Pomagajmo narodu doma

P. Bernard Ambrožič, tajnik Pomožne akcije slovenskih župnij, je v par obširnih člankih obrazložil, da se narodu v stari domovini lahko pomaga že sedaj, to je, da ni treba čakati konca vojne. Pomožna akcija slovenskih župnij ima zanesljive zveze s staro domovino, potom katerih nakaže denarno podporo v staro domovino in sicer naravnost na pisarno ljubljanske škofije. Ljubljanska škofija pa potem pomaga onim, ki so zdaj pomoči najbolj potrebni, zlasti onim, ki so v raznih ujetniških koncentracijah in onim, ki se vračajo iz njih, pa nimajo doma, kamor bi glavo položili.

Pomožna akcija slovenskih župnij je vzpričo te nujne potrebe sklenila, da zbere \$10.000. Zbrala je že nekaj nad en tisoč dolarjev, torej je potreba še devet tisočakov. To naj bi bilo za prvo silo.

Mi se s to idejo te pomožne akcije popolnoma strinjamo, pa tudi brez vsakega oklevanja verjamemo, da je vse tako, kot pove p. Bernard. Enako se strinjajo s tem vsi ohijski slovenski gg. duhovniki, ki so bili na tozadevnem sestanku pred nekaj dnevi.

Zato pa tem potom kar najtopleje priporočamo našim rojakom, da začno prispevati, da se tistih deset tisočakov čim prej zbere. Na ljubljanskega škofa je že bilo poslano obvestilo, da bomo tukaj zbrali deset tisoč dolarjev takoj in da na to našo besedo, lahko dobi posojilo in pomaga revežem.

Jugoslovanski pomožni odbor, slovenska sekcija, že zbira denarne prispevke za pomoč stari domovini in ima nabranega že blizu \$50.000. To je prav in vsak, ki le more, naj daruje v ta blag namen. Vsi vemo, da bo po vojni silna potreba doma in da bo vsak cent, ki ga bomo poslali iz Amerike domov krvavo potreben.

Toda, ker je možna pot, da pomagamo sedaj, takoj, bi ne bilo lepo od nas, ako ne bi že sedaj pomagali, vsaj nekoliko, za prvo silo. Morda bo s tem, ako pride pomoč takoj, ohranjeno marsikatero življenje. Včasih je dolar takoj vreden več, kot pozneje sto dolarjev. Zato pa nimamo srca, da bi mogli odreči to pomoč.

Rojaki, Slovenci! Začnimo torej zbirati in znašati teh deset tisoč dolarjev in to nemudoma! Kaj pa je \$10.000 za nas v teh dobrih časih! Prava mrvice!

Kot slišimo, bodo zbirali te denarne prispevke po naših slovenskih župnijah, v cerkvi in tudi po hišah. Tako so že zbrali lepe vsote pri župnijah: Marije Vnebovzete v Collinwoodu, pri sv. Lovrencu v Newburgu, pri sv. Vidu v Clevelandu pri sv. Cirilu in Metodu v Lorainu. Tudi iz drugih krajev prihajajo prispevki, kot je poročal blagajnik Anton Grdina.

Tudi v našem uredništvu bomo pobirali. Ime in vsota vsakega darovalca bo zabeležena in v časopisu priobčena, po vojni bodo imena teh velikodušnih dobrotnikov poslana v staro domovino.

Kot rečeno, naj zbira kdor hoče in kakor hoče, samo da zbira za od pomoč našim tako strašno prizadetim ljudem v stari domovini. Vse je hvalevredno, vse gre v isti namen. Zato ne delajmo ovire drug drugemu, ampak raje drug drugega navdušujemo. Nihče nima patenta za to zbiranje prispevkov, češ, da nima noben drugi pravice nabirati. Morda eden dobi nekaj tam, kjer bi drugi ne mogel. Kadar zbirajo, na primer, za Rdeči križ, ali v kake druge namene, je na tisoče nabiralcev, toda vse gre v en namen. Tako je tudi tukaj. Razlika je le ta, da hoče Pomožna akcija slovenskih župnij poslati takoj, dočim drugi mislijo, da bi raje poslali po vojni. Pomoč je potrebna pa sedaj in bo potrebna potem.

