DOPISI

(Nadaljevanje z 2. strani)

Značilno je to, da so naši veliki dnevniki le malo omenili to zmago. V drugih mestih so vsaj odkrito poročali z debelimi črkami in na svojih pročeljih. Pa to ne nam ne škoduje. Glavno je, da bodo delavci skup držali, ter ob vsakih takih volitvah pravilno glasovali, pa bo kmalu vse delavstvo te velike družbe organizirano za svoje delavske koristi, ne le v Chicagu, pač pa tudi v vseh drugih industrijskih mestih srednjega zapada, kjer operira ta bogata družba.

Ob zaključku tople priporočam članstvu JSKJ, ki je vpisano v tovarnah te družbe tukaj in drugod, da ko bo prišlo glasovanje v posameznih tovarnah za C. I. O. in pa za komparnijsko unijo, da glasujete za C. I. O., ki je res unija iz delavstva za delavce.

Iskreli pozdrav vsem članom in članicam JSKJ širom Amerike!

Joseph Oblak, zapisnikar društva št. 70 JSKJ.

Pennington, Minn. — Gotovo je to prvi dopis iz tega kraja in nedvomno ga bodo čitatelji Nove Dobe z zanimanjem prečitali. Prav za prav je malo rojakov v tej deželi, ki bi vedeli za našo malo farmersko naselbino. Ta naselbina se nahaja med mestoma Bemidji in Cass Lake. Mesto Cass Lake je oddaljeno 12 milj in ima nekako dva tisoč prebivalcev; Bemidji pa je malo večje in se postavi s kakimi 7 tisoč prebivalci. Vsako leto prihajajo tu sem turisti in ribiči od vseh vetrov. Tu na okoli so namreč krasna jezera, ki so velika privlačnost za ribiče.

Kakor sem že omenila je Pennington mala, farmerska naselbina, ki je bila leta 1911 oddana naselnikom v obliki homesteadov. Mnogi smo takrat vzeli zemljo, toda marsikateri med nami je obupal in se vrnil v kraje, odkoder je bil prišel. Ostali smo le tisti, ki smo imeli največjo vztrajnost in naravnost železno voljo. Od začetka je bilo življenje zelo trdo, toda obrnilo se je na boljše. Med nami so tudi trije strici Franka Lauschet, sodnika v mestu Clevelandu, Ohio. Ko sem se ob priliki 15. redne konvencije JSKJ mudila v Clevelandu, sem se osebno seznanila z omenjenim sodnikom, ki je med clevelandskimi Slovenci zelo priljubljen in upoštevan; videla sva se v S. N. Domu. Upam, da se me sobrat urednik tudi spominja, ker sem se, bila oglašila tudi v uredništvu in se pri tisti priliki pritoževala, koliko časa me je vzelo, da sem dobila znamke, da sem mogla odposlati pozdrave v Minnesoto. Bila sem sicer v Clevelandu več časa pred 31 leti, toda v tako dolgem času se mnogo izpremeni. Jaz se nisem v mestu več spoznala in znanci, ki sem jih po toliko odsotnosti srečala, me tudi niso poznali. Seveda, človek se spremeni, poleg tega pa se ljudje v velikem in vedno rastočem mestu razselejo v razne dele mesta. Le dobrim ljudem se imam zahvaliti, da so mi pomagali najti več starih znancev in da so mi pokazali več zanimivih krajev. Posebno se moram zahvaliti družini Ambrozij na E. 71. cesti, Mrs. Joe Kraiz na E. 61. cesti in Mrs. Mary Gornick iz E. 76. ceste za vso veliko naklonjenost.

Cleveland mi je ostal v prijetnem spominu in upam, da ga še katerikrat posestim; če prej ne, spet čez 31 let. Imela sem priliko spoznati tudi Mr. Antona Okolisha, predsednika porotnega odbora JSKJ v Barbertonu, Ohio. Iskali smo nekoga tam v okolici in jaz sem slučajno imela Mr. Okolish na naslov in z njegovo pomočjo smo našli, kar smo iskali. Mr. Okolishu naj bo izražena prav lepa hvala.

Naj se še enkrat vrnem k naši naselbini Pennington. Ta farmerska naselbina je sicer mala, toda posebno poleti je prav lepa. Zato tudi prihaja v

VOL. XIV. 104 NO. 11

BESEDA K INICIATIVI

V Novi Dobi z dne 9. marca je bil priobčen iniciativni predlog glavnega odbora, ki predvideva ustanovitev posebnega fonda, iz katerega bi se plačevali asesmenti za vse člane in članice J. S. K. Jednote, kateri prekoračijo starost 70 let. Ta načrt daje v obliki iniciativnega predloga glavni odbor članstvu na glasovanje po naročilu 15. redne konvencije.

O tem načrtu je razpravljala že zadnja konvencija, pa ga je odložila na splošno glasovanje iz dveh glavnih vzrokov. Prvič ni bilo na razpolago dovolj podatkov, na podlagi katerih bi se bili mogli določiti primerni prispevki v to svrhu. Drugič pa večina delegatov ni imela od svojih društev nikakih navodil kako naj glasuje glede te zadeve. Jasno je bilo, da bi bilo v tako svrhu treba zvišati redne asesmente vseh članov, in delegati niso hoteli vzeti na svoje rame odgovornosti za zvišanje asesmentov. Sklenili so, naj se glede tega da prilika glasovati vsem članom, in večina naj odloči.

So razlogi, ki govorijo za sprejem omenjenega iniciativnega predloga, so pa tudi razlogi, ki govorijo za odklonitev istega.

