being put and kept in good repair and have the nec-

essary repairs made with Gasoline Tax money.

Oct. 7—Harvest Dance

Preparations are being made to make the Oct. 7 Annual Harvest Dance, one of Comrades' most sparkling events of the current social season. The dance will be held in the lower hall of the Slovene National Home, 6411 St. Clair ave., with a 25c admission. In last week's issue of Prosveska we promised to give all of our guests something out of the ordinary in the way of music, and here it is.

After giving the once-over to all local entertainers, the committee in charge decided that an outside orchestra would probably prove to be a bigger attraction. With this idea in mind, the committee, through the help of Bro. John Rebol, contracted for the services of Van Sherrill and his Harmonium Orchestra, a seven piece band. A little history of the leader of this band at this time would be most appropriate. Van Sherrill, a former New Yorker, plays the saxophone. Four years ago he played in the original New York Cotton Night Club, whose featured attraction was none other than that famous jazz king, Cab Calloway. Sherrill's school studies, however, brought him to Cleveland, where at the present he is entered at the Western Reserve University. Here in Cleveland, Sherrill gathered about him a number of collegiate entertainers, with the result that now he has at his command a recognized colored band. Cab Calloway, recently appeared at the Hippodrome Theatre here and having liked the playing of Van Sherrill, insisted upon the latter's services during his vaudeville stay.

With this noted band ready to play Comrades are making other preparations which will prove satisfying to their guests. The lower dance hall will be decorated in the usual harvest scenes. Corn stalks, pumpkins and streamers of bright orange, green and brown will give a real harvest atmosphere. And before we forget, the new beer will be on tap, with vino for those who like their drinks a little hard, and pop for ladies. The girls in the kitchen will be ready to serve you with delicious steaming hot roast beef sandwiches and their usual good coffee.

Attention Committee

The entertainment committee is requested to make note of this date, Friday evening, Oct. 6. All members of the committee are urged to help prepare the hall for our harvest dance, and will meet in the lower hall at 8 p.m. A short business discussion will follow. Cards will probably be sent out by Bro. John Smolik, so make it your duty to attend the "decoration party."

Joseph A. Jarek, Pres. Comrades.

Lodge News Notes

W. VA. MOUNTAINEERS

Thomas, W. Va.—Cooperation!—Of what use is it? We all know we need cooperation in order to exist. We sure have a nice group of members in our Lodge but there's no progress without cooperation. A few of our members are transferring to the Senior Lodge due to the fact that they are impatient, I presume. We can't accomplish anything without aid and everyone willing to cooperate instead of working in the opposite direction.

In electing a member for an office one should feel proud that he is chosen to take a seat in office but on the other hand members take transfers to the Senior Lodge, saying that the Junior Lodge is going to fall. Don't lose patience. Work together as a whole and you'll see what few members can do. (No hard feelings, Joe.)

Here's hoping we'll have more cooperation in years to come and a bigger SNPJ.

Rose Verdinck, Sec'y Lodge 736.

MORNING STARS' 5th ANNIVERSARY DANCE

Pittsburgh, Pa.—Saturday, October 7, 1933, is set aside for the Morning Stars' Fifth Anniversary Dance, which is to be held at the Slovene Home at 57th and Butler sts. Morning Stars have not had an affair for sometime; in other words, it will be the biggest affair ever sponsored. To help us make a success of this affair we need your cooperation. Neighboring Lodges are asked to attend this gala affair. Bring your friends; the more the merrier. You will not regret traveling a few miles to attend Morning Stars' Fifth Anniversary Dance, I am sure.

Music will be furnished by the well-known Royal Vagabonds orchestra. Admission prices are very reasonable. We guarantee you an enjoyable evening. Did you ever mingle with the Morning Stars? If you did, aren't they a jolly bunch? We expect to see you and you and you and ever so many of you at this Anniversary Dance on October 7 at the Slovene Home.

