HALLOWE'EN

V tem mesecu vidimo v raznih štacunah razstavljenih vsa krovstnih papirnatih priprav v svetlo-oranžni barvi, na primer namizne prte s črnim zagrbaničimi mačkami na robu, papirne krožnike, dekorirane s coprnicami, jahajočimi na metli, ali pa z okostji in lobanjami. Povsod vidimo papirnate buče, majhne in velike, preluknjene kot kaka lobanja in s svečo znotraj.

Vse to služi za proslavljanje ene izmed najbolj popularnih svetinj v Ameriki, Hallowe'en, dne 31. oktobra.

Hallowe'en je le poljudna kratica za All Hallows'Eve, kar pomenja predvečer Vseh Svetnikov.

PRIHODNJI TOREK bodo volitve. Udeležil naj bi se jih vsak rojak in rojakinja, ki ima volilno pravico. Vsak pa naj bi volil po svoji lastni razsodnosti in prepičanju.

BREZPOSELNOST v tej delži postaja vsled bližajoče se zime čimdalje bolj resen problem. Iz različnih mest prihajajo poročila, da se merodajni faktorji resno trudijo najti pota in dobiti sredstva za zapošljevanje čim večjega števila delavcev. V Clevelandu na primer je mestna uprava že nekaj storila v tem pogledu; delajo pa se še nadaljni načrti, ker je še vedno tisoč delavcev, ki so v potrebi in ne morejo dobiti dela. Isto se poroča iz Detroita in iz raznih drugih mest.

V mnogih mestih, okrajih in državah bodo dne 4. novembra volilci predložene za glasovanje izdaje bondov, potom katerih bi se dobila denarna sredstva za gradbo raznih javnih naprav, kar bi dalo delo mnogim nezaposlenim delavcem.

Tudi iz Washingtona se poroča, da se je od strani zvezne vlade začelo resno delati za zmanjšanje brezposelosti. Predsednik Hoover je imenoval posebno komisijo v to svrhu in imenuje številne konference z voditelji industrije in drugimi vplivnimi osebami. Zadnji teden je bil pozvan v Washington Col. Arthur Woods iz New Yorka, kateremu je Hoover povabil na logu, da skuša odpomovičiti brezposelosti. Woods je že parkrat v preteklosti pokazal, da se razume na ta problem.

EKSPLOZIJA, ki se je dne 21. oktobra pripetila v Wilhemspromogniku v Aachenu, Nemčija, je usmrtila nad 200 delavcev, nad sto pa je resno poškodovanih ali ožganih.

REVOLUCIJA V BRAZILU je uspela. Uporniki so dne 24. oktobra zavzeli glavno mesto največje južnoameriške republike, Rio de Janeiro, vijeli predsednika Washington Luisa Pereira de Sousa in ga prisilili k resignaciji. Tekom prevrata in v sledenih urah je bilo v mestu mnogo razburjanja, plejenja in celo požiganja. Skupine zmagovalnih armadnih in mornariških poveljnnikov tvorita začasno vlado, dokler se različne uporniške skupine ne bodo zedinile za bolj stalno vlado.

BOLGARSKI KRALJ Boris III. se je dne 25. oktobra poročil z italijansko princemo Giovanni. Poroka se je izvršila v baziliki sv. Frančiška v mestu Assisi, Italija.

V ŠPANIJI je umrl Valeriano Weyler, star 92 let. Pred 33 leti je bil Weyler governer Cuba in skoro tako osvražen

VELIKA JEZERA

Na severu vzhodne polovice Zedinjenih držav se nahajajo ameriška Velika jezera (Great Lakes), namreč Superior, Michigan, Huron, Erie in Ontario. Iz njih jezera Michigan tvorijo vsa mejo proti Canadi. Ta jezera so res "velika," tako, da bi jih lahko nazivali mala morja, če ne bi imela sladke vode.