Torej delajmo lepo roka v roki, saj smo vsi Slovenci in vsi imamo srce za svoje revne rojake doma. Vprašanje je samo: ali hočete dati tukaj ali tam, ali hočete dati temu ali onemu. Poštenjaki so na obeh straneh, denar je darovan v poštene rok tam in tukaj.

Kot rečeno, mi smo se zavzeli, da hočemo zbrati takoj deset tisoč dolarjev in zbrali jih bomo. Prepričani smo, da ni nikogar, ki bi dvomil nad iskrenostjo gg. duhovnikov, ki so vključeni pri tej pomožni akciji. Saj poznamo vse, saj so tukaj med nami in ostali bodo med nami.

Ameriška Domovina si je nadela nalogo, da bo začela na celi črti delovati za to akcijo. Upamo, da imamo tudi mi pri narodu kredit. Vselej, kadar smo apelirali na narod za to ali ono stvar, vselej je to krasno odzval, pa je tudi vselej videl, da smo bili iskreni in pa poštene. Tako, upamo, nam bo narod verjel tudi zdaj in se odzval.

Drugi teden bomo začeli v našem listu priobčevati nekaj barometer, ki bo kazal od tedna do tedna, kako raste kvota, katero hočemo nabirati. Videli bomo, kako naglo bodo rasli stotaki in tisočaki. Kvota je \$10.000 in prav zanesemo se na naše ljudi, da bo to kmalu nabrano.

Vsak najmanjši dar bo hvaležno sprejet. Vsak bo dobil za darovano vsoto potrdilo. Prinesite ali pošljite v naš urad, ali oddajte v svojih župnijah. Vse gre v eno blagajno, vse za naš sirotin narod v stari domovini. Dajmo, bratje in sestre, pomagajmo zdaj, ko je sila največja.

BESEDA IZ NARODA**Koncert Planine**

Maple Heights, O. — V nedeljo 23. maja nam bo zbor Planina zopet podal nekaj naših krasnih slovenskih pesmic, katerih se je zbor naučil tekom dolgih zimskih večerov. Pa tudi sedaj, ko je že tukaj tako zelena ljuba pomlad, se pevci in pevke prav pridno udeležujejo pevskih vaj.

Prav gotovo je, da se pevci ne trudijo samo v svojo lastno korist, pač pa imajo pevci v svojih srečih tisto zlato ljubezen do slovenske pesmi, katere ne sme umreti med nami.

Cenjeno občinstvo je prijazen vabljen. Torej udeležimo se tega koncerta, ki se vrši pod spretnim vodstvom pevovodje g. Joseph Kogojca. Pričetek ob 7:30 zvečer. Po koncertu pa bo prosta zabava in ples, za katerega bo igral Johnny Sullen in njegov orkester. Na svidenje!

Louis Kastelic.

Mladina vas vabi

V nedeljo 23. maja ob 3:30 popoldne poda mladinski oddelček Slovenske šole S. N. Doma v auditoriju, 6417 St. Clair Ave., zadnji program v sezoni. V priporočili bodo dve enodejanski igri in sicer: Sestrin varuh, spisala Manica Komanova in Materin god, spisal Josip Stritar. Obe igri sta dobro naučeni in bosta igrani v zadovoljstvo občinstva.

Slovenska šola je želela podati ta program na materinski dan, toda žal, nedelja je bila že preje oddana drugim. Zato je v programu vključeno precej gradiva v počast materam, kar naj vse navzoče za dobro vzamejo, ker je njim namenjeno iz src mladine, čeprav malo pozno.

