Franco in Peron

Dva Španca, Franco in Peron, sta na dnevnem redu diplomatskih razgovorov in svetovnega časopisa. Prvi je predstavnik totalitarne šanske vlade, drugi je neke vrste vojaški diktator Argentine. Protiv prvemu vodi boj predvsem Francija, proti drugemu nastopa na prvem mestu naš Department of State.

Špansko govoreči narodi, Španci v Evropi in oni v srednjameriških in južnoameriških državah so bili obvarovani grozot druge svetovne vojne. Ostale so vsaj na zunaj neutralne. Evropska Španija je malo pred nemškim napadom na Poljsko končala krvavo domačo vojno med legitimisti, ki so jih vodili komunisti in med "upornikom" Francom, ki je vodil neizprosen boj proti tem komunistom in proti vsem z njimi združenimi. Oslabele Španije ni prav nič mikalo, da bi se vpregla v kako novo vojno.

Danes je dognano dejstvo, da je komunizem na Španskem divjal s strasno krutostjo in uničeval umetniške in zgodovinske spomenike z barbarsko brezbarvnostjo. Tisoči in tisoči so umrli v komunističnem peganjanju mučeniške smrti. Nikako čudo ni, da so se katoličani oklenili Franca, ki je začel vojsko proti temu divjaštvu. Obramba je bila upravičena.

Franco je zmagal. Koičor se da že danes pravilno presojati, je po zmagi napravil dve napaki. Prvič ni znal krotiti šanske maščevalnosti. Z veliko in gotovo pretirano strogoščijo je kaznoval ne samo morilce, ampak tudi druge svoje nasprotnike. Namesto državnih modrosti je prevlada strankarska zagrizenost. To njegovo pogreško je komuničična propaganda mogočno izrabila in ga naslikala kot največjega okrutneža. Komunistom je seveda sledilo tudi drugo svobodomiselnou časopisje. Naenkrat se je ob njegovih napakih strogosti pozabilo na strahote komunističnih okrutnosti, s katerimi se njegova maščevanja niti primerjati ne dajo. Drugič pa je Franco upostavil svoj totalitarni režim, v katerem hoče biti on in njegova oborožena stranka "Falanga" vse. Njegova diktatura ni kaka diktatura Stalina, pa je vendar diktatura, ki ni upravičena in ki krši človeške osebne pravice.

V Argentine je prišel s pomočjo vojaške klike na površje polkovnik Peron, ki postane kot izgleda tudi novi predsednik te južnoameriške republike. Njegova diktatura ima gotovo znake totalitarnih režimov. Vendar ne smemo prezreti, da so vsi tuji opazovalci priznali, da so bile volitve 24. februarja letos čiste in res svobodne volitve. Nasprotioni so smeli agitirati, govoriti pisati proti Peronu iz za njegovega protikandidata, smeli so napadati in končno svobodno izbirati med dvema kandidatoma. To torej ni diktatura kot smo jih navajeni v komunističnih državah. Tam smejo samo potrditi vladne kandidate kot se je jasno videlo v Jugoslaviji. Peron se je tudi naslonil na nižje sloje in skuša z njih pomočjo vladati. Četudi tega morda ne dela iz čistih namenov ljubezni do bližnjega, vendar mu bo težko očitati, da nima večine za seboj.

Nobene teh vladavin, ne španske ne argentinske, ne moremo odobravati. Vsak sistem, ki krši osebne človeške pravice in napravlja državo za edino merilo tega, kaj je prav in dobro, ni samo nedemokratski po našem ameriškem pojmovanju, ampak tudi protičloveški in v jedru protikrščanski. Naj bo potem to komunizem ali nacizem ali pa kak druga oblika totalitarizma. Kot obsojamo fašizem Mussoliničevega kova, kot smo proti nacizmu po Hitlerjevemu vzorcu, kot smo proti komunizmu Stalino ali Titove sorte, tako smo tudi proti Francovemu in Peronovemu režimu, četudi s tem ne rečemo, da sta zadnja dva enako strašna kot prvi trije.

Zedinjene države so tedaj upravičeno proti temu dveemu režimomu kot nedemokratičnima. Amerika pa ima še en razlog za svoj nastop. Ne Španija, ne Argentina nista bili med pravkar končano vojsko resnično neutralni. Špansko ljudstvo ni zaverljivo ne v Nemci ne v Lahe. Preje bi mogli reči, da oboje zaničuje. To ljudstvo ni bilo nikoli v srcu za fašizem ali nacizem. Verjetno tudi Franco sam in prav tako argentinska vlada sama ni simpatizirala s Hitlerjem. Toda dejstva pričajo, da je sebičnost gotovih vladnih krogov vsaj skušala pomagati protiamerški stvari v tej vojni. In to danes še ni pozabljenlo, ni izravnano in popravljeno. Zato državni ameriški oddelek vodi borbo proti Peronu in vladajoči kliki v Argentine, zato se pridružuje Franciji v boju proti Francu in njegovemu režimu.

