LETO XLVIII—VOL. XLVIII

B TEDNU Rusi poročajo o velikih nemških izgubah 2 tednov

London, 27. jan. — Rusko vrhovno poveljstvo je sinoči poročalo, da so ruske armade pobile ali zajele v dveh tednih zimске ofenzive 381,330 Nemcev. Ruske armade se v ale nevzdržema proti Rajhu. Včeraj so okupirale mesto Hindenburg v Šleziji, dočim so druge ruske armade dosegle Gdanjsk ter s tem popolnoma odrezale Vzhodno Prusijo od Nemčije. Tukaj je zajetih 20 do 25 nemških divizij, okrog 200,000 vojakov.

Za Cleveland je zdaj določenega precej manj premoga

Vladna administracija za kurivo je določila tudi za Cleveland manj premoga. Odredba se glasi, da nihče ne more dobiti premoga, dokler bo vladala ta premogovna kriza, kdor ga ima na roki vsaj za pet dni. Oni pa, ki nimajo niti kepice premoga, ga ne morejo dobiti več kot eno tona ali ne več kot toliko, da ga bodo imeli za sedem dni.

V nekaterih vzhodnih državah je pa glede tega še huje. V mestu Albany, N. Y. je na primer župan ukazal šolam, knjižnicam, nočnim klubim, glediščem in kegljiščem, da zaprejo do nadaljnjega obvestila od nedelje naprej.

Clevelandski šolski odbor je včeraj izjavil, da šol zaenkrat še ne bodo zaprli ker znaša zaloga premoga še za nekaj tednov. V tem času se bo pa že kaj spremenilo.

Pomanjkanje premoga je vse od reke Mississippi do Atlantika. Največ je vzrok temu izjemno hudo mraz, da so ljudje pokurili več premoga kot drugače, drugič je pa zastoj v prevozu.

Smrtna kosa

Vida št. 25 KSKJ.

Danes gorkeje, ampak...

Vladni vremenski urad obljubljuje za danes nekoliko gorkeje. Sviri pa, da bo jutri večer zopet pritisnil mraz. Danes zgodaj zjutraj je padel toplotni mer pod ničlo. Tudi nekaj snega nam obeta vremenski urad za noč, kot bi ga že ne imeli dovolj. No, čez dobrih pet mesecev bo pa 4. julija.

Senatni odsek se je izjavil proti nominaciji Henry Wallace-ja

Washington. — Senatni odsek za trgovino je včeraj z 14 proti 5 glasovom zavrgel priporočilo predsednika Roosevelta, da bi bil bivši podpredsednik Zed. držav, Henry Wallace, imenovan za trgovinskega tajnika. Dalje je odsek odglasoval, da se loči finančna agencija RFC od urada trgovinskega tajnika. Tako bi Wallace, če bi bil končno le potrjen za trgovinskega tajnika, ne dobil v roke bilijonov te vladne finančne agencije.

Ohijjski senator Burton je glasoval z večino proti Wallace-ju, ki ni dobil pri nobenem glasovanju niti enega republikanskega glasu. V odseku so južni demokratje in pa republikanci.

Odsek odločbo do dobila senatna zbornica v roke v ponedeljek, kjer se bo potem odločila usoda Henryja Wallaceja, kateremu hoče predsednik Roosevelt poplačati s tem važnim uradom delo v volivni kampanji.

ZASTAVA VIHRA ŠE KAR NAPREJ DRŽAVNA

London. — Jugoslovanska vlada izjavlja, da ni nikdar izdala ukaza, da se nadomesti državno jugoslovansko zastavo z ono maršala Tita z rečo zvezdo. Državna zastava še vedno vihra na poslaništvu v Londonu in če bo kdaj razobešana druga, bo najprej tukaj, izjavlja vlada.

Ta izjava je bila podana javnosti na vesti, da je bila na vseh jugoslovanskih ladjah razobešana Titova zastava, in enako na vseh vladnih poslopih.

Zavezniki so pripravljeni udariti v bogato Porurje

Pariz, 26. jan. — Na zapadnem bregu reke Roer je ves nemški odpor zlomljen. Tukaj stojita zdaj pripravljeni za vdor v nemško Porurje 9. ameriška in 2. angleška armada. Pozicije teh armad so zdaj samo 22 milj od Dusseldorfa. Deveta ameriška armada je po 6 tednih zopet prešla v izpad ter se prirnila do reke Roer na pet milj široki fronti včeraj.

