DeGaullovi cilji in pota

Gen. Charles De Gaulle je usoda Francije od leta 1940, ko je pobegnil iz domovine pred Hitlerjevimi tanki in oklical "Svobodno Francijo" iz svojega zavetja na Angleškem. Mož je bil odločen dvigniti Francijo, ki je podlegla Hitlerjevimi divizijam, k novi moči in ugledu. Pri tem je računal na podporo francoskih kolonij in seveda zaveznikov, v prvi vrsti Velike Britanije in Amerike.

Vojaške sile "Svobodne Francije" so komaj obstojale, celo francoska vojna mornarica je pod poveljstvom admiralja Darlana ostala zvesta vladi v Vichyju. De Gaulle ni mogel pridobiti na svojo stran francoske severne Afrike, dokler jo niso Amerikanci zasedli. Pri tem je vendar zahteval za sebe priznanje kot vodnika in govornika Francije. Roosevelt in Churchill se za to nista vedno brigala v taki meri, kot je De Gaulle zahteval. Tega jima ni nikdar pozabil, tudi potem ne, ko so ameriško-britanske čete osvobodile Francijo in je De Gaulle vzpostavil svojo vlado v Parizu.

De Gaulle ni bil občutljiv v pogledu časti in vpoštevanja samo do zaveznikov, prav tako občutljiv je bil do lastnih rojakov. Ko ga ti niso poslušali in mu izkazali zaupanja, kot ga je pričakoval, se je mož leta 1946 užaljeno umaknil iz vlade in iz Pariza. Čakal je v prostovoljnem "izgnanstvu" vse do leta 1958, ko ga je Francija poklicala nazaj in mu ponudila vodstvo. Ni ga enostavno sprejel, zahteval je spremembo ustave tako, da je imel v rokah skoraj diktatorsko oblast.

Čeprav je obljubil vojno v Alžiriji zmagovito končati, se je pobotal z Alžirci in jim dal neodvisnost, ko je spoznal, da je to za Francijo v danih razmerah edini trezni izhod. V Franciji je postopno ustvaril stalnost, poskrbel za red in mir, v katerih cvete gospodarstvo. Francija se je res nenavadno naglo gospodarsko popravila in okrepila. Ko je imel tako De Gaulle, kot je sodil, razmere doma urejene, osnovo za francoski ugled in moč ustvarjeno, se je z vnmom lotil popraviljanja francoskega mednarodnega ugleda.

Ko je prišlo do kubanske krize, je De Gaulle naglo in brez omahovanja sporočil: Francija bo stala ob Združenih državah, če kubanski spor privede do vojne s Sovjetsko zvezo in njenimi podporniki. De Gaulle je upal, da bo dosegl priznanje v Londonu in v Washingtonu ter skupno s tema odločilo o usodi svobodnega sveta. V Londonu in v Washingtonu za to niso kazali navdušenja in De Gaulle se je užaljeno umaknil, ko je bila njegova udeležba pri vodstvu sveta tako hladno sprejeta.

Johnson je pustil De Gaulle, ki je prišel na Kennedyjev pogreb v Washington, preko 20 minut čakati pred očmi vsega sveta (na televiziji), predno ga je sprejel. Trdili so, da je bil to odgovor na nevljuden sprejem, ki ga je Johnson doživel pri De Gaulle, ko ga je obiskal kot podpredsednik ZDA. Tako osebno poravnavanje računov seveda ni moglo vplivati dobro na odnose med Parizom in Washingtonom. De Gaulle je začel odkrito hoditi svojo lastno pot in skušal na svojo roko povečavati ugled svoje domovine, pa naj je bilo to tudi na škodo zavezniške skupnosti.

Načrtno je gradil francosko vodstvo svobodne Evrope in uspeval, dokler je imel trdno oporo v Zahodni Nemčiji. Od Erhardom ta ni stala več tako trdno ob Franciji kot preje pod Adenauerjem, tudi pod kanclerjem Kiesingerjem se položaj v tem pogledu ni bistveno spremenil. Ameriški vpliv je postajal De Gaulle vedno bolj neznošen. Odpovedal je vojaški del pogodbe NATO in sporočil francoskim zaveznikom, da morajo tekom enega leta umakniti svoje oborožene sile s francoskih tal. Ko je tako drobil zavezniško vojaško moč in slabil ameriški vpliv na evropskih tleh, je pridigal o Evropi od Atlantika do Urala, neodvisni od Združenih držav.

Članice NATO v Evropi, prav posebno še Zahodna Nemčija, se pri tej DeGaullovi politiki niso nič dobro počutile. Skušale so premočen francoski vpliv omejiti z vpljučitvijo Velike Britanije v Evropsko gospodarsko skupnost, ki jo De Gaulle spretno rabi v francosko korist. Britanska prisotnost bi mu to onemogočila ali vsaj zelo otežila, zato Velike Britanije v Evropsko gospodarsko skupnost noče.

De Gaulle se je lotil gradnje lastne atomske oborožene sile, da bi v tem pogledu napravil Francijo neodvisno. Lanska finančna kriza mu je te načrte hudo zavrla. Sovjetsko-satelitski vdor je pokazal Evropi očitno, da je njena varnost le v povezavi z Združenimi državami, vsak up na kako neodvisno pot v tem pogledu se je izkazal prazen. De Gaulle išče in vrta dalje.

Tako je 4. februarja predložil v razgovoru z britanskim poslanikom v Parizu novo organizacijo svobodne Evrope pod vodstvom "štirih sil", Francije, Velike Britanije, Nemčije in Italije. Torej nekaj takega, kar sta zahtevala v letih pred drugo svetovno vojno Hitler in Mussolini. Seveda bi

morala Evropa pod vodstvom "štirih" biti neodvisna od Združenih držav, zato bi bilo treba uničiti NATO. Da bi v Londonu načrt lažje sprejeli, jim ga je De Gaulle skušal osladiti s ponudbo o reorganizaciji Skupnega trga v rahlejšo gospodarsko povezavo svobodne Evrope, v katero bi naj stopila Velika Britanija in članice njenega gospodarskega bloka.

