# Dramatičen govor Selasija pred Ligo narodov

## Laški časnikarji na galeriji povzročili kraval

"Bog in zgodovina ne pozabita, izdajstva, katerega je Liga izvršila na Abesiniji!" je izjavil Selassie. Osem Italijanov aretiranih.

ZENEVA, 30. junija. — Danes je bila zbornica Lige narodov pozorišče najbolj dramatičnega prizora v svoji zgodovini, ko je mali črnkasti vladar počne Abesinije stopil pred zbrane zastopnike narodov ter jih v pretrajivem govoru rotil, da ne pusti njegovega naroda Italiji, opozarjajoč jih, da so za svoj čin odgovorni pred Bogom in zgodovino.

Skupina italijanskih časnikarjev je med govorom Haile Selasija na galeriji povzročila kraval, nakar je morala nastopiti policija, ki jih je med ruvanjem in kletvicami aretirala in odvedla iz zbornice.

To je prvič v zgodovini Ligë, da je na seji prislo do sličnega incidenta. Surovo obnašanje Italijanov je povzročilo splošno zgorjanje. Aretirani fašistični časnikarji se bodo morali zagovarjati pred zveznim prosekutorjem v Bernu.

Mednarodna zveza časnikarjev v Zenevi je podala izjavno, v kateri je ostro obsodila laške časnikarje.

Romunski zunanji minister Nicolas Titulescu, ki je eden izmed veteranov med voditelji Ligë, je skočil na svoj sedež ter razburjen zaklical proti demonstrantom: "Prenehajte s temi barbarskimi in neciviliziranim metodami!" Toda hrup v zbornici je bil tolik, da se je besede celo le v njegovi neposredni bližini.

Ko se je v zbornico vrnil mir je Haile Selasie nadaljeval z govorom. Rekel je: "Nikoli bi ne bil verjet, da je mogoče, da en sam napadalec lahko porazi 52 narodov, med katerimi so največje in najmočnejše države sveta."

Selassie je posvaril male narode, rekoč: "V tej borbi sem se boril za stvar vseh malih narodov proti voriti pred zbornico.

Blum je osupnil Ženevo; Francija ne priznava italijanske zmage v Abesiniji.

ZENEVA, 1. julija. — Novi francoski premier Leon Blum je imel danes pred zbornico Lige narodov svoj prvi govor, ki je silno osupil zbrane diplomate. Socijalistični premier je posvaril diplome, da se danes Evropa nahaja prav tam, kjer je bila leta 1914, predno je izbruhnila svetovna vojna, in da Francija ne bo priznala italijanske zmage v Abesiniji.

Govor francoskega premierja je napravil mogočen vtis.

Apeliral je na Ligo, da podvzame vse mogoče korake za ojačanje kolektivne varnosti in da pospeši razoroznajitev. Opozoril je, da je abesinska situacija ogledalo razdrapanih svetovnih razmer, potem pa je slovensko izjavil, da Francija ne bo ostala pasivna, ako bo na njenem zemljo ali pa na zemljo njenih zaveznic stopila noge vpadalca.

## Učitelji v borbi za akademsko svobodo

Se bodo borili proti postavam, s katerimi se jim skuša zamašiti usta v razredit.

PORLAND, Ore., 30. junija. — Na 74. letni konvenciji National Education Zveze je ameriško učiteljstvo iznovo napovedalo boj za akademsko svobodo in proti zakonom, ki učiteljstvo ponuja z "lojalnostmi za prizegami." Na konvenciji sta govorila zvezni izobraževalni komisar John W. Studebaker in narodni ravnatelj mladinskega Rdečega križa Thomas A. Gosling, ki sta žigosale "diktaturo v šoli."

"Jaz gotovo ne zagovarjam poučevanja komunizma," je izjavil Studebaker, "toda želim pa opoziriti, da je položaj v Kolumbijskem distriktu skrajno značilen za vse državljanje, ki skušajo izobrazbo spraviti v harmonijo z ameriškim pojmom demokracije."

Kongres je namreč za kolumbijski distrikt pod pritiskom profesionalnih patriotov sprejel postavo, glasom katere mora vsak učitelj v washingtonskih šolah prizeti, da ne uči komunizma v razredu. Gosling je v svojem govoru rekel:

"Dokler ne odpravo diktature v šolah, je ne moremo napadati drugod. Prisilne lojalnostne prisegi in prisilno pozdravljanje zastave so flagrantni slučaji diktature."

