## DAN INVAZIJE NI VEČ DALEČ, IZJAVLJA F.D.R.

Invasija zavezniških sil je kampanja osvoboditve, izjavlja predsednik

WASHINGTON, 26. maja. — Predsednik Roosevelt je danes prvič, odkar se je vrnil s svojih mesecev trajajočih počitnic na jugu, imel konferenco s časnikarji, v kateri je cilj in razgran govoril o zavezniški invazijski Evropi.

Predsednik je v pogovoru s časnikarji posebno poudaril, da operacije, ki se sedaj pripravljajo v Angliji, se nima smatrati za invazijo, temveč kot kampanjo osvoboditve. Rekel ni nicesar, iz cesar bi se moglo sklepati, kdaj bodo zavezniške armade udarile, ampak ko je govoril o predmetu, je definitivno izjavil, da se kampanja osvoboditve podvzame "to poletje".

### Predsednikova razigranost

Predsednik je bil nenavadno razigran. Hudomušno je zavrnil vsa vprašanja, ki so jih stavlji način časnikarji glede četrtega termina, potem pa je smejal razumeti, da so mu združniki, ki so ga ta teden temeljito preiskali, dali dobro izpriče-

Kar se tiče povojnih načrtov za Evropo, je rekel predsednik, da dobro napredujejo. Zaveznički so vzeli v pretres mnogo problemov, in glede nekaterih so bili doseženi že definitivni zaključki.

Rusija pri vseh teh načrtih aktivno in jako povoljno sodeluje, je rekel predsednik.

### Upa, da se zopet sestane s Churchillom

Med drugim je predsednik rekel, da upa, da se zopet sestane s premierjem Churchillom, ampak da ne more reči, kdaj se bo to zgodilo.

Ko ga je eden navzočih časnikarjev vprašal, da li pričakuje videti Churchilla, je predsednik odgovoril, da poleti pozno spomladi. Neki reporter je tedaj vprašal: "Zakaj pa ne pozimi?"

Roosevelt je na to pripomnil, da pozimi ne potuje rad, zlasti ne na Atlantiku.

Kaj je predsednik misil, ko je rekel "pozno spomladi," je ostalo nepojasnjeno. Ako je imel v mislih prihodnjo pomlad, bi to pomenilo kot da bo sigurno kandidiral za četrtni termin, česar ni do danes še nikdar direktno izjavil, in da je siguren ponovne izvolitve.

### CVETLICE ZA GROBOVE

V torek je Spominski dan, ko je običaj, da se okinča grobove umrlih, s cvetjem. V cvetličarni Olga in Charles Slapnik, 6026 St. Clair Ave., in Jelerič, na 15302 Waterloo Rd., bodo imeli krasno izberi vsakovratnih cvetlic za šopke ali posaditi.

### ZA RUSKI RELIEF

Mr. in Mrs. Konestabo, 19808 Arrowhead Ave., sta v našemu uradu darovala \$5.00 za dva zaborja potrebsčin za Ruski vojni relief. Slovenski odbor je v četrtek odposjal že drugo pošiljanje 100 zaborjev, ki bodo razdeljeni potrebnemu ljudstvu in vojaštvu na fronti.

### Zastopnik OPA iz Washingtona bo preiskal sleparijo

Včeraj je došpel iz Washingtona Thomas Emerson, osebni zastopnik Chester Bowlesa, ravatelja OPA, ki bo na koncu mesta preiskal sleparijo z gasolinskimi živilskimi kuponi, ki je bila nedavno odkrita v uradu racijskega odbora št. 6.

Do sedaj sta bili v zvezi s sleparijo formalno obtoženi dve osebi, in sicer tajnik racijskega odbora Robert A. Dissauer in visoki distriktni ravnatelj urada za obrambno transportacijo, Richard Allen.

#### Dissauer izgubil brez sledu

Dissauer je bil po obtožbi spuščen na prosto pod bondom in je od tedaj brez sledu izginil. Njegova družina in odvetnik pravijo, da nimajo nobenega pojma, kje se nahaja. V tej zvezi se spominja, da je tekom preiskave, ki se je končala z njegovo aretacijo trdil, da mu je bilo zagroženo s smrto.

Bivši obrambo - transportni ravnatelj Allen je pred kratkim resigniral, in dognalo se je, da je od takrat kupil krasno rezidenco v Shaker Heights.