V Londonu so DeGaullov načrt zavrnil in ga sporočili zaveznikom, čeprav naj bi bil predmet zaupljivih razgovorov. To je nejevoljo v Parizu še povečalo. Prepričani med Londonom in Parizom je dosegel višek, ko se je ameriški predsednik Nixon podal na pot v Evropo. Nixon lahko na svoji poti po zavezniški Evropi spoznava neposredno, kako trdno je to zavezništvo. Iz DeGaullovih ust in iz ust DeGaullovih nasprotnikov bo Nixon na tej svoji poti lahko boljše spoznal ozadje ciljev in potov DeGaullove politike, ki dela ZDA toliko težav.

BESEDA IZ NARODA

Pri Mariji Vnebovzeti bo v dneh 23.-29. marca slovenski misijon

CLEVELAND, O. — V tednu med Tiho in Cvetno nedeljo bo pri fari Marije Vnebovzete na Holmes Avenue misijon namenjen predvsem Slovincem naše fаре. Dobrodošli so pa tudi Slovenci iz drugih fara, ki se želijo udeležiti misijona in se skupaj z nami pripraviti na praznovanje Velike noči, obnovivši in poglabivši svoje versko življenje in prijateljstvo z Bogom. Pravilna verska orijentacija nam je danes neobhodno potrebna. Poglobitev verskega življenja je v današnjih časih edina pot, po kateri lahko pridemo do miru, sreče in zadovoljstva v naših družinah in v našem življenju sploh.

Zato Te prav prijazno vabimo, dragi prijatelj in prijateljica, da ne zamudiš te lepe priložnosti, ki Ti se ponuja. Bog Te kliče. Morda že dolgo nisi slišal Njegovega glasu. Pridi! Videl boš, kako dober je Bog in kako dragoceno je njegovo prijateljstvo. Pa tudi Ti, prijatelj, ki si praktičen katoličan in opravljaš svoje verske dolžnosti, tudi Tebi želi Kristus reči nekaj prav posebnega, kar bo osrečevalo Tvoje življenje. Prekrasna cerkev Marije Vnebovzete te vabi, kjer se boš počutil kakor doma, boljše kakor pri televiziji, ki največkrat pusti dušo in srce prazno. Uredi svoje družinske posle in svoje življenske dolžnosti tako, da rezerviraš eno uro vsak dan v tem tednu samo za sebe in za svojo srečo.

Kakor rečeno, misijon se bo začel v nedeljo, 23. marca. Ob 7. uri zvečer bo kratek misijonski govor in blagoslov z Najsvetejšim. Vse druge dneve v tednu bo ob 7. uri zvečer sv. maša, nato govor in blagoslov z Najsvetejšim, vse v slovenskem jeziku. Pred in po pobožnosti bo priložnost za velikonočno spoved.

Rev. dr. Jerko Gržinič, misijonar iz Ekvadorja, ki je že dobro poznan našim Slovincem, bodisi po svojih člankih v Ameriški Domovini, kakor tudi po svojem glasbenem udejstvovanju in po svojih prepričevalnih govorih in predavanjih, s katerimi si je v kratkem času pridobil veliko prijateljev v naši zemlji, bo vodil misijon.

Za podrobnejše informacije se obrnite na telefon št. 761-7740. Rev. Victor Tome, župnik

SŠK kegla

CLEVELAND, O. — V nedeljo so bila zopet dana skupinska mesta na rešeto. Vse skupine razen Muškaterjev in Roparjev so se znašle na različnih mestih, kot so bile, ko so začele večer.

Jerry Grajzel in Lojze Lončar sta zaigrala 207, 197 in 197, 181 igre za Samarijane, da so si pometli Hribovce. S tem so si ohranili malo upanja za skupinski pokal. Kranjci, ki so bili že pokopani, so se kar dobro odrezali zadnji dve nedelji. Marjan Ovse-nik je zaigral 193 igre v bitki z Gorenjci in s tem pripomogel Kranjcem do petih točk. Vino-

pivci so Lovce skoraj uničili za to sezono, ko so jih potlačili na peto in se sami dvignili na drugo mesto. Skale so dvignile Muškaterjem krono na glavo in osvojile svoje mesto na drugem koncu seznama. Tudi Hribolazci so igrali vlogo "potratnika", ko so Cigane spotakali v njihovem boju za pokalno mesto. Asi so igrali, kot da bi to res bili, in premagali Roparje za 5 od 7 točk. M & C Tigri, Vandrovci in Živali so zopet dokazali važnost vsakega podnega kegla. Prvi so imeli enako število kegljev po celem večeru, drugi pa v zadnji igri. Koliko je vsak imel prilike, da bi podrl vsaj en kegel več. Zaradi tistega nepodrtga kegla so M & C eno mesto višje od Tigrov in Živali eno mesto nad Vandrovci.

"Samo še en par nedelj," tako pravijo oni, ki so komaj zgrešili pokalno mesto. Tisti, ki so daleč zadaj, pa pravijo: "Drugo leto bomo res boljše igrali. Letos sem imel preveč splitov."

Takle je sedaj položaj:

	Dobili	Izgubili
Muškatjerji	85	41
Vinopivci	76	50
Gorenjci	75	51
Kranjci	73½	52½
Lovci	72½	53½
Samarijani	70	56
Cigani	69	57
M & C	59½	66½
Tigri	58½	67½
Roparji	56	70
Hribolazci	55	71
Živali	53	73
Asi	52	74
Vandrovci	52	74
Hribovci	51	75
Skale	50	76

Na svidenje v nedeljo.

Take vsote ne moremo zahtevati od naših rojakov v Ameriki. Za vsak dar bomo hvaležni. Dajte, kolikor zmorete, posebno rojaki iz Rovt. Ako se odločite za eno okno, lahko sami izberete svetnika in spodaj bo napis v spomin rojakov, ki so darovali, iz Amerike. Seveda bo vsako okno imelo svoj pomen.

