Margaret M. Heckler
imenovana za članico
Reaganovega kabineta

WASHINGTON, D.C.—Predsednik Ronald Reagan je imenoval 51-letno bivšo republikansko kongresnico Margaret M. Heckler za novo tajnico tajništva za zdravstvo in socialno skrbstvo. Dosedanji tajnik tega vladnega rezorja Richard S. Schweiker je odstopil.

Hecklerjeva je bila premanjana na novembriških volitvah potem, ko je služila v predstavnikiškem domu 18 let. V volivnih kampanji je branila Reaganovo politiko zoper demokratskega nasprotnika v nekem massachusettskem okrožju.

Opozovalci političnih razmer na kapitalskem hribu so glasajo, da bo zvezni senat potrdil imenovanje Hecklerjeve, morda soglasno.

Margaret Heckler bo druga ženska v Reaganovem kabinetu. Pred nedolgim je predsednik imenoval Elizabeth Dole za tajnico prometnega tajništva. Zastopnica ZDA v Združenih narodih Jeanne Kirkpatrick tudi spada med člane kabineta.

Reaganovi politični svetovalci priznavajo, da ima predsednik težave glede razpoloženja ameriških volivk do njenega in njegove politike. Upajo, da bosta imenovanji Elizabeth Dole in Margaret Heckler okreplili njegov ugled med volivkami.

Hecklerjeva je pravnica po poklicu in katoličanka. Nasprotuje squalu, podpira pa dopolnilo ameriški ustavi ERA.

**Japonska znižala
carino na več vrst
uvoženega blaga**

TOKIO, Ja.—Japonska vlad je naznanila, da bo znižala carino na več vrst uvoženega blaga. Izjava zunanjega ministra pravi, da gre za carinske olajšave pri industrijskih izdelkih in kmetijskih pridelkih.

Zadnja leta so Japonci pod močnim pritiskom ZDA in Zahodne Evrope, naj ne tako strogo omejujejo uvoza blaga iz tujine. Omenjene države imajo namreč vsako leto ogromne trgovinske priznanki in kmetijski izdelki z Japonsko.

V ameriškem zvenem kongresu podpirajo mnogi vplivni kongresniki zakonske osnutke, po katerih bi ZDA omejevale uvoz japonskega blaga, predvsem avtomobilov in elektroniskih naprav.

Opozovalci japonskih političnih razmer menijo, da je japonska vlada znižala carino na uvoženo blago, ker bi kmalu prišel na uradni obisk v ZDA novi japonski ministrski predsednik Yasuhiro Nakasone. Med bivanjem v Washingtonu, D.C., bo imel Nakasone pogovore s predsednikom Ronaldom Reaganom in drugimi visokimi funkcionarji ameriške vlade.

Med drugim, želi Reagan, da bi Japonska prevzela večjo politično-vojaško vlogo na Pacifik. Na Japonskem niso navdušeni na Reaganovo idejo.

POMEMBNE SPREMENBE

V POLITIKI ZDA DO POGAJANJ O RAZOROŽITVI

WASHINGTON, D.C.—Predsednik Ronald Reagan je zahteval odstop načelniku zvezne agencije za omejevanje oborožitve in za razorozitev Eugenea V. Rostowa. Rostow je bil nezadovoljen z Belo hišo zaradi počasnosti postopka za potrditev Roberta T. Greyja v zveznem senatu. Rostow je želel, da bi Grey postal njeni namestnik, Grey pa na sprotnoje konservativni republikanski senatorji.

Visoki funkcionarji Bele hiše in državnega tajništva so dali novinarjem vedeti, pred dnevi, da povzroča 69-letni Rostow težave za predsednika Reagana na področju razorozitvene politike. Rekli so tudi, da bo Reagan zahteval Rostowov odstop.

Predsednikov predstavnik za tisk Larry Speakes je v tiskovni konferenci dejal le, da je želel Reagan novega načelnika agencije za omejevanje oborožitve in za razorozitvene politike. Rekli so tudi, da bo Reagan zahteval Rostowov odstop.

Za naslednika Rostowa je predsednik imenoval 36 let starega Kennetha L. Adelmana, ki je bil doslej načelnik velcoposlanice ZDA v Latinskih narodih. Adelman je politični konservativec in na kapitalskem hribu pravijo, da bo njegovo zasiščevanje pred ustreznim senatnim odborom prizoriščem obsežno debato o ameriški politiki do razorozitvenih pogovorov s Sovjetsko zvezo.

Ko je govoril o imenovanju Adelmana, je predsednik Reagan rekel, da bo imel glavno besedo pri vodenju in usklajevanju ameriške politike na tem pomembnem področju sam državnega tajnik George P. Schultz.

Andropov pritiska

V zadnjih tednih je že večkrat govoril o razorozitvenih pogajanjih med ZSSR in ZDA, ki potekajo v Zenevi in na

Dunaju, novi sovjetski voditelj Jurij V. Andropov. V nedavnem intervjuju z ameriškim novinarjem, je Andropov dejal, da v njegovem mnenju obstaja možnost, da bi se gledate vprašanja razorozitve razlike v stališčih ZDA in ZSSR zmanjšale v zadostni meri za doseg sporazuma.

