# Lausche zmagal IZ GLAVNEGA URADA K. S. K. JEDNOTE

SLOVENEK ŽUPAN  
CLEVELANDA

V našem Clevelandu se ni bilo nikdar tako veliko zanimanje pri županskih volitvah kakor včeraj, to pa zato ker je za ta urad kandidiral naše gore list, ameriški Slovenec in naš rojak bivši okrajni sodnik Frank J. Lausche in je tudi nad vse častno zmagal z okoli 50,000 glasovi večine.

Novoizvoljeni župan Lausche, ki bo prihodnji ponedeljek uradno zaprežen je dobil izmed 911 precinktov 129-218 glasov, njegov protikandidat, sedanji župan Blythin pa 82,090; vseh precinktov je 1,016; zaključeno ali uradno poročilo izide popoldne.

Že sinoči je republikanski vodja, kongresnik Bender čestital Lauschetu; danes na vse zgodaj so pa pričele prihajati zmagovalcu Lauschetu čestitke od vseh strani; med temi je dospela tudi čestitka našega clevelandskega nadškofa Schremsa.

Novoizvoljeni župan Lausche se je sinoči po WGAR radio postaji zahvalil clevelandskemu narodu za izvolitev, tako tudi njegova gospa soproga. Mr. Frank J. Lausche, rojen in vzgojen v Clevelandu bo 14. nov. t. l. obhajal svoj 46. rojstni dan. Njegov že pokojni oče je bil doma iz Hinj pri Žužemberku, njegova tudi že pokojna mati pa iz Dvorske vasi pri Vel. Laščah.

Živel naš novi župan! Trije slovenski councilmani ponovno izvoljeni

Pri včerajšnjih volitvah so bili vsi trije bivši naši councilmani: Pucel, Kovačič in Vehovec z veliko večino ponovno izvoljeni.

**LISTNICA UREDNIŠTVA**  
Posameznim članom, tako tudi našim krajevnim društvom se s tem naznanja, da v bodoče ne bomo več priobčevali kakega razmotrivanja ali protesta glede nabave lastne Jednotine tiskarne. V tej zadevi se je treba držati Jednotinih pravil člen 10, točka "k" na strani 113, ki določa, da med splošnim glasovanjem t o z a d e vno razmotrivanje preneha.

## ZÁDEVA GLEDE NABAVE JEDNOTINE LASTNE TISKARNE

Pod zgorajšnjim naslovom je bil v Glasilu minulega tedna (29. oktobra) priobčen članek izpod peresa brata John Pezdirtza, člana glavnega nadzornega odbora K. S. K. Jednote.

Brat Pezdirtz prinaša pred članstvo zadevo glede lastne Jednotine tiskarne v taki obliki, da izgleda, kot bi glavni odbor nekaj prikrival ali bolje rečeno, da je dal "mačka v žaklju" članstvu na splošno glasovanje.

Ker pa ni vse tako, kot brat Pezdirtz poroča, in ker njegovo poročilo ne odgovarja resnici, zato naj služijo naslednji podatki bratu Pezdirtzu v odgovor, članstvu pa v pojasnilo.

Pregovor pravi: "Slišati je treba dva zvana, da se resnica spozna." Brat Pezdirtz je o nabavi lastne Jednotine tiskarne po svoje zavil in tako javnosti poročal, resnica in nič drugega kot resnica je pa tole:

Pri minuli (XIX.) redni konvenciji, ki se je vršila v Evelethu, Minn., avgusta, 1938, je bila po tozadevnemu odboru delegaciji predložena naslednja resolucija:

"Resolucija predložena po enem delegatu; da naj naša Jednota nabavi neko tiskarsko podjetje ter izdaja dnevnik z eno obligatno številko na teden. Odbor pride do zaključka, da Jednota nima tozadevne pravice in bi tudi ne bilo priporočljivo z gospodarskega stališča. Po daljšem razmotrivanju odbor sklene, da se glavnemu odboru naroči, da v prihodnjih štirih letih prouči možnost tiskanja Glasila in tiskovin v posloplju glavnega urada, stroške, ki bi nastali pri nabavi potrebnih strojev, kakor tudi stroške vzdrževanja, ter če to uvidi umestno izvršiti, naj da tozadevni predlog na splošno glasovanje članstva."

**ZBORNICA SPREJME TA DODATEK ODBORA, DA SE NARUČI GLAVNEMU ODBORU, DA TO PROUČIJE PRIHODNJA ŠTIRI LETA IN DA NA SPLOŠNO GLASOVANJE.**

Kako je glavni odbor pri svojih sejah glede lastne tiskarne razpravljal, je razvidno iz izčrpkov, posnetih iz zapisnika sej glavnega odbora:

**SEJA DNE 27. JANUARJA, 1939, POPOLDNE:**

Temu sledi zadeva glede nabave lastne tiskarne, kakršno je minula konvencija priporočala. Predložilo se je ves načrt za nove stroje, stroške in se je tudi vpoštevalo dohodke in veliko korist lastne tiskarne v dobrobit Jednote, nakar je bilo sklenjeno prepustiti to zadevo eksekutivnemu odboru Jednote, in se bo o tem zopet govorilo in sklepalo na prihodnji seji glavnega odbora meseca julija.

**SEJA 25. JULIJA, 1939, POPOLDNE:**

Nato pride na dnevni red zadeva glede lastne tiskarne. Zbornica pooblasti glavnega predsednika, da naj on imenuje tozadevni odbor, ki naj ukrene potrebne korake in poižve vse podrobnosti v tej zadevi. O tem se bo poročalo na prihodnji seji glavnega odbora.

**SEJA DNE 27. JANUARJA, 1940, DOPOLDNE:**

Brat glavni predsednik imenuje sledeči odbor, ki naj sestavi za prihodnjo sejo v juliju proračun za ustanovitev lastne tiskarne: Brat Zalar, brat Železnikar, Rev. Butala, brat Brince in brat Gospodarich, in naj o tem v juliju poroča.

**SEJA DNE 26. JULIJA, 1940:**

Brat glavni tajnik poroča, da je imel nedavno izbrani odbor za ustanovitev lastne Jednotine tiskarne v tem času parkrat sejo. Dobilo se je od nekega strokovnjaka potrebna pojasnila, koliko bi lastna tiskarna z vso opremo veljala. To zadevo se izroči tiskovnemu odboru, da bo o nji poročal na prihodnji seji v januarju.

**SEJA DNE 31. JANUARJA, 1941, POPOLDNE:**

Nato nastane živahna debata glede nabave lastne tiskarne. Tozadevni odbor podaja svoje poročilo in navsete, tako izraža tudi več drugih zborovalcev svoje mnenje. Končno je bilo sklenjeno, da naj se dobi še nekaj potrebnih podatkov v tej zadevi in se o tem poroča na prihodnji polletni seji meseca julija; na tej seji bo zbornica ta načrt ali odobrila in ga dala članstvu na splošno glasovanje, ali pa bo istega ovrгла.

**SEJA DNE 29. JULIJA, 1941, DOPOLDNE:**

Nato nastane živahna in dolga debata glede nabave lastne Jednotine tiskarne. Iz predloženih treh načrtov ali proračunov je razvidno, da bi se tiskarno lahko sedaj opremilo z vsemi potrebnimi stroji in drugim po sledečih vsotah: \$32,809.99; \$30-147.05 in \$28,129.82; to so torej cene treh ponudbenikov.