Sedma ameriška armada, ki operira na desnem krilu bojne fronte, je včeraj čekirala nemško ofenzivo v severni Alzaciji. Amerikanci so vrhli nacije čez reko Moder ter s tem odvrnili nevarnost za Strasbourg.

Prva in tretja ameriška armada sta pa zmastili zadnji nemški odpor v Ardenih, to je v kotu Luxembourga in Belgije. Tretja armada je že dosegla več točk, s katerih so začeli Nemci ofenzivo zadnji mesec.

Prva armada stoji zdaj par milj oddaljena od nemške meje. Tukaj ne kažejo Nemci skoro nobenega odpora, kar znači, da so Nemci res premestili od tukaj bojne sile ter jih poslali proti Rusom.

Morda je v delu zopet novo racioniranje

Washington. — Predsednik Roosevelt je apeliral na ameriški narod, naj pomaga farmarjem na vsak možen način, da se doseže kvota poljskih pridelkov, ki je bila določena za to leto. Potrebe za živila so doma in pri naših zaveznikih tako velike, da mora vsakdo pomagati, pravi predsednik. To si nekateri razlagajo zdaj, da bodo v kratkem prišle nove drastične odredbe v racioniranju živil.

Miss Davis bo morala iz tega pa plačati za druge talente, ki bodo nastopali z njo na radiu. Noben komentator ali humorist na radiu ni plačan toliko.

Mornarica bo obdržala rezervne častnike

Washington. — Mornariško poveljstvo je apeliralo na kongres, da napravi postavbo, ki bi primorala rezervne častnike ostati v službi po vojni, če bo to potrebno. Taki častniki ne bodo smeli iti v civil, ako ne bo dovolj moštva na ladjah. Kongres bo raztegnil "vojno potrebo" tudi v mirni čas.

Jetika med govedino je v Ameriki pod kontrolo

Washington. — Poljedelski oddelek vlade pravi, da se je posrečilo bolezen jetike pri goveji živini skoro popolnoma zatreti ali vsaj omejiti. Lansko leto so preiskali 10 milijonov krav in samo pri 17,000 so našli kal bolezni. V osmih državah so to bolezen popolnoma zatrli.

Kaj pravite

Ohijski demokratiški politiki so zelo kunšni ljudje. To se parvi nekateri voditelji mislijo, če niso mar prav trdno prepričani o tem, da so zajemali pamet kar z golito. Oni dan so se pokazali v vsej svoji politični glori, ko so spodnesli stolček državnemu senatorju Bill Boyd, našemu hrvatskemu rojaku. Bil je namreč poprej vodja demokratov v senatu. Po zadnjih volitvah, ali v novem zasedanju legislature, so pa demokratiški voditelji uvideli silno potrebo, da odstavijo Boyda kot voditelja. Nakana se jim je posrečila in izvoljen je bil nek Lipscher.

Ampak naš Bill se ni dolgo kisal za izgubljenost šaržo. Na pomoč so mu namreč prišli republikanci, ki so pametni ljudje in vidijo v človeku zmožnosti, pa so jih videli tudi v Boydu. Šli so in ga imenovali, ker imajo večino in delajo kar hočejo, v najbolj važne senatne odseke. Tako ima zdaj senator Boyd več besede kot vsi demokrati skupaj v ohijskem senatu. Vodstvo demokratske manjšine si pa lahko vtaknejo za klobuk, si morda misli Bill.

Bivšega podpredsednika Zed. držav. Henry Wallacea, je predsednik Roosevelt imenoval za trgovskega tajnika in za načelnika milijonske vladne finančne organizacije RFC. Po deželi se je dvignil silen prah proti, ker smatrajo Wallacea za levičarja in torej nevarnega ameriškega businessu.

Tako silno je ameriška javnost proti Wallaceu, da ga predsednik Roosevelt ni upal postaviti za podpredsedniškega kandidata na demokratiški konvenciji prošle leto. Vedel je namreč dobro, da bi demokratska lista pogorela, če bi bil Wallace na nji.

No, zdaj, ko so volitve končane, je pa druga moka in predsednik lahko dela po svoji volji, če se namreč senat ne bo postavil po robu.

Dosedanji trgovinski tajnik je bil bankir Jesse Jones, ki je imel tako polno zaupanje kongresa, da je lahko razpolagal z milijoni iz RFC, ne da bi kongres kaj oporekal. Torej je bil mož na mestu.