Ko sem bila lansko leto doma mi je g. župnik razkazal nov krstni kamen in novo zakristijo, ki ima 30 sedežev in iz katere se vidi na oltar, iz cerkve se pa ne vidi na te sedeže. Cerkev ima tudi stolp z mrtvaškim zvonom, ki zvoní, kadar kdo umrje. Zvonil bo tudi vsem ameriškim do-brotnikom, kadar bo kdo umrl. Tako bu bo sv. Mihael pomagal priti v nebesa.

G. župnik je nam, ameriškim rojakom, hvaležen, da smo mu pomagali vse to napraviti in o-lepsati že tako staro cerkev. Izpolnimo mu še željo za nova okna. Prosim vse druge rojake, tu-di če niso iz Rovt! Vsak dar je hvaležno sprejet in obilo popla-čan. Obiskala bom vse Rovtarje, drugi po Ameriki pa lahko poš-ljejo dar na naslov:

OTROŠKI KOTIČEK

Ceprav se vreme onegavi na vse načine, dobro vem, da do pomladi vendarle ni več daleč. Ta misel mi je neznansko ljuba. Saj ne rečem: zima doslej je bila še dosti pametna, snega nikoli čez mero, toda zelenja ni bilo in sonce tako potoglavo, da me ni moglo ogreti. In brez sonca in zelenja sem jaz figo prida in amen.

Dragi Kotičkov stric!

Iz tople sobice Ti pošiljam prav lepe pozdrave. Hodim v šesti razred slovenske šole. Prav sedaj imam pred seboj pesem Simona Jenka — Zimski dan, ki se je moramo naučiti. Gotovo tudi Tebi, stric, ni nepoznana. Pri zadnji kitici se mi ustavi misel v Tvoji šendici. Vidim strička sedeti pri oknu, kako opazuje otroke, vse veselo v snegu, s sanjami v rokah in pri tem se mu po nagubanem licu utrne velika solza ob spominu na mladost. Striček, tudi spomini so lepi. Lepo Te pozdravlja

Breda Kolarič

Draga Breda!

Iz tople šendice Ti vračam pozdrave. Alament, čedno pisemce, ganljivo in resnično. Dobro si me zadela na sliki v svojih mislih. Ne eno, dve solzi sem utnil, ko sem gledal mularijo, kako se podi po snegu. O, punčka, lepa so bila moja mlada leta. Zagamana in nerodna, toda lepa. To moram reči. Toda šla so in nekoč pojdem za njimi in jih spet najdem. Dobri je, da se na oni strani nič ne zgubi. Vse počaka na človeka. Hudo sem vesel, da si se me spomnila. Še kdaj se oglasi in lepo Te pozdravljam.

Dragi Kotičkov stric!

Zima se pomika proti koncu. Vsi si že želimo pomladi. Najlepši čas je, ko začno drevesa odganjati. Posebno pa so lepe prve pomladne ceticke. Kar kmalu bo vse to. Tako bo tudi naš koncert, ki ga pripravljamo mladi harmonikarji. Na ta koncert Vas prav prisrčno vabim že danes. Koncert bo 13. aprila pri Sv. Vidu. Rezervirajte si ta dan, da nas pridete poslušat. Lepo Vas pozdravlja

George Matič

Dragi Jurij!

Sva oba istih misli, kajne, čeprav še ni tako dolgo, ko si mi pel, kako lepa je zima. Figo je lepa. Zdal vidim, si jo tudi Ti že sit. In na koncert me vabiš, ki ga boste imeli Mladi harmonikarji. Na svojem koledarju sem tisti dan že zaznamoval. Pridem, tristo judov, če bom koj sam v dvorani. Še brado si ostrizem za ti-sti dan, da bom za med ljudi in zakmašno obleko si nataknem. Vi sami glejte, da se vse naučite. Mi pridemo. Trli se bomo, tako Ti rečem, toliko nas bo. Hvala Ti za pisanje in lepo Te pozdravljam.

Dragi Kotičkov stric!

Lepa knjiga bi morala biti vsakemu človeku dober prijatelj. Veliko koristnega in poučnega dobimo od nje. Zdi se mi, da mnogo več kot od televizije. Jaz rad berem zanimive povesti in črtice, najraje pa športne novice. Med šolskim letom dobim knjige v šolski knjižnici, poleti pa v javni. Tudi slovenskega branja je dovolj, če ga poiščеш. Iz Celovca dobimo vsako leto mohorjeve knjige, v Ljubljani izhajajo verski list Družina, ki ima del samo za otroke. V Argentini izhajajo Božje stezice, ki so priloga Duhovnega življenja. Tudi otroški mesečnik je to. V njem so pravljice in otroci pišejo pisma kot mi Kotičkovemu stricu. Lepo pozdravlja

Janez Tominc

Dragi Janez!

Lepo pismo. Dokler boš po slovensko bral, dotlej boš tudi slovensko znal. Brez branja ni znanja, vsaj za dolgo ne. Kakor praviš, slovenskega branja je še dovolj, če kdo hoče seči po njem. Le škoda, da manjka volje za to pri tolikih naših ljudeh. Niti za knjige Mohorjeve družbe nimajo smisla, ne za slovenski časopis. Meni to vedno težko dene, če vidim človeka, da za rodno besedo nima smisla. Dobro se drži, fant, lepo je misliti, da jih je vendar nekaj, ki še niso vsega zagnali v koš. Lepo Te pozdravljam.

Dragi Kotičkov stric!

Otroci se snega zelo veselimo. Ko je letos prvi sneg padel, sem hitro skočil iz postelje in pogledal skozi okno. Potem sem se oblekel in skakal po snegu in pričel delati sneženega moža. Pozneje sem se tudi kepal z drugimi fanti. Zima je lepa za nas otroke. Lepo Te pozdravlja

Tonček Rigler

Dragi Tonček!

