

IZ AMERIKE IN INOZEMSTVA

ZA OBRAMBNE BAZE

Pretekli teden je bilo poročeno iz Washingtona, da se med Zedinjenih držav in vlad Anglije vršijo pogajanja, po katerih naj bi vlada Zedinjenih držav dobila važna oporišča o mornariške in letalske baze za ameriško vojno mornarico in za vojno letalstvo. Posebne važnosti in an- tiopozicije v bližini Panam- ske prekopa. Vlada Zedin- jenih držav se tudi dogovarja s vlado glede obramb- nih problemov, ki so obema de- lam skupni.

VAŽNA PETLETNICA

Na 15. avgusta tega leta je bilo pet let, odkar je pred- sednik Roosevelt podpisal po- stopno Social Security Act, ki postavlja za bazo prve- rogovini te dežele vpejlna za zavarovalnina za ostare- lo brezposelnost itd. Starost- no zavarovalnina, za katero pla- vajo prispevke zavarovalnici in delodajalci, pokriva pri- krog 50 milijonov delavcev. Če bi se zdaj približno dva- deset milijonov delavcev po- njevalo v zavarovalnino po- njevalo, bi se zavarovalnina po- njevalo v 8 milijonov delavcev. V času prejema tako po- njevalo poldrugi milijon de-

PRICETEK KAMPANJE

Letošnjem novembru se bo- vršile volitve za predsedni- ka in podpredsednika Zedin- jenih držav, za vse člane posl- nih zbornice zveznega kongre- sa in tretjino članov senata, za- to gubernorjev, za člane dr- žavnih zakonodajnih tel. Volilna kampanja se je zares pričela avgusta, ko je predsedniški kandidat republikanske stranke Wendell L. Willkie v svojem govoru izjavil, da sprejema

IZPRAZNJENI MESTI

Kabinetu predsednika Roo- sevelta sta oziroma bosta te dni izpaznjeni dve mesti. Resigna- cija podala generalni postar- ka A. Farley in poljedelski sekretar Henry A. Wallace. Mr. Farley se bo umaknil v privat- no poslovanje, Mr. Wallace pa bo prevzel nominacijo za po- sednika demokratske stranke, ki nominirala sedanjega predsednika Roosevelta za tret- njo predsedniški termin. Kdo bo nasledil Wallacea in Farleya v kabinetu, še ni znano.

VAŽNA PRIPRAVLJENOST

Zbornice zveznega kon- gresa sta v principu odobrili zakon, ki po- sednika Zedinjenih držav, da pokliče k daljšemu vojni vojsko vse držav- niki in vse vojaške re- gije. Ko bo posebni odbor po- njevalo zbornice in senata iz- jave, da nekatere razlike v načr- tih sprejeta v senatu in na strani v poslanski zbor- ni bo predsednik podpisal, bo stopi v veljavo. Z načr- tih postav za splošno vojaško pripravljenost se zdaj bavi senat. (Dalje na 7. strani)

VAŽNA DOLŽNOST ZA NEDRŽAVLJANE

Vsi nedržavljeni, bivaajoči v Zedinjenih državah, se bodo morali v dobi med 27. avgustom in 26. decembrom letos registri- rati. To je prva te vrste regi- stracija v Zedinjenih državah. Nanaša se na vse osebe, ki ni- majo ameriškega državljanstva, tudi na tiste, ki že imajo prve papirje. Vsak nad 14 let star nedržavljan se mora registri- rati sam in obenem oddati od- tis prstov, pod 14 let stare ne- državljanke pa morajo registri- rati njihovi starši ali tiste dru- ge osebe, ki so odgovorne zanje.

Tistim našim članom, ki niso še ameriški državljanji, resno priporočamo, da se v predpis- nem roku registrirajo. Obenem jim priporočamo, da na to opo- zorijo tudi svoje morebitne znance in prijatelje, ki sicer ni- so naši člani, pa so vendar naši rojaki, in ki niso državljanji, da vzamejo zadevo registracije re- snostno. Registracije ne predpi- suje kaka mestna ali državna po- stava, ampak federalni zakon, in s federalnimi zakoni se ni šali. Justični departament zve- zne vlade, v katerega področja spada registracija inozemcev, bo prej ali slej dosegel s svojo roko vsakega nedržavljanja, ki bi se registraciji izognil. Za ne- upoštevanje registracijske po- stave so določene stroge kazni in v nekaterih primerih tudi deportacija.

Z zadnji izdaji Nove Dobe so bila v slovenščini navedena vprašanja, na katera bodo morali pri registraciji odgovoriti vsi nedržavljeni. Važno je, da se na vsa vprašanja odgovori po pravici. Komur se bo dokazalo, da je na kako vprašanje vedoma nepravilno odgovoril, ga čaka stroga kazen. Zato je potrebno, da se vsak, ki je podvržen regi- straciji, pravočasno preskrbi s točnimi podatki za te odgovo- re. Časa je za to štiri mesece, toda z registracijo ni treba od- lagati toliko časa; čim prej je mogoče zahtevne postavke zadosti- ti, tem bolje.

Registracija se bo vršila v poštah uradih in tu in tam tudi v drugih primernih prostorih, ki jih bodo oblasti določile po krajevnih razmerah. Tak pri- storji bodo pravočasno določeni in oznanjeni za vsak kraj. Pri- poročljivo je, da si vsak ne- državljan brez odlašanja pre- skrbi na poštenu uradu svo- jega kraja vzorčno polo (Speci- men Form-Alien Registration), ki vsebuje potrebna navodila gle- de stavljenih vprašanj in odgo- vorov in na katero lahko doma napiše zahtevane odgovore. S tisto polo gre potem na regi- stracijski urad, kjer koli že bo v njegovem kraju, ter jo pred- loži uradniku. Uradnik bo po- tem prebral tam navedene po- datke na pravo registracijsko listino in morda vprašal še za kakšno natančnejšo pojasnila. Ko bodo odgovori na vsa vpra- šanja pravilno označeni na pravi registracijski listini, bo moral registriranec prisesti, da so po- datki resnični, in obenem oddati odtis svojih prstov. Tako vsaj je določeno predvideno. Ako kdo ne razume navodil in vprašanj na vzorčni poli, naj vpraša koga za pomoč, da bodo vprašanja pravilno odgovorjena. Ako kdo nima točnih podatkov za pravi- lne odgovore na vprašanja, naj se potruži in si jih preskrbi. Časa ima štiri mesece, namreč vse od 27. avgusta do 26. de- cembra. (Dalje na 4. strani)

O VOJNI INDUSTRIJI

Kongres Zedinjenih držav je tekom sedanjega zasedanja o- dobnil ogromne vsote za narod- no obrambo, ali z drugimi be- sedami, za oborožitev. Vlada Zedinjenih držav je vse od za- ključka zadnje svetovne vojne priporočala dogovorno zmanj- šanje oborožitve vseh držav, ker z denarjem, izdanim za o- boroževanje, bi si prizadeti na- rodi zamogli silno dvigniti svo- je materialno blagostanje in svojo kulturo. Toda miroljubna priporočila Amerike so zadelo na gluha ušesa in v Evropi je zadivjala vojna, ki preti uniči- ti zadnje ostanke demokracije. Vlada Zedinjenih držav se je vsled tega odločila za močno o- borožitev in zvezni kongres je to na svrhu dovolil velike vsote. Amerika neče vojne, toda hoče biti pripravljena, da odbije vsak napad. Danes na svetu ne odloča pravica, ampak moč. In mi vsi upamo, da Amerike, ki bo močno oborožena in pripravl- jena, ne bo upal nihče napasti. Morda je to edini način, da se izognemo vojne, ki je zasuš- njila že vrsto evropskih dežel.

Oboroževanje, ki je postalo neljuba potreba Amerike, pa po- meni seveda razmah ameriške industrije. Gradijo se nove to- varne ter večajo in modernizi- rajo se stare. Orožje in druge vojaške potrebščine se deloma izdelujejo v vladnih podjetjih, deloma v privatnih tovarnah. Vojna industrija je razdeljena na širok dežele, večina oddalje- no od morskega obrežja. Največ teh industrij je dosedaj v grad- nji, obratu ali načrtih bolj v sredini Amerike, med Rocky Mountains in gorovjem Allegheny.

Takó bo v bližini mesta Cin- cinnati v državi Ohio zgrajena velika tovarena za izdelova- nje letalskih motorjev. Druga tovarna v tamkajšnji bližini bo izdelovala žarkomete in zrcala za protiletalske topove. V Charlestonu, Indiana, gradi vo- jni departament tovarno za izde- lovanje brezdimnega smodnika, ki bo stala 30 milijonov dolar- jev. V Richmondu, Va., se gradi velika tovarna za izdelovanje aluminija, ki je potrebna siro- vina za letala. V Houstonu, Tex., je tovarna za izdelavo no- vih ekspoziv. Številne druge e- dinice vojne industrije so raz- tresene po drugih krajih sred- njega zapada. Večje število jih je v primerni bližini znanega TVA projekta v državi Tennes- see, kjer je na razpolago o- gromna električna sila, proizva- jana na tamkajšnjih jezovih. Tudi električna sila drugih ve- likih jezov, ki so bili zgrajeni zadnja leta, se bo po možnosti porabljala v novih vojnih in- dustrijah.

