

**POROCILO O SLAVNOSTI 40 LETNICE DRUSTVA
SV. JOŽEFA ST. 53, WAUKEGAN, ILL.**

Waukegan, Ill. — Vrlo na predna slovenska naselbina v Waukegan-North Chicago, ki je slovenski javnosti po Ameriki in stari domovini poznana kot ena najbolj aktivnih slovenskih naselbin na vseh raznih poljih, je predzadnjem nedeljo 27. oktobra slavila zopet važen spominski dan, namreč 40 obletnico ustanovitve najstarejšega slovenskega katoliškega društva v naselbini, dr. sv. Jožefa, št. 53, KSKJ.

Lep solnčen dan je bil, kar je slavnost še bolj poveličalo, ker s tem je bila dana prilika, da so se proslave udeležili tudi številni gostje iz premnogih sosednjih naselbin, kot iz Chicago, Jolietta, Milwaukee, West Allisa, Sheboygana in celo iz Cleveland in Pittsburgha so prihitali nekateri gostje na to proslavo. Proslave se udeležili tudi mnogi glavni uradniki kot: glavni predsednik KSKJ. Mr. John Germ, z njim Mr. Josip Zalar, gl. tajnik KSKJ, Mr. Math Slana, gl. blagajnik, veleč. g. M. J. Butala, duhovni vodja, s temi še drugi glavni odborniki kot Mr. John Žefran prvi gl. podpredsednik, gl. nadzornica Miss Mary Polutnik iz Lorain, O., in Mr. John Pezirt, gl. nadzornik, iz Cleveland, finančna odborčnica KSKJ Mr. Martin Šukle in Mr. Rude Rudman, prvi iz Minnesota, drugi iz Penne. Bilo je še več drugih odličnih gostov.

Slavnost se je pričela najprvo dopoldne s slovensnostjo v cerkvi Matere Božje. Kmalu po deseti uri so se začela zbirati vsa razna bratska društva pri šoli. Od tam je bila slavnostna povorka v cerkev, kjer se je začela slovenska sv. maša z leviti. Sv. mašo je daroval domači č. g. župnik M. J. Hiti, ob asistenci č. g. Čepona, ki sedaj deluje pri sv. Jožefu v Jolietu in č. g. F. T. Prebyl, domačega pomožnega župnika. Slavnostno pridigo pa je imel preč. g. M. J. Butala, duhovni vodja K. S. K. J., iz Jolietta, ki je v tako globoko zamišljenih besedah povdarjal o velikem delu društva, ki ga je vršilo v dobro svojega članstva in v dobro naselbine in župnije v Waukeganu. Pri sv. maši je tako lepo popovalo domače cerkveno pevsko društvo pod vodstvom organizata g. Ivana Kovačiča.

Po cerkveni slavnosti pa se je pričel okrog 1 ure popoldne slavnostni banket v veliki dvorani šole Matere Božje, ki je bila polna domačih in tujih gostov. Banket so pripravile zelo bogato vrle slovenske waukeanske žene in dekleta, ki so že pozname kot najboljše v tej stroki. Po banketu pa se je razvila govorniški program, katerega je otvoril z lepim primernim nagovorom Mr. Frank Jerina, predsednik društva sv. Jožefa, št. 53. Pozdravil je vse navzoče in se zahvalil za tako

DOPISI

IZ AMERIŠKE VRHNIKE

North Chicago-Waukegan, Ill.

— Te vrstice pišem danes na praznik Vseh svetnikov. V starem kraju je ob tem času kinčanje grobov. Jaz sem v duhu tam na grobu moje nepozabne matere, ker vem, da ne bom nikoli dočakala tistega srečnega časa, da bi v resnici mogla pokleniti na grob moje matere.

Vstopnine na bo nobene, zato je bilo zelo razveseljivo, da se vse od prve do zadnje članice udeleže tega zabavnega večera.

Bodite pozdravljeni in na vesele svideženje!

Mary Polutnik, predsednica.

Društvo sv. Mihalja, broj 163, Pittsburgh, Pa.

Javljam našim članom i članicam, prvo da će se održavati dojduća sjednica na 10. novembra točno u 2 sata posle podne u navadnim prostorijama.

Bračni i sestre, na istu sjednici ste povabljeni u što večem broju bez isprike važnega dela ili bolesti, jer je važna za nas sve skupa; imamo veliko točka na dnevnom redu; biranje odbora za društvena pravila za leto 1941, zato svi, koji se zanimate u takve posle, da se udeležite i odbor primite.

Družo: Sve, koji dugujete društву više mjeseci, molim, da se pobrinute in platite, da ne budu ostali starostni certifikati nosili še 4%, kasneje pa samo tri in pol odstotka, kar pomeni nekaj višji asesment.

Zelo priporočljivo je zamenjati certifikate osobito članom srednje starosti. Nihče ne ve, kaj ga lahko čaka v bodočnosti; pride bolezni, brezdelje in omenjeni certifikati pa nosijo definitivno vrednost za podaljšanje zavarovalnine, torej tudi suspendirani ne boste, dokler ne potrete vaša rezerva. Pri takih premembah pod ugodnimi pogoji je zamenjati jednokaščno.

Družo: Sve, koji dugujete društvene blagajne, ker je že čisto izčrpana in ima tudi že nekaj dolga. Zato prijazno vabim vse naše članstvo in cenejo občinstvo iz vseh naših sodnih naselbin, da nas pridejo obiskat na ta večer, jedači in rezervo starega certifikata na novega. Seveda k temu se načravnost ne sili nobenega, pač se vam to priporoča, kar bo v vašem korist; dosedaj je že lepo število tudi naših članov izvršilo premembo svojih certifikatov.

Dalje, djeti, koji su navrhili 16 i više godina, vpišite med aktívne članove još ove godine 1940; bolj pa vas u ime boljeti i očete. A isto vi člani i članice, koji imate djetec, a niso još naši članovi, vpišite iste u naše redove čim prije, ker smrt

DVE MESTNE SLAVNOSTI SMRTNA KOSA

Aurora, Ill. — Dne 21. oktobra t. l. je bil res pomemben dan za naše mesto; ta dan je poteklo ravno 90 let, od kar je začela znača vzniklo Chicago-Burlington & Quincy železnica voziti ali poslovati. Navedena družba je zatem tukaj v Aurora zgradila svojo delavnico ali tovarno kjer so bili do leta 1925 zapošljeni skoraj vse naši tukajšnji Slovenci. Isto leto je pa v tej tovarni izbruhnil štrajk, zaradi česar je veliko delavcev izgubilo svoj zasluzek in od tedaj je pri tem podjetju bolj slabo.