Sveti Matija je mimo, fant, in zima, prava zima, naj se kar pod losom obriše. Jaz sem jo sit kot boba. Kakor se meni zdi, si jo v srcu zdaj že Ti tudi. Ta večna pristujenost in veter in nobene-ga zelenja, da bi vsaj oči počile. Oba čakajva zdaj na hip, ko se pokažejo prve mačice. Narava si bo spet odprla in hoditi v njeno svetišče je vedno lepo. Priden ostani in lep pozdrav.

Dragi Kotičkov stric!

V časopisu si gotovo bral, da pride med nas sestra-zdravnica misijonarka Terezija Žužek. Tu-li v naši slovenski šoli se bo oglasila, kot sem slišal. Lahko bo veliko povedala, kako je v drugih deželah. Zato bo prav, če gremo na predavanje, ki bo pr nas v soboto zvečer po sveti maši. Ti boš pa lahko šel v Baragov dom v nedeljo popoldne. Zate je tam bližje. Da ne boš pozabil, take sestre ni velikokrat med nami. Te lepo pozdravlja

Franci Lavriša

Dragi Franci!

Sem bral, da ta sestra pride in tudi koj sklenil, da jo pojdem poslušat. Morda bi jo lahko mimogrede tudi baral, če ve za kakšne arcnije proti revmatizmu. Taki ljudje veliko vedo. Mi slim, da se nas bo zbralo kar precej ljudi. Veš, vedno sem rad poslušal ljudi, ki hodijo po dalj-nih krajih. Veliko vedo povedati. Saj sem tudi jaz precej sveta obkolofiral, toda s to sestro se ne morem primerjati. Zdravnica je in še misijonarka povrh. Bi jo povabil v svojo šendico ne kakšen kofetek, pa vem, da ne bi prišla k takemu bradaču. Zato jo pojdem gledat in bom zares vesel, če se nas bo veliko zbralo. In še v tisto škatlo bom pogledal, če mi je od dobrih časov ostal še kakšen srebrn tolarček. Ga ji bom dal, da ne bo prazna nazaj cajnala, reva. Hvala Ti, da si me opomnil, saj veš, stara glava je kot rešeto. Nič ne drži. Hvala Ti za pisanje in lepo Te pozdravljam.

Tako, pri koncu sem. Vsak dan zdaj nesem svoje stare kosti v gartelje — zvončki že bodejo iz zemlje. O, pomlad se nareja in ni več daleč. Hvala Bogu.

Vse dobro vam želi in vas lepo pozdravlja

vaš Kotičkov stric

Lepa vsota za seme

CHICAGO, Ill. — Za semena in rasilne v lončkih izdajo "domači" vrtnarji in prijatelji cvetja v naši deželi letno 800 milijonov dolarjev.

Guvernerji hočejo red v prosvetnih zavodih

WASHINGTON, D. C. — Izvršni odbor Narodne konference ameriških guvernerjev se je na svoji zadnji seji obširno pečal tudi z vprašanjem reda in miru na naših prosvetnih ustanovah. Vsi udeleženci razgovora o tem predmetu so obsojali nemire in izgrede. Padla je pri tem značilna pripomba: neki guverner je omenil, da imajo državne uprave zmeraj večje težave, kadar predlagajo javnosti nove izdatke za univerze in slične zavode.

Izvršni odbor je pritril izjavi predsednika Nixona, ki jo je naslovil na upravo univerze Notre Dame. Nixon je v tej svoji izjavi rekel, da neznatna manjšina študentov nima pravice, da se meša v zadeve ogromnega števila dijakov, ki iščejo na univerzah le priložnost, da se posvetijo študiranju.

Uprava gornje univerze se je potem postavila na stališče, da bo dala študentom, ki motijo pouk, 15 minut časa za premislek, potem jih bo pa pregnala iz uradnih poslopij. Kar bo pa našla med njimi razgrajev, ki niso študentje, jih bo izročila sodišču. Guverner Rockefeller je rekel, da je gornja izjava univerze dobro vplivala na ameriško javnost.

Legislatura v državi Texas je šla že korak naprej: sklenila je zakon, ki predvideva hude kazni za vse, ki uganjajo nasilje v javnih in zasebnih prosvetnih ustanovah.

Smučarske tekme v Tatrah pokazale sovraštvo do Rusov

BRATISLAVA, Slov. — Visoko v tatarskih hribih so priredili smučarske tekme, ki so se jih udeležili tudi Rusi. Ko je navzoče občinstvo to opazilo, je navzočnost ruskih športnikov takoj izrazilo v politično demonstracijo.

Kakor hitro se je pokazal na tekmi ruski športnik, takoj so ga Čehi in Slovaki sprejeli z žvižganjem. Tako je bil vsak skok ruskih športnikov spremljan z mešanico ploskanja in žvižganja. Da bo zadeva tem bolj zapletena, sta tekme prenašali češkoslovaška in avstrijska televizija. Dunajčani so torej lahko v originalu gledali, kako strašno se je sedaj ohladilo bratstvo med Rusi, Čehi in Slovaki.

KAREL MAUSER:

ROTIJA

Rotija ja šele zdaj prav občutila, da je lačna. Kar sline so se ji nabirale v ustih. Ko so bili žganci kuhani, so vse hkrati odlile krop, polile žgance z zaseko in jih premešale. Razpustili so se, kakor da so narejeni na maslu. Kar tresli so se.

"Mleko pa kar iz moje latvice zajemaj", ji je ponudila Marička. Rotija se ni bila nikdar tako lačna. Nekaj žgancev je pustila za jutraj. Čudno se ji je zdelo, da se želodec ni nič upiral. Prav vesela je bila.

Hvala Bogu, da bi bila vsaj teh težav rešena.

Po večerji so posedle na klop

pred bajto. Noč je bila topla, dišalo je po smoli in smrekovju. Prva je povzdignila glas Coto, imela je lep sopran, ki se je za spoznanje tresel.

Angelček, varuh moj, varuj me ti nocoj...

