Minister za lesno industrijo je postal Tone Pfajfar, minister za znanost in kulturo je Dr. Jože Potrč. Poleg tega je postal minister za prosveto Ivan Regent, minister za gozdarstvo Jaka Avšič, minister za delo pa Martin Greif. Vsi novi ljudje so stari komunisti, le Jaka Avšič je bivši jugoslovanski oficir, ki je nekaj časa služil Mihajloviču, potem pa odšel med partizane komunističnega kova, postal gozdni general, potem minister in poslanik na Dunaju, sedaj pa član komunistične vlade v Ljubljani.

Kongresnik se ubil v avijonski nesreči

Radi nesporazuma je nastala največja nesreča v zgodovini našega letalstva.

Washington. — Strašna avijonska nesreča na washingtonskem letališču je doslej največja nesreča te vrste v zgodovini našega zrakoplovstva. 55 žrtev ni doslej zahtevala še nobena zrakoplovna nesreča. Do nesreče je prišlo vsled tega, ker pilot enega zrakoplova ni poslušal ali ni razumel navodil, ki mu jih je dal radio-telegrafist glede pristajanja na letališču. Zato se je zaletel v drugi avijon, ki je istočasno skušal pristati. Eden izmed aparatov je pri nesreči padel v reko Potomac. Zato se vedno nisi odrekli in našli trupel vseh ponesrečenec. Med žrtvami nesreče je tudi kongresnik George J. Bates, republikanski zastopnik iz Massachusettsa.

Stalinov pristoil naslednik ždanov je hotel posvojiti ves svet. Ko mu je sploščelo, je nadomadel zbolel in umrl, star komaj 52 let.

Zdaj je v Moskvi čistka, mnogo hujša, kot je bila leta 1937, ko jih je dalo glavo nekaj milijonov, Stalinu na oltar. Boljševiki si hočejo s to čistko umiti obraz pred svetom in opravičiti zavoženo zunanjo politiko.

Glavna polomija za boljševike je bila gotovo blokada Berlina. Amerikanci so jo z aeroplani zlo-mili in tega jim Moskva ne bo nikoli odpustila.

Na 16. avgusta letos je praznoval priljubljeni in spoštovani slovenski par, Anton in Pepca Eisenhardt v Lorainu, Ohio, 40-letnico srečnega zakonskega življenja. Poročena sta bila v Lorainu na 16. avg. 1909. Kar na tiho sta se mislila zmužniti mimo, da ne bi nihče vedel o tem važnem dogodku, pa smo vseeno izvohal in tem potom povemo to še drugim.

Bog vaju živi še mnogo, mnogo let zdrava in zadovoljna v krogu vajine dobre družine ter številnih iskrenih prijateljev.

ZAHVALA VSEM, KI SO DELALI ZA COMMUNITY SKLAD

Zdaj smo zvedeli iz gl. urada Community sklada, da se je naša 4. sekcija vrlo dobro odzvala. Nismo sicer prav na vrhu, toda daleč zadaj pa tudi ne. S tem smo gotovo rešili čast naše nasebine. To se pravi, rešili so jo tisti, ki so bili pripravljeni žrtvovati nekaj časa za svojega bližnjega in nabirat za sklad.

Vemo, da ni prijeto delo, to da ker ga mora nekdo izvršiti smo ga pa mi. Drugo leto naj ga pa drugi. Ako dobi človek ljudi, ki so pripravljeni nekaj storiti, ni težko delo. Ako pa človek naleti na odpor, potem je pa res težko.

Podpisani je ponosen na vse, ki so mu pomagali in jih ne bo pozabil, ker bi bila sramota za vse, če bi se ne bili odzvali. Tako se pa lahko postavimo pred vsem mestom, da smo storili svoj del za svojega bližnjega. Hvala vam vsem, ki ste pomagali: James Debevec, načelnik.

Sovjetski list o havadah v U.S.A.

Moskva, Rusija. — V zadnjem času so sovjetski listi poseben lažnjivo in obrekljivo pisali o moralnih razmerah v USA. Mladinski komunistični list Mladji Boljševik, centralno glasilo Komsozolcev piše, da je ameriško častništvo pač le propaganda za militarizem, razizem, pornografijo, cinizem in mističizem. Pisec Dmitjev poroča, da je v Ameriki golo žensko telo kot v trgovski reklama znamenje. Upodablja ameriško trgovino in predstavlja ameriški kupčijski duh. POJASNILO O VOLITVAH

V torek bomo imeli v Clevelandu in povsod po državi Ohio volitve. V prvi vrsti bomo volili župane in mestne odbornike; potem bodo pa še drugi predlogi, o katerih bo moral državljan odločevati, kakor bo pač hotel, ker volitve so svobodne.

Čudili se boste, zlasti volivci v Clevelandu, celemu kupu glasovnic, ki nam jih bodo nametali. Naj na tem mestu pomenimo, da se bodo vedeli naši čitatelji v torek ravnanje pri volitvah. Vsaj drugi predlogi na tej rjuhi so pa za ali proti izdaji novih bondov. Mi bomo napravili križ pred vsakim "No," pa se ne bomo nič zmotili, vsaj dosti ne. In da se glede glasovanja teh 18 predlogov na tej rjuhi prav gotovo ne boste dosti ali nič zmotili, bo najboljša, ako napravite križ pred "No" pri vsakem izmed vseh 18 predlogov.

Najmanjša glasovnica, ki bo pa menda za nas najbolj važna, ob ona za župana in mestne odbornike. Za župana imamo dva kandidata in potem ima pa vsaka varda po dvoje kandidatov za council. Državljan naj napravi križ pred imenim za župana in pred enim za councilmana. Vaš glas, vaš svet!

Potem je ena glasovnica za okrajni čarter. Napraviti je treba, križ pred "yes" ali "no" in potem sledi 30 imen; pred več kot 15 ne smete napraviti križa. Tam boste našli tudi ime našega uradnika James Debeveca. Napravite na tej glasovnici križ pred "Yes" in potem vsaj pred Debevcem. To se pravi če hočete.

Potem sta dve glasovnici na enem listku in sicer najprej za sodnike v mestno sodnijo in drugo za lokalni odbor. Mi priporočamo za sodnike: John E. Sweeney, David C. Meek, Charles A. Vanik in James T. Cassidy.

Za lokalni odbor napravite križ pred štirimi in sicer: Carl F. Shuler, Norma F. Wulff, Alfred A. Benesch in Charles A. Mooney.

Pazite, da ne boste napravili križa pred imenom Anthony Krichmarek, ker je komunist.

Potem boste dobili eno celo rjuho, saj dosti manjše ne, na kateri bo nič manj kot 18 predlogov za razne bonde in drugo. Mi vam priporočamo, da si zapomnite sledeče:

Važna je prva glasovnica v prvi koloni. Tam boste glasovali za ali proti barvašemu oleo mar-garinu. Napravite križ pred "Yes."

Potem je važna tretja glasovnica, tudi v prvi koloni. Tam napravite križ pred "No" in s tem boste preprečili politikarjem, da bi vpeljali take glasovnice, da bi morali napraviti križ pred vsakim kandidatom, pa če jih je magari 150. Mi smo proti tej primodariji in krivici.

Potem pojdite v prihodnjo kolono in se ustavite pri 2. glasovnici. Ta vas bo vprašala, če ste za to, da župan in mestni council-mani služijo štiri leta ali samo dve kot dozdaj. Mi toplo priporo-

čamo, da napravite križ pred "No," ker je dve leti čisto dovolj za take tiče. Če nam bodo všeč, jih bomo pa še poslali v mestni council.

Vsi drugi predlogi na tej rjuhi so pa za ali proti izdaji novih bondov. Mi bomo napravili križ pred vsakim "No," pa se ne bomo nič zmotili, vsaj dosti ne. In da se glede glasovanja teh 18 predlogov na tej rjuhi prav gotovo ne boste dosti ali nič zmotili, bo najboljša, ako napravite križ pred "No" pri vsakem izmed vseh 18 predlogov.

Hvalevredna vzpodbuda

Društvo sv. Lovrenca št. 63 KSKJ v Clevelandu je poslalo predsedniku Lige KSA tale dopis: Društvo sv. Lovrenca je na svoji seji dne 9. oktobra razpravljalo o potrebi pomoči našim rojakom v begunstvu kjer žive po raznih taboriščih. Društvo se vam, Mr. Intihar najlepše zahvaljuje z neutrudno delovanje na tem polju. Z Vašo pomočjo in pod Vašim spretim in vztrajnim vodstvom se je doseglo že veliko in precej pomoči se je že zbralo za nesrečne brezdomce.

Pa je potreba še vedno velika. Še je veliko slovenskih oseb in družin, ki čakajo na našo pomoč. Zato Vas prosimo, da še v bodoče sodelujete z isto vztrajnostjo in požrtvovalnostjo kot doslej. Obenem apeliramo na vsa slovenska društva, zlasti na tista, ki so včlanjena v KSKJ, da bolj popri- mejo kot so doslej in več pomagajo. Apeliramo na vso slovensko katoliško javnost v Ameriki, da vam pri tem delu pomaga. Za društvo sv. Lovrenca Anton Kordan, tajnik.

Ta pobuda je več kot dobrodošla. Uradi Lige so živo zaposleni z doseljevanjem beguncev in založeni z neštevilnimi prošnjami. Akcija bo zastala, če se podpiranje v naših naselbinah ne poži. Že na zdajnjem občnem zboru je bilo tudi povedano, da nastajajo za celo naseljitveno delo nove naloge. Vse to zahteva sredstev in novih moči.

Znana reč je, da sedaj Liga potrebuje in prosi za naj- širše sodelovanje za preselitev naših ljudi sem v to deželo. Slovenci smo doslej dosegli samo toliko, da je prišlo sem kakih 800 ljudi in prijavljenih imamo še kakih trikrat toliko. Ni še sponzorjev za kakih 2500 ljudi. Ne moremo in ne moremo jih spraviti toliko skupaj. Ne moremo med 300- 000 Slovence, kolikor pravimo, da jih je v Ameriki. Zakaj ne? Tisti, ki so takoj sprejeli to misel, da store za rojake, kar morejo, so se odzvali in prijavi. Oni so storili kar so sodili, da morejo. Drugi se obotavljajo. Tudi taki so med njimi, ki bi kar lahko dali stanovanje in hrano vsaj za nekaj časa, dokler si begunec tu sam ne poišče kruha in tudi taki, ki bi sami potrebovali delovne pomoči, pa enostavno nočejo imeti teh "malenkostnih sitnosti," ki so s tem da prevzamejo sponzorstvo, združene. Nočejo misliti na to.

Zato je gornje pismo tako dobrodošlo. K dobrodelnosti poziva. Dobrodelnost ni takrat kakor pomagati najbližjemu svojcu, ki ga rad imam in bi ga rad dobil sem, prava dobrodelnost se začne takrat, če storim nekaj v korist svojega bližnjega kadar in ko mi je res težko storiti, takrat, kadar to storim kljub temu, da mi je neprijetno in mi nalaga "nepotrebne" skrbi.

Poglejmo malo naokoli kaj so storile v tem oziru druge narodnosti v Ameriki Srbi so n. pr. za svoje begunce v Nemčiji enostavno določili, koliko oseb in koliko družin mora pod obveznostjo narodne dolžnosti sprejeti kaka srbska naselbina v Združenih Državah. Kar enostavno razdelili so vse svoje begunce v Nemčiji med srbske naselbine v Ameriki in kolikor je na kako naselbino prišlo, toliko jih je moral sprejeti. Sani Srbi z vsemi svojimi društvi, narodnimi organizacijami, cerkvami in župnijami so si naložili to dolžnost. Če naselbina ne najde zasebnih sponzorjev, pa mora pod skupno narodno disciplino vseeno sprejeti določeno število beguncev in zanje poskrbeti dotično društvo ali župnija dokler ne bodo sami našli tu strehe in zaposlitve. Enostavno v svojih društvenih in cerkvenih dvoranah bodo napravili skupne spalnice, tam bodo skupne kuhinje in ljudje bodo tam živeli, dokler si ne bodo mogli dalje pomagati k samostojnemu življenju. Živeli bodo iz skupnih zbir kuste naselbine. Naselbina jih prevzame, naselbina jih vzdržuje. Tako so Srbi, ki s svojo akcijo poprej niso mogli veliko naprej, kar v par mesecih odposlali v Evropo 5500 sponzorjev in njihovi ljudje bodo prišli in se rešili.

Sijajno delajo Litvanci, ki so že spravili sem na desetisoče svojih ljudi pa še hočejo dobiti na desetisoče sponzorjev, tako delajo Poljaki in Ukrajinci.

