RAZNO IZ AMERIKE IN INOZEMSTVA

GEORGE WASHINGTON, predsednik Zedinjenih držav, ki je imenovan tudi oče naše republike, je bil rojen 22. februarja 1732. Prihodnji petek bo torej poteklo 203 leta od njegovega rojstva. Rojen je bil v Bridges Creeku, Virginia, umrl pa je leta 1799 na svojem domu Mount Vernon ob reki Potomac, nedaleč od selanjega glavnega mesta Washingtona. George Washington je vodil ameriško revolucionarno vojsko in je osvobodil deželo angleškega jarma. Redno vladje je mlada republika dobila leta 1789. Kot prvi predsednik republike je Washington odslužil dva termina, nakar ni hotel več sprejeti predsedniške nominacije. Tega vzgleda se so držali vsi slediči predsednika in noben ni služil več kot dva termina zaporedno, da ustava tega ne prepoveduje.

ZODNIJSKA OBRAVNAVA napram B. R. Hauptmannu, ki se je pričela v Flemingtonu, N. J., dne 2. januarja, je bila 13. februarja zaključena s tem, da je porota spoznala krimiv ugrabljenja Lindberghovega otroka in umora po prvem redu. Sodnik Trenchard je nato nad Hauptmannom izrekel smrtno obsobo, ki se ima izvršiti v tednu, kateri se prične z 18. marcem. Zagovorniki bodo vložili priziv proti obsoobi. Hauptmann dosledno trdi, da je nedoljen, kljub številnim nasprotijim dokazom. Obtežuje ga najbolj dejstvo, da so v njegovih garažih našli skritih skoro \$14,000 v bankovcih, katere je Lindbergh plačal kot odkupnino. Hauptmann je star 36 let in je bil rojen v Kamenzu na Saksonskem v Nemčiji. V Zedinjeni države je trikrat skušal priti nelegalno in tretjič se mu je posrečilo. To je bilo leta 1923.

DRUGA VELIKA NOVICA preteklega tedna je bila katastrofa velike zračne ladje "Macon," ki je pripadala ameriški vojni mornarici in ki se je na večer 12. februarja potopila v Pacifičnem oceanu, 120 milij južno od San Francisca. Posadko so, z izjemo dveh mož, rešile ameriške vojne ladje, ki so se ob času katastrofe mudile v bližini.

ORGANIZIRANO dela vstvo zahteva preiskavo poslovanja NRA, o katerem trdi, da je strankarsko in nepravilno napram delavcem. V zveznem sečatu ima delavstvo v tem oziru podporo od liberalnih demokratov in progressivnih republikanov. Senator Robert F. Wagner iz New Yorka je naznani, da bo vložil predlog, ki bo zahtevala, da postane odbor delavskih zadev stalna ustanova in da se definira NIRA točka 7-A, ki garantira delavcem pravico organiziranja in kolektivnega pogajanja.

PREDSEDNIK Roosevelt je izjavil, da bo podpisal postavo, ki določa, da se plače federalnih uslužbencov, ki so bile svoječano znižane, s 1. aprilom zopet dvignejo do prejšnje višine. Obenem pa je pripomnil, da bo kongres moral preskrbiti višje dohodke z višjimi davki.

DEVETDESETLETNICO svoje rojstva je dne 15. februarja obhajal Elihu Root, eden (Daleje na 4. strani)

PONESREČBE ZRAČNIH LADIJ

Na večer 12. februarja 1935 se je v Pacifiku, 120 milij južno od San Francisca, Cal., potopil ameriški zračni orjak "Macon." Vihar je ogromno zračno ladjo tako poškodoval, da je morala pristati na morju, kjer se je v kratkem času potopila. Sreča v nesreči je bila, da je bila skoro vsa posadka rešena. Izmed 83 mož posadke sta pogrešana le višji radio inženir in en kuhan. Ostalo moštvo je pravočasno zasedlo gušnjaste rešilne čolne in se oddaljilo od potapljaljega orjaka. Vojne ladje, ki so se hitro približale kraju katastrofe, so pobrale moštvo "Macona" iz rešilnih čolnov.

Zračna ladja "Macon" je bila 785 čevljev dolga, imela je osem strojev, ki so mogli prizvajati 4480 konjskih sil, dvignuti je mogla 403,000 funtov in njenja največja hitrost je bila malo manj kot 84 milj na ur. Zgrajena je bila pred nedavnim v Akronu, Ohio, in je stala \$2,450,000.

Zedinjene države nimajo sreče pri zračnih ladjah. Leta 1925 je bila uničena zračna ladja Shenandoah, leta 1933 zračni orjak Akron, in zdaj Macon. Na vsak način morajo biti gotovi pomanjkljivosti v gradnji ameriških zračnih ladij. Nemški zračni orjak "Graf Zeppelin," ki je bil zgrajen leta 1929 za približno ceno enega milijona dolarjev, je že 60krat prevozel Atlantik, enkrat je načrpal polet okoli sveta in enkrat je obiskal polарne kraje, brez vsake nezgode. Vse kaže, da so Nemci najboljši graditelji zračnih ladij; druge države pa imajo v tem oziru več ali manj smoje.

Od leta 1921 se je priprnilo že 9 večjih zračnih katastrof. V januarju 1921 je vihar raztrgal britiško zračno ladjo R-34 v Howdenu na Angleškem; človeških žrtev takrat ni bilo. V avgustu 1921 je nad mestom Hull v Angliji zgorel zračni orjak ZR-2, katerega je bila Anglia zgradila za Zedinjene države; v katastrofi je izgubilo življenje 14 oseb. V februarju 1922 je zgorela v Hampton Roads, Va., zračna ladja Roma, katero je bila vlad Zedinjenih držav kupila od Italije; v katastrofi je izgubilo življenje 34 oseb. V decembri 1923 je ponosrečil francoski zračni orjak Dixmude nekje nad Sredozemskim morjem; vsa posadka, po številu 50, je bila izgubljena. V septembri 1925 se je nad državo Ohio prelomila ameriška zračna ladja Shenandoah; pri tisti priliki je izgubilo življenje 14 oseb. V maju 1928 se je v bližini severnega tečaja ponosrečila italijanska zračna ladja Italia; izgubljenih je bilo šest mož. V oktobru 1930 je blizu Beauvaisa, Francije, ponosrečila britiška zračna ladja R-101, na poti v Indijo; v katastrofi je bilo ubitih 46 oseb. V aprilu 1933 je bližu newjerseyskega obrežja ponosrečila v viharju ameriška zračna ladja Akron; v katastrofi je izgubilo življenje 73 oseb. Dne 12. februarja 1935 pa je nedaleč od San Francisca ponosrečila ameriška zračna ladja Macon; od posadke je bilo rešenih 81 mož, dva pa se po grešata.

PROBLEMI PRISELJENCA

Vprašanje: Prišel sem nezakonito v Zedinjene države l. 1919 in sem od tedaj stanoval v Zedinjenih državah, ali l. 1923 sem začasno v Canado in ostal tam dva meseca. Ali pomenja to, da moj zadnji prihod je bil l. 1923 in da raditega ne morem vložiti prošnjo za legalizacijo svojega prihoda?

Odgovor: Taka kratka odsotnost iz Zedinjenih držav se po pravilu ne smatra kot prekinjenje bivanja v Zedinjenih državah, zlasti če prislice za legalizacijo more pokazati, da je tedaj nameraval povrniti se v Zedinjene države. Le vložiti je treba prošnjo za takozvanou registracijo prihoda, da katere imajo pravico vsi oni, ki so prišli pred danem 3. junija 1921.

Vprašanje: Sem naturaliziran državljan. Ali bi mogel privesti iz Evrope svojega brata, ki je 18 let star, kot priseljenca izven kvote ali v prednem kvoti?

Odgovor: Ne. Edine izjeme iz kvote tvorijo slediči sorodnički: Izven kvote: žene ameriških državljanov in njihovi neporočeni otroci pod 21. letom, nadalje možje Amerikanki, ako se je poroka vršila pred danem 1. julija 1932. Prednost v kvoti imajo le starši ameriških državljanov in možje Amerikanki, ako se je poroka vršila po zgoraj navedenem dnevu.

Vprašanje: Biла sem naturalizirana pred tremi leti pod svojim dekliskim imenom. Poročena sem in sem sedaj znana pod imenom svojega soprog. Ali se more vpisati moje sednje ime na državljanški papir?

Odgovor: Ako to zares hočete, morate dobiti novo izdajo državljanškega papirja, za katero morate plačati pristojibno \$5. Prošnjo je treba vložiti pri District Director of Naturalization. Morate predložiti poročni list in tudi sedanj državljanški papir. Drugače morate vedno dokazati svojo identiteto s tem, da predložite državljanški papir z dekliskim imenom in svoj poročni list.

Vprašanje: Dezerteriral sem iz ladj pred petimi leti in sem od tedaj ostal v Zedinjenih državah. Pravijo, da inozemski mornar ne more biti deportiran po bivanju treh let v tej državi.

Ako je temu tako, morem urečiti svoje stanje in prositi za naturalizacijo?

Odgovor: Zmotili ste se. Res je, da pred vzakonitvijo priseljeniske postave od l. 1924 inozemski mornarji niso bili podvrženi deportaciji po treh letih. Ta novi zakon je uvedel določbo, da vsi oni, ki so prišli nezakonito po 1. juliju 1924, so za vedno podvrženi deportaciji.

Vprašanje: Dezerteriral sem iz ladj pred petimi leti in sem od tedaj ostal v Zedinjenih državah. Pravijo, da inozemski mornar ne more biti deportiran po bivanju treh let v tej državi. Ako je temu tako, morem urečiti svoje stanje in prositi za naturalizacijo?