Zedinjene države imajo štiri vrste obali ali obrežij, namrečeno na Pacifik, eno na Atlantiku, eno ob Mehikiem zalivu in četrto ob Velikih jezerih. Zanimivo je, da je obrežje ob Velikih jezerih daljše kot katero drugo od ostalih treh. Jezero Superior je največje, kajti njegova površina znaša nad 31 tisoč kvadratnih milij.

Zanimivo je, da ena tretjina prebivalstva Zedinjenih držav živi v državah, ki mejijo na Velika jezera. Razume se, da je na teh jezerih zahvaliti za svoj početek starim velikanski promet. Skozi Detroit River, ki tvori vez med jezeri Superior in Huron, in skozi Sault Ste. Marie ozino, ki veže jezere Huron in Erie, gre na leto več prometa kot skozi Sueški ali Panamski prekop.

Ob Velikih jezerih stoejo tudi velika mesta; na primer, Chicago, ki je drugo največje mesto v dežetu, Detroit, ki je polovik četrtto, Cleveland, ki je po velikosti četrto, Toledo, ki je celo, medtem ko je ista kost pri drugih konjih na koncu razcepiljena.

Arabski konj je silno trpezen, potrebuje malo hrane in prestane dolgo brez vode, pri tem pa je neprekosljiv dirjačec.

Poleg tega pa se ne boji niti ljudi niti krvolčnih zverin in je izredno poheven, inteligenčen in vdan svojemu gospodarju.

Le Beduini v puščavi so zamogli vzgojiti in ohraniti takoj pasmo, kajti konji so se smatrali skoraj za člane družine in so delili prostor v šotoru s svojim gospodarjem.

Cistokrvnih arabskih konj je danes v njihovi prvotni domovini manj kot en tisoč. Tako so neki eksprt in nakupovalci, ki se je mudil osem let med nomadi arabske puščave in je preiskal nad štiri tisoč konj.

Pred svetovno vojno so gojili čistokrvne arabske konje v raznih evropskih državah. Med vojno in potem se je to opustilo radi prevelikih stroškov, ki so v zvezi s tem. Vsi sloveni dirjadi tako v Evropi kot Ameriki pa imajo kolikor toliko arabske krvi primešane.

Mandat za ohranitev te krasne konjske pasme je zadnje čase pripadel Ameriki. Danes se nahaja 200 čistokrvnih arabskih konj v Zedinjenih državah.

To sicer ni veliko med konjskim prebivalstvom 18 milijonov, toda je vsekakor dober začetek, če pomislimo, da je gojenje teh plemenitih konj zvezano z velikimi stroški. Okoli 70 teh konj se nahaja na 800 akrov obsegajočem ranchu W. K. Kellogg v Pomoni, California. Tudi druga največja arabska konjarna se nahaja v Californiji, namreč blizu mesta Los Angeles. Južna California je sploh zelo primerna za reje teh konj radi ugodnega podnebja. Ena manjša arabska konjarna se nahaja v Lake Geneva v Wisconsinu, in ena blizu mesta Berlin v državi New Hampshire.

Ko se pojavijo močne slane, je čas za izkopati gomoljike evelic, kot so dalmatini (georgine), kane, gladijole itd. Na vsak način jih moramo izkopati, predno začne zmrzati. Listje ali stebla porezemo dva ali tri palce na d. gomoljikam, nakar jih pustimo, da se nekliko osuši na solnec. Potem jih spravimo čez zimo na suhem prostoru v hladni kleti, najboljše na kakšni polici.

Tudi za vrtnice je čas poskrbeti, ko začnejo padati slane. To ni težko, ker v tej deželi se goje večinoma grmičaste vrtnice. Ako so grmiči mali, jih ogrnimo s prstjo, pol čevlja ali čevlje visoko, podobno kot se osipa koruza ali krompir. Večje grme vrtnice zasijimo s suhim drevesnim listjem, katerega na kak način obtežimo, da ga veter ne odnese. Ako nekateri daljši in tanjši vrhovi mladič molijo iz kritja, nič ne škodi, ker je treba spomladji mladike vrtnic itak prizetati od ene do dveh tretjin dolgoti.