Zdaj mu je pa predsednik Roosevelt pisal prijazno pismo ter z "velikim obžalovanjem" brcnil Jonesa iz urada, da bo tako narejen prostor za Wallacea. Ampak govori se, da ni šlo v prvi vrsti zato, da napravi Jones prostor bivšemu podpredsedniku. Jones je moral plačati grehe svojega nečaka. Za lanske volitve je namreč njegov nečak v Texasu delal proti Rooseveltu in zdaj je ta to ljubeznivost povrnil stricu. Torej je ne bo držalo, da je Mr. Roosevelt grozno nerad sprejel predsedstvo za četrti termin, če zdaj tako tepe one, ki so bili proti njegovi izvolitvi. Pa potem nam, navadnim in preprostim ljudem zamerijo, če se malo popraskamo med seboj. Velike glave so šele zamirljive, velike.

In kdo je ta Henry Wallace, ki je te dni tako zaprašil deželo in kateremu bi rad dal naš predsednik v roke vso trgovino in tiste lepe bilijončke? To je tisti, ki je v času, ko je bil še poljedelski tajnik, plačeval tvoj in moj denar farmarjem, da so dajali mlade prašičke za umeten gnoj in žajfo; da bi ne bilo preveč mesa v deželi. Ali pa tisti, ki je nekoč rekel, da bi morali mi Amerikanci postaviti vsak dan pred vsaka hišna vrata po vsem svetu po en kvort mleka. Seveda, račun bi plačala ti in pa jaz, pa sosedov Nace. Torej si lahko mislimo kaj bo s tistimi bilijoni tvojega, mojega in Nacetovega denarja, ako jih dobi Henry v roke. Pritoži se, pritoži, ljubček moj, če se imaš kam.

Načelnik francoske vlade, general de Gaulle zahteva, da bo stala po vojni za stražo ob reki Reni, ki meji Nemčijo in Francijo, francoska armada. Hm... Nekoč smo neke brali, da je francoska armada tudi leta 1940 tam stražila. Pa so Nemci malo zacepetali in šlo je proti Parizu ko sam Elja. De Gaulle sam se ni prej ustavil kot na Angleškem. Da, zelo pogumni so vsi, ko jim ameriški fantje postavljajo nazaj fence.

Boj na Pacifiku ni nič v primeri z bojem, ki divja v "Prosveti" med bivšim urednikom Molkom in sedanjim urednikom Gardnom. Mi stavimo na Molka.

Stari Churchill je leta 1941, meseca marca, če se prav spominjamo, vzel cigaro iz ust in povedal na vse štiri vetrove sveta, "da je Jugoslavija naša svoja duša." To je bilo takrat, ko je mladi kralj Peter s svojimi državniki pokazal Hitlerju pesti. Strašno se je to Churchillu dopadlo. Kako ne, saj je šlo v prvi vrsti za angleško kožo. Brigala je Churchill jugoslovanska ali pa kak druga duša! Angleški imperij, ta je bil v nevarnosti.

Ampak pravo jugoslovansko dušo je pokazal mladi Peter šele oni dan, ko si je upal samemu Churchill postaviti po robu in mu je eno zagodel, da je stari državnik zgrizel menda kak ducat cigar samega presenečenja.

Petru damo popolen kredit za tak možar nastop. Prestol je izgubil itak, pa naj bo zapisan v zgodovini vsaj kot možak, ne pa mežva, ki bi jo angleški kramarji sukali kot punčko iz cunj. Peter je šele zdaj našel svojo jugoslovansko dušo. Morda se je bo Churchill, ali pa vsaj njegov naslednik, kdaj še spomnil, ker jo je tako zahrbtno prodal Moskvi.

BESEDA IZ NARODA**Mimo Washingtona v Moskvu?**

Mihel

Brali smo, da tam v Washingtonu niso naklonjeni zahtevi Slovencev in Hrvatov za povrnitev Primorske in Koroške. Če se ne motimo, so že pred leti prihajali iz Washingtona glasovi, češ, če dobite Jugoslavlani po tej vojni nazaj svojo zemljo do Wilsonove črte, ste lahko prav zadovoljni. Dobili bi tedaj nazaj Notranjsko in kose Istre, Gorica in Trst pa bi ostala pod Italijo.

Naloga Jugoslovancev je pa seveda ta, da si skušajo pridobiti vse tam ležeče slovensko in hrvaško ozemlje. Zakaj? Gotovo zato, ker so prepričani, da je to njihov svet.