Ker se zbornica glede natančne cene ali stroškov tiskanja Glasila ne more zediniti, brat Brince predlaga, brat Dečman podpira, da naj tozadevno že svoječasno izbrani odbor se sestavi, kolikor mogoče natančno specifikiran in zanesljiv proračun stroškov izdaje lista ter naj istega dopošlje v obliki glasovnice tekom 30 dni vsem glavnim uradnikom in uradnicam v vpogled in odglasovanje. Če bo ta načrt sprejet, bo predložen še članstvu Jednote na splošno glasovanje kakor je zadnja konvencija to določila. Predlog brata Brince soglasno sprejet.

V smislu sklepa in določila glavnega odbora je šel odbor za tiskarno ponovno na delo v dosego informacij o stroških tiskanja in izdaje Glasila. Ko se je potrebna pojasnila o stroških tiskanja Glasila prejela, je bilo članom in članicam glavnega odbora poslano sledeče uradno naznanilo:

## IZ GLAVNEGA URADA KRANJSKO-SLOVENSKE KATOLIŠKE JEDNOTE

"Joliet, Ill., 16. avgusta, 1941.

"Cenjeni sobrat:

"Cenjena sosestra:

"Glavni odbor je na minuli seji določil, da se vsem članom in članicam glavnega odbora pripravi poročilo, v katerem naj bo naveden proračun, namreč, koliko sedaj Jednota plača za tiskanje Glasila in koliko bi isto stalo, ako se uvede nameravana lastna tiskarna.

"Jednota ima sedaj v novem posloplju potrebne prostore za lastno tiskarno na razpolago, ker na to se je skrbelo, ko se je zidalo nov urad, kar je bilo povsem v resnici skrbno in premišljeno izvedeno.

"Glede lastne tiskarne se je razmotrivalo že na minuli konvenciji in ista je glavnemu odboru dala naročilo, naj zadevo prouči in če se bo dokazalo, da bi bila lastna tiskarna Jednoti dobičkanosna ali koristna, naj potem glavni odbor zadevo da na splošno glasovanje ali članstvu v odločitev.

"V naslednjem boste dobili potrebne podatke, ki se naslanjajo le na tiskanje Glasila.

"Po prejemu tega poročila se lahko obrnete na kako Vašo bližnjo tiskarno, ki vam bo gotovo z veseljem na razpolago na morebitno vprašanje ali pojasnilo, ki vam bo pomagalo Vaši odločitvi, predno boste glasovali za sprejem poročila ali ne.

"Ako bo poročilo od večine glavnega odbora sprejeto ali odobreno, potem se bo zadeva lahko oddala na splošno glasovanje, ki je potrebno, da se isto izvrši še to leto. Zadevo prinašati na konvencijo, bi bilo nesmiselno, ker vsaka debata bi stala Jednoto denar in končno bo itak konvencija celo zadevo ponovno poverila glavnemu odboru.

"Čeprav glavni odbor načrt odobri in če članstvo odglasuje v prilog lastne tiskarne, s tem pa še ni rečeno, da se bo s tiskarno pričelo, in to toliko časa ne, dokler svetovne razmere ne postanejo stanovite.

"Zadržek nam bo povod, nabava časopisnega papirja, ki obeta biti na istem primanjkljaj v prihodnjem letu. Seveda, ako ne bo tega zadržka, se bo lahko s lastno tiskarno pričelo, kakor hitro bo dovolj ugoden čas za to.

"Kupna cena potrebnih strojev in druga oprema bi stalo Jednoto največ \$35,000.00.

**POJASNILO**

"1. Ako glavni odbor načrt odobri, in če splošno glasovanje za lastno tiskarno prodere, bo imel glavni odbor svobodno moč, da z obratom prične vsak čas, oziroma tedaj, ko bodo ugodne razmere za to.

"Stabilnost cen-tiskarski opremi se kljub sedanjim razmeram ne bodo tako spremenile, da bi zadržalo načrt nameravane tiskarne, toda vse drugače pa zna biti glede nabave potrebne papirja za tiskanje lista. Prerokuje se, da bo nastalo pomanjkanje že prihodnje leto in če bo temu res tako, bomo pa počakali na zanesljivo ugodnost.

2. Proračun, ki je vam predložen, se naslanja samo na delo v zvezi Glasila. V tem niso označeni stroški kot na primer delavce ali delavci, ki bi znali biti nastavljeni za razna druga tiskarska dela, kar pomeni večji stroški na plačah, nasprotno pa tudi večji dohodki na izvršenem delu.

"3. Kupna cena tiskarske opreme bi stala največ \$35,000, kar pomeni, za splošni tiskarski obrat. Važni stroji seveda bodo novi. V proračunu je razvidno, da se namerava računati letno znižanje vrednosti strojev 10% in to lahko vsako nadaljno leto, dasi se priporoča znižanje na nove stroje le 5% vsaj za prva tri leta.

"4. Pri nakupu strojev, ako plačani v gotovini, ko bodo dostavljeni, se lahko pričakuje od 2% do 3% popusta na kupni ceni.

"5. Plače delavcev se je računalo le za delo ali čas, ki se bo potrebovalo za izdajo Glasila, kakor že gori omenjeno. Računalo se je za delo za 56 kolon samega čtiva. Ako se Glasilu pridobi kaj oglašev, posebno pa stalnih, potem bodo stroški nižji in dohodki višji. Pri tako številni cirkulaciji kot jo ima naše Glasilo, je lahko pričakovati tozadevne dohodke na oglasih, da bi pokrivalo stroške papirja za tiskanje Glasila. Več oglasov, več dobička!

"Proračun je izdelan na podlagi sedanje tržne cene strojev, papirja itd. Kakšne cene nam prinese prihodnost, pa še ne vemo.

"Izvolite proračun pregledati in kmalu sporočiti, kaj je Vaše mnenje, namreč, ali naj se načrt lastne tiskarne da članstvu na splošno glasovanje ali ne.

"Za tiskovni odbor: **"JOSIP ZALAR."**

**PRIPOMBA**

To je ono uradno naznanilo, ki brat Pezdirtz pravi, da je prejel samo neke neoficijelne številke na kosu papirja, ki jih pa, kakor omenja, ne smatra za merodajne.

Proračun stroškov tiskanja Glasila, ki je bil poslan na glavne odbornike in odbornice, ni sestavljen noben član glavnega odbora, ampak proračun je bil sestavljen od treh zanesljivih mož, vsi trije člani K. S. K. Jednote, ki so večji v tiskarski stroki. Eden izmed teh je uslužben pri lokalnem listu že dolgo vrsto let, ki je eden izmed najboljših črkostavcev in kot tak ve, koliko časa je potreba, da se besedilo za Glasilo nastavi.

Dva člana izmed teh treh lastujeta lastna tiskarska podjetja in dobro razumeta, ali je lastna tiskarna dobičkanosna ali ne; če bi ne bila, bi že morala prenehati s svojim podjetjem.

Radevolje priznam, da jaz nisem tiskar, še manj pa kakšen strokovnjak tiskarske obrti. Isto velja tudi za ostale člane glavnega odbora.

