LETO XLVI. — VOL. XLVI.

ONCEM TEDNA

ES je v Washingtonu sle-
dne mnene: — ako bo Ru-
držala fronto to poletje,
pričakuje da jo bo, ne bo
Ameriki večje armade in
tudi ne bodo potreba klicati
proje oženjenih moških, ki
v otroke.

GRESU je bila predložena
peticija od poslanca Brysona,
televa prohibicijo v Zed. dr-
za časa vojne. Peticija
100,000 podpisov, kar znači,
hači niso zadremali.

CEJ prahu je dvignilo v
Washingtonu dejstvo, da je
poslanega iz posojilnega
za mnogo potrebščin za ci-
prebivalstvo v Severni
in se te potrebščine pro-
transcoskim administraci-
za vrednost \$40,000,000 so
Francozi na račun \$25-
000. To blago je bilo potem
eno špekulantom, političnim
inencem in črni borzi. Mesto
dobili Arabci in Berberi
čaj, sladkor in drugo, kar
namenjeno za civilni relief
dobili v roke špekulanti.
povzročilo mnogo nevolje
tamošnjim civilnim prebi-
nom napram Ameriki.

OGO se govori, da bo posta-
la ameriška zračna sila sa-
jna jedinica. To je arma-
mornariška zračna sila bi
ružili v eno, ki bi nastopila
sama samostojno. Zdaj ima
zračno silo armada in svo-
narica.

je bil premier Churchill v
Washingtonu, je prihajal na
posvetovanja svez in
dočim je bil naš predsed-
izgazan in truden. Seve-
dočim je Roosevelt delal ne-
ano ves dan, se je vlegel
hill vsak dan popoldne, za
ur k počitku.

ASKI zavezniški krogi so
absolutno prepričani, da
sija vzdržala to poletje
nemške ofenzive. Dočim je
nem prej dvom, se je ta zdaj
noma umaknil trdni veri o
moči.

IZILJA, ki je znana po
vojni protikomunistični ten-
ci, bo najbrže v kratkem
stavila diplomatske odnoša-
Sovjetsko Rusijo.

VEZNISKE zmage odmeva-
tudi v Španiji z vedno mo-
nim glasom. Baje zahteva
ralni štab bolj odprto sode-
nje s zavezniki. General Or-
poveljnik v španskem Ma-

Premogajem ni bilo ugodeno

Washington, 18. jun.—Vojni delavski odbor je odklonil zahteve unijskih premogarjev, ki so vprašali za plačan čas od vho-
da v rov do kraja dela in radi česar so šli že dvakrat na stavko.

General Wavell imenovan podkraljem v Indiji

New York. — Nemška agen-
cija Transocean poroča, da je
bil imenovan angleški feldmar-
šal Sir Archibald Wavell pod-
kraljem za Indijo. General Wa-
vell se je proslavil v afriških bo-
jih, kjer je leta 1940 ustavil Ita-
lijane v Libiji in jih potem za-
podil nazaj.

Pozneje je bil imenovan za vr-
hovnega poveljnika angleških
čet v Indiji. Tam ga bo zdaj na-
domeštil general Auchinleck, kot
poročila radijo iz Berlina.

Garnizija v Tolminu je mislila, da je vojne že konec

London. — Takoj, ko je bilo
naznanjeno, da so zavezniški zo-
pet odprli mejo v Siriji, se je
osišča polastila velika nervoz-
nost, misleč, da so začeli zave-
zniki že z invazijo. Nemčija z
vso naglico pošilja ojačenja na
Balkan, pričakujejo tam prve in-
vazije.

Kakšna je morala italijanske
vojske pa kaže naslednji slučaj.
Ko se je po Tolminu na Goriš-
kem raznesla vest, da so zave-
zniki že zavzeli Sicilijo, je ita-
ljanska garnizija vsa radostna
udrila iz vojašnic na ulice meneč,
da je zdaj vojne že konec.

Iz Budimpešte prihajajo po-
ročila, da so gerilci oblegali Gos-
pič v Jugoslaviji. Gerilci so
imeli pri napadu tri tanke in so
naskakovali mesto 13 ur. Itali-
jani so morali poslati nad geril-
ce več kot 200 letal, da so jih od-
podili.

Požar v Massillon, O. je napravil veliko škodo

Massillon, O. 18. jun. — Po-
žar je uničil skladišče in mlin
Buckeye Cereal Co. ter velik del
Massillon-Cleveland-Akron Sign
Co. škodo cenijo na \$750,000.
Pri gašenju so dobili poškodbe
štirje člani požarne brambe.

Naši
vojaki

K ameriškim marinom se je
prostovoljno vpisal Herman A.
Marolt, edini sin Antona in Ju-
lije Marolt, ki vodita gostilno na
1128 E. 71. St. Ker je čvrst de-
čko so ga kaj radi sprejeli in od-
ide k Stricu Samu 28. junija.
Herman je ta mesec graduiral iz
Cathedral Latin višje šole,
kjer je bil aktiven pri vseh at-
letskih skupinah, posebno se je
pa odlikoval v nogometnih in zo-
gometnih igrah. Prepričani smo,
da se bo kmalu povzpел do čast-
niške šarže. Želimo mu vso sre-
čo in pa zdrav povratek.

Pvt. Anthony J. Fortuna Jr.
pošilja pozdrave vsem sorodni-
kom in prijateljem in pravi, da
se mu vojaški stan prav dopade
in ga zelo zanima. Ako mu želi
kdo pisati kako kartico, je tukaj
njegov naslov: Pvt. Anthony J.
Fortuna Jr. Co. "D", 137th Bn.

Očetom v počast!

Letošnja nedelja 20. junija
je posvečena vsem očetom.
Saj pa tudi zaslužijo, da jim
posvetimo vsaj en skromen
dan v letu za ves njih trud,
za vse njih žrtve, ki jih dne-
no doprinesejo za svoje dru-
žine. Pravijo, da podpirajo
samo en vogal pri hiši, ampak
resnica je, da brez podpore
pri tem vogalu bi se hiša zru-
šila.

Naj na tem mestu zakliče-
mo vsem slovenskim očetom:
Bog vas živi!

Za pomoč domovini!

Poglejte, naš barometer je že
preskočil štiri tisočake. Največ
je k temu pripomogla fara Mari-
je Vnebovzete in sicer je daroval
msgr. Vitus Hri-
bar, ki bo letos v
avgustu praznoval
zlati jubilej duš-
nega pastirstva,
\$250.00. Res, zelo
velikodušen dar.

Rev. Joseph Če-
lesnik, duhovni po-
močnik, pri Mari-
ji Vnebovzeti je
daroval \$15.00,
prej je dal že \$10,
torej skupno \$25.
Mrs. Mary Pan-
chur iz 829 E. 143.
St. je darovala \$5,
Mrs. Johana Skuf-
ca iz Chardon Rd.
je darovala \$3 in
John Brodnik iz 15704 Trafalgar
Ave. je pa dal \$2.

