ZVEZNI SENATOR Edward P. Costigan iz Colorado je naznanil, da zaradi slabega zdravja ne bo več kandidat za sedanji urad, ko njegov termin poteče. Costigan je izrazit progresivec in se je pri vsaki priliki boril za pravice prostega ljudstva.

## CURRENT THOUGHT In Waukegan April 18-19

Saturday and Sunday, April 18 and 19, Lodge No. 94, SSCU, Waukegan will be host to the many member-bowlers emanating from the states of Ohio, New York, Pennsylvania, Wisconsin and Illinois, who will compete for national SSCU honors. During these two days Waukegan will be buzzing with activities, what with the team events to be rolled on Saturday, doubles and singles on Sunday; the dance to be held Saturday evening, at Slovene Hall, following the bowling; and the ban-

ner Sunday evening, which will climax the two-day meet. Members of St. Rochus Lodge, No. 94, of Waukegan will have their hands full acting as hosts to the visiting bowlers and rooters. That they will know how to handle the various details is best shown by the thorough preparation which members have undertaken over a month ago. Led by Su-

President Paul Bartel, who is chairman of the publicity

and transportation committee, there are seven chairmen of various committees as follows:

John Kobal, president of Lodge No. 94, general chairman;

Try F. Petrovic, chairman of bowling; John Zalar, chairman

of finance; John Jelovsek, chairman of accommodations; Anton Smrnik, chairman of luncheon; and Matt Kurn, chairman of

This is the first time in the annals of our SSCU that a national open bowling tournament will take place in the Midwest. The first open tourney was held in Cleveland, as was the 1931 SSCU elimination tournament.

Some keen competition is anticipated by the participants in men's division, particularly in the team events. George Washington Lodge, No. 180, of Cleveland will be the defending champion, while SS. Peter and Paul Lodge, No. 66, of Joliet, Ill., will be the new champion, together with other SSCU quintets, will "put everything on each ball" to scatter the pins to smithereens.

Our lady bowlers will take no back seat, and in their own division are expected to make things interesting for all concerned. Although ordinarily the ladies bowl lower scores than men, they certainly add color to any tournament, what with their fancy hooks and straight balls that defy the stubborn

The second SSCU annual open tenpin tournament promises to be the outstanding sport spectacle of the year in the SSCU endeavors. May the best team finish first, and may members of Lodge No. 94 be compensated for their earnest much-detailed work, with a large turnout.

Joliet, Ill.—Members of SS. Peter and Paul Lodge, No. 66, SSCU, are hereby notified of the coming meeting, which will be held Saturday, April 18, starting at 7:30 p. m. in the usual quarters. Our meeting date has been changed because the entire lodge board will attend the bowling tournament activities in Waukegan on Sunday, April 19. Our lodge will be represented with three teams in the national SSCU bowling tournament, two of which have been entered in the men's division and one in the ladies' division.

Lodge entertainment scheduled for March 12 was postponed until April 25 because of the fire which occurred at the hall where we arranged to hold the program. All members who hold admission tickets to the card party for March 12 are hereby informed that these tickets will be honored on April 28. Those members who have not yet secured these tickets are invited to obtain them, as it is the duty of each member to help out the lodge treasury. Tickets may be obtained from the lodge officers.

Our Union continues to pay attractive cash awards for securing new members both in the adult and the juvenile de-

partments. Of special interest to our members is the suspension of two months' juvenile assessments during the months of May and June. This arrangement holds good for new juvenile members enrolled during the month of April.

Members who are in arrears with their assessments are requested to meet their obligations on time. If a member is suspended because of non-payment of assessments, he should not find fault with the secretary; but with himself, as the secretary must be guided by the decisions of the lodge.

### Cleveland SSCU Bowling League Party April 25

Cleveland, O.—Members of Cleveland SSCU Bowling League will celebrate the official windup of their circuit on Saturday, April 25, when they will get together for a big party scheduled to take place at Kuncie's Hall, located at 15610 Waterloo Rd.

John P. Lunka, chairman of the league, urges all bowlers who participated during the 1935-36 season to be on hand promptly at 8 p. m. Prize money accumulated during the season will be distributed to the teams and individuals, according to arrangements made sometime ago.

All members of the league are requested to honor the announcements as they are made in the Nova Doba, as no individual notifications of the party are to be sent by mail.

### Fraternal Week

The president of the National Fraternal Congress of America has designated the period between Monday, April 20, and Saturday, April 25, 1935, as Fraternal Week.

This is in accordance with a resolution adopted by the Pittsburgh annual meeting of the N. F. C. of A. on Thursday, Aug. 29, 1935.

President Peter F. Gilroy calls on all fraternalists, in large and in small communities, to take an active part in the joint observance of Fraternal Week. The several state congresses can do much in arranging programs, Fraternal Week addresses, and promote newspaper publicity for such celebrations.

Fraternal Week offers an outstanding opportunity for the local lodges throughout the country to bring to the attention of the public the ideals and purposes of fraternalism. The fraternal system will be widely advertised if every local lodge, at whose meeting this communication is read, will appoint a committee of three to meet with a like committee from other local lodges in the same city or town, to arrange a joint observance of Fraternal Week.

### Elaborate Plans Attend the National SSCU Bowling Tourney in Waukegan

Waukegan, Ill.—We have read a great deal in the English section of Nova Doba about the second national SSCU bowling tournament to take place Saturday and Sunday, April 18 and 19, in Waukegan, Ill.

All arrangements for this tourney are well under way, and the elected committees in charge are working out every detail. Every Sunday morning these committees meet to report on the progress and to elaborate on the plans which will embody a number of our SSCU lodges.