Ker so prepričani, da je ta svet njihov, so tudi trdno uverjeni, da je na njihovi strani PRAVICA. Svoje zahteve po Primorski in Koroški torej Jugoslavlani postavljajo na temelj pravičnosti.

Kdor ima do kake stvari PRAVICO, bo zelo pametno ravnal, če bo najprej po mirnih potih skušal izvajati pravico in bo izgubljeno ali ukradeno stvar nazaj dobil.

Ako pa tega ne more doseči, ni nič narobe, ako si SVOJO reč tudi s silo vzame. Vprašanje pa nastane: Ali ne bom bolj brez skrbi za naprej, če se mi sporna stvar prisodi pred mirovnim sodnikom, kakor če se ne oziram na razsodišče in si jo vzamem s silo?

Proti sili se vedno rada pojavi druga sila in ta druga sila bo skušala ono reč lepega dne zopet iztrgati iz mojih rok. S S takim početjem se ne ustvarja mir in mirno sožitje med narodi, ampak se snujejo nove vojske.

Dosedaj še vsi mislimo, da bosta poleg Rusije imeli glavno besedo pri sklepanju miru Amerika in Anglija. To bo tisto razsodišče, ki bo delalo nove meje. Pred to razsodišče se bo tudi gotovo prineslo primorsko vprašanje. Če bodo vsi sodniki, ali vsaj večina njih pri mirovni konferenci prepričani, da je jugoslovanska zahteva po Primorju pravična, bo šlo do stvari gladko. Če ne bodo, ne bo šlo gladko, pa naj tudi Rusija na svojo roko odloči v prid Jugoslovanom. In če bo Rusija tako odločitev izsilila, bodisi z orožjem ali samo z moralnim pritiskom, bo na mirovni konferenci brez dvoma močno škripalo. To pa ne bo v korist ne Jugoslovanom, ne ostalemu svetu.

Zdaj torej pravijo: Rusija je prepričana o pravičnih zahtevah Jugoslovancev, zato se vozite le v Moskvu, na bus v Washington (in seveda London), pa lepo pozabite. Ravno narobe! Da, ravno narobe!

Rekli smo, da tu gre predvsem za pravico, v katero Jugoslavlani doma in v tujini verujejo. Pravico je treba dokazati pred tistimi, ki vanjo še ne verujejo. One, ki že veruje-

jo vanjo, ni treba šele prepričevati. Njim ni treba stvari šele dokazovati. Dokazovati jo je treba tistim, ki bodo nekoč skoro gotovo o njej sodočevali, pa danes se niso nič prepričani.

Torej se zdi pametno, dati čisto drugačen nasvet kot smo ga brali. Odkar je znano, da Washington ni za povrnitev Primorske in drugega jugoslovanskega ozemlja pod tujim jarmom, bi se moralo začeti čisto znova veliko gibanje, da se Washington (in London) poučita in uverita o PRAVIČNI stvari Jugoslovancev.

Morale bi se odpreti nove busne linije v Washington in veliko ticketov bi se moralo kupiti pri njih. Razumete? Saj zdaj je jasno, če je res vse tako kot se predstavlja, da v preteklosti ni bilo dosti najemanja busov, ki vozijo v Washington. No in — London.

Razen, če misli kdo, da bo Moskva odločala — brez Washingtona in Londona in sploh brez vsakega drugega. V tem slučaju seveda lahko odpade vsak bus v Washington in ga tudi v preteklosti ni bilo treba.

Ampak v tem slučaju ni prav nič od ameriških državljanov, da se nad to možnostjo navdušujejo. Drugič pa, če je v Moskvi že ZDAJ vse odločeno, potem niso bili niti v preteklosti niti niso sedaj potrebni — busi v Moskvu. Čemu — ko je baje že vse gotovo?

No, zdaj pa dajmo še Boltežarju besedo, kadar pride na vrsto.

Slovenski ujetnik piše

Naslednje pismo je prejelo naše uredništvo od slovenskega fanta, ki se nahaja med nemškimi ujetniki v Ameriki. Pismo se glasi:

Ruston, La. — Polnaslov-uredništvo!

Morda mi bo to dovoljeno, da pišem bratom rojakom za hvalo glede pošiljanja slovenskih besed. "Ameriška Domovina" se mi gotovo zelo dopade. Prav vplivno se ustavi tudi vsak moj sojetnikov Slovenec v kotičku, kjer se mnogo razpravlja o slednjem doživljanju rodne zemlje. V mnogem si — marsikdo ustvarja celo drug obraz.