INDIJANCI V AMERIKI Indijanci tvorijo v Zedinjenih državah komaj sedmino enega procenta celokupnega prebivalstva.

ARABSKI KONJI

Moderna civilizacija z avtomobili in puškami se je zajedla tudi v arabsko puščavo in preti z uničenjem plemenu slovečih arabskih konj. Vsi, ki se spoznajo na konje, soglašajo, da so konji arabske pasme kralji svete vrste, in se za take smatrajo že iz biblijskih časov.

Cisti arabski konji so mali, tanki pa jeklene trdnih kosti, vzbodenega vratu in repa, lepe, kratke glave in velikih mehkih oči. Po barvi so arabski konji rdečkasto-rjav, nekateri pa tudi mešane sive in rujave ali Velikih jezerih daljše kot katero drugo od ostalih treh. Jezero Superior je največje, kajti njegova površina znaša nad 31 tisoč kvadratnih milij.

Zanimivo je, da ena tretjina prebivalstva Zedinjenih držav živi v državah, ki mejijo na Velika jezera. Razume se, da je na teh jezerih zahvaliti za svoj početek starim velikanski promet. Amerika ima potreben kapital in tudi dovolj ljubitelje konj, zato je lepi arabski pasmi zagotovljen obstoj baš v tej deželi, ko ji v domovini preti pogin. Za reje arabskih konj se zanima tudi zvezna vojaška oblast, ki želi vzgojiti boljše in trpežnejše konje za svojo konjenico.

Raba leseni plugov bo odpravljena. V kmetijskem mini strstu se vrše priprave za izdajo pravilnika, ki bo uredil od pravilnih plugov pri obdelovanju zemlje. Kmetijsko ministru bo revnim kmetovalcem brezplačno delilo moderne pluge, ki jih v kratkem prejme iz Nemčije na račun reparacij. V nekaterih delih Jugoslavije je namreč v rabi še mnogo leseni plugov, kar je zamudno delo in se tudi zemlja preslabo izkoristi s lesnim plugom.

V Metohiji in na Kosovem se vrše zadnje tehnične priprave za kolonizacijo, ki se prične prihodnje leto. V Metohiji bo naseljenih do 4000 rodbin, večinoma iz Črne gore, na Kosovem pa bodo naseljeni kolonisti iz Primorske, Savske in Dunavske provinc. Posebna pozornost se bo posvetila koloniziranju optantov iz Madžarske in kmetovalcev iz Like. Kolonizacija se ne bo pričela, dokler ne bodo dovršene vse priprave; šele potem se bo razglasilo, da se kolonizacija prične. V to svrhu so načrtovani avtomobili, prohbiti, višine in skupnosti, skupaj s administracijo, kjer so vodilni člani.

Zdravstvene avtoritete načrtovali so, da se tonika, imenovana paratoluyediamine ali paraphenylediamine, skodljiva za lase. Po mojem mnenju je ta reč skodljiva tudi za jezik, grlo, pisalni stroj in linotype.

Prava sreča je za nas, da mi sami nismo nikoli ničesar krivi. Vsega slabega so krivi reformatorji, avtomobili, prohbiti, višine in skupnosti, skupaj s administracijo, kjer so vodilni člani.

Europejci nas radi dolžijo, da mi Američani ne znamo družega kot dirkati za vsemogočnim dolarjem. Zadnje čase pa se zdi, da se je pridružilo tej dirki tudi nekaj Europejcev, in sicer tudi nekaj letali.

Zakonske ločitve so v Ameriki sicer nekaj navadnega, klub

temu pa povzročajo mnogo stroškov in stnosti. V Birmi v zapadni Indiji je ta reč mnogo bolj enostavna. Zakonca, ki sta spoznala, da ne spadata skupaj, se enostavno zapreva v sodo, sedeta vsak na svoj stol in prizgave dve enako dolgi svečki. Katerega svečka prej dogori, pobere culico in odide svoden v beli svet. Tisti, kateremu pa lučka gori, obdrži koš in hruško, bajto in otroke. Odvetniki morajo pa drugod gledati, kje jim bo cvetela pšenica. Pa si mi Američani domišljamo, da smo "smart!" *

Največ avtomobilskih nesreč

se zgodi, ker vozniki ne vpoštujajo prometnih signalov in regulacij.