Kjer se drevesne veje križajo, tako, da se druga ob drugo držgne, naj se odstranijo nad osebnimi sovražnikom. Če namreč sporna stvar ni ravno tako huda, da bi bilo treba kar naravnost ubiti sovražnika, se mu o prvi priliki odreže — uhelj. Tako se je zgodilo tudi v Bistri, v dajkoviškem srezu, kjer je prišlo do precej hudega spora med dvema Arnavtoma. Geg Doda je imel lepo hčer, katero je zasnabil Prenk Nuo iz sosednje vasi Firze. Geg Doda pa mu je hotel dati, dasi je hči imela rada Nua. Neke noči je dekle pobegnilo k svojemu ljubincu, ki je tako proti volji Gegga Doda postal njegov zet. Da bi se maščeval, je taz izabil ugodno priliko in je odvezal zetu levo uho. Zet pa seveda ni odpustil tatu sramote, ki mu je napravil, pa je tri tedne pozneje z dvema prijateljem pričakal tasta in mu odrezal levo uho. Stvar je na posled prišla pred sodišče, ki je zaslišalo okoli 30 prič, med katerimi pa jih je bilo pet tudi samo z enim uhljjem. Sodišče je oobsodilo oba, tasta in zeta, v enoletno ječo.

DRAZ ŠPORT

Voznja z avtomobilom je drag šport. Samo davki na motorna vozila v Zedinjenih državah znašajo letno nad tisoč milijonov dolarjev. Povprečen avtomobilist plača na leto \$50 v posebnih davkih.

Mnogi čitalci našega lista so se že pismeno ali ustmeno izrazili, da jih zanimajo članki, vsebujoči vrtnarske nasvete. Za vse čitalce takih člankov seveda nimajo pomena, ker vsi pač nimajo vrtov ali vrtičev, kjer bi se udejstvovali. Vsekakor pa je treba včas ustreči tudi manjšini, in urednik želi, da bi list vsaj tekom časa vseboval nekaj za vse. To naj izvijoli upoštevati tisti, za katere članki o domaćem vrtnarstvu nima pomena ali jih ne zanimajo.

Lani v decembru je pri Sv. Barbari v Halozah pogorelo obširno gospodarsko in stanovanjsko poslopje trgovca in gostilnara Žige Primožiča. Poletja so bila visoko zavarovana in škoda je znašala okrog pol milijona dinarjev. Izprva se je domnevalo, da je bil ogenj podtaknjen iz maščevanja, kmalu pa se je pojavila sumuša, da je gospodar sam začigal, da bi dobil zavarovalnino. Policija je zbrala toliko dokazov, da je po daljšem zasliševanju končno priznal, da je zanetil ogenj s pomočjo brezposelnega klučavnarja Jakoba Majcenoviča iz Gruškovca. Zdaj oba čakata na sodbo v ptujskih zaporih.

V Februarju je v starosti 79 let umrl upokojeni nadučitelj Anton Skubec. Pokojnik, ki je bil rojen v Črnomlju, je po dvoršenih študijah najprej učil na zasebni šoli na Glazuti v Kočevju, potem tri leta v Zabukovju onkraj Sevnice, nato pa celih 35 let na Bizejškem. Ves se je vživel v tamkajšne razmere in je postal ljudstvu pravljivo in svetovalec v vsakem pogledu, še zlasti pa je bil strokovnjak v vinogradu in sadovnjaku.

Stoletni starec se je oženil. Vasi Rajinci pri Zvorniku se je oženil 100 letn kmet Mujo Sulikanovič, ki upravlja še sam manjše posestvo. Trdoživi starec se je oženil tretjič in si je za družico izbral 60 letno vdovo.

MLADINSKI ODDELEK -- JUVENILE DEPARTMENT

Gustav Strniša:
VOLKE GOLTEC

Zivel je volk samogostež, divji in neusmiljen. Krivočno je moril živali in vsa zverjaj je bežala pred njim.

Volk je imel družico, ki mu je skočila volčka, majhnečka v ljubkega, da ga je še starca mrcina sam vzljubljen.

Poje se srečal volkulju lovec, pomeril najo svojo puško in že je starka obležala v kriji.

Volk je tuli in razsajal, a ni si mogel pomagati. Trgal je zajcev in srne, nosil jih je volčiču, a mladič je samo polzel mkriv in se obrnil proč.

In oče volk je spoznal, da mora pre-skrbeti sinu mleka, sicer bo po njem.

Napotil se je k hisici in jo poprosil:

"Teta lisica, rad te imam, sama veš kako. Pomagaj mi iz zadrage! Moj bedni sinček volke Goltec je v nevarnosti, mleka mu ne morem dati in žalostno bo poginil. Svetuj mi, kaj naj storim?"

"Naj pogine, jabolko ne pade daleč od drevesa!" je komaj slišno zamrmljala lisica, a glasno si ni upala nícesar takega reči, ker se je bala divjaka. Zato je samo prijazno pomahnila z repom in mu svetovala:

"Vem, da si priljubljen pri kozi, ki je dobra in usmiljena živalca. Pojdi k nji in dala ti bo mleka, ki ga ima na pretek!"

Volk se je zahvalil in jo mahnil h kozi. Čim bolj se je blízal njeni staji, tem počasnejši je bil njegov korak. Kako tudi ne, saj ji je pobil že štiri mladički in vedel je, da ga pozna kakor človek slab denar.

Koza je zagledala volka in nastavila roge, da bi ga odbla.

A volk je prijazno pozdravi:

"Pozdravljena koza, ti ljudomil živalca! V stiski prihajam k tebi. Usmilji se mi in ne pozabim te. Nikoli ti ne bom storil zlega in vse mladički ti pu-stim žive in zdrave!"

Koza ga je nejeverno pogledala, saj je vedela, da so njegove besede sama gola laž. A rajšči se je pomnila z njim zlepja, upajoča, da bo morda vendarle rešila svojega mladička, ki je trepetale gledal divjega strica in otožno meketala.

Ze je stari volk nadaljeval:

"Tegoba me je obiskala, žalost se je naselila v naš mirni dom. Moja dobra družica, mati volkulja je pôdla. Držni lovec jo je ustreli v njeno ljubčeve srce. Mali volkec Goltec je ostal brez matere in eden jedincenje in lakote mu je poginil. Usmilji se ga in daj mu mleka, pa te ne bemi nikoli pozabil!"

Dobra mati koza je sklonila svojo drubo glovo in malo pomisili. Ze je zadovoljno zameknila in odvrnila:

"Oblijubi mi pri začetju stegnu in srinjenim rebru, da pojdes od tod in se nikoli več ne vrnes, pa ti storim uslugo in sprejmim tvojega Golteca. Pri meni bo imel dovolj mleka in vzrastel bo v krepkega volka, da bo enkrat troj voj posnos!"

In volk je oblijubil, privedel je sinka in odpotoval.

Zalostno je zaljal volkec, a ko mu je postregla mati koza s tečnim mlekom, se je razveseli in se ga napil, da je kar oblezal.

Odslej se je volkuču dobro godilo, slednji dan mu je koza postregla in ga nadojila, da je kmalu prerasel svojega krušnega kožička. Dobrodrušno koza si je mislila, da bo volkec z njenim mlekom dobil tudi njen naravo in postal dober in skromen volkec, ki ga bodo vse ljubili. Volk pa ostane volk, če tudi kožji mleka piše. Rasel je in kmalu prerasel svojo krušno mater. Nekega dne ji je kar dejal:

"Prejuba koza! Zdaj sem mleka sit, mesu se mi hoče! Zakaj naj hodim na lov če imam tebe in tvojega sinka. Pri-vosil si vaju bon in konec!"

Koza ga je začudeno pogledala in ga zavrnila:

"Ali pozabiljš, da sem ti otela življenje in sem to dojila ter ti pomagala, da nisi žalostno poginil?"

"Ker si mi bila krušna mati, bom zadržal najprej tvojega sina, a potem šele tebe!" je milostno odvrnil volk.

Koza se je ozrla za kožilcem in ga zagledal ob prepadu. Takoj je zapro-sila:

"Goltec! Stori mi uslugo in pusti me k njemu, da ga zamatotim. Bolje bo, če ne bo videl, kako bo pridriljat k njemu in ga zagrabil. Končaj hitro, samo to prosim!"

Volk je oblijubil. Mati koza je hitela h kožičku in ga posvarila:

"Zdaj je bo pridriljat volk, da bi te raztrgal. Ko bom zameknila, skoči na stran in jaz bom priravljena, da se spopadem z njim na živiljenje in snrt, če treba!"

Koja je to izrekla je že dirjal volk čez plan. Koja se je oglasila, kožiček se je pognal na stran in volk je v svojem dijvju zaletu skočil v praznino, priletel je v prepad, kjer se je ubil.

QUEEN MAB'S TROUBLE

Queen Mab was a handsome big motherly cat and she had as fine a family of kittens as you could see anywhere. The kittens had soft gray and white fur like their mother, and their eyes were bright and shining, and their tails long and smooth.

"I should think Queen Mab would be so happy over those fine children she would forget to be grumpy," said little May one day after she had displayed the kittens to a group of her little friends.

May was a handsome big motherly cat and she had as fine a family of kittens as you could see anywhere. The kittens had soft gray and white fur like their mother, and their eyes were bright and shining, and their tails long and smooth.

"I know what he will do," said May, her face very sad, "he will kill my cat and I don't want him to kill her."

"Then maybe you had better run on

and began to whine and cry again. Just then May's mother came out onto the porch. I'm sorry, little girl," she said sympathetically, "but I believe father's plan is the best. Better run with Queen Mab over to the veterinarian's. Tell him father told you to bring the cat and he will know what to do."

"I know what he will do," said May, her face very sad, "he will kill my cat and I don't want him to kill her."

"Then maybe you had better run on

This Is My Cat and She Whines All the Time

"Isn't she happy?" asked one little friend in concern.

"She doesn't seem to be," replied May, "for she whines and mopes all the time."

"Then maybe she is sick," suggested another friend. "Queen Mab don't seem like the mopey kind of cat."

"No, she don't, that's true," said May, "but then, we've had her looked at and looked at and you can see for yourself how well she looks! No, she isn't sick, she's just cross, I'm sorry to say." Then she forgot all about the cat and her troubles in the jolly frolic of the three girls proceeded to have.