Največji razlog za sprejem omenjenega predloga je, da imamo med našim članstvom že lepo število nad 70 let starih članov, izmed katerih mnogi težko zmagujejo svoje asesmente. Pri tako visoki starosti je že malokateri član zaposlen. Nekateri imajo prihranke ali premoženje, ki jim donša dohodek, drugi tega nimajo. Asesment pomeni za slednje velik izdatek. Med njimi so člani, ki so mnogo storili za Jednoto tekom njenih mladih let, in nekateri med njimi tudi pozneje. Taki člani vsekakor zaslužijo gotovo priznanje od strani organizacije.

Seveda, slišimo pa tudi ugovore proti zvišanju asesmenta zato, da bi se mogel plačevati asesment za nad 70 let stare člane iz jednote blagajne. Eden ugovorov je, da člani, ki so stari 70 let, imajo že lepo smrtninsko rezervo, ako so premenili ali če hočejo premeniti svoje police v novi načrt. Po tem načrtu si lahko iz svoje lastne rezerve izposojujejo potrebne vsote za plačevanje asesmentov, ako nimajo za pokrivanje istih drugih virov na razpolago. Ta posejila, če ne bodo pred njih smrtjo poravnana, bodo seveda odbila od vsote smrtnine, toda v mnogih primerih bi to predstavljalo le manjši del smrtnine.

Drugi ugovor je, da imajo nad 70 let stari člani, kakor seveda vsi drugi, zapisane svoje smrtnine na svoje otroke ali pa na kake druge sorodnike, in da bi bila dolžnost dedičev plačevati asesmente za take stare člane, ki jih sami ne zmorejo. Dediči da so v mnogih primerih nečlani, toda dobili bodo smrtnine, za katere nečejo par let plačevati asesmentov. Nekaterim se zdi krivično, da bi morali člani plačevati za zasiguranje smrtnin, katere bodo dobili sorodniki, ki so morebiti sami člani Jednote ali pa niso.

Nadaljni ugovor je, da bi z zvišanjem asesmentov zaprli vrata mladim novim članom. Jednota mora računati na svojo rast in na ohranitev solventnosti le potom pridobivanja novih mladih članov. Mladina pa gre tam, kjer je ceneje. Mladina ne misli na 70-letno starost in nihče je ne more prisiliti, da bi mislila na to. Vsekakor pa hočemo to mladino pridobiti v naše vrste. Ko bo nekaj let v organizaciji in ko bo postala starejša, bo morda tudi začela računati s starostjo, toda sedaj ne misli nanjo.

V gornjem je navedenih nekaj argumentov za in proti sprejemu iniciativnega predloga, ki je sedaj na splošnem glasovanju. To niso argumenti uredništva, ampak argumenti raznih članov. Niti glavni odbor niti urednik ne priporočata sprejem iniciativnega predloga, pa tudi ne priporočata poraz istega. Vsak član naj preštudira razloge za in proti in potem naj glasuje po svojem lastnem prepričanju.

Ako bo iniciativni predlog sprejet, se bo od 1. januarja 1939 naprej plačevalo iz jednote blagajne asesmente za nad 70 let stare člane; obenem pa bodo vsi člani odraslega oddelka plačevali po pet centov več rednega mesečnega asesmenta od 1. julija 1938 naprej. To ne bo začasna naklada, ampak direktno in stalno zvišanje rednega asesmenta za pet centov na mesec. Glavni odbor je na podlagi podatkov, ki so mu bili na razpolago, določil, da mora to zvišanje znašati najmanj pet centov mesečno, da bo možno kriti predvidevane izdatke, ne samo za tiste člane, ki so zdaj stari 70 let, ampak tudi za tiste, ki bodo v bližnji in oddaljeni bodočnosti dosegli isto starost.

Članstvo naj pomni, predno glasuje, da bo zvišan asesment za pet centom mesečno vsem članom in člani-

cam odraslega oddelka, če bo predlog sprejet. V tem primeru se bo za nad 70 let stare člane zalagalo asesmente iz jednote blagajne. Ako je članstvo voljno to žrtvovati za svoje stare člane, prav in dobro. Ako članstvo predlog z večino odkloni, bo seveda veljala volja članstva.

Glavni odbor nobenemu članu ne priporoča kako naj glasuje. Istotako kaj takega nobenemu članu ne priporoča urednik. Slednji je le smatral za svojo dolžnost, da članstvu vso zadevo nekoliko razjasni. Vsak pa naj rabi svojo lastno pamet in potem naj glasuje po svojem prepričanju. Glavni odbor je v tem oziru kot celota popolnoma nevtralen in istotako je nevtralen urednik. Članstvo naj odglasuje, kakor misli, da je prav. To je pošteno, pravično in demokratično. Kar bo članstvo z večino odglasovalo, to bo povelje in odlok za glavni odbor in za vse članstvo J. S. K. Jednote.

VAŽNO ZA KANDIDATE ZA IZLET NA ELY

Vsem tistim članom in članicam, ki bodo tekom jubilejne kampanje kandidirali za izlet na jubilejno slavnost v Minnesoto, naznanjam, da jim bomo dali kredit tudi za liste člane in članice, ki bodo v odrasli oddelki pristopili iz mladinskega oddelka. Vsaki član mladinskega oddelka, ki prestopi v odrasli oddelki, ima pravico sam odločiti, kateremu kandidatu za izlet naj se njegov prestop v odrasli oddelki kreditira. Ta olajšava od strani glavnega odbora je velikega pomena za vse kandidate in bo brezdvomno marsikateremu izmed njih pripomogla doseči predpisano kvoto \$20,000.00 zavarovalnine in pristojo vožnjo na slavnost 40-letnice meseca julija v Minnesoto.

