

NACIJI SO JETNIKE Z VODO POLIVALI, DA SO POSTALLI LEDENE SOHE

Nuernberg, Nemčija. — Pred sodnim tribunalom je bil včeraj odkrito nečloveško postopanje nemških nacijev Norveškem, kako so spremenili 880 jugoslovanskih vojnih ujetnikov v ledene sohe.

Sovjetski pomožni tožilec Po Norveškem je sodnemu tribunalu dokazal to brutalno postopanje med dokazi o vojnih zločinih nacijev.

Ta strahoviti dogodek se je zgodil v ujetniškem taborišču na Norveškem. Nemci so ujetnike najprej slekli do nagega, nato jih pa do pasu zagreblili v sneg. Nato so jih oblikovali v vojniki toliko časa, da so se ujetniki spremenili v ledene sohe, ki so

svedočile nemško podivjanost.

Tožilec Pokrovski je tudi povedal o preiskavi masnih umorov v gozdovih pri Katyanu na Poljskem, kjer je nemški 537. bataljon pomoril 15.000 Poljakov, nato so pa Nemci tega masakra obdolžili Ruse, da bi s tem našli Poljake proti njim. Pokrovski je tudi izjavil, da bo pokazana tozadevna filmska slika, ki bo neizpodbiten dokaz te nemške podivjanosti.

Industrialec zanika vlogo za skupni boj proti višjim mezd

Detroit. — C. E. Wilson, predsednik General Motors, je pred nemškim preiskovalnim odborom zanikal obtožbo, da so nemški industrialci napravili načrt proti višji mezd. Take zarote je obtožil ameriški industrijski svet.

Wilson je trdil, da so se zbrale industrije k banketu 19. decembra in tam napravili načrt, da skupno postavijo v bran višjim mezd. Wilson je trdil, da je bil tak banket, to je zastopniki industrije, ki so se zbrali, da bi se spopadli s tem, kako v slabo stanje je ameriška industrija prišla zaradi nemške okupacije. Wilson je izjavil, da ameriški industrialci ne bodo zahtevali smernice za vsoto, ker potem bi industrija v tem času ne počivala.

V sklad za bolnišnice v Clevelandu že prihajajo izdatna darila

Cleveland, O. — Za Greater Cleveland nameravajo z javno konskripcijo nabrati \$9.525.000. S tem denarjem nameravajo razširiti 14 sedanjih bolnišnic in zgraditi 4 nove, po eno na vzhodni, južni, zapadni in severni strani mesta.

V ta sklad je darovala zadnji teden Standard Oil Co. \$111.100, včeraj pa je darovala firma Cleveland Twist Drill Co. \$35.000.

V Clevelandu silno primanjkuje bolnišnic, ko morajo bolne osebe čakati po več dni, predno dobijo prostor v kaki bolnišnici.

Livarna bo najbrže za vedno zaprla

Bucyrus, O. — Uradniki Crawford Steel Foundry Co. izjavljajo, da resno mislijo o tem, da bi za vselej prenehali z delom. Mnogo delavcev je hotelo na delo, toda piketna straža jim ne pusti. Delavci so člani CIO, ki je na stavki.

Vlada je postavila lestvico za mezde in za cene, kar bo podlaga za bodoči ekonomski razvoj v deželi. Splošno bodo mezde za nekako 18% višje. To bo povzročilo, da se bodo življenske potrebnosti podražile za kakih 5 centov na dolar.

Washington, 14. feb. — Predsednik Truman je danes naznanil, da je določil ekonomsko lestvico tako v mezdah delavcem, kot v cenah za industrijske produkte. Obenem je naznanil važne spremembe pri raznih vladnih oddelkih, ki nadzorujejo ekonomijo v deželi.

Mezdana lestvica ni za vse industrije enako velika. V splošnem bodo pa dobili delavci glasnost te lestvice kakih 18% zvišanje v mezdah. Vzpričo tega zvišanja je pa predsednik Truman določil, da smejo posamezne industrije vprašati vlado za višje cene izdelkom, da bodo mogle prenesti breme višje meзде.

Za novega načelnika v uradu ekonomske stabilizacije je predsednik imenoval Chest. Bowlesa, ki je bil dozdaj načelnik OPA. Ta bo imel polno moč določiti povšek v mezdah in povšek cen produktom.

Eksperti sodijo, da se bodo vsled te vladne odredbe zvišale življenske potrebnosti v Ameriki za 5 centov pri vsakem dolarju. Toda to se bo šele videlo, ko bo začela nova stabilna lestvica poslovanja. Iz Bele hiše sicer poročajo, da bodo morali nositi glavno breme tega splošnega poroka industrije in trgovci, vendar je pa gotovo, da bo padlo nekaj bremena tudi na odjemalca.

Ker zdaj veta tako delavec kot delodajalec pri čem da sta, bodo gotovo ponehale vse stavke in kolese v industriji se bodo začela vrteti. Industrija dozdaj ni hotela obratovati, ker ni vedela, koliko bo morala zvišati mezdo in koliko bo smela dvigniti cene izdelkom.

Kitajci dolže velike tri, da so jim vsilili pogodbo z sosedno Rusijo

Čungking, Kitajska. — Kitajsko časopisje je začelo pisati proti pogojem, ki jih je morala Kitajska sprejeti v pogodbi z Rusijo. Kitajci trdijo, da so te pogoje določili veliki trije (Roosevelt, Churchill in Stalin) lansko leto pri sestanku na Yaltini, ne da bi kaj vprašali Kitajsko in da so bili Kitajci prisiljeni sprejeti vse pogoje.

Kitajci trdijo, da je caristična Rusija izsilila pravice v Mandžuriji s pogodbo leta 1896. Ko je nastopila sovjetska vlada v Rusiji, je to pogodbo razveljavila, a zdaj zahteva Sovjetija prav to zopet nazaj.

RUSIJA JE SREČNA, DA IMA STALINA, KER TAM NE POZNAJO NIČ STAVK

Moskva. — Rusko časopisje kaže narodu sliko o raznih krajev sveta. Vseposod je pomanjkanje, vseposod same stavke, v Rusiji se pa vrti kolesje v industriji brez prestanka noč in dan. Sledeči naslovi v velikih črkah kažejo v ruskem časopisju položaj po svetu:

V Braziliji se pripravljajo na stavko.

V Angliji je akutno pomanjkanje premoga.

V Indiji je silno pomanjkanje živil.

V Ameriki vseposod same stavke. Pittsburgh, New York,

Mrs. Roosevelt obsoja poroke vojakov v tujini

Frankfurt. — Mrs. Eleanor Roosevelt je izjavila, da je proti temu, da bi se ameriški vojniki ženili v tujini in da bi morala biti ameriška armada pri tem zelo stroga, zlasti proti porokam z nemškimi dekletmi.

Če je kako evropsko dekle, ki se resnično zaljubi v ameriškega vojaka, naj bi čakala toliko časa, da bi šel ta domov, si tam dobil delo ali službo, potem je pa dobil za seboj, je rekla Mrs. Roosevelt.

Ko je bila Mrs. Roosevelt v Londonu, se je obrnilo do nje za pomoč mnogo žena ameriških vojakov, ki so pozabili nanje, ko so prišli domov.

Ko je prišla v Frankfurt je rekla, da so Nemci boljše oblečeni in boljše prehranjeni kot Angleži, zlasti so nemški otroci boljše hranjeni kot angleški, je opazila Mrs. Roosevelt. Ko se je zvedelo po mestu, da je prišla Mrs. Roosevelt, se je zbrala okrog njenega hotela velika množica nemških civilistov, ki so jo hoteli videti.