Dekleta so koj poprijela: Varuj me ti nocoj, angelček moj...

Rotiji se je zdelo kakor v cerkvi. Marička jo je sunila s kolmolec: "Poj!"

Zdaj šele se je zdramila. Bog, ki je Stvarnik moj,

ustvaril me je na svet...

Rotijin alt je mehko zaplaval. Nenadoma jo je petje prevzelo,

jo potegnili za seboj in Rotija je pozabila na vse in čutila ob sebi samo Maričko, ki je pela visoko, da je rezalo zrak. Dekleta so se zagledala nekam predse, z rokami sklenjenimi v naročju in pela, kakor da zanje razen glasov ni ničesar več na svetu.

Marička je že vzdignila novo: Dekle, zakaj tak žalostno. povešaj mi oči...

Rotijim alt je postal žalosten kakor nekam zasanzan:

Al' usahnili ti je rožmarin, al' nagelj se suši?

Gozdar Lovrenc je slonel pred kočjo, poslušal in kadil pipo. Saj je vsak večer poslušal to deklško petje, toda vsak večer znova ga je prijel. Sam ni vedel kaj: ali hrepenenje po ženi, ki je bila v Radovljici ali hrepenenje po dolini, ki je ležala tam spodaj.

"Dobro pevko ste dobile", je zaklical, ko je bilo pesmi konec. Rotijo je obhila rdečica. Kar pozabila je, da ni več ne dekle, ne žena. Ali sploh sme sedeti med temi preprostimi dekleti z žuljavimi rokami, ki mislijo na svoje fante in na nedeljsko mašo, kjer se bodo dobile z dragimi? Ali ni greh, da sedi s svojo skrivnostjo

totle in poje, kakor da je ne teži nobena skrb?

Gospod Lovrenc je zaklical od kočje: "Tisto zapojte: Vsi so prihajali..."

Cotovi ni bila treba dvakrat reči. Pesem je že plavala čez jaso.

... njega ni b'lo, ni b'lo...

Rotija je nenadoma postalo hudo. Vse v njej se je razžalostilo. Nikdar več ga ne bo, čeprav je še živ. Oskramotil me je in zginit. In čeprav pride, pred moje oči ne sme stopiti.

Sredi pesmi je obmolnila. Marička je stresla z glavo in jo jeznost pogledala. Morala je peti. Pela je brez srca, brez volje in svoj glas je čutila, kakor da pri-

haja iz velike globine, iz prepa- da z ozkimi golimi stenami, po katerih se ne bo mogla nikdar dvigniti.

Mesec se je dvignil na nebo in nekje pod bajtama je lajala lisica. Njen hripav glas se je zadiral v petje kakor krohot blaznega človeka.

"Pozno je; spat gremo." Marička se je vzdignila in z njo vsa dekleta iz prve bajte. Rotija je kar pijana omahovala ob Cotovi.

"Ni b'lo, ni b'lo", se je zadiral lisjak.

Rotiji je bilo hudo do solz. Zlezla je na pograd, se zavila in šla z roko pod zglavje. Rožni venec je bil hladen kakor kača.

Vseeno si ga je ovila okrog roke in se obrnila v steno. Nekaj časa je odgovarjala Marički, ki jo je spraševala o tem in onem, potlej se je pa potuhnila kakor da spi.

"Rotija, ali spiš?"

Ni se hotela oglasiti. Morala je misliti nazaj, na Prtovč in na selško žegnanje, na svojo samotno kajžo in na svojo bridko skrivnost, ki je zorela v njej. Tako težko je nositi bolečino, če je ne smeš nikomur razodeti. Se-

Marjeta ne ve zanjo. Morda še Tine ne, ki se z drugo vlačijo po Kranju.

Pustila je teči solzam, saj jih nihče ni videl.

Nazadnje je tudi Marička voščila vsem še budnim lahko noč in potegnila odejo tesno k vratu. Rotija je slišala samo še globoko dihanje spečih.

Na jasi pred bajto se je spretila mesečina in se ustavila pod kapom. Rotija je vedela, da bodo kmalu prišle srne na vodo in se potlej šle past na poseko. Noč na planini je Bog ustvaril za živali.

Pregreto ljubje na strehi je prasketalo in se ohlajalo: Rotija je poslušala skrivnostne glasove, ki so se mešali z mirnim sopekanjem deklet in zavidala vsako izmed njih za spokojni počitek.

SAMA NA MARTINČKU

Prvi teden je Rotija tolka ka-menje. Tri dni so jo bolele roke, da jih je komaj premikala zvečer. Potlej se je vsemu privadila. V bajti se je udomčila in enkrat je že šla sama po mleko na Lipniško planino.

V želodcu se ji ni več vzdigo-

valo. Sama sebi se je čudila. Zrak ji je dobro del.

V soboto opoldne je prišel na Martinček Jernej. Rotija je ravno nekaj sivala.

"Vprašat sem te prišel, če misliš iti na Prtovč. Jaz kanim pod večer. Če bi šla, bi šla lahko skupaj. Ravno na Mošenjski planini sem imel nekaj opraviti, pa sem naredil še teh nekaj korakov."

Rotija mu ni verjela. Preveč je mendlar. Prav iz Kališnika je moral priti, je uganila. Le zakaj taji?

"Ne mislim v dolino. Marsikaj si moram poiti in če po pravico povem, sem zares trudna. Delu sem se šele dobro privadila. Na Prtovču pa za enkrat nimam kaj

iskati. Marjeto lepo pozdravi in če nazaj grede ne boš imel preveč nositi, bi te prosila, če bi mi prinesel malo turšne moke in zaseke. Marjeta ve, kje imam vse spravljeno in tudi ključ ima od kajže. Sama pa res ne bom hodila", se je opravičevala.

NAZNANILO IN ZAHVALA

Z globoko žalostjo v naših sreih naznanjamo, da je nenadoma umrla naša ljubljena mati, stara in prastara mata in tašča,

Jennie Sernel

Previdena še dan pred smrtjo s sv. zakramenti je zaspala v Gospodu 9. januarja 1969. leta.