We are looking forward to a large turnout of out-of-town members, and we can assure all guests of splendid accommodations.

On Saturday afternoon, April 18, the tournament will get under way in the Waukegan Recreation Rooms. We anticipate the team events to be completed by 8 p. m. An hour's intermission will follow for dinner.

After the intermission a dance will follow in the Slovene National Home. The Original Radio Five Orchestra will furnish the music to suit the taste of both the English-speaking and senior members and friends. This orchestra is well known for its rendition of popular American numbers, polkas, etc.

On Sunday morning, April 19, plans call for a sightseeing trip through the "American Vrhniha"; that is the section in and around Waukegan and North Chicago. In the afternoon bowling will be resumed when doubles and singles events will get under way.

A banquet, with admission free to all bowler-members, will climax the two-day tournament; here prizes will be awarded by our athletic commissioner.

We are inviting you to attend this two-day gala affair: The first SSCU bowling tournament in Waukegan and the dance. We assure you there will be no regrets for spending the two days with us.

Paul Bartel.

### Pathfinders' Fifth Anniversary Dance

Gowanda, N. Y.—So spring comes to accept more than one is here, says Ernie Palic in a book of tickets. Perhaps that recent issue of Nova Doba is because they are unaware of These snow flurries hold no ticket-selling contest now scent of budding trees and in full swing. A prize of \$1 in blooming flowers. Of course, cash or \$2 in refreshment tickets the night of the dance is being offered to the person whose salesmanship merits it. Several members report rapid disposal of tickets, assuring us success in this particular venture.

Admission tickets will not be distributed until two weeks before the dance. The price of admission is slight compared to the entertainment in store. Tickets may be purchased in advance for 25 cents, while 35 cents will be charged the evening of the dance. Another prize is offered for the sale of these tickets and a crisp dollar bill is nothing to be sneered at.

Speaking of pleasant weather ahead reminds me of a matter of importance to members of the Pathfinder Lodge, No. 222, SSCU; namely, our fifth anniversary dance scheduled for May 2, less than a month away. And we have still many tickets to dispose of before that eventful day.

There seems to be a great reluctance on the part of mem-

### EXPLANATIONS AND SUGGESTIONS

The foregoing is the first report of contributions received to the relief fund to aid our members affected by the floods. These contributions were received between the 2d and 7th of April, 1936. Contributions received after this date will be published with the next report.

Lodges, officers and members who shall forward contributions for this purpose are requested that they indicate clearly the name and address of each contributor.

I shall not forward receipt of acknowledgment to each contributor, unless the individual so demands, because such a procedure would entail a lot of extra work and expenses. However, from time to time I shall publish in the Nova Doba the names and addresses of contributors and the amounts. If any contributor should notice an omission of his name and amount, he should call my attention to the fact, as it is possible that such a communication may be lost in the mails.

All members who feel that they can contribute to this fund are requested to do so without delay. Our members affected by the floods will appreciate greatly immediate assistance. Let us show as much as possible that our brotherly feeling is not an empty phrase, but an actual fact.

Louis Champa, Supreme Treasurer, SSCU.

## Easter Parading

### With Little Stan

Ely, Minn.—Did you ever sit near your window on Easter Sunday morn—and watch all the people go by wearing the latest in spring clothes? Little Stan did that just for fun this Easter—and what do you think he saw? He'll tell you in a few moments.

Easter in Ely always convinces us that spring is here, and with the advent of spring we all know that the parade of the latest in men's and ladies' dress fashions is on. To see all the latest in fashions, you just sit by your window and watch the multitude of people on their way, dressed in full Easter and spring's latest fashioned regalia. It is a sight for many a sore eye, and Little Stan had a very sore eye that morning.

Anyway, the peal of the joyous bells woke us all, reminding us that it was Easter time. Well, Little Stan just sat up in bed, and watched the people go past his home. Young men were dressed in snappy suits with pleated backs, in all colors, blues, grays, blacks, and whites! The latest in Easter hats were worn on a cocky angle atop their heads (where else) and they walked with a stride. Baby, what a stride! Especially when they felt all sheiky. Heh, heh!

Then the young ladies. Ah! New Easter bonnets, beautiful dress suits, the new fishback swagger outfits, the latest in chiffon hosiery (Little Stan noticed that, too!) and ever so many ensembles too nice to even begin describing. Easter and dress-up time—yow-sah! and after Little Stan saw the parade go on, his eyes were wide open, and every trace of soreness gone! Then up! To sheik up, and join in that parade! Baby, take a bow!

A warm south wind sent a thrill through us as an equally warm haymaker (sun) beat down the heat rays. Yeah! You know, it gets yuh! Soon the lakes and streams, already thawed by spring, will be all set to travel on, and we'll be going fishing. Yes, and swimming, and hiking!

And now for a few rounds of the town bits. Lodge No. 2, Sacred Hearts and Gophers, held their party last Sunday, but as it is only Friday today, Little Stan will have to tell you more about that next week.

## Just Like That

By Stan Progar

Springdale, Pa.—It all happened just like that. Yes, that's how I got the lowdown on men. Strangely enough, it came from a younger member of the fair sex of only nine winters. Just like that, she exclaims, "Oh, you men are all alike."

Time being heavy the other morning, so a walk was just what the doctor would order. Just like that, I was out on a stroll. Returning home, I happened to pass the school as the tots were going home to lunch.

Among them was the authority on men, my neighbor. As we proceeded homeward, we talked about everything. Somehow, I don't know how, the conversation drifted to the men folks. Just like that—no warning. She smiles and says, "Oh, I know you men. You're all alike. All of you think everything must be just so. You never think of the women or what they go through. Everything must be just as you men say."