Clanki in komentarji v sovjetskih časopisih pa kažejo, da morajo ZDA spremeni svoje stališče, ako želijo sporazum z ZSSR. Kot kaže, so v Sovjeti zvezri najbolj zaskrbljeni zaradi dodatne oborožitve Zahodne Evrope z novimi raketami Pershing 2 in drugimi manevrnimi raketami, ki naj bi jih ZDA začele postavljati že letos.

Sovjetsko stališče je, da napovedano nameščanje teh za ZSSR tako nevarnih raket blokira možnost razorozitvenega sporazuma. V Moskvi so tudi proti ameriškemu razvijanju raketevega sistema MX.

**Bivši predsednik ZSSR
Nikolaj V. Podgornji
umrl, star 79 let**

MOSKVA, ZSSR—Pretekli tork je po dolgi bolezni umrl 79 let stari Nikolaj V. Podgornji, bivši predsednik Sovjetske zveze.

Podgornji je bil član vodilne trojke, ki je oktober 1964. leta strmoglavila takratnega sovjetskega voditelja Nikita S. Hruščeva. Po odstranitvi Hruščeva je prevzel vodstvo partije Leonid I. Brežnev. Vodstvo vlade Aleksej Kosigin. Podgornji pa je postal predsednik ZSSR.

Vodilna trojka je ostala nespremenjena do 1. 1977, ko je bil Podgornji prisiljen, da je šel v pokoj. Njegov naslednik je postal Brežnev.

za spremembe. Pašić je partizanskemu predsedstvu poslal pismo, v katerem predlaga "ustanovitev posebne komisije za študij aktualnih problemov o delovanju političnega sistema" (Politika, Beograd, 29. 9. 1982).

Pašić je v svojem odgovoru napisal, da je samoupravljanje v mrtvili, da je vedno več znakov razkroja na političnem, gospodarskem in družbenem polju, in da je jugoslovanski enotni trg v razsulu. Postavil pa je pet točk, ki naj bi jih rešila komisija (ki so jo med tem že imenovali) (Danas, 12. 10. 1982): 1) onemogočiti je treba "ponovno uvedbo državnega monopolnega lastništva"; treba je temeljito pregledati v tem smislu, kako je iz izvajanjem tega načela pri družbeno-političnih organih.

2) Treba je pregledati vse pretirane uvedbe partijskih pravic in jih primerno uskladiti. 3) Najti je mehanizem za nadzor dela in dolodično odgovornosti, ker je sedanja kolektivna vprašanja v "jugoslovenskemu": Problema osebne

odgovornosti. In ne viši poti iz sedanje slepe ulice brez sprejetja nekaterih, tipično nemunističnih metod.

V istem članku zatrjuje, da

ljudje "niso angeli, najmanj pa tisti, ki zavzemajo administrativne položaje". Zaenkrat je še vedno v Jugoslaviji največja odlika — "poslušnost, pridostopenje določeni zaprti skupini, osebna sorodnost in krivljenje hrbita. Vse to so bistveni elementi za imenovanje".

Pašić pravi, da postanejo komunisti nedelavnji in da je treba sprememb, ker "samo v organizaciji, v kateri imajo narodni pravico svobodno izražati svoje pogledi o kolektivni kot o celotni družbi, je mogoče izvesti sistem o odgovornosti. Obžaluje, da so "organi, ki bi moralni izvajati politiko, in ustanove, ki bi morale kontroliратi izvedbo te politike, navedno odvisni od tistih, ki so vmesani v politiko".

Ni pa povedal, da so "tisti" samo in edino komunisti...

II.

Kakšno je stališče, kakšno je stanje v Evropi? Ko smo zadnjič pregledali razmerje Amerike do Sovjetske zveze, Kitajske in Japonske, se moramo sedaj pomuditi pri starem, slavnem kontinentu, kjer se je tisoč in več let pisala usoda vseh delov sveta, do kamor so segle evropske ladje in evropsko orožje. Danes je ta kontinent, zibelka civilizacije, kulture in krščanstva, postal pozorišče najbolj nevarnega nuklearnega spora. Reševanje evropskega nuklearnega problema je silno zamotano in do kraja komplikirano, ker vanj nista zapleteni le Amerika in Sovjeti, marveč vseh 15 članic vojaškega pakta z imenom NATO.