Po sedanjih načrtih se bo iz- dalo okrog tri tisoč milijonov dolarjev za izgradnjo, poveča- nja in opremo tovarn, ki bodo izdelovale vojaške potrebščine. To bo seveda dvignilo gradbe- no industrijo in vse druge in- dustrije, ki so z isto v zvezi, strojno industrijo itd. Nove to- varne bodo prinesle v razna mesta mnogo denarja v obliki delavskih plač in v obliki di- rektnih nakupov. Tovarne bo- do deloma v lasti in upravi vlade, deloma v privatni lasti in upravi. Slednjim bo Reconstruc- tion Finance Corporation dala na razpolago primerna posojila za izgradnjo, povečanje in mo- derniziranje tovarn. Kongres se- tudi bavi z načrti nekatere od- (Dalje na 7. strani)

DRUŠTVENE IN DRUGE SLOVENSKE VESTI

Federacija društev JSKJ v za- padni Pennsylvaniji bo zbo- rovala v nedeljo 25. avgusta v naselbini Center, Pa. Zborova- nje se bo vršilo v Slovenski dvorani in se bo pričelo ob 10. uri dopoldne.

Združena slovenska društva v New Yorku, med katerimi je tudi društvo št. 50 JSKJ, pri- redijo v nedeljo 25. avgusta ve- lik skupnik piknik. Prostor pri- reditve: Charles Garden Park, 60-18 Metropolitan Avenue, Ridgewood, N. Y.

Minnesotska federacija dru- štev JSKJ bo zborovala v nede- ljo 1. septembra v Jugoslovans- kem narodnem domu v Elyu, Minn. Pričetek zborovanja je določen za eno uro popoldne.

Plesno veselico priredi dru- štvo št. 84 JSKJ, s sedežem v Trinidada, Colo., v nedeljo 1. septembra. Prostor veselice: Motor Park.

Prihodnje zborovanje federa- cije društev JSKJ v državi Ohio je določeno za nedeljo 3. novem- bra. Vršilo se bo v S. N. Domu v Clevelandu.

Prireditve jesenske veselice naznanja društvo št. 71 JSKJ v Clevelandu, Ohio, za nedeljo 16. novembra.

V spremstvu brata Tonya Drenika, člana in delegata dru- štva št. 71 JSKJ, je pretekli teden posetil uredništvo Nove Dobe mladi rojak Carl Kosmerl iz Buffala, N. Y.

Ubit od strele je bil tekom nevihte v nedeljo 18. avgusta Louis F. Miller, star 31 let, po- možni oskrbnik Slovenskega do- ma na E. 80th St., Cleveland, Ohio. Strela ga je zadela, ko je stopil iz svojega avtomobila na farmi na Turney Rd., kamor se je bil pripeljal s svojo družino na izlet. Prepeljan je bil v bol- nišnico v Bedfordu, pa je med- potoma izdihnil.

Iz Loraina, Ohio, nam poroča Miss Vida Kumse, da je bil v ne- deljo 11. avgusta na radijskem programu "One Man's Family" pohvalno omenjen naš pisatelj Louis Adamič, njegova knjiga "My America" ter nedavno pri- občena črtica "The old alien by the kitchen window." Poslušal- ci so bili tudi opozorjeni na nje- govo bodočo knjigo "From many lands."

V odličnem slovenskem me- sečniku "Ljubljanski Zvon," ki že 60. leto izhaja v Ljubljani, je v septembski številki v prevo- du priobčen del poglavja o "sitdown" stavkah iz Adamiče- ve knjige "My America." Nada- ljevanje bo sledilo v prihodnjih izdajah.

IZOGIBANJE NA DESNO

Vsakemu priseljencu, ki je prišel iz Evrope v to deželo, se je nedvomno čudno zdelo, ko je videl, da se vsa izogibanja vrši- jo na desno. Vozovi in avtomo- bili se izogibajo na desno, isto- tako vlaki in celo peši na cesti. Amerika je prevzela mnogo na- vad stare Anglije, celo mero in vago, toda ni posnemala angle- škega izogibanja na levo. DELO ZNANSTVENIKOV

Znanstveniki različnih vrst se leta in leta ukvarjajo z raziska- vanji, ki se nam mnogokrat zdijo za splošni blagor člove- štvu čisto brez pomena. V resni- ci se mnogi znanstveniki ne za- vedaajo, da bodo njihova od- kritja morda koristila človeštvu, in ne pričakujejo niti plačila niti priznanja. V tajnosti na- ravnoprodirajo največ zato, da zadostijo svoji radovednosti in ukaželjnosti. Kljub temu pa nji- hova odkritja mnogokrat po- vročijo velike preobrate in iz- boljšave v življenju narodov.

Mihael Faraday, ki je odkril temelje elektro - magnetičnega voda, se ni niti od daleč zave- dal, da je s tem odprl pot čisto novi civilizaciji s porabo elek- trične sile za razsvetljavo, gor- koto, pogon strojev itd. Za Fa- radaya in za njegove sodobnike je bilo to le zanimivo odkritje. Izbrava tega odkritja je sledila še le pozneje.

Hitrost svetlobe je odkril Roe- mer, ko je študiral mrke plan- eta Jupitra in njegovih lun. Zanj je bilo to samo zanimivo odkritje, toda na podlagi tega temeljnega odkritja smo pozne- je dobili radio in televizijo.

Astronomi so se bavili s štu- diranjem vseirja in so v take svrhe potrebovali primerne ste- klene leče oziroma daljnogled- e. Na podlagi teh prvotnih daljno- gledov so bili pozneje izdelani drobnogledi, ki so izredno veli- kega pomena v zdravništvu in v stoterih industrijah. Brez drobnogledov bi zdravniki ni- koli ne mogli slediti raznim ba- cilom, ki jih s prostim očesom ni videti, ki pa so odgovorni za številne bolezni in okuženja. Sovražnika se more uničiti le, če ga poznamo oziroma če vemo zanj. V industrijah pa drobno- gledi pokažejo najmanjši napa- ke in nezaželjene primese v iz- delanih predmetih ali v surovi- nah za izdelavo istih.

Astronomi ali zvezdoslovci so bili tudi tisti dobrotniki človeš- tvu, ki so dali temelje za izde- lavo dobrih očal. Kolikim ljudem bi bila preprečena izobrazba in otežkočeno življenje, če ne bi imeli dobrih očal!

Ko je Daguerre iznašel foto- grafijo, si pač ni predstavljaj, da je s tem dal podlago za da- našnjo filmsko industrijo. Iz- boljšana fotografija je danes tudi neprecenljive vrednosti za astronome, ki fotografirajo mi- lijone svetlobnih let oddaljena nebesna telesa.

Že pred dobrim stoletjem je Berzelius delal razne kemične poskuse in na tej podlagi so nadaljevali njegovi nasledniki. Gospodarske posledice razvoja kemije so neštene. Kažejo se v izdelavi čistih kovin in zlitin, v izdelovanju jedilnega olja iz prej nerabnega bombažnega se- mena, v pridobivanju solitra iz zraka, v pripraviranju olja za motorni pogon in v tisočih dru- gih primerih.

Naravoslovcem, ki merijo kri- la in rilčke metuljev, muh, čebel in komarjev, se povprečen člo- vek smeje, toda tudi tako nji- hovo delo ni v vseh primerih brez praktičnega pomena. V Avstralijo so bili pred leti vpe- ljali deteljo, ki je navidezno imela vse pogoje za uspevanje, toda je v letu ali dveh po po- svetvi izumrla, ker ni napravljala nikakega semena. Vpeljali so tja čmrlje, ki edini imajo pri- merno dolge rilčke, da srkajo med iz deteljne cvetja in s (Dalje na 3. strani)

ODMEVI IZ RODNIH KRAJEV

BELOKRANJSKI ROJAK

Univerzitetni svet ljubljanske univerze je potrdil izvolitev dr. Nika Županiča, bivšega ministra in dosedanjega ravnatelja etno- grafskega muzeja v Ljubljani, za rednega profesorja etnologije na ljubljanski univerzi. Pro- fesor dr. Niko Županič je belo- kranski rojak. Rojen je bil leta 1876 v Gribljah, osnovno šolo je obiskoval v Podzemlju, gim- nazijo v Novem mestu, univerzo pa na Dunaju. Leta 1907 se je naselil v Beogradu. V začetku svetovne vojne se je prijavil kot prostovoljec v srbsko armado, toda je bil prideljen vojni cen- zuri v Nišu. Pozneje je bil član Jugoslovenskega odbora, ki je deloval za zedinjenje Srbov, Hr- vatov in Slovencev, ter je v službi istega obiskal tudi Slo- vence v Ameriki.

PETA KOLONA?

Policijski glasnik notranjega ministra v Beogradu je dne 9. julija objavil tiralico za tremi pobeglimi možaki, ki so se pre- grešili proti zakonu o zaščiti javne varnosti in reda v državi. Notranje ministristvo je razpi- salo nagrado 100.000 dinarjev za onega, ki jih prvi prijavi oblast- vom, da jih ujamejo. Imena za- sledovanih so: Anton Ivančič, rojen v Podbrdu pri Trzinu, star 35 let; Ferdinand Kravanja iz Čezsoče pri Bovecu, star 28 let; Alojz Knez, doma od Beljaka, star 22 let. Vsi trije so pred pobegom stanovali na Jeseni- cah.

CENA NOVE PŠENICE

Letošnja letina pšenice bo v Vojvodini srednje dobra, v Sr- biji in Južni Srbiji pa prilično slaba. Vsekakor pa se pričakuje, da bo celotni pridelek kril do- mače potrebe. Cena nove pšeni- ce bo prilično ista kot cena stare, in sicer 215 do 220 dinar- jev za meterski stot.