Tenderly she carried the whining, fretting cat to the veterinarian's office. "Dr. Penn," she said as she bravely stepped inside. "This is my cat and she whines all the time." Father said I should bring her to you." Hastily May laid the cat on the table and turned to run away.

"Wait a minute," said the doctor kindly. "What is the matter with your cat?"

"We don't know, sir," said May. "But she fusses all the time."

"Would your father let you keep her if she didn't fret, my little lady?" asked the doctor, who knew how proud May had been of her cat.

"Oh, yes, he liked her till she began to fret all the time," said May and then she added hopefully, "do you think you know what the trouble is?"

"I not only think I know, but I know," said the doctor cheerfully, "just look at her and guess!"

"She LOOKS as though she had the toothache," said May, "but cats don't have toothache."

"They don't?" laughed the doctor, "well, just wait and see!"

He got out his toothache tools, examined poor kitty's mouth and pulled out two bad teeth before May had time to wonder what he would do about it.

"Now there, young lady, your cat won't cry any more! Take her home and tell your father I said she would be all right. And if ever you have a cat that cries that way bring her to me. She has the toothache."

May laughed and snuggled Queen Mab up tightly in her arms. "Thank you, kind sir, I will remember," she said and then she ran for home.

And so you know, Queen Mab never fretted again, she was happy and jolly all her days—evidently she had no more toothache.

The more she thought the wider awake she became, till finally she got up from her little bed and slipped down to the cellar, where Queen Mab and her family slept in a basket. The little baby kittens were sound asleep, but Queen Mab seemed wide awake. She looked up at May as much as to say, "Won't you please help me?"

May dropped on her knees in front of the basket and stroked the big cat's head. "Indeed I would be very glad to help you if I only knew what to do," exclaimed May in distress. "How I wish you could tell me what the trouble is!"

But alas! Queen Mab couldn't tell; she could only cry and fret. So after seeing that she was comfortable for the night, May slipped back up the stairs and climbed into her own little bed. Her last waking thought was, "First thing in the morning I'll ask father to see what is the matter with poor Queen Mab."

She reached the front hall upstairs just in time to hear her father's voice at the front door say, "Tell May she must get rid of that troublesome whining cat before I come home tonight! I won't be kept awake another night!"

"But, father, she isn't troublesome," cried May from the top of the stairs, "she's sick!"

"Sick?" said her father scornfully, "look at her! I never saw a healthier looking cat in my life. I won't have her whining around another night through. You take her to the veterinarian's today, sure!" and with that parting word he hurried for the bus.

"Poor May! She couldn't eat a bit of the nice breakfast mother had saved for her. She felt sure something was wrong that might be made right, but what that something was she couldn't even guess."

On the front porch May fixed a comfortable big pillow and there she laid Queen Mab.

For a minute it seemed as though Queen Mab would forget her troubles (whatever they were), for she raised her head and looked all around the porch and yard. But the improvement didn't last. It wasn't two minutes till she buried her face in her two paws

and began to whine and cry again. Just then May's mother came out onto the porch. I'm sorry, little girl," she said sympathetically, "but I believe father's plan is the best. Better run with Queen Mab over to the veterinarian's. Tell him father told you to bring the cat and he will know what to do."

"I know what he will do," said May, her face very sad, "he will kill my cat and I don't want him to kill her."

"Then maybe you had better run on

THE USES FOR EGGS

We know that eggs are almost indispensable for cooking, but they are just as valuable for other things as well.

A mustard plaster made with the white of egg will not blister the tenderest skin. The fragile white skin that lines the shell of an egg is a fine application for a boil.

White of egg beaten with loaf sugar and lemon juice relieves a cough and hoarseness.

A teaspoonful every hour is the dose. If a fish bone lodges in the throat raw egg will prevent the reach of the fingers a raw egg swallowed (without being beaten) will in most instances carry the bone along.

A good remedy for stomach and bowel trouble is a raw egg taken every six hours. The eggs should be partly beaten, though not to a froth. A little white of egg spread over a scald or burn will prevent the air from getting to it and effect a cure.

For preserving jelly in glasses, paper should be cut to fit at the top and smeared with raw white of eggs, the egg-side down. A little white of egg curdled with a bit of powdered alum will stop a sty if used as soon as the sty appears.

If a fish bone lod

Cenjeni g. urednik: To je prvikrat, da vas bom tudi jaz nadlegovala z mojim dopisom. Upam, da se ne bo znašel v vašem uredniškem košu. Povesti in mladinski dopisi v Nova Dobi meseč januarja so se mi dopadli, zato sem se tudi jaz odločila vse malo v slabo voljo spraviti z mojim dopisom. Imeli boste mnogo dela s popravljanjem, ker še slab slovensko pišem. Se vedam. Torej, g. urednik, imejte malo potropljenja z menoj. (Le korajoč, mlada sosestra!) Za začetek je bilo prav dobro. Urednik bo vedno dragje volje popravil, kar bo treba, torej le oglaši se še! (Op. urednika.) Zdaj pa lepo pozdravim vse vse člane in članice mladinskega oddelka.

Božični prazniki in Miklavž so mili in z njimi tudi skrbni staršev, ki se hočejo za te praznike otrokom dobre narediti v imenu ubogega Miklavža. No, mene je Miklavž popolnoma pozabil. Menda se mu zdi, da sem že preveč prejel od njega, ali pa misli, da ne zasluzim več daril, ker nimam več prave vanj. Saj bi jo morda še imel, pa se mi smili mati, ki ima poleg mene več mitajših, in njihova vera v Miklavža je močnejša od moje. Toliko o tem.

Zdaj naj pa še nekoliko omenim našo igro "V kraljestvu palčkov," katero smo igrali na božični dan učenici in učence Slovenske šole. Vsi tisti, ki so igro videli, pravijo, da smo igrali takoj lepo, da bi nas gledali dan za dnem, noč za nočjo, kakor je besedilo v naši igri. Pravijo nekaj, da nas morda povabijo v kakšno bližnjo naseblino. Mi, z našim učiteljem vred bili se radi ozivali z vsem, kar spada v "Kraljestvo palčkov," to je kušice, kostumi, palčki itd. To bi bilo veselje. Če bo kaj iz tega, bom vidi. Morda pa se le urensimajo naše želje. Za danes naj prenehram s tem, a če se v bližnjem času kaj pripieti ali izpremeni se zopet oglasim.

In vi, moji sovorniki v mladinskem oddelku, le pšite v Novo Dobo, jaz rad čitam take dopise, pa naj bodo v slovenskem ali angleškem jeziku, je pač moje veselje. Predno zaključim, ne smem pozabiti se zahvaliti g. uredniku oziroma tistemu sodniku, ki mi je zadnjih prisodil v dolar nagrade. Sem niso mislim in ne pričakujem, da bi vendar mi ga je dal. Tisti deček sem bil JAZ SAM.

Leta 1922 je bil moj oče v Ameriko, pa sem moral čakati dom do leta 1931. Že kot majhen deček sem si zaznati v Ameriko in moje želje so uresničile, ko sem bil 13 let star. I am glad that I am a Pathfinder because I have lots of fun and I am trying to keep this motto: "Every member get a new member."

Yesterday I went to a basketball game. Gowanda High School played Ellicottville. Gowanda won by a score of 26 to 5. Two of my brothers play on the team. When I grow up to attend high school I will try for the football and basketball teams.

I suppose you know Mr. Kuhar died in the mine on Jan. 4. He was our next-door neighbor. He and I were good pals, and he always had candy in the pockets for me. Surviving are four children.

Last month both my father and mother celebrated their 50th birthday. On Jan. 20 my brothers and sisters surprised them with a birthday dinner and a big cake with 50 candles. On the cake it said: "A happy birthday to Ma and Pa, age 50." We also had a big helping of ice cream. My sister was the cook and she had twice as much as I did. She said that cooks should always help themselves. After

Juvenile Delegates to Convene in Ely, Minnesota

Enter The SSCU Mammoth National Campaign For New Juvenile Members

Do you like to travel? Ride on a train? See beautiful sights?

How would you like to attend the first SSCU Juvenile Convention?

No, this is not the fairy queen speaking, but your Organization, the grand South Slavonic Catholic Union.

Think it, boys and girls, next summer, during the early part of August, 1935, a number of lucky juveniles from all parts of the country are going to meet at Ely, Minnesota, hold a convention, have a good time—in fact enjoy the time of their lives.

You have just as much chance to take this trip during the summer vacation as the next one, for our Union is conducting a contest for new juvenile enrollments between Feb. 14 and June 30, 1935. The boys and girls who have the largest number of new enrollments to their credit in each section shall be declared delegates.

Regardless of how large or how small the present juvenile enrollment happens to be in your lodge, you have an equal chance to win one of the many prizes. It all depends on how hard you will work in the juvenile membership drive. If you have an older brother, sister, or an uncle and aunt, and for that matter your parents, get them to help

you out by crediting new juvenile enrollments to you.

Keep in mind, boys and girls, the train ride, \$2 a day for expenses while traveling, attending the convention, a good time in Ely, see the SSCU Home Office, and numerous other attractions, too many to mention, that await the juvenile delegates.

Get busy right away. Be a good salesman and saleswoman. Arm yourself with the following facts:

Our SSCU pays for the medical examination of new juvenile members.

It costs only FIFTEEN CENTS (15c) a month to be a member of the juvenile department, if the boy and girl enrolls before reaching the age of 14. And then, from 14 to 18, the cost is only TWENTY CENTS (20c) a month.

Juvenile department is many times more solvent than that required by law. In fact, so strong is the juvenile fund that part of the money was used to build the new SSCU Home Office.

Benefits range from \$25 up to \$450, depending upon the age.

Ask your elders if they can secure any cheaper insurance than that offered by our Union.

Solicit the aid of your parents when closing a deal to enroll new juvenile members.

ILLNESS

I wonder if anybody is interested in illness? I know I'm not. At any rate, I will write mostly about it because sickness has got me in a bad way this winter. First I got sick about a week before Christmas. One day I was coming home from school with a terrible headache and a changing temperature.