V programu je precej lepih pesmi, katere bodo deklamirali učenci Slovenske šole SND in sicer so Ivan Zormanove, Ivan Zupanove, Otona Zupančiča in drugih pesnikov.

V programu nastopijo tudi mladi harmonikarji in bodo pokazali svoje spretnosti v igranju raznih skladb, ki navadno ugajajo občinstvu.

Ne bom povedal vsega, kaj še bo na programu, ampak rečem lahko, da boste zadovoljni z njim. Mladina iskreno želi, da se kdo zanima zanjo, da se jih pride pogledati, kadar vpriporijo razne igre in podajo druge točke programa. Čimveč občinstva vidijo v dvorani, temveč veselja kipi v srečih mladih učencev.

Slovenska šola SND potrebuje poleg materialne tudi precej moralne podpore. Kadar so podane šolske prireditve, ste prosi vsi rojaki in rojakinje, da če je količnik mogoče, da jih posetite v čimvečjem številu in s svojo prisotnostjo navdušite mladino k nadaljnjemu učenju slovenskega jezika. Danes je Slovenska šola še bolj važna kot kdaj poprej radi strašnih razmer v starem kraju. Zato jo moramo podpirati in negovati, da se ohrani in še bolj poživljuje v bodoče. Na svetu se dogajajo sedaj čudne reči in zato je naša dolžnost, da pripravimo mladino na vse eventualne prilike, ki se znajo pojaviti v bližnji prihodnosti. Znanje slovenskega jezika poleg angleščine je velika pridobitev za vsakega mladega potomca Slovencev.

Kolikor jezikov kdo zna, za toliko oseb dotični velja. Mnogi Amerikanci priporočajo, naj se mladina uči tujih jezikov. V vseh slučajih pride v poštev najprvo materni jezik. Zelo ugleden clevelandčan se je izrazil, da kdor poleg angleščine ne obvlada vsaj še enega jezika,

se ne more šteti med nadpovprečno izobraženega. Vsi moramo pomagati, da se Slovensko šolo obdrži še v naprej in vodi še z večjim razmahom. Pokažimo, da smo še živi in da se zavedamo vrednosti izobraževanja.

Po programu, zvečer bo ples, pri katerem igra John Pecon's orkester. Vstopnina za popoldne ali zvečer je samo 50 centov, vstevši davek. Vstopnice se dobijo v slaščičarni Mrs. Makovec v S. N. Domu in v uradu tajnika S. N. Doma, pri Mr. John Tavčarju.

Zastopniki in zastopnice društev v Prosvetni klub SND, ste vsi iskreno prosi, da pridete na predstavo in da poprimete za kašno delo, če treba, da se priredba uspešno završi.

Za Prosvetni klub S. N. Doma,

Erazem Gorshe, tajnik.

Skupna svota \$556.50. Prav lepa hvala v imenu odbora ka-

kor tudi v imenu trpečega naroda v stari domovini, za katerega nabiramo.

Se veliko število vstopnic, katere so bile poslano na posamezne osebe v naselbini, niso bile še vrnene. Cvetna nedelja je že davno minila le zakaj se eni rojaki vsaj malo ne zdramijo? Ali mislijo, da njih ne zadene vsaj nekaj dolžnosti pomagat ubogemu krvavečemu narodu, iz katerega izhaja tudi on. "Da sem pozabil," to je zelo slab izgovor, kako pa bi bilo, da bi vsi ljudje pozabili na svoje domačine? Da bi pa še pisмено opominjal nad 50 oseb pa zopet ne bi bilo nič bolj kot omejitve v tem dopisu, ker ako hočemo pozabiti, bodo pozabili, tudi če bi jih pisмено opozoril. Za JPO št. 2 SS,

Joseph Okorn, blagajnik.

Podružnica št. 6 SMZ

Cenjeni člani! Enkrat v letu bi morali vsi člani naše podružnice skupaj priti (saj nas je več kot 100), zato da se lahko vsako leto enkrat skupno zabavamo, da poizvemo, kdo so naši člani, da se spoznamo in da pokažemo našo skupno moč. Zaradi tega je naš veselični odbor sklenil letos prirediti eno zabavo, tako zvani "Card Party."