Ponovno se prosi vse člane in članice, ki bodo kandidirali za eno ali drugo odlikovanje, da svojo kandidaturu nemudoma sporočijo društvenemu tajniku ali tajnici in slednji naj imena in naslove kandidatov takoj pošljejo na glavni urad. Prosi se obenem vse tajnike in tajnice, da k vsaki prošnji za sprejem pridržajo navodilo kateremu kandidatu naj se prošnja kreditira.

Navadno je bil pričetek vsake naše kampanje nekako počasen, toda v sedanjih jubilejnih kampanji se je aktivnost pokazala takoj ob otvoritvi, zato se smelo pričakuje, da bo tri-mesece trajajoča kampanja doprinesla zaželjene uspehe.

Z bratskim pozdravom,

ANTON ZBASNIK, glavni tajnik JSKJ.

Vojaki, namreč prosti vojaki, niso v nobeni državi posebno sijajno plačani. Za časa svetovne vojne so bili najbolje plačani ameriški vojaki, ki so dobili po \$30.00 na mesec. V mirnem času dobivajo po \$15.00 mesečno in seveda vso oskrbo. Daleč zadaj so v tem oziru jugoslovenski vojaki brez sarž. Prejemajo le po 50 dinarjev na mesec, kar zneso v ameriški vojski nekaj manj kot en cent na dan. Kaj neki za ta denar južniški branitelji domovine kadilo in pijejo!

Prvi glasniki pomladi so že tu. V nedeljo 6. marca smo bili ejalet federacijske seje v Barbertonu, Ohio, postreženi s poladnim motovilcem. Kosilo je vsebovalo obilico prvovrstnih namiznih dobrot, toda največ pozornosti je dobil motovilec, zač zato, ker je trobental prihod pomladi. Tri dni pozneje pa sem v parku opazil prve cvetke, ki so se mi oči skoro zamiglele in iz srca je vzkipeala zaupna molitev: Pridi, Vesna zlata, prid!

Zdravniki predpisujejo za zdravljenje različnih pestilenc praške, kroglice, čudodelne tekočine po kapljicah in žličkah, gibanje na prostem, počivanje v postelji, operacije in inžekcije, dijetlo itd. Delja je vrsta načinov zdravljenja po metodah učenih dohtarjev. Še daljša pa je procesija načinov ljudskega zdravljenja, vse od kamilčnega čaja, do puščanja krvi in ciganskega zagovarjanja. Več jih je kot tistih arabskih pravilje, ki so se vlekle v tisoč in eno noč. Kljub temu se novi čudežni načini zdravljenja še vedno pojavljajo.

Zadnjič sem se bil v tej koloni nekoliko pritožil, da se ne morem iznebiti Miss Flu, ki na me zasleduje in zapeljuje že par mesecev. Pa mi je dobro srečna rojakinja takoj poslala

baje popolnoma zanesljiv recept za zdravljenje. Zagovarjala se je, da je tudi ona imela flu in da se je iste stoprocentno iznebila s tem, da je vso noč preplešala, pa je meni toplo priporočala isto proceduro. Malo sem verjel, malo pa ne. Dotična dobrosrčna rojakinja je nekako v tistih "srednjih" letih kot sem jaz, in, če je mogla vso noč preplešati, njena flu ni bila posebno huda. Ali pa — kaj se ve! Nežni ženski spol vzdrži marsikaj, česar mi moški ne prenesemo.

Vsekakor je omenjeni recept prišel dvakrat prepozno. Prvič, ker se mi zdi prepozno, da bi se v mojih letih učil plesanja, drugič pa, ker se je flu medtem moje puščobe naveličala in me pustila srečnega slamnatega vdovca.

Kdor ima flu, lahko z omenjenim načinom zdravljenja poskusi, če ima korajžjo, toda ne na mojo odgovornost. Jaz si roke umijem pri bistrem studenču uradnega umivalnika. Sem si jih ravno grdo popackal s premenljivo traka v uradnem typewriterju.

DOBRA GARANCIJA

Pred tremi leti je bila ustanovljena federalna zavarovalnica za bančne vloge, ki se uradno imenuje Federal Deposit Insurance Corporation. V to zavarovalnico plačujejo vse banke, ki hočejo biti zavarovane, pri čemer, ki odgovarjajo eni dvajsetini enega procenta njihovih vlog. Federalna zavarovalnica garantira stoprocentno vse vloge do vsote pet tisoč dolarjev in nekaj nižje procenote za vloge nad pet tisoč. V primeru, da zavarovana banka zapre vrata, izplača vloge federalna zavarovalnica. Velika večina bank ima danes garancijo federalne zavarovalnice, v katere rezervnem fondu je zdaj že nad sto milijonov dolarjev. Ljudstvo ima v federalno zavarovanje tako zaupanje, da se tekom nedavnih polomov na borzi ni niti

malo balo za svoje vloge na bankah in ni brez potrebe jemalo denarja iz istih.

PODRAŽITEV ŽGANJA

Dosedanji federalni davek na žgane pijače je znašal \$2.00 na galono. Poslanska zbornica kongresa je pretekli teden odglasovala, da se ta davek zviša na \$2.25. Nekateri kongresniki so se temu zvišanju davka protivili, češ, da bo isto olajšalo butlegerjem kompeticijo s prodajalci legalnega žganja.

MOONEY PRED ZBORNICO

Legislatura države Californije je pretekli teden poklicala na izpričevanje Thomasa J. Mooneya, ki je že od leta 1916 v zaporu. Obsojen je bil zaradi bombnega napada na neko parado v San Franciscu, ob kateri priliki je bilo 10 oseb ubitih in 40 ranjenih. Danes se splošno priznava, da je bil Mooney obsojen na podlagi krivega pričevanja, kot so nekatere bivše priče same izjavile, vendar ga guvernec neče pomilostiti. Legislatura sicer ne more nobenega jetnika oprostiti, toda s svojim korakom je najbrž hotela izvesti pritisk na gubernerja, da Mooneya osvobodi.