SPREJEM V ODESI

V rusko pristanišče v Odesi ob Črnem morju je meseca ju- nija letos prvič pristala jugo- slovenska ladja. In sicer je bila to ladja Lovčen, ki je last Zet- ska plovidbe. Ladja je bila tri dni v sovjetskem pristanišču. Po izjavi kapitana Marinoviča in članov posadke je bila jugo- slovenska ladja zelo lepo spre- jeta od sovjetskih oblasti, ki so izrazile zadovoljstvo zaradi do- seženega gospodarskega spora- zuma. Predstavniki mesta Ode- se in pristaniških oblasti so pri- šli na ladjo, nakar jim je kapi- tan Marinović vrnil obisk. Med tridnevnim bivanjem v Odesi so se oficirji in mornarji ladje kot gostje mesta Odeše udeležili raz- nih prireditev ter si ogledali mesto.

HABSBURŽANKA

Med dijakinjami II. ženske realne gimnazije v Zagrebu, ki so te dni napravile višji tečajni izpit, je tudi gđ. Gabrijela Habsburgova, bivša avstrijska princesa. Maturo je opravila v dobrem uspehom kot privatist- ka. Gabrijela živi stalno v Za- grebu pri svoji stari materi ge- baronici Nikolić-Podrinski. Je hčerka bivšega avstrijskega nadvojvode Rainerja Salvatorja in njegove žene baronice Dag- mar Nikolićeve, hčerke pokoj- nega velikega župana in po- bana.

VSAK PO SVOJE

V teh časih, ko se toliko go- vori in piše o potrebi vojaške pripravljenosti Zedinjenih dr- žav, slišimo tudi nasprotne ar- gumente, namreč, da se nam ni treba oboroževati niti se nam ni treba bati napada od nikoder, dokler se brigamo samo za naše lastne zadeve in se ne vtikamo v probleme drugih držav. Mi bi takim lepim melodijam radi verjeli, če ne bi videli usode drugih dežel, ki niso imele naj- manjšega namena napadati druge ter so se brigale izključno zase. Pa nam ta žalostna proce- sija kaže Etiopijo, Albanijo, Češkoslovaško, Luksemburško, Belgijo, Holandsko, Dansko, Norveško itd. Tolpe krvoločnih volkov ne ustavijo miroljubne izjave, ampak samo primerna količina svinca.

Največji in najdražji "šmorn" so nedavno imeli v Middletownu, N. Y. Prevrnil in razbil se je namreč truck, na katerem je bilo za tri tisoč do- larjev jajc.

Mnogokrat se poudarja, da se moramo držati naukov naših dedov in pradedov. To je pri- poročljivo v nekaterih primerih, toda ne v vseh. Če bi se Sloven- ci stoprocentno držali takih nau- kov, bi se vedno orali z lesenimi plugi, še vedno otepal žgan- ce z lesenimi žlicami in še ved- no častili svoja stara božanstva, boga Peruna in Triglava in raz- irano boginjo Živo.

Italijansko vojno ministristvo je izdalo ukaz, da v Rimu ne sme biti nobenega psa na cesti. Tako je prav. Če je šla ljudska svoboda po gobe, naj gre še pasja.

Zagrebski časopis "Iskra" po- roča, da je prosvetni minister dr. Anton Korošec izjavil, da bo po vseh solah Jugoslavije odre- dil oblatno učenje italijanske- ga jezika. To bi značilo, da se Miss Jugoslavija odpravlja v Rim. Pa je znano, da se punci, ki gre v Rim, lahko kaj nepri- jetnega pripeti.

Karl Kapp, nemški konzul v Clevelandu, je na pikniku neke nemške organizacije izjavil, da bo nacijska Nemčija vpeljala sistem, po katerem bogati ne bodo mogli postati bolj bogati in revni ne bolj revni. To bo morda od neke mere resnica. Nihče ne bo mogel postati bolj bogat ali bolj reven, ker bodo vsi enako revni.

Farmer William Besser in njegova žena Della v Oklahomi sta nedavno dobila ločitev za- kona. Žena s svojimi sedmimi otroki iz prejšnjega zakona se je preselila k svojim sorodni- kom, mož in njegovih 18 otrok iz prejšnjega zakona pa so osta- li na farmi. V tem primeru je bilo kar 25 živih vzrokov za lo- čitev.

Poroča se, da bo bivši pred- sednik Hoover aktivno posegel v kampanjo za izvolitev Willkie- ja za predsednika Zedinjenih držav. Če mu je res kaj za Will- kiejevo izvolitev, potem, pri vseh bogovih, naj drži svoje pr- ste proč.

V Angliji je zaprtih več boga- tih fašistov in njihovi pažniki se pritožujejo, da si pustijo preveč streči. Omenjeni jetniki si nam- reč smejo naročiti poljubne ko- (Dalje na 7. str.)

PETITIONS, COMPLAINTS AND APPEALS TO THE CONVENTION

Individual members and lodges desiring to file petitions or complaints in the forthcoming convention, should forward the same to the Home Office of the Union not later than August 24. The same applies to lodges and individual members who desire appeals from decisions of the Supreme Board or verdicts of the Supreme Judiciary Committee.

Petitions of individual members must be signed by them, and the facts set forth therein certified to by the officers of the lodge. Signatures of members filing complaints and appeals should be authenticated by the secretary of the lodge.

ANTON ZBASNIK, Supreme Secretary

Penna. Federation

Center, Pa. — Only one more meeting of the Western Pennsylvania Federation of SSCU will be held before the quadrennial convention in September. The site of this next meeting will be Center, the place of all the delegates at the last meeting.

An unusually large number of persons are expected to attend this session, since all Western Pennsylvania delegates to the Waukegan convention were requested at the last meeting to be present on August 25. There will be quite a few delegates from the section who will go to the convention, and these, added to the usual representation will make a large gathering.

The committee who will prepare the dinner promise to themselves on this particu-

lar occasion. An especially delicious meal will be served, and they assure every one present that he will not go away dissatisfied. I might add that the Slovene Home in Center has been enlarged and now has increased facilities for your enjoyment.

Don't fail to attend this session on August 25, especially if you are a delegate to the federation meeting or to the convention.

Proposes Changes

It has been noticed that there is much comment on the proposed changes in the by-laws with reference to sick benefit payments. There has been a majority of the articles published in the Nova Doba against the table of payments as proposed by the Supreme Secretary. There is no question but that he has reasons for the proposed changes. I am of the opinion that some changes are necessary, therefore, I am proposing the following changes so that the coming convention will improve the present by-laws.

Sec. 305. Add the following operations.

1. Retroperitoneal sympathectomy	\$65.00
2. Caesarian Section	65.00
3. Transurethral prostatectomy	50.00
4. Surgical removal of one or both testicles	50.00
5. Vaginal hysterectomy	50.00
6. Removal internal semi-lunar cartilage	50.00

Comment. Some of these are payable at this time but it is better if they are specifically stated.

Sec. 308A. No operation benefits shall be payable during the first year of membership if operation is the result of the following illnesses:— Arthritis of any kind, osteitis, periostitis, osteomyelitis, kidney disease, liver disease, gall bladder disease, hemorrhoids, thyroid disease, cancer, varicose veins, genito-urinary disease, hernia, hydrocele, varicocele, and stomach disease.

Comment. A section such as this is in the present by-laws with reference to sick benefits but not operation benefits. It is my opinion that if sick benefits are not payable for the above during the first year then operation benefits should not be payable.

Sick Benefits

Sec. 319 and 320 as proposed by the Supreme Secretary.

Sec. 321. As proposed except cut out the last sentence.

Sec. 321. Sick benefits shall be payable according to the following table.

Membership	Full Benefits (Months)	Half Benefits (Months)
90 days to 5 years	3	6
5 years to 10 years	6	6
10 years to 15 years	7	8
15 years to 20 years	8	10
20 years to 25 years	9	12
25 years to 30 years or over	10	14

One month in the above table is considered as thirty (30) days.

Sec. 321 A. 2. No member shall be entitled to more than \$1310.00 from the sick and indemnity fund. (Sick benefits \$510.00 indemnity benefits \$800.00.) A member must receive six months full (or three months before membership of more than five years) benefits and six months half benefits before he is entitled to any further benefits according to the above table. (Example.) That is a member in the sick benefit fund for over 18 years is entitled to six months full benefits and six months half benefits then if still sick he is entitled to an additional 2 months full benefits and 4 months half benefits.

Sec. 321 B. As proposed. Sec. 321 C—cut out.

Sec. 322-323-323A-323B as proposed by Supreme Secretary.

Sec. 324 First paragraph as proposed by Sup. Sec.

- a) cut out LaGrippe.
- b) as proposed.
- c) Add LaGrippe
- d) cut out major operations.
- d-1) Not more than 90 days

sick benefit shall be paid for recovery after major operations.

e) f) g) h) as proposed.

Sec. 324A. As proposed by Sup. Sec.

Sec. 324B. Cut out and insert the following:

At age sixty-five a member, if he so wishes, may withdraw from the sick benefit fund and is entitled to the following provided he did not receive more than the stated amount in sick or indemnity benefits or the difference between the amounts stated below and the amount received in benefits provided this difference exists.

Years of membership in Sick & 50c per day	Indemnity Fund	class
15 years	\$25.00	\$ 50.00
20 years	37.50	75.00
25 years	50.00	100.00
30 years	62.50	125.00
35 years or over	75.00	150.00

Sec. 324 C cut out.