I wrote the following story:

THE GHOST

Once upon a time there was a boy and a girl named Frank and Jean, who were just seven years old. One day their mother told them to go downtown and shop in the store. As they were about to enter the store a "ghost" came and said, "I caught you now and I am going to take you to my house." The "ghost" tied them up, carried Frank and Jean into his car and drove away. When they reached the house the children were very much frightened. The "ghost" then put them in a room and locked the door. Finally, after Frank and Jean rolled around for sometime the cord worked loose. Frank then opened the window and both he and his sister hurried home. They told their father and mother about their experience. Police aid was summoned and soon the "ghost" was behind the bars. After that they never had any more trouble with "ghosts."

DEAR READERS:

This is my first letter to the Nova Doba. I enjoy reading your letters, so I thought I would write a few words of the wonderful time we had here in Pittsburgh on St. Stephen's Day, the day after Christmas.

St. Stephen's Lodge, No. 26, held a banquet and a dance. There was a Santa Claus for us children; he gave us each a small gift. I am very glad that I belong to this lodge, and the rest of the family, too. Where do you think this wonderful thing happened? In the Slovene Auditorium on 57th and Butler St. We are glad that we have a place where the Slovene families can go, too, and enjoy themselves.

DEAR EDITOR:

This is my first letter to the Nova Doba. I love to read the other letters written by the juvenile members. And I think it is nice to write a letter. I like to go to school in the winter time and play with the other children. Sometimes we would make snowballs and throw them at each other. We have lots of fun. I go to Holy Family School. My teacher's name is Sr. M. Loretta. I am 11 years old and belong to the juvenile department. I am in the sixth grade.

DEAR EDITOR:

This is my second letter to the Nova Doba. Last time I received a dollar for my letter that appeared in the December issue. I want to thank you for the prize. It came in handy for many things which I wanted. Another reason why I was so happy to receive it was because it is the first money I have ever earned.

On Christmas Day we held a celebration in the Center Slovene Hall. Santa Claus distributed presents to children, each receiving an apple, orange and a one-half pound box of candy. Santa Claus sent many bad people to the corner. There was plenty of excitement. A dance followed the celebration.

for the last two years. I think this is all for this time. I will write more the next time.

CALUMET, MICH.

DEAR EDITOR:

This is my first letter to the Nova Doba. I belong to Lodge No. 9, SSCU. I go to the Calumet High School. My home-room teacher is Joe Mischa. I like English, which is an interesting subject. The weather here is cold and we have lots of snow. We have a large assembly consisting of 300 seats. We hold programs that cost each pupil 1 cent admission. We have held five programs so far and all of them were interesting because we had speakers and performers from New York, Australia and Europe.

The first program included a man from Australia who told us all about his trip. He could take the part of five characters in one story. The second was a man who came here with an airplane and who was the first person to fly the Pacific Ocean. He told us of the delightful time he had making the trip. On the third program was a European lady who had hitched from Germany to Russia. She said that in Europe they have one car to every hundred persons, while here we have one hundred cars to every person. Two men with a large xylophone played "The Bells of St. Mary" which sounded like the real bells. They showed us how it was played. The fifth and best of all programs included a man from New York who went to Palestine. He told us about Mohammedans, who have separate schools for boys and girls. When the Mohammedan girls go to school they wear black dresses with black veils so the boys cannot see them. When they enter the school hall they take off their veils. The boys' school is on top of the hill and the girls' on the bottom. This is easier for boys to climb the hills than it is for the girls. This man went to a rich Mohammedan's home. When he asked to see the Mohammedan's wife he was refused as it is considered bad manners to make such a request. The speaker also explained some of the customs, their dresswear and the material that goes into making such apparel.

This is my first attempt to write for the Nova Doba. I hope I will meet with success. I am 12 years old and in the seventh grade. I attend SS. Cyril and Methodius School. I also belong to Lodge No. 6, SSCU. I have passed in my examinations and am glad! Spelling was the easiest of them all. After reading all the interesting letters and stories appearing in the Nova Doba I decided to write a letter so that others may enjoy mine as I promise to write more in the future.

Again, I am thanking you for the check.

Prva narodna konvencija mladinskega oddelka

J. S. K. Jednote

Pojasnila in navodila

Pri letni seji glavnega odbora v januarju je bilo zaključeno, da se ima letos vršiti prva narodna konvencija mladinskega oddelka J. S. K. Jednote.

Konvencija se bo vršila meseca avgusta v mestu Ely, Minnesota. Dan otvoritve bo objavljen pozneje.

Vsak društvo, ki je 31. decembra 1934 v mladinskem oddelku štelo 200 članov ali več, bo upravičeno do enega delegata. Društva, ki so štela manj kot 200 članov, bo združil glavni tajnik, da bodo poslala skupnega delegata.

Kandidat za delegata je lahko vsak član (ali članica), ki je član mladinskega oddelka od 31. decembra 1934 ali od prej, in ki je star 12 let ali več. V Minnesoti bodo smeli kandidirati za delegata v starosti od 10. leta naprej.

Za delegata bo priznan tisti kandidat, ki bo od 14. februarja do 30. junija pridobil največ članov v mladinski oddelku, toda ne manj, kot pet.

Kot že navedeno, kontest ali tekma za delegate se prične 14. februarja in se konča 30. junija 1935.

Vsakokrat, ko društveni tajniki pošljajo prošnje na glavni urad, naj označijo, komu se ima novopriderobljene člane ali članice kreditirati.

Vsak kandidat ima pravico imeti pomoč od drugih članov ali članic, bodisi odraslega oddelka ali mladinskega.

Od vsakega novopriderobljenega člana se bo plačalo 50 centov nagrade, kot do sedaj.

Za vozne listke bo plačala Jednota. Vsak delegat bo med potjo upravičen do dveh dolarjev dnevno. Vsakemu delegatu jamčimo udečno stanovanje, dobro hranje in obilo zabave za časa konvencije.

Minnesota je znana kot država z deset tisoč jezer. Za potletni izlet ali počitnice je menda ni bolj prijazne države, kot je država Minnesota.

Marsikateri član našega mladinskega oddelka si želi priti na Ely, da si tukaj ogleda vse naravne lepote, katerih doma ne vidi. Sedaj je prilika zato, treba se je le potruditi. Vsakemu kandidatu lahko pomagajo starši, bratje ali sestre, strici ali teči, botri in botre.

Glede potovanja delegatov ni treba staršem imeti nobenih skrbi. Delegate iz New Yorka, West Virginije, Marylanda in vzhodne Pennsylvania bo spremljal glavni porotnik Orehek. Delegate iz centralne in zapadne Pennsylvania bo spremljal glavni porotnik Zigman. Delegate iz države Ohio bo spremljal predsednik porotnega odbora Okoliš. Delegate iz zapadnih držav bo spremljal glavni porotnik Schutte in delegate iz države Illinois in drugih držav bo spremljal jednotin pravni svetavec Laurich.

To bo prva konvencija našega mladinskega oddelka in tudi prva v zgodovini slovenskih podpornih organizacij v Ameriki. Naš glavni odbor je uvidel, da boljšega vira za odrasli oddelki, kot je mladinski oddelk, zato je treba od sedaj naprej posvetiti kolikor mogoče več pozornosti mladinskemu oddelku. Enake konvencije ali shodi bodo brezdvemno dobro vplivali na naš mladino, in če bodo naši otroci v zgodnji mladosti vzljubili svojo jednato, se lahko pričakuje, da jih bodo lojalni tudi poznaje. Vzgojiti jih v tem duhu je nasa dolžnost in komur je bodečnost naše Jednote pri srcu, ta bo po svojih močeh prispeval, da bo prva konvencija našega mladinskega oddelka dejelna vestranskega uspeha in zadovoljnosti.

Z bratskim pozdravom,

ANTON ZBASNIK, glavni tajnik JSKJ.

ral biti brez govorance, da se loma z džunglo preraščo. Moristi konji ne poginejo od dol- da so tisti tam imeli poleg vseh gočasja in žalosti nad govorancami.

V legislaturi države Indiana je neka poslanka vložila predloga, da bi se tam postavno odpravili vsi alimoniji in vse odškodnine za razpokana srca. Ko je prijatelj Cahej to čital, je vzdihnil: "O, da bi tudi pri nas v Ohio sprejeli tako postavo, pa kaj kmalu, dokler še nisem prestari in dokler bi taka postava še imela kak pomen za me!"

V Chicagu je nekega Prengerja, ki se je vračal obložen z grocerijo domov, ustavil bandit in zahteval, da mu izroči nakupljeno grocerijo. Prenger je bandita prosil, naj mu grocerijo pusti, češ, da bodo otroci in žena ves delen lačni, če pride brez provijanta domov. Bandit je odgovoril, da je tudi on jačen, nakar ga je Prenger povabil, da naj gre z njim domov na koso. To se je zgodilo in, ko je bandit po skromnem konsilu odhalil, je izročil Prengerjevemu dvema otrokomova vsakemu po en nikelj in jima rekel, naj bosta pridna in poštena. Iz tega je razvidno, da je depresija spravila v vrste malih banditov tudi mnoge posamezne, ki so v sreči bolj pošteni od marsikaterega finančnega mogoteka, ki je s svojo nesposobnostjo ali špekuliranjem pravil ob trdo prislužene prihranke tisočere delavske družine.

Profesor Hayes je nedavno našel v Mehiki veliko mesto, popolnoma zapuščeno in že de-

šim svoje uradne posle, v svojem prostem času pa da sem čisto navaden človeček kot milijone drugih. Pa to je bila hudo kriva vera. Urednik A. D. me je blagohotno podučil, da sem urednik Nove Dobe brez nehanja in oddih, tudi takrat, kadar piem kavo ali obližujem vročo juho v restavraciji, kadar sem na seji čitalnice, kadar dohtarju jezik ali zobe kažem, kadar se majski nedelje vstopljam v pomladne krasote, kadar se do vrata bos valjam v kopalni banji, kadar spim in sanjam itd. To je disciplina, skoro hujša, kakor pri vojakih; le škoda, da nimam še posebne uredniške uniforme in da se se nisem navadil s vinčnikom za usesom spati hoditi. Logika urednika A. D. kaže čisto dolocene v to smer.

