LETO (VOLUME) XX

KAMPANJSKI GLASOVI

Joliet, Ill., 15. maja. — Med vsemi Jednotinimi krajevnimi društvi tekom te kampanje, zasluži društvo št. 112 v Ely, Minnesota, pohvalo in priznanje, ker je v tej dobi doseglo svojo kvoto. V sedmih dneh smo jim pripisali 1,500 novih, ton k dobrem, tako da znaša skupna tonaža tega društva že 10,350 ton. To je prvo društvo v državi Minnesota, ki je doseglo to čast. Kampanjski voditelj tega društva je brat John Koshak, ki je nedavno prevzel to mesto iz rok bivšega voditelja in tajnika društva brata Jos. J. Peshla.

Naravnost neverjetno, toda resnično je poročilo o delovanju zapadnega okraja v minulem tednu; kajti navedeni okraj je v tem času svojo skupno tonažo povečal za celih 37,000 ton. Kar se tiče naših kampanjskih okrajev, je zdaj zapadni okraj na prvem mestu z 36,990 tonami; svojega bližnjega soseda v centralnem okraju je torej prekosil za 6,203 tone, istočni okraj pa skoro za 23,000 ton.

Centralni zapadni okraj ima sedaj k dobrem 30,787 skupnih ton, istočni pa 14,270 ton; tonaža zapadnega okraja je omenjena že gori.

Centralni zapadni okraj
Joliet, Ill., 15. maja. — Zadnji teden Jednotine kampanje boljših časov so se osobito postavili naši illinojski farmarji. Menda so imeli domenjeno, da hočejo svoje tekmece tamkaj v Minnesoti prekositi, in dosegli so svoj namen, kajti tekom zadnjih sedem dni so napredovali za 4166 ton pridelka, med tem ko so farmarji v Minnesoti spravili samo 2228 ton žita v svoje shrambe.

Naravno, da so Minnesotčani s svojim dosedanjim skupnim pridelkom 29,929 ton še vedno za 5,195 ton v ospredju pred farmarji naše države Illinois, kajti dosednji njih skupni pridelok znaša 24,734 ton.

Kakor zadnjič, tako so kmetovalci na Missouri farmah še vedno na tretjem mestu; na novo so pridelali 2222 ton žita; njihov skupni dosednji pridelok znaša 18,777 ton. Farmarji v Wisconsin so te dni pridelali 2,100 ton pšenice, vsled česar so na četrtem mestu s 13,325 skupnimi tonami.

V Kansasu je na naših farmah zadnji teden delo počivalo, kajti od tam nismo prejeli nobenega poročila.

Istočni okraj
Cleveland, O., 15. maja. — Kar se tiče dela ali produkcije v naših kampanjskih industrijah istočnega okraja, gre za zadnji teden kredit Ohio jeklarški korporaciji, ker je producirala v tem času 2,414 ton raznega železja, zaradi tega se vedno bolj in bolj bliža s skupno produkcijo svojima tekmecema v Penna. in Indiana. Jeklarne v državi Ohio so še vedno na tretjem mestu z 19,805 tonami skupne produkcije.

Jeklarne v državi Indiana so zadnje dni tudi lepo napredovale, in sicer za 2310 ton. Te jeklarne zavzemajo v istočnem okraju še vedno prvo mesto z 28,182 tonami.

Naši premogarji v sosedni državi Pennsylvaniji so zadnje dni nakopali okrog 1000 ton črnega demanta; navedene majne so torej tudi še vedno na drugem mestu z 20,776 tonami.

Bakreni rudniki v državi Michigan so zadnji teden počivali, kajti od tam nismo prejeli nikakega poročila.

Naj bo še omenjeno glede Newyorške eksportne družbe, da je ista zadnji teden odposlala 625 ton blaga preko morja; skupna tonaža te družbe znaša zdaj 6874 ton.

IZ GL. URADA K. S. K. JEDNOTE

NAZNANILO

Osemnajsta redna konvencija K. S. K. Jednote se bo vršila avgusta meseca letošnjega leta v Indianapolis, Indiana. Krajevna društva imajo izvoliti delegate in delegatkinje v času od 1. junija do 31. julija 1934.

Delegate se voli pri redni ali izredni društveni seji. Kadar se voli delegate pri izvanredni seji, je treba članstvo obvestiti, da je izredna seja sklicana z namenom, da se voli delegata (injo).

Pri volitvah je nominacija javna, volitev pa mora biti tajna. Za vsakega delegata se mora posebej glasovati, to se pravi, da na enem volilnem listku se sme zapisati ime le enega kandidata (inje).

Vsak kandidat mora imeti absolutno večino glasov. Na primer, če kandidirajo trije ali več članov in če je za vse kandidate oddanih recimo skupaj 100 glasov, oni kandidat, ki bi dobil 51 glasov, je izvoljen. Ako pa noben kandidat ne dobi absolutne večine, potem se vrši ožja volitev med dvema kandidatom, ki sta prejela največje število glasov. Pri ožji volitvi odloči navadna večina glasov.

Kandidat, ki prejme največ glasov za izvoljenim, je namestnik delegata.

Vsak kandidat za delegata mora biti član Jednote najmanj eno leto in član dotičnega društva najmanj tri mesece. Člani novih društev so izvoljeni in so lahko voljeni za delegata, ne glede na to akoravno niso člani Jednote eno leto.

Društva ki so s 1. majem t. l. štela manj kakor 75 članov (ic) bodo združena z drugim društvom (društvi) v svrhu izvolitve delegata. Taka društva bodo uradno obveščena s katerim društvom (društvi) volijo delegata.

Društvo ki šteje konec maja od 75 do 100 članov (ic) je upravičeno do enega delegata (inje). Od 100 naprej pa za vsakih 100 članov (ic) po enega delegata (injo) več.

Pri številu članov se vpošteva samo dobrostoječe člane in članice AKTIVNEGA oddelka.

Za vsakega delegata (injo) se bo društvom poslalo dva poverilna lista. Na poverilnicah mora biti označeno ime in naslov delegata kakor tudi njegovega namestnika.

En poverilni list mora biti takoj po izvolitvi delegata poslan na glavni urad. Drugi poverilni list pa delegat prinese seboj na konvencijo.

Poverilni listi morajo biti pravilno od društvenih uradnikov (ic) podpisani in opremljeni z društvenim pečatom. Ravno tako mora biti vsak poverilni list potrjen od župnika v dokaz, da je delegat praktičen katoličan.

Za glavni urad K. S. K. Jednote:

Josip Zalar,
glavni tajnik.

TRINAJSTLETNI PROFESOR

13 letni Edvard Arquedas je bil nedavno imenovan za rednega profesorja klavirske in violinske glasbe na madridskem konservatoriju.

Arquedas je čudežno dete. Njegov oče je navaden delavec v Verdeju, provinca Saragosa. Marki Linares je že zgolj spoznal dečkovo nadarjenost za glasbo in ga je dal na lastne stroške izsolati. Pokazalo se je, da ni tratil zaman denarja, kajti Arquedas se je obnesel, napravil je vse skušnje in zna danes toliko kakor kakšen pianist in violinist svetovnega slovesa, poleg tega pa je še izvrsten pedagog.

Mladi profesor je doslej napisal osem velikih kompozicij in ni samo klavirist in goslač, ampak igra izborno tudi orgle.

O. Hugolin Sattner umrl

Ljubljana, 20. aprila. — Ob pol eni ponoči je izdihnil svojo dušo slovenski skladatelj o. Hugolin Sattner.

P. Hugolin je še v nedeljo bil popolnoma zdrav ter je opravljal svojo običajno službo kot pevovodja na cerkvenem koru. Po obedu je šel na vrt, kakor običajno vsak d.n., če ni bilo premrzlo in ni bil preoster veter. Solnce, ki je prav ta dan močno pripekalo, ga je zelo pregrelo. P. Hugolin je šel orglat k popoldanski službi božji. Ker pa seveda cerkev še z daleka ni tako pregreta, je brzkone velika sprememba temperature povzročila mal prehlad. Po večerji je že moral nekaj čutiti, ker je šel takoj v svojo sobo.

V ponedeljek ni več vstal, celo telo mu je odpovedalo službo, imel je visoko temperaturo 39 stopinj. Ko so poklicali hišnega zdravnika primarija dr. Russa, mu je ta predpisal zdravila ter mrzle obkladke, da bi mu odvzel vročino. V terek zjutraj se je počutil izredno krepkega ter je bil še trdno prepričan, da bo najmanj v nedeljo že zopet lahko na koru. Pa to zboljšanje je bilo le navidezno. Poteze na obrazu so se mu že nekoliko spremenile in v sredo večer ga je že minila običajna živahnost. Ponoči med sredo in četrtkom je slabo spal ter je sem ter tja že začel fantazirati. Hišni zdravnik dr. Russ, ki se je zelo trudil, da bi bolniku vrnil zdravje ali vsaj podaljšal življenje, je konstatal latentno pljučnico in oslabiljenje srca, predpisal mu je nova zdravila ter mu za okrepjenje srca dal tudi injekcije. Njegov spovednik provincijal dr. p. Guido Rant ga je spovedal, obhajal in dal v svetlo olje, kakor je bil nekoč sam naročil, češ, če boste opazili, da gre z menoj h koncu, tedaj nikar nič ne sprašujte, ampak napravite, kar je treba. Pri prejemu sv. zakramentov je bil še čisto pri zavesti, ter je spremljal duhovnikove molitve s tem, da je polglasno sam z njim molil, potem so ga pa polagoma začele zapuščati življenjske moči. Začel je hropeti, postal je nemiren, sem ter tja svojih znancev in sobratov, ki so ga prišli obiskat, ni več spoznal, ali pa je nagovarjal take, ki jih ni bilo poleg, vendar se mu je vsaj do pol 5 popoldne od časa do časa vrnila zavest. Četudi je že nerazločno govoril, vendar so njegove oči razodevale, da se še vedno zaveda.

