CVM GRATIA ET PRIVILEGIO SAC. CAES. MAIEST:

AMPLISSIMIS CONSVLIBVS, SENATORIBVS, PATRITIIS, CIVIBVS MECOENATIBVS EXIMIIS

IACOBVS HÄNDL S. D.

QVærenti mihi cuinam tertiam hanc, propoſiti ſenſimque lucem aſpicientis operis, partem labore neq; breui neq; leui ad calcem perductam, nuncuparem; veſter, Grauiſsimi Prudentiſsimiq; viri Ciuitatum fulcra & columnæ ordo occurrit. Sciunt nimirum ex vobis non pauci, cuinam me ſtudio ab ineunte ætate dedidi, quid hactenus & coxerim & tractârim ſi non omnes certè per multi nouerunt. Muſicam vnam ex omnibus artibus liberalibus adlegi in qua & annos collocarem ac tererem, & vires conſumerem & omnes meas poſt Deum cogitationes conijcerem. Hanc didici, hauſi & penè ſuxi puer, hanc colo adoleſcens, hanc ſi vita ſuperſtes fuerit ornabo ſenex, hanc nec viuus deſeram, nec mortuus. Vitam enim illam

omnibus bonis circumfluentem ſpero illucq; adſpiro vbi magnus ille & ſolennis DEI Chorus cum ſit ecquæ ibi Muſica non deeſt. Meminiſtis reor, quos ſuperiorum partium adſciuerim patronos, tertiam veſtram eſſe cupio, qui mea aliqua iampridem expetiſtis, & quæ fragmenta hinc inde captare ſcrutari atq; colligere potuiſtis chara vobis fuiſſe accepi; qui Ciuitates & Reſpublicas ſic adminiſtratis ut Muſica tanquam laborum ciuiliumq; moleſtiarum condimento vtamini. In Bohemia Morauia, Sileſia, quaſcunque vidi & obiui Vrbes omnes Muſicæ non tantùm beneuolas, ſed quaſi deuotas comperi, quam ipſi Senatores & Ciues cum intra parietes clam tum in domo Dei palam exercent celebrantq;. Accipite ergo Viri ornatiſsimi, hilari mente quod propenſiſsima voluntate exhibeo, Optoq; vt hic vigiliarum mearum vobis à me iamdiu animo deſtinatus fructus ſapiat, Valete & Gallo, quod hactenus feciſtis, fauere & adeſſe pergite. Pragæ D. Michaeli ſummo Eccleſiæ tutori ſacro die, Anno M. D. LXXXVII.

Inſtructio ad Muſicos.

PAuca ad vos, muſices ſtudioſi cultores, habeo de Lucubrationis meæ ratione, & de nonnullorum querela. Et querela quidem ea eſt, me nonnunquam partium multitudine in plerisq; templis cantorum paucitatem, quæ ijs canendis numero par non ſit, eludere. At verò cùm vix vlla ſit ciuitas paulo celebrior, in qua non tibicines alantur, vix etiam vllus Chorus organo ſit deſtitutus, ſi cantorum paucitati organa ſubueniant, & inſtrumenta, non video meis in cantionibus tantam partium copiam, quam non illi vocum multitudine iucundiſſima conſequantur, præſertim cum, ſi cantores, ac reliqui duo ordines ſinguli ſuum Chorum tuebuntur, facies quædam videbitur Leuitarum qui, authore Salomone & tubis, & voce, & cimbalis, & citharis, & diuerſi generis Muſicorum concinebant. Ratio porrò à me illa ſeruata eſt, vt, ſicut ab Eccleſiæ ordine, quem ſemper optimum iudicaui, nuſquam receſſi, neq; in poſterum receſſurus ſum, ita ex ipſius verbis ea delegerim, quæ ad cantum & ad dies ſacros accommodiſſima putauiſſem. nam ex.

empli cauſa pro iјs, quæ ex Biblijs, & Prophetis toto anno proponuntur, ego quæ ex omnibus ſelectiſsima quolibet die fuerunt, cantui ſegregaui. Præterea cùm Eccleſia Sabbatho ante Septuageſimam, omiſſo Alleluia, canat, Media vita in morte ſumus; ego neq; in iſto cantico Eccleſiæ veſtigia reliqui, &, quod tempus ipſum poſtulabat, hæc muteta interſerui, Domine quando veneris: Scio quod redemptor: Patres qui dormitis: &, Audi tellus: Cum alijs horum ſimilibus. Adhæc eidem parti, ſiquidem de pœnitentia agit, interpoſui ea, quæ Eccleſia in Autumno canit: vt, ex lib: Iudith, Tribulationes ciuitatum audiuimus: Nos alium Deum neſcimus præter Dominum: & plura his non diſsimilia: quæ inde non difficulter peti poſſunt. De lib: ſapientiæ nihil extra Aduentum poſui; quod in Aduentu ſapientiæ dies feſtus ab Eccleſia celebretur. Quare, quæ ex illis etiam alijs anni temporibus canuntur, hinc accerſenda ſunt. De Pſalmis nihil dico: nam, vt eos Eccleſia omnibus feſtis diebus adhibet, ita, vbi opportuni fuerunt, ab iјſdem nullo vnquam tempore abhorrui. Sed de ratione mea ſatis, etiam de querela. Reſtat, vt vos, qui in ædibus ſacris

Symphoniæ

Symphoniæ præſtis, obteſter, ſingula vt ſuis temporibus accommodetis, neue confuſioni, quæ in domo Dei occurreret, locum vlla ratione faciatis: quod illic forte videtur deeſſe, alibi reſarcietur. Quædam etiam iſtis in libris à me ſunt peritioribus ſcripta: ea velim à pleriſq; æquius iudicari, ac tum ab iiſdem cani cum fuerint maiorem peritiam, & in re Muſica maius artificium nacti. Atqui hæc omnia ad nullam meam, ſed ad vnius Dei immortalem gloriam ſpectent. His bene valete.
