Burna debata v britski zbornici

LONDON, 14. dec.—Danes se je v parlamentu vršila debata o zunanjih politiki, katero je otvoril ministrski predsednik Attlee, ki je poročal o konferenci s predsednikom Trumanom.

Ministrski predsednik je med ostalim poročal glede atomskih bombe in zbornico zagotovil, da bodo Zedinjene države v polni meri upoštevale vse ugovore, ki bi jih imela v tem pogledu Anglija, predno bi se bomba rabilna.

V debatu je posegel Winston Churchill, ki je svaril zapadne države proti argumentu, "da mi ne smemo pod nobeinem pogojem rabiti atomsko bombo, razen in ako ne bo prej rabljena proti nam." Rekel je, da bi tako stanje povečalo nevarnost vojne.

Rusi bi ne imeli takih pomislov, trdi Churchill

Bivši premier je med ostalim rekel, da je dejstvo, da obstaja vtip, da mi utegnemo rabiti atomsko bombo, skoro edina stvar, ki drži vojno nazaj. Ampak ako bi Rusi imeli boljša atomska orožja, bi se ne obotavljali z njih uporabo vsled moralnih pomislikov ali razlogov človečanstva, katere se poudarja često v zapadnih državah.

Zbornica, ki je Churchilla mirno poslušala, pa je izbruhnila v ogrožene klice, ko je bivši premier zapretil, da konzervativna stranka utegne umakniti podporo vlade, ako se ne prekliče odredbe za nacionalizacijo železnic.

Nemir v zbornici je postal takoj velik, da je predsednik zagrozil sejo odgoditi. Delavski poslanci so med splošnim vikom in krikom Churchilla vsled te pretnje nazivali za "izdajalca."

Višja cena za kruh

Ward Baking Co. je naznani, da se cena hlebom, ki tehtajo 17 unč, zviša za pol centa pri prodaji na debelo, kar pomeni povišel na 15 centov, oziroma 18 centov pri prodaji na drobno. Druge pekarje v Clevelandu poročajo, da za enkrat ne bodo zvišale svojih cen.

Paketna pošta delno ukinjene vsled divje stavke pri železnicah

WASHINGTON, 14. decembra—Poštni mojster Donaldson je nocoj razglasil delno ukinjenje poštno paketne službe, ki bo med ostalim prizadelo tudi pošiljanje božičnih paketov.

Poštna uprava je bila prisiljena podvetri ta korak ob tem času, ko je delo na poštanah na višku, vsled tega, ker se je divja stavka železniških zaviračev, ki je najprej ohromila poštno pošiljatve v Chicagu, med tem razširila na St. Louis in Washington.

Poštni oddelki je že tekom dneva naznali, da je stavka delavcev na kolodvoru teh važnih mest, "učinkovito ohromila poštni sistem za razpošiljanje paketov."

Odredba bo najbolj prizadela božične pošiljke.

Vsled odredbe bodo najbolj prizadete pošiljke za božič, kajti poštni uradi širom države so dobili navodila, da strogo omejijo sprejemanje paketov s strani publike. Omejena pa bo tudi paketna pošta v obči.

Zvezna sodnija v Washingtonu izdala odlok proti stavki

CHICAGO, 14. dec.—Vlada je danes izposlovala še eno sodno prepoved v ponovnem prizadavanju, da bi ustavila širečo se stavko železniških zaviračev, ki je tekmo dneva zajela tudi delavce izven Chicaga.

Stavka je zavrgla razpošiljanje božičnih paketov in druge paketne pošte, kakor tudi razpošiljanje mesa, jekla in drugega obrambnega materiala.

Zvezni sodnik Aleksander Holzoff je podpisal odlok v Washingtonu manj kot 24 ur od časa, ko je izdal sličen odlok zvezni sodnik Campbell v Chi-

Newyorški govor je med ostalim predlagal splošno registracijo slehernega moža in ženske v deželi nad starostjo 17 let za narodno službo.