Od pol 5 popoldne naprej pa do svoje smrti ni več izgovoril in tudi drugače ni dal nobenega znamenja, da se še kaj zaveda, četudi je morda čutil in slišal, da so sobratje pri njem molili. 10 minut po pol eni v petek zjutraj je hropenje ponehalo, nekajkrat je še globoko vzdihnil in njegova duša se je preselila v večnost. Ob pol 11 dopoldne so ga njegovi sobratje prenesli v dvorano na frančiškanski porti, ter ga položili na mrtvaški oder. Njegov pogreb je bil v nedeljo, 22. aprila, ob 4 popoldne.

Naša prihodnja redna mesečna seja se bo vršila v četrtek, dne 17. maja točno ob osmi uri zvečer v cerkveni dvorani sv. Štefana. Asesment bom začela pobirati ob 7. uri. Vse, katerim je le mogoče, prosim, da pridete na dom plačat, ker na ta način prihranite meni veliko dela na večer seja in vam ni potreba v vrsti čakati.

27. maja bomo imele naše letno romanje v Lemont, Ill. Truki bodo pred cerkvijo sv. Štefana ob 8. uri, in se bomo odpeljale ne kasneje kakor en četrt čez osem. Cena vožnje (round trip) je 30 centov. Vse, katere mislite iti s trukom, vas prosim, da se javite pri meni najkasneje do 24. maja. V nedeljo potem bodo vsi, ki so se prigrasili, imeli prvo priliko iti na truk in ako bo še kaj prostora, pa tudi drugi. Južina se lahko dobi v Lemontu za 35c. Tudi za to se morate popreje prigrasiti, da se potem ve, koliko pripraviti. Dne 21. oktobra bo naše društvo obhajalo 40-letnico KSKJ. Toliko za sedaj, več o tem kasneje.

Ponovno apeliram na članice, da storite svojo dolžnost v tej kampanji. Ena ali dve ne moreta vsega narediti, torej ne pozabite pripeljati vašo novo kandidatino na prihodnjo sejo.

Pozivam vse člane i članice

da bo društvo videlo, če bo treba še kaj dobitkov kupiti za ta večer.

Ob enem prosim one članice, ki so bile na rezervi pri Jednoti, da se gotovo udeležijo prihodnje seja, kjer se jim bo vse razložilo, kako in kaj, da bodo v bodoče skrbela za redno plačevanje svojih asesmentov, kajti zdaj ne more društvo več za njih zakladati. Jednota pa tudi ne pod starimi pogoji. Toliko do znanja in ravnanja.

S sosestrskim pozdravom,

Mrs. Josephine Fortuň, tajnica.

Najprvo naznanjam žalostno vest, da smo dne 30. aprila izgubili našega sobrata brata Peter Ferencaka, ki je bil ustanovnik našega društva ter vedno agilen član. Bolehal je več let in preminul v starosti 56 let. Zapušča ženo, soprogo, sinove, hčere in dva zeta, tako tudi številno prijateljev. Rojen je bil v Gumilcah v Prekmurju.

Bodi pokojniku ohranjen blag spomin, lahka mu bodi ameriška gruda! Njegovim preostalim žalujočim izrekam v imenu društva iskreno sožalje.

Dalje vas, cenjeni mi sobratje in sestre prosim, da se udeležite prihodnje seja dne 20. maja, to bo tretjo nedeljo v tekočem mesecu. Seja se prične popoldne ob 1:30 v cerkveni dvorani. Na tej seji se bomo pogovorili zaradi piknika, katerega priredi naše društvo dne 1. julija. Dolžnost vsakega člana je priti na sejo. Žal, da se dobiijo tudi taki naši sobratje, katerih ni bilo po čelo leto blizu (na sejo); taki kaj radi blagotirajo odbor in delajo nemir med društveniki, torej so nam v kvar.

Dalje vas opozarjam, da plačujete redno svoje asesmente, da vas ne bo treba vsak mesec tirjati. Seveda, če odbor dolžni-ka tirja, se mu s tem zameri; odbor tega ne dela rad in ni to njegova dolžnost, ampak le njegova težava. Ako se bo komu vsled neplačevanja asesmenta kaka krivica zgodila, naj potem posledice sam sebi pripiše. Tako tudi oni, če se mu morda kaka krivica godi, naj pride na sejo in stvar ondi razloži, kaj navede svoj vzrok.

S sestrskim pozdravom,

Uradno se obvešča vse člane našega društva o sklepu zadnje seja, da se vrši dne 20. maja ob 1. uri popoldne v lastnem domu seja za razmotrivanje pravil naše Jednote. Prosim, da naj vzame vsak član stara pravila v roke ter iste dobro pregleda. Ako vidi, da bi bila kaka točka za premeniti v korist Jednote, naj stvar poroča na tej seji, da bo članstvo o

oni točki debatiralo; potem se bo videlo, če je društvo zadovoljno s premembo ali ne. Dalje tudi naznanjam, da na prihodnji redni mesečni seji dne 3. junija se bo volilo delegata za bodočo konvencijo. Prosil bi članstvo, da se udeležuje sej v lepem številu.

Po seji za razmotrivanje pravil se vrši tudi seja pripravljalnega odbora za obhajanje 20-letnice našega društva in Jednote 40-letnice; dela s pripravi za to našo veliko slavnost dne 4. julija je še dosti.

Kampanja za pridobivanje novih članov pri našem društvu gre dobro naprej; na zadnji seji je bilo predlaganih kar 15 novih kandidatov; to je že lepo število za eno sejo. Lepo bi bilo tudi, če bi jih enako število na prihodnji, junijski seji predlagali. Ker je pridobivanje novih članov v korist vsem nam in tudi Jednoti, zato se pobijajte še te tri mesece kampanje. Naša Jednota je najstarejša slovenska podpornica organizacija v Ameriki. Torej pojdemo vsi z združenimi močmi na delo, da bo naše društvo kmalu doseglo predpisano ali 100 - odstotno kvoto!

V nedeljo, 20. maja bom kot običajno vsako tretjo nedeljo v mesecu pobirala društvene doneske med 10. in 12. uro dopoldne v šolski dvorani sv. Vida. Članice se nujno opozarja, da bolj redno plačujejo svoje asesmente, kakor tudi naklade. Prosi se vse tiste, ki pošiljajo svoje otroke plačevati, da kadar je razpisan posebni asesment, da ga pošljete z rednim asesmentom vred. Vse tiste, ki se niste poravnale razne naklade imate še kratek čas da to storite.

Ker bo v nedeljo 20. maja razvilo in blagoslovilo društveno zastavo hrvatsko žensko društvo, in je bilo sklenjeno na seji našega društva, da se korporativno udeležimo te proslave. Tem potom se opominja naše članice, da se v velikem številu udeležite. Zbirale se bomo pred staro šolo sv. Vida ob 1:45 popoldne in potem skupaj odkorakamo pred S. N. Dom, odkoder se bo razvila povorka. Le pridite sestre, pokažimo se koliko da nas je, in da smo pripravljene pomagati pri vsem, kar je koristnega in dobrega. Torej na svidenje v nedeljo 20. maja.—Pozdrav.

Naznanjam svim članom našega društva, koji niste bili na prošloj sjednici maja 13. a niste platili svojih mesečnih razporezov, da iste poravnajte do maja 20.; a osobito oni, koji

dugujete tri i više mjeseci. Ako toga ne učinite, nemojte mene kriviti, jerbo ja ću ono načiniti, kaj mi članstvo odredilo in določilo, to jest — suspendirati. Za Boga milega, kako da ste tako nekoji nemarni, da sami sebi dobro ne činite a i vašim milim ostalim izza sebe. Moram se načuditi, da se nekoji napravite srditi uslijed vplat asesmenta. Braćo, platite svaki mjesec, budete videli, da vam budu išli računi pravedno, i puno laglje budete platili za jedan mjesec nego za dva ili više. I kada se vam puno duga nabere, onda svoje društvo i Zjednice špotate, da ne valjaju, da so bolj stranski insurenci; izbilja se daleko varate, jer ne računate društvene potpore, niti Jednotine potpore za operacije i oštete. Noben član u tome pogledu ne vplati toliko u društvo, koliko dobi od društva. I to so oni "kikavci", koji su već dobivali potpore eni ili druge gori navedene. Oprostite, ne mečem niti ničije ime takvih članova. Ali je istina, da uprav i takovi, koji svojih pri-spevkov ne plaćuju redno, dobro znaju kritizirati za svoje potpore, kada jim poteškoća dojde. Stoga vas molim, da se držite reda in ne odgovarjajte sami sebe, već pazite i privedite svaki po enega kandidata u društvo; vam ćemo se lepo zahvaliti; a članu dobro storite. Lahko čujete, kako zvoni svaki dan prav ove godine; skoro svaki mjesec izgubimo uslijed smrti po jednog člana.

Da, uprav javim žalosnu vest, na 6. maja u jutro izgubili smo po kratkoj bolesti našeg brata i dobrog člana George Majeti-ča, o kojem čem pisati prihod-njič.