Kam sem pa zašla? Moj namen je pred vsem opisati že omenjeno slavnost 21. oktobra. Ta dan so se pripeljali semkaj iz Chicaga s posebnim modernim "Zephier" vlakom najvišji uradniki omenjene železniške družbe. Ob 11. se je pričela parada po mestu, kjer se je videlo še prvo, ali najstarejšo lokomotivo, za katero se je rabilo drva namesto premoga, olja ali električne energije. Oblečeni so bili prav takoj, kakor pred 90 leti z visokimi klobuki. Res, vse je bilo lepo za pogledati. Po moji sodbi bi bilo pa še lepše, če bi bil dobil v ta namen vsak delavec en poseben "pay check," pa bi bolj ponosno korakali v paradi.

Popoldne istega dne je bila pa naša znana Broadway cesta otvorenja prometu, katero so lepo asfaltirali; tako imamo tudi lepe luči ali razsvetljavo ob cestah, saj že samo ime našega mesta v latinščini pomeni "Zarjo." Mestni možje so tudi za ta program določili parado in da naj si prebivalci mesta izvolijo kraljico luči "Queen of Light" in dve častni spremljevalki. Prva častna dama je bila naša rojakinja Miss Virginia Verbic. Vso to parado so vzel tudi na filmske slike in jih bodo še drugi kazali.

Mesto Aurora, Ill., steje okrog 50,000 prebivalcev, žal, Slovencev nas je tukaj pa samo kakih 25 družin in ne več. Vseeno smo pa tudi mi na dobrem glasu, če ne, bi naša vrla Slovenska ne dobila toliko glasov za to častno mesto med tolikimi drugimi narodi. Naše čestitke, Virginija! Jako lepo si bila v resnicu.

Za ta dan je bila napravljena tudi velika električna ura, kazaločni meseci in dnevi, kraljica "Luči" jo je pa navila. In ko je ura kazala začetek 21. oktobra, so se vse nove luči po cestah v mestu vzbale, nakar se je začel ples tudi na cesti; res, kaj takega se ne vidi vsak dan! Na dolnjem koncu so plesali zeno godbo, na gornjem koncu pa drugo; tako vidite, imamo poleg davkov tudi nekaj zato v razvedrila na mestne stroške.

Dne 28. oktobra smo spremili k večnemu počitku našega rojaka Jakoba Fajfarja, ki se je tako nepričakovano za vedno od nas poslovil. Dne 22. oktobra se je moral podvriči nevarni operaciji, dva dni zatem je pa umrl v bolnišnici sv. Jožefa. Zapošča ženo in šest neprskrbljenih otrok. Da je bil pokojnik skrben oče, je dokaz, ker je spadal k petim društvom; bil je tudi član našega društva sv. Janeza Krstnika, št. 11 KSKJ.

Pogreba se niso udeležili samo Slovenci, ampak veliko število tudi drugih narodnosti. Pogrešala ga ne bo samo družina, pač pa tudi naselbina, kajti v vsakim starejšim pokojnim pade močna veja od našega slovenskega narodnega drevesa. Samo še nekaj let, pa bodo po

MOJE POTOVANJE V KALIFORNIJO

(Piše Mihail J. Prebilic,
Eveleth, Minn.)

Forest Lawn Memorial Park, nedaleč od mesta Los Angeles, Cal., je groblje ali pokopališče, kamor polagajo rajne bogatino in znane osebe kakor pisatelje, znanstvenike, umetnike ter slavne "movie" igralce.

Pri glavnem vhodu stojita pri železni vratih dva uniformirana stražnika; od znotraj je v mali lopi urad za informacije.

Od tam naprej vodi pot do mavzoleja, kjer počivajo trupa pokojnikov. Tam sem videl napise veliko znanih oseb ali umrlih, ki so tudi v ameriški zgodovini omenjena. Ta mavzolej je velikansko poslopje iz importiranega italijanskega marmorja, kar je veljalo naravno ogromno sveto denarja.

Od znotraj po hodnikih je na rejeno veliko število kapelic s krasnimi kamenitimi rakkami za pokojnike; na sredi se pa prostira lepa cerkev ali kapela za pogrebne obrede. Seveda, kjer počiva v dotičnem mavzoleju, se mora zato draga plačati. Ko sem si ogledal še grobove zunaj mavzoleja, kjer počivajo bolj priprosti, sem si mislil: "Bog ve, če bo kaka razlika med nami tudi na onem svetu?" Gotovo ne!

Na drugi strani poleg tega mavzoleja se nahaja krematorijska sežiganje mrljev. V posebno pripravljeno peč, katero greje olje do 2,200 stopinj Fahrenheita porinejo krsto z mrljem in v kratkem času je vse vpepeljeno; krsta ne sme imeti nobene kovine in ne žebljja. Čez šest ur, ko se krsta, oziroma vse chladi, denejo veta pepel skupaj v posebno žaro; to žaro lahko potem sorodniki domov vzamejo, ali se pa isto shrani v posebnem oddelku tega krematorija. Jaz sem si pri tem mislil in odločil, da mene že ne bodo tukaj po smrti pekli!

Ono pokopališče je v primeri kakšnega parka. Na gomilah se vidi kamenite spomenike in križe kakor to vidimo pri nas na navadnih grobih. Vsak grob ima kamenito ali bronasto ploščo z izsekanim napisom na vloženo v naravno zemljo. Naokoli je lepa trava, med katero rastejo razne rože, grmici in drevesa. Pokopališče stoji ob lepem hribčku, kakor pri sv. Antonu v Kovačevsi na Dolenjskem.