Blagodejno, v čemer zahvala vseh, vplivajo dobrotelstnosti Slovencev in Slovenk, ki se v toliki meri spominjajo trpečih na rodni slovenski zemlji. Da bi se vsi raztreseni Slovenci, čigar ideal trpi za žicami v ameriških taboriščih med Nemci — mogli združiti in iti v željeno pomoč krkavečim domovom, doseženi bi bil cilj in marsikdo bi prihranil na besedah! Konec tedna... Ameriška Domovina pride. Zopet par razvedrilnih uric v slovenskem besedju za monotonno življenje ujetništva.

Za razjasnilo

Moj zadnji dopis si bodo mnogi tolmačili napačno. Ker nisem videla glasovnice poprej, sem si jo predstavljala takole: "No-Strike pledge" in se bojim, da bodo nekateri volili, kjer je tiskano "NO." Za boljše razjasnilo podajam spodaj označbo, kako je treba voliti in sicer:

"Do you favor the action of the Ninth Convention of the UAW-CIO, which reads as follows:
"Resolved that this convention reaffirm-in-Chief of our Armed Forces and our Country."

Yes | X | No | ...

Članom društev Najsv. Imena

V vsaki cerkvi je enkrat na leto žegnanje, tako smo rekli v starem kraju. Tudi pri vsakem društvu je enkrat na leto glavna letna seja, kjer se naredi program za prihodnje ali tekoče poslovno leto. Tudi Zveza društev Najsv. Imena ima letno seja in sicer pri fari sv. Lovrenca v nedeljo 28. januarja.

Ob dveh popoldne bodo v cerkvi litanije in blagoslov, nato pa se bo vršila letna seja. Pridite vsi odborniki in zastopniki k tej seja. Pridite tudi drugi člani. Prav posebno pa vabim člane iz fare sv. Lovrenca. Pokažite s svojo navzočnostjo, da resnično cenite to društvo in da ste ponosni, da ste člani tega tako potrebnega društva, ker njega posmrtnina je vaša tudi po smrti.

Pride čas, ko bomo morali vse svoje posvetno premoženje zapustiti svojim naslednikom in dedičem, a dobra dela, če jih bomo kaj imeli, pa ponese s seboj v večnost. Koliko jih je bilo še lansko leto med nami čilih, močnih in zdravih, letos jih ni več. In prihodnje leto bo morda že kateri izmed nas v večnosti.

Zato člani društva Najsvetejšega Imena, pridite v nedeljo popoldne ob dveh v cerkev k molitvi in po tem opravilu pa v cerkveno dvorano k skupni seja. Skušalo se bo, da bo zborovanje kolikor mogoče kratko in potem medsebojni pogovori pa bolj dolgi. G. kanonik Oman so nam obljubili, da bodo za

Naši fantje bodo srečni, ko se bodo vrnili k svojim dragim domov ter jih našli pri dobrem zdravju. Največja skrb moža preko morja je za družino doma. To mu lahko olajšate, ako ste zdravi. Trinerjevo Grenko VINO z vitaminom B-1 je preiskuseno želodčno in lahno odvajalno sredstvo. Rabite ga kot predpisano na steklenici. Vsak lekarnar naj bi ga imel na prodaj, če ga pa ne morete dobiti v sosesčini, pišite na Joseph Triner Corporation, 1333 South Ashland Ave., Chicago 8, Ill. Tuesday's game played at A. B. Hart
are available. The male "Juniors"
team is undefeated to date, scoring
26 to 14 against St. Martin's, 24 to 12
vs. St. Elizabeth and 26 to 22 vs. St.
Margaret's. St. Lawrence's took a ter-
rific lead in the first quarter, but were
almost caught by surprise at St. Mar-
garet's come-back in the second
quarter. However, we stayed in the
lead with a 26-22 final score. "Doc"
Lekan (left forward) scored eight
points (now we can see why "Doc"
earned a "letter" at Latin). Addi-
tional points were gained by Rich

(center) 3, Rich Jeric (left guard) 2,
and Don Ferfolia (rt. guard) 4 points.
Plays by substitutes Lou Supan, Ed