Torej, v nedeljo bomo imeli "Card Party," okrepčila, zadostiti pijače, in če verjamete ali ne, zadosti mesa in cukra. Card Party se vrši v nedeljo 23. maja, ob 2 do 6 ure popoldne, v spodnji dvorani nove šole sv. Vida. Card Party je za člane in prijatelje. Torej, pripeljite s seboj svojo soprogo, odrasle člane vaše družine, in druge prijatelje. Vstopnina je prosta, ali pa kolikor želite prispevati. Z bratskim pozdravom, Veselični Odbor:

William Vrnik,

Na Spominski dan

V Ameriki imamo veliko lepih navad in praznikov, ki imajo pomen. Eden od teh je 30. maja, tako zvani "Memorial Day" dan, na katerega se posebno spominjamo onih rajnih, ki so padli v vojni za domovino, za ameriško svobodo. Amerika itak ne pozna drugačne vojne kakor takrat, kadar se gre za obrambo domovine ali pa za ohranitev demokracije.

Lepo je, da se spominjamo teh, ki so dali življenje mladim let v namen da drugi uživajo udobnost, prav je da se praznuje nanje spomin. Ta praznik bo moral biti še poostren in povečan in še bolj upoštevan, ko bo še sedanja vojska dobljena in za vedno končana. Bog dal.

Obenem pa, ko se spominjamo teh, ki so padli na bojnem polju, pa ne moremo iti mimo ne da bi se spomnili tudi ostalih naših sorodnikov in prijateljev, ki so odšli v večnost, bilo že pred nekaj leti, ali še ne dolgo nazaj. Za to vse hiti na pokopališča da izkaže njim na grobovih zadnjo čast in spoštovanje.

Na vseh pokopališčih se v kolikor je mogoče udeležuje v uniformah na ta dan dopoldan društva veteranov ali Legionarjev, kjer opravijo po njih običaju take ceremonije nagrobnice in oddajo salve v znak in v počastitev njim v spomin.

Take prizore sem podpisani večkrat posnel na filmske slike, da jih o priliki vidimo. Prav tako se vršijo v mestih velike take parade, kjer se uvrstijo vojski z godbami in igrajo žalostinke, katere spominjajo na one čase, ko so še na bojnih poljanah korakali proti sovražniku. Tudi teh slik sem večkrat posnel na ta dan, da se jih o priliki spomnimo.

Ker je pa v našem življenju vedno več in več spominskih dni, skoro dnevno, bi že morali obujati spomin, zdaj na enega, zdaj na drugega odličnega pionirja ali narodnega delavca; ljubljene matere ali drugega očeta, sina in hčere; za to se ne moremo čuditi, če vidimo, da odhajajo na pokopališče trume ljudi vsoko nedeljo in še med tednom sleherne dneve. To je nekaj zelo dobre navade in pa tudi dobrega namena, ko vidimo na pokopališču na grobovih klečati njih drage sorodnike, kateri obujajo spomin na svoje drage. Poznam družine, ki ne zamudijo niti ene nedelje v letu, da ne bi šli na pokopališče. In poznam celo take, ki to store dnevno, človek se odloči in stori. Čast mu, kdor ima v tem blag in dober namen.

Poleg vsega tega kar spominja na rajne in obuja nanje spomin je še eno drugo sredstvo, to je filmska slika posneta ob času pogrebov. To ima več dobrih namenov: prvič je v tem posnetek običaja v sedanjih časih za poznejša leta, ko se zna vse to, ki je sedaj v navadi, spremeniti v drugačno formo ali običaje; drugič je v tem to, da se rajnega ohrani v spominu za isto rodovino za poznejša leta.