VOJNA V ŠPANJI

Na aragonski fronti so rebeli petisilni lokaliste nazaj za povprečno pet milj. Teh bojev se je udeleževalo okrog 400,000 vojakov. V bojih severno od Madrida pa so lokalisti odbili vse napade rebelov in so jim celo izrgali neko važno višino.

VOJNA NA KITAJSKEM

Japonci poročajo o novih uspehih v šensi provinci, obenem pa priznavajo, da je odpor Kitajcev zelo trdovraten. Pri tem pa so se začele pojavljati govorice, da je Japonska pripravljena razpravljati o miru in da bo morda neka nevtralna velesila ponudila svoje posredovanje. Japonci so sicer zavzeli mnogo kitajskega ozemlja, toda to o ozemlje kontrolirajo le tam, kjer imajo močne vojaške posadke. Pa še dotične točke pogosto napadajo neredne kitajske čete. Japonsko vojaštvo mora vsled tega biti raztreseno na velike razdalje in Kitajci se lahko še dalje umikajo, ne da bi se podali. Japoncem gre vojna, katero so upali končati v treh mesecih in se zdaj vleče že v deveti mesec, močno na živce. Izdatki so velikanski, kontrola obširnega sovražnega ozemlja težavna in doma na Japonskem je napetost vedno večja. Ako bodo mogli Kitajci še nekaj mesecev vzdržati, utegnejo Japonci kljub vsem dosedanjim zmagam vojno izgubiti.

BOMBA V SREDNJI EVROPI

Konci preteklega tedna je Hitler vrgele bombo, ki je vznemirila vso Evropo. Avstrijski kancelar Schuschnigg je bil za nedeljo 13. marca določil splošno glasovanje, da-li so Avstrijci še nadalje voljni ostati sami zase ali so za združitev z Nemčijo. Hitler je slutil, da bi rezultat glasovanja zanj ne bil dovoljen, zato je zahteval, da se mora plebiscit odložiti, v vlado poklicati dve tretjini nacijskih ministrov, Schuschnigg pa da mora odstopiti. To se je zgodilo. Schuschnigg je izjavil, da se poda sili, predsednik Miklas je tudi odstopil in nova vlada je formalno pozvala nemško vojaštvo v deželo. Hitler je formalno proglasil združitev Avstrije z Nemčijo. Francija in Anglija sta formalno protestirali, Mussolini pa je Hitlerju čestital.

Kljub izredno napeti situaciji ni verjetno, da bi za enkrat prišlo do evropske vojne, ker sedanja Avstrija je bila itak nemška dežela in je nekako logično spadala k Nemčiji. Poleg

Verjetno je, da bi v takem slučaju pomagali Českoslovaški tudi Rusija in Anglija. V takem primeru bi bila splošna evropska vojna skoro neizogibna.

AMPLIFYING THE VOICE OF THE ENGLISH SPEAKING MEMBERS

From The Home Office SSCU

IMPORTANT TO CANDIDATES FOR THE TRIP TO ELY

All members who are working for a trip to the jubilee celebration in Minnesota during the present jubilee campaign will be glad to learn that they may receive credit for juvenile members who transfer to the adult department. Each member of the juvenile department who transfers into the adult department reserves the right to designate which candidate for the trip shall receive credit for his transfer into the adult department. This ruling from the supreme board will make it easier for all candidates to reach their goal, and unquestionably will help many a candidate to secure the necessary quota of \$20,000 worth of insurance and a free trip to the 40th anniversary celebration, to be held in Minnesota during the month of July.

Again a request is made to all members who will strive to reach one or the other goal to report their intentions immediately to their lodge secretaries, and the latter in turn forward names and addresses of candidates at once to the home office. A request is also made of the secretaries to attach to each application for membership the necessary instructions as to how shall be credited with the application.

Usually the start of each of our campaigns was somewhat slow, but the present jubilee campaign has made an auspicious beginning. For this reason we can expect our three-month campaign to reach the desired success.

Fraternally,

ANTON ZBASNIK, Supreme Secretary, SSCU

Current Thought

Goal of Goals

On March 1st began the mammoth fortieth anniversary of our SSCU campaign for new members. The duration of the campaign will be but three months, winding up on May 31st.

Principally, this is a campaign for adult members. The rewards for fruitful endeavors in the enrollment of new members are many. Honorable mention in the Nova Doba with a picture carried in the pages of our official organ; and to make the goal worthy of the member's efforts, our SSCU offers a free trip by rail to Ely, Minnesota, to any member who secures \$20,000 worth of insurance in the adult department.

And in addition, the customary cash rewards also be paid for each new member enrolled. These cash rewards begin with \$1.25 for each \$250.00 death benefit certificate up to \$8.00 for each certificate written up in an amount of \$3,000.00. The only stipulation required of the Union is that the new member pay three months' dues into the local lodge treasury before the written amount of insurance counts in the fortieth anniversary campaign.

At first, you and I may think the amount of new insurance required for a free trip to Ely as cumbersome. The supreme board considered this factor also, and in order to facilitate the chances of reaching the goal, it incorporated a provision which permits members of the lodge, and also members of the same community to credit new enrollments to any candidate striving to reach the goal of goals.

Perhaps you have a member or two working for you in your lodge. And under the present business recession, the total amount of new insurance credited to you as a lodge officer, fails to reach the required goal. You still have your door open, and that of inducing the aid of other members in the community who may belong to another SSCU unit. This arrangement affords a golden opportunity to many who might fail in their objective, were efforts limited to one lodge only.