Stalinov govor

Preteklo nedeljo so morali narodi Sovjetske zveze manifestirati za Stalina in njegov režim. Vpisani komunisti in drugi so marširali k volivnim skrinjicam in tam radi ali neradi izjavljali, da so srečni pod komunistično komando. Na Ruskem imenujejo to slovesnost volitve, četudi nič ne volijo ali izbirajo, ampak samo ponižno pokimajo k predložnim kandidatom, ki jih je že poprej stranka sama izbrala. Če kdo noče priti na volišče in prikramiti, naj posledice sam sebi pripiše. Take so pač "volitve" v totalitarnih državah.

Pred temi po amerikansko nerazumljivimi volitvami je tudi Stalin spregovoril. Ni bil to govor o volitvah, če izvzamemo par besed na koncu, tako da pravi komentator Walter Lippmann, da to ni bil volivni govor, pa tudi ne samo propaganda, ampak izjava o političnih smernicah. Pa kaj je ta politika, ki jo hoče ruski diktator izvajati? Lippmann pravi, da je smisel govora pokazati, kaj ima sedaj po zmagi prednost na Ruskem: Ali izboljšanje življenjskega stanja, ali razvoj vojaške sile do skrajnih mej? Imenovani komentator pa tudi vsak nepristranski bralec jasno vidi iz Stalinovega govora, da je prvo v politiki Sovjetske zveze: biti vojaško pripravljen. Z drugimi besedami: Vsa industrializacija in vse kolektiviziranje kmetijev mora državo pripravljati za novo vojsko. Ni prvo dvigniti življenjski standard naroda, ni prvo lepše in boljše življenje posameznika. Prvo je da si do zob orožen. Stalin tudi nič ne skriva, da s tem oboroženjem čaka na vojsko. Ne morda jutri ali pojutrišnjem, ampak v daljši dobi. Tri petletke napoveduje, v katerih da mora Rusija industrijsko tako dvigniti, da bo pripravljena "za vsako eventualnost." Več kot deset let bodo tedaj po Stalinovem imeli kanoni prednost pred maslom, kot se je nekoč izrazil Goering, ko so se naciji pripravljali na vojsko. Stalin pravi, da je bila caristična Rusija slabo pripravljena na prvo svetovno vojno leta 1913. Takrat je Rusija proizvajala na leto le 4,220,000 ton surovega železa in 4,230,000 ton jekla. Trikrat boljše je bila pripravljena Sovjetska Rusija na drugo svetovno vojno l. 1940. Ta je proizvajala na leto 155,000,000 ton surovega železa in 18,300,000 ton jekla. V treh petletkah, ki pa misli Stalin, da bodo krajše kot pet let, pa bo Rusija proizvajala 50,000,000 ton železa in 60,000,000 ton jekla, poleg vsega drugega, kar je nujno za vojno industrijo.

K temu razvoju industrije v vojne namene, ki ga slika Stalin in v katerega smemo verjeti, treba seveda pristi, če govorimo o vojni, še ogromno število ljudi, nad katerimi ima diktator vso moč in ki jih bo preizkušeni sovjetski aparat izvežbal. Zraven pa ne pozabimo na vrsto držav, ki so postale sovjetske dravne od Baltika pa do Jadrana. V tej luči razumemo, zakaj ruski agent v Jugoslaviji Tito drži sedaj po končani vojni še zmeraj čez pol milijona ljudi pod orožjem, jih redi in oblači, ko je vsa ostala država strgana in ko strada. Sovjeti in njih sateliti se pripravljajo na vojsko.

In zakaj? Eden razlogov je gotovo ruski imperializem. Stalin ne govori o "novi" Rusiji, kot nekateri radi gostole o "novi" Jugoslaviji. On smatra Zvezo sovjetskih socialističnih republik kot se Rusija oficijelno imenuje, za pravo nadaljevanje carske Rusije. Tudi v obravnavanem govoru vedno poudarja "naša dežela" pa naj gre za leto 1913 ali za leto 1940. Tudi imperialistično zunanjo politiko carske Rusije Stalin nadaljuje. Na eni strani hoče odprta morja, naj gre za Daljni vzhod s Port Arturjem ali za Sredozemeljsko morje z zahtevo po prosti poti skozi Dardanele in novo zahtevo po Tripolitani. Na drugi strani pa poganja svojo zapadno mejo vedno bolj proti Srednji Evropi in je še skoro doseglj črti Stetin-Trst. Za mnoge tle roč, ki so cilj ruskega imperializma bo še trd boj. Zato se Stalin pripravlja.

Drugi razlog, da Stalin svetu napoveduje novo klanje, pa je v njegovem komunističnem prepričanju. Po Marksovi teoriji, ki jo je Stalin znova podčrtal kot svoj evangelij, kapitalizem nujno vodi do kriz in vojska. V svojem govoru pravi, da sta bili obe svetovni vojni za razdelitev surovin, potrebnih za produkcijo, in za prodajne trge. Po komunistični zamisli se bo to vedno ponavljalo in bodo vedno vojske, dokler ne bo vse združeno pod komunističnim režimom. Če je enkrat en sam gospodar na celim svetu, potem se seveda nima s kom pretepati za surovine in trge. Zato je v bistvu komunistična nauka vse spraviti pod en sam klobuk, pod diktaturo proletariata, kot je ta sedaj v cvetju na Ruskem. Da to doseže je spet treba vojske.

Ali res kapitalizem nujno vodi do vojska med narodi? Kapitalizem je dejansko mnogokrat združen z veliko požrešnostjo in lakomnostjo po tujem imetju. Ta pohlep po vedno večjih dobičkih brez ozira na pravičnost in ljubezen pa je tisti, ki rodi vojske. Ne sistem, ki brani zasebno lastnino, ne privatna iniciativa, ampak zloraba lastnine v škodo drugemu, to je tista nevarnost za oborožene spopade. Kot vodi do preprirov, do tatvine, ropov in umorov poželenje po tujem blagu, tako more tak pohlep voditi države do vojska. Komunizem je zatrl zasebno lastnino. Ali je s tem preprečil spore, tatvine in rope? Ruska sodišča pravijo, da ne. In zakaj ne? Ker komunizem ni znal in ni mogel zatreti slabih človeških poželenj. Ali bi mogel komunizem zatreti vojske, če bi povsod zavladal? S samim sovjetskim sistemom gotovo ne, ker ne pobiljša človeške narave.

Naravoslovci, ki opazujejo mravlje, pripovedujejo, da se včasih spoprimeta med seboj dve mravljišči in se bijeta, dokler eno ni uničeno. Če sta oba sovražnika enako močna, se tepeta, da sta oba uničena. Vse to radi prostora, radi kakega travnika, kjer oba tabora iščeta svojega živeža. Komunisti si v svojem materializmu predstavljajo človeštvo in države kot taka mravljišča, kjer je samo boj za hrano. Če bi bil človek res samo žival brez višjih ciljev, potem bi imeli komunisti prav. Ker pa je materializem zmoten, zato je tudi zmotno, da je človek samo taka mravlja in da vse odloča samo po instinktu. V tem materialističnem pogledu na svet je osnovna napaka komunizma in iz te izvira vrsta drugih. Zato je tudi zmotna misel, da vojske nastanejo nujno ravno radi gospodarskih sistemov.

Le ena stvar je, ki drži človeka, da se ne vda svojim poželenjem. To je čut odgovornosti pred nekim višjim bitjem, ki je neskončna Pravičnost. Če te odgovornosti svet ne pozna, bodo ropi in umori v kapitalističnem in komunističnem svetu. Ker države, ločene od Boga, ne poznajo te odgovornosti, odtod vojske. Ni vzrok sistem privatne lastnine, ampak človek, ki mu ni za pravico in ljubezen. Ker v komunizmu tudi ni teh dveh, zato ne more prinesiti svetu miru. Zato rožlja Stalin z orožjem, ko je komaj končana ena vojska.