Vsaka članica je po demokratskem principu vezana poslušati razpoloženje in aspiracije lastnega ljudstva ter ščititi specifične interese svoje države, a tudi interesi se od države do države razlikujejo. Skupni imenovalec je brez dvoma sovjetska nevarnost, a kako se ji zoperstaviti, se pogledi znatno razlikujejo. Ne sme se pozabiti, da teče bojna črta med boljševiškim načrtom dominacije vsega sveta, in zapadnim idealom demokracije in svobode, skozi srce Evrope. Izbruh je drškega spopada bi se s skoraj 100-odstotno verjetnostjo začel in morda tudi končal na evropskem prostoru. Evropeji se tega živo zavedajo, vsako nemordino neprevidno govorjenje o "omejeni" atomski vojni požene evropskemu človeku kri v glavo. Pa se vendar skoraj vse obravnavata brez evropskega sodelovanja in glasut. To stanje stvari je za Evropeja povsem nenormalno, vzinemljivo in ponikujoče. Zlasti močno izpostavljeni Nemci se v masovnih protestih bunijo, zahtevajoč takojšnjo ukinitev izdelovanja atomskega orožja in potem njegovo popolno uničenje.

Konec 1982 se aktivno bije diplomatski boj med Ameriko in Sovjeti o zmajjanju ali celo o popolni odstranitvi atomskega orožja v Evropi. Tam imajo Sovjeti lepo število (blizu 250 ali še več) SS-20 misilov na srednjem daljavo (medium range), vsak s tremi izstrelki (warheads). Naperjeni so proti svobodnemu delu Evrope, kjer ni nikakega ameriškega atomskega orožja, le nekaj malega ga imata Francija in Anglija. Obstaja pa sporazumno izdelani načrt, da bo ob koncu 1983 Amerika namestila kot protiutež v nekaterih evropskih državah okrog 100 misilov tipa Pershing 2, ki se jih Rusi najbolj bojijo, in okrog 400 križarnih (cruise) misilov.

Toda predsednik Reagan je razglasil predlog, da se to ne bo zgodilo, ako Sovjeti med tem odstranijo vse SS-20 iz Evropske zemlje (zero option), ali pa se najde sporazumno rešitev na ženevskih pogajanjih o omejitvi atomskega orožja. Novi sovjetski diktator Andropov je na to odgovoril, da je pripravljen zmanjšati število SS-20 misilov na število skupnega števila francoskih in angleških misilov (162) v primeru, da Amerika ne pošle nobenih misilov v Evropo, češ, taka solucija pomeni paritet med Vzhodom in Zapadom, kar seveda ne drži.

Nazliz temu pa, da predlog tovariša Andropova ne drži (zaradi zelo različne zmogljivosti orožja) ni bilo modro in prav, njegov predlog od strani Amerike in njenih zaveznikov popolnoma in gladko zavreči. S takšnimi ostromi koraki v tako občutljivi zadavi se nikanor ne pride. Kje je tu videti pri demokracijah volja za pogajanja, katera imajo vedno na jeziku. Vsa stvar je spet na mrtvi točki. Med tem pa raste javni odpor v Evropi in Ameriki zoper atomske orozje, v katerega so posegli (po mojih mislih neutemeljeno) celo ameriški katoliški škopje ter problem še bolj komplikirali, ker jim npr. nemški škopje nasprotujejo. Celotni položaj atomske zaščite Evrope je na visoki točki jedrske krize in nihče ne ve, kaj se bo zgodilo l. 1983. Kjer in kadar ni najmanjše mere medsebojnega zaupanja med obema atomskima velikanoma, je pač težko pričakovati sporazumne atomske razorozitve, po kateri svet hrepeni.

Evrpske članice NATO same glede atomske politike niso povsem enotne. Nekatere, kot recimo Danska, Nizozemska in še katera, zavračajo namestitev ameriških atomskega misilov na svojem ozemlju, nekatere celo nasprotujejo sleherni dostavi atomskega orožja kjerkoli na evropskih tleh. Pri tem seveda pozabljujo

"Vaška Venera" zopet na odru

To nedeljo, 16. januarja 1983 ob 3.30 popoldne v Slovenskem domu na Holmes Ave. bo podalo dramatsko društvo Lilija burko "Vaška Venera". Igra je bila uprizorjena prvič novembra lani in žela velik uspeh med obiskovalci, ki so se čudili odlični slovenščini že v Združenih državah rojenih igralcev in igralk.

Lilijaši so se odločili, da bodo burko ponovili. Odločili so se tudi, da bo prebitek te predstave darovan v podporo Slovenskega doma za ostarele na Neff Rd.

V današnji AD je zopet objavljen program predstave. Igralci in igralke, ki nastopajo, so aktivni v mnogih slovenskih organizacijah v našem mestu, predvsem pri Korotanu in Fantih na vasi.

Pridite, ne bo vam žal!

Nastop USS godbe in tekmovanje v peki

Pod pokroviteljstvom Združenja slovenskih organizacij (USS) v Clevelandu bo v nedeljo, dne 23. januarja, v Slovenskem društvenem domu, 20713 Recher Ave., v Euclidu, koncert godbe na pihala, istočasno pred koncertom pa bo tekmovanje v peki peciva v prizidku SDD.

Godba šteje 30 članov, v poletju leta 1981 je godba gostovala v raznih krajih Slovenije, nastopili so na kmečkih ocetih v Ljubljani zelo uspešno, tako tudi v SNPJ rekreacijskem paviljonu v Enon Valley, Pa., na SNPJ farmi na Heath Rd., lokalnih paradah in društvenih prireditvah. To bo njihov peti letni koncert.