Mnogi pa dvomijo, če je ta boj prav v tem trenutku parameter in če more voditi do zaželenega uspeha. Franco naj bi kaznovan in ravno tako Peronov krog za vso podporo, ki jo je dajal Nemcem. Maščevanje je sicer sladko, pravijo, toda ne preveč lepo. Da se to oleša, se ovije v plasč boja za ljudske pravice zatiranih na Španskem in v Argentine. V imenu demokracije, pravijo da delajo. Toda tega ne delajo povsod. Ne delajo tega v raznih drugih južnoameriških državah, kjer so tudi diktature, in ne delajo v tistih evropskih državah, kjer je demokracijo ubil komunizem. Zato se naravno vprašuje ljudstvo v Argentine in na Španskem, zakaj delate to ravno pri nas, ne pa drugod. Vsako vmešavanje v notranje zadeve kake države je neprijetno, tembolj če se kdo vtika v zadeve ene ne pa v zadeve drugih podob-

nih. Tako ne more zatajiti svojih lastnih koristi. To narevno dvigne odpornost naroda proti tujem. Peron in Franco izrabljata to vmešavanje v svojo korist. Tako je Peron v volivni borbi pozival ljudi, naj se odločijo, ali hočejo argentinske ali koristi Zedinjenih držav. Nastop Amerike mu je samo pomagal v volivnem boju. Tudi Franco se bo pozival na španski ponos in se na same grožnje tujev ne bo umaknil. Francija, Zedinjene države in Anglija sedaj pozivajo špansko ljudstvo, naj odstavi Franca in sestavi vlad brez njega. To je lahko reči, pa težko izpeljati. Franco ima za seboj armado. Kdo naj vrže to? Tako bo verjetno zahteva Francije in drugih zapadnih držav udarec v vodo. Prav bi bilo seveda, da bi Franco odstopil in napravil prostor novemu demokratskemu režimu, pa težko če bo to storil na pritisk tujev. Ali naj prinese velesile to vprašanje pred UNO? Tam bi morale dokazovati, da je Francov režim nevarnost za vojsko. Toda težko bo to dokazovati, ko vsak ve, da Franco ne misli začeti nobene vojne in je samo vesel, če ga drugi puste na miru.

Tako se je bat, da so koraki proti Francu in Peronu samo polovičarske akcije. Radi tega mnogi misljijo, da je postopek Amerike premalo premišljen. Nekaterim pa se tudi vzbuja sum, da je vse to izvršeno ne samo polovičarsko in ob nerodnem času, ampak tudi pod pritiskom tistih levica krogov, ki ne morejo pozabiti, da je Franco pred leti natepel komuniste in se hočejo nad njim znesti. Da tudi Peron ni prijatelj komunistov, je znana stvar.

Rekli smo, da obsojamo vsak totalitarizem in prav bi bilo, da bi tako delala tudi ameriška vlada. Pravimo: vsak totalitarizem, ker je vsak protidemokratičen. V takem slučaju bi Amerika res uživala ugled prvoroditeljice za svoboščino vseh narodov. Toda žalibog nikjer ne slišimo oficilne odsode totalitarizma v Rusiji in ne v deželah, ki so postale odvisne od Moskve. Mnogo hujši kot kak Peron ali Franco je Tito, mnogo hujša njegova diktatura, toda Amerika je vsaj pogojno priznala njegovo vladu skoraj v istem času, ko je napadala Peronovo. Prav tako zahteva odstranitev Franca, ne pa Tita. Ta nedoslednost gotovo ne priča o iskrenosti ameriške vlade in jemlje njenemu nasopetu proti španskim totalitarcem potrebnou resnost.

Newburške novice

Danes se prične post. To je čas pokore. Pokoro človek ne bo delal, ako ne spozna potrebe za to. Za to pa je post tudi čas temeljitega premišljevanja večnih resnic in te so: 1. Bog je. 2.) Bog nas bo obilno poplačal, ako spolnjujemo njegova zapovedi, pa tudi hudo kaznoval, ako jih ne. 3.) Samo eno priljubo imamo, da si pridobimo večno srečo. 4.) Dolgot našega življenja je kratka in dneva naše, smrti ne sme zgoditi nič žalega. Ubogi ljudje.

Zglasil se je tudi John Gross iz Union Ave., sin Anton Gross družine. Vsem vračajočim fantom kličemo: DOBRODOŠLI!

"Ko sem bila zadnjič pri vas, si rekla, da tvoj mož dela za vladu. Kaj pa letos dela?"

"Nič. Je še vedno na isti službi."

Prilike za meditiranje bo dobro. Angleške pobožnosti in govor bodo od torkih večer 7:30, in o nedeljah popoldne ob 2. Slovenske pobožnosti in govor pa bodo ob petkih večer 7:30 in ob nedeljah večer 7:30. Molili bomo križev pot in premišljevali Kristusovo trpljenje, da se spomnimo brezmejne ljubezni Zvezdarjeve, karor tudi strahote greha, ki je povzročil strašne muke Njemu, ki je naš greh nasevzel, da bi zadostil ranj Bogu. Nikar ne zanemarimo svoj dan "obiskovanja," svoj dan "zveličanja."

Prati koncu predpostnega časa so kar trije pari zleteli v zakonsko kletko. James Moenich iz West Side je pcpeljal Miss Pauline Prvanje pred oltar v zelo lepem spremstvu bližnjih srodnikov in prijateljev. Živila bosta v Arizoni, kjer ima on delo.

Med umetnim igranjem na cerkvene orgle, katere je mojstrsko manipuliral g. Ivan Zorman, je prisla Miss Eleonore Verček pred oltar v spremstvu staršev in se tam srečala z svojim ženinom William Grozdanič. Sestra Mrs. Mary Mauer pa ji je zapečala par krasnih marljivih pesmi, kot le ona z svojim bogatim alto glasom premore.

Zadnji par, ki je hotel prehiteti sedanji post, pa sta bila Victor Matjašič od sv. Vida fare in pa Albina Strekal. Albina je hčerkica dobro poznane John Strekalove družine. Vsem trem parom želimo polno srečo, katere podlaga je življenje po veri, potapljenje drug z drugim in po-gostu obiskovanje tiste nebeske

samo še okostnjak vrnil nazaj zopet prvemu sovražniku v roke. In ta ga je povrhu vsega nepopisnega gorja in trpljenja, ki mu ga je prizadejal okupator, še posebej mučil in končno umoril. Zakaj vendar?