Da taki vozniki nimajo

niti navadnega "horse-sense,"

je bilo nedavno dokazano v Den-

verju. Neki avtomobil se je za-

letel s tako silo v "popcorn"

voz, v katerega je bil vprezen

resigniran šmelj, da je hipom

nastala populna zakonska loči-

tev med konjem in vozom. Ve-

sel, da je zopet "ledig in frej,"

je konjiček zdirjal po gladki ce-

sti zlati prostosti naproti. Blíž-

nji policaj, ki je bil najbrže ožen-

jen, mu te svobode ni privoščil

in jo je jaderno uvrzl za njim.

Pa kaj bo policaj z dvema nogama

proti konjskim štirim? Razde-

ljal med beguncem in zasedo-

valcem se ni manjšala, ampak

večala. Konjiček je bil že pri-

cestnem križišču, ko je policaj

princepetal komaj do sreda blo-

ka. V tistem hipu pa se je po-

kazala rdeča signalna luč, ki po-

meni: stoj! Konj, kot dober

državljan, nepokvarjen od pro-

hibicije in kratkih kril, je ob-

stal kot vkopan. Tisti čas pa je

prišopal policaj, zgrabil ko-

nja za udzo in mu pregnal muhe

o svobodi. Na rdečo luč pa je

baje obesil lovrorjeven venec.

V Debrecinu na Madžarskem je neka "vesela vdova" ustanovila novo versko sektu, katere člani si hočejo zaslužiti izveličanje s smehom. Po nazorih teverske sekte je Bog u najbolj vstrezeno, če so ljudje veseli. Baje se novi kult smeha širi kot epidemija.

Morda ne bi bilo napačno, če bi epidemija smeha poplavila najprej v sotočju Madžarsko, potem pa se različila preko mej v Jugoslavijo in Italijo, kajti ljudje, ki se smejejo, se ne bodo preteplali in vojskovali. Sosedni, ki se zdaj krvavo gledajo preko državnih mej, bi se enostavno prijeli svojih mejnikov in bi se drug druge mu smejali do solz.

V Hurstmonceaux gradu na Angleškem, ki je bil zgrajen okrog leta 1400, biva baje še danes cel eskadron strahov.

Najbolj zanimiv in moralen pa je nedvomno tisti strah, ki večko noč hodi o koli gradu in razbiha na boben, če je katera v gradu bivajoča ženska nezvesta svojemu fantu ali možu, če ga po domače rečeno lomi z drugimi moškimi. Na ta način vedo prebivalci gradu in vse okolice, da se v gradu godijo pohujšljive reči, da so grajske dame nezvezne.

Gosh, če bi imeli tu v Ameriki take strahove — to bi bilo bobnanja!

Prihodnji torek bomo delali križe po marogastih trakovih in plakah v volinjih lokalih. Za nekatere kandidate bodo ti križi simbol poveličanja, za druge pa pričetek križevega pota v Nirvano pozabljenja.

DRUŠTVE IN DRUGE SLOVENSKE VESTI

ril revnim slovenskim družinam.

Šaloigra "Utopljenca," s katero je slovensko dramsko društvo Ivan Cankar v Clevelandu otvorilo sezono v nedeljo 26. oktobra, je z obilico humorja in splošno dobro izvedbo zadovoljila občinstvo. Poset je bil srednje dober.

Petindvajsetletnico poroke sta praznovala te dni Mr. in Mrs. Ivan Zupan v Clevelandu. Mr. Ivan Zupan, ki je tudi član JSKJ, je že 18 let urednik "Glasila KSKJ," katerega uredništvo se nahaja samo par krovov od uredništva Nove Dobe. Za to priliko so priatelji družine Zupan na večer 26. novembra aranžirali sijajno "surprise party" v hiši Anton Kavšeka, kjer se je zbrala zelo dobra, prazniško in veselo razpoložena družba, da pozdravi prijetno iznanadenia slavljenca. Poleg raznovrstnih dobrot, ki so lastne večjim in manjšim banketom, so prišle na vrsto tudi številne govorance in čestitke, nakar se je razvila ples in prosta zabava "po odsekih."