Urednik A. D. me je blagovolil opozoriti, da sem bil nekoč v posvetovalnem odboru neke gotove posojilnice. Boholnaj! Res je že dolgo od tega, vendar se še spominjam, da je takrat tista gotova posojilnica stoprocentno poslovala in točno izplačevala svoje obveznosti. Upoštevanju nasveti, čeprav morada niso moji, so morali točno biti dobr. Ko je tista gotova posojilnica izplačila omejila in ustavila, jaz že davno nisem imel tam niti posvetovalnega glasu.

Ker je ljubezljivi kolega pri A. D. meni blagovolil osvežiti gotove spomine, sem se sponmil se na marsikaj drugega. Na primer, na dejstvo, da je eden urednikov A. D. bil aktiven direktor neke gotove banke, ko je ista zmrlzila, in se je do nekakih 23 procentov otajašaše čez dolgo časa. Da je urednik A. D. tisto gotovo banko na vse pretege hvalil prav do usodne zmrlzline. Da je eden urednikov A. D. še dan pred veliko zmrlzino na radio hvalil gotovo banko, kako je solidna in varna, kako tam vložniki iako dobijo svoj denar, kadar hočejo. Drugi dan in še precej kasneje potem pa je bila v gotovi banki tema, zunaj pa jok in škrpanje z zobmi. In svetlobe še do danes menda ni več kot 23 procentov. Taka priporočila in taki nasveti dragin rojakom so bili seveda vrlo "pametni" in silno koristni za vložnike, kajpak! Kot pravi urednik A. D., "človek, ki svetuje drugim, gotovo take stvari dobro ve!"

Kot urednik-upravnik Nove Dobe naj mi bo dovoljeno se pripomniti, da ima tudi Nova Doba še vedno nekaj denarja zmrznenega na gotovi banki, nima pa niti centa gotovine zmrznejne v gotovi posojilnici.

Tako, dragi kolega pri A. D. Nisem vas vprašal za omenjeni kompliment, toda, ker ste mi ga blagovolili dati, sem ga tu hvaleno vrnil. Jaz imam navado vse posojeno točno vrniti. Nikemur nisem nič dožan in tudi vam ne bi bil rad. Ako boeste blagovolili še nadaljevali z vašim "bistrenjem možganov," pa se morda spomnim še cesa iz naše slavne metropolske zgodovine.

V Torontu, Ontario, je neki Mike Kravtz vprašal svojo ženo za poljub, nakar ji je odgrinil nos. Mož se je izgovarjal, da ima svojo dragu ženico takoj rad, da bi jo najrajsi sneidel, pa izgovor na držal in nosogriz je moral v ječo. Prevelika ljubezen tudi ni dobra. Sploh pa se mi zdi, da tisti Mike ni bil Kravtz, ampak kravca!

Angleški zoolog P. Sladen, ki je več let raziskoval britsko kolonijo Kamerun, poroča, da je tam našel deželo 1000 čudežev. Enega teh čudežev predstavlja tamkajšne žabe, ki imajo prave lase na glavi in goste obrvi nad očmi. Pravljica o žabji volni totej ni izmišljena. Tamkajšne žabe baje tudi plešejo in življo. To ni taka reč. Tudi v naši civilizirani družbi dobimo žabe, z lasmi in

AMPLIFYING THE VOICE OF THE ENGLISH SPEAKING MEMBERS

CURRENT THOUGH

Sports Fund

After a period of three and one-half years of dormancy the sports fund again comes into its own. And with this revival the English-conducted lodges, subordinate clubs of Slovene-conducted lodges as well as individual senior groups embark upon an athletic program the equal of which has never been surpassed in the Union's history.

The Supreme Board, at its annual session held in January, decided to reinstate the sports fund into the original purpose for which it was created—that of extending financial assistance to lodges organizing and maintaining athletic teams.

This does not mean that the sports fund is just oozing with money ready to be distributed to those who will avail themselves of the opportunity. Indeed not! The amount of money for athletic purposes is limited. We must make the most of it.

The original founders of the sports fund had the interest of the SSCU at heart, and not the athletic teams. The main purpose was to induce the younger blood to take a deeper interest in the work of their organization, to serve as a means of furthering the progress of our SSCU—in short, to help boost local membership drives.

With this factor in mind, the Supreme Board at its January session awarded financial assistance to those lodges who showed results in the membership drive. And the policy for the future shall be to extend financial assistance to such lodges as will continue to work for the SSCU, and not for sports alone.

We must keep in mind the source of income in the sports fund. The largest proportion emanates from the elder members who never expect to derive one cent in return. All they ask is that its youth will show a deeper regard for the SSCU in the way of new enrollments.

* * *

The opening gun in the sports movement shall be the national SSCU bowling tournament to be held in Cleveland, O., on Saturday and Sunday, April 27 and 28, 1935. Cash prizes and medals, not to exceed \$150.00, for both men and women will be contributed by the Union. Transportation expense will be defrayed by the individual bowler-members participating in the tournament.

The athletic supervisors will receive entry blanks for the SSCU bowling tournament together with a letter of explanation in this week's mail.

* * *

Minnesota SSCU lodges, and those situated in Ely in particular, have sponsored basketball teams year after year, regardless of the status of the sports fund. Coupled with the fact that they have made a nice showing in the membership drive the Supreme Board decided to provide \$35.00 as cash prizes in the Minnesota SSCU basketball tournament to be held on March 1 and 2.

On Sunday, Feb. 10, the eight athletic supervisors of Minnesota SSCU lodges met at the Home Office in Ely to draw up plans for the tournament. Louis J. Kompare, assistant supreme secretary, is in charge. Six teams will enter the tournament to be held March 1 and 2, 1935.

The basketball plaque, which was held by Jubileers, formerly Lodge No. 215, SSCU, Chisholm, Minn., and now a subordinate club of Lodge No. 30, SSCU, will go to the champion team. The lodge who shall win the SSCU basketball championship three times will be awarded permanent possession of the plaque.

“?”
What should be done, please say you know it,
When one wants to write, but isn't a poet?
When feeling the urge with nary a thought
Of a topic that's new, inspirations at nought.

There are subjects of interest, but where are they now?
When needed they all seem to vanish somehow.
I want to sing praises to heaven above;
I want to write sonnets, abstractions on love.

Aspirations are present, but where is the bard
To put an abstract idea into words for regard?
So what should one do? I can't go any farther;
The deuce with it all, I guess I won't bother.

SSCU Bowling League

Cleveland, O.—Honky-Tonks and Oke Dokes provided the thrills in last Sunday's bowling of the Cleveland SSCU Bowling League. Scores for the first game were 886 against 883; for the second game 867 against 832, and the final game 855 against 849. Joe Jaklich and Charles Kikel scintillated for the winners, while Andy Oberstar and E. Starman furnished the heavy artillery for the losers. In the other games Chiseler took two from New Dealers; Zephyrs lost one and won two from the Bakers, and New Fashions won two games and lost one to the Ko-Ka-Mor-Les.

SDZ DANCE

Cleveland, O.—As a number of George Washington Lodge, No. 180, SSCU, members are also members of France Prešeren Lodge, No. 17, SDZ, it is appropriate to announce the dance of the latter lodge which will be held Saturday, Feb. 23, in the auditorium of Slovene National Home on St. Clair Ave. Price of admission is 35 cents, including tax. Refreshments will be served as will be roast beef sandwiches. The local SSCU bowling league also is invited to attend. Advance tickets may be obtained from members of France Prešeren Lodge.

With the Pathfinders

Gowanda, N. Y.—Pathfinders-St. Joseph pool tournament is rapidly drawing to a close and each game has become more interesting as time goes by. We have the following results to announce this week: Anthony Sternisha defeated Philip Palec, 2 to 1, to qualify for the final championship game. These two were so evenly matched that the winner was not decided until after the last ball was taken from the table. Anthony Korber easily defeated Joseph Pecnik, 2 to 0. Anthony then completed his next tournament game by defeating Charles Sternisha Jr., 2 to 1, which also proved a close match. Louis Sladich defeated Frank Samson, 2 to 0, but the two proved a good even match. Louis Sladich then qualified for the finals by defeating Anthony Korbar, 2 to 0. This brings together Anthony Sternisha and Louis Sladich for the final game of the tournament. May the best man win, for the game will decide the SSCU champion pool player in Gowanda.

Pathfinders are eagerly awaiting for the speedy recovery of Frank Klancer as well as Agnes Voncina of Lodge No. 89. Both underwent operations recently and both are reported doing nicely.

Last September a weekly pinochle tournament was started by Philip Palec and Martin Voncina against Louise Palec and Mary Voncina. I don't know whether this is going to be an endurance record or not, but so far Philip and Martin have left the girls in the dust by 3000 points. Of course, the girls say that they have just been playing with them and expect to catch up soon.

Napredok, No. 209

Hiyasota, Pa.—Lodge Napredok, No. 209, SSCU, will hold a dance Saturday, Feb. 23, 7 p. m., at Kuharchek Hall. Net proceeds of the dance will go into lodge treasury. At the meeting held Feb. 10 it was agreed that members of our lodge who do not attend the dance shall pay a fine of \$1.00 into the lodge treasury. Excepted are only those who are on the sick list. Members and friends in the neighboring vicinity are cordially invited to attend.

NEW CALENDAR

Several calendar changes have been proposed but the one most generally favored is by Arrhenius, a European scientist. He proposes that the year be divided into equal quarters with the first month of each having 31 days and the other two 30 days. This will give 13 weeks to each quarter or 91 days. December 31 is to be set apart and not counted as either a week-day or Sunday, while leap day (now Feb. 29) will be treated the same way except that it be moved up to June, and Easter would be given a permanent place, April 8, that date being the average of the present calendar.

Every member get a new member.