Ali je bil domači izdajalec in kot tak zasluzil mučenje in smrt? Ce bi bil kolaborator in izdajalec ter bi tako s tem pomagal okupatorju in mu izdal domovino, bi ga isti ne bil preganjal po raznih taboriščih, ne mučil in stradal temveč bi ga bil za to še plačal. Ce pa ni bil izdajalec, kar je bilo dovolj s tem dokazano, da ni bil, zakaj pa je bil potem od svojih lastnih ljudi ali "osvoboditeljev" mučen in umorjen kot izdajalec? Jasno je pri tem, da ni bil ne komunist in ne izdajalec, zato pa je kot tak postal žrtev obeh — komunizma in okupatorja.

Okupatorju so ga ovadili kot komunista, da ga je isti interniral, od "osvobodilne fronte" pa je bil proglašen za izdajalca, da se ga kot takega likvidira in obsodi v grozno smrt kot še na tisoče drugih.

Bodi še tak narodni izdajalec ali pa se tako navdušen patriot, vse ti prav nič ne pomaga, če nisi pri tem z dušo in telesom za komunizem, si narodni izdajalec, kolaborator in kvizling in kot tak zasluziš mučenje in smrt. Gorje ti, če se ti ne posreči pobegniti v tujino, da si z begom rešiš vsaj golo življenje, čeprav si kot begunc izpostavljen vsej bedi in trpljenju in poleg vsega tega pa še proglašen za izdajalca, kvizlinga in menda razbojnika tudi, ker si se umaknil, da te razbojniki niso živega spekli, rezali ali pa vrgli v jamar.

Koliko se piše o domobrancih in njihovih zločinah v boju proti "osvobodilni fronti," ko je vendar vsakemu pravčenemu in razsodnemu človeku jasno, da so ne le za dejanja in zločine domobrancov, če so sploh resnični, odgovorni komunisti, temveč so odgovorni tudi za domobranstvo in belogardisti, ki so začeli "uboge" partizane in komuniste, morilce nedolžnih ljudi pobijati in doprinjati zločine in grozodejstvu nad ljudmi, ki niso bili na njihovi strani, kot vedo o tem toliko povedati ameriški partizanski listi, kot da bi kaj takega smeli počenjati le komunisti, kot da bi le oni sami smeli ropati in ubijati tiste, ki se ne strinjajo s komunizmom; drugi, to je domobranci, ki so šele potem nastopili proti komunistom, ko se ne znamreč pred njimi.

Ce so pa domobranci, ki so branili narod in bližnjega življenja pred komunisti, kaj hudega prizadejali, pa niso zato odgovorni oni sami, ampak oni, ki so boj povzročili, ki so izzvali žalostni bratomorni boj, pa se pa ne smeli niti braniti pred njimi.

In če so domobranci ali belogardisti v takih slučajih za samoobrambo in varstvo ljudstva imetja izvršili tudi kaj hudega, kar je v takih okoliščinah neizogibno, so za vse to razdejali in vse prebivalstvo domobranec in belogardisti, ampak komunisti, ki so povzročitelji vsega tega. Ce bi ne bilo komunistov-partizanov, bi tudi domobravez in bele garde ne bilo treba in tako bi ne bilo tudi njihovih zločinov; ne resnih in ne izmišljenih, kakor bi ne bilo tudi nobenih izdajalcev, kvizlingov in razbojnnikov v begunstvu. Obenem bi bilo veliko število vasi, trgovin mest ohranjenih in ne samo Cerknica, ki so jih Nemci in Italijani od komunistov izzvali pozbogli in razdejali in povrhu še toliko ljudi odjeljali in pobili.

Ce je res toliko izdajalcev med Slovenci, kot se jih je proglašilo od strani osvobodilne fronte, toliko pomorilo in toliko pobegnilo, ali ni potem največji čudež, da ni sovražnik zmagal in zasedel našo domovino, če je toliko izdajalcev in kolaboratorjev, ki so mu pomagali v tej vojski?

Ce so sploh kakšni izdajalci

razen partizanov in komunistov samih, potem so izdajalci le oni, ki so jih komunisti sami naredili in so zanje le oni sami odgovorni. Slika razmer v naši stari domovini nam postane takoj jasna, če primerjamo razmerje med slovenskimi "izdajalcii", domobranci in "osvoboditelji," slovenskimi partizani in domovini z razmerjem med Amerikanci in Japonci, ki je zelo slično drugo drugemu. Samo v tem je razlika, da veliko manj zasluzijo ime "izdajalec" domobranci in slovenski partizani v domovini z razmerjem med Amerikanci in Japonci, ki smo bili v vojni proti Japoncem.

Kar računajte. Amerikanec nas je 135 milijonov, pa so Japonci ob napadu na Pearl Harbor ubili 2,000 oseb, ni Amerika čakala, da bi prišlo še do večjih žrtev, temveč je takoj Japonski napovedala vojno.

Naš ubogi slovenski narod, ki pa ga ni bilo niti dva milijona, pa je čakal in trpel tako dolgo, ko so komunisti ropali in morili, da so njihove žrtve narastle v ogromno število.