NEW ERA SUPPLEMENT

Edited by Louis M. Kolar.

Current Thought.

CRITICISM

Have you ever been criticised for what you have done? The first impulse was to talk back sharply to the person doing the criticism, but upon second thought you realized that perhaps the critic had the best of intention, and let it at that. At a later date you would reconsider the criticism, console yourself with the fact that, at least, your work noticed.

Your work fell under this person's observation. Any undertaking requiring publicity will be read, considered, interpreted, discussed upon and then criticised. It may be the activities of a lodge, such as a dance or possibly lodge athletic contests, in which a member wishes to stress its importance. The article will appear in the official organ of that organization and will stir interest and enthusiasm among the members. Other lodges will notice the same article and if the contained therein is plausible, then members of lodges experiment with it in the future.

If the enterprise is worthless, then the readers will read it minutely and forget about it.

Recently a member of our South Slavonic Catholic Union complained of the criticism received by outside sources for his articles that appeared in the New Era Supplement. This member was intelligent enough to overlook these slight accusations and waved them aside with a smile. It was evident that these accusers were jealous of the achievements of a particular lodge and did everything within their power to discourage him from further activities. And to make matters worse accusers were members of a parent lodge belonging to other denomination than our own, and the lodge they wanted discourage was an English-conducted lodge of our Union.

Silvities of English-Conducted Lodges Should be Encouraged and Not Discouraged

This is a sad state of affairs indeed, and shows to what extreme some of the narrow-minded people will go to bring about a desired end. Very little can be said in favor of the character of such a group. To put it bluntly, one would be obliged to say "at least I am not a member of that organization."

But coming to the original point that this editorial is trying to bring out about criticism, the members of that particular lodge can find satisfaction in knowing that their work being observed. A number of ideas promoted by groups other than our own seem preposterous, and many of them are short-lived. However, a number of such ideas are carried through and bring startling results to the originators. It is sufficient to say here that it would be foolish for anyone to condemn such undertakings without waiting for results.

Lodges of the South Slavonic Catholic Union should continue to experiment with ideas regardless of the outsider's attitude, for in the long run these same people who were so quick to pass unfavorable criticism will be the first to fail in and do likewise.

Hot-Shots From Ely

Arrowhead Lodge of Ely, Minn., Waking Up

The Arrowhead Lodge, No. 184, SSCU, of Ely, Minn., has at last begun to be active. With wonderful plans for the coming winter, both in basketball and entertainments of some sort, we hope to be able to increase the membership of our lodge. We have not been very active during the past two years, but expect to be in the future.

Our lodge members should come to all meetings, if possible. The meetings are held every third Thursday night at 7 o'clock at the Slovenian National Home. If you want to get any enjoyment out of being in an English-conducted lodge, please come to the meetings, for we have planned to have some entertainment, if enough attend, after every meeting or on some Sunday evening. Arrowhead members, please come to the meetings. Don't forget!

A girls' and boys' basketball teams will be organized by our lodge this year. Flashy blue and orange suits will identify us as Arrowhead basketball players. All boys and girls interested in basketball please watch this column for the dates when practice will begin. Brothers and sisters of the lodge, let's co-operate and turn out for practice. How about two good teams this year?

Sunday, Nov. 2, is the date for our first party. Let's see all the members there for a good time. We further extend our invitation to our friends of the S. S. C. U. on the range. Let's make this first party a grand success.

So long, you will hear from us next week.

Good Time Had by All

Collegians to Hold Dance Nov. 8

Chicago, Ill.—I want to thank everyone who attended the "Big Autumn Entertainment," given by the Lodge Zvezda, No. 170, and to those who helped to make it a success. I also hope that everyone enjoyed themselves to their utmost.

Joseph F. Sustarich Jr., Illinois Stars, SSCU.