Pravimo, da bi istotoliko bilo mogoče storiti Slovincem in pa trdimo, da bi bilo mogoče pri malo več smisla in požrtvovanja storiti veliko več kot je že doslej storjenega. Samo zbuditi bi se morali tisti, ki doslej še niso nič storili.

Društva vseh vrst bi mogla vzbuditi interes med svojimi člani, bi mogla poiskati sponzorjev tudi med ljudmi drugih narodnosti, saj se povsod najdejo dobri ljudje, samo najti, poiskati jih je treba. Društva so raztresena po celi Ameriki. Če bi vsa poprijela, bi bilo naše begunsko vprašanje takoj rešeno in društva bi si dobila hvaležno novo članstvo, vsa njihova naselbina bi se poživila.

Naj bi pismo društva sv. Lovrenca našlo mnogo odmeva, vzbudilo mnogo sodelavcev za naseljevanje naših ljudi in nam odkrilo novih dobrotnikov, ki bi begunce sprejeli.

Pa tudi akcije za zbiranje prispevkov za Lgo, ki to delo upravlja naj bi se sedaj poživile. Brez nič ni nič. Tudi naseljitvena akcija je brez sredstev nemogoča.

Torej še enkrat hvala vsem, ki ste molili skozi cel mesec ok- tober za mir sveta. Bog naj vas usliši.

Dnevi našega bazarja so: 18, 19. in 20. novembra. Par dni je tega, ko smo si zagotovili 100 puranov. Dobili jih bomo na- ravno iz farne, ki je komaj 15 milj od nas. Debeli so pa le- pi, da ga bo vsak vesel. Pomi- slite, sto puranov.

Društvo sv. Imena priprav- lja veselico za jutri večer. Kdor je bil na lansk, bo tudi letos šel, ker bo pripravljeno za vse, stare in mlade. Veseli- ca se vrši v narodnem domu.

Kandidat Fakult se hoče predstaviti volivcem

Cleveland, O.—V svoji kam- panji za urad mestnega odbor- nika v 32. vardi, tako v primar- nih kot v glavnih volitvah, sem se namenoma vzdržal metati o- krog sebe sijajne obljube. Mi- slim, da mi prebivanje 27 let v tej vardi daje dovolj jasno sli- ko, kaj varda potrebuje. Moje šole in izkušnje pri mestni in federalni vladi so mi pa dale v roke orodje, s katerim bom te potreščine v vardi izvršil ali dosegel.

Tekom volivne kampanje sem poudarjal, da sedanji mestni odbornik ni posvetil dovolj svo- jega časa kot mestni odbornik, to zaradi svoje zaposlitve drug- je. Posledica je bila, da je varda imela le malo ali nič za- stopstva.

Zatrevaj sem in zopet po- navljam, da sem jaz kar se ti- če zaposlitve sam svoj gospo- dar in čas je ves v moji oblasti, radi česar bom lahko v City Hall tekom dnevnih ur kakor bo to potrebno, tako da bodo raznih mestni oddelki redno ob- veščani o potrebah naše varde. Imam odvetniško pisarno, ki jo bom nadaljeval v vardi in si- cer na 960 E. 185. St. Ta urad bo odprt in na razpolago kon- stituetom varde kot prostor, kjer bodo lahko predložili svo- je zahteve ali nasvete.

Moje resno mnenje je, da varda ni imela dovoljne repre- zentacije zadnji dve leti in za- to hočem napraviti naslednjo obljubo, da če bom izvoljen za koncilmana, da bom posvetil svoj čas in energijo v taki meri, da 32. varda ne bo več pozablje- na in zanemarjena varda v me- stu.

Apeliram na vse volivce in

volilke, ki so zainteresirani v to, da dobi 32. varda boljše za- stopstvo, da oddajo svoje glas za John A. Fakult za councilma- na pri volitvah, ki se bodo vršile 8. novembra 1949.

John A. Fakult, kandidat za councilmana 32. varde.

Volivcem v 15. vardi

Cleveland, O.— Cenjeni slo- venski in hrvaški volivci v 15. vardi! Kdo bo naš koncilman za prihodnji dve leti, ki bo tu- di upošteval naše slovenske glasove? Imamo v naši 15. var- di dva kandidata, ki sta dobila nominacijo v primarnih volit- vah in to sta naš sedanji kon- cilman Mr. Probek in bivši kon- cilman William Rogers, ki je po poklicu inženir ter zelo izobra- žen mož, dober katoličan in po- štenjak.

Mr. Rogers ima vso priliko biti izvoljen tudi če mi Sloven- ci ne volimo zanj. Sicer nimam kaj oporekati sedanjemu kon- cilmanu, ki je zastopal dosedaj našo vardo, vendar mi ni znano, koliko siromakom je kaj po- magal, pač pa vem, da se je ve- liko brigal za šport. Po mojem mnenju je v prvi vrsti treba gledati za kruh in šele potem za šport, kajti lačen človek se ne bo brigal za šport.

Cenjeni slovenski in hrvaški volivci, pojdimo vsi na volišče v torker 8. novembra in oddajmo svoj glas za William Rogers za koncilmana v 15. vardi. Pre- pričani bodite, da vam bo v slučaju potrebe pomagal po svoji najboljši moči. Zavedaj- mo se tudi, da če bomo izvolili za naše javne urade dobre in zanesljive katoliške može, da se nam ni treba bati, da bi nas komunizem zaslužil in nam pobral, kar smo si s svojimi krvavimi žulji pridobili v Ame- riki.

France s clev. hriba.

Maloney za Council v Euclidu!

Euclid, O.— Dovolite mi, da napišem par vrstic v prilog John W. Maloney, ki kandidira v mestu Euclidu za councilma- na-at-large. V tisti urad izvo- lijo državljani tri.

Tekom mnogih let, ko sem poznal Mr. Maloneya, sem ve- dno občudoval njegove vrline in fin karakter. Kot uradnik v organizacijah društev Njasv. Imena in Kolumbovih viteзов, je bil vedno pripravljen dopri- nesti žrtve v korist in za napre- dek teh dveh organizacij. Vem tudi, da se je vedno zanimal in udeleževal pri civilnem živ- ljenju v Euclidu.

Mesto Euclid potrebuje mož v javnih uradih z zmoglostjo in poštenostjo, ki sta dve vrli- ni John W. Maloneya. Zato nuj- no apeliram na državljane mesta Euclid, na vse moje pri- jatelje in čitatelje tega časopi- sa v Euclidu, da izvolijo za mestnega odbornika John W. Maloney.

Z spoštovanjem, Joseph A. Križman, državljani Euclida.

Za dobrega zastopnika

Rad bi porabil to priliko, da bi napisal nekaj vrstic v prilog John A. Fakult, ki je kandi- dat v 32. vardi za mestnega od- bornika na neodvisni listi.

Poznam Mr. Fakultu zadnjih 27 let, saj prebiva v tej vardi vsa ta leta. Rojen je bil v Ame- riki od slovenskih staršev, ki so uživali v tej naselbini najlep- ši ugod.

Mr. Fakult je dobil izvršno izobrazbo, imel je službo pri mestu in pri federalni vladi, vsega skupaj enajst let, s če- mer si je pridobil na izkustvu

in poznanjem razmer.

Po poklicu je odvetnik z u- radom na vogalu Marcella Rd. in 185. St. Gotov sem, da če bo izvoljen, se boste z njim lahko pogovorili o vseh problemih in bo gotovo vesel, ako vam bo mogel kaj pomagati ali vam svetovati. Njegov urad bo ved- no odprt prebivalcem 32. var- de.

Ker John A. Fakultu osebno poznam že toliko let, zato ga tudi lahko toplo priporočam dr- žavljanom 32. varde, da volijo zanj 8. novembra ter ga pošlje- jo v mestno zbornico kot zmoe- nega zastopnika 32. varde.

Ted Rossman, 19004 Kewanee Ave.

ODVETNIKI BI RADI NASLEDNJE SODNIKE

Clevelandski odvetniki so pri slamnatem glasovanju z veliko večino odločili, da bodo pripo- ročali volivcem v ponovno iz- volitev sledeče sodnike na mest- no sodnijo: James T. Cassidy, David C. Meek, Charles A. Va- nik in John E. Sweeney.

Mnenje je, da nihče bolje ne pozna sodnike, dobre in slabe, kot jih odvetniki. To bo tudi res, saj imajo vsi posla z nji- mi.

Naši mestni sodniki ne postoj- ajo. Prošlo leto so imeli in re- šili 27,000 civilnih tožb ter 275- 000 kriminalnih slučajev. To- ni davkoplačevalce stalo niti centa, ampak so sodnje napra- vile celo \$200,000 preostanka, kar je prišlo v blagajno od ka- zni in glob.

V May Co. so zdaj za dva te- razstavi 3,000 dolik. Predstav- dna na razstavi dolike, katere sta napravila umetnika Ber- nard in Frances Ravca. Dolike sta delala po vzorcih iz resni- nega življenja. Ravca je pre- potoval 56 provinc v Franciji, da je študiral pri ljudeh nošo in običaje. Potem je napravil postavice, ki so predstavljale ljudi na deželi in v mestu v vseh panogah življenja.

V avditoriju May Co. bo na le.

ZA ŠOLSKI ODBOR SE PRIPOROČAJO 4 SEDANJI ČLANI

V clevelandskem šolskem od- boru služijo zdaj štirje, ki so vsega spoštovanja vredni ter zares zaslužijo, da jih državlja- ni ponovno izvolijo. To so Al- fred A. Benesch, Charles A. Mooney, Carl F. Shuler in Nor- ma F. Wulff.

Ti štirje so kot šolski odbor za Cleveland storili toliko do- brega in koristnega, da zasluži- jo ponovno izvolitev. Šolski si- stem v Clevelandu je bil prvi, ki je ustanovil natečaje za vr- niti vojnega veterane. Radi tega je postal poznan po vsej deželi.

Na 8. novembra gornje štiri člane šolskega odbora izvolite ponovno v šolski odbor.

NOVE VODVILNE PREDSTAVE SO ZDAJ V RKO PALACE

V clevelandskem gledišču RKO Palace, so ta teden nove vodvil predstave, obstoječe iz 8 aktov. Najprej bo zanimiva premikajoča slika z vloge Mar- tha Scott in Jeffrey Lynn in po- tem bo pa vodvil.

Te vodvil predstave so take, da se bo lahko zabaval vsak član vaše družine. Te predstave so bile prikazane z velikim us- pehom že v New Yorku. Nastop- il bo v posebni atrakciji tudi Carlton Emmy s svojimi dre- siranimi psi, ki so že nastopili v vsakem večjem mestu v Evro- pi. Videli boste razne akroba- tične vaje, klovnc za smeh, ples in petje.

ZBEGANO GNEZDO

POVEST
CVETA STOJANOVA

Zagledala ga je, kako je ležal s prekrizanimi rokami pod glavo in jo zapovedujoče gledal z na pol odprtimi očmi. Vzela je ruto, ugasnila luč, se zavila, prižgala cigareto, nato pa neslišno sedla. V sobi ni bilo slišati niti dihanja; soba je poslušala le življenje ceste.

Drugo jutro sta ob rekli Tiberi, vodeč se za roko, ogledovala Angleski grad. Nihče bi ne dvomil, da sta ta dva človeka enaka po srcu in duši. Še skladnost njunih teles je pričala o tem. Če bi ju natančno gledal, bi se poprej presodil, da sta brat in sestra in ne mož in žena.

Ko sta prešla vse galerije Vaticana in vso cerkev sv. Petra do stropa, sta bila ubita od utrujenosti na duši in na telesu. Samo en kip, samo ena slika, samo en gobelin, le en mozaike bi zadoščal, da nastiti dušo, lačno umetnosti. Če pa prehodiš vso tisto vrsto dvo-
ran, katerih ena je bogatejša od druge in te vodi iz bogastva v bogastvo, in to uro za uro, iz veka v vek prav do zadnjega časa, izgubiš potrebno razsodnost in skoraj tudi zavest.

Tako sta Matej in Agata stopila iz voza v hotel k obedu. Tam ju je čakala brzojavka iz domovine od domačih. Agata jo je vzela iz Matejevih rok, Matej pa jo je vzel iz njenih, pretrgal in razgrnil. Oba sta brala: "Vsi zdravi." Brzojavko je bila odgovor na Matejevo brzojavko. Še sta ponavljala, še in še je dejala Agata: "Zdravi!" Domotožje se je zbudilo v obeh; klče otrok je potkal na njuni arci.

"Kdaj se odpeljava?" je vprašala Agata.

"Saj res, kdaj se odpeljava?" se je z vzdihom zdramil Matej.

"Ali odpotujeva s polnočnim?"

"Opolnoči ne odpelje noben vlak v Neapelj," je pojasnil.

"Pa ne v Neapelj," se je prestrašila ona, "domov, Matej!"

