✂ The want of an INDEX to all the BEAUTIFUL and REMARKABLE PASSAGES in SHAKSPEARE has long been regretted, but the difficulty of the undertaking has hitherto prevented every attempt. Mr. STOCKDALE has already experienced a liberal encouragement from the Public for his Edition of SHAKSPEARE, in one Volume 8vo. and to whom he begs leave to return his grateful acknowledgements. As the present edition will cost him near £2000, he humbly solicits the assistance of the Admirers of SHAKSPEARE, by favouring him with their names as Subscribers.

A LIST of the ENCOURAGERS of a WORK which is intended to make this FAVOURITE AUTHOR still more useful and agreeable, will be prefixed.