Lodges Should Be Active

It should be the ambition of all S. S. C. U. lodges to undertake everything possible to make the lodge an active organization. Bearing the fruits of their endeavors, members of all lodges do not consider the inactivity of their lodge. The officers must have the full cooperation of all fellow-members to make a reality of their lodge's active life.

Sports Dance was enjoyed by all; the orchestra was splendid. "Hej Slovensci!" the old favorite song, was rendered by the orchestra to the delight of all.

I want to take this opportunity to thank each and every member of the Pittsburgher's Lodge for showing us such a good time.

Jefferson Collegians are holding a dance on Nov. 8 in the Alexander Hall of Strabane. The Black and White Orchestra will furnish the music. If you really want to enjoy good music, then by all means attend this dance.

We will be expecting the Pittsburghers.

Everybody welcome!

Collegians, Rah!

Will Hold Dance at Strabane

Canonsburg, Pa.—Rah! Rah! Rah! Collegians, Collegians, Collegians, Ray!

Hello, folks, here we are again after being silent for two weeks. First of all, I'll say a few words about the Sports Dance that we attended in a body Saturday, Oct. 18, held by the Pittsburgher Lodge in the Slovenian Hall, Pittsburgh, Pa.

The group was composed of two parties, one piloted by "General" Polaski (submitter of this article), and the other by August Lawrence, president of Jefferson Collegians. Sixteen members from the Collegians were represented, and are as follows: Anna and Frances Retzel, Walter Moliski, Frank Samsa, Helen Polaski, Sophia Sustrich, Steve Lombardi, George Rubic and myself. Four of the fair sex are left out, as I do not remember their names.

At the hall we were greeted with a smile by F. J. Kress, vice president of the Pittsburgher and chairman of our National Athletic Board. Oh, boy, and did those Pittsburghers accommodate us royally!

During our presence we made many acquaintances and felt right at home. The traveling trio, in the persons of Frank "Samson" Drobnič, Stanley Vessel and Joseph Jaric of Cleveland, O., were there, keeping things stirred up until the last moment.

Cleveland was there, as was Canonsburg, Greensburg, Burgettstown, but Conmaugh, Johnstown, namely the National Star, led by K. O. Kopler, failed to put in their appearance. Thus a number of fair ones went home somewhat disappointed, for it was K. O. that they wanted to meet, and how! We'll forgive you this time, "Kid," but don't let that happen again, you heart breaker!

The dance was a huge success both from the standpoint of attendance and the entertainment. All the out-of-towners that attended were taken in as honored guests, and I'm sure that this was appreciated very much by all. After the dance F. J. Kress requested that all guests meet in the room below. This gave the distant friends an opportunity to get in closer touch with one another. During this friendly meeting speakers representing their particular lodges were called upon to say a few words. All speakers were given a big hand. This certainly put the climax to the Sports Dance, and I hope that lady luck will always be with them in such instances.

By the way, folks, the Collegians are to hold a dance on Saturday, Nov. 8, in the Alexander Hall at Strabane, on the outskirts of Canonsburg, Pa. The popular and original Black and White Orchestra will furnish the music. We are depending on the Pittsburghers to be there and help put it over in a big way.

The other out-of-towners are also invited and are welcome to attend. I am signing off now and will be with you again next week at this time. So, goodbye, and good luck to all!

SPORTING BITS

Is Your Lodge Basketball-Minded

The National champion basketball lodge team of the South Slavonic Catholic Union will be determined during the month of February, in which the winner of the Eastern league will play the winner of the Northwestern league. Pennsylvania and Ohio comprise the Eastern league, while Illinois and Minnesota comprise the Northwestern league, as decided at the Athletic Conference held in Cleveland, O., on Sept. 12 and 13.

Some of the lodges situated in these states have already organized teams and are holding practice sessions so as to be in tip-top shape for further encounters. Other lodges are thinking of making arrangements for a basketball team with the hope that by some miracle a championship quintet will be molded to represent the champion lodge team of our Union.