Nekateri so trdili, da se je ruski komunizem med vojsko spremenil. Stalin nas zagotavlja, da se žalobog še ni. Marksistične zmote so še vedno njegov temelj. Tudi najhujša zmota, da namreč ne priznava prednosti človeške osebnosti in človeških pravic, ki imajo svoj temelj v človekovem odnosu do Boga, tudi ta je z novo prisego Marksu močno podčrtana v diktatorjevem govoru. Po končani vojski je spet prvo priprava na vojsko, namesto da človeka dviga k boljšemu življenju.

Egiptovski faraoni so zidali ogromne piramide s tlačanskim delom svojih podložnikov. Sovjetski diktator dviga produkcijo železa in jekla za vojno na račun svobode ruskega človeka. Mogočne so piramide in mogočni so uspehi sovjetoj, toda oboje omadeževano — s suženstvom človeka.

Newburške novice

Ta mesec je posvečen katoliškemu tisku. To za to, ker je prav tako važno kaj bereš, kot to s kom se družiš. Ako te vidim, da se pogosto pajdašiš z nepoštenimi in tatinskimi sodruzi, moram sklepati, da si sam tak. Če bi ne bil, bi ne mogel vzdržati v njih družbi. Če te zopet in zopet najdem v družbi onih, katerih govorica je slična mestnemu podcestnemu kanalu, ki bruhata samo nesnago noč in dan, potem se nisem zmotil, če rečem, da moraš biti pač istega kova. Ako bi ne bil, bi se izognil take družbe. Tako je s čitvom. Kdor naroča in plačuje čtivo, katero ima za katoliško vero, cerkev, papeža, skofe itd., samo le hudo dobro natočevanje, sovražni zasmev in pogosto golo laž, tak naj se še tako pere, češ, da je naročil veri nasprotni list iz tega ali onega vzroka, ali pa, da bere samo to in ono; vse to ne pomaga nič. S tem se ne boš opral, pa je kraja konec. Tudi te ne bo izgovorilo, če rečeš, da si se naročil zato, da si se odkrižal nadležnega vsiljevanja kakaga zastopnika lista. Odkrižal si se tega, toda, Onega, ki pravi: "Kdor mi zmozi, je zoper mene!" Tega se ne boš. Značajnost velja povsod in morda veljati tudi glede tvoje duševne hrane. Kake mrhovine ne bom kupil za telesno hrano, pa magari, če mi jo ponuja kdo desetkrat na dan. Prav tako ne morete uživati duševno mrhovino — protikatoliško čtivo — in ostati zdravi na duhu. V Clevelandu imamo samo en slovenski list, kateri je zanesljiv in kateri se še potegne za resnico in pravico in za katoliško stvar, neglede komu s tem ustreza ali pa zameri ta list je AMERIŠKA DOMOVINA.

"Borba proti fašizmu je dolžnost vsakega Amerikanca," pravi neki senator. Tako je. "Vragu smrt!" Pa ne samo črtnemu fašizmu. Istotako tudi rdečemu fašizmu, kateri se skriva pod raznimi krinkami, v resnici pa je prav isti zlobni komunizem, kateri dela na vse kriplje proti ameriškim demokratičnim ustanovam.

Ona: "Kaj ne, ko bova poročena bova imela lep in prijeten dom?"

Om: "Saj vendar ne misliš že na preselitev. Ali da?"

"Blagor mu, ki se spočije," je pel Ivan Zorman ob koncu pogrebnih sv. maše zadnji torek, ko se je poslavljaj od nas zopet eden starejših faranov, Anton

Klun. Res, če kdo tako dolgo trpi, kot je on radi večletne boleznij, potem se že človek, če tudi rad živi, naveliča vsega in si začne počitka. Pa se nam vse eno hudo stri, ko gledamo, kako padajo ti listi slovenskega naroda v Ameriki drug za drugim in legajo če tudi le za časno v grob. Pri tem imamo le eno tolažbo, to so besede Onega, ki je Lazarja poklical nazaj k življenju in ki je tudi sam vstal od mrtvih, da nam da zagotovilo našega vstajenja. On je rekel: "Kdor v me veruje, bo živél čeravno umrje." Slava pionirjem. Naj počivajo v miru. Tam ni bojev, tam ni vojska, tam ni sovraštva, kajti tam se nikdo več ne upira božji resnici, tam je Bog gospodar.

Tisti tat, ki je okradel našo družbo Narodnega doma je imel vsaj toliko vesti, da ni hotel vrata razbiti ampak je naredil rajši luknjo skozi steno, da je prišel do svojega cilja.

Prihodnja nedelja je takozvana "Biblical Sunday," kar se bi v slovenskem reklo svetopisemska nedelja. Sv. Cerkev nas vabi k čitanju sv. pisma, ki je božja beseda. Paziti je le treba, kadar kdo kupuje sv. pismo, da kupi katoliško in ne protestantovsko sv. pismo. Protestanti so sv. pismo po svojem prevstrojili in ga prikrojili, kot je njim pasalo. Zato pa v večjih krajih ni zanesljivo. Jezus je rekel apostolom: "pojdite in učite, kar sem vam jaz zapovedal." Sv. Duh vas bo spomnil vsega, kar sem vam govoril." Zato ima samo katoliška cerkev zagotovilo "vsega, kar je Kristus učil." Berite sv. Pismo.

Astronomija me je zanimala že od tistih dni, ko sem kot farmarski delavec v poletnih večerih večkrat ležal zunaj na trati in zrl v zvezdnato nebo. V šoli smo se učili nekaj teorije tika-joče se raznih svetov in zvezd, ki letajo in plešejo po neizmernih višavah in daljavah. Zato me je tudi zanimalo, ko so listi poročali, da je neka zvezda na severu na enkrat zažarela 9. februarja letos. Pa nikar ne mislite, da je zvezda v resnici zažarela ravno isti večer. David Dietz pravi v Pressu, da se je to zgodilo že pred 800 leti in je luč, ki brzi s hitrostjo 186,000 milj na sekundo, prišla do nas šele isti dan, tako daleč je ta zvezda od nas. To se pravi, da je ta zvezda 4,800,000,000,000,000 milj od nas. Hargole. To je pa več kot trikrat od tuka pa do

Loraina. Pa so zvezde, katere so še veliko dlje od nas kot ta. Te zvezde so številna sonca, katera imajo morda vsako svoj svet, ki leta okoli njih, prav kakor naš pleše okoli našega sonca. Če začnemo premišljati vse to, se nehote v človeku vzbudi neki strah pred božjo vsemogčnostjo, da bi si ne drznil pogledati proti nebu, ako bi nas ne bil Zveličar tako pogosto opominjal in učil, da je Bog naš "Oče," ki nas neizmerno ljubi. "Oče naš, kateri si v nebesih..."

"Ali sem šel na sever ali pa na jug, ko si me ti srečal?" je spraševal pozabljeni profesor prijatelja.

"Na sever si bil obrnjen?"

"No dobro. Potem sem pa že obedoval."

Tisočmiljna pot se začne z enim korakom, pravi kitajski pregovor.

Pogosto tožijo stari ljudje, da mladina nima pravega spoštovanja do starejših. Pa je res tako. Toda krivda ni vsa na mlajših. Največ je kriv temu slab zgled starejših. Kadar oče in mati drug drugega pred otroci obmetavata z vsakovrstnimi grdmi primiki in zmerjanjem, prav gotovo ne delata za kako spoštovanje do sebe. Kadar oče in mati pustita, da jima otroci pravijo: "Ti," "mesto," "Vi," tudi ne delata za najboljši razmerje med stari in mladi. "Ti" je morda moderno, toda ni vse kar je moderno, dobro. Če bi bilo, bi morali biti moderno zasuzenje malih narodov največja dobrota. Preklinjanje otrok, tudi nima spodbuje k spoštovanju do staršev. Vem, da otroci jezijo. Tudi mene jezijo, ko delajo škodo ali pa se obnašajo, kot bi bili prišli danes zjutraj iz divje srednje Afrike. Pa tega navadno ne delajo iz hudobije. Če je toraj treba kregati in svariti, preklinjati ni nikdar treba, če prav pravijo nekateri, "če ne zakolnem, me pa ne ubogaj." Rajši rabi šibo, mesto kletve.