Po njem navzgor se zavija lepa cementirana cesta; na vrhu tega hribčka je velikanski in zelo zanimiv kip David, povzet iz slike znanega rimskega umetnika Michaelangela. Ta kip predstavlja človeško generacijo od rojstva do smrti. Ko človek to vidi, se ne more premagati, da ne pomisli, kako kratka je doba človeškega življenja. Komaj doraste, se pripravlja za ta svet, takoj se mora zopet pripraviti za večnost in slednjič na smrt. Odzad za tem kipom stojijo velikanske električne orgle, katere naprechnoma igrajo nagrobnice in žalostinke za vse tiste, kateri tu počivajo.

Po drugi poti navzdol se pride do tako imenovane majhne cerkvic Wee Kirk. V tej cerkvi se poroči več parov kakor v kateri drugi cerkvi na svetu. Vse movie stars se pridejo sem poročiti, a v Reno, Nevada se gre do pa razporočiti. Pri vstopu v to cerkev stojijo na majhni mizici velike knjige, v katere vstisti, kateri se tu poročijo, zapišejo imena. Toliko je bilo tukaj za pogledat, da nam je dan minul kakor blisk. In čas je prišel za povratek proti domu.

Drugi dan, v pondeljek, smo se še namenili obiskati jugoslovensko naselbino San Pedro. Tukaj živi večina Jugoslovanov doma od jadranskega morja, Dalmacije in Trsta. Stari pionirji so prihajali sem še pred 80 leti. Ti ljudje živijo ob morju obali v bolj revnih bajti-

Francisco živi veliko Slovencev, doma iz Semiča in Metlike. Tudi Italijanov se najde tukaj do sti.

Okoli devete ure zjutraj smo došeli v San Francisco. To je lepo snažno mesto z lepimi modernimi hišami; tu nimajo komarje, niti muh, samo mravljinici jih nadlegujejo in prihajo v hiše, s katerimi imajo do sti sitnosti. To mesto je bilo jaka znano še leta 1848, ko je James Marshall našel zlato v bližini. Po tistem času so se ljudje jako selili v Kalifornijo za bogastvom in zlatom; v dveh prvih letih je štelo to mesto že 30,000 duš, zdaj jih pa ima 676,000.

(Dalje prihodnjic)

DOPIS IZ AURORE, ILL.

(Nadaljevanje z 2 strani) padale vse močnejše veje in ostale bodo same mladice, oziroma mladina. Naj ji bo lepša bodočnost kot je bila nam v preteklosti! Bodite ohranjeni pokojniku blag spomin in naše iskreno sožalje njegovim družinam.

POGOVOR NA CESTI

(BROOKLYN, N. Y.)

MICA: "Kam pa tako hiti?"

NEŽA: "Pri Jacku sem bila zdaj pa hitim domov, da pravim večerjo."

MICA: "Kaj je pa kaj novega?"

NEŽA: "Ej, novega pa dobiti! Pri Jacku so kupili fanta."

MICA: "A res? To je Jack ponosen."

NEŽA: "O, pa še kako, tako moško hodi po hiši, kakor petelin po dvorišču; no saj mu je fant podoben, samo nosek ima mamin. No, ali že veš, da društvo sv. Jožefa, št. 57 KSKJ priredi Martinov večer 10. novembra."

MICA: "Ne. O beži, saj veselice so vse glihi."

NEŽA: "Ta bo čisto kaj drugega, več kaj vse je na programu? Krstitev novega vina, šaljiva pošta, šaljive poroke po nizki ceni in tri nagrade, pomislili!"

MICA: "A res? Potem bo pa res luštno."

NEŽA: "O pa to ni še vse. Veš, bomo v narodnih nošah in Jerry Koprišek bo špilal."

MICA: "Vidiš, vidiš, jaz pa tega nič ne vem. Bom pa tudi jaz prišla."

NEŽA: "Saj, ker zmeraj doma sediš, seveda moraš priti pa v narodni obliku, več ti se tako poda, pa se kaj priateljev pripelji seboj. Zdaj pa moram res iti sicer ne bo večerje. To-

rej na svidenje na Martinov večer v Slovenskem domu. Pa zagotovo pridi!"

MICA: "Bom, bom, prav gotovo na svidenje!"

Poročevalec.

DELAWSKA OKROŽNICA LEONA XIII.

Iz latinskega izvirnika preveden in v razlagu opravljen DR. P. ANGELIK TOMINEC O. F. M.

Dobička željna sebičnost po tisku v kot idejo pravčnosti. Vsak se rije sam zase skozi življenje, kakor ve in zna. Čim več jih odrine, tem bolje zanj. Ne meni se, da jih morda veliko število obiskoval in pohodi na svojem potu, da je le njemu cesta široko odprtva. V gospodarskem temovljanju skupaj s vsemi zmagovati in vsaka zmaga je zdržena s smrto mnogobrojnih gospodarskih bitnosti. To gospodarsko temovljanje je pa tem skodeljive, čim bolj temovljanje pravzaprav le denar. Ob tem temovljanju se ne pridobiva nobena nova vrednost. Če kak borzjanec s svojo premetnostjo en dan zasluži milijone, ni zavoljo tega niti da eno paro več vrednosti na svetu, pač pa je deset, sto ali še več družin izgubilo svoje s trudom privarčevano imetje. (Osnovna načela.)

Upav v tej dobičkažljivosti sebičnosti, ki prezirljivo gleda na človeške pravice in se s tem ciproča vsake pravčnosti, ima svoj vir delavskega vprašanja. Razen tem, da se je tudi tedaj odgovor na gorenje vprašanje lahko glasil: Eavežem naj v Kristusovem imenu pomagajo bogatejši. Država v oblasti tudi zdajka še ni bila tako urejena, kakor dandanes, da bi se bila mogla razviti socialna postavljacija v modernem zmislu.