Sa bratskim pozdravom,

Cenjene sestre: —

Ze zadnjič sem vam na tem mestu obljubila, da upam, da bom dobila dvorano za našo veselico; toda zelo sem se zmotila, ker sem delala račun brez krčmarja, zato pa je bilo tako. Prosim vas, da mi oprostite; katere ste bile kaj užaljene za to; morda je katera izmed vas mislila, da nočem tega storiti, da samo obljubujem, a ne da bi storila in se potrudila.

Zdaj pa naznanjam vsem onim, katere niste bile na zadnji seji, sklep te seja, da naj se kje drugje pogleda za dvorano in da priredimo veselico, če se le more dobiti dvorano. Tudi je bilo sklenjeno, če se dvorana dobi, da se skliče izredno sejo, kjer se ima vse urediti. In tako smo dobili prostor za veselico, namreč dobro znano Oreškovičev dvorano in sicer za 20. maja zvečer, na nedeljo. Izredna seja je bila v ta namen sklicana 21. aprila, katere se je pa prav malo število članic ude-

ležilo; komaj toliko, da smo lahko sejo otvorile.

Sklep te seja je bil, da mora vsaka članica kupiti tiket ali prispevati v blagajno, koliko je določena vstopnina za ženske, če se udeležijo veselice ali ne. Zapomnite si to, da se ne boste potem hudovali, čemu je spet naklada; ta veselica se vrši v prid društvene blagajne; saj imamo vse enake pravice do nje, moramo tudi vse enako za blagajno delovati.

Zdaj pa prav prijazno vabim najprvo vas, drage mi sestre ali društvene članice in vaše može, da se udeležite te veselice prihodnjo nedeljo; igrala nam bosta znana muzikanta harmonikarja brata Debevc, da se boste lahko po domače zavrteli. Dalje vabim vse rojake in rojakinje iz Eveletha, stare in mlade, da nas posetijo omenjeni večer; cenjeni gostje tudi od drugod so dobrodošli; vstopnina bo nizka, za moške 25c, za ženske pa 15c, skoraj toliko kot zastoj!

Prav rada zasledujem v Glasilu, kako po drugih naselbinah razna društva obhajajo Jednotino 40-letnico. Kaj pa mi, tukaj na Evelethu, ali se bomo kaj zganili v tem oziru? Prav nič ni slišati o nas. Jaz mislim da nam je naša dična K. S. K. Jednota ravno toliko vredna kakor je drugim po drugih naselbinah; tudi mi tukaj smo lahko ponosni, da smo njeni člani in članice. Kako pa nekateri pri nas razpravljajo, kako bodo obhajali 30-letnico svoje organizacije; naša Jednota je pa za deset let starejša, torej bi bilo tudi umestno za njeno 40-letnico kaj primernega prirediti; torej na noge!

K sklepu še enkrat vse skupaj prijazno vabim na našo veselico. Pridite enkrat na zabavo, katero priredijo ženske; saj tudi me nekaj veljamo; saj še Adam v raju ni mogel biti brez ženske! Torej na veselo svidenje dne 20. maja!

S pozdravom,

Da se ne pozabi, vas moram, cenjeni bratje in sestre, opozoriti, da Jednotina jubilejna kampanja bo zaključena dne 31. julija; do tedaj imamo samo še dobrih enajst tednov s tremi rednimi mesečnimi sejami. Zato sigurno pričakujem od vas, od vsakega, da stori svojo dolžnost, to je, da pridobi enega ali več novih kandidatov za naše društvo. Z dosedanjim uspehom kampanje nikakor nisem zadovoljen, saj je vendar naše društvo največje pri KSKJ, zato smo dobili od Jednote na naši veliki slavnosti Jednotine 40letnice dne 8. aprila, t. l. lepo priznanje, trofejo in Zlato kladivo.

Ze na prvi seji po tej proslavi sem vas opozarjal in prosil,

da stopimo takoj zopet na delo za novo članstvo, kajti lahko nam preti nevarnost, da do konvencije izgubimo Zlato kladivo, katero smo tako trdo prislužili. Čudim se, čemu ni večjega uspeha? Kdo je temu kriv? Ti, dragi mi sobrat si kriv, ker se nisi še nič potrudil, da bi pridobil kaj novih moči za naše društvo. Torej kogar se tiče to očitjanje, da še ni storil svoje dolžnosti, naj gre sedaj takoj na delo za novimi kandidati. Saj smo vendar ob pristopu v društvo vsi obljubili, da bomo delovali za napredek društva in Jednote. Upam, da ob zaključku te kampanje ne bo pri našem društvu nobenega člana člana in članice, ki bi ne izvršil svoje tozadevne dolžnosti. Morda je bolj slabo zanimanje za to kampanjo povzročilo vaše odlašanje. Kar danes lahko storiš, ne odlašaj na jutri, da ne bo prepozno! Nikar ne odlašajte vse na zadnji teden; če se zdaj ne zanimate za agitacijo, se kasneje tudi ne boste. Torej vsi na delo, prav vsi! Pričakujem da bo na prihodnji seji dne 17. maja v navadnih prostorih prečitanih zopet lepo število imen novih kandidatov za pristop v naše društvo in da boste tudi vi navzoči.

Vseeno, kar se tiče dosedanjega uspeha v tej kampanji, se najlepše zahvaljujem vsem, ki ste kaj v tem oziru storili in meni pomagali; le tako naprej do zmage!

Upam, da mi ne bo nihče izmed drugih prizadetih štel v zlo, če prihajam s tem opominom ter ppošnoj pred vas glede sopomoči; saj ste me vendar izbrali za kampanjskega voditelja. Torej na delo, dokler je še čas!

S sestrskim pozdravom,

Tony Rudman,

kampanjski voditelj društva.—

10 LETNICA DRUŠTVA
SV. ŠTEFANA, ST. 187
V JOHNSTOWN, PA.

Kar dva pomenljiva jubileja obenem. Naša mati Jednota obhaja 40-letnico, njena hčerka v Johnstownu pa je letos stara deset let. Ne bilo bi nikakor lepo, če bi vse to šlo mimo nas brez vsake proslave. Zato je bilo na društveni seji sv. Štefana, dne 6. maja, sklenjeno, da bo nedelja 20. maja naš Jednotin dan.

Zjutraj ob osmi uri bomo imeli zahvalno službo božjo v cerkvi sv. Terezije. Sv. maša bo po namenu društva sv. Štefana. Vsi društveniki so obvezni priti korporativno k tej sv. maši. Pomnite, da se 10 minut pred 8. uri zberete v cerkveni dvorani, ter potem skupno odkorakamo v cerkev! V cerkvi zasedemo prvi klopi na desni strani. Kdor še ni opravlil velikonočne dolžnosti, jo lahko opravi na jubilejni (Dolje na 3. strani)

ČLANI S POTNIMI LISTI

Vsakdo je najraje pri svojih domačih, bodisi pri svoji družini ali pa pri sorodnikih. Tako je tudi s člani katerega društva, da radi dajejo prednost onemu društvu, kjer so bili sprejeti, ali kamor je ta ali oni pristopil.

Večkrat pa nanese prilika, da je član vsled delavskih ali družinskih razmer prisiljen zapustiti sedež društva in se preseliti kam drugam, v kako drugo državo; vsled tega vzame potni list, ker neče zapustiti društva, kamor je spadal že toliko let.

Nič ne moreš ugovarjati v takem slučaju, če ima dotično društvo svojo lastno bolniško blagajno; vse drugače je pa v slučaju, če spada ono društvo v bolniško centralizacijo in če dotični član živi v drugem mestu, kjer je tudi kako krajevno društvo, spadajoče v bolniško centralizacijo, pa neče k onemu društvu prestopiti. Tak član se podaja v nevarno igro s tem, da tvega bolniško podporo, če bi na primer zbolel v mestu, kamor se je preselil.

V številki 2. Glasila t. l., je brat glavni tajnik vse, tako prizadete člane uradno opozoril, da morajo prestopiti k društvu, ki se nahaja v mestu, kamor so se preselili. Pri tem je br. glavni tajnik navedel točko 2. Jednotinih pravil, stran 92, ki se glasi:

"Ako se naseli član v kakem mestu ali naselbini, kjer že obstoji kako krajevno društvo K. S. K. Jednote, spadajoče v centralni bolniški oddelek, MORA prestopiti k onemu društvu, drugače NI v slučaju bolezni upravičen do bolniške podpore."

Dasiravno je vsak izmed takih članov (ic), lahko čital uradno naznanilo gl. tajnika, še vedno niso vzeli prestopnega lista, da bi prestopili k dotičnemu društvu v novi naselbini. Dokaz zato imamo v našem adresarju, ker taki člani še niso številke društva premenili. V Detroitu, Mich., je še vedno 10 članov raznih društev na potnih listih; vsi ti bi lahko že davno prestopili, pa nočejo. Če na primer ta ali oni danes zbolijo, ne bo na podlagi Jednotinih pravil upravičen do bolniške podpore. Kdo ga bo hotel obiskovati? Kdo bo poročal, da je podpore vreden?

Največ sitnosti je za take člane v slučaju njih smrti. Društvo v kakem oddaljenem mestu mora prositi društvo, kjer je član umrl, da naj pokojniku preskrbi dostojen pogreb. Vse drugače bi pa bilo, če bi se član s potnim listom ravnal po Jednotinih pravilih in bi prestopil tja, kamor bi moral v resnici spadati.

Naj velja ta naš oklic in opomin za vse one, katerih se to tiče. Če ne bo šlo drugače, bomo imena takih članov označili v Glasilu. Ta zadeva je namreč zelo važna ter je v korist tako prizadetih članov.