Druga poročila, ki so dospela v Tokijo, pripovedujejo, da se stalno naraščajoča sila Kitajske, broječa okrog 100,000 vojnih, pomika proti zavezniškimu oborišču v severovzhodni Koreji.

Sovražnik je tudi stopnjeval svojo zračno aktivnost, ki je bila do sedaj brezpomembna.

Ameriška letala so bila včeraj in danes ponovno napadena od sovražnih letal, ki so bila izdelana v Sovjetski zvezi.

Kitajska objavila pogoje za mir z organizacijo Združenih narodov

ZAHTEVA UMIK NJIHOVIH
ČET S KOREJE IN ODPOKLIC
U. S. LADIJ PRI FORMOZI

HONG KONG, 14. decembra—Radio pekinške vlade je danes objavil neizprosne pogoje za mir na Koreji in razblinil nade, da se Kitajci utegnejo ustaviti na 38. prečnicu.

Pogoji kitajske komunistične vlade, kakor jih je objavila po radiju, so sledeči:

Vse sile, ki jih ima organizacija Združenih narodov na Koreji, se morajo umakniti.

Umaknitev ameriških bojničnih ladij izpred Formoze.

Ukinjenje vse "oborožene ekspanzije" in vojnih priprav s strani Zapadnih sil.

Samo mir, temelj na teh pogojih, bi bil sprejemljiv za komunistično Kitajsko in "ves svet," je bilo rečeno v pekinški radijski oddaji.

V isti radijski oddaji je bilo rečeno, da bodo kitajske komunistične sile nadaljevale s svojimi operacijami na Koreji, dokler ne bodo sile Združenih narodov potisnjene v morje.

Radijska oddaja bazirana na članku vladnega lista

Radijska oddaja je citirala za svoj vir dolg uredniški članek, ki ga je objavil "Pekinski ljudski list," ki je glasilo kitajske komunistične stranke in odgovor na skupni komunikej, ki sta ga 8. decembra objavila v Washingtonu Predsednik Truman in ministrski predsednik Attlee.

V omenjenem komunikeju je bil naslovljen apel na komunistično Kitajsko, da začne pogajanja za mirno poravnavo korejske vojne na temelju "svobodne in neodvisne Koreje."

V članku je rečeno, da sta predsednik in premier ignorirala zahtevo za umaknitev vseh tujih vojaških čet s Koreje.

"Iz tega razloga," nadaljuje članek, "morajo kitajski prostovoljci in korejska ljudska armada nadaljevati z neodjenljivimi naporji in zadajati sovražniku nove težke udarce."

Sestav in delokrog nove vladne organizacije za ekonomsko mobilizacijo dežele bo predsednik Truman podal v radijskem govoru, ki ga bo imel jutri (danies) ob 10:30 zvečer.

Vina iz Slovenije

Dospela je nova pošiljka slovenskega vina iz Ljubljane. Mr. John Drenik, ki je predsednik Drenik Beverage Distributing, Inc. v Euclid, Ohio, nam sporoča, da je dobil 1200 zabojev belega vina iz ljutomerskih goric, kjer prideluje šipon, laški rizling in beli burgundec. Sedaj ga bomo lahko pili za božič in novo leto. Menda ne bo slovenske hiše v Clevelandu ali okolici, da ne bi za božič ali novo leto imela na svoji mizi steklenico vina iz Slovenije, pa naj bo to: Šipon, rizling, silvanec, traminec ali dobrega rdečega vina iz Istre. Vsa ta importirana vina ima jo za žaljiv okus, so čista in zdrava, zakan ne povzročajo glavobola. To so prava naravna vina iz naše rodne zemlje, prelepje Slovenije. Kdor hoče imeti lepe spomine na svoje domače kraje v letosnjih praznikih, potem naj si privošči kozarec ali dva v Sloveniji pridelanega vina, ter poslanega v Ameriko, da se ga lahko poslužijo ameriški Slovenci, odnosno Jugoslaviani. Steklenica vina iz Ljubljane napravi lep božični dar. Nobeden se ga ne bo branil, vsak ga bo vesel ter ga bo tudi z radostjo popil ter ohranil spomin na onega, ki ga mu je prinesel kot božični dar.