Drugačna pa je stvar dandanes. Krščanska socialna načela se v moderni državi lahko mirno uveljavijo, če obstaja dobra volja cd strani vladajočih in vladanih. Namesto priljubno nравnovešnega blagostanja vseh je nastopil prepad med maloštevilnimi bogatinami in nepregledno množico siromakov, katere je sodobni družabni red, ali bolje rečeno nered, razdelil. Namesto žive vere in ljubezni je v praktičnem življenju stopila nevera v "sveti" egoizem. Največ spremljena je bila vrednost, ki je nastala v današnjem času in o kateri v srednjem vku niso mogli niti slušati, obstoje glade pojma "potrebnih in ubogih." Tedaj so pod to besedo umevali ljudi, ki so bodisi po lastni ali tujih krvdivih prisli v nezreč in bili potrebeni podpori. Izvrstno urejeno cehovstvo in splošno mnogo večji vpliv vere je tedaj na eni strani dal priljubno vsakemu, da pride z delom do počtenega kruha, na drugi strani sta pa ta dva činitelja zbranjevala brezjutni pohlep in nečemer dočiščljivost. Stevilno res ubogih in potrebnih podpor je bilo zato v primeru z današnjim nžko, ako izvzamemo zredne elementarne nezgodne. Veliko

NAJLEPŠA PRILIKA

Jako umesten in resničen je znani pregor naših ameri-
ških farmarjev, da, kadar sije sonce, je najboljša prilika za seno
sušiti. Seveda, v dejavnem ali slabemu vremenu ne morete tega
dela vršiti.

Ce vam kaka železniška družba nudi skrajno nizko ali pol-
vično vožnjo, se boste gotovo te prilike radi poslužili in s tem
prihranili gotovo sveto pri znižani vožnji. Da, takih prilik se
nam večkrat mnogo nudi tudi pri razprodajah v velikih trgov-
nah.

Tudi na našem Jednotinem polju bo meseca novembra in
decembra ugodno vreme in priložnost za pridobivanje novega
člana v mladinskom oddelku.

Tudi naša Jednota nudi v tem času proste karte ali vozov-
nice za vse nove potnike našega kampanjskega vlaka, ki se bo
ustavil dne 31. decembra.

Tudi pri nas imamo sedaj veliko razprodajo štirih načrtov
pristopa mladine pod našo Jednotino zastavo, za katere ne bo
treba v novembру in decembri plačati niti enega centa!

Na prvi strani današnjega Glasila, tako tudi na sedmi stra-
ni lahko čitate namreč veselo novico, oziroma uradno naznanih
brata glavnega tajnika, da bo asesment mladinskega oddelka le-
tošnji november in december prost, to velja za vse staro in za
vse novo članstvo tega oddelka.

Da boste imeli malo vpogleda glede plačevanja asesmenta
v bodoče ali po Novem letu, navajamo tukaj zopet tozadevne
lestvice po različnih razredih kakor sledi:

PRAVICA DO ŽIVLJENJA

Spisal FRANCE BEVK

"V prsi. Veliko krvi sem izgubil. Vsa srajca mi je krvava ... vse ..."

Skljucič se je in znova zaštolkal.

Jerneja je obhajal srd na Colloreda, ovajalcu; tudi on bi hotel obračunati z njim, če bi ga dobil v roke. Pa tedaj ni bilo časa za maščevalne misli. Pozabil je nase in na Maruloto ter se nagnil k tovaršu.

"Preveč govorš, to je slabo. Ali ti morem kako pomagati?"

"Mislim, da mi nihče več ne more pomagati."

"Ne govor tako! Pa kam si bil namenjen?"

"Domov ... v tvojo kočo. Da bom vsaj v miru umrl."

Jerneju se je milo storilo. Gašperja, ki je bil zmeraj uporen in pogumen, je bilo takoj bridko poslušati, ko je govoril o smrti!

"V mojo kočo ne smeš. Saj veš, da te bodo iskali, ako te že ne iščejo. Tudi tu ni več varno. Tod mimo bodo prišli. Ne smeš misliti kar na smrt. K Blažu morava. On se spozna na bolezni in rane. Pomagal ti bo."

"Ne vem, če bom mogel še hoditi."

"Saj ni daleč. Pomagal ti bom. Z eno roko me objemi okoli vrata. . . Tako. . ."

Gasper se je bil le s težavo dvignil. Jernej ga je objel okoli pasu; imel je občutek, da mu omdeleva v rokah. Le stežka je premigal noge.

Napravila sta nekaj korkov, ko se je Jernej nenadoma ustavil in posluhnih.

"Ali si slišal psa?" je vprašal Gašperja.

"Morda je Beta. Zjutraj je pes tekel za njo."

Jernej je zaživžgal. Oglasilo se je veselo lajanje psa. Kljukec je pritekel iz grmovja, zavilili in se vzpel po Jerneju.

"Beta ne more biti daleč," je reklo Gašper.

Vrnila sta se skali, ranjene je sedel. Zdela se je, da so mu od pričakovanja za trenutek vrnile moči.

"Kljukec!" se je Jernej igral s psom, ki je norel od vespela. "Zopet se vidiva. Kje pa je gospodinja?"

"Kdo je?" se je plaho oglašilo iz teme.

"Beta!" je poklical Jernej. "Le bliže! Midva sva z Gašperjem. Le nič se ne boj!"

Beta je stopila izza grmovja in upehana, začudena obstala pred njima.

"Jezus, Marija!" je vzkliknila in sklenila roke. "Saj si res ti, Jernej. Kdo te je pričakoval? Kaj pa je tebi Gašper, da stokaš?"

"Boš že zvedela," je zategnili Gašper. "Mene zdaj pusti! Pozej rajš, kaj je z Marulom."

"Pri grofinji ni nič doseglia. Tako je bila obupana, da se mi je reva kar smilila."

"Kje je zdaj?" je vprašal Jernej nestrpno.

"Doma je ostala, na Kneži. Kam naj bi bila reva sicer šla?"

Jernej je strmel Beti v obraz, ki je rahlo sijal iz mraka. Kar je povedanal, je bilo tako čudno, da skoraj ni mogel verjeti.

"In oče?"

"Najprej jo je zapodil, a potem jo je dal poklicati," so Bettini od ginjenosti zatrepeta ustanice, ko se je spomnila tista prizora. "Njena mati, Agata, mi je rekla, da se tudi jaz lahko zatečem k njim, če ne bom vedela kam drugam. Saj potrebujejo deklo."

"Bog bodi zahvaljen!"