RAZMOTRIVANJE GLEDE NAŠE PRIHODNJE KONVENCIJE**XVIII. KONVENCIJA KSKJ**

Se nekaj mesecev in padlo bo klavido, ki bo otvorilo 18. konvencijo KSKJ. To ne bo konvencija samo za izboljšanje nekaterih točk v pravilih, oziroma nekoliko popravila, potem pa, ako ne bo šlo vse gladko, naj pa glavni odbor popravi! Ne! Treba bo ukreniti nekaj vse bolj definitivnega in bolj stalnega. V mislih imam naš asessment za vse sklade, izvemši asessment za posmrtnino. V naslednjih člankih bom skušal članstvu KSKJ predložiti, kaj naj storimo, kaj moramo storiti, oziroma kaj moramo nanovo dodati.

K. S. K. Jednota posluje že 40 let. Prekorčili smo že 17 konvencij, po vsaki konvenciji se je storilo nekaj novega, nekaj se je vsako pot izboljšalo za članstvo, seveda se je istočasno moral upeljati tudi tozadevni asessment. Že nad 40 let vrši Jednota svojo dolžnost, podpira vdove in sirote, ter posluje po znanem geslu: Vse za vero, dom in narod! Dal Bog, da bi KSKJ ostala pri tem lepem geslu še bodočih štirideset in več let!

Bodočnost naše Jednote je naša, tu rojena katoliška mladina, in hvala Bogu, da lahko rečem, da je danes KSKJ najpopularnejša slovenska bratska

organizacija med našo slovensko mladino. Da pa nam bo mogoče to mladino ohraniti pri Jednoti, zaradi tega ji moramo nuditi vse pogoje, kar jih nudi druge slične organizacije, in stare inšurene družbe. Nič, prav nič ne sme manjkati pri naši Jednoti! Vse moramo upeljati, kar nam je dovoljeno po zakonu.

Ta moj prvi članek je namenjen naši posmrtninski zavarovalnici. Dasiravno smo z zadnjim iniciativnim predlogom sprejeli takozvano American Experience Table of Mortality nismo pa sprejeli vseh razredov, pod katerimi lahko posluje naša Jednota. Sprejeti moramo vsakojake razrede za zavarovalnico in dati naši mladini priliko, da se zavaruje doma, namesto pri tujih inšurenc družbah. Sedaj imamo več vrst zavarovalnic. Največ članov je seveda zavarovanih pod staro National Fraternal Congress lestvico; želeli pa je, da bi vsi člani, zavarovani po tej lestvici, premenili svojo zavarovalnico na novo American Experience Table of Mortality.

Dasl je omenjena nova lestvica nekoliko višja od stare, je vseeno bolj priporočljiva, zanj zavarovalnina pod to novo lestvico nosi posojilno vrednost v denarju. To bi bilo mogoče

izpeljati prihodnji konvenciji, ako bi bila večina delegatov za to. In ako se cenjeni delegaciji dokaže, da bo veliko bolje za vse članstvo, sem jaz prepričan, da bo delegacija tudi to odobrila. Vsak član hoče seveda vedeti, koliko več bo moral plačevati. Vse te podatke bo gotovo prinesel na konvencijo naš sobrat glavni tajnik, katere bo dobil od našega aktuarja. Mogoče bi bilo prepisati vse članstvo v ravno iste razrede, kjer so zapisani sedaj; torej v takem slučaju bi bil asessment samo nekaj centov višji.

Nadalje imamo sedaj takozvano 70-letno ustanovno zavarovalnico. Ta zavarovalnina je vsega priporočila vredna; pomeni pa, da član, ko plačuje do svojega 70. leta, dobi potem od Jednote plačano vso zavarovalnino. Torej taka zavarovalnina bo jako lepo služila vsem takim članom, ki so samci, in ki nimajo nikogar, da bi skrbel zanje; takim članom bi taka zavarovalnina jako prav prišla. Torej še enkrat rečem, da je vsega priporočljiva vredna.

Potrebujemo pa še ene vrste zavarovalnico, in to je 20-letno ustanovno zavarovalnico. Ta bi pa prav prišla vsem mladim članom, ki imajo delo in primerno plačo, da lahko vsak mesec nekaj prihrani. Takim članom bi bila priporočljiva 20-letna ustanovna zavarovalnina, kajti ko bi član plačeval asessment recimo za \$1000 celih 20 let, bi dobil po dvajsetih letih cel tisočak in morebiti še divendo po vrhu, ako bi jo puščal v Jednotini blagajni. Ne rečem, da bomo imeli veliko število takih članov; pa recimo, da jih dobimo vsako leto samo 100, se nam bo izplačalo, da imamo tako zavarovalnico, kajti vsak oni, ki želi 20-letno "endowment" zavarovalnico, neče nič drugega kakor isto; zaradi tega ako je nimamo, ne moremo takih članov obdržati. Zaradi tega priporočam cenjenim krajevnim društvom, da o tem razmotrivajo, in svojim delegatom priporočijo, da na konvenciji volijo za nov oddelek zavarovalnice, za takozvano 20 years Accumulative Policy, ki je dovoljena po zakonu države Illinois, kjer je inkorporirana naša K. S. K. Jednota.

Lestvica za 20-letno ustanovno (Accumulative) zavarovalnico bi bila približno sledeča.

Za \$1.000 zavarovalnine bi se plačevalo mesečno:

Za 16 let	\$3.22
Za 17 let	3.23
Za 18 let	3.23
Za 19 let	3.24
Za 20 let	3.24
Za 21 let	3.25
Za 22 let	3.26
Za 23 let	3.26
Za 24 let	3.27
Za 25 let	3.27
Za 26 let	3.28
Za 27 let	3.29
Za 28 let	3.30
Za 29 let	3.31
Za 30 let	3.32
Za 31 let	3.33
Za 32 let	3.34
Za 33 let	3.36
Za 34 let	3.38
Za 35 let	3.40
Za 36 let	3.42
Za 37 let	3.43
Za 38 let	3.45
Za 39 let	3.48
Za 40 let	3.51
Za 41 let	3.54
Za 42 let	3.58
Za 43 let	3.62
Za 44 let	3.66
Za 45 let	3.70
Za 46 let	3.76
Za 47 let	3.84
Za 48 let	3.88
Za 49 let	3.96
Za 50 let	4.04

Te vrste zavarovalnina naj se dovoli do všteti 40. leta do \$2,000; do všteti 50. leta do \$1,000. Od 51. do 55. leta \$500.

Torej še enkrat prosim cenjena krajevna društva, da to pretehtajo na svojih društvenih sejah, in ako vam je po volji,

naročite svojemu delegatu ali delegatinji, da naj za tako zavarovalnico glasuje na prihodnji konvenciji.

V prihodnjem članku pridem na dan s sugestijami za operacije in poškodbe.

John Germ.

I. podpredsednik.

KAMPANJSKI PABERKI
(Piše urednik)

No, pa začnimo zopet s temi paberki, ker se mi poroča, da so jih nekateri lansko leto radi čitali.

Ker živimo v dobi novih pravilnikov in poslovnikov, označenih v raznih kratkicah NRA, RFC, itd., se je tudi za našo KSKJ izbralo novi način kampanje. V angleščini je ime te kampanje lahko umljivo, toda v slovenščini je bilo pa isto težko dobesedno prestaviti. — Ista bi se morala po našem pravilniku glasi: "Narodna kampanja okrevanja," zato pa rabimo bolj prikladno ime "Kampanja boljših časov," ali "Jubilejna kampanja."

Ker rabimo kar dvojno ime, zato je ta kampanja tako uspešna, da smo nanjo lahko vsi ponosni. Ni čuda, saj je vsakega mogoče gotovo vrste delo. Imamo povsem nove farmarje tudi v takih krajih, kjer farm sploh ni; dalje imamo jeklarne v naselbinah, kjer so premogovniki in premogovniki ali majne, kjer jih doslej še ni bilo. Samo glede pašnikov je pa stvar dobro razdeljena. Vsa ta načina dela je izredno zanimiv, kajti marsikak kampanjski voditelj mora sedaj opravljati tako delo, kakoršnega ni morda še nikdar v svojem življenju vršil; in vse to se opravlja z veseljem in dobro voljo. Torej živel naš novi NRA pravilnik pri KSKJ!

Rad bi v resnici videl brata Toneta Škofa v St. Louis, Mo., kako morda v "overalls" hlačah, z velikim farmerskim slamnikom in visokimi gumijastimi čevlji hodi tam po Oregon Ave. v St. Louis, Mo., ko gre delat na naše kampanjsko žitno polje ali farmo št. 70. Tudi letos kaže ondi letina dobro, osobito ječmena bo dosti in hmelja. No, saj bodo vse to lahko dobro prodali v znano Anheuser Behevo pivovarno. Mislim, da ondi našim farmarjem ni treba piti vode, ker imajo vedno na milijone galon in butelj ječmenovca na razpolago (če ga kupijo).

Po moji sodbi se bodo v tej kampanji najbolj obnesli naši bratje in sestre na najstarejši amer. slovenski farmi, tam pri sv. Stefanu v Minnesoti. Zato imajo kar štiri kampanjske voditelje, dva moška in dve ženski. Ti se v resnici razumejo na farmarstvo. Pravijo, da je ona pšenica najboljša na svetu. Če bi bila njih farma malo bliže, bi jim prišel tež poletje pomagat. Vezal bi snope, nakladal, podajal v kozolet, potem bi pa še pomagal pri mlači "pika-poka-pik." Tega dela sem že vajen iz mladih let, ko sem šel včasih v "taberh," pa smo delali na podu kar po 20 ur za eno šmarjno "cvanegerco" (33 krajcarjev) seveda s hrano vred. To je bila imenitna plača, kaj ne? Takrat na kmetih v Sloveniji še niso poznali naše ameriške — NIRE.