#### Bivši prohibicijski agent

Po svoji resignaciji je Allen bil nekaj časa v Pittsburghu, potem pa je prišel v Cleveland in dobil službo pri Tip-Top Brewing Co., ki pa ga je sedaj odsloval.

Kakor se je sedaj odkril, je bil Allen pred leti "prohibicijski agent."

Včeraj so oblasti odslovile neke uradnico v OPA uradu, o kateri obstoji suminja, da je nezakonito zalagala z živilskimi kuponi več znanih restavracij in hotelov v mestu.

### MADŽARSKA VLADA GROZI ŽIDOM S SMRTJO

ZURICH, Švice, 17. maja (O.N.A.) — Madžarska vlada je zagrozila skozi svoje uradno glasilo "Függetlenség" s splošnim pokoljem vseh židov v ghettih, v slučaju ruskega vdova v Madžarsku.

Trdeč, da so židi izjavili "Mi bomo počakali," ko so bili izgnani v ghetto, je urednik Lajos Marschallko pojasnil, da židi upajo, da bodo Rusi predrli skozi Karpaty v osmih ali desetih tednih.

"Njihovo čakanje je izključeno skozi nacionalni socijalizem," izjavila Marschallko. Iznašljena je bila metoda takrat, ko je Hitler dejal, da ob koncu vojne ne bo niti enega Žida več."

# ZADNJA KMEČKA VOJSKA

Zgodovinska povest iz leta 1573

Spisal AVGUST ŠENO — Iz Hrv. poslov. L. J.

(Nadaljevanje)

Velika sreda je. Na klečnici v svoji spalnici kleči gospa Helena, sklepa svoje suhe, blede roke in priklanja svoje uvele lice pred razpetim Bogom, moli in joka, moli z ustnicami in preklinja v srcu začetnico vesega gorja — Uršulo Heningo.

Velika sreda je, svet čas je, a v oskrbnikovi hiši pod Susjedom sedi gospod Ferenc Tahi. Oti mu plamte, lica mu žare, ker ga razveseljuje mlada oskrbnikova žena. Tudi nji žari žeče, okroglo lice, tudi nji plamti črno, požljivo oko.

"Jeli tvoj mož ugrabil Zukana mlin?" vpraša Tahi.

"Da," pokima oskrbnica.

"Se kmet ni upiral?"

"Se je, gospod, toda moj mož ga je lopnil po glavi in sedaj se upira več," se nasmegne žena.

"Toda ti, gospodar, daješ samo Loliču, meni pa ničesar."

All mar nisem nič vredna? Ha

Saj veš, da sem več vredna

kakor pa gospa Helena. Daj, daj mi cekinov," pomoli oskrbnica malo roko in priljubeno pogleda Tahu. "Vidiš, jutri pojdem v Zagreb, da si kupim svilenih trakov za veliko noč, pa nimam groša. Lolič je skop, i-

ma vse pod ključem, samo zare se mi včasih: "Naj ti da stari Tahi!"

"Dal ti bo Tahi, dušica, dal," reče starec in je položi na roko pet cekinov; "na vzemi, pa mi bodi hvaležna!"

"Ej," vzklikne žena vsa vesela, "imela bom o veliki noči lep makit, in vsemu svetu bom povedala, da je to od tebe, gospod.

A glej! Glej! Kakšno je to stralo na konju!" se zasmeje Lolička na ves glas in pokaže s prstom skozi odprto okno. "Duhovni jaha konja. Lep konjiček, škoda, da ga ima stari plešec iz

"Zares škoda," potrdi Tahi, "čakaj! Napravimo mu šalo! Na tega vražjega popa imam že dolgo piko, ker me vedno toži, Pojd i menoj!"

Na lepem konju je jazdil suh starec, črno oblečen. Bil je to župnik Anton Knežič iz Pušče, ki je šel ravno v Zagreb po svečino. Starec je gledal brezkrbno v ta lepi svet in njegove dolge noge so mu segale skoro do zemlje. Naenkrat stoji pred njim trebušnik Lolič, a nekoliko dalje proč sta stala gospod Tahi in Loličeva žena.

"Bonum mane, reverende amice," zaklašla Lolič in prime konja za uzdo, "kam ste namejeni?"