In ker člani odbora nismo strokovnjaki v tiskarstvu, zato smo delali kolikor mogoče premišljeno. Povpraševalo in iskalo se je pojasnila pri raznih družbah, kakor tudi posameznih ljudih, ki imajo skušnje v tiskarski stroki. Tako je bil tudi proračun stroškov tiskanja Glasila pripravljen od oseb, ki imajo skušnje in ki so v tiskarstvu izveščani.

Poleg Glasila bi se tiskalo tudi koledarje in razne druge za Jednoto in krajevna društva potrebne tiskovine. Koliko plača Jednota za take tiskovine, navajam za vzgled vsote, ki jih je Jednota plačala od 1. januarja, 1935 do 30. oktobra, 1941:

Za leto 1935 ..... \$ 4,456.92  
Za leto 1936 ..... 3,147.25  
Za leto 1937 ..... 2,451.90  
Za leto 1938 ..... 2,285.91  
Za leto 1939 ..... 7,493.23  
Za leto 1940 ..... 5,690.06  
Za leto 1941 (do 30. oktobra) ..... 1,492.15

Skupaj ..... \$27,017.42  
Statistika dokazuje, da imajo tiskarska podjetja na tiskovinah od 25% in več dobička. Ako računamo povprečno 25% dobička na skupno vsoto, ki jo je Jednota plačala, potem bi znašal dobiček \$6,754.35.

To so torej številke, ki so neovrgljive tudi za takega, ki jih noče videti.

Brat Pezdirtz piše, da bo tiskarna stala okrog 60 do 70 tisoč dolarjev. To ni res. To je navadno zavijanje resnice in "blufanje članstva." Pri sejah glavnega odbora ni bilo nikdar omenjeno, da bo stala tiskarna 60 do 70 tisoč dolarjev. Nobe-den izmed glavnih uradnikov ni kaj takega nikdar v mislih imel. Še manj pa bi bil kateri izmed članov glavnega odbora zato, da bi se tako ogromna vsota za tiskarno potrosila. In jaz sem, ki bi bil eden izmed prvih, ki bi temu odločno oporekal in nasprotoval.

Poleg tega je pa jasno kot beli dan, da bi državni zavarovalniški komisar nikdar ne dovolil potrositi 60 do 70 tisoč dolarjev.

Državni zavarovalniški načelnik je dovolil, da se sme za tiskarno potrositi največ \$50,000. Glavni odbor pa je mnenja, da bi se dalo tiskarno opremiti za približno \$35,000.

Brat Pezdirtz piše, da imajo voditelji tega gibanja v mislih kupiti za \$35,000 neke stare "second hand" že obrabljene stroje. Tudi to ni res. To je samo pesek članstvu v oči. Resnica je tole: Če pride do tiskarne, se bo postavilo popolnoma nove stroje. Kaj in kakšne stroje bi se kupilo, naj služi za vzgled naslednje:

VESTI IZ NEPOKORJENE JUGOSLAVIJE

NEMŠKA PROPAGANDA — RAZNE VESTI

ŽRTVE NEMŠKIH MORILCEV

Berlin.—Iz Balkana prihaja poročila o vedno večjem uporu srbskih četnikov, ki je že podoben civilni vojni. Nemške in italijanske oblasti si na vse načine prizadevajo, da bi vzpostavile red v bivši Jugoslaviji.

V Beogradu navzlic najstrašnejšim kaznim vsak večer in vse noči odmevajo strelji. Vsi poskusi sestaviti nekako "srbsko vojsko," so propadli, čeprav beograjsko glasilo zasednih oblasti "Novo Vreme" vsak dan poziva častnike, naj se prijavijo oblastim.

V Beogradu navzlic najstrašnejšim kaznim vsak večer in vse noči odmevajo strelji. Vsi poskusi sestaviti nekako "srbsko vojsko," so propadli, čeprav beograjsko glasilo zasednih oblasti "Novo Vreme" vsak dan poziva častnike, naj se prijavijo oblastim.

Pretresljivi so podatki o sprejemu, ki ga je beograjsko prebivalstvo priredilo angleškim ujetnikom, ki so jih Nemci zajeli v Grčiji in na Kreti in potem skozi Beograd peljali v Nemčijo.

Ljudstvo je vsem grožnjam navkljub angleškim ujetnikom naskrivaj dajalo kruha, potic, mesa, sadja in oblek. V Topčiderju je nemški vojak ustrelil nekega Beograjčana, ker ga je zalotil, ko je Angležu dal cigareto.

Ob prihodu angleških ujetnikov je ves narod glasno pozdravljaj angleško vojsko in Anglijo. Razmerje med Italijani in Nemci v zasedenem jugoslovanskem ozemlju je zelo napeto.

Italijanski vojniki javno pripovedujejo, da so proti vojni. Obračuni med italijanskimi in nemškimi častniki zaradi tega so na dnevnem redu. Često nemška vojska strelja na poedine italijanske vojake, če se nebojejo pokoriti.

Reka Neretva je bila pred tedni tako polna mrličev, da pri Mostarju ni bilo mogoče s čolni voziti po njej. V Splitu so množice beguncev iz Sarajeva, Zagreba in Beograda, največ Srbi in Židje.

Mnogo je tudi Hrvatov, somišljenikov HSS. Italijanske oblasti, ki so sprva bile prizanesljive, so zdaj krute in pripoveduje se v Dalmaciji o ljudeh, ki ste jih sinoči še srečali, a jutri jih zemlja požre.

Cene živilmn strašno rastejo. Dvanajst jaje stane 20 lir, liter olja 41 lir, kilogram hrush 6 lir. V Dalmaciji in Istri bodo oseba 60 gramov sladkorja na mesec, 100 gramov olja na mesec in 100 gramov kruha na dan.

"Stefani" poroča iz Zagreba, da je Pavelić ukazal popis samoupravnih in občinskih uradnikov, ki so bili postavljeni od decembra, 1918 do aprila letos. Zakaj, ni težko uganiti.

London poroča, da je porušen progna med Ljubljano in Zagrebom. Zaradi čestih nemirov v Zagrebu in zaradi napadov "hrvatske seljačke zaštite" na Paveličeve ustaše in nemške vojake je načelnik policije Artuković izdal ukaz, da se morajo vsi javni lokali zapreti do devetih zvečer.

Po tej uri je Zagreb mrtvo mesto. Zaradi velikih nemirov v Sloveniji in v Črni gori je Mussolini poklical na odgovor komisarja "Province Lubiana" Grazioli in vojaškega poveljnika Črne gore, generala Pircio Bironi.

Madžarske oblasti so na jugu "svoje države" prijele dva srbska "komunisti," ki sta oba priznala, da sta pripravljala novo vstajo. "International News Service" poroča, da je eden obeh priznal, da je po navodilih iz Moskve pripravljaj vse za prihod ruskih "parašutistov" v Južno Madžarsko.

BARAGOV SVETILNIK

P. Bernard Ambrožič OFM.

Kako se vam zdi—ali še poznate to stvar, ki tukaj pred vami stoji in vas skuša izzvati, da bi jo—brali?

Baragov Svetilnik! Ali ni prav za prav nekaj zelo starega? Ali ne bo ta ali oni od vas celo dejal, da je—pogrta rihta...?

Res, precej veliko število let je že minulo od taktar, ko je Baragov Svetilnik zasvetil na nekem takemle mestu. In prav tako je že veliko let minulo od taktar, ko je žalostno—ugasnil...