Tekmovanje v peki peciva je razdeljeno na kategorije: priprava flancatov, potic, krov, štrudeljnove in domačega kruha.

Podrobnosti so na razpolago pri Tony's Polka Village (tel. 481-7512) ali pri Jennie Gorjanc (tel. 449-0650). Poleg peciva, ki je omenjeno v tekmovovanju, bodo tega dne tudi druge vrste peciva naprodaj.

Tekmovanje in ocenjevanje razsodnikov v peki peciva bo v prizidku avditorija SDD od 10. do 12. ure opoldne. Pecivo bo seveda naprodaj.

Posebno lepo se zahvalimo čg. župniku J. Božnarju za blagoslov jaslic in lepo du-

tudi za takojšnji užitek ali pa za domače potrebe.

Isti dan, v nedeljo, 23. januarja, se bo začel koncert ob 3. uri popoldne godbe USS pod vodstvom Normana Novaka na odru SDD. Zaigrali nam bodo lepo število valčkov, vencenk polk in koračnic po prikazu velikih godb.

Tako pri koncertu bo ples v avditoriju, za ples bo igral Novak-Srnick orkester. Vstopnina je \$4 za odrasle in \$2 za mladince. Vstopnice imajo v prodaji pri Tony's Polka Village, 971 E. 185 St., člani godbe USS, na dan prireditve pa pri blagajni.

Cisti dobiček v zvezi s tekmovanjem in koncertom je namenjen vzdrževanju godbe United Slovenian Society.

Vabimo vse ljubitelje glasbe in domačega peciva, da se udeležijo te celodnevne prireditve v nedeljo, 23. januarja, v SDD na Recher Ave. v Euclidu.

Zahvala

CLEVELAND, O.—Društvo slov. protikomunističnih borcev, Cleveland, se lepo zahvaljuje vsem, ki so s svojim solidarovanjem pripomogli k takojšnjem božičnici na zadnjo adventno nedeljo.

Posebno lepo se zahvalimo čg. župniku J. Božnarju za blagoslov jaslic in lepo du-

na 300,000 mož močno ameriško armado v Evropi, ki je upravičena in mora imeti atomsko protekcijo na lici mesta, dokler Sovjeti vzdržujejo tam tako nevarno atomsko silo.

O položaju na Srednjem vzhodu, kjer se Izraelci z ameriško veliko pomočjo prekomerno vojskujejo za varnost svojega obstanka, smo na tem mestu že ponovno pisali in zatorej znanih stvari ne bomo ponavljali. Če bi človek hotel vse niti tega zapletenega vozla razvozati in jih urediti v gladko štreno, ki bi je bilo mogoče lepo odvijati, bi moral priti do prepričanja, da ni druge poti kot vozeli — presekati. Pa naj bo temu in onemu prav ali ne. Taka naloga čaka Ameriko, ki pa tega verjetno nikoli ne bo naredila. Razen, če bi se zgodil čudež. Ali naj se rana nesporazuma in sovraštva gnoji naprej? To je vprašanje.

Tretji svet se ob koncu 1982 zvija v krilih politične in gospodarske nesposobnosti, ogromnih dolgov in splošnega stradeža. Ko bi bili voditelji modrejši kot so, bi ne zahtevali od bogatih držav razdelitve premoženja in bogastva, ampak bi iskali raje ugodnih tržišč v industrijskih državah in podporo v obliki živahnega trgovanja s primernimi cenami za lastne surovine, katerih imajo mnogi v obilici. In naj bi si ne pustili plačevati z dobov dragega orožja, ki nič ne producira, ampak s plugi in traktorji, da bodo mogli preorati domačo zemljo in pridelati živeža za stradajoče ljudstvo. Ne z razdeljevanjem premoženja, ki so si ga razvili narodni pridobili s trdim delom, in ne z orožjem, marveč z ugodnim trgovanjem ter z dobov modernih poljedelskih in industrijskih tehničkih sredstev je tlakovana pot tretjega sveta iz revščine v blagostanje.

A pot bo vsekakor težavna, ker je ves svet v veliki gospodarski krizi.

hovno misel in č. Kumšetu, ki nam je prebral božični evangelij. Enako naša iskrena hvala moškemu zboru pod vodstvom g. Rudija Kneza za prelepe pesmi in za pomoč pri ljudskem petju. Hvala tudi Rotiji, Markotu in malih Hanci, da lepo podane božične deklamacije, in vsem, ki so se trudili s pripravljanjem dvorane, postavljanjem jaslic in krašenjem božičnega

drevesa. Hvala lepa ženam, ki so pripravile in postregle s prigrizkom, vsem, ki so davalni pecivo, in Sršenovim za kuhanje kraljičke in hruške. Prisršna hvala pa tudi vsem, ki so se z dobro voljo udeležili božičnice in tako pomagali ustvariti praznično razpoloženje, ki ga prinašajo božični prazniki.