Now is the time to call a special meeting of members interested in basketball, make plans for practice periods and seek games with other teams. Those lodges that are mildly interested should do everything within their power to stimulate the members to become basketball-minded.

A state champion of each of the four states, Ohio, Pennsylvania, Illinois and Minnesota, will be determined in basketball. S. S. C. U. lodges in close proximity will have a number of match games to decide the supremacy of a particular section.

Whenever two lodges of our Union get together for contests they invariably attract a number of interested spectators. Excitement is intense and a general feeling of fraternalism is imbued deeper in the hearts of the members.

This alone is worth the trouble of organizing a basketball team. A new sort of entertainment is provided for the members which arouses the curiosity of the outsiders and eventually lures them into becoming members of that lodge.

We noticed in a recent edition of the New Era Supplement that Bro. John L. Jevitz Jr. of Joliet, Ill., popped the following question: "Who will represent the Illinois division in Cleveland, Ohio?" Why, Bro. Jevitz, how ridiculous. You know as well as we do that the Comrades' "crack" bowling team has cinched the national championship.

By the way, Bro. Jevitz, how about a match game in the near future? We might as well give the Joliet boys a "permanent massage" now as well as any other time; eventually, why not?

On Saturday, Nov. 29, the Illini Stars of Chicago, Ill., will meet the strong Comrades' "crack" bowling pin five at Waukegan, Ill. The match game will be run off at the Waukegan Recreation Rooms at 7 o'clock sharp. A dance will follow the contest, which will be held in the lower hall of the Slovenian National Home.

Whether or not the Illini Stars will be represented by a girls' bowling quintet has as yet not been determined. Oh, well, another scalp for the Comrades.

A surprise party was held in honor of Miss Josephine Grum and given by Frank Zupec, Miss Grum's future ??? Sh-h, it's a secret.

Eighteen couples attended the gala affair. Miss Grum was presented with a cedar chest. Oh, Frank, darn those wedding bells!

Minutes of the S. S. C. U. Athletic Conference

Held in Cleveland, O., Sept. 12 and 13

(Continued From Last Issue.)

FOURTH MEETING

Meeting was called to order by Vice Chairman Kress, at 1:30 p. m. All answered to the roll call except Bro. Kolar and Bro. Vessel who were absent due to special committee's assignment for athletic conference. Bro. Jaklich was appointed temporary recording secretary.

At 1:40 p. m. Bros. Vessel and Kolar returned from their special assignment. Bro. Vessel resumed his duties of recording secretary.

Discussion of prizes took place. Bro. Zortz suggested that watch charms be given to the individuals comprising the champions of each league in basketball. It was moved by Bro. Kopler, seconded by Bro. Zortz, that a loving cup be given the team winning the national basketball title three times. Bro. Kolar made a motion, seconded by Bro. Jaklich that a bronze statue be given permanent possession to the lodge winning the national basketball title three times, and that the cost of the bronze statue is not to exceed fifty dollars (\$50). The latter motion was carried.

Sectional prizes were taken up next. A motion of Bro. Kolar, seconded by Bro. Jaklich, that individual prizes to the winners of the Eastern and Northwestern league tournaments be given; such prizes to be watch charms in the form of basketballs with the Union insignia. Motion carried.

Bowling prizes were given next consideration. Bro. Jevitz made a motion seconded by Bro. Zortz, that a bronze statue be given to the winner of the National bowling title. Cost of the bronze statue to be approximately one-half the cost of the bronze statue awarded the National basketball champion lodge team. It was further added, that the lodge winning the national bowling title three times is to be given permanent possession of the bronze statue. Bro. Polaski made a motion, seconded by Bro. Jaklich that watch charms in the form of bowling balls be given the individuals comprising the winning teams of the Eastern and Central Leagues. Cost of the watch charms to be one-third less than those given to individuals of the teams comprising the sectional basketball champions.

Bro. Jevitz made a motion seconded by Bro. Kozlevchar that fifty dollars (\$50) in cash prizes be distributed the individuals participating for the National Bowling lodge title as follows:

\$25 be given to the team winning the National lodge bowling title.