Dobro, da ni umrl. Umreti pa sploh ni mogel, ker ni bil nikoli živ. Če bi bil živ in bi pozneje umrl, bi ga pač ne mogli poklicati nazaj k življenju.

Umrl torej ni, samo ugasnil je, ker ni bil drugače kot pač—svetilnik. Lampa, če hočete. Po domače so ga nekateri hudomušneji že taktar tako imenovali. Dobro, naj bo pa lampa.

Še veseli bodimo, da je bil samo lampa. Če lampa ugasne, jo lahko spet prižgete, samo malo olja ji je treba naliti.

In tako smo Baragov Svetilnik spet prižgali. Kje smo dobili olja, da je sploh hotel zagoreti?

Kar naravnost naj bo povedano, da mu je novega olja prilo letošnje zborovanje Baragove Zveze, ki se je vršilo pri sv. Lovrenju v Clevelandu v torek, dne 14. oktobra.

To zborovanje je bilo zelo živahno in imamo veliko nado, da je bilo tudi uspešno. Zborovalci so vrtali in vrtali in so privrtali tako globoko, da je priteklo olja nič koliko. Vsa si ga je nabral po mili volji in ga porabil enako po mili volji.

Nekateri so si z njim mazali svoje srce, drugi jezike, tretji korajžo, četrti so mazali blagajno. Tudi kak fleten kompliment je padel tu pa tam, s tem na novo pridobljenim oljem primerno namazan.

Še več. Celo kakšna ponižna Mea culpa se je upala na pozorišče in ni preveč škripala pred poslušalci, zakaj tudi ona je bila deležna tega novega olja. No in tako si ni mogel kaj nekdanji, pozneje ugasli urednik, nekdanjega, pozneje molčečega Baragovega Svetilnika, hočeš nočeš je tudi on nastavlil posodičo in si nabral olja. Kaj bi z njim, ni predolgo ugibal.

Jezik, pravijo, ima itak večsah kar preveč namazan, blagajna je bila preveč skrita, da bi jo dosegel, korajža, eh, pustimo to in ne tratimo papirja. Z eno besedo, šel je in je našel olja v Baragov Svetilnik, pritisnil mečko in zdaj—strmite in zijajte: gori, gori. In bo gorelo... dokler bo pač gorelo.

Pa kaj je bilo tako znamenitega letos na zborovanju Baragove Zveze? Saj že sam ne vem, toliko lepega je bilo. Bom začel kar pri stvari, ki se bo temu ali onemu zdela od zadnjega konca prijeta. Pa naj se zdi, če se če.

Vabilo na sejo Prihodnjo sredo, dne 12. novembra bo naša novembrska seja, na katero vas vse prijazno vabim. Pridite pred vsem oni, ki še niste glasovali glede nabave Jednotine tiskarne, rok tega splošnega glasovanja poteče 29. novembra. Ta točka je precej važna, zato je prav, da vsi glasujete po svoji sodbi.

Dodatno k zadnjič označenim darovalcem za večji uspeh naše minule veselice, naj se danes zahvalim še sestri Mariji Pertekel za prispevani \$1, kar je že po veselici darovala. Je še pozdravom,

M. Ropret, tajnica. Obrambno-varčevalni bondi se morejo kupiti na več kot 16,000 poštinih uradih in v 9,000 bankah širom Zedinjenih držav.

Clevelandu doma. Nič manj se temu dopisniku ni poznalo, kako se je nalezel dišečega olja na zborovanju. Tako mu tečejo besede, da se skoraj opisati ne da. Z eno besedo—beseda mu teče kakor po—olju.

In to je res veselo. "Poklicani" pisavci se izpišejo, se naveličajo, se utrudijo, ne utegnejo, se izčrpajo—in vse zastane. Vse utihne in nihče ne vpraša, zakaj je zmanjkalo olja. Bralci si mislijo—če sploh na to pomislijo—saj smo se res ravno naveličali tega in takega branja. Prav, da ni nič več. Skoraj ne more biti drugače, če spet in spet eden in isti človek piše in nabija eno in isto stvar.

Vidite, takole je. Če se pa oglašijo vsakovrstni pisavci in promotorji iz navdušenja, iz notranjega nagiba, iz lastnega srca—potem je stvar drugačna. Ljudstvo bere od kraja in od konca in začne spoznavati, da zadeva ni le sitnost tega ali onega, ki samo zaradi tega tjašči in poriva, ker je pač tako "tiščinast," ampak je last nas vseh. In to je, kar velja in šteje. Grdini, Meljači in drugi možje—seveda tudi žene—privlajvajte in rinite še naprej!

Tudi temle ljubemu Svetilniku prilivajte, da ga ne bo spet kar kmalu kakšna slanasta jesenska, spomladna, poletna ali celo zimska sapica upihnila.

Še nič nisem povedal, kaj je bilo letos tako znamenitega na zborovanju Baragove Zveze. Saj bi rad že kaj povedal, pa mi kar naprej silijo druge reči pod pero, da se kar ne morem zamisliti v vsebino zborovanja.

Sili mi na primer na misel, da je vendar tudi v takihle puštih in presneto žalostnih časih kaj vselega na svetu. Upam, da povsod, ne samo pri nas. In še to premišljujem, kako da je ravno letos bilo toliko olja na Baragovem zborovanju, kot že dolgo ne. Pa se mi usiljuje odgovor, da bi dejal: Zato, ker še nikoli ni bilo tako silno potrebno, da dobijo naša srca nekoliko takega olja. Saj je nevarnost, da se izgubim v samih žalostih in potlačnostih, da zamahnem z roko in rečem: Oh, pojditte no, saj je vse skupaj nič!

Kadar bomo kaj takega rekli, taktar—adijo in good bye! Taktar bo po nas! Mislim, da je to nevarnost videl sam naš Baraga z nebeskih višav. Videl je, da smo že skoraj pozabili na le njega, ampak tudi same sebe! Kakor da bi ne hoteli biti več narod, slovenski narod, tako nekako smo rinili v svet tjevendan. Predramili smo se vsaj nekoliko v raznih kotičkih narodnega spanja in smrčanja, pa je bila naša prva skrb, ko smo se premudili: Ali bomo pa mogli tudi vstati???

Zbudi se še marsikdo, vstati je težko! Oh, vstati, vstati! Posebno, če se mudi in je treba zgodaj vstati! O, kako zelo se nam mudi...

LET'S MAKE IT 40,000!

## SPUR MEMBERS TO AUGMENT MEMBERSHIP IN ST. MARY'S LODGE

Waukegan, Ill.—The regular monthly meeting of the St. Mary's Lodge, No. 79, was held Oct. 19 in the Mother of God hall with about 40 members attending. Eight new members were received into the lodge with Mr. Math Slana, supreme treasurer, who was invited to attend this meeting, acting as the inducting officer. The new members are; Miss Gertrude Repp, Mrs. Josephine Repp, Mrs. Stella Merlock, Miss Geraldine Frances Arold, Mrs. Julia Stupar, Mrs. Margaret Stupar, Mr. Steve Stupar, and Mr. Frank Derm. The lodge now numbers 225 adults and 88 juvenile members.

Members of the St. Mary's Lodge are asked to check up on their families and their friends and if they are not all members as yet, you better get busy with a little sales talk. Tell them of the advantages of being a member of a good Catholic organization such as the St. Mary's lodge No. 79, KSKJ. This lodge adheres strictly to the By-laws of the KSKJ.