BIRTHS

Mr. and Mrs. Joe Zuzek of Hubbard
Rd., Madison, O., became grandparents
for the first time, with the birth of a
baby girl, born to their son and daugh-
ter-in-law, Mr. and Mrs. Joe Zuzek
of Cleveland, O. The young mother is
the daughter of Mr. and Mrs. Frank
Gerlic of Lakewood Rd., Perry, Ohio.
Congratulations to all!Mr. and Mrs. Anton Rudolf of 1032
E. 70 St., announce the birth of a
baby boy. Mother and baby are do-
ing well at Mt. Sinai Hospital. Her
maiden name was Mary Jeriha. This
makes Mr. and Mrs. Anton Jerina
grandparents for the first time. Con-
gratulations!The stork visited Mr. and Mrs. Dan-
iel Pavsek of 15312 Holmes Ave., and
left them a baby boy at Polyclinic
Hospital, where mother and baby are
doing well. Grandma and grandpa
for the first time are Mr. and Mrs.
Lawrence Pavsek. Congratulations!Pfc. and Mrs. Harry Boryczka are
welcoming their first child, a baby
girl. The young mother is the daugh-
ter of Mr. and Mrs. John Smrtnik of
19712 Muskoka Ave., with whom she
lives and who are grandparents for
the first time. Congratulations!SOME people do not seem to under-
stand the difference between printing
and publishing. An elderly Philadel-
phia publisher, a gallant gentleman of
the old school, was visited by a charm-
ing young lady, who handed him a
bundle of manuscript tied with a piece
of baby blue ribbon, and said: "Mr.
Editor, I would like to have you print
a book for me.""You mean publish a book, don't
you?" rejoined the editor."I really don't know," replied the
young lady. "What is the difference
between printing and publishing?""Well," replied the editor, with a
chuckle, "if I should press a kiss upon
a young lady's fair cheek, that would
be printing; but if I should go out and
tell all the world about it, that
would be publishing!"A chaplain, serving his first day on
an aircraft carrier somewhere in the
Pacific, sat down for mess with some
enlisted men. The speed with which
the Navy men stowed away their food
intrigued him. His own account of
what happened was: "I bowed my head
to say a few words of grace, and when
I looked up again, a waiter asked me
what I wanted for dessert."

DEADLINE FOR A
WEDNESDAYJUNIOR HOLY NAME
JOURNAL

That was certainly a dandy full house Sunday night. Quite right, we are not talking about poker but about the crowd at the Variety Revue in St. Vitus School. The boys really did it again and another evening of happy entertainment was enjoyed by all. Beany Orehek, Fred Merhar, and Joe Ayvec donned new gowns and tilt hats for the occasion and were they ever sharp! These "three little sisters" won the hearts of all with their song and dance.

The master of ceremonies, John Stupka, was on the beam and the folks went for him in a big way. Ray Gobec has been running into a lot of hard luck lately. He banged his kneecap last week, broke his ac-

cordian strap, and just as he was about to go on for his solo he twisted his ankle. But all this did not stop him from going on with his number even though it was "tough going." Tony Stanich, another soloist, has a temperamental sax which, fortunately, did not act up Sunday, and Ray Ogrinc seemed the only one with nothing much to worry about.

The soft shoe dance was pepped up, and pleased the spectators, as did Ed Ayvec, the man who stepped into the dance routines after Vern Labuda's departure. Joe Ayvec and Ken Tomick also doubled up in other roles and did a masterful job.

Donald Mocnik and Ed Perpar were busy as usual manipulating all the back stage contraptions which make a show look pretty from where the

Of 15,600 Canadian soldiers conscripted for overseas service, 7,800 failed to return to their camps after a furlough. The Minister of Defense

reported Sunday that 1,500 have returned within the last few days, but 6,300 are still at home. He stated that unless they return within 21 days they will be classified as deserters. Just when the 21-day limit will be reached was not mentioned.

Mayor Burke of Cleveland and a committee left for Washington this week to see ODT officials, hoping to receive permission to have the necessary buses built, which are badly needed in Cleveland.

Mrs. Agnes Dragolic of 17904 Brazil Rd., was taken suddenly to Huron Rd. Hospital. We wish her a speedy recovery.

Eight Canadian soldiers arrived in Cleveland and attempted to get into the American Army, by showing honorable discharge papers, and asserted that they had been trained in the R.C.A.F. and switched over to the infantry, but neglected to tell that they had been chosen for overseas service. They will be returned to Canada.

Coal dealers and city officials met Monday to discuss the critical coal shortage, and suggested coal rationing, closing of schools and reducing heat in public buildings.

Well, we still have a lot of snow around old Cleveland. Last Thursday we had a visit of a very biting breeze from Canada. Lucky guys "down there" — on the Pacific, eh?