V mnogih slučajih so mladolletni otroci, kjer jim je umrla mati, katero ne bodo nikoli poznali in videli. V drugih slučajih so njih sorodniki v oddaljenih deželah, tako imamo na primer tukaj v Ameriki v slikah sprevode iz stare domovine: škofa Jegliča, Dr. Anton Koroseca in še več drugih poznanih mož in tudi podeželskih pogrebov. Ravno ti so za nas in za naše otroke tukaj zanimivi, ker prikazujejo običaje, kako se to izvršuje v deželah drugod. Gotovo bi se v stari domovini čudili, ko bi videli naše pogrebe, katere odpremljamo mi tukaj v Ameriki, ki so mnogiokrat bolj podobni cvetočemu vrtu, nego pogrebu. In ravno v tem je tudi vzrok, da se tu in tam posname slika, posebno še, če se poslovi od naroda pionir, ki je delal za narod. Vzemimo rajnega pokojnega Alojžja Pirca; koliko dobrega je storil za mnoge tudi rajni Jernej Knaus ter drugi številni veljavni pionirji v naselbini. Prav posebno je pa še potrebno, da so posnete slike tudi vojakov ali vojaških pogrebov, bilo legijonarjev ali veteranov, doslužencev. Ako se dopade ljudem, da bo času pogreba potrošijo nekaj stotakov, je na vsak način potem potrebno, da se iz zgoraj navedenih vzrokov posname od tega posnetek in slikah, ki se, če je potreba lahko slika pokaže, lahko pa se opusti. V tem je le toliko razlike, da, če ni posneta se tudi nikoli pokazati ne more, če tudi bi nekateri potem ne vem kaj dali, da bi jo videli. To pa ne more biti, če ni bila posneta.

AMBULANCA

Najnovejši, dasi ni najprijetnejši voz, je ambulanca. Imenuje se tudi invalidni voz. Kadar ga je treba, se mora rabiti. Ako reče zdravnik: "V bolnišnico mora bolnik," takrat se spomnite, da imamo za to izvanredni voz, ki je samo za to uporabo. Razdalja ne pomeni veliko, več velja potreba, ki je v takih slučajih nujno potrebna.

Naša firma ima za seboj mnogoletne preiskunje in zato se obrnite na nas zaupno vsak čas.

ta. To je razlog zakaj da se in tam naredi posnetek prizorov.

Ko bom že 45 leto v Ameriki praznoval ta spominski dan, ko je že v številnih predstavi, katere so bila položena na po posredovanju naše firme, sem končno prišel do zbiranja, da bo naša firma potegnala zavoda to leto na dan 30. maja zvečer Knausovi dvorani slikovno predstavo, katere bo sestavljala iz takih slik, radi katerih se praznuje ta dan.

Slike za ta dan bodo posnete, kakor so že bile omenjene, to je: slike obredov in pogrebne dneva v mestu in na pokopališču; za tem pa pogrebov, vo one iz stare domovine, pa še druge, katerih slike imamo na rokah. Družine bodo obveščene, da se odobro sorodniki vred. Mnogi jih so videli in vedo, da so posnete. Na ta način bo v spominu.

HRVATOV MIHA

Črtica. Spisal I. Mohorov.

Tako je presnival Miha vso
zimo do Božiča. Sveti večer je
bil, zvonovi so vabili k polnoč-
nici. Miha, ki je imel delo, za-
kasnil se je bil. Ko je vstopil v
cerkev, bila je ta docela napol-
njena. Vsa cerkev je plavala v
nebeski radosti. In ko je videl
Miha te srečne obraze, mu je
postalo hudo. On edini je sam,
sam, tako sam na celim svetu.
Zadonele so orgle, ljudstvo je
zapelo novorojenemu v po-
zdrav:

Kaj se vam zdi, pastirci vi,
al' ste kaj slišali ...

Miha je vzdrgetal. Spoznal
je dobro Cilkin glas in vsa du-
ša mu je veselja zatrepetala.
Zavrtelo se mu je v glavi, str-
mel je na oltar, a misli njegove
so bile zablodile vse srečne tja
daleč gori v nebo, veselja je
vriskalo v njem in pelo: "Hva-
la Bogu na višavah."