The social events which are sponsored by this lodge several times each year for the benefit of its members, are increasing in popularity. The lodge sports department which has now been in operation for the past 12

years offers you a variety of sports. Bowling and basketball are the major sports on the schedule. Many trophies of past achievements of the lodge are on display at the Mother of God hall. The latest champion is Frank Grom, a life-long member of St. Mary's lodge. He won the recent KSKJ Golf Tourney which was held at Joliet last month. Mr. Math Slana, supreme board officer, presented the trophies to Mr. Grom, for his low score of 77. The trophy given by the KSKJ Athletic Board was a beautiful shaft about 18 inches high, and a golf bag. The Midwest Bowling Association also presented him with a best bowler-golfer trophy with a golfer playing a niblick shot mounted on an ivory stand. Movies were taken by yours truly of these events at this meeting.

On Sunday, Nov. 9, the St. Mary's sports club will sponsor a party for the benefit of the club. No admission will be charged. Everybody is welcome. Members of St. Mary's are asked to give their names to the secretary, if they plan to attend the anniversary celebration of St. Joseph Lodge in West Allis on Sunday, Nov. 23. Let's have a big representation at this event. John A. Cankar

## SLOVENIA UNDER THE NAZIS

Washington—(NC) — Information concerning the forced emigration of thousands of Slovenians from their native land, now under the domination of German Nazi invaders, the destruction of Slovenian industry and trade, wholesale arrests of clerical and lay persons, seizure of churches, convents and homes, and the Germanization of schools is contained in a remarkable document, the authenticity of which is assured, which has been received in this country.

Listing many acts of oppression inflicted upon the Slovenian people, 97 per cent of whom are Catholics, the document as-

serts that the German aim is to wipe out, by dispersal and other means, the entire Slovenian nation.

At its outset it points to a Nazi decree of May 10, 1941, whereby Franz Steindl was appointed district leader of the German National Socialist Party for Slovenian Styria and that Steindl declared at the time that Adolf Hitler had given this command: "Make this land German once more."

### His "Proudest Moment"

The same Steindl, the document states, declared at a celebration arranged by the Schwabischer Kulturbund in an audi-

## JOLIET THESPIANS TO OPEN SEASON WITH "THE PERILS OF PEARL ELLA"

Joliet, Ill. — The first dramatic production of the season by the local talent on St. Joseph's parish stage, will be presented by the members of St. Agnes Sodality of St. Joseph's Church, on Nov. 23 and 25.

The young ladies of St. Agnes Sodality will not only open the season for our local dramatists, but will make history with their initial appearance on our stage. This is the first time that St. Agnes Sodality has ventured into the field of major dramatics.

Their first offering will be a delightful play, a three act comedy, entitled "The Perils of Pearl Ella." The story centers around a "poor little rich girl," who has everything money can buy, except a chance to live her own life of freedom and legitimate fun. The story of how she escapes from her unsympathetic rich mother, finds suitable companions of her own age, and finally wins her way of living a normal life for a healthy young girl, is most interesting. If we were writing from Hollywood and

using the language of the movies, we would call it magnificent, colossal, stupendous. But we shall insult neither the play nor our readers by such pretentious and insincere phrases. We merely want to tell you honestly, that the play though thoroughly delightful from beginning to end has not one dull moment in the whole three acts. Characterization is very clever, and our young actresses are doing a fine job in portraying these parts. The play will furnish a grand evening of fine entertainment for your entire family. Children as well as grown-ups will enjoy the play. Amid fun and laughter the spectators will also learn a very timely lesson, namely: that riches is not an unmix'd blessing, and that real happiness can not be bought with money.

The cast has been rehearsing faithfully for a number of weeks, and will be perfectly trained by the time of first performance. Further details will follow.

## REGISTERED NURSE

Helen Golichnik, R.N.

Sheboygan, Wis. — Miss Helen Golichnik, who is the daughter of Mr. and Mrs. Joseph Golichnik, 1026 Kentucky Ave., a graduate of the St. Agnes Hospital School of Nursing, Fond du Lac, with the June class, has passed her state board examination and is now a registered nurse. She is on the staff of the St. Agnes Hospital, and is a member of Queen of May Society, No. 157.

## TO SPONSOR BENEFIT PILLOW CASE PARTY

Joliet, Ill. — The Blessed Virgin Mary Sodality of St. Joseph's Church will sponsor a Pillowcase Card Party for the benefit of the church on Tuesday evening, Nov. 11, in the Parish Hall.

Many pillowcases were donated by the Sodality Sunday at their meeting. Since each Sodality is expected to donate a pair of pillowcases, those who have not already done so are asked to bring them to the St. Joseph's rectory before November 9.

Miss Elizabeth Mutz, chairman of the affair, has asked each member to be present at the card party with at least one friend in order to make the party a real success.

The Rev. M. J. Butala is the director of the Sodality, and Ven. Sister M. Thea is the Sodality moderator.

## MEMBER EXPIRES

West Aliquippa, Pa. — It is with sadness that I report the passing away of our member, sister Frances Vrecher of Ambridge, Pa., who departed suddenly to her eternal rest on Oct. 20. Services were held in the Holy Trinity Church, Oct. 23 and burial was at the Economy Cemetery. Our sincere sympathy is extended to her husband and daughter in this time of deep sorrow. May she rest in peace.

We extend our thanks to all KSKJ members and friends who paid their respects to our beloved member.

A reminder to members: Only two more meetings to attend, so try to be here to discuss plans for the coming year. Meetings are held the second Sunday of the month at 1 p. m. Mrs. Frances Derglin, secretary No. 109.

West Allis, Wis. — It is our wish that all members will participate Nov. 23 in the 35th anniversary celebration of St. Joseph's Society, No. 103.

In our midst, as our honored guests, will be the eight surviving charter members who are still active. We are certain that it will be a pleasure for many members to meet and enjoy themselves with these fine folk.

## STEVE GIRLS STILL ON AISLES

Chicago, Ill. — Scores? Yes, they are coming along nicely while the St. Stephen's Ladies' teams are toppling the pins to a merry fare thee well. The girls bowl every Wednesday at St. Stephen's Recreation Hall.

A newcomer to the league, Lillian Zulich is replacing Mrs. Helen Kopore, who recently submitted to an operation and is convalescing. The girls wish Helen a speedy recovery and hope she will soon be in the bowling line-up again.

## SCHUSTERS LEAD AS CHECKUP IS MADE IN JOLIET PIN LEAGUE

Joliet, Ill. — Here are the results of the fifth week of bowling in the Joliet KSKJ circuit:

Peerless 3, Slovenics 0  
Peerless .805 935 816—2556  
Slovenics .755 736 805—2346

Tezaks 3, Avsecs 0

From the above you will note that the Jay-Ay-Zeez came through with the high team series of the evening followed closely by the Peerless five. The Peerless got even by getting the high team game of 935, which nosed out the 928 rolled by the Jay-Ay-Zeez.

Joe Kosmerl hit the jackpot for the second consecutive week by tallying the high single game of the nite, 226. His pal, Frank Terlep, took the consolation with a 214. High individual series of the evening was scored by Frank Ramuta with 592, with runnerup honors again taken by Frank Terlep, who rolled 570. Other 200 or better scores: Frank Ramuta 213, Hubert Zalar 213, J. A. Bluth 208, John Culik 205, R. Kosmerl 203, J. Zalar 201, R. Pruss 201, E. Tezak 201.