"Domov?" se je nasmehnil Matej. "Nekaj spominov bo treba kupiti — prav iz Rima, za otroka in Maro in nežko in, če si že tukaj, obiščeš vendar še Zuloaga v galeriji modernih! Ali ne, Agata?" Gledal jo je, da je zardela in šla z roko preko obraza.

"In kdaj bi se odpeljala?" ga je spet pogledala.

"Danes opolnoči ali jutri opolnoči. To odloči ti, Agata!"

"Potem nakupiva in se odpeljava — danes," se je zatajila in odločila.

"Potem se odpeljeva jutri."

"Kaj se nistem zadošči zatajila?"

"Pred možem — premalo."

"Pa odpotujeva — kljub temu."

Nista odpotovala ta dan. Drugi večer sta se sedela v kavarni pod stebrišči in gledala v noči obrise Dioklecijanovih kopališč. Nista čutila, da se poseljavata od Rima bila sta mirna, kakor da pojde ves Rim z njima.

In sta se dogovorila tako, da sta izstopila še v Benetkah, ki jima niso bile nove, pač pa prijetne.

"Ali se ti ne zdi, Matej, da Benetke prišume in pridise naproti?" je spregovorila Agata, ko je stopila na benetška tla.

"Za žensko," se je nasmehnil on.

"In za moškega?"

"Naj ti odgovorim s tem, da ti kupim rož, ki jih gledaš."

"Torej to so Benetke zate?" je Agata objela z obema rokama šop vrtnic. Vesela je bila.

"Benetke, ti in rože, vse mi je drago," je postal Matej razigran.

Prišla sta do morja. Ustavila se je parnik. Ljudje so iztopali in vstopali — Matej je prijel Agato za roko in sta vstopila. Parnik je vozil na Lido.

Po večerni promenadi na Markovem trgu, ob godbi, ki je pritrkovala srcu in koraku, sta zapustila Benetke. Vlak se je premaknil in zapuhal proti domu.

Ko sta zagledala domačo zemljo, se jima je hkrati izvil globok vzdih. Sveže in zdrave zelene trate, ki so bežale mimo druga svetlejša od druge in vmes temnejše s cvetočimi sarnimi drevci, so obrobljale njive, razorane v globoke brazde težke zemlje, ki je puh-tela in kipela in pričakovala setve. Griči so obkrožali svetove, gozdovi smrek in borovcev so stali kakor fantje — stražarji, ki jih vihar lahko prelomi, nikakor pa ne upogne.

Življenje zemlje je žarelo vanju s tisto življenjsko silo, ki spomladi ljubi, poleti zori, jeseni rodi in pozimi počiva. Priklicalo ju je v resničen svet ... Začutila sta toploto lastne krvi in njen ukaz: delati, ljubiti in roditi!

7.
Ko je Agata, obložena z zaviti, tekla doma po stopnicah in burno pozvonila, sta se dvignili v posteljah dve telesi in prisluhnili. V istem hipu, ko je planila Agata v sobo, sta planila otroka iz postelj in zakričala: "Mama, mama!" Planila sta k njej in jo, ko se je sklonila k njima, podrla na tla. Ko je vstopil Matej, je videl pred seboj skupino, ki se je objemala in stiskala. Vsi trije so obstali razmršeni in razgreti in Pavel je dejal, ko je pogledal očeta:

Veseli med Slovenci

Veseli je napolnilo vsa slo-

venska srca, srca vseh tistih, ki

vedo, kaj jim je škof Rožman

bil doma in še bolj v begunstvu.

Njegovega prihoda so pa bili ve-

seli tudi številni starslovenski

naseljenci, ki jih komunistična

propaganda zadnjih let ni oku-

žila. Njč ni zalegel gnusen na-

pad nanj v tukajšnjem titov-

skem lističu. Dosegel je ravno

nasprotni učinek. Po tem član-

ku je spregledalo še več staroslo-

venskih naseljenecv. Tako smo

jih videli veliko na letališču v

Moronu, ko so z vsem veseljem

in zarpanjem pozdravili svoje-

ga nadpastirja. Videli smo jih

potem še v nedeljo pri škofovi

maši v cerkvi sv. Julije in pri

vem obhajilu njihovih otrok, na-

to v tako lepem številu na po-

zdravni akademiji, kakor jih do-

sedaj še nikdar ni bilo na nobeni

slovenski prireditvi in zatem v

ponedeljek v cerkvi San Carlos

pri škofovi maši, po kateri je

otrokom novih in starih Sloven-

cev prevzvišeni delil zakrament

svete birme. V znak protesta

je tudi več starih slovenskih na-

seljencev vrnilo zadnjo številko

titovskega glasila v Buenos Ai-

resu z izjavo, da ga sploh ne ma-

rajo več sprejemati in brati.

Ljudje prihajajo pozdravljati

škofa

V prostorih Društva Sloven-

ceve je pa kar praznično te dni.

Ljudje stalno prihajajo pozdrav-

ljati svojega škofa. Ves skrben

je tudi veliki argentinski prija-

telj Slovencev č. g. Figallo, ki je

škofu dal stanovanje v svojem

župnišču in ga z velikim vese-

ljem vozi s svojim avtomobilom

po mestu in na razne uradne ob-

iske.

Hvalevredna vzpodbuda

Društvo sv. Lovrenca št. 63 KSKJ v Clevelandu je poslalo predsedniku Lige KSA tale dopis: Društvo sv. Lovrenca je na svoji seji dne 9. oktobra razpravljalo o potrebi pomoči našim rojakom v begunstvu kjer žive po raznih taboriščih. Društvo se Vam, Mr. Intihar najlepše zahvaljuje z neutrudno delovanjem na tem polju. Z Vašo pomočjo in pod Vašim spretnim in vztrajnim vodstvom se je doseglo že veliko in precej pomoči se je že zbralo za nesrečne brezdomce.

Pa je potreba še vedno velika. Še je veliko slovenskih oseb in družin, ki čakajo na našo pomoč. Zato Vas prosimo, da še v bodoče sodelujete z isto vztrajnostjo in poštrevnostjo kot doslej. Obenem apeliramo na vsa slovenska društva, zlasti na tista, ki so včlanjena v KSKJ, da bolj popri- mejo kot so doslej in več pomagajo. Apeliramo na vso slovensko katoliško javnost v Ameriki, da Vam pri tem delu pomagajo. Za društvo sv. Lovrenca Anton Kordan, tajnik.

Ta pobuda je več kot dobrodošla. Uradni Lige so živo zaposleni z doseljevanjem beguncev in založeni z neštivilnimi prošnjami. Akcija bo zastala, če se podpiranje v naših naselbinah ne poživijo. Že na zadnjem obnem zboru je bilo tudi povedano, da nastajajo za celo naseljitveno delo nove naloge. Vse to zahteva sredstev in novih moči.

Znana reč je, da sedaj Liga potrebuje in prosi za naj- širše sodelovanje za preselitev naših ljudi sem v to deželo. Slovenci smo doslej dosegli samo toliko, da je prišlo sem kakih 800 ljudi in prijavljenih imamo še kakih trikrat toliko. Ni še sponzorjev za kakih 2500 ljudi. Ne moremo in ne moremo jih spraviti toliko skupaj. Ne moremo med 300.000 Slovenci, kolikor pravimo, da jih je v Ameriki. Zakaj ne? Tisti, ki so takoj sprejeli to misel, da store za rojake, kar morejo, so se odzvali in prijavi. Oni so storili kar so sodili, da morejo. Drugi se obotavljajo. Tudi taki so med njimi, ki bi kar lahko dali stanovanje in hrano vsaj za nekaj časa, dokler si begunec tu sam ne poišče kruha in tudi taki, ki bi sami potrebovali delovne pomoči, pa enostavno nočejo imeti teh "malenkostnih sitnosti," ki so s tem da prevzamejo sponzorstvo, združene. Nočejo misliti na to.

Zato je gornje pismo tako dobrodošlo. K dobrotelno- sti poziva. Dobrotelnost ni takrat kadar pomagam najbliž- jemu svojcu, ki ga rad imam in bi ga rad dobil sem, prava dobrotelnost se začne takrat, če storim nekaj v korist svo- jega bližnjega kadar in ko mi je res težko storiti, takrat, ka- dar to storim kljub temu, da mi je neprijetno in mi nalaga "nepotrebne" skrbi.

Poglejmo malo naokoli kaj so storile v tem oziru dru- ge narodnosti v Ameriki. Srbi so n. pr. za svoje begunce v Nemčiji enostavno določili, koliko oseb in koliko družin mora pod obveznostjo narodne dolžnosti sprejeti kaka srbska naselbina v Združenih Državah. Kar enostavno razde- lili so vse svoje begunce v Nemčiji med srbske naselbine v Ameriki in kolikor je na kako naselbino prišlo, toliko jih je moral sprejeti. Sami Srbi z vsemi svojimi društvi, na- rodnimi organizacijami, cerkvami in župnijami so si nalo- žili to dolžnost. Če naselbina ne najde zasebnih sponzorjev, pa mora pod skupno narodno disciplino vseno sprejeti do- ločeno število beguncev in zanje poskrbeti dotično društvo ali župnija dokler ne bodo sami našli tu strehe in zaposlitve. Enostavno v svojih društvenih in cerkvenih dvoranah bodo napravili skupne spalnice, tam bodo skupne kuhinje in lju- dije bodo tam živeli, dokler si ne bodo mogli dalje pomagati k samostojnemu življenju. Živeli bodo iz skupnih zbirk tiste naselbine. Naselbina jih prevzame, naselbina jih vzdržuje. Tako so Srbi, ki s svojo akcijo poprej niso mogli veliko na- prejeti, kar v par mesecih odposlali v Evropo 5500 sponzorstev in njihovi ljudje bodo prišli in se rešili.

Sijajno delajo Litvanci, ki so že spravili sem na deset- tisoče svojih ljudi pa še hočejo dobiti na desetstoisoče spon- zorjev, tako delajo Poljaki in Ukrajinci.

Pravimo, da bi istotoliko bilo mogoče storiti Slovencem in pa trdimo, da bi bilo mogoče pri malo več smisla in pošt- rovanja storiti veliko več kot je že doslej storjenega. Sa- mo zbuditi bi se morali tisti, ki doslej še niso nič storili.

Društva vseh vrst bi mogla vzbuditi interes med svoji- mi člani, bi mogla poiskati sponzorstev tudi med ljudmi dru- gih narodnosti, saj se povsod najdejo dobri ljudje, samo najti, poiskati jih je treba. Društva so raztresena po celi Ameriki. Če bi vsa poprijela, bi bilo naše begunsko vpra- šanje takoj rešeno in društva bi si dobila hvaležno novo član- stvo, vsa njihova naselbina bi se poživila.

Naj bi pismo društva sv. Lovrenca našlo mnogo odme- va, vzbudilo mnogo sodelavcev za naseljevanje naših ljudi in nam odkrilo novih dobrotnikov, ki bi begunce sprejeli.

Pa tudi akcije za zbiranje prispevkov za Lgo, ki to delo upravlja naj bi se sedaj poživile. Brez nič ni nič. Tudi naseljitvena akcija je brez sredstev nemogoča.

Ali je potrebno, da vas ali žovija.

opomnim na volitve prihodnji torek? Volitve so važne, so ob- enem naša dolžnost kakor tudi privilegij. Ako bi v Sloveniji imeli tisto neprecenljivo pri- liko, da bi se smeli izraziti nemo- teno in brez strahu, kot se izra- žamo mi na volišču in zunaj te- ga, bi od veselja poskakovali. Vsi bi prav gotovo volili in bi vrgli svoje tlačitelje tako da- leč iz njih uradov, da bi se niko- li več ne povrnili. Mi imamo pravico in svobodo izraza. Naj nikomur ne bo odveč, da stopi na volišče in voli po svojem preudarjenju.

Ko pridite do imen koncilma- nov, ne pozabite na ime sda- njega koncilmana Lucaka, ka- teri nam je pred kratkem pre- skrbel prometno luč na Union Ave., da ni treba otrokom in drugim riskirati življenja vse- lej, kadar gredo preko ceste.

Vest prihaja iz južne Ameri- ke o potovanju škofa Dr. Rož- mana in Father Slapšaka, ki se morata tam iz kraja v kraj voziti po slabih potih z busi in ne po zraku, kot sta se peja- la tja. No, le dobro naj jih pre- trese Argentina, Chile in Equa- dore, bosta toliko rajši doma, ko prideta nazaj.

Nekemu dekletu v državi Io- wa, katero je njen "boyfriend" zapustil in ji tako ranil srce, je sodišče prisodilo \$25,000 od- škodnine. Moškemu pa, kate- ru je nekdo zlomil vrat, je da- lo sodišče pa samo \$10,000.