V našem uradu so pa darova-
li sledeči: France Kotnik iz 1013
E. 77th St. je dal kar cel dvajse-
tak, po \$5 sta darovala: John
Susnik, lastnik Norwood Appli-
ance & Furniture, 6104 St. Clair
Ave. in James Bartol iz 6316
Carl Ave. Mrs. Mary Volk iz
702 E. 160. St. je darovala \$2 in
neimenovan je dal \$1.00.
Zadnjič smo izkazali \$3-
750.03, danes izkazujemo \$308,
torej skupno na banki do včeraj
\$4,058.03.

Hvaležni smo vsem dobrim
ljudem, ki se tako radodarno od-
zivljajo za pomoč siromakom v
ustari domovini. Prosimo še na-
daljnih darov da bomo čim prej
dosegli \$10,000.

Slovenski vojak ubit

Danes, zjutraj so dobili vest,
da je bil ubit mladi vojak Frede-
rick J. Ubic, star 29 let. Nesre-
ča se je pripetila s trukom v ta-
borišču Hood, Texas. Tukaj za-
pušča žalujočo soprogo in 7 me-
secev starega sinčka, starše John
in Katharine na 1436 E. 55. St.,
dva brata, Henry in Charles ter
več drugih sorodnikov. Pri vo-
jakih je bil komaj tri tedne.
Truplo bo poslano v Cleveland in
pogreb bo imel v oskrbi železov
pogrebni zavod, 6502 St. Clair
Ave. Kdaj bo pogreb še ni zna-
no.

Nadaljnih 71 bilijonov za vojno

Washington, 18. jun.—Odsek poslanske zbornice, ki mora
najti denar za vzdrževanje vlade v vseh njenih potrebščinah, je
vrgel danes v osišče novo bombo, ko je poslal v zbornico račun v
znesku \$71,510,438,873. Ta vsota naj bi bila za opremo in vzdr-
ževanje naše armade, ki bo štela 7,500,000 mož in ki naj bi za-
dostovala samo do konca tega leta.

To je največja vsota v zgodo-
vini Amerike za vojne izdatke
in s tem, ako bo kongres vsoto
odobril, bodo narasli stroški za
sedanjo vojno od 1. julija 1940
na 200 bilijonov dolarjev.

Odsek je izjavil, ko je pred-
ložil ta ogromen proračun, da
mora dobiti naša bojnna sila
vsak možen in potreben dolar,
da čimprej izvojuje zmago nad
osiščem.

Vojna stane ogromne vsote.
Armada zahteva topove, tanke,
letala, municijo, kemikalije in

vse druge potrebščine za na-
daljne boje in to moramo pre-
skrbeti.

General Marshall, načelnik
generalnega štaba, je pisal na
kongres, da mora dobiti arma-
da denar za nadaljno in uspeš-
no vojno po vsej zemeljski obli,
da čimprej stre sovražnika.

Istočasno je pa senat odobril
največjo vsoto za izdatke mor-
narice in sicer \$27,637,000,000.
Predlog je bil poslan v Belo hi-
šo v podpis predsedniku.

Časopisje poroča o sporazumu med četniki in partizani v Jugoslaviji

London. (UP) — Poročila iz
Jugoslavije trdijo, da so se čet-
niki generala Mihajlovića in od-
Rusov podpirani partizani po-
razpustitvi kominterne spora-
zumeli in se zdaj bore ramo ob-
rami proti nemškim okupaci-
skim silam.

Niti jugoslovanski, niti ruski
uradni krogi v Londonu niso
potrdili tega poročila, akorav-
no je znano, da so se v zadnjem
času jugoslovanski-sovjetski
odnošaji, ki so bili radi spopa-
dov med četniki in partizani
skozi dve leti zelo napeti, v te-
ku zadnjih tednov izdatno iz-
boljšali.

Jugoslovansko časopisje pod
nemškim nadzorom poroča o
sodelovanju Mihajlovića in par-
tizanov. Zagrebški "Hrvatski

žef Stalin po razpustitvi ko-
minterne ukazal partizanom,
da nadaljujejo svojo borbo
proti fašizmu na svojo lastno
odgovornost, s svojimi lastni-
mi sredstvi in brez podpore iz
Moskve ter v skladu s patrioti-
čnimi čustvi.

Poročila iz Zagreba pravijo,
da je general Mihajlović, kate-
rega čete so bile v pravi vojni
s partizani, premestil del svoje-
ga vojaštva v bosanske planine,
kjer se je združilo z dozda so-
vražnimi gerilci.

Tukaj prevladuje mnenje, da
je bilo povelje Stalina partiza-
nom istočasno in v zvezi z Mi-
hajlovićevim poveljem, ki je od-
redilo nastop njegove armade v
odprtih bojih.

ODLIKOVAN JUNAK BO POSLAN DOMOV, KER SE NI DOVOLJ STAR

Štabni narednik Clifford
Wherley, doma iz Elwood, Ill.,
ki je bil štirikrat odlikovan za
hrabrost in ki se je udeležil več
kot 100 zračnih bitk nad Tunizi-
jo, je na potu iz Afrike. Nič ni
ranjen ni se naveličal vojne, am-
pak — premlad je še. Star je
namreč komaj 16 let.

V armado se je vpisal in sicer
k letalcem, 1 aprila 1942. Svojo
pravo starost je zatajil, seveda.
Starši niso nič vedeli za to, do-
kler ni prišel dan odhoda. Pro-
sil jih je, naj ga pustijo v armado.
Dovolili so mu, misleč, da bo
ostal vedno na ameriških tleh.

Poslan je bil v boje v Severno
Afriko. Bil je topničar v letalu
in marsikatero sovražno letalo
je sfrčalo zbita na tla, ki ga je po-
godil mladi topničar s svojim to-
pom.

Večkrat so frčale sovražne
kroglice mimo njegovih ušes in
dostikrat so se fantje v njego-
vem letalu "izmazali" komaj za
las. Mladi avijatičar je bil povi-
šan v štabnega narednika in pre-
jel je štiri odlikovanja.

Toda zdaj so pa rekli njegovi
starši, da je te "zabave" dovolj
in so ga zahtevali domov radi
njegove mladoletnosti.

Kako se lahko dobi pralni stroj

Columbus, O. — Nek
moški je brez sape prihitel v
urad nekega odvetnika in
ga vprašal, če je on tisti, ki
ima vedno toliko tožb na ro-
ki za razporeke. Odvetnik
mu je to pritrdil, ves vesel,
da je dobil novega klijenta.
Toda možak mu naročil:
"Poišvedite pri ženskah, ki
iščejo razporeke če bi hote-
la prodati svoj pralni stroj.
Bom dobro plačal." V dveh
dneh je imel možak že dober
pralni stroj.

Nizje cene mesu

Glasom odredbe urada za kon-
trole cen, bodo stopile v ponde-
ljek nove, nižje cene za meso v
veljavno. Samo cena svinjini ne
bo znižana sedaj.

Vesela vest

Pri družini Mr. in Mrs. An-
thony Miklich 846 Wayside Ave.,
se je oglasila teta štorčila in pu-
stila za spomin 8 funtov in četrt
težkega sinčka, ki je sedaj dru-
gi v družini. Mati je hči druž-
ne Mr. in Mrs. Louis Turk iz
23301 Arms Ave. Mlada mami-
ca in dete se prav dobro počuti-
ta v Glenville bolnišnici. Česti-
tamo!