Zenska policaju: "Oh policaj, neki moški gre za menoj. Mislim da mora biti pijan."

Policaj (pogleda žensko): "Da, mora biti pijan."

Letoš je 400 letnica odkar je Martin Luter odpadel od katoliške cerkve in začel svojo krivo vero. Luter je bil menih augušinskega reda. Luteranci so danes skoraj edini, ki med protestanti še nekaj verujejo. Dasi je to kriva vera, imajo vendar še nekaj resnic na njih strani, to se pravi, tisto imajo, kar so odnesli iz nauka katoliške cerkve. Vsekako je skoraj neumljivo, kako bi kdo mogel trditi, da je Luter učil čisti nauk Kristusov, Luter, ki je prišel tisoč petsto let za Kristusom in je učil nekaj drugačnega kot je bilo kršanstvo do takrat. Luteranstvo, kakor tudi več drugih krivih ver je bilo ljudem usiljeno od vlade, prav tako, kot dandanes Rusi s pomočjo boljševiške vlade usiljujejo pravoslavje med narode, katere so si podpetli. Poročilo prihaja, da se v Sloveniji deli pomoč edino le komunistom, ali takim ki se izražajo za komunizem in se s tem več ali manj odpovedajo pravi katoliški veri. Zanesljivo poročilo pripoveduje, da celo okrog Gorice in na Primorskem sploh, silijo partizani vdolje, naj pošljejo svoje otroke v Ljubljano v šole in zavode, kjer pa ne učijo slovenske učiteljice, pač pa ruske. Na vse načine se trga prava vera iz src ubogih ljudi in se jim vsiljuje komunizem in stem brezverstvo. Veliko jih bodo tako premotili in spravili v brezverski tabor. To je gotovo. Prav tako se je na nemškem nekdaš usiljeval od vlade luteranizem in na angleškem anglikanizem. Danes prihajajo cboji zopet nazaj "domov v očetovo hišo," pa le z težavo.

Tok tako, naši Micki je zdaj kar naenkrat potreba moža! Res, prava sila ji je! Se reče, saj neprestano poje: Če sem glih mičkina, pa sem bogata, imam sto tolerjev, pa en'ga soldata... torej bi sodil, da je prav zadovoljna s tem ledig stanom in s tem, da je za ta veliko dekle pri nas. Zakaj bi pa zdaj kar naenkrat tičko radi izpeljali iz gajbice, mi ne gre

gi, to se pravi, samo kot zavarovalninska družba. Postaja pa potem svojega Glasa čim dalje odločnejša moč za boljševiško propagando. Osebo sem član te organizacije že preko 30 let. Pristopil sem, ker sem mislil, da bo to, res pristno ameriška zavarovalna organizacija, da se bo res bavila edino le s zavarovalnino in porabljala denar članstva edino le v ta namen. Pa danes pogledajte kaj smo. V vsaki številki Glasa se dela propaganda za boljševike. Denar se meče kar po stotakah v namene, o katerih le boljševikom. Kdo je dal pravico glavnemu odboru, da kar meni nič, tebi nič, vrže \$700.00 zvezinega denarja v Sansovo pest, da bo še za naprej podpiral bratomorni boljševizem v njegovem uničevanju slovenskega naroda? Če bi to šlo v pomoč lačnim in razstrganim v Sloveniji, brez ozira na kako politično ali pa versko prepričanje, bi človek ne oporekal. Toda tisti denar, od katerega je 75 procentov prišlo iz rok katolicinov, bo šel za usiljevanje komunizma med našim narodom. Starši, kateri imate otroke, premislite desetkrat predno jih vpišete v organizacijo, katera postaja z vsakim dnem večja oboževalka rdečega fašizma, če ne krone nazaj. Če je, da se SDZ obrne nazaj v res nepristransko organizacijo ali pa preneha skrivati se za nepristranstvom.

Saj razen tega je postal tako strašno puščobno na Pogorju, ko nikjer ni vneme in vse poveša glave v tla. Simba Kavembu se je posvetoval s svojimi svetovalci pa modro ukrenil, da treba sestaviti posebno krdela, ki naj zanetijo ogenj pa razmajejo to mrzlo hribovje. Moder in silen je bil simba Kavembu in njegovi ukrepi so bili kakor božanska zamisel.

Simba je zbral vse tiste številne dečke, ki so se potikali okrog barez pravega posla in bili ljudem za samo zlo. Časi so težki, čas pa dragocen, nihče naj ga ne zapravlja s pohajkovanjem. Tako je menil modri simba. In tiste fante je pošteno zaposlil in uvrstil med spodobno in koristno človeško družbo. Le-ti so oženji, zdravi in up velikega simbe, le-ti so kvas za te premirle kraje. In je ta čudak kar v eni sapi stresel prednje vse. On hoče novega življenja na Pogorju, živega, razgibanega in sočnega, simba hoče, da bo Pogorje vrelo in kipele, da bo iz te hladne vode nastala živa kri.

Ognjevit je govoril simba. Medtem so pa metali z avtomobilov čisto nova oblačila, orožje, svilo, pa vrečo srebrnikov. In srečnim dečakom so se jasnili temotni obrazi, ko so metali s sebe klavne cape pa natikali nove pisane hlače, rjave šolne, zelene jopice, okrog čela si ovili rdeče svilene ovijače, katerih konci so segali zadaj preko tilnika skoro do srede hrbta. Končno je pristopil simbov čarodej. Ta je speval nad njimi neke speve, medtem ko je vsakemu vtaknil v uho male kleščice pa stiskal, in vsakdo je poskočil, ko ga je zaskalelo, in kri se mu je pocedila na ramo. Maziljenec simba je zdajci dostojanstveno stopal ob vrsti teh izvoljencev, slehernemu položil roko na čelo, vzel s pladnja svetel obroč, pa mu ga obesil v uho. "Šajšan" v uho, to je bila posebna odlika, ki jo je delil simba Kavembu svojim mlajencem.

"Tam-ta-ta! Bantu-šajmul! Ham-ham!" jih je končno slovesno ogovoril. Pozdravljeni, hrabri udarniki! Na ugriz! Potem jih je porazdelil v tri krdela, vsakemu dodelil glavarja. In eno krdelo je odpravil na Zoranje, drugo na Jasinj, tretje je ostalo na Višnju. In to je namestil v Glavanovi hiši, ki je stala prazna. Prazna? Nu, Glavan-ka je bila tedaj v tisti zlokobni noči zgorela, dva sina sta bila padla v vojni, Glavan je poginil v ligurski ječi, a dve hčeri sta pod Liguri izginili brez sledu. Ljudje so o tem ugibali vse močje, nekateri so celo sumili, da so ju "šajmul" snedli. Točnega ni vedel nihče, dasi sta izginili tudi dve devojki z Jasinja in je eno vzela noč na Zoranju. Vendar se je ljudem le urivala sumnja, da so jih "šajmul" uropali pa prodali kot belo meso v ligurske brloge. Kajti tudi dolj v Doljani so se dogodili podobni primeri in pogosto so se pojavljali dolj prekupei belih deklet.

Spričo vsega tega se je pošaljal ljudi neznanski strah. Saj so oddajali davčin, kolikor jih je zahteval simba: pšenico, ječmen, ajdo, slanino, jajca, maslo, perutnino in pitane jance. Toda vse to še ni utešilo krivisladnosti Ligurov, ki bi se hoteli ponujati s samim pečenjem. In ako jim je primanjkovalo rib v olju, ali so pogrešali kobilice v popoprani omaki, nu, in ko jim je koncem koncev presedala sama divjad, so šli in sunili iz hleva junico. Prava reč! Včasih so si poželeli pa še posebnih sladkob, in

so šli pa se ponoči skušali plaziti do bele polti.