BRIEFS

Triumvirate of Cleveland

SSCU English-conducted lodges will hold a special meeting of the three committees next Friday, Feb. 22, at the home of Mrs. Mary Lavrich, 722 E. 155th St., beginning at 7:30 p. m. Chairman John P. Lunka is calling the meeting together in preparation for the festivities to be held in connection with the forthcoming national SSCU bowling tournament. All representatives are urgently requested to be present at this important meeting.

A total of 144 new members have been enrolled in our Union during the month of January: 97 adults and 47 juveniles. Cash awards ranging from 50 cents for each new juvenile up to \$4 for each new adult remain in effect as heretofore. With the announcements of the coming juvenile convention to be held in the summer a large enrollment of juveniles is anticipated.

Western Pennsylvania Federation of SSCU together with SSCU lodges of Pittsburgh will hold a grand Masquerade Dance next Friday, Feb. 22, at the Slovene Auditorium at 57th and Butler Sts. Committees in charge look forward to a large English-speaking representation.

The first Minnesota SSCU basketball tournament will take place on March 1 and 2 on the basketball court of Washington High School of Ely, Minn. Six lodges will participate, namely: Nos. 1, 2, 184 and 200 of Ely, and Nos. 30 and 192 of Chisholm and Gilbert, respectively. Cash prizes totaling \$35 and a basketball plaque, both furnished by our Union, will be awarded. The eight athletic supervisors of Minnesota lodges will meet again next Sunday, Feb. 24, 2 p. m., at Gilbert, Minn.

Color

East Palestine, O.—Great athletes and men outstanding in many lines of endeavor have been described as possessing this indefinable something called color. People who are fortunate enough to possess this characteristic always "steal the show" wherever they may be and regardless of their line of pursuit. In many cases this "color" is manufactured and displayed cunningly by the persons themselves.

In many communities there are organizations which have this characteristic termed "color." They are the most popular. They are the outstanding ones. They create this color by their various activities and by the intriguing methods of advertising. Everything undertaken by them seems to have back of it this irresistible force. It is created by them and always kept in the public eye. Any ambitious organization can do likewise. Many SSCU lodges would find it to their advantage to create and utilize this powerful force called "color."

Arrowhead Lodge on Parade

Ely, Minn.—If precaution and scheming have any significance, then the annual gathering of the Arrowhead Lodge, No. 184, SSCU, scheduled to commence Saturday, Feb. 23, at 8 p. m., has all the earmarks of assuring a grand time to all in attendance.

This colossal event takes place but once a year. It surpasses by far any social gathering of any other local civic organization. It is known for its capability of making one forget the adversities of yesterday and bring ecstasy for the morrow. Citizens of Ely in general declare a moratorium on all other social activities on this occasion as they are assured by past performances that there will be a high ole time in store for them.

This event will mark the initial appearance of the Arrowhead Lodge's male quartet who have been rehearsing diligently for this occasion. The ever-popular songbird, John Ballas, with his personality voice, promises that his renditions will surpass all previous performances. There are numerous other performers on the program, too many to mention; however, your curiosity as to their identity may be satisfied by attending this affair.

Upon completion of the program, a most popular ensemble will furnish harmonious melodies for the dance lovers. A delicious lunch awaits the hungry and good ole Blatz for the thirsty. Remember the date—Feb. 23; the time—8 p. m.; the place—Jugoslav National Home. A barrel of fun for 50 cents per couple.

Just a Reminder

Center, Pa.—The Western Pennsylvania Federation of SSCU Lodges, together with four Pittsburgh lodges, Nos. 12, 26, 182 and 196, will sponsor a masquerade dance. This huge affair will be held at the Slovene Auditorium, 57th and Butler Sts., on Friday, Feb. 22. This is the first affair of this sort ever held by the SSCU federation, therefore I hope that all lodges belonging to the federation, as well as other neighboring lodges, will co-operate to make this dance a big success. The admission, which is within the reach of all, is only 25 cents. The committee in charge assures you all of having a good time.

An Erzen,

Vesna Club

Lorain, O.—On Sunday, Feb. 24, Vesna Club will hold its first card party with a prize for each table. After the card party there will be dancing to the music of Jack Tomazic's orchestra. Everybody is cordially invited to attend this party and dancing. A good time is promised to everyone. The price of admission is only 25 cents.

First National SSCU Juvenile Convention EXPLANATIONS AND INSTRUCTIONS

At the January annual session of the Supreme Board it was decided to hold this year the first national SSCU convention of the juvenile department.

Convention will take place during the month of August in the city of Ely, Minnesota. The exact date will be announced later.

Each lodge with an enrollment of 200 juveniles as of Dec. 31, 1934, shall be entitled to one delegate. Lodges with enrollments of less than 200 members will be combined by the supreme secretary and one delegate shall represent each block of 200 members.

Juveniles who are 12 years or older and who have been members as of Dec. 31, 1934, are eligible to be candidates for delegates. In Minnesota candidates may be 10 years of age and older.

All candidates who have enrolled the largest number of new members in the juvenile department between Feb. 14 and June 30, 1935, will be recognized as delegates, provided they have enrolled a minimum of five new members.

As mentioned before, the contest commences Feb. 14 and ends on June 30, 1935.

When the lodge secretaries forward applications to the home office they should show to whom shall be credited the new enrollments.

Each candidate has the privilege of seeking aid from the members of both juvenile and adult members.

A cash award of 50 cents shall be paid for each new juvenile enrollment as heretofore.

Our Union shall pay for rail transportation. Each delegate shall be allowed \$2.00 per diem while traveling. Each delegate shall be provided with suitable quarters, good food and entertainment during the convention.

Minnesota is known as the state of 10,000 lakes. For a real summer vacation Minnesota, as a state, has few equals.

Many juvenile members are looking for opportunities to visit Ely and see the beautiful sights denied them at home. Here is a splendid chance to avail themselves of such a trip by working for it. Elders can assist candidates and fathers, mothers, brothers and sisters, aunts and uncles can credit new enrollments to candidates.

Good care and special guardians shall be extended to the delegates; thus the parents need not worry as to the safety of their children. Delegates from New York, West Virginia, Maryland and eastern Pennsylvania will be escorted by Supreme Judiciary Orehek. Delegates from central and western Pennsylvania will be escorted by Supreme Judiciary Zigman. Delegates from Ohio will be escorted by chairman of Supreme Judiciary Committee, Anton Okolish. Delegates from the southern part of the United States will be escorted by Supreme Judiciary Schutte and delegates from Illinois and other states will be escorted by the Union's legal adviser, Bro. Laurich.

This will be the first convention of the juvenile department, and also the first of its kind in the history of Slovene fraternal benefit organizations of the United States. Our Supreme Board realizes that the richest source of new members for the adult department is the juvenile department; therefore, for the future it will emphasize ways and means to build the juvenile department into a larger unit. Without doubt conventions or other assemblies appeal to our youth, and if our children will show a deep concern for their Union in their childhood, it is reasonable to expect that they will remain loyal in later years. To imbue them with this spirit is our duty, and whoever has the future of our Union at heart will do everything possible to make the first convention of our juvenile department a great success.

ANTON ZBASNIK, Supreme Secretary, SSCU.

Joliet, No. 66

Jutranja Zvezda, No. 137

Joliet, Ill.—Peter and Paul Lodge, No. 66, SSCU, is sponsoring a bunco and card party Sunday, March 10, at 7:30 p. m., in the American Slovene-Croatian clubrooms located at 1318 Highland Ave. The location is very adaptable for such an occasion, being situated right in the heart of the Northwest Side Slovene settlement.

Our lodge is the first of the Slovene units to carry its activities into this neighborhood, and to date the interest and response shown indicates nothing else but success. Members who possibly can afford to are asked to contribute toward or give a prize. To date a number of attractive and valuable prizes have been received. We are optimistic enough to say that the prizes will be appreciated by the winners. Tickets are selling for only 25 cents.

Western Pennsylvania SSCU Federation Celebrates Washington's Birthday With Masquerade Dance

Pittsburgh, Pa.—Friday, Feb. 22, will be a red letter day in Pittsburgh for two reasons this year. First, because it is Washington's birthday, and, second, because on this date the Western Pennsylvania Federation of SSCU Lodges will hold a masquerade dance at Slovener Auditorium, 57th and Butler Sts., at 8:30 p.m., for the benefit of the federation.

I take great pleasure in inviting all members of SSCU and their friends and acquaintances to this celebration. Music will be under the baton of Alphonse Strauss, whose orchestra is held in high repute. Prizes will be awarded to the best masks and so we expect to see a number of historical and comic characters present. For those who do not care to dance continuously there will be a treat in the form of home-cooked goulash. Naturally, all kinds of refreshments will be dispensed. No stone has been left unturned to make this a worthwhile affair.

I want especially to call attention to the English-conducted lodges who are affiliated with the federation that dance music and entertainment suitable for English-speaking members will not be absent. I call

Sports Barrage

By Little Stan

Ely, Minn.—I'm going to do a little fooling. No sports for the time being, instead Little Stan will give you the lowdown on different things happening around these heah parts! First: Tamburitz orchestra appeared on Friday, Feb. 15. Members of the orchestra are all from Gilbert and Hibbing, and Lodge Slovenec sponsored it. Dancing followed the program.

Things are beginning to pick up. The rabid sports fans at the basketball games; yea, they're free, and they're worth it, too! A huge fire consumed the rock crushing plant here on Tuesday. Damage amounted to \$75,000. This was the only other industry in Ely besides mining. Indications show that it will be rebuilt in the future.

And all these sleighrides, bridge and get-together parties are quite numerous lately. Our high school basketball team is doing some nice work. Six wins and only two losses so far.

That Gopher meeting on the 14th will be a dandy. A Valentine party will be had. Pssst! Little Stan will tell you all about it! Will you be present? O. K. Bring a couple of extra nickels and join the Gophers!

And now for the sports broadcast.

Feature game: Arrowheads vs. Gophers for the mythical world championship! Memorial gym, Monday evening, "by the I see everything press!" The A's in blue and orange uniforms are on the floor warming up, as are the small but shifty Gophers. But let me pause for a minute to tell you that this broadcast is coming to you from the Memorial gym under the auspices of the B. V. D. Brassiere Co. Heh, heh!