John Hrovat nam večkratni cerkveni odbornik iz Woodland okolice se je moral podati v bolnišnico in se podvreči operaciji na golši.

Mrs. Domin Blatnik si je to- liko opomogla, da že stopi sem pa tja po izbi.

Mrs. Frank Bohar se tudi počasi bliža zdravju, docim Mrs. Anton Štepic še vedno najrajši ostaja blizu postelje. Vsem želimo prav kmalnega o- zdravljenja.

Nekdo pravi: "Kdor nosi iver na rami, pokaže s tem, da je višje gori še več lesa." Če ne razumeš tega potem imaš tudi ti nekaj več lesa, kot se ti ga vidi na tebi.

Neka služkinja, katero so vprašali glede njenih navad in razpad, je odgovorila:

"Nisem taka, kot sem bila, pa tudi ne taka, kot bi morala biti, ali taka kot bom. Sem pa veliko boljše, kot sem bila."

V nedeljo popoldne pol 3 je seja odbornikov vseh društev, ki spadajo pod zvon sv. Lov- renca. Zlasti pa naj bodo na- vzoči vsi cerkveni odborniki.

Sovjeti znajo biti naivni ali pa so tako močno zatelebani, da mislijo, da jim vsakdo vrjane. Sovjetski zastopnik Malik se je nekoč izrazil: "Sovjetska uni- ja je vsak čas pripravljena po- ložiti karte na mizo." Potem pa je baje debelo gledal ker so se mu vsi drugi razen njegovih backov, nevrjetno posmehnil.

Če je katera reč potrebna, je prav gotovo treba organizirati naše šolske dečke v "Boy Scout." Zato se morajo pa za- vzeti tudi njihovi starši. Ta or- ganizacija je kot nalašč za ta- ke hlapce, ki so 11, 12 ali 13 let stari. Ko pridemo do tega, da se organizacija spopolni, prijavite tudi vašega Johnyja

Sicer vest človeka sama hva- li, kadar stori kaj dobrega. Tu- di vaša vest vas bo gotovo po- hvallila, da ste nekaj dobrega storili, ko ste prihajali skozi cel' mesec oktober ob večerih molit rožni venec. Marsikdaj se ti ni ljubilo, pa si se vseeno vzdignil in stopil v hišo božjo. Ali ti je žal danes tega? Ne! In ti tudi ne bo. Vidiš, če bi člo- vek v verskem oziru storil le tisto, kar se mu zljubi, bi malo soril — toliko kot vidiš pri marsikateremu. Ni! Toda mi moramo storiti to kar je prav in kar je dobrega, pa naj se nam ljubi ali pa ne. Človek je nagnjen k lenobi. Zraven pa pride še oni zli duh, ki bi nas rad pogubil in ti narekuje: "Nikar se tako ne trudi. Saj to ni zapovedano. Saj to ni smr- ni greh..." Žal, da je toliko ljudi, ki to poslušajo in se res malo brigajo za to kar Bog na- zivlja "potrebno." "Le eno je potrebno..."

Torej še enkrat hvala vsem, ki ste molili skozi cel mesec ok- tober za mir sveta. Bog naj vas usliši.

Dnevi našega bazarja so: 18. in 19. in 20. novembra. Par dni je tega, ko smo si zagotovili 130 puranov. Dobili jih bomo na- ravnost iz farne, ki je komaj 15 milj od nas. Debeli so pa le- pi, da ga bo vsak vesel. Pomi- slite, sto puranov.

Društvo sv. Imena priprav- lja veselico za tisti večer. Kdor je bil na lanskem, bo tudi letos šel, ker bo pripravljeno za vse, stare in mlade. Veseli- ca se vrši v narodnem domu.

Kandidat Fakult se hoče predstaviti volivcem

Cleveland, O. — V svoji kam- panji za urad mestnega odbor- nika v 32. vardi, tako v primar- nih kot v glavnih volitvah, sem se namenoma vzdiral metati o- krog sebe sijajne obljube. Mi- slim, da mi prebivanje 27 let v tej vardi daje dovolj jasno sli- ko, kaj varda potrebuje. Moje šole in izkušnje pri mestni in federalni vladi so mi pa dale v roke orodje, s katerim bom te potreščine v vardi izvršil ali dosegel.

Tekom volivne kampanje sem poudarjal, da sedanji mestni odbornik ni posvetil dovolj svo- jega časa kot mestni odbornik, to zaradi svoje zaposlitve drug- je. Posledica je bila, da je varda imela le malo ali nič za- stopstva.

Zatrjeval sem in zopet po- navljam, da sem jaz kar se ti- če zaposlitve sam svoj gospo- dar in čas je ves v moji oblasti, radi česar bom lahko v City Hall tekom dnevnih ur kakor bo to potrebno, tako da bodo raznih mestni oddelki redno ob- veščani o potrebah naše varde. Imam odvetniško pisarno, ki jo bom nadaljeval v vardi in si- cer na 960 E. 185. St. Ta urad bo odprt in na razpolago kon- stitucijom varde kot prostor, kjer bodo lahko predložili svo- je zahteve ali nasvete.

Moje resno mnenje je, da varda ni imela dovoljne repre- zentacije zadnji dve leti in za- to hočem napraviti naslednjo obljubo, da če bom izvoljen za councilmana, da bom posvetil si ugled svoj čas in energijo v taki meri, da 32. varda ne bo več pozabljena in zanemarjena varda v me- stu.

Apeliram na vse volivce in

volilke, ki so zainteresirani v to, da dobi 32. varda boljše za- stopstvo, da oddajo svoje glas- za John A. Fakult za councilma- na pri volitvah, ki se bodo vršile 8. novembra 1949.

John A. Fakult, kandidat za councilmana 32. varde.

Volivcem v 15. vardi

Cleveland, O. — Cenjeni slo- venski in hrvaški volivci v 15. vardi! Kdo bo naš koncilman za prihodnji dve leti, ki bo tu- di upošteval naše slovenske glasove? Imamo v naši 15. var- di dva kandidata, ki sta dobila nominacijo v primarnih volit- vah in to sta naš sedanji koncilman Mr. Probek in bivši koncilman William Rogers, ki je po poklicu inženir ter zelo izobra- žen mož, dober katoličan in po- štenjak.

Mr. Rogers ima vso priliko biti izvoljen tudi če mi Slove- nci me volimo zanj. Sicer nimam kaj oporekati sedanjemu koncilmanu, ki je zastopal dosedaj našo vardo, vendar mi ni zna- no, koliko siromakom je kaj po- magal, pač pa vem, da se je ve- liko brigal za šport. Po mojem mnenju je v prvi vrsti treba gledati za kruh in šele potem za šport, kajti lačen človek se ne bo brigal za šport.

Cenjeni slovenski in hrvaški volivci, pojdemo vsi na volišče v torek 8. novembra in oddajmo svoj glas za William Rogers za koncilmana v 15. vardi. Pre- pričani bodite, da vam bo v slučaju potrebe pomagal po svoji najboljši moči. Zavedaj- mo se tudi, da če bomo izvolili za naše javne urade dobre in zanesljive katoliške moze, da se nam ni treba bati, da bi nas komunizem zaslužnil in nam pobral, kar smo si s svojimi krvavimi žulji pridobili v Ame- riki.

France s clev. hriba.

Maloney za Council v Euclidu!

Euclid, O. — Dovolite mi, da napišem par vrstic v prilog John W. Maloney, ki kandidira v mestu Euclidu za councilma- na-at-large. V tisti urad izvo- lijo državljani tri.

Tekom mnogih let, ko sem poznal Mr. Maloneya, sem ve- dno občudoval njegove vrline in fin karakter. Kot uradnik v organizacijah društev Njavs. Imena in Kolumbovih vitezo- v, je bil vedno pripravljen dopri- nesti žrtve v korist in za napre- dek teh dveh organizacij. Vem tudi, da se je vedno zanimal in udeleževal pri civilnem živ- ljenju v Euclidu.

Mesto Euclid potrebuje mož v javnih uradih z zmoglostjo in poštenostjo, ki sta dve vrli- ni John W. Maloneya. Zato nuj- no apeliram na državljane mesta Euclid, na vse moje pri- jatelje in čitatelje tega časopi- sa v Euclidu, da izvolijo za mestnega odbornika John W. Maloney.

Z spoštovanjem, Joseph A. Križman, državljan Euclida.

Za dobrega zastopnika

Rad bi porabil to priliko, da bi napisal nekaj vrstic v prilog John A. Fakult, ki je kandi- dat v 32. vardi za mestnega od- bornika na neodvisni listi.

Poznam Mr. Fakultu zadnjih 27 let, saj prebiva v tej vardi vsa ta leta. Rojen je bil v Ame- riki od slovenskih staršev, ki so uživali v tej naselbini najlep- ši ugled.

Mr. Fakult je dobil izvrstno izobrazbo, imel je službo pri mestu in pri federalni vladi, vsega skupaj enajst let, s če- mer si je pridobil na izkustvu

in poznanjem razmer.

Po poklicu je odvetnik z u- radom na vogalu Marcella Rd. in 185. St. Gotov sem, da če bo izvoljen, se boste z njim lahko pogovorili o vseh problemih in bo gotovo vesel, ako vam bo mogel kaj pomagati ali vam svetovati. Njegov urad bo ved- no odprt prebivalcem 32. var- de.

Ker John A. Fakultu osebno poznam že toliko let, zato ga tudi lahko topla priporočam dr- žavljanom 32. varde, da volijo zanj 8. novembra ter ga pošlje- jo v mestno zbornico kot zmog- nega zastopnika 32. varde.

Ted Rossman, 19004 Kewanee Ave.

ODVETNIKI BI RADI NASLEDNJE SODNIKE

Clevelandski odvetniki so pri slavnem glasovanju z veliko večino odločili, da bodo pripo- ročali volivcem v ponovno iz- volitev sledeče sodnike na mest- no sodnijo: James T. Cassidy, David C. Meek, Charles A. Va- nik in John E. Sweeney.

Mnenje je, da nihče bolje ne pozna sodnike, dobre in slabe, kot jih odvetniki. To bo tudi res, saj imajo vsi posla z nji- mi.

Naši mestni sodniki ne postojajo. Prošlo leto so imeli in re- šili 27,000 civilnih tožb ter 275.000 kriminalnih slučajev. To ni davkoplačevalce stalo niti centa, ampak so sodnije napra- vile celo \$200,000 preostanka, kar je prišlo v blagajno od ka- zni in glob.

ZA ŠOLSKI ODBOR SE PRIPOROČAJO 4 SEDANJI ČLANI

V clevelandskem šolskem od- boru služijo zdaj štirje, ki so vsega spoštovanja vredni ter zares zaslužijo, da jih državlja- ni ponovno izvolijo. To so Al- fred A. Benesch, Charles A. Mooney, Carl F. Shuler in Nor- ma F. Wulff.

Ti štirje so kot šolski odbor za Cleveland storili toliko do- brega in koristnega, da zasluži- jo ponovno izvolitev. Šolski si- stem v Clevelandu je bil prvi, ki je ustanovil natečaje za vr- nivše vojne veterane. Radi tega je postal poznan po vsej deželi.

Na 8. novembra gornje štiri člane šolskega odbora izvolite ponovno v šolski odbor.

NOVE VODVILNE PREDSTAVE SO ZDAJ V RKO PALACE

V clevelandskem gledišču RKO Palace, so ta teden nove vodvilne predstave, obstoječe iz 8 aktov. Najprej bo zanimiva premikajoča slika z vloge Mar- tha Scott in Jeffrey Lynn in po- tem bo za vodvil.

Te vodvil predstave so take, da se bo lahko zabaval vsak član vaše družine. Te predstave so bile prikazane z velikim us- pehom že v New Yorku. Nastopil bo v posebni atrakciji tudi Carlton Emmy s sevojimi dre- siranimi psi, ki so že nastopili v vsakem večjem mestu v Evro- pi. Videli boste razne akroba- tične vaje, klovne za smeh, ples in petje.

V May Co. so zdaj za dva te- razstavi 3,000 dolik. Predstav- dna na razstavi dolike, katere sta napravila umetnika Ber- nard in Frances Ravca. Dolike sta delala po vzorcih iz resnič- nega življenja. Ravca je pre- potoval 56 provinc v Franciji, da je študiral pri ljudeh nošo in običaje. Potem je napravil postavice, ki so predstavljale ljudi na deželi in v mestu v vseh panogah življenja.

V auditoriju May Co. bo na le.

ZBEGANO GNEZDO

POVEST
CVETA STOJANOVA

Zagledala ga je, kako je ležal s prekrizanimi rokami pod glavo in jo zapovedujoče gledal z na pol odprtimi očmi. Vzela je ruto, ugasnila luč, se zavila, prižgala cigareto, nato pa neslišno sedla. V sobi ni bilo slišati niti dihanja; soba je poslušala le življenje ceste.