Jernej je občutil silno hvaljenost, neizmerno olajšanje mu je obšlo dušo. Saj je v ječi pogosto mislil, da bi bilo najbolje tak, kakor se je zgodi-

knjiga. "Živiljenje in trpljenje našega Gospoda Jezusa Kristusa." Posodil mu jo je bil gospod Martin, župnik pri Fari. Ugajala mu je; kljub starosti se je lotil, da bi jo prepisal.

Pomočil je pero. Preden je zapisal prvo črko, ki jo je krasil s čudovitimi ovojkami, se mu je zazdelelo, da je nekdo potkal na okno. Dvignil je glavo, pogledal v temno zaveso in posluhnih. Nič. Morda se je motil.

Potrskalo je znova, to pot močnej.

"Kdo je?"

Nihče mu ni odgovoril.

Stopil je do okna in odgrnil zaveso. Zunaj je ležala mračna pomladna noč. Videl je le teme najbližnjih dreves, dreves.

"Kdo je?" je zvišal glas

"Jaz," se je plaho oglasilo z vrta. "Gospod, odprite!"

Vikar je odpril okno in pogledal skozi krize. Zunaj je stala neka ženska, ki je v mraku ni mogel prepoznati.

"Kaj pri nas nimamo vrat, da skozi okno siliš v hišo?" je vprašal nejevoljno.

"Luč sem videla, pa sem potrkala,"

"Kdo pa si?"

"Beta Razpetova Beta."

"Kaj hočeš?"

"Da bi šli spovedat."

"Ob tej uri? Ali je taka si la?"

"Moj Bog, hudo je sila," so Beti zatreptale ustanice "Prav na koncu je z njim."

Vikarju se je šele tedaj posvetilo, z dlanjo se je udaril po čelu. Saj bi si bil lahko takoj mislil.

"Gašper?" je vprašal.

"Da. Ranili so ga."

"Vem, vem. Bog nam pomaga in vsi svetniki božji! Tako pridem. Stopi pred vrata!"

Obul si je skornje, si oblekel suknjo in vzel palico. Poiskal je ključ od zakristije in ga vtrnil v žep.

Beto je našel pred vrat. Tretajajoče, nestrpno je stala pred njim.

"Zdaj pa le v cerkev," je reklo. "Hodila bova, kar se bo dalo naglo."

"Pa tega nikomur ne povejte!"

"Nič se ne boj, že razumem. Nikogar ne bova klicala, niti cerkovnika. Ljudje ne znajmočati. Bova že sama opravila. Kje pa je Gašper?"

"Pri volarju Blažu."

Tiho ko tatova sta stopala po klanecu, mimo korita med specifični hišami.

"Ali ni več pomoči?" je vprašal vikar. "Saj se Blaž, kolikor vem, nekaj razume na zdravljenje. Ali mu ne more pomagati?"

"Ne, moj Bog!" je rekla Beta in glasno zahlipala. "Krogla mu tiči v kosti, ne more mu je vzeti iz rane. In tudi pljuča ima prebita. Pa preveč krv je izgubil."

"Ali je še pri zavesti?"

"Se. Saj je on prosil, naj vas pokličemo. Pa ne bo dolgo."

"Ne jokaj tako glasno! Saj bo sklicala ljudi. Že verjamem, da ti je hudo. Moli rajši, da bo brat učakal Boga!"

Beta je dušila solze.

Stopila sta v cerkev. Nekaj minut pozneje se je od vasi nagnalo oddaljevala luč in hitela okoli pobočja; bila je kakor zvezda, ko spremila Gospa.

Pravkar se je bilo zaznalo jučer in rahlo obsvetilo oblačeno nebo, ko se je vikar Valant vratal domov. Bil je sam. Hodil je naglo, trdo udarjal s palico, kakor vselej, kadar mu je kaj prav posebno vznemirjalo dušo.

Gasperja je bil spovedal in obhajal, potem je še dolgo posedel med možmi. Pomenili so se od srca do srca, tako odkrito še nikoli ni govoril s katerim

Po svoji naravi ni bil nikak puntar, ljubil je mirno živiljenje brez strasti in pretresljajev, vendar so se mu tedaj uporno bliskele oči. Ne, tudi zdaj bi se ne upiral radi kakve mitnine na vino, pač pa a večno stvari, a katera bi bilo vredno trpeti in umreti. Dolgo let je verjel, da je vse, kakor je, prav narejeno, še s sivimi lasmi so se mu začeli porajati dvomi. Misil je na Jerneja Mavriča, na Gašperja Razpeta, na Melhorja — na vse, ki so jih zadele nesreče. Kaj so storili? Sledili so božnjemu klicu po zemlji, po kruhu, po svobodi, po usmiljenju. . .

Marsikatera revna kmečka hiša bo s zaslužkom od nabiranja robidovega listja laže prebrodila zimo in se preskrbelo s hrano in obliko, ki bi sicer manjkala. Nabiralo ga je staro in mlađo. Znane so hiše z več rodbinskih članov, ki so zaslužile po 15,000 do 20,000 dinarjev, mnogo pa jih je, ki so dobiti 5,000 do 10,000 dinarjev.

Dospel je na Rob, s katerega je bilo že videti cerkev svetega Lenarta. Naproti mu je prihajal Colloredo s svojim hlapcem. Žerjunom, Damijanom in še enim kmetom. Bili so oborjeni. Vikarju je bil v hipu jašen namen njihove poti. Vroča ga je spreteleto po hrbtni, ustavil se mu je korak. Počakal jih je, da so prišli bliže.

"Kam, vaša plemegitost?" je suho nagovoril Colloreda.

Vprašanje je bilo zastavljenoto tako drzno, izzivalno, s takim glasom, da je plemiča razdražilo.

"Na lov, častiti," je odgovoril malec rogajoče. "Na lov gremo."

"Ali je zdaj čas za lov?"

"Za divjačino, ki jo lovimo mi, nikoli ni prepovedi." Plemič je meril vikarju v oči, ki so se mu zdele sovražne, a obenem preplašene. Nenadoma ga je obšla neka misel. "Kje ste bili, častiti?" je vprašal. "Saj dovolite."