## 20,000 NOVIH STAVKARJEV V FRANCIJI

PARIZ, 20. junija. — Včeraj je v Moselle industrijskem okrožju zastavalo 20,000 delavcev, s čemer se je število stavkarjev povečalo na 180,000. Delavski polčaj je še vedno eden največjih problemov Blumove vlade. Medtem ko je položaj v Parizu že skoro normalen, pa se stavke nadaljujejo v okrožjih Annency, Grenoble in Metz. Na francoski Rivierji imajo turisti velike neprilike, ker so vsi hoteli izprli svoje uslužbence. Samo v Niči je prizadetih 1200 turistov, ki so ostali brez postrežbe.

## AMERIKA NE BO ZAHTEVALA JAPONCA

LOS ANGELES, 30. junija. — Zvezne oblasti so opustile poizkus, da bi se dobito v Ameriko japonskega mornariškega častnika Toshio Miyazaki-ja pod obtožbo šojonja proti Zed državam. Obrahnava proti bivšemu mornarju Harry Thompsonu, ki je obtožen, da je Japonski prodajal ameriške mornariške tajnosti, se bo začela prihodnji četrtek.

## Še je čas

Blum se v svojem govoru ni direktno dotaknil sankcij, toda blok nevtralnih narodov, v katerem so Norveška, Švedska, Nizozemska, Švica in Danska, je izdal komunik, v katerem je rečeno, da si te države pridružijo veseli družbi na obisku v staro domovino. Mr. Kollander bo osebno skrbel za vse potnike do Jugoslavije.

## Governer indirektno odobrava druhalško nasilje

MONTGOMERY, Alabama, 30. junija. — Gov. Bibb Graves je včeraj z ozirom na druhalški napad, ki je bil te dni izvršen na unioniste iz Akrona, izjavil, da se bo svobodo govoru in zborovanju v Alabami "ohranilo," istočasno pa je izjavil, da naj se organi aforji United Rubber Workers unije, nikar več ne vrnejo v Gadsden, tako nočejo, da pride do novih nasilstev. V tem smislu se je izjavil tudi načelnik države milice.

Governer je udaril z roko po mizi iter izjavil:

"Vsakdo, ki posluša zakone v Alabami, bo dobil začito. Dokler bom jaz governer, ne bo druhalške vlade v državi."

Ko pa se ga je vprašalo, če bo poslal vojaštvo, da prepreči ponovitev dogodka, ki se je odigral zadnjem teden, je governer odgovoril:

"Tega nisem rekel. Rekel sem le, da druhalške nasilja ne bo v Alabami, dokler sem jaz governer."

Frank Grillo, tajnik unije gujijskih delavcev iz Akrona, O., je danes izjavil, da se bodo unijski organizatorji vrnili v Gadsden, čim bodo zeti gotovi in čim bo governer preskrbel za protekcijo."

Danes je v Chicagu vlak skušal zamenjati z letalom, toda potniška letalska družba mu je že potem, ko je kupil listke, vrnila denar in mu ni hotela dovoliti vstopa v aeroplana. Zioncheck je bil v zadnjih mesecih v številnih avtinskih ekipadah in tepežih s policijo, nakar je bil aretiran in poslan na večtedensko opazovanje.

CRNOGORCI ZAHTEVALI SVOJEGA KRALJA

## NI IZGLEDA ZA SPRAVOM MED LEWISOM IN GREENOM

Kampanja za industrijsko unijo v industriji jekla v razmahu. Organizatorji poslani "na fronto."

WASHINGTON, 30. junija. — V delavskih borbah preizkušeni može so nočoj podvzeli despetraten poizkus, da bi se na kak način doseglo spravo med John L. Lewisom in William Greenom, in med tem ko je borba za organiziranje pol milijona mož v mogočni industriji jekla in železa začela razvijati, vendar zelo malo je upanja, da se bosta Lewis in Green pobotala.

Voditelji, ki bi spor radi povravnali, imajo pred očmi oster boj s kralji jeklene industrije, pred katerim stoejo, in želijo da bi bilo delavstvo v tej borbi združeno. Zavedajo se, da bi to skrajšalo kampanjo ter prisnelo hitrejšo zmago za delavstvo.