I must confess these words struck like a thunderbolt, voice left me and all I could do was to stare at the 9-year-old wonder. Just like that she places judgment on men as if she were discussing dolls with another girl. Power returned to my vocal cords and I questioned her. "Just what prompted you to make such a statement about men?" She glanced at me and I noticed that she was in a serious mood when she spoke: "Oh, I know. I've talked with your mother and my girl friends all say the same. It's that way down at our house. From morning till evening, it's the same—get my shoes—where are my socks—what happened to my necktie? I laid it here—get my shirt—get breakfast ready. Don't you know I'm going to work? Get my coffee. Why isn't there anything done here on time? Why don't you iron my shirt right for once? Look at that, another button missing. Holy smokes, look at my shoes. Why don't you shine them? Hurry up and iron my pants. Do you think I got all day? Gosh, you get nothing done here. Somebody would think I'm a stranger here instead of one of the family. What do you women do all day? Gosh, a man can't get anything done any more."

After her outburst on men, I had nothing to say. Somehow she had convinced me that maybe she was right. Strangely enough, I was taking it, well—just like that.

### Welcome

In some respect men are all alike and at times they differ greatly. Some see and grasp opportunities when they arise. They foresee the future and prepare for it. In this class we have Mr. Anthony Rosati and Mr. Chris Mento, newest members of the Electrons. Welcome, Tony and Chris, the Electrons extend the best wishes to you both. Hello, buddies!

names, but what are the last? Anyway the card they sent Little Stan last week carried the following: "Don't mind an April shower; the clouds will roll away, and the sun will soon be shining on a happy Easter Day!" Signed: Two gals from Pennsylvania. "Are you still inquisitive?" they ask. "Keep on," they add. Come on out, gals!

From Anna Mae Banovetz, delegate from Roundup, Montana, I received the following card:

I wish you all the joyful things that makes folks glad and gay. And may that happy feeling

## Pathfinder May 2 Dance Committee Selected

Gowanda, N. Y.—Once more we find that the time has arrived to celebrate another Pathfinder anniversary, our fifth one. And we hope to make it as successful as those of the past have been. Notice, I did not say more successful, as we all realize the degree of success we have enjoyed at our previous anniversary celebrations.

The date is May 2. So don't plan to do anything else on that Saturday night, but make plans to attend our big affair. Dancing will be from 9 until 2 (Eastern daylight saving time). The music will be furnished by none other than Charlie Gleed and His Georgians. We were fortunate in securing this band, as they were signed for a spring engagement at Glenn Park in Williamsville, a choice spot. But Buffalo union difficulties made this impossible. Even Old Lady Luck seems to be with us at this early period.

Tell your friends, young and old, that there will be a prize waltz again this year. This waltz is attracting a great deal of interest, so there should be some pretty keen competition this year. So, what say, lads and lassies, shall we let the elders cramp our dance style as they did last year?

Tickets will be distributed this week. Selling them should prove rather easy, as they are only a quarter per person. Surely no one can deny that they are well worth that and more.

As chairman of the dance, it was my duty to appoint other committee heads. This I have done, and they are as follows: Tickets, Jennie Anderson; at the door, Henry Zuzek; at the bar, Anthony Sternisha; refreshments, Mary Zuzek; refreshment tickets, Helene Strauss; checkroom, Ted Palic. The foregoing mentioned will need assistants, so try and help them in every way possible. Where there is co-operation, there is a united spirit, and with a united spirit nothing is too great to accomplish.

By the way, we should have a master of ceremonies, both in the upper and lower halls, as we wish our guests to be kept entertained. So I appointed Ernie as one master of ceremonies in the upper hall and Louis Andolsek, our president, as master of ceremonies in the lower hall. Ernie will have several of our young fellows to help him keep the fair sex busy. Both of these members always have worked hard at our dances, so we'll let them rest this time.

So, members, don't forget to tell your friends about our May 2 dance. We will all get together and make this year the celebration of celebrations.

## Electrons — Sparks 'n' Flashes

Springdale, Pa.—The lack of response on the part of the Electrons can be laid to the attitude of "Let the other fellow write." As each week sped by, yours truly put away his pen and said, "Oh, well, Frank will write this time." He didn't, which accounts for the Electrons' absence. This attitude is bad, but at times business intervenes and makes writing impossible. Now, when this appears in print, it's 10 to 1 odds that Frank is heard from. Laws of nature, you know.

Wedding Bells

When the unit Electrons was organized, only one married couple was on its roll call. One might say, truly a bachelors' organization. Yet, for Mary Oset, May Simmons and Mrs. Jennie Progar, it might have been just so. But now the color is changing rapidly. Brother Frank has taken unto himself a double harness and our new member, Anthony Rosati, belongs to the lucky class—married.

Tell your friends, young and old, that there will be a prize waltz again this year. This waltz is attracting a great deal of interest, so there should be some pretty keen competition this year. So, what say, lads and lassies, shall we let the elders cramp our dance style as they did last year?

## DOPISI

Waukegan, Ill.

Veliko smo že čitali, posebno v sekcijski kegljačev J. S. K. Jednote, da se bo vršila letos v naši oddelki in sicer v dnehu 18. in aprila. Priprave za to tekmo so v polnem razmahu, v to izvoljeni odbori so vedno naši. Naše se se vrše vsaj eden popoldne, da se pripravimo za veliko malačijo in tekmo med družinami J. S. K. Jednote.