Drugo jutro sta ob rekli Tiberi, vodeč se za roko, ogledovala Angleski grad. Nihče ni ne dvomil, da sta ta dva človeka enaka po srcu in duši. Še skladnost njunih teles je pričala o tem. Če bi ju natančno gledal, bi se poprej presodil, da sta brat in sestra in ne mož in žena.

Ko sta prešla vse galerije Vaticana in vso cerkev sv. Petra do stopa, sta bila ubita od utrujenosti na duši in na telesu. Samo en kip, samo ena slika, samo en gobelin, le en mozaič bi zadoščal, da nasiti dušo, lačne umetnosti. Če pa prehodiš vso, tisto vrsto dvoranih, katerih ena je bogatejša od druge in te vodi iz bogastva v bogastvo, in to uro za uro, iz veka v vek prav do zadnjega časa, izgubiš potrebno razsodnost in skoraj tudi zavest.

Tako sta Matej in Agata stopila iz voza v hotel k obedu. Tam ju je čakala brzojavka iz domovine od domačih. Agata jo je vzela iz Matejevih rok, Matej pa jo je vzel iz njenih, pretrgal in razgrnil. Oba sta brala: "Vsi zdravi." Brzojavko je bila odgovor na Matejevo brzojavko. Še sta ponavljala, še in še je dejal Matej: "Zdravi!", še je dejala Agata: "Zdravi!" Domotožje se je zbudilo v obeh; klic otrok je potrkal na njuni srca.

"Kdaj se odpeljava?" je vprašala Agata.

"Saj res, kdaj se odpeljava?" se je z vzdihom zdramil Matej.

"Ali odpotujeva s polnočnim?"

"Opolnoči ne odpelje noben vlak v Neapelj," je pojasnil.

"Pa ne v Neapelj," se je prestrašila ona, "domov, Matej!"

"Domov?" se je nasmehnil Matej. "Nekaj spominov bo treba kupiti — prav iz Rima, za otroka in Maro in nežko in, če si že tukaj, obiščeš vendar še Zuloaga v galeriji modernih! Ali ne, Agata?" Gledal jo je, da je zardela in šla z roko preko obraza.

"In kdaj bi se odpeljala?" ga je spet pogledala.

"Danes opolnoči ali jutri opolnoči. To odloči ti, Agata!"

"Potem nakupiva in se odpeljava — danes," se je zatajila in odločila.

"Potem se odpeljava jutri."

"Kaj se nisem zadosti zatajila?"

"Pred možem — premalo."

"Pa odpotujeva — kljub temu."

Nista odpotovala ta dan. Drugi večer sta se sedela v kavarni pod stebrišči in gledala v noči obrise Dioklecijanovih kopališč. Nista čutila, da se poslavljata od Rima bila sta mirna, kakor da pojde ves Rim z njima.

In sta se dogovorila tako, da sta izstopila še v Benetkah, ki jima niso bile nove, pač pa prijetne.

"Ali se ti ne zdi, Matej, da Benetke prišume in pridise naproti?" je spregovorila Agata, ko je stopila na benetška tla.

"Za žensko," se je nasmehnil on.

"In za moškega?"

"Naj ti odgovorim s tem, da ti kupim rož, ki jih gledaš."

"Torej to so Benetke zate?" je Agata objela z obema rokama šop vrtnic. Vesela je bila.

"Benetke, ti in rože, vse mi je drago," je postal Matej razigran.

Prišla sta do morja. Ustavila se je parnik. Ljudje so izstopali in vstopali — Matej je prijel Agato za roko in sta vstopila. Parnik je vozil na Lido.

Po večerni promenadi na Markovem trgu, ob godbi, ki je pritrkovala srcu in koraku, sta zapustila Benetke. Vlak se je premaknil in zapuhal proti domu.

Ko sta zagledala domačo zemljo, se jima je hkrati izvil globok vzdih. Sveže in zdrave zelene trate, ki so bežale mimo druga svetlejša od druge in vmes temnejše s cvetočimi ravnimi drevesi, so obrobile njive, razorane v globoke brazde težke zemlje, ki je puhela in kipela in pričakovala setve. Griči so obkrožali svetove, gozdovi smrek in borovcev so stali kakor fantje — straharji, ki jih vihar lahko prelomi, nikakor pa ne upogne.

Življenje zemlje je žarelo vanju s tisto življenjsko silo, ki spomladi ljubi, poleti zori, jeseni rodi in pozimi počiva. Priklicalo ju je v resničen svet ... Začutila sta toploto lastne krvi in njen ukaz: delati, ljubiti in roditi!

7.

Ko je Agata, obložena z zavetki, tekla doma po stopnicah in burno pozvonila, sta se dvignili v posteljicah dve telesci in prisluhnili. V istem hipu, ko je planila Agata v sobo, sta planila otroka iz postelj in zakričala: "Mama, mama!" Planila sta k njej in jo, ko se je sklonila k njima, podrla na tla. Ko je vstopil Matej, je videl pred seboj skupino, ki se je objemala in stiskala. Vsi trije so obstali razmršeni in razgreti in Pavel je dejal, ko je pogledal očeta:

Škof Dr. Rožman v Argentini

Veselje med Slovenci

Veselje je napolnilo vsa slovenska srca, srca vseh tistih, ki vedo, kaj jim je škof Rožman bil doma in še bolj v begunstvu. Njegovega prihoda so pa bili veseli tudi številni staroslovenski naseljenci, ki jih komunistična propaganda zadnjih let ni okužila. Nič ni zalegal gnusen napad nanj v tukajšnjem titovskem listu. Dosegel je ravno nasprotni učinek. Po tem članku je spregledalo še več staroslovenskih naselencev. Tako smo jih videli veliko na letališču v Moronu, ko so z vsem veseljem in zapenjanjem pozdravili svojega nadpastirja. Videli smo jih potem še v nedeljo pri škofovi maši v cerkvi sv. Julije in pri verni obhajilu njihovih otrok, nato v tako lepem številu na pozdravni akademiji, kakor jih dosedaj še nikdar ni bilo na nobeni slovenski prireditvi in zatem v ponedeljek v cerkvi San Carlos pri škofovi maši, po kateri je otrokom novih in starih Slovencev prevržen deli zakrament svete birme. V znak protesta je tudi več starih slovenskih naselencev vrnilo zadnjo številko titovskega glasila v Buenos Airesu z izjavo, da ga sploh ne marajo več sprejemati in brati.

Ljudje prihajajo pozdravljati škofa

V prostorih Društva Slovencev je pa kar praznično te dni. Ljudje stalno prihajajo pozdravljati svojega škofa. Ves skrben je tudi veliki argentinski prijatelj Slovencev č. g. Figallo, ki je škofu dal stanovanje v svojem župnišču in ga z velikim veseljem vozi s svojim avtomobilom po mestu in na razne uradne obiske.

Mrs. Sue F. Newhouse

V Euclidu kandidira za council-at-large Mrs. Sue F. Newhouse, ki stanuje v Euclidu na 21671 Crystal Ave. V Euclidu prbiva že 18 let, torej so ji gotovo poznane vse potrebe tega napredujočega mesta. Po poklicu je učiteljica in je v tem važnem poklicu že 38 let. Mrs. Newhouse je učiteljica, mati in stara mati, torej ima dovolj vrlin, da bo sposobna odbornica v mestnem koncilu. V mestni zbornici v Euclidu ni bilo še nikoli ženske. Pametno bodo storili volivci, ako izvolijo Mrs. Newhouse, ker ženska mnogo-krat vidi probleme z drugačni-

mi očmi kot moški. V euclidski mestni zbornici je potreba ženske in ta je Sue F. Newhouse.

MLEČNA INDUSTRIJA ZAGOVARJA SVOJE POSLOVANJE

V torek 8. nov. bodo volivci v državi Ohio glasovali, če se dovoli oleomargarinski industriji izdelovati barvan oleo ali ne. Zdaj smejo izdelovati samo belega, industrije hočejo pa rumenega, ker tako ga lahko prodajajo kot sirovo maslo, ker barvan izgleda natančno tako.

Mlekarska industrija je proti temu, ker pravi, da bo s tem oleo potvarjal svojo pravo veljavno in bo nastopal kot sirovo maslo. Ker je oleo delan iz zelenjave, je lahko cenejši kot sirovo maslo, ki je delano iz mleka.

V državi Ohio, na primer izdeluje več kot 300 firm sirovo maslo, dočim so samo 4 tovarne za oleomargarin. Ako bodo volivci odglasovali za barvan oleo, bo to gotovo škodilo mlekarji industriji v državi.

Ta nima nič proti, če izdelujejo in prodajajo oleo tak, kakršnega izdelujejo, so pa proti temu, da bi ga prodajali barvanega in ga tako prodajali kot pravo sirovo maslo. Naj bo vse to, kar v resnici je in naj se ne predstavlja z lastnostmi drugega, pravi mlekarjska industrija in priporoča, naj bi državljanji 8. nov. glasovali proti barvastemu oleo.

Zgodbe iz Titovine

Kolo časa se v Titovini jako hitro suče. Tito postaja agilen bolj kot kdajkoli, odkar sedi na rdečem prestolu. Napravil je trgovinsko pogodbo z Italijo, začel pogajanja z Grčijo in kar je poglavitno, zavaruje dogovore z Ameriko, ki mu bo postavila kompletno jedilnico, vredno nič manj kot tri milijone dolarjev. Tako je spretno raztrgal zanko, s katero ga je kominforma hotela zadaviti.

Da, da, tempora mutantur! Časi se spreminjajo in Jože Broz-Tito se z njimi spreminja.

Pred tremi leti je streljal na ameriške zrakoplove, sramotil ameriške vojake s čokolado, njegovi časopisi so stalno napadali Zpad in njegove "temne elemente." Danes pa oholi samodržec kleči pred ameriškim kapitalizmom ter mu proži taci kot dresirani kužek. — Moskva ga zmerja s fašistom prvega razreda; Tito pa dobro ve, kaj dela in ostane komunist najbolj pristnega kova. — Ljudstvo bo še nadalje trpelo, stradalo in robovalo. Broz mora ostati komunist, zakaj brž ko bi se sesula njegova "demokracija," bi se mu zrušil stolček za večne čase. Vse to je maršalo dobro znano, zato ne more sleči rdečega plašča za vse ameriške stroje in tovarne. "Komunizem je religija, zato ne more trpeti poleg sebe druge vere." Tako je razlagal nedavno Titov apostol na veličnem sestanku. Besede niso izzvale običajnega ploskanja, pač pa so bili poslušalci hvaležni za odkrito priznanje. — Dolgo časa so jim trobili, da je vera privatna zadeva, zdaj pa so pokazali pravo barvo. Sicer nam ni "tovariš" prav nič novega povedal. Mi že dalje časa opazujemo mržnjo proti vsemu, kar je v zvezi z vero, s cerkvijo in z duhovniki. Dober kristjan nima na odličnih mestih nobene veljave, nikakega zaupanja. Zamj ni nobene boljše službe, ker imajo brezverci prednost in zaščito. Komaj mu kak naduti činitelj še odri- ne besedico, ne da bi ga poprej sumljivo ne pregledal od nog do glave. Kdor opravlja vest-

no svoje verske dolžnosti, ta je nezanesljiv in zapisan v posebno knjigo. "Dober kristjan, je slab državljani," tako se je izrazil oni dan neki "višji" tovariš. Rimski pagani pa so svoj čas trdili, da so bili prvi kristjani dobri državljani. Tito je torej hujši od Nerona, dejanja govori, pa četudi bi se začel pogajati z Vatikanom.

Titovi vohuni so dobili zadnje čase novo opravilo. Plazijo se po vaseh, stikajo po hišah in pregledujejo, koliko ljudi je zaposlenih in kdo se delu "uporno" odteguje. Obnašajo se zelo oblastno — kakor jetniški pazniki — in mislijo, da bo ta amazana služba trajala na večne čase. Pa recite, da Titovina ni jetnišnica, kjer nam beriči štejejo korake ter nas stalno zasledujejo. Za vse se zanimajo, pred njimi nisi varen niti v svoji domači strehi. Polzvedujejo celo, kaj tu pa tam kuha- jo in raziskujejo, ali niso mor- la živila prepovedanega izvo- ra. Samo tega ne vprašajo, tako shaja družina ves mesec brez masti, z eno kilo moke in pol kile kruha, ki ga dobi za štiri tedne. Kaj jih briga, ako tožijo delavke: "Tako sem lač- na, da se komaj držim pokon- ci." Ljudstvo slabi, izginja ve- selje do dela, ker je treba vse oddati. Sadija bo letos precej, drevje pobeša veje pod slad- kim bremenom, toda kmet se pogreza v grenko žalost. Vča- sih smo se veselili trgatve, da- nes pa jokamo po vinogradih, ker nam bodo vse grozdje po- brali. Ocenjevalne komisije so namreč že na delu in merijo

pridelke. Povsod sama pro- stovoljna oddaja, ki nikjer nič ne zaleže. Tako se nam godi v državi prekletstva, — v deželi Veredicus.