STEVES MOURN LOSS OF TWO POPULAR, ACTIVE MEMBERS

Chicago, Ill. — St. Stephen's Parish is mourning the passing of two of its better-known members. Both succumbed to the grim reaper on the 24th of October, 1940.

John Kosmach Sr., the older of the two, was 69 years old. He arrived in this country 40 years ago from Yugoslavia, being one of the pioneers of the community. He was one of the first Slovenian business-men, conducting a hardware store, as also one of the first owners of an automobile in the neighborhood.

He was also a member of St. Stephen's Lodge, No. 1, and many other fraternal organizations. The Reliance Federal Savings and Loan Association has him on the board as one of the directors. Fellow-directors acted as pall-bearers at the funeral. He bowed in our lodge league.

He was the father of the famous Korenchan girls, Marie and Gene, who entertain us so often with their pleasant voices on the Yugoslav hour.

He is survived by his wife Mary and two daughters Marie and Gene.

Both funerals were conducted Monday, October 28th, 1940 from St. Stephen's Church to St. Joseph's cemetery. They were both attended by a large number of relatives and friends.

We extend our heartfelt sympathy and condolences to the members of both families.

May both their souls rest in peace!

WAUKEGANITES MARK 5TH YEAR, STAGE 'DOUBLE DOOR' FOR FULL HOUSE

Waukegan, Ill.—A capacity crowd attended the Actor's Guild presentation of "Double Door" last Sunday evening, Oct. 13 at the Mother of God School Auditorium. The play in three acts was entirely different from any ever given by the Guild before. It was the fifth anniversary celebration of the Actor's Guild, and the play was a fitting climax to five years of theatre work. It was also a benefit performance for the church. Miss Marie Grom directed this three-act drama.

Miss Julie Zelenik, in the principal role of Victoria Van Bret, head of the long line of New York Van Brets, was without doubt the outstanding character, that of a domineering woman of 65. The audience is never disappointed in the performances of Joseph Miholic who appeared as Rip Van Bret, opposite Lillian Verhovec as Anne, his young bride. Both young people played their roles sincerely and with genuine earnestness.

The action of the play centers around the marriage of Anne Darrow, a nurse, to the scion of a wealthy New York family. Victoria, his patholog-

ically cruel, avaricious sister, does everything in her power to separate Rip Van Bret and his wife, even attempting to prove her unfaithful, and later keeping her prisoner in a vault.

Miss Zelenik was superb in the character role of Victoria Van Bret. It is difficult to imagine such a sinister and sadistic personality, but the black fury of her domineering spirit pervades every scene, and leads up to a cumulative suspense of such emotional intensity that even the audience appeared uneasy.

Ann Cankar in her role of Caroline Van Bret and Ed Svetate as Dr. John Sully rendered their roles very naturally. Bill Ogrin and Paul Ivantic very effectively portrayed the roles of a footman and a butler. Others who added much to the success of the play were Marge Grom as Avery the housekeeper, Angie Tercek as Louise the maid, Al Miks as Mr. Chase, John Grom as Mr. Neff an attorney, and Joseph Cankar as Lambert a secret service man.

The interplay of these deftly delineated characters wove a tricky web of circumstances and misfortune and created an

Barberton, O. — The Young Ladies Sodality of the Sacred Heart Church of Barberton will hold their third annual fall dance at the Slovenian Hall on 14th St., on Nov. 23, 1940. There will also be FREE confetti. So round up all your KSKJ friends and head for Barberton on Nov. 23.

anticipatory mood throughout the play. The staging was well handled, especially the eerie lighting effects which added so much to the stage picture and the sustaining of the mood.

It is interesting to note that more and more the Little Theatre groups are getting away from the farce comedy type of plays and are giving the heavier dramas with exceptional ease and finish. A children's performance was given at 2:30

ANNS' DANCE SOCIAL HIGHLIGHT, BUT HOP CRIMPS BOWLING STYLE

The St. Ann's KSKJ Bowling League will attempt to resume a somewhat less hectic pace now that dances, parties and constrictions have come and left their toll. Trying to tie up all the loose strands after this potpourri of pleasure one finds that . . . the dance took a lot of energy from the girls if one is to judge by the scores that followed . . . the dance was the social highlight of the season proving that too many hands do not necessarily spoil the broth . . . or should we

CANONSBURG JAYS TURN OUT TO MAP PROGRAM BANQUET FOR CHAMPS

Strabane, Pa. — At an enthusiastic meeting held by the Canonsburg KSKJ Booster Club last Sunday, a large turnout attended at which time plans were made for a very active winter program.

At this meeting it was planned to hold a banquet in honor of the softball team that won the Pennsy-Ohio KSKJ playoffs last month. A committee of men and women was appointed to take charge of the affair. Assisting the committee in a very active way and greatly responsible for the move are the mothers of everyone of the boys who played on the team. They have promised to do their share in helping to honor the champs.

On Nov. 30, last day of this month, and the last day before

Advent, a polka dance will be sponsored to which the local club invites all of its neighboring KSKJ friends from Western Pennsylvania. A dance will also be held Sunday night, Nov. 10, at which time Lee Barrett and his band will supply the music.

Bowling is a very popular topic now. The girls' and boys' leagues have larger turnouts than ever before. There are 32 girls and 44 boys bowling in the KSKJ league sponsored by the Booster Club. A more detailed plan of the league will be described at a later date.

The local club lost a very active booster in Louis "Bobby" Verchek who joined the U. S. Marines. To him the local club wishes a very successful future.

JOES REPEAT DOUBLE WINS, CLIMB TO TOP OF JOLET JAY PIN LEAGUE

Joliet, Ill. — Consistently maintaining their regular schedule of two wins a night, the St. Joseph's No. 2 squad climbed to undisputed possession of the top rung in the Joliet Kay Jay Bowling League, one game ahead of the Schuster Plumbers and Andy's Eagles, second spot holders. This time the Saints took the measure of the Tezak Florists while the Peerless Printers were taking a pair of games from the Plumbers. In the other matches of the evening the fast-stepping Eagles copped a pair of wins from the Slovenian Coals and the Gorsich Grocers chalked up two victories over the Avsec Printers.