15,000 — kot je bilo poročano. Šele potem, po toliko žrtvah in izgubah, po tolikem izvajjanju, so nastali domobranci in belogardisti, ki so začeli "uboge" partizane in komuniste, morilce nedolžnih ljudi pobijati in doprinjati zločine in grozodejstvu nad ljudmi, ki niso bili na njihovi strani, kot vedo o tem toliko kdo.

Obiskoval nas je pred par dnevi August Mustar ml., ki se je malo poprej povrnil iz Indije. Indija, kakor veste je na drugem koncu sveta. Pričoval nam je zanimive reči o tistih "posvečenih kravah," ki smejo romati kjer hočejo in se jim ne sme zgoditi nič žalega. Ubogi ljudje.

Koliko se piše o domobrancih in njihovih zločinah v boju proti komunistom, ko se je bilo batiti, da bodo vse slovenske domovine izpali v prebivalstvo pobili, ti bi se pa ne smeli niti braniti pred njimi.

Ce so pa domobranci, ki so branili narod in bližnjega življenja pred komunisti, kaj hudega prizadejali, pa niso zato odgovorni oni sami, ampak oni, ki so boj povzročili, ki so izzvali žalostni bratomorni boj, pa se ne znamreč

Gozdarjevi spomini

Spisal Jos. Kostanjevec.

"Ali ne mislita morda, da sem dan svojega prihoda na Črno sam tako idealen," se je nasmejal, "in da sem ostal sajenc iz tega edinega razloga. O ne, moj preudarek je bil tudi praktičen. Ščim naj bi redil v vzgajali svojo družino, akó bi mi jo Bog dal, ko so pa učiteljske plače tako nizke. Ako bi bile odvisne od naših Črjanov, bi se bile seveda že davno izboljšale, o tem sem prepričan. — Napsled pa se nisem očenil tudi zaradi sestre. Vzel sem jo bi k sebi, ko je bila še mlada kot rosa. Nobenega ni več imela na svetu razen mene. Bila mi je vedno skrbna gospodinja, da nisem nikoli pogrešal ničesar, vestna in varčna, in vso svojo mladost je pustila pri meni. Kam naj bi jo podil ta čas, ko je prišla že leta? Mar naj bi jo puštil, da odide k tujim ljudem, ali naj bi bila moji ženi za deklo? Saj veste, kako se obrne, kadar se človek oženi, in nobeden ne ve naprek, koga bo dobil v hišo. Najmodrejši možje so bili v tem oziru najnesrečnejši."

Z občudovanjem sem zrl na moža, ki je tako izlahka žrtvoval sebe koristim drugih. "Se vedno se človek pri vas česa nauči, ako le stopi z vami v dotiko," je dejal Ivan topo. Posedeli smo še precej časa, dokler ni solnce popolnoma zatočilo za goro. A ob slovesu je učitelj še obljudil, da naju obišče na domu, preden odide Ivan.

Spomladni so začeli delati cesto na Črno in tudi še dalje skozi gozd v sosednje občine. Tuji obrazi so se prikazali na Črni, delavci od vseh neznanih krajev so se shajali in odhajali. Bilo jih je pa vse črno in ko so ob nedeljah pohajkovali po vasi in legali po sencah, tedaj si slišal različne jezike in narečja, do sedaj ti neznanata. Stanovali so včinoma po barakah, kjer so si tudi sami kuhalni in prali. A z njimi so prišli tudi različni takozvani trgovci, ki so upali, da bodo tukaj napolnili svoje jetične možničke z razpečevanjem slabega in dragega blaga. Pratki trgovini je bila povsod tudij kantina, kjer se je prodajal v podobi pijače različen strup, raznovrstno žganje z različnimi imeni, a samoten izvora. Vino se je delalo kar doma v kantinah in sproti za vsako potrebo in naročilo. A pivo je bilo najslabše vrste, kolikor se ga je moglo dobiti. Ni čuda, da so delavvi ob nedeljah kar noreli ter da se jim ni izkadio iz glave niti ob pondeljkih. V tistih časih si čul mnogo širovih šal in nerodnih dovtipov, pa tudi mnogo hripanj nepoznano hrepnenje, izprva nejasno in zabrisano, a potem toliko svetlejše in čistejše. Padle so luskine raz oči in sredi vseh teh sanj, sredi hrepnenja je stala ena sama oseba v veliki bleščobi — Poljančeva Anica. Skoraj strahoma sem se zavedel, da jo ljubim. Izkusil sem se iznenediti misli na njo z vso silo, toda ni šlo. Koder sem hodil in kjer sem delal, povsod je bila njena podoba pred menoj, nikjer me ni zapustil nje nedolžni lepi obraz. Slednjič sem se vdal, toda ta čustva sem skrival pred njo, premlada se mi je še videla, da bi jih bil razodel njej sami. Sklenil sem čuti nad njo ter jo vzgajati, da ne bo niti vedela kaj, da jo pozneje popeljam pred oltar in otdot na lastni svoj dom.

Po velikem strahu, ki so ga imeli igralci glede igre v nedeljo, se je vse dobro izteklo, vsaj nihče ni vrgel kakega tomatosa nanje. Če tudi ni šlo več perfektno, pa so igralci lahko zadovoljni. Veliko k primerenem poteku igre sta pomagali Dorothy Strelak in Mary Jane Kenik, ki sta opravljali težak posel sulfiranja. Najdaljšo vlogo je imela Miss Antonia Mally, pa je na vlasti temu prav glado igrala. Hvala igralcem pa tudi vsem, ki so bili navzoči, škoda je le to, da igra, ki toliko dela v truda zahteva, v enem dnevu dozori in mine. Končno sta tudi Amerika in Anglija začeli spoznavati ruske bolješevike. Končno — če ni že prepozno. Bolješeviki besede ne držijo nikdar. Pripoveduje se, da je neki tat v Honolulu ukradel mestni bus in delal biznes tri dni z njim predno so ga ujeli. Napravil je baje \$270 za svoj žep.