VABILO NA PLESNO VESELICO

za kegljaški krožek društva Kras št. 8 SDZ

v soboto 5. novembra 1949

POLOM

POSLOVENIL VLAD, LEVSTIK

"Videla sem goreti statve ka-
kor sveženj suhih drv... Po-
stelja in pohištvo je vzplame-
nelo hitreje kakor snop slame
... In ura je tudi šla, da
ura, ki nisem imela več časa,
da bi jo odnesla na rokah."

"Strela božja!" je preklinjal
mož, oči polne debelih solz,
"kaj bo zdaj z nami?"

Da bi jih pomirila, jim je
dejala Henrijeta z nekoliko
drhtečim glasom samo to:

"Skupaj sta, oba živa in
zdrava, ni vaše hčere so pri-
vaju: čemu se pritožujeta?"

Nato jih je izpraševala, ho-
teča vedeti, kaj se godi v Baze-
illes-u, če sta videla njenega
moža, in kakšna da je bila nje-
na hiša, ko sta odhajala. To-
da v drgetu njenega strahu so
si odgovorili nasprotovale. Ne,

gospoda Weiss nista videla.
Vendar! Ena izmed deklic je
vzkliknila, da ga je pač vide-
la, in da je ležal na hodišču, z
veliko luknjo v sredji glave; in
oče jo je udaril, da bi molčala,
rekoč, da gotovo laže. Kar se
tiče hiše, je morala še stati, ko
so oni bežali; spomnila sta se
celo, da sta mimogrede videla
vrata in okna skrbno zaprta,
kakor da pod streho ni žive du-
še.

Sicer pa so imeli Bavarci ta-
krat samo še cerkveni trg in so
morali osvajati ulico za ulico
vasi, in hišo za hišo. Seveda,
med tem je ležala pot, in ob
tej uri je gorel gotovo že ves
Bazeilles. In uboga človeka
sta nadaljevala svojo povest o
dogodkih, z negotovim prima-
havanjem rok, ter polna groze

vzbujala strašno sliko plame-
nečih streh, tekoče krvi in mr-
ličev, ki so pokrivali zemljo.
"Tak kaj pa je z mojim mo-
žem?" je ponovila Henrijeta.

Nista ji odgovorila, le ihtela
sta si v sklenjene roke. In ona
je ostala v kruten strahu, a ne
da bi slabela; stala po koncu,
in le njene ustnice so se gibale
v droben trepet. Kaj naj bi
verjela? Kolikorkoli si je pra-
vila, da se je dete motilo, ven-
dar je videla soproga ležati s
prestreljeno glavo preko ceste.
Vrhu tega jo je vznemirjala
zaklenjena hiša. Čemu to?
Torej ga ni več tam? Od go-
tovosti, da je ubit, ji je hipo-
ma zaledenelo srce. Toda ne-
mara je bil samo ranjen. In
želja, iti tja in biti tam, jo
je zgrabila s tako neodoljivo
močjo, da bi si bila še enkrat
poizkusila napraviti prehod, če
ne bi bili tisto minuto rogovi
zatrobili: Naprej!

Mnogo teh mladih vojakov je
prihajalo iz Toulona, iz Roche-
forta ali Bresta bili so jedva
izvežbanji in se še nikoli niso
streljali; a že od današnjega
jutra so se bili s hrabrostjo
in stanovitostjo starih bojev-
nikov. Oni, ki so tako slabo
marširali iz Reimsa v Mouzon

in so bili tako neokretni v ne-
navajenih naporih, so kazali
pred sovražnikom najboljše
disciplino, bratovsko združeni
z vsimi dolžnostmi in zatajeva-
nja. Rogovom je bilo samo
treba zaklikati, pa so se vrača-
li v ogenj in ponavljali napad,
vzlic srdu, ki so jim ga bila
srca polna. Trikrat so jim
bili obljubili v pomoč divizijo,
ki pa ni prišla. Čutili so se
zapuščene in žrtvovane.

Življenje so zahtevali od
njih, ko so jih vodili nazaj pro-
ti Bazeillesu, ki so ga bili že
izpraznili. In oni so vedeli to,
in so darovali svoje življenje
brez ogorčenja, sklepe vrste
in zapuščaje drevesa, ki so jih
zakrivala, da se vrnejo v točo
krogel in granat.

Henrijeta je vzdihnila z glo-
bokim olajšanjem. Torej ven-
dar že enkrat marširajo! Sle-
dila jim je, v nadi, da pride z
njimi v Bazeilles, pripravljena
bežati, če bi oni bežali. A že
so se ustavili iznova. Zdaj je
deževalo svinca, in za novo za-
vzetje Bazeilles-a se je bližala
nujnost, pribojevati sleherni
meter ceste, vzeti zaporedoma
vse uličice, hiše in vrtove na
levi in na desni. Prve vrste so
bile otvorile ogenj napredova-
li so le še sunkoma, ker so naj-
manjše zapreke povzročale iz-
gubo dolgih minut. Če bi osta-
la tako zadaj in čakala zmage,
ni mogla nikdar do cilja. Od-
ločila se je ter krenila na de-
sno, med dvema živima meja-
ma, po stezi, ki se je spuščala
proti travniku.

Henrijetina namera je bila
zdaj, da bi dospela v Bazeilles
po širokih travnikih, ki leže ob
bregu Meuse, da se sama ni
prav jasno zavedala, kaj hoče.
Naenkrat pa je obstala na bre-
gu majhnega jezera, ki ji je
od te strani zaprlo pot. Bilo
je ozemlje, poplavljen z vodo
in izpremenjeno v obrambno
jezero, ki ona ni mislila nanj.
Za trenotek se je hotela obrni-
ti nazaj. Nato, z nevarnostjo,
da izgubi obuvalo, je nadalje-
vala pot ob bregu po namočenih
travi, kjer se je vgrezala do
gležnjev. Kakih sto metrov da-
leč je šlo tako; nato je zadel

ob zid nekega vrta; tla so bila
strma, in voda, skoraj dva me-
tra globoka, je pljuškala ob
steno. Tu je bilo nemogoče
hoditi. Njene drobne pesti so
se stisnile, in vso svojo moč je
moral napeti, da se ni spusti-
la v jok. Po prvi osuplosti je
krenila okrog zidu in našla uli-
čico, ki je vodila med reko na-
sejanimi hišami. Zdaj je me-
nila, da je rešena, kajti pozna-
la je ta labirint, to štrno za-
pletenim steza, ki pa so pri vsi
svoji zmešanosti vodile v vas.

Ali tukaj so padale granate.
Henrijeta je obstala odrevene-
la, smrtnobleda sredi glušeče-
ga, strašnega poka, ki jo je
ogrnil s svojim viharim pu-
hom. Granata se je bila raz-
počila par metrov pred njo.
Obrnila je glavo ter se vprašu-
joče ozrla po višinah levega
obrežja, kjer se je dvigal dim
nemških baterij.

Položaj ji je postal jasen, in
zdaj je nadaljevala pot, oči
uprte v obzorje in oziraje se
po granatah, da se jim izogne.
Blazna drznost njenega teka
se je družila z veliko hladno-
krvnostjo, z vsem tisti hrabrim
mirom, ki ga je bila sposobna
njena dobra gospodinjka duši-
ca. Ustreljena ni marala biti,
hotela je najti svojega moža.
Granate niso odnehale, ona pa
je tekla ob zidovju, skrivala se
za vogelnimi kamni in poraba-
ljala vsako najmanjšo zakritje.
Takrat pa se je odprl kos ne-
zakritega sveta, kos poti, ki je
bila že posuta z drobeli granat;
Henrijeta je čakala v kotu za
nekakšno uto, ko je zapazila
pred seboj na robu neke luknje
radovedno otroško glavo, ki se
je ozirala naokoli. Bil je maj-
hen bosonog deček, oblečen v

The Bells of St. Mary's

PTA CARD PARTY

St. Mary's PTA Card Party which was held Oct. 22nd in the church basement was a tremendous success. Everyone agreed they had a swell time. For those of you who were lucky enough to win those grand awards, we hope that they were useful as well as pretty.

It sure was nice to see all our good old friends that we haven't seen for ages, and believe me the time just flew since everyone had so much to talk about! Oh yes, we played cards too!

Since there were so many beautiful awards this year, it seemed as if everybody there received one. We won't tell all the gifts but can't resist mentioning just a few. There were two beautiful table lamps, a bushel of food, all sorts of linens, plants, coffee pots, and even Anti-Freeze.

As for the refreshments, they were simply delicious. Good ham sandwiches, pickles, potato chips, coffee, tea, and pop. All that for your price of admission.

Our chairman, Mrs. James Pascale, did a wonderful job with those hams and also getting together all those gifts. It was quite a job and we, the members of the PTA, would like to extend to her our heartiest thanks and appreciation. It was due to her efforts with the help of her co-chairmen, Mrs. August Laphu and Mrs. Sylvester Zupan and all the other mothers that this year's card party was such a success.

Don't forget our next meeting which will be held Nov. 22. Till then I remain your chattering reporter.

MRS. LOUIS EVANCIO

Corresponding Secretary

EXPRESSION OF THANKS

The Girls CYO Baseball team would like to express their thanks to coach Charles Kuslin and assistant Dick Brodnick for the wonderful job they did with the team this year. Everyone of us: Dorothy, Irene, Connie, Marjorie, Grosie, Pimohit, Barbara.

Bazaar at St. Michael's Parish

Bazaar time at St. Michael's Church, 3139 Scranton Rd. near Clark Ave. means getting ready for the big event of the year, which will be Nov. 11th, 12th, 13th and 14th, beginning at 7:00 p. m., also Sunday afternoon at 2:00 p. m.

One entire floor is being reserved for games with beautiful awards and on the main floor of the auditorium, decorated in gala carnival style, there will be booths containing handmade flowers and needlework articles made by the ladies of the parish, together with booths containing other merchandise and for those interested in food, a fish-fry will be served Friday evening, Nov. 11th, at 6:00 o'clock.

Our chairman, Mrs. James Pascale, did a wonderful job with those hams and also getting together all those gifts. It was quite a job and we, the members of the PTA, would like to extend to her our heartiest thanks and appreciation. It was due to her efforts with the help of her co-chairmen, Mrs. August Laphu and Mrs. Sylvester Zupan and all the other mothers that this year's card party was such a success.

Breaks Toes On Dream Dog

Booneville, Ind. — H. J. (Pete) Miller, 77, is nursing two broken toes, received during a kick at a dream dog during his sleep.

The dream was caused by a very real encounter with a neighborhood dog the day before. The dog attacked Miller but was beaten off through generous use of the old gentleman's walking stick. During the encounter the man vigorously kicked at his attacker, but missed.

That night the dog attacked again. It was only a dream, but so vivid that this time Miller got in several effective kicks. Fido fell back howling. The dog was not real but the kicks were. Two of the man's toes were broken on the wall.

Lausche Appoints Pucel To \$4,200 Job

Edward L. Pucel, former Ward 10 councilman and unsuccessful candidate for mayor in the primary election two years ago, was appointed a member of the Cleveland regional claims board of the Ohio Industrial Compensation Commission by Gov. Frank J. Lausche. The appointment is for a nearly six-year term — from Nov. 1, 1949 to Sept. 30, 1955 and carries with it an annual pay of \$4,200 a year.

Recognition Wherever It's Due

It is natural that during an election campaign we hear and read good and bad about the candidates running for offices. If we are sensible, we will base our judgement on facts and try to find out the truth for ourselves.

In support of the Kenneth J. Sims administration in Euclid, O., may I, from my own observation, tell what a high standard the Euclid Police and Fire Departments reach to insure the safety of its citizens. This is one example:

For many years, my neighbor O. B. and his wife, have been spending their winters in Florida or California. Their home is on Greenwood Rd. — at least 500 feet away from any neighbors. On the day of their departure, he calls the Euclid police to let them know there will be no one at home. From that time and until their return, the house is under the surveillance of the police and believe me, the police cruiser makes the rounds twice a day and a policeman steps out and inspects the house and grounds to see if any damage might have been done by vandals or a tornado. This procedure is followed daily until the owners return. This is done, not for one person only, but for anyone who informs the police that he will be out-of-town. That means that your property is taken care of during your absence by your public officials.