In ko je odhajala, je stopil
za njo. Žarela je vsa veselja in
sreče. Pred cerkvenimi vratmi
pa so čakali fantje, in eden iz-
med njih je pristopil, in ji po-
šepetal:

"Cilka, to za Božič!" Miha
je videl, kako mu je stisnila ro-
ko in skrla drobni prstan; vse
je videl Miha in je umel. Ej,
ni bil tako neumen Miha, kot so
mislili o njem.
Miha je čutil iznova, kako je
sam, in je šel in je jokalo vso
noč.

"Jež, Marija, ubilo je ene-
ga, podsulo!" Tako se je razle-
glo tisti dan po vasi in čez pol-
ure so prinesli štirje možje po-
bitega Miha domov. Bil je še
živ, a tako slab, da se je bilo
bati smrti vsaki hip. Kamenje
so lomili za novo cesto in tedaj
ga je bilo pomečkalo. Ko je
prišel k zavesti, prosil je vode.

"Vidiš, Miha, zdaj boš umrl,

"Ali te močno boli?"
"Boli že, a ne de nič!"

"Hišo, ali res, komur hočem

"Glej ga no, seveda, komur

Tedaj je preletelo tiho vese-
lje njegov obraz:
"Če je že tako, naj jo pa ima
Cilka!"
"Cilka, čigava —?"
"Jermanova, katera je vzela
—"
"A-a-a —"
Poklicali so jo. Prišla je in
stopila k ranjencu. Ko jo je
ugledal Miha, razjasnilo se mu
je obličje:
"Cilka, to hišo imam; ker pa
moram umreti, dam jo tebi, ker
si tako lepo pela in si bila do-
bra moji materi!"
Glas mu je drgetal ganjenja.
Vsem pričujočim se je storilo
milo. Cilka je umela bolest in
nesrečo ranjenčev, pristopila
tesno k njemu ter ga prijala za
roko. Njegovo oči so se odprle
široko in še v hipu, ko se je po-
slavljala njegova duša od trp-
ljenja, slišal je njene besede:
"Ubožec, bodi srečnejši kot
si bil dozdaj —"
Tako je umrl Hrvatov Miha

TRINERJEVO GRENKO VINO IN VOJNA

Rimski pesnik Ovidij je rekel pred
1.900 leti: "O blaženo zdravje! S te-

DEADLINE FOR ALL COPY
WEDNESDAY NIGHT

"LIFE IN THE ARMY"

Dear Editor:

Again your soldier reporter is with you today and saying hello to all of you.

Today I would like to say something to you about my column. I want all of you to understand my column that I write from time to time. My column does not consist of any happenings back in Cleveland as it can not be done when one is away from home. But such items are being presented to you by different reporters from each parish as the columns of The Shadow, The Spy and others. So as my column is titled "Life in the Army," I try to explain to you the happenings at a Service Camp taking this camp—Lincoln Air Base—as an example. In this way I try to tell you what goes on in different camps as they are all in a similar way, therefore giving you a general idea of happenings in the army throughout the states. So when I write of what happens here at this base, I know that I also express the feelings of many of our men in different camps.

Some of you might say that you don't care what goes on in an army camp, but if you have someone in the service your feelings and thoughts are different. As one person has written me saying my "column is boring to tears, as there is nothing of interest." So I think you know what I mean.

This person probably does not have any one in the service, and is having just one helluva good time. As having someone in the service or being in themselves would change their attitude. Am I not right? Or is it the sixty-four dollar question?

The Spotlight Band Program

Yes, Victory Parade of Spotlight Bands sponsored by Coco Cola (plug) placed Lincoln Air Base in the Spotlight on April 30th as the program was broadcast from this base. The spotlight band was none other but Frankie Masters and his band. The program was held in one of the huge hangars on the base. It was a grand performance and enjoyed by all who were in attendance. These programs are sent out six days a week at different camps and War Production Areas. Also given on the base was the USO show "Breezing Along." Then on Sunday, May 1st, KFAB radio station in Nebraska prepared a War Bond Rally from the Base.