We'll be seeing you. A Member.

"NIGHT IN JUGOSLAVIA"

Chicago, Ill.—The purpose of this article is to stress upon the readers of the Prosveska, that Integrity's "Night in Jugoslavia" is to be held Nov. 4 at SNPJ Hall. Dance date is drawing nearer and nearer. Tickets have been printed and are now available at any time. Members, it is now your duty to test-your salesmanship and co-operation. The members who fail to receive tickets at our next meeting may obtain them from our Secretary, Frank Lennassi, who has complete charge of the tickets.

The Brothers and Sisters of the SNPJ and people who attend this dance may rest assured they will spend one of the most enjoyable evenings in months to come, also one that will be remembered long after.

The music will be furnished by one of West Side's most popular orchestras, Johnny Kochevar and his Merrymakers. In the lower part of the SNPJ Hall the music will be furnished by Joe Pucci's Slovene Trio. A valuable door prize will be given. Admission: 25c in advance, 35c at the door. Any person or party wishing to wear the native Jugoslav dress and attire may do so, as it will add color and splendor to the dance.

Now a few words about our next meeting. After the usual procedure of discussing and handling Lodge affairs, there will be entertainment in store for those who attend. Beer on tap and Pretzels will be served. Music will also be furnished. Now come on, members, let's have a 100% attendance.

Julius Abram.

IN THE MATTER OF BRANCH 573

Sister Mary D. Kosom, member of Lodge 573, has filed a complaint claiming that an injustice was done to her when the medical examiner rejected her claim for operation compensation. At the Branch trial Aug. 14, 1933, it was decided that Sis. Kosom was entitled to the compensation.

The Supreme Secretary, however, held that the decision was contrary to the by-laws and consequently payment was withheld.

Sister Kosom, under the impression that the complaint was not justly settled, appealed to the Supreme Judicial Committee for further investigation and judgement. On this ground and with all the evidence presented, the Supreme Judicial Committee found that Sis. Kosom was operated for a sickness not listed in Sec. 1 Art. XLVIII of the by-laws, and for this reason tendered its decision by three to one that Sis. Kosom has no rightful claim to the compensation for this operation. The rejection by the medical examiner is hereby upheld and the verdict of the first tribunal overruled.

John Gorski, Chairman; Anton Salter, John Terrelj, Frank Podboj, Committee.

HARMONIZERS LODGE NO. 706

Boulder, Mont.—Friends, Slovencs and countrymen, lend me your attention. The mighty have said that there is something good about every person. In the Harmonizers' Lodge every member has a certain something about them. Andy Mikouch is one boy whose good humor aids in bringing him many admirers. Then there are the two Louis, Mohar and Vertin, who are considered very

excellent dancers. Louis Gusick, whom we all look forward to as our leader, could make a very successful lawyer.

Vicki Jerin, who has some very nice traits, but it is sad to say that those traits never seem to accompany her to the lodge meeting, for your Observer noticed that when our secretary was reading an important article received from the headquarters, Vicki with one eye on the Secretary and an impish grin on her face was relating to her neighbor the sad tale of her cat that was lost, and then found on the bed—all places. Tch! Tch! Tch!

Later, we will relate more of the charming and eccentric habits of our members.

Members, be sure that you all come to the meeting, October 4, like good children and you will be awarded with a surprise.

This is all until next time.

The Whimsical Observer.

PIONEER NEWS

Chicago, Ill.—Every one seems to be taking of the coming Pioneer dance. Our Annual dances are always large affairs, but we expect this year's dance to surpass all others.

The music as played by Virgil Gaines and his "Monarchs of Melody" should please all dancers. The hall is to be beautifully decorated.

Mrs. Novack and the girls with the bartenders will serve the best of refreshments. We are expecting a capacity crowd. Willing workers are asked to help the Committee in making this dance as successful as we are expecting it to be.