Sec. 324 D. Any amount of sick benefits already received from the sick and indemnity fund during its existence shall be credited against the amount due according to table in Sec. 321 A.

Sec. 331-332-346 as proposed by the Supreme Secretary.

You will note that this is somewhat similar to the present system of payment of sick benefits except in Sections 321-A, 321-B, 321 A-2, and 324 and 324-B, and 324-D. I am presenting this for consideration, of course, the convention will decide finally which is better for the Union.

Coll. Boosters Bits

Cleveland, O. — Miss Antoinette Laurich, an active Collinwood Booster member, became engaged to Mr. Alfred Gray. Another well known member Mr. Frank Valencic is going to be married August 24 to Miss Sylvia Zaitz. Congratulations and lots of luck and happiness to you all.

Friday at our regular meeting a \$1.00 bill was given away. Joe Struna was the recipient. Rudy Agnich sure was gay at the meeting. After the meeting we celebrated two birthdays, Louie Starman's and Rudy Agnich's. Happy birthday boys. Refreshments were also served.

Saturday night the Collinwood Boosters held a private weiner roast. Here are some of the highlights of the evening.

Ludie Laurich and Ed Marincek had a head start on everybody before coming out.

Rose Struna always thinking of the best said: "If we run out of hot dogs there's a hound here."

Trosky, usually a very gay fella, kind of quiet that night.

Ed. Marincek sitting out under a tree by himself playing a mouth organ.

Plenty of good bartenders.

Ed. Marincek pulling a wagon with Puffy Bohinc sitting in it. Bang goes the wagon falling apart.

Our grand girl Elsie M. Desmond seen in the company of Lochie Evancic, our left fielder.

The girls being well entertained by Rudy Agnich.

The two accordion players Frankie Fortuna and Joe Stemble swinging out some pretty hot music.

Our star shortstop, Minnie Nachtigal falling asleep in the car.

Ludie Laurich not the boy he used to be.

All the gang singing and dancing.

Alice Struna and Frances Zaggar having one swell time.

All in all everybody had a wonderful time.

The Coll. Boosters and Napredoks are playing for the city championship. The first game was played yesterday and the next is tomorrow, Friday the 23rd. May the best team win. So come out there and root for your teams.

Lodge 155

Blaine, O. — It is with pleasure that I report about our lodge 155, SSCU picnic on Sunday, August 11th. Never before at any of our picnics has such a large crowd showed up, with our membership almost one hundred per cent in attendance. Thanks to all our guests, including the group from Piney Fork, O. In behalf of the lodge, I wish to express my thanks to all who made our picnic such a grand success.

Reasonable Care

To help reduce the toll of life and the suffering caused by traffic accidents the Police Department asks that everyone remember one of the first rules of safety. Stop at the curb and look before crossing the street. Take time enough to cross in safety—just reasonable care will save you from an accident.

ROUNDING OUT THE WEEK

With Little Stan

Little Stan

Ely, Minn.—Most perplexed newspaperman in the city of Ely today is your scribe who has turned summersets, hand-springs, and even wore glasses upside down in a vain effort to discover what the heck is the meaning of that word "Yehudi."

In last week's "About This And That," by Elsie Desmond, she advised that "Yehudi would say to take the other one so that you can depend on him." She had in reference Little Stan's problem: What Magic Carpet should he take to the 16th Quadrennial convention in Waukegan, the machine or the rails?

And now she has Little Stan very much perplexed. He'd like to know who the heck "Yehudi" is! Please, Elsie, won't you help ease the situation a bit so that Little Stan can get back to work! Heh Heh!

A hot sun is glaring at citizenry hereabouts, but a cool "Northwester" makes weather conditions ideal. Tourists are streaming into this wilderness mecca, and fine catches of fish are reported everywhere.

Couple Sundays ago, Little Stan, Doc Zgonc, and Goshmitt Leo Erchul took a ride to Aurora, Minn., where the Minnesota Federation session took place in the Slovenian Hall. Bro. Matt Anzelc, our supreme trustee from that city, was a genial host and greeting the boys at the door was none other than our good old friend Tony Mishmash who is a delegate from the Aurora Lodge. All our good Range friends from Eveleth, Chisholm, Gilbert, and points between were there. During the business session, it was decided to hold one more Federation meeting in Ely before the convention. That will be Sunday, Sept. 1, week before the big convention in Waukegan. Supreme officers of our SSCU will be in Ely for the pre-convention audit.

On the entertainment side, there was a host of nice things. Rudy Smolich in his new emporium was a very genial host. We all sat about, chinned a bit, played the nicleodeon, and otherwise enjoyed the rest of the day.

Most of the representatives of lodges were elected delegates to the Waukegan convention. Joseph (Clark Gable) Champa, dapper example of what the modern gentleman will wear, was the hit of the afternoon. His disarming smile was all over Rudy's, and he was a charming host to the lady delegates! Between times, Bill Zbaskik, Leo, and Little Stan took time out to see a part of the game where Aurora faced the Cherry boys 9 to 7 in a league baseball game. Champa, veteran first baseman, Korchen, and several others played a nice game.

Just when Little Stan was in the middle of the preceding paragraph, the city fire siren warned of a fire. Your scribe left the typewriter, dashed into the Chevy and around the corner. Pete's Garage, operated by Al Winkainen was the scene. Gasoline was burning, and practically the entire city was there — almost ahead of the

press. Heh Heh. Saw Art Knutson, our city clerk throw some Miracle Extinguisher on the blaze. Result! The fire burned on merrily. It was confined to a small circular pan, although a small blaze had started in the interior of the garage. But outside of a lot of smoke, and a burnt undercarriage of one automobile, damage was not so heavy.

Back at the desk, Little Stan looks over some correspondence. A card from Anton Drenik, that handsome gentleman from Cleveland, who writes: "Just a card to let you know I'll be seeing you in Waukegan and I'm bringing with me Patsy Krall and Joe Korencic — so you better get up a good excuse why you didn't write to us! Are you scared?" Ha ha! Your Pal — Tony Drenik. Not scared Tony, but you've got Little Stan all set to think up 100 little white lies — why he didn't write! Heh Heh!

And from Tacoma, Washington, a nice long letter from Michael Rovanssek who is in the 89th Recon. Squadron A. F. McChord Field. Glad you like the column, Mike, and think you've got some nice ideas!

Ely Drum and Bugle corps, those flashy exponents of musical drill, copped the State Championship at the State convention of the American Legion held in Hibbing, Minn., last week. Little Stan had just finished his news run, and delivered it to Virginia, 50 miles away. Shortly after returning to Ely, the fire siren announced the triumphant corps was entering the city. Seconds later, the mid-nighters, who waited the arrival of the champs swarmed to the city hall which was brilliantly lighted by flares. Police car sirens whistled away as they escorted the tired corps to the city hall. A concert and a fine ovation!

Sunday night at eight-thirty, the Ely Drum Corps will lead some 20 marching units and bands in a mass demonstration in the new Memorial Stadium to be used for the first time this season. The event is the climax of entertainment for the American Yugoslav Association's State Convention which will be held Saturday and Sunday. Things we can never understand: How Joe Sprietzer can keep those dark wavy locks of his so neat with his 24-hours a day worrying about the convention! You'd think he'd have gray hair by now!

Got a letter from Frank J. Grum, chairman of the transportation committee for the 16th Quadrennial Convention who is arranging a tour for delegates upon their arrival in Chicago. He'd like to secure information from the delegates both honorary and regular, and a questionnaire is being printed. Just fill it out and send it to Bro. Grum. It will be a big help and he'll be able to figure out just what to do to better entertain you.

And now another week rolls by. Little Stan still feels sort of "mixed up" over the name "Yehudi!"

P. S. Everything happens to Little Stan. He had just finished his article when a fellow came in to pick up some post cards printed in the shop. Slip-sheets to prevent ink from

Our Lodge Teams

Cleveland, O. — Balls, bats, gloves, foul balls, hits runs and excitement spell only one sport—the all-American sport—baseball. Everywhere fans eagerly follow the games of the two major leagues and a countless number of small teams. Everyone is wondering: Who shall be the pennant winner this year? Will it be the Cleveland Indians with some fine players among whom is a Slovene lad, Al (Milnar) Milnar; or the Detroit Tigers? Has Chicago a chance? What about New York and Boston? And am I asking: Have you followed up the activities of leagues that should mean a lot to us, the members of the SSCU? I am referring to the SSCU Softball Leagues.

Since May baseball teams have been vying for honors. They represent a great fraternal organization. How proud a lodge feels to be able to back their own baseball team—a team consisting of brother members. A team which is proud to display the Union's letters and the lodge name. Our organization stands for unity, fraternity and rivalry;—yes, there has been plenty of rivalry. Each team of course wants to defeat the other. They can do this only with cooperation, good sportsmanship, practice, and a fine spirit of "clean and healthy" rivalry.

Cleveland, too, has its softball teams. Another great season of ball playing will end soon. I say GREAT because the boys have done some splendid ball playing this summer. Great, too, because these games meant sacrifices on the part of everyone of the players. Most of them were obliged to turn out for practice after a hard day's work. The time ordinarily allotted to recreation and rest was many times given up for practice so the team would be better prepared to meet its opponents. It was no fun standing under the hot evening sun or facing blowing dust, or tracking through muddy baseball diamonds. The boys deserve a hand.