Danes je prijavljenih že več število skupin, in učimo, da bomo imeli ob priliku tekem v naselbini mnogo gostov. Vsem že v naši jamčimo dobro postrežbo. Soboto 18. aprila popoldne vtečje v Waukegan Recreativni Rooms kegljanje med našimi skupinami. Kegljanje bo zaneseno nekako ob osmi uri zvezdo, ko bo eno uro časa za odigrizek.

Po odmoru se bo razvila plesabava v Slovenskem Narodnem Domu. Za ples bo igrala najbolj priljubljene godbe v okrožju, namreč "The Original Radio Five." Prepričam, da bo ta godba v polnem zadovoljila tako mlade starejše plesalce, ker igra modernije melodije, pa tudi plesalci želijo. V angleški današnji izdaji Nove le priobčena slika omenjene slovečnih godbenikov. Nedeljo 19. aprila dopoldne bo gostom skušali malo razaznivosti naše "Ameri-Vrhnike," to je Waukegan North Chicaga. PETINDVAJSETLETNICA DRUŠTVA.—V četrtek 23. aprila 1936, poteče 25 let, od kar ustanovljeno prvo žensko društvo JSKJ v tistem delu Clevelandova, ki se imenuje Glenwood, namreč društvo Mary Vnebovzete, št. 103 JSKJ. V 22 ustanovnih članic jih je bilo 10, ki so se vse jake pri društvu.

Uradnice društva so bile Agnes Krall, predsednica; Agnes Champa, tajnica, in Mary Gledje, blagajničarka. Glede na napredka društva naj je bilo nekaj številki iz zapisnika. Leta 1913, to je dve leti ustanovitve, je društvo število članic. To steklo je očitno neizprenemljeno do leta 1920. Leta 1921 ali ob deželi je število članic našlo na 90.

Lokalni poverjeni Narodnega Adresarja bodo vršili to ogromno in potrebno naloge v svojih dotednih naselbinah. Ko bo vse nabранo in urejeno, se bo tiskalo v obliku knjige, ki jo vsak morebiti.

Važnost in vrednost tega podjetja uvideli so in odobrili zastopniki naših centralnih organizacij in uredniki naših časopisov, kar je tudi povsem razumljivo. Veliko število naših organizacij niko ne prihaja v javnost, dasi je njihovo delovanje in obstanek del naših kolektivnih naporov. Nedvomna resnica je, da v mnogih naših kolonijah niti naši najbolj aktivni društveni delavci ne znajo, kakke vse organizacije obstajajo v njihovih naselbinah, kje pa da bi znali za njihovo adreso.

Gotovo je v njihovem interesu, da se to zna in da je to zapisano nekje, kjer vsakdo, ki ga zanimata, more to doznačiti.

Z ozirom na poedince smo še na slabšem. Brez pretiranja more se trditi, da je med nami več od 20,000 trgovcev, obrtni-

ze, da je društvo vedno imelo lep ugled in mnogo prijateljev. Ko bomo v nedeljo 19. aprila praznovale 25-letnico z banketom v Slovenskem domu na Holmes Ave., pričakujemo, da nas bodo bratje, sestre in prijatelji spet v velikem številu posetili. Večerja se prične ob 7. uri zvečer, in kakor se sliši, bodo gostom na razpolago mestne in farmerske kokoške, fine potice in druge dobre tege sveta, gostom pa bodo stregla brbrka domača dekleta in na pipi bo tisti "od zida." Ko se bomo podprli z izbornimi okreplili vseh vrst, bomo se pa lahko zavrteli v živahnem plesu, ali pa se bomo na druge načine zabavili, "vsak po svoje," kakor prav sobrat urednik. Kdor se ne želi udeležiti banketa, lahko pride po večerji, ko bo vstopnila samo 25 centov za osebo, in se bo lahko vrtel v plesnem vrtincu do "?" ure. Torej ni nobenega vzroka in zadržka, da ne bi nas naši sobrati, sestre in prijatelji v obilnem številu posetili.

Clanicam našega društva nagnjam tem potom, da se zaredi slavnosti naša redna seja ne bo vršila v nedeljo 19. aprila, ampak v PONEDELJEK 20. aprila ob 7. uri zvečer v običajnih prostorih. Vse članice so prošene, da se gotovo udeležijo banketa v nedeljo 19. aprila in priprjejo s seboj tudi svoje možičke in prijatelje. Torej, na veselo svidenje v nedeljo 19. aprila ob 7. uri zvečer v Slovenskem domu na Holmes Ave!

Kakor je bilo v Novi Dobi že omenjeno, se je pri JSKJ ustavnovil odpomožni fond za tiste člane, ki so bili po zadnjih podvodnih prizadeti. Dotični fond upravlja naš glavni blagajnik Louis Champ in vsi prispevki od društev ali posameznih članov se pošiljajo njemu. Gotovo bo prizadetim dobrodošel vsak cent podpore, ki jo dobijo. Ako želi kateri članov našega društva kaj prispevati v to svrhu, lahko meni izroči, da skupno odpošlim. Seveda pa vsak tudi lahko pošlje naravnost na glavne blagajnike. Ako želi kateri oddaljenih članov našega društva, kateri pošiljajo svoje asesmente po pošti, kaj prispevati v podpore poplavljencem. Vstopnina za osebo bo samo 25 centov. Vsi člani našega društva ter vsi naši prijatelji in prijatelji dobre zabave so vabljeni, da pridejo na našo plesno veselico v soboto 25. aprila zvečer. — Za društvo "Our Friends," št. 227 JSKJ:

Namenil sem se napisati nekaj vrstic za naše glasilo Novo Dobo. O delavskih razmerah ne morem dosti poročati, ker so nekako srednje. Na društvenem polju pa je približno isto. Vendarsmo ta mesec vpišali dva nova člana v društvo št. 130 JSKJ, česar že dolgo ni bilo pri našem društvu, vse od

kov in profesionalcev. Ali nihče ne zna, koliko jih je in kje se nahajajo. Radi tega je to podjetje tudi velikega pomena iz praktičnih in sentimentalnih razlogov.

