Deveta konvencija S. D. Z.

(Nadaljevanje s 1. strani)

rodni domovi? Vsa posojila so danes na zmožnost naroda, da ista odplačuje in plačuje ob enem obrestih. Ako ta zmožnost radi krize odneha, kaj potem? Dajmo torej nekoliko pomoči našim narodnim ustanovam, kot so cerkve in narodni domovi. Cerkev sv. Vida, pri kateri ima Zveza posojilo \$125,000 plačuje zadnje čase redno. Ocenjena je bila na \$450,000 in državnim uradniki so preцениli premoženje na \$250,000. Na prvi vknjžbi so podpisani vsi cerkveni odborniki, g. župnik in škof Schrembs.

Brat Traven opominja zbornico, da bodo morali člani plačevati od 8 do 9 centov na mesec več, ako se obrestna mera zniža. Končno je bil sprejet predlog, da se računa v bodoče po 4 in pol procenta obresti na vsa posojila, brez razlike, na mala ali velika posojila, in to ako redno plačujejo vse svoje obveznosti.

Predlog, da Zveza plača polovico stroškov, kadar se naredi posojilo, je bil odklonjen. Stavljene predlog, da se odprejo ponudbe tiskovnih družb glede tiskanja glasilila. Brat Dolenc stavi nujni predlog, da nabavijo bodoče konvencije diktafon sistem, da se rekordirajo vsi govori, nakar se plošče pošljejo na društva, da bodo vedela, kaj je njih delegat govoril. Delegata pa se mora zapreti v celico, kjer bi za kazneni moral poslušati svoj lastni govor.

Tiskovna družba The American Home Publishing Co. je pisala konvenciji, da ne more predložiti cen, ker je ponudba nejasna, nerazložna in protislovna. "E" tiskovna družba stavi cene za \$90.00 od 3,000 iztiso, \$98.00 od 4,000 in \$105 od 5,000 iztiso, toda v tem ni vključena pošiljatev in poština. Brat Turek predlaga, da se porušijo prejšnji predlogi glede tiskanja glasilila. Brat Gornik stavi predlog, da konvencija o tem razpravlja v četrtek dopoldne. Brat Kuschlan stavi predlog, da ostane glasililo kot dosedaj. Pucelj prosi za usmiljenje za svojo stranko, odgovarja sestra Bradach, da ona zahteva enako za svojo stranko. Sestra Novak pravi, da naklad nikakor ne želimo, ker tudi denarja nimamo. Naj se zadeva takoj reši. Dolenc pravi Tonetu Vehovcu, da je skeb, ker je Vehovec predlagal, da zborujemo več kot 7 ur. Brat Kuschlan ne priznava nobene manjšine, nobene večine, kajti ponudbe so višje kot bi Zvezo stalo lastno glasililo. In končno je predlagal brat Slak, da naj zbornica odloči glasililo, kar je edino pošteno, ker je kompetentna. Ura je pet in zborovanje se zaključil. Najbrž bo konvencija izvršila svoje delo v petek.

Komisar Reynolds

Glavni stan organizacije, ki se bori za izvolitev Charles Sawyerja za generalnega direktorja Ohio, je včeraj naznanil, da bo vodil Sawyerjevo kampanjo v Clevelandu okrajni komisar Charles Reynolds, ki bo osebni zastopnik generalnega kandidata v Clevelandu. S tem imenovanjem je Sawyer pokazal, da se ne bo posvajal v strankarske boje, ki so nastali v Clevelandu med demokrati in katerih en del vodi Gongwer, drugi del pa Ray T. Miller.

VLOGE v tej posojilnici

Zavarovane do \$5000 po Federal Savings & Loan Insurance Corporation, Washington, D. C. Sprejemamo osebne in družbenne vloge. Plačane obresti po 3%. St. Clair Savings & Loan Co. 6235 St. Clair Ave. HEnd. 5670

ARROWS FROM ROBINHOOD

Convention laughs: Rudy Lokar, upon being asked to translate a report into Slovenian, said: "Točka one, two three pa štiri" . . . The committee that reported back from Columbus certainly put the silence on some individuals . . . One delegate said, "Bom čitov," — there's a man after my own heart; one who isn't afraid to admit that he's cheating . . . Another followed by yelling: "(G)nujno," but all things were not rotten at all . . . A few delegates told the majority of silent delegates the value of convention time—but it wasted about five hours of valuable time . . . Vicechairman "Lindy" Lokar telling "Windy" Lokar what's what . . . Bill Vicić meeting many dead "ponies" or is it phoney? . . . John J. Gornik certainly reminds the chair of Robert's Rules of Order . . . Dr. Kern claims he is satisfied with his job . . . If our salary was satisfactory we would be satisfied too . . . Mr. Vehovec knows the value of advertising and he is getting his share of it at the convention . . . Every time the delegation is interrupted by a laugh, it costs S. D. Z. 98 cents . . . And since when are such fine gentlemen as Bill Vicić, Leo Svete, Louis Supan, monikered "brats"?

Let's go to the Barn Dance sponsored by Slovenski Narodni Farmer, SDZ No. 44 on Saturday, October 1. It will take place at the Klaus farm in Harpersfield off route 534. Follow the signs. Admission 25 cents.

CONVENTION HIGHLIGHTS

Continued from Page 4 other prolonged debate on extended insurance and paid-up policies, especially by Mr. Joe Trebec . . . When the chairman asks for votes by raising the hand, Mr. Vehovec put up both—maybe he thinks he's being held up . . . Mr. Joško Penko very hot over the paid-up policy and extended insurance debate. "Pa še how!" to Mr. John Centa so that the whole delegation laughs—all in fun . . . My, my, if any of you younger people want to learn or at least hear some real high class Slovenian, go to a good Slovene convention . . . Spectators surrounded the whole lower hall at 4 p. m. Everyone present seemed to enjoy the heated debates on various issues . . . At times you would think you were at a show because of so many wise-cracks made just to break up the monotony . . . First week of the convention ends on Saturday at 5 p. m. . . Of course, this column is a bit confusing and we are jumping back and forth during the convention remembering different highlights and inserting same . . . So we will finally have two pages of English news to accommodate the many writers . . . That all came to be after an independent organ was over-ruled and a new set-up was approved . . . The committee for complaints, appeals and charges completed its work very well . . . Many delegates are considered dead "ponies" while on the other hand some are live "ponies" . . . Nujno! — nujno! — nujno! — is all you can hear thruout the convention proceedings.