Meni se najbolj smilijo članice društva sv. Marije Magdalene št. 162, tukaj v Clevelandu, ker morajo delati v jeklarni, strata Marjanca K., je že precej vpadla, ker mora prestajati hudo vročino pri razbeljenem železu in nakladati kar cele tone jekla na truke. Jaz mislim, da

bi bila za bosovko v tej jeklarni najbolj prikladna sestra Kasunich, z zastavonosilka družtva. Ta je močna in velika kakor kaka Amazonka; lahko bi vihtela 200 funtov težko kladio v eni sami roki.

Ko se je nedavno mudila deputacija društva sv. Marije Magdalene pri Jožefovcih v Collinwoodu je neka članica svetovalec, da naj kampanjski voditelj dr. sv. Jožefa, Tone Rudman prestopi k ženskem društvu, to je k njihovem. Znani Tone R. se dosedaj še ni za to odločil. Morda imajo pri društvu M. M. kako zavber nevesto zanj?

Ko smo imeli zadnjo kampanjo za mladinski oddelek, sem delal s svojim Zeppelinom "Glasilo" za isto malo reklame. Tudi za zdaj bo treba kaj začeti. Nedavno sem prejel od tajnice nekakega društva prošnjo za sprejeme neke 16-letne kandidatnje; poslala je menda listino pomotoma meni. Zatem se je mudil pri meni v uradu neki mož, ki bi dal rad svojo ženo v našo Jednoto; pa sem mu razložil vse kako in kaj. Če bo šla stvar še tako dalje, bom moral tudi jaz v naši uredniški pisarni ali poslopiju pričeti s kakim novim obratovanjem, ali kampanjsko industrijo. Jeklarn imamo že dosti v Clevelandu, farm ni tukaj na St. Clairju, tako tudi ne velikih pašnikov; tam v Gordonu parku je paša strogo prepovedana, saj še psi ne smejo prosto letati. Kaj naj potem storim? Vrh našega posloplja, kjer je tiskarna, bomo zgradili velik mlin na veter, kjer se bo mlelo kansaško, illinoisko in minnesotsko pšenico. Jezero je blizu, pa bomo lahko vse naložili na velike parnike Newyorške eksportne družbe in razposiljali pridelek na vse strani sveta. Na prečelju stavbe bo velik električni napis: "Kampanjski mlin Glasila." Torej se toplo priporočam našim Jednotnim farmarjem, da naj me podpirajo pri tem podjetju. Ker imajo v pritličju veliko peč za topitev svinca, bomo lahko moko ondi preskušali. V Clevelandu je dosti spretnih kuharic, ki se osobito dobro razumejo na izborne kranjske potice, pogache, kolače, krofe in flancate; vse to boste lahko delale v mojem Jednotinem kampanjskem mlinu; moko bo na razpolago cele tone, drugo pa seboj prinesite.

Pa bo morda kdo rekel: kam pa bodo s tolikimi poticami? Poslali jih bomo vsem Jednotnim kampanjskim voditeljem za približek, boste saj videli, kak okus ima naša clevelandska potica.

Našim kampanjskim delavcem v državi Ohio sem v neki kovačnici skoval sledečo pesem:

Mi smo kovači, pomagaci, v kampanji napredujemo, vročina nas mori in tlači, ko jeklo trdo kujemo.

Motike delamo in brane, lopate, srpe in kose; na farme v Kansas te poslane in Illinois tja bodo vse.

Orodje naše ko rabili, tam bodo pridni farmarji, kovačev bodo se spomnili, da fejest smo fantje, — rekli vsi.

Li morda kaj železne robe pastirji v Colo. rabite? Nabirate kaj jurčke-gobe? Poslat jih nam — ne zabiti!

Poslajte nam še malo s.r.a, ovac in ovnov cel vagon; ograja če se vam podira, vam žice pošljemo več ton.

V sosednji naši tam državi, kaj majnerji pa delate? Kdo najbolj se pri vas postavi? Li premg pridno kopljete?

Kako je v mestu antracita, (Forest City).

Kjer naš vrhovni je sodnik? Vas kaj župan vaš Martin trita? Vam dobro poje v majni pick?

Ce krampi težki in lopate, pri delu bodo zrabljeni, obrnite na nas se, brate, jih pošljemo kar tone tri.

Pripelje vam jih Rudman Tone, naš collinwoodski general; pa glejte Francke in Polone, da tam pri vas ne bo ostal!

Dovoljenje za povratek

Sedaj, ko začenja sezona izletov v stari kraj in se mnogo ameriških državljanov in tukaj naseljenih inozemcev pripravlja na pot, je umestno razlagati sedanja pravila glede takozvanih dovoljenj za povratek — (permits to re-enter).

Povratni permit ni neobhodno potreben za povratek v Zedinjene države, niti nima moči ameriškega potnega lista, do katerega so upravičeni le ameriški državljanji. Permit je enostaven legalni dokument, ki vsebuje osebni popis inozemca in njegovo sliko, in služi za njegovo identifikacijo in da pokaže, da se dotičnik vrača z začasnega izleta v inozemstvo. — Permit je v toliko umesten, v kolikor prihrani inozemcu potrebo, da bi zaprosil ameriškega konzula za izvenkvotno priseljeniško vizo za povratek v to deželo. Brez permita more inozemec dobiti priseljeniško vizo in mora dokazati, da je bil zakonito pripuščjen v Zedinjene države in da je šel v stari kraj le na začasen obisk. Dostikrat je to težko dokazati kar na kratko roko. Zato se vsakomur odsvetuje, da bi odšel v stari kraj brez permita. Mnogi inozemci se ne spominjajo, kdaj so prišli v Ameriko. Ako torej ne bi mogli dokazati konzulu, da so bili zakonito pripuščeni, bi jim moral on odreči priseljeniško vizo. Zato je permit potreben in ako kdo ne more dobiti permita, ker se ne more dognati, kdaj je bil pripuščjen, naj poprej uredi to stvar, kajti v starem kraju bi bilo to nemogoče. To je razlog, zakaj se upa le malo inozemcev iti v inozemstvo brez permita. Dosedaj je Washington izdal približno en milijon permitov.

Prošnjo za permit je treba napraviti na predpisani tiskovini (form 631), katero se more dobiti od vsakega priseljeniškega ali naturalizacijskega urada. Inozemec mora podati informacije glede svojega prihoda v Ameriko, kakor tudi odgovoriti na druga vprašanja, ki so navedena v tiskovini. Prošnjo je treba vložiti osebno (ne po pošti), pri kakem priseljeniškem ali naturalizacijskem uradu. Le oni, ki so prišli v Ameriko po prvem juliju 1924., s priseljeniško vizo, izdano od konzula, kakor tudi oni, ki so legalizirali svoje bivanje, oziroma oni, ki so že dobili kak permit po 1. januarju 1932, smejo poslati svojo prošnjo po pošti direktno na naslov "Commissioner of Immigration and Naturalization, Washington, D. C." Prošnjo je treba priložiti Money order za \$3, kakor tudi dve fotografiji, ki ju mora prosilec podpisati na spodnji strani.

Ako oblasti odrečejo permit, je razlog večinoma ta, da priseljeniški in naturalizacijski uradniki ne morejo najti zapiska o zakonitem prihodu prosilca. Ako je prišel inozemec pred dnem 29. junija 1906 in je od prihoda vedno stanoval v tej deželi, dobi permit, tudi če se ne more spomniti, kdaj in s katerim parnikom je prišel. Mora pa doprinesiti dokumentarne dokaze, da je bil v tej deželi vsaj od 29. junija 1906 naprej. Taki dokazi so na primer bančne knjižice, rojstna spričevala otrok ali zaprisežene izjave dveh prič (ameriških državljanov). Ako je kdo prišel kasne-

je (po 29. juniju 1906), ne dobi permita, ako se ne more dokazati, da je prišel zakonito v to deželo. Ako je kdo prišel pred dnem 3. junija 1921, naj vložijo prošnjo za registracijo, na kar dobi permit. Pristojbina za to legalizacijo bivanja je bila sedaj znižana na \$10.00.

Inozemci, ki so bili pripuščeni v Zedinjene države kot dijaki, nimajo pravice do permita, ker niso bilni pripuščeni za stalno bivanje. Niti ne morejo dobiti permita oni inozemci, ki so bili pripuščeni za začasen obisk v tej deželi.

Ker ni bilo nikakih kvotnih omejitev pred 3. junijem 1906, se vsi inozemci, ki so bili pripuščeni pred tem datumom, naravno smatrajo, kot da so bili pripuščeni za stalno bivanje. Ako so inozemci ob svojem prihodu plačali glavarino (head tax) in so bili pregledani od priseljeniške oblasti, tedaj morejo dobiti permit. Isto velja za nekatere inozemce, ki so prišli med 3. junijem 1921 in 30. junijem 1924. Pod tedanjim zakonom so bili vsi gledališki igralci, umetniki, predavatelji, pevci, bolničarke, duhovniki in učenjaki, kakor tudi služinčad v službi Amerikancev, izvzeti od kvote. Mnogi izmed teh pa so ob prihodu izjavili, da prihajajo začasno, in je bilo tako zapisano. Ti inozemci, kakor tudi njihove žene in otroci pod 21. letom, se smatrajo, kot da so bili pripuščeni za stalno bivanje. Ako dokažejo, da so ob prihodu spadali v kako izmed zgoraj navedenih vrst poklicev, se zapisek prihoda popravi, tako da izgleda, da so bili pripuščeni za stalno bivanje in morejo dobiti permit.