"Hvaljen bodi Jezus Kristus," odvrne duhovnik plaho, "v Zagreb grem po sveto olje. Saj veš, da je jutri veliki četrtek."

Tahi, oskrbnik in njegova žena kličajo za njim s krohotom:

"Hop, hop, hop! Prazen je odšel pop!"

V tem hipu je pristopil h gospodarju Peter Bošnjak in naznanil:

"Milostljivi gospodar! Stubičani se upirajo, nečejo izročiti ključev od svojih kleti."

"Bomo videli," dvigne Tahi glavo, "ali mi bodo pokorni tpsi ali ne. Peter, veliko noč bomo praznovali na Stubici!"

\*

Napoič je velikonocni dan, veselje nedolžnega Jagnjeta, vstajenje Sina božjega, vstajenje cele prirode. Po hribih se je razlegal jasni glas zvonov: Gornje-Stubiške cerkve, ki stoji na trgu sredi mesta pod vtrjenim stubiškim gradom. Med mladim zelenjem se sveti bela obleka hrvaškega ljudstva, žare se rdeči robci in rumene koravde. Staro in mlado, moški in ženske, vse hiti v cerkev, iz katere se razlega vesela: "Alezula!" Ali je vesela? Oh, te glasno bučeče orglje ne pojo danes kakor nebeska glasba, ampak kakor strašna nevihta, in zvonček iz medu ne poje kakor angelski glas, ampak kakor da zvoni k smrti. Ko mine služba božja, tako je zapovedal gospod Tahi, naj se zbero vsi hišni gospodarji in naj izroči ključe od svojih vinskih kleti. Susjed in Brdovec je oplenjen, sedaj je na vrsti Stubiča. Upravitelj Grdak veli, naj ne izroči ključev, a Tahi veli: Kdor ne da, izgubi glavo. Stubičan pa je neizprosen; vzdigne glavo pokonci in pravi: Ne dam! Tudi Tahi je neizprosen, sedi v svojem gradu, vzdigne glavo in veli: Moraš! Sila ljudstva se zbirata, moški gledajo mračno predse, a žene molijo, vzdihajojo in jajko. V koti kleči zraven stare matere tudi Matija Gubec. Polagoma se porazgubi zadnja: "Alezula!", duhovnik blagoslov ljudstvo, orglje utihnejo. Božja služba je končana, a narod ostane klečeč in se ne gače iz cerkve. Pred cerkvijo sedi na konju Tahi in si nestrepljivo puli brado. Nemirno prestavlja konj noge, nemirno bije Tahu srce. Na trgu se razvrsti četa štajerskih mušketirjev iz Stettenberga.

"No, veste kaj, župnik?" se pošali Lolička, "konja ne potrebujem, ker jih imam dosti na Susjedu. A' potrebujem novcev za velikonočni kolač. Koliko mli daste za mojega konja?"

"Jaz naj kupim svojega konja?" se začudi Knežič.

"Ej, ni drugač," izpregovori Tahi, "žena ima svojo glavo, sezi v mošču! Vem, da je polna."

S trescoči roki sež starec v nedrije ter izvleče svileno možnjico s petimi tolarji in jo da besni ženi:

"Na, vzemi Belijalova hči! To je vse moje siromašno premoženje, ki sem ga prištel za veliko noč."

"Suha mošnja je to, kakor ti," se poroga Lolička in skoči raz konja. "Naj te odneso voda. Samo, če ni svinec? So li pravi tolarji? Cin! Cin! Cin! Pač! E, za kolače bo dosti!"

Zalosten zajaše starček konja in zavije proti Zagrebu, a

"Tudi dobro! Mušketirji na prej! Izženite pse iz te svete luknje!" Mušketirji se navale proti cerkvenim vratom. Težki koraki orožnikov so odmevali po cerkvi, klicanje in stokanje so odmevalo od visokega oboka.

## Michigan Slays Fight for Victory and Lasting Peace

(Continuation)

When Detroit celebrated I Am an American Day last May, our Slav Congress was in the first ranks of the active participants. In fact, the rally on that occasion at State Fair Grounds, was opened by Dr. W. T. Osowski, president of our State committee.