Zdaj pa želim vsem veseli božične praznike in srečno novo leto, Enakopravnosti pa veliko novih naročnikov.

Frances Globočnik,

UDOVICA

POVEST IZ 18. STOLETJA

Napisal: I. E. Tomic

(Nadaljevanje)

Imenovani gospodje častniki niso ni sami mnogo verjeli v te nove svoje časti, ali vendar so hvaležno sprejeli imenovanja ter se ravnali po njih. Trebalo je v vojski discipline in pokorščine. Gospod viceban je bil za poveljnika, čeprav se ni takozival.

Glas o tem vicebanovem činu se je že drugi dan razširil po Zagrebu in govorilo se je marsikaj o tem. Tisti, ki so se razumeli, so trdili, da viceban nima po nobenem zakonu pravice do imenovanja častnikov vojske. To pravo, so govorili, spada med "juramajestatica", katero je pa viceban kršil.

Take glasove so posebno širili ljudje, ki so bili vicebanovi nasprotniki, da so mu delali neprimerni ter ga črnili pri dvoru.

Drugi so zopet jemali vso stor za semešno ter so govorili, da se je viceban odšel igrati vojake, da se imenovanja njegovih častnikov ne more jemati za resno, ker nimajo častniških "patentov", niti častniške platre, in kdo more brez tega smatrati koga za častnika?

Ceprav so imeli prav oni, ki so tako sodili o imenovanju častnikov, so vendar člani bojnega odseka prestrašili, ko so izvedeli za to držovitost vicebana Raucha. Viceban pa je misil: "če vi tam gori na Dunaju ne marate za nas, ko nam preti nevarnost od kmetov, in od vas zastonji isčemo pomoč, potem pa: Kje imate pravico prigovarjati načinu, s katerim se mi brahimo?"

V konferenci, ki je bilo v škofovi palači pod predsedstvom vicebanovim, so sklenili, da je pisati na Dunaj kraljici radi pomoči, a že se je vedelo v naprej, da po stari navadi z Dunaja ne pride pomoč. Zato se viceban ni zmenil, ko so mu kasneje iz stanovskega

Ujeti uporniki so izgledali ubog, da si človek ne more napraviti žalostnejše slike. Bosi in gologlavci, v samih srajcah, so korakali po globokem zimskem blatu na pol zmrznjeni od mrazu.

Hrup zadovoljstva je bilo čutiti po vojski ko so zagledali prve ujetnike. Tudi vicebana je obšlo enako čustvo in njegovo lice se je zvedrilo, ko je prihajal Petkovič na konju preden pa mu pokorno javil, da je njegova četa pri Stančiču razbila upornike, od katerih je deset bležalo na mestu, velik del zdežal v gozd, a teh dvanajst, ki jih daruje vicebanu, da je ujem.

Alpinistika na Jesenicah

Jesenški železarji niso le med najboljšimi strokovnjaki in delaveci pri svojem poklicu, temveč je večina med njimi tudi priznanih sportnikov-alpinistov. Kajti Jesenice ležijo v najlepšem planinskem predelu Slovenije in so izhodiščna točka za neštete najbolj zanimive, lepe in tudi težavne gorske ture.

Že pred zadnjo vojno je obstajala na Jesenicah, podružnica plezalskega kluba "Skala", po osvoboditvi pa so bili jesenški alpinisti, nekaj časa, dokler ni zrasla mlada povojska generacija alpinistov, celo vodilni v državi.

la v Jugoslaviji velika potreba po strokovnem železarskem kadru, zato so bili mnogi strokovnjaki iz jeseniške železarne premeščeni v druge tovarne, kar se je občutno poznalo tudi pri alpinističnem sportu. Mnogi so se tudi zaradi prezaposlenosti odpovedali sportu, kljub vsemu temu pa je tudi danes alpinističen odsek na Jesenicah še vedno močan, uspešen in delaven.