Lewis je zagovornik ideje industrijskega unionizma ter brez dvoma danes najmogočnejša oseba v ameriškem delavskem gibanju. Upri se je Green, ki zagovarja princip strokovnega unionizma, ker A. F. of L. ni pokazala nobene volje, da bi organizirala delavce v industriji jekla in železa ter formiral poseben odbor, ki hoče to delo izvršiti s pomočjo 10 milij, ki so v ta namen dale na razpolago pol milijona dolarjev. Green vsled tega dolži Lewisa, da hoče ustvariti dualno organizacijo, ki bo naperjena proti A. F. of L., ter je Lewisu in članom njegovega odbora zagrozil z izključenjem iz federacije.

Lewis je nočoj časnikarjem rekel: "Povejte Mr. Greenu, da ste govorili z menoj in da sem rekel, da vse odivsi od njega." Na glavnem stolu federacije je bilo rečeno, da Green ni v mestu.

Medtem je Lewisov odbor začel širokopotezen program za kampanjo v industriji jekla. Med delave se bo delilo pamlete, obdržavalo se bo shode in (Dalje na 2. str.)

## DOPISI ČLANSTVA

(Dalje iz 4. str.)

Slovenski Svobodomiseln Podporni Zvezi.

Kot po drugih naselbinah, tako se je tudi leta 1911 v napredni naselbini Sygan rodila ideja, in se je ustanovilo društvo št. 89 SSPZ. Ustanovitelj tega društva je bil John Blekach, ki je še sedaj zvest član. Poleg slabih razmer v nasprotstva, ki je bilo, je društvo vztrajalo in napredovalo.

Društvo priredi srebrni jubilej ali petindvajsetletnico svojega obstanka v soboto dne 4. julija v slovenski dvorani na Sygan. Pa, Angleško poslujoče društvo Progressors iz Bridgeville bo z nami sodelovalo, in bodo igrali mushball z društvom Challengers iz Canonsburg. Vrnil se bodo govoriti in deklamirati in med nami bosta g. podpredsednik sobrat Rudolph Lish z Cleveland, O., in gl. tajnik William Rus iz Chicage. Pevsko društvo "Prešeren" iz Pittsburgha bo zapelo par lepih pesnic. Godba na pihala bo igrala pred programom in potem izstrela orkestra za ples za stare mlade.

Ker so slične priredebe malo edaj zaradi tega upamo, da se deležite te slavnosti vsi člani in članice SSPZ v bližini in od daleč. Naselbina Sygan je vam zasebno dobro poznana, zato jurec pribimo vse članstvo različnih organizacij in celo občinstvo.

## Carica Katarina

## Zgodovinski roman

V svoji neomejeni hvaležnosti napram Potemkinu je carica popoloma pozabila na kneza, ki je tudi mnogo pripomogel k zmagi pri Moskvi.

Knezu Turbeckemu se carica niti ni zahvalila! Zanj ni imela upic. Potemkin je moral neprestano odzdravljati, kajti množiča cvetja na svoje srce in se globoko sklonil, kakor bi hotel prisniti svoje ustnice na nežno cvetje.

Še enkrat je pogledal na balkon, potem pa je sunil svojega konja z ostrogami. Iskri konj je planil in ga odnesel iz bližine lepe žene.

Toda ni si mogel kaj, da se ne bi še enkrat obrnil. Takrat pa je videl, kako je starec, ki je stal poleg lepe neznanke, ovil roko krog njenega pasu in jo z neko gotovo odločnostjo odpeljal v stanovanje.

— S kakšno pravico? — se vpraša Potemkin. S kakšno pravico?

In v srcu je začutil bolest, ki ji ni vedel vzroka. Tedaj pa si je sam odgovoril na vprašanje:

— Morda s pravico soprega, — morda — morda!

Carsko gledališče je bilo zvezcer nabito polno.

Za predstavo niso niti prodajali vstopnic, lože in parket je napolnilo le povabljeni občinstvo. To občinstvo je bilo del najvišjega plemstva, izbrano iz najvišjih slojev petrograjskega prebivalstva. Ostale sedeže na galeriji so zasedli častniki s svojimi damami.

Za ta večer je povabila carica Katarina slovito pevko Catalani, ki jo je smatrala cela Evropa za dovršeno umetnico, ki je na mah pridobila sreca vseh, ki so jo slišali. Publika jo je nadušeno pozdravljala.

Pevka Catalani je prišla načas za ta večer v Petrograd.

To gostovanje je bilo seveda strašno dragog, plačala pa ga je Katarina iz svoje zasebne blagajne.