NAJSREČNEJŠI DAN ŽIVLJENJA

Okrašena je božja hiša, okrašen veliki oltar; tja k mizi božjega Gospoda za parom stopa malčkov par.

Iz grl se skupna pesem čuje, na koru orgle zadone: "Gospod, Gospod, jaz nisem vreden,

da v svoje prejemem Te srce!"

Gorečo svečko vsakdo v rokah ter rožni venec, glej, drži, zahvalna skupna pa molitev obhajancev v nebo kipi.

O srečna, srečna ti mladina, vesel te svet je in nebo; ta dan za te res naj srečnejši življenja tvojega naj bo!

Med verniki tam sredi klopi takrat sem klečal tudi jaz, in z ženo skupaj sva molila, imela solzen sva obraz.

Cemu pa ne, — saj naš Ciriček je tudi tja k oltarju šel, in obhajilo prvo, sveto, je z drugimi tedaj prejel.

Ivan Zupan.

11 milj dolg tunel odprt v Italiji

Bologna, Italija, 22. aprila. Danes je bil slovesno odprt 11 milj dolg tunel skozi Apeninske gorove, ki tvori del 61 miljske elektrizirane proge med Bologno in Florenco. Dvorni vlak s kraljem Viktorjem Emanuelom je prvi vozil skozi tunel, ki je veljal \$100,000,000. Zdelom na tunelu se je pričelo pred dvajsetimi leti, toda za časa vojne in več let pozneje je počivalo, dokler ni projekt oživila fašistična vlada. Pri vrtanju tunela je 98 mož izgubilo življenje. Z izjemo Simplonskega tunela skozi Alpe, ki je 64,971 čevljev dolg, je to najdaljši tunel na svetu.

Ustanovljena v Jolietu, Ill., dne 2. aprila, 1894. Inskorporirana v Jolietu, dravni Illinois, dne 12. januarja, 1895.

V POJASNILO

V današnji številki Glasila je priloženo aktuarjevo poročilo (Valuation Report za leto 1933).

Iz poročila odraslega oddelka je razvidno, da znaša AKTIVA "sedanja in bodoča" \$2,894,699.09
OBVEZNOST "sedanja in bodoča pa" 2,835,705.13

Razlika ali "aktiva v primeri z obveznostjo" \$ 58,993.96

To znači, da je bil aktivni oddelak ob zaključku minulega leta 102.08% solventen.

Koncem leta 1932 je znašala solventnost Jednote 101.97% in koncem leta 1933 pa 102.08%.

Iz tega se razvidi, da vkljub slabim ekonomskim razmeram se je Jednotino stanje tekom leta 1933 zboljšalo.

Zelo važno je tudi to, da se nahaja v "Contingent rezervi" \$260,000.00. Ta svota ni pri AKTIVI všteta, marveč vpisana v takozvani oddelak "Voluntary Contingency Reserve." Ta svota je odšeta od aktive in je stavišena v omenjeni fond v protekcijo Jednotinega finančnega stališča. Slučajno, če bi Jednota pri investicijah, bančnih vlogah ali obrestih trpela kakšno izgubo, je omenjena svota na razpolago, da se obvaruje Jednotino solventnost.

Ako prištejemo k aktivni še omenjeno svoto, \$260,000.00, potem najdemo, da faktična solventnost Jednote za leto 1933 znaša 112.38%.

Solventnost mladinskega oddelka za l. 1933 znaša 165.23%. Tudi pri mladinskem oddelku je vpisanih v "Contingent" rezervno \$12,500.00. Ako se k AKTIVI še to prišteje, potem znaša prava solventna vrednost mladinskega oddelka 196.44%.

O zaključku poročila mi aktuar piše tole:

"In conclusion, I extend sincere congratulations to the Management and to the membership in general, upon satisfactory condition disclosed by this valuation."

To so besede aktuarja, izvedenca in veščaka, ki je poročilo pripravil in ki natančno pozna razmere naše Jednote.

Če se aktuar pohvalno izreče o stanju naše Jednote, koliko bolj moramo biti veseli in zadovoljni mi, ki smo člani in članice dične in finančno trdne K. S. K. Jednote.

Sobratje in sestre! Prečitajte pazno predstojajoče poročilo. Veseli in ponosni smete biti, da ste člani in članice tako močne in finančno trdne organizacije.

Porabite to priliko in povejte Vašim sosedom, prijateljem in znancem, da je K. S. K. Jednota nad 112% solventna in da je njen mladinski oddelak solventen nad 196%. Pojasnite to prostpektivnim kandidatom in pridobite one, ki še niso člani, da pristopijo pod zastavo velike in močne K. S. K. Jednote.

Z bratskim pozdravom,

Josip Zalar,
glavni tajnik.

Religion and the Nation

By His Eminence William Cardinal O'Connell

Religious education is worthwhile since religion itself is the most worthwhile thing in the world. Like many other things, religion has an outside and an inside. Its external forms are familiar enough—churches, state or humble; services, simple or impressive; preaching of every sort and quality; observances and ceremonies which mark special occasions of joy or of sorrow. Well known, too, are the works of benevolence carried on in behalf of the poor, the outcast and the heathen in distant lands. All good things these. They are, or they may be, manifestations of a genuine religious spirit. Judged by them, their number and variety, we are a religious people. They may also be, as they sometimes are, prompted by motives which are anything but religious; and in that case, religion suffers. It is brought into contempt because people see, or think they see, that it is all on the outside.

To deserve the name, to be a reality, religion must form the very texture of the soul and quicken all human activities. Then, and only then, can it give vitality and meaning to its outward appearance in word and deed. Then, too, it can and will be as constant as the breath by which we live and as the heartbeat that gives life its vigor. Parade it will shun, yet it will be an ever present influence—going with the workman into his shop, with the man of affairs into his office, with the professional man into every detail of his practice. Not simply a garment of fashion nor a rare adornment for Sabbath and high festival, it will be the innermost fiber of our secret thoughts and of our visible actions as well, at all times, in all places.

Religion implies faith in God, hope in His promises, thankfulness for His manifold blessings. Above all, it implies obedience to His law, and obedience whose burden is lightened and whose yoke is sweetened through love. "If ye love Me, keep My commandments." And the first, the greatest commandment—"Thou shalt love the Lord thy God with thy whole heart and thy whole soul"; and the second is like unto this—"thou shalt love thy neighbor as thyself." Herein lies the essence of religion, its power for good, its value for life—private and public, individual, social and national.

The law of God does not force or compel; it calls for a free and willing compliance. Yet the observance of that law is the surest guarantee of freedom. It frees the soul from the thralldom of passion, society from corruption, the nation from tyranny and abuse of power.

It prescribes clean living, faithfulness to the obligations of family ties, decency in social relations, purity and integrity in the performance of public duty.

Religion sets a premium on sacrifice—in behalf of the fellowman, of the community, of one's country. And it condemns selfishness in any and every form—whether of self-indulgence or self-glorification, of the greed that robs others to

enrich its own store or the lust for power that tramples under foot the right of a people.

Religion demands of him who professes it that he be honest—honest with himself and his conscience, honest in his dealings with his neighbor, honest in the administration of the office which he holds in trust for city or state or union. It forbids fraud in any shape and the circumventing of the fellowmen in business by any device whatsoever.

Religion insists that justice be done even though the heavens fall: that only just laws be enacted, that they be rightly administered, that neither wealth, nor position nor influence shall defeat the ends of justice or secure the offender's escape from the penalty he deserves. In particular, it requires of those who make and of those who administer the law that they be the first to set the example of obedience to what the law prescribes.

Religion, in a word, sets up an ideal for each man and for the people as a whole. A nation of freemen—each ruling himself in accordance with the law of God, each fulfilling that law in thought, word and deed, each giving of his best for the common welfare, each mindful of the account he must render and striving to lay up such treasure in heaven as will assure him a balance of righteousness in God's eternal record.

Such the ideal which religion holds up for the individual and for the nation. The more fully it is realized, the less need will there be of man-made laws, of litigation and penalty, of fear for the future of our country and its free institutions. So much less room and occasion for the clashing of interests and the conflict of classes. So much less filth and scandal and crime to bring shame upon us at home and to besmirch our fair name abroad.

Such is the offer and promise that religion holds out for our happiness and prosperity in this present time. And to this it adds a sanction that is higher still, that stirs the religious soul to its deepest depths. It is none other than God Himself. To possess Him or to lose Him—this is the supreme issue of life, the alternative that overrules all other outcome of success or of failure. Shall it be for us and for our country ultimate gain or irreparable loss?

It is our hope to build up the Catholic University of America so that it may serve the cause of religion more effectively, so that it may help to bring the thought of God to man's daily activities, so that it may quicken nobler impulses of life and so that, in this time of grave mental concern, the Catholic Church may be a communion with a living voice in world affairs. We are confident that the Catholic University of America, under the leadership of Bishop James Hugh Ryan, will proceed to greater achievements both for the Church and for the nation. We rejoice in the honor the Holy Father has shown the rector of the university. We trust that this expression of esteem and confidence from the head of Christendom may strengthen Bishop Ryan for the increasing challenges made upon the services of his great university. —C. U. B.

NOTICE JUVENILES!

Our Page would like to hear from the juvenile members of the KSKJ. If our young boys and girls will write a sufficient number of letters, perhaps it will be possible to set aside one page every month for the publication of their letters.