Honor bowler of the evening was John Mutz of the Saints who tallied a neat 603 total on games of 212, 200 and 191. Of the ladies Ann Papesh captured the high game prize with 185 while Kathryn Kuhar garnered the dubious honor of taking the evening's low game award. The only other games in the 200 class were Frank Petan's 205 and Stan Wedic's 202.

Spares. — Last week's bowling completed the first round . . . the boys now go into the second lap with the old fightin' determination on full steam . . . Matt Slana's "Waukegan Special" hook was good for two games of even 199 . . . seems he just couldn't squeeze out that last pin . . . Matt totaled

561 for the evening's effort which was not at all bad . . . That St. Joes-Tezak match had a bit of a private feud attached to it . . . The Laurich Brothers, Joe and Paul, are one on each team, and, we're told, a little side bet was riding on their games . . . Paul topped Joe by 12 pins on total pins but Joe beat Paul in two of the three games . . . each had a neat split pickup to his credit, too . . . Speaking of splits, Kathryn Kuhar knocked off the difficult 1-5-7, Jo Stephen the 5-7, Gen Golobish the 7-9 and Mae Mutz the 5-7-9 . . . and all drew a good round of applause in doing so . . . "Chick" Kuzma's big hook gives us the jitters . . . the Jay Zeez depend on that "Pause that refreshes" for the extra punch they have . . . they lost the first and then, after the pause, they bounced back for two wins . . . the Kay Jay girl employees have a side pool all their own . . . Joe Slapnicar lost to her opponent by one pin, poor gal . . . The Blue Ribbon Spas girls looked right snappy in their new uniforms . . . next week the entire ladies' squad will be togged out . . . so says our fashion expert . . . we ourselves, wouldn't know . . . Next week's schedule calls for Schusters vs. Avsecs, Tezaks vs. Eagles, Peerless vs. St. Joes, and Slovenics vs. Gorsichs . . . See you then!

STEVE PINSTERS WELCOME PREXY GERM AT REGULAR BOWLING SESSION

Chicago, Ill.—A huge crowd was on hand to welcome Mr. John Germ at the bowling alleys last Tuesday as he was greeted by the St. Stephen's bowlers.

After meeting his old time friends Mr. Germ gave a short speech in which he said that he was happy to see so many members of St. Stephen's Lodge get together each Tuesday, first as a recreational group and secondly as a group fostering fraternal friendship. Our KSKJ prexy said that he was glad that an invitation was extended to him while he visited Chicago. The bowlers would be more than glad to have him with them whenever he makes a trip to our Windy City. Mr. Germ ended his stay by bowling two games with the Dr. Grill team. Mr. John Ze-

fran, Sr., accompanied his guest to the alleys.

Perko's 3 Monarch 0

The Inn team gained two games on the leaders as they picked on the Beer team for three games. They are now only two games from the top. Leading the winners were Johnny Terselich with 544, Weaver 526, and Jerry 512. Arbanas was high for the losers with 483.

Zefran 3 Dr. Grill 0

The three game winner had all eyes on them as John Zefran set a hot pace as he rolled 681. John led off with a 222 game, came back with another 222, and his last game tallied 237, for the best score ever bowled in the St. Stephen's league. Brother Joe also had a

high series of 580. The Zefran brothers had a combined score of 1261. The Bogolin boys were high for the losers with Ed getting 508 and Bill 502.

Korenchans 2 Fidelity 1

Fidelity Electric lost their first series when they lost two games to the fourth place Korenchan Grocers. John Prah who is taking the place of the late John Korenchan led the Grocers with 520. Louie Oblik was high for the losers with 505.

Kosmach 2 Tomazins 1

With Louis Retel rolling 560 the Boosters kept their third place position as they won two games from the Tomazin team. Vic Kremesec led the losers with 530.

Park View 2 Dr. Olech 1

The Laundrymen turned on the steam to take two games from the Dr. Olech team. Joe Kosnik led his team for the first time with 553. Following Joe were Charles Grill with 527 and Frank Banich with 512. Frank Bicek was high for Dr. Olech with 561.

Pocket Hits: The St. Stephen's bowlers wish to extend to the family of the late John Korenchan their deepest sympathy as all will feel the loss of a real friend. Many old timers were on hand to welcome Mr. Germ. Some of them were Max Omerzel, John Kramarich, John Zvezich and Anton Zabkar. Anton Kremesec and William Necker showed up with new balls. Both hit 500 series. John Zefran's 681 should stand for the rest of the season. The Zefran's 1261 would be good enough to take doubles in any tourney.—Kingpin.

SMUT KING

The Smut King is being hunted. His name is alleged to be Morris Newman, alias John Milkowicz. King Milkowicz publishes and distributes 12 indecent magazines. He operates under at least five different trade names. If King Milkowicz is found and declared guilty, he will be penalized to the extent of \$500, with or without a year in prison to be added. If he does not go to prison, he can pay the fine and recover it within a month, by publishing a dozen other smut magazines under a half-dozen other trade names. We hope that the King will be caught and that he will get a year for each of the twelve indecent magazines he has been spreading on the newsstands and in the stuffy bookstores near the corners. The King has already served a sentence for larceny and conspiracy, and another for counterfeiting. But the last crime is the greater, for his slimy pornography is poison to countless souls. There is nothing more contemptible in the whole catalog of crime than ruining innocence for profit. Dope-peddlers and the purveyors of obscene magazines are equally dangerous but too often the latter escape prosecution and follow their vile business unmolested.—America.

Religion Gives Leadership

It is extremely difficult for a human person to exercise his right of leading a decent moral and religious life in a society whose institutions do not respect this right. For this reason we hold that social and economic problems are religious and moral problems. Of them Leo XIII says, "they can find no solution worth anything without recourse to Religion and the Church." Hence it is easily seen why Catholic Action is an apostolate to social and economic institutions as well as to individuals. Indeed it is one of the principal aims of Catholic Action to get the principles of Christ's Gospel realized in such institutions.

Due to the seriousness of social and economic problems in the modern world, we have had in recent times many appropriate encyclicals. These in turn have given rise to many enterprises which concern themselves with the material well-being of certain groups. Such enterprises may take the form of associations to promote the interests of some special class such as working-men, or of co-operatives and credit unions to bring financial assistance to their members. Now in so far as the purpose of these societies are material, they do not fall under the jurisdiction of the Church. Since, however, they pursue these purposes in subordination to the principles of the gospel, they must look to the Church for religious and moral guidance.