\$10 be given to the team scoring highest number of points in one game.

\$8 be given to the individual scoring the highest number of points in the three-game series.

\$7 be given to the individual scoring the highest number of points in one game.

Motion carried.

A discussion on girls' sport clubs and suitable prize for winners of lodge teams in various line sports took place next. Bro. Vessel strongly urged the formation of more girls' sport clubs especially in the Minnesota communities. It was moved by Bro. Kolar seconded by Bro. Kozlevchar that ten dollar (\$10) loving cups be given to girls winning each state championship in any line of sports participated by teams of two or more lodges within one state. Motion was carried unanimously. The delegation went on record as being strongly in favor of more girls' basketball teams and other lines of sports. Efforts will be made by the Athletic Board to promote the organization of more girls' teams.

For Reference

Roster of our lodges is printed in this issue and includes the names of the officers, their addresses, and the time and place of the regular monthly meeting.

This roster is published but four times a year, this being the last to appear during 1930. It would be advisable to file away the copy of this week's New Era for reference, for one never knows when such information will be wanted.

Perhaps a member wishes to correspond with any of the lodge officers in a different locality, or a number of members wish to make a trip to a distant city and attend one of the local lodge's affairs—by having the secretary's address the whole trip can be arranged by mail.

Sometimes members are absent from the regular monthly meetings through some unfortunate circumstance, and wish to pay their lodge dues. A glance at the roster will give the secretary's name and address of that particular lodge.

We also hope to see some of our brothers and sisters of the range here to help us have a good time. Don't forget.

Pleased to Meet You

When Frank Drobnić, vice president of the George Washington Lodge, traveled to Pittsburgh, Pa., in the company of Joseph Jarc and Staley Vessel, brother-members, of Cleveland, O., to attend the Sports Dance given by the Pittsburgher Lodge, he was unaware of the thoroughness with which Pittsburgh carries out its programs.

The trio is still talking about the wonderful time shown them, and how they enjoyed their two-day visit. At the dance they had the honor of meeting a number of people not only from Pittsburgh, but from Ambridge, Canonsburg and Burgettstown, Pa.

Below are the names of these people and the towns from which they came to Pittsburgh:

Ambridge, Pa.—Rudolph Peltz, Joseph Rosenberg, John Perko Smith, George Hornak.

Canonsburg, Pa., representing Jefferson Collegians Lodge, No. 205, SSCU—Mr. and Mrs. August Lawrence, Steve Lombardi (treasurer), George Rubic, Louis Polaski (vice president), Helen Polaski, Ann Retzel (secretary), Frances Retzel, Walter Moliski, Frank Samsa, Sophie Sustrich.

Pittsburgh, Pa.—John Antlogar, Thomas Antlogar, Rose Golob, Mr. and Mrs. Frank Lekar, John Galobic, Louis Kompare, John Furar, Mrs. John Furar, George Shallamune, Seda Shallamune, Frank Frenchak, Frank Sprohar, Anton Sprohar, Joseph Sprohar, Joseph Krotke Mike Powse, Mr. and Mrs. Joseph Maticic, Ivan Baraga, Larry Gould, Frank Spohar, Mr. and Mrs. John Golob, Anthony Gorup, Frank Summit, France Lokar, Sophie Erjavec, Honey Erjavec, John Balkovec, Anton Zbasnik, Mrs. John Spehar, Thomas Ford.

Burgettstown, Pa.—Mary Lawrence, Mary Launder, Mildred Faucher, Mary Pompe, Domenick Mageritic.

National Star News

Our first masquerade dance proved to be a huge success. Four cash prizes were given for the various costumes. Despite the lack of co-operation from the members it was greatly advertised by the few who did co-operate.

I wonder how many of you members read the excellent article on co-operation that appeared in last week's issue of the New Era Supplement?

The conditions mentioned therein are only too true among us. Therefore, members, let's all become a little more active, and when the next meeting date, Thursday, Nov. 6, comes around, we'll all be just full of ideas and we won't be lacking in co-operation. What do you say, members?