Poučna knjižica

Pri Jerry Bohincu, ki lastuje
znano prodajalno hišnih potreb-
ščin, Northeast Sales & Service,
na 819 E. 185. St. dobite zelo
poučno knjižico, v kateri je vse
natančno opisano, kako je tre-
ba ravnati z električno ledenico.
V knjižici so tudi razni recepti
za okusna jedila. Knjižico dobi-
te popolnoma zastonj. Izdala jo
je Frigidaire Co.

Lojzeta Rozmana ni več

Globoko je zadela včeraj slo-
vensko naselbino v Clevelandu
vest o nagli smrti urednika Gla-
sa SDZ, Lojzeta Rozmana. Vče-
raj zgodaj zjutraj ga je našla
njegova soproga mrtvega. Zve-
čer, ko je prišel z dela v tovar-
ni, je še pisal za Glas SDZ.
Malo pred deseto uro je govo-
ril še s svojo mamicco na telefo-
nu prijazno in brezskrbno, kot
vedno ter se dogovoril z njo, da
ga bo obiskala v soboto.

Še pred par dnevi je Lojze
ukrnil vse potrebno, da bodo
imeli v nedeljo družinski sesta-
nek v njegovi hiši, da bodo
skupno praznovali očetov in
njegov dan. Toda nihče ni go-
spodar čez svojo usodo, nihče
ne more delati načrtov za eno
minuto naprej, ker naše življe-
nje je drobčkana nitka, katero
bela žena smrt lahko prestriže
vsak trenutek. Nihče ne ve ne
ure ne dneva...

Lojze Rozman je bil rojen
21. januarja 1898 v Suhorju
pri Metliki. Pozneje so starši
kupili posestvo v St. Janžu,
kjer je pridni Lojzek dovršil
ljudsko šolo. Ker je fantek ka-
zal nenavadno bistrost, so ga
skrbni starši poslali v gimnazi-
jo in sicer v škofovo zavode Št.
Vid nad Ljubljano.

Lojze se je pridno učil in že
je bil blizu konca, ko ga je vze-
la avstrijska armada iz sedme
gimnazije, ko še ni bil star niti
17 let, ter ga poslala na fronto
v prvi svetovni vojni. Tam je
ostal polna tri leta in devet me-
secev ter prenašal z drugimi
našimi fanti vse grozote vojne.

Tekom vojne si je vzel toliko
časa, da je dovršil maturo za
gimnazijo. V tem se je pa mla-
dega fanta prijel zavratna bo-
lezen. Mlado telo ni bilo kos
velikemu naporu. Kot jetične-
ga so ga poslali domov staršem.
Ti so vse poskusili, da bi mu
ohranili življenje. Poslali so
ga v bolnišnico usmiljenih brat-
tov v Kandiji, kjer so zdravniki
izjavili, da ni zanj nobene re-
šitve več. Toda njegova skrbna
mamica ni obupala. Vse je sto-
rila, da je dobil Lojze vsak dan
dovolj mleka in svežih jajec in
—ozdravel je. Toda najbrže od-
takrat ni bil več popolnoma
zdrav in kal tiste krute bolezni
mu je najbrže tudi zdaj kon-
čala življenje, čeprav je bil vi-
diti na videz zdrav.

Po vojni je šel najprej študi-
rat v Zagreb, potem se je pa
vpisal na Dunaju v eksportno
akademijo, kjer je ostal šest
let. V tem so bili odšli njegovi
starši v Ameriko in Lojze je
hotel za njimi. Tako jih je
ljubil, da je hotel biti v njih
bližini. Na 4. maja, 1928 je do-
spel v Cleveland.

Tukaj je dobil takoj delo v
tovarni, obenem se je pa vpi-
sal na Spencerian kolegij, da bi
se naučil angleščine. Leta 1929
je poročil Mary Vrček. V za-
konu se jima je rodil edini sin-

Kaj pravite

Vse kaže, da imajo clevelandski republikanci končno le kandidata, ki si bo upal lomiti politična kopja z sedanjim županom, demokratom Lauschetom. Drug za drugim so previdni republikanci odklanjali kandidature, dobro se zavedajoč, da je pogoreto gotova stvar za vsakega, ki upa kandidirati proti Lauschetu.

To je resnica, ne samo radi tega, ker je župan Lausche močan politično, ampak radi tega in to je glavno, ker noben kandidat proti Lauschetu ne more najti vprašanja, na katerem bi pobijal administracijo sedanjega župana. Nihče mu ne more predbacivati, da ni bil dober župan in nihče mu ne more očitati, da je bil strankarski.

Zlasti republikanci ne morejo trditi, da je bil še kak župan v Clevelandu, ki je prisegel na republikansko politično stranko, ki bi bil tako nestranski kot je ravno župan Lausche. Kadar izbira ljudi za razna odgovorna mesta, nikdar ne vpraša po njih političnem prepričanju, ampak po njih zmoglosti.

Niti takozvani "100 procentarji" mu ne morejo očitati, da je Lausche kdaj pokazal, da je kaj drugega kot Amerikaneec. Dasi nikdar ne zataji svojega slovenskega pokolenja in to celo rad poudarja pri vsaki priliki, pa ne igra to pri njem nobene vloge, kadar je župan milijonskega Clevelanda.

To bi morali upoštevati tisti, ki mislijo, da bi moral Lausche protežirati samo Slovence, ali jim dajati kako prednost. Lausche je župan vsemu Clevelandu, vsem narodnostim in vsem političnim prepričanjem. Noben župan pred njim ni hodil še po takih nepristranskih potih.

Nekateri so proti njemu, ker jim ni morda ustregel v tem ali onem. To so vedno taki, ki vidijo samo sebe, samo lastni "jaz" in ne blaginje vsega mesta. Ako bi ustregel tem, bi bil vsled tega gotovo prizadet kdo drugi. Ako bi višal plače, bi moral vprašati za več davkov. Ako bi nastavljal na važna mesta demokrate, bi se zameril republikancem, ki so končno prav tako davkoplačevalci kot prvi. Ako bi dajal službe samo Slovincem, bi mu zamerile druge narodnosti. Vsi imamo pa enake pravice in enake dolžnosti do mesta.

Naj bi se vsak postavil na stališče našega župana, si del roko na srce in se vprašal: ali dela župan Lausche pošteno, ali ne... Odgovor ni težak.

Prošli četrtek smo napisali v tem listu uredniški članek, v katerem smo razmotrili vprašanje vojnih ujetnikov, ki so danes v raznih ameriških ujetniških taboriščih in ki so sinovi našega Primorja, torej naši lastni rojaki. Sprožili smo idejo, če bi se moglo priti s temi Slovenci v stik s posredovanjem kakšnega vladnega urada in jim na ta ali oni način pomagati. Saj so nazadnje naši ožji rojaki, sinovi naše slovenske zemlje in kar največ šteje, — gotovo so še vsi zavredni Slovenci, ki žele za svojo rojstno domovino svobodo in rešitev izpod fašističnega italijanskega jarma.