Highlights from
Shore High

On the Twelfth of January, Shore held its big game against Maple Heights. This was the opening of the Eastern Conference for Shore. It was an exciting and thrilling game, with both sides fighting for each point. The game finally ended with Shore in the lead, the score being 58-19.

We know now that Shore has a wonderful team because earlier in the semester they beat Mentor with almost the same score. "Swell" work, boys, keep it up!

POWERFUL SHORE FIVE
ROLLS ALONG

They ran their season point total to 387 for an average of 55 per contest and also remained one of the undefeated teams in the district.

The two teams played on even terms through the first quarter which ended with Maple in the lead, 6-5. Shore, however, opened up in the second quarter by combining a fast breaking offense with nice team work to lead at the half, 21-10.

The Admirals again playing nice ball in the third quarter, increased their lead by adding 26 points to their total, allowing Maple only three.

The game ended with Shore prevailing. High point man for the evening was Bob Hawley who netted 14 points. He was closely followed by Bud Jones and Bill Crawford with 13 apiece.

SHEPHERD'S SON
SHOT IN HEAD

Shore choir members were thrilled Thursday and Friday afternoon when they had the pleasure of having Pvt. Lawrence, son of Mr. John Beck who is the regular instructor, lead them.

Lawrence taught the choir his own five-part arrangement of "I Dream of You."

Lawrence is home at this time because he was wounded in the battle for Leyte on October 20. He was hit by a Japanese bullet which went through his skull just above and slightly back of his eyes from one side of his head to the other.

Although the wound was serious and might even have been fatal, Lawrence never lost consciousness.

Shortly after he was wounded, he was moved to a hospital in New Guinea. There he met a former classmate at Shore, Cpl. C. Downer, whom he had not seen for twelve years. They recognized each other instantly.

Cpl. Downer and Lawrence came back to the states together on the same ship. Downer, who is in the Medical Corps, was given a furlough because he had over 30 months of overseas service.

Lawrence arrived in San Francisco on December 25 and wired his parents about his arrival. The next day his father had the pleasure of talking to Lawrence by telephone and informing him about the birth of Lawrence's son on December 19.

WEST TO GRAPPLE
AT SHORE THURSDAY

Tense moments and shouts of encouragement are the familiar sounds around Shore on Wednesday or Thursday afternoons. Those are the days Shore matmen show their great prowess.

Last week Shore met Garfield and was defeated, 16-22. At the present time, our boys are tied for second place in the Cleveland league with John Adams and Shaker.

Mr. Swackhammer is still dazed at the exceptional turnout last week. According to Mr. Swackhammer, it is the largest attendance for a wrestling meet in the history of Shore!

The winners of last week are as follows: Mast—won by decision; Stewart—won by fall; Sanders—won by decision; Smeltz—won by fall.

SHORE JUNIORS AMAZE THE
LADIES WITH THEIR KNOWLEDGE

The Shore boys that participated in the P.T. A. program thrilled the members with their talks.

Last Tuesday, January 16, Mr. Gebhart sponsored seven students who talked before the P.T. A. on their hobbies and future occupations.

Bill Hansen gave the first talk on "Correct Spanish Teaching." The second speed was given by Paul Steghammer on "Physical Fitness and the Services." Phil Anderson told them of his experience with "Color Photography," which was continued by Bill Grau with the more technical end.

Herbert Strain gave an instructive talk on "Homing Pigeons." Jim Myers had the women in stitches with his comments on "Helicopters." John Dragonic told them about "Television and Its Future."

SPORTS

HOCKEY

Cleveland's hockey fans will wait until Tuesday, January 30, before they see their Barons in action with the Hershey Bears furnishing the opposition.

While Coach Bun Cook and his iceers are playing on the road, the ice Follies of 1945 holds forth at the Cleveland Arena.

The Barons enjoyed a big week-end on the hockey front, defeating Providence at home on Saturday night, 6 to 3, and walloping Eddie Shore's Bisons of Buffalo the following evening, 8 to 2.

As a result of the twin triumph coupled with the fact that Indianapolis lost to Providence on Sunday, the Barons are closing in on the Caps and first place in the western division of the American Hockey League.

Sparking the team on its latest drive are four high-scoring forwards, Les Cunningham, Lou Trudel, Tommy Burlington and Earl Bartholome. All are among the first ten in the individual scoring race and Trudel, up to this date, has broken into the scoring column in 16 consecutive games.

The Barons play at St. Louis, Pittsburgh, Hershey and Providence before returning home for their Tuesday night game with Hershey.