Another incident, which happened to my neighbor and me, was as follows: During Springtime leaves and grass behind the house ignited. Fire spread quickly and dangerously close to the house and garage. Unless help came quickly the fire couldn't be stopped. In a few minutes, without being called, the Police and Fire Departments appeared on the scene and extinguished the fire. If this isn't service, then I don't know what more can be expected. If you are traveling, police look after your house night and day and if you are in any other danger, the Fire Department is right on the job to help you.

To whom is all this recognition due — if not to the City Administration which looks out for the safety of its citizens. The credit goes, in the first place, to Mayor Kenneth J. Sims and his cabinet. On Nov. 8th, uphold the government which is favorable to the people and vote for Kenneth J. Sims and his slate.

Glasbena Matica Invites You

A very wise soul with a funny bone once said that when two Slovenes get together, the result is a singing society! It's true, for singing just comes naturally to us.

Giving vent to this natural impulse, Glasbena Matica has prepared a concert repertoire of real worth, to be presented Sunday, Nov. 6 at 4 p. m. in the Slovene National Home, 6417 St. Clair Ave.

On the program are "Tales from the Vienna Woods" or the lovely "Lieberstraum" or "Silbels" "Valse Triste" which is rarely vocalized because of its difficulty. In memory of the great poet France Preseren, a portion of the program will include poems set to music.

For an afternoon of real listening pleasure, you are cordially invited to attend this concert, prepared over a period of months especially for you.

Mary Sotak for Council

Mary A. Sotak was born in Austria-Hungary, now Slovakia. She came to the United States with her parents at the age of 6 years. They settled in a small Coal Mining Community in Eastern Pennsylvania. It was here that she began her primary education. Mary's parents ambitions for her were that she become a school teacher, but she had set her mind on a business career. To this end she took a course in Cosmetology. Upon completion of her course, she opened a Beauty Salon located in Braddock, Penn. It was known as Lady Mary's Beauty Shoppe.

It was during this period of her life that she first became interested in Politics, and began to organize the women of foreign birth, and extraction to take a greater interest in their government, the use and right of franchise.

Mary K. Sotak married Frank W. Sotak in 1927. Her husband was a well-known attorney in Cleveland. He had been very active in the political life of this community and a member of the Ohio Parole Board. For 13 years Mary was his constant companion and helpmate. In 1940 she lost her husband, who died after a short period of ill health. Mary then decided to continue her education. She worked by day and attended night school at Cleveland College and Cleveland Law School where she graduated in 1947 with her LL.B. degree.

During this time and for the past 22 years she has been interested and active in Civic, Welfare and Social problems of the City of Cleveland, Cuyahoga County and the State of Ohio. With a greater personal interest in the Buckeye Road Area and the 29th Ward.

In 1946, she was elected Ohio State Representative, where she made an outstanding record. In 1948 she was elected Councilman of the 29th Ward, which was one of the greatest political surprises and upsets in the city.

We see because of her boundless and tireless effort and energy, for Civic Improvement the trackless trolleys on Buckeye Road and Woodland Ave., as well as the resurfacing of these main thoroughfares, the numerous lights that have been installed in the area, street signs have been renovated and placed in proper position. Having the interest of her City and particularly her community in mind, she has devoted her full time to the duties of Councilman in the 29th Ward.

She spends four evenings each week at her office, located at 2977 E. 116th Street, where her constituents are always welcome to discuss the problems effecting the Welfare of the Community.

She well deserves to be re-elected to the City Council from 29th Ward.

Rudolph Kniflic Enters Insurance Field

Rudolph Kniflic, who is associated with his father John Kniflic, realtor at 820 East 165 St., announces his appointment as agent of the Republic Insurance Co. of Dallas Texas and the State Auto Mutual Insurance Co., of Columbus, Ohio.

In his new venture, Mr. Kniflic will offer a complete coverage on fire, windstorm liability jewelry, furs and musical instruments.

Rudy, as he is known to his many friends, attended Euclid Shore and Collinwood High and is an accomplished musician in addition to his business talents. He has played some of the best dance bands in town and recently switched over to the concert field. He will be pleased to be of service to his many friends in his new capacity.

To 32nd Ward Voters

I am taking this opportunity to write a few lines in behalf of JOHN A. FAKULT — candidate for council in the 32nd ward on a Independent Ticket.

I have known Mr. Fakult for the past 27 years, he has been a resident of this ward all these years. He is American born, of Slovenian parents, who were always well thought of by the community. He has an excellent education, held positions in the City and Federal Government totaling approximately 11 years, which gave him a good knowledge of affairs.

He is an Attorney with office at Marcella Rd and East 185th St. I am sure, if he is elected and you have any problems to discuss he will be only too glad to have you come in and see him. In my opinion, I highly recommend JOHN A. FAKULT to the voters of the 32nd Ward on Election Day — Nov. 8, 1949.

JOHN A. FAKULT
19004 Keweenaw Avenue

In the primaries JOHN A. FAKULT (Independent) was nominated as a Council Candidate.

With the educational background that he has and with the experience he has received working for the City and Federal Government, I believe he would serve the people well in this capacity.

I recommend that on November 8, 1949 we should cast our vote for him to represent us.

Yugoslav-Slovene Club To Hold Important Meeting

This meeting terminates a discussion of vital importance to a club of women organized twenty some years ago, and whose principals and ideals are well known.

The responsibility cannot be assumed by the board alone, so it is the duty of each member to attend, voice opinion, and come to some agreement to the satisfaction of the entire membership.

In conclusion I might add, that the hostesses for the evening are planning to reward those present with a delightful repast.

YE OLDE FALL FESTIVAL

Sunday, November 13th is almost here and with it the 16th annual Ye Olde Fall Festival of the St. Vitus Holy Name Society. Of course you already know what the Fall Festival is. With its dinner, floor show and dancing the Fall Festivals have built up a tradition that is hard to beat. To those of you who know the Fall Festivals, no more need be said; to the others we say: Don't miss it!

As usual the festivities will start with a good klobase and zelje dinner with all the trimmings for all the guests. However, remember that the dinner will be served only until 10 p. m.

At 10:30 or thereabouts the floor show will be staged. Your snooping reporter tried very hard to get some details on the acts, but he was not too successful. We did learn that Frank Lavrich will be the program.

We also understand that the Four Feathers will put in an appearance. Last, but not least, the guests will become a part and parcel of the show in the community sing.

Dancing will be to the tunes of the Johnny Glavie Orchestra. The ladies promise to play all of the favorites for the crowd. We can safely guarantee an evening of pleasant music from the Johnny Glavie Orchestra.

Why not plan to attend the Fall Festival and help us add another link to the chain of memories that is the annual YE OLDE FALL FESTIVAL. The date is Sunday, Nov. 13th in the school hall. Make it now and don't break it!

TOM TURKEY DUE SOON

As per schedule, your reporter last Tuesday did some more "nosin'" around the church basement, but "alas," he got nabbed. Just as I was making my getaway with more information, a so-called "Forester," grabbed me in my tracks. The only thing left for me to do was to volunteer and help.

That "Big Tom" which had me so baffled is very simple when you get the answer. Apparently, Thanksgiving Day isn't very far off and what comes with that day? Turkey, naturally and the nickname for that bird is "Tom." Of course, we're all heard of Tom Turkey, but why should a crew of men who call themselves "Foresters" make such gala preparations for a mere "fowl"?

No sooner had I gotten a glimpse of the basement, when I had the answer. Gigantic shelves or stands have been erected along the walls of the hall. The center has been penned up with a net covering the top of it. It looks like "Big Tom" will have his living quarters there. Everything seems to add up to a Bazaar or a Give-Away of some kind.

They put me to work, sweeping up the place and all the time I had my eyes cleared up every detail and I've compiled some of them for this report. Evidently, these so-called "Foresters" are members of Baraga Court, No. 1317, which is a parish group, affiliated with the Catholic Order of Foresters. The C.O.F. supposedly is a nation-wide, fraternal organization, something on the same order as KSKJ, but what is the real reason for their

Coming all this work? It seems that many years back, St. Vitus used to have big turkey Give-Aways and gigantic bazaars around this season. Hence, the Baraga Ct. took it upon themselves to revive the old spirit of the past. It means a lot of work, time and energy, but the boys are going all out. So, on the 19th and 20th of this month, they shall attempt to put on the biggest Turkey Give-Away and Bazaar, this parish has ever seen. Details are being ironed out now, and we should all try to keep those dates open.

St. Vitus Men's League

As the sixth week of the St. Vitus Men's League schedule came to an end, the Jimmy Slapnik Florists found themselves hold a two point lead on the rest of the field. The Florists bowled their match with the Zalokar Delicatessen team on Oct. 21st since the Delicatessen boys could not bowl on the regularly scheduled night. The Zalokar five roared off to a hundred pin victory in the first game but were snowed under in the last two games. Tony Stancel 222, 652, Ray Shindolnik 211, 536 and Bart Lanchman 203, 524 led the Florists to their three point win while all of the Zalokar team hit in the 470's.

The Malensek Bros. five managed to hold onto second place with an even split with the Norwood Mens Shop entry. The Men's Shops 144 pin first game margin couldn't be offset by two Malensek wins. Leo Kodransky 219, 549 and Hank Malensek 519 were the top rollers on the Malensek team, William Kovacic 234, 590, Al Kopors 210 548 and Ed Kovacic 219, 536 could not put their punches together in the last two games and had to settle for the first win and the total pins point.

An even split with the Mar-Ket Coal gave the Cimprman Market five a hold on third place. Once again a big first game gave the Marketcers one win and two points as the Mar-Ket Coalmen came back to take the last two games, the second being decided by only two pins. Hank Szymanski 546 and Max Germ 210, 534, topped the scoring for the Marketcers while Joe Marinkos 208, 534 was big enough to help the Mar-Ket squad to two points.

The splendid pace being set by the Kollander Agency five came to an abrupt halt in the form of a four point set back at the hands of the Norwood Appliance crew. The Norwood team climbed into a tie with the Agency boys for fourth place with the clean sweep. Emil Zadnik 216, 570 and Stan Merhar 535 spear-headed the Appliance attack with Tony Lander's nice 201, 546 trying unsuccessfully to keep the Kollander team on its pace.

The Charles and Olga Slapnik five got back to its winning ways with a shut-out scored against the Brodnick Bros. five which are down in the league's basement. Tony Brodnick 201, 560 Joe Brodnick 517 and Al Jalen 513 poured the coal on the fire for the Chuck and Olga team. Lou Godec came up with a 213 game and a 560 series for the Brodnick team but his mates could give him little help as he tried to bring the Brodnick team out of the dark cellar.

STRAIGHT FROM WASHINGTON

By
STEPHEN M. YOUNG
Ohio
Congressman-at-Large

Washington. — Congress appropriated three million dollars for a sequel to the centennial exposition in the nation's capital to commemorate the one hundred and fiftieth anniversary of our Federal Government in Washington. Many economy-minded Congressmen voted against the proposal. Andy Jacobs, (D), Indiana, argued vehemently that if there were any civic-minded folks here in the nation's capital, they should put up some money themselves just like other cities do when they want to show off. He said, "We appropriate three million dollars and people from all the country come here to be fleeced. People will be lucky if they don't go home in a barrel." "Here in Washington," concluded the Congressman, "I pay one hundred and seventy-five dollars a month for a rabbit hutch to live in. I have to wander all over the neighborhood like a lost soul looking for a place to park my Ford. They have to keep the street clear as a race track for folks who live out in Silver Spring. In this old house, where I live there are holes large enough that I could throw a full-grown fat Hoocher black snake through them broadside, yet this property yields \$240 a month income and is assessed for only eighty-four hundred dollars. These business people in Washington who gouge you every time you buy something should underwrite their own celebration," concluded Congressman Jacobs.

PANDIT (LEARNED ONE)
Pandit Jawaharlal Nehru Prime Minister of India, made a strong impression when he addressed the House and the Senate. His dark piercing deep-set eyes, his intense manner and perfect English left the impression that he is indeed a strong man. He was educated in Harrow and Oxford and speaks several languages. Prime Minister Nehru, a follower of Mahatma Gandhi, became the first man of India when the latter was assassinated. His country is caught in the middle between Communist Russia in its expansion in Asia and the conflicting aims of the Western democracies. Admittedly, he is suspicious of "American imperialism" and sympathetic with the Labor Government in England and the Communist leaders in China. Unfortunately for us, his itinerary must have given him an unfavorable impression. For example, this Prime Minister, who has spent thirteen years in jails because of his non-resistance tactics against English misrule, was scheduled to meet with all past Commanders of the American Legion and following that to lunch with Henry Luce of Life Magazine. Probably heard plenty of war-like talk. Then, near the Washington Airport he passed a road gang of bearded Negroes. It happened there were no white laborers in this particular gang and an armed policeman, who, in reality, was a member of the honor guard for the visiting Prime

Minister, actually looked to be menacing to the laborers. Before he concludes his visit his time at Mount Vernon, Monticello, Hyde Park and looking at the TVA, may offset some of these impressions.