## Pickups Off the Alleys

Paul Laurich of the Jay-Ay-Zeez, was the most improved bowler of the week by rolling 83 pins more per game than his average to date . . . he gets the orchids this week . . . here's one for Mr. Ripley: Tony Fabian hit the wood for 166, 166 and 166 . . . how's that for being consistent? . . . also easy to remember . . . "Senny" Tezak did a grand job of substituting for Nick K. on his brother's team . . . at a captans' confab it was decided

## ROLLER PARTY BILLED BY GRADE SCHOOL BAND

Joliet, Ill. — The local St. Joseph's School Band will sponsor another Roller Skating Party on Nov. 10, from 7:30 to 10:30 p. m., at Electric Park, Plainfield, Ill. All of the parishioners of St. Joseph's parish, as well as other friends of St. Joseph's Band are invited to this party. If you really want to find out if you are still young and spry try roller skating. It is a very fine all-around winter sport, which can be had even in summer. In other words: you can roller skate all year-round, if you wish to, and if you know how.

Trucks will leave from the parish hall at 7 in the evening. Stops will be made along Ruby St. The proceeds will go toward the upkeep of St. Joseph's School Band and Orchestra.

Frank, however, had different ideas, and while "Teda" was taking it easy, he slowly caught up and nosed him out by striking out in the 10th frame . . . "Teda" couldn't believe it, but figures don't lie, so Teda gets another vacation . . . Memo to George Vertin: I'll bet you like your new ball now, eh? . . . ## BROOKLYNITES TURN OUT TO HELP ANNS MARK 35TH ANNIVERSARY

Brooklyn, N. Y. — On Sunday, Oct. 26, a large attendance gathered in the basement hall of our Slovenian Church in New York to help the St. Ann's Society, No. 105, celebrate its 35th anniversary. The hall was packed so much that several present remarked, "sardines have nothing on us." The officers and members of St. Ann's Society were well pleased and surprised at the large attendance. Mrs. Toncic remarked, that as a rule the hall is too large, and for once it was too small. There was nothing that we could do about it but make ourselves at home with our "Ančike."

Soon after 5 o'clock when the curtain was raised, the following charter members of St.

Ann's Society were on the stage: Mrs. Kegljar, Mrs. Zobeck, Mrs. Zevnik, and Mrs. Dercar. Mrs. Cesark, also a charter member, was unable to attend due to her illness, but her heart and soul were with all of us present. Mrs. Ruppe then welcomed all present and thanked everyone who helped make their affair a great success. She also gave a brief history of the society, and especially thanked the charter members for their wonderful work in the past 35 years.

Father Pius, master of ceremonies, introduced the charter members, and greeted each and everyone present, and congratulated all for their fine work in the Catholic field.

## HALLOWEEN ANTICS EDGE BOWLING IN JOLIET LASSIE KAY JAY CIRCUIT

Joliet, Ill. — A jolly roar of laughter went up from some 300 spectators last Thursday as members of the Joliet KSKJ Lassic League proceeded in grand march to their respective alleys in masquerade, and a more comical array of costumes was never assembled. The girls entered fully into the spirit of fun and everything of yore to Hawaii, the circus and the hoosegow.

Bowling was definitely secondary and watching the lassies toss the agate was a rare and funny sight. There was the old lady wearing a bonnet and with full yardage in her skirts tossing the ball down the alley and the madame of the early 1900's donner in a gown that hangs straight down from neck to ankles without a de-peau that comes well down over the hair and the face.

## STEVES IN "CLEAN SWEEP MOOD" BUT ONLY ZEFRAAN TAVERNS WIN THREE

Chicago, Ill. — Although all five sets of Steve keglers were in a "clean-sweep" mood, only the Zefraan Taverns chalked up three in a row over the Kosmach Boosters. Joe Zefraan of the winners stacked up 622, a neat pile of wood, and was followed by his brother John with 516. Bogolin, Weaver, and Muha must have eased up a bit, for their scores were on the tail end of the list. Pacing the losers was Johnny Jeray whose 595 was trailed by newcomer Johnny Luzar's 516.

Somewhat indisposed for the past weeks, the Dr. Grill outfit felt very inspired and the Darovic Lawyers, whom they tripped 2 to 1, really thought that the Docs were feeling the good effects of some type of injection — at least the score said so. Frank Grill and Joe Kolbal with 571 and 528, respectively, were top scorers for the M. Dees, while the boys who were "ipso facto" in scores for the D. Ayes, were Tony Kremesec with 568 and Louie Zulich with 514.

Amid all this funny business the Gorsich Markets went to town, taking three games from the Jay Zees, Capt. Dorothy Skedel leading her team with 192, 180 and 178. "Dode" all-alleys in masquerade, and so earns congratulations for her high game and series of the week. Of course, there is some excuse for the Jay Zees, for convict No. 202 was on their team and discovered beneath the striped garb was Capt. Vida Zalar, who was busy all evening keeping a step ahead of the sheriff between bowling. She need not have been, so fearful for the "sheriff" was busy bowling four alleys away on the Joliet Engineering five, named Julie Camp. Julie was the hit of the night with her false ears, nose and black, curly mustachio and trousers held up with rope. Taverns, and the latter took the short end of a 2 to 1 count. The Monarchs were led by Darovic with 566, and Strohen with 550. High scorer of the match was Vic Kremesec of the losers with 583, followed by Frank Bicek whose average to date is 209.

The Zeleznikar Fuels were taken to the laundry when the Park Views, led by George Banich with 559, put the coals thru the wringer for a 2 to 1 victory. Joe Kosnik with 594 followed. Pacing the Coal-were Bill Necker, 545, and Frank Koporc, 531.

Although Bill Arbanas had 611 and Carl Strucek 560, the Korchan Grocers fell short when the Fidelity Electricians pulled the right switch to give them a 2 to 1 edge over the Grocers. High for the Electricians were Eddie Retel, 583, and Joe Mlakar, 565.

The attendance at the Southwest alleys was very good, but there is still room for a few more rooters. The lineup last week had two new faces in it, in the persons of Joe Korchan and John Luzar. Among the spectators were Mr. and

torium at Maribor that the happiest moment of his life would be when he was able, as gauleiter, to step before the chancellor and announce: "My fuhrer! Once you gave me orders to make Lower Styria German. Lower Styria is German."

The document quotes the following published in Stajerski Gospodar, of Maribor, official organ of the German propaganda agency for the Slovenian peasants, issue of May 3, 1941, No. 1, Page 4, Column 3: "We expect that . . . all without reservation will join the Steirischer Heimatbund (Nazi designation for Slovenian Styria). Anyone who remains outside the Heimatbund . . . outside the national common . . . will not be able to exist in Lower Styria."

The next documentary evidence offered of the plan to Germanize Lower Styria is a quotation from a decree published on May 2, 1941, by Gauleiter Dr. Siegfried Ueberreiter of Lower Styria, entitled "A Decree to Revive German Nationalism in Lower Styria," which said:

"In fulfillment of my decree of April 22, 1941, for the revival of German nationalism in Lower Styria, I decree the following by virtue of the authority vested in me:

### Confiscation Decreed

"The office authorized by the state commissioner (Reichskommissar) to revive German nationalism in Maribor is empowered to confiscate and seize the property of adherents and juridical persons of the former Yugoslav state. This confiscation and seizure is carried out for the benefit of the Province of Styria at the disposition of the state commissioner for the revival of German nationalism . . ."