Father Slapšak je na duhovnih vajah te dni. Duhovne vaje so potrebne za vse. Celo Jezus jih je delal. Sv. Pismo omenja, da je šel s svojimi učencami, ali pa sam, v puščavo, v takih krajih, kjer je lahko molil nemoteno in premisljal. Tudi najjasnejše resnice izgubijo na moči, ako jih večkrat ne poklicemo v spomin in ne premisljujemo. V današnjih časih delajo duhovne vaje tudi laiki, ki se resno želijo zvezlati.

Tiste slike, ki ste jih videli obesene na stenah odra v nedeljo, je naslikal Henry Pavlin, eden naših igralcev, sam. Fant kaže veliko nadarjenost v tem poleg tega pa je tudi izborni pianist. Kar tako naprej.

Neki moški pripoveduje, da se je peljal z avtom in med potjo pobral tujca, ki je sedel na sprednji sedež poleg voznika. Kmalu na to pa je opazil, da mu ure manjka. Potegnil je revolver in prisili tujca, da mu je dal uro potem pa ga je pahnil z voza. Ko pa pride domov, ga žena takoj vpraša: "Ali nisi nič pogrešal svoje ure? Na kostnu si jo pustil." Tako se zgodi, če človek prehitro sodi.

Nekdo pravi: "Moški, ki se baha, da je gospodar v svoji hiši, se tudi v drugih rečeh rad zlaže."

Kako strašna je bila nesreča, ki je zahtevala 27 življenj. Žravnica ladja je zadelo v goro s tako silo, da se je razletela in so bili vsi potniki najbrže pri priči mrvi. Pa, za tiste, ki so bili pripravljeni na smrt, to se pravi, ki so bili v milosti božji, ki so

bili brez smrtnega greha, za te je bila izguba zemeljskega življenja pridobitev večnega. Bog dal, da so bili vsi pripravljeni hipno stopiti pred Boga sodnika.

ŽIVI VIRI

IVAN MATIČIĆ

Bran se je vračal omamljen od dišav in zvonke gvorice. Njegova Žara, mu je misel, pa diši po volih, deteli in po hlevu. Njena lepota ne more niti od daleč primerjati s to, ali vendar ga je tako sladko poljubila danes, tako neznamsko vroč je bil njen poljub. Fant se je zamotovil kar znova na sredo vasi, po žilah ga je grel poljub Žare, po glavi mu brnel smeh Azunte. Ž Zaro trpljenje, strah, pri Azunti varno začišče. To pe Bran premvel in doumel, stopajoč mimo glavenga stana. Tu je stala pred hišo gruča veljakov, med njimi sam simba.. Bran je obstal: jedka luč je sijala na temno oblicje zapovednika, ki je bilo videti med škrillatom in pod svetlim sijem še bolj skrivnostno in strašno. Bran je buljil v strahotno prikaz; ta ima oblast nad vsem Pogrom, a tudi nad nevestami. Nobena ne sme pred oltar, preden ni prišla k njemu po dovoljnejši. In ta naj bi oskrnil Žaro?

Na ponovni klic straže se Bran ni zmenil, šele ko je bil skoro obkoljen od krdelarjev, se je premaknil pa naglo stegnil korak. Slišal je zgrajanje, pljuvanje, eslišali celo odsekani ropot zaklepke, zdaj z daj bo nekdo upalil, — in v skoku je zavil v Glavanov kot. Tu je videl, kako sa krdelarji tepli Jazbarja. Z debelimi jermenji so ga mlatili, pa vplili vsi križem. Bran je videl, kako se je Jazbar sesešel in so se še vrgli nadenj. Najbrže jih je kaj razčilil, ker mu morda niso hoteli dati žganja. mahoma zgrabilo tistega iz Doljane: zavil je oči pa se kar sesedal na tiru. In Žulj je tedaj opazil stražnika, kako sta se spogledala, en eden je šepnil: preveč je dobil! Žulj je natanko slišal in toliko tudi razume ligursko. Spremljevalca sta jih tedaj ostavila, češ da morata ostati tam radi tega in naj kar sami nadaljujejo pot. Eden se je spomnil, kako mu je prijazno rekel ječar: Srečno pot! Mesec ali dva bo že šlo, — Spogledali so se. Oči so jim bežne iskale izhoda, pa so kar počasi izgubile blešk, glave se povesile globoko do kolen. — Strup! Otvorani! — Vino!

Pred odhodom so jim ga dali, preje ga niso videli nikoli! Vsekemu polno kupo—in vsakdo jo je izpil, ker je pa bilo vino tako sila krepčilno. Prekleto vino! Sicer so jim pa zavdali lahko tudi v jedi, kdo ve. Za mesec dni! Morda zavdajo komu tudi za pol leta, komu samo za dan ali dva. Po brjanski zemlji so se vozili, pa so bili pred leti odgnali, ni bilo več sledu o njem. In zdaj se je kar nenadejan pojavil, noč ga je prinesla.. Priplazil se je kakor tat, se zaril v hišo, nihče ga ni videl, samo mati je bolna vzkliknila in otroci zakričali

Nihče ga ni videl, a še tisto jutro je šlo od ust do ust. Žulj se je vrnil! Kakšen je? so ugibali. Zobe ima izbite, eno oko iztaknjeno, kosti skoro vse polomljene. Strašne so si še petali, ugibali vsemogoče, a nihče ga ni videl. Ljudje so hodili mimo hišo, se s strahom ozirali, noter si ni upal nihče; kajti kdo ve, kako je z njim, morda je pobegnil od tam. V hiši pa je bilo tako čudovito tih, kakor dozdaj vsa leta, in ljudje res niso mogli prav vedeti, kajko in kaj.