How often as the fans watch a game they grumble at the players who may make an error. They even say they could do better themselves. People are apt to be too harsh at times. No one likes to watch their own team lose a game. When the equilibrium is shifted and the score is greater on the opponent's side one feels pretty bad and is even ready to walk away. But what about the players? Even though they may be losing, they are sports enough to stick it out to the end. Then why should the fans be so in their actions? Wouldn't they be doing more good for their team by boosting the players to victory? When their team is at bat, a few rousing words may instill something in the batter to make a double or a triple. When a player sees that the fans and his fellow lodge players are behind him he can do better than if they "sling mud in his face" by reminding him of some slip he made earlier in the game. Maybe he was up at bat four times, and didn't hit the ball farther than the hands of the waiting infielder. No one can say that he couldn't drive in the winning run now. "To err is human" we should encourage our boys—not discourage them.

To wear a lodge uniform should mean more to the boys, and I am certain it does for our Cleveland teams, than an ordinary shirt, trousers, and accessories do. Those uniforms, be they red and black, blue and white, gray and green, white and red, or orange and black, represent months, even years of hard work on the part of the lodge and the Union. The mem-

bers of the lodge were proud to back the teams because it gave the lodge some good publicity. Many stop to inquire of the organization backing the teams when they see them upon the field. Everyone thinks the Union is doing wonderfully to support and encourage sports. It shows that the Union has no selfish interests but favors its younger set. Sports are a great asset in keeping the English-speaking members of the lodges together. If the younger members find nothing to interest them, they are likely to join an organization that offers such opportunities.

The Cleveland teams should be lauded for a fine season of ball playing. Each and every game had its own excitement. By no means were the opponents easy to beat. When the teams won their games they had to do so after seven innings of good conscientious ball playing. They couldn't lag for one inning because the other team was working hard to win. The lodges with teams this year are: Collinwood Boosters, Betsy Ross, Ilirska Vila, St. John's and Napredok. A sincere wish that these teams have won the approval of all the lodge members and that they play another fine season of ball next year. Three cheers for five grand ball teams. You may not all have won many games but we enjoyed watching everyone of them. Maybe our favorite team isn't in first place but we do know that as far as sportsmanship, good spirit and friendly rivalry are concerned, all five teams hold first place.

I think it fitting to devote some of my space this week to the team in which Ilirska Vila was especially interested.—The team that represents our branch of the SSCU. Our team has just completed its second year of ball playing. It may not have been successful enough to win many games but it has won the admiration of the players on the other teams. Many with whom I talked said that the Ilirska Vila boys was a fine gang to play with. There was something about them that made the game exciting. They knew the boys played hard to keep the scores close. Many times they were even leading the game until the last inning or so.

This year the Ilirska Vila players wore green and gray uniforms. Uniforms which they were proud to wear and we were happy to see them in. From the sports fund the boys received a nice sum of money to purchase these new uniforms with but they were not satisfied only with these uniforms. They wanted their own balls and bats so they went out and got backers to make this possible. Many thanks to the backers who thought enough of our lodge and our boys to support them. We should patronize them too.

Ilirska Vila may be in the last place. But did you ever stop to analyze the reason for this. In the first place this is only the second year they are playing. For many it is the first time they have ever played with any team. In the second place the team was pretty badly handicapped to face its opponents. Work made it impossible for many to turn out for practice. Some couldn't even come out for the games. Two of the players suffered injuries in the legs. At one of the recent games only seven players were able to make the game. Most of them were working. That left the team without enough players and no substitutes. That certainly was some game. Those boys surely did some fast playing. The outfielders had to cover plenty of space. The infielders had to do some quick playing to keep the

Successful Dance

Beaverdale, Pa. — In behalf of the Lloydell St. Peter and Paul SSCU, Lodge No. 35 Softball team, I wish to thank those SSCU'ers who helped make our dance of Aug. 3 a big success. There were the ever helping Conemaugh SSCU softballers, Victor Dremely (the Mayor of Conemaugh), the Finks, Bill Zabrick, Frank Swete, and Mr. Kauek; the Rockingham SSCU'ers, Harry and Joe Cebron, also the Rockingham "cutters," (Incidentally, the absence of Miss Stella Hochevar of St. Michael SSCU was particularly noted) and "Lefty" Flager of St. Michael.

Music was provided by the popular Martin Serra's Orchestra who reeled off many Slovene and popular melodies. Miss Vera Beatrice of our lodge was unanimously chosen Queen of the Jitterbugs by Victor Dremely, Mary Osaben and George Barton who served as judges.

The sponsors of this dance not only claim success in this line but have also recorded wins in three recent softball games. They defeated two Johnstown teams Azars Grill, a colored aggregation 13-3; and the Tenth Ward Ramblers 10-9. The Pavia CCC also fell victims by a score of 5-4.

A recent CCC enlistment found the name of Herman Olich our centerfielder who is stationed in Camp Hymer, Pa. We also wish to thank Mr. Arhar, Mr. Vicio, Mr. John Jerab and Mrs. Guzele who assisted at the dance. Thanks are also due Mr. Guzell who found our softball mitt which was lost after one of the games.

At this time I wish to announce that a dance will be sponsored by SSCU Lodge No. 35 of September 7th. Music will be provided by "Smiling Joe Kovacic Jr. and his 'Slovene Aces'."

The Slovene Hall is being painted inside by Mr. James Kays, a new member. The job will be completed in time for the dance. Will be seeing you there.

opponent's score down. What makes the game so amazing is the fact that our seven boys were ahead for a while. The final score 15-11 showed that our boys were good players even though there were only seven of them. It did take some ball playing to lose by a mere four runs.

For this reason I want to say that Ilirska Vila is proud of its ball team this year. Thanks to the manager, the captain, the athletic supervisor and each of the players for doing their part to make this season a great season. Here's hoping that the Ilirska Vila boys represent us again next year and in the years to come. Our team is still young. When we have had plenty of experience like the other teams we will be in first place too. Maybe sooner, who knows. The Ilirska Vila boys, have what it takes. So in closing I'd like to say again:

Ilirska Vila baseball team you have played a nice season of ball. May you have many successful games in the future. May next season find you out on the field again displaying our Lodge colors and name. We are proud of you. Keep up the good work boys. Hip-hip-hurray for a fine team.

Camping at Oliver Hoist

Ely, Minn. — My one week of camping at camp Oliver Hoist was a week filled with excitement and many new experiences. I know it will always be an outstanding week in my memory. This was my first experience at camp life and I'd like to tell you about it.

Camp Oliver Hoist is on Burnside Lake and has a Hilltop House, Hobby House, and Infirmary. It is run by the unit system. The unit I was in was called "Lachabrae." Our unit leaders were Vincenia Webber (the camp director's sister) called "Penny" and Gloria Husy nicknamed "Lorry." The other unit was called "Casseleigh." Their leaders were called "Buzz" and "Chippy." The camp director was Miss Gretchen Webber. Her name at camp was "Terry." The swimming nurse, "Jo," the chore boy, "Johnny" and the cook, "Cooky." Yes, we had a nickname for everyone at camp. This week of camp was really only for Senior Scouts but in our unit there were some younger girls.

This is a typical day at camp. At seven in the morning a gong sounds calling Scouts to jump out of bed. Then to get washed up and hurry over to Hilltop House for breakfast. We eat our meals on the porch of Hilltop House overlooking the lake. It was always so nice and cool there. The entire camp eats at Hilltop House and breakfast is usually a jolly time. Breakfast is followed by doing "kapers" or cleaning up after which we go back to our own units to make sure that our tents will be spic and span when the nurse comes to inspect them.

Next is unit meeting. Here the unit leaders tell us of coming camp activities etc. As soon as unit meeting is over we go to the Hobby House for craft. The time goes quite fast at craft when we are busy making things. General swimming, one of the most popular activities at camp, follows craft. Then comes lunch. Lunch is followed by a rest hour (one thing we never do is rest.) Before rest hour is half over we have our swimming suits on and impatiently wait for the gong to sound for afternoon swimming. Then down to the beach we race to see who will get ducked first. After this is canoeing and boating which was one of the things I enjoyed most. At six is dinner. We are all waiting up at Hilltop House long before the gong rings, for you can be sure that a day at camp gives us hearty appetites and Cooky is a wonderful cook. Three cents is allowed us for candy after dinner. Campfire is next. This is the time when I learned many new Scout songs. Every other night both units would meet and we would have a general campfire. When campfire is over we all join hands in a big circle to sing "By the Blazing Councilfire Light" and "Taps." And so ends a busy day for a group of thirty tired Scouts.

Hikes were enjoyed by us all. When our unit went for a hike on Saturday the Casseleigh unit had the trail marked for us with white rags. We stopped by some pretty little waterfalls to eat the hot Squaw Corn we had taken along. Then we went swimming. We got back just in time for rest hour. The counselors did the dishes for us as were tired. That was the only time I slept through rest hour.

SSCU Softball News

Cleveland, O. — This is your SSCU League secretary bringing you some very important notices through the paper so take heed and read this: On Friday, August 23d the first round of who our champs will begin to play. As Shaw field wasn't able to get the two teams will have to play at Napredok field this Friday. As it is late in the season now it gets dark early. So tomorrow's game will begin at 6:00 p. m. Again I wish to repeat the two teams will play at Napredok field beginning at 6:00 p. m. So let's see how many of our fans can attend. Promising to see you there. And on Monday, August 26th we'll know who the champs are of Cleveland. Monday's game will also be played at Napredok field and the same time, 6:00 p. m. Don't forget the time, 6:00 p. m. So that will end the season's ball game with only one more game to be played with Barborton or Struthers (which ever one will be the winner) and then we'll be able to announce the Ohio SSCU team winner.