German authorities in Lower Styria, the document states, published a decree in which Slovenian sermons and singing in churches are no longer allowed. This decree, the document states, appeared in the publication Slovenec on May 18, 1941, No. 117, Page 4, Column 4, under the caption "From Lower Styria."

A section of the document deals with "Outrages of the German Agents" and tells at the outset of the arrest and banishment of leading men of Slovenia and the confiscation of Slovenian territory and Slovenian property. Victims among the intelligentsia, including mayors, were said to be especially numerous.

In Maribor, the document states, Mayor Alojz Juvan, Vice Mayor Franjo Zebot, all but two members of the City Council, most of the members of the secondary schools and the better known physicians and attorneys were arrested. Arrests in Maribor during the Easter holidays, the document states, amounted to at least 2,000.

day you are baking bread because you do not need much of the sponge.

Mrs. Joseph Videtich, 1020 Cora St., Joliet, Ill., presents an inexpensive way of making fruit cake. She is a member of Society No. 108.

### Inexpensive Fruit Cake

1 package raisins (puffed muscats), 2 cups sugar, 2 cups water (can use part brandy), 1/2 teaspoon salt, 2 large tablespoons butter. Boil for five minutes and let get cold, then add 2 tablespoons cinnamon, 1 teaspoon allspice, 1 cup fruit cake mix, 3 beaten eggs, 1 cup nutmeats, cut in pieces, 3 cups sifted flour with 1 teaspoon soda, mix well and add 1 glass of cherries (with the liquid removed). Bake in a slow oven 1 1/2 hours at 275 degrees F. Makes 5 lbs. of fruit cake.

Members of the clergy who were arrested, the document declares, were imprisoned with criminals and prostitutes, scoffed at and compelled to perform menial tasks.

In Celje, where, it is stated, arrests began during the night of April 15-16, total number imprisoned was placed at 500, among them being the former mayor, Senator Alojz Mihelic; the president of the district court, Dr. Vidovic, and many jurists, attorneys, physicians and professors.

Indignities were heaped upon Capuchin Fathers in their monastery and upon members of Sokols, who were detained in their gymnasium, over a period of 14 days, the document states.

Among those arrested in Ptuj, the document asserts, were the mayor, Dr. Alojz Remeč, and other leading citizens, while additional arrests were made of officials in rural areas. Among those arrested, it is stated, was the aged rector of the deanery of Stari Trg, near Slovenjgradec, Monsignor France Mesko, famous Slovenian writer whose works have been translated into several languages.

### Physicians Expelled

It is further affirmed in the document that German agents have imprisoned or expelled from the Province of Slovenian Styria more than 130 physicians from many of whom their professional equipment was taken.

Slovenian attorneys' rights to legal practice have been revoked, it is stated, and their offices have been turned over to lawyers of German nationality.

in the three games despite the antics of the Papes's good-natured Helen Keith, who followed her ball down the alley several times befitting her clown costume.

The Peerless Printers beat the Dinets two out of three. Mayme Umek and Capt. Ag Govednik turning good scores for the winners.

The Tezak Florists outscored the Verbiscer Press in the first two games, Capt. Jean Tezak definitely shedding her low game jinx.

Other high scores of the week were bowled by Vicky Buchar with 182; Ann Papes with a 155 average; Isabelle Gregorich, 179; Mary Pasdertz with a 147 average; Ag Govednik, 158 average, and Mae Mutz, a 177 game for a 158 average.

The costume bowling meet was a great success and amusing to everybody. The funniest rig was Julie Camp's and genial Supreme Secretary Joseph Zalar got a special smile from her imitation of him in twirling her mustache. The most comical sight was Dot Sitar and Dee Bogner. In her dress and hat of yesteryear, Dot's silhouette looked like Popeye's Olive Oyl and Dee could have been taken for O. Oyl's sister. The cutest pair were Helen Rozich as junior and Jo Ramuta in matching little girl outfits. The most unique, Vicky Buchar, wore a genuine grass skirt over her Hawaiian dress, reed anklets, and leis. The cleverest, Lillian Grayhack, made of stamped sugar and flour sacks; from the stage, Therese Gasperich, as a very attractive Peter Pan; one of the most constant laugh provokers, Mary Salesnik, resembling Little Boy Blue from the top and a circus tight rop walker as a result of her long pink leg covers.

Next week, the league will get back to normal and the Tezak Florists will try to cut down the first place lead of the Papes Tavern. The Verbiscer

## ANN'S 35th JUBILEE

(Continued from page 7)

Father Pius then called on Mrs. Tondic, secretary of St. Ann's Society, who thanked all for their co-operation and received a big hand from all.

The following then extended greetings: Jos. J. Klun, representing St. Joseph's Society, No. 57, KSKJ; Mrs. J. Skrabe, Blessed Virgin of Help Society, No. 184, KSKJ; Mr. John Ribic, Knights of Trinity, No. 238, KSKJ; Mrs. Helena Corel, representing the Brooklyn, N. Y. branch of SZZ; Mrs. Zakrajsek representing the New York City branch of SZZ; and Mr. Snoj, who represented our Slovenian people in Europe.

Members of the juvenile department, carrying the numerals 1916 and 1941, greeted the audience. Robert Barich greeted the audience in behalf of the Juvenile Department. Declaration was recited by Miss Tessie Archul, who for a time was afraid that she may have a hard job, but she came along with flying colors. Good for you, Tessie! Miss Toncic then sang two beautiful songs, "Pod roznato planino" and "Til Reveille." She was accompanied by Mr. Louis Corel, on the guitar. Good for you, too, Emmy!

Following the presentation of the representatives and various speakers, the curtain was raised for the play, "On Vacation," a comedy. It sure was a comedy; at times the players had a hard time going ahead, as they had to wait for the roar and laughter to subside. There was never a dull moment! Although I had seen many plays in my time, I must say that this was the best comedy that I had ever seen. As Father Pius mentioned in the foreword the American born children of Slovenian parents were wonderful in talking Slovenian, and the players surely surprised us.

Mr. and Mrs. A. Zaletel played their part just as if they had been reared in Ljubljana, and their part could not be done any better. Steve Dercar and Frank-Vojkska surely had something to fight for when they were fighting for Miss Michaela Zore. The same goes for John Holesek and Rudolf Toncich. One could not blame John Holesek for taking the vacation on the farm, and could not blame Rudolf Toncich for trying to forget the mortgage on the house for the hand of Frances Sershen. The final touch to the family was added by Mrs. Kunz and Louis Corel, parents of Zefi (Frank Vojkska) who played the part as a real veteran. Mrs. Toncich, who coached the players, certainly did a fine job and should be complimented for her fine work. No doubt the members are grateful to her for her work not only as a coach, but also as a fine secretary and a good all-around worker when it comes to societies.

After the play, at least half of the audience had to leave in order to give the remaining a chance to move around and dance to Jerry's Star Light Orchestra. All in all, the play was wonderful and a good time was had by all. It will be long remembered by those who were present.

## Catholic Action and Atheist Action

by Rev. James M. Gillis, C.S.P.