Letos so preplezali jeseniški plezalci znane smeri v Triglavski steni, Špiku, Jalovcu, Travniku in drugod. Plezalci Kruščič v Šilar sta preplezala novo smer v severni steni dokaj nevarnega Stenarja ter v južnih stenah Kotove špice ter Rušice. V Martuljku so letos Jeseniščani postavili in opremili novo gorsko zavetišče, Lani zgrajeno zavetišče pod Stenarjem v višini 2000 m so pa letos lepo opremili. V gradnji imajo še več gorskih zavetišč. V poletnih mesecih pa so s prostovoljnimi delom popravili več gorskih poti.

Films of Jugoslav Life Shown in SNH, Sun. 17

On Sunday afternoon, December 17th, at 4, SANS presents a program of films selected to give a cross-section view of Jugoslav problems and achievements. All are produced with commentary in English.

"The Star and the Sand," produced by UNRRA, shows the journey of refugees from islands off the Dalmatian Coast where in 1944 they established into Africa, near the Suez Canal, a thriving community of 30,000 people and prospered.

"Workers Holiday," produced by Avala Films, Beograd, is a triumphant documentary film, showing how for the first time, the Jugoslav worker enjoys two weeks of paid vacation, in the world-famous resorts formerly frequented exclusively by foreign tourists and people of means. There are shots of Bled, Postojna, Martuljek, Split, and many other scenic spots.

"The Year III of the Five-Year Plan," from the Jugoslav Information Center, is a summary of technical progress in industry. Impressive shots of immense strides forward in technological development by means of incredibly hard and primitive labor make this a significant film. In spite of obvious pride in their achievement, the commentator admits throughout there is yet vast work to do before a better standard of living will be available through industrial development.

"Makedonija" is a most interesting film, showing in brief the history, cultural heritage, and present plan for this most backward area of Jugoslavia.

"Obzornik," by Filmski Studio of Ljubljana is a Slovenian

"March of Time." The voice of one of the commentators is most familiar: Drago Segar! Here you will see Sv. Križ na Primorskem, Rdečje, scenes from the Božidar Jakac Academy of Art, again some breathtaking scenes of Bled, the new Maribor hydroelectric plant, Rogaška Slatina, Dobrna etc.

No Slovenian program would be complete without music, and SANS has therefore invited two outstanding male quartets to add their songs: Louis Belle, Frank Plut, John Nosan and Primož Kogoj, and from Zarja Frank Fatur, Frank Elersich, Andy Turkman and Frank Koval.

Admission at the door is 50 cents. Na svidenje!

THANK YOU!

Beginning my third year in my own undertaking business, I wish to take this opportunity to express my sincere gratitude to all who have availed themselves of my services, by calling on the MARY A. SVETEK FUNERAL HOME, when death came and claimed their loved ones from their midst.

During trying times in a person's life, one would think that the trials and tribulations would numb one's feelings and make him immune to more pain, but I had found myself on a number of occasions during the past years, in such a position that I did not know what to do or where to turn.

Finally I was advised to pursue my undertaking profession in my own home. I was told, that the people have a kind heart, that they did not forget how I opened up my heart to them in their sorrow for their loved ones, and that the people will extend their helping hand to me during my trials.

Truly I realized how some snickered maliciously at my misfortune, not being aware of the fact, that uncertain conditions may bring upon them a similar mishap. Others made feeble excuses and availed themselves of the services of other establishments. Thank God, there are still honest and sincere people, who gave consideration to my plight and realized wherein the fault lies. These people gave me their support to help ease the predicament of the innocent and affected party.

On this occasion I extend my sincerest thanks to these people, who have been so kind to me and showed enough courage to be with me at a time when they too were afflicted and their hearts were saddened at the loss of their loved ones.

I appreciate your patronage and I will endeavor to render my utmost sympathetic assistance and cooperation whenever my services will be requested.

I have tried at all times to render kind, sympathetic and dignified service, and I will strive my utmost that my clients will at all times receive in my establishment the sincere, honest, courteous and sympathetic services with all the dignity required of such an institution.

In case of need of ambulance service or in case death strikes in your family, call on the establishment