In talking with the many visitors to the fair nad judging from some articles in the Prosveska, we find that members are losing interest in the lodges. There are always reason for this. In most cases we are told that there are two factions that are always knocking each other. In the end, both lose interest in the lodge. The Pioneers had the same trouble, but we have been fortunate in that our officers can "take it." There are many members who only like to get good publicity and do not have any real interest to see their lodge programs. The Voice of the Members gave proof that everything was not rosy with the Pioneers, but we proved that the knockers were wrong and we are beginning to show an increase in membership.

The Pioneer Juvenile school is soon to begin, we hope, and all Slovencs children are invited to attend. Why not have a school for the older people? Many ask this question. Well, any member interested in learning the Slovenc language, should let Don Lotrich know; if enough are signed up, there will be a school this winter for the adults.

The mayors of the principal cities are having the convention in Chicago. In a statement given to reporters, mayor Mahoney of St. Paul, Minn., had this to say about the trouble of municipal government:

"You get rid of all racketeers and parasites in your local government as we have done in St. Paul. That was the first thing we did when the good people of our city saw fit to put an old Socialist, Farm-Laborite and printing pressman in the mayor's chair." Some day the people of Chicago and other cities will also awake.

Editor's Note

Detroit, Mich. J. G.—Will try to comply with your request in the near future and publish your letter as desired.

St. Louis, Mo. A. S.—Your letter of Sept. 24 will appear next week. A somewhat similar communication is published in this issue.

All other letters not published in this issue will be considered and published next week. Unexpected official reports published this week abruptly cut short the regular weekly allotment of space.

VOTE AND GO TO THE MEETING

Cleveland, Ohio.—Friday, Sept. 29, a meeting is going to be held at the Slovene Workers' Home, 15335 Waterloo rd., at 8 p.m. Principal speakers will be candidates of the Socialist Party for the coming primary election in the city of Cleveland. Comrade O. K. Wheelock, candidate for mayor, Joe Martinek, council, and other speakers.

IMPORTANT ANNOUNCEMENTS

FRIENDLY CITY LODGE

Johnstown, Pa.—I guess everybody knows about our Sept. 30 Round and Square Dance. But here's a reminder just in case it might slip your mind. The dance is to be held at the Franklin Slov. Home, Franklin Boro., and the music to be furnished by the Melody Boys.

Sis. Genevieve Puel from Friendly City Lodge and Anthony Gorup from the Morning Stars were married August 23. The bride recently took a transfer to the Morning Stars. Friendly City members will miss her in our presence but we hope that she is happy.

We are glad to report that Stella Suhodolnik is off the sick list now. She was injured in an auto accident in Pittsburgh, Pa., in August.

Friendly City lodge changed its meeting date to every second Thursday of the month instead of every second Sunday.

Don't forget the dance. We assure you a wonderful time.

Anna Bricely.

"Unjust Treatment of Passive Members"

Johnstown, Pa.—It has been quite some time since I last wrote anything for this page. So now, after giving my hand a little rest, I am again resuming the practice of writing.

In this article, it is my desire to portray the unjust ruling passed by the Supreme board concerning the passive members. This ruling or decision forces members who are passive and desire to become reinstated, to pay the assessment into the death benefit fund. An allowance or credit of six months is made, also, a time-payment-provision is offered to those, who are not able to pay the full amount at once.

This does look good from the financial standpoint, for goodness knows that our finances are somewhat "shaky", so to speak. But have the Supreme officers looked at the matter from the moral point of view? Do they realize that this decision of their own conception, will tend to decrease the number of our membership?

Further, do they realize that a member, after leaving the Society, becomes a violent enemy to same, and will do anything in his or her power to do harm, and discourage potential members from joining the organization? Already numerous members who were passive, left the Society rather than pay the assessments under this recent ruling. Many more will do likewise.