### Atheist Action

On a steaming hot Sunday night in July a thousand men and women stood listening to an atheist lecturer in Columbus Circle, New York City. Sweating and gesticulating the agitator hoarsely shouted, "For those that want a God I say, let 'em have one. If they believe in Santa Claus, it's O.K. by me. I don't hold with those who say that the Mother Goose books should be snatched out of the children's hands. I wouldn't take candy away from a kid. If a man has a lame leg, that's his misfortune. Don't laugh at him. If it isn't his leg but his mind that is lame, it's too bad. He's a cripple, don't rub it in. So, I say if a man believes in God, let him have his God!"

As I listened I wasn't thinking of the trickiness of the argument, or the lameness (literal and figurative) of the comparison. I was thinking of "Catholic Action." For here was Atheist Action. The temperature was well over ninety. The atmosphere on the street was suffocating, not only with heat and humidity (I have read of an African explorer who said New York City in summer was more oppressive than the Congo jungle) but with carbon monoxide and dioxide and with the effluvia of the crowd. Yet there the crowd stood, interested, even respectful, and to all appearances in process of being convinced. There was no heckling, no audible protest, though I did hear one woman say, "And he might die tonight!" They stood on the hot pavement, sat on the curbstone, hatless, coatless, mopping their brows — but listening. Here and there in the crowd was a lemonade bar or an Eskimo Pie shop on wheels, but they were sparingly patronized. The congregation preferred listening to eating and drinking, even though they could drink for a penny and eat for a nickel.

Meanwhile the churches were dark. Their day's work was done, and other priests like myself had strolled out to see if the streets were not a shade cooler than the house. But I was hotter when I returned than when I went out. Not because of the weather, but because my mind had caught fire. I reflected: Masses all morning from six o'clock to twelve, sermons (in season if not out of season), rosaries and benedictions, sodalities and Holy Name Societies, processions, celebrations, solemn ceremonials galore. We are saving the saved but what are we doing for the street loiterers and potential atheists?

### Are Not Atheists People?

I think I have heard all the excuses: "These agitators are monomaniacs, if not paranoiacs, professional malcontents, ignorant, violent, venal, immune to reason, emotional perverts." Yes, yes, no doubt, but I am not directly interested in the agitators but in the listeners. "They are not our people?" How do you know? Have Catholics never gone renegade, even atheist? I have met ex-Catholic atheists, not a few. One of them in particular I remember "from the bogs of Ireland" as he himself said, with a brogue as thick as butter and a name as Catholic as Mulcahey or O'Donoghue. As for "our people," every mother's son and daughter on the pavement that hot night was ours. Have we forgotten Our Savior's "other sheep"? or St. Paul's "To the Greeks and to the barbarians, to the wise and the unwise, I am a debtor"? Modernizing the apostolic phraseology might it not read:

"To believers and unbelievers I am a debtor. To the bourgeois and the proletariat. To the educated and to those who have no knowledge, no wisdom, no logic, no sense. To the submissive and to the rebellious. To the congregation that worships at the altar with soft sweet liturgical music, and to curbstone sitters and pavement standers who stretch their ears to hear above the strident honking of auto-horns and the rattle-de-bang of flat-wheeled street cars,—to all men I have obligations?"

At this point, my readers (if I have not already staken them off) will probably say, "The writer has caught the mood of the soap-box orator. This is not an editorial paragraph, cool, dispassionate and objective but a harangue just as truly as that of the demagogue in the street." So be it. I only wish I had the power of the spellbinder, that I might take up a pitch close by him, lure him away some of his crowd and convince them that the devil has not all the good tunes, nor the devil's agent all the good arguments, that we Christians are not children who cry if their candy be snatched away, or cripples who collapse if their crutches be knocked from under them.

### Catholic Action or Inaction?

All of which is but one way of saying that with all our prattle about "Catholic Action" we haven't yet inaugurated action adequate to our cause, commensurate with our opportunities and responsibilities. Why blink the facts? The world is running away from us and for the most part we are looking down from the top of an ivory tower, or peering out through cracks in the sacristy,

## UPSET MARKED IN MILWAUKEE LOOP; MARBLE ARCADES TRIPPED

Milwaukee, Wis.—With the 4-U team scoring the biggest upset of the season thus far by snaring three games from the hitherto practically invincible Marn's Marble Arcade squad, the St. John's Kay Jay bowling standings were subjected to a wholesale shake-up which resulted in a three-way tie for the lead.

The 4-U's, led by Frank Primozich's 555, squeezed out a 5-pin victory in the first game and then got hotter as the evening progressed, winning the next two by 28- and 45-pin margins.

The trip of wins brought the Tavern boys from third place to a tie for first with Marn's and Tony Butcher's who took two out of three from the tail-end Tivoli team. This also marks the first time that the Arcade squad relinquished its undisputed hold on the lead.

Team scoring honors also went to Gregorich's 4-U quintet. The boys rolled games of 841, 841 and 868 for a 2550 total, which is second high for the season.

### Splattered Maples

The Tivoli Old Timers, who are finding victory harder than it is to convince Emil Zortz to pay the extra nickel for the bowling blowouts the boys have after concluding their pin-busting, reached a new low when two of their men failed to crash even the 300 division. The culprits were Joe Marn and Joe Maierle who hit 257 and 280 respectively (that's for three games, not one!) . . . You should have seen the expressions on the faces of the Marn team. Boy, were they smoking (and not cigarettes, either) . . .

wringing our hands and crying, "Dear me, dear me, goodness gracious, isn't it terrible how unbelief and immorality are making headway: how strange, how terrible, how mysterious!" Yes, how mysterious. It makes me think of good honest Father Valuy whose old-fashioned book, "A Guide for Priests," I first read some twenty-five or thirty years ago. "Mystery?" he said to those who were lamenting the decay of the Faith in France. "Mystery? I will tell you the mystery. Forty thousand priests in France and Christianity languishing in France. There is the real mystery!"

How many Catholic orators and preachers have we not heard lamenting that millions of Americans have no religious belief? I, for one, since 1897 have been listening to priests and prelates telling the people, as Bishop Conaty told us students in Brighton Seminary in that year that Protestantism was dead and that it had been succeeded by rank unbelief. I think they meant Protestantism of the old "orthodox" type recognizable to Wesley or Luther or Calvin. I am not now disposed to argue over that diagnosis (or was it an autopsy?). What needs attention and emphasis is not the passing of Protestantism or the growth of atheism, but the inactivity of Catholicism when confronted with these problems.

(To be continued.)

### Buy Defense Bonds and Stamps

America is in a state of emergency. Every citizen is urged to do his part by buying Defense Savings Bonds or Stamps.

Success Story: Frank Primozich and John Vodnik of the 4-U team matched hooks with Gene (Geney with the light brown hair) Petersdorff in a special 4-game match set. Yep, the 4-U boys lost all four.

We're still waiting for that 660 series that Iggy Gorenc promised us several weeks ago. What's the matter, Iggy, still thinking of new members? . . . We wonder what the fairer sex has to do with the success of the 4-U team? Dodo Luksich, Blanche Primozich and Cecilia are at Marn's Alleys every Thursday yelling: "Come on, 4-U!"

John Zakrajsek of the Butcher team is angling for match games between our boys and several teams from Sheboygan. What say you chairmakers? . . . Mrs. Mike Crnkovich showed up in time to see the finish of the last game between Marn's and 4-U's but it was too late, papa Mike already had a 408 total in the books . . . Well, guess I'll roll back into Joe Strukel's bowling bag and rest for another week.