Together with U.A.W.-C.I.O., A. F. of L., Free World Association, as well as outstanding community leaders like Mr. Abner Larned, our Slav Congress forces helped make the meeting of Vice President Wallace last summer an inspiring demonstration of unity around President Roosevelt. Members of our board of directors met with the Vice President and expressed to him our complete solidarity with the war policies of the administration.

Major Jeffries and Governor Kelley issued special proclamations for our Slav Day on July 18, last year, commanding the patriotic program and efforts of American Congress of Michigan.

Through the publication of "Michigan Slav" we kept high the banner of American Slav unity, not only in our State, but throughout the country.

Through our paper and other American Slav publications we forwarded our message of fraternal solidarity with our brothers in Europe.

The inspiring American-Soviet friendship rally in Masonic Temple last November found Detroit Slavs among the most enthusiastic participants in that splendid tribute to our great ally—the Soviet Union.

Liberal and progressive Poles of Detroit made this city center of a fighting movement to rally all democratic Polish-Americans in support of war program of President Roosevelt. The Polish Trade Union Committee, which was founded recently in Cleveland and which represents 600,000 trade unionists, is headed by our national president, Leo Krzycki, the Polish-Americans, who are united

in the ranks of American Slav Congress, are proud of the fact that their brothers and sisters in U.S.S.R. and in Poland are fighting side by side with the soldiers of the Red Army in a great offensive to drive the bloody Nazi invaders, both from Soviet and Polish soil.

The fighting south-Slavic Americans—Serbs, Croats, Slovaks, Macedonians, and Bulgarians—made a great step forward in strengthening their unity, nationality and locally, by organizing the United Committee of South-Slavic Americans, under leadership of Louis Adamic, renowned American-Yugoslav writer, who spoke to us at our Slav Pearl Harbor Day rally in Cass Auditorium last December. Mr. Adamic's speech at that rally was a real contribution to the understanding of the true situation in Yugoslavia.

Winston Churchill, in his recent remarkable report to the House of Commons on the con-

duct of the war after Moscow, Cairo, and Teheran Conferences, already substantiated what Mr. Adamic said at our rally on the situation in Yugoslavia, whose people have taken up the fight against the ruthless German invaders and native traitors in the most epic struggle in Hitlerite Europe.

Led by the amazing Marshal Joseph (Broz) Tito, the people of Yugoslavia built a tough people's army, whose glorious deeds remind us of our great American revolutionary traditions and immortal fighters of 1776, under Washington, as well as of those days of our Civil War, when Lincoln led victoriously the forces of progress against those of reaction.

Let me read to you briefly what the London edition of the Army magazine, Yank, wrote about Tito's army. I quote:

"The partisan army is open to all who are willing to fight Nazis regardless of their race, religion, or political color. It is an army with the broadest possible base, composed of Serbs, Croats, Slovaks, Macedonians, Montenegrins, Jews, Christians, Moslems, Communists and conservatives. It includes an Italian division, a Czech brigade, a Hungarian battalion, and even a German company. And it is an army that fights. It operates on the slogan, 'Hit the Nazi wherever and whenever you meet him.' It did not wait for the allies to come and kick out the fascists. It began to do that for itself, with its own blood and brains and guts."

Mr. Churchill spoke about Tito in the most glowing terms.

At the meeting in Cass Auditorium, which I mentioned already, we expressed our complete support of Tehran Pact, just announced at that time. We greeted that pact, and the decisions of the previous conferences in Moscow and Cairo as great weapons for victory.

(To be continued.)

## LADDERS

Climb Them—Don't Fall Off Them

Use a ladder for climbing. Don't use boxes, machinery, or other makeshifts.

Climb ladders carefully. Face the ladder. Clean mud or grease from your shoes before climbing up to work. Do not carry heavy objects, sharp tools or bulky materials when climbing—use a rope hoist. Avoid carrying objects such as nails and screws in your mouth when climbing.

Set ladder firmly on the ground or floor. If it is to be used in one place for some time, tie at the top.

Set the ladder at a safe angle—the base should be one-fourth of the ladder's height away from the wall. If the ladder is too nearly horizontal, it may slip or break; if too nearly vertical, it may fall backwards. Move the ladder instead of leaning far out.

Inspect ladders frequently for rusted or loose bolts and nuts, cracked, rotted or loosened rungs and supports. Make repairs immediately or get a new ladder. That's cheaper than having an accident.