Rojena je bila leta 1887 v vasi Lepi vrh pri sv. Trojici na Blokah, odkoder je prišla v Ameriko leta 1913. — Njen mož je umrl 10. aprila 1968.

Pogreb se je vršil 13. januarja 1969 iz pogrebnega zavoda A. Grdina & Sons v cerkev Marije Vnebovzete, kjer je pogrebno sv. mašo daroval Father Victor Tomec. Potem pa smo pokojnico prepeljali na pokopališče ALL SOULS in jo tam položili k večnemu počitku v družinsko grobnico.

Bila je članica Oltarnega društva pri Mariji Vnebovzeti Marijine legije, 3. reda sv. Frančiška, podr. št. 41 SZZ in društva V boj št. 53 SNPJ.

S tem se iskreno zahvalimo Father Tomcu za molitve v pogrebem zavodu in za darovano pogr. sv. mašo. Father Paul Krajnik naj sprejme našo zahvalo za česte obiske naše drage matere na domu in podelitev sv. zakramentov. Father Tomec iz Hamiltona pa sprejmi našo zahvalo, da je prihitel na pogreb in asistiral pri pogrebnih sv. maši.

Toplo se zahvalimo vsem, ki so darovali za vence cvetja, za sv. maše in za dobrodelne namene. — Hvala vsem, ki so prišli pokojno kropiti in moliti ob njeni krsti, kakor tudi vsem, ki so se udeležili pogrebne sv. maše in ki so pokojno spremlili na pokopališče. — Hvala vsem, ki so dali svoje avtomobile na razpolago za spremstvo na pokopališče.

Hvala pogrebem, sorodnikom pokojne, ki so nosili njeno krsto. Posebej se zahvalimo članom in članicam društev, ki jim je pokojna pripadala, za lepo slovo od svoje umrle sestre.

Zastopnice društev so se ginljivo poslovile od nje in to Mrs. Durn v imenu društva V boj SNPJ, Mrs. Starin v imenu podr. št. 41 SZZ in v imenu Oltarnega društva in Marijine legije.

Srečna hvala vsem, ki so nam pismeno ali ustmeno izrekli svoje sožalje, kakor tudi vsem, ki so nam v dnevi bolezni in smrti naše drage pokojne bili na pomoč. Posebej se zahvalimo našemu družinskemu zdravniku dr. Maksa Raku, Mr. Matt Tekavec, ki jo je obiskoval in neekinjji Mrs. Mary Grivitz, ki je bila pokojnici in vsem nam v veliko pomoč. — Bog jim vsem povrni!

Toplo se zahvalimo osebju pogrebnega zavoda A. Grdina & Sons za vzorno urejen pogreb in za vsestransko izvrstno postrežbo.

Razposlali smo zahvalne kartice vsem, ki smo imeli za njih naslove. — Ako je kdo ni sprejel, naj nam oprost in s to javno zahvalo sprejme našo hvaležnost!

Ljuba mati, stara in prastara mati in tašča, počivaj v miru v blagoslovljeni ameriški zemlji in lahka naj Ti bo njena gruda.

FOREST CONSERVATION

There are really two kinds of conservationists. The historical conservationist is slow to accept the grim reality that modern conservation must take into account the pressure of people and work toward the goal of conserving while using our resources. By contrast, the contemporary conservationist is endeavoring to work out a living arrangement between people and land. He advocates "multiple use." He believes that our forest lands, which represent a renewable natural resource, must be devoted to wildlife preservation, recreation and economic utilization. He believes these various uses are compatible.

Recently the multiple-use concept received impressive endorsement from the Society of American Foresters — a nonpolitical, nonprofit association of more than 16,000 members. In stating its forest policies, the Society says, "Optimal use should be made of forests and related lands... Ordinarily... forest lands will contribute the most benefits to the economy and to society if administered under the multiple-use concept of land management. In the absence of demonstrable need for single or limited use, skillful coordination of uses should be the goal of professional forest land management."

With the U.S. population growing rapidly beyond 200 million souls, there is really no alternative to the modern management practices of the timber industry. These include high-yield forest production, recreation and conservation — all on the same acres.

Teamsters Sponsor Apartment for Older Folks

Congressman Charles Vanik, Teamster Council 41 president, William Presser, and East Cleveland City Manager, Grant Apthorp officiated at a groundbreaking ceremony on a Teamster financed, 231-unit apartment building for senior citizens at 15600 Terrace Rd., East Cleveland.

The groundbreaking ceremony and reception afterwards were also attended by many national, state, and local officials. Mayor Stokes, on a national speaking tour, sent a wire of congratulations to Teamsters officials on the occasion of this singular event.

The facility is the first of its kind to be financed with new long-term, low interest loans available from the U.S. Housing and Urban Development Department (HUD), which under the National Housing Act can grant 50-year loans at three per cent annual interest.

"This is the first time Teamsters anywhere in the United States launched such a project," Mr. Presser said. "It exemplifies what can be achieved through labor, government, and business cooperation on a community-wide project."

"Our aim is to provide older persons an environment for living. We want to give the retired man or woman the joy and satisfaction of a secure, private, pleasant home,

without the work and worry of home-owning or the loneliness of living alone. The apartment is designed as a way of life for men and women who have earned their leisure and intend to use it well."

Mr. Presser also noted that over 200 applications for housing have been received indicating the high degree of interest and need for this type of facility in Greater Cleveland.

The first floor of the 12-story building will contain a community center, dining area, lounge, library and game room. Each suite is designed and equipped for easy upkeep.

Persons over 62 with an annual income of \$4,500 or less are eligible to live in the apartment, as well as couples earning \$5,400 or less.

Monthly rents will range from \$82.50 to \$101.50 for units with a sleeping alcove and will be \$125.50 for one bedroom suites. This will include all utilities except telephone.