Apelirali smo na Slovenski ameriški narodni svet, ki se nam zdi edini kompetenten, da bi se zavzel za to stvar. Bili smo zelo veseli, ko smo zvedeli, da je seja SANSa zadnjo soboto o tem razmotrivala ter sklenila storiti potrebne korake. Ako je seja to storila na apel našega članka, ni vprašanje. Glavno je, da se nekaj stori za naše rojake, če je mogoče. Skoro v naši sredi so in gotovo bi ne bilo lepo, če bi hodili mimo njih, ne da bi se pobližje zanimali zanje.

Kolikor smo se mi informirali, se je treba obrniti v tej zadevi direktno na vojni oddelek v Washingtonu, ker vsi vojni ujetniki so pod njegovo oblastjo. Upamo, da bomo o tej stvari v kratkem kaj več slišali. Vsa slovenska Amerika bi se morala za to zanimati. Ako se politično in dejansko borimo za osvoboditev slovenskega Primorja, se moramo zavzeti tudi za one, ki bodo to slovensko Primorje po tej vojni obdelovali in posedovali in teh je sedaj precejšnje število v ameriških ujetniških taboriščih. Vsek ve in vsi vemo, da jih je vtaknil v vojaško suknjo italijanski fašizem prisiljene. Saj si niso krivi sami, če je bila izročena njih očetnja va po zadnji svetovni vojni Italiji.

Clevelandski general partizanov, ki danes pošilja v pekkel vse, kar količkaj diši po jugoslovanski vladi ali po jugoslovanskih ministrih, je še lansko pomlad drugače sodil. Takrat je z veseljem sprejel od jugoslovanskih ministrov \$35, da se je peljal v njih imenu kot "opazovalec" na slovenski kongres v Detroit. Ako je tam bolj "opazoval" salune kot pa zborovanje, se ne "pita." Fakt je, da je bil pripravljen igrati vlogo "sluge pokornega" za jugoslovanske ministre, odnosno jugoslovanske vlade, za borih \$35. Očividno je to njegova cena za prepričanje.

Prizorček z neke farne v bližini Clevelanda. Neki Česen, neki Medvešek in neki John Filipič v ostri debati, češ: "Tega Molka moramo spraviti od Prosvete!" Kratek molk, potem soglasen zaključek: "Toda koga naj pa dobimo na njegovo mesto?" Zastor pade... vse ostane pri starem.

Društvo sv. Antona št. 138 CKO

Mislamo, da ne bo nič škodilo, če po dolgem času zopet enkrat povemo javnosti, da naše društvo še živi. Živi, a kako, prav malo živi in temu pa so krivi člani, ki se ne zanimajo za napredek svojega društva. Res žalostno je, da se premnogi spomni svojega društva le tedaj, kadar ga potrebuje.

To ni očitjanje ali nevoščljivost, če kateri bolnikov dobiva bolniško podporo. Ne, Bog varuj kaj takega, ampak je pa resnično, da mnogi izmed članov niti ne poznajo društvenih odborov in prav tako tudi odborniki kmalu ne bodo več poznali društvenih bratov, če bodo naše seje tako slabo obiskane, kakor v preteklosti. Morda bo kateri rekel: saj plačam asessment, kaj pa hočejo še več od mene? Res je, da je glavna stvar v tem, da je asessment točno plačan, vendar pa je potrebno, da se člani udeležujejo društvenih sej in z dobrimi nasveti pomagajo društvu do napredka.

Naše društvene seje so tako kratke, da bi skoro ne mogli reči, da je bila kakšna seja in kljub temu ni članov na sejo. Pridite in dajte kakšen dober nasvet in nikar ne prepustite vsega kar samo odbornikom. Večkrat pride na površje pri seji zadeva, ki jo sami odborniki težko rešijo ali pa tudi nečijo prevzeti vse odgovornosti za isto.

Društvena blagajna se vedno bolj krči in če se člani ne bomo zavzeli zanj, tedaj ne vem kaj naj pričakujemo. Vedno imamo samo izdatke, a dohodkov pa skoro nobenih drugih kot kar dobimo od asessmenta in še s tem so nekateri člani bolj počasni.

Bratje, pridite v ponedeljek na sejo in mogoče je, da pride kateri s dobrim nasvetom za korist društva in njegove blagajne. Kajti nekaj se bomo morali usmiliti za to jesen, da bomo vsaj nekoliko poživili naše društveno življenje ter malo opomogli društveno blagajno. Kmalu bomo izčrpali vse vire in na vsak način bo treba pogledati za kakšnimi dohodki. Zato pa le pridite v ponedeljek večer v staro šolo k seji in se bomo kaj pogovorili. Z bratским pozdravom,

Blagajnik.

Misija v Moskvo

Premiera premikajoče slike "Misija v Moskvo," ki je bila dramatisirana iz Joseph E. Daviesove knjige "Mission To Moscow" bo v Hippodrome gledališču v četrtek 24. junija s predstavo ob 1:00 a. m.

"Misija v Moskvo" je Mr. Daviesovo poročilo ameriškega narodu o važni misiji, ki mu jo je poveril predsednik. Warner Bros. so jo pa spravili na platno kot del žive zgodovine.

Slika je poročilo očividca, tipičnega Amerikaneca, ki je gledal Rusijo. Mr. Davies je bil kot ameriški poslanik dve leti v ruski prestolici in je postal prijatelj sovjetskih uradnikov.

Warner Bros. so izbrali najboljše talente za vloge v tej sliki. Glavno vlogo imata Walter Huston in Ann Harding in sicer predstavljata poslanika in njegovo ženo. Drugi igralci so pa: George Tobias, Oscar Homolka, Gene Lockhart, Helmut Dantine, Eleanor Parker, Richard Travis, Victor Franken, Henry Daniell, Dudley Field Malone.

Mr. Davies je odobril film vseskozi. Rekel je, da res predstavlja to, kar je on videl v Rusiji pred vojno.

"Narava sovražnika" Office of War Information Washington, D. C.

New York, N. Y. — Tisoči Amerikancev so se zbrali v ponedeljek dne 17. maja, v Rockefeller centru, v sruju mesta New York, da prisostvujejo izlozbi vladanega urada za vojne informacije, nazvani "Narava Sovražnika" (The Nature of the Enemy) in namenjeni, da predložijo civilnemu prebivalstvu, kako bi bilo življenje v Ameriki pod nadvlado osiščev.

Kako je nacijsko tiranstvo, je bilo povedano z velikimi stenskim slikami (murals), skupinskimi podobami (tableaux) in izreki sovražnika samega, kar je bilo vse postavljeno na črnih podlogah, značilno podobnih krstam. Zastave Združenih narodov so plapolale v majski sapi in vodovje, ki po navadi se izliva iz Prometejeve Fontane v vdolbljenem trgu sredi najmočnejše skupine neobčutljivosti v Ameriki je bilo utihneno, dokler so govorniki spominjali na sovražnikove zločine proti svobodi.