Mimogrede iz Milwaukeeja

MILWAUKEE, Wis.—Mesec januar je prvi mesec v letu in ga imenujemo tudi prosiniec. Pregovor pravi, da mora biti januar mrzel, če hočemo imeti kaj prido letino. Prosinec mrzel, da poka, sadje jeseni in moka. — Kadar prosiniec odpira dežnike, žetve poletne ne bodo velike. — Prosinec mil, Bog se usmil'. — Prosinca gorkota, jeseni sirota. — Če prosinca grmi, slab vreme preti. — Če prosinica ni snega, ga pa malo traven da. — Če prosinice ne zmrzuje, ne sneži, rad sušec to nadomesti. — Mnogo snega, mnogo sena. — Če Silvestra piha in kiha, na dan Novega leta pa se sonce prijazno nasmiha, se slaba trgačev obeta. —

Kakšno žival ste prvci srečali po novem letu? Pregovor pravi: Če vidiš po novem letu najprej veliko žival (ali pa velik avtobus), boš pri delu uspešen in boš lahko prenašal vročino; če pa najprej zagleda malo žival (mali avtomobilček), boš slab in len državljani. Upam da boste, namesto velike živali, srečali velik in težki tovornjak in tako z uspešnim delom pomagali rešiti ekonomsko krizo v Ameriki in svetu. Vsem zdravo in srečno Novo leto 1983!

Kot vsako leto, se ob slovenski starega in rojstvu novega leta vprašamo, ali smo se kaj novega, vrednega in koristnega naučili? Ali smo napravili korak naprej ali smo obstali tam, kjer smo bili? Mnogo se je spremenilo v starem letu, mnogi so odšli v večnost in dali prostor mlajšemu redu. Mnogo belega kruha in potic smo zaužili, mnogi pa niti črnega kruha niso imeli v ustih. Ali bomo kos tem sprememb napovedali? Črni oblaki so vse povsod. Ali bomo živelji v miru? Če ne, se bomo vojskovani in iskali pravico in mir s človeško krvjo.

Ko gledam na zadnjo silvestrsko in novoletno slavje, kjer so po raznih hotelih, restavracijah in privatnih zavodih nosili na mize gore jedeče in pijače, kar je ostalo pa pogrebli v razne smetnjake, me je stisnilo pri srcu, spominjajoč onih, ki so lačni in žejni. Vedeti pa moramo, da za te reveže, nekateri taki po svoji krvidi, delno skrbijo država, mestne občine in tudi privatne organizacije in zasebniki ter časopisi in TV.

Ob tej priliki pa so mi potekle misli leta nazaj v čas druge svetovne vojne, ko sem bil z drugimi sotropni v gozdovih in kasneje v italijanskih in nemških logorjih, kjer sem tri leta zapovrstjo preživel božične in novoletne praznike v lakotih, brez vsake moralne in finančne podpore (od doma ni bilo mogoče dobiti skoraj nič). Spominjam se dobro, kako so ljudje zunaj logorja s petjem, vriskanjem in strelenjem slavili prihod novega leta, mi interniranci pa smo, lačni ko psi, zmrzli v sobanah, robantili in preklinjali vse, kar leže in gre.

Nihče se ni zmenil za nas, nihče ni bodril nas in nihče ni vodil računa o nas-pa smo v večini prestali in prezivali vse gorje. V Ameriki pa zgleda, da smo se preveč, starci in

žvrgoli. Za nas Slovence v Ameriki ne moremo trditi, da smo zvesti materinemu jeziku, pač pa lahko trdimo, da smo zvesti slovenski narodni pesmi, ker ta je edino orožje za nas viden obstanek.

Slovenska pevska umetnost se poraja iz ljubezni in volje do petja. Zato zaslužijo pevci in pevke društva Uspeh, posebno pa njih zborovodja, marljivi direktor Leo Muškatovec naše priznanje in hvaljenost. Pevski zbor Uspeh je s tem koncertom dokazal velik pevski napredek. Samozavesten nastop zborja, vsi v črnih oblekah in na prsih pripeljali rdeči nagelni, potem lepo, ubranu petje, predvsem pa dobra in razločna izgovarjava slovenskih besed, so nam dokazali, da je pevski zbor Uspeh že na lepi pevski višini. Vsem pevcem in pevkam ter zborovodji Leo Muškatovcu iskrene čestitke in korajžno naprej še k večjim uspehom.

Naj ob tej priliki popravim mojo napako, ko sem poročal o koncertu Korotana v čikaski dvorani Sv. Štefana. Napisal sem, da je "AMERICA THE BEAUTIFUL" ustvaril Irving Berlin, kar ne drži. Pesem "AMERICA THE BEAUTIFUL" je delo skladatelja Samuel Augustus WARD-a.