Our Union will celebrate its fortieth anniversary on March 16, 17 and 18 with appropriate exercises at Ely, Minnesota, the seat of our Organization. In a resolution passed by the supreme board at its January session, it requested the officials of the City of Ely to proclaim March 18th as SSCU Day. All the members, lodges of the Nova Doba, the Minnesota Federation, and neighboring lodges will co-operate in the gigantic celebration of the fortieth anniversary.

All of which means but one thing: The goal in this membership drive is not merely a free trip by rail. It entails participation in a celebration which will mark a milestone in the endeavors of our Organization. The history of our SSCU has anything like the membership drive ever been attempted. And before has such an elaborate program of festivity been considered, much less made a reality.

So, boys and girls, get busy, and enroll new prospective members. It will take but ten new members, each insured for \$2,000 death benefit, or twenty new members, each insured for \$1,000 death benefit to reach the goal of

Now is the time to begin. Do not delay, for only three months is given you in which to reach a worthwhile goal.

Cleveland, O. — Bro. Joe Koblar, member of Pathfinders lodge of Gowanda, N. Y. is now a proud daddy of an eight-pound boy. We will be looking forward to better cigars.

Proving that nature is stranger than fiction, Bro. John Rutar, member of Collinwood Boosters, started to dance and it looks like his bachelor days will be over soon.

Betsy Ross lodge, No. 186, SSCU has been very fortunate in obtaining Ludwig Laurich from the Collinwood Boosters. Ludwig is a very good ball player, and we sincerely hope that he will prove valuable this coming season.

Mr. and Mrs. T. "Ham" Laurich are expecting a blessed event in the near future. "Watch us grow," is the motto of this proud SSCU member. "Ham" is the president of Collinwood Boosters, No. 188, SSCU.

One of the most interesting bowling games took place Sunday, March 13, in Lorain, O. It was the match game between the Lorain Buckeyes "A" team and the Betsy Ross "A" five of Cleveland. The Buckeyes nosed out the Clevelanders by six pins hitting a total of 2816 pins against 2810 for the Betsy Ross. Stojic stole the honors for the day with a 604 score, while Moch was high for the losers with 592.

In the match game between the "B" teams, the Lorain group finished on top, although Betsy Ross took two games. Mitock was high with 592 for Lorain, and Frankie Yankovic topped the Clevelanders with 544.

In the game between the ladies' teams of both lodges, Betsy Ross girls won by a wide margin. We want to thank the young ladies for bringing home at least one victory.

BRIEFS

Our Union's fortieth anniversary campaign for new members is now going into the third week. Have you talked to the prospective candidates for membership in our grand SSCU about joining NOW? If not, get busy immediately, for May 31st, the end of the campaign will be around in short order. Only ten more weeks to go and a free rail trip to Ely, Minn., and return awaits you. The goal: Secure enough new members in the adult department so the aggregate insurance will total \$20,000.00; and \$10,000.00 for members within the State of Minnesota.

Gloria Terbovec, daughter of Anton J. Terbovec, editor-manager of Nova Doba, was appointed editor-in-chief of the local grammar school paper, which is to come out soon. She was elected recently vice-president of the low eighth assembly, consisting of five classes with 40 students in each class. Gloria is a member of lodge No. 141 of San Francisco, Calif.

Minnesota Federation of SSCU lodges will meet on Sunday, March 27 in Eveleth, Minn.

President of the Ohio Federation of SSCU lodges, Bro. John Ujcic, recently suffered serious injuries while at work. All members and acquaintances familiar with his heartfelt interest in the work of our Union wish him a speedy recovery.

All roads will lead to Pittsburgh, Pa., on Sunday, April 3, for our SSCU members, for on that day the fourth national SSCU duckpin tournament will take place in Lawrence Recreation Alleys, 54th and Butler Sts. Out-of-town participants expecting to arrive in Pittsburgh on Saturday night previous are requested to get in touch with Lawrence P. Boberg, Tournament Chairman, 5421 Carnegie Ave., Pittsburgh, Pa. Entry fee for each of the three events is 75 cents a person. A record crowd of bowlers is anticipated. All entries must be in the hands of the tournament chairman not later than March 25.

Cleveland police officials report that the largest problem confronting them today in traffic accident prevention is saving the lives of elderly persons. Death and injury to children and younger adults has been reduced, but the toll of older persons was increased. The average age of eleven victims of fatal accidents last month was sixty-two years.

Water, as the most valuable substance in life and its use to sustain life and its curative properties, will be the feature topic to be discussed by Wm. E. Telzrow, Health News commentator, over Cleveland station WCLE on Friday, March 18, at 10:45 a. m. Mr. Telzrow is field secretary of the Anti-Tuberculosis League.

Unconscious of a holdup taking place, Jack Legan of Cleveland entered a restaurant on 7029 Central Ave., to deliver copies of the Cleveland Plain Dealer on his regular route. As he was ready to leave, one of the burglars fired and killed the young Slovene, Age 28.

Duckpin Tournament

Pittsburgh, Pa. — Already news is coming in and enthusiasm is running high. Several lodges who have not participated in the past have let it be known that they intend to compete this year. This is a grand spirit and shows that the tourneys are not just annual routine matters but worthwhile events in promoting fraternalism and good will among the members of our great SSCU, now celebrating its FORTIETH Anniversary, an age that would not be possible without this spirit of fraternalism and good will.

I hope a large number of members of the senior or Slovene-speaking lodges are reading these notices, and I like to believe they will take part as the tournament is not held for English-speaking members only. In some circles this mistaken notion seems to hold sway. I would like to have this clearly understood. A number of these lodges are handy to Pittsburgh and it would not be too expensive for them to show up and join in the bowling.

The proprietor of the Lawrence Recreation Alleys has assured me that the alleys were never in better shape. All other matters have been or are in the process of being taken care of.