Gas Alert Day
We here at this base every Wednesday have Gas Alert Day. All soldiers are on the alert for gas attacks which are make-believe. Soldiers must carry their gas masks at all times throughout the day wherever they go.

Did You Know?

That paper underwear may be used soon. Word comes from the Arctic that American forces have used paper unmentionables. The new garments are discarded after one or two wearings.

That the average soldier writes and receives three times as much mail as he did in civilian life.

That fuelless lighters that need no fuel and give no flame has been purchased by the army and are for sale only to troops overseas.

That men in the service are awaiting that letter from you, as it is the best helper of importance to Victory. So get it written TODAY.

Cpl. Eddie Skufca,
Hq. & Hq. Squadron,
Lincoln Air Base, Neb.

NEWBURGH NEWS

Dear Boys

From the heart of the town you called home, from your own little *Burg*, come these lines. The desire to see you here in the neighborhood once again as of yore; to hear the good "old gang" harmonizing those loved folk songs; to see those same familiar faces at those unforgotten places of gatherings; to talk and laugh and have a good time; to greet friends and chat as we often used to, prompts me to send this "open letter" your way.

The lovely spring days that have finally unfolded before us, the scent of budding blossoms, the song of the birds and the beauty of nature itself, cast a spell on my humble being today. My thoughts seem to wander far away into the sun-baked sands of Africa, out on the deep blue ocean of the Atlantic and the Pacific, into the cold and icy lands that border our northern coast, deep into the heart of the home of ukeles and leis, and into the thousands of camps and barracks that bespeckle our forty-eight states.

Here it is, that I seem to find so many of you. I stop to ponder; what a treat it would be for any of you to see an old pal from the neighborhood and speak to him of the town and folks you left behind. Yes, such day dreams remain but vanishing fancies. It is, therefore, our duty to bring "Home" to you. Won't you linger awhile

and see what we back home and your scattered friends are doing?

Last week-end many of our young ladies, namely the two drill teams, took a trip to *Pittsburgh* for the participation in competitive drills. We certainly had a great time; of course, we didn't march off with first prize but Team No. 15 captained by *Miss Elinore Hrovat* and Team No. 47 captained by *Mrs. Mary Skul* both rated honorable mention and shared in the (Continued on page 3)

Succeeds in Home and School Career

Marking the conclusion of two successful careers, Miss Mary Repar, 19, of 1156 E. 60 St., last Thursday graduated with a class of 210 at commencement exercises of Jane Addams Vocational High School for Girls in Public Music Hall.

Miss Repar, regularly on the honor roll at Jane Addams for her scholastic work, has also been home-maker for her father, Joseph M., and her two brothers since her mother was fatally injured by a hit-skip automobile two years ago.

The brothers, Staff Sgt. Frank Repar of the army air forces and Petty Officer Joseph Repar of the navy, both stationed in Florida, are now in the care of Uncle Sam, relieving their sister for other duties. Fulfilling a promise once made to her mother, she plans to study nursing.

*IT'S COMING!!!

After an absence of several seasons, the Orels are again sponsoring a hay ride in the month of June. The location of the ride will be the Hurd Farm, a short distance from Cleveland which is ideal with gas rationing at the present time.

Included in the hay ride evening will be music dancing and a chicken dinner. Those who have not made reservations to date should call ENdicott 0472. More details later.

Tidbits by Ty

*Ted Zak was the honored man at the meeting. He'll be leaving us soon to swell the ranks of Uncle Sam's Army. Best wishes from the Orels.