Okrog Božiča, vse velike baletne skupine po svetu uprizarajo znano rusko zimsko baletno pravljico, z ruskim imenom "Sčelkunčik", kar poimeni kleče za trenje orehov v obliki lutke, ki jih v tem baletu majhna deklica dokita za darilo. V našem jeziku se ta balet imenuje "Hrestač", v Ameriki pa "Nutcracker". To baletno pravljico je uglasil znani ruski skladatelj Peter I. Čajkovski. Milwaukee Ballet Co. je to pot zopet odlično pripravila to božično pravljico. Vsi plesalci in plesalke z baletom Michelle Lucci na čelu, so bili v odlični formi. Koreograf je bil Robert Rodham, orkester pa je vodil Daniel Forlano, novo sceno pa je ustvaril newyorški scenograf Oliver Smith. Vsi sodelujoči so prejeli dolgotrajne ovajice.

Misijonska srečanja in pomenki

582. Praznik Svetih Treh Kraljev

nas spominja na Modre z Vzhoda, ki jih je zvezda pospeljala do jaslic, kjer so našli novo rojenega Zveličarja. Ta dan se je Jezus razdelil pogonom in po njih vsemu človeštvo. Preje so Judeje misili, da izvoljeno ljudstvo upravičeno upa na Odrešenika samo za svoj narod.

Sveti Trije Kralji so sedaj po Vatikanskem koncilu II. na nedeljo, ki je pred 6. januarjem. Ta dan smo vsi opozorjeni, da je Cerkev po naravi "misijonska" in da Kristus raste po njej, v kolikor raste v nas, ki pripadamo "božjemu ljudstvu." Tam, kjer živimo, delujemo, se srečujemo na sestankih in pri razvedrilu; kjer garamo, gospodarsko napredujemo, politično udejstvovanje iščemo, športno sodelovanje gradimo, povsod tam "misijonarimo", če smo res "katoličani," vredni tega imena.

Pričamo za Kristusa s svojim življenjem, vsak dan na stotine načinov. Kadar je naš vzgled šibak, morda celo slab, takrat delamo škodo božjemu kraljestvu, ki ga mnogi sodijo po tem, kakšni smo mi, ki mu pripadamo in pravimo, da "hodimo vsako nedeljo v cerkev".

Poglejmo ZD in Kanado. Mnogim kulturam državljanu pripadajo, najrazličnejše jezike govorijo, vse mogoče zgodovinsko ozadje imajo in njihove tradicije so slikovite. Kar jih druži kot katoličane je Kristus, vera v Njegovo odrešilno poslanstvo, zakramentalno življenje v Cerkvi, ob svojem duhovniku in škofu. Kadar v svojem dnevnem okolju popustimo, ali slab zgled damo, se v tem ali onem, ki istoveti "Cerkev" z nam.

jonskim delom vsa ta leta.

Ga Terezija Zajc, rajna mati tajnice MZA v New Yorku gdč. Kristine, bi kmalu doživel 95 let, pa jo je Bog poklical za jubilej k Sebi. Naj počiva v miru!

Vsi smo poklicani biti "misijonarji in misijonarke". Tako bi bilo na svetu drugače, če bi se mi katoličani tega v globino zavedali in po tem prepričanju resno živeli. Odrešenik sveta je prišel spreobrnit naša srca in samo globoko spreobrnjenje srca nam bo prineslo mir, ki ga svet ne more dati in ki ga cel svet išče često tam, kjer ga najti ne more.

Ki jí pripadamo, nekaj porusi, kar sicer dober zgled mnogih dobrih polagoma v nas vseh zgradi in okrepi.

Vsi smo poklicani biti "misijonarji in misijonarke". Tako bi bilo na svetu drugače, če bi se mi katoličani tega v globino zavedali in po tem prepričanju resno živeli. Odrešenik sveta je prišel spreobrnit naša srca in samo globoko spreobrnjenje srca nam bo prineslo mir, ki ga svet ne more dati in ki ga cel svet išče često tam, kjer ga najti ne more.

Sveti Trije Kralji so Kristusa našli, ga sprejeli, počastili in se z globoko vero vanj vrnili med svoje ljudstvo v Perzijo. Oznanjevali so ga vsem, ki so bili pripravljeni poslušati "veselo oznanilo", ki ga poznamo kot "evangelij". Pojdimo tudi mi in storimo enako. Bodimo misijonarji, kjer živimo, delujemo in mnoge možnosti vsak dan najdemo, da "smo, kar smo", praktično živeči katoličani.

Darovali so za naše misijonarje

okoli praznikov naslednjih: Jakob Kranjc iz Toronto \$55; Janez Kemperle iz Pickeringa, Ont. \$40; ga. Frances Škrjanc iz Pueblo, Colorado, \$10; družina Anton Žakelj iz Cleveland in Matthew Grdadolnik iz istega mesta, vsaka po \$20; družina Franca Slemca (po Odarjevih), iz Cleveland in neimenovana družina iz Kalifornije, vsaka po \$50; isto vsoto tudi g. Martin Starc iz Kalifornije; gdč. Angela Gospodarič, Kalifornija, \$100 (pomotma smo zadnjič objavili drugo družinsko ime) in Neimenovani iz Ohio, \$200. Ga. Katarina Kolenko iz Toronto je darovala stotak, da dobita s. Anica Miklavčič in o. Janez Mujdrica, vsak po \$50.