Ceremonije so se vršile na Esplanadi med britanskim in francosko palačo. Občinstvo se je zbiralo iz Pete Avenije in bližnjih ulic. Onstran Avenije stoji newyorška katoliška katedrala Sv. Patrika. Moški in ženske v uniformi, pisarniški delavci, državljani vseh vrst in starosti so napolnjevali Esplanado in bližnje prostore in okna, da poslušajo govornike, vsi izmed katerih so imeli posebno znanje o metodah osiščev. Njihove besede so padale v tišino gneče, ko so vzbujali spomin na opustošene cerkve, zažgane knjige, otroke izvežbane s puškami, jetnike v koncentracijah.

Skupinske slike so ilustrirale šestere točk osiščene programa — sužensko delavstvo, vničenje pravosodja, koncentracije, oskrnjevanje vere, ukinitje svobodne misli in militarizacija otrok.

John B. Powell, nekdanji urednik publikacij "China Weekly Review" in "China Press" v Sanghaju, je prinesel prizor mogočnega vtis realizma, ko je sedel v bolniškem vozičku pred Tabojem koncentracije in govoril v enostavnih besedah o svojih izkušnjah kot ujetnik v Sanghaju. Preproga je pokrivala znake njegovih amputiranih nog. Bolničarka je stala za vozičkom in simpatično poslušalstvo ga je pozdravljalo, ko je po govoru pognal stran svoj voziček.

Miss Eve Curie, pisateljica in predavateljica francoskega rojstva in poljskega izvirja, je govorila za slovenstveni svet. Stala je brez klobuka pred posnetkom newyorške javne knjižnice z grmado zažganih knjig. Vrh iste se je nahajala poluožgana knjiga Rudyarda Kiplinga "France at War" in trobojnica se je še videla moleča iz iste — simbol nacijskega zatiranja misli.

Naglašajoč da se v nemških otroških odgojalnišnih nahajajo uniforme celo za šestmesečna deteta, je Mrs. J. Borden Hariman, bivša ameriška poslanica na Norveškem, govorila pred tablojem, prikazujočim mlade ameriške otroke, kako v parnem vojaškem koraku marširajo s puškami nad rameni plinskimi maskami zakrivačji sveža lica mladosti.

Ferdinand Pecora, sodnik vrhovnega sodišča države New York je stal pred tablojem, prikazujočim nacijskega sodnika, izrekajočega obsodbo nad Amerikancem. Njegov govor je bil o lažpravosodju pod nacijsko vladjo; rekel je, da Amerikanci morajo storiti vse in dati vse, da "ohranijo Ameriko kot deželo, iz katere naj se svoboda in pravičnost odseva vse temne prostore sveta."

Rev. Henry Smith Leiper, ameriški tajnik svetovne cerkvene organizacije "World Council of Churches," je govoril pred tipično belo kolonialno cerkvico, križ katere je bil polomljen, streha bombardirana, okna razbita, vrata zabarikadirana z napisom "Zaprta po povelju Gauleiterja za Ameriko." Gerhard H. Seger, bivši član nemškega Reichstaga je govoril o suženskem delu, stoje pred tablojem prikazujočim Amerikance, ki jih mitraljeze priganjajo na delo. Govorniki je predstavljali poslušalstvu znani radio govornik Raymond Graham Swing.

Vhod do izlozbe iz Pete Avenije je označen z velikimi črnimi črkami "The Nature of the Enemy." Na fasadah angleške in francoske palače je v rdečih črkah označeno "The Enemy Plans This for You" ("sovrženik to namerava za vas"). Sredi Esplanade so podobe v gipsu, (četvorica svobod), ki jih je izdelal za izlozbo kipar Hugo Robus, podobe so visoke 22 čevljev in debele verige so ovite okoli njih, ter simbolizirajo svobodo od bede, svobodo od bojazni, svobodo govora in svobodo vere.

Izlozba ostane odprta javnosti do 4. julija in neštevilno obiskovalcev iz New Yorka in iz cele dežele jo obiščejo tekom tedne. Robert Carson, izlozbeni ravnatelj v Rockefellerjevem centru je izlozbo narisal. Osnova jo je Leo Roston, podravnatelj notranjega oddelka vladnega Urada za Vojne Informacije.

Pomoč Severni AfrikiHERBERT H. LEHMAN
direktor urada za zunanjo pomoč in vzpostavitev

(To je prvi v seriji člankov, katerega je napisal g. Lehman za časopise v tujih jezikih v Združenih državah.)

Združeni narodi se nahajajo pred veliko nalogo vzpostavitve in deljenja pomoči, da bi se olajšala lakota, trpljenje in bolezen. Ki jih je povzročila sedanja vojna. To delo je že začeto v Severni Afriki pod pokroviteljstvom vojske Združenih držav in urada za Zunanjo pomoč in vzpostavitev. In čeprav je pomoč v Severni Afriki majhna v primeri z delom ki ga bo treba opraviti kadar naše čete pridejo v Evropo, smo vendar po tunizijski kampanji začeli spoznavati nekatere od mnogih problemov in korakov, katere bo treba narediti, da se razrušeni svet zopet privede v stanje miru.

Kadar so se naše čete preteklega meseca novembra izkrcale v Severni Afriki, je bilo civilno prebivalstvo v Alžiru in francoskem Maroku v mnogo boljem stanju nego smo pričakovali. Tu pa tam je bilo sicer lakote in trpljenja radi pomanjkanja, toda prebivalstvo je smatralo oživljanje trgovine, ki je stagnirala pod nemško zasedbo, za bolj nujno kot dobavo hrane in drugih potrebščin iz drugih dežel.

Prvo nujno delo je bilo prekrbeti mleko za nedovoljno hranjene otroke v tistih krajih kjer so za časa nacističnega vladanja dobili samo malo hrane potrebne za raščo. Naša vojska je pripeljala s seboj potrebščine. Postaje za prehrano so bile takoj ustnovljene, in sedaj dobiva 147.000 otrok pod 14 let starosti v Alžiru in Maroku vsaki dan izsušeno ali isparjeno mleko. To je organiziral urad za Zunanjo pomoč in vzpostavitev s pomočjo osebja Rdečega križa. Druga nujna naloga je bila skrb za begunce iz Evrope internirane v taboriščih. Obleka, posteljina, zdravniška pomoč so jim bile deljene predno so bili izpuščeni in zaposleni ali pa vzeti k vojakom.

Priprave za pomoč v Tuniziji so igrave važne vloge v načrtih generala Ajzenhauerja za to kampanjo. Pod imenom "Tunizijski oddelek" je bilo organizirano posebno vojaško poveljstvo z nalogo, da pomaga civilistom v nedlogi. Fred K. Hoehler iz Čikaga, šef urada za Pomoč in vzpostavitev, je bil imenovan za glavnega civilnega člana tega oddelka. Še pred zadnjimi borbami je pripravil primerne količine hrane, obleke, mila in zdravil v skladiščih blizu bojnih vrst, da bi se razdelile takoj ko mogoče. Sodelovanje med vojnimi in civilnimi člani tega oddelka je bilo tako ozko, da so hrana za lačne in zdravila za šibke in bolne, bili razdeljeni takoj, ko je vojaška situacija to dovolila. Danes se še zmeraj daje pomoč v Tunisu, Bizerti in drugih mestih Tunizije... Lačni, stari in slabi dobivajo sedaj hrano, in nevarnost kuge je odstranjena. In v relativno kratkem času se bodo narodi Severne Afrike ne samo sami vzdrževali, temveč bodo kot člani Združenih narodov pomagali zadati zadnje udarce v Evropi in drugod za končno zmago.