Any out-of-town keggers who intend to come to Pittsburgh the day before the tourney will please get in touch with me as early as possible so that I may be able to make ready for their sleeping accommodations.

Again don't forget:

The event: The Fourth National Duckpin Tournament.
The place: Lawrence Recreation Alleys, Pittsburgh.
The date: Sunday, April 3, 1938.

The entry fee: 75c per person in each event.

The eligibles: All members in good standing 30 days before April 3.
Generous cash prizes.—Beautiful medals.

Col. Sunshine

Denver, Colo. — With those March winds howling around us we know that we are off to campaign for our fortieth anniversary of our Union, the SSCU. I am looking forward to a grand present to our Union by everybody getting as many new members as possible. Some will be rewarded by a free rail trip to Ely, Minnesota while others will go in for the honor of getting their names and pictures in the paper. All in all, I believe that either is worth trying for. Whichever you are after let's get going places and get those new members.

We will hold the regular meeting of our lodge, the Colo. Sunshine No. 201 SSCU at the usual place, Slovene hall on March 20, at 4:30 p. m. We would like to have all the members attend as we have some important business to transact. Also anyone having some new applications for new members, bring them along too.

The new application blanks can be obtained from me at any time. Till Sunday at 4:30 p. m. I'll say "let's get those new members."

FORTIETH ANNIVERSARY MERRY-GO-ROUND

By Little Stan

Ely, Minn.—Lack of a basic thought with which to write an article regarding the fortieth anniversary celebration of our SSCU, has given Little Stan an idea from which anything might develop.

Nearing the end of the second week in March finds your correspondent in a sort of daze. A hectic week is nearing an end, and that probably is the reason for the somewhat bewildered attitude.

Primarily, it is the tournament spirit which had enveloped him. The time of the year when high school basketball quintets begin the elimination series of games which inevitably results in a new state champion.

Ely's high school five, considered a "dark horse" in the tourney was soundly trounced by a tall, rangy Gilbert, Minn., team which could not be denied. A prediction is they will make a strong bid for the state championship. Sitting in the press row in the spacious Recreation Arena in Virginia, Little Stan was carried away somewhat in the excitement, but it was not noticeable as newspapermen are required to carry that certain dignity, sometimes called, "Yumf." Besides "Doo-Daa" who was sitting right behind him may have quashed any exciting moments by a well-aimed swat behind the ear!

Following Ely's defeat by Gilbert, the excitement waned somewhat, and before he realized it himself, he was back at his desk in the shop, ready for another typographical splurge. (Funny how those million-dollar words come tonight!)

Before Little Stan gets serious on you, a little announcement must be conveyed. It comes from the fast-steppers, the C. and M. Rangers of Lodge No. 1, who have planned a brand new and different kind of entertainment for the membership at their next regular meeting at the Yugoslav National Home. The meeting was held on Wednesday this week, but a complete report of what transpired will be in this column next week. Planned for the occasion was a penny keno party, dressed up in quaint, entertaining motif. Committees disclosed some dandy plans—but they will be withheld from publication until the next issue.

More recently, the Hawkeyes of Lodge No. 200, and the Arrowheads of Lodge No. 1 conducted entertaining meetings which drew fine attendances—although no new records were set.

This inter-lodge spirit indicates the preliminary groundwork being prepared for July, when every lodge in the city co-operates to present the most impressive 40th anniversary celebration to citizens from all parts of the range, other visitors from the nation, and local citizens in general.

Highlight of the present activity takes us to Lodge No. 120. There Matt Kobe, a member of the Levar, Kobe, Rozman vocal trio which broadcasts over the Slovene Hour every other Sunday through the facilities of WMFG Hibbing, is finishing casting, and beginning direction

of the Slovene play, entitled, "Micki je treba moza." It will be presented in Ely's new Community building after Easter, and dates have been booked in Chisholm and Eveleth.

At first Little Stan agreed to play the part of Janez, the hero who disguised himself as a doctor in order that he might be nearer his heart-throb Micka, who pretended she was ill. Janez enters the scene midway in the first act. He goes near the window, stealthily looks around to assure himself he is alone, and whispers: "Micka, Micka, al' si sama?"

She is frightened and quickly admonishes him: "Tiho, tiho! Skrij se, da te oca ne vidi!" They then get-together, and plot the disguise in order that they may carry on their sweet romance, unhindered.

But time is an important thing in this case, and for busy newsman Stan, it was impossible to take the part. But Duke Vranesich will play Janez, and Mary Skule, Micka. Satisfying himself in his longing to take a part in the play, Little Stan took the part of Jurij. He speaks only five lines.

But watch for further publicity on this comedy drama. Others who take a part in the play are Mr. and Mrs. Jack Varoga, Joe Zobitz, Matt Rom, Mrs. Mary Rebol, Mrs. Edward Mistick and others. Miss Rose Svetich is working hard on other details.

Spirit Keen

Meantime, United Lodges of SSCU here in Ely have conducted several interesting meetings at which preliminary commemoration plans are being discussed. A meeting of the Minnesota Federation will be held in Eveleth Sunday, March 20, at which plans will receive further attention.

It's bound to end up in a really impressive commemoration.

From week to week, lengthy columns of news in Nova Doba have called to your attention the wonderful awards being offered in the GREAT FORTIETH ANNIVERSARY MEMBERSHIP DRIVE WHICH IS TWO WEEKS UNDER WAY. It is a part of a gigantic program being prepared by our lodge organizations throughout the country to SHOW THE TREMENDOUS MOUNTAINOUS STRENGTH OF OUR SOUTH SLAVONIC CATHOLIC UNION OF AMERICA. COOPERATION WILL PLAY A PROMINENT PART IN SENDING THE DEMONSTRATION OVER THE TOP. THE BEST WAY TO DO THAT IS TO GET OUT AND DO YOUR PART IN ENROLLING NEW MEMBERS, AND QUALIFYING THEREBY FOR THE FINE AWARDS OFFERED BY OUR UNION!