Fitter Gerzin and Rudy Krall are the refs today. The lineups: A's, Doz Zgong, John Strukel, Steve Smrekar, John and Fritz Banks. Gophers, Preshire, the two Glavan boys, Kuzma and Miklausich. The ref blows the whistle and the game is on. The A's start fast, so do the Gophers, but neither side does much scoring as the first period ends with the score 3 to 2 in favor of the A's. Boy, that first period was over fast! But that's where we reporters have all the advantages! The

A Matter of Opinion

By Frank J. Progar
No. 203, SSCU

Springdale, Pa.—In last week's column of Briefs we read with interest that Louis Adamic's "The Native's Return," goes to the Harper's press for its 29th edition. This fact, released on the book's first anniversary, literally speaks for itself as to the grand and tremendous reception given this classic by the American public. Literary critics in the leading newspapers, magazines and libraries have no end of praise for this masterpiece; a fascinating, soul-touching volume.

Louis Adamic and his kind have shown that the Slovener need not take a back seat to any other nationality, including the so-called American as well. As Henry Seidel Canby, Book-of-the-Month Club review judge, writes of the book: . . . a remarkable style, warm, vivid and penetrating, which will stand comparison with the best that any native-born can write.

* * *

Treats Many Subjects

The book is not to be misjudged as merely historical in nature, a book of economics or travel, etc., but in reality "the whole thrown together." Its writer, after 19 years in the new land, returns to his family, to his birthplace. What transpires, fills the pages of the book. Written in story telling style, it treats every subject of human interest, immediately transplanting the reader into the "old country." To read Mr. Adamic's work is in itself an inexpensive trip through Yugoslavia. His character drawing is splendid and life-like. The book as a whole is something new, its type unknown heretofore, giving us a true picture of how the Yugoslavs have lived and are now living.

Perhaps even the best review of "The Native's Return" will not do justice to the book. One must read it to enjoy it. Every Slovener home, all well read persons and book lovers, for that matter, should number this volume among their prize list of good books. It is as several volumes in one; can be re-read without fear of lost interest, deriving more knowledge of contents each time. Yugoslavia has been minutely "covered" by an able reporter.

* * *

Grandsons

The nation is soon to be greeted by another book from this famous author, as reported to be released soon and entitled "Grandsons." This book will deal with Jugoslav immigrants and their struggle in the new country. The many new readers of Louis Adamic's works, no doubt, are anxiously awaiting its release.

MURPHY'S ORDERS

Murphy, a new cavalry recruit, was given one of the worst horses in the troop.

"Remember," said the instructor, "no one is allowed to dismount without orders."

The horse bucked and Murphy went over his head.

"Murphy," yelled the instructor, "did you have orders to dismount?"

"I did."

"From headquarters?"

"No, from hindquarters."

and the Collegians won none and lost 7. That puts the SSCU teams here on the top (like the song the radio is playing, "You're the top!"). Not bad! And so much for sports!

Excerpts Taken From the Proceedings of Annual Session of the Supreme Board

Held at the Home Office in Ely, Minnesota, from Jan. 26 to Jan. 30, Inclusive, 1935.
By Louis J. Kompare, Asst. Supreme Secretary

The annual meeting of the Supreme Board was called to order by the Supreme President Paul Bartel, who stressed the importance of co-operation in the deliberations that will arise during the course of this session. Due to professional duties, the Supreme Medical Examiner was unable to attend this meeting. All other members of the Supreme Board were present at the roll call.

The auditing committee reported that they have carefully examined all of the Union's securities on deposit at the Northern National Bank of Duluth, and found them to their satisfaction to be intact. The committee also reported that a thorough examination was made of all entries for receipts and disbursements in the record of the Supreme Secretary, Supreme Treasurer and Editor-Manager of the Official Organ and found them to be true and correct.

Financial report of the Supreme Secretary was approved as read. Reports of all remaining members of the Supreme Board were also approved as read.

During the year 1934, the assets of the death benefit fund increased for \$107,109.81 making the surplus in this fund a total of \$1,705,522.24.

The sick benefit fund shows a gain of \$9,223.77 during the year of 1934. As of December 21st 1934, this fund has a net balance of \$19,784.34.

The disability fund did not fare so well as it reveals a deficit of \$0.08 (eight cents).

The athletic fund reveals a balance of \$1,498.58.

The expense fund shows an increase of \$4,080.32 during the year of 1934.

At the close of business, December 31, 1934, the total assets of the adult department aggregated the sum of \$1,769,604.03 for a net gain of \$137,669.85.

The assets of the juvenile department at the close of business, December 31, 1934, reveal an aggregate of \$123,512.07 for an increase of \$7,553.50.

The combined assets of both departments as of December 31, 1934, aggregate the grand sum of \$1,893,116.10.

The Union's investments show an approximate yield of 4.50% during the year of 1934, whereas, the actual yield for 1933 was 3.98%.

During the past year two new lodges were added to the roster of the South Slavonic Catholic Union, one in Pennsylvania and the other in West Virginia. During this same period the two remaining lodges in Canada have become extinct. The SSCU has a roster of 184 lodges.

A total of 1,699 new members were enrolled during 1934. Of this number there were 827 adults and 872 juveniles. As of December 31, 1934, the Union has a total membership of 12,728 in the adult department and 6,127 in the juvenile department for a grand total of 18,885 or an increase of 746 members over the previous year.

In view of the fact that the disability fund shows a deficit, it is expected to show a balance in the future as an approximate 100 members shall cease to receive benefits from this fund, beginning with December 31st last.

OREGON CITY, ORE.

DEAR EDITOR:
This is my first letter to the Nova Doba. I am 12 years old and in the seventh grade. Our class elected new officers for the second semester and I am the president. Last semester I was sergeant-at-arms.

We are planning a hike for Valentine's Day. Though plans are not completed we will hike to some outlying section where we will have buns and vienwers by a camp fire.

The snow is all over the ground. We gave a scene we were all waiting for. Coasting is our main interest because it is an old custom to close our streets for general coasting.

Another feature of Oregon City is the free elevator taking passengers from the town to the top of the hill residential district. It is the only free elevator of the West.

Oregon City is one of the oldest towns in the West, having in its possession an old pioneer home open to the public at all times. This place is the home of Dr. John McLaughlin. He was one of the first pioneers of the West. Near his home are the falls of Oregon City, from which the mills get all of their power to manufacture various products.

I hope that I might win a prize.

JOLIET, ILL.

DEAR EDITOR:
I suppose you are wondering what has happened that I didn't write for such a long time. Well, anyway I never forgot to read the letters that were written by the other children who belong to the SSCU. No one seems to care to write from Joliet, so I thought I would get busy and write a few lines. I'm sure everyone from Joliet reads the wonderful letters in the Nova Doba.

I would have written more often, but now that I go to high school I haven't as much time, and I have to keep my mind on my studies. We just finished taking our semi-annual examinations about three weeks ago. When we got our report cards I was afraid to look, but when I did, I didn't have to be afraid because I passed in all my examinations.

We have a new secretary in our lodge, John L. Jevitz Jr. I am sure all the members will get along fine with him. I also hope that the lodge will increase in membership. Now will have to close my letter and I wish good luck to all those who belong to the SSCU.

CLEVELAND, OHIO

DEAR EDITOR:
I don't know how to write to you to say how happy I was when I received your book of Slovene poems that are also translated into English. Thanks a lot, for I never expected anything like it. Most of all I enjoyed reading them in Slovene, for I do want to learn Slovene songs. Also I will try to write next time in Slovene. I do hope the juvenile members will enjoy reading it.

In our school we have tickets that sell from 1 to 10 cents and any pupil that sells three packs or more has his name placed on the honor roll. I sold four packs and have my name on it in second place. We also made fun songs for the grades who brought less money than we. Perhaps the juvenile members would like to read one. The melody is like "Lazy Bones."

LAZY BONES
Lazy bones, sleeping on the job,
How do you expect to get your tickets sold?

Never get them sold that way,
Stalling on the job all day.

CHORUS

When tickets need selling,
I'll be you'll be playing,
While pennies are waiting in line;
And when you go selling,
I'll be you'll be yelling,
"Nobody wants to buy."

So lazy bones, sleeping on the job,
How do you expect to get your tickets sold?

Never get them sold that way,
Stalling on the job all day.

PATHFINDER PLEA

Come, join the Pathfinders, is our plea;
We want you all—don't you see?
We all are on the membership drive;
For the Pathfinder Lodge we all strive.

Come and join our happy fold,
Don't wait until you are too old;
At all the meetings a good time is had;
All are happy and none are sad.

The lodge will be better with all of you;
Come, members, and bring some new;
Pull their hearstrings with sob-sister stuff,
They'll give in when they've had enough.

The Pathfinders is the one lodge
That you can't and will not dodge;
To get new members is our aim,
And from them obtain some fame.

ENJOYS STORIES

Johnstown, Pa.—Hello, everybody. This is Station WJAC of the S. S. C. Union, Lodge No. 36, of Johnstown, Pa. I am glad indeed to have this opportunity of writing in this well-known juvenile page of Nova Doba. In our city we are going to have six more weeks of cold weather because the groundhog saw his shadow. He didn't disappoint me, for I like winter sports above all others.

Abraham Lincoln's birthday was celebrated on Feb. 12. According to history, Lincoln was always kind to people and helpless little animals. The colored people should take great pride in this president for freeing them from the hands of the cruel plantation owners.

George Washington's birthday falls on Feb. 22. He is best known for his honesty. The best loved president, Washington was also the general in the Revolutionary War which helped the people of this country to win freedom from England.