Podjetje Narodnega Adresara bo zahtevalo aktivne in intelligentne poverjence po kolonijah, razumevanje s strani organizacij in poedincem, katerih imena naj pridejo v Adresar, kar tudi njihovo dobro voljo da pomagajo k izvedenju te velike ideje. Ta njihova pomoč bo v obliki malenkostnega denarnega prispevka za vrstitev, ki se jim povrne, ko kupijo primerek dovršenega dela. Pričakuje se, da delo bo knjiga, obsegajoča več kot tisoč strani.

To delo nima nikake politične, niti kakre druge prikrite tendenčije in bi bilo želiti, da so v njem zapisane vse naše organizacije in ustanove, pa naj si bo do še tako nasprotne. Le s takim bomo mogli dobiti točen vpogled v naše življenje. Radi tega se proporoča vsem našim organizacijam, ustanovam, podružnicam centralnih organizacij, kakor tudi samostojnim društvom in poedincem, da pravilno pojmo pomen tega podjetja in da ga s svoje strani omogočimo s tem, da dajo potrebne podatke in pomagajo, da se to delo izvrši tako, da doseže oni uspeh, ki ga vsak naš javni deleva želi.

Posamezna društva in ustanove dobijo pisemno obvestilo od izdajatelja: poedince pa bo obiskal lokalni poverjence Adresarja. Za slučaj, da ne dobite takega obvestila, ali da Vas povrjenec opusti, obrnite se pisemno na NARODNI ADRESAR (156 Fifth Ave. New York, N. Y.), tako da tudi Vaša organizacija odnosno Vaše ime bude uvedeno v ta naš prvi vseobčini adresar v Ameriki.

začetka depresije. Videti je, da so razmere vendar nekoliko boljše kot so bile.

Sedaj pa naj poročam še eno žalostno novico. V nedeljo 29. marca sem iz okrajnega zavoda za onemogle (La Salle County Home) dobil poročilo, da mi je tam v starosti 85 let umrl oče Frank Benkše. Pokojnik je bil doma iz Grobelj pri Št. Jerneju na Dolenjskem in je prišel v Ameriko leta 1893, v sicer v La Salle, Ill. Skor ves čas do vojne je delal v premogovih rovih, nato pa nekaj časa v De Pue, Sparlandu in Willardu, Wis. Zadnjih 10 let pa je bil v zavodu za onemogle. Ob času smrti ni bil član nikakega društva, toda svoječasno je bil ustanovitelj društva sv. Barbare, št. 7, v La Salle, Ill., ki je sedaj združeno s SNPJ.

Ker se je pogosto selil sem in tja, je bil črтан, in pozneje ni mogel več vstopiti v društvo, ker je bil prestari. Tako je ostal brez društva. Lani, to je 9. decembra 1935, mu je umrla žena Marija Benkše, starja 82 let, ki je živel v Jugoslaviji. Tu zapušča sina Ignace Benkše in tri vnuka. Pogreb se je vršil 1. aprila na tukajšnjo slovensko pokopališče.

Udeležba pri pogrebu je bila zelo velika in v dolžnosti si štejem, da se vsem udeležencem

pogreba iskreno zahvalim. Hvala tudi vsem, ki so se prišli posloviti od pokojnika, ko je ležal v moji hiši na mrtvaškem odru, iz tega mesta, iz La Salle in iz Jonesvillea. Hvala vsem, ki so darovali za maše zadušnice, vsem, ki so se pokojnika spomnili z venci in cvetlicami, in vsem, ki so nam na en ali drugi način izkazali sozialje in pomoč. Vsem skupaj in vsekem posebej najlepša hvala!

Zaluboči ostali: Ignace Benkše in družina.

Na Hibbingu, Minn., so gibertske diletanti v nedeljo 5. aprila ponovili igro "Mrak." Istega dne smo spet slišali naše rojene fante in dekleta, ki so nam na radio zapeli več slovenskih popevk, ter nas tako v duhu nekako prestavili v naše rodne kraje. Tako so sinovi Martina Šukleta v družbi mladega Kapša iz Eveletha lepo zapeli popevki. "Po jezeru blizu Triglava" in "Rože je na vrhu plela." Shepplov dekleta iz Ely so nam s svojimi ubranimi glasovi zapela o dekletu v Tirolah, Miss Olga Pržnik, rojena na Gilbertu, pa nam je s svojim lepim glasom podala popevko "Dekle na zelenem vrtu" ter operno arijo "Metuljček." Mladi fantje iz Ely, Gilberta in Chisholma pa so v godbi skušali prekositi drug drugega. Vse to je lepo za nas starejše, ker nam budi spomin na lepe mlade dni, ko ristno pa je tudi za tu rojeno mladino, ker se potom naše pesmi in melodije seznamli z najlepšimi biseri naroda, iz katerega izhaja. To bo povzročilo, da bodo bolj ponosni na svoje starše in da se ne bodo nikoli sramovali svojega slovenskega pokolenja.

**Cleveland, O.**  
Mislimi smo, da se je pomlad vrnila zares, toda starika zima je še parkrat pregnala in zelenče vrtove pokrila s snežinkami. Razume se, da vsi prav željno pričakujemo lepih gorih dni.