Po vsem tem ni nikogar o-supnil pojav simbovih "šajmulov." Ljudje se niso končno niti posebno zgražali, ko je vstopil v te vrste domačin. Slakov fantin je bil prvi, ki so ga zvali krdelarji medse. Kdo ve, kaj ga je pripravilo do tega: kričavo oblačilo, njihovo burno ponašanje ali kak drugi nagibi. Fant je umel nekoliko ligurski, kajti bil je v Liguriji nekaj let zaprt, deloma v vojašnici, in to bi utegnlo kaj vplivati nanj. So pa bili tu še neki drugi vzroki. Slakov dom je bila tako rekoč sajasta bajta, vsi Slakovi so klepali na cesti kamenje, opravljali torej najbolj poniževalno delo na svetu, če so hoteli imeti sleherni dan zabeljeni sirek. Se Bog da je sirek, so menili drugi, ki niti tega niso imeli v zadostni meri, vendar niso marali v krdelo po ligurske srebrnike. — Nu, Bog z njim, so govorili o Slakovem fantu. Odvračal bo Ligure od zlih namer, domačine nekako ščitil pred njimi, hiše branil pred požigom, grunte pred ropom, skratka: priprošnjik bo, posrednik in angel varih.

In ko so ljudje to ugibali in prerokovali o Slakovem, je vskočil še Klopov v krdelo. Za tem se iztrgal iz bajte kajzar Kljun, pa šel gor na vas in dobil pisane hlače pa rdeč šajmul; mimo tega pa še srebrnik. Ni čuda torej! Nekateri ded-

ce je segnala iz bajt revščina, bajta dima, a ni kaj deti v sklepe sinove mikavnost, tako so si do, gori v krdelu pa toliko pešušljali ljudje. Doma polna čenja, praženja, močnega vina,

KI JE UMRL DNE 14. FEBRUARJA, 1945

Ljubljani soprog in dragi oče, prezgodaj si odšel od nas, zapustil vse, ki si jih ljubil, zapustil svoje lastne drage.

Hladna Te zemlja že leto dni krije, mirno in sladko v grobu zdaj spiš, mi pa ne moremo biti veseli, ker to so žalostni spomini za nas.

Zastoj Te iščejo naše oči, Tebe le od nikoder ni, luč naj nebeška za vedno Ti sije, v mislih med nami boš vsak čas!

Ohižani rabijo zdaj več ključev na daljavo kot kdaj prej. Od 1940 se je raba podvojila in se rekordno viša. Zato bo morda nekaj zamude na vaših ključih. Toda mi inštaliramo nova okrožja z dvojno hitrostjo kot pred vojno, da bi dosegli zahteve. Ne bo dolgo, ko bomo zopet nazaj na naši visoki predvojni poslugi. Za potim imamo pa v načrtu, da še izboljšamo našo poslugi, ki je že itak najboljša na svetu.

pa srebrnik na dan! Križana gora! Saj so navlekli Liguri polne avtomobile izdelanega oblačila, obutve in drugih potrebščin na Pogorje ter na ta način odjedli domačim roko-delcem ves zaslužek.

Čavsovka je celo nagovarjala sina, naj gre in se vpiše. — "Če je vskočil Slakov, pa bi še ti. Poprej je klepal kamenje na cesti, danes že nadzira druge klepače," mu je šepetala pri ognjišču. "Uboštvo, da renči, tam pa vsak dan srebrnik, ki ga ne vzame suša ne moča. Saj te ne bodo snedli. Malo se boste zvirali pred tisto pošajno, prava reč. Pa še nekaj: njega boš lahko rešil, Tine, če vstopiš med pošajne," je važno podarila. Vendar se je Tine težko odločil. Starega imajo doli v Liguriji, res, toda bo kaj bolje pri Čavsovih, če se pijanec vrne? Poprej je vse poglinal in potlej ne bo boljši. Le s ceste bi se rad umaknil Tine, če bi bilo mogoče, v Svitavo planino, v rudokop; tam se več zasluži pa bolj moško delo je. Mati mu je končno prigovarjala tudi spričo hčere: naj gre, za sveti božji križ, jih bo varoval zla! Gruntarski se lahko odkupijo, s telico ali ov-

co, če je sila, bajtarski se nima s čim, oni pa, hm, terja-jo — hčer . . . Usmiljeni Jezus! Ko je Tine končno vse to pomislil, se je pa le polagoma vdal. Šel je, plazil se je za vr-tovi, daleč naokrog, da ne bi koga srečal. In ko se je končno priplazil do Odrinove hiše in stopil pred maziljenca, ga je obšla neznanska bridkost.

Nekdo je zapisal: "Moj oče so mi večkrat dejali: Fant, če hočeš, da boš srečen, spoznaj se z dekletom, katero misliš poročiti pri obhajilni mizi." Ta nasvet ni ravno napačen. Predraga teta!

Prej ko Vam napišem par vrstic, Vas prav lepo pozdravim in Vam želim vse najboljše.

Prvič po dolgih letih Vam pišem pismo in Vam naznanim, da mi je pred dvema leti umrla ljubljena mama. Imela sem jo srčno rada, zato je tem bolj pogrešam. Sedaj sem ostala sama in brez vseh sredstev. Zato Vas prosim, če bi mi mogli kaj pomagati. Zelo srečna pa bi bila, če bi mogla priti k Vam v Ameriko.

Moja mama je bila žrtev "črne roke," saj vem, da ste kaj slišali o tem. Tisti večer, ko me je doletela ta nesreča, sva z mamo spali v isti postelji. Kar naenkrat pa se je v najini sobi zasvetilo in zagrmela sta dva dolga, presunljiva strela in v tistem hipu že ni bilo več moje mame, izkrcavala je, ko ji je priletela morilčeva krogla naravnost v srce. Tako sem ostala sama. Po treh mesecih se me je oče usmili in me vzel k sebi, čeprav ima precejšnjo družino. Očeta imam rada, a se vse eno ne počutim tako kot sem se pri moji mami. Mama mi je bila vse na svetu, z njo sva se pogovarjali o marsičem, z njo sva hodili povsod skupaj. Kjer sem bila jaz, tam je bila mama in obratno.

Kako se pa imate pri Vas? Ali sta živi in zdravi in kako Vam je bilo ta čas med vojno? Zelo me bo veselilo, če boste prejeli moje pismo in mi nanj tudi odgovorili. Prav prisrčno vas pozdravlja vse skupaj. Vaša — Stanka.

SPORTS

Cleveland Barons erased their St. Louis blues Feb. 12 before 7,969 fans. Defeated four straight times in St. Louis, the 1945 American Hockey League champions closed their season's business in St. Louis by beating the Flyers, 4 to 2, with a three-goal burst in the final period.

Little Les Cunningham, who sets a new league all-time scoring record every time he registers a point, slammed what proved the winning goal at 14:02 of the third session. Burly Pete Bessone had tied the score, 2 to 2, for Cleveland at 4:26. Lou Trudel iced the decision with a goal at 14:12. Bessone's marker was registered as unassisted, but the skate of one of the Flyers proved a big help as the puck bounced off it into the twine.

The third-place Barons pulled seven points ahead of St. Louis in their western division race for a play-off game, and it appears as if only a complete collapse can keep them out.

Mathew Hribar Running for Commissioner in Lake County

Mathew Hribar, Leroy, Ohio, farmer, is a candidate for Lake county commissioner, subject to the Democratic primaries May 7.

Mr. Hribar has operated his farm since 1907. During the war he served as chairman for the Civilian Defense and chairman of the salvage committee. He also worked for the Red Cross in his community. He is serving his fourth term on the Leroy township board of trustees, having been re-elected each time by a substantial majority.

He also is serving his seventh term as president and general manager of Leroy Telephone Co. and has made many improvements to the service as the result of careful management.