Given, therefore, on the one hand the aims of Catholic Action and, on the other hand, the need of these splendid social and economic works, it is not hard to see that a very special question rises about the relationship between Catholic Action and such enterprises. Certainly these works are not official Catholic Action. Certainly they are Catholic Action in a wide sense. If we have said this of the auxiliary societies mentioned before, we must say it of these economic works.

At the annual Halloween party held at the alleys, it was decided by all the witches and goblins that Fifi Jernejcic best represented the spirit of the occasion and accordingly made her a life time member of their Spook and Spirits Club . . . Friends and acquaintances exchange greetings at Christmas more than at any other time in the year. However, if we were to judge from many of the greeting cards they use we would never know that Christmas is a Christian festival. They are either frankly pagan or just merely silly with a profusion of pictures of big or little cats and dogs.

We need a revival of Christian principles if we are to save our civilization and culture. We can begin this by observing Christmas as the Christian festival it really is. The first step in this direction is to make our Christmas greeting cards an index of our Christian thoughts on the Birthday of the Prince of Peace.

And where should we get such cards that give just this heartwarming touch, if not

from a group of Religious whose life work is bound up in spreading the Love of a Babe? One such group of Religious who depend largely on the sale of religious Christmas cards for the maintenance of their Seminary for aspirants to the holy priesthood, are the Salvatorian Fathers at St. Nazianz, Wis.

There has been a tendency of late to secularize the festival of Christmas. That is what is wrong with the world. God has been denied His place among His children. Out of long habit they keep the Birthday of His Son but they conveniently forget its significance. This year's cards, as last year's, are all copyrighted. Glasillico readers who made purchases last year are asked to interest their friends in this crusade for religious Christmas cards, and to order their supply early. The cards come 1 to a box for \$1.00, or 3 boxes for \$2.00. With each box is given a sheet of monograms of any initial you may specify. Other cards with your name specially imprinted are also to be had at very little increase in price.

And don't forget — every purchase of these cards helps some young man in his studies for the priesthood. Possibly your purchase, no matter how small, may in some way help in the conversion of some soul dear to Christ.

Orders should be sent to: Society of the Divine Savior, Salvatorian Seminary, St. Nazianz, Wisconsin.

THANKSGIVING DINNER

Menu: Spiced Fruit Juice, Roast Turkey, Oyster Stuffing, Glazed Sweet Potatoes, String Beans, Creamed Onions, Celery, Olives, Toasted Nuts, Mince Pie with cheese, or Coffee Marron Cream, Candied orange Peel, Coffee.

Spiced Fruit Juice Cocktail

Mix 1 cup orange juice, 1/2 cup pineapple juice, 1/3 cup Sugar Syrup, 2/3 cup water, 1/2 teaspoon grated lemon rind, 1/2 teaspoon nutmeg, 1/4 teaspoon cinnamon and 3 whole cloves. Chill for 3 hours. Strain, add 1 1/2 pints sweet cider and stir briskly.

Served in glasses with cracked ice. Makes 6 portions.

Candied Orange Peel

Peel from 4 oranges, cold water, 2 cups sugar.

Remove peel from oranges in lengthwise sections and cover with cold water. Bring to a boil and cook until soft. Drain, saving the water; scrape out white inner portion of peel with a teaspoon and cut peel into thin strips with scissors. Dissolve sugar in 1 cup water in which peel was cooked, boil until syrup threads, add peel and cook slowly for 20 minutes, or until most of the syrup has been absorbed. Drain in coarse sieve. Roll peel, a few pieces at a time, in granulated sugar until well coated; shake to remove excess sugar. Store in tightly covered container. For a more moist peel, add 2 tablespoons light corn syrup to sugar in making the syrup.

Ice-Box Fruit Cake

3 lbs. seeded raisins, 2 lbs. stoned dates, 1/2 lb. candied pineapple, 1/2 lb. candied cherries, 1/4 lb. candied lemon peel, 2 lbs. pecan meats, 2 tablespoons cinnamon, 1 tablespoon nutmeg, 1/2 teaspoon cloves, 1 teaspoon salt, 1 orange, juice and grated rind, 1/2 cup fruit juice.

After cutting fruit and nuts, mix spices, salt and sugar with fruit juice. Mix all ingredients together thoroughly and press tightly into loaf pan lined with waxed paper and let stand in mechanical refrigerator one week or ten days before cutting. This cake will keep indefinitely as any baked fruit cake. Serves 25.

Crumb Cake

2 cups flour, 1 scant cup of lard or butter, 1 1/2 cups sugar, 1 teaspoon cinnamon, 1/2 teaspoon salt, a dash of nutmeg.

Mix together thoroughly and reserve 1/4 cup of mixture to sprinkle over top of cake before it is to be put in the oven.

Coffee Marron Cream

1 teaspoon gelatin, 1 tablespoon cold water, 1 cup milk, 1 cup strong black coffee, 2/3 cup sugar, 1/2 teaspoon salt, 1 teaspoon flour, 1 egg, well beaten, 1 1/2 cups heavy cream, 1/2 teaspoon vanilla, 1 cup drained chopped marrons (chestnuts).

HOW TO GET ON

"Tell me how to get on in life," said the kettle.

"Take pains," said the window.

"Never be led," said the pencil.

"Do a driving business," said the hammer.

"Aspire to great things," said the nutmeg grater.

"Make light of everything," said the fire.

"Make much of small things," said the microscope.

"Never do anything off-hand," said the glove.

"Reflect," said the mirror.

"Do the work you are suited for," said the chimney.

"Be sharp," said the knife.

"Find a good thing and stick to it," said the glue.

"Try and make a good impression," said the sealing wax.

Cool, add cream and vanilla, and freeze in trays of mechanical refrigerator. When partially frozen add the marrons and mix. Then freeze until firm.

Cream milk and flour together, beat up egg yolks until creamy and mix with flour and milk. Beat egg whites stiff, add yolk mixture and salt and mix lightly.