No, pa če nam ne bo prej gorko, se bomo ogreli v nedeljo 19. aprila v obziru na lepe mlade dni, ko ristno pa je tudi za tu rojeno mladino, ker se potom naše pesmi in melodije seznamli z najlepšimi biseri naroda, iz katerega izhaja. To bo povzročilo, da bodo bolj ponosni na svoje starše in da se ne bodo nikoli sramovali svojega slovenskega pokolenja.

Naj se omenim, da bodo v nedeljo 19. aprila elyski diletanti ponovili veseloigro "Vražja vdova" v Chisholmu, Minn.

## BLAGOSLOV ZEMLJE

(Prevedel Rudolf Kresal)

(Nadaljevanje)

Prihodnjega dne je dospel brod. Izak sedi na veliki skali zraven trgovčeve barake in opazuje, pa tudi to pot se Inger ne prikaže. Ljubi Bog, saj je izstopilo precej potnikov, odraslih in otrok, teda Inger ni bilo med njimi. Izak je stal bolj zadaj, se vse del na to veliko skalo in povsem brez smisla je bilo, če bi tam obsedel, pa jo je mahnil proti brodu. Iz ladje soše vedno prihajali zaboji in kadi, ljudje in poštne pošiljke na dan, toda Inger Izak ni videl. Videl pa je neko ženo z majhno dekllico v naročju, ki je stala že tam pri vrati brodarnice, tista ženska je bila lepa kakor Inger, čeprav Inger ni bila odurna. — Ali — saj to je bila vendar Inger. Hm! je dejal Izak in pohitel tja. Pozdravila sta se; Inger je dejala dober dan in mu dala roko, še malo prehajena in bleda od morske bolezni in poti. Izak je stal povsem tiho, nazadnje je dejal: Da, prav lepo vreme je! Tam gori sem te odtoč prav dobro videla, je dejala Inger, pa se nisem hotela prerniti. Ali si prišel v vas po opravki? je vprašala. — Da. Hm. — Upam da ste vsi zdravi? — Da, hvala za vprašanje. — To je Leopoldina, ona se je na potovanju počutila precej bolje kakor jaz. Glej, to je tvoj oče, zdaj moraš pozdraviti svojega očeta, Leopoldina. — Hm! je Izak zdaj spet dejal; bilo mu je silno čudno pri duši, postal je tuje pred njima. — Inger je dejala: če bo spodaj na brodu videl šivalni stroj — ta je moj. In potem imam še en zabolj. — Izak je takoj šel; šel je več kakor rad. Brodarji so mu pokazali zabolj, zaradi šivalnega stroja pa je morala Inger sama priti in si ga poiskati. Bila je lepa omara neznane oblike, ki je imela okroglo pokrov in locenj, da ga človek nosi — v tem kraju šivalni stroj! Izak si je natovoril zabolj in šivalni stroj in dejal svoji družini: Jaz s tem-le uren stecem v vas, pa se takoj spet vrнем in odnesem potem vaju, je dejal. — Koga boš nosil? je smehljaje se vprašala Inger. Mar misliš, da to veliko deklece ne zna hoditi?

Napotili so se skupaj do konja in voza. Ali si kupil novega konja? je vprašala Inger. In kaj, ti imaš voz s sedalom? — Da, se razume. Vendar, kaj sem misli reči: Ali ne bi prej malo jedla? Prinesel sem nekaj s seboj. — To lahko počaka, da pridemo iz vasi, je dejala. Kaj misliš, Leopoldina, ali boš tu-le lahko sama sedela? — Tega pa oče ni mogel trpeti. — Ne, na kolena lahko pada. Stopi ti z njo na voz in vzemi vajeti.

Tako so se odpeljali in Izak je hodil za vozom.

Motril ju je. Tu-le je zdaj torek Inger, tuja po nošnji in obrazu, odlična, brez zajčje razpoke, samo z rdečo progno na zgornji ustnici. Nič več ni nikala, to je bilo čudno, govorila je prav lepo. Sivo in rdeče pisana volnena ruta z resicami se je krasno prilegla njenim temnim lasem. Inger se je obrnila in vprašala: Bilo bi dobro, če bi bil kako kožuhovino prinesel s seboj, otroka lahko zvečer zebe. — Dam ji svoj jopič, in ko pridemo v gozd, dobri kožo, tam sem jo bil spravil. — Tako, kožo imam v gozdu? — Da, vso pot je nisem hotel voziti, ker nisem vedel, ali bosta prišli. — Tako. Kaj si dejal, da je otrokomu tudi dobro? — Da, hvala za vprašanje. — Zdaj bosta velika, to si mislim. — Da, tega ne manjka. Prav zdaj sta sadila krompir. Ah, tako, je dejala mati in zmaja z glavo. Kaj že krompir lahko sadita? — Elizej mi sega do sem-le in Sivert do sem-le, je odvrnil Izak in meril po sebi.

Mala Leopoldina je prosila jesti. Ah, srčana mala stvarca, pi-kapolonica na vozu! Govorila je s pojočim naglasom, v čudnem d'rontheimskem jeziku, oče si je moral dati tu pa tam prevesti. Imela je iste poteze kakor oba fanta, rjave obrvi in podolgovata lica, ki so jih vsi trije otroci podedovali od matere; otroci so bili materini otroci in to je bilo tako lepo! Izak je bil do svoje hčerkice malo plašljiv, zaradi njenih majhnih čeveljčkov, dolgih, tenkih nogavic in zaradi kratkega oblačilca! Ko je neznanega ji očeta pozdravila, se je priklonila in mu ponudila drobčano ročico.