Mr. Hribar is the father of six children, four of whom reside with him. His post office address is R. D. 2, Painesville, Ohio. Mrs. Hribar died 18 years ago.

Attention, Bowlers!

Presidents and secretaries of all bowling leagues are invited to attend a special meeting of great interest to all bowlers. The meeting will be held on Sunday, February 17th at 2:30 p. m. in Sachsenheim Hall, 1400 E. 55 Street.

Pre-Lenten Dance

Slovenian Women's Union No. 50 invites all to a Pre-Lenten Dance at the Slov. National Home on March 5. The ever popular Johnny Pecora will supply the music for the dance lovers. The kitchen gals have promised to have some tempting refreshments. So come out and join us, for we know you will have a grand time.

New Officers Elected

Five hold new positions as heads of Skrijancki Club. The officers were elected at a previous meeting in January. The new officers are as follows: Val Grill, president; Mildred Drugovich, vice president; Carolyn Zaller, secretary; Viola Mocnik, treasurer; Leona Krizman, assistant treasurer.

Let us take this time to say we wish them luck in their new positions.

The meetings are held the last Sunday of each month. At this meeting the parents and members get together.

We like to stress the fact that we could do with more members. It seems as though people still have the idea that the younger children still attend. This is not true, for the age limit is from fifteen and up. As soon as the club expands the name will be changed.

Shore Wins Ten in Row

By Joe Mailander

Putting on a fine display of passing, the Shore Admirals romped over Bedford 51-38 at Shore Auditorium Friday night.

Jack Obert and Don McClean, Shore guard and center, respectively, repeatedly outjumped Jim Fritsche, Bedford center, while offensively Dick Lanese again led the team with 15 points.

In winning, Shore avenged last year's defeat by Bedford and now has ten straight victories.

After a few words, mostly spoken by the young wife, her hubby sprang to his feet.

"You've gone too far!" he exclaimed angrily. "This is our last quarrel; I'm going right out of your life."

"Oh, Henry, darling, where are you going?" she cried.

"Where I'll never trouble you again," he replied, as he started to open the door. "I'll find a place where wild adventure will wipe out the memories of this moment—perhaps in the jungle—or on the stormy seas."

As he spoke he opened the door, then closed it again and turned sternly to his wife.

"It's lucky for you it's raining," he said.

The shrewish spinster daughter of a certain well-known general had at last captured her man! He was only a second lieutenant, but considering the homely face, the stupid mind, and the waspish disposition of the pursuing maiden, she had really accomplished a very good catch.

"Dad," pleaded the altar-bound creature, "can't you do something for Arthur—can't you promote him?"

"No," replied the general. "I can't elevate him over the heads of others. He took a long look at his horse-faced daughter, and added brightly, 'but I might have him cited for gallantry.'"

"Do you think the Senator put enough fire in his speech?"

"My opinion is that he didn't put enough of his speech in the fire."

TEEN-DATE DRESS

TEEN-AGERS will love this dress—with swirly plaid rayon taffeta skirt—white one-denier rayon peasant blouse—and fluttering black velvet girdle. Dress-up rayons can be as practical as they are pretty. The best way to check on dry cleanability, seam strength, and other good wearing qualities in rayon is to read informative labels that give you accurate facts about your fabric.

ST. VITUS HOLY NAME Weekly Review

THAT'S MANNING THOSE "TOMMY GUNS"

A returning serviceman tells us the story of how after seeing Jimmy Cagney in "Roaring Twenties" (which dealt with the discharged GI's of World War I) the present GI's seeing the film in camp kid one another about doing likewise, namely getting out their "Tommy Guns" and taking matters into their own hands.

Well, that's what our boys did last Sunday at the 11:30 Mass. They were manning their "Tommy Guns" of Catholic Action when they received Holy Communion in a body and proved themselves ready to live up to principles without fear of ridicule at the Mass attended mostly by the one-foot-in-the-lobby boys. It took sacrifice of missing breakfast which most men were accustomed to eating before Mass; but, too, they will find their sacrifice not in vain for the spiritual benefit they received more than compensated we are sure. Keep it up, men, this showing is a good beginning to a peace which the world cannot give.

THE PAYOFF

It is indeed encouraging to the man of the St. Vitus Holy Name Society to see that positive results are already being noticed as an outcome of the beginning of activities among our youth. Men willing to work to see how much, rather than how little they can do. Thanks, fellows, let's keep it as our unofficial slogan—"Little we can do!"

BOWLING LEAGUE STATISTICS

In order to save ourselves from a case of graying hair, the twelve teams were requested to choose themselves a name, thereby simplifying things for our bookkeeper and for those who asked, "Which number is playing which," and "if so, what is the number of my team?" Team standings are presented below by name and respective number, as of Feb. 7th:

Team	Points
Barons (10)	11
Clovers (6)	10
Bozo Busters (5)	8
Anzlover (9)	8
IN-LAWS (3)	7
Gutterballs (12)	7
Rangers (1)	5
Draft Bait (8)	1
Tomcats (4)	4

Polenik beat Persin 21-15 and 21-13. Polenik beat Orehek 21-13 and 21-17.

BOWLING SHORTS

Too bad, we bowl on Thursday nights, as this makes it impossible to keep the standings of our teams in the American Home up to date. . . . Gdina Lanes on Thursdays are a popular get-together medium, we meet many of our returning vets there, as well as many fair rooters. . . . And vets, reminds us that about 63 per cent of the bowlers in our league are home from the wars. . . . Pretty slick, some of those names of our teams. . . . We wonder who'll finish on top at the end of the season? . . . We also wonder if the Gutterballs will beat the Pushovers when they meet?

PING PONG TOURNAMENT

A hectic evening of Ping Pong was in store for the members who participated in the Annual Ping Pong Tournament last Tuesday. One of the defending champions, Tony Polenik, almost repeated—but was defeated in the finals that had to go to five sets. The winner and new champion was our active vice president Eddie Tomc. We don't want to take away any of your glory, Ed—but we heard that you practiced at home in your kitchen table.

Here are complete scores of the tourney:

St. Mary's Weekly Flashes

WELCOME HOME
V. welcome home, you service boys,
With all your tales to tell;
Welcome home from seas and isles
O, welcome back from hell.

C. welcome home with medals
And trophies in your pack;
With all your wounds and crutches,
O, welcome back from hell.

Old Main Street was so lonesome
When you left our streets and sod;
We played for you like pilgrims
With a fervent trust in God.

You knew that we were with you
In jungles, on the seas,
And by your vacant chair
Was mother on her knees.

You say that we weren't with you!
O, yes, so strange it seems;
But you'll never know how often
We saw you in our dreams.

Sometimes your wounds were bleeding
And we couldn't lend a hand.
You were like a stricken vessel
A thousand miles from land.

Then next morn the mailman—
God bless his darling soul!
Would have a message from you,
"I'm all alive and whole."

So welcome home, you service boys,
With all your tales to tell;
Welcome home from seas and isles,
And welcome back from hell.

—Rev. Wm. M. Holub

POSTPONED MOVIES

If you care, you may come to the
Portable school tonight to enjoy the
movie program. To let you in on the
feature, approximately one and one
half hours of mixed entertainment is
lined up. Those who are interested
meet us at the Portable school tonight
at 8:15 P. M. (after the novena devo-
tions).

OUR MARCH 5th AFFAIR

It is the talk of the neighborhood
by now, for just a few tickets remain
to be sold. From now on, if you want
to be sure of an admission to the Pre-
Lenten affair, call at the parish
house. Also, what tickets have not
been sold, as yet, should be returned
to Father Vic by Sunday.

Amongst the orchestra leaders who
offered their services for the event,
we have Al Tersek. This neighborhood
boy played the drums and traps for the
past six years with various outstanding
orchestras. At present, Al is employ-
ed with Gus Parman's Band which
played at Mentor Beach. During the
winter season, this group is kept oc-
cupied in playing for High School
Proms.