Here is a standing of all games played from May 20th to August 16th with the exception of game on August 5th when Betsy Ross played against Ilirska Vila at Kirtland and it rained that day. Score of this week with Napredok and St. John's is also not enclosed. So:

	W	L
Coll. Boosters	13	3
Napredok	11	4
St. John's	8	7
B. Ross	3	12
Ilirska Vila	2	13

The SSCU Softball League meeting will be held next Tuesday, August 27th at Glenpark Cafe at 8:00 p. m. Invitations are being extended to the following on the Athletic Board to be sure to attend our meeting, namely: Tony Drenik from St. John's... Joe Korencic from Napredok... Joe Ulyan from Ilirska Vila... Patsy Krall from Betsy Ross... Tony Laurich from Coll. Boosters... Bub Kardell from G. Washington. To the managers of the ball teams an invitation is also being extended, namely: Patsy Krall of B. Ross... Rudy Agnich, of Boosters... M. Biscan of I. Vila... F. Fraince of Napredok and Bob Knezevic of St. John's... The coaches and captains of individual teams are also invited to attend our meeting. And another personal invitation to the officers of the SSCU United Lodges in Cleveland, namely: John Urbancic, president; Bub Kardell, vice-president; Tony Drenik, treasurer and trustees, namely: Loychie Ivancic, Joe Korencic, Joe Ulyan and John Lunka.

The reason we are inviting you all because we want you to be with us at the meeting when we'll discuss about the SSCU Softball Banquet and where it is to be held, time, etc. So all those invited don't forget to attend the SSCU Softball Meeting, Tuesday, August 27th at Glenpark Cafe at 8:00 p. m.

See you all at the ball games on Friday and Monday at Napredok field to begin at 6:00 p. m. and see you Tuesday evening at 8:00 at the meeting.

League Secretary

Bicycles

Bicycle accidents are increasing. The children should know how to ride safely but forget easily and don't consider the danger when they're busy at play. We appeal to the motorists to be on the alert and drive slow when children are in the street. To cripple or kill a child would cause you a life time of regret.

For Regular and Honorary Delegates

Will all the delegates to the 16th regular, convention of the SSCU be kind enough to fill in the questionnaire below, and forward it to the writer at the address designated? Present plans call for a reception committee from Waukegan, Ill., to greet delegates upon their arrival in Chicago, and to escort them to Waukegan. Both regular and honorary delegates are included in this set-up.

A tentative plan to arrange an educational tour for honorary delegates during their stay in Waukegan is now in the making. The educational tour would take honorary delegates to Chicago on Friday morning at 9:00, and return in the afternoon about 5 to 6. This arrangement would not conflict with the convention program for the evening. For groups of 30 or more the bus fare would be \$1.00 for each individual for the round trip. Some of the places of interest to be visited are: Field Museum, Aquarium, Planetarium, Soldiers Field, WGN Radio Studios, Merchandise Mart Building, Chinatown, Municipal Airport, Art Institute, Bahai Temple.

Lodge 71 News

Cleveland, O. — A double-header between our lodge, St. John, 71, SSCU, and lodge St. Martin, 44, SSCU, featured our trip to Barborton Sunday, August 18th. Although the Barborton boys won the two games by scores of 7-0 and 8-5, we enjoyed ourselves nevertheless.

The players from lodge 71 certainly want to express their gratitude to the Barborton group who entertained us in such a grand fashion; special thanks go to the committee headed by Mrs. Okolish and Mrs. Opeka, who served delicious refreshments of iced tea, coffee, and sandwiches.

Stan Zagore proved to be the iron man for the Clevelanders by hurling two games. Joe Patricevich, stingy with passes plus a good tight defense, held our boys scoreless in the first game. Frank Terchek's lusty hitting kept St. John's in the running during the second game. In St. Martin's half of the sixth, with the score tied and two men on, Frank Okolish stepped into a fast ball and picked the first pitch for a homerun. Three runs ran across the plate and everybody ran for home as the rain which had been gathering poured down to wash out the last inning of the game. Thus St. Martin's took the second game for a double victory.

Thanks are also due to John Opeka, athletic supervisor of lodge 44, for arranging the games and refreshments. Anton Okolish, chairman, supreme judiciary board of our SSCU, was an excited spectator, and enjoyed watching his home town boys snag two luscious slabs of bacon.

Stan Pechaver,

No. 2 SSCU

Lodge 84

Trinidad, Colo. — I want to take this opportunity to express my thanks to members of lodge "Sv. Andreja," 84, SSCU, for their confidence in me by electing me their delegate to the 16th regular convention. I shall represent my constituents to the best of my ability.

I request the members to pay their assessments this month by August 27th, so that I can execute my work before I leave for the convention; this appeal goes especially to those who are in arrears with assessments, to be sure and meet their obligations by August 27th.

During my absence, members may pay their assessments the treasurer, as has been the case heretofore, or at my home. In the event any member becomes ill, let him report the fact to the lodge president.

The next meeting will take place on Sunday, September 2nd, starting at 9 a.m.

Our lodge will hold a dance on Sunday, September 8, at Montevideo Park. All members, friends and acquaintances are cordially invited to attend.

Jacob Prunk, Secy

Lodge 1

Ely, Minn. — Members of Lodge 1, SSCU, are requested to attend the next meeting which will be held Thursday, Sept. 5th at 7:15 p.m. at the Yugoslav National Home.

This meeting will be the last meeting before the convention, so those of you who have certain recommendations in mind regarding the by-laws, are especially welcome, so you can make your suggestions to our delegates. Bro. Kovach and Bro. Zgonc, who will represent our lodge at the 16th regular convention to be held in Waukegan, Illinois, commencing September 9th. Now is the time to be heard, not after the convention for the by-laws which will be approved by the convention and be in force for the next four years.

Because our regular meeting date falls during the time your president, secretary, and trustee will be on the way to the convention, we decided to hold the meeting early enough so all who are interested can attend this meeting and make your recommendations to our delegates before they leave for the convention.

Remember the date, Thursday, Sept. 5th at 7:15 p.m.

DOPISI

Nadaljevanje s 7. str.

pri katerih družstvih se tako. Pri nekaterih družstvih se jako malo zanimajo za pravila, zato je dobro, da društva pošiljajo svoje zastopnike na seje federacije, da tam slišijo razna priporočila.

Na zadnjem zborovanju federacije, ki se je vršilo v Moon Runu, Pa., je bilo sklenjeno, da se povabi na prihodnje zborovanje federacije vse delegate in delegatinje, ki so izvoljeni za prihodnjo konvencijo. Torej so vabljeni vsi, da pridejo, če so njihova društva v federaciji ali ne. Seja se bo vršila v nedeljo 25. avgusta v Centru, Pa., in se bo pričela ob 10. uri dopoldne, novi čas. To bo zadnja seja federacije pred konvencijo in na isti se bomo lahko o marsičem pogovorili.

V dopisu sobrata J. Gorenza iz Johnstowna sem čital njegovo trditev, da se naša federacija ne strinja s točko 357 oziroma, da je proti nji. Ne vem, kje je on to videl, da je naša federacija proti tej točki. Naš odbor za pravila je razmotril o tej točki šele 4. avgusta in smo bili vsi zato, da se sprejme, in sicer s popravkom, tam, kjer se glasi relifni sklad. Tista označba naj se črta in naj se glasi onemoglostni ali dobroteljni sklad. Zato bi priporočal sobratu Gorenzu, da bi se udeležil naše prihodnje seje, da bo videl, da odbor za pravila in naša federacija delata kar največ mogoče za nas stare člane. Delegati in delegatinje ter zastopniki društev v zapadni Pennsylvaniji so vabljeni, da se polnoštevilno udeležijo prihodnje seje, ki se bo vršila v nedeljo 25. avgusta v Slovenski dvorani v Centru. Na svidenje! — Za federacijo društev JSKJ v zapadni Pennsylvaniji:

Jurij Prevle, tajnik.

Helper, Utah. — Na redni seji društva Carbon Miner, št. 168 JSKJ, ki se je vršila meseca avgusta, je bilo sklenjeno, da se izpremeni datum septembreske seje, in sicer da se ista prestavi z druge na prvo nedeljo v mesecu. Torej prihodnja redna seja našega društva se bo vršila v nedeljo 1. septembra, da bo članstvo imelo priliko dati navodila delegatu za konvencijo. Na seji meseca avgusta je bil tudi izvoljen odbor za pravila, da vzame v pretres sedanja pravila ter priporočane izpremembe od strani glavnega tajnika in drugod, kakor ta odbor poda svoja priporočila na prihodnji seji 1. septembra. O priporočilih bo potem razpravljalo članstvo na seji in, če jih bo odobrilo, bo potem delegat dotična priporočila zastopal na konvenciji. Vsakega člana in članice dolžnost je, da pride na to sejo, ko bomo skušali po naših zmognostih prispevati za kar najboljša pravila za našo Jednoto v bodoče. Ako bodo delegati videli, da imajo za seboj članstvo, ki se v resnici zanima za organizacijo, se bodo gotovo potrudili, da bodo kar največ koristnega ukrenili za članstvo. Na ta način lahko upamo, da bodo na 16. redni konvenciji sprejeti zaključki v korist vsega članstva in v ponos naši J. S. K. Jednoti. Na svidenje na seji 1. septembra in bratski pozdrav! — Za društvo št. 168 JSKJ:

John Yakopich, tajnik.