Stara Žuljevka je vstajala, otroci so se tiščali za pečkom pa veseli gladali očeta; on je željal za mizo, prepaden, ubit, zdaj mu je klonila glava čisto naprej, zdaj jo je zopet dvignil, suho zakašljal, pokljal katerega izmed otrok, ga privil k sebi, se okrenil zopet k materi, jo že petič vprašal po ženi. Spomladi je umrla, zlomilo jo je zlo. Mati sama tudi stoka, ne more več pa ne more, komaj se še privleče v kuhnijo, otroci morajo poprijemati kar sami, Tudi njo je zlomilo zlo, ne bo več dolgo. Kako pa z njim? bi rada vedela mati. Je zdrav? Zdrav. — je pritrdil on. — In je prestal, je zdaj konec trpljenja? — je pritrdil on. — In je prestal, je zdaj konec je pritrdil suho. A mati ga pogleduje in ne more verjeti. Kako naj bi bil zdrav, ko pa je tako strašno zdelan. Sin se je zamislil, nakrat udaril z glavo ob mizo pa na glas zahitel. Ne, vsega ne sme povedati materi, ne sme strašne skravnosti izdati otrokom.

Gujujajt! je zaklical ječar srečnim jetnikom, ki jih je te dni izpustil iz ječe.. Želel jim je srečno pot v svobodo, domov. Srečno po je želel ječar tudi tistem fantu z Vrhunja, prijazno se mu smejal pa mu rekel, naj se podviza, da ne bo zamudil vlaka.. Fant je kar poskočil od veselja pa stekel preko dvorišča. V tem so pa zagrmeli streli in fant je zakrilih z rokami. Čemu. Pobegniti je hotel, so rekli. Ne kaj dni nato so prišli na vrsto ti. In so se sila bali prestopiti dvorišče, no, pa ni bilo nevernosti, kajti spremjal jih je straža, zato so se čutili varne in so slednjič verjeli, da je hotel tisti fant z Vrhunja res pobegniti. Straža jih je spravila na vlek in jih spremjal skozi vso vožnjo, tako da so bili srečni jetniki povsem varni. Ali ko so prestopali blizu brjanskem meje na drug vlek, je

Po kratkem premolku je doslov: Mati, vi tega ne razumete, ne morete razumeti, to razumejo oni.

Drejc, je pričela zopet mati, bi šel pogledat v ogrado. Ljudje pospravljajo, jaz ne morem. Kako bomo prebili zimo?

Žulj se dvigne izza mize. Tedaj, se odpro vrata in vstopita dva Ligura.—Kaj bi rada?

Nič. Prišla sta, pogledat, ako je res doma. — Ne, odbije on, zdaj, mora v ogrado, na delo, pri krdelu nima kaj iskat.. Ko mu ugovarjata, jima svetuje, naj kar gresta, sta že opravila. Ko se še obotavlja, stopi proti njima in zavojve: Gujujajt! Ligura zbežati ven, mati pa nad sinom: Naj sluša, za božjo voljo, da ne bo sitnosti; saj mu nič ne morejo, ko je vse prestal.

Po daljšem obotavljanju se Žulj odloči in stopi na vežni prag — pa vidi, da je hiša obkoljena. — Gujujajt! zavpije Žulj. Nato dostavi: Pojdite tja dol, dobili boste vina! Z roko zamahne in se umakne v hišo.

Sajmuli so bili užaljeni. Najhrabrejši so se odločili, da gredo ponj. Dva Ligura pa

Gutanec, odpadnik, so stopili v hišo, eden je pa izpulil pri hlevu šop slame, jo nataknil na puško, prižgal, tekel okrog hiše in pritikal k slammni strehi.

Notri pa so se prerekali z Žuljem. Nakrat se je on zaglavil v odpadniku. "Ti si prišel, Gutanc?" Ali še veš, kdo je mene spravil tja dol? Ali veš, ovaduška svinja, s kakšnim vnom nas napajajo Liguri? Ven iz moje hiše!" Pobesneli Žulj se zažene vanj, ne zmenec se za ostala dva, ki skušata preprečiti spopad. Spehajo se v vežo, Žulj rije z roko Gutancu pod vrat, Ligura bijeta Žulja po hrbitu, trgata ga proč. Medtem pa zajame hišo plamen, v vežo se zavalil dim. Iz hiše beže otroci in starka.. Žulj in Gutanc omahneta v tesem klobiču po tleh, Ligura zbežati ven. Žuljeva hiša gori, obrco šajmulov se previdno odmika od nje, a pazi, da kdo ne prihiti na pomoč z vedrom vode. Za živim oklepom se vije-

jo v kriku roke sosedov: za Bogorško ljudstvo molitve ga svetega, naj odpro vrata, prej se je zatekal v Besnjaj izpusta Žulja! Ne! Notri sopiha klobič, sredi veže utripa.. Roke rijejo v vrat, nohoti na režo v lica, zobje grizejo nalik gladni zveri. Plamen pritska niže, niže, ostresje potka, stropi se ugrezajo.—Klobič se je umiril, obstal negiven. Žulj se je premaknil, zakrilil z rokami, loveč poslednjih dih. — "Gujujajt!"