Ko so prišli v gozd, so se odpočili in južinali; konj je dobil krmo in Leopoldina je s kruhom v roki skakala okrog po resju.

Hudo se nisi spremenil, je dejala Inger in gledala svojega moža. — Izak je pogledal v stran in odgovoril: Tako, misliš? Toda, ti si postala zelo imenitna! — Haha! Kaj še, jaz sem zdaj stara, je odvrala tako šaljivo. — Bilo je jasno, da se Izak ne počuti nič kaj dobro, bil je negotov, bil je nekam skromen, kakor zbgan. Koliko je neki stara njegova žena? Mlajša kot trideset let ne more biti — to je, več jih nima, nemogoče. In čeprav je Izak jedel, je vseeno utrgal še reso in še njo zvečil. Kaj, ti ješ tudi reso! je v smehu vzkliknila Inger. Izak je vrgel reso stran in dal v usta grizljaj, nato je stopil h konju in ga za prednji nogi vzdignil v višino. Inger je temu početju začudeno sledila, videla je, da stoji konj na dveh nogah. — Zakaj delaš to? je vprašala. Tako zaupljiv je, je dejal o konju in ga spet stupsil. Le čemu je to storil? Najbrž je čutil v sebi nepremagljivo željo, da bi bil kaj storil. Ali pa je hotel skriti svojo zadrgo.

Potem so se spet napotili dalje in nekaj časa so šli vsi trije pes. Zagledali so naselbino. Kaj pa je to? je vprašala Inger. To je Bredov grunt, kupil ga je. — Brede? — In pravijo mu na Širokem razgledu! Tukaj so velika barja in skoro nič gozda. — Ko so prešli Široki razgled, so govorili o tem dalje, Izak pa je videl, da Bredov voz še zmerom stoji na prostem.

Otok je postal zdaj zaspan in oče ga je skrbno vzel v narocje in ga nesel. Hodili so dalje, Leopoldina je kmalu zaspala in Inger je dejala: Zavijala jo zdaj v kožo na voz, potem pa lahko spi, dokler hoče. — Tam jo bo tako hudo treslo, je menil oče in jo nesel. Prišli so čez barje in v gozd in Inger, je rekla: Ptro.

Članstvu društva sv. Mihaela, št. 40 JSKJ naznjam, da je bilo na seji 12. aprila odglasovano, da proslavimo 33-letnico ustanovitve društva z zavabo 12. junija. Vsa društva v tem okrožju so prošena, da bi omenjenega dne ne prijevala svojih veselij ali piknikov. Več o proslavi 33-letnice bo poročano v Novi Dobi po seji, ki se bo vršila 10. maja. Priporočam, da se člani polnoštevilno udeležijo prihodnje seje. Dalje priporočam članom, da povedo svojim znancem in prijateljem o visoki solventnosti in splošnem dobre stališču JSKJ, in jih nagovorijo, da stopijo v naše vrste in da vpišejo tudi svoje otroke v naš mladinski oddelek. — Za društvo sv. Mihaela, št. 40 JSKJ:

Tem potom se hočem zahvaliti vsem onim, ki so moj zadnji dopis upoštevali in se odzvali z voščilnimi karticami. Kljub temu sem bil razočaran, ker na karticah so bili samo podpisi, novic pa nikakih. Upam, da v bodoče dobim tudi kaka poročila.

Tukajšnji listi so poročali o hudi zimi, ki ste jo tamkaj imeli, in prav zdaj prinašajo poročila o hudi povodnjih v Pensylvaniji, Ohio, West Virginiji in drugih državah ameriškega vzhoda. Skrbi me, če je nesreča zadevala tudi kakega Slovencev ali celo kakega mojega prijatelja. Zato upam, da si bo kdo vzel nekaj časa in mi o tem kaj sporočil.

Res čudna so pota narave. Tu v Sloveniji pa nismo imeli nikake zime. Sneg je samo enkrat malo zapadel, pa je v nekaj dneh spet izginil. Mraza pa smo imeli samo štiri dni vso zimo. Pa pa je dejalo skoraj dva meseca skupak; seveda netoliko, da bi bila voda kako škodo napravila. Že v začetku marca je nastala prava pomlad, in danes, 25. marca, ko to pismem, je marsikatero drevo že v zelenju in škrjančki prepevajo kot v poletnem času. Kmetje orjejo in po trdem svetu so že krompir posadili. Ako se bo to vreme držalo, bodo letos razni pridelki podljudri mesec prej dozoreli kot običajno.

Saj je pa tudi želeti, da bi revno ljudstvo bilo deležno nekaj usmiljenja in naklonjenosti nad naravo. Od drugod itak nima pričakovati kaj drugega kot obljube. Dosti se je že obetalo in obljubljalo, toda do danes se še ni prav nič izboljšalo, in mislim, da bo samo pri obljubah ostalo. To pa zato, ker se eden od drugega učijo kako se more ubogega siromaka za nos vleči.

Iz Nove Dobe je razvidno, da JSKJ kljub veliki krizi raste in napreduje. To dokazuje, da ima Jednota na krmilu možje, ki se v resnicu trudijo spraviti organizacijo na najvišjo možno stopnjo. Želeti je, da jih letos konvencija za njihovo dobro delo nagradi s tem, da jih še nadalje obdrži v njihovih pozicijah. Priznanje pa zasluži tudi članstvo JSKJ v splošnem, ki ljubi svojo organizacijo in se zaveda, da je to edina slovenska podpora organizacija, ki je samo bratska in v kateri se more članstvo popolnoma svobodno gibati. Naj torej J. S. K. Jednota živi in napreduje!