Denver, Colo. — Članstvu društva Sv. Jožefa, št. 21 JSKJ, tem potom naznanjam, da je datum naše septembreske seje prestavljen. Namesto da bi se vršila 12. septembra, se bo vršila 26. septembra. Datum je bil spremenjen zaradi konvencije, ki se bo pričela 9. septembra v Waukeganu, Ill., na katero odpotujejo vsi društveni uradniki, nekateri kot glavni odborniki, drugi kot delegati.

Člani našega društva naj torej vzamejo to obvestilo na znanje in se polnoštevilno udeležijo seje 21. septembra ob 7. uri zvečer. Na omenjeni seji bo podano poročilo delegatov, in kot sta se izrazila, bo za isto sejo pripravljen tudi nekaj okrepčil.

Člane našega društva želimo opozoriti na sledeče: Za čas predsednikove in tajnikove odsotnosti naj se za slučaje smrti obračajo na podpredsednika Franka Grande, ki biva na 653 Elgin Place. On bo ukrenil vse potrebno v takih slučajih. V slučajih bolezni pa naj se člani obračajo še naprej na moj dom oziroma na naslov tajnika.

Iz naznanila v Novi Dobi je razvidno, da je asesment mladinskega oddelka suspendiran za meseca avgust in september. Tisti starši, ki so plačali mladinske asesmente, predno je bilo omenjeno naznanilo objavljeno, to je, da so jih plačali že za avgust, bodo oproščeni mladinskega asesmenta v septembru in oktobru. Z drugimi besedami rečeno: dotični imajo za en mesec kredita pri društvu z ozirom na mladinski asesment.

Pozdravljeni, in da se vidimo zdravi in veseli na seji 21. septembra zvečer z običajnih prostorih!

Frank Okoren, tajnik društva št. 21 JSKJ.

Blaine, O. — Vse pride in tudi vse mine. To velja tudi glede piknika društva št. 155 JSKJ, ki se je vršil v nedeljo 11. avgusta. Z veseljem naj omenim, da društvo še ni imelo nobeno leto na svojem pikniku tako velike udeležbe kot letos. Članstvo našega društva se je udeležilo skoro polnoštevilno, zakar zasluži priznanje. Hvala pa tudi drugim rojakom in rojakinjam, iz te nasebine, kakor tudi onim iz Piney Forka, Ohio, ki so se v takem lepem številu udeležili našega piknika, pripomogli k večji zabavi nas vseh in obenem finančno pomagali naši društveni blagajni. V imenu društva naj vsem skupaj izražena iskrena zahvala. Če bo kdaj prilika bomo skušali naklonjenost vrniti. Bratski pozdrav! — Za društvo Napredni Slovenci, št. 155 JSKJ:

Paul Ilvar, tajnik.

Pueblo, Colo. — Ko smo pred 40 leti ustanavljali društva, ni noben tajnik vpraševal člane za njihovo pravo starost. Zakaj ne? Zato ne, ker takrat smo plačevali vsi enako, mladi prav toliko kot stari: en dolar na Jednoto in 50 centov v društveno blagajno. Po tem sistemu je Jednota poslovala leta in leta. Ko pa je prišlo, da moramo plačati po starosti, je bila dolžnost takratnega glavnega tajnika, da potom glasila zahteva od članov pravo starost. Naznaniti bi moral članom, da od takrat naprej bodo plačevali po starosti in ne kot so plačevali poprej. Zaradi tega da mora imeti glavni urad pravo starost članov. Ali je takratni glavni tajnik to storil? Ne, ni storil. Zdaj pa se odtrguje dedičem od smrtnine umrlega člana, ko je Jednota kriva, po takratnem glavnem tajniku, da ni bila poročana prava starost. Delegati na prihodnji konvenciji naj gledajo, da naj vržejo iz pravil tisto točko 270, in zahtevajo, da se izplačajo tiste smrtnine, ki so bile na podlagi omenjene točke po glavnem uradu zadržane. To se naj tiče le tistih starih članov, ki so pristopili k Jednoti prej, predno je bilo treba plačevati asesmente po starosti pristopa. Mislim, da postava določa, da se mora gledati za starost člana dokler je živ, ne pa po smrti.

Martin Kochevar, star član JSKJ.

Braddock, Pa. — Kot dolgoletni član Jednote, poročam svoje mnenje. V Novi Dobi z dne

14. avgusta sem čital dopis Franka Kramarja, delegata od društva št. 174, in zdj se mi, da članstvo omenjenega društva ni dobro poučeno o točki 250, ker članstvo, katero je bilo pred letom in konvenciji 1928, mora vsi asesment v smrtninski sklad prispevati. Kako, da članstvo bi bilo deležno, ki je pristopilo leta 1929. Ne vem števil članov, ki moramo prispevati v smrtninski sklad od leta 1928. Ako bi starejši člani ne prispevali, ne bi bila Jednota 130% solventna. Bi apeliral na delegate, da uredijo za starejše člane, da bodo plačevali po starosti ob pristopu, kajti tukaj se godi krivica starejšim članom. Čudno se mi zdi, ko sestra Pauline Vogrich trdi, da ima JSKJ najnižjo lestvico. Naj pogleda še lestvico kake druge organizacije. Nadalje omenja sestrostr Vogrich, da je JSKJ gospodarsko trdna. Ne bi bila, če bi članstvo, ki je pristopilo pred letom 1929, ne plačevalo višjih asesmentov. Kar se tiče združenju, je Frank Šifrar na mestu. Do sedaj se vidi, da ne bo še združenje. Vidi se, kako delajo zapreke glavni uradniki. Bi priporočal delegatom, da bi glavni tajnik vsak mesec poročal v glasilo qohodke in stroške, upravne, smrtninske, operacijske in bolniške, kakor tudi imena novo pristopilih, črtanih in suspendiranih članov.

John Rednak, član društva št. 31 JSKJ.

Aspen, Colo. — Ker je 16. redna konvencija JSKJ že blizu, bi se tudi jaz rad malo oglašil, kajti se ne spominjam, da bi bil videl kak dopis iz Aspenu v Novi Dobi, odkar izhaja. In 12. redna konvencija, ki se je vršila v Lorainu, Ohio, leta 1924, je ustanovila Novo Dobo; se dobro spominjam, ker sem bil delegat. In takrat je bilo narejeno, da stari člani niso bili pozabljeni, sedaj pa je vse drugače. Po mojem mnenju se nam stari članom krivica godi, namreč tistim članom, kateri smo vzeli od Jednote posojila na certifikate. Plačevati moramo v novem načrtu višje asesmente, na posojilo pa 4 percente obresti. Drugod se dobijo posojila oziroma nečlani dobijo posojila po tri percente. Moja želja je, da bi konvencija v tem oziru nekaj ukrenila, ker smatram, da se nam stari članom godi krivica. V mojih razmerah moram plačevati tudi v onemoglostni sklad, pa nisem upravičen do njega, dokler imam malo rezerve. Kot zdaj izgleda, če živim še 10 let, bom še dolžan Jednoti, akoravno plačujem že čez 35 let. Prosim delegate in glavne uradnike, da bi nekaj ukrenili za nas stare člane na prihodnji konvenciji.

Joe Borstnar, ustanovitelj dr. št. 47 JSKJ.

Ely, Minn. — Članstvo društva Sv. Cirila in Metoda, št. 1 JSKJ, je vabljeni, da se polnoštevilno udeležijo prihodnje seje, ki se bo vršila v četrtek 5. septembra. Seja se bo vršila v Jugoslovanskem narodnem domu in se bo pričela ob 7.15 zvečer. Ta seja bo zadnja pred konvencijo, zato so na isto posebno vabljeni tisti člani, ki imajo kakor priporočila za konvencijo. Brata Kovach in Zgonc, ki bosta reprezentirala naše društvo na prihodnji konvenciji v Waukeganu, želita, da jima članstvo pove svoje želje. Zdaj je čas, da se pogovorimo o izpremembah in izboljšavi pravil. Ko bodo nova pravila na konvenciji sprejeta, bodo ostala v veljavi za prihodnja štiri leta.

Običajno se naša redna mesečna seja vrši drugo nedeljo v mesecu, toda v septembru bodo na drugo nedeljo v mesecu trije društveni uradniki, namreč predsednik, tajnik in en nadzornik, že na poti na 16. redno konvencijo v Waukegan. Zato smo sejo prestavili na četrtek 5. septembra. Torej, člani in čla-

nice pridite na to sejo in zalozite svoja delegata z obilico dobrih nasvetov.

Frank Tomsich, Jr., tajnik društva št. 1 JSKJ.

Trinidad, Colo. — Tem potom se želim zahvaliti članstvu društva Sv. Andreja, št. 84 JSKJ, za zaupanje, katero so mi izkazali s tem, da so me izvolili za delegata na 16. redno konvencijo. Potrudil se bom, da bom članstvo po najboljši močnosti zastopal.

Dalje bi prosil člane, da naj plačajo svoje asesmente ta mesec vsaj do 27. avgusta, da mi bo mogoče izvršiti moje delo prej, predno grem na konvencijo. Posebno tisti, ki so s svojimi asesmenti zaostali, so prošeni, da jih gotovo poravnajo do 27. avgusta.

Za časa moje odsotnosti člani lahko plačajo svoje asesmente kakor dosedaj pri blagajniku ali pa na mojem domu; vsakega, ki bo plačal, bo izdano potrdilo, da se nikomur ne bo mogla zgoditi krivica. Ako bi kateri član v času moje odsotnosti zbolel, naj se javi pri društvenem predsedniku.