Plan for wonderful entertainment at Ely's commemoration celebration by enrolling 20 new members for a total aggregate amount of \$20,000 in insurance. OR enroll five new members and have your picture and biographical sketch published in Nova Doba. Certainly Little Stan wants to see who you are, and what you look like. So does every other member in our vast organization! And if you like, Little Stan will write your bio-

ELECTRONS, SPARKS "N" FLASHES

Springdale, Pa. — "But your regret in not meeting him sooner, my silence for the past four consecutive weeks was unavoidable. Between the pressing business matters to be cared for and my son's welfare, I—" "I'm sorry, but there is nothing more to be said. The court has weighed all evidence carefully and has given you every consideration. It has been proved conclusively that you willfully neglected Nova Doba Day until the last moment. Then, I'll grant you the fact that your business did interfere, but prior to this you had ample time to make your report. And as for your son's welfare, the court has proved that he was in the care of a competent nurse, your wife. Therefore, as judge of this court, it is my duty to inform you have been guilty as charged. Case dismissed."

What more is there to say. Let's get on with the Electrons' news.

40th Anniversary Contest

First and foremost in the thoughts of the Electrons is the 40th anniversary contest. From observation and snatches heard here and there, prospective members number into two figures. But whether or not they come through with their promises and sign on the dotted line, the next two or three months will tell. At present, working conditions are rather uncertain and so, the potential members are skeptical about the whole matter. But the year is still young and the Electrons are still hot after new members despite the business recession.

Tournaments

About this time every year the sport element of the SSCU gives heed and prepares for the coming duckpin and tenpin tournaments. Inasmuch as the tenpin tournament is out as far as the Electrons are concerned, their thoughts and determination are centered upon the duckpin tournament to be held at Lawrence Alleys in Pittsburgh. With the tournament day only a few weeks away, I am glad to say the Electrons will attend well prepared. The shaping up period, or perhaps one should say, the pre-tourney practice sessions were most successful with the boys really turning in some fine scores. To culminate their practice season, the boys will travel to Claridge where a match game between lodge 40 and our lodge 228 will be played. Then, maybe a few days before the tournament, the Electrons might travel to the battle grounds just to acquaint themselves with the pin boys. It might come in handy during the tournament.

Meet Johnny

A few weeks ago I had the pleasure of meeting a very fine fellow in the person of John Stanich. To meet Johnny is to

regret in not meeting him sooner, for his presence in any crowd radiates friendship and comradeship that can mean only one thing — a jolly time devoid of any gloom whatsoever. This happy-go-lucky six-footer is an SSCUer from Claridge and rather easy on the eyes — a typical example of the SSCU personage.

Odd Sights Dept.

It is my belief that every paper should have an odd sights department. So for this one time the aforementioned department will be constructed here.

It was by mere chance that I happened to pass through the so called slums of North Side Pittsburgh. As we proceeded up the alleys, which might have been the boulevard to those residing there, I saw this sight: Paper, tins and garbage strewn all over the alley. Going up the sidewalk walking as proud as a peacock was a lady leading a large clumsy looking dog. She was very poorly garbed, and the dog wore a ragged, grey and dirty sweater. He was lashed to a rusty chain and both gave the appearance of passing through a very lean year. Somehow this impressed me very much and started me to wonder. Could it be a society maiden whose spirits were undaunted, although being robbed of all by the past stock crash, flood, depression and the present business recession? I wonder.

A Thought

Maybe it was a sight such as this that inspired Lord Chesterfield when he said: "Physical ills are the taxes laid upon wretched life; some are taxed higher and some lower, but all pay something."

Stan Progar.

Hawkeyes

Ely, Minn. — Hawkeyes of lodge No. 200, SSCU will hold its regular monthly meeting on Friday, March 18. Entertainment will follow the meeting. Everyone is invited. A small charge will be made for each game played and valuable prizes will be awarded. All members are requested to please attend the meeting and invite your friends to spend an evening with us during Lent.

At the last meeting the following officers were elected for this year: Frank Jershe, Jr., president; Rose Golob, vice-president; Rose Mertel, secretary and Frances Vesel treasurer. The dance which followed last month's meeting turned out to be a huge success. Frank Kromar played some snappy music and the evening was enjoyed by all very much.

"As A Secretary Sees It"

Blancox, Pa. — The motorist who is sanely driving his auto for several hours on any Sunday afternoon but instantly "floors" the accelerator in an attempt to beat the engine at the crossing, in all respects is like the writer who will idle away the week, and in an eleventh hour effort, will attempt the difficult task of beating the deadline. On three occasions the writer successfully made the mailbag, just as they were about to put the lock in place. Last week the charm was broken but for the short period of four or five minutes. That FIVE MINUTE PERIOD WAS SUFFICIENT TO MAKE A COMPLETE FAILURE of the delivery attempt... Significant is the fact that the column was devoted to the Anniversary campaign now in progress...

Act—But Act Now!

Like characteristics to those of the above type may be evident in them that would follow the "I've still enough time" philosophy... The campaign is of short duration, but the energetic participants may be well rewarded for their efforts. Those who fail to make the grade may be the very ones who failed to release the brakes on commencing the journey. Act, but act now, that the deadline or the engine may not blast your hopes to be among the jubilant recipients who will share in the final rewards. The more the merrier and a grander jubilee celebration. Decide now to exert every spark of initiative in informing your relatives and friends of the possibility of becoming members of the SOUTH SLAVONIC CATHOLIC UNION, in order that the safest and best type of protection may be theirs...