Local No. 41 has organized Teamsters Housing, Inc., a non-profit corporation, with Robert Hearn as president, to own and administrate the building. Management and application information is under the direction of Senior Consultants, Inc., 3717 Euclid Avenue, Cleveland, O. 44115.

MEMORIES OF SLOVENIAN 1920s IS RELIVED BY JACOB STREKAL

(Continued From Last Week.)

EDITOR'S NOTE: Last week Mr. Strekal recounted the beginnings of the Euclid Foundry Co. on old St. Clair Ave. and Lake Shore R.R. These ambitious people always looked to a prosperous future. They mortgaged their own homes to help with neighborhood developments. They were obliged to live conservatively.

As youngsters we used to frequent a swimming hole nearby, then go to the Foundry to wash off. At lunch time it was visible that these employees live conservatively. Their dinner consisted of a jar of cooked beans with onion and vinegar, sometimes soup meat was combined to make a better meal.

On week ends if they had barley as their main meal, they would have home smoked ham or sausage sandwiches for lunch. These workers denied themselves better food. They conserved for their families and their children. Hard work, low calorie dietetic food has sent many a worker to an early death.

The buildings were erected with high ceilings, with an overhead crane. Today they are occupied by the Weber Equipment Co. The crane was operated by the careful and able Paul Vidmar, who was a master of his trade.

The workers molded large and small castings, large molds which often took several days to complete and were molded below ground.

MANY NEW innovations were invented by these employees. Every thing prospered well up to the year of 1930, when the long economical depression sent prices tumbling down. Non-union shops were cutting prices, competing for orders which were hard to come by. The sales staff could find few orders.

MANAGEMENT PLEADED with labor to take a pay cut. The employees, with a limited education, did not foresee the great long depression, turned against management. Communication between labor and management was poor.

After several attempts to make improvements the Managers left their employ, taking with them several large accounts. Mr. Pike, and Mr. Penosa worked hard to regain the work, but the odds were against them, while the property was free of debt until 1932.

There finally appeared a Mechanics lien against them, so in 1933 they applied for a mortgage loan with a local fraternal, which was always helpful to the poor working man. After several years the depression continued, bills were piling

up.

The company was forced into liquidation and sold by court order on June 3, 1936. After the retirement of their President Mr. Kuncic, Mr. Frank Lausche, then an able attorney, was elected President.

UPON HIS appointment as a Municipal Judge of Cleveland, later Mayor of Cleveland, Governor of Ohio, then Senator Lausche, Mr. John Prince was made President. Had they been able to continue 2 more years, they would have succeeded in their venture. Today we have only history left, that it did exist.

The above mentioned shareholders and employees of the Euclid Foundry Company I knew each and every one personally. I feel that I grew up with them. I can truthfully say and vouch for each and every one of them, that they were men of their word, proud of their adopted land, America, that gave them food and shelter at the time of their need. At all times their honor was above approach.

Many were members of fraternal organizations that were active in those days, and still prospering in the fabulous sixties. They are: American Fraternal Union J.S.K.J., Slovenian Mutual Benefit Society A.D.Z., Grand Carnolian Catholic Union K.S.K.J., and Western Slovenian Association Z.S.Z.

I hope I have, at least in part, brought out a forgotten portion of the Slovenian Industrial Complex, which perhaps was the only Foundry held publicly by Slovenians, all in the United States. I wanted these accomplishments and achievements like these to be brought out and shared with others for the recognition of our forefathers past efforts. Their efforts in Culture and Industry added much to the growth of America.

INTRODUCES POLKA MUSIC

Polka Group Leaves Sunday for Hawaiian Isles and California

The first Slovenian Polka Tour to Hawaii being sponsored by WX-EN's DJ, Tony Petkovsek and the Bob Timko Orchestra leaves March 2 with over 100 people aboard. The response has been overwhelming for this venture which is the first such group ever to visit our 50th state.

Leaving Cleveland at 10 a.m. this Sunday morning, March 2, they'll first stop off in Los Angeles for a tour of Hollywood and then on to Fontana (Slovenian area) for a polka party reception at K.S.K.J. Slovenian Home. Here the Frankie Zeitz orchestra of the West Coast will be joined by Bob Timko's of Cleveland. The following morning they'll depart California for a visit to four Hawaiian Islands for sight-seeing, shopping, luaus and polka parties. The popular Bob Timko band becomes the first polka group to appear on the Hawaiian Islands.

Two editions of "Tony's Polka Party" — WXEN radio shows in Cleveland will originate via tape direct from California and Hawaii, and played on the Saturdays of March 8th and March 15 at 12 noon. The remaining daily programs will be hosted by prominent polka celebrities and bandleaders while Tony is basking in the sun with his tour group.

With Tony and his group just about on its way to Hawaii, he is already planning his third polka voyage to Europe along with singer Eddie Kenik and the Eddie Buehner Band set for departure on July 4th. The tour will cover Yugoslavia, Italy, Austria, Switzerland, Germany and Czechoslovakia.

A special "Night in Hawaii" send off party for the tour group and all polka lovers will take place on the eve of departure, Saturday evening, March 1, at Ray and Ed's Euclid Lounge, 1361 E. 260th Street. A polynesian buffet will be served, Bob Timko will entertain, and Tony Petkovsek will present a remote broadcast at 12 Midnight.

Kollander World Travel is in charge of all Tony Petkovsek tours. They are located at 589 E. 185 St.

"Fantasticks" Feature March 6, 7, and 8 At South High

The South High Community Center Players are currently in production of the hit musical "The Fantasticks," now holding the record for being the longest running off-broadway show.

The performances are scheduled for the evenings of March 6, 7, 8, at 8 p.m. in the beautiful new South High auditorium, designated by Cleveland School Superintendent, Paul Briggs, as The Center of the Performing Arts.

Since this show is the first of a continuous series of plays to be performed by the Community Center Players in the new school, the theatre staff have asked several distinguished school officials to speak each night of the performance. They include Superintendent Paul Briggs, South's principal Oliver Deex, and Community Center Supervisor George Seedhouse.