ANGORA GOATS
Busy as Congressmen were during the closing days of the session, yet on one day a Texas Congressman spent time on the centennial of the angora goat in America. It took four pages of the Congressional Record for the Congressman to glorify the virtues of the angora goat. Then a California Congressman told of "a histroic horse race in Los Angeles nearly one hundred years ago." This took only a page of the Congressional Record. Not to be out-done a Massachusetts Congressman took the same space to laud "The Holyoke Transcript-Telegram." Were all Congressmen to follow this precedent and laud the newspapers in their respective Districts and to talk about horses, dogs and goats, the Congressional Record of a day's proceedings would be a very fat volume indeed. Taxpayers would be the "goats."

NEW SOURCE FOR TAXES?
The Committee on Ways and Means, the tax-making body of our Congress, is engaged in investigating problems of taxing life insurance companies. The investigation will be thorough and at all times the welfare of policyholders will be safeguarded. Insurance companies this year voluntarily tendered thirty-five million dollars as taxes to the Treasury Department. This offer was rejected because of legal uncertainties. Some Congressmen believe that these insurance companies may, in reality, owe hundreds of million of dollars in taxes. Hence this investigation.

ST. VITUS MOTHERS CLUB

The Red Cross course in Home nursing is well under way. Mrs. Gunnerfeldt, the nurse, ably instructing and demonstrating to the mothers, who are very much interested in this practical home nursing course. It consists of six sessions, and in attending the complete course it is possible to re-certify in home nursing. Last Thursday Mrs. Vera Hlad and Mrs. Skafar volunteered to act as patients. The class is well attended, as the mothers enjoy listening to Mrs. Gunnerfeldt, who at present is very much in demand, having ten other classes to teach; also assisting in the polio ward at City Hospital. So Thursday evenings will prove to be very profitable to the mothers. Mrs. Bell was assisted in serving the coffee after the class, which usually comes to a close at 9 o'clock.

Maloney for Council in Euclid

Allow me to write you a few lines about John W. Maloney who is a candidate for one of the three offices of Councilman-at-Large in the City of Euclid.

During the many years that I have known Mr. Maloney, I have always admired him for his high qualities of character. As an officer of the Holy Name Society and as a member of the Knights of Columbus, he was always ready to make sacrifices for the advancement of these organizations. I have also known him to take particular interest in the civic affairs of the City of Euclid. The City of Euclid needs a man in public office with the ability and honesty of John W. Maloney. Therefore, I highly urge and recommend to my friends and readers of this paper in Euclid, the election of John W. Maloney as Councilman-at-Large.

Very truly yours,

Worms Turn Up Taking Powder

Cleveland. — A chemical has been developed which will bring worms to the surface of a lawn. Fishermen now can sit back and get all the bait they need without digging

and without injury to the worms or the grass. This chemical worm digger is called "early bird." It is a white powder

which is dusted over the ground and thoroughly sprinkled with a hose. Within a minute or two worms come out of the ground. Some more sprinkling soaks "early bird" deeper into the ground and brings more worms to the surface.

This and That from Washington

By Congressman Frances P. Bolton

Mrs. Bolton

LAKE County has waited a long time for the report by the District and Division Engineers on the cooperative Beach Erosion Control Study of Lake County along the Ohio shore line of Lake Erie covering the area between the Chagrin River and a Fairport Harbor, which study was authorized under the provisions of the Rivers and Harbors Act of 1930 as amended and supplemented.

The conclusions of the Engineers are that the beaches of the publicly-owned shore line property in the study area are now of adequate width both for shore line protection and for recreational use. In other words, they do not recommend Federal aid for the protection and improvement of the shores owned by State, municipal or other political sub-divisions.

As to privately-owned property, which would not come under the purview of existing law, the District and Division Engineers have concluded that "the most economical and practical method of protection against erosion of such property is grading and landscaping of the bluff, retirement of the toe of the slope and maintenance of the relatively narrow beaches by means of short groins."

Copies of the reports are available to the public for perusal at the offices of the Great Lakes Division Sub-Office, 501 Federal Building, Cleveland 14, Ohio, although no copies may be removed or loaned for use elsewhere.

We have been notified that all those interested, who may have information that has not been made available to the study group, have the privilege of stating their views on the subject matter of the Report to the Beach Erosion Board, 5201 Little Falls Road, N. W., Washington 16, D. C. This material should be in the hands of the Board well before November 21. If the material is important and cannot be collected before that time, the Board should be so informed without delay, and request made for an extension of the limit-

ing date for submitting the information.

Oral hearings can be arranged for if desired, either by direct correspondence with the Board or through the office of your Congressman, 450 House Office Building.

IT IS pretty wonderful to live in a country that keeps on and on developing. The October Bulletin of the Department of Commerce, which has just come across my desk, states that in 1947 capital investment in new plant and equipment in the United States totaled \$6.0 billion, an increase of 380 per cent over the \$1.25 billion reported for 1939. The Bulletin goes on to say that this most favorably compares with increases of 50 per cent in gainful employment, with 200 per cent increase in value added by manufacture over the same period.

Ohio, which is one of four states in Region IV (the country is divided into nine regions) was surpassed only by Kentucky in percentage of increase. Kentucky topped the list with an increase of 747 per cent, while Ohio came second with an increase over 1939 of 365 percent.

ADVICE has been received from the Public Roads Administration that Ohio will receive a total of \$17,721,899 for federal road appropriations in the year 1951. Of this total, \$6,940,178 will be for primary roads, \$4,083,099 for secondary roads, and \$6,698,622 for urban roads.

All of this will be good news to our farmers, because I have been advised by the Public Highway Administration that in making their selection of roads to be improved within the secondary system, the Ohio State Highway Department and county officials have selected those roads which are carrying the most farm traffic.

HERE is a bit of important news from the newly formed country of Pakistan. Large deposits of mica have been discovered in the Shilman area of the Khyber Agency, a rocky tract lying in what was once the northern frontier of the Dominion of India. This will indeed be good news for the many plants in Cleveland industry which use large quantities of high grade mica in the manufacture of electrical equipment.

Our next step was at the Catholic University of America, where we saw the National Shrine of the Immaculate Conception, which is still in the process of construction. We saw the ground floor, and some of the art work that will later be placed in the main part of the Church. When it's finished it will be a magnificent piece of architecture.

There is a mosaic on one of the walls downstairs that will be placed behind the main altar when that is finished. It is Murillo's Immaculate Conception. Freddy told us that it was a mosaic, and we didn't believe him; it looked exactly like a painting. In fact, until we got up to about a foot away it looked like an immense oil painting. When it was scrutinized very closely, it was very obviously mosaic. The tiny pieces are put together so well that you can't even tell that it isn't painting.

There are several altars on the ground floor that are finished, and we stopped to say a few prayers. Freddy noticed, was wandering around, and for some reason, he looked sort of lost.

When Susie, Gloria and I got out to the bus Freddy was already enthroned on his chair, and counting people as we came in. "Sixteen, seventeen, eighteen," he chanted as we came on.

We settled ourselves, and it was just then that I noticed a small sign on the grass outside the window of the bus. I leaned out to look, and this is what it said: "Give the grass a chance, please!"

But here I shall have to leave you for I have run out of time and space again. Love,

ISABEL

School Board Candidate

NAME: Mrs. Alice M. Winters
OCCUPATION: Housewife
HUSBAND: Mr. Ralph A. Winters.
OCCUPATION: Real Estate Sales Manager, Marvin Helf, Inc.
CHILDREN: Judith Ann — age 8 — Attending Shore School. Gary Allen — age 2.

I have been active in Euclid's civic life to the extent that I could find time away from being a mother of two young children and also a housewife. I am a member of the Women's Civic Club of Euclid.

As a mother of a young girl attending elementary school and a boy who will be attending public school in a few years I have become deeply concerned with the operation of the Euclid School System, so much so that I have filed as a candidate for the school board. I have a two-fold plan-

form, one — that a mother with all her understanding of young children can be a definite asset to the school board, and two — that a woman's voice, though it sometimes is not appreciated in the political structure of our government, has become an accepted part of the school board operation of many large communities.

A notable example is Mrs. Norma Wolf of the Cleveland School Board. It is my firm conviction that interest in school board activities should be stimulated within the community. Those who will serve the best interests of the school and community should be elected to the board. The school board member who is a member merely to achieve an additional line in his obituary, and there are many in this category, should be eliminated from the scene, he is a detriment to the school system.

In Euclid the development of school policy and services is much needed. The enrollment in the several schools has increased tremendously and this is especially so in the elementary grades. To adopt the proper attitude toward the problems that have arisen in the elementary grades I think the expression of a mother, if not a woman, would be beneficial as against the cold approach made by older businessmen on the board who have long ceased to have close contact with the school problems, contact which they had at one time through their own children.

The school system, together with its officers, should be of interest to a great number of people in Euclid. I will appreciate your kind efforts in relating to the public through your newspaper my aims and ideas as I have tried to set them forth in this letter.

Very truly yours,

ALICE M. WINTERS

Finders Keepers, Or So They Hope

Glendale, Calif. — "When can we get it back?"

Two 11-year-old boys found a \$5 bill here, turned it in to police and almost simultaneously put in a bid for it by asking Lieut. D. E. Evans that question. Evans told the boys, Keith Parkyn and Charles Simmons, that they could have the money back in a day or two unless someone can recite to him the serial numbers on the bill. The boys said Charles' mother, Mrs. Virginia Simmons, advised them to turn the money in.

Texas Woman, 24, Was Hurt in Car Crash in January

San Angelo, Tex. — This was Joan Edward's 206th day in the world of the living dead.

The blonde, 24-year-old woman has been unconscious since Jan. 17 when she suffered a brain injury in an automobile collision.

A Dallas brain surgeon said she could "go on indefinitely" in her present state. She underwent exploratory surgery last month in a Dallas hospital, where the surgeon found extensive and irreparable damage to the "mid-brain."

He sent her home with her desperate parents to Rankin, Tex., with the advice that "nothing can be done." Joan is kept alive by baby food, fed through a tube.

Chapter eleven . . . The Misadventures Of Isabel

Isabel has to apologize again, I see, for being late. Maybe I had better give my faithful readers the explanation of these strange goings on. You see, the past few columns have been coming in by mail from St. Louis, Missouri, where I have departed for the school year. When we get thru with Washington, I'll have something to tell you about St. Louis, maybe.

Anyway, I was telling you about the ginger ale and potato chip party we had in the hotel room after Gloria and Susie came back from the movies. The ginger ale, you remember, was too tasteless for me, and the potato chips were stale. Well, we finished them off at around twelve, and then we went to bed. However, we did not get to sleep. Some of the charming young ladies next door to us had decided to have a midnight party, it seemed, and had invited some of our girls. They were decently quiet at twelve, but in our room, we had Gloria to keep us awake until about one.

By the time she gave out, the people next door had gotten loud. They were quite gay, evidently on hamburgers and pop. Shouts and screams were punctuated every so often by thuds, as of someone being thrown rather rudely to the floor. After the thuds we invariably heard screams as we gathered that someone was throwing someone else around physically. It was pretty rough judging from the racket. At around two-thirty a. m., Gloria had become slightly peeved, to say the least. Susie was taking it with the fortitude of a martyr, and I was all for going next door and throwing around the people who were throwing each other around.

Gloria decided to call the manager. She was already out of the bed and halfway to the phone, when the racket suddenly stopped. We all paused. Yes, it was true there was absolute quiet next door.

I leaned over to the wall and listened. All I could hear were a few giggles. "I'll bet they're afraid the manager will come after them. Come back to bed, Gloria, maybe they'll shut up now."

Gloria came back, and we lay there and listened. The giggles gradually grew louder, and then turned into laughs. But they didn't have much heart in them, and soon the party broke up. We had peace for the rest

of the morning.

We made it for breakfast at seven-thirty despite the fact that we'd had about three and a half hours of sleep. How we lasted thru the day, I shall never be able to figure out.

Freddy was around at night, and we trotted off for the "Church tour". All the girls were talking about the party of the night before and they all looked like the "morning after the night before." I suppose we did, too, for we hadn't had much more sleep than they did.

The first stop on our trip was to be at the Franciscan Monastery and Memorial Church of the Holy Land. This is the Church where replicas of the Nativity Grotto, and the Sacred Sepulchre are. There are also catacombs and various other shrines. We couldn't go into the Church which was being repaired, but we did visit the Catacombs and the shrines of the Annunciation, the Nativity, the Ascension and the Purgatory Chapel in the Catacombs.

I took several pictures of the rose gardens outside, which are quite well known around the country for their beauty. The flowers were in bloom and the air was full of their fragrant sweetness.
