ORIENT – “PROTI VZHODU”

Leta 2014 sem nekaj nekaj mesecev živel v Turčiji in prepotoval velik del države. Oriental sem se proti vzhodu in po poti beležil kraje, ki sem jih videl ter ljudi, ki sem jih srečal. Leta kasneje ostajajo fotografije, ki sem jih takrat posnel, subjektivni dokument nekega prostora in časa.

ORIENT – “TOWARDS THE EAST”

In 2014 I spent a few months in Turkey, traveling across the country. Orienting myself towards the East, I captured the places I saw and the people I met on the way. Years later, the photographs I took there remain a subjective document of a certain place and time.