Make your letters short and snappy, not more than 200 words, and tell us about yourselves, your school, your lodge and your city. Include your name and address, your age and the name of your lodge. Write on one side of the paper.

KAY JAY MUSHERS TRIP CHAMPIONS

Booster Club Team to Meet Irish Group May 16

Pittsburgh, Pa.—With a battering smash of hits and runs the St. Mary's KSKJ Booster Club mushball team opened its season by defeating, 5 to 1, the Immaculate Heart team, last year's diocesan champions.

Pete Balkovec started for the Jays, later being relieved by Albert Benec. Pete has more smoke than he had last year, and burned them in with such speed that Sykey, stellar receiver, had difficulty handling the deliveries.

"Snails" still covers 2nd base while "Wales" holds the short post and Dell guards third. Henry Mravinc is in the gardens this year with Frank Sprohar, John Hudak, Honey Butala, and Smokey's brother.

The Jays will meet the St. Kierons, Irish team, Wednesday, May 16, on the 57th St. grounds.

All the boosters are asked to turn out for the game and to give the boys moral and financial support.

Undergoes Operation

So. Chicago, Ill.—Mary Radelia, member of the St. Theresa Lodge, No. 225, and also a very active member of the St. Theresa Girls A. C., underwent a major operation at the So. Chicago Hospital last week and will be unable to be with the athletes this season. Members of the lodge, as well as the girls of the Club, wish her a speedy recovery.

URGES MOBILIZATION OF CATHOLIC AGENCIES IN INTEREST OF FILMS

"Why not mobilize our vast series of Catholic educational agencies in the interest of wholesome motion pictures?" is the question asked by the Rev. Dr. Paul Hanly Furfey of the Department of Sociology at the Catholic University of America, Washington, D. C., in an article entitled "The Pastor's Problem" in a recent issue of the Ecclesiastical Review.

Reviewing the report of the National Committee for the Study of Social Values in Motion Pictures, Dr. Furfey calls attention to the fact that perhaps 28,000,000 minors attend the pictures every week in the United States, and of this number 11,000,000 are children under the age of 14. Commenting on this great number, he says, "This fact is worth noting. Films seem to be produced primarily for adults, but a considerable part of the audience is juvenile. The average child from 8 to 19 years old goes to the movies approximately once a week and only 5 per cent never attend."

Continuing, Dr. Furfey points out that the child observes and remembers clearly a surprising number of new facts, that many of the films have a physical effect upon the child, such as disturbing his sleep, that they stir the adolescent emotions and that they inculcate attitudes.

The studies of Dale, says Dr. Furfey, show "that of 500 feature pictures shown in 1920, 1925 and 1930 the chief themes were love, crime and sex. Surely this is an unhealthy emphasis. From the standpoint of the child it seems to be peculiarly unfortunate." Furthermore, this same study showed that the crime films covered a wide variety of crime, that they showed shootings, knifings, killings and other forms of homicide. Twenty-two of 115 pictures presented in Columbus, O., "presented illicit love as a goal of leading characters in the films, although in only seven cases were these characters the heroes or heroines."

In an elaborate study of groups of children where the difference as nearly as possible lay only in attendance or non-attendance at movies, it was found that the "non-movie" children "were superior to the 'movie' children in most respects, including deportment, success in school subjects, co-operation, honesty and moral knowledge. Another study found that delinquent boys attend the cinema more frequently than non-delinquent boys.

All these facts lead to the conclusion that the movies have done more harm among children than good, and Dr. Furfey believes that education and guidance in appreciation and selection of movies seems to be the most hopeful solution of the problem.

In conclusion he says, "A systematic effort to instruct the children in our parish schools seems as definitely a part of the curriculum as any other element of moral instruction. The Catholic child ought to know that he has certain duties in his choice of mental fare at the cinema just as he has certain duties in his choice of food on Friday." Referring to the duties of pastors he says, "We should keep in touch with our local exhibitors and make them

REPORT EASTERN JUBILEE BOWLING TOURNAMENT IS DRAWING RESPONSES

East Pin-Meet, Carded for May 27, in Pittsburgh, Catches Fancy of KSKJ Membership

Pittsburgh, Pa.—Everybody seems to be affected by the Eastern KSKJ Jubilee Bowling Tournament to be held here May 27 at the Lawrence Recreation.

Letters from all over the country are pouring in with responses. The East especially has awakened to a KSKJ sport consciousness which has ever been latently present.

There are many KSKJ-ers who will not be in contact with the lodge bowling manager to be selected from each lodge. Members who cannot get in touch with the manager are asked to file their entry by mail with Henry Mravinc, 5271 Dresden Way. A fee of 25 cents per person must accompany the registration.

It's up to you, Jays and Jayettes, to keep this ball rolling and helping to make a success of this event.

We have been anxiously awaiting to hold a Junior Convention, such as our brothers and sisters in the West promote. Now our hope is fulfilled. Let's

SELLING THE FARMER

"Suppose I offered to sell you a 20-acre farm on the installment plan with the following options:

"Option No. 1—If you should die before the farm is paid for, I will cancel the balance due and give your widow a clear deed to the property.

"Option No. 2—If, after you have made some payments, you decide that you do not want to continue, I will give you a deed to that portion that you have bought and paid for. You do not forfeit the whole farm by not making all the payments. (Paid-up Values.)

"Option No. 3—If you decide, after you have made several payments, that you do not like the location and want to sell out or move away, I will give you all your money back, providing you pay me the rent for the time you have used the property, as I could have rented the property to someone else. (Rent is average cost per year after deducting the cash value from the total premiums deposited.)

"Option No. 4—If after several years you do not want to continue the payments, or you wish to sell your equity, you can live on the place until you have used up your equity in rent. (Extended Insurance.)

"Option No. 5—Should you give up the property, I will hold it for you for a few years, so that if you want it back for the same price at which you first bought it, you can get it. (Reinstatement.)

"Wouldn't that be an exceptional opportunity? I can offer you a contract that is in every respect the equivalent."

—Selected.

You cannot run away from a weakness; you must some time fight it out or perish; and if that be so, why not now, and where you stand?—Robert L. Stevenson.

"Above all, may each member of our K. S. K. J. guard jealously his duties and privileges by ever keeping in good standing in his lodge."

make it a booming fore-runner of many more such big affairs. The manager selected by the secretary of the lodge, or by the lodge members automatically becomes a delegate to the meeting to be held after the bowling session. The meeting will determine future athletic maneuvers in the East.

SPORTSMANSHIP

Note: The following article is reprinted with the idea that now that spring is here, the the baseball diamonds are thronged with fans and other co-backers of the sport, —a time when good sportsmanship is generally forgotten. Just a gentle reminder.

There is no place so adequate for showing good sportsmanship than outdoor sports. At outdoor games, especially during exciting contests, good sportsmanship and good manners are usually thrown to the four winds. Shouting, rooting, talking while the play is going on, and other noises, seem to be necessary part of such games as baseball, football and track athletics. In fact noise is accepted as proof that the spectators are enjoying themselves.

At the same time, there is always a difference between the actions of gentlemen and rowdies, ladies and unladylike girls. Swearing, cheap "wise-cracks", hissing and other offensive ways of showing displeasure or disgust are very bad form.

Cries of "take him out," when a pitcher is doing poorly, is poor sportsmanship. He is probably doing the best he can, and such shouting can only make matters worse for him.

Trying to "rattle" a player in any sort of game, is the worst sort of sportsmanship. The real sportsman gives everyone the chance to do his best, including the players who may not be on his "side."

A poor sport is shown up very quickly—whether he wins or loses. A good sportsman loses cheerfully and wins without gloating over his victory. The one way to be popular is to be a good sportsman.

Men or women should never brag about their team's good plays, not try to make excuses for their bad plays. Those things are bound to happen in any sport.

All games are played for pleasure. If you enjoy yourself only when you or your side happens to win, it would be best for you not to play or to root at all. Those who are happy only when they are apt to forget the rights of their opponents to win. A good sport is always ready to give in to an opponent when some point arises over which there may be a disagreement.

Real sports do not lose their tempers, even when luck seems to be against them.

No matter what sport you engage in—golf, tennis, baseball, bowling, —good sportsmanship should prevail at all times. Win without gloating, lose with a smile, and play the game like ladies and gentlemen should.

ILLINOIS FARMERS LEADERS FOR WEEK IN MIDWEST GROUP

Gain 2,000 Tons on First Place Minnesota Farm

Joliet, Ill., May 15.—The Illinois Farm this week resumed its role of challenger for the first place position now held by the Minnesota Farm by again setting the pace for the wheat growers of the Midwestern Section.

The Illinois farmers gained almost 2,000 tons in their brilliant duel with the sectional leaders and the week's market reports show them slightly more than 5,000 tons behind.

Four thousand, one hundred and sixty-six tons of wheat were stored in the Illinois graineries during the week's work, while the best that the Minnesota hands could contribute was 2,228 tons. These additions make the grand totals of the Minnesota, Illinois Farms 29,929 and 24,734 tons, respectively.

The Missouri Farm, valiantly holding third place again, the rise of the Wisconsin Farm, accounted for 2,222 tons during the week and now have a grand total of 18,777 tons.

The Wisconsin Farmers, for their part, kept right on the heels of the Missouri workers, by producing 2,100 tons. Their total is now 13,325 tons.

The last-place Kansas Farm failed to make any report for the week's work and their grand total of 7,600 tons remains the same.

COLORADO RANGE NOW HAS LEAD OF 20,000 TONS OVER MONTANA

Add 6,136 Tons During Week, While Montana and Wyoming Remain Inactive

Pueblo, Col., May 15.—Virtually all alone in the race for honors in the Western Section, the Colorado Range added heavily to its lead this week as no less than 6,136 tons of beef were rounded up and branded.