Iz Barbertona, Ohio, je poslala ga. Frances Ošaben \$10 za vse in \$5 za zambiske misijone; družina Ludwig Kolman iz Waukegana, Ill. je darovala \$40 za vse in Neimenovana družina iz Kalifornije \$25 za vse.

Vsakemu dobrotniku naj dobiti Jezus vse milijonkrat povrne!

Okoli praznikov je prav,

da mislimo drug na drugega s posebno ljubezni, ker nas Odrešenik povezuje v misionskem sodelovanju MZA po vsem širnem svetu.

Na fotografiji iz bolnice na Filipinih vidimo, da je bil brat Rafael Mrzel bolan in doživel je svoj 70. rojstni dan. Hvaležen je za vsako pomoč in zelo vesel AD, kadar ga po 3-4 mesecih po izidu obišče. Moli za svojega dobrotnika.

V Chicagu, Illinois, kjer je veliko starejših naših pionirjev, sta doživelici 95 let življenga ge. Mary Vavpotič in Ančka Ahačič. V New Yorku je doživel blagajnik MZA g. Ludvik Burger st. 80-letnico življenga. Še vedno čvrst, pioniri v MZA že vrsto let.

Na Koroškem je praznoval 85-letnico življenga akademski kipar France Gorše. Baragov kip iz orehovega lesa, ki mi ga je pred leti izdelal, stalno bdi nad mojim misi-

se za praznike oglaša iz semenišča v Mpini in se zahvaljuje za AD z MSIP, kar na žalost ne moremo storiti, ker mora MZA pošiljati pomoč naravnost na teren in so vseake mednarodne transakcije za njeno delovanje nedovoljene.

Omenja, da bodo praznovali drugo leto že 10-letnico njihovega semenišča, kjer je "Julija" končalo tretji letnik 32 bogoslovcov. V bogoslovje v Lusaki je bilo sprejetih 24. Dva pa sta šla v noviciat h konventualcem.

Pri nas smo v septembru spet dobili rekordno število novih kandidatov, kar 50. Upamo, da bodo vztrajali. Zdaj namreč po škofijah bolj vestno izbirajo kandidate, še predno jih pošljejo k nam v Mpino. Vseh filozofov je sedaj 90. Bogoslovev v Lusaki pa 40. Novomašnikov je bilo 1982 11. Posvečeni so bili v avgu-

stu. V teh 10 letih je bilo posvečenih 36 mladih domačih duhovnikov."

V molitev priporočamo

vse naše misijonske sodelavce in misijonarje. Dr. Franc Puc st. je z go. Ivanko poslal za naše misijonarje \$10. Molimo za njegovo zdravje!

VLJUDNO VABLJENI!

ANDREJ KOBAL:

SVETOVNI POPOTNIK PRIPOVEDUJE

Obiskal Nadino mater, bra-
ta in druge sorodnike. Že to,
da sem spoznal sorodnike po
zakonu, je bilo vredno pri-
hoda v Beograd. Tožijo nad
razmerami. V starji Janji vi-
dim, da ji je Nada čisto po-
dobna. Zdaj vem, kako bo
izgledala čez dvajset let.

2. januarja. Kardelj je od-
potoval v London. Opraviti
skušam s poslanikom Patterson-
om. Ta nepoklicni diplomi-
nat je preneroden in strah-
peten, da bi kaj dosegel. Mo-
ram direktno k zunanjemu
ministrju. Zamujati čas z na-
šimi, potem jugoslovanskimi
uradniki bi v najboljšem pri-
meru pomenuli izgubo časa,
prej ko slej pa zapad dovo-
ljenja za prevoz moštva s
konvojem vred. Polkovnik
Beri (?) z urada za zunanje
zadeve je obljubil pomoč in
obeta uspeti ne glede na za-
preke od strani OZNE. Tudi
pri ministrstvu sem opazil,
da se ne drzne izdati odobre-
nje.

Sorodnikom sem razdelil
nekaj francoskih zlatnikov,
drugim dolarje v bankovcih,
nekaj na "posodo". Upam, da
bodo njih sorodniki v Ameri-
ki povrnili Nadi.

3. januarja. Brez uspeha na
uradih. Dovoljenje odlašajo,
ne da bi pojasnili vzroke. Ce-
le ure hoda po Beogradu, za
menoj vedno rep (OZNA).
Soba mi na povratku izgleda
kot da je šla skozi ruska re-
volucija; vse razmetano. Ni-
česar ne manjka, torej niso
bili tatovi.

4. januarja. Vse prizadevanje,
da bi mi pomagal naš pos-
lanik Patterson, je zaman,
kakor da bi metal bob v ste-
nu. Videti moram Brkiča in
ministra. Brez posredovalcev
bom mogoče uspel.

5. januarja. Sinočna večerja
s pogostitvijo dveh ministrov,
Brkiča in še enega (Bog ve,
kako se piše) bo pomagala —
upam. Obljubili so mi, da
bom imel dokumente ob dva-
njastih. Brkič v zadregi:
OZNA je preprečila. Obljubil-
ja, da bo imel odobrenje za
mene zvečer, če ga pri taj-
nem poizkusu ne ulovi OZNA.

