ILLUSTRISSIMO ET EXCELLENTISSIMO DOMINO, DOMINO
JOANNI MAXIMILIANO
S.R.I. COMITI DE LAMBERG,
LIBERO BARONI IN ORTTENEGG ET OTTENSTEIN, DOMINO
in Stokhern & Amerang, Equiti Aurei Velleris, Hæreditario Equitum Præfecto in Carniolia & Vindorum-Marchia,
Sac. Cæs. Majest. Arcano Consiliario, & Supremo Aulæ Præfecto,
DOMINO, DOMINO MEO GRATIOSISSIMO.

Non diu mihi considerandum erat, quo meum hunc laborem dirigerem. Occurrit enim publica vox per Carnioliam, Illustrissimos Excellentia Vestra Majores magnam olim Carniolia partem, & in ea potissimum hæc in unum fasciculum collecta dominia hæreditario jure possedisse. Quidni ergo ectypa eorum ultrò sibi illum Patronum deprecarent, quem olim in majoribus Dominum agnoverunt, & cognatis etiamnum se obtemperare pleraque gloriantur. Sisto igitur illa EXCELLENTIAE VESTRAE, ut sistam & reliquo mundo; qui, quod auribus sæpè inaudit, usurpet etiam oculis; Fortunam scilicet Lambergianam eousque in Carniolia quondam progressam, ut parem sibi non haberet: reducem porrò in Austriam, unde primò digressa fuit, ad fastigium penè honorum evectam, in EXCELLENTIA VESTRA & felici sobole sic efflorescere, ut sperare possit perenitatem. Videbit hîc Orbis Orteneggium ab Ortenburgicis olim Comitibus conditum, ex quo magnus ille heros Josephus de Lamberg Augustæ quondam Imperatricis Annæ Ferdinandi I. Imp. Conjugis Supremus Aulæ Præfectus, & Supremus Carniolia Capitaneus prodiit cum felicissimis fratribus, quorum Casparus EXCELLENTIAE VESTRAE proavus, in Austriam iterum transtulit gloriosum sanguinem, quem ex Austria intulerat ejusdem abavus Wilhelmus II. qui ad annum 1367 Carniolia immigravit. Alter verò ejusdem Josephi frater Melchior sub Ferdinando I. Aulæ Mareschallum egit. Tertius Ambrosius Metropolitanæ Ecclesiæ Salisburgi Decanus. Quartus Balthasar ibidem Officialis & Præpositus insignem meruerunt laudem, ut cæteros præteream. Videbit hic Willengrainam arcem ab Andrea memorati Josephi patruo à fundamentis educatam: Videbit Steinpichel à Georgio II. de Lamberg, lineæ de Rottenbichel constructum: Videbit Egkh, à Joanne de Lamberg jam dicti Georgii fratre conditum, & plura alia ab aliis ejusdem gloriosæ propaginis, vel de novo excitata, vel instaurata; omnia verò (quæ numerum vigesimum octavum æquant) Excellentissimæ familiæ jure olim hæreditario propria. Non sit igitur importunum EXCELLENTIAE VESTRAE hoc munus, quod à manu mea tenuibus ductum lineamentis, ab animo verò æternis insculptum cælaturis demissè offero, unicè exoptans, ut hoc sit monumentum mei, & familiæ meæ in EXCELLENTIAM VESTRAM obligati affectus & obsequii.