Dva dni nato je bila nedelja. Pod Tisovim vrhom je imelo

Lakewood Eliminates Shore

By JOE MAILANDER

Lakewood high's cagers seemed to hold a jinx over Euclid teams, as they eliminated both Central and Shore, in tournament games.

Leading throughout, the Rangers spilled Euclid Central, 44-29, Wednesday night; John Yuhas with 17 points led both teams, while Willie Yozipovich, runnerup in conference scoring, made eight.

The Rangers gained the right to meet Shore in the quarter finals, by defeating Maple Heights, Friday night. Shore, however, entered Saturday's game slight favorites, as a result of their good record.

Both teams fought for the lead at the game's start. Jack Wilson, Lakewood forward, poured in shots to give his team a 29-23 half-time lead.

Shore, led by Don McLean, came back to take a 40-38 third quarter lead. Lakewood scored 13 points in the final period, while the Admirals made only three, Shore losing, 51-38.

NEWBURGH NEWS

HATS OFF TO YOU!

Three hundred of us were there! We laughed—we marveled—we applauded, as the three acts of the drama unfolded before our eyes. The cast was super—the scenes terrific—the stage setting timely—the costumes astounding—and the evening a most entertaining one.

It is no wonder, therefore, that our Hats are off to the young Newburgh set, which held us spellbound last Sunday evening in the Church Auditorium during the staging of the previously publicized drama, "The Curse of An Aching Heart."

The realistic and natural acting ability of "each" and every member of Sunday's cast, proved that the many evenings the boys and girls spent under the coaching of their director Father Oman prior to the performance, were worth the time and effort.

Half an hour earlier, Catcher Frank Hayes, holder of the endurance record, had talked briefly with Peckinpaugh, signed his contract and then reported at the ball park for official start of his training.

Boudreau stepped up the practice game today, employing more of the better known performers, including Pat Seery, Paul O'Dea, Don Ross and Felix Machiewicz.

Pitchers for the Sauces were Joe Krakausky, Bryant Stephens, and Vern Koehler (the winter), while the Melillos had Ralph McCabe, Hal Kleine and Winslow Stroupe (the best of health).

Liquor Director Sohnen said that until the State Department clears the 5,000 applications it has now on hand, no new liquor applications will be accepted.

Hunted since Tuesday of last week, the bullet-riddled body of Theodore R. Knaus, 19, was found Saturday in a ravine off Belvoir Blvd., a mile south of Euclid Ave. Police believe that he participated in the \$4,117 robbery of the Green Cafe, 2460 Superior Ave., operated by his mother, Mrs. Marie Estrate, and that his accomplice "took him for a ride" fearing that he would betray him.

Judge E. Lokar, secretary to Gov. Lausche, who had been investigating a shakedown of tavern keepers for "contributions" to a fake fund for Lausche's election campaign, traced signed checks to a former employee under the Bricker administration, who lives in Euclid. The man is held by police.

The Navy Department of Washington lodged a protest with Russia for firing on American airplanes near Manchuria. The first occurred on Oct. 15, some 25 miles off the coast, and the second 20 days ago.

Prisoner: "Yes, your honor, you see I was always taught that money alone does not bring happiness."

The hosts of the evening included the male members: Ray Hrovat, Louis Boldini, Henry Paulin, Joseph Milavec and William Grden.

The program of the evening, which included dancing to the melodies of PETE SRNICK AND HIS BOYS, community singing and gay conversations was climaxized by the appearance of guest artists ED ZABAK (accordionist), HANK PAULIN (pianist), and our drummer boy "COACH" GUCANAC, whose tantalizing melodies rate special mention!

The combined efforts of this group, supervised by Vickie Hocevar, once again provided an evening of song, laughter and music not to be forgotten by all "parties" which attended!

COMING EVENT!

The Senior Sodalis will this year celebrate its THIRTIETH ANNIVERSARY! No definite dates or plans are, as yet, in effect. Sodalis are requested to attend their forthcoming monthly meeting Thursday, March 29th to voice their opinions and decisions in regard to the anniversary affair.

THOUGHT OF THE WEEK

The neatly decorated and arranged interior of the hall presented a pretty picture as the guests were ushered to their reserved tables, by our lovely young hostesses of the evening, members of this active Newburgh group:

Rose Arko and Hattie Kuznik, Josephine Kastelic and Milly Mirtel, Dorothy Skocaj and Milly Zagar; Theresa and Josephine Hocevar of Reno Ave.; Anna Marle and Virginia Cvet; Frances Kastelic, Mary Papesh and Bridget Meljac; Mary Kozumplik and Ruth Nose.

The hosts of the evening included

the male members: Ray Hrovat, Louis Boldini, Henry Paulin, Joseph Milavec and William Grden.

YOUNG MEN'S HOLY NAME SOCIETY MEETING NOTICE

The Young Men's Holy Name Society will hold its regular monthly meeting on Monday, March 11, 1946, at 8:00 P.M. in the Club Room.

COMMUNION NOTICE

The Society will attend Communion in a body on Sunday, March 17, 1946 at the 8:00 o'clock Mass. Meet in the Church Basement at 7:45 A.M.

LENTEN MOVIE

On Friday, April 12, 1946, the Young Men's Holy Name Society will present the movie "KING OF KINGS" at the Slovenian Hall on Holmes Ave. Tickets can be obtained from any of the members of the Society. The movie is on the Passion and Death of Our Lord and so very appropriate during the season of Lent.