Tu doma se pripravljamo za ogromno nalogo, da namreč prinesemo pomoči izmučenim narodom v zasedenih deželah, ko bodo končno osvobodjeni iz osiščnih okov. S pomočjo Švedov in Švicarjev delamo na načrtu, da se preskrbi hrana za Grčijo.

Z vseh strani nas okrožajo velike težave. Sovražniku ne smemo dati miru niti upanja, dokler se brezpogojno ne uda, kajti to je predsednik proglasil kot naš edini vojni cilj. Mi nimamo dovolj potrebščin ter smo si zato naložili stroge omejitve, da bi tako lahko drugje pomagali. Tudi nimamo mnogo ladij, a podmornice v vseh oceanih nadaljujejo z uničevanjem njihove tonaze.

Ampak mi prav občutno gremo naprej. Ravno tako kakor se Amerika ne bori sama v tej vojni temveč kot član Zedinjenih narodov, mora tudi pomoč biti skupna, in v njej morajo vsi narodi sodelovati in pomagati kolikor morejo. Pomoč narodom, ki so bili oropani, ki so brez doma in ki nimajo od česa živeti, je že na poti. Več potrebščin bo razpoložljivih in še več se bo storilo, ko skupne sile celega civiliziranega sveta privedejo vojno k neizbežnemu kraju, s popolno zmago nad osjo in nad vsem za kar je osišče odgovorno — nad tiranstvom, suženjstvom in surovim postopanjem z narodi.

"Če"—res kratka je beseda, pač bolj važna je zato in bi v raznih se zadevah lahko jo vpoštevalo.

Če bi svet se ne sovražil, vojne bi ne bilo spet; če bi Hitlerja ne bilo, žvižgal bi vam celi svet.

Če bi Muso svoječasno Afrike si ne želel, bi ne bil nabit, premagan in bi ne bentil, ne kiel.

Kvizling Pavelič Hrvat, če ne bil bi tam izdal, v Rimu bi polento jedel in pri Musotu ostal.

Če Mihaljevič vojakov naših bi milijon imel, zadnji nazi iz dežele, zopet v Berlin bi šel.

Če bi cesar Hirohito jedel le svoj riž doma, bi si "steaka" ne želel, ne ozemlja našega.

Miljonar če bil bi vsakdo, konec sveta bi bilo: nihče bi vam več ne delal, v bedi belil si glavo.

Industrijski če baroni bi imeli kaj srca, delavcem bi višjo plačo dali od profitarstva.

Če bi sonce nam sijalo kar naprej—vso noč in dan, marsikdo bi zeval, zdelal, ker bi bil preveč zaspan.

Če bi zajec ne bil skočil, smuknil jo čez plot veseli, bi lahko ga Jaka počil, pa zato ga ni zadel.

Če bi vsak čitatelj listov, vsak prijatelj, naročnik, naročnino v redu plačal, bil zato za list bi "kik."

Za odmerke znamk različnih, če bi bilo dvakrat več, naše drage gospodinjice več mesa bi dale v peč.

Če bi člani društev raznih k sejam radi vsi prišli, tajnikom bi mnogo dela s tem lahko prihranili.

Če imel bi jaz milijone, plačal bi za Vas, prav vse, kar za celo leto skupaj društva vse asessmente.

Če bo šlo tako posreči v vojni tej — zaveznikom, iste bode kmalu konec, in osišča bo polom.

Če bi vsak rojakov naših dal \$ za JPO. Mr. Jurjovec četrt milijona, bi beležil že lahko...

Na 1. julija 1939 je prevzel uredništvo pri Glasu SDZ in na zadnji konvenciji je bil izvoljen ponovno v isti urad, obenem pa glavnim odbornikom in glavnim zapisničarjem. Komaj lansko leto si je kupil ličen dom na 545 E. 118. St., za katerega je neumorno skrbel in ga vedno izboljševal.

V kopeli.

Pozneje se podam v kopališče, ker tifiška kopališča slovijo daleč po svetu. Razen kopališč v reki Kuri so namreč tu še žveplena kopališča, ki so še iz starodavnih časov znamenita, saj se je ravno zaradi njih sezidalo tu mesto, kakor smo že omenili.

Poleg množičnih navadnih toplic v Tiflisu najbolj slovijo toplice "Cihis Albano," ki so najbolj urejene. Tudi te toplice imajo gorenje žvepleno studenec. Da pa ta zdravilna voda še bolj vpliva, gnete in drga vsakega obiskovalca sluga kopališča, da je joj.

Ko se slečem in stopim v sobico, vzame mi sluga ruho, v katero sem bil zavil, ter me polije dvakrat z vodo, ki je bila kaj gorka. Nato me položi na mramorno desko, kjer mi v malo minutah pretvori vse telo v mehko testo. Ohere mi namreč vse moje kosti, da sem čutil, kakor da bi ne bila več nobena kost cela. Vsak člen namreč posebej "izlomi," pričeni s členi na rokavi. Ako bi me pustil v tem trenutku, ne znam, ako bi se sploh bil mogel gani. Nič kaj prijetno čustvo me je zaradi tega prešinilo. K mojemu zadovoljstvu začne zopet člene sestavljati in zadobiti le so zopet večjo moč. Kmalu me je postavil na noge in čutil sem pravo jakost in svežost. Nato me drga z grobo rokavico po vsem životu ter me polije s peno mila, katero je izpušal iz tanjke cevi. In znova me drga z rokavico po vsem životu. V veseljem sem občutil, da se kri zopet hitreje pretaka po telesu in da sem bolj čil kakor pred kopanjem.

Voda je topla 43 stop. do 46 stop. C. Rabi se namreč pri kopanju tako topla, kakor prihaja iz zemlje, kar je začetkomaj kaj neprijetno. Razen tega me prime sluga, radi nevarnosti do kapi, za glavo ter me potlači popolnoma v vodo. Prav vesel sem bil, ko me je sluga pustil v miru, še bolj pa, da sem se vrlo dobro počutil.

Po kopeli greva s Poljakom na Mtacmindsko goro, ker je raz te najlepši pogled na Tiflis. Pot je bila prav dobra, a na mnogih krajih so bili napisi, da se sme hoditi samo po potih ter da se ne sme poškodovati novih nasadov. Blizu ceste smo videli namreč mladoletna gozdna drevesa, katera je dala nasaditi ruska vlada.

Še pred nekoliko desetletji so bile gore okrog Tiflisa pogozdene. Te gozde pa so popolnoma opustošili, tako da so bile gore pred nekoliko leti še popolnoma gole. Pomladi pač zraste visoka trava, a ta se posuši v letnem času popolnoma. Zemlja postane tako trda kot rog, zato pa tudi ob nalivih nastanejo naenkrat hudourniki, ki odtrgajo gela poslopja. Radi tega v zadnjih letih pogozdujejo te gore.