*Privates first class Allan Kingzett and Rudy Klemencic enlivening the meeting. Rudy had to leave early and as convention demands, he faithfully shook hands with all of the fellows but, for the girls, oh boy.—"Something NEW has been added to the new Rudolph,"—as the old radio line used to go. — Mary Ann Sever conducting the meeting with a bad case of sniffles. — Josephine Smrekar and Frank Mlinar coming to the meeting after night school. Jo attends Dyke and Frank Western Reserve. — Curly Jo all hepped up on the hay ride. — Ann Korenchan coming down late. She is now employed at the Jahco plant in Bedford and works late. — Ann Zak loaning the Orels her record player for dancing. An Orel Oscar to Ann. — Matt Mlinar playing some of his home recordings. — Box hockey still holding first place to dancing. — Agnes Kosec slipping away early. — Frances Zak and Mary Repar reported absent as was Tony Dusa..

*Frank Brodnick coming in earlier than usual but still later than ever. — The Mob Inc. stepping out after the meeting to celebrate Allan's homecoming.

Why Not Join Us?

During its current membership campaign, The Slovenian Mutual Benefit Association makes a special insurance offer. It will insure your children free for a period of six months if they are enrolled before July 1st, 1943. It offers protection up to \$500.00 for 15 cents per month and up to \$1,000.00 for 30 cents per month. Our juvenile certificates have a reserve which is credited to such member when the child attains to the age of 16 years and transfers to the Adult Department. This amount of reserve practically amounts to the amount paid to the association as premiums by the child or parent. It is a most low-cost and sound protection for both parent and child.

To young couples SDZ presents this most attractive form of insurance as an added feature to its legal reserve, paid-up, extended and loan provisions. If a mother is a member, she receives \$15.00 as her benefit and \$10.00 is credited to the new-born child toward the payment of future assessments upon its insurance certificate. This amount is sufficient to cover a period of five and one-half years. As the child will transfer to the Adult Department at the age of sixteen years, payments for eleven and one-half years will be made by the parent or child. These payments amount to \$20.70. However, at the age of sixteen years when the child transfers to the Adult Department, the reserve in the sum of \$19.95 is credited to the adult certificate. Elementary arithmetic shows that for the very small total sum of 75 cents, the child has been insured for the entire period of sixteen years. There is no better investment for 75 cents anywhere in the world. It is definitely a very good bargain and the soundest investment.

For the cost of 75 cents you and the child are protected for a period of sixteen years. Moreover, your investment will not be lost in the event the child dies. As a member of SDZ the child is also given educational, cultural and recreational opportunities. SDZ fosters and maintains juvenile lodges and clubs where the child may gain invaluable experience in parliamentary law, public speaking, debate, the conduct and order of meetings and leadership. After the meetings, there is good clean fun and educational games. The child may also acquire the invaluable knack of meeting and associating with people, making and cultivating friendships and public poise.

As a member of SDZ the child is not only protected by the soundest low-cost insurance but acquires priceless experience. For further information communicate with our executive offices at 6403 St. Clair Avenue, or phone ENdicott 0886.

A LITTLE ABOUT OUR MOTHER'S DAY PROGRAM

The Baraga Glee Club and St. Vitus Theatre Guild extend a hearty "thank you" to all the friends for their kind help in making the annual Mother's Day program such an outstanding success.

Special thanks are due the Mesdames Hrastar, Brancel and Pohar who "presided" in the kitchen; Clarence Tomsick and Frank Pakj in charge of refreshments; Mr. Frank Turek, Mr. Ivan Zupan, Mr. Anton Grdina, Sr. Mrs. Albina Novak, and Mrs. Frances Kodrich for publicity; Novak's and Makovec Confectioneries for the sale of tickets; the Lube quartet for its entertainment; our youthful "checkers"—Ed Pakj and Anthony Rebol; the American Home for boosting our program, and last, but not least, the faculty of St. Vitus School for its kind co-operation.

Without the assistance of the abovementioned, we could never have realized the success that was ours. We appreciate your friendly interest in our undertakings and assure you it will not go by unnoticed.