MEMBERSHIP DRIVE

New members are still being accepted into the Society. Any member of the parish who is over 18 years old either single or married is invited to attend this next meeting. St. Mary's has a strong Young Men's Holy Name Society than ever before and with the cooperation of more of the young men this can become the foremost organization in the parish. The attendance at the January and February meetings was great and should forecast a successful year for the group. Among our newest members is Joseph Brodnik formerly of St. Vitus and Veteran of World War II. Due to injuries received at St. Lo during the Battle of Normandy on July 20, 1944, Brodnik lost both legs. This handicap hasn't kept Joe from attending Holy Name meetings regularly. St. Vitus hasn't forgotten Joe even if he is now a member of St. Mary's and so his friends in his former parish are launching a campaign to raise money enough to buy a home for him. This project will find many enthusiastic supporters at St. Mary's.

Another new member is Tony Zupancic of Hale Ave. Tony is a veteran of Uncle Sam's Navy and saw many strange parts of the world including India. More of the new members will be introduced to readers in future issues of this column.

ST. MARY'S P.T. A.

Next meeting of St. Mary's P.T. A. will be held Wednesday, March 13 at 1 P.M. sharp in Study Club Room.

I'm sure all the members will want to be present to hear the report of our Card Party, which as you all must know by now was a grand success.

The possibility of a Cafeteria for the children of St. Mary's school will again be brought up. Refreshments will also be served.

CAR WASHING IS FUN

Saturday is bath time we all know, but this Saturday was such a nice day that Father Vic. declared it "Machine Bath Day". Scouts of Troop 285 was called to the task. So enthused were the boys, they began with the job immediately.

Once the boys began to clean the car, sponge, hose, cleaning gloves and chamois were kept moving around on the machine till it sparkled in the beautiful sunlight of the day.

Joe Kocin and Jim Dubey belonged to the dirt removing crew, while Donald Bizly and George Leskovec made the job "sparkle". Now, we must mention Tony Zust did the criticizing and Ed Valencic was the self-appointed "Weekly Flash" reporter. Both did well in his line.

As he whistled while he worked, Ronald displayed how one can make his work Pleasurable. Did that "Chrome" shine after he used "Brillo" on it? Radio advertisements are a great aid to the inexperienced," said Ronald, when he recommended "Brillo" for chrome shining. He made our job a lighter and a more pleasant one.

Taking orders and being glad to be of use, George Leskovec told his pals that he enjoys working with companions.

No one could be more active nor industrious than Joe Kocin once he gets to work. For a while, we thought the job would never be completed, but Joe showed up how he progresses when he shut his mouth and applied the energy to the elbow grease. Fine going, Joey.

Copious notes on the occasion were taken by Reporter Ed. Valencic. He sure has a knack about him. Nothing is too much for him, and boy, what patience he possesses.

That brilliant shining "Chevy" you saw drive out of St. Mary's yard Sunday afternoon at about three o'clock is the specimen of the boys work. swell work, fellows!

But, what is this we hear, your payment is a trip to K. I. in the near future. Well, to say the least, "We do envy you for that." When will that luck blow our way, anyhow? ? ?

WILL REPORT NEXT WEEK

The successful and entertaining Pre-Lenten Social given by the Athletic Club is a by-gone but never will be forgotten. Never thought we could spend such a swell time together in our own back yard, did you? It goes to show you, we, as one happy family, have the best times where the "ole" family gathers. Did you see Ma and

you better get well, soon.
We noticed that cartoon of Buddy Kumel praying for his daddy's success created plenty of laughter at the alleys.

Frank Supanick and Joe Muzic were seen planning for Tuesday's social. It must be a success!

ORELS MEET WEDNESDAY!

The Orels will hold their March meeting this coming Wednesday, March 13th at 8:30 p.m. in the school auditorium. Since it is Lent, there will be no dancing, but box hockey will be on deck for those who wish to play. We'll be missing our sweet Kay Pee, Julie Kosee, who is home convalescing, due to a fracture of her leg. Here's hoping a speedy recovery.

Let's be on time. Remember it's Wednesday night not Thursday.

ST. VITUS

(Continued from page 5) Social, Sunday evening, will never fade into the mist, as secretly we know that nothing could erase the beauty of vivid costumes, and lovely harmony of songs, that prevailed throughout the night.

We've all experienced times when we wished to linger on memorable occasions of the past. Did you say dreamers?? Could he?? But if our thoughts are of events such as the Pre-Lenten Social, it's worth our while.

The social as also our Shrove Tuesday Dance held on March 5, have left yours truly, spinning in a gay and social whirl of thoughts, therefore dear readers, excuse this dreamer for this week, as on awakening I'm certain that pages and pages of special memoirs will be recorded in this column, next week.

Sodality News

March besides being the month of St. Joseph, is also designated as Vocation Month. Here is the Character Builder for the month:

Virtue: Fidelity to one's Vocation.
The Builder: "O Lord, grant unto thy Church saintly priests and fervent religious."

The Helper: "Send forth, O Lord, laborers into thy harvest."

March 6 marked the beginning of the Lenten season. In a talk at the D. S. U. meeting, Sodalists were urged to practice self-denial and to attend Mass and Communion frequently.

Remember to reserve the third Sunday of each month for the Prayer Hour, which is held at the Cathedral from three to four. Lent is a good time to begin this excellent practice. So don't forget—March 17—at the Cathedral.

Another important date to keep in mind is April 28. That is the day set for the Annual Day of Recollection, which no Sodalists wants to miss.

We were very glad to see Mary Mohorci back with us at Holy Communion last Sunday. She has been laid up for a while and she is one of our most active members. We certainly missed her.

Seniors were pleasantly surprised at the last meeting by the appearance of the Sodality room. Orchids from