"The Fantasticks" is being directed and produced by Mr. Robert D. Cole and Mr. Vern Jacobs, both members of the South faculty.

The cast assembled for The Fantasticks is exceptionally talented and represents a wide range of backgrounds and ages including college graduates, college and high school students, and parents from the community.

TAKING THE leads are two South graduates, Les Moyses '60, and Wayne Merholz '64. Both of these talented young men have won distinction for their acting abilities in college and summer stock work.

The girl lead, Miss Linda Maszkow, (Lenny) is the outstanding voice of the company and certainly has a promising professional career in music.

THE FANTASTICKS is a winning musical for all ages. The fun-filled story deals with young people of college age and parental psychology to keep them apart using an all-seeing but mute "wall" pantomimed by South senior Jim Trzaska.

The music includes "Try to Remember."

Cultural Garden Program Proves Huge Success

The Cleveland Public Library and the Cleveland Cultural Garden Federation Dedication of the Leo and Lilly Weidenthal Collection, program on Thurs., Feb. 20 drew an attentive and interested audience in the spacious Library Auditorium.

The many Nationality groups of the Cultural Garden Federation viewed the exhibits of fine books of the theatre, and theatrical memorabilia. The exhibition included rare books, unpublished documents, and mementos such as playbills, programs, posters, photographs, engravings, original letters and autographs.

Leo Weidenthal, founder and president of the Cleveland Cultural gardens for many years, was born in Cleveland April 23, 1878 and lived his life in his native city surrounded by books and cultural interests which suited his needs and tastes.

By profession a journalist, he was as a young man a reporter for the Cleveland News and the Cleveland Leader. He resigned to become editor and publisher of the weekly Jewish Independent from which he retired in 1964.

A MAN OF exceptional and varied talents, he was recipient of civic tributes and honors during his lifetime. He died in 1967 at the age of eighty-nine, leaving Cleveland richer for his life here.

Presiding at the program was the honorable Thomas J. Parrino, Judge of the Court of Common Pleas. Dedication of the "Memorial Collection" by Marie Corrigan. Acceptance: Mr. Jay W. Beswick. At the conclusion of the program, a reception followed in the Art Gallery.

MEMBERS OF THE various Nationality Garden groups in authentic costumes served favorite pastries and refreshments.

Representing the Yugoslav Cultural Gardens were the members of the sponsoring group, the American Slovene Club of which Mrs. Frank Seitz is President, Mrs. Edward B. Steffner, Delegate to the Federation.

HOSTESSING IN TRADITIONAL Slovenian costumes were Mrs. Stanley Marin, and Mr. and Mrs. Max Zelodec. For this memorable occasion, baking traditional Slovenian potica were Mrs. Wm. Lausche, Mrs. James Mocnikar, Mrs. Frank Seitz, and Mrs. Josephine Peterlin.

Mr. Max Zelodec entertained in the Art Gallery with his accord to the delight of the entire gathering as they enjoyed the refreshments and visiting with friends in a truly social and cultural atmosphere.

In behalf of the Yugoslav Cultural Gardens League, we extend our sincere thanks to the officers and members of the American Slovene Club for their gracious contributions, especially to all the previous mentioned participants, to Delegate Mrs. Edward Steffner, all who cheerfully volunteered their services to the cause of Cultural advancement.

DEBATE

Ted Presents Shrine Teaser
New York, N.Y.—Question: What if Ted Williams were to decide that he'd like to pinch-hit four times a day if the new rule for a pitcher's swinger were put into effect, what do they do with the Williams plaque at the Hall of Fame? A person can only enter the Hall of Fame after he has retired. (Williams pinch-hitting at age 50 isn't as weird as it may sound. He probably can hit better than half the kids around.)

NBC Adopts Test Rule
Wichita, Kan. — The National Baseball Congress will test a new rule on rain-stopped games in the 35th annual championship tournament at Wichita in August.

In the event of rain, regardless of the inning, the game will be rescheduled and resumed where it left off.

The Congress in all past tournaments had differed from Organized Baseball rules by continuing games that were stopped before five innings in the event of rain.

Under the new ruling, a game will continue even if terminated after the fifth inning. Such games are regarded as regulation by the pros, just as they were by the NBC in the past.

F. Robinson States Vision Is Now as Good as Ever
Baltimore, Md. — The Orioles' Frank Robinson struck nothing but optimistic notes when he returned to Los Angeles after a winter of managing Santurce in the Puerto Rican League.

He feels his vision, which was impaired after a base-running collision in 1967, has come "all the way back."

And he feels his throwing arm should be in shape after pitching batting practice and throwing from the outfield in Puerto Rico. For years, Robinson's shoulder has given him trouble early in spring training.

Collinwood Slovenian Home Notes

This Sunday, March 2nd is Al Marn Day at our home. Al is being honored as our "Man of the Year," for his many efforts in behalf of our home. He is starting his third term as Secretary and has been an effective guiding force in the administration and progress of our organization.

Starting at 4 p.m., the Board of Directors are sponsoring a party in his behalf with music by Dick Spilar and his Orchestra. This affair is also held to show appreciation to our members and friends for their support in the past year.

The Caledonian Pipe Band under the direction of Jack Thompson, will also present a colorful program. This talented group will put on a splendid display of their musical and marching ability.

The only requirement for admission is that you have a 1969 Membership Card. If you have not obtained yours, please contact Tony or Elinore today.

Last Saturday at the St. Clair Slovenian Home we had our Federation Day on Tony's Polka Party. Undaunted, Tony taped the balance of the interviews and they will be replayed on his program this week.

Our thanks to Tony Petkovsek and the directors of the St. Clair Home for their efforts in our behalf.

Ann Slapnik's Testimonial Dinner last Sunday was attended by over six hundred people. This in itself is living testimony of what a grand gal she is. Lou Zigmord and Ulrich Lube are to be commended for the outstanding job they did in presenting this noteworthy event.