Conditions and rules of campaign have been very well publicized. Writing of twenty thousand dollars worth of insurance entitles one to a free round-trip fare to Ely in the vacation month of July. Enrolling five adults or ten juveniles into the Union means that the member responsible for the new additions is entitled to have his or her photograph reproduced in the official organ along with a short biographical sketch, plus five free copies of the Nova Doba... The awards are more than worth the effort. Bear in mind that the regular cash awards, as outlined from time to time in our organ, are still valid. No one can afford to pass up this opportunity...

Of utmost importance is the manner in which prospects are approached for membership. Caution should be employed, lest the approach is apt to oversell or undersell the product. Make no mistake about it, there is no need to oversell fraternal insurance, especially that of our Union; but some of the members who are not fully cognizant of the by-laws are apt to do just that. Your money can buy just so much insurance, the type and amount varying with whom you take it out; just as in any other type of purchase... Your friends will greatly appreciate your advice to "get on the band wagon" by applying for membership in the BEST FRATERNAL UNION IN AMERICA. The band wagon is getting a heavier load as it gains distance, and this campaign should add an extraordinary addition toward the goal of the Biggest Fraternal Order of its kind. May it be made possible in the next decade that the fiftieth anniversary be celebrated as such.

With the Pathfinders

Gowanda, N. Y. — I've finally awakened with the rest of Gowanda after a short period of hibernation. Yes, you've guessed it! The leather plant has re-opened on a limited schedule. Those of you who have visited Gowanda know that the town is not a big place, but although small it is nice. Good things come in little bunches. I don't want to appear boastful, but our little metropolis has been complimented as 'one of the cleanest, well kept towns in western New York. You have only to pass through in summer and you will realize at once what pride people take in their homes. Buildings are very well kept; lawns, gardens, numerous shrubs and trees attest to the ambitions of its citizens. Now, when you realize that more than half of Gowanda's working population is employed at the tannery, you can readily see the seriousness of the situation. In the last few years, many new homes have been built; a great number by our own Pathfinders. It is a large investment and many were erected on borrowed capital. Now Gowanda again has high hopes for the future.

How many of you read John's write-up last week? If not, get out your last week's edition of Nova Doba and read it, for it contained valuable information.

Despite a lengthy serious illness, Sis. Frances Zelnik is improved. Don't give up! We're all pulling with you Frances.

Bro. Joseph Pecnik is well on the road to recovery. He is well past the danger point and we're wishing him fast traveling with no detours.

Visitation Committee

East Palestine, O. — In some sections of the country various units of the SSCU are fairly closely situated to each other. This fact makes it possible for these respective locals to maintain what is termed a visitation committee.

The function of such a committee is to be present at meetings of the neighboring lodges and by such action to absorb, possibly, some practical ideas and perchance to pass on a little advice. For instance, one lodge may be enjoying great success in the promotion of some fraternal affair while its neighbor has been a continued failure, so the duty of the visitation committee is to investigate the reason for the success of one and the failure of the other.

Such a committee can be of great value to a local unit. Men and women who can not only "speak up" in the presence of strangers but who make "good listeners" also, should be chosen to serve. This committee tends to strengthen the relationship between units and bind more securely the ties of fraternalism.

Anniversary Edition

When the Supreme Board of our SSCU met in the home office at Ely last January, they started plans to have published a gigantic 40TH ANNIVERSARY EDITION OF NOVA DOBA! It will be released after the membership drive ends on May 31st. Public release will come on a date to be selected later.

This edition will be by far the greatest fraternal enterprise in history. It will incorporate everything imaginable. From the early days, way back in 1898 when a few men got together to organize the SSCU, right on through 1938—where we see our organization resting high on the pinnacles of success, and looking towards higher obstacles which will be surmounted in the future. More news on this later.

Biographies

Planned as a 40th anniversary feature are also biographies and a history of our organization. Many of the original charter members of our organization are living in this city, and nearby. Little Stan will conduct personal interviews with these men who have established the foundation of our SSCU, and will have them in forthcoming issues of Nova Doba.

Juvenile members of our organization are also expected to take a prominent part in these commemoration exercises.

Perhaps many wonder what happened to Little Stan's Ah-Tin—Maxwell—or what have you. Well, it was like this: The other day when Stan stepped on the starter (you don't have to crank) the awfulest racket ensued. Little Stan looked under the hood, saw two cylinders having an argument; "you go first," said one; "no, you go first," said another. That would never do, and just as Little Stan was about to chastise the polite fellows, Mr. Bearing burnt out in a rage. Result: Little Stan either walks, or waves his thumb via downtown saying—"Nov Shmoz ka Pop?"—(Going my way?).

Cardinal Highlights

Struthers, O. — Hello! this is the Cardinals perking up. Well, there has been quite a discussion about a Novelty Dance, which is to be sponsored on April 23. There will be an all-girl orchestra and the admission fee is small. I hope to see many out-of-towners.

Bro. Anton Mikolic is now at home recuperating. Wish him a speedy recovery and hope that he will be doing a few polkas at the dance.

Spring will be here; robins chirping; grass getting green and ah! a young man's fancy for love. I wonder who cupid will strike among the redbirds. So far he has no prospects, but time alone will tell.

I see by the paper that another Cardinal wrote a few weeks back. Keep up the good work, Steve. Your article was very interesting.

Congratulations to Mr. and Mrs. Stanley Progar. May junior grow up to be a regular scribe to our wonderful SSCU as his dad. Congrats also to Mr. and Mrs. Joe Vlosich and son. We hope that means another member for us.

In closing, don't forget the Novelty Dance, April 23, Lowell Rd., at the Croatian Hall. We'll be looking for you, so don't disappoint us. Until the next time, I bid you all Au Revoir.