In some cases, however, it isn't the Supreme board's ruling that is to be blamed entirely. For we always had, still have and will continue to have in the future members who do not think for themselves, but let themselves be guided by some ignorant persons, who would like nothing better than to see that our worthy SNPJ would prove complete failure. They will tell the members that the assessments are too high in proportion to benefits derived therefrom; they will convince, or try to make the members believe that fraternal insurance is the bunk and that private insurance companies have the only "ideal" form of protection to offer them. It is to be pitied, that we have some "old timers" in our organization, who are strong advocates of private life insurance concerns. For instance, right here in Johnstown we have had the opportunity to hear just such an individual remark that our younger generation (Slovene) is not interested in our fraternal societies, and that they are interested in private insurance firms, who give them just as good, if not better protection for their money. On what sort of foundation this person bases his theory, is not known to this writer. Does the private insurance concern pay sick, disability and operation benefits?

It is true that they do have disability clauses in their policies, but how complicated are their interpretations, while the benefits are very meagre in comparison to those offered by the SNPJ.

Now, to get back to the subject, of which I stated would be my theme for this article, but due to the injustice done to our organization by the member quoted (not named) I naturally couldn't help but wander from my proposed subject.

Herein lies the injustice from the financial point of view: A member is 16 years old and is insured for \$1,000 death benefit. His assessment into the death benefit fund amounts to \$0.84 monthly. During his passivity, he was protected to the amount of \$250.00. The question arises: Why should a member, who while passive, would receive one-fourth of the amount insured for, he forced to pay the assessment in the death benefit fund, which covers \$1,000 death benefit?

My suggestion is, that the Supreme board recall their decision, and if any money has been paid through this decision, return same to the affected members. Their ruling is too severe, and should be abolished at once, and guide ourselves according to the by-laws adopted by the tenth quadrennial convention. If this cannot be done, then at least let the Supreme board or the Administrative committee be more rational, by amending their decision to the extent, that a passive member will pay into the death benefit fund the assessment which covers the protection to the extent of \$250.00 (amount allowed passive member in event of death). This would be 21c instead of 84c in

and Slovene farm. I in my life have never seen a farm on so steep mountains.

What an odd water pump, strange wagon, and the different types of houses. One sees how the boys on their journey to climb the mountain Triglav stop to say a few prayers at a wayside chapel. The trouble Michael has in deciding whether he should go with his pals to climb Triglav or stay behind with his sweetheart Minka and dance with her at a tourist inn. Finally after the wheat is put away, he steals away and catches up with his friends. One can realize here the difficult task of climbing the house-wall-like mountain.

In the meantime there comes upon the scene a new man, a famous veteran actor, Danilo, who is rather a comical and interesting character. He sees Minka in her distress and decides that the fair girl and he in company with another young couple shall make the journey to Triglav over a second route, one which is much easier to climb than the first. They set out with a horse and a funny buggy to make the first part of the journey. After they have completed this, and have set out on foot for some time, the aged Danilo is rather reluctant at proceeding further. Finally he turns his face homeward leaving them to go alone. In the meantime the first three boys have made the journey and have returned to an inn, where they find that the four have set out to go to Triglav. Michael also sees the name of his supposed rival. The boys make up their minds to reclimb the mountain and meet the two couples. On the way one of the boys is injured. After meeting on the mountain, they return to the inn where they dance the Slovene folk dances. Now here again I was surprised. The men while dancing wore their hats, and on the floor there were shavings.

I told only a little to give an idea of what to expect so that you will really see the show. It is worthwhile to really see it. I feel that all young people who have never had the privilege to go across should take this opportunity to be enlightened of the true conditions of our parents' home, and it is done in an enjoyable manner. This comes from one whose parents' home is not in Jugoslavia, but in Vipava.

The Slovene Unemployed Club of Chicago, I am sure, are very grateful to Mrs. Tauchar for her generosity in turning over to their treasury the proceeds of the entertainment which followed the program.

Oscar B. Godina.