Only casualty over the week-end was a badly bruised right shoulder suffered by Dick Adolph, Cleveland defenseman. Adolph will be out for about a week and his place will be taken by Virgil Johnson, recently acquired from the Chicago Blackhawks.

BASEBALL

President Ford Frick of the National League said he would present the information he obtained from Washington manpower officials to a meeting of major league club owners in New York February 3, and that the question of whether baseball will be able to open in 1945 then would be for them to decide.

Roger Peckinpaugh, vice president of the Cleveland Indians, announced that the Tribesmen will be called to training camp at Lafayette, Ind., on March 12, unless the major league meeting changes these plans.

According to official statistics, 27 Cleveland Indians are among the 242 American Leaguers now in service, 36 have gone from Detroit, 36 from Philadelphia, 31 from both Washington and Chicago, 27 also from both New York and Boston and 26 from St. Louis.

Ray Mack, Cleveland Indian second baseman, who was termed a "temporary reject" after a draft physical last week, may be the first pro athlete in the nation to have his case reviewed by Washington. Under the new rule, all pro athletes rejected for service must have their cases reviewed by the adjutant general's office before final rejection is given.

BOXING

Sgt. Joe Louis, who is at Camp Shanks, N. Y., on special duty to condition troops preparatory to their embarkation for overseas service, said he will retire from the ring after he defends his world heavyweight championship against Billy Conn. It will be his only fight after he is discharged from service.

Ike Williams, Trenton, N. J. lightweight, knocked out Maxie Berger of Montreal, Canadian welterweight champion in 2:51 of the fourth round of their 10-round bout at the Philadelphia Arena on January 22.

Charley Robinson of Penns-Grove, N. J. set some kind of a record the other night, losing two fights in two rings in two states within an hour. The 190-pound lad dropped a six-rounder to Louis Long of Chicago in Camden, N. J., dressed and took a bus to Philadelphia, Pa., in time to get to K. O'd by Johnny Allen in three heats.

Mrs. Fritz Zivic, wife of the ex-worldweight champion, has been issued a license to promote fights, the first bout to be held February 5. She is Pennsylvania's first lady fight promoter.

Attention!

United Lodges of St. Vitus will hold a dance Saturday evening, January 27, 1945 at Slovenian National Home, 6417 St. Clair Ave. If you are looking for a place to spend an enjoyable evening, come to their dance and bring along your friends. You will have a good time to your satisfaction and dance to Johnny Vadal's music.

St. Mary's Weekly Flash

THE END OF A PERFECT DAY

These days most of us put in many hours in hard labor, causing us to be greatly fatigued at the end of the day. However, if we began the day with prayer, the Morning Offering, asking God's blessings to strengthen us in our works, so should we close the day with a prayer of Reparation and Thanksgiving. How often we fall short of our goal in our strife, therefore, we should seek to repair our faults.

As I look to find an Evening Prayer that expresses one's full sentiments, I have come upon one which was taught me years ago. It was memorized as a class project, somewhat a burden then, now appreciated a great deal more. Those of us who truly love Mary, Our Heavenly Mother, will agree that it is worth memorizing as an appropriate Evening Prayer:

Night is falling, Dear Mother, The long day is o'er, And before Thy loved image, I am kneeling once more. To thank Thee for keeping me Safe through the day, To ask Thee this night To keep evil away.

Many times have I fallen Today, Mother Dear, Many graces neglected, Since I last knelt here. Wilt Thou not in pity My own Mother mild, Ask Jesus to pardon The sins of Thy child?

I am going to rest, For the day's work is done, Its hours and its moments Have passed one by one, And the God who will judge me Has noted them all, He has numbered each grace, He has counted each fall.

In his book they are written Against the last day, O Mother ask Jesus To wash them away! For one drop of His Blood, Which for sinners was spilt, Is sufficient to cleanse The world of its guilt.

And if ere the dawn I should draw my last breath, And the sleep that I take Be the long sleep of death, Be near me, Dear Mother, For Jesus' dear sake, When my soul on eternity's Shore shall awake. Amen.

SINGING AT CHILDREN'S MASS

Last Sunday, those who had gone to the 9 o'clock Mass were somewhat startled at the beautiful singing. The choir that sang for the occasion was made up of the Ninth grade girls. Really the singing was simply grand. We would like to hear your voices more often.

Imagine, your appearance caused the eighth graders to send Sister Agatha an open letter of appeal to be allowed to try again.