V sredini prvega nadstropja se je nahajala carična loža.

Carična loža je bila prekrasno urejena opremljena z največjim razkošjem. Bila je bolj podobna kneževskemu salonu, kakor pa gledališki loži.

Pred ložo se je nahajala velika sprejemna soba. Po navadi se je v tej sobi zbirala v odmori načelne družbe, ki jo je odlično občinstvo storilo.

Ko je carica vstopila, je zanimala orkester rusko narodno himno, ki jo je odlično občinstvo storilo.

Potemkin se je začel zanimati

## FOREST CITY, PA., BIDS ANTON ZAITZ FAREWELL; TAKES NEW POSITION AS ASSISTANT SUPREME SECRETARY

### PETE ELISH RELATES CHALLENGER JUNIORS ANNUAL OUTING AS AN ADOLESCENT LOOKING BACK

VANDLING, Pa. — The last regular meeting of Vrtec No. 1 with MR. ZAITZ acting as our Administrator was held on June 21, 1936. During the meeting MR. ZAITZ spoke a few words, in which he stated that he is leaving soon and he wished that Vrtec No. 1 would keep being active and also be No. 1 in the leadership of all other Vrtces.

Our future Administrator will be MR. JOSEPH DRASLER, who for the past year has been our Vice-Administrator. He is president of the Pathfinders. All members are very well acquainted with him and I am sure we will all cooperate. Congratulations to you, Joe!

After the meeting was adjourned, refreshments were served. Mr. and Mrs. ZAITZ gave a party to their friends and members of Lodge 27, to which he belonged for the last 12 years. Dancing then followed.

The music was furnished by MR. FRANK GERSTEL's Tambourine Club, which was organized in Europe and brought across to Forest City in 1912. This is the only Tambourine Club in Northeastern Pennsylvania. Both the young and old enjoyed dancing.

This club furnished the music for our Vrtec since it had been organized.

We should be proud that we have a club like this among the Slovanes.

Before the dancing came to a close a program was held with Vrtec and Senior Lodge members and also friends participating to bid adieu to Mr. Zaitz, a wonderful worker for the S. S. P. Z. He takes the seeds into the furrows, he throws them as he steps along.

Mr. Frank Gerstel, leader of the Tambourine Club, acted as master of ceremonies and he spoke a few words on the departure of Mr. Zaitz and his family.

Next, president of the Tambourine Club, GABRIEL LAURIHA, wished Mr. Zaitz much success in his position. Pres. of Vrtec No. 1, WM. PEVC, thanked Mr. Zaitz for his wonderful work and cooperation with our Vrtec members. He then presented Mr. Zaitz with a token to show our deep appreciation. Mr. Zaitz gave thanks for his token and spoke a few words about his departure. All members and friends were sorry to see that a friend and a wonderful worker of our organization was leaving.

Secretary of Lodge 27, MR. FRANK LABEN, told of Mr. Zaitz's twelve year stay with us and what wonderful work he had done for the Lodge and organization. Pres. of Lodge 27, MR. JERRY BITZ, made a speech about Mr. Zaitz, when he was president of Lodge 27. He stated that Mr. Zaitz was very active in lodge affairs.

MR. JOS. CEBULAR, member of Lodge 27, spoke about Mr. Zaitz from the time they first met up to the present time.

MR. FELIK ROZINA, also a member of Lodge 27, bid Mr. Zaitz farewell.

A few more selections were played by the club and then the dancing was concluded. Vrtec members before leaving, bid Mr. Zaitz adieu.

When Mr. Zaitz first organized our Vrtec in 1933 there were 12 members. Members took deeper interest in our meetings since Mr. Zaitz was our Administrator because he told us interesting things about our organization. We should be proud to think that he was elected Supreme Assistant Secretary from our small vicinity. We should all follow in his footsteps and keep the Vrtec as active as it was when he was our Administrator. Congratulations to you, Mr. Zaitz.

## CHICAGO BEGINS PREPARATIONS FOR THE FOURTH NAT'L ATHLETIC MEET SEPT. 5-6-7

ENGLISH SPEAKING AND VRTEC LODGES WILL COMPETE IN THE INTER-STATE PROMOTION OF FRATERNALISM

STRABANE, Pa. — Challenger Juniors held an annual outing and meet June 21st.

Backward, turn backward, O Time in your flight...

Make me a child again, just for tonight.