Zelo se je zanimal za društveno življenje in društvo Glas clevelandskih delavcev št. 9 SDZ si ga je izbralo za tajnika, kjer je delal do svoje prerane smrti. Nekaj časa je bil tajnik tudi pri društvu Cleveland, št. 23 ZSZ.

Lojze je bil dober katoličan, lojalni ameriški državljani, pa navdušen Jugoslovanci. Glas SDZ je fino urejeval in v svojih člankih je navduševal članstvo k večji akciji za povzdigo Slovenske dobrodelne zveze. Kot visoko naobražen človek je imel širok pogled v svetovni položaj in njegov "Razgled po svetu" v Glasu je pričal, kako dobro je podkovan v dnevnih problemih in v svetovnem položaju.

Slovenska dobrodelna zveza je z Lojzetom Rozmanom izgubila enega dobrih stebrov, slovenska naselbina vrlega narodnjaka in njegovi številni znanci dobrega tovariša. Zelo ga bomo pogrešali, zlasti pa bodo pogrešali njegovo nenadomestljivo izkušnjo njegovi starši, bratje in sestre, predvsem pa njegova soproga in sinko.

Zbogom, dragi prijatelj Lojze in počivaj mirno v ameriški zemlji, katero si tako gorko ljubil.

Truplo pokojnega Lojzeta leži na mrtvaškem odru v Grdinovem pogrebem zavodu, odkoder bo pogreb v ponedeljek zjutraj ob 8:30 v cerkev sv. Vida na Kalvarijo.

John, our popular mailman rates the title of the "most awaited man" and we sure do keep him busy with our out-going and in-coming mail. Did "YOU" answer "those letters"?

AD FINEM: Our pastor, Rt. Rev. Canon Oman, had sent this message to all of our servicemen whose addresses were available. So impressive and so appreciated were these lines that I have been requested by some of the recipients to reprint them for the benefit of those who could not be reached:

"My dear Boys: If I had written as often as I thought of you and prayed for you, you would have had daily letters. I am sure you would have liked that. When one is away from home, especially if he is as far away as some of you boys are, there is nothing as interesting as a letter from those familiar haunts and about those familiar people we knew from the time we first began to take notice of things. But you will understand that I could not write to you boys as often as I wished for I would have had to send out some three hundred and fifty letters each time.

Most of you, dear boys, now in the service of our country were baptized by me. Still a greater number have gone through our school during my time at St. Lawrence. When you think of that you will not wonder that I am deeply concerned about your bodily and spiritual welfare. And, since I can do nothing to advise, guide and protect you I earnestly commend you every morning at Mass to the Almighty guidance and merciful shield of Our Lord.

I need not tell you how happy I am to hear from so many of you. Your letters indeed do not tell all that you would like to say. But I can read between the lines and deduce many things you had in mind. Your letters also tell me that you have not forgotten your old pastor and may I hope that with it you remember also some of the things he tried to inculcate into your young minds. Among them are the love of God and respect for His law. Your letters also tell me that in spite of various influences, good, bad, and indifferent, you are still good boys, boys of whom we can be justly proud.

boys who have become manly thru their determination to serve their country, no matter what happens to them. The thought that you have stood the test as well as any among the millions in the service makes us all happy beyond expression. We miss you more than we can tell, but we are proud that you serve your country and ours so nobly and willingly. Keep up your courage and trust in God. Stick to your Holy Faith and do nothing that your conscience disapproves, no matter how some unfortunate men who know not God's law may try to palliate sin. Be clean in thought, word and deed. Honor womanhood wherever you meet it. Every woman is somebody's mother or sister. Remember, dear boys, that loose living never, NEVER brings genuine happiness and lasting joy. Real happiness can spring only from a clean heart that fears neither bomb or bullet, because it has no fear of death nor fear of meeting God.

May the Lord shield you from danger of whatever nature. That is the wish of all of us. Fathers Slapsak and Baznik join me in all that I have written and the Sisters wish to assure you that they pray for you every day.

Most sincerely yours, J. J. OMAN."

A letter like this means much to a lad far away from home, so resolve now to send his latest address to the rectory. Thank you.

DEADLINE FOR ALL COPY WEDNESDAY NIGHT

Education For Reconstruction

All around the world our young men are giving their lives so that mankind can be freed from tyranny and oppression, free to live their lives without the shadow of impending destruction every decade. We at home have been asked to give our dollars so that our sacrifice may contribute in some small way to that freedom. But it is not enough to invest our money—civilians can invest their lives too—and especially those civilians whose parents and grandparents are rooted in the culture of Europe that has given to mankind such rich treasures as music, art, literature and wisdom.

The Slovenes have shown fair generosity in giving to the Yugoslav Relief and the Parish Relief for those who have suffered so terribly under the heels of the Germans and the Italians. Thousands of dollars have been contributed by men and women, who have felt that this was one thing they could do to heal the wounds of their national kin. This relief must go on. And at the same time much more is needed—others will need to invest their lives in the country of their second allegiance, to make it a better place to live after the war, that relatives and friends who are suffering through no fault of their own, may be assured of a happier future in the peace that is to come.

For those who feel an urge to spend a year, two years, or perhaps several years in Slovenia after the war, Baldwin Wallace College is offering a course which will prepare them to render the maximum service. Any high school graduate is eligible to take this course. Due to the exigencies of the draft, most of these will probably be young women. But there will doubtless be young men who for some reason or other will be exempt from military service, but whose health will be rugged enough for administrative or social service in the post war world, and some older men who are willing to sacrifice their time and money to contribute to this greatest of all causes.

The plan is this: for each student to

prepare himself in some practical specialty that will enable him to contribute something unique to the needs of war-torn countries—food and nutrition, public health, business and secretarial service, chemistry, welfare work. He must satisfy his examiners of his facility in the language of the country to which he is going. Finally he must study international relations, minority problems, welfare administration, post war reconstruction and regional history so that he will be in tune with the best plans now being made for Europe. A few requirements of a general nature are added to this course.

Ex-Governor Lehman, in charge of the office of Rehabilitation in Washington, will need many hundreds of workers to serve in Europe after the war, and indications are that he will accept only those with specialized training. He knows of the Baldwin Wallace plan and heartily approves of it, although at the present time it is too early to make guarantee of service. But one thing is certain: those who are trained will be the first to go.

Anyone who wants to know more of the Baldwin Wallace plan, or contribute in some way toward scholarships or student aid for prospective students may write to Professor R. A. Schermerhorn, Department of Sociology, Baldwin Wallace College, Berea, Ohio.

ST. CHRISTINE NEWS

Greetings extended to all: After a week's absence, it's bothered my conscience. So here I am.

A great Slovene fan, Back on the job.

GRADUATION: "Perseverance and grace are the facilities, mentally and physically, to lead you thru your remaining years." These words were spoken to our graduates by our beloved pastor, Father Bombach. Father also expressed his appreciation and thanks to our graduates' parents who assisted in the building of these facilities with patience, loyalty and generosity.

In the evening of June 6 our graduates received their long-awaited and hard-worked for slip of paper, namely their diploma. Awards were given to the following pupils:

Scholarship, Jane Tomsic and A. Neme; Religion Medal, A. Neme; Leadership, Marjorie Sternburg; Conduct Award, Marion Mona.