The addition raises the Colorado grand total to 22,391 tons and makes that state one of the leaders in the K. S. K. J. National Recovery drive.

Despite the fact the Colorado Range lacks an incentive in the form of serious competition, they have been consistently doing a splendid job and are principally responsible for keeping the Western Section as well up in the race for national honors as it is.

The Montana Range, which last week showed signs of getting into the sectional fight, lapsed into inactivity again and failed to make a report, thus dropping almost 20,000 tons behind the leading Colorado Rangers. The Montana total is 3,333 tons.

The Wyoming Range, third member of the Western Section, still remained outside the Recovery fold and has yet to report.

Reporter Has High Praise For Knights' Performance

Brooklyn, N. Y.—Judging from the fine performance in "The Last Mile," presented on Broadway a year ago, recently given at the Slovenian auditorium in Brooklyn, New York, by the Knights of Trinity, this organization possesses remarkable dramatic ability in addition to athletic skill. It seems quite evident that the Knights were not satisfied with winning 25 successive basketball games, so they went forth to establish their name in the dramatic field, in the production so competently directed by Anthony J. Staudohar. The cast included: Fred Mayor, John P. Staudohar; Richard Walters, Joseph P. Staudohar; "Red" Kirby, Jos. A. Staudohar; Vincent Jackson, Rudolph Toncich; Eddie Werner, John Klun; Drake (Guard), Stanley Erhartic; John "Killer" Mears, Fred Arko; O'Flaherty (Guard) William Klun; Father O'Conors, John A. Ribic; Peddie (Guard), Jerry Koprivsek; Principal Keeper, Callahan, Frank Erhartic; Harris (Guard), Cyril Grilz; Tom D. Amoro, Dominick Suplina; Evangelist, Chas. Staudohar; Frost (Reporter), Stanley Erhartic; Brooks (Reporter), Aloysius Erhartic.

The play opened effectively with Jerry's Orchestra playing the "Prison Song." The drama consisted of one act; the scene taking place in the death house of the Keystone State Penitentiary on the eve of the execution of Richard Walters, which character was so well portrayed by Joseph P. Staudohar. The entire cast interpreted the parts to surprising perfection. Their conception of depicting the varied characters so realistically was remarkable. The enthusiasm of the audience proves, no doubt, the success of the presentation.

We all thank the Knights for their co-operation in affording us such a pleasant evening, and hope to have the pleasure of seeing another such fine performance very soon.

LUCKY THIRTEEN

South Chicago Members Not Superstitious

So. Chicago, Ill.—There are many people who are still superstitious about the number 13, yet it proves to be a lucky number for our St. Theresa Lodge, No. 225.

When the St. Theresa Lodge was organized, it consisted of 13 members. The first meeting was held Jan. 13, 1928, and the group has been progressing ever since. The first dance was held March 13 of that same year and proved to be a very successful affair.

Our Fifth anniversary was May 13 of last year, and was also a very successful event. If you can remember back that far, it rained every day of May, and on the 13th it turned out to be a gorgeous day. So what do you think of that for a number 13.

In April 24 Issue of Glasilo the Illinois Farms report shows that the St. Theresa lodge is the 13th on the Farm list with 1300 tons. We certainly should take first prize on number 13.

What will happen next on number 13 in our lodge?

Here's another one: On Friday, April 13 of this year, the girls of the St. Theresa Lodge got together and organized an Athletic Club. There were 13 girls present at our meeting. This statement can be verified by those who attended.

And now our first softball game was scheduled for May 13 but this time it happened to be on Sunday instead of Friday. But in turn, we hoped to win with a score of 13 runs.

We hope number 13 brings us still more luck.

SAYINGS OF ST. THOMAS

St. Thomas Aquinas, the Angelic Doctor of the Church of the Middle Ages, whose feast day was celebrated on March 19, has left to the world in his wonderful writings a veritable treasure-trove of sacred doctrine and wisdom. The following are a few of his maxims:

True peace is where only the good are, and where good things are done.

We must believe the word of God, for then the Word (meaning the Second Person of the Blessed Trinity) will dwell in us.

The straightforward are loved because they tell the truth, the knowledge of which is lovable for its own sake.

Charity is the love of God.

It is requisite, for the relaxation of the mind, that we make use, from time to time, of playful deeds and jokes.

Faith is the beginning within us of eternal life.

Virtue is praised because of the will, not because of the ability.

Parting with money by giving it to others proceeds from a greater virtue than when we spend it on ourselves.

Do you want an example of humility? Gaze on the crucifix. God was willing to be judged by Pontius Pilate and to suffer death.

Where there is perfect charity and just authority there can be no strife.

There were three types of men who followed our Lord. Some, the Pharisees, wondered and were scandalized. Others, the crowds, wondered, but were not scandalized. Others, the perfect, did not wonder.

A sweet disposition requires no flattery to assert itself.

OHIO STEEL GAINS ON PENNSYLVANIA, INDIANA WORKERS

Race for Eastern Section Honors Getting Closer

Cleveland, O., May 15.—Honors for the week's work in the Eastern Section during the past period went to the Ohio Steel Corporation, which turned out 2,414 tons of steel to move closer to the two leaders, the Indiana Steel Corporation and the Pennsylvania Mining Co.

Ohio's gain on the leading Indiana group, however, was extremely slight as there was only about 100 tons difference in the two reports. The Buckeye steel rollers did gain heavily on the holders of second place as the Keystone miners were only able to add 825 tons of coal to their grand total.

The latest market reports covering the Eastern industries show the Indiana Steel Corporation enjoying a margin of almost 8,000 tons in first place. The Indiana grand total is 28,182 tons. In second place, the Pennsylvania miners have a grand total of 20,776 tons, while less than 1,000 tons behind is the Ohio Steel Corporation with a mark of 19,805 tons.

The Michigan Steel Corporation, in fourth place, was closed down for the week.

The last place New York Exporting Company improved its position slightly by shipping out 625 tons. Their total exports now amount to 6,874 tons.

MINNESOTA FIELD SECOND TO REACH QUOTA IN RACE

Shared Recovery Honors for Week with Western Section, Which Leads Nation for First Time Since Inauguration of Program

Joliet, Ill., May 15.—The honors for this past week's work in the K. S. K. J. National Recovery Program were shared by Field No. 112 of the Minnesota Farm and the Western Section, according to the K. S. K. J. Market Reports made public here today.

To Field No. 112 at Ely goes the distinction of being the second organization to go over the quota assigned it by the K. S. K. J. National Recovery Administration. Leading the Minnesota Farm ever since the inauguration of the Recovery program, the Ely workers spurred this week to add 1,500 tons of wheat and boost their grand total to 10,350. The Field is at present under the management of John Koshak. Earlier in the Recovery it was managed by Joseph J. Peschel.

In the race for National Recovery honors, the Western Section distinguished itself by setting the pace for the week. Evidently intent upon getting out of last place, the Westerners put on a brilliant spurt this past week to add nearly 37,000 tons. This marks the first time that the cattle raisers have led the Sections in the weekly reports.

The addition enabled the Westerners to gain over 6,000 tons on the leading Midwestern Section, and nearly 23,000 tons on the Eastern Section in second place.

The K. S. K. J. Market Reports show the cattle raisers with 36,990 tons for the week, and the nation's graineries crediting the Midwestern Section with 30,787 tons of wheat, while the industries of the East were able to boost their grand total by only 14,270 tons.

In the grand totals, the Midwestern Section still enjoys a healthy lead over its competitors. It has a mark of 232,470 tons. The Eastern Section in second place is some 42,000 tons behind with a 189,946-ton total. The Western Section, in last place, has a total of 114,498 tons.

A banquet will be held in the Slovenia Hall. There will be plenty of entertainment for both young and old.

In the evening a dance will be held in the hall. Admission is 50 cents in the afternoon, and 25 cents for dancing. The procession will start at 9:45 a. m.

Electrocution in Knights' Show Holds Audience Spell-Bound

Brooklyn, N. Y.—A tense sigh given forth as the lights dimmed and the hum of the electrocution ceased for the last time released all the pent-up tension and fear that had held the audience spellbound and speechless throughout the performance, was issued by all of the large crowd that was fortunate enough to witness the "Last Mile," presented by the Knights of Trinity.

The unreasonably warm weather of the week-end did not hinder the attendance in the least, as could be judged by the standees, six deep in the rear of the hall.

While not praising anyone individually as the entire cast performed splendidly, it is, however, only in fairness that I say that most of the credit should be given to our President, Anthony Staudohar, who directed the play, and who also got himself a few gray hairs while doing so, and to the wonderful performance of Joseph P. Staudohar, who took the leading part with such dexterity that the play will not be forgotten in a long time by anyone who witnessed it.

The Knights were fortunate enough to enlist the services of Joseph Supancich, who volunteered to build the prison cells, gratis. The finished scene was really a marvelous piece of work, as could be judged by the buzz of comment that swept through the hall as the curtain rose. The members are really grateful to Mr. Supancich and also hope that the two prospective Knights in his family will soon be wearing the black and silver triangle and wings.

The majority of the crowd remained until the wee hours, dancing to the strains of Jerry's Starlight Orchestra, directed by our brother - Knight, Jerry "Prof" Koprivsek.

The Knights of Trinity extend their sincere thanks to all who co-operated in attending and making this affair a success, and also promise many more enjoyable evenings in the near future.

Gossip and slander are twin sisters.

Chas. Staudohar.