Just to be a child again, to romp and play, forgetting everyday's worries and cares—a child to be innocent and inquisitive, ever wondering of the non-understandable world around you, a child with hope untarnished, ay!!! how readily we agree with Elizabeth A. Allen, our desire to be a child again just for tonight.

It was my fortune with administrator Anthony Sirca and Administratrix Josephine Ambrose to spend with about 65 members of the Challenger Vrtec a very sociable and pleasant afternoon on Snake Hill overlooking the surrounding communities and rolling green fields dotted with farm-houses.

The name Snake Hill is a misnomer—for no snakes were in sight—probably they were visiting their friends elsewhere, but the cows had complete possession of the field until we routed them. As we were in the process of chasing the cows rapidly, Betty Jane Betone exclaimed, "Don't make them run, their milk may turn sour." If there is any truth in that, Betty, by the time we got thru chasing them the milk must have turned to butter."

We proceeded immediately afterwards with a program of Track Events, various games, a mushball game, with boys and girls participating, afterwards a luncheon served under the shade of a huge tree, completed the program. Pictures were also taken of the whole group.

The winners of the various events held during the track meets were as follows: 50 foot small girls' dash—MARGARET CHRISTY again repeated her performance of last year by defeating all opponents; 100 foot "big" girls' dash was won by SALLY BASTISTA; 200 foot "big" boys' dash went to Sammy Christy; 100 foot "big" boys' dash went to SAMMY ZAMPAN; half mile boys' race was taken by ANDREW ZACOUR.

High jump among girls went to MILDRED GLAZAR and the high jump for boys was taken by ANDREW ZACOUR. ANN DEVINE captured the rope jumping contest among the girls while ANDREW ZACOUR ramped to the front for the boys.

Outstanding single star of the day was ANDREW ZACOUR who won first places in half mile race, high jump and rope jumping. RICHARD BATISTA, out of a field of 15 defeated his brother VINCENT in one of the most exciting contests of the afternoon. (Ed. Note—A gong for Pete, he didn't mention what the contest was.)

Prizes were awarded to the winners by Josephine Ambrose.

Many stayed after the program was completed enjoying a game of mushball and other games. This year's outing was far more successful than a year ago and the juniors are looking forward to other social events and, of course, to the next year event.

P. S.—However there were two disappointments. Betty Zaitz failed to register a victory. "I was 'cheerin' for you Betty, even though you refused to give me a sandwich last year." The other was, though I enjoyed being a child again, it didn't last and now for a memory—I have a sun-burn and a sore neck playing "hossie."

Yours sincerely,

Peter Elish

The "Chicago Athletic Committee" in charge of the coming "S. S. P. Z. Olympics of 1936" is busily engaged planning an affair which they duly hope will be the "Society's Greatest." With your lodge's whole-hearted co-operation they cannot fail.

To the many of you who were our guests or participants at our 1933 Games, here in Chicago, may we urge you to again be with us in September. To those of you who were then not one of us or perhaps not so fortunate as to attend, may we extend you our heartiest invitation?

In the field of sports the committee has planned many events; a Softball series, various Track Events, Horse-and-Balina tournaments, with the indoor events consisting of a Hobby Show and Swimming events.

The social events for this special occasion are well planned commencing with a "Grand Get-Acquainted Party" planned for the initial evening Saturday, September 5th, 1936, followed by a "Gala Dance," the following Sunday evening and a "Jamboree Picnic" on Monday Labor Day, September 7th, 1936, for the climax.

Urge your lodge membership for a whole-hearted co-operation. Organize your ball teams and various entries.

Begin preparing immediately for this "Great Meet," as many valuable cups and medals will be awarded.

For the "Hobby Show" enthusiasts,

remember begin at once. Elect an athletic director of your lodge to help coach and instruct you for the various events; and Oh! Yes! remember your girls are just as much a part of this show as the boys are. So let's go!

**A Word to the "Vrtec" Members**

We will be pleased to have as many juniors competing as possible. Commence immediately planning to participate.

Make the first meet of yours a Grand success. The committee has planned a full schedule for you, among them a few track events,

water games, tug-o-wars and the hobby show. Urge every one in your circle to enter in every event. There are plenty of lovely medals for them to win. Will you be one of the Lucky ones to wear a Grand SSPZ 1936 Olympic Medal?

Watch this paper for further details. In the meantime begin to prepare for a banner meet in September.