Let me also take time out to express my most sincere congratulations to you graduates, not only from our school but to all who have ended their high school careers. Let there be only success during your forthcoming years.

DANCE GOSSIP:

Although the female group predominated at our dance given by our Baseball Club, it really proved to be quite a success as shown by the records. The High Hatters deserve a great hand for without them, well, how can there be a dance without music. For the benefit of those who were unable to attend here's a summary of what went on.

These zoot suits—no comment except that they proved to be the choice of the clothing for most of the fellows.

Plenty of unburned faces greeted one another also. For example Frances Intihar and Blondie... noticed Frank Spino, Dom Bosco and Johnny Arko trying desperately without much success to "cut in". Jim Santon, drummer, and Andy Kalasky, trumpeter, giving their interpretation of "Hawaiian War Chant" while Ed Posch, Sr. and Mary Ann Intihar performed. They set a new style of jitterbugging folks.

NEWBURGH NEWS

"As Time Goes By." I find that News on the Home Front is rather scarce, for "I Don't Get Around Much Anymore" now that entertainments, dances and social gatherings are limited for the duration. Many of our young ladies now bear the title of "Rosie the Riveter" while the theme song of the majority of our boys is "We're the Army, Navy, Coast Guard and Marines." Wherever you go in the Burg you will find "All American Families" united under one motto—"Let's Lend Uncle Sam a Helping Hand." That's "Home Sweet Home" today! So until that time, "When the Lights Go On Again, All Over the World," our thoughts will center chiefly on the military activities of our boys. Therefore, once again may I present:

MILITARY NEWS: Congratulations—To Johnny Barle, stationed at an unknown Naval Air Station, upon his recent promotion to Electrician Mate 2nd Class. Johnny greets all of his pals and promises "a chop or two" by parcel post if the rationing gets too bad here in the states.

To Sgt. Louis Cherney of Farmingdale, New York, who's sister, Mrs. Mary Perko, honored him with a visit and expressed our best wishes to him.

To Cpl. Bernard Godec of California upon his recent promotion to Sgt. Benny sends sincere wishes to all of his pals back home.

To Sgt. Laddie Trattar who is with the Infantry deep in the heart of Texas, Laddie and his brother, Staff Sgt. Lou of Washington, D. C., who is anticipating a brief home stay in the near future, greet all of their friends with a cheerful "Hello."

Our latest Seamen, Al Rozman, Ray Blatinik, Joe Kastelic and Ralph Misma send greetings from "one Co. 735" at Great Lakes.

Staff Sgt. "Daddy" Kramer relates in a humorous letter his meeting with Max Ajnik and Joey Kuznik in the sunny land of Tennessee. You guessed it—they talked about the "good ole days of the past."

Military greetings are sent to friends of Johnny Peskar of Camp Lee, Va., Joey Bartol of Camp Crowder, Miss., and Cy Traven of Camp Edwards, Massachusetts.

Seaman Laddie Volcansek now at the University of Wisconsin and his brother Albert of the U.S.N.T.S. wish to express their friendly greetings via this column. (Al: "The Shadow" acknowledges your mail, so write again, won't you?)

Pvt. Eddie Cergol posts military greetings to his classmates and pals from Tacoma, Washington, where he is stationed at present.

Pvt. Bernie Lozar stationed at the General Hospital at Louisville, Kentucky, is trying his best to answer his mail promptly. This cheer "Hello" to you all will suffice until then.

St. Sgt. Frank Colnar of Camp Cooke, California, sends a sincere expression of thanks to the Soldiers for their Easter greetings.

Pvt. Stan Zabak and Joe Habian attached with the Medical Bn. at Camp Grant, Illinois, have the privilege of seeing each other every night. (P.S.—they sleep in the same barracks.) Joe and Stan, who miss the "ole" Burg extend best wishes to all.

Frankie Kenik, Johnny Kocovar, Joey Petric, Skinny Papes, George Zakrajsek, "Leggie" Lekan, Al Lekan, Stan Perhne, Frankie Godec, Billy Turk, Stan Srebrnak, Stan Zabukovec and Ralph Turk were seen about town, here and there, these past few days. They really enjoyed their brief home stays and it certainly was swell seeing each and everyone of them again.

Well, boys, the folks back home are interested in your affairs, so send your points of general interest to "The Shadow" c/o The American Home, 6117 St. Clair Ave., Cleveland 3, Ohio.

You will no doubt enjoy these excerpts from a letter received from Staff Sgt. Louis Globokar of North Africa:

Dear Friend: "On Easter Sunday we had the opportunity to visit the ruins of an ancient Roman city. Some of the columns and pieces of architecture are still intact in portions and of magnificent beauty. A large amphitheater still stands in a good condition, the seats made out of huge stones, with dressing rooms in the rear of the theater. Replicas of a Christian Church, with its cubicles and tiled floors, dungeons underneath the grounds with musty odors, no doubt, could reveal many a legend and chronicle of ancient history. An Arab guide led us around and tried to explain, in what English he knew, some of the characteristics and interesting points of this city that arch, pathway, column or pillar. We were informed that parts of this city were built as far back as 300 B. C. and during the Christian Era. It took us several hours to view the ruins and all of us were hungry and

thirsty, for we were completely absorbed with interest to think that this was actually a city so long ago.

"No doubt, the May altar in our Church must be very beautiful and I know that there is quite an attendance. Many a Mother kneels profoundly in prayer beseeching Our Blessed Mother to send her son safely home to her. A few might be heartbroken if they don't return, but their numbers will be scarce, as we don't hear of many casualties and besides the boys on the fighting front are doing a very good job of it. You've probably heard of the good news that just happened recently in Africa, and from looks of things and the news reports that we hear over the air from London, it will not be very long before the Axis are pushed out completely from Africa.

The unparalleled national unity that exists among the American people together with our immobilized forces is a heartening demonstration and proof that democracy is supreme and will come out victorious. With God's help we will pledge ourselves to obtain that end and with it—everlasting peace.—Sincerely, LOUIS."

THEIR SALUTE: Throughout our own grand U.S.A. in distant lands of far-away—Many a boy, the son you knew, Conveys this message, DAD, to you: "Dear Dad, I wish that I could see, That face that often smiled at me; I wish that I could hear that voice, That made my youthful heart rejoice; I wish that in some little way, I could your love and deeds repay; I wish a million things today— Things I'd do on Father's Day. But wishing this, I wish in vain Until that day we'll meet again; Yet, here is a wish that's really true, A Wish from "the kid" that thinks of you: "Tis sincere, yet nothing new: It's just a fond—MAY GOD BLESS YOU."

OUR SALUTE: There's no easy task, for at times like these the future of a nation depends upon the supreme sacrifice and careful guidance of a wise man—"the head of the family."

To this man—a Father—we wish to extend heartfelt congratulations on this Father's Day!

COMING EVENTS: Parish Affairs: JUNE 20—First Holy Communion, will be received by the children of the Public School classes at the 8:45 Mass. JUNE 27—Corpus Christi Procession. —This annual solemnity will require the cooperation of each and every parishioner.