Prihodnja seja se bo vršila na običajni datum, to je v nedeljo 8. septembra, in se bo pričela ob 9. uri dopoldne.

Dalje sporočam, da bo naše društvo priredilo plesno veselico v nedeljo 1. septembra. Veselica se bo vršila v Motor parku, ter so nanjo vabljeni vsi člani in članice, pa tudi vsi ostali rojaki in rojakinje v tem okrožju. Bratski pozdrav! — Za društvo št. 84 JSKJ:

Jacob Prunk, tajnik.

S pota. — Dne 11. avgusta sem se mudil v Elyu, Minn. Pri tisti priliki sem se pogovarjal s sestro Mrs. Frank Koščak, članico JSKJ, ki je bila več časa bolna ter v bolnišnici v Duluthu, Minn. Pripovedovala mi je, kako polne so letos borovnice, kakere hodi nabirati, in da se dosti bolje počuti. Par ur potem pa je padla v nezavest in 13. avgusta je preminila. Zapušča soproga in odrasčeno družino. Doma je bila nekje od Grosuplja na Dolenjskem.

Letina tukaj dobro kaže, tako povrtina kot sadje, kolikor ga tu uspeva. Mesto Ely je živahno, ker v tem času ga znatno oživljajo turisti iz raznih delov Zedinjenih držav. Ko sem bil tam, sem se udeležil tudi seje društva št. 1 JSKJ, na kateri sta vladala vzoren red ter bratsko in veselo razpoloženje.

Matija Pogorelec.

La Salle, Ill. — Pregovor pravi, da boljše je pozno kot nikoli, tako mislim, da bo moj dopis vseeno dobro "gor vzet," četudi je pozen. Kakor je bilo že poročano v Novi Dobi, smo zastopniki društev JSKJ, ki spadajo v federacijo za Illinois in Wisconsin, zborovali 4. avgusta v Chicagu polnih 8 ur. Debatirali smo naša pravila oziroma priporočila za izboljšanje istih od točke do točke, ter smo priporočili za sprejem tisto, kar smo mislili, da je za Jednoto najboljše. Odločila pa bo seveda konvencija. Dosedaj še ni bil nikdo nezmožljiv, niti noben posameznik niti federacije niti same konvencije. Smo pač vsi ljudje.

Naša Jednota ima že zdaj precej dobra pravila in 16. konvencija jih bo nedvomno skušala še izboljšati. Na redni seji našega društva Danica, št. 124 JSKJ, ki se je vršila 18. avgusta, smo razpravljali glede različnih starih točk pravil in glede priporočil od strani glavnega tajnika za popravilo istih. Nekatere priporočane izpremembe se nam zdijo umestne, druge pa ne.

Posebno, ka se tiče plačevanja bolniške podpore, vztraja naše društvo, da ostanemo pri starem sistemu. Boljši je za članstvo in poleg tega je dobra reklama za pridobivanje novih

članov. In dosedaj so še vedno dohodki tega sklada pokrivali izdatke. Prav je, da hočemo imeti močne sklade, toda dosedaj še ni bilo od nikoder zahtevano, da bi morali imeti velike rezerve v bolniškem skladu, nekaj rezerve pa imamo vedno in izdatki se pokrivajo brez naklade. Zakaj iti na sistem, ki je z ozirom na ugodnosti članov slabši kot je sedanj? Pri sedanjem sistemu Jednota lepo napreduje, ter je res bratska organizacija. Ako izpremenimo sistem bolniške podpore kot priporočano, se bomo spet za nadaljni korak približali zavarovalniškim družbam, kjer ni bratstva.

Naše društvo je dalo nalogo svojemu delegatu, da mora zagovarjati staro točko. Vsak pristopi v organizacijo, da je zavarovan za slučaj bolezni ali nesreče. Ako bi človek vedel, da ne bo nikdar bolan, bi se pač ne zavaroval pri podporni organizaciji in podpornih organizacij ne bi bilo. Zavarovani pa smo zato, ker ne vemo kaj pride in kdaj nas morda obišče bolezen ali nesreča. Nesreča pa lahko pride pet mesecev po pristopu ali pa 25 let po pristopu. Najbolje bi bilo, če človek nikdar ne bi potreboval bolniške podpore.

Zdravniška veda vedno napreduje, toda tudi zdravniki še ne morejo delati čudežev. Bolniki so različni. Za eno in isto bolezen bo en bolnik dosti prej ozdravil kot drugi. Potem je tudi velika razlika pri operacijah. Razlika je, če je operiran za slepico, golšo ali kaj sličnega mlad človek, star morda 25 ali 30 let, ali pa če se mora enaki operaciji podvreči človek, star 55 ali 60 let. Skoro v vseh takih primerih bo mlad človek štiri ali več tednov prej ozdravil kot star. Tako vsaj trdijo zdravniki. Točka glede izplačevanja bolniških podpor je ena najbolj važnih v naših pravilih. Vsak, ki pristopi v organizacijo, najprej vpraša, kaj bo dobil, če bo bolan. Torej, naj bo delegacija previdna, ko bo razpravljala o točki bolniške podpore. Navedeno sem napisal po naročilu našega društva; toda isto je tudi moje lastno mišljenje. Ko smo na federacijski seji v Chicagu razpravljali o omenjeni točki, niti tam nismo bili vsi enakega mišljenja, zato je gotovo, da tudi delegatje na konvenciji ne bodo. Upamo, da bodo delegati posebno glede te točke premišljeno postopali.

Pri tej priliki naj mi bo dovoljeno se zahvaliti družini Golenkovi, kjer smo zborovali 4. avgusta in kjer smo bili naravnost očetno postreženi. Kdor pride v Chicagu in ima nekaj časa na razpolago, naj se oglasi pri Mr. in Mrs. A. Golenko na Blue Island Ave. Tam bodo gotovo poskrbeli, da ne bo odhajal lačen ali žejen. V vsakdanjem življenju je tudi to zelo važno, da človek ne hodi lačen in žejen po svetu. Pomanjkljivost obleke in strehe se nekoliko lažje potrpi, vsaj poleti.

Kaj več o pravilih se pogovorimo na 16. redni konvenciji, ako mi bo mogoče se iste udeležiti, in upam, da bo ista najbolj uspešna kar jih je bilo še dosedaj. Bratski pozdrav!

Matt Vogrich, preds. društva št. 124 JSKJ.

Waukegan, Ill. — Ker se nisem dobila vrnjenih vseh vprašalnih pol, katere sem razposlala vsem glavnim odbornikom ter rednim in častnim delegatom in delegatinjam, prosim tem potom, da KDOR SE NI VRNIL TE POLE, naj jo takoj izpolni in POŠLJE NA SPOD-NJI NASLOV. Odboru bo mogoče preskrbeti stanovanja SAMO na podlagi izpolnjene in vrnjene VPRAŠALNE POLE. Ako kdo slučajno ne bi bil prejel vprašalne pole, naj mi nemudoma piše za njo.

Ko sprejemem vse vprašalne pole, bom vsakega posebej z

dopisnico obvestila glede stanovanja. Na dopisnici bo naveden natančen naslov stanovanja. Dotično dopisnico naj vsak delegat s seboj prinese, ker le tako bo mogoče hitro vsem ustreči.

Delegatje in delegatinje tem potom tudi pozivam, da se odločijo za čas konvencije za prehrano v Slovenskem narodnem domu. Članice društva št. 94 JSKJ vam garantirajo, da vas bodo postregle pošteno in zadovoljivo. Za vse morebitne nadaljne informacije se obrnite na podpisano tajnico konvenčnega pripravljalnega odbora.

Mrs. Mary Celaree, 925 McAlister Ave., Waukegan, Ill.

Cleveland, O. — SLOVENSKI NARODNI MUZEJ. — Slovenski časopisi in revije v Ameriki. — Odkar se je osnoval Slovenski narodni muzej v Clevelandu in odkar smo prejeli del velike zbirke od g. Matije Pogorelca iz Minnesote, se je odkrilo že veliko zanimivosti iz prejetega materiala. Med drugimi se je posrečilo sestaviti imenik slovenskih časopisov in revij, ki so kdaj izhajali v Združenih državah Amerike. Vsi ti listi so izhajali iz leta 1891 do današnjega dne. V seznamu so vključeni še sedaj obstoječi listi in v revije, ki izhajajo v Ameriki. Naslednji seznam še vedno ni popoln in rojaki so prošeni, da nam sporočijo, kateri listi ali revije so kdaj in kje izhajali, da izpopolnimo seznam. Ugiba se, da je v Ameriki izhajalo do sedaj blizu 80 slovenskih listov in revij, medtem ko naš seznam danes izkazuje samo 66 imen listov, torej smo še precej daleč od popolnega seznama imen. Izmed navedenih, kot boste sami razvideli, so si nekateri spremenili od časa do časa ime, drugi so spremenili lastnike in mesta izdajanja. Prehodi in premembe so torej različne. Sčasoma se bo tudi ugotovilo, koliko časa je izhajal posamezen list ali revija, kar je pa precej otežkočeno, ker kadar kdo umrje, sam več ne pove, da ga ni več med živimi, to morajo povedati drugi, preostali. V tem seznamu tudi niso vključene publikacije iz južne Amerike, kjer je baje izhajalo do sedaj že tudi do 15 slovenskih časopisov in revij, če ne še več.