Again, we overheard that Joe La-
sicky, the leader of the well-known
and loved orchestra of pre-war days,
promised us his assistance as an ac-
cordianist. Joe was recently married,
but he expects to be with us by March
the 5th.

Next week we will let you in on more
dope of our famous orchestra leaders
who will be with us that evening.

Refreshments will be served, so we
can really enjoy ourselves with all
our own folks, Ma, Dad, brother and
sister. Gee, you will never have ex-
perienced more fun, we know. Be sure
to purchase your ticket in advance or
you will miss the movie, "The Fish-
erman's Wharf" starring Bobby Breen.
If no one can supply you with your
need, as a last resort try the parish
house.

CHOIR'S PERFORMANCE

We heard that the choir under the
directions of our organist, Mr. Rakar,
is rehearsing a concert. After a seri-
ous study and careful selection, they
have chosen to present "Calvary" on
Palm Sunday, we think. It is a bit
off yet, but we will give you fuller
details in time. May we suggest that
you plan to be present at this won-
derful musical.

Just as an after thought, those who
attended the 10 o'clock Mass Sunday
should be proud of our choir. Why,
everyone is remarking of the marvel-
ous singing at the High Mass. This
calls for preparation and the time of
our singers. In return, to show our
appreciation, let us all support them
100 per cent on all their future en-
deavors.

To all the members of the choir and
to Mr. Rakar, we say Congratulations
for your splendid singing of Sunday's
Mass. No need of saying, we will back
you up in all your undertakings, too!

HOLY NAME HIGHLIGHTS

War Service veterans are largely
responsible for the great enthusiasm
that has marked the coming recep-
tion, this Sunday, February 17, of new
members into the Young Men's Holy
Name Society of St. Mary's Collinwood.
The membership roll already contains
the names of two-dozen servicemen
who have learned the value of their
religion and intend to help others to
the same realization.

Young men of the parish, both sin-
gle and married, over 18 years of age
are sought for membership and are
invited to join the Society at the re-
ception of new members to be held at
services Sunday afternoon Feb. 17th
at 2 P. M. An invitation has been ex-
tended to the Holy Name Senior So-
ciety to join in this reception.

A social shall follow in St. Mary's
Hall to help members get better ac-
quainted. Refreshments and musical
recordings are planned. "Ice" Kocin
heads the Entertainment Committee.

High Mass shall be offered next
week in memory of two members who
made the supreme sacrifice, namely
Sgt. Stanley Brodnik and Flight
Officer Stanley Rossa. All who can
attend these masses should endeavor
to do so.

All members are reminded of the re-
ception and of the Group Communion

at the 8 o'clock Mass on Sunday the
17th of February. Meet in the Club
Room at 7:45 A. M. and attend Mass
in a body.

The following members constitute
the Executive Board for the coming
year.

President Joseph Novak
Vice President Mike Anzlin
Secretary Ignatius Novak
Treasurer Charles Kurnik
Sergeant at Arms Louis Novak

The auditing committee is composed
of Joe Kozar, Ike Kocin and Frank
Znidar. It met Wednesday evening to
check the books and informed Ike
Kocin and his entertainment com-
mittee, they may go ahead with their
year's program of events and from
what we've heard, they're full of ideas
—Things are really buzzin'. . . Come
around fellas.

For the first time Father Vic has
attended the Holy Name Society's
meeting, since he has been at the pa-
rish. Thirty-two staunch Catholic men
gathered to discuss ways and means
of bettering themselves, not only be-
fore men but also before God. Father
remarked that he was well pleased
with the spirit of unity, cooperation
and fun in this swell group. As a
matter of fact, from his reactions he
must have had a grand time with his
new acquaintances. You are always
welcome in our midst, Father.

Who doesn't believe that the society
elected a honest-to-goodness Enter-
tainment Committee head? Yes, they
chose "Ice" Kocin and we all know
his wonderful abilities in this line.
Boys, you could not have made a bet-
ter choice with all the experience be-
hind that man.

Remember all ye members—Holy
Communion this Sunday at the 8:00
o'clock Mass. And of course, Recep-
tion of new members at 2:00 P. M.
with Benediction and a social in the
hall after services. Hope to see all
of you there!

NO REPORT OF AVERAGES

Because Stan Zagor, our Secretary,
was in Dayton with the K of C bowl-
ers last Sunday, we have no news of
averages this week. Poor guy needs a
little rest. Too much traveling makes
one tired. So we will have to excuse
Stan, for once. However, we must say
he is doing a hard job very faithful-
ly.

WHO ARE THE BOWLERS?

Today, we know the exact answer
to this question. No doubt does it
remain, that the Acme and Svetek
teams make all the noises at the al-
leys. Since these two teams were
away last week, all was quiet and un-
disturbed. But, to tell the truth, we
missed those familiar faces of both
teams. Mike Zlate and Stan Zagor's
friendly arguments were lacking, in-
deed. Needless to say, that Stan Rob-
inhood and his team spirit is account-
able for a good share of the usual
merrymaking. Don't leave us again,
boys.

BUT, WHAT WAS THERE?

There is no wonder that Louis
Pizmost's chest was swelled up as it
was. Louis is a papa to a new little
boy whose name might be Joseph
Father Vic tried to convince him to
name him Vic. No luck, eh, Father. If
it was Louis's way that would be the
name. He prefers it, as he says.
Cigars galore were being smoked at
the alleys on this account. Boy, give
me fresh air.

PERSONALITY

"Murph" Gerbec giving out with J.
Mercer's latest, "Personality." Ask
"Murph" to give you some "Frim-
Fram Sauce," too, and (with SHEFI-
EFA on the side). How about it?

Baraga Glee Club

"How would you like me to fix it?"
"Fix what?" you ask. Oh yes, many
are the times "Little Miss Fixit" has
added her touch to a girl's crowning
glory. Well, "Practice makes Per-
fect" and Rosie Bavec is taking ad-
vantage of the saying, because being
a hairdresser will soon be a part of
her career. In her ambitious field
"Antoine" is her ideal, but only—and
only, in that field.

However, Rosie's interests do not
only lie in hairdressing. Oh no!!
Here are a few samples of what she
always enjoys doing.

Number one on the list is being a
cosmetology student at Jane Adams
Vocational High School. We take it
for granted she has her fun there.

Dancing could be her second fa-
vorite, because she enjoys music and
well, naturally dancing!!!

Along with dancing comes singing,
and her lovely soprano voice lends a
tune on many occasions. Semi-clas-
sics and popular tunes are always
her favorites, but "Symphony" is on
the spot with her right now.

Next on the agenda is bowling.
It's a new pastime for her and will
soon have its prominent moments.

Of course, we can't forget the fa-
vorite food items. Her Mom's roast
chicken will suit her fancy any day,
and second to that is whipped cream.
Oh, whipped cream here and whip-
ped cream there, we bet Rosie would
like to have it everywhere.

But to look at this five foot three
slim teenager!!! Okay, we'll let you
take another look!!! (Now you know
what we mean.)

Her honey-colored hair take to a
simple arrangement, usually flattered
with a sequin band. By the way, if
you look under the thick cover of
those lashes you will find a pair of
jade-blue eyes that sparkle at you.
Of course her "Ipana" smile deserves
as much credit as her eyes.

But, be not an enemy of God by
passing on worthless books and read
them not for they will choke the good
within you.

YLS SKATING PARTY

Round and round we went. The
skating party was well attended, all
had a rolling time, so nothing more
need be said.

Ex-Servicemen's Bowl- ing Team

Ex-servicemen's team will be or-
ganized at Grdina's Recreation, 6025
St. Clair Ave., team average from 800
to 830. Anyone interested can con-
tact the management by calling EX-
press 0398.