Ob sedmih zvečer mi je
Brkič sam prinesel dovoljenje
s potrebnimi pečati. Oddahnil
se je, v resnici vesel. V zahval-
ju nekaj zlatnikov. Ce bi bil
to del ministroma, bi bil go-
tovo imel dovoljenje dan po-
prej. Imel sem vtis, da se je
poleg OZNE vmešaval tudi
"srpska posla".

Brezjav v Napoli, da sem na

Richie Vadnal's Void is Being Filled by the Vadnals

The sudden and serious illness of Richie Vadnal which struck on December 27 in his home on E. 230 StS, forces the popular polka band leader-accordionist to curtail his involvement with the band for the time being. The band is consisted of Bill Srnick on drums, Frank Mahnic on sax, and brothers Tony on bass and Johnny on accordion. Another brother Frank came out of retirement to fill-in the fifth position as banjo-guitarist. The Vadnals will continue fulfilling all playing engagements and will also accept any and all new bookings.

Richie is the youngest Vadnal at age 46 and continues to recuperate from a stroke at Euclid General Hospital. The "no visitors" sign is still posted. Greeting cards and your prayers are requested by wife Elaine and the Vadnal children Suzy, Nancy and Ricky.

Slovenian Bake-Off at Band Concert on the 23rd.

The United Slovenian Society is sponsoring the fifth winter concert of the 30 piece United Slovenian Society folk band on Sunday, January 23, at Slovenian Society Home on Recher Avenue at 3 p.m.

Jennie Gorjanc, vice-president of the USS, is in charge of a bake-off contest in various categories and she can be contacted for more details or an entry form at 692-2557.

Governor Celeste promised the band would play at the Ohio State Fair in Columbus this summer.

Polka Boosters 17th Annual Dance

Annually the Polka Boosters Club stages a clambake in the Fall season and a dinner and dance in Winter. This year's event is being held for the first time at Slovenian National Home, 6417 St. Clair Avenue, on Saturday, Jan. 29. The Don Wojtila Orchestra will be playing for the social following a family style dinner. \$11 tickets are available from Polka Boosters or at the Polka Village.

\$72,037 is Final Tally in Radiothon

Our Cleveland Slovenian Radio TV Club proudly announced a figure of \$72,037 as the final figure in the one year "Radiothon" conducted on our daily polka shows on WELW and NBN. There was a total of 508 actual donors and the above figure added to previous radiothons comes to nearly a quarter of a million dollars collected. Committee members Bill Jansa, Jean Krizman and yours truly are most grateful.

FOREST CITY, PA. NEWS

By MARY MACHEK

Our American Slovenian Heritage Club is only two years old and yet we've been very active. This year alone we had Walt Ostanek (who is my 1st cousin), Frank Yankovich, and Joey Miskulin in the latter part of June promoting their Caribbean Cruise. Two days before, we had Professor Gobetz and his family here. Professor Gobetz lectured us on Slovenia. We had about 200 people in attendance. It was a very good program.

On August 7, 8, 9 we had our trip to Cleveland. We had two bus loads and Tony Petkovsek was a big help to us.

On October we celebrated Founder's Day when we had a complete Slovenian Mass celebrated by our Polish pastor. There was also hymns in Slovenian. A dinner-dance followed.

We also have a Slovenian language class. Our teachers are Rev. Casimir Sulicki, our Polish pastor, and William Puntar, our Club president. Of course, we are using the language manual published by Milena Gobetz and Breda Loncar.

On July 18th we also started a radio program called, "Sunday in Slovenia" which is hosted by Robert and Lucille Jerged who are doing a fantastic job. They feature Slovenian history, culture news items, and then our lovely Slovenian music by American and Slovenian artists. It can be heard every Sunday on WCDL and its on from 12 noon to 12:30. If you have any literature or customs about Slovenia which I can purchase, please let me

know. We use a lot of this kind of information on the program. Many of our Slovians left Forest City in the latter 1930's and early 1940's and migrated to Cleveland. I met two of my relatives in Cleveland at Miskulin's. I haven't seen them since they left Forest City.

I enjoy the American Home and have subscribed to the paper since 1976 after my return from a trip we took to Slovenia and since then my interests are all Slovenian. I have bought quite a few books which were advertised in the A.H.

My address is P.O. Box 127, Forest City, PA 18421

**Lilija Repeats
"Village" Play**

If you weren't one of the lucky ones; if you missed it the first time around, now is your chance. The Slovenian drama society "Lilija" is repeating its successful production "Vaška Venera" (The Village Venus). The first presentation was November 28. The play was a smash. Each performer was excellent which made the comedy even more hilarious and entertaining.

This repeat performance is for the benefit of the Slovenian Home for the Aged on Neff Road.

Come to the exceptional performance of Vaška Venera on Sunday, Jan. 16 at 3:30 p.m. in the Slovenian National Home on Holmes Ave. For the price of a ticket, \$3.50 you will get an afternoon of laughter and give a smile to our treasured senior citizens.