K sklepku želim vsem glavnim odbornikom in vsemu članstvu JSKJ vesele velikonočne praznike, da bi jih veseli obhajali in se tudi mene kaj spomnili. Najlepši pozdrav vsem!

Ivan Varoga.

Tem potom pozivam člane društva Združeni Slovenci, št. 225 JSKJ, da gotovo noben ne izostane od prihodnje seje, ki se bo vršila v nedeljo 19. aprila.

Za rešiti bomo imeli več važnih zadev in med drugim moramo tudi nekaj ukreniti za v pomoč našim bratom in sestram, ki so bili prizadeti po zadnjih poplavah. Odločiti bomo morali, da li se kaj dovoli iz društvene blagajne ali bomo zbirali prostovoljne prispevke ali se odločimo za oboje. Nekdo bo deležen za 10 centov lepe nagrade, dohodki pa se bodo obrnili v pomoč poplavljanim.

Pod pokroviteljstvom društva št. 30 in št. 150 JSKJ se bo v nedeljo 26. aprila tukaj vpravil zanimačna igra "O, ta vražja vdova!" s predigro "Ciganska karavana." Prireditev se bo vršila v High School auditoriju in se bo pričela ob 8. uri zvečer. Čisti dobitek priditev je namenjen po poplavah prizadetim članom in njihovim družinam.

Narodna in bratska dolžnost nas veže, da pomagamo sobratom, katerim je naravna katastrofa v mnogih slučajih uničila vse premoženje in še ob delo spravila tiste, ki so ga imeli. Člani in članice, povejte sosedom in sosedom o tej igri in jih nagovorite, da kupijo vstopnice za isto. Vsaka vstopnica pomeni nadaljnji žarek veselja in tolažbe za tiste rojake, ki jih je povodenj prizadela. Res je, da tudi nam ni zadnja zima prizadela, marsikomu je pobrala zadnje cente za kurjavo, toda ostala nam je vsaj streha in ostalo nam je pohištvo.

Igra "O, ta vražja vdova!" je zelo zabavna in vesela, vendar popolnoma dostojna. Povede nas v naša mlađa leta, ko smo bili tudi mi mladi fantje in dekleta. Kako se je razpletala možitev še briske pa jezične vrede Mete in njeni za možitev godne hčerce Zalke, boste videli v igri. Predigra "Ciganska karavana" bo tudi zanimačna za vse, posebno pa še za tiste, ki se spominjam taborenja ciganova za domačo vasjo. Vse se bo vršilo v mali vasi na Slovenskem (morda na Gorenjskem) in igralci bodo nastopali v narodnih nošah. V igri nastopijo tudi dobro znane sestre Sheppel iz Ely, ki pojejo vsako nedeljo na Hibbing radio postajo. Torej, kdo omenjenih pevk osebno še ne pozna, jih bo lahko videl pri tej pridjetvi. Igra vsebuje dosti petja in godbe.

V omenjeni igri nastopajo večinoma tukaj rojeni Slovenci in Slovenke, kar je gotovo častno zanje. Starši, opozorite svoje otroke na to igro! Na prireditve so prijazno vabljeni vsi tukajšnji rojaki, pa tudi rojaki iz vseh sosednih naselbin, posebno pa še iz krajev Buhl, Balkan, Kitzville, Keewatin itd. Pazite v nedeljo na radio oglas! Več prihodnjic.

Člane in članice društva Zvon, št. 70 JSKJ, prijazno vabim, da se udeležijo redne seje društva Zvon, ki se bo vršila v soboto 18. aprila v navadnih prostorih in se bo pričela ob 7:30 zvečer. Na omenjeni seji bo predloženo finančno poročilo društva za prve tri mesece dobre. Dalje bo članom podano poročilo o napredku društva, o bolnikih izven društvenega seje in o agitaciji za nove člane obeh oddelkov. Razdeljene bodo tudi vstopnice za proslavo društvene tridesetletnice.

Zadnja seja je bila številno obiskana, in moja želja je, da se prihodnje seje udeležijo vse društvo Zvon, ki se bo vršilo v soboto 18. aprila v navadnih prostorih in se bo pričela ob 7:30 zvečer. Na seji imamo nekaj zabave, po seji imamo nekaj zabave.

Kot se sliši, bomo na prihodnjem članu, ki so dočlenili za bolniške obiskovalce, prosim, da redno obiskujejo bolnike. Zadnjič sem opazil, da ni bilo zadostnega obiskovanja in sem moral sam hoditi obiskovati. Saj ne rečem, da ni moja dolžnost obiskovati bolnike, in od časa do časa grem pogledati k nemu ali drugemu bolniku, toda redno obiskovanja bolnikov ne morem sam vršiti. Pri tem je treba upoštevati, da je bolnik lahko prikrajšan pri bolniški podpori, če ni bil obiskovan kot pravila zahtevajo; to brez njegove krvide. Na drugo stran pa se lahko pripeti, da bolniški obiskovalec (ali obiskovalka), ki je določen za obiskati bolnika, zapade kazni ali tega ne izvrši. Za prvi pregrešek je določena globina 50 centov, za drugi pregrešek pa suspendacija za en mesec. Člani in članice so torej proučeni, da vzamejo v roke pravila in prečitajo točki 406 in 407, da bodo na jasnen.

Nadalje naj omenim, da je pismenim potom sklicana izredna seja ali sestanke za članice našega društva, ki se bo vršila 17. aprila ob 7:30 zvečer v našem domu.