JUNIOR HOLY NAME

In order to correct one of the past
misunderstandings—the young men
of the eighth grade who were in-
ducted into the Society this year
have been promised a hardball team.
This team will play in the CYO
League. A senior member who is
still in the Service has been con-
tacted to take charge of the team.

Absent from the bowling party on

sorely missed. . . Tony is in bed with

AMOUSING BUT CONFOUSING

The newest lad going around the
Junior Holy Name circle is . . . well,
you take a word, spell it backwards,
then pronounce what you have spell-
ed. . . Lots of fun. Here's an ex-
ample: PING PONG (gnip gnop).

AIR MAIL

Beanie Orehek writes from Lam-
bert Field, all enthused about the
bowling leagues, and pleased with the
success of the "Variety Review."

While reading "between the lines,"
in his letter, I find "Beanie" has been
promoted to Seaman first class. . .
That's all right!

After receiving the "Variety Re-
view" program, Vern LaBuda re-
plies: "Tell me what the acts con-
sisted of, e. g. School Day Sweethearts,
Topsy Talk, etc." Well, Vern, we'll
have a regular "session" when you
get back, and believe me, that'll spot-
light our program. . . That's a prom-
ise.

flashed way back are very interesting.

Indeed very interesting is this teen-
ager who has been with the "Gee"
Cub for a number of years. We are
sure she has many more additions to
make in that Treasured Memory Al-
bum. Of course, the longer she stays
the more pleasant memories she'll
have and we're sure we can say the
same.

GAY RANCHERO'S

Sunshine instead of snow, hay-ride
instead of sleigh-ride. Dressed in
Alaskan instead of Hebraskan. Put
them all together and you have the
start of our first Glee Club gathering
of this year, which took place Sun-
day, February 3. Mahon's Dude
Ranch. . . Haste made no waste in
this case as all arrived on schedule
and safely.

"Hey, swing your partner round and
round, promenade her up and down."
Why look, the girls have already tak-
en chase after the cold bring winds,
by dancing the barn dance (outside
the barn, mind you). Helen Gobec
kept perfect rhythm, Arthur Murray
would have surely signed her with
him. . . Marz Mezie "it" in the game
of tag, found it easy to catch the per-
son who would lig. . .

It wasn't long before we tired, so
we dashed down to the river to see
if it was frozen. Ah, perfect. . .
Come on, kids, let's get on the ice.
Frank Godic found it wasn't quite so
solid on the other side. . . We spoke
too soon. . . Brirr was that cold.
. . . Doty Cimperman often sat on
the ice, she didn't mind though, be-
cause it was just too nice. . . Imag-
ine trying to ice-skate without skates.
. . . Dolores Bogovich brought her
skates, lucky girl, and can she skate.
. . . Donald Mocnik tried the Adagio
dance on skates, but found it wasn't
a cinch. . . Frank Zupancic, breaking
in new skates, knows now that you'll
never make progress by skating
straight, when trying to master the
figure "8". . . The performance by
the make-believe skaters was excel-
lent, as fine as the Ice Follies of 1931.

Say, gang, we'd better hurry up the
hill. I see they've already prepared the
hay-wagon. Let's scramble aboard
and that's exactly what we did.
Tommy Tomc borrowed the flaming
red shirt she wore, but this was a
stop sign, when it comes to being
tossed from the wagon. . . Helen Meglich
buried alive beneath the hay, but she
came up to see the light of day.
. . . Annie Kovacic and girl friend Elea-
nore Vertovnik seen together when the
ride began, but separated at the
journey's end. . . Mary Alice Kle-
mencic, sat at the drivers' feet, truly
the most appropriate seat. . . Judy
Goedic discovered she's allergic to hay
but it didn't spoil the rest of the day.
. . . Curly Jo Kozel would trade the
city, just to live on a ranch, like a
Western kitty. . . Dimples Virant, the
spy of this occasion, took pictures of
the gals as they shed the well-stocked
hay, and without persuasion. . . Jo
Cimperman took pictures on the ice,
that are sure to surprise, her camera
always clicked just when we were least
able to rise. . . Rose Cimperman, an-
other of our guests, found the day
very exciting. . . Rather Baraga mis-
sed the hay-ride, just because his Gra-
ham blew a gasket. . . Matt Milnar
came with Suzy, and entertained us
in the ranch-house. . . Frank Brod-
nick enjoyed the comforts of home,
for he was given the seat, called fat
king's throne. . . Aggie Kosec loves
to dance, and Matt's version of "Twil-
ight Time" sets her in a trance. . .
Same with us. . . Mickey Subadi
took over Suzy for a spell, and cer-
tainly did very well. . . Tony
Brodnik, pseudo jitterbug, so he tells
us, but we don't believe him. . . We
know it isn't thus. . . Marg Fe-
mazin enjoyed the games played, im-
mensely. . . Jimmy Meglich knew his
game played, and pitted the one on
whom it was played. . . Allan King-
sett, our Dr. I. Q. of the day.
. . . Frank Bransel, official flash bulb
CAMERAMAN, George Lawlich, Mr.
Mahon wants no "duds" on his ranch.
. . . Miss Kay prepared the dinner
delicious, and always prize winner.
. . . Father Patrick stood first in line, and
thought the idea of G.I. "chow line"
just fine. . . Eddie Godic d'd K. P.
in the kitchen. . . Ann Cimperman,
cake eater de luxe, especially when it
devils food.

We fell on the ice, and had fun on
the hay wagon, then danced and play-
ed games, and satisfied our appetites
with bowls full of chili, and at last
though weary but never the less hap-
py, we started for home and the
citiil. . . Gosh, gang, wasn't the hay-
ride grand??? How did the Sloan's
Liniment aid the sore muscles??? Oh,
my aching back.

TUESDAY NIGHT SERENADE

FLASH. . . Rehearsals came to an
end at 10:00 P. M. . . Dream, while
we're walking through the wonder-
lane. . . Speaking of the past, we
simply couldn't refrain from telling
of the excitement of the Valentine's
Dance, held Sunday night. . . Our
hearts were young and gay as we re-
newed old acquaintances, and invited
our many returning veterans and
friends again into our midst. . . The
dance and especially community sing-
ing, proved a great success. . . Our thanks
to all who joined us that evening.

More of this memorable night next
week. . . We discussed transportation
and travel. . . Wasn't it interesting?
For the coming months our calendar
of events is marked as follows: the
glee club will sing at the 11:30 Mass
on Sunday, February 24, with March
3, the date set for our traditional Pre-
Lenten affair. . . followed by a dance
to be sponsored by the club also on
Shrove Tuesday, March 5. Won't
you mark your calendar to coincide
with the dates we have chosen?

DOWN THE ALLEYS

The glee club girls will meet at 2:15
this Sunday afternoon at the Grdina
Alleys. Remember to bring your shoes,
girls. Be seeing you then. The Best
of Luck to all.

ARMY NEWS

(Continued from page 5)

Another son-in-law of Mrs. Sternad,
Louis Debeljak, S. 1/c of the Navy,
served in the South Pacific for a year.
He and his wife Alice live at 114 E.
216 St. Euclid, Ohio.

Mr. and Mrs. Anton Kolenc of 1117
E. 63 St., are very happy to report
that their three sons are now at
home—all having been honorably
discharged.

The oldest, Pfc. Anthony F., was in
the army three years and spent 22
months of this overseas in India.

The second son, S/Sgt. Frank J.
served Uncle Sam three and a half
years. He was overseas 33 months in
the Southwest Pacific and took part
in the battle of Luzon.

The third son, Sgt. Elmer of the Ma-
rines, served 42 months, spending 23
months of this overseas in the South-
west Pacific and participated in the
battle of Iwo Jima.

All three received our weekly Eng-
lish edition, which they say was a
comfort to them during the bitter days.

Both sons of Mr. and Mrs. Joseph
Demshar, contractor, of Mentor, O.,
have been honorably discharged from