I hope to see the Nova Doba expand into as large as the Sunday paper, because when I finish reading the monthly stories I long for more. One of the stories which appealed to me very much was "Saucy—Soap Bubble Sprites." It brought back childhood days. I remember the summer days that I spent blowing bubbles, but I never thought of such little soap bubble sprites as being around me. It seemed to me that I was Marie, dreaming about the soap bubbles. When I was finished reading the story I thought I was just awakening from a dream and here I was sitting in a chair reading the Nova Doba. I also read the Slovene stories, but mother has to help me with the words I don't understand. The story I read was "Prebrisani kmet," which means the smart farmer. Best regards to all of my little friends that belong to the SSCU.

THOMAS, W. VA.

DEAR EDITOR:

Here I am writing a letter again. It has been a long time since I wrote last to the Nova Doba. I have been in bed with a good case of the flu for almost three weeks, but I feel much better now.

While sick in bed I read the English section of Nova Doba. All the articles, such as poems, stories and letters were interesting and I enjoyed reading them very much. I want to thank Mr. and Mrs. Walter Richard Strout for the nice card and box of candy that they sent me during my illness. This was greatly appreciated. Ann and Walt are my sister and brother-in-law. They live in Gowanda, N. Y., and are members of the SSCU. By the time this is published I will be in school again. I will write another letter soon provided this one is published in the Nova Doba.

CHRISTINE KOROSEC.

MORLEY, COLO.

DEAR EDITOR:

I thank you very much for the dollar check you sent me. I was very much surprised and happy to get it. Now I can write more with the fountain pen purchased with the dollar. Christmas is past, but we had a good time. We held a Christmas play, "A Spell of Christmas Joy." I was in it. At the end of the play Santa came and gave each of us a bag of candy and nuts. Oh, what a surprise for us children to see Santa! The next night there was a Christmas party for all the girls and boys. They gave us a surprise, too, a bag of candy, nuts and ice cream. A friend and I work for a teacher, who gave us a surprise, too. She took us to Trinidad and gave us each 50 cents. Then we went shopping. I bought a present for my brother, as did my friend for his brother. Santa is doing a good job around here this year. I am sending my best regards to all juvenile members and to you, Editor.

ANNA BELL CHADEZ (age 11),
No. 140, SSCU.

DEAR EDITOR:

This is my second time that I am writing to the Nova Doba. I enjoy reading and writing, so I wrote a poem.

THE FIRST SNOWFALL

The snow had fallen in the gleaming,
And blyst all the night,

Had been heaping field and highway
With a silence deep and white.

Every pine and fir and hemlock
Wore ermine too dear for an ear;

And the poorest twig on the elm tree
Was ridged inch deep with pearl.

BETSY ROSS

At 229 Arch St., Philadelphia, stands a two-story building of Betsy Ross, whose name is associated with the making of the American flag. When the Continental Congress wanted a flag for the new republic, it appointed a committee consisting of George Washington, John Ross and Robert Morris to ask Betsy Ross whether she would make the flag. Mrs. Ross consented and made the first American flag. The Continental Congress accepted the flag and gave her a contract to make all the flags. After the death of Mrs. Ross her daughter continued to make flags. Betsy Ross was born in Philadelphia. Her father had helped to build Independence Hall. She married Robert Morris, a young upholsterer who was killed while defending a military post. After his death she continued his work. Desiring a rest she went to live with her son-in-law for a few years. When

she returned to Philadelphia she lived with her daughter Jane, where she died and was buried in Mercer Cemetery in Philadelphia.

DOROTHY BREZOVEC (age 12).

CALUMET, MICH.

DEAR EDITOR:

It certainly is a long time since I sent my last letter in. It seems the children of Calumet are rather slow in writing, so I made up my mind that I would write. I enjoy reading the stories sent by juveniles. I am also sending a story.

THE MISSING CLOCK

Jane Roberts was walking slowly down Michigan Ave. after paying a visit to her friend who was ill. She suddenly stopped to pick up a piece of paper which seemed very mysterious to her as she looked at it. She again started walking to her home, which was only a little ways off. As she reached her home she saw a strange looking man walking around as though looking for something he lost. She quickly went in for fear he might ask questions and he might ask about some paper which she found. Jane did not want to give this paper up, for she thought it meant a great deal.

As she entered her home she was greeted by her mother, who quickly told the news about Mrs. Smith's precious clock being stolen. The clock was very valuable and was treasured a great deal by Mrs. Smith. It was made of very fine material and in it was a secret drawer which no one knew about, with some very valuable papers in it.

Jane then related also of finding a certain paper which looked as being very mysterious to her. She handed it to her dad, who was waiting patiently to see what it could be. As he opened it and studied it for a while, he soon knew it meant a great deal and that it must be some secret code. He also thought that it must have something to do with the stolen clock. Jane then told how she saw a man walking back and forth as though looking for something near their house. Her father then told her to get her coat and he would get his and then they would follow the man, who seemed quite peculiar to them. It was late already and one could see the shadows of Jane and her father creeping slowly along a broken down fence. They walked on for quite a distance, passing through many lonely and deserted places.

Soon they reached a dilapidated barn into which the man entered. They crept slowly in back of it to hear what was going on. Soon many voices were heard discussing something very important. A fierce looking man, who seemed to be the leader, arose. He began speaking: "Now we have the clock, but have lost our code. Something must be done! How can we find it? We must find the secret to this clock. Although we have examined it, we cannot find it," he said. They then changed the subject and began discussing the code.

Jane and her father then found out what the code meant. Before the conversation was over Jane and her father left to tell the glad news. Soon they reached police headquarters, and Mr. Roberts told the story. Soon five policemen were ready to go back with Mr. Roberts to investigate. They reached the barn and captured the thieves and got back the clock. The clock was returned to Mrs. Smith and Jane received a great reward. The code was then put in safety, for it might be used again.

KITZVILLE, MINN.

DEAR EDITOR:

This is my first letter to the Nova Doba. I enjoy writing and reading stories appearing in the Nova Doba. Here is a little story of my own:

MARY'S EXPERIENCE

The room was warm and fragrant. Mary sat on a bench inside the door and looked at the stained glass window with its color scheme and beautiful design. Soon she closed her eyes and fell asleep. After a long time Mary woke up and walked through the room. She saw a statue, but somehow it was more of a living being than so much marble. Then Mary went home to tell of her experience to her mother.

JOSEPHINE LAMBERT (age 8).

OG, SON OF FIRE

Thunderous, vibrating with a sinister quality and ending in a blast that bespoke anger, the far off trumpeting of a hairy mammoth echoed through the gathering twilight and caused the members of the Flat Head tribe to look at each other in alarm. Some of the more timid of them even withdrew from the circle gathered about the council fire and hurried up the steep paths that led to the dwelling caves in the cliffs, for even the voice of the mountain that walks struck terror to their hearts, though the great beast was far off.

FRANK RIBICH (age 12).

CONEMAUGH, PA.

DEAR EDITOR:

After reading the many fine letters of last month's issue I was inspired to write my first letter. But I hope not my last letter. With the dollar as my goal, I hope my letter will be satisfactory.

NOW SOMETHING ABOUT SCHOOL.

Dorothy loved to dress in white and she looked so cool and neat in it that her daddy nicknamed her Snow White. One day there was sad news for Snow White. Her mother was very sick and it was necessary for her to go to the hospital for two weeks. Snow White, after shedding a tear or two, bravely decided to be useful, and so she became cook and housekeeper. She turned out to be a very good housekeeper. After all her work was done, Snow White would meet her daddy in the evening in a nice white dress, for she knew he liked to see her in white. Mother left the hospital and came home fully recovered. On that very day her daddy brought home a package for Snow White. In the package was a lovely pair of white shoes. Snow White was very happy.

CAROLINA DOUGAN.

SHEBOYGAN, WIS.

DEAR EDITOR:

I want to show my appreciation for the one dollar check award I received for my previous contribution by writing to the Nova Doba again. The weather out here is very nice, with plenty of sunshine to make one bright and happy. On Saturday, Dec. 29, 1934, I visited my uncle, Frank Zakrajsek, in Milwaukee, who was married on that day.

I admire very much the boys and girls who have written the various interesting letters in the December issue and I wish to compliment them. It would be nice to have them write letters to each other in order to get a better understanding among the different characters. We are reading "Tale of

Two Cities" in our English class, which is my first subject in the morning. I think English first thing in the morning makes one intelligent and bright throughout the day. Don't take me seriously, as I laughed at myself after I wrote about English early in the morning. I take English 4A, which is the highest in my grade, although a little bit difficult. Here is a poem that I have written:

MASTER TODDLER

He loves the little sailboats
Which sing of roaring sails;
The stalwart tin soldiers,
Who stand up straight in rows;
His eyes are all adoring
For Teddy Bear all in white,
And dogs with brightest ribbons
Who bark at master's command.

AURORA, MINN.

DEAR EDITOR:

I haven't written to the Nova Doba for a long time, so I decided to submit this story:

THE STRANGE ARTIST

One day two soldiers went out to seek their fortune. One soldier went one way and the other soldier went the opposite way. The one soldier was lazy. He tied his horse to a tree and lay down on the fresh green grass. The horse grazed around the tree as far as the rope would permit. The soldier fell asleep, while the horse ate all the grass within his reach. Soon the horse began to eat around the man without disturbing him. In the meantime the other soldier came upon his sleeping soldier got up both saw the image of the soldier in a pattern of grass. And both cried out: "We've never seen such a strange artist."

ANNA KOYON (age 9).

CANON CITY, COLO.

DEAR EDITOR:

Here I am again. I was very much surprised for the dollar I got for my last contribution. I thank the head officials very much for the award and the trouble you may have had with my article.

I have not much to say about school this time. A woman who took a trip to Sweden gave a talk on her experience. She told about a bicycle trip that took her some 27 miles. The Swedish money she displayed looked more like copper than silver. Their dollar is worth 27 cents in our country.

On the day that I write this letter it is Valentine's Day. I give my valentine to the SSCU with the sincere wish that they get a lot of new members this year. To my fellow juveniles I hope that they will be as happy as I was when I received that prize.

I would like to see other juveniles of our lodge write to the Nova Doba. I say: "Hello!" to the junior members of Young American Boosters Lodge, No. 216, of Walsenburg, Colo. Where are you, and why don't you wake up?

Spring is near.
